FINANCIAL STATEMENT PRESENTATION

Paysafe Limited

Paysafe Limited was incorporated by PGHL under the laws of Bermuda on November 23, 2020 for the purpose of effectuating the Transaction. Prior to the Transaction, Paysafe Limited had no material assets and did not operate any businesses. The Transaction resulted in Paysafe Limited acquiring, and becoming the successor to, the Accounting Predecessor. Simultaneously, it completed the combination with the public shell company, FTAC, with an exchange of the shares and warrants issued by Paysafe Limited for those of FTAC. The Transaction was accounted for as a capital reorganization followed by the combination with FTAC, which was treated as a recapitalization. Following the Transaction, both the Accounting Predecessor and FTAC are indirect wholly owned subsidiaries of Paysafe Limited.

The Accounting Predecessor

As a result of the Transaction being accounted for as a capital reorganization, Pi Jersey Holdco 1.5 Limited was deemed to be the Accounting Predecessor of Paysafe Limited. The accompanying consolidated financial statements for the year ended December 31, 2021 include the accounts of Paysafe Limited, and its subsidiaries after giving effect to the Transaction with FTAC that completed on March 30, 2021. The comparative financial information for the years ended December 31, 2020 and 2019 is based upon the accounts of Pi Jersey Holdco 1.5 Limited, prior to giving effect to the Transaction. Prior to the Transaction, Paysafe Limited had no material operations, assets or liabilities.

All statements other than statements of historical facts are forward-looking statements. These forward-looking statements include information about our possible or assumed future results of operations or our performance. Words such as “anticipate,” “appear,” “approximate,” “believe,” “continue,” “could,” “estimate,” “expect,” “foresee,” “intends,” “may,” “might,” “plan,” “possible,” “potential,” “predict,” “project,” “seek,” “should,” “would” and variations of such words and similar expressions (or the negative version of such words or expressions) may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. assumptions and estimates which are inherently subject to significant uncertainties and contingencies, many of which are beyond our control. Actual results may differ materially from those expressed or implied by such forward-looking statements. Accordingly, forward-looking statements should not be relied upon as representing our views as of any subsequent date, and we do not undertake any obligation to update forward-looking statements to reflect events or circumstances after the date they were made, whether as a result of new information, future events or otherwise, except as may be required under applicable securities laws.

INDUSTRY AND MARKET DATA

In this Report, we present industry data, forecasts, information and statistics regarding the markets in which we compete as well as our analysis of statistics, data and other information that we have derived from third parties, including independent consultant reports, publicly available information, various industry publications and other published industry sources (including FIS and IBM). Independent consultant reports, industry publications and other published industry sources generally indicate that the information contained therein was obtained from sources believed to be reliable. Such information is supplemented where necessary with our own internal estimates and information obtained from discussions with our customers, taking into account publicly available information about other industry participants and our management's judgment where information is not publicly available. This information appears in "Item 4.B. Information on the Company—Business Overview," "Item 5. Operating and Financial Review and Prospects" and other sections of this Report.

Forecasts and other forward-looking information obtained from these sources are subject to the same qualifications and uncertainties as the other forward-looking statements in this Report. These forecasts and forward-looking information are subject to uncertainty and risk due to a variety of factors, including those described under "Item 3.D. Risk Factors" of this Report. These and other factors could cause results to differ materially from those expressed in any forecasts or estimates. Some market data and statistical information are also based on our good faith estimates, which are derived from management's knowledge of our industry and such independent sources referred to above. Certain market, ranking and industry data included elsewhere in this Report, including the size of certain markets and our size or position and the positions of our competitors within these markets, including its services relative to its competitors, are based on estimates by us. These estimates have been derived from management's knowledge and experience in the markets in which we operate, as well as information obtained from surveys, reports by market research firms, our customers, distributors, suppliers, trade and business organizations and other contacts in the markets in which we operate and have not been verified by independent sources. Unless otherwise noted, all of our market share and market position information presented in this Report is an approximation. Our market share and market position in each of our business segments, unless otherwise noted, is based on our volume relative to the estimated volume in the markets served by each of our business segments. References herein to Paysafe being a leader in a market or product category refer to our belief that we have a leading market share position in each specified market, unless the context otherwise requires. As there are no publicly available sources supporting this belief, it is based solely on our internal analysis of our volume as compared to the estimated volume of our competitors. In addition, the discussion herein regarding our various end markets is based on how it defines the end markets for its products, which products may be either part of larger overall end markets or end markets that include other types of products and services.

Our internal data and estimates are based upon information obtained from trade and business organizations and other contacts in the markets in which we operate and management's understanding of industry conditions. Although we believe that such information is reliable, we have not had this information verified by any independent sources.

Borrowings under the EUR First Lien Term Loan bear interest at a rate per annum equal to EURIBOR, determined in accordance with the credit agreements (including a floor of 0.00% per annum), plus the applicable margin (which is currently 3.00%). The USD Notes and EUR Notes carry a coupon of 4.00% and 3.00% respectively, payable semi-annually.

Borrowings under the First Lien Revolving Credit Facility bear interest at a rate equal to LIBOR, EURIBOR or equivalent (as applicable), determined in accordance with the Senior Facilities Agreement (including a floor of 0.00% per annum), plus the applicable margin (which is currently 2.25%). The applicable margin for the Facilities is subject to adjustment based on Paysafe Holdings II’s consolidated first lien net leverage ratio.

In addition to paying interest on outstanding principal under the Facilities, Paysafe Holdings II will continue to be required to pay a commitment fee to the lenders under the First Lien Revolving Credit Facility in an amount equal to 30% of the applicable margin in respect of the First Lien Revolving Credit Facility multiplied by the aggregate undrawn commitments under the First Lien Revolving Credit Facility, payable quarterly in arrears. Paysafe Holdings II will also continue to be required to pay customary letter of credit fees and annual agency fees to the agent and security agent.

Prepayments

The credit agreements require Paysafe Holdings II to prepay outstanding loans under the Facilities, subject to certain exceptions, with:

- 75% of the net cash proceeds of certain dispositions of property (which percentage may be reduced to 0% if Paysafe Holdings II achieves and maintains specified consolidated first lien net leverage ratios), subject to certain exceptions, and subject to Paysafe Holdings II’s right to reinvest the proceeds within a time period set forth in the credit agreements; and
- 50% of annual excess cash flow (determined in accordance with the credit agreements) commencing with the first full fiscal year completed after the closing of the Facilities (which percentage may be reduced to 25% and 0% if Paysafe Holdings II achieves and maintains, as of the end of the applicable fiscal year, specified consolidated first lien net leverage ratios), subject to certain credits and exceptions.

In addition, unless the lenders holding a majority of the outstanding loans and commitments under each credit agreement consent, each of the credit agreements provide that upon a change of control (determined in accordance with the credit agreements) or a sale of all or substantially all of the business and/or assets of the group the Facilities will be cancelled and all amounts thereunder will become immediately due and payable.

Paysafe Holdings II may elect to apply the foregoing mandatory prepayments (i) if the consolidated total net leverage ratio is less than or equal to 6.25:1.00, between the First Lien Term Loans, and the Secured Notes on a pro rata basis.

The Borrowers may voluntarily, in minimum amounts set forth in the credit agreements, repay outstanding loans or reduce outstanding commitments under the Facilities at any time without premium or penalty, subject to reimbursements of the lenders’ breakage costs actually incurred in the case of a prepayment of borrowings prior to the last day of the relevant interest period. Subject to the Intercreditor Agreement, the foregoing voluntary prepayments may be applied to any class of loans under the Facilities as Paysafe Holdings II or the Borrowers shall direct.

Amortization and Maturity

The USD First Lien Term Loan amortizes in equal quarterly installments in aggregate annual amounts equal to 1.00% of the principal amount of the USD First Lien Term Loan outstanding as of the date of the closing of the Facilities, with the balance being payable at maturity on June 28, 2028. Principal amounts outstanding under the EUR First Lien Term Loan are due and payable in full at maturity on June 28, 2028. Principal amounts outstanding under the First Lien Revolving Credit Facility are due and payable in full at final maturity on December 28, 2027.

Guarantees and Security

All obligations of the obligors under the credit agreements are unconditionally guaranteed by all guarantors under the credit agreements, such guarantors being material wholly owned direct and indirect restricted subsidiaries of Paysafe Holdings II that are organized in the UK, the United States, Canada or the jurisdiction of incorporation of any Borrower and by Paysafe Holdings II, with customary exceptions and certain agreed security principles including, among other things, where providing such guarantees is not permitted by law, regulation or contract or would result in adverse tax consequences.

Subject to the Intercreditor Agreement, all obligations of the obligors under the credit agreements and the guarantees of such obligations, are secured, subject to permitted liens, certain agreed security principles and other exceptions, by: (i) a pledge of all of the shares issued by the Borrowers and each subsidiary guarantor (subject to certain exceptions), (ii) a security interest in all material intercompany loan receivables of the Borrowers and each guarantor and (iii) in the case of any obligor organized in the UK, security interests in substantially all tangible and intangible personal property (subject to certain exceptions and exclusions) and a floating charge over substantially all of the assets of the relevant obligor.

Subject to certain agreed security principles, the aggregate EBITDA (determined in accordance with the credit agreements) of all guarantors as of the end of each fiscal year must not represent less than 80% of the aggregate EBITDA of Paysafe Holdings II and its restricted subsidiaries as of the end of each fiscal year.

Certain Covenants and Events of Default

The credit agreements contain a number of negative covenants that, among other things, restrict, subject to certain exceptions, the ability of Paysafe Holdings II and its restricted subsidiaries to:

- incur additional indebtedness and make guarantees;
- create liens on assets;
- engage in mergers or consolidations or make fundamental changes;
- sell assets;
- pay dividends and distributions or repurchase their share capital;
- make investments, loans and advances, including acquisitions;
- engage in certain transactions with affiliates;
- enter into certain burdensome agreements;
- make changes in the nature of their business; and
- make prepayments of junior debt.

In addition, with respect to the First Lien Revolving Credit Facility, the Senior Facilities Agreement requires Paysafe Holdings II to maintain, as of the last day of each four fiscal quarter period, a maximum consolidated first lien net leverage ratio of 7.50 to 1.00 only if, as of the last day of any fiscal quarter, revolving loans under the First Lien Revolving Credit Facility are outstanding in an aggregate amount greater than 40% of the total commitments under the First Lien Revolving Credit Facility at such time. The financial maintenance covenant is subject to customary equity cure rights.

The credit agreements also contain certain customary representations and warranties, affirmative covenants and events of default. If an event of default occurs, the lenders under the Facilities will be entitled to take various actions, including the acceleration of amounts due under the credit agreements and all actions permitted to be taken by a secured creditor.

Paysafe Payment Revolving Credit Facility

On June 18, 2019, Paysafe Payment Processing Solutions LLC (“Paysafe Payment”) entered into a credit agreement with Woodforest National Bank, as administrative agent (as amended and restated on January 21, 2020, the “Paysafe Payment Credit Agreement”). The Paysafe Payment Credit Agreement provides for a \$50 million revolving credit facility (the “Paysafe Revolving Credit Facility”), the maturity date of which is May 31, 2023.

In addition, the Paysafe Payment Credit Agreement provides that Paysafe Payment has the right at any time, subject to customary conditions, to request incremental revolving credit commitments in an aggregate principal amount of up to \$20 million. The lenders under the Paysafe Revolving Credit Facility are not under any obligation to provide any such incremental commitments, and any such increase in commitments will be subject to certain customary conditions precedent and other provisions.

The proceeds of the Paysafe Revolving Credit Facility may be used for working capital and other general corporate purposes, other than for the repayment of debt or for personal, family, household or agricultural purposes.

Interest Rate and Fees

Borrowings under the Paysafe Revolving Credit Facility bear interest at a floating rate per annum which can be, at Paysafe Payment’s option, either (i) a LIBOR rate for a specified interest period plus 2.70% or (ii) an alternate base rate minus 0.25%. Paysafe Payment will also continue to be required to pay customary annual agency fees to the administrative agent.

Prepayments

The Paysafe Payment Credit Agreement requires Paysafe Payment to prepay outstanding loans under the Paysafe Revolving Credit Facility (i) immediately, if the principal amount of borrowings under the Paysafe Revolving Credit Facility exceeds the aggregate commitments thereunder or (ii) within 30 days, if the proceeds of borrowings under the Paysafe Revolving Credit Facility are used to fund certain permitted acquisitions. Paysafe Payment may voluntarily, in minimum amounts set forth in the Paysafe Payment Credit Agreement, repay outstanding loans or reduce outstanding commitments under the Paysafe Revolving Credit Facility at any time without premium or penalty.

Maturity

Principal amounts outstanding under the Paysafe Revolving Credit Facility are due and payable in full at maturity on May 31, 2023.

Guarantees and Security

All obligations of Paysafe Payment under the Paysafe Payment Credit Agreement are unconditionally guaranteed by Paysafe Holdings II.

All obligations of Paysafe Payment under the Paysafe Payment Credit Agreement and the guarantees of such obligations, are secured, subject to permitted liens and other exceptions, by perfected security interests in the accounts, collateral accounts and liquid assets of Paysafe Payment, and certain contracts, documents, general intangibles, letter-of-credit rights, proceeds and records relating thereto (subject to certain exceptions and exclusions).

D. Risk Factors

Risks Related to Paysafe’s Business and Industry

Our focus on specialized industry verticals can increase our risks relative to other companies in our industry.

We focus on specialized and high-risk industry verticals, including iGaming (which encompasses a broad selection of online betting related to sports, esports, fantasy sports, poker and other casino games), digital trading, cryptocurrencies, nutraceuticals, and direct marketing, which can include nutraceuticals and multi-level marketing. These verticals represented approximately \$750 million, or 50%, of our revenue for the year ended December 31, 2021. Although this focus distinguishes us from industry peers, it also increases risks inherent in our business and broader industry. For example:

- the industry verticals we serve are extensively regulated, and their regulation is evolving and subject to frequent change and uncertain interpretation. As a result of regulatory actions, we have had to exit a market altogether, limit services we provide,

or otherwise modify our business in ways that have adversely impacted profitability. We are also exposed to a higher risk of losses resulting from related investigations, regulatory actions and litigation. See “—Regulatory, Legal and Tax Risks—We generate a significant portion of our revenue by processing online payments for merchants and customers engaged in the online gambling and foreign exchange trading sectors”;

- serving these high-risk industry verticals routinely creates greater operational complexity, including for our compliance, legal and risk functions;
- with respect to certain industry verticals (such as iGaming), the laws related to, or the legal status of, such verticals vary significantly among the countries in which we operate and, in the U.S., from state to state, further adding operational complexity particularly in compliance and risk mitigation;
- we may have difficulty obtaining or maintaining relationships with merchants and third-party service providers for our business, such as banks and payment card networks, including as a result of their assessment and appetite for the compliance, cost, government regulation, risk of consumer fraud or public pressure that can be associated with some of the specialized industry verticals that we operate in. For example, merchants may compel us to change our operations or add bespoke or enhanced internal controls in order to do business with them; and
- from time to time, the industry verticals we serve (and we by association) are the subject of negative publicity, which can harm our reputation if we are viewed as associated to the industry vertical. In addition, any negative publicity could deter future consumers and merchants from adopting our products and services and influence our third-party service providers’ assessment of our business.

The enhanced risks resulting from our specialized focus can materialize suddenly and without warning, which may result in increased volatility in our results of operations compared with other companies in our industry that do not provide services to companies in high-risk industry verticals, and could result in a material adverse effect on our business, financial condition, results of operations and future prospects.

Cyberattacks and security vulnerabilities could result in loss of customer and merchant funds and personal data, including financial data, as well as serious harm to our reputation, business, and financial condition.

Our information technology (“IT”) security systems, software and networks and those of the customers and third parties with whom we interact may be vulnerable to unauthorized access (from the Internet, from within or by third parties), computer viruses or other malicious code, severe weather or other cybersecurity threats, which could result in the unauthorized access, loss, theft, changes to, unavailability, destruction or disclosure of confidential, proprietary, or personal information relating to merchants, customers and employees. Such access, loss, theft, changes to, unavailability, destruction or disclosure of confidential, proprietary, or personal information could result in identity theft, misuse of pin codes, the loss of card payment details that are stored on our system, and/or the loss of funds stored in customers’ wallets and prepaid cards or have other material impacts on our business. We, like other financial technology organizations, are routinely subject to cybersecurity threats and our technologies, IT systems and networks have been victims of cyberattacks in the past. Information security risks for payment and technology companies such as ours have significantly increased in recent years and in particular with the changes in ways of working driven by the pandemic, in part because of the proliferation of new technologies, the use of the internet and telecommunications technologies to conduct financial transactions, and the increased sophistication and activities of organized crime, hackers, terrorists and other external parties. Geopolitical events and resulting government activity could also lead to information security threats and attacks by affected jurisdictions and their sympathizers.

We are responsible for data security for ourselves and for third parties with whom we partner, including with respect to complying with rules and regulations established by the payment networks and card networks. These third parties include merchants, our distribution partners, our third-party payment processors and other third-party service providers and agents. We and other third parties collect, process, store and/or transmit personal information, such as names, contact details, addresses, social security numbers, credit or debit card numbers, expiration dates, driver’s license numbers, bank account numbers and bank routing information as well as certain information gathered during our Know Your Customer (“KYC”) procedures. We have ultimate liability to the payment networks and our partner banks for our failure or the failure of third parties with whom we contract to protect this data in accordance with payment network requirements. The loss, destruction or unauthorized modification of merchant or consumer data by us or our contracted third parties could result in significant fines, sanctions, proceedings or actions against us by governmental bodies, the payment networks, consumers, merchants or others, and could harm our business and reputation.

Certain products particular to our eCash Solutions division are identified by unique PIN codes assigned to them at the point of sale, and when a customer uses the voucher on a merchant website. These active voucher PINs are stored in our systems. Due to the anonymous nature of these PINs, a theft and subsequent fraudulent utilization of PINs (either due to third-party hacking or due to internal fraud by an employee) could result in the original voucher holder’s inability to use his or her vouchers. While customer verification and fraud management procedures are in place to mitigate this risk, we would honor the payment by the original voucher holder from our own

funds and therefore incur a loss. Our Digital Wallet business, on the other hand, could suffer from a loss of funds if a third-party hacker or an employee is successful in taking over one of our customer's accounts as well as suffer the costs of any subsequent reimbursement to customers. Additionally, loss of payment card information could also lead us to incur card re-issuing costs, which depending on the size of the data breach could be significant. Significant losses incurred as a result of such activity would have a material adverse effect on our results of operations and, depending on the nature of such fraudulent attacks, we may be required to notify relevant regulators and other authorities such as law enforcement. Any adverse publicity as a result of such theft and fraudulent utilization could adversely affect our reputation and the demand for our products.

Despite various mitigation efforts that we undertake, there can be no assurance that we will be immune to these risks and not suffer material security incidents and resulting losses in the future, or that our insurance coverage would be sufficient to cover the related financial losses over and above the excess of the insurance policy. The techniques used to obtain unauthorized, improper, or illegal access to our systems, our data (including our confidential business information and intellectual property rights) or our customers' data (including our merchants and consumers), to disable or degrade our services, demand ransom or to sabotage our systems are constantly evolving and have become increasingly complex and sophisticated. These techniques may be difficult to detect quickly, and often are not recognized or detected until after they have been launched against a target. Threats to our IT systems and our associated third parties' IT systems may result from human error, fraud or malice on the part of employees or third parties, including state-sponsored organizations with significant financial and technological resources, organized crime groups or from accidental technological failure. For example, certain of our employees require access to sensitive data that could be used to commit identity theft or fraud. While we have internal controls in place surrounding system access and segregation of duties, if unauthorized individuals gain access to this data, the risk of malfeasance is heightened. Concerns about security increase when we transmit information electronically, even though we encrypt certain communications and data to reduce this risk, because such transmissions can be subject to attack, interception or loss. Also, computer viruses can be distributed and spread rapidly over the internet and could infiltrate our systems or those of our contracted third parties. Denial of service, ransomware, or other attacks could be launched against us for a variety of purposes, including interfering with our services or to create a diversion for other malicious activities. These or similar types of actions and attacks could disrupt our delivery of services or make them unavailable. As cybersecurity threats continue to evolve, we may be required to expend significant additional resources to continue to modify or enhance our protective measures or to investigate and remediate any information security vulnerabilities. Any of the risks described above could materially adversely affect our overall business, financial condition and results of operations.

We have experienced and will likely continue to regularly experience denial-of-service and other cyberattacks and security events. In such circumstances, our data encryption practices and other protective measures have not always prevented and in the future may not prevent, as applicable, unauthorized access service disruption or system sabotage. For example, in November 2020, we discovered that we were the target of a cybersecurity attack that involved an outside actor attempting to exploit a potential vulnerability of a website used by part of our U.S. business. As a result of our investigation, we identified evidence of suspicious activity on the website that potentially impacted approximately 100,000 merchants and agents. Following the discovery of the cybersecurity incident, we began undertaking remediation efforts, took steps to prevent further unauthorized access and closed the website. We reported the data breach to the appropriate authorities. In addition, we provided the relevant individuals, at no cost to them, with two years of credit monitoring and identity protection services, and established a call center to respond to inquiries regarding the data breach.

Regardless of whether an actual or perceived breach is attributable to our products, such a breach could, among other things:

- interrupt our operations,
- result in our systems or services being unavailable,
- result in improper disclosure of data,
- result in a demand for a ransom payment,
- materially harm our reputation and brands,
- result in significant regulatory scrutiny and legal and financial exposure,
- cause us to incur significant remediation costs,
- lead to loss of customer confidence in, or decreased use of, our products and services,
- divert the attention of management from the operation of our business,
- result in significant compensation or contractual penalties from us to our customers and their business partners as a result of losses to them or claims by them, and
- adversely affect our business and results of operations.

In addition, a significant cybersecurity breach of our systems or communications could result in payment networks prohibiting us from processing transactions on their networks or the loss of our sponsor banks that facilitate our participation in the payment networks, either of which could materially impede our ability to conduct our business. We may also be subject to liability for claims relating to misuse of personal information, such as unauthorized marketing, or violation of data privacy laws. In addition, our agreements with our sponsor banks and our third-party payment processors (as well as payment network requirements) require us to take certain protective measures to ensure the confidentiality of merchant and consumer data. Any failure to adequately comply with these protective measures could result in fees, penalties, litigation or termination of our sponsor bank agreements. Although we generally require that our agreements with distribution partners or our service providers who may have access to merchant or consumer data include confidentiality obligations that restrict these parties from using or disclosing any merchant or consumer data except as necessary to perform their services under the applicable agreements, we cannot guarantee that these contractual measures will be followed or will be adequate to prevent the unauthorized access, use, modification, destruction or disclosure of data or allow us to seek damages from the contracted party. In addition, many of our merchants are small and medium businesses that may have fewer resources dedicated to data security and may thus experience data breaches. Any unauthorized use, modification, destruction or disclosure of data could result in protracted and costly litigation, and cause us to incur significant losses.

The ongoing Covid-19 pandemic, including the resulting global economic uncertainty and measures taken in response to the pandemic, could materially impact our business and future results of operations and financial condition.

The ongoing Covid-19 pandemic has disrupted the economy and put unprecedented strains on governments, health care systems, businesses and individuals around the world. The pandemic has already caused, and is likely to result in further, significant disruption of global financial markets, global supply chains, labor markets, pricing of goods, and economic uncertainty. The pandemic has resulted in authorities implementing numerous measures to try to contain the Covid-19 pandemic, such as travel bans and restrictions, quarantines, shelter in place or total lock-down orders, and business limitations and shutdowns. Such measures have significantly contributed to rising unemployment and negatively impacted consumer and business spending. Although there are effective vaccines that have been approved for use, distribution of the vaccines did not begin until late 2020 and remains ongoing. Fluctuating infection rates and the introduction of new and more easily transmitted variants of Covid-19, such as the Delta and Omicron variants, have resulted in, and may continue to result, in the implementation of various restrictions across the world, including mandatory business shut-downs, travel restrictions, reduced business operations and social distancing requirements, vaccine and or testing mandates, face coverings and other safety requirements and other actions, which could dampen or delay any economic recovery and could materially and adversely affect our business. Adverse market conditions resulting from the spread of Covid-19 could materially adversely affect our business and the value of our shares.

Our merchants, particularly in industries most impacted by the Covid-19 pandemic, including the retail, restaurant, hotel, hospitality, consumer discretionary and travel industries and companies whose customers operate in impacted industries, may reduce or delay their technology-driven transformation initiatives, which could materially and adversely impact our business. Further, as a result of the Covid-19 pandemic, we have experienced, and may continue to experience, slowed growth or decline in new demand for our products and services and lower demand from our existing merchants for expansion within our products and services, as well as existing and potential merchants reducing or delaying purchasing decisions. For example, while our Digital Wallet business is showing recovery as sporting events resume, if the Covid-19 pandemic continues and authorities implement measures to contain the pandemic that have the effect of decreasing or halting altogether sporting events, our Digital Wallet business could be materially adversely affected. We have experienced, and may continue to experience, an increase in prospective merchants seeking lower prices or other more favorable contract terms and current merchants attempting to obtain concessions on the terms of existing contracts, including requests for early termination or waiver or delay of payment obligations, all of which has adversely affected and could materially adversely impact our business, results of operations and overall financial condition in future periods. Further, we may face increased competition due to changes to our competitors' products or services, including modifications to their terms, conditions and pricing that could materially adversely impact our business, results of operations and overall financial condition in future periods.

The Covid-19 pandemic could cause our third-party service providers such as data center hosting facilities and cloud computing platform providers, which are critical to our infrastructure, to shut down their business, experience security incidents that impact our business, delay or disrupt performance or delivery of services or experience interference with the supply chain of hardware required by their systems and services, any of which could materially adversely affect our business. In addition, our technology platforms and the other systems or networks used in our business may experience an increase in attempted cyber-attacks, targeted intrusions, ransomware and phishing campaigns seeking to take advantage of shifts to employees working remotely using their household or personal internet networks as a result of the Covid-19 pandemic. The success of any of these unauthorized attempts could substantially impact our technology platforms, the proprietary and other confidential data contained therein or otherwise stored or processed in our operations, and ultimately our business. Any actual or perceived security incident also may cause us to incur increased expenses to improve our security controls and to remediate security vulnerabilities. Additionally, we may experience an increased volume of unanticipated customer requests for support (resulting in increased volume to our customer support and operations centers) and regulatory requests for information and support or additional regulatory requirements, which could require additional resources and costs to address.

The spread of Covid-19 has caused us to modify our business practices to help minimize the risk of the pandemic to our employees, our partners, our merchants and their customers, and the communities in which we participate, which could negatively impact our business. In response to the Covid-19 pandemic, we have enabled our employees to work remotely, implemented travel restrictions for all non-essential business and shifted company events to virtual-only experiences, and we may deem it advisable to similarly alter, postpone or cancel additional events in the future. There is no certainty that the measures we have taken will be sufficient to mitigate the risks posed by the pandemic. If the Covid-19 pandemic worsens, especially in regions where we have offices, our business activities originating from affected areas could be adversely affected. Disruptive activities could include additional business closures in impacted areas, further restrictions on our employees' and service providers' ability to travel, impacts to productivity if our employees or their family members experience health issues and potential delays in hiring and onboarding of new employees. We may take further actions that alter our business operations as may be required by local, provincial, state or federal authorities or that we determine are in the best interests of our employees. Such measures could negatively affect our sales and marketing efforts, sales cycles, employee productivity or customer retention, any of which could harm our financial condition and business operations.

To the extent that the ongoing Covid-19 pandemic adversely affects our business and financial results, it may also have the effect of heightening many of the other risks described in this "Risk Factors" section.

We are vulnerable to the effects of chargebacks, merchant insolvency and consumer deposit settlement risk.

We are exposed to the effect of chargebacks and merchant insolvency in our business. We are liable to various acquiring banks for chargebacks incurred by our merchants where the merchants are unable to meet liabilities arising as a result of those chargebacks. If the average chargeback rate on any of our merchant portfolios at any acquiring bank exceeds the maximum average chargeback rate permitted by the card agreements, we will be required to take steps to reduce the average chargeback rate so that it falls below the maximum permitted rate or risk losing our relationship with that acquiring bank. Those steps might include processing more transactions for merchants who have lower chargeback rates to produce a lower average chargeback rate for the portfolio as a whole or terminating relationships with merchants who have higher chargeback rates, which could in turn lead to a material loss of revenue for us. Chargebacks may arise as individual claims or as multiple claims relating to the same facts or circumstances. For example, the insolvency or cessation of a merchant doing business could cause numerous individual customers to bring claims at once which, either singly or in aggregate, could have a material adverse effect on our results of operations, financial condition and future prospects. Similarly, chargebacks or fraud related to our customers or merchants in our Digital Wallet business could cause the payment card schemes of which we are a member in Europe to require us to implement additional and potentially costly controls, and ultimately disqualify us from processing transactions if satisfactory controls are not maintained. Further, if any of the services we offer are deemed to have caused or contributed to illegal activity, customers, consumer protection agencies and regulatory firms could band together to initiate chargeback card payments or ACH reversals for transactions associated with the activity in question.

In our Digital Wallet division, we offer our merchants a "no chargeback policy." A chargeback is the return of funds to a customer and in this context relates to a reversal of unauthorized charges to a customer's credit card, for example, as a result of fraud or identity theft. Under our "no chargeback policy," we agree to allow merchants who qualify under our vetting policy to retain all monies received from our NETELLER and Skrill digital wallet holders and undertake not to request reimbursement from such merchants in respect of chargebacks incurred. In such cases, the full amount of the disputed transaction is charged back to us and our credit card processor may levy additional fees against us unless we can successfully challenge the chargeback. We believe that our "no chargeback policy" is a key factor in a merchant's decision to use our Digital Wallet services.

Our eCash Solutions division utilizes distribution partners and as such is exposed to credit risk in the event a distribution partner fails. This is managed through ongoing credit risk assessment with active exposure management including the use of credit limits, guarantees and insurance to limit overall exposure.

Our businesses are also subject to merchant credit risk in respect of non-payment for products provided and services rendered or non-reimbursement of costs incurred. The contracts we enter into may require significant expenditure prior to merchant payments and may expose us to potential credit risk or may require us to use our available bank facilities in order to meet payment obligations.

Additionally, we are exposed to risk associated with the settlement of consumer deposits. Digital Wallet deposits from financial institutions, such as bank accounts, are credited to customer accounts before settlement of funds is received. Thus, there is a risk that the funds may not be settled or may be recalled due to insufficient funds or fraud reasons, exposing us to the risk of negative customer wallet balances and bad debt. Further, Digital Wallet prepaid card deposits or transactions made by consumers may be charged back by consumers resulting in a negative balance and loss on our accounts. If we are unable to effectively manage and monitor these risks, they could have a material adverse effect on our results of operations, financial condition and future prospects.

Our success depends on our relationships with banks, payment card networks, issuers and financial institutions.

The nature of our business requires us to enter into numerous commercial and contractual relationships with banks, card networks, issuers and financial institutions. We depend on these relationships to operate on a day-to-day basis. If we are unsuccessful in establishing, renegotiating or maintaining mutually beneficial relationships with these parties, our business may be harmed. In addition, these relationships are subject to a number of risks, including the following:

- loss of banking relationships:*** we rely on the use of numerous bank accounts in the jurisdictions in which we operate for the efficient delivery of our services. A loss of any important banking relationship could have a material effect on our business and financial performance. For example, in the past, we have experienced the loss of three important banking relationships for our Digital Wallet business, which resulted in a higher concentration risk with our remaining banking partners;
- new banking relationships:*** as we are considered a high risk customer for our banks and payment partners, there is a long lead time associated with establishing new or replacing banking and non-bank payment partner relationships due to the extensive level of compliance due diligence required by the banks and providers. See “—Risks Related to Paysafe’s Business and Industry—” Our focus on specialized industry verticals can increase our risks relative to other companies in our industry;
- loss of a banking product:*** many of our products rely on banks providing payments capability to us. We may lose that service although still maintain the banking relationship as the bank would, for example, continue to provide us with foreign exchange services. Such a loss of services from a bank (or banks) could have a material effect on our business and financial performance including on the geographies, customers and associated payment volumes which we are able to serve;
- loss of an alternative payment method:*** many of our products rely on processing relationships and connections to alternative or local payment methods, either direct or indirect via aggregators. Such a loss of payment methods or providers could have a material effect on our business and financial performance, including on the geographies, customers and associated payment volumes which we are able to serve;
- downstream correspondent banking risk:*** if the correspondent banks of our banks (or the underlying banks of our non-bank payment providers) change their risk appetite, this could lead to restrictions with or rejections of our products’ payment flows which could have a material effect on our business and financial performance, including on the geographies, customers and associated payment volumes which we are able to serve;
- failure of banks and financial institutions:*** across our businesses, we hold our own, merchants’ and customers’ funds on deposit at various banks and financial institutions. In our Digital Wallet and eCash Solutions divisions, we receive funds from our merchants and customers into a number of bank accounts operated by various banks in the countries in which we operate. We then transfer funds, from the various banks in the countries in which we operate, to multiple banks such that amounts equivalent to all merchant and customer funds are held in segregated accounts in accordance with applicable regulatory requirements. While we have controls in place intended to monitor and mitigate this risk, there can be no guarantee that the banks in which funds are held will not suffer any kind of financial difficulty or commence any insolvency or bankruptcy proceedings, or any moratorium, composition, arrangement or enforcement action or any other kind of analogous event in any jurisdiction that may result in the permanent loss of some or all of our own funds or the funds of merchants or customers, which could have a material adverse effect on our business and financial performance;
- Card scheme operating rules:*** we are subject to the operating rules and regulations of card schemes such as Visa and Mastercard and changes to those operating rules and regulations could have a material adverse effect on our business. If a merchant or an independent sales organization (“ISO”) fails to comply with the applicable requirements of the card associations and networks, we or the merchant or ISO could be subject to a variety of fines or penalties that may be levied by the card associations or networks. If we cannot collect or pursue collection of such amounts from the applicable merchant or ISO, we may have to bear the cost of such fines or penalties, resulting in lower earnings for us. Policy changes could impact the merchant category code assignments to our business which can in turn impact our acceptance and authorization rates as well as our banking provider risk appetite assessment and costs. Policy changes can also impact our ability to acquire card transactions on a cross-border basis in particular markets, for example depending on the merchant country of registration;
- finest and assessments:*** the payment card schemes and their processing service providers may pass on fines and assessments in respect of fraud or chargebacks related to our merchants or disqualify us from processing transactions if satisfactory controls are not maintained;
- risk management policies:*** banks and financial institutions that provide us with services enabling us to operate our payments platform could reassess our risk profile due to the portfolio of products and services we offer and/or regard us as being non-compliant with certain laws or regulations (e.g., in relation to the regulation of e-money, cross border transactions or the provision of services to online gambling operators) that are applicable in their relevant jurisdictions or may regard our

customers as being non-compliant. Banks and financial institutions may choose to withdraw from certain markets as a result of their internal risk management policies and may, in compliance with their regulatory obligations or internal risk and compliance policies, freeze the funds of our merchants and customers. In addition, consolidation in the banking sector may result in one of our banking providers being acquired by another bank, which may then prompt a change in our provider's risk appetite and impacts our relationship with that provider;

•*potential competitors*: banks, payment card schemes, issuers and financial institutions may view us as being a competitor to their own business and may cease doing business with us as a result; and

•*fee increases*: we are required to pay interchange and assessment fees, processing fees and bank settlement fees to third-party payment processors and financial institutions. From time to time, payment card networks have increased, and may increase in the future, the interchange fees and assessments that they charge for each transaction processed using their networks. Banks occasionally raise our fees in order to compensate for the increased risk, controls and anti-money laundering monitoring costs the bank may incur due to increased regulatory requirements or scrutiny. Additionally, if one of our banking providers cease to supply us services, that could lead to an increase in costs to continue to offer those services via alternative means, particularly where the service is provided in multiple currencies due to the incursion of additional foreign transaction fees.

If, for any reason, any banks, payment card schemes, issuers or financial institutions cease to supply us with the services we require to conduct our business, or the terms on which such services are provided were to become less favorable or be cancelled, or a contractual claim made against us, it could impact our ability to provide our payment services, or the basis on which we are able to provide such services. This, and any of the factors set forth above, could result in a loss for us, which could have a material adverse effect on our results of operations, financial condition and future prospects.

We rely on third parties in many aspects of our business, which creates additional operational risk.

We rely on third parties in many aspects of our business, including the following:

- payment processing services from various service providers in order to allow us to process payments for merchants and customers and to properly code such transactions;
- payment networks;
- connectivity, routing and payment orchestration providers;
- banks;
- payment processors;
- payment gateways that link us to the payment card and bank clearing networks to process transactions;
- third parties that provide certain outsourced customer support functions, which are critical to our operations;
- third parties that provide KYC information and services (for example, through our embedded financing offering we offer an integrated digital wallet solution to third parties, which may result in certain KYC services being outsourced to third parties); and
- third parties that provide IT-related services including data center facilities and cloud computing and compliance and risk functions.

This reliance exposes us to increased operational risk. These third parties may be subject to financial, legal, regulatory and labor issues, cybersecurity incidents, privacy breaches, service terminations, disruptions or interruptions, or other problems, including reputational problems, which may impose additional costs or requirements on us or prevent these third parties from providing services to us or our customers on our behalf, which could have a material adverse effect on our results of operations, financial condition and future prospects.

The European Banking Authority ("EBA") published guidance on outsourcing arrangements that became effective on September 30, 2019 and is applicable to certain aspects of our businesses. These guidelines set out strict standards to follow when outsourcing critical or important functions that have a strong impact on a financial institution's risk profile or on its internal control framework. Although we have implemented processes to ensure compliance with the required standards, a failure to meet these requirements could lead to regulatory challenge and require remediation and/or fines or penalties if we are found to be in noncompliance with the relevant regulation. Furthermore, any changes to our existing critical or important outsourced functions may be subject to regulatory approval, which, if not satisfied or obtained, may prevent us from initiating the change.

In addition, these third parties may breach their agreements with us, disagree with our interpretation of contract terms or applicable laws and regulations, refuse to continue or renew these agreements on commercially reasonable terms or at all, fail or refuse to process transactions or provide other services adequately, take actions that degrade the functionality of our services, impose additional costs or requirements on us or our customers, or give preferential treatment to competitive services. Some of these third party service providers are, or may become, owned by our competitors. There can be no assurance that third parties who provide services directly to us or our customers on our behalf will continue to do so on acceptable terms, or at all. If any third parties do not adequately or appropriately provide their services or perform their responsibilities to us or our customers on our behalf, we may be unable to procure alternatives from other third parties in a timely and efficient manner and on acceptable terms, or at all, and we may be subject to business disruptions, losses or costs to remediate any of the deficiencies, customer dissatisfaction, reputational damage, legal or regulatory proceedings, or other adverse consequences, any of which could have a material adverse effect on our results of operations, financial condition and future prospects.

Our revenues from the sale of services to merchants that accept Visa cards and Mastercard cards are dependent on our continued financial institution sponsorship.

Because we are not a bank, our business is not eligible for membership in the card payment networks, and we are, therefore, unable to directly access these card payment networks, which are required to process transactions. These networks' operating regulations require us to be sponsored by a member bank in order to process electronic payment transactions. Our various payment processing businesses are registered with the card networks through seven separate sponsor banks (who settle the transactions with our merchants).

Our sponsor banks may terminate their agreements with us if we materially breach the agreements and do not cure the breach within an established cure period, if we enter bankruptcy or file for bankruptcy, or if applicable laws or regulations, including Visa and/or Mastercard regulations, change to prevent either the applicable bank or us from performing services under the agreement. If these sponsorships are terminated and we are unable to secure a replacement sponsor bank within the applicable wind down period, we will not be able to process electronic payment transactions.

Furthermore, our agreements with our sponsor banks provide the sponsor banks with substantial discretion in approving certain elements of our business practices, including our solicitation, application and underwriting procedures for merchants. We cannot guarantee that our sponsor banks' actions under these agreements will not be detrimental to us, nor can we provide assurance that any of our sponsor banks will not terminate their sponsorship of us in the future. Our sponsor banks have broad discretion to impose new business or operational requirements on us for purposes of compliance with payment network rules, which may materially adversely affect our business. If our sponsorship agreements are terminated and we are unable to secure another sponsor bank, we will not be able to offer Visa, Mastercard or other card scheme transactions or settle transactions which would likely cause us to terminate our operations.

Our sponsor banks also provide or supplement authorization, funding and settlement services in connection with our bankcard processing services. If our sponsorships agreements are terminated and we are unable to secure another sponsor bank, we will not be able to process Visa, Mastercard or other card scheme transactions, which would have a material adverse effect on results of operations, financial conditions and future prospects. A change in underwriting, credit policies, credit risk or reputational risk appetite of our sponsor banks may impact appetite for volume and/or merchant categories. Further, there is a long lead time to secure new sponsor banks, as described above under “—Our success depends on our relationships with banks, payment card networks, issuers and financial institutions—new banking relationships.”

In Bermuda and in many countries in which we operate, we are legally or contractually required to comply with the anti-money laundering laws and regulations, such as, in the United States, the Bank Secrecy Act, as amended by the USA PATRIOT Act (collectively, the “BSA”), and similar laws of other countries, which, among other things, require that customer identifying information be obtained and verified. As described in “—Regulatory, Legal and Tax Risks—We must comply with money laundering regulations in Bermuda, the UK, Ireland, Switzerland, the United States, Canada and elsewhere, and any failure to do so could result in severe financial and legal penalties,” we are directly subject to certain of these requirements, including, in the United States, BSA requirements applicable to Skrill USA Inc. (“Skrill USA”). In other instances, we also have contractually agreed to assist our sponsor banks with their obligation to comply with any-money laundering requirements that apply to them, including, in the United States, BSA requirements applicable to such sponsor banks. In addition, we and our sponsor banks are subject to laws and regulations that prohibit persons in certain jurisdictions from engaging in transactions with certain prohibited persons or entities, such as those enforced by the Office of Foreign Assets Control in the United States (“OFAC”). Similar requirements apply in other countries. It could be costly for us to comply with these legal and contractual requirements and our failure to comply with any of these contractual requirements or laws could adversely affect our results of operations, financial conditions and future prospects, and could result in termination of the contracts.

We have obtained “principal membership” with both Mastercard Europe and Visa Europe payment networks to offer merchant acquiring services to merchants in the European Union. This means that we are solely responsible for the adherence to the rules and standards of the payment networks and it enables us to route transactions under our own payment network license to authorize and clear transactions. Under our payment network licenses, we are allowed to perform funds settlement directly to merchants. A loss of membership or

significant change to the commercial terms of our European Mastercard and Visa payment network membership or sponsor bank relationships would have an adverse effect on the results of these businesses' operations.

We may fail to hold, safeguard or account accurately for merchant or customer funds.

Our success requires significant public confidence in our ability to properly manage our customers' balances and handle large and growing transaction volumes and amounts of customer funds. Customer and merchant funds must either be held in secure, liquid low-risk assets that are held by a custodian or placed in a segregated account of an authorized credit institution or we may hold an insurance policy or bank guarantee to safeguard the funds. In 2019, following a review of our United Kingdom ("UK") regulated business, our UK regulator required us to hold additional cash as a liquidity buffer in respect of our European Acquiring, Digital Wallet and eCash businesses, resulting in a consequent increase in liquidity held in our UK regulated entities. Following our work with the regulator, we now have a liquidity and capital adequacy assessment framework in place in respect of our UK regulated entities. We employ internal controls and compliance procedures designed to hold, safeguard and account accurately for customer and merchant funds. Our ability to manage and account accurately for the assets underlying our customer funds and comply with applicable liquidity requirements requires a high level of internal controls. As our business continues to grow and we expand our product offerings, we must continue to strengthen our associated internal controls. Any failure to account accurately for customer and merchant funds or to fail to comply with applicable regulatory requirements could result in reputational harm, lead customers to discontinue or reduce their use of our products and result in significant penalties and fines, which could materially harm our business. For more information regarding our assessment of the consequences of breaches of our e-money issuer, payment initiation services provider or money transmitter licenses, see "—Regulatory, Legal and Tax Risk—We are subject to financial services regulatory risks."

Our business and products are dependent on the availability, integrity and security of internal and external IT transaction processing systems and services.

Our business requires the ongoing availability and uninterrupted operation of internal and external transaction processing systems and services. We rely on controls and systems designed to ensure data integrity of critical business information and proper operation of our systems and networks, and we review the processes of our third party providers of transaction processing and IT-related functions. Such third parties are, however, ultimately responsible for maintaining their own network security, disaster recovery and system management procedures. All operational systems are vulnerable to damage or interruption from targeted denial of service attacks, viruses, unauthorized access (internally or by third parties), natural or man-made disasters and human or technological failures under a variety of scenarios. A system outage or data loss, whether connected to our IT transaction processing systems and services or those of our third party providers, could have a material adverse effect on our business, financial condition and results of operations. In addition, as a provider of payments solutions, we are subject to scrutiny by regulators, and laws and regulations may require specific business continuity and disaster recovery plans and rigorous testing of such plans. This scrutiny and the related requirements may be costly and time-consuming and may divert our resources from other business priorities, and frequent or persistent site interruptions could lead to fines and penalties, and mandatory and costly changes to our business practices, and ultimately could cause us to lose existing licenses that we need to operate or prevent or delay us from obtaining additional licenses that may be required for our business. Events that could cause system interruptions or impact the ability of staff or third parties to supply necessary skills or services include pandemics, fire, earthquake, flood, terrorist attacks, natural disasters, attacks from malicious third parties, employee malfeasance or negligence, computer viruses, unauthorized entry, telecommunications failure, power loss, data loss, cyberattacks, acts of war or any similar events.

We may modify, enhance, upgrade and implement new systems, procedures and controls to reflect changes in our business, technological advancements and changing industry trends. These upgrades can create risks associated with implementing new systems and integrating them with existing ones. As a result, our IT and information management systems may fail to operate properly (for example, by capturing customer data erroneously) or become disabled as a result of events that are beyond our control, such as an unusually high increase in transaction volume. We may also incur additional costs in relation to any new or upgraded systems, procedures and controls and additional management attention could be required in order to ensure an efficient integration, placing burdens on our internal resources.

Despite the network security, disaster recovery and systems management measures that we have in place, we cannot ensure that we would be able to carry on our business in the ordinary course if our systems or those of our third party service providers fail or are disrupted. Indeed, while much of our processing infrastructure is located in multiple redundant data centers or hosted on resilient cloud platforms, we have a limited number of core business systems that are located in only one facility and do not have redundancy. Any such failure of IT and information management systems could adversely affect our reputation, our ability to effect transactions and service customers and merchants, disrupt our business or result in the misuse of customer data, financial loss or liability to our customers or regulators, the loss of suppliers, regulatory intervention or reputational damage.

Additionally, as our customers may use our products for critical transactions, any errors, defects or other infrastructure problems could result in damage to such customers' businesses. These customers could seek compensation from us for their losses and our insurance

policies may be insufficient to cover such claims. Even if unsuccessful, this type of claim may be time consuming and costly for us. Any of the foregoing could have a material adverse effect on our results of operations and financial condition.

We may become an unwitting party to fraud or be deemed to be handling proceeds resulting from the criminal activity of our customers.

We are focused on providing trusted services to our customers and merchants and ensuring that data and confidential information is transmitted and stored securely. Combatting money laundering and fraud is a significant challenge in the online payment services industry because transactions are conducted between parties who are not physically present, which in turn creates opportunities for misrepresentation and abuse. Criminals are using increasingly sophisticated methods to engage in illegal activities such as identity theft, fraud and paper instrument counterfeiting. Online payment companies are especially vulnerable because of the convenience, immediacy and in some cases anonymity of transferring funds from one account to another and subsequently withdrawing them. The highly automated nature of, and liquidity offered by, our payments services make us a target for illegal or improper uses, including fraudulent or illegal sales of goods or services, money laundering and terrorist financing. Allegations of fraud may result in fines, settlements, litigation expenses and reputational damage.

While we employ a variety of tools to protect against fraud, these tools may not be successful. We reserve the right to refuse to accept accounts or transactions from many high-risk countries, internet protocol addresses and e-mail domains and continually update these screening filters. Our transaction monitoring systems are designed to identify various criteria, including the country of origination, in order to detect and monitor fraud and to reject any purported transactions if they appear to be fraudulent. Nevertheless, our transaction monitoring systems may not operate as intended or may otherwise fail to effectively detect fraudulent transactions or locate where a transaction is being made. We face significant risks of loss due to money laundering, fraud and disputes between senders and recipients, and if we are unable to deal effectively with losses from fraudulent transactions our business could be materially harmed.

The ability for customers to withdraw and deposit funds within various accounts and the potential for customer fraud in connection with certain gambling activities heightens the risks of money laundering and the unwitting receipt by us of criminal proceeds. Our industry is under increasing scrutiny from governmental authorities—in Europe, the United States and many other jurisdictions in which we operate—in connection with the potential for consumer fraud. The laws of some jurisdictions define or interpret what constitutes the underlying criminal activity that gives rise to criminal proceeds relatively narrowly (for example, terrorist financing). Conversely, other jurisdictions have adopted laws providing for relatively broad definitions or interpretations of underlying criminal activity (for example, in the UK criminal proceeds may arise from the conviction of any criminal offence where it is found that the defendant has benefitted from the criminal conduct). Further, to the extent to which payment processors may be held civilly or criminally liable for the criminal activities of its merchant customers also varies widely across the jurisdictions in which we operate.

If consumer fraud levels involving our services were to rise, it could lead to regulatory intervention and reputational and financial damage. This, in turn, could lead to additional government enforcement actions and investigations and concerns raised by merchants and our banking partners, which in turn could reduce the use and acceptance of our services or increase our compliance costs and thereby have a material adverse impact on our business, financial condition and results of operations. By processing payments for merchants and customers in certain industry vehicles, such as those engaged in the online gambling sector, we may be deemed to be handling proceeds of crime in the jurisdiction where our merchants and customers are located. We are subject to anti-money laundering laws and regulations, including, in the United States, the BSA which requires money services businesses such as us to develop and implement risk-based anti-money laundering programs, report large cash transactions and suspicious activity and maintain transaction records. We have adopted a program to comply with these and other anti-money laundering regulations, but any errors or failure to implement the program properly could lead to lawsuits, administrative action and government fines and/or prosecution. In addition, even if we comply with such reporting and record-keeping requirements, law enforcement agencies in the relevant country could seize merchants' or customers' funds that are the proceeds of unlawful activity. Any such action could result in adverse publicity for our business and could have a material adverse effect on our results of operations, financial condition and future prospects.

Our risk management policies and procedures may not be fully effective in mitigating our risk exposure in all market environments or against all types of risks, which could expose us to losses and liability and otherwise harm our business.

We operate in a rapidly changing industry and we have experienced significant change in recent years, including in connection with certain acquisitions. Accordingly, our risk management policies and procedures may not be fully effective at identifying, monitoring and managing our risks at pace with these changes. Some of our risk evaluation methods depend upon information provided by third parties regarding markets, clients or other matters that are otherwise inaccessible to us. In some cases, however, that information may not be accurate, complete or up-to-date. Our risk management policies, procedures, techniques and processes may not be effective at identifying all of the risks to which we are exposed or enabling us to mitigate the risks we have identified. In addition, when we introduce new services, focus on new business types or begin to operate in markets in which we have a limited history of fraud loss, we may be less able to forecast and reserve accurately for new risks. Some risk mitigations may be deemed ineffectual, for example, if our insurance

coverage is not adequate. We may need to initiate legal proceedings at a high cost if we are unable to come to a settlement with adversarial parties. If our risk management policies and processes are ineffective, we may suffer large financial losses, we may be subject to civil and criminal liability and our business, financial condition and results of operations may be materially and adversely affected.

We are required to comply with payment card network operating rules.

Payment networks, such as Visa, Mastercard and American Express, establish their own rules and standards that allocate liabilities and responsibilities among the payment networks and their participants. These rules and standards, including the Payment Card Industry Data Security Standards, govern a variety of areas, including how consumers and clients may use their cards, the security features of cards, security standards for processing, data security and allocation of liability for certain acts or omissions, including liability in the event of a data breach. The payment networks may change these rules and standards from time to time as they may determine in their sole discretion and with or without advance notice to their participants. These changes may be made for any number of reasons, including as a result of changes in the regulatory environment, to maintain or attract new participants, or to serve the strategic initiatives of the payment networks, and may impose additional costs and expenses on or be disadvantageous to certain participants. Participants are subject to audit by the payment networks to ensure compliance with applicable rules and standards. The networks may fine, penalize or suspend the registration of participants for certain acts or omissions or the failure of the participants to comply with applicable rules and standards. Furthermore, the networks may levy fines on our sponsor banks in the event that our processing behavior causes our sponsor banks to breach their obligations to scheme rules including breaching, for example, applicable thresholds, such as chargeback or fraud thresholds. This occurrence can lead to an adverse impact on our sponsor bank relationships and any required remedies can create additional costs. Our removal from a given network's list of Payment Card Industry Data Security Standard compliant service providers could mean that existing merchants, customers, sales partners or other third parties may cease using or referring our services. Also, prospective merchants, customers, sales partners or other third parties may choose to terminate negotiations with us, or delay or choose not to consider us for their processing needs. In addition, the card networks could refuse to allow us to process through their networks. Any of the foregoing could materially adversely impact our business, financial condition or results of operations.

Changes to these network rules or how they are interpreted could have a significant impact on our business and financial results. For example, changes in the payment card network rules regarding chargebacks may affect our ability to dispute chargebacks and the amount of losses we incur from chargebacks. Changes to and interpretations of the network rules that were inconsistent with the way we operated has, in the past, required us to make changes to our business, and any future changes to or interpretations of the network rules that are inconsistent with the way we currently operate may require us to make changes to our business that could be costly or difficult to implement. If we fail to make such changes or otherwise resolve the issue with the payment card networks, the networks could pass on fines and assessments in respect of fraud or chargebacks related to our merchants or disqualify us from processing transactions if satisfactory controls are not maintained, which could have a material adverse effect on our business, financial condition and results of operations.

In addition, we are required to comply with additional clearing scheme rules not particular to card companies, such as Bacs Payment Schemes Limited (formerly known as the Bankers Automated Clearing System), and the Single Euro Payments Area (also known as the SEPA, EBA Step2) scheme, which govern the clearing and settlement of certain UK and European electronic payment methods. Changes in the classification of our business by Visa and/or Mastercard could result in restrictions on our service offerings. For examples, the classification of our Digital Wallet as a "Staged Digital Wallet," a "Pass-Through Digital Wallet," or a "Stored Value Digital Wallet" impacts which merchants in various jurisdictions can accept our funds.

Our efforts to expand our product portfolio and market reach may not succeed, and if we fail to manage our growth effectively, our business could be materially harmed.

While we intend to continue to broaden the scope of products and services we offer, we may not be successful in deriving any significant revenue from these products and services. Failure to broaden the scope of products and services that are attractive may inhibit our growth and harm our business. Furthermore, we may have limited or no experience in our newer markets and we cannot assure you that any of our products or services in our newer markets will be widely accepted or that they will generate revenue. Our offerings may present new and difficult technological, operational, regulatory and other challenges, and if we experience service disruptions, failures, or other issues, our business may be materially and adversely affected. Our newer activities may not recoup our investments in a timely manner or at all. If any of this were to occur, it could damage our reputation, limit our growth, and materially and adversely affect our results of operations and financial condition.

Further, in order to manage our growth effectively, we must continue to strengthen our existing infrastructure, develop and improve our processes and internal controls, create and improve our reporting systems, and timely address issues as they arise. As we continue to strengthen our existing infrastructure and systems, we will also be required to hire additional personnel. These efforts may require substantial financial expenditures, commitments of resources, developments of our processes, and other investments and innovations. Furthermore, we encourage employees to quickly develop and launch new features for our products and services. As we grow, we may

not be able to execute as quickly as smaller, more agile organizations. In addition, as we grow, we may not be able to maintain our entrepreneurial company culture, which fosters innovation and talent. If we do not successfully manage our growth, our business may be adversely affected.

We might not be successful at acquiring, investing in or integrating businesses, entering into joint ventures or divesting businesses.

We expect to continue pursuing strategic and targeted acquisitions, investments and joint ventures to enhance or add to our skills and capabilities or offerings of services and solutions, or to enable us to expand in certain geographic and other markets. For example, in January 2022, we acquired SafetyPay and in 2021, we acquired Orbis Ventures S.A.C. (“PagoEfectivo”) and viafintech, but our broader plan to expand into markets and grow in the markets we are in may not succeed. We may not be successful in identifying additional suitable investment opportunities. We also might not succeed in completing targeted transactions or achieve desired results of operations of these transactions.

Furthermore, we face risks in successfully integrating any businesses we might acquire or create through a joint venture. Ongoing business may be disrupted, and our management’s attention may be diverted by acquisition, investment, transition or integration activities. In addition, we might need to dedicate additional management and other resources, and our organizational structure could make it difficult for us to efficiently integrate acquired businesses into our ongoing operations and assimilate and retain employees of those businesses into our culture and operations. The potential loss of key executives, employees, customers, suppliers, and other business partners of businesses we acquire may adversely impact the value of the assets, operations or businesses. Moreover, acquisitions or joint ventures may result in significant costs and expenses, including those related to retention payments, equity compensation, severance pay, early retirement costs, intangible asset amortization and asset impairment charges, assumed litigation and other liabilities, and legal, accounting and financial advisory fees, which could negatively affect our profitability. We may have difficulties as a result of entering into new markets where we have limited or no direct prior experience or where competitors may have stronger market positions.

We might fail to realize the expected benefits or strategic objectives of any acquisition, investment or joint venture we undertake. We might not achieve our expected return on investment or may lose money. We may be adversely impacted by liabilities that we assume from a company we acquire or in which we invest, including from that company’s known and unknown obligations, intellectual property or other assets, terminated employees, current or former clients or other third parties. In addition, we may fail to identify or adequately assess the magnitude of certain liabilities, shortcomings or other circumstances prior to acquiring, investing in or partnering with a company, including potential exposure to regulatory sanctions or liabilities resulting from an acquisition target’s previous activities, internal controls and security environment. If any of these circumstances occurs, they could result in unexpected legal or regulatory exposure, unfavorable accounting treatment, unexpected increases in taxes or other adverse effects on our business. Litigation, indemnification claims and other unforeseen claims and liabilities may arise from the acquisition or operation of acquired businesses. If we are unable to complete the number and kind of investments for which we plan, or if we are inefficient or unsuccessful at finding a suitable target or at integrating any acquired businesses into our operations, we may not be able to achieve our planned rates of growth or improve our market share, profitability or competitive position in specific markets or services.

We periodically evaluate, and have engaged in, the disposition of assets and businesses. Divestitures could involve difficulties in the separation of operations, services, products and personnel, the diversion of management’s attention, the disruption of our business and the potential loss of key employees. After reaching an agreement with a buyer for the disposition of a business, the transaction may be subject to the satisfaction of pre-closing conditions, including obtaining necessary regulatory and government approvals, which, if not satisfied or obtained, may prevent us from completing the transaction. Divestitures may also involve continued financial involvement in or liability with respect to the divested assets and businesses, such as indemnities or other financial obligations, in which the performance of the divested assets or businesses could impact our results of operations. Any divestiture we undertake could adversely affect our results of operations.

We depend on key management, as well as our experienced and capable employees, and any failure to attract, motivate, and retain our employees could harm our ability to maintain and grow our business.

We depend upon the continued services and performance of our directors and key senior management. Our directors and key senior management play a key role in maintaining our culture and in setting our strategic direction. The unexpected departure or loss of one or more of our directors or key senior management team members could harm our ability to maintain and grow our business, and there can be no assurance we will be able to attract or retain suitable replacements for such directors and/or key management in a timely manner, or at all. We also may incur significant additional costs in recruiting and retaining suitable replacements and avoiding disruption in integrating them into our business.

In addition, our operations and the execution of our business plan depend on our ability to attract, train and retain suitably skilled or qualified personnel with relevant industry and operational experience and to ensure that we have a robust succession planning system

in place. In order for us to expand our operations in the future we will need to recruit and retain further personnel with suitable experience, qualifications and skill sets capable of advancing our business. Additionally, we are in the process of incorporating more automation and re-engineering processes in our business, and uncertainty related to this transformation may affect our ability to retain our employees. Depending on the geographical area, there can be substantial competition for suitably skilled or qualified personnel with relevant industry and operational experience and there can be no assurance that we will be able to attract or retain our personnel on similar terms to those on which we currently engage our employees, or at all. We see this risk in particular in our Digital Wallet operations center in Sofia, Bulgaria, where we have found it can be more difficult to identify qualified local talent from which to staff our operations and in our Hyderabad, India technology hub, where there is a highly competitive local market for staff. If we are unable to attract or retain suitably skilled or qualified personnel then this could have a material adverse effect on our results of operations, financial condition and future prospects. Furthermore, if we are unable to maintain sufficient qualified personnel due to employee illness, quarantine, willingness to return to work, vaccine and/or testing mandates, face-covering and other safety requirements, general scarcity of employees, or travel and other restrictions, our ability to support our operations may be adversely affected.

Our business depends on a strong and trusted brand, and any failure to maintain, protect and enhance our brand could materially harm our business.

We believe that maintaining, protecting and enhancing our strong and trusted brand is critical to achieving widespread acceptance of our products and services and expanding our base of customers. Maintaining and promoting our brand will depend largely on our ability to continue to provide useful, reliable, secure, and innovative products and services, as well as our ability to maintain trust and be a technology leader. We may introduce, or make changes to, features, products, services, privacy practices, or terms of service that customers do not like, which may materially and adversely affect our brand. Our brand promotion activities may not generate customer awareness or increase revenue, and even if they do, any increase in revenue may not offset the expenses we incur in building our brand. The introduction and promotion of new products and services, as well as the promotion of existing products and services, may be partly dependent on our visibility on third-party advertising platforms, such as Google, Twitter, or Facebook. Changes in the way these platforms operate or changes in their advertising prices, data use practices or other terms could make the maintenance and promotion of our products and services and our brand more expensive or more difficult. If we fail to successfully promote and maintain our brand or if we incur excessive expenses in this effort, our business could be materially and adversely affected.

Harm to our brand can arise from many sources, including failure by us or our partners and service providers to satisfy expectations of service and quality, inadequate protection or misuse of sensitive information, failure to meet applicable legal and regulatory requirements, including compliance failures and allegations, litigation and other claims, employee misconduct, fraud, fictitious transactions, bad transactions, negative customer experiences, and misconduct by our partners, service providers, or other counterparties. We have also been in the past, and may in the future be, the target of incomplete, inaccurate, and misleading or false statements about our company, our business, and our products and services that could damage our brand and deter consumers and merchants from adopting our products and services. From time to time, the industry verticals we serve (and we, by association) are the subject of negative publicity, which can harm our brand and deter consumers and merchants from adopting our products and services. See “—Our focus on specialized industry verticals can increase our risks relative to other companies in our industry.” Any negative publicity about our industry or our company, the quality and reliability of our products and services, our risk management processes, changes to our products and services, our ability to effectively manage and resolve customer complaints, our privacy, data protection, and information security practices, litigation, regulatory activity, policy positions, and the experience of our customers with our products or services could adversely affect our reputation and the confidence in and use of our products and services. If we do not successfully maintain a strong and trusted brand, our business could be materially and adversely affected.

In addition, the registered or unregistered trademarks or trade names that we own may be challenged, infringed, declared generic, or determined to be infringing on or dilutive of other marks. We may not be able to protect our rights in these trademarks and trade names, which we need in order to build name recognition with potential customers. Moreover, third parties may use, or file for registration of trademarks similar or identical to our trademarks; if they succeed in registering or otherwise developing common law rights in such trademarks, and if we are not successful in challenging such third-party’s use of such trademarks, our own trademarks may no longer be useful to develop brand recognition of our technologies, products or services. Furthermore, there could be potential trade name or trademark infringement claims brought by owners of other trademarks, including trademarks that incorporate variations of our registered or unregistered trademarks or trade names. If we are unable to establish name recognition based on our trademarks and trade names, we may not be able to compete effectively, which could have a material adverse effect on our competitive position, business, financial condition, results of operations, and prospects.

Global and regional economic conditions could materially harm our business.

Our operations and performance depend significantly on global and regional economic conditions. Uncertainty about global and regional economic events and conditions may impact our ability to conduct business in certain areas and may result in consumers and businesses postponing or lowering spending in response to, among other factors:

- tighter credit;
- inflation;
- supply chain issues;
- financial market volatility;
- fluctuations in foreign currency exchange rates and interest rates;
- changes and uncertainties related to government fiscal and tax policies, U.S. and international trade relationships, agreements, policies, treaties and restrictive actions, including increased duties, tariffs, or other restrictive actions;
- geopolitical events, including natural disasters, public health issues, pandemics, acts of war and terrorism, including the military hostilities commenced in Ukraine (operations in Russia and Ukraine represented approximately 1% of revenues for the year ended December 31, 2021);
- higher unemployment;
- consumer debt levels or reduced consumer confidence;
- complying with all applicable restrictions and sanctions that may impact our operations, including complying with any applicable sanctions imposed on Russia;
- government austerity programs; and
- other negative financial news, macroeconomic developments or pandemics.

In addition, many of our merchants are small businesses and these businesses may be disproportionately adversely affected by economic downturns or conditions and may fail at a higher rate than larger or more established businesses. If spending by their customers declines, or if customer behavior is otherwise adversely impacted by rising inflation, these businesses would experience reduced sales and process fewer payments with us or, if they cease to operate, stop using our products and services altogether. Small businesses frequently have limited budgets and limited access to capital, and they may choose to allocate their spending to items other than our financial or marketing services, especially in times of economic uncertainty or in recessions. These and other global and regional economic events and conditions could have a material adverse impact on the demand for our products and services. Furthermore, any financial turmoil affecting the banking system or financial markets could cause additional consolidation of the financial services industry, significant financial service institution failures, new or incremental tightening in the credit markets, low liquidity, and extreme volatility or distress in the fixed income, credit, currency, and equity markets, which could have a material adverse impact on our results of operations, financial condition and future prospects.

If we cannot keep pace with rapid technological developments to provide new and innovative products and services, the use of our products and services and, consequently, our revenues could decline.

Rapid, significant, and disruptive technological changes, such as machine learning, container technology, artificial intelligence, biometrics (for authorization and authentication) as well as quantum computing, impact the industries in which we operate, including developments in payment card tokenization, mobile, social commerce (i.e., eCommerce through social networks), authentication, cryptocurrencies (including distributed ledger and blockchain technologies), and near-field communication, and other proximity payment technology, such as contactless payments. As a result, we expect new services and technologies to continue to emerge and evolve, and we cannot predict the effects of technological changes on our business. In addition to our own initiatives and innovations, we rely in part on third parties, including some of our competitors, for the development of and access to new or evolving technologies. These third parties may restrict or prevent our access to, or utilization of, those technologies, as well as their platforms or products. In addition, we may not be able to accurately predict which technological developments or innovations will become widely adopted and how those technologies may be regulated. We expect that new services and technologies applicable to the industries in which we operate will continue to emerge and may be superior to, or render obsolete, the technologies we currently use in our products and services. Developing and incorporating new technologies into our products and services may require substantial expenditures, take considerable time, and ultimately may not be successful.

In addition, our ability to adopt new products and services and to develop new technologies may be inhibited by industry-wide standards, payments networks, changes to laws and regulations, resistance to change from consumers or merchants, third-party intellectual property rights, or other factors. For example, consumers can use their Skrill and NETELLER wallets to trade in cryptocurrencies. Our success in providing cryptocurrency services, and with other rapid technological innovations, will depend on our ability to develop and incorporate new technologies and adapt to technological changes and evolving industry standards; if we are unable to do so in a timely or cost-effective manner, our business could be harmed.

We are currently building a single core platform for our businesses to increase resilience, speed and security and provide firm foundations for future releases and enhancements. Related to this are various initiatives, which include increasing our risk management, fraud management and compliance capabilities and ensuring that our updated architecture can support a constantly evolving KYC, anti-money laundering, credit check and fraud monitoring environment; providing us with better reporting and analytics; providing our merchants with the ability to accept any payment method they wish and allowing for increased customer customization of their services. However, there is no assurance that this platform will operate effectively or that we will achieve these intended benefits. A failure to deliver the solutions identified by our businesses as important for their future success in a timely or cost-effective manner could have an impact on our future success.

We face substantial and increasingly intense competition worldwide in the global payments industry.

The global payments industry is highly competitive, rapidly changing, very innovative, and increasingly subject to regulatory scrutiny. We compete against a wide range of businesses, including businesses that are larger than we are with substantially greater financial and other resources than we have, have a more dominant and secure position, or offer other products and services to consumers and merchants that we do not offer, as well as smaller companies that may be able to respond more quickly to regulatory and technological changes. These competitors may act on business opportunities within our specialized industry verticals, which may reduce our ability to maintain or increase or market share. In addition, the services of our various competitors are differentiated by features and functionalities such as brand recognition, customer service, trust and reliability, distribution network and channel options, convenience, price, speed, variety of payment methods, service offerings and innovation.

In addition, our competitors may be able to offer more attractive economic terms to our current and prospective clients. If competition requires us to offer more attractive economics by reducing our fees or otherwise modifying our terms in order to maintain market share and continue growing our client base, we will need to aggressively control our costs in order to maintain our profit margins and our revenues may be adversely affected, and our ability to control our costs is limited because we are subject to fixed transaction costs related to payment networks. Competition could also result in a loss of existing clients and greater difficulty in attracting new clients. One or more of these factors could have a material adverse effect on our business, financial condition and results of operations.

Furthermore, many of the areas in which we compete evolve rapidly with changing and disruptive technologies, shifting user needs, and frequent introductions of new products and services. Competition may also intensify as businesses enter into business combinations and alliances, and established companies in other segments expand to become competitive with different aspects of our business. If we cannot compete effectively, the demand for our products and services may decline, which would adversely impact our competitive position, business and financial performance.

Our international operations subject us to increased risks, which could harm our business.

We have extensive international operations and our customers are resident in over 120 countries and territories. There are risks inherent in doing business internationally on both a domestic (i.e., in-country) and cross-border basis, including, but not limited to:

- foreign currency and cross-border trade risks;
- risks related to government regulation or required compliance with local laws;
- local licensing and reporting obligations;
- obligations to comply with local regulatory and legal obligations related to privacy, data security and data localization;
- expenses associated with localizing our products and services, including offering customers the ability to transact business in the local currency, and adapting our products and services to local preferences (e.g., payment methods) with which we may have limited or no experience;
- trade barriers and changes in trade regulations;
- difficulties in developing, staffing, and simultaneously managing a large number of varying foreign operations as a result of distance, language and cultural differences;
- stringent local labor laws and regulations;
- credit risk and higher levels of payment fraud;
- profit repatriation restrictions, foreign currency exchange restrictions or extreme fluctuations in foreign currency exchange rates for a particular currency;
- political or social unrest, economic instability, repression or human rights issues;

- geopolitical events, including natural disasters, public health issues, pandemics, acts of war and terrorism;
- import or export regulations;
- compliance with Bermuda, UK, Irish, U.S. and other international laws prohibiting corrupt payments to government officials, such as the Bermuda Bribery Act, the U.S. Foreign Corrupt Practices Act, the UK Bribery Act, the Irish Criminal Justice (Corruption Offences) Act 2018 and other local anticorruption laws;
- compliance with Bermuda, UK, Irish, U.S. and other international laws and associated regulations designed to combat money laundering and the financing of terrorist activities;
- antitrust and competition regulations;
- potentially adverse tax developments and consequences;
- economic uncertainties relating to sovereign and other debt;
- national or regional differences in macroeconomic growth rates;
- different, uncertain, overlapping, or more stringent user protection, data protection, privacy and other laws and regulations; and
- increased difficulties in collecting accounts receivable.

Violations of the complex UK, Irish, U.S. and other international laws, rules and regulations that apply to our international operations may result in fines, criminal actions, or sanctions against us, our officers, or our employees; prohibitions on the conduct of our business; and damage to our reputation. Although we have implemented policies and procedures designed to promote compliance with these laws, there can be no assurance that our employees, contractors, or agents will not violate our policies. These risks are inherent in our international operations and expansion, may increase our costs of doing business internationally, and could harm our business.

Our operating results and operating metrics are subject to seasonality and volatility, which could result in fluctuations in our quarterly revenues and operating results or in perceptions of our business prospects.

We have experienced in the past, and expect to continue to experience, seasonal fluctuations in our business. For instance, our eCash Solutions division historically experiences increased activity during the traditional holiday period and around other nationally recognized holidays, when certain games operators may run promotions, consumers enjoy more leisure time and younger consumers may receive our products as gifts. Our Digital Wallet and eCash Solutions businesses experience increased activity based on the occurrence and timing of sporting events. Volatility in our revenue, key operating metrics or their rates of growth could result in fluctuations in our financial condition or results of operations and may lead to adverse inferences about our prospects, which could result in declines in our share price.

Regulatory, Legal and Tax Risks

Our operations can be constrained in countries with less predictable legal and regulatory frameworks.

If the legal and regulatory system in a particular country is less predictable, this can create a more difficult environment in which to conduct business. For example, any of the following could hamper our operations and reduce our earnings in these types of countries:

- the absence of a statutory or regulatory basis or guidance for engaging in specific types of business or transactions;
- conflicting or ambiguous laws and regulations, or the inconsistent application or interpretation of existing laws and regulations;
- uncertainty concerning the enforceability of contractual, intellectual property or other obligations;
- difficulty in competing in economies in which the government controls or protects all or a portion of the local economy or specific businesses, or where graft or corruption may be pervasive; and
- the threat of arbitrary regulatory investigations, civil litigations or criminal prosecutions, the imposition of licensing requirements, or the termination or unavailability of licenses, to operate in the local market or the suspension of business relationships with governmental bodies.

Conducting business in countries with less predictable legal and regulatory regimes could require us to devote significant additional resources to understanding, and monitoring changes in, local laws and regulations, as well as structuring our operations to comply with local laws and regulations and implementing and administering related internal policies and procedures.

Given the above mentioned challenges and the ever changing landscape, we may fail to conduct our business in compliance with the laws and regulations of the jurisdictions in which we operate and/or those jurisdictions in which we provide services, and the risk of noncompliance can be greater in countries that have less predictable legal and regulatory systems.

Our business is subject to extensive regulation and oversight in a variety of areas, all of which are subject to change and uncertain interpretation, including in such ways as could criminalize certain of our activities.

We are subject to a wide variety of laws, regulations, licensing schemes and industry standards in the countries and localities in which we operate. These laws, regulations, and standards govern numerous areas that are important to our business, including, but not limited to, online gambling, consumer protection, privacy, information security, anti-money laundering, safeguarding of client funds, strong customer authentication, financial services, securities, labor and employment, unclaimed property laws, competition, data protection, biometric data processing and marketing and communications practices. Such laws, regulations, and standards are subject to changes and evolving interpretations and application, including by means of legislative changes, new guidance, administrative changes and/or executive orders, and it can be difficult to predict how they may be applied to our business and the way we conduct our operations, particularly as we introduce new products and services and expand into new jurisdictions. Any perceived or actual breach of laws, regulations, and standards could result in investigations, regulatory inquiries, loss of licensure, litigation, fines, injunctions, negative customer sentiment, impairment of our existing or planned products and services, or otherwise materially and adversely impact our business. In addition, regulatory scrutiny in one jurisdiction can lead to increased scrutiny from regulators and legislators in other jurisdictions that may harm our reputation, brand and third-party relationships and have a material adverse effect on our results of operations, financial performance and future prospects.

We are also subject to oversight by various governmental agencies and authorities in the countries and localities in which we operate. In light of the current conditions in the global financial markets and economy, lawmakers and regulators have increased their focus on the regulation of the financial services industry. Although we have a compliance program focused on the laws, rules, and regulations that we believe are applicable to our business, we may still be subject to a requirement to change various aspects of our business or the manner in which we carry out our business in certain countries, or to fines, injunctions or other penalties levied by regulators in one or more jurisdictions. In addition to fines, penalties for failing to comply with applicable rules and regulations could include significant criminal and civil lawsuits, forfeiture of significant assets, increased licensure requirements, loss of licensure or other enforcement actions. Any perceived or actual breach of compliance by us with respect to applicable laws, rules and regulations could have a significant impact on our reputation as a trusted brand and could cause us to lose existing customers, prevent us from obtaining new customers, require us to expend significant funds to remedy problems caused by breaches and to avert further breaches and expose us to legal risk and potential liability.

In the future, we may also be required to make changes to our business practices or compliance programs as a result of regulatory scrutiny. For example, in Norway, the gambling regulator notified us that processing gambling payments for Norwegians is prohibited, and consequently we have stopped processing certain gambling payments there. In the Netherlands, the introduction of new regulation has led to gambling operators having to end all customer relationships with Dutch customers while going through the process of applying for a Dutch gambling license. These changes in regulations have impacted our ability to do business and could adversely effect our results of operations, financial performance and future prospects.

Relatedly, as another example of a regulatory change potentially impacting our business, the common reporting standard (the “CRS”) was first released by the OECD in February 2014 as a result of the G20 members endorsing a global model of automatic exchange of information in order to increase international tax transparency. The Directive 2014/107/EU on Administrative Cooperation in the Field of Taxation (the “DAC II”) implements the CRS in a European context and creates a mandatory obligation for all EU Member States to exchange financial account information of residents in other EU Member States on an annual basis. Over 100 jurisdictions have committed to implementing the CRS or have already implemented the CRS, including the UK and Bermuda. To the extent the CRS and/or the DAC II (as applicable) have been or are in the future implemented in any of our relevant jurisdictions, these arrangements require affected banks and financial institutions to report certain information to their local tax authorities about account holders from the jurisdictions which are party to such arrangements (which information will in turn be provided to the relevant tax authorities). Although currently we do not consider that any of our accounts are reportable under CRS or DAC II, this may change in the future. To the extent that the accounts we offer fall within the remit of the CRS/DAC II, certain operational challenges with respect to collecting and reporting the requisite information may arise. Additionally, it is generally necessary to capture the information required for CRS reporting at the time a customer is taken on, which may impact the onboarding process and reduce customer adoption, and/or customers may choose to discontinue using our services altogether.

We generate a significant portion of our revenue by processing online payments for merchants and customers engaged in the online gambling and foreign exchange trading sectors.

We generate a significant portion of our revenue from merchants operating in the regulated gaming and sports betting and foreign exchange trading sectors. We and our merchants and customers are subject to various laws and regulations in relation to online gambling. Regulations in the gaming and sports betting and foreign exchange trading sectors vary significantly among different countries and localities. In many cases, they may be unclear and may also change, sometimes dramatically, and such laws and regulations are constantly evolving and are often subject to conflicting interpretations.

In the United States, for instance, the evolving regulatory regime of online gambling creates uncertainty and could adversely affect our operations in those jurisdictions. As a particular example, in 2018, the U.S. Department of Justice (“DOJ”) reversed its previously-issued opinion published in 2011, which stated that interstate transmissions of wire communications that do not relate to sports betting fall outside the purview of the Wire Act of 1961 (the “Wire Act”). The DOJ’s updated opinion concluded instead that the Wire Act was not uniformly limited to sports betting and that certain of its provisions apply to non-sports-related wagering activity. On June 3, 2019, in a case challenging the DOJ’s updated opinion, Judge Paul Barbadoro of the United States District Court for the District of New Hampshire found that the Wire Act only applies to sports betting and not to other online gambling games. On January 20, 2021, the First Circuit affirmed the ruling of the lower court, finding that the Wire Act only applies to sports betting.

The EU, by contrast, has generally moved towards controlled regulation of online-based gambling operators, rather than absolute prohibition. For example, in Germany in 2021, the new German Interstate Treaty on Gambling allows for online gambling in Germany, but has set forth certain restrictive measures that could adversely impact the Company. The new German regulations have put in place a mandatory deposit limit of 1,000 euros per month across all providers for online gambling. The regimes in Italy and France have similarly moved away from state-run monopoly-based markets to controlled regulation. However, local laws in place in EU member states are sometimes incompatible with EU laws, regulations and directives, which introduces additional uncertainty around licensing and ongoing compliance obligations into the regulatory framework.

Additionally, many jurisdictions, particularly those outside of Europe and the United States, including many Latin American countries, have not updated their laws to address the supply of online gambling, which by its nature is a multijurisdictional activity. Due to the borderless nature of online gaming and sports betting and foreign exchange trading, a merchant properly licensed in its home jurisdiction may still provide services to consumers in other jurisdictions, knowingly or unknowingly, including in jurisdictions whose regulations are ambiguous or where gaming, sports betting and/or foreign exchange trading are prohibited. For example, in India, we recently were notified about a small number of investigations being conducted by the Government of India Enforcement Directorate (“ED”) relating to gambling activity by Indian residents which indirectly concern the provision of digital wallet services to our Indian resident customers. If the ED or other Government of India regulatory authority finds that we violated Indian law by failing to restrict certain payments from being made, it could lead to certain penalties being imposed on us or we may cease providing services to Indian resident customers altogether if it is determined that our services to Indian resident customers are licensable in India and we cannot, or decide not to, obtain a license. We currently operate in Latin American countries where there are no licensing requirements and the regulatory environment is changing. If new regulations are imposed, our ability to operate in those countries could become more difficult and more costly. Additionally, in Latvia, the Latvian Financial and Capital Market Commission (the “Commission”) notified us of their belief that we were in breach of Latvian law as a result of processing gambling payments between Latvian customers and gambling operators that do not have a local license. Following engagement with the Commission, we asserted that we were not in breach of Latvian law and currently have not received a response.

We have policies and procedures in place that are designed to ensure that we comply with applicable rules regarding card brands, regulated verticals and bank sponsor requirements. However, these policies and procedures may not always be effective. If we provide services, intentionally or unintentionally, to gaming and sports betting and foreign exchange trading companies that do not have proper regulatory authorizations, we could be subject to fines, penalties, reputational harm or other negative consequences. Other jurisdictions have updated legislation to pass laws to regulate online gambling but only to permit license holders to supply services in that jurisdiction, some of which laws purport to have an extra territorial effect and which specifically preclude payment support of any gambling transactions, with powers to request the co-operation of banks and card issuers, or, in some jurisdictions, to criminalize the support they provide. Nevertheless, the legality of online gambling and the provision of services to online gambling merchants and customers is subject to uncertainties arising from differing approaches by legislatures, regulators and enforcement agents, including in relation to determining in which jurisdiction the game or the bet takes place and, therefore, which law applies and where the transaction should be taxed. This uncertainty creates a risk for us that even in instances where older laws have not been updated to address new technology, courts may interpret older legislation in an unfavorable way and determine our activities to be illegal. This could lead to criminal or civil actions being brought against our customers, merchants, us or any of our directors, or us (or our merchants or customers) being forced to cease doing business in a particular jurisdiction, all or any of which may, individually or collectively, materially and adversely affect our results of operations and financial condition and damage our reputation.

We rely on the continued supply of our services to merchants within the online gambling industry. Digital Commerce (which primarily provides services to the online gambling industry) represents approximately 56% of our revenue for the year ended December 31, 2021. Changes in the regulation of online gambling in the markets where we operate may materially and adversely affect our results of operations and financial condition if such merchants are subject to increased taxes, compliance costs, levies and license fees or are forced to cease operating in a jurisdiction as a result of prohibitive legislation, which may result in reduced demand for our services within the online gambling industry.

While we do not provide gambling services, it is possible that we could be found to be acting unlawfully for processing gambling related payments. For example, we previously processed payments in connection with online gambling in the United States until the passage of the Unlawful Internet Gambling Enforcement Act (“UIGEA”), which banned the processing of payments related to illegal online gambling in the United States, in 2006. Within days of enactment of the UIGEA, we announced our intention to withdraw from the U.S. market. However, in January 2007 the Office of the United States Attorney for the Southern District of New York (the “USAO”) initiated criminal actions against us and two former senior executives and founding shareholders of NETELLER related to gambling and unlicensed money transmitting violations, seized approximately \$60 million in customer funds that were in transit with our payment processors and prohibited us from engaging in any further transactions with U.S. banks, effectively preventing our customers from withdrawing their funds. As a result, we suspended all U.S. gambling-related processing and negotiated a plan to facilitate the complete return of funds to our U.S. customers. In July 2007, we entered into a deferred prosecution agreement (“DPA”) with the USAO, providing for forfeiture of \$136 million, completion of the return of funds to U.S. customers, imposition of an ongoing obligation to cooperate with any further USAO inquiries and the appointment of a forensic accounting firm to monitor our activities in order to ensure we continued to comply with the UIGEA. All of our U.S. customers subsequently had their money returned, and the USAO obtained dismissal of the complaint and terminated the DPA in August 2009. Both former founders of NETELLER pled guilty to a single count of conspiracy to violate U.S. gambling and money-transmitting laws and agreed to a combined forfeiture of \$100 million. None of the management or directors at the time of the DPA are now employed by the Company.

If we were found to be acting unlawfully for processing online gambling payments in any jurisdiction, it could have a material adverse effect on our reputation, operations and financial performance. Additional civil, criminal or regulatory proceedings could also be brought against us and/or our directors, executive officers and employees as a result. We could also be joined to proceedings brought against a merchant or other third parties for tracing claims resulting in the seizure of funds. Any such proceedings would potentially have cost, resource and reputational implications, and could have a material adverse effect on our results of operations, financial performance and future prospects and on our ability to retain, renew or expand our portfolio of licenses. Moreover, even if successfully defended, the process may result in us incurring considerable costs and require significant management resource and time.

In addition to gambling related payments, our payment systems may be used for potentially illegal or improper uses, including the fraudulent sales of goods or services, illegal sales of controlled substances or to facilitate other illegal activity. Such usage of our payment systems may subject us to claims, individual and class action lawsuits, government and regulatory investigations, inquiries or requests that could result in liability and reputational harm for us. Changes in law have increased the penalties for intermediaries providing payment services for certain illegal activities, and government authorities may consider additional payments-related proposals from time to time. Owners of intellectual property rights or government authorities may seek to bring legal action against providers of payments solutions that are peripherally involved in the sale of infringing or allegedly infringing items. Any threatened or resulting claims could result in reputational harm, and any resulting liabilities, loss of transaction volume, or increased costs could harm our business.

We are subject to financial services regulatory risks.

Certain of our subsidiaries in the UK are authorized by the FCA under the Electronic Money Regulations 2011 to perform the regulated activity of issuing e-money and the provision of payment services (which has the meaning specified in the Second Electronic Money Directive) as well as to provide account information services and payment initiation services to support our *Rapid Transfer* service. We have the appropriate licenses and permissions to act as an e-money issuer in the UK.

Additionally, we have obtained authorization from the CBI for two of our entities in Ireland to act as e-money issuers and to provide payment services (including account information and payment initiation services) and have completed the passporting notifications necessary to operate in other European Economic Area (“EEA”) jurisdictions. As with the FCA, the CBI also implements, maintains and enforces a range of rules covering (among other things) market conduct, communications with customers, the safeguarding of users’ funds and the fair treatment of consumers and other vulnerable customers. These rules are contained in various sources including the Consumer Protection Code and the European Union (Payment Services) Regulations 2018 and apply to the regulated activities we carry out from Ireland across the EEA. Breach of these rules may result in fines, public censures, customer remediation and redress and ultimately in the revocation of our regulatory licenses in Ireland.

EU laws and regulations are typically subject to different and potentially inconsistent interpretations by the local authorities in EU member states, which can make compliance more costly and operationally difficult to manage. Moreover, countries that are EU members

may each have different and potentially inconsistent domestic regulations implementing European Directives, including the Revised Payment Services Directive (“PSD2”), which may further increase compliance costs and operational complexity. As a result of PSD2, we have had to make changes which impacted our business. PSD2 seeks to enable new payment models whereby a newly formed category of regulated payment provider would be able to access bank and payment accounts (including our customers’ payment accounts) for the purposes of accessing account information or initiating a payment on behalf of a customer. Such access could subject us to data security and other legal and financial risks and could create new competitive forces and new types of competitors in the European payments market. PSD2 imposes new standards for payment security and strong customer authentication that may make it more difficult and time consuming to authorize a transaction, which may adversely impact our customer value proposition and its European business.

Additionally, Skrill USA is registered with the U.S. Department of the Treasury Financial Crimes Enforcement Network (“FinCEN”) as a money services business and is regarded as a money transmission business in the United States. Money transmitting businesses are subject to numerous regulations in the United States at the federal and state levels, and we have obtained or applied for money transmitter licenses (or applicable similar licenses) in all U.S. states and territories in which we are required to do so. As a result, we are also subject to inspections, examinations, supervision, and regulation by each state in which we are licensed, and are subject to direct supervision by the Consumer Financial Protection Bureau (the “CFPB”). The CFPB has authority to interpret, enforce and issue regulations implementing enumerated consumer laws, including certain laws that apply to our business. The Dodd-Frank Act also empowers state attorneys general and other state officials to enforce federal consumer protection laws under specified conditions.

Although we have the authorizations and licenses referred to above, we issue e-money to customers in over 120 countries and territories and we are not licensed as an e-money issuer in the vast majority of these jurisdictions. We take the view that, in general, we are not conducting regulated activities in these other jurisdictions on the basis that our activities of issuing e-money are not conducted in each jurisdiction in which our relevant customers reside, but rather e-money is issued in jurisdictions in which we are licensed. We acknowledge that local regulators in these jurisdictions may take a different view and, as transaction volumes increase and/or the matter is brought to our attention by local regulators, we will take advice in respect of local requirements on a case-by-case basis.

Due to ongoing developments in e-money regulation, we obtain advice from external counsel as required in order to assess any applicable risk and, where necessary, will limit the extent of our operations in a particular jurisdiction or will consider whether to obtain a license in such jurisdiction. The adoption of new money transmitter or other licensing statutes in the jurisdictions in which we operate, changes in regulators’ interpretation of existing money transmitter or other licensing statutes or regulations, or disagreement by a regulatory authority with our interpretation of such statutes or regulations, could require additional registrations or licenses, limit certain of our business activities until they are appropriately licensed, and expose us to financial penalties.

We are not aware of any circumstances that may result in us being in breach of the terms of our e-money issuer, payment initiation service provider or money transmitter licenses that would be likely to lead to a revocation or termination of such licenses or a material restriction on such licenses, nor are we aware of any current or pending financial, civil or criminal proceedings asserted against us in connection with a failure to hold a license in any relevant jurisdiction. However, if we were found to be in violation of any current or future regulations, or to have previously been in breach of any regulation, in any countries from which we accept merchants or customers, including as a result of any failure by our employees to apply correctly our anti-money laundering procedures, this could result in a requirement for future compliance, fines, other forms of liability and/or force us to change business practices or to cease operations altogether, and we, our directors, executive officers or employees may also be exposed to a financial liability, civil or criminal liability, any of which could have a material adverse effect on our results of operations, financial condition and future prospects.

Catastrophic events or geopolitical conditions, including those related to climate change and increased focus on sustainability issues, may adversely affect our business and financial results and damage our reputation.

War, terrorism, political events, geopolitical instability, trade barriers and restrictions, public health issues, pandemics such as the COVID-19 pandemic, natural disasters, or other catastrophic events have caused and could cause damage or disruption to the economy and commerce on a global, regional, or country-specific basis, which could have a material adverse effect on our business, our customers, and companies with which we do business. Such events could decrease demand for our products and services or make it difficult or impossible for us to deliver products and services to our customers. The frequency and severity of some catastrophic events, such as flooding, hurricanes, tornadoes, extended droughts, and wildfires are contributed to by global climate change, which many in the scientific community, in governmental bodies and elsewhere believe will continue for decades to come, potentially resulting in increased disruption to us. Geopolitical trends, including nationalism, protectionism, and restrictive visa requirements could limit the expansion of our business in those regions. Our business operations are subject to interruption by, among others, natural disasters, fire, power shortages, earthquakes, floods, nuclear power plant accidents, and events beyond our control such as other industrial accidents, terrorist attacks and other hostile acts, labor disputes and public health issues. A catastrophic event that results in a disruption or failure of our systems or operations could result in significant losses and require substantial recovery time and significant expenditures in order to resume or maintain operations, which could have a material adverse impact on our business, financial condition, and results of operations.

Additionally, actual or perceived environmental, social, governance and other sustainability (ESG) matters and our response to these matters could harm our business. Increasing governmental and societal attention to ESG matters, including expanding mandatory and voluntary reporting, diligence, and disclosure on topics such as climate change, human capital, labor and risk oversight, could expand the nature, scope, and complexity of matters that we are required to control, assess and report. These factors may alter the environment in which we do business and may increase the ongoing costs of compliance and adversely impact our results of operations and cash flows. If we are unable to adequately address such ESG matters or we or our borrowers fail to comply with all laws, regulations, policies and related interpretations, it could negatively impact our reputation and our business results.

We are subject to current and proposed regulation addressing both consumer and business privacy and data use, which could adversely affect our business, financial condition and results of operations.

We are subject to a number of laws, rules, directives, and regulations, as well as requirements imposed on us by contracts with clients, relating to the collection, use, retention, storage, destruction, security, processing, transfer, and sharing of personal information about our customers and employees in the countries where we operate. Our business relies on the processing of data in many jurisdictions and the movement of data across national borders. As a result, much of the personal information that we process, especially financial information, is regulated by multiple privacy laws and, in some cases, the privacy laws of multiple jurisdictions. In many cases, these laws apply not only to third-party transactions, but also to transfers of information between or among us, our subsidiaries, and other parties with which we have commercial relationships. These laws and regulations may at times be conflicting, and the requirements to comply with these regulations could result in a negative impact to our business.

Regulatory scrutiny of privacy, data protection, and the collection, use, storage, destruction, security, processing, transfer and sharing of personal information is increasing around the world. There is uncertainty associated with the legal and regulatory environment relating to privacy and data protection laws, which continue to develop in ways we cannot predict, including with respect to evolving technologies such as cloud computing and blockchain technology. Additionally, these laws and regulations may change or be interpreted and applied differently over time and from jurisdiction to jurisdiction, and it is possible they will be interpreted and applied in ways that will materially and adversely affect our business.

For example, we are subject to enhanced compliance and operational requirements under the General Data Protection Regulation (“GDPR”), which became effective in May 2018. Since 2016, we have engaged in a large, transformative program regarding data privacy in connection with GDPR compliance requirements. The GDPR applies to companies processing personal data of EU residents, imposes a strict data protection compliance regime with severe penalties for noncompliance of up to the greater of 4% of worldwide annual turnover or €20 million. The penalties for noncompliance with the GDPR could have a material adverse effect on our business, financial condition, results of operations and cash flows. We have incurred and we expect to continue to incur significant expenses to meet the obligations of the GDPR, which have required us to make significant changes to our business operations.

Although the GDPR applies across the EU without a need for local implementing legislation, each EU member state has the ability to interpret the GDPR opening clauses, which permit country-specific data protection legislation and which have created inconsistencies, on a country-by-country basis. Brexit and ongoing developments in the UK have created uncertainty with regard to data protection regulation in the UK and could result in the application of new data privacy and protection laws and standards to our operations in the UK, our handling of personal data of users located in the UK, and transfers of personal data between the EU and UK. The UK GDPR, effective as of January 1, 2021, and the UK Data Protection Act of 2018 (as amended on January 1, 2021) and which supplements the UK GDPR, now apply to our processing of personal data in the UK and elsewhere, if the processing is of UK residents. While the UK GDPR broadly mirrors the GDPR, the UK Government has indicated an intention to diverge from some areas of European legislation and a Consultation is currently underway in respect of changes to the UK’s Data Protection Act 2018. In respect of the transfer of personal data from the EU to the UK under the GDPR, the UK and EU Trade and Cooperation Agreement (“TCA”) permitted data transfers from the EU to the UK to continue without restriction for four months post-Brexit (including a potential extension of two months) while the EU considered the UK’s application for adequacy of its data protection procedures. Such an adequacy decision by the EU was adopted by the European Commission on June 28, 2021 and permits personal data transfers between the EU and UK without further safeguards in place (such as standard contractual clauses). If the UK was to lose its adequacy decision from the EU, we may be required to implement new processes and put new agreements in place, such as standard contractual clauses, to govern any transfers of personal data from the EU to the UK; and any such changes could impact our ability to transfer personal data from the UK to the EU and other third countries. The divergence of the UK’s data protection regime from GDPR could therefore lead to the removal of the EC adopted adequacy decision for the UK.

Additionally, Brexit and the subsequent implementation of the UK GDPR and any divergences therefrom expose us to parallel and differing data protection regimes, each of which potentially authorizes similar significant fines and other potentially divergent enforcement actions for certain violations.

Meanwhile, the Court of Justice of the European Union (“CJEU”) issued a decision on July 16, 2020 (commonly known as “Schrems II”) invalidating the EU-U.S. Privacy Shield Framework, a previously lawful mechanism of transfer for personal data from the EU to

the United States. While the Schrems II decision did not invalidate standard contractual clauses, another lawful mechanism for making cross-border transfers, the decision has called their validity into question under certain circumstances, and has made the legality of transferring personal information from the EU to the United States more uncertain, and it may require government cooperation to resolve this issue. The issues and risks arising from the Schrems II decision, apply equally to transfers of personal information from the EU to any country which has not received an adequacy finding by the European Commission. Other jurisdictions could require us to make additional changes to the way we conduct our business and transmit data between the United States, the UK, the EU and the rest of the world. We are now seeing regulatory enforcement action arising from Schrems II, in particular the decisions of some European member state data protection authorities in prohibiting the transfer of Google Analytics data to the United States, the findings of which could apply to other / all transfers of personal data.

Any failure, or perceived failure, by us to comply with our privacy policies, with applicable industry data protection or security standards, with any applicable regulatory requirements or orders, or with privacy, data protection, information security, or consumer protection-related laws and regulations in one or more jurisdictions could result in proceedings or actions against us by data protection authorities, governmental entities or others, including class action privacy litigation in certain jurisdictions, which could subject us to significant awards, fines, sanctions (including prohibitions on the processing of personal information), penalties, judgments, and negative publicity arising from any financial or non-financial damages suffered by any individuals. This could, individually or in the aggregate, materially harm our business. For example, GDPR requires us to delete data when we no longer have an overriding business need to retain such data and to also accept data deletion rights requests. Paysafe systems do not always allow for such data to be deleted and/or to allow the exercise of such rights at all or within the required timeframes. This may be due to a variety of reasons, any failure, or perceived failure, by us to comply with the GDPR could result in proceedings or actions against us by data protection authorities, governmental entities or others, which could subject us to significant awards, fines, sanctions (including prohibitions on the processing of personal information), penalties, judgments, and negative publicity arising from any financial or non-financial damages suffered by any individuals.

Policymakers around the globe are using these GDPR requirements as a reference to adopt new or updated privacy laws that could result in similar or stricter requirements in other jurisdictions. In the United States, the Gramm-Leach-Bliley Act of 1999 (along with its implementing regulations) restricts certain collection, processing, storage, use and disclosure of personal financial information, requires notice to individuals of privacy practices and provides individuals with certain rights to prevent the use and disclosure of certain nonpublic or otherwise legally protected information. These rules also impose requirements for the safeguarding and proper destruction of such information through the issuance of data security standards or guidelines. In addition, there are new state laws in the United States governing the collection and processing of personal information (including, as of January 1, 2020, the California Consumer Privacy Act of 2018 (the “CCPA”) and as of March 2, 2021, the Virginia Consumer Data Protection Act (“VCDPA”), which will become effective January 1, 2023 and finally the Colorado Privacy Act 2021, which comes into effect on July 1, 2023. Looking further ahead, on February 1, 2022, the Indiana senate passed the Consumer Data Privacy Bill; subject to ratification by the Indiana House, it will take effect from January 1, 2025. The CCPA imposes stringent data privacy and data protection requirements for the personal data of California residents, and provides for government penalties for noncompliance of up to \$7,500 per violation, if willful, and provides for a private right of action in the event of a data breach affecting certain un-redacted or non-encrypted personal information of California residents. Implementing regulations for the CCPA were released in August 2020, and on November 3, 2020, California voters approved a new law, the California Privacy Rights Act, which will come into effect on January 1, 2023, applying to personal data collected on or after January 1, 2022. As a result of these constant changes, it is still not certain how the various provisions of the CCPA and the CPRA will be interpreted and enforced. The CPRA expands the rights of consumers and establishes the California Privacy Protection Agency, providing the agency with investigative, enforcement and rule-making powers. The effects of the CCPA are potentially far-reaching, however, and may require us to continue to modify our data processing practices and policies and to incur substantial costs and expenses in an effort to comply. Certain other state laws impose or are in the process of imposing similar privacy obligations, including the recently passed VCDPA, that may be different from those under the CCPA, and, in addition, all 50 states have laws with varying obligations to provide notification of security breaches of personal information to affected individuals, state officers and/or others. The use or generation of biometric data as an aid to fraud prevention is becoming increasingly regulated through a patchwork of laws in both the EU and across the United States, with a number of state laws now requiring consent to such use. For example, Illinois has passed the Biometric Information Privacy Act (“BIPA”), Texas and Washington have passed similar laws, and other states plan to pass similar laws. The application of privacy laws to new technology, particularly in the area of artificial intelligence and machine learning, is not always clear and can pose additional regulatory risk and material harm to our business operations.

Some jurisdictions are also considering requirements for businesses that collect, process and/or store data within their borders (“data localization”), as well as prohibitions on the transfer of data abroad, leading to technological and operational implications. Other jurisdictions are considering adopting sector-specific regulations for the payments industry, including forced data sharing requirements or additional verification requirements that overlap or conflict with, or diverge from, general privacy rules. Failure to comply with these laws, regulations and requirements could result in fines, sanctions or other penalties, which could materially and adversely affect our results of operations, financial condition, and reputation. Collective or class-action litigations relating to data privacy violations are

permitted under the GDPR and are beginning to arise in the EU, and are no longer unique to the United States. We may also be exposed to similar lawsuits in the UK with respect to Brexit.

Regulation of privacy and data protection and information security often requires monitoring of and changes to our data practices in regard to the collection, use, disclosure, deletion, storage, transfer and/or security of personal information. We have incurred, and may continue to incur, significant expenses to comply with evolving mandatory privacy and security standards and protocols imposed by law, regulation, industry standards, shifting consumer expectations, or contractual obligations. In particular, with laws and regulations, such as the GDPR in the EU, the GDPR in the UK, the Personal Information Protection and Electronic Documents Act (“PIPEDA”) in Canada (including its provincial laws) and the CCPA, CPRA, VCDPA and BIPA in the United States, imposing new and relatively burdensome obligations, and with substantial uncertainty over the interpretation and application of these and other laws and regulations, we may face challenges in addressing their requirements and making necessary changes to our policies and practices, and may incur significant costs and expenses in an effort to do so. New requirements or reinterpretations of existing requirements in these areas, or the development of new regulatory schemes related to the digital economy in general, may also increase our costs and could impact the products and services we offer and other aspects of our business, such as fraud monitoring, the development of information-based products and solutions and technology operations. We may not be able to respond quickly or effectively to regulatory, legislative, and other developments, and these changes may in turn impair our ability to offer our existing or planned features, products, and services and/or increase our cost of doing business. Any of these developments could materially and adversely affect our overall business and results of operations.

In addition, fraudulent activity could encourage regulatory intervention, which could damage our reputation and reduce the use and acceptance of our integrated products and services or increase our compliance costs. Criminals are using increasingly sophisticated methods to capture consumer account information to engage in illegal activities such as counterfeiting or other fraud, including setting up fake Paysafe websites or using stolen credentials from the dark web to attack customer accounts, where such customers are using the same credentials across multiple sites or accounts. While we are taking measures we believe will make payments more secure, increased fraud levels involving our products and services, or misconduct or negligence by third parties servicing our products and services, could lead to regulatory intervention, such as enhanced security requirements, as well as damage to our reputation.

Legal, political and economic uncertainty surrounding Brexit and the nature of the future relationship between the UK and the EU is likely to be a source of instability in international markets, could cause disruption to and create uncertainty surrounding our business and result in new regulatory challenges and costs.

The UK left the EU on January 31, 2020, but remained in the EU’s customs union and single market for a transition period that expired on December 31, 2020. On December 24, 2020, the UK and the EU announced that they had agreed to a new a trade and cooperation deal (the “Trade and Cooperation Agreement”) governing certain aspects of the future relationship between the UK and the EU. The Trade and Cooperation Agreement provides clarity in respect of the intended shape of the future relationship between the UK and the EU and some detailed matters of trade and cooperation. However, there remain uncertainties related to Brexit and the relationship between the UK and the EU which will continue to be developed and defined and could cause instability in EU, UK or worldwide political, regulatory, economic or market conditions. Any Brexit-related effects are likely to be compounded by the effects of the Covid-19 pandemic. See “—Risks Related to Covid-19—The ongoing Covid-19 pandemic, including the resulting global economic uncertainty and measures taken in response to the pandemic, could materially impact our business and future results of operations and financial condition.”

We have significant operations in the UK and the EU. A withdrawal from the EU is unprecedented, and it is unclear how the UK’s access to the EU’s single market for goods, capital, services and labor within the EU and the wider commercial, legal and regulatory environment, will impact our UK operations. Lack of clarity about future UK laws and regulations, as the UK determines which EU laws and regulations to keep or replace in the UK, or how such laws and regulations may be changed, may adversely impact the behavior of our customers and increase costs and cause disruption to our business. There are likely to be changes in the legal rights and obligations of commercial parties across all industries, particularly in the services sector (including financial services), and we are likely to face new regulatory costs and challenges as a result of Brexit that could have an adverse effect on our operations and development programs, consumer and investor confidence and the level of consumer discretionary purchases, thereby impacting the use of our payments services by merchants.

In addition, Brexit could also result in increasingly divergent laws, regulations, and licensing requirements for us over time. Brexit could lead to legal uncertainty and increased complexity for financial services firms if national laws and regulations in the UK start to diverge from EU laws and regulations. While we have obtained the necessary licenses, completed the necessary passporting notifications from the CBI, opened and staffed an additional office in Ireland and completed the transfer of our EEA business to enable the continuation of operations within ongoing EEA jurisdictions, the consequences of Brexit, could continue to impact our business, financial condition, results of operations and cash flows. For example, applicable tax rules and regulations concerning the transfer of assets and operations from the UK to EEA jurisdictions are complex and subject to significant judgment and interpretation. If HMRC or other applicable tax

authorities were successful in challenging our conclusions in this regard, we may be liable for material additional taxes and penalties. In addition, political decisions could result in the relocation of businesses and people, cause business interruptions, cause currency fluctuations (including in relation to the British Pound), lead to trade restrictions and increases in or the imposition of trade tariffs, lead to economic recession or depression and impact the stability of the financial markets, the availability of credit, political systems, financial institutions and the financial and monetary system. By extension, this could impact our business and/or envisioned business arrangements, licenses and contingency plans, thereby damaging our reputation, operations and financial position and lead to increased costs to retain current revenues, any of which could have a material adverse effect on us.

We must comply with money laundering regulations in Bermuda, the UK, Ireland, Switzerland, the United States, Canada, and elsewhere, and any failure to do so could result in severe financial and legal penalties.

We are subject to various anti-money laundering and counter-terrorist financing laws and regulations around the world that prohibit, among other things, our involvement in transferring the proceeds resulting from criminal activities. Facilitating financial transactions over the internet creates a risk of fraud and ensuring customer data security, privacy, and ongoing compliance with applicable regulations requires significant capital expenditure. Applicable money laundering regulations require firms to put preventative measures in place and to perform KYC procedures, including conducting customer identification and verification and undertaking ongoing monitoring. In addition, regulations require companies to keep records of identity and to train their staff on the requirements of the relevant money laundering regulations. At present, for instance, in the UK and Ireland, a senior member of staff needs to be appointed and approved by the FCA or by the CBI, respectively, to oversee appropriate policies and procedures. Regulators globally continue to increase their scrutiny of compliance with these obligations, which may require us to further revise or expand our compliance program, including the procedures we use to verify the identity of our customers and to monitor transactions. Regulators regularly re-examine the transaction volume thresholds at which we must obtain and keep applicable records or verify identities of customers and any change in such thresholds could result in greater costs for compliance. In the EU, the implementation of the Fifth Anti-Money Laundering Directive (“MLD5”) (which had to be transposed by each Member State by 10 January 2020) amended the Fourth Anti-Money Laundering Directive by (among other things) limiting the scope of customer due diligence exemptions for electronic money products and revising the monitoring requirements of existing customers. The implementation of MLD5 and the consequent potential for divergence in interpretation and application by EU Member States may make compliance more costly and operationally difficult to manage, lead to increased friction for customers, and result in a decrease in business. In the United States, the BSA requires among other things, money services businesses (such as money transmitters and providers of prepaid access) to develop and implement risk-based anti-money laundering programs, report large cash transactions and suspicious activity, and maintain transaction records. We are also subject to regulatory oversight and enforcement by FinCEN and have registered Skrill USA with FinCEN as a money services business. Any determination that we have violated the anti-money-laundering laws could have a material adverse effect on our financial condition, results of operations and future prospects. For example, the BSA requires us to report currency transactions in excess of \$10,000, including identification of the customer by name and social security number, to the IRS. This regulation also requires us to report certain suspicious activity, including any transaction that exceeds \$2,000 that we know, suspect or have reason to believe involves funds derived from illegal activity or is designed to evade federal regulations or reporting requirements and to verify sources of such funds. Substantial penalties can be imposed against us if we fail to comply with this regulation. If we fail to comply with these laws and regulations, the imposition of a substantial penalty could have a material adverse effect on our business, financial condition and results of operations.

Our customers are based in over 120 countries and territories. However, we believe that we do not conduct regulated activities in all of these jurisdictions. Rather, we conduct regulated activity in only a limited number of jurisdictions and our wider customer base accesses our services online. We are subject to anti-money laundering regulations in Bermuda, the UK, Ireland, Switzerland, the United States, Canada and in any other jurisdiction where we are established and performing activities that would require that we apply anti-money laundering regulations. Where a customer resides in a jurisdiction outside of Europe in which we do not consider ourselves to be conducting a regulated activity, we follow the home state laws of the relevant Group regulated entities and our group policies which seek to apply the highest common standard regardless of the residency of that customer. We believe that these processes are of the requisite standard, although there can be no guarantee that they meet all the requirements of other jurisdictions. However, if we were to violate laws or regulations governing money transmitters or electronic fund transfers, either in Bermuda, the UK, Ireland, Switzerland, the United States, Canada or elsewhere, including as a result of any failure by our employees to apply correctly our KYC procedures, this could result in a requirement for future compliance, fines, other forms of liability and/or force us to change business practices or to cease operations altogether.

We are also subject to rules and regulations imposed by, amongst others, the European Union, HM Treasury and OFAC restricting the transfer of funds to certain specifically designated countries. While we believe that we have in place appropriate systems and procedures to ensure that transfers to merchants or customers in countries on watch lists are not executed, there can be no guarantee that such controls are, or will continue to be, effective and any sanctions imposed by any regulatory body on us for executing a transfer to a country on a watch list could have a material adverse effect on our results of operations, financial condition and future prospects.

Changes in the regulatory environment for cryptocurrencies could adversely affect our business.

Consumers can use our digital wallets to trade in cryptocurrencies. Cryptocurrencies are not considered legal tender or backed by any government and have experienced price volatility, technological glitches and various law enforcement and regulatory interventions. The use of cryptocurrencies has been prohibited or effectively prohibited in some countries. If we (or our partners that we work with to provide the services) fail to comply with applicable requirements and prohibitions, we could face regulatory or other enforcement actions and potential fines and other consequences including significant impact on our revenues derived from such activity and increased future compliance costs. Even in countries where cryptocurrencies are permitted, businesses associated with cryptocurrencies have had and may continue to have their existing accounts with banks and financial institutions closed or services discontinued, and offering cryptocurrency services may cause difficulties in obtaining or maintaining our relationships with sponsor banks and payment card networks. Furthermore, the prices of cryptocurrencies are routinely highly volatile and subject to exchange rate risks as well as the risk that regulatory or other developments may adversely affect their value and their attractiveness to consumers for investment or speculation leading to reduced use of these services and thereby reducing our ability to earn revenue from such activity. Changes in the regulatory environment for cryptocurrency could impact our business and our future business arrangements, thereby damaging our reputation, operations and financial position and lead to increased costs to retain current revenues, any of which could have a material adverse effect on us.

Limitations imposed by the FCA and CBI on the right to own our securities may result in sanctions being imposed on our regulated subsidiaries and an acquirer of such securities in the event of noncompliance by such acquirer, and may reduce the value of our shares.

Several of the Company's indirect subsidiaries are subject to regulatory supervision, including the requirement to obtain prior consent from the relevant regulator when a person holds, acquires or increases a qualifying holding in those entities. See "Item 4.B. Business Overview—Licensing and Regulation—Payments Regulation" of this Report. On the basis of these regulations, no person may hold or acquire, alone or together with others, a direct or indirect stake of 10% or more of our shares, 10% of the voting rights attached to our shares, or exercise, directly or indirectly, significant influence over any of the regulated subsidiaries (or increase an existing holding of 10% or more of our shares or the voting rights attached to our shares crossing a control threshold (20%, 30% or 50%) without first obtaining the prior approval of the FCA and the CBI.

Noncompliance with those requirements constitutes a criminal offense that may lead to criminal prosecution, as well a violation of applicable laws governing the payment services and electronic money industry in the relevant jurisdictions, which may lead to injunctions, penalties and sanctions against the Company's regulated subsidiaries as well as the person seeking to hold, acquire or increase the qualifying holding (including, but not limited to, substantial fines, public censure and prison sentences), may subject the relevant transactions to cancellation or forced sale, and may result in increased regulatory compliance requirements or other potential regulatory restrictions on our business (including in respect of matters such as corporate governance, restructurings, mergers and acquisitions, financings and distributions), enforced suspension of operations, cancellation of corporate resolutions made on the basis of such qualifying holding, restitution to customers, removal of board members, suspension of voting rights and variation, cancellation or withdrawal of licenses and authorizations. If any of this were to occur, it could damage our reputation, limit our growth and materially and adversely affect our business, financial condition and results of operations.

In addition, uncertainty and inconvenience created by those regulatory requirements may discourage potential investors from acquiring 10% or more of our shares, which may in turn reduce the value of the shares.

We may not be able to adequately protect or enforce our intellectual property rights, or third parties may allege that we are infringing their intellectual property rights.

Our success and ability to compete in various markets around the world depends, in part, upon our proprietary technology. We seek to protect our intellectual property rights by relying on applicable laws and regulations in the United States and internationally, as well as a variety of administrative procedures and contractual measures. We rely on copyright, trade secret and trademark laws to protect our technology, including the source code for proprietary software, and other proprietary information. We also rely on contractual restrictions to protect our proprietary rights when offering or procuring products and services, including confidentiality and invention assignment agreements entered into with our employees and contractors and confidentiality agreements with parties with whom we conduct business. We have not applied for any patents in respect of our electronic payment processing systems and cannot give assurances that any patent applications will be made by us in the future or that, if they are made, will be granted.

We may, over time, increase our investment in protecting our intellectual property through additional trademark, patent and other intellectual property filings, which could be expensive and time-consuming. We may not be able to obtain protection for our technology and even if we are successful in obtaining effective patent, trademark, trade secret and copyright protection, it is expensive to maintain

these rights and the costs of defending our rights could be substantial. Moreover, our failure to develop and properly manage new intellectual property could hurt our market position and business opportunities.

Although we have generally taken measures to protect our intellectual property rights, there can be no assurance that we will be successful in protecting or enforcing our rights in every jurisdiction, or that contractual arrangements and other steps that we have taken to protect our intellectual property will prevent third parties from infringing or misappropriating our intellectual property or deter independent development of equivalent or superior intellectual property rights by others. If we are unable to prevent third parties from adopting, registering, or using trademarks and trade dress that infringe, dilute, or otherwise violate our trademark rights, the value of our brands could be diminished and our business could be adversely affected. Also, we may not be able to discover or determine the extent of any unauthorized use of our proprietary rights. Our intellectual property rights may be infringed, misappropriated, or challenged, which could result in them being narrowed in scope or declared invalid or unenforceable. Any failure to adequately protect or enforce our intellectual property rights, or the significant costs incurred in doing so, could diminish the value of our intangible assets and materially harm our business.

Similarly, our reliance on unpatented proprietary information and technology, such as trade secrets and confidential information, depends in part on agreements we have in place with employees and third parties that place restrictions on the use and disclosure of this intellectual property. These agreements may be insufficient or may be breached, in either case potentially resulting in the unauthorized use or disclosure of our trade secrets and other intellectual property, including to our competitors, which could cause us to lose any competitive advantage resulting from this intellectual property. Individuals not subject to invention assignment agreements may make adverse ownership claims to our current and future intellectual property. Unauthorized parties may attempt to copy aspects of our intellectual property or obtain and use information that we regard as proprietary and, if successful, may potentially cause us to lose market share or otherwise harm our business and ability to compete. There can be no assurance that the intellectual property we own or license will provide competitive advantages or will not be challenged or circumvented by our competitors.

We are, from time to time, subject to litigation related to alleged infringement of other parties' patents. As the number of products in the technology and payments industries increases and the functionality of these products further overlaps, and as we acquire technology through acquisitions or licenses, we may become increasingly subject to intellectual property infringement and other claims. These risks have been amplified by the increase in so-called non-practicing entities, third parties whose sole or primary business is to assert such claims. Even if we believe that any of these intellectual property related claims are without merit, litigation may be necessary to determine the validity and scope of the patent or other intellectual property rights of others. The ultimate outcome of any alleged infringement claim is often uncertain and, regardless of the outcome, any such claim, with or without merit, may be time-consuming, result in costly litigation, divert management's time and attention from our business, and require us to, among other things, redesign or stop providing our products or services, pay substantial amounts to satisfy judgments or settle claims or lawsuits, pay substantial royalty or licensing fees, or satisfy indemnification obligations that we have with certain parties with whom we have commercial relationships. Alternatively, we may, from time to time, determine to incur the costs required to obtain a third party patent license so as to avoid the uncertainty, significant costs and potentially negative publicity associated with patent litigation. We may not be able to obtain licenses to relevant intellectual property on commercially reasonable terms or at all, and such inability could materially harm or restrict our business. Even if we were able to obtain such a license, it could be non-exclusive, thereby giving our competitors and other third parties access to the same technologies licensed to us. In addition, we could be found liable for significant monetary damages, including treble damages and attorneys' fees, if we are found to have willfully infringed a patent or other intellectual property right. Claims that we have misappropriated the confidential information or trade secrets of third parties could similarly harm our business.

Our use of open source software could compromise our ability to offer our products or services and subject us to possible litigation.

We use open source software in connection with our products and services. Companies that incorporate open source software into their products have, from time to time, faced claims challenging the use of open source software and compliance with open source license terms. As a result, we could be subject to suits by parties claiming ownership of what we believe to be open source software or claiming noncompliance with open source licensing terms. While the use of open source software may reduce development costs and speed up the development process, it may also present certain risks that may be greater than those associated with the use of third-party commercial software. For example, open source software is generally provided without any warranties or other contractual protections regarding infringement or the quality of the code, including the existence of security vulnerabilities. Despite our efforts to monitor our use of open source software and compliance with applicable license terms (for example through our using of monitoring software to assess vulnerability and licensing implication), we cannot guarantee we comply with all terms of open source licenses applicable to us, and we could be required by the terms of applicable open source software licenses to publicly disclose all or part of the proprietary source code to our software and/or make available any derivative works of the open source code on unfavorable terms or at no cost. The terms of some open source licenses are ambiguous, and third parties may claim that we have violated terms of open source licenses even if we believe we comply. There is little legal precedent in this area and any actual or claimed requirement to disclose our proprietary source code or pay damages for breach of contract could harm our business and could help third parties, including our competitors,

develop products and services that are similar to or better than ours. Any of the foregoing could be harmful to our business, financial condition and results of operations.

If we fail to comply with our obligations under license or technology agreements with third parties, we may be required to pay damages and we could lose license rights that are critical to our business.

We license certain intellectual property that is important to our business, including technologies, data and software from third parties, and in the future we may enter into additional agreements that provide us with licenses to valuable intellectual property, technology, or data. Certain of our agreements may provide that intellectual property arising under these agreements, such as data valuable to our business, will be owned by the counterparty, in which case, we may not have adequate rights to use such data or may not have exclusivity with respect to the use of such data, which could result in third parties, including our competitors, being able to use such data to compete with us. If we fail to comply with any of the obligations under our license agreements, we may be required to pay damages and the licensor may have the right to terminate the license. Termination by the licensor could cause us to lose valuable rights, and could prevent us from selling our products and services, or inhibit our ability to commercialize future products and services. Our business could suffer if any current or future licenses expire or are terminated, if the licensors fail to abide by the terms of the license, if the licensors fail to enforce licensed intellectual property against infringing third parties, if the licensed intellectual property rights are found to be invalid or unenforceable, or if we are unable to enter into necessary licenses on acceptable terms, or at all. Any of the foregoing could have a material adverse effect on our competitive position, business, financial condition, results of operations, and prospects.

Changes in tax law, changes in our effective tax rate or exposure to additional tax liabilities could affect our profitability and financial condition.

We carry out our business operations through entities in multiple foreign jurisdictions. As such, we are required to file corporate income tax returns that are subject to foreign tax laws. The foreign tax liabilities are determined, in part, by the amount of operating profit generated in these different taxing jurisdictions. Our effective tax rate, earnings and operating cash flows could be adversely affected by changes in the mix of operating profits generated in countries with higher statutory tax rates as well as by the positioning of our cash balances globally. If statutory tax rates or tax bases were to increase or if changes in tax laws, regulations or interpretations were made that impact us directly, our effective tax rate, earnings and operating cash flows could be adversely impacted.

Any such adverse changes in the applicability of tax to us could increase the levels of taxation payable by us which would have an adverse effect on our business, financial condition, results of operations and prospects. In addition to the possibility of a substantial tax burden being imposed on us, the risk that we may become subject to an increased level of taxation may result in us needing to change our corporate or operational structure, which could have a material adverse effect on our business, financial condition, results of operations and prospects. Additionally, the tax authorities of the jurisdictions in which we operate may challenge our methodologies for valuing developed technology or intercompany arrangements. For example, work is currently being undertaken by the OECD on potential future recommendations related to the challenges arising from the digitalization of the global economy, specifically relating to reform of the international allocation of taxing rights (“Pillar One”) and a system ensuring a minimum level of tax for multinational enterprises (“Pillar Two”). In December 2021 the OECD published its Pillar Two model rules and the EU Commission also proposed a Directive to implement Pillar Two in the EU, containing detailed rules for top up tax in respect of certain low taxed entities. Both sets of proposals are subject to exemptions and exclusions, and are not intended to apply to entities that are not members of a group with an annual revenue of at least Euros 750m. However, the detail of the proposals is subject to change and the impact on us will need to be determined by reference to the final rules. Further proposals on Pillar One are expected in the course of 2022.

Additionally, tax authorities at the international, federal, state, and local levels are currently reviewing the appropriate tax treatment of companies engaged in internet commerce and financial technology. These developing changes could affect our financial position and results of operations. In particular, due to the global nature of the internet, it is possible that tax authorities at the international, federal, state, and local levels may attempt to regulate our transactions or levy new or revised sales & use taxes, VAT, digital services taxes, income taxes, or other taxes relating to our activities in the internet commerce and financial technology space. New or revised taxes, in particular, sales & use taxes, VAT, and similar taxes, including digital service taxes, would likely increase the cost of doing business. New taxes could also create significant increases in internal costs necessary to capture data and collect and remit taxes. Any of these events could have an adverse effect on our business and results of operations.

Furthermore, any changes in other jurisdictions to the political and social perception of running a business out of a tax-friendly jurisdiction (such as Bermuda) or any action by HMRC or any other tax authority to investigate our tax arrangements could result in adverse publicity and reputational damage for us, which could have an adverse effect on our business, financial condition, results of operations and prospects. For example, in January 2019, HMRC introduced its Profit Diversion Compliance Facility (“PDCF”), the focus of which is to target, and subsequently bring into the charge to tax, transactions which are considered to result in a diversion of profits from the UK corporation tax net. We are engaged in submissions and correspondence with HMRC in connection with the PDCF, primarily relating to legacy transfer pricing policies. Transfer pricing is an inherently contentious area as it requires the application of

arm's length pricing to specific transactions and arrangements for which it may be difficult to find market comparators. If HMRC or any other tax authority is successful in challenging our tax arrangements, we may be liable for additional tax and penalties and interest related thereto, which may have a significant impact on our business, financial condition, results of operations and prospects.

We may be affected by Sections 1471-74 of the Code ("FATCA") and other cross border automatic exchange of information provisions.

In light of FATCA, certain non-U.S. financial institutions ("foreign financial institutions" or "FFIs") are required to register with the U.S. Internal Revenue Service ("IRS") to obtain a Global Intermediary Identification Number ("GIIN") and comply with the terms of FATCA, including any applicable intergovernmental agreement ("IGA") and any local laws implementing such agreement or FATCA. Based on our current operations and business activities, including our Digital Wallet business, we have registered certain of our subsidiaries, and may be required to register additional subsidiaries, as FFIs and will therefore be required to register with the IRS to obtain a GIIN, and required to comply with the terms of any applicable IGA. Failure to comply with FATCA (including as the same may be implemented under the terms of any applicable IGA) could subject certain payments of U.S. source fixed, determinable, annual, or periodical income made to us to 30% FATCA withholding tax. Further, our FFI subsidiaries would need to perform diligence on their existing and new customers, provided that their account balances reached certain thresholds, including obtaining self-certifications regarding the account holder's citizenship or tax residence in the United States. They would then be required to report certain information about their U.S. accountholders to either the IRS or their local tax authorities (which will in turn provide such information to the IRS). This reporting requirement could potentially dissuade customers from doing business with us.

We are regularly subject to litigation, regulatory actions and government inquiries.

We may be and in some cases have been subject to claims, lawsuits (including class action lawsuits), government or regulatory investigations, subpoenas, inquiries or audits, and other adverse legal proceedings involving areas such as intellectual property, consumer protection, privacy, data protection, biometric data processing, gambling, labor and employment, immigration, competition, accessibility, securities, tax, marketing and communications practices, commercial disputes, anti-money laundering, anti-corruption, counter-terrorist financing, sanctions and other matters. See "Item 4.B. Business Overview—Legal Proceedings." For example, on December 10, 2021, a class action complaint, *Lisa Wiley v Paysafe Limited f/ka/Foley Trasimene Acquisition Corp. II*, Richard N Massey, Bryan D. Coy, Philip McHugh and Ismail (Izzy) Dawood, was filed, naming among others the Company, our Chief Executive Officer and our Chief Financial Officer, as defendants. The complaint asserts claims, purportedly brought on behalf of a class of shareholders, under Sections 10(b) of the Exchange Act, and Rule 10b-5 promulgated thereunder, and alleges that the Company and individual defendants made false and misleading statements to the market regarding the Company's financial outlook in light of gambling regulations in key European markets, performance challenges in the company's Digital Commerce segment and the modified scope and timing of new eCommerce customer agreements. In addition, the complaint asserts claims against the individual defendants, under Sections 20(a) of the Exchange Act, alleging that the individual defendants filed false financial statements, misled the public and induced the public to buy shares. On January 21, 2022, a related complaint was brought by John Paul O'Brien also in the Southern District of New York, which additionally named William P. Foley II as a defendant. The complaints seek unspecified damages and an award of costs and expenses, including reasonable attorneys' fees, on behalf of a purported class of purchasers of our ordinary shares between December 7, 2020 and November 10, 2021.

The number and significance of disputes and inquiries may increase as our business expands in scale, scope and geographic reach, and our products and services increase in scale and complexity. In addition, the laws, rules and regulations affecting our business, including those pertaining to internet and mobile commerce, data protection, payments services, and credit, are subject to evolving interpretation by the courts and governmental authorities, and the resulting uncertainty in the scope and application of these laws, rules, and regulations increases the risk that we will be subject to private claims and governmental actions alleging liability on our part. Further, our focus on specialized industry verticals exposes us to a higher risk of losses resulting from investigations, regulatory actions and litigation. See "—Risks Related to Paysafe's Business and Industry —Our focus on specialized industry verticals can increase our risks relative to other companies in our industry."

The scope, outcome, and impact of any claims, lawsuits, government investigations, disputes, and other legal proceedings to which we are subject cannot be predicted with certainty. Regardless of the outcome, such matters can have an adverse impact, which may be material, on our business, financial condition and results of operations because of legal costs, diversion of management resources, reputational damage, and other factors. Determining reserves for our pending litigation and regulatory proceedings is a complex, fact-intensive process that involves a high degree of discretionary judgment. Resolving one or more of such legal and regulatory proceedings or other matters could potentially require us to make substantial payments to satisfy judgments, fines, or penalties or to settle claims or proceedings, any of which could materially and adversely affect our business, financial condition and results of operations. These proceedings could also result in reputational harm, criminal sanctions, consent decrees, or orders that prevent us from offering certain products or services, cause us to withdraw from certain markets or terminate certain relationships, require us to change our business

practices in costly ways, or develop non-infringing or otherwise altered products or technologies. Any of these consequences could materially and adversely affect our business, financial condition, results of operations and future prospects.

Risks Related to Paysafe's Indebtedness

Our substantial leverage could adversely affect our financial condition, our ability to raise additional capital to fund our operations, our ability to operate our business, our ability to engage in acquisitions, our ability to react to changes in the economy or our industry or our ability to pay our debts, and could divert our cash flow from operations to debt payments.

We are highly leveraged. As of December 31, 2021, the total principal amount of our debt was approximately \$2.8 billion. Subject to the limits contained in the credit agreements that govern our credit facilities, we may be able to incur substantial additional debt from time to time to finance working capital, capital expenditures, investments or acquisitions, or for other purposes. If we do so, the risks related to our high level of debt could increase. Specifically, our high level of debt could have important consequences, including the following:

- making it more difficult for us to satisfy our obligations with respect to our debt;
- limiting our ability to obtain additional financing to fund future working capital, capital expenditures, acquisitions or other general corporate requirements;
- requiring a substantial portion of our cash flows to be dedicated to debt service payments instead of other purposes, thereby reducing the amount of cash flows available for working capital, capital expenditures, acquisitions and other general corporate purposes;
- increasing our vulnerability to general adverse economic and industry conditions;
- exposing us to the risk of increased interest rates as certain of our borrowings are at variable rates of interest;
- limiting our flexibility in planning for and reacting to changes in the industry in which we compete;
- placing us at a disadvantage compared to other, less leveraged competitors; and
- increasing our cost of borrowing.

We are a holding company, and our consolidated assets are owned by, and our business is conducted through, our subsidiaries. Revenue from these subsidiaries is our primary source of funds for debt payments and operating expenses. Our credit agreements contain covenants that restrict our subsidiaries from making distributions, subject to certain baskets and exceptions, which may impair our ability to meet our debt service obligations or otherwise fund our operations. Moreover, there may be restrictions on payments by subsidiaries to their parent companies under applicable laws, including laws that require companies to maintain minimum amounts of capital and to make payments to shareholders only from profits. As a result, although a subsidiary of ours may have cash, we may not be able to obtain that cash to satisfy our obligation to service our outstanding debt or fund our operations.

Despite our current level of indebtedness, we may be able to incur substantially more debt and enter into other transactions which could further exacerbate the risks to our financial condition described above.

We may be able to incur significant additional indebtedness in the future. Although certain of the agreements governing our existing indebtedness contain restrictions on the incurrence of additional indebtedness and entering into certain types of other transactions, these restrictions are subject to a number of qualifications and exceptions. Additional indebtedness incurred in compliance with these restrictions could be substantial. These restrictions also do not prevent us from incurring obligations, such as trade payables, that do not constitute indebtedness as defined under our debt instruments. To the extent new debt is added to our current debt levels, the substantial leverage risks described in the immediately preceding risk factor would increase. See "Description of Certain Indebtedness".

Our variable rate indebtedness subjects us to interest rate risk, which could cause our indebtedness service obligations to increase significantly.

Interest rates may increase in the future. As a result, interest rates on our variable rate credit facilities could be higher or lower than current levels. As of December 31, 2021, the Company held approximately \$1.9 billion of outstanding debt at variable interest rates. However, if interest rates were to increase, our debt service obligations on the variable rate indebtedness would increase even where the amount borrowed remained the same, and our net income and cash flows, including cash available for servicing our indebtedness, would correspondingly decrease.

Further, our USD First Lien Term Loan, USD Second Lien Term Loan and First Lien Revolving Credit Facility (each, as defined in “Description of Certain Indebtedness”) bear interest at a rate that varies depending on the London Interbank Offered Rate (“LIBOR”). The FCA, which regulates LIBOR, has announced that it intends to stop encouraging or requiring banks to submit LIBOR rates after 2021 and it is unclear if LIBOR will cease to exist or if new methods of calculating LIBOR will evolve. Changes in the method by which LIBOR is determined or the transition from LIBOR to a successor benchmark rate may result in, among other things, a sudden or prolonged increase or decrease in LIBOR, a delay in the publication of LIBOR, and changes in the rules or methodologies in LIBOR, which may discourage market participants from continuing to administer or to participate in LIBOR’s determination, and, in certain situations, could result in LIBOR no longer being determined and published. If a published U.S. dollar LIBOR rate is unavailable after 2021, the interest rates on our USD First Lien Term Loan and USD Second Lien Term Loan will be determined using various alternative methods, any of which may result in interest obligations that are more than or do not otherwise correlate over time with the payments that would have been made on such debt if U.S. dollar LIBOR was available in its current form. Further, the same costs and risks that may lead to the discontinuation or unavailability of U.S. dollar LIBOR may make one or more of the alternative methods impossible or impracticable to determine. Any of these proposals or consequences could have a material adverse effect on our results of operations and financial condition.

Our debt agreements impose significant operating and financial restrictions on us and our subsidiaries, which could prevent us from capitalizing on business opportunities.

The agreements that govern our credit facilities impose significant operating and financial restrictions on us. These restrictions limit the ability of certain of our subsidiaries to, among other things:

- incur additional indebtedness and make guarantees;
- create liens on assets;
- engage in mergers or consolidations or make fundamental changes;
- sell assets;
- pay dividends and distributions or repurchase share capital;
- make investments, loans and advances, including acquisitions;
- engage in certain transactions with affiliates;
- enter into certain burdensome agreements;
- make changes in the nature of their business; and
- make prepayments of junior debt.

In addition, with respect to the First Lien Revolving Credit Facility, certain of our subsidiaries are required to maintain a maximum consolidated first lien net leverage ratio not to exceed 7.50:1.00, tested at the end of each quarter in which the principal amount of the First Lien Revolving Credit Facility outstanding exceeds 40% of the total commitments under such facility at such time. Furthermore, the Paysafe Payment Credit Agreement requires Paysafe Payment to maintain, as of the last day of each four fiscal quarter period, (i) a minimum fixed charge coverage ratio, (ii) a maximum leverage ratio and (iii) a minimum liquidity amount.

As a result of these restrictions, we are limited as to how we conduct our business and we may be unable to raise additional debt or equity financing to compete effectively or to take advantage of new business opportunities. The terms of any future indebtedness we may incur could include similar or more restrictive covenants. We cannot assure you that we will be able to maintain compliance with these covenants in the future and, if we fail to do so, that we will be able to obtain waivers from the lenders or amend the covenants.

Our failure to comply with the restrictive covenants described above as well as other terms of our other indebtedness or the terms of any future indebtedness from time to time could result in an event of default, which, if not cured or waived, could result in our being required to repay these borrowings before their due date. If we are forced to refinance these borrowings on less favorable terms or are unable to refinance these borrowings, our results of operations and financial condition could be adversely affected.

Our business may be adversely impacted by changes in currency exchange rates.

As we operate across multiple jurisdictions and currencies, changes in currency exchange rates could lead to adverse impacts on our financial assets and liability, and in particular on our external debt and intercompany transactions. A deterioration in reported earnings as a result of currency exchange rate fluctuations could lead to a covenant breach and result in an event of default in our agreements relating to our outstanding indebtedness which, if not cured or waived, could result in our being required to repay these borrowings

before their due date. If we are forced to refinance these borrowings on less favorable terms or are unable to refinance these borrowings, our results of operations and financial condition could be adversely affected.

Our failure to comply with the agreements relating to our outstanding indebtedness, including as a result of events beyond our control, could result in an event of default that could materially and adversely affect our results of operations and our financial condition.

If there were an event of default under any of the agreements relating to our outstanding indebtedness, the holders of the defaulted debt could cause all amounts outstanding with respect to that debt to be due and payable immediately. We cannot assure you that our assets or cash flows would be sufficient to fully repay borrowings under our outstanding debt instruments if accelerated upon an event of default. Further, if we are unable to repay, refinance or restructure our indebtedness under our secured debt, the holders of such debt could proceed against the collateral securing that indebtedness. In addition, any event of default or declaration of acceleration under one debt instrument could also result in an event of default under one or more of our other debt instruments.

Upon a change of control, all of our outstanding debt under our credit facilities would become immediately due and payable.

Upon a change of control, as defined under our Senior Facilities Agreement, all of our outstanding debt under the Senior Facilities Agreement would be immediately due and payable. A person or group of persons acting in concert (other than with the CVC Investors and the Blackstone Investors and any person directly or indirectly controlled by any of them) acquiring (directly or indirectly) more than 50% of the Company Common Shares would constitute a change of control under our credit agreements. In order to obtain sufficient funds to repay our debt if a change of control occurs, we expect that we would have to refinance our debt. We cannot assure you that we would be able to refinance our debt on reasonable terms, if at all. Our failure to repay all outstanding debt which becomes due and payable due to a change of control would trigger an event of default under the applicable credit agreement and may be an event of default under one or more of our other agreements. Moreover, such an event of default under one credit facility may cause the acceleration of our other debt under our other credit facilities. Our future debt also may contain restrictions on repayment requirements with respect to specified events or transactions that constitute a change of control under our debt agreements. Such restrictions could discourage, delay or prevent a transaction involving a change in control of the Company, including actions that our shareholders may deem advantageous, or negatively affect the trading price of the Company Common Shares.

Repayment of our debt is dependent on cash flow generated by our subsidiaries, which may be subject to limitations beyond our control.

Our subsidiaries own all of our assets and conduct all of our operations. Accordingly, repayment of our indebtedness is dependent on the generation of cash flow by our subsidiaries and their ability to make such cash available by dividend, debt repayment or otherwise.

Unless they are obligors of our indebtedness, our subsidiaries do not have any obligation to pay amounts due on such indebtedness or to make funds available to the notes issuers for that purpose. Our non-guarantor subsidiaries may not be able to, or may not be permitted to, make distributions to enable us to make payments in respect of our indebtedness. Each non-guarantor subsidiary is a distinct legal entity and, under certain circumstances, legal and contractual restrictions may limit our ability to obtain cash from our non-guarantor subsidiaries. While limitations on our subsidiaries restrict their ability to pay dividends or make other intercompany payments, these limitations are subject to certain qualifications and exceptions.

In the event that we are unable to receive distributions from our subsidiaries or make other intercompany payments, we may be unable to make required principal and interest payments on our indebtedness.

Our inability to generate sufficient cash flow could affect our ability to execute our strategic plans.

Organic growth opportunities are an important element of our strategy. See “Item 4.B. Business Overview—Our Growth Strategies.” We may not generate sufficient cash flow to finance such growth plans. Consequently, the execution of our growth strategy may require access to external sources of capital, which may not be available to us on acceptable terms, or at all. Limitations on our access to capital, including on our ability to issue additional debt or equity, could result from events or causes beyond our control, and could include decreases in our creditworthiness or profitability, significant increases in interest rates, increases in the risk premium generally required by investors, decreases in the availability of credit or the tightening of terms required by lenders. Any limitations on our ability to secure external capital, continue our existing finance arrangements or refinance existing financing obligations could limit our liquidity, financial flexibility or cash flow and affect our ability to execute our strategic plans, which could have a material adverse effect on our business, results of operations and financial condition.

Our consolidated financial statements include significant intangible assets which could be impaired.

We carry significant intangible assets on our statement of financial position. As of December 31, 2021, we had \$1.2 billion of intangible assets and \$3.7 billion in goodwill. Pursuant to current accounting rules, we are required to assess goodwill for impairment at least annually or more frequently if impairment indicators are present. Impairment indicators include, but are not limited to, significant underperformance relative to historical or projected future operating results, a significant decline in share price or market capitalization and negative industry or economic trends. If such events were to occur, the carrying amount of our goodwill may no longer be recoverable and we may be required to record an impairment charge. The pandemic and its impact on our business was an impairment indicator that we assessed in the prior year. See “—Risks Related to ongoing pandemic, including the resulting global economic uncertainty and measures taken in response to the pandemic, could materially impact our business and future results of operations and financial condition.”

In the current year, due to reduced forecasted cash flows in certain business units, we concluded that an impairment indicator for goodwill was present within the Digital Commerce and US Acquiring segments as of September 30, 2021. We performed a goodwill impairment test as of September 30, 2021 and October 1, 2021, our annual impairment test date, using a discounted cash flow methodology. Further, as a result of the change in reporting units described herein, in addition to our annual goodwill impairment test, we performed a goodwill impairment test as of December 31, 2021 under the previous and current reporting unit structure. Based on the analyses performed, it was determined that no adjustments to the carrying value of goodwill of any reporting unit were required.

Should the impact of the pandemic, or other factors, be more severe or of longer duration than assumed in the forecasted cash flows, the goodwill may be at risk of impairment. Further, sustained declines in our stock price would require us to perform goodwill impairment tests in subsequent periods. If there is a continued and sustained decline in our stock price this could result in a material goodwill impairment in future periods.

Due to reduced forecasted cash flows in the Digital Commerce segment as described above, we also concluded that an impairment indicator for certain intangible assets was present within the Digital Commerce segment as of September 30, 2021. The Digital Commerce segment experienced decreased revenues associated with certain legacy merchant relationships and also reduced their forecasted cash flows associated with these merchants due to changes in expected merchant mix resulting from new strategic initiatives within the segment. As a result, an impairment analysis on Digital Commerce intangible assets was performed as of September 30, 2021 and based on an undiscounted cash flow model, it was determined that certain of these assets were not recoverable and an impairment charge was recorded. Failure to achieve the expected cash flows due to higher than estimated attrition, obsolescence or other factors may result in a material impairment of intangible assets in future periods.

Risks Related to the U.S. Federal Income Tax Treatment

The IRS may not agree that Paysafe (i) should be treated as a non-U.S. corporation for U.S. federal income tax purposes and (ii) should not be treated as a “surrogate foreign corporation” for U.S. federal income tax purposes.

Under current U.S. federal income tax law, a corporation generally will be considered to be a U.S. corporation for U.S. federal income tax purposes only if it is created or organized in the United States or under the law of the United States or of any State. Accordingly, under generally applicable U.S. federal income tax rules, Paysafe, which is not created or organized in the United States or under the law of the United States or of any State but is instead a Bermuda incorporated entity, would generally be classified as a non-U.S. corporation. Section 7874 of the Code and the Treasury regulations promulgated thereunder, however, contain specific rules that may cause a non-U.S. corporation to be treated as a U.S. corporation for U.S. federal income tax purposes. If it were determined that Paysafe is treated as a U.S. corporation for U.S. federal income tax purposes under Section 7874 of the Code and the Treasury regulations promulgated thereunder, Paysafe would be liable for U.S. federal income tax on its income just like any other U.S. corporation and certain distributions made by Paysafe to non-U.S. holders of Paysafe’s securities would be subject to U.S. withholding tax. In addition, even if Paysafe is not treated as a U.S. corporation, it may be subject to unfavorable treatment as a “surrogate foreign corporation” in the event that ownership attributable to former FTAC Stockholders exceeds a threshold amount. If it were determined that Paysafe is treated as a surrogate foreign corporation for U.S. federal income tax purposes under Section 7874 of the Code and the Treasury regulations promulgated thereunder, dividends by Paysafe would not qualify for “qualified dividend income” treatment, and U.S. affiliates of Paysafe could be subject to increased taxation under the inversion gain rules and Section 59A of the Code.

Paysafe believes it should not be treated as a U.S. corporation for U.S. federal income tax purposes under Section 7874 of the Code or otherwise be subject to unfavorable treatment as a surrogate foreign corporation under Section 7874 of the Code. However, no IRS ruling has been requested or will be obtained in connection with the Transaction. Furthermore, the interpretation of Treasury regulations relating to the required ownership of Paysafe is subject to uncertainty and there is limited guidance regarding their application. Accordingly, there can be no assurance that the IRS will not take a contrary position to those described above or that a court will not agree with a contrary position of the IRS in the event of litigation.

If a United States person is treated as owning at least 10% of Company Common Shares, such person may be subject to adverse U.S. federal income tax consequences.

If a United States person is treated as owning (directly, indirectly or constructively) at least 10% of the value or voting power of Company Common Shares, such person may be treated as a “United States shareholder” with respect to each of Paysafe and its direct and indirect subsidiaries (the “Paysafe Group”) that is a “controlled foreign corporation.” The Paysafe Group includes U.S. subsidiaries, under recently enacted rules, certain of Paysafe’s non-U.S. subsidiaries could be treated as controlled foreign corporations regardless of whether Paysafe is treated as a controlled foreign corporation (although there is currently a pending legislative proposal to significantly limit the application of these rules).

A United States shareholder of a controlled foreign corporation may be required to report annually and include in its U.S. taxable income its pro rata share of the controlled foreign corporation’s “Subpart F income” and (in computing its “global intangible low-taxed income”) “tested income” and a pro rata share of the amount of U.S. property (including certain stock in U.S. corporations and certain tangible assets located in the United States) held by the controlled foreign corporation regardless of whether such controlled foreign corporation makes any distributions. Failure to comply with these reporting obligations (or related tax payment obligations) may subject such United States shareholder to significant monetary penalties and may prevent the statute of limitations with respect to such United States shareholder’s U.S. federal income tax return for the year for which reporting (or payment of tax) was due from starting. An individual that is a United States shareholder with respect to a controlled foreign corporation generally would not be allowed certain tax deductions or foreign tax credits that would be allowed to a United States shareholder that is a U.S. corporation. Paysafe cannot provide any assurances that it will assist holders in determining whether any of its non-U.S. subsidiaries are treated as a controlled foreign corporation or whether any holder is treated as a United States shareholder with respect to any of such controlled foreign corporations or furnish to any holder information that may be necessary to comply with reporting and tax paying obligations. United States persons should consult with their tax advisor regarding the potential application of these rules.

If Paysafe were a passive foreign investment company for U.S. federal income tax purposes for any taxable year, U.S. holders of Company Common Shares could be subject to adverse U.S. federal income tax consequences.

If Paysafe is or becomes a “passive foreign investment company,” or a PFIC, within the meaning of Section 1297 of the Code for any taxable year during which a U.S. holder (as defined in “Taxation—Material U.S. Federal Income Tax Considerations”) holds Company Common Shares, certain adverse U.S. federal income tax consequences may apply to such U.S. holder. Paysafe does not believe that it was a PFIC for its prior taxable year and does not expect to be a PFIC for U.S. federal income tax purposes for the current taxable year or in the foreseeable future. However, PFIC status depends on the composition of a company’s income and assets and the fair market value of its assets from time to time, as well as on the application of complex statutory and regulatory rules that are subject to potentially varying or changing interpretations. Accordingly, there can be no assurance that Paysafe will not be treated as a PFIC for any taxable year.

If Paysafe were treated as a PFIC, a U.S. holder of Company Common Shares may be subject to adverse U.S. federal income tax consequences, such as taxation at the highest marginal ordinary income tax rates on capital gains and on certain actual or deemed distributions, interest charges on certain taxes treated as deferred, and additional reporting requirements. See “Taxation—Material U.S. Federal Income Tax Considerations—Passive Foreign Investment Company Rules.” U.S. holders of Company Common Shares should consult with their tax advisor regarding the potential application of these rules.

Risks Related to Paysafe’s Business, Operations and Corporate Structure

Paysafe will rely on its operating subsidiaries to provide it with funds necessary to meet Paysafe’s financial obligations and Paysafe’s ability to pay dividends may be constrained.

Paysafe operates through a holding structure. Paysafe is a holding company with no material, direct business operations. Paysafe’s only assets are its direct and indirect equity interests in its operating subsidiaries. As a result, Paysafe is dependent on loans, dividends and other payments from these subsidiaries to generate the funds necessary to meet its financial obligations, including the payment of dividends. The ability of Paysafe’s subsidiaries to make such distributions and other payments depends on their earnings and may be subject to contractual or statutory limitations, such as limitations imposed by Paysafe’s financing facilities to which Paysafe’s subsidiaries are borrowers or guarantors or the legal requirement of having distributable profits or distributable reserves. For additional information, see “Item 8.A. Consolidated Statements and Other Financial Information” of this Report. As an equity investor in Paysafe’s subsidiaries, Paysafe’s right to receive assets upon a subsidiary’s liquidation or reorganization will be structurally subordinated to the claims of such subsidiary’s creditors. To the extent that Paysafe is recognized as a creditor of a subsidiary, its claims may still be subordinated to any security interest in or other lien on such subsidiary’s assets and to any of its debt or other obligations that are senior to Paysafe’s claims.

The actual payment of future dividends on the Company Common Shares and the amounts thereof depend on a number of factors, including, inter alia, the amount of distributable profits and reserves, including capital contribution reserves (which can be reduced by losses in a current year or carried forward from previous years), Paysafe's capital expenditure and investment plans, revenue, profits, financial condition, Paysafe's level of profitability, leverage ratio (as such term is defined under our credit agreements), applicable restrictions on the payment of dividends under applicable laws, compliance with credit covenants, general economic and market conditions, future prospects and such other factors as the Paysafe board of directors may deem relevant from time to time. There can be no assurance that the abovementioned factors will facilitate or allow adherence to Paysafe's dividend policy. Paysafe's ability to pay dividends may be impaired if any of the risks described in this section "Risk Factors" were to occur. As a result, Paysafe's ability to pay dividends in the future may be limited and Paysafe's dividend policy may change. Paysafe's board of directors will revisit Paysafe's dividend policy from time to time.

Our Principal Shareholders control us and their interests may conflict with ours or yours in the future.

Our Principal Shareholders beneficially own approximately 50% of our Company Common Shares. Moreover, under the Company Bye-laws and the Shareholders Agreement with our Principal Shareholders, for so long as our Principal Shareholders retain significant ownership of us, we will agree to nominate to our board individuals designated by such shareholders. Even when our Principal Shareholders cease to own common shares representing a majority of the total voting power of our issued and outstanding shares carrying the right to vote at general meetings at the relevant time, for so long as each such shareholder continues to own a significant percentage of our Company Common Shares, such shareholder will still be able to significantly influence the composition of our board of directors and the approval of actions requiring shareholder approval through their voting power. Accordingly, for such period of time, our Principal Shareholders will have significant influence with respect to our management, business plans and policies, including the appointment and removal of our officers. In particular, for so long as our Principal Shareholders continue to own a significant percentage of our Company Common Shares, such shareholder will be able to cause or prevent a change of control of our company or a change in the composition of our board of directors and could preclude any unsolicited acquisition of our company. The concentration of ownership could deprive you of an opportunity to receive a premium for your Company Common Shares as part of a sale of our company and ultimately might affect the market price of our Company Common Shares.

If we are unable to maintain effective internal controls over financial reporting, we may not be able to produce timely and accurate financial statements or comply with applicable laws and regulations, which could have a material adverse effect on our business.

As previously disclosed in our Annual Report on Form 20-F for the year ended December 31, 2020, management identified the following material weaknesses, affecting components of the Internal Control—Integrated Framework (2013) by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO 2013"), which have caused management to conclude that as of December 31, 2020, we did not maintain an effective control framework because of:

- inadequate controls over key accounting judgment areas including capitalized development costs and purchase price allocations; and
- insufficient review of the completeness and accuracy of data inputs associated with certain key controls impacting multiple financial statement account balances and disclosures.

During the fiscal year ended December 31, 2021, our management, with oversight from the Audit Committee of the Company Board (the "Audit Committee"), developed and implemented remediation plans in response to the identified material weaknesses described above. These remediation plans included the implementation of additional controls and procedures to address the development and review of fair value measurements utilized in the application of the acquisition method of accounting for business combinations and review of key judgments around capitalized development costs. These plans also included the hiring of additional qualified accounting and financial reporting personnel, additional training, and further improvement of our internal control framework including key systems. Further, we systematically identified all key data inputs used in the performance of all key controls over financial reporting, in order to implement controls over the completeness and accuracy of these key data inputs. We completed the testing of the design and operating effectiveness of these new controls and procedures during the quarter ended December 31, 2021. Based on the results of procedures performed, management concluded that the previously identified material weaknesses have been remediated as of December 31, 2021.

Our current controls and any new controls that we develop may become inadequate because of changes in conditions in our business. Further, weaknesses in our disclosure controls and internal control over financial reporting may be discovered in the future. Any failure to develop or maintain effective controls or any difficulties encountered in their implementation or improvement may prevent us from detecting errors on a timely basis, could harm our operating results or cause us to fail to meet our reporting obligations and may result in a restatement of our financial statements for prior periods. Effective internal control is necessary for us to produce reliable financial reports and is important to prevent fraud.

Beginning with the fiscal year ended December 31, 2022, our independent registered public accounting firm will be required to attest to the effectiveness of our internal control over financial reporting on an annual basis. Matters impacting our internal controls may cause us to be unable to report our financial information on a timely basis and thereby subject us to adverse regulatory consequences, including sanctions by the SEC or violations of applicable stock exchange listing rules, which may result in a breach of the covenants under our financing arrangements. There also could be a negative reaction in the financial markets due to a loss of investor confidence in us and the reliability of our financial statements. Confidence in the reliability of our financial statements also could suffer if we or our independent registered public accounting firm were to report a material weakness in our internal controls over financial reporting. This could materially adversely affect us and lead to a decline in the price of our Company Common Shares.

As a foreign private issuer and also as a "controlled company", we are exempt from a number of rules under the U.S. securities laws and are permitted to file less information with the SEC than a U.S. company. This may limit the information available to holders of the common shares.

We were founded in the UK in 1996 and were previously listed on the London Stock Exchange. Additionally, U.S. residents do not comprise a majority of our executive officers or directors, and most of our assets are located, and our business is principally administered, outside of the United States. As a result, we report under the Exchange Act as a non-U.S. company with foreign private issuer status. Under Rule 405 of the Securities Act, the determination of foreign private issuer status is made annually on the last business day of an issuer's most recently completed second fiscal quarter and, accordingly, the next determination will be made with respect to us on June 30, 2022.

As a foreign private issuer, we are not subject to all of the disclosure requirements applicable to public companies organized within the United States. For example, we are exempt from certain rules under the Exchange Act that regulate disclosure obligations and procedural requirements related to the solicitation of proxies, consents or authorizations applicable to a security registered under the Exchange Act, including the U.S. proxy rules under Section 14 of the Exchange Act. In addition, our officers and directors are exempt from the reporting and "short-swing" profit recovery provisions of Section 16 of the Exchange Act and related rules with respect to their purchases and sales of our securities. Moreover, while we expect to submit quarterly interim consolidated financial data to the SEC under cover of the SEC's Form 6-K, we will not be required to file periodic reports and financial statements with the SEC as frequently or as promptly as U.S. public companies and will not be required to file quarterly reports on Form 10-Q or current reports on Form 8-K under the Exchange Act. Accordingly, there may be less publicly available information concerning our business than there would be if we were a U.S. public company. Additionally, certain accommodations in the NYSE corporate governance standards allow foreign private issuers, such as us, to follow "home country" corporate governance practices in lieu of the otherwise applicable corporate governance standards. The Company Bye-laws do not require shareholder approval for the issuance of authorized but unissued shares, including (i) in connection with the acquisition of shares, stock or assets of another company; (ii) when it would result in a change of control; (iii) when a share option or purchase plan is to be established or materially amended or other equity compensation arrangement made or materially amended, pursuant to which shares may be acquired by officers, directors, employees, or consultants; or (iv) in connection with certain private placements. To this extent, our practice varies from the requirements of the corporate governance standards of NYSE, which generally requires an issuer to obtain shareholder approval for the issuance of securities in connection with such events. While we do not currently intend to rely on any other home country accommodations, for so long as we qualify as a foreign private issuer, we may take advantage of them.

Additionally, we are a "controlled company" as defined under the NYSE. For so long as we remain a controlled company under that definition and even if we are no longer a foreign private issuer, we are permitted to elect to rely, and may rely, on certain exemptions from corporate governance rules, including an exemption from the rule that a majority of our board of directors must be independent directors or that we establish a nominating committee and a compensation. Accordingly, you will not have the same protection afforded to shareholders of companies that are subject to these corporate governance requirements.

There can be no assurance we will be able to comply with the continued listing standards of the NYSE for our securities.

If we fail to continue to meet the listing requirements of the NYSE, the Company Common Shares and Company Warrants may be delisted, and Paysafe and its shareholders could face significant material adverse consequences, including:

- limited availability of market quotations for its securities;
- limited amount of news and analyst coverage for Paysafe; and

- decreased ability to issue additional securities or obtain additional financing in the future.

We may lose our foreign private issuer status which would then require us to comply with the Exchange Act's domestic reporting regime and cause us to incur significant legal, accounting and other expenses.

For so long as we qualify as a foreign private issuer, we are not required to comply with all of the periodic disclosure and current reporting requirements of the Exchange Act applicable to U.S. domestic issuers. We may no longer be a foreign private issuer as early as June 30, 2022 (the last business day of the second fiscal quarter of 2022), which would require us to comply with all of the periodic disclosure and current reporting requirements of the Exchange Act applicable to U.S. domestic issuers as of January 1, 2023. In order to maintain our current status as a foreign private issuer, either (a) a majority of our securities must be either directly or indirectly owned of record by non-residents of the United States or (b)(i) a majority of our executive officers or directors cannot be U.S. citizens or residents, (ii) more than 50% of our assets must be located outside the United States and (iii) our business must be administered principally outside the United States. If we lose our status as a foreign private issuer, we would be required to comply with the Exchange Act reporting and other requirements applicable to U.S. domestic issuers, which are more detailed and extensive than the requirements for foreign private issuers. We may also be required to make changes in our corporate governance practices in accordance with various SEC and NYSE rules. For example, the annual report on Form 10-K requires domestic issuers to disclose executive compensation information on an individual basis with specific disclosure regarding the domestic compensation philosophy, objectives, annual total compensation (base salary, bonus, and equity compensation) and potential payments in connection with change in control, retirement, death or disability, while the annual report on Form 20-F permits foreign private issuers to disclose compensation information on an aggregate basis. We would also have to mandatorily comply with U.S. federal proxy requirements, and our officers, directors, and principal shareholders will become subject to the short-swing profit disclosure and recovery provisions of Section 16 of the Exchange Act.

The regulatory and compliance costs to us under U.S. securities laws if we are required to comply with the reporting requirements applicable to a U.S. domestic issuer may be significantly higher than the cost we would incur as a foreign private issuer. As a result, we expect that a loss of foreign private issuer status would increase our legal and financial compliance costs and is likely to make some activities highly time consuming and costly. We also expect that if we were required to comply with the rules and regulations applicable to U.S. domestic issuers, it would make it more difficult and expensive for us to obtain director and officer liability insurance, and we may be required to accept reduced coverage or incur substantially higher costs to obtain coverage. These rules and regulations could also make it more difficult for us to attract and retain qualified members of our board of directors.

The Company Bye-laws and Shareholders Agreement, as well as Bermuda law, contain provisions that could discourage acquisition bids or merger proposals, which may adversely affect the market price of our Company Common Shares.

The Company Bye-laws and Shareholders Agreement, as well as Bermuda law, contain provisions that may discourage, delay or prevent a merger, amalgamation, acquisition, or other change in control that shareholders may consider favorable, including transactions in which you might otherwise receive a premium for your Company Common Shares. These provisions may also prevent or frustrate attempts by our shareholders to replace or remove our management. Our corporate governance documents include provisions:

- authorizing blank check preference shares, which could be issued without shareholder approval and with voting, liquidation, dividend and other rights superior to our Company Common Shares;
- providing that any action required or permitted to be taken by our shareholders must be taken at a duly called annual or special meeting of such shareholders and may not be taken by any consent in writing by such shareholders; provided that for so long as our Principal Shareholders beneficially own, collectively, at least 30% of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time, any action (except the removal of a director or an auditor) which may be done by resolution of the shareholders in a general meeting may also be done by resolution in writing, signed by the shareholders who at the date of the notice of the resolution in writing represent not less than the minimum number of votes as would be required to pass the resolution if the resolution was voted on at a quorate meeting of the shareholders;
- requiring, to the fullest extent permitted by applicable law, advance notice of shareholder proposals for business to be conducted at meetings of our shareholders and for shareholder-proposed nominations of candidates for election to our board of directors;
- establishing a classified board of directors, so that not all members of our board are elected at one time, with the election of directors requiring only a plurality of votes cast;
- providing that certain actions required or permitted to be taken by our shareholders, including amendments to the Company Bye-laws and certain specified corporate transactions, may be effected only with the approval of our board of directors, in addition to any other vote required by the Company Bye-laws and/or applicable law;

- prohibiting us from engaging in a business combination with a person who acquires at least 10% of our Company Common Shares for a period of three years from the date such person acquired such common shares unless approved by the Company Board and authorized at an annual or special meeting of shareholders by the affirmative vote of at least two-thirds of our issued and outstanding voting shares that are not owned by such person, subject to certain exceptions. This provision shall not apply to our Principal Shareholders and any of their respective direct or indirect transferees;
- limiting the filling of vacancies or newly created seats on the Company Board between general meetings to the decision of our board of directors then in office at any time when our Principal Shareholders beneficially own, collectively, less than 30% of the issued
- and outstanding shares carrying the right to vote at general meetings at the relevant time, subject to the rights granted to one or more series of preference shares then outstanding or the rights granted under the Shareholders Agreement; and
- providing that directors may be removed by shareholders only by resolution with or without cause upon the affirmative vote of a majority of our issued and outstanding voting shares; provided, however, at any time when our Principal Shareholders beneficially own, collectively, less than 30% of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time, directors may only be removed for cause (as determined by the Company Board), and only upon the affirmative vote of holders of at least 66 2/3% of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time, voting together as a single class.

The existence of the foregoing provisions and anti-takeover measures could limit the price that investors might be willing to pay in the future for common shares. They could also deter potential acquirers of our Company, thereby reducing the likelihood that you could receive a premium for your Company Common Shares in an acquisition.

You may have difficulty enforcing judgments of U.S. courts against us in Bermuda courts.

We are organized as an exempted company pursuant to the laws of Bermuda. In addition, a number of our directors and executive officers are not residents of the United States, and a substantial portion of our assets and their assets are or may be located in jurisdictions outside the United States. As a result, it may be difficult for you to effect service of process within the United States upon those persons or us or to recover against them or us on judgments of U.S. courts, including judgments predicated upon civil liability provisions of the U.S. federal securities laws.

We have been advised that there is no treaty in force between the United States and Bermuda providing for the reciprocal recognition and enforcement of judgments in civil and commercial matters. As a result, whether a U.S. judgment would be enforceable in Bermuda against us or our directors and officers depends on whether the U.S. court that entered the judgment is recognized by the Bermuda court as having jurisdiction over us or our directors and officers, as determined by reference to Bermuda conflict of law rules. A judgment debt from a U.S. court that is final and for a sum certain based on U.S. federal securities laws will not be automatically enforceable in Bermuda unless the judgment debtor had submitted to the jurisdiction of the U.S. court, and the issue of submission and jurisdiction is a matter of Bermuda (not U.S.) law.

In addition, and irrespective of jurisdictional issues, the Bermuda courts will not enforce a U.S. federal securities law that is either penal or contrary to Bermuda public policy. We have been advised that an action brought pursuant to a public or penal law, the purpose of which is the enforcement of a sanction, power or right at the instance of the state in its sovereign capacity, will not be entertained by a Bermuda court. Certain remedies available under the laws of U.S. jurisdictions, including certain remedies under U.S. federal securities laws, would not be available under Bermuda law or enforceable in a Bermuda court, as they would be contrary to Bermuda public policy. Further, no claim may be brought in Bermuda against us or our directors and officers in the first instance for violation of U.S. federal securities laws because these laws have no extraterritorial jurisdiction under Bermuda law and do not have force of law in Bermuda. A Bermuda court may, however, impose civil liability on us or our directors and officers if the facts alleged in a complaint constitute or give rise to a cause of action under Bermuda law.

Our shareholders may have more difficulty protecting their interests than shareholders of a U.S. corporation.

The rights of shareholders under Bermuda law are not as extensive as the rights of shareholders under legislation or judicial precedent in many U.S. jurisdictions. Class actions and derivative actions are generally not available to shareholders under Bermuda law. However, Bermuda courts ordinarily would be expected to follow English case law precedent, which would permit a shareholder to commence an action in the name of a company to remedy a wrong done to a company where the act complained of is alleged to be beyond the corporate power of a company, is illegal or would result in the violation of that company's memorandum of association or bye-laws. Furthermore, consideration would be given by a Bermuda court to allow derivative action rights where acts that are alleged to constitute a fraud against the minority shareholders or where an act requires the approval of a greater percentage of our shareholders than actually approved

it. The winning party in such an action generally would be able to recover a portion of attorneys' fees incurred in connection with such action.

We may issue additional Company Common Shares or other securities without shareholder approval, which would dilute existing ownership interests and may depress the market price of Company Common Shares.

Paysafe may issue additional Company Common Shares or other equity securities of equal or senior rank in the future in connection with, among other things, repayment of outstanding indebtedness or Paysafe's equity incentive plan, without shareholder approval, in a number of circumstances.

Paysafe's issuance of additional Company Common Shares or other equity securities of equal or senior rank would have the following effects:

- Existing Paysafe Shareholders' proportionate ownership interest in Paysafe may decrease;
- the amount of cash available per share, including for payment of dividends in the future, may decrease;
- the relative voting strength of each previously outstanding Company Common Shares may be diminished; and
- the market price of Company Common Shares may decline.

Future sales of the Company Common Shares issued to the Existing Paysafe Shareholders and other significant shareholders may cause the market price of Company Common Shares to drop significantly, even if Paysafe's business is doing well.

Under the Merger Agreement, the Existing Paysafe Shareholders received, among other things, a significant amount of Company Common Shares.

Subject to the Shareholders Agreement, the Existing Paysafe Shareholders and certain other shareholders party to the Shareholders Agreement may sell Company's securities pursuant to Rule 144 under the Securities Act, if available.

Upon satisfaction of the requirements of Rule 144 under the Securities Act, the Existing Paysafe Shareholders and certain other significant shareholders may sell large amounts of the Company's securities in the open market or in privately negotiated transactions, which could have the effect of increasing the volatility in Paysafe's share price or putting significant downward pressure on the price of the Company Common Shares.

Because we have no current plans to pay cash dividends on our Company Common Shares, you may not receive any return on your investment unless you sell your Company Common Shares for a price greater than that which you paid for it.

We have no current plans to pay cash dividends. The declaration, amount and payment of any future dividends on our Company Common Shares will be at the sole discretion of our board of directors. Our board of directors may take into account general and economic conditions, our financial condition and results of operations, our available cash and current and anticipated cash needs, capital requirements, contractual, legal, tax and regulatory restrictions and implications on the payment of dividends by us to our shareholders or by our subsidiaries to us and such other factors as our board of directors may deem relevant. In addition, our ability to pay dividends is limited by our credit facilities and may be limited by covenants of other indebtedness we or our subsidiaries incur in the future. As a result, you may not receive any return on an investment in our Company Common Shares unless you sell your Company Common Shares for a price greater than that which you paid for it.

The market price of our Company Common Shares may be volatile, which could cause the value of your investment to decline.

Even if a trading market develops, the market price of our Company Common Shares may be highly volatile and could be subject to wide fluctuations. Securities markets worldwide experience significant price and volume fluctuations. This market volatility, as well as general economic, market or political conditions, could reduce the market price of our Company Common Shares regardless of our operating performance. In addition, our operating results could be below the expectations of public market analysts and investors due to a number of potential factors, including variations in our quarterly operating results or dividends, if any, to shareholders, additions or departures of key management personnel, failure to meet analysts' earnings estimates, publication of research reports about our industry, litigation and government investigations, changes or proposed changes in laws or regulations or differing interpretations or enforcement thereof affecting our business, adverse market reaction to any indebtedness we may incur or securities we may issue in the future, changes in market valuations of similar companies or speculation in the press or investment community, announcements by our competitors of significant contracts, acquisitions, dispositions, strategic partnerships, joint ventures or capital commitments, adverse

publicity about the industries we participate in or individual scandals, and in response the market price of our Company Common Shares could decrease significantly. You may be unable to resell your Company Common Shares at or above the initial public offering price.

In the past few years, stock markets have experienced extreme price and volume fluctuations. In the past, following periods of volatility in the overall market and the market price of a company's securities, securities class action litigation has often been instituted against these companies. This litigation, if instituted against us, could result in substantial costs and a diversion of our management's attention and resources.

B. Business Overview

Overview

Paysafe is a leading, global pioneer in digital commerce with over \$122 billion in volume processed in 2021 and \$101 billion processed in 2020, generating \$1.5 billion and \$1.4 billion in revenue in 2021 and 2020, respectively. Our specialized, integrated payments platform offers the full spectrum of payment solutions ranging from credit and debit card processing to digital wallet, eCash and real-time banking solutions. The combination of this breadth of solutions, our sophisticated risk management and our deep regulatory expertise and deep industry knowledge across specialized verticals enables us to empower 14 million active users in more than 120 countries and over 250,000 SMBs to conduct secure and friction-less commerce across online, mobile, in-app and in-store channels. We also provide digital commerce solutions for specialized industry verticals, including iGaming (which encompasses a broad selection of online betting related to sports, e-sports, fantasy sports, poker and other casino games), gaming, digital goods, cryptocurrencies, travel and financial services, as well as US Acquiring solutions for SMBs and direct marketing clients. Digital Commerce represented approximately \$837 million, or 56%, of our revenue and US Acquiring represented approximately \$650 million, or 44%, of our revenue for the year ended December 31, 2021. We believe that an increasing percentage of digital commerce around the world is becoming too complex for traditional retail payment services, many of which still use legacy business processes and technologies that were developed 10 or more years ago to address an earlier generation of eCommerce. These legacy platforms lack the specialized functionality, sophisticated risk management and robust regulatory compliance infrastructures required to address this large and fast-growing area of the market.

To address this opportunity, we have developed a suite of innovative, proprietary digital commerce solutions for Business to Business ("B2B") and Business to Consumer ("B2C") relationships. These solutions help (1) solve the complexities of facilitating digital commerce, (2) remove significant friction and pain points from the customer experience, (3) enable our business and consumer clients to transact in a faster, safer and more convenient manner and (4) help our business customers grow their operations by bringing active users to their platforms. Our solutions extend well beyond the basic card-based payments functionality of traditional payment vendors by providing the advanced capabilities of digital wallets, alternative payment methods ("APMs") and digital currency transactions. These include:

- *A Global Stored-Value Digital Wallet Solution*—that enables users to upload, store, withdraw, pay and send funds from a branded, or embedded, virtual account that can transact in over 15 languages and over 40 currencies and is integrated with close to 100 alternative payment methods, or APMs, from around the world;

- *An eCash Network*—that enables users to transform cash at over 700,000 locations across 50 countries into a proprietary digital currency accessed by a mobile app, a virtual account or a user code and used for online gaming, video games, mobile commerce, or in-app purchases; and

- *An Independent Merchant Acquiring Solution in the United States*—that enables SMBs to conduct eCommerce, software-integrated commerce and in-store commerce more effectively by utilizing our single API, proprietary gateway, data tokenization, risk management and fraud tools and over 150 integrated software vendor (“ISV”) integrations to process credit card, debit card and APM services seamlessly.

We create a powerful and differentiated, end-to-end offering with global and vertical-specific capabilities for our clients by combining three key elements of our business to create distinct competitive advantages in the market, as illustrated below. These include:

1. Our global digital commerce solutions;
2. Our 20 years of global expertise and entrepreneurial culture in solving and simplifying the complexities of digital commerce beyond traditional payments; and
3. Our global platform of capabilities, which includes:
 - *Unity*, our proprietary, cloud-based technology platform;
 - Highly sophisticated global risk management and compliance operations, embedded into almost all of our offices and consisting of over 350 professionals with significant expertise in risk and regulatory compliance; and
 - The *Paysafe Expansion Playbook*, our proven and repeatable ability to source, consolidate and unlock value from emerging digital commerce solutions and ecosystems.

We believe this unique combination has enabled us to become a global leader in attractive digital commerce verticals, such as iGaming, gaming (multi-player online games), crypto, travel and eCommerce platforms, which are large, fast-growing and have significant expansion potential around the world, but which also have specific service requirements that are difficult for traditional vendors to provide. For example:

- **Paysafe is a global leader in iGaming payment services**, which encompasses a broad selection of online sports betting, esports, fantasy sports, poker and other casino games. This vertical is highly regulated and requires significant technology development and compliance infrastructure to facilitate cross-border commerce and the penetration of new markets, such as the United States and Latin America, which are opening due to favorable secular and regulatory trends and the increasing use of smartphones as a primary interface. Paysafe already serves around 1,500 operators across our global iGaming market. As a global leader, Paysafe launched its iGaming services in Canada in 2010 and the United States in 2013.

- **Paysafe is a global leader in payments services to eSports, console games and multi-player online games**. Our eCash solution, *paysafecard*, has established itself as a top payment method in gaming and we support payments across the leading gaming merchants, including Sony PlayStation, Xbox, Google Play, Stadia, Samsung, Huawei, Steam, Wargaming.net, Riot Games, Roblox, Twitch, EPIC Games, Ubisoft, Mojang, Innogames, Facebook, Activision Blizzard and others. *paysafecard* enables these gaming merchants to accept eCash payments, resulting in higher conversion rates and new customer acquisition, which comes from a customer segment untapped by the conventional payment options. Based on the success of our eCash services, we have also begun to cross-sell our digital Wallet and Integrated & eCommerce Solutions (“IES”) to some of these gaming merchants, increasing the continuity of our relationships.

- **Paysafe is a global leader in eCommerce payment services**. We support numerous eCommerce platforms and online marketplaces to enable them to accept various payments inside of their ecosystems. Our *Skrill* digital wallet supports a wide range of eCommerce platforms, including Shopify, Wix, Magento, WooCommerce, and PrestaShop. We have also integrated our services with large online marketplaces that sell their own goods and services as well as the inventories of third-party merchants. For example, we enable users to load funds onto their Amazon account via *Paysafecash*, allowing them to pay for goods and services using cash at one of our 200,000 participating locations. We also enable *paysafecard* users to pay for content and services on across various Google platforms in over 16 countries, such as the Google Play Store, YouTube and Stadia, and have enabled the push-provisioning of our Skrill prepaid and NET+ cards into Google Pay.

Consumers in these and other verticals are also attracted to the differentiated functionality of our digital wallet and digital currency solutions that enable them to load funds onto a stored value account that can be used easily and flexibly online, through a mobile device or an integrated app. Many of our consumer clients come from the lucrative younger demographic of millennial and generation Z users, who either do not have a bank account, credit or debit card or who often prefer not to use their bank account, credit or debit cards online, are attracted to the additional security of our solutions and want to control their spending more effectively.

We go to market, serve and support our clients through an omni-channel model that leverages our global reach and our B2B and B2C relationships. This enables us to manage and serve our clients through our network of offices around the world with strong knowledge of local and regional markets, customs and regulatory environments. We sell our solutions through a combination of direct and indirect sales strategies. We have a direct sales force of 80 associates who build and develop relationships with larger merchants and help them configure or develop digital and point-of-sale commerce solutions from our suite of technology services. We sell our solutions online to smaller merchants using targeted marketing campaigns designed to address specific use cases across verticals, geographies and user profiles. We also leverage a network of partners, such as ISVs and independent sales organizations (“ISOs”), who integrate our solutions into their own services or resell our solutions by utilizing their own sales initiatives.

We operate across two business segments, which provide our digital commerce solutions to different end markets: our US Acquiring Segment and our Digital Commerce Segment. In the fourth quarter of 2021, we revised our reportable segments. The Company had historically operated, and was organized, as three separate segments, Integrated Processing, Digital Wallet and eCash Solutions. Digital Commerce now includes the previous Digital Wallet and eCash Solutions segments along with Integrated eCommerce Solutions (“IES”) that was previously part of the Integrated Processing segment. Please refer to “Our Segments & Solutions—Overview by Segment” and Note 21, *Operating segments*, within Item 18, Financial Statements for a breakdown of total revenues by geography, segment and business line.

Through our enterprise sales team we focus on a single go-to-market approach across digital commerce verticals. Additionally, our recent client wins and opportunity pipeline reflects more clients purchasing solutions across Paysafe’s digital commerce offering of Digital Wallet, eCash and card processing solutions.

We typically generate revenue across our solutions through transaction fees that are calculated as a percentage of the transaction dollar volume, a fixed per transaction fee or a combination of both. We generate these fees when funds are loaded onto wallets or cards, when funds are used to make transactions or when we process a transaction on behalf of our merchants or partners. In certain cross-border transactions, we may also generate revenue from foreign exchange fees.

For the year ended December 31, 2021, we generated \$122 billion of total payment volume and \$1.5 billion in revenue. During the same period, we had a net loss of \$110 million and generated \$444 million of Adjusted EBITDA. For the year ended December 31, 2020, we generated \$101 billion of total payment volume and \$1.4 billion in revenue. During the same period, we had a net loss of \$127 million and generated \$426 million of Adjusted EBITDA. See “Item 5. Operating and Financial Review and Prospects” of this Report for additional information relating to non-GAAP measures presented in this Report and for a reconciliation of such non-GAAP measures to the most directly comparable measures calculated and presented in accordance with GAAP.

Our Journey & Evolution as a Pioneer in Digital Commerce

Since our foundation in 1996, we have pioneered and continue to innovate around the development of digital payment solutions that help reduce complexity and expand payment alternatives for merchants and consumers. We have evolved since then by strengthening our domain expertise, adding new capabilities and extending our market reach to build on our early mover advantages in digital commerce and establish ourselves as a scaled market leader across all of our business segments. Some of the key milestones in our evolution include:

- **Our Foundations and Pioneering of Digital Commerce**—We began as an eCommerce gateway in the UK called NETBANX in 1996 and the first customer to sign up for our system was Arsenal Football Club. Separately, the NETeller Group was established in May 2000 in Canada to commercialize an e-Wallet concept it had been developing to fund internet-based transactions without the security risk of processing each transaction at each separate merchant site.

- **Our Expansion and Consolidation**—Adoption of the NETELLER system grew rapidly in the early 2000s as merchants and consumers benefited from the ease of use of our solutions and the growing number of funding sources and alternative payment methods that could be used to fund our digital accounts.

- In 2004, NETeller plc conducted an initial public offering and listed its shares on the AIM Stock Exchange in 2004 and in 2005 it acquired NETBANX.

- In 2008 the company changed its name to Neovia Financial plc (“Neovia”) as part of a wider rebranding strategy to differentiate the company from its various solutions, NETELLER, NETBANX and NET+, a prepaid card product.

- In 2011, Neovia acquired substantially all of the assets of 7012985 Canada Inc. and changed its name to Optimal Payments plc (“Optimal Payments”).

•In 2014 and 2015, Optimal Payments acquired five additional companies including the Skrill Group, which included the Skrill and paysafecard businesses. In November 2015, Optimal Payments changed its name to Paysafe Group plc, incorporated in the Isle of Man.

•In December 2015, Paysafe Group plc listed its shares on the main market of the London Stock Exchange.

•**Our Privatization and Significant Investment in the Business**—In December 2017, a consortium led by CVC Capital Partners and Blackstone agreed to acquire Paysafe for approximately a \$4 billion U.S. dollar equity value, the largest private equity backed privatization of a London-listed company since the 2007-2008 financial crisis and the Company's shares were delisted from the London Stock Exchange in December 2017.

Our Large & Fast-Growing Market Opportunity

We believe that an increasing percentage of digital commerce around the world is becoming too complex for traditional payment and eCommerce services providers using legacy business models, payment solutions and risk management platforms to support an aging generation of retail eCommerce solutions. These legacy platforms and vendors lack the specialized functionality, sophisticated risk management and robust regulatory compliance infrastructures required to address a large and fast-growing area of the market, which includes digital wallets, APMs and digital currency transactions. Consumers in these verticals are attracted to the differentiated functionality of these next-generation solutions, which enable them to load funds or cash onto a virtual stored-value account that can be used easily and flexibly online, through a mobile device, or inside an integrated app. Many of these users come from the desirable demographic of millennials and generation Z users, who either do not have a bank account or often prefer to use alternative payment methods as they are less comfortable sharing their financial details online. Instead they are attracted to the additional functionality and security features of these solutions, which enable them to engage in digital commerce and control their spending more effectively.

Our eCash Solutions division make online payments accessible to a market of millions of American and European users who may not have a credit card or who prefer to pay with cash. Covid-19 has accelerated the need to transact online and has consequently had a negative effect on this consumer base. We see significant long-term opportunities to provide an eCash payment solution in key categories such as rental payments, utilities, telco, healthcare and government.

Key Market Trends

We are positioned in key market segments that are being impacted by continuing favorable trends, with a majority accelerated by Covid-19, which are driving faster growth and changing the way digital commerce and payments are being implemented. For example:

•**Growth in Digital Commerce**—According to IBM, Covid-19 has accelerated the transition from physical stores to digital by roughly 5 years, increasing consumer and merchant appetite for digital payment methods at a much faster rate. We believe this migration will continue and stay as market demographics shift to a digital shopping experience as emerging trends including seamless commerce, blockchain in e-commerce and mobile commerce expands.

•**Growth in Digital Wallet**—Consumer adoption of digital and mobile wallets is expected to continue growing at a rapid pace with wallets capturing market share from traditional payment methods. According to a 2021 report by FIS, digital and mobile wallets will represent more than half of global eCommerce sales by 2024.

•**Growth in Integrated Commerce**—Covid-19 has transitioned physical stores into an omnichannel experience, requiring merchants to offer integrated commerce to adapt to the post Covid-19 world. Consequently, SMB businesses are increasingly using more technologies at the point of sale ("POS") to help them run their operations more effectively and satisfy consumer demand. As a result, technology companies, such as smart device vendors and ISVs, are adding more commerce-enabling features, such as payments and loyalty applications, into their core offerings. These firms are increasingly partnering with digital commerce solutions providers to integrate these features as seamlessly as possible.

•**Increased Adoption of Prepaid and eCash in the Digital World**—Online and brick and mortar merchants are continuing to adopt prepaid and eCash solutions as prepaid card solutions are forecasted to double for e-commerce transactions by 2024 according to FIS. Prepaid and eCash payments acceptance allows merchants to access a large market of cash-based security-conscious and unbanked consumers, especially within emerging economies. We believe that we are a leading player in the eCash market, connecting merchants with millions of cash-based consumers across a number of high-growth verticals and geographies.

•**Shift to Alternative Payment Methods**—According to FIS 2021, as traditional payment methods are forecasted to slow in growth, alternative payment methods are forecasted to gain momentum due to advancements in e-commerce from Covid-19. This has caused consumers to increasingly migrate their commercial activities online and engage in more cross-border transactions, we believe they are looking to use the convenient local payment methods that they use every day to conduct

their local purchases. In return, businesses are looking for partners who can provide them with the abilities to seamlessly integrate and accept a growing number of APMs from around the world.

•**Shift to Universal Commerce Engagement**—Consumer shopping habits are increasingly involving engagement across channels and the combination of payments and loyalty applications, such as digital offers and smart incentives. For example, a consumer can view items online and purchase in-store with a digital reward or buying online using targeted digital incentives. We believe these trends are incentivizing businesses to manage their customer-facing operations, including their retail presence, inventory, incentive programs, payment acceptance alternatives, returns and customer service, across all available channels—in store, online and mobile. As a result, businesses are gravitating to payments partners with the capability to provide integrated solutions that can manage across all channels with highly sophisticated engagement, payment, reporting and data management and analytics capabilities.

•**The Payments Industry is Continuing to Rapidly Consolidate**—Strategic and financial buyers of payments businesses are expected to continue to pursue deals that enhance scale, technology capabilities and vertical and geographic expansion. We believe M&A will continue to be an attractive growth opportunity for the sector and believe we are well-positioned to be a leading M&A platform in the space. We have a broad and successful track-record of M&A execution and integration and believe there are a number of targets across our business segments.

•**Rising Demand for Integrated Multi-Solution Payments Platforms**—eCommerce and brick and mortar merchants are continuing to demand partnering with highly sophisticated payments providers with a broad range of solutions. As the global consumer evolves, the leaders in payments technology are best equipped to help their merchants provide multiple transaction methods, content and highly specialized vertical-specific value-added services all-in-one to serve these consumers. We believe that Covid-19 has accelerated merchant demand for payments partners with integrated solutions that provide a seamless payment experience across a single platform. We believe that our solutions, platform and technology will continue to attract merchants and consumers to our platform.

•**Latin America**—According to the FIS 2021 report, Latin America, a market with a growing middle-class population and high internet penetration via mobile devices, is a growing lucrative opportunity for payment providers. We believe our latest acquisition of Safetypay, a platform that enables eCommerce transactions in over 11 Latin American countries, positions us to compete well in this growing market.

•**Cryptocurrency**—The cryptocurrency space has proven to be a highlight within the financial sector, growing at a rapid pace globally and presenting a range of opportunities within Fintech. The continued investment by financial institutions, continuing momentum within the NFT space and decentralized finance applications challenging traditional financial products, have accelerated the mainstream adoption of cryptocurrency during Covid-19. The complexity of regulatory and compliance requirements and extremely high volume demands of clients in this vertical presents a good fit for Paysafe capabilities and expertise.

•**Embedded Finance**—For Paysafe, embedded finance is the integration of payment services into a consumer brand's ecosystem, allowing the consumer brand to maintain control and its identity, whilst benefiting from financial offerings. We believe Paysafe's broad range of offerings, from payment processing of cards, APM's and pay in pay out functionality of wallets positions us to grow in this market.

•**Real-Time Banking**—With the recent acquisition of SafetyPay, we believe we are now well positioned to exploit the nascent real-time banking market in Latin America and Europe.

Key Market Challenges

As a result of these market trends, we believe businesses and consumers are facing challenges, which pose risks and opportunities for vendors in our market. These include:

•**Need for Omni-Channel Engagement**—Consumers are increasingly demanding the ability to engage with businesses and merchants seamlessly across in-store, online and mobile channels, using traditional and alternative payment methods, across geographic borders, with feature-rich yet simple customer experiences. As a result, businesses are looking for commerce enabling partners that can assist them with these capabilities and the advanced data and insights needed to manage their businesses more effectively, through a unified offering and a single integration.

•**Need for Global Capabilities**—Businesses are increasingly demanding service providers and partners capable of serving their needs across a broad range of geographic markets and do not want to manage the complexity associated with having multiple providers and partners in separate markets. As a result, the need for global platforms with global service, support and risk management capabilities are becoming more important.

•**Need for Strong Regulatory & Risk Management**—As commerce across borders, channels and technologies continues to evolve, we believe risk management and regulatory compliance requirements will become more complex. This will

present both challenges and opportunities for participants and require digital commerce enabling partners to build and provide a strong regulatory compliance expertise that will not expose customers to unnecessary risks.

•Need for Strong Security & Data Protection—The shift to digital commerce and increasing use of data has resulted in larger amounts of sensitive information being transmitted and stored electronically by a growing number of consumers, businesses and government entities. High-profile data breaches have increased awareness, concern and regulation covering data use, storage and protection. As a result, we believe consumers and businesses are increasingly looking to engage with vendors that have strong global risk management expertise and infrastructures.

Key Verticals & Trends

Within our Digital Commerce segment, we serve a number of specific industry verticals and have established a strong position in iGaming and emerging markets, which we have identified as our key verticals because Paysafe believes there is significant market potential for growth and expansion in these areas, and Paysafe is committed to focusing on opportunities for organic and inorganic growth in iGaming and emerging markets.

•iGaming Vertical—We operate in the global iGaming vertical, which encompasses a broad selection of online betting related to sports, esports, fantasy sports, poker and other casino games, as well as lotteries and bingo. The iGaming industry is highly regulated, and participation requires specific expertise, significant technology development and compliance infrastructure to facilitate cross-border commerce successfully. Laws governing the vertical are complex, vary considerably by geography and are continually evolving, which creates a significant opportunity to provide value-added services to iGaming providers due to a strong focus on risk management. The ability to develop and offer products and services that comply with applicable regulations provides valuable advantages to address this large and attractive market opportunity. For example, the initial and anticipated ongoing legalization of sports betting in the United States opened a very large market opportunity for iGaming providers capable of offering compliant products and services. iGaming is expected to account for an increasing percentage of the overall global gaming market as technology innovation paves the way for enhanced product offerings and increased digital access by consumers. For example, key growth drivers in the vertical include: (1) increased access to the internet and continued smartphone penetration, (2) growing consumer preference for online gaming alternatives to physical locations and (3) continuous product development and improvements, including iGaming-related apps that offer increased convenience and better overall user experiences. Revenue from our iGaming vertical for the years ended December 31, 2021 and 2020 was \$536 million and \$503 million, respectively.

•Emerging Markets vertical – We focus on a number of emerging and fast-growing industries that we consider as part of our emerging markets vertical. This includes US Acquiring and Integrated & eCommerce Solutions, where we leverage our specialized processing capabilities to provide solutions for thousands of merchants. Merchants in this sector, including ISVs, can benefit from our gateway, multiple APMs and risk management capabilities. We also include Fintech Services, where we support financial trading merchants across stocks, FX and crypto, as well as consumer-focused remittance. Travel & entertainment, including hospitality and recreation, is an area where our risk management capabilities enable us to support merchants that are struggling to get the service they need from the market. Finally, digital goods is led predominantly by our eCash Solutions division, supporting social, streaming and gaming merchants online. Revenue from our emerging markets vertical for the years ending December 31, 2021 and 2020 was \$567 million and \$556 million respectively.

Our Competitive Strengths

Over the course of our evolution, we have developed highly differentiated attributes, assets and capabilities that we combine to create powerful competitive advantages. We believe these advantages have enabled us to establish our leadership position in the market and positioned us favorably to continue to innovate, grow and expand the markets we serve. These strengths include:

Global Digital Solutions & Reach

We offer our business and consumer clients a comprehensive suite of advanced, differentiated, commerce-enabling solutions and specialized payment services to help them transact in a faster, safer and more convenient manner around the world. The advantages of our global digital solutions include:

•Differentiated Value Propositions—Our solutions are highly differentiated in the market and help solve the complexities of digital commerce, remove significant friction and pain points from the customer experience and enable our business and consumer clients to transact in a faster, safer and more convenient manner. We also leverage our technology, risk management expertise and compliance infrastructure to empower buyers and sellers to connect and transact in more complex verticals where traditional services do not work well, such as iGaming and gaming. We also offer more traditional services, such as eCommerce payments and SMB merchant acquiring and differentiate these by integrating new technologies to make them more powerful and convenient, such as our global gateway and smart devices to create a differentiated value proposition.

•**Superior Client Experiences**—Our solutions create superior experiences for our business and consumers across their customer journey, including in-store, online, mobile, as well as hybrid models such as pay online/pick up in-store and cash-funded online purchases. This begins in our product development phase as we prioritize solving the friction and pain points of more traditional commerce, listen to our clients’ specific needs and develop tangible solutions that are designed to solve real-world problems. It continues in our client onboarding phase through a combination of attractive UX design for our applications and fast, easy, and convenient data entry processes. Once our clients initiate or receive a transaction request, we provide a fast and seamless integration of different environments into the payment flow, such as the use of our Digital Wallet to checkout at a merchant website, the use of our digital currency inside of a live video game application, the integration of our proprietary services, such as *Rapid Transfer* with an online banking application, or a proprietary application programming interface (“API”)-based integration with third-party services such as a country-specific APM or a third-party software enterprise resource planning (“ERP”) solution. After the transaction, we continue to differentiate our client experiences further with high-quality customer support that is designed to provide quick and easy answers utilizing our intuitive artificial intelligence tools or personalized, relationship-building service through our call centers and relationship managers who prioritize making our customers happy versus completing a service call.

•**Global Reach with Local Capabilities**—Our *Paysafe Network* enables us to reach our clients and distribute our solutions in over 120 countries around the world and across multiple digital and physical channels. This enables us to utilize a combination of global commerce expertise with a strong knowledge of local and regional markets, customs, and regulatory environments to facilitate cross-border commerce. For example, our digital wallets accommodate a wide range of funding options and allow funds to be securely sent and received instantly, empowering online gaming companies and their consumers to conduct commerce together more efficiently. Our eCash Solutions also enable online purchases for cash-pay consumers and can be purchased at over 700,000 distribution points in over 50 countries.

Unique Global Culture & Expertise

Since we were a pioneer in the early days of eCommerce, we developed strong company characteristics over the last 20 years that we believe provide us with material advantages, including:

•**Entrepreneurial Culture and Client-Centric Focus**—We have proactively developed an entrepreneurial culture within Paysafe to foster a highly energetic, innovative and collaborative mindset for our employees by promoting four core employee value statements:

- Pioneering**—We are curious and collaborate to find innovative ways to improve our business;
- Focused**—We are results driven, achieving our goals by delivering relevant solutions that meet our clients’ needs;
- Open**—We are open and transparent in the way we work together, building trustworthy relationships with our colleagues, customers and shareholders; and
- Courageous**—We encourage empowered people to be brave when challenging the status quo, and decisive when proposing and implementing the resulting change.

We believe we have curated an attractive workplace environment for employees. We encourage a strong client-centric mentality across all our functions to prioritize solving the friction and pain points that our clients experience when trying to conduct commerce online rather than trying to sell undifferentiated payment services. Together, our entrepreneurial culture and client centric focus form the core spirit of our company, which has enabled us to: (1) pioneer and establish a leadership position empowering digital commerce throughout the world; (2) develop our Paysafe Network and its various advantages and capabilities; and (3) differentiate our solutions, service quality and client relationships from the more traditional legacy payment vendors that sell increasingly commoditized products and services.

•**Deep Expertise in Solving and Simplifying the Complexity of Digital Commerce**—We have been able to learn from our experiences to develop a deep expertise in digital commerce and in highly regulated markets with complex compliance requirements. This has enabled us to develop new ways for consumers, merchants and integrated partners to conduct commerce and open new markets for commercial transactions across channels, verticals and geographies.

Smart Global Platform for Growth

We have built our integrated technology and risk management platforms into highly differentiated assets at the center of Paysafe, which provides us with powerful, distinct competitive advantages in the marketplace, including:

•**Powerful Technology and Data Management Capabilities**—We developed a proprietary, cloud-based technology platform, *Unity*, with modular, next-generation capabilities delivered through a micro-services architecture. This provides

us with a highly scalable, integrated, single point of access to our products and services and facilitates the customization and delivery of market-specific payment solutions that meet the requirements and purchasing preferences of local markets. *Unity* enables us to efficiently manage our solutions and other functions and quickly deploy new services to any market we target for expansion. In addition, *Unity* leverages a large and growing data lake and powerful analytics platform featuring a range of internally developed AI capabilities which provide us with unique insights into transaction flows, purchasing habits and trends within our payments ecosystem. This enables us to address the increasing demand from merchants for analytics and insights that will empower them to better understand their customers and design more productive consumer engagement strategies. Our massive data lake also contains valuable information on fast-growing areas of commerce and attractive demographic behaviors that we do not believe are well understood by traditional vendors;

•**Powerful Risk Management and Compliance Capabilities**—In order to successfully serve our markets, we run highly sophisticated risk management and regulatory compliance operations with global capabilities. Our risk management processes include stringent operating policies, multi-layered customer onboarding procedures and best-in-class transaction monitoring capabilities. We have over 350 professionals in our compliance and risk teams and have significant expertise in managing risk and regulatory requirements across the entire payments landscape. We believe these skills are a key strategic advantage for us and will serve as part of the foundation for our continued growth and expansion. Our proactive approach to these functions helps drive credibility with key constituents, including customers, partners, bank sponsors and regulators, making Paysafe the provider of choice in many specialized and complex verticals; and

•**Proven and Repeatable Expansion Playbook**—We have successfully acquired and integrated 18 companies (including our acquisition in 2020 and 2021 which we continue to integrate) since our foundation and have an advantaged platform for consolidation. As such we have: (a) global capabilities that enable us to source acquisition targets from a large and fragmented pool of attractive candidates that we can evaluate and learn from; (b) a “plug and play” platform infrastructure, such as *Unity*, that we can leverage to generate revenue and cost synergies from an acquired company; (c) a significant amount of deal experience and expertise across a seasoned team that enables us to source, identify, negotiate and execute deals effectively; and (d) strong integration capabilities powered by our strong entrepreneurial culture and global HR infrastructure that enable us to welcome, integrate and empower new company founders, management teams and employee bases around the world.

Attractive Strategic & Structural Advantages

Our capabilities also provide us with several strategic and structural advantages that we believe are very difficult to replicate, including:

•**Early Mover Leadership in Complex and Emerging Commerce**—As a pioneer in providing digital commerce solutions in markets with complex payments requirements, we have an early-mover advantage that positions us as a market leader and trusted brand in the sector. We believe this also provides us with a privileged market position globally to capitalize on new payment opportunities in emerging market segments and verticals;

•**Diversified Business and Portfolio of Clients**—Our business is highly diversified from both a customer and geographic perspective. We conduct business in over 120 countries and territories and serve over 3.1 million active users in our digital wallets, 11 million active users in our eCash solutions and over 250,000 SMBs. In iGaming, our largest vertical, we serve around 1,500 operators globally.

•**Strong Global Banking Infrastructure**—Paysafe leverages a network of nearly 70 commercial banks across 30 countries, with over 1,000 bank accounts in more than 30 currencies. We work with top tier institutions such as J.P. Morgan Chase, Bank of America, and BBVA, BMO and PNC as well as employ a network of regional and domestic banks across North America, the EMEA region, and Asia to augment our reach and serve our markets locally. In addition, nine large corporate and investment banks provide us with liquidity for our foreign exchange activities, with sizeable trading capacity.

•**Structural Economic Advantages**—Due to the differentiated nature of our value proposition and superior client experiences, our business also has several structural economic advantages over traditional, legacy payment services. While our business requires more focus on risk management and product development to address the greater complexity of the markets that we serve, we typically don’t face the same competitive and pricing pressures that many other providers face who sell more traditional, increasingly commoditized services. As a result, our business generates an average revenue yield or *take rate* of 1.2% in 2021 on our transacted volume.

•**Powerful Network Effects in our Ecosystem**—Our business has created a unique ecosystem that has powerful, self-reinforcing network effects. For example, our expertise enables us to design and deploy solutions to address complex markets for digital commerce. These solutions enable us to connect and serve businesses and consumers in existing markets and develop new digital commerce solutions. As we attract a larger number of active users for our solutions, we also attract a larger number of businesses that want to accept our solutions, opening further markets and use cases for our users. As we

continue to scale, the breadth and depth of our *Paysafe Network* continues to grow, enabling us to leverage our growing expertise to expand the scope of our services and solutions into new areas.

•**Significant Barriers to Entry**—We have built a highly differentiated business with broad global capabilities that we believe are defensible and have significant barrier to entry. We believe it will be difficult for new entrants to replicate the combination of our (1) more than 20 years of deep domain expertise in digital commerce, (2) proprietary B2B and B2C capabilities, (3) highly specialized and vertical specific capabilities, (4) proprietary technology platform, (5) global risk management platform and regulatory compliance infrastructure and (6) global omni-channel reach with strong local capabilities. In addition, we believe our ability to successfully design, deploy, integrate and secure new solutions for merchants and consumers in complex, highly regulated markets is very difficult to replicate.

•**Experienced Team with a Track Record of Solving Commerce Friction & Managing Risk**—We have a highly experienced management team with a powerful combination of global industry, operational and technical expertise. Our team has successfully developed and delivered commerce-enabling payments products in numerous market segments, including markets that are highly regulated and have more complex compliance requirements than traditional markets. In addition, we have a long track record of managing risk and risk events around the world.

Our Growth Strategies

We will leverage the leadership, scale and competitive advantages of our leading digital solutions, global expertise and global platforms to grow our business around the world. Building upon our core foundations, we will continue to grow our business by:

- optimizing our current operations to help our business and consumer clients transact more effectively;
- innovating to create new solutions that reduce friction and unlock new areas for digital commerce to flourish;
- and expanding into new markets and verticals.

In general, we have organized our growth and expansion initiatives around four key strategies. These are:

1. *Penetrate and Serve Our Large Client Base More Effectively*

We will continue to generate new revenue and earnings growth from a series of initiatives that we have begun implementing to drive new volumes, revenue yield and operating efficiencies from our large, existing client base and operations. These include:

•**Enterprise-Wide Sales**—we continue to focus on an enterprise-wide sales strategy and combined sales team. This enables us to offer our business clients all our solutions in a more integrated manner and through a single API rather than through discrete sales initiatives and service integrations. We believe this will enable us to monetize our client relationships more effectively by cross-selling our digital wallet, eCash and integrated & eCommerce solutions more efficiently, capturing greater volumes and increasing our revenue yield per client over time.

•**Global Gateway Convergence**—we are connecting our leading, digital wallet gateway with our integrated & eCommerce services to provide a unified and more powerful gateway solution that supports our enterprise sales and enables our business clients to secure, authorize and execute different types of transactions through a convenient and seamless service experience. We believe this will enable us to capture greater volume opportunities and save operating and development costs from operating discrete gateway services.

•**Solution Innovation**—we will continue to innovate and develop new functionalities and solutions to capture greater volume and revenue opportunities. For example, we are working to roll-out new features in app-based commerce, social networking commerce, marketplace selling, unified account balances and rewards maximization. Our global gateway will enable us to integrate, market and deploy these additional capabilities quickly and more effectively into our installed base of clients and promote them to new clients. In addition, we are capitalizing on the increasing demand for integrated payments functionality and are working to make Paysafe a partner of choice for software developers by enabling them to integrate seamlessly with our *Unity* platform.

•**Platform Optimization**—we are implementing a series of initiatives to create new synergies and greater operating efficiencies within our platform. For example:

- Data & Insights**—we are leveraging the significant amount of data across our global ecosystem to (i) provide our business clients with valuable insights into consumer preferences and spending trends that help them grow their sales

volumes and (ii) optimize our underwriting and onboarding capabilities to increase our acceptance rates and reduce the number of declined transactions due to false positive triggers;

- **Global Banking-as-a Service**—we are leveraging our large and growing relationships with global banks to realize better execution and cost savings through the implementation of more efficient *Banking-as-a-Service* solutions that are better integrated with our technology platform and back-office functions; and

- **Artificial Intelligence & Automation**—we are leveraging the implementation of A.I. and process automation technologies to optimize the speed and operating efficiencies of our technology and risk management platforms as well as our internal processes and back office systems to generate better marginal cost efficiencies.

2. Penetrate High-Growth and Profitable Verticals & Markets

We will continue to pursue new revenue and earnings growth opportunities through specific initiatives designed to expand our ecosystem and the reach of our *Paysafe Network* to capture greater digital commerce volumes from new clients in large and attractive verticals and markets. These initiatives include:

- **Increase Share in Existing Markets**—We intend to increase our market share in key, high-growth verticals where we currently operate, such as iGaming, gaming, crypto, Remittances, Digital Trading, Property Management and Rentals, Wellness and Membership, Utilities and Subscriptions. To achieve these share gains, we will (a) continue marketing the advantages of our solutions across channels, (b) continue innovating to add vertical-specific functionalities that help drive new client adoption and (c) continue pursuing new distribution and partnerships. We will also pursue the same strategy in our US Acquiring segment, with a focus on growing our eCommerce volumes, growing our base of SMB merchants and ISV partners and growing our base of clients in specialized verticals, such as Petroleum stations, where we have differentiated sales and service capabilities.

- **Enter New Vertical and Geographic Markets**—We intend to enter new verticals and geographic markets where we can successfully leverage our competitive advantages to provide superior digital commerce solutions and gain share. For example, our recent acquisition of SafetyPay solidifies our position in the Latin American market. Similarly, while we are the second largest global stored-value digital wallet solution in the world, we are still in the early stages of penetrating a large and fast-growing ecosystem of eCommerce platforms. We will continue to integrate our digital commerce solutions with new eCommerce platforms to enable our approximately 3.1 million digital wallet active users and 11 million eCash active users to purchase goods and services online.

3. Win in the Highly Attractive North America. iGaming Market

We will continue to leverage our privileged position as the global leader of digital commerce solutions in the iGaming market to benefit from the very fast growth and large addressable market opportunity in North America iGaming. We believe the combination of our brand, breadth of solutions, our ability to serve both businesses and consumers, our ease of integration and our strong risk management and regulatory compliance provide us with powerful competitive advantages to capture additional market share.

4. Pursue Strategic Acquisitions to Consolidate the Market

We will pursue acquisitions to gain access to strategically important technology, products and distribution, as well as to enter new markets or supplement our position in markets we currently serve. We have a demonstrated track record of growth through acquisitions as shown by our successful acquisition and integration of 18 companies since our foundation (including our acquisitions in 2020 and 2021 which we continue to integrate). Since the digital commerce market is still relatively fragmented and regional in nature, we believe there are a large number of potential acquisition opportunities to evaluate and consolidate around the world. For example, we believe there are over 170 specialized digital wallet solutions around the world and many of these lack significant scale and capabilities. However, they represent an opportunity for us to add specific features, distribution and active users which can be incorporated into our global digital wallet solutions. Similar to this, we believe there are attractive consolidation opportunities to add distribution, capabilities and client bases in eCash, Online, APMs and iGaming value-added services around the world.

Our Segments & Solutions

We offer a broad selection of B2B and B2C digital commerce solutions to online businesses, SMB merchants and consumers through our proprietary *Paysafe Network*. Our solutions are designed to reduce friction in digital and in-store channels and expand our clients' payment alternatives, enabling them to conduct commerce more efficiently and effectively across our global footprint. While we manage our business holistically and in an integrated manner, we provide our solutions across two business segments to optimize our

management of each. Our two reportable segments include (1) US Acquiring and (2) Digital Commerce, which consists of (a) Digital Wallet, which includes our global *Skrill* and *NETELLER* wallet solutions, (b) eCash Solutions, which includes our *Paysafecash* and *paysafecard* digital currency solutions and (c) Integrated & eCommerce Processing, which includes our *Paysafe* merchant acquiring services.

In the fourth quarter of 2021, we revised our reportable segments. Digital Commerce now includes the previous Digital Wallet and eCash Solutions segments along with Integrated eCommerce Solutions (“IES”) that was previously part of the Integrated Processing segment. - **Relationship & Call Center Sales**—We have a direct sale force of 80 associates who build and develop relationships with larger merchants or respond to their inquiries via our dedicated sales centers that respond to calls or online inquiries. These sales personnel help businesses learn about our solutions and then will help configure a commercial solution for them from our suite of offerings.

- **Indirect Sales**—We have built a network of resellers and partners, such as online portals, ISVs, Payment Facilitators and ISOs, who integrate our solutions into their own services or resell our solutions by utilizing their own salesforces or online marketing initiatives.

- **Online Resellers**—We work with selected merchants and partners in specific verticals, such as iGaming and gaming, who promote our solutions or sell them in store.

- **paysafecard Distributors**—We work with distribution partners in over 50 countries who distribute eCash products

- **paysafecard and Paysafecash** across 700,000 distribution points-of-sale.

- **ISVs**—We work with over 150 ISVs who develop vertical-specific business management SaaS solutions for industries such as restaurants, spa/salon, gyms, charities, property managers, and field service companies, among others. These ISVs service downstream merchants in Canada, the US, the UK and the EU. We provide development tools and APIs to help these software companies integrate our payment solutions into their software to facilitate membership billing, subscriptions, online or in person payments while minimizing their PCI obligations. We also provide onboarding tools that allow the ISV to provide a seamless and embedded onboarding experience, risk tools that protect the ISV and their downstream merchants against fraud, and data and reporting services that allow the ISV to consume payment data within their own applications to offer a true *one-stop-shop* experience to their merchant customers. ISVs leveraging our payment technology can act as referral partners, be registered ISOs or registered payment facilitators. Our technology can support any of these models.

- **Independent Resellers**—We work with independent resellers, such as agents, ISOs, referral partners or bank partners who typically resell our solutions and services to SMB merchants in North America for commissions, revenue share agreements or referral fees.

•*Payment Facilitators (PayFacs)*—We work with sponsored payment facilitators in our portfolio and also help our ISO, ISV or platform clients to easily embed a custom payment solution into their offerings to create a “payfac-lite” or “payfac-in-a-box” solution. This enables our clients to get all of the features and benefits of being a PayFac without the risk, extensive underwriting and registration burdens, cash reserve requirements, or compliance and monitoring overhead.

Our Customer Service & Support

We provide customer support services that have been designed to address the specific support issues of each of our two business segments. These include:

US Acquiring Support — We provide support through dedicated service centers in the North America and the UK. We support customers across a variety of channels including calls, email, chat and social media.

Digital Commerce Support — Our teams are trained and equipped with a broad range of tools including communication templates and a state-of-the-art knowledge base.

Unity—Our Global Technology Platform

Unity is a proprietary, cloud-based technology platform that we have developed to manage and power our omni-channel solutions around the world in a highly scalable and efficient manner. Our Platform-as-a-Service (“PaaS”) technology model was designed with a modular, micro-services architecture and a range of next-generation automation and AI capabilities. These enable us to develop and deploy our app-based solutions efficiently so they can be plugged into our ecosystem and rolled out quickly across our *Paysafe Network* to keep up with new innovations and revenue opportunities. *Unity* enables us to:

- Configure**—Integrating, consolidating and curating functions and micro-services to facilitate the delivery of market-specific payment solutions that meet the requirements and purchasing preferences of local markets and partners. It also enables us to provide our clients with a convenient, single point of access through our *Unity API* to interface with these wide range of solutions and services;
- Transact**—Providing powerful processing capabilities through our global gateway to capture, authorize, clear and settle transactions on our own account-to-account payments network or to route and process transactions through third-party networks and alternative payment methods;
- Analyze**—Leveraging a large and growing data lake and powerful analytics platform featuring a range of internally developed AI capabilities that provide us with unique insights into transaction flows, purchasing habits and trends within our payments ecosystem. This enables us to address the increasing demand from merchants for analytics and insights that will empower them to better understand their customers and design more productive consumer engagement strategies;
- Defend**—Securing our client accounts and their transactions by utilizing a range of cybersecurity, fraud detection and risk management technologies and algorithms that we have developed in-house, integrated from best-of-breed third-party vendors, or customized through a combination of both approaches into our core technology stack; and
- Manage**—Hosting, automating and streamlining a range of client engagement technologies such as our mobile apps and back-office functions, such as our on-boarding to interact, manage and support our clients more effectively.

The *Unity* platform is continuously updated with an average of 92 new features delivered every month using agile development methodologies and app-based solutions deployed by 243 developers in our technology organization. Combined, these features and attributes provide us with a range of operating advantages that we believe enable us to run our systems faster, more effectively and more efficiently, while optimizing our development resources to control our costs. This has enabled us to accelerate our migration to the cloud for nearly all of our core services, consolidating our digital wallets onto a single system and reducing our data centers to 4 physical sites and 2 cloud-based environments that are fully redundant and maintain a 99.99% uptime service level.

Our Global Risk and Compliance Management Program

Paysafe’s global risk and compliance program includes the development, deployment and management of proprietary models to detect and prevent compliance risk, card scheme risk, fraud risk and credit risk. We leverage the vast amount of data in our ecosystem and the learnings derived from our global and local operating experts to continuously update and improve our compliance and risk management practices. We utilize real-time detection and prevention processes and create alerts, which are then reviewed by our risk and compliance teams to ensure we act quickly to stop any potential fraudulent behavior. The outcomes of our reviews are driven back into our machine learning models for continuous improvement in accuracy. Our risk and compliance teams are geographically aligned with our business

footprint around the world and include both global and local expertise in compliance and regulatory requirements across the entire payments landscape. The focus areas of our global risk, regulatory and compliance operations include:

- Global Expertise & Policies**—We have leveraged our deep domain expertise and over 20 years of experience in solving the complexities of digital commerce to develop a series of stringent proprietary operating policies that enable us to operate a broad global business with deep local risk and regulatory compliance capabilities;
- Licenses & Certifications**—We have built a network of relationships with regulators, networks and financial institutions, undergone numerous certification and registration processes and successfully acquired numerous operating licenses that enable us to operate in multiple jurisdictions in a safe and compliant manner. We maintain strict controls over these licenses and leverage our expertise to add new ones as we move into new markets;
- Underwriting & Risk Management**—We have created sophisticated underwriting and real-time risk mitigation processes through a range of machine learning models and behavioral detection systems to identify potentially suspicious activity and reduce fraud. Our risk management infrastructure enables us to safely process billions of dollars in payments on a monthly basis.
- Credit Risk Management**—Proprietary credit risk management system that monitors the top credit risks across the enterprise and allows expert analysts to conduct periodic reviews and make recommendations to mitigate large credit exposures.
- Account On-Boarding & Monitoring**—We developed a series of multi-layered onboarding procedures to review new merchants and consumers. We validate and confirm information provided against government and other agency records or government issued documents to complete KYC checks at onboarding and then undertake further checks during the consumer lifecycle. We also employ models and monitoring rules to detect potential fraud and AML activity and report suspicious activity to the relevant government entities as appropriate as well as cooperating with any inquiries.
- Transaction Encryption & Management**—We have developed strong transaction security capabilities that enable us to secure and monitor transactions within our own wallet and digital currency networks and safely encrypt and decrypt transactions from third- party networks and alternative payment methods. We also provide automation technologies and transaction management tools to help identify and manage chargebacks and transaction reversals in a convenient and easy to use manner for our clients.
- Enterprise Risk and Risk Appetite**—We have integrated a robust enterprise risk framework to our strategic decision making, which ensures we have ongoing and reasonable assurance regarding the achievement of our strategic objectives. This framework consists of a multi-layered governance structure to identify, assess, respond to and manage risks in line with our global risk appetite. Our global risk appetite has qualitative and quantitative measures in place, to support our business with broad-based guidance on the amount and type of risk we are willing to accept in pursuit of our strategic objectives.
- Core Risk Tracking System**—We leverage governance, risk and compliance tools to track enterprise-wide risks, document improvement actions, identify accountable owners and track progress towards closure of key risks.
- Centralized Risk Repository**—We have centralized a repository of core risk policies, processes and control documentation via global risk governance and Enterprise Risk Management.

Licensing and Regulation

Laws and regulations in jurisdictions around the world apply to many key aspects of our business. Any actual or perceived failure to comply with these requirements may result in, among other things, revocation of required licenses or registrations, loss of approved status, private litigation, regulatory or governmental investigations, administrative enforcement actions, sanctions (including public fines), civil and criminal liability, public censures and constraints on our ability to continue to operate, as well as potentially adverse effects on our brand and position with respect to competitors. It is also possible that current or future laws or regulations could be interpreted or applied in a manner that would prohibit, alter, or impair our existing or planned products and services, or that could require costly, time-consuming, or otherwise burdensome compliance measures from us. This discussion is not exhaustive, and there are numerous other regulatory agencies that have or may assert jurisdiction over our activities. The laws and regulations applicable to the payments industry in any given jurisdiction are subject to interpretation and change.

Payments Regulation

Various laws and regulations govern the global payments industry. In Europe, certain of our subsidiaries are authorized by the FCA under the Electronic Money Regulations 2011 to perform the regulated activity of issuing e-money and the provision of payment services (which has the meaning specified in the Second Electronic Money Directive) as well as to provide account information services and payment initiation services to support our *Rapid Transfer* service. Additionally, we are authorized by the CBI under the European

Communities (Electronic Money) Regulations 2011 for two of our entities in Ireland to act as e-money issuers and to provide payment services (including account information and payment initiation services to support our *Rapid Transfer* service) and have completed the necessary passporting notifications to operate in other EEA jurisdictions. E-money means electronically (including magnetically) stored monetary value, as represented by a claim on the electronic money issuer, which (a) is issued on receipt of funds for the purpose of making payment transactions; (b) is accepted by a person other than the electronic money issuer; and (c) is not excluded by regulation. An e-money issuer is someone who issues and redeems electronic money and provides payment services in accordance with the Second Electronic Money Directive. In connection with the Skrill and NETELLER Cryptocurrency Services, we have also applied for registration as a cryptoasset business with the FCA. The FCA has not been able to assess and register all firms that have applied for registration by the deadline for registration of January 10, 2020, due to the complexity and standard of the applications received, and the pandemic restricting the FCA's ability to visit firms as planned. As a result, the Skrill and NETELLER Cryptocurrency Services have been temporarily registered under the Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 as a cryptoasset business, pending the determination of our applications by the FCA. We have also applied for a similar registration with the CBI. Additionally, one of Paysafe's subsidiaries is also licensed in Switzerland as a financial intermediary with supervised membership of the self-regulatory authority Treuhand Suisse.

Both the UK and Ireland prescribe that, with respect to our payment services entities, no person may hold or acquire, alone or together with others, a direct or indirect stake of 10% or more of our shares, 10% of the voting rights attached to our shares, or exercise, directly or indirectly, significant influence over any of the regulated subsidiaries (or increase an existing holding of 10% or more of our shares or the voting rights attached to our shares crossing a control threshold (20%, 30% or 50%)) without first obtaining the prior approval of the FCA and the CBI.

Furthermore, certain of our subsidiaries are considered Foreign Money Service Businesses ("FMSBs") under Canadian Proceeds of Crime (Money Laundering) and Terrorist Financing Act and are therefore required to hold FMSB licenses with FINTRAC, the Canadian Regulator. These licensed subsidiaries are subject to record keeping and reporting requirements for all activity involving money transferring and foreign exchange dealing. These same subsidiaries are also licensed as money service businesses with Revenu Quebec and are subject to record keeping requirements for all money transfers and foreign exchange transactions involving Quebec residents.

In the United States, Skrill USA Inc. ("Skrill USA"), is registered with FinCEN as a money services business and regarded as a money transmission business. Money transmitting businesses are subject to numerous regulations in the United States at the federal and state levels, and we have obtained or applied for money transmitter licenses (or applicable similar licenses) in all U.S. states and territories in which we are required to do so, with licenses pending. These licenses and registrations subject us, among other things, to record-keeping requirements, reporting requirements, bonding requirements, limitations on the investment of customer funds, and inspection by state and federal regulatory agencies. We are also subject to inspections, examinations, supervision, and regulation by each state in which we are licensed. Furthermore, to the extent that our activities cause us to be deemed to be engaged in other business involving digital currency activities that are regulated in any state in which we operate, we may be required to seek a license or otherwise register with a state regulator and comply with state regulations. If we are required to register in these states and comply with their individual requirements, we can expect to incur significant compliance costs, including increased legal expenses, accounting expenses and internal costs. Without a required money transmitter license, we could not engage in money transmitter activities with such state).

Since the enactment of the Dodd-Frank Act, there have been substantial reforms to the supervision and operation of the financial services industry, including numerous new regulations that have imposed compliance costs on us and our financial institution partners and clients. Among other things, the Dodd-Frank Act established the CFPB, which is empowered to conduct rule-making and supervision related to, and enforcement of, federal consumer financial protection laws. Certain money transmitters engaged in international money transfers such as Skrill USA are required to provide additional consumer information and disclosures, adopt error resolution standards and adjust refund procedures for international transactions originating in the United States, and certain money transmitters that are deemed by regulation to be "larger participants" in the international money transfer market, such as Skrill USA, are subject to direct supervision by the CFPB. In addition, the CFPB may adopt other regulations governing consumer financial services, including regulations defining unfair, deceptive, or abusive acts or practices, and new model disclosures. Skrill USA could be subject to fines or other penalties if it is found to have violated the Dodd-Frank Act's prohibition against unfair, deceptive or abusive acts or practices or other consumer financial protection laws enforced by the CFPB. The CFPB's authority to change regulations adopted in the past by other regulators could increase our compliance costs and litigation exposure. Skrill USA may also be liable for failure of its agents to comply with the Dodd-Frank Act. The legislation and implementation of regulations associated with the Dodd-Frank Act have increased Skrill USA's costs of compliance and required changes in the way it and its agents conduct business. In addition, Skrill USA is subject to examination by the CFPB from time to time.

The Dodd-Frank Act also empowers state attorneys general and other state officials to enforce federal consumer protection laws under specified conditions. We, including Skrill USA, have periodically been involved in reviews, investigations, proceedings (both formal and informal), and information-gathering requests, by various government offices and agencies, including various state agencies and

state attorneys general (as well as the CFPB and the U.S. Department of Justice). These examinations, inquiries and proceedings could result in, among other things, substantial fines, penalties or changes in business practices that may require us to incur substantial costs.

Although we have the licenses and authorizations referred to above, our Digital Commerce segment issues e-money to customers in over 120 countries and territories, a majority in which we are not licensed as an e-money issuer. We take the view that, in general, we are not conducting regulated activities in these other jurisdictions on the basis that our activities of issuing e-money are not conducted in each jurisdiction in which our relevant customers reside, but rather e-money is issued in jurisdictions in which we are licensed. We acknowledge that local regulators in these jurisdictions may take a different view and, as transaction volumes increase and/or the matter is brought to our attention by local regulators, we will take advice in respect of local requirements on a case-by-case basis. Failure to comply with local regulations in these jurisdictions could also lead to examinations, inquiries and proceedings that could result in, among other things, fines, penalties, prohibitions on operating in jurisdictions or changes in business practices that may require us to incur substantial costs.

Due to ongoing developments in e-money regulation, we obtain advice from outside legal counsel as required in order to assess any applicable risk and, where necessary, will limit the extent of our operations in a particular jurisdiction or will consider whether to obtain a license in such jurisdiction. We believe that the likelihood of any enforcement action by a regulator is low due to factors such as the operation of the services through the internet on a cross-border basis from a country in which the relevant entity holds a license, the limited extent of our activities in the respective jurisdictions, the lack of enforcement action against similar payment processors, the lack of a physical presence in the respective jurisdictions, and the effective management of our relationships with our customers. However, the adoption of new money transmitter statutes in other jurisdictions, changes in regulators' interpretation of existing state and federal money transmitter or money services business statutes or regulations, or disagreement by a regulatory authority with our interpretation of such statutes or regulations, could require additional registrations or licenses, limit certain of our business activities until they are appropriately licensed and expose us to financial penalties. See "Item 3.D. Risk Factors—Risks Related to Our Business and Industry—Regulatory, Legal and Tax Risks—We are subject to financial services regulatory risks."

Payment Network Rules and Standards and Relationships with Partner Banks

Payment networks, such as Visa, Mastercard and American Express, establish their own rules and standards that allocate liabilities and responsibilities among the payment networks and their participants. These rules and standards, including the Payment Card Industry Data Security Standards, govern a variety of areas, including how consumers and clients may use their cards, the security features of cards, security standards for processing, data security and allocation of liability for certain acts or omissions, including liability in the event of a data breach. With respect to the payment networks of which we are a participant, those payment networks rules apply to us directly. In addition, where we partner with a member bank to access payment networks, as described below, those payment networks' rules may apply to us indirectly, as the rules may impact the nature of our relevant bank partnership. The payment networks may change these rules and standards from time to time as they may determine in their sole discretion and with or without advance notice to their participants. These changes may be made for any number of reasons, including as a result of changes in the regulatory environment, to maintain or attract new participants, or to serve the strategic initiatives of the networks, and may impose additional costs and expenses on or be disadvantageous to certain participants. Participants are subject to audit by the payment networks to ensure compliance with applicable rules and standards. The networks may fine, penalize or suspend the registration of participants for certain acts or omissions or the failure of the participants to comply with applicable rules and standards.

In order for our US Acquiring business to process and settle transactions for our merchants, we have entered into sponsorship agreements with banks that are members of the payment systems. Because we are not a "member bank" as defined by the major payment networks' rules and standards, we are not permitted to access those networks directly; instead, we are required to access the payment networks through our sponsor banks. Our bank partners sponsor our adherence to the rules and standards of the payment networks and enable us to route transactions under the sponsor banks' control and BINs across the payment networks to authorize and clear transactions. Payment network rules restrict us from performing funds settlement directly and require that merchant settlement funds be in the possession of the member bank until the merchant is funded. These restrictions place the settlement assets and liabilities under the control of the member bank.

Our sponsorship agreements with our bank partners also give our sponsor banks substantial discretion in approving certain aspects of our business practices, including our solicitation, application and qualification procedures for clients and the terms of our agreements with clients, and provide them with the right to audit our compliance with the payment network rules and guidelines. We are also subject to network operating rules and guidelines promulgated by the National Automated Clearing House Association ("NACHA") relating to payment transactions we process using the Automated Clearing House Network. Like the payment networks, NACHA may update its operating rules and guidelines at any time, which could require us to take more costly compliance measures or to develop more complex monitoring systems. Similarly, our ACH sponsor banks have the right to audit our compliance with NACHA's rules and guidelines, and are given wide discretion to approve certain aspects of our business practices and terms of our agreements with ACH clients.

We have obtained Principal Membership designation from Mastercard Europe and Visa Europe to offer merchant acquiring services to merchants in the European Union. With the Principal Membership of Visa and Mastercard, Paysafe is able to act as the acquiring bank. This means that we are solely responsible for the adherence to the rules and standards of these payment networks, and it enables us to route transactions under our own payment network licenses to authorize and clear transactions. Under our payment network licenses, we are allowed to perform funds settlement directly to merchants. In addition, our European payment processing business has similar relationships with sponsor banks in order to access other European payment networks.

Indirect and Direct Regulatory Requirements

Our sponsor banks and certain of our merchants are financial institutions that are directly subject to various regulations and compliance obligations issued by their regulators and in the countries in which they operate. While these regulatory requirements and compliance obligations do not apply directly to us, many of these requirements materially affect the services we provide to our clients and us overall. For example, many regulators require financial institutions to manage their third-party service providers, including us. In turn, we also have certain direct obligations to oversee our critical suppliers. Among other things, these requirements include performing appropriate due diligence when selecting third-party service providers; evaluating the risk management, information security, and information management systems of third-party service providers; imposing contractual protections in agreements with third-party service providers (such as performance measures, audit and remediation rights, indemnification, compliance requirements, confidentiality and information security obligations, insurance requirements and limits on liability); and conducting ongoing monitoring, diligence and audit of the performance of third-party service providers. Accommodating these requirements applicable to our clients imposes additional costs and risks in connection with our relationships with financial institutions. We expect to expend significant resources on an ongoing basis in an effort to assist our clients in meeting their legal requirements. Similarly, we need to work very closely with our third-party core processors who sit between us and the payments network in the payment cycle.

Unfair, Deceptive or Abusive Acts or Practices (“UDAAP”) and Other Consumer Protection Standards

We and many of our clients are subject to laws and regulations prohibiting unfair or deceptive acts or practices in jurisdictions around the world. In the United States, this includes Section 5 of the Federal Trade Commission Act (“FTCA”) and various state laws in the United States similar in scope and subject matter thereto. In addition, laws prohibiting these activities and other laws, rules and or regulations, including the Telemarketing Sales Rule, which gives effect to the Telemarketing and Consumer Fraud and Abuse Prevention Act, and the Telephone Consumer Protection Act, may directly impact the activities of certain of our clients, and in some cases may subject us, as the client’s payment processor or provider of certain services, to investigations, fees, fines and disgorgement of funds if we are deemed to have aided and abetted or otherwise provided the means and instrumentalities to facilitate the illegal or improper activities of a client through our services. In the UK, the FCA implements, maintains and enforces a range of rules covering (among other things) management and control, market conduct, communications, financial prudence, the fair treatment of customers and the protection of vulnerable customers. These rules are contained in various sources including the FCA handbook of Rules and Guidance and the Payment Services Regulations 2017 and apply to the regulated activities we carry out. Breach of these rules may result in fines, public censures, customer remediation and redress and ultimately in the revocation of our regulatory license. In addition, the Consumer Rights Act 2015 sets out a framework of statutory consumer protection measures, and protects consumers in almost all purchases they make, through enforcing that products and services are of satisfactory quality, fit for purpose and are as described before the purchase. In addition, and of particular relevance to our business, the Consumer Rights Act 2015 sets out a framework for the assessment of unfair terms in consumer contracts, including a list of terms which will always be considered to be unfair and those terms which may be considered unfair. These provisions apply to our terms of business, as well as to “consumer notices” which includes items such as marketing material and pre-contractual discussions with customers. Consumers have the right to challenge unfair contract terms, such as disproportionate fees and charges, terms which create a significant imbalance between a customer’s rights and ours, as terms which may exclude any statutory duties we owe. Additionally, the FCA enforces and oversees compliance with the Consumer Rights Act 2015 in relation to regulated firms. Breach of the Consumer Rights Act 2015 may result in contracts or certain terms being unenforceable, damages liability and/or regulatory action.

In Ireland, the CBI also implements, maintains and enforces a range of rules covering (among other things) market conduct, communications with customers, the safeguarding of users’ funds and the fair treatment of consumers and other vulnerable customers. These rules are contained in various sources including the Consumer Protection Code and the European Union (Payment Services) Regulations 2018 and apply to the regulated activities we carry out from Ireland across the EEA. Breach of these rules may result in fines, public censures, customer remediation and redress and ultimately in the revocation of our regulatory licenses in Ireland.

Various regulatory enforcement agencies in jurisdictions around the world, including the Federal Trade Commission and the states attorneys general in the United States, and the FCA in the UK, have authority to take action against payment processors who violate such laws, rules and regulations. To the extent we are processing payments or providing services for a client suspected of violating such laws, rules and regulations, we may face enforcement actions and, as a result, incur losses and liabilities that may adversely affect our business. In the absence of a Federal privacy law, the Federal Trade Commission in particular has prosecuted privacy misdemeanors under Section 5 of FTCA, which are also open to prosecution by the CFPB.

The CFPB has attempted to extend certain provisions of the Dodd-Frank Act that prevent the employment of unfair, deceptive or abusive practices to payment processors. Though there is still litigation and uncertainty involving the meaning of “abusiveness” under the Dodd-Frank Act and whether payment processing companies are subject to these provisions (and the extent of their application), these provisions may apply or be applicable to us in the future. UDAAPs could involve omissions or misrepresentations of important information to consumers or practices that take advantage of vulnerable consumers, such as elderly or low-income consumers. The CFPB has initiated enforcement actions against a variety of bank and non-bank market participants with respect to a number of consumer financial products and services that has resulted in those participants expending significant time, money and resources to adjust to the initiatives being pursued by the CFPB. Such enforcement actions may serve as precedent for how the CFPB interprets and enforces consumer protection laws, including UDAAAP, which may result in the imposition of higher standards of compliance with such laws and, as a result, limit, restrict or adversely affect our business of our business. The CFPB has indicated that it is considering whether future rulemaking may clarify the meaning of “abusiveness” under the Dodd-Frank Act UDAAAP rule, though the scope and content of any such future rulemaking (and the extent to which any such future rulemaking may affect our business) remains uncertain.

Anti-Money Laundering

We are subject to various anti-money laundering and counter-terrorist financing laws and regulations that prohibit, among other things, our involvement in transferring the proceeds of criminal activities. Facilitating financial transactions over the internet creates a risk of fraud. See “Item 3.D. Risk Factors—Risks Related to Our Business and Industry—Regulatory, Legal and Tax Risks—We must comply with money laundering regulations in Bermuda, the UK, Ireland, Switzerland, the United States, Canada and elsewhere, and any failure to do so could result in severe financial and legal penalties.” Applicable money laundering regulations require firms to put preventative measures in place and to perform KYC procedures, including conducting customer identification and verification and undertaking ongoing monitoring. In addition, regulations require companies to keep records of identity and to train their staff on the requirements of the relevant money laundering regulations. We are also subject to rules and regulations imposed by, amongst others, HM Treasury and OFAC, regarding watch lists published by such bodies restricting the transfer of funds to certain specifically designated countries. If we are not in compliance with U.S. or other anti-money laundering laws, we may be subject to criminal and civil penalties and other remedial measures, which could have an adverse effect on our business, results of operations, financial condition and cash flows. Any investigation of any potential violations of anti-money laundering laws by U.S. or international authorities could harm our reputation and could have a material adverse effect on our business, prospects, results of operations, financial condition and cash flows.

Our customers are resident in over 120 countries and territories. However, we believe that we do not conduct regulated activities in all of these jurisdictions. Rather, we conduct regulated activity in only a limited number of jurisdictions, and our wider customer base accesses our services online. We are subject to anti-money laundering regulation in Bermuda, the UK, Ireland, Switzerland, the United States and in any other jurisdiction, including other member states of the EEA, where we are established and performing activities that would require that we apply anti-money laundering regulation. Our merchants are subject to due diligence in accordance with our policies and procedures before acceptance and, subject to the below, we intend for all customers to be subjected to progressive, risk-based KYC procedures with levels of identity verification through a combination of screening, monitoring of activity patterns and transaction volumes surpassing pre-set limits (in accordance with applicable regulations in Europe, the UK and in North America). Our systems are designed to have all consumer transactions be subject to strict, real-time transaction monitoring. Certain of our products and services, such as paysafecard e-vouchers, are exempted from KYC regulations due to the low monetary value of the transactions. We have put into place procedures designed to mitigate money laundering risks in these circumstances, including (i) strict, real-time transaction monitoring on the use of the vouchers, (ii) certain limitations on spending and (iii) limiting the frequency of voucher issuance in respect of a single customer or through certain points of sale or distributors. We conduct additional due diligence and verification when we detect high risk or suspicious activity. As a result, we believe that we have the appropriate processes in place to comply with the anti-money laundering laws and regulations to which we are subject and will become subject.

Online Gambling Regulation

We do not provide gambling services and, as a result, in most jurisdictions outside of the United States, do not require any gambling licenses or associated regulatory permissions. Where any associated regulatory permission is required to supply merchants in this sector we work to ensure that we hold the appropriate permission. However, our Digital Wallet and eCash businesses offer an online alternative to traditional payment methods and a large proportion of the customers and merchants of those businesses are engaged in the use or provision of online gambling services.

For the year ended December 31, 2021, we derived approximately 36% of our revenue directly or indirectly from processing transactions for merchants and customers in the online gambling sector.

Given the importance of the online gambling sector to our business, we expend significant time and resources to ensure that we have an in-depth understanding of the regulatory environment in the main territories in which our gambling industry merchants operate and customers reside, monitoring closely the developing regulatory regimes in those territories and adapting our business acceptance policies

where necessary. Currently, we monitor legal and regulatory developments in all of our material markets closely and generally seek to keep abreast of legal and regulatory developments affecting the gambling industry as a whole. We adapt our regulatory policies and, therefore, the scope of our ongoing monitoring on the basis that an individual market's materiality to us may change. We have adopted a market presence policy that assesses a number of factors, including the legislative regime applicable to the relevant country, whether we have a presence in such country and the overall environment for online gambling activities in that country; we then consider whether any changes are required to the extent of our business activities in those countries. We also engage external counsel to conduct an assessment of our top 20 online gambling revenue producing countries to assist in our assessments of risk. However, we do not necessarily monitor, on a continuous basis, the laws and regulations in every jurisdiction where we facilitate payments for merchants or customers. See "Item 3.D. Risk Factors—Risks Related to Our Business and Industry—Regulatory, Legal and Tax Risks—Our business is subject to extensive regulation and oversight in a variety of areas, all of which are subject to change and uncertain interpretation, including in such ways as could criminalize certain of our activities."

The global online gambling market is characterized by regulatory inconsistencies across many jurisdictions and frequent changes in the laws and regulations governing online gambling. For instance, due to the borderless nature of online gaming and sports betting and foreign exchange trading, a merchant properly licensed in its home jurisdiction may still provide services to consumers in other jurisdictions, knowingly or unknowingly including in jurisdictions whose regulations are ambiguous or where gaming, sports betting and/or foreign exchange trading are prohibited. For example, the Latvian Financial and Capital Market Commission (the "Commission") notified us of their belief that we were in breach of Latvian law as a result of processing gambling payments between Latvian customers and gambling operators that do not have a local license. Following engagement with the Commission, we asserted that we were not in breach of Latvian law and currently have not received a response. See "Item 3.D. Risk Factors—Risks Related to Our Business and Industry—Regulatory, Legal and Tax Risks—We generate a significant portion of our revenue by processing online payments for merchants and customers engaged in the online gambling and foreign exchange trading sectors."

Risk Assessment Process

We have designed risk management systems to identify the geographic locations of our customers, identify the regulatory system to which such customers are subject and then determine whether such customers should be permitted to transact payments for online gambling through our system. Where we have made a decision for legal and/or policy reasons not to accept gambling transactions from customers in particular territories, we endeavor to implement those decisions rigorously using our risk management platform.

Before we accept business from merchants or customers for gambling activities, we are careful to assess the risk for us of accepting such business. Our determination as to whether or not to permit online gambling customers in a given jurisdiction to access our services is based on a number of factors. These factors include, among others, our understanding of:

- what licenses are held by our merchants and the strength of their legal position that the licenses permit their activities or that no license is required;
- the laws and regulations of the jurisdiction where the merchants and customers are located, interpreted in accordance with applicable law;
- the approach to the application or enforcement of such laws and regulations by regulatory and other authorities, including the approach of such authorities to the extraterritorial application and enforcement of such laws;
- the willingness of online gambling merchants and other e-money and/or payment processing businesses to offer their services for gambling purposes in a particular jurisdiction;
- the willingness of financial institutions in our network (principally banks and card payment companies) and our competitors to process funds in relation to online gambling by customers in a particular jurisdiction; and
- the potential for a challenge of a local licensing regime based on the Treaty of the Functioning of the European Union ("TFEU").

When the legal position is unclear, we will consider the above factors and make a decision whether to do business based on a review and weighting of the above factors. We re-evaluate our assessment of individual jurisdictions as required and the categorization applied and may change our view. For example, we consider planned changes to legislation or court judgments which may affect our categorization of any jurisdiction and our willingness to transact gambling payments for customers located there. Such reviews take place as soon as practicable after becoming aware of them and when a review can meaningfully be undertaken. These reviews comprise the solicitation of legal advice (and updated advice) as well as the assessment of market intelligence, which are then assessed and determined by our Market Presence Committee. Other gambling operators, regulators and other payments businesses and financial institutions may, however, take a different view of the legal environment in any particular jurisdiction. In this regard, we have created and used the following categories of classification for the Group:

•*Banned countries.* We currently regard seventeen countries and territories as “banned,” in respect of our services, as a result of certain factors but primarily geographic sanctions imposed by the U.S. Department of Treasury’s Office of Foreign Asset Control. Where we classify a market as banned, such as Cuba, Iran, Iraq, Libya, North Korea and Syria, we decline any customers in that market (irrespective of whether the end user intends to use the products and services for gambling) and customers resident in other countries should not be able to access their accounts when present in any of the banned countries. We have a policy in place to screen our customers upon customer account registration against the Specially Designated Nationals list published by OFAC and the HM Treasury sanctions list. Decisions to add or remove countries from our banned country list are taken on a country-by-country basis and we adopt a risk based approach when making such decisions and, among other things, will conduct an assessment of the legal environment.

•*Non-Serviced countries and territories.* We designate certain countries and territories as non-serviced, which could either mean we do not provide any of our services in that particular country or territory or that we do not provide payment services in relation to a particular industry such as online gambling in that country or territory. A decision to classify a country or territory or an industry as non-serviced is made after a careful analysis of business risks associated with such activity.

•*Limited service countries.* In certain countries we are prepared to provide payment services in relation to a particular industry but subject to certain requirements or restrictions (e.g., we accept online gambling business in these types of countries provided the merchant is licensed). Those countries have introduced regulations that permit online gambling merchants provided that they are licensed by the regulator in that country (as in Italy, France, UK and Spain). In some jurisdictions, we have also agreed not to support certain black-listed gambling operators after an assessment of the relevant regulatory regime.

•*Accepted markets.* Where the market is not classified as either banned, non-serviced or limited service, we categorize it as accepted and support processing payments in relation to online gambling from such jurisdictions. An example of an accepted market is a market in which an online gambling licensing regime has been implemented where we believe that the regime could be subject to challenge under EU law, such as where only a limited number of operators have been granted licenses or impediments exist in the application process for which there is no obvious market justification. We closely monitor the regulatory position in the major markets that we have categorized as accepted markets to ensure that the level of risk to us, our merchants and customers is acceptable. To implement this monitoring process, we have created an experienced team with in-depth industry knowledge, who take a number of measures in order to ensure that they are well placed to make decisions to accept or decline business in particular jurisdictions and to deploy our technology platform in order to best apply these decisions. These measures include taking specific legal advice, attending conferences and industry meetings, reviewing market studies on what banks and other payment processors do, exploring the regulatory position with others in the sector (including competitors and their own merchant base), and continually developing our technology platform in order to best implement our business acceptance policies. We augment this review with risk mitigation in ensuring that our operations, people and assets are not located in jurisdictions (even temporarily) where it is not clear that online gambling is legal.

In making the assessment for each relevant country, we will assess the risk in the market, the approach of our competitors and the likelihood of enforcement action being taken. We regularly review our categorization of jurisdictions of existing gambling merchants and customers as the regulatory environment within countries changes over time which may, along with a potential change in our attitude towards risk, result in us reconsidering our approach. It is also possible that, while our assessment of a jurisdiction may not change, enforcement action could still be taken against us and/or our executive officers or directors, depending upon the local laws in the relative jurisdiction. Although we have designed these systems with the intention of effectively assessing risk, our risk assessment processes may not always be effective. See “Item 3.D. Risk Factors—Risks Related to Our Business and Industry—We may become an unwitting party to fraud or be deemed to be handling proceeds resulting from the criminal activity of our customers.”

Regulatory Change: Trends and Outlook

Although the general trend in gambling regulation over the last ten years has been to seek to restrict the activities of online-based operators, in the EU this has generally resulted in a move towards controlled regulation, rather than absolute prohibition. For example, the regimes in Italy and France have both moved away from state-run monopoly-based markets to controlled regulation and Germany has moved from prohibition to controlled regulation. Not all regimes license all types of gambling products. Changes in the regulation of online gambling in the markets described above and elsewhere may impact us both positively (where the markets are liberalized or become regulated) and negatively (where markets are restricted or become prohibited). See “Item 3.D. Risk Factors—Risks Related to Our Business and Industry—Regulatory, Legal and Tax Risks—Our business is subject to extensive regulation and oversight in a variety of areas, all of which are subject to change and uncertain interpretation, including in such ways as could criminalize certain of our activities.”

Data Protection and Information Security

We process personal data, some of which may be sensitive, as part of our business and are subject to increasingly complex regulations related to privacy, data protection and information security in the jurisdictions in which we do business. Ensuring customer data security, privacy, and ongoing compliance with applicable regulations requires significant capital expenditure. Moreover, these regulations could result in negative impacts to our business. In the EU, we are also subject to enhanced compliance and operational requirements under the GDPR, which became effective in May 2018. The GDPR expands the scope of the EU data protection law to all foreign companies processing personal data of EU residents, imposes a strict data protection compliance regime with severe penalties of up to the greater of 4% of worldwide turnover or €20 million, and includes new rights such as the “portability” of personal data. Although the GDPR applies across the EU without a need for local implementing legislation, each EU member state has the ability to interpret the GDPR opening clauses, which permit country-specific data protection legislation and has created inconsistencies, on a country-by-country basis.

Since 2016, we have engaged in a large, transformative program regarding data privacy in connection with GDPR compliance requirements. However, policymakers around the globe are using these requirements as a reference to adopt new or updated privacy laws that could result in similar or stricter requirements in other jurisdictions. In the United States, the Gramm-Leach-Bliley Act of 1999 (along with its implementing regulations) restricts certain collection, processing, storage, use and disclosure of personal financial information, requires notice to individuals of privacy practices and provides individuals with certain rights to prevent the use and disclosure of certain nonpublic or otherwise legally protected information. These rules also impose requirements for the safeguarding and proper destruction of such information through the issuance of data security standards or guidelines. Within Canada, the Personal Information Protection and Electronic Documents Act (“PIPEDA”) law is under consultation review in order to align more closely to GDPR and ensure continuation of its adequacy status from the European Commission and the provincial Quebec privacy law is also currently in the process of amendment.

In addition, there are state laws in the United States governing the collection of personal information (including, as of January 1, 2020, the California Consumer Privacy Act of 2018 (the “CCPA”) and, as of March 2, 2021, the Virginia Consumer Data Protection Act (“VCDPA”), which will become effective January 1, 2023), including those restricting the ability to collect and use certain types of information such as Social Security and driver’s license numbers. The CCPA imposes stringent data privacy and data protection requirements for the data of California residents, and provides for penalties for noncompliance of up to \$7,500 per violation, if willful, and provides for a private right of action in the event of a data breach affecting specified personal information of California residents. Implementing regulations for the CCPA were released in August 2020, and on November 3, 2020, California voters approved a new law, the California Privacy Rights Act (“CPRA”). The CPRA expands the rights of consumers and establishes the California Privacy Protection Agency, providing the agency with investigative, enforcement and rule-making powers. Certain other state laws impose or are in the process of imposing similar privacy obligations, including the recently passed VCDPA. Certain other state laws impose similar privacy obligations as well and, in addition, all 50 states have laws with varying obligations to provide notification of security breaches of computer databases that contain personal information to affected individuals, state officers and others. Additionally, the use or generation of biometric data as an aid to fraud prevention is becoming increasingly regulated through a patchwork of laws in both the EU and across the United States, with a number of state laws now requiring consent to such use. See “Item 3.D. Risk Factors—Risks Related to Our Business and Industry—Regulatory, Legal and Tax Risks—We are subject to current and proposed regulation addressing both consumer and business privacy and data use, which could adversely affect our business, financial condition and results of operations.”

Intellectual Property and R&D

We rely upon a combination of copyrights, trade secrets, trademarks, license agreements, confidentiality policies and procedures, nondisclosure agreements and technical measures designed to protect the intellectual property and commercially valuable confidential information and data used in our business in jurisdictions around the world. We seek to protect our intellectual property rights by relying on applicable laws and regulations in the United States and internationally, as well as a variety of administrative procedures. We also rely on contractual restrictions to protect our proprietary rights when offering or procuring products and services. We have not applied for any patents in respect of our electronic payment processing systems and cannot give assurances that any patent applications will be made by us or that, if they are made, they will be granted. Additionally, it is possible that third parties, including our competitors, may obtain patents relating to technologies that overlap or compete with our technology. If third parties obtain patent protection with respect to such technologies, they may assert that our technology infringes their patents and seek to charge us a licensing fee or otherwise preclude us from using our technology.

The steps we have taken to protect our copyrights, trade secrets, trademarks and other intellectual property may not be adequate, and third parties could infringe, misappropriate or misuse our intellectual property. If this were to occur, it could harm our reputation and adversely affect our competitive position or results of operations.

We also license from third parties a variety of content, data and other intellectual property. Although we believe that alternative technologies and work-arounds are likely to be available should these agreements terminate or expire, there is no guarantee that third-party technologies will continue to be available to us on commercially reasonable terms or that work-arounds would be readily available

for deployment in a commercially reasonable time frame. See “Item 3.D. Risk Factors—Risks Related to Our Business and Industry—Regulatory, Legal and Tax Risks—We may not be able to adequately protect or enforce our intellectual property rights, or third parties may allege that we are infringing their intellectual property rights,” “Item 3.D. Risk Factors—Risks Related to Our Business and Industry—Regulatory, Legal and Tax Risks—Our use of open source software could compromise our ability to offer our products or services and subject us to possible litigation” and “Item 3.D. Risk Factors—Risks Related to Our Business and Industry—Regulatory, Legal and Tax Risks—If we fail to comply with our obligations under license or technology agreements with third parties, we may be required to pay damages and we could lose license rights that are critical to our business.”

Our total research and development expense for the year ended December 31, 2021 was \$8,574.

Competition

The global payments industry is highly competitive, rapidly changing, highly innovative and increasingly subject to regulatory scrutiny and oversight. We compete against a wide range of businesses, including businesses that are larger than we are, have a dominant and secure position, or offer other products and services to consumers and merchants that we do not offer, as well as smaller companies that may be able to respond more quickly to regulatory and technological changes than we can. We compete against all forms of payments, including credit and debit cards; automated clearing house and bank transfers; other online payment services, local alternative payment methods, and digital wallets; mobile payments; cryptocurrencies and distributed ledger technologies; and offline payment methods, including cash and check. We also compete against banks, merchant acquirers, and third-party payment processors, including Chase Merchant Services, Bank of America Merchant Services, Wells Fargo Merchant Services, U.S. Bank’s Elavon division, Fiserv, FIS, Global Payments, PayPal and Square. We compete primarily on the basis of brand recognition; distribution network and channel options; convenience; variety of payment methods; product and service offerings; customer service for both consumers and merchants; trust and reliability; speed; data protection and security; price; and innovation.

Employees

As of December 31, 2021, we had approximately 3,500 employees globally. None of these employees are represented by a labor union and we consider our relationship with our employees to be good.

We believe that our facilities are generally adequate for our current anticipated and future use, although we may from time to time lease additional facilities or vacate existing facilities as our operations require.

Seasonality

Our business is subject to seasonal influences. Our eCash and US Acquiring businesses historically experience increased activity during the traditional holiday periods and around other nationally recognized holidays. Our Digital Wallet and eCash businesses experience increased activity based on the occurrence and timing of major sporting events.

Legal Proceedings

We are, from time to time, party to general legal proceedings and claims, which arise in the ordinary course of business. We may be and in some cases have been subject to claims, lawsuits, government or regulatory investigations, subpoenas, inquiries or audits, and other proceedings involving areas such as online gambling regulation, intellectual property, consumer protection, privacy, data protection, labor and employment, immigration, import and export practices, product labeling, competition, accessibility, securities, tax, marketing and communications practices, commercial disputes, anti-money laundering, anti-corruption, counter-terrorist financing, sanctions and other matters.

On December 10, 2021, a class action complaint, Lisa Wiley v Paysafe Limited f/ka/Foley Trasimene Acquisition Corp. II, Richard N Massey, Bryan D. Coy, Philip McHugh and Ismail (Izzy) Dawood, was filed in the United States District Court for the Southern District of New York, naming among others the Company, our Chief Executive Officer and our Chief Financial Officer, as defendants. The complaint asserts claims, purportedly brought on behalf of a class of shareholders, under Sections 10(b) of the Securities Exchange Act of 1934, and Rule 10b-5 promulgated thereunder, and allege that the Company and individual defendants made false and misleading statements to the market regarding the Company’s financial outlook in light of gambling regulations in key European markets, performance challenges in the company’s Digital Commerce segment and the modified scope and timing of new eCommerce customer

agreements. In addition, the complaint asserts claims against the individual defendants, under Sections 20(a) of the Exchange Act, alleging that the individual defendants filed false financial statements, misled the public and induced the public to buy shares. On January 21, 2022, a related complaint was brought by John Paul O'Brien also in the Southern District of New York which additionally named William P. Foley II as a defendant. We expect these complaints to be consolidated. The complaints seek unspecified damages and an award of costs and expenses, including reasonable attorneys' fees, on behalf of a purported class of purchasers of our ordinary shares between December 7, 2020 and November 10, 2021.

We believe that the allegations contained in the complaint are without merit and intend to defend the complaint vigorously. We cannot predict at this point the length of time that this action will be ongoing or the liability, if any, which may arise therefrom.

While it is not possible to quantify the financial impact or predict the outcome of all pending claims and litigation, management does not anticipate that the outcome of any current proceedings or known claims, either individually or in aggregate, will have a material adverse effect upon our financial position, results of operations or cash flows.

A. Operating Results

Our Company

Paysafe is a leading, global pioneer in digital commerce with over \$122 billion in volume processed in 2021 and \$101 billion processed in 2020, generating \$1.5 billion and \$1.4 billion in revenue in 2021 and 2020, respectively. Our specialized, integrated payments platform offers the full spectrum of payment solutions ranging from credit and debit card processing to digital wallet, eCash and real-time banking solutions. The combination of this breadth of solutions, our sophisticated risk management and our deep regulatory expertise and deep industry knowledge across specialized verticals enables us to empower 14 million active users in more than 120 countries and over 250,000 SMBs to conduct secure and friction-less commerce across online, mobile, in-app and in-store channels. We also provide digital commerce solutions for specialized industry verticals, including iGaming (which encompasses a broad selection of online betting related to sports, e-sports, fantasy sports, poker and other casino games), gaming, digital goods, cryptocurrencies, travel and financial services, as well as US Acquiring solutions for SMBs and direct marketing clients.

We go to market, serve and support our clients through an omni-channel model that leverages our global reach and our B2B and B2C relationships. This enables us to manage and serve our clients through our network of offices around the world with strong knowledge of local and regional markets, customs and regulatory environments. We sell our solutions through a combination of direct and indirect sales strategies. We have a direct sales force of 80 associates who build and develop relationships with larger merchants and help them configure or develop digital and point-of-sale commerce solutions from our suite technology services. We sell our solutions online to smaller merchants using targeted marketing campaigns designed to address specific use cases across verticals, geographies and user profiles. We also leverage a network of partners, such as ISVs and independent sales organizations (“ISOs”), who integrate our solutions into their own services or resell our solutions by utilizing their own sales initiatives.

We operate across two business segments, which provide our digital commerce solutions to different end markets: our US Acquiring Segment and our Digital Commerce Segment.

In the fourth quarter of 2021, we revised our reportable segments, which are the same as our operating segments, as a result of a change in our Chief Operating Decision Maker (“CODM”) and how our CODM regularly reviews financial information to allocate resources and assess performance. Our new reportable segments are US Acquiring and Digital Commerce. The Company had historically operated, and was organized, as three separate segments, Integrated Processing, Digital Wallet and eCash Solutions. Digital Commerce includes the previous Digital Wallet and eCash Solutions segments along with Integrated eCommerce Solutions (“IES”) that was previously part of the Integrated Processing segment. The prior-year information has been restated to reflect this change.

US Acquiring: US Acquiring is marketed under the *Paysafe* and *Petroleum Card Services* brands. These solutions include a full range of PCI-compliant payment acceptance and transaction processing solutions for merchants and integrated service providers including merchant acquiring, transaction processing, gateway solutions, fraud and risk management tools, data and analytics, point of sale systems and merchant financing solutions, as well as comprehensive support services that we provide to our independent distribution partners.

Digital Commerce: Our Digital Commerce is marketed under multiple brand names including the *NETELLER*, *Skrill*, *Paysafecard*, *Paysafecash*, as well as a proprietary pay-by-bank solution marketed in Europe under the *Rapid Transfer* brand. *Skrill* and *NETELLER* remove friction from complex commerce situations and dramatically simplify the complexity of traditional payment mechanisms, such as card-based payments, enabling our active users to send, spend, store and accept funds online more easily. The *Paysafecard* and *Paysafecash* brands provide consumers with a safe and easy way to purchase goods and services online without the need for a bank account or credit card and allow merchants to expand their target market to include consumers who prefer to pay with cash. These solutions are available at 700,000 locations in 50 countries worldwide.

Trends and Factors Affecting Our Future Performance

Significant trends and factors that we believe may affect our future performance include the items noted below. For a further discussion of trends, uncertainties and other factors that could affect our operating results see the section entitled “Information on the Company – Business Overview” and “Risk Factors” in this Report.

Impact of COVID-19

The COVID-19 pandemic has disrupted the economy and put unprecedented strains on governments, health care systems, businesses and individuals around the world. The impact and duration of the COVID-19 pandemic are difficult to assess or predict. It is even more difficult to predict the impact on the global economic market, which will depend upon the actions taken by governments, businesses and other enterprises in response to the pandemic. The pandemic has caused, and is likely to result in further disruption of global financial markets and economic uncertainty. The pandemic has resulted in authorities implementing numerous measures to try to contain the COVID-19 pandemic, such as travel bans and restrictions, quarantines, shelter in place or total lock-down orders, and business limitations and shutdowns. Such measures have significantly contributed to rising unemployment and negatively impacted consumer and business spending.

On March 17, 2020, as a precautionary measure in order to increase our cash position and preserve financial flexibility in light of uncertainty in the global markets resulting from the COVID-19 pandemic, we borrowed \$216,000 under our Existing Revolving Credit Facility. We subsequently repaid all outstanding borrowings under our Existing Revolving Credit Facility during the period between August 17, 2020 and October 13, 2020. The extent to which COVID-19 impacts the Company’s future financial results will depend on future developments, which are highly uncertain and cannot be predicted, including new information that may emerge concerning the severity of COVID-19 and the actions taken by governments to curtail or treat its impact, including shelter in place directives, business limitations and shutdowns, travel bans and restrictions, loan payment deferrals (whether government-mandated or voluntary), moratoriums on debt collection activities and other actions, which, if imposed or extended, may impact the economies in which the Company now, or may in the future, operate. Adverse market conditions resulting from the spread of COVID-19 could materially adversely affect our business and the value of our shares.

Our merchants, particularly in industries most impacted by the COVID-19 pandemic, including the retail, restaurant, hotel, hospitality, consumer discretionary and travel industries and companies whose customers operate in impacted industries, may reduce or delay their technology-driven transformation initiatives, which could materially and adversely impact our business. Further, as a result of the COVID-19 pandemic, we have experienced, and may continue to experience, slowed growth or decline in new demand for our products and services and lower demand from our existing merchants for expansion within our products and services, as well as existing and potential merchants reducing or delaying purchasing decisions. These effects contributed in part to the impairment of intangible assets in the US Acquiring and Digital Commerce segments for the year ended December 31, 2020 of \$109,047 and \$21,373, respectively, and an increase in credit losses. While our Digital Commerce business is showing recovery specific to sporting events which have resumed, if the COVID-19 pandemic continues and authorities implement measures to contain the pandemic that have the effect of decreasing or halting altogether sporting events, our Digital Commerce business could be materially adversely affected. We have experienced, and may continue to experience, an increase in prospective merchants seeking lower prices or other more favorable contract terms and current merchants attempting to obtain concessions on the terms of existing contracts, including requests for early termination or waiver or delay of payment obligations, all of which has adversely affected and could materially adversely impact our business, results of operations and overall financial condition in future periods. Further, we may face increased competition due to changes to our competitors’ products or services, including modifications to their terms, conditions and pricing that could materially adversely impact our business, results of operations and overall financial condition in future periods.

While the current macroeconomic environment as a result of the COVID-19 outbreak has adversely impacted general consumer and merchant spending with a more pronounced impact on travel and events verticals, the spread of COVID-19 has also accelerated the shift from in-store shopping and traditional in-store payment methods (e.g., credit cards, debit cards, cash) towards e-commerce and digital payments and resulted in increased customer demand for safer payment and delivery solutions (e.g. contactless payment methods, buy online and pick up in store) and a significant increase in online spending in certain verticals that have historically had a strong in-store presence. Our Digital Commerce segment has benefited from these behavioral shifts, including a significant increase in net new active accounts and payments volume. The impact on the US Acquiring segment directly correlates with economic recoveries and contractions which we expect to continue. To the extent that consumer preferences revert to pre-COVID-19 behaviors as mitigation measures to limit the spread of COVID-19 are lifted or relaxed, our business, financial condition, and results of operations could be adversely impacted.

Additionally, diversion of management focus to address the impacts of the COVID-19 pandemic could potentially disrupt our operating plans. The extent and continued impact of the COVID-19 pandemic on our business will depend on certain developments, including: the duration and spread of the outbreak; government responses to the pandemic; the impact on our customers and our sales cycles; the

impact on customer, industry or employee events; and the effect on our partners, merchants and their customers, third-party service providers, customers and supply chains, all of which are uncertain and cannot be predicted.

Public company costs

As a result of the Transaction, we have started to incur additional costs associated with operating as a public company. We expect that these costs will include additional personnel, legal, consulting, regulatory, insurance, accounting, investor relations and other expenses that we did not incur as a private company. While at the time of this filing we qualify as a foreign private issuer under the Exchange Act, this status is subject to change pending our ability to qualify in the future. The Sarbanes-Oxley Act, as well as rules adopted by the SEC and national securities exchanges, requires public companies to implement specified corporate governance practices that have not been applicable to us as a private company. These additional rules and regulations will increase our legal, regulatory and financial compliance costs and will make some activities more time-consuming and costly.

Foreign currency impact

Our revenues and expenses are subject to changes in foreign currencies against the U.S. dollar which can impact our results of operations. It is difficult to predict the fluctuations of foreign currency exchange rates and how those fluctuations will impact our Consolidated Statements of Comprehensive Loss in the future. As a result of the relative size of our international operations, these fluctuations may be material.

Fair value gain / (loss) on warrant liabilities

The Company's warrants represent the right to purchase one share of the Company's common shares at a price of \$11.50 per share. The warrants were initially recorded as a liability at fair value on the closing date of the Transaction (March 30, 2021) as described in Note 2, *Reorganization and Recapitalization (the "Transaction")*, within Item 18, Financial Statements included elsewhere in this Report based on the public warrants listed trading price (NYSE: PSFE.WS) and are subsequently remeasured at the balance sheet date with the changes in fair value recognized within "Other income / (expense), net" within the Consolidated Statements of Comprehensive Loss. It is difficult to predict the fluctuations in public share price and how those fluctuations will impact our Consolidated Statements of Comprehensive Loss in the future. As a result of the number of warrants held, subsequent changes in fair value may result in a material gain or loss that is recognized in the Consolidated Statements of Comprehensive Loss.

Recent Company Initiatives and Events

Recent events

The Transaction was consummated on March 30, 2021, and on March 31, 2021 Paysafe Limited's common shares and warrants began trading on the NYSE under the symbols PSFE and PSFE.WS, respectively. Refer to Note 2, *Reorganization and Recapitalization (the "Transaction")*, within Item 18, Financial Statements included elsewhere in this Report for further information.

Recent acquisitions

During 2021, the Company completed the following acquisitions. These acquisitions were accounted for as business combinations and the operating results have been included in the Company's consolidated financial statements since the date of the acquisition. These acquisition were not considered material business combination individually, but were considered material in the aggregate.

- In March 2021, the Company completed the acquisition of International Card Services ("ICS") with the goal of furthering the expansion of US Acquiring in the United States as well as obtaining new merchants. The consideration transferred included cash and additional contingent consideration to be paid in future periods based on the achievement of earnings targets.
- In August 2021, the Company completed the acquisition of Orbis Ventures S.A.C. ("PagoEfectivo") with the goal of furthering the expansion of alternative payment methods in Latin America as well as creating additional revenue opportunities for the Digital Commerce segment. The consideration transferred included cash and deferred consideration.
- In August 2021, the Company also entered into a definitive agreement to acquire ViaFintech with the goal of furthering the expansion of alternative payment methods in the German market, as well as creating additional revenue opportunities for the Digital Commerce segment. The consideration transferred included cash and additional contingent consideration to be paid in future periods based on the achievement of earnings targets.

In August 2020, the Company completed the acquisition of Openbucks to accelerate the expansion of Digital Commerce in the United States as well as benefit from certain partnerships with retailers. The consideration transferred included cash and additional contingent consideration to be paid in future periods based on the achievement of earnings targets. The operating results of the acquisition have been included in the Company's consolidated financial statements since the respective date of acquisition. The effects of the business combination were not material to the Company's consolidated results of operations.

Refer to Note 14, *Business Combinations*, within Item 18, Financial Statements elsewhere in this Report for further information.

Recent dispositions

On October 5, 2020, the Company disposed of Payolution GmbH, a wholly owned subsidiary of the Company. The total consideration consists of cash consideration of \$47,098 paid upon completion of the disposition and contingent consideration, of which \$7,930 had been earned and paid prior to December 31, 2021. The remainder of the receivable is contingent upon the future financial performance of Payolution GmbH, as well as certain operational achievements. The remaining consideration for financial performance conditions will be due in the second quarter of the year ended December 31, 2022.

Components of Our Operating Results

Revenue

Revenue consists primarily of fees derived from transaction processing services through two main lines of business: US Acquiring and Digital Commerce. Substantially all of our US Acquiring revenue stream is earned by charging merchants processing fees for facilitating payment processing transactions. The Digital Commerce revenue streams are almost entirely derived from charging merchants fees for allowing payments on their platforms using our services or from charging customers on a transactional basis for using our services.

The Company's promise to stand ready to provide electronic payment services is not based on a specified number of transactions, but rather is a promise to process all the transactions needed each day. Therefore, we measure revenue for our payment service daily based on the services that are performed on that day. We recognize revenue net of taxes collected from customers. These taxes are subsequently remitted to governmental authorities.

Cost of services (excluding depreciation and amortization)

Cost of services (excluding depreciation and amortization) consists primarily of the cost of transaction processing systems through two main lines of business: US Acquiring and Digital Commerce. Cost of services (excluding depreciation and amortization) for US Acquiring consists primarily of merchant residual payments to our network of independent sales organizations, as well as other fees incurred by the Company in the processing of transactions. Cost of services (excluding depreciation and amortization) does not include interchange fees charged by the card issuing financial institutions and fees charged by payment networks in this segment, which are presented net within revenue. Cost of services (excluding depreciation and amortization) for Digital Commerce consists primarily of commission paid to distributors, and the costs to accept a customer's funding source of payment and subsequent withdrawals from the wallet. These costs include fees paid to payment processors and other financial institutions. These expenses exclude any depreciation or amortization, which is described below.

Selling, general and administrative

Selling, general and administrative consists primarily of employee related costs, including salaries and benefits, credit losses, information technology expenses and other administrative costs as noted below. Selling expenses are comprised of sales and marketing personnel-related costs, including salaries, and benefits. General and administrative expenses are comprised of expenses associated with operational and supporting personnel-related costs, including salaries and benefits, as well as credit losses on financial assets, corporate management, information technology, office infrastructure, external professional services and other activities.

Depreciation and amortization

Depreciation and amortization consist of depreciation and amortization expenses related to computer and communication equipment, furniture and equipment, right-of-use assets, leasehold improvements, acquired and internally developed software, customer relationships and other intangible assets. Research and development costs for software development projects are capitalized when it is probable that the project will be completed, and the software will be used to perform the function intended. These costs are amortized over their useful life.

Impairment expense on intangible assets

Impairment expense on intangible assets relates to loss on impairment of intangible assets.

Restructuring and other costs

Restructuring and other costs include acquisition costs related to the Company's merger and acquisition activity, restructuring costs, strategic transformation costs resulting from value creation initiatives following business acquisitions and professional consulting and advisory fees related to public company readiness activities. This includes certain professional advisory costs, office closure costs and resulting severance payments to employees.

Transaction costs that are incremental and directly attributable to an equity transaction are deferred and charged against the gross proceeds received upon completion of the equity transaction.

Gain on disposal of subsidiaries and other assets, net

On October 5, 2020, Skrill Capital UK Limited, an indirect subsidiary of the Company, disposed of 100% of the share capital of Payolution GmbH. The gain on disposal of subsidiaries recognized in 2020 relates to the gain on sale of Payolution GmbH.

On June 26, 2019, Paysafe Group Limited, an indirect subsidiary of the Company, disposed of 100% of the share capital of Paysafe UK GOLO Holdco Limited. The gain on disposal of subsidiaries relates to the gain on the sale of Paysafe UK GOLO Holdco Limited in 2019.

Other (expense)/income, net

Other (expense)/income, net consists primarily of foreign exchange gains and losses, capital raising costs, and fair value movement in contingent consideration receivable, derivative instruments and warrants.

Interest expense, net

Interest expense, net primarily consists of the interest associated with our outstanding debt obligations and the amortization of debt issuance costs.

Income tax (benefit)/expense

Income tax (benefit)/expense represents income taxes generated in the United Kingdom and numerous foreign jurisdictions. These foreign jurisdictions have different statutory tax rates than the United Kingdom. Our effective tax rates will vary depending on the relative proportion of foreign to domestic income, interest, penalties, changes in the valuation of our deferred tax assets and liabilities, changes in uncertain tax positions, and changes in tax laws.

Key Performance Indicators

We regularly monitor the following key performance indicators to evaluate our business and trends, measure our performance, prepare financial projections and make strategic decisions. We believe that these key performance indicators are useful in understanding the underlying trends in the Company's businesses.

There are limitations inherent in key performance indicators. Investors should consider any key performance indicator together with the presentation of our results of operations and financial condition under GAAP, rather than as an alternative to GAAP financial measures. These measures may not be comparable to other performance measures used by the Company's competitors.

Volume and Take Rate

Gross dollar volume is calculated as the dollar value of payment transactions processed by the Company. To reflect the distinct nature of our products across each segment, this includes, but is not limited to, the following:

- For US Acquiring: Credit card and debit card transactions
- For Digital Commerce: Deposits, withdrawals, transfers to merchants from consumers, transfers from merchants to consumers, wallet-to-wallet transfers, pre-paid Mastercard, and vouchers redeemed at merchants transactions

Volume (also known as gross dollar volume) is a meaningful indicator of our business and financial performance, as we typically generate revenue across our solutions based on per transaction fees that are calculated as a percentage of transaction dollar volume. In addition, volume provides a measure of the level of payment traffic we are handling for our consumers and merchants. Many marketing initiatives are focused on driving more volume, either through encouraging greater adoption of our payment products or increasing activity through existing merchants or consumers.

Take rate is calculated as operating segment revenue divided by gross dollar volume. Take-rate is a meaningful indicator of our business and financial performance as it describes the percentage of revenue collected by Paysafe on the volume of transactions processed. This is used by management as an indication of pricing or product mix trends over time rather than absolute pricing within each segment, due to the mix of product types and pricing agreements that will be in place with specific merchants. It will also factor in revenue from fees that are not directly linked to volume-based transactions, such as inactivity fees charged on dormant accounts.

The following table sets forth our gross dollar volume and take rate for the years ended December 31, 2021 and 2020:

		For the year ended December 31, 2021

(1) During 2021, we revised our methodology for calculating volumes. Prior periods have been adjusted to reflect this revised methodology for comparative purposes.

Non-GAAP Financial Measure

We report our financial results in accordance with GAAP, which includes the standards, conventions, and rules accountants follow in recording and summarizing transactions and in the preparation of financial statements. In addition to reporting financial results in accordance with GAAP, we have provided Adjusted EBITDA as a non-GAAP financial measure.

We include a non-GAAP measure in this Report because it is a basis upon which our management assess our performance and we believe it reflects the underlying trends and an indicator of our business. Although we believe the non-GAAP measure is useful for investors for the same reasons, the measure is not a substitute for GAAP financial measures or disclosures.

Our non-GAAP measure may not be comparable to other similarly titled measures used by other companies and has limitations as analytical tools and should not be considered in isolation or as a substitute for analysis of the operating results as reported under GAAP.

An explanation of the relevance of the non-GAAP measure, a reconciliation of the non-GAAP measure to the most directly comparable measure calculated and presented in accordance with GAAP is set out below. The non-GAAP measure has limitations in that it does not reflect all of the amounts associated with our results of operations as determined in accordance with GAAP. We do not regard the non-GAAP measure as a substitute for, or superior to, the equivalent measure calculated and presented in accordance with GAAP or the one calculated using a financial measure that is calculated in accordance with GAAP.

Adjusted EBITDA

Adjusted EBITDA is defined as net income/(loss) before the impact of income tax (benefit)/expense, interest expense, net, depreciation and amortization, share based compensation, impairment expense on intangible assets, restructuring and other costs, loss/(gain) on disposal of subsidiaries and other assets, net, and other (expense)/income, net. These adjustments include certain costs and transactions that are not reflective of the underlying operating performance of the Company. Management believes these adjustments improve the comparability of operating results across reporting periods.

For the year ended December 31, 2021, Adjusted EBITDA excludes the impact of share based compensation expense. No share based compensation expense was recognized for the years ended December 31, 2020 and 2019.

We use Adjusted EBITDA as our measure of segment profitability to assess the performance of our businesses. Additionally, we believe it is important to consider our profitability on a basis that is consistent with that of our operating segments. Adjusted EBITDA reported for our segments is not, however, considered a non-GAAP measure as it is presented in conformity with Accounting Standards Codification 280, *Segment Reporting*, and is excluded from the definition of a non-GAAP measure under the Securities and Exchange Commission's Regulation G and Item 10(e) of Regulation S-K. We believe that Adjusted EBITDA should be made available to securities analysts, investors and other interested parties to assist in their assessment of the performance of our businesses.

Despite the importance of this measure in analyzing our business, measuring and determining incentive compensation and evaluating our operating performance, as well as the use of Adjusted EBITDA by securities analysts, lenders and others in their evaluation of companies, Adjusted EBITDA has limitations as an analytical tool, and you should not consider it in isolation, or as a substitute for net income (loss) or other methods of analyzing our results as reported under GAAP. We do not use or present Adjusted EBITDA as a measure of liquidity or cash flow.

Some of the limitations of Adjusted EBITDA are:

- It does not reflect our cash expenditures or future requirements for capital expenditures or contractual commitments;
- It does not reflect changes in, or cash requirements for, our working capital needs;
- It does not reflect the interest expense or the cash requirements to service interest or principal payments on debt;
- It does not reflect income tax payments we are required to make;
- Although depreciation and amortization are non-cash charges, the assets being depreciated and amortized often will have to be replaced in the future and Adjusted EBITDA does not reflect any cash requirements for such replacements; and
- Other companies in our industry may calculate Adjusted EBITDA differently, limiting its usefulness as a comparative measure.

Revenue

Revenue increased by \$60,524, or 4.2%, to \$1,487,013 for the year ended December 31, 2021 from \$1,426,489 for the year ended December 31, 2020. The increase was driven by \$39,048, or 6.4%, additional revenue in our US Acquiring segment due to higher volumes driven by economic recovery in 2021 as a result of easing of COVID-19 related lockdowns and increased customer confidence, as well as an increase of \$21,476, or 2.6%, in our Digital Commerce segment mainly due to sports betting following the COVID-19 impact on sporting events in 2020. For further detail on our segments, see “Analysis by Segments” below.

Cost of services (excluding depreciation and amortization)

Cost of services (excluding depreciation and amortization) increased \$64,955, or 12.1%, to \$599,778 for the year ended December 31, 2021 from \$534,823 for the year ended December 31, 2020. The increase is largely attributable to an increase of \$56,912, or 21.0%, in our US Acquiring segment due to the increase in volume and revenue as noted above, coupled with an increase in fees paid to ISO partners because of a change in revenue mix, as well as an increase of \$8,043, or 3.1%, in our Digital Commerce segment due to the increase in revenue and volumes noted above.

Selling, general and administrative

Selling, general and administrative expenses increased \$79,210, or 17.0%, to \$545,107 for the year ended December 31, 2021 from \$465,897 for the year ended December 31, 2020. This movement is primarily driven by shared based compensation of \$101,770 as well as an increase in personnel-related costs of \$13,813 due to an increase in headcount resulting from investments in certain critical functions, such as risk, compliance, and finance. This increase is partially offset by a reduction in credit losses of \$39,115 due risk measures taken coupled with the disposition of PayLater GmbH in 2020 as well as lower sales taxes.

Depreciation and amortization

Depreciation and amortization decreased \$6,794, or 2.5%, to \$261,372 for the year ended December 31, 2021 from \$268,166 for the year ended December 31, 2020. This decrease was primarily attributable to the impact of the impairment on intangible assets recognized during the year-ended December 31, 2020 and 2021, partially offset by the impact of additions to intangible assets in the same period.

Impairment expense on intangible assets

Impairment expense on intangible assets increased by \$193,725, or 148.5%, to \$324,145 for the year ended, December 31, 2021 from \$130,420 for the year ended December 31, 2020. For the year ended December 31, 2021, a majority of the impairment expense relates to the Digital Commerce segment, as a result of decreased revenue associated with certain legacy merchant relationships as well as reduced future forecasted cash flows associated with these merchants. The reduction was due to changes in expected merchant mix resulting from new strategic initiatives within the segment. For the year ended December 31, 2020, the Company recognized an impairment loss for certain software development and customer relationships resulting from the deterioration in their forecasted cash flows, as well as higher than anticipated merchant and consumer attrition rates due, in part, to the impact of COVID-19 in both reportable segments.

Restructuring and other costs

Restructuring and other costs increased \$5,243, or 25.4%, to \$25,883 for the year ended December 31, 2021 from \$20,640 for the year ended December 31, 2020. The increase was primarily driven by acquisition costs for PagoEfectivo, ViaFintech and SafetyPay, coupled with additional costs triggered by the IPO event, resulting in a combined increase of \$9,673 compared with the year ended December 31, 2020. In addition, we undertook several restructuring projects across the group, during the year ended December 31, 2021, including the closure of the Calgary office and transfer of associated roles to the Sofia shared service center, resulting in an increase of \$3,807 compared with the year ended December 31, 2020. The increase was offset, in part, by a decrease in strategic transformation costs and Brexit and litigation spend.

Gain on disposal of subsidiaries and other assets, net

The Company did not incur any gain or loss on disposal of subsidiaries and other assets, net for the year ended December 31, 2021. Gain on disposal of subsidiaries and other assets, net was \$13,137 for the year ended December 31, 2020 which was related to the disposal of Payolution GmbH, an indirect subsidiary of the company.

Other income / (expense), net

Other income / (expense), net increased \$280,466, or 687.3%, to an income of \$239,661 for the year ended December 31, 2021 from an expense of \$40,805 the year ended December 31, 2020. The increase in other income / (expense), net was primarily driven by a fair value gain on the Company's warrant liabilities of \$222,611, as well as an increase in fair value gain on derivative financial instruments from a loss of \$22,463 to a gain of \$8,585 and an increase in foreign exchange gain/(loss) from a loss of \$19,280 to a gain of \$7,122.

Interest expense, net

Interest expense, net increased slightly by \$1,039, or 0.6%, to \$165,827 for the year ended December 31, 2021 from \$164,788 for the year ended December 31, 2020. The increase in interest expense, net was due to the acceleration of the amortization of capitalized debt issuance costs of \$62,262, resulting from the partial repayment of the Company's borrowings on March 31, 2021 and the release of capitalized debt fees on fully repaid loans in June 2021, as a result of debt refinancing. This was largely offset by the decrease in interest expense of \$60,129 as a result of the debt refinancing.

Income tax benefit

The income tax benefit was \$85,110 for the year ended December 31, 2021 compared to \$59,199 for the year ended December 31, 2020. This resulted in an effective tax rate of 43.5% for the year ended December 31, 2021 and 31.8% for the year ended December 31, 2020. The U.K. statutory tax rate will increase from 19% to 25% effective April 1, 2023. The change in the effective tax rate in 2021 compared to 2020 primarily arises as a result of non-taxable gains on warrants issued by Paysafe Limited, impact of adjustments relating to prior years and the impact of the UK statutory tax rate increasing from 19% to 25% effective from April 1, 2023. A reconciliation between the statutory income tax rate and the income tax (benefit) provision reported in the Consolidated Statements of Comprehensive Loss is summarized in Note 4, *Taxation*, within Item 18, Financial Statements included elsewhere in this Report.

Net loss

Net loss decreased by \$16,386, or 12.9%, to a net loss of \$110,328 for the year ended December 31, 2021 from a net loss of \$126,714 for the year ended December 31, 2020. This decrease in net loss was primarily driven by the increase in other (expense)/income and income tax benefit, partly offset by the increase in selling, general, and administrative and impairment expense on intangible assets and the decrease in gain on disposal of a subsidiary and other assets, net.

Non-GAAP financial measure

Adjusted EBITDA

Adjusted EBITDA for the Company increased by \$18,129, or 4.3%, to \$443,898 for the year ended December 31, 2021 from \$425,769 for the year ended December 31, 2020. This was driven by an increase in revenue and cost of services (excluding depreciation and amortization) as described above, as well as a decrease in credit losses of \$39,115, partially offset by increased personnel related cost of \$13,813. For further explanation on the year-over-year change on these financial statement line items, please refer to the commentary above in "Results of Operations."

A reconciliation of Net loss to Adjusted EBITDA is as follows for the years ended December 31, 2021 and 2020:

(1)As noted above, restructuring and other costs include acquisition costs related to the Company's merger and acquisition activity, restructuring costs, strategic transformation costs resulting from value creation initiatives following business acquisitions and professional consulting and advisory fees related to public company readiness activities. This includes certain professional advisory costs, office closure costs and resulting severance payments to employees. For the year ended December 31, 2021, restructuring costs amounted to \$10,647. Other costs primarily consisted of acquisition and IPO related costs. For the year ended December 31, 2020, restructuring and strategic transformation costs amounted to \$12,571. Other costs primarily consisted of advisory fees related to public company readiness activities as well as other advisory fees incurred on merger and acquisition activity and the Company's Brexit planning.

(2)As noted above, other (income)/expense, net, consists primarily of foreign exchange gains and losses, capital raising costs, and fair value movement in contingent consideration receivable, derivative instruments and warrants. Analysis by Segment

We operate in two operating segments: US Acquiring and Digital Commerce. Our reportable segments are the same as our operating segments. Adjusted EBITDA at the segment level is reported to the Chief Operating Decision Maker for purposes of making decisions about allocating resources to the segments and assessing their performance. Adjusted EBITDA of each operating segment includes the revenues of the segment less ordinary operating expenses that are directly related to those revenues and an allocation of shared costs. For this reason, Adjusted EBITDA, as it relates to our segments, is presented in conformity with Accounting Standards Codification 280, Segment Reporting, and is excluded from the definition of non-GAAP financial measures under the Securities and Exchange Commission's Regulation G and Item 10(e) of Regulation S-K.

The Company allocates shared costs to the two segments. Shared costs are the cost of people and other resources consumed in activities that provide a benefit across more than one segment. Shared costs are allocated to each segment primarily based on applicable drivers including headcount, revenue and Adjusted EBITDA.

US Acquiring

Revenue increased by \$39,048, or 6.4%, to \$649,764 for the year ended December 31, 2021 from \$610,716 for the year ended December 31, 2020. This increase was due to economic recovery in relation to COVID-19 and an associated increase in volumes year-on-year.

Adjusted EBITDA decreased by \$11,493, or 6.4%, to \$167,584 for the year ended December 31, 2021 from \$179,077 for the year ended December 31, 2020. This decrease in adjusted EBITDA was largely due to increased cost of services (excluding depreciation and amortization) of \$56,912 and increased personnel costs of \$5,250. The increased cost of services (excluding depreciation and amortization) was driven by the increase in volumes as noted above as well as an increase in fees paid to ISO partners due to changes in revenue mix. These increased costs were partially offset by the increase in revenue noted above and a reduction in credit losses of \$15,942.

Digital Commerce

Revenue increased by \$21,476, or 2.6%, to \$837,249 for the year ended December 31, 2021 from \$815,773 for the year ended December 31, 2020. This increase was primarily due to increased volumes year-on-year driven by the negative impact of COVID-19 on sports betting in 2020, partly offset by the negative impact of certain changes in regulatory requirements on the year ended December 31, 2021.

Adjusted EBITDA increased by \$32,084, or 10.0%, to \$351,384 for the year ended December 31, 2021 from \$319,300 for the year ended December 31, 2020. This increase was largely due to the increase in revenue noted above as well as a decrease in credit losses of \$23,173 due to the disposition of PayLater GmbH and lower legal and professional fees of \$6,711. These decreased costs were partially offset by an increase in personnel costs of \$18,889 and an increase in cost of services (excluding depreciation and amortization) of \$8,043 primarily driven by the increase in volume as noted above.

Corporate

Corporate Adjusted EBITDA comprising of corporate overhead decreased \$2,462, or 3.4% to a loss of \$75,070 for the year ended December 31, 2021 from a loss of \$72,608 for the year ended December 31, 2020. This change in Adjusted EBITDA was primarily driven by the directors and officers insurance subsequent to the Transaction as well as increase in corporate professional fees.

Seasonality

We have experienced in the past, and expect to continue to experience, seasonal fluctuations in our business. For instance, both of the Company's US Acquiring and Digital Commerce businesses historically experience increased activity during the traditional holiday period and around other nationally recognized holidays, when certain of our game's operators may run promotions, consumers enjoy more leisure time and younger consumers may receive our products as gifts. Our Digital Commerce experienced increased activity based

on the occurrence and timing of sporting events. Volatility in our revenue, key operating metrics or their rates of growth could result in fluctuations in our financial condition or results of operations.

Quantitative and Qualitative Disclosure about Market Risk

Our market risk includes the potential loss arising from adverse changes in foreign currency exchange rates and interest rates. We monitor risk exposures on an ongoing basis. The Company utilizes derivative financial instruments to manage interest rate risk on its variable rate debt facilities and term loans. The company does not apply hedge accounting for its derivative financial instruments.

Interest Rate Risk

We are exposed to interest rate risk relating to our borrowings and investment revenue. The Company actively manages interest rate risk through the use of interest rate swaps and caps. Interest rate swaps convert floating rates to fixed, and interest rate caps limit the potential impact of rising interest rates.

As of December 31, 2021, an increase of 100 basis points in interest rates offered on the bank borrowings would result in a \$18.2 million unfavorable impact on net loss and a decrease of 100 basis points would result in a \$18.2 million favorable impact on net earnings related to the Company's borrowings. Due to the interest rate floors within the Company's facility agreement of 0.5% on USD LIBOR and 0% on EURIBOR, we may not realize the benefit of a decrease of 100 basis points in the applicable interest rates.

As of December 31, 2020, an increase of 100 basis points in interest rates offered on the bank borrowings would result in a \$32.8 million unfavorable impact on net loss while a decrease of 100 basis points would result in a \$32.8 million favorable impact on net earnings related to the Company's borrowings. Due to the interest rate floors within the Company's facility agreement of 1% on USD LIBOR and 0% on EURIBOR, we may not realize the benefit of a decrease of 100 basis points in the applicable interest rates.

Foreign Currency Risk

We have global operations and trade in various foreign currencies, primarily the Great British Pound, Euro, Canadian Dollar, Norwegian Krone, Swiss Franc, Swedish Krona and Polish Zloty. In addition, we are exposed to currency risk associated with translating our functional currency financial statements into its reporting currency, which is the U.S. dollar. As a result, we are exposed to movements in the exchange rates of various currencies against the U.S. dollar.

We manage the exposure to currency risk by commercially transacting materially in U.S. dollars, Euros and Great British Pounds, the currencies in which we materially incur operating expenses. We limit the extent to which we incur operating expenses in other currencies, wherever possible, thereby minimizing the realized and unrealized foreign exchange gain/(loss). The currency of the Company's borrowings is in part matched to the currencies expected to be generated from the Company's operations. Intercompany funding is typically undertaken in the functional currency of the operating entities or undertaken to ensure offsetting currency exposures.

As of December 31, 2021, had the U.S. dollar strengthened by 1% in relation to all the other currencies, with all other variables held constant, the net assets of the Company would have decreased by \$2.3 million. A weakening of the U.S. dollar by 1% against the above currencies would have had an equal and opposite effect.

As of December 31, 2020, had the U.S. dollar strengthened by 1% in relation to all the other currencies, with all other variables held constant, the net assets of the Company would have decreased by \$12.5 million. A weakening of the U.S. dollar by 1% against the above currencies would have had an equal and opposite effect.

Credit Risk

Credit risk is the risk of financial loss if a consumer or merchant counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from our cash and cash equivalents, settlement receivables, restricted cash in respect to customer accounts, and trade receivables.

The Company is also exposed to potential losses from merchant-related chargebacks. A chargeback occurs when a dispute between a cardholder and a merchant, including a claim for non-delivery of the product or service by the merchant, is not resolved in favor of the merchant and the transaction is charged back to the merchant resulting in a refund of the purchase price to the cardholder. If the Company is unable to collect this chargeback amount from the merchant due to closure, bankruptcy or other reasons, the Company bears the loss for the refund paid to the cardholder. The risk of chargebacks is typically greater for those merchants that promise future delivery of goods and services rather than delivering goods or rendering services at the time of payment.

The cash and cash equivalents and restricted cash in respect to customer accounts are deposited with different banking partners with a variety of credit ratings. Credit exposures are regularly monitored and managed by the Group's Treasury function with oversight from the Group Safeguarding and Treasury Committee ("STC").

Settlement receivables primarily relate to receivables from third party payment institutions arising in both our US Acquiring and Digital Commerce businesses, as well as receivables from distribution partners arising in our Digital Commerce business. These receivables are closely monitored on an ongoing basis. The Digital Commerce business utilizes credit limits and insurance to limit its overall gross exposure to distribution partners.

Credit quality of a customer and distributor is assessed based on their industry, geographical location and financial background, with credit risk managed based on this assessment (i.e. trading limits, shortened payment period and/or requiring collateral, usually in the form of bank guarantees, insurance or cash deposits or holdbacks which can legally be claimed by the Group to cover unpaid receivables). Outstanding trade receivables are regularly monitored to flag any unusual activities such as chargebacks. Having a significant number of consumers and merchants across multiple geographies and industries helps mitigate the Group's exposure to concentration risk. Through the Group's global credit risk framework we forecast, under normal business conditions, the probability of the occurrence of credit events before they occur. Customer credit risk is managed by each business unit subject to our established customer credit risk management policies, procedures and controls.

Liquidity Risk

Liquidity risk is the risk that we may be unable to meet our financial obligations as they fall due. We control and monitor both cash levels and cash flow on a regular basis, including forecasting future cash flows. Our objective to managing liquidity is to ensure that, as far as possible, we always have sufficient liquidity to meet our liabilities as they become due.

In order to mitigate short-term liquidity risk and fund future merger and acquisition activity, we have a \$305,000 revolving credit facility available, from which we make draw downs and repayments throughout the period. The balance drawn on the new revolving credit facility as of December 31, 2021 was \$28,423. As of December 31, 2020, we had no draw downs on our former credit facility.

As of December 31, 2021 and 2020, the total principal amount of our external borrowings was \$2,794,108 and \$3,331,909. Subject to the limits contained in the credit agreements that govern our credit facilities, we may be able to incur substantial additional debt from time to time to finance working capital, capital expenditures, investments or acquisitions, or for other purposes. All interest and mandatory debt repayments were satisfied during the years ended December 31, 2021 and 2020.

Our key debt covenant governing these facilities is financial and is monitored monthly. Our primary financial covenant is to maintain a first lien debt ratio below 7.5x a Last Twelve Months EBITDA measure adjusted for certain items as stipulated in the company's facilities agreement. As of December 31, 2021 and 2020, the Company was in compliance with all financial covenants associated with its debt.

In addition, the Company is required to maintain minimum levels of liquidity within its regulated businesses within the United Kingdom and Ireland in accordance with our regulatory requirements. We monitor liquidity levels within our regulated entities on an ongoing basis, in accordance with our liquidity and capital adequacy assessment framework.

B. Liquidity and Capital Resources

Our primary sources of liquidity have been funds generated from operations, issuance of debt, the use of our revolving credit facilities and a line of credit. We assess our liquidity through an analysis of our working capital together with our other sources of liquidity. As of December 31, 2021 and 2020, we had \$313,439 and \$387,616 in cash and cash equivalents. Furthermore, we had \$276,577 available under our \$305,000 New Revolving Credit Facility as of December 31, 2021. We had \$225,000 available under our former Revolving Credit Facility as of December 31, 2020.

In connection with the Transaction, we underwent a series of transactions that impacted our financial position and overall liquidity profile. This included the cash consideration for the Pi Jersey acquisition of \$2,448,799, debt repayment of \$1,155,743 in connection with the Transaction and payment of transaction costs of \$151,722. These transactions were offset by the \$1,616,673 in net proceeds from the merger with FTAC and \$2,000,000 in proceeds from private placement ("PIPE Investment").

We have various contractual obligations in the normal course of our operations and financing activities. Our most significant contractual obligations relate to the principal outstanding amount of the Company's debts, including interest payments, and operating lease obligations. For further information on these contractual obligations, see Note 9, *Debt*, and Note 18, *Leases*, within Item 18, Financial Statements included elsewhere in this Report.

As discussed in Note 4, *Taxation*, within Item 18, Financial Statements as of December 31, 2021 the Company has \$16,744 of liabilities associated with uncertain tax positions in the various jurisdictions in which the Company conducts operations. Due to the uncertain and

complex application of the tax regulations, combined with the difficulty in predicting when tax audits throughout the world may be concluded, the Company cannot make precise estimates of the timing of cash outflows relating to these liabilities.

During the years ended December 31, 2021, 2020 and 2019, we did not have any off-balance sheet arrangements, as defined in Item 303(a)(4)(ii) of Regulation S-K, other than letters of credit and financial guarantee contracts entered into in the ordinary course of business.

In addition to our cash and cash equivalents on our Consolidated Statements of Financial Position, we expect to continue to generate cash from our normal operations as well as the ability to draw down on our credit facilities, disclosed below, as required. We believe that we have sufficient financial resources to fund our activities and execute our business plans during the next 12 months.

Debt

For further discussion regarding our debt facilities, refer to *Note 9, Debt*, within Item 18, Financial Statements.

Cash Flow

The following table presents the summary consolidated cash flow information for the period presented.

(U.S. dollars in thousands)	For the year ended December 31,	
	2021	2020
Net cash flows provided by operating activities	\$ 224,468	\$ 409,109
Net cash flows used in investing activities	(411,269)	(51,222)
Net cash flows provided by (used in) financing activities	483,281	(75,469)
Effect of foreign exchange rate changes	(88,614)	99,073
Increase in cash and cash equivalents, including customer accounts and other restricted cash	\$ 207,866	\$ 381,491

Comparison of Cash Flows

The Company's regulatory obligations include the requirement to safeguard customer funds that have been received either in exchange for electronic money ("e-money") issued or within the transaction settlement cycle to merchants. Such amounts are recorded in customer accounts and other restricted cash in our Consolidated Statements of Financial Position. The Company includes customer accounts and other restricted cash in the cash and cash equivalents balance reported in the Consolidated Statements of Cash Flows.

Operating Activities

Net cash flows provided by (used in) operating activities mainly consists of our net loss adjusted for non-cash items and movements in working capital.

Non-cash items usually arise as a result of timing differences between expenses recognized and actual cash costs incurred or as a result of other non-cash income or expenses. Non-cash items include: depreciation and amortization; unrealized foreign exchange gain/(loss); deferred tax (expense)/benefit; non-cash interest expense, net; other (expense)/income, net; impairment expense on intangible assets; provision for doubtful accounts and other; net gain on settlement of deferred and contingent consideration; gain/(loss) on disposal of subsidiaries and other assets, net; and non-cash lease expense.

Movements in working capital include the movements in: accounts receivable, net; prepaid expenses, other current assets and related party receivables; settlement receivables, net; accounts payable, other liabilities, related party payables; funds payable and amounts due to customers; and income tax payable. Movements in working capital are affected by several factors including the timing of month-end and transaction volume, especially for accounts receivable, net, settlement receivables, net, and funds payable and amounts due to customers.

The Company's regulatory obligations in the United Kingdom and Ireland include the requirement to safeguard customer funds that have been received either in exchange for electronic money ("e-money") issued or within the transaction settlement cycle to merchants. Such amounts are recorded as an asset in our Consolidated Statements of Financial Position, in customer accounts and other restricted cash which is presented as part of cash, cash equivalents, customer accounts and other restricted cash as reported in the Consolidated Statements of Cash Flows. As such, movements in customer accounts and other restricted cash are not presented as part of movements in working capital as described above.

The Company also has a corresponding liability to its customers recognized in our Consolidated Statements of Financial Position as funds payable and amounts due to customers, as well as settlement receivables, net, that represent timing differences in the Group's settlement process between the cash settlement of a transaction and the recognition of the associated liability. The movements in these account balances are presented as part of movements in working capital as described above.

The amounts of these balances in our Consolidated Statements of Financial Position as of December 31, 2021 and 2020 are summarized in the table below.

(U.S. dollars in thousands)	For the year ended December 31,	
	2021	2020
Customer accounts and other restricted cash	1,658,279	1,376,236
Settlement receivables, net of allowances for doubtful accounts	149,852	223,083
Funds payable and amounts due to customers	1,400,057	1,552,187

Net cash flows provided by operating activities decreased by \$184,641 to an inflow of \$224,468 for the year ended December 31, 2021 from an inflow of \$409,109 for the year ended December 31, 2020. The key reason for the decrease is due to the cash outflow from the movement in funds payable and amounts due to customers of \$95,890 for the year ended December 31, 2021, from an inflow of \$135,037 for the year ended December 31, 2020. As noted above, the corresponding amounts that have been received in respect of this liability are largely included in customer accounts and other restricted cash, which are not presented within net cash flows provided by operating activities.

For the year ended December 31, 2021, net cash flows provided by operating activities of \$224,468 primarily consists of a net loss of \$110,328 adjusted for non-cash items of \$461,045, largely driven by depreciation and amortization of \$261,372 and impairment expense on intangible assets of \$324,145, offset by other income, net of \$232,539. This was partly offset by cash outflows of \$126,249 in working capital mainly relating to movements in funds payable and amounts due to customers of \$95,890.

For the year ended December 31, 2020, net cash flows provided by operating activities of \$409,109 primarily consists of a net loss of \$126,714 adjusted for non-cash items of \$418,085, largely driven by depreciation and amortization of \$268,166, impairment expense on intangible assets of \$130,420, and cash inflows relating to movements in funds payable and amounts due to customers of \$135,037, settlement receivables, net of \$37,640 and prepaid expenses, other current assets and related party receivables of \$18,171. This was partly offset by movements in accounts receivable, net of \$46,493 and accounts payable, other liabilities, and other related party payables of \$27,767.

Investing Activities

Net cash used in investing activities increased \$360,047 to \$411,269 for the year ended December 31, 2021 from \$51,222 for the year ended December 31, 2020. This increase is primarily attributed to net cash outflow on acquisition of subsidiaries of \$263,520 for the year ended December 31, 2021, from an outflow of \$9,180 for the year ended 31 December, 2020. This is further driven by an increase in purchases of merchant portfolios and other intangible asset for the year ended 31 December, 2021, as well as a net cash inflow on disposal of subsidiaries of \$44,877 relating to the disposal of Payolution GmbH for the year ended 31 December, 2020.

Financing Activities

Net cash provided by / (used in) financing activities increased \$558,750 to an inflow of \$483,281 for the year ended December 31, 2021 from an outflow of \$75,469 for the year ended December 31, 2020. This increase primarily resulted from net cash inflow from reorganization and recapitalization, partially offset by the net impact of repayments of the Company's borrowing facilities, including its revolving credit facility. The net cash inflow from reorganization and recapitalization was \$1,167,874 for the year ended December 31, 2021. Borrowings and repayments on all facilities were \$3,562,112, and (\$4,033,206), respectively, for the year ended December 31, 2021 and \$624,348 and (\$690,221), respectively for the year ended December 31, 2020.

We believe that our current level of cash and borrowing capacity under debt facilities, together with future cash flows from operations will be sufficient to meet the needs of our existing operations and planned requirements for the foreseeable future.

Commitments and Contingencies

From time to time we enter into certain types of contracts that contingently require us to indemnify parties against certain categories of losses they might incur including as a result of third-party claims. The contracts primarily relate to: (i) certain bank sponsor agreements,

under which we may be required to provide indemnification to the bank in respect of losses they may incur as a result of processing card payments for relevant merchants; (ii) certain merchant and vendor agreements where we may be required to indemnify the merchant or vendor against any third party claims resulting from a violation of intellectual property rights or for any breach of the representations, warranties, obligations, or covenants in the agreement or against losses resulting from a data breach suffered by the Company; (iii) certain business purchase agreements, under which we may provide customary indemnification to the seller of the business being acquired; and (iv) certain real estate leases, under which we may be required to indemnify property owners for environmental and other liabilities, and other claims arising from our use of the applicable premises.

The terms of such obligations vary by contract and in most instances a specific or maximum dollar amount is not explicitly stated therein. Generally, amounts under these contracts cannot be reasonably estimated until a specific claim is asserted. Consequently, no liabilities have been recorded for these obligations on our Consolidated Statements of Financial Position for any of the periods presented.

We periodically become a party to litigation proceedings arising in the normal course of our business operations. The Company maintains liabilities for losses from legal actions that are recorded when they are determined to be both probable in their occurrence and can be reasonably estimated.

Additionally, the Company has contingent consideration payables associated with several historical acquisitions. Such contingent consideration payable was recognized at fair value on the acquisition date and is remeasured each reporting period. Amounts payable by the Company are contingent upon the achievement of certain financial performance targets. The Company also recognizes contingent consideration receivables associated with the disposal of a previous subsidiary. Such contingent consideration receivable was recognized at fair value on the acquisition date and is remeasured each reporting period. The contingent consideration to be received is based on the future distributable cash generated by the disposed subsidiary.

C. Research and Development, patents and licenses, etc.

For further discussion regarding research and development refer to Item 4.B. Information on the Company—Business Overview, and Note 1, *Basis of Presentation and Summary of Significant Accounting Policies*, within Item 18, Financial Statements.

D. Trend Information

Other than as disclosed elsewhere in this annual report, we are not aware of any trends, uncertainties, demands, commitments or events for the year ended December 31, 2021 that are reasonably likely to have a material and adverse effect on our net revenues, income, profitability, liquidity or capital resources, or that would cause the disclosed financial information to be not necessarily indicative of future results of operations or financial conditions

E. Critical Accounting Estimates

Our consolidated financial statements have been prepared in accordance with GAAP, which often require us to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenue, expenses, and related disclosures. We evaluate our critical estimates and assumptions on an ongoing basis. Our estimates are based on historical experience, current conditions and various other assumptions that we believe to be reasonable under the circumstances. Actual results may differ from these estimates under different assumptions or conditions.

The critical accounting estimates, assumptions, and judgments that we believe to have the most significant impact on our consolidated financial statements are described below.

Business Combinations

The valuation of assets acquired in a business combination requires the use of significant estimates and assumptions. The acquisition method of accounting for business combinations requires us to estimate the fair value of assets acquired and liabilities assumed to properly allocate purchase price consideration between assets that are amortized and goodwill. Although we believe the assumptions and estimates we have made are reasonable, they are based in part on historical experience, market conditions and information obtained from management of the acquired companies and are inherently uncertain. Examples of critical estimates in valuing acquired assets and assumed liabilities include but are not limited to:

- Future expected cash flows;
- Historical and expected customer attrition rates and anticipated growth in revenue from acquired customers;
- Expected use of acquired assets; and
- Discount rates

When a business combination involves contingent consideration, we record a liability for the estimated cost of such contingencies when expenditures are probable and reasonably estimable. A significant amount of judgment is required to estimate and quantify the potential liability in these matters. We engage outside experts as deemed necessary or appropriate to assist in the calculation of the liability, however management is responsible for evaluating the estimate. We measure our contingent liabilities at fair value on a recurring basis using significant unobservable inputs classified within Level 3 of the fair value hierarchy. We reassess the estimated fair value of the contingent consideration each financial reporting period over the term of the arrangement. Any resulting changes identified subsequent to the measurement period are recognized in earnings and could have a material effect on our results of operations. In the current year, the Company completed three business combinations resulting in \$129,036 of intangible asset additions and \$216,120 of goodwill.

Revenue Recognition

Application of the accounting principles in GAAP related to the measurement and recognition of revenue requires us to make judgments and estimates. Complex arrangements with nonstandard terms and conditions may require significant contract interpretation to determine the appropriate accounting.

An area of significant judgment for the Company is the determination of the principal agent consideration. For the Company's US Acquiring segment, the Company has concluded that its promise to customers to provide payment services is distinct from the services provided by the card issuing financial institutions and payment networks in connection with payment transactions. The Company does not have the ability to direct the use of and obtain substantially all the benefits from the services provided by the card issuing financial institutions and payment networks before those services are transferred to the customer. As a result, the Company presents revenue for its US Acquiring segment net of the interchange fees charged by the card issuing financial institutions and the fees charged by the payment networks.

Another area of significant judgment involves determining whether goods and services are considered distinct performance obligations that should be accounted for separately, or together as one performance obligation. The primary services offered by the Company to its customers comprise a series of distinct performance obligations that are substantially similar with the same pattern of transfer. Hence, these services are considered a single performance obligation and revenue is recognized as the Company satisfies its performance obligation by transferring control over the service to a customer.

Allowance for credit losses

The Company has exposure to credit losses for financial assets including customer accounts and other restricted cash, settlement receivables, accounts receivable, and financial guarantee contracts to the extent that a chargeback claim is made against the Company directly or to the Company's merchants on card purchases.

We utilize a combination of aging and probability of default methods to develop an estimate of credit losses, depending on the nature and risk profile of the underlying asset pool. A broad range of information is considered in the estimation process, including historical loss information adjusted for current conditions and expectations of future trends. The estimation process also includes consideration of qualitative and quantitative risk factors associated with the age of asset balances, expected timing and probability of default, loss given default, exposure at default, merchant risk profiles, and relevant macro-economic factors. Determining the appropriate current expected credit loss allowance is an inherently uncertain process requiring significant judgment and ultimate losses may vary from the current estimates. More specifically, a significant change in the estimate of the probability of default or loss given default for financial guarantee contracts could result in a material change to the allowance. While there has not been a significant change in assumptions during the year, the allowance for credit losses and associated credit loss expense has declined due to factors described in further detail in Note 8, *Allowance for credit losses*, of Item 18, Financial Statements.

Income Taxes

We are subject to income tax in most of the jurisdictions in which we operate. Management is required to exercise significant judgment in determining our provision for income taxes. The provision for income taxes is determined taking into account guidance related to uncertain tax positions. Judgment is required in assessing the timing and amounts of deductible and taxable items. Deferred tax assets are amounts available to reduce income taxes payable on taxable income in future years and are initially recognized at enacted tax rates. To the extent deferred tax assets are not expected to be realized, we record a valuation allowance. Recognized income tax positions are measured at the largest amount that has a greater than 50% likelihood of being realized upon settlement. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs.

Although we believe that we have adequately reserved for our uncertain tax positions, we can provide no assurance that the final tax outcome of these matters will not be materially different. We make adjustments to these reserves when facts and circumstances change, such as the closing of a tax audit or the refinement of an estimate. To the extent that the final tax outcome of these matters is different than the amounts recorded, such differences may affect the provision for income taxes in the period in which such determination is made and could have a material impact on our financial condition and results of operations.

Goodwill

Goodwill is tested for impairment at least annually at the reporting unit level by first performing a qualitative assessment to determine whether it is more likely than not that the fair value of the reporting unit is less than its carrying value. If the reporting unit does not pass the qualitative assessment, then quantitative assessment is performed to compare the reporting unit's carrying value to its fair value. Alternatively, we are permitted to bypass the qualitative assessment and proceed directly to performing the quantitative assessment. Goodwill is considered impaired if the carrying value of the reporting unit exceeds its fair value. The fair value of the reporting unit is based on a discounted cash flow model involving several assumptions which require significant judgment.

The key assumptions include cash flow growth, discount rate and exit multiples. Cash flow growth is based on management estimates of future outcomes considering past experience and market participant assumptions. The exit multiples are determined based on comparable companies' transaction multiples and discounted based on business-specific considerations. Discount rate assumptions are based on determining a cost of debt and equity, followed by an assessment as to whether there are risks not adjusted for in the future cash flows of the respective reporting unit. The impairment test results are corroborated by comparing to an alternative market approach.

The estimated fair value of each reporting unit exceeded its carrying value as of the latest goodwill impairment test date. The reporting units with a fair value not substantially in excess of their carrying value included US Acquiring (within the US Acquiring segment), IES and Digital Wallet (within the Digital Commerce segment), which had goodwill balances of \$1,525,135, \$271,456, and \$1,005,699, respectively as of December 31, 2021. The percentage by which the fair value of the US Acquiring, IES and Digital Wallet reporting units exceeded the carrying value is 14%, 17%, and 12%, respectively based on the most recent goodwill impairment analysis performed.

Changes in assumptions or circumstances, including increases in the discount rate, decreases in the exit multiple or a sustained decline in our stock price, could result in a material impairment of goodwill in future periods. A 1% increase in the discount rate would reduce the excess fair value within the US Acquiring, IES and Digital Wallet reporting units to 10%, 12% and 7%, respectively. A 1x decrease in the exit multiple would reduce the excess fair value within the US Acquiring, IES and Digital Wallet reporting units to 8%, 10% and 6%, respectively.

Finite-lived Intangible Assets

We regularly review finite-lived intangible assets, such as brands, computer software and customer relationships, for impairment. If events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable and the expected undiscounted future cash flows attributable to the asset are less than the carrying amount of the asset, an impairment loss equal to the excess of the asset's carrying value over its fair value is recorded.

Fair values are determined based on a discounted cash flow analysis. Assumptions and estimates about future values and remaining useful lives are complex and often subjective. They can be affected by a variety of factors, including industry and economic trends, and internal factors such as changes in our business strategy and our internal forecasts. Key assumptions often include revenue growth rate, EBITDA margin, attrition rates, royalty rates, estimated useful-lives and discount rates. These valuations are considered to be Level 3 in the fair value hierarchy due to the inputs often being unobservable.

For the years ended December 31, 2021 and 2020, intangible asset impairments of \$324,145 and \$130,420 were recognized within the US Acquiring and Digital Commerce segments. Failure to achieve expected cash flows due to higher than estimated attrition, obsolescence or other factors may result in additional material impairments of intangible assets in future periods.

Litigation provision

Through the normal course of the Company's business, the Company is subject to a number of litigation proceedings both brought against and brought by the Company. The Company maintains liabilities for losses from legal actions that are recorded when they are determined to be both probable in their occurrence and can be reasonably estimated.

The Company vigorously defends its position on all open cases, including any litigation that arises as a result of the cyber breach that occurred in November 2020. While the Company considers a material outflow for any one individual case unlikely, it is noted that there is uncertainty over the final timing and amount of any potential settlements. These claims require management judgment in the assessment of the potential outcome and the impact on the Company's assets and liabilities. The actual outcome of these claims or liabilities could materially differ to management judgments.

Recently issued accounting pronouncements that may be relevant to our operations but have not yet been adopted are outlined in Note 1, *Basis of Presentation and Summary of Significant Accounting Policies*, within Item 18, Financial Statements appearing elsewhere in this Report.

In addition, certain directors may receive one-time grants upon joining the Board. The aggregate compensation paid to non-executive directors in 2021 was \$3,035,237. In addition, all of our directors receive reimbursement for all reasonable and properly documented expenses.

For the year ended December 31, 2021, our senior management team consisted of Philip McHugh, Ismail Dawood, Danny Chazonoff, Udo Mueller, Elliott Wiseman, Nick Walker, Roy Aston, Richard Swales, Chi Eun Lee, Afshin Yazdian, Paulette Rowe, Zak Cutler (as of August 2, 2021) and Chirag Patel (as of September 1, 2021). The Cash compensation for our senior management team in 2021 consisted of aggregate base salary of \$4,966,425. The description below provides detail on the equity grants.

Annual Bonus Program

The Executive Short-Term Bonus Program is an incentive program based on the achievement of performance targets which are measured over a one-year period. Performance targets are based on group and business unit financial metrics, Revenue and Adjusted EBITDA, and individual goals. The bonus program is intended to strengthen the connection between individual compensation and Company success, reinforce our pay-for-performance philosophy by awarding higher bonuses to higher performing executives and help ensure that our compensation is competitive. Under the terms of the performance bonus program, the Compensation Committee will approve the final bonus pay-out based on the achieved objectives.

The annual target level is determined as a percentage of the base salary. In 2021, the Compensation Committee chose to award the annual incentive program in the form of a Performance-Based Restricted Stock Unit under the Omnibus Incentive Plan, as described below, with a performance period of January 1, 2021 to December 31, 2021. In aggregate the value of these awards granted in 2021 was \$4,342,807 .

The Compensation Committee determines if the bonus is to be paid at target, under target or above target for the CEO, and approves the CEO's proposal for the remaining Executive Management members. Depending on achieved performance, the incentive can be paid above or below target depending on performance to targets.

Long-Term Incentive Program

Prior to filing the S-8 Registration Statement on June 1, 2021, the Compensation Committee met several times to discuss the long-term incentive program of the Company for the executives and other employees under the Omnibus Incentive Program. After careful consideration, the Compensation Committee approved the granting of one-half of target grant values granted in the form of time-based restricted stock units vesting equally over a three-year period. The remaining one-half of the grant value was granted in performance-based restricted stock units that would be subject to vest at the end of a three-year performance period. The Long-Term Incentive Program was created to align the interests of executives with the interests of our shareholders while also allowing for a more longer-term focus on key business objectives.

The annual grant value target level of the long-term incentive program is determined as a percentage of target earnings, or base salary plus the annual incentive at target level payout. With Management's recommendations, the Compensation Committee shall determine the approved program parameters related to the grant value allocation, vesting, the conditions and deadlines for the exercise thereof, and any retention periods or conditions of expiration. It may provide that, contingent upon the occurrence of certain events determined in advance, such as a change in control or the termination of an employment relationship, that the conditions and deadlines for the exercise of rights, or retention periods, or vesting conditions are to be shortened or cancelled, that remuneration is to be paid based on an assumption of the achievement of target values, or that remuneration is to be forfeited. Long term variable compensation may be awarded in the form of restricted shares units, stock options or equivalent instruments or units.

In addition to the annual Long-Term Incentive Program, the Compensation Committee also approved the creation of a Founder's Grant for select executive and employees. The purpose of this program was to provide a significant retention incentive as well as a recognition for high performance leading up to going public on the NYSE. This award was granted in the form of restricted share units with a three-year graded vesting schedule.

In aggregate, the value of the long-term incentive awards granted to executives is equal to \$17,181,420 for the year ended December 31, 2021. In addition, executives received a one-time award as a "Founder's Grant" with a total grant value of \$25,267,552.

In addition to creating the Paysafe Long-Term Incentive program, we also implemented a Stock Ownership Guideline program that consists of executives holding ownership of Paysafe equity ranging from 1x to 5x depending on the level of the executive.

Retirement Programs

We utilize defined contribution pension plans in accordance with the local conditions and practices in the countries in which we operate.

The purpose of the Omnibus Incentive Plan is to provide a means through which to attract and retain key personnel and to provide a means whereby our directors, officers, employees, consultants and advisors can acquire and maintain an equity interest in us, or be paid incentive compensation, including incentive compensation measured by reference to the value of Company Common Shares, thereby strengthening their commitment to our welfare and aligning their interests with those of our shareholders.

Eligibility. Eligible participants are any (i) individual employed by the Company or any of its subsidiaries, which shall be collectively referred to herein as the "Company Group"; provided, however, that no employee covered by a collective bargaining agreement will be eligible to receive awards under the Omnibus Incentive Plan unless and to the extent that such eligibility is set forth in such collective

bargaining agreement or in an agreement or instrument relating thereto; (ii) director or officer of any member of the Company Group; or (iii) consultant or advisor to any member of the Company Group who may be offered securities registrable pursuant to a registration statement on Form S-8 under the Securities Act, who, in the case of each of clauses (i) through (iii) above, has entered into an award agreement or who has received written notification from the Compensation Committee (as defined below) or its designee that they have been selected to participate in the Omnibus Incentive Plan. As of the date of this registration statement, there were approximately 3,300 such persons eligible to participate in the programs to be approved under the Omnibus Incentive Plan.

Administration. The Omnibus Incentive Plan will be administered by the compensation committee of the Company's Board, or such other committee of the Company's Board to which it has properly delegated power, or if no such committee or subcommittee exists, the Company's Board (such administering body referred to herein, for purposes of this description of the Omnibus Incentive Plan, as the "Committee"). Except to the extent prohibited by applicable law, the Compensation Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any person or persons selected by it in accordance with the terms of the Omnibus Incentive Plan. The Compensation Committee is authorized to: (i) designate participants; (ii) determine the type or types of awards to be granted to a participant; (iii) determine the number of Company Common Shares to be covered by, or with respect to which payments, rights or other matters are to be calculated in connection with, awards; (iv) determine the terms and conditions of any award; (v) determine whether, to what extent and under what circumstances awards may be settled in, or exercised for, cash, Company Common Shares, other securities, other awards or other property, or canceled, forfeited or suspended and the method or methods by which awards may be settled, exercised, canceled, forfeited or suspended; (vi) determine whether, to what extent, and under what circumstances the delivery of cash, Company Common Shares, other securities, other awards, or other property and other amounts payable with respect to an award will be deferred either automatically or at the election of the participant or of the Compensation Committee; (vii) interpret, administer, reconcile any inconsistency in, correct any defect in, and/or supply any omission in the Omnibus Incentive Plan and any instrument or agreement relating to, or award granted under, the Omnibus Incentive Plan; (viii) establish, amend, suspend, or waive any rules and regulations and appoint such agents as the Compensation Committee may deem appropriate for the proper administration of the Omnibus Incentive Plan; (ix) adopt sub-plans; and (x) make any other determination and take any other action that the Compensation Committee deems necessary or desirable for the administration of the Omnibus Incentive Plan. Unless otherwise expressly provided in the Omnibus Incentive Plan, all designations, determinations, interpretations and other decisions under or with respect to the Omnibus Incentive Plan or any award or any documents evidencing awards granted pursuant to the Omnibus Incentive Plan are within the sole discretion of the Compensation Committee, may be made at any time, and are final, conclusive and binding upon all persons or entities, including, without limitation, us, any participant, any holder or beneficiary of any award and any of the Company's shareholders.

Awards Subject to the Omnibus Incentive Plan. The Omnibus Incentive Plan provides that the total number of Company Common Shares that may be issued under the Omnibus Incentive Plan is 126,969,054, or the "Absolute Share Limit"; provided, however, that the Absolute Share Limit shall be increased on the first day of each fiscal year beginning with the 2022 fiscal year in an amount equal to the least of (x) 63,484,527 Company Common Shares, (y) 7.5% of the total number of Company Common Shares outstanding on the last day of the immediately preceding fiscal year, and (z) a lower number of Company Common Shares as determined by the Company's Board. Of this amount, the maximum number of Company Common Shares for which incentive share options may be granted is 126,969,054. Except for "Substitute Awards" (as described below), to the extent that an award expires or is canceled, forfeited, terminated, settled in cash, or otherwise is settled without issuance to the participant of the full number of Company Common Shares to which the award related, the unissued shares will again be available for grant under the Omnibus Incentive Plan. Company Common Shares withheld in payment of the exercise price, or taxes relating to an award, and shares equal to the number of shares surrendered in payment of any exercise price, or taxes relating to an award, shall be deemed to constitute shares not issued; provided, however, that such shares shall not become available for issuance if either: (i) the applicable shares are withheld or surrendered following the termination of the Omnibus Incentive Plan or (ii) at the time the applicable shares are withheld or surrendered, it would constitute a material revision of the Omnibus Incentive Plan subject to shareholder approval under any then-applicable rules of the national securities exchange on which the Company Common Shares are listed. No award may be granted under the Omnibus Incentive Plan after the tenth anniversary of the Effective Date (as defined in the Omnibus Incentive Plan), but awards granted before then may extend beyond that date. Awards may, in the sole discretion of the Compensation Committee, be granted in assumption of, or in substitution for, outstanding awards previously granted by an entity directly or indirectly acquired by the Company or with which the Company combines, or Substitute Awards, and such Substitute Awards will not be counted against the Absolute Share Limit, except that Substitute Awards intended to qualify as "incentive share options" will count against the limit on incentive share options described above.

Grants. All awards granted under the Omnibus Incentive Plan will vest and become exercisable in such manner and on such date or dates or upon such event or events as determined by the Compensation Committee, including, without limitation, attainment of Performance Conditions. For purposes of this annual report, "Performance Conditions" means specific levels of performance of any member of the Company Group (and/or one or more of its divisions or operational and/or business units, product lines, brands, business segments, administrative departments, or any combination of the foregoing), which may be determined in accordance with GAAP or on a non-GAAP basis on, without limitation, the following measures: (i) net earnings, net income (before or after taxes), adjusted net income after capital charges or consolidated net income; (ii) basic or diluted earnings per share (before or after taxes); (iii) net revenue or net revenue growth; (iv) gross revenue or gross revenue growth, gross profit or gross profit growth; (v) net operating profit (before

Any one or more of the aforementioned performance criteria may be stated as a percentage of another performance criteria, or used on an absolute or relative basis to measure the performance of one or more members of the Company Group as a whole or any divisions or operational and/or business units, product lines, brands, business segments, or administrative departments of the applicable member of the Company Group or any combination thereof, as the Compensation Committee may deem appropriate, or any of the above performance criteria may be compared to the performance of a selected group of comparison companies, or a published or special index that the Compensation Committee, in its sole discretion, deems appropriate, or as compared to various stock market indices.

Options. Under the Omnibus Incentive Plan, the Compensation Committee may grant non-qualified share options and incentive share options with terms and conditions determined by the Compensation Committee that are not inconsistent with the Omnibus Incentive Plan; provided, that all share options granted under the Omnibus Incentive Plan are required to have a per share exercise price that is not less than 100% of the fair market value of the Company Common Shares underlying such share options on the date such share options are granted (other than in the case of options that are Substitute Awards), and all share options that are intended to qualify as "incentive stock options" must be granted pursuant to an award agreement expressly stating that the options are intended to qualify as "incentive stock options," and will be subject to the terms and conditions that comply with the rules as may be prescribed by Section 422 of the Code. The maximum term for share options granted under the Omnibus Incentive Plan will be ten years from the initial date of grant, or with respect to any share options intended to qualify as "incentive stock options," such shorter period as prescribed by Section 422 of the Code. However, if a non-qualified share option would expire at a time when trading of the Company Common Shares is prohibited by the Company's insider trading policy (or "blackout period" imposed by us), the term will automatically be extended to the 30th day following the end of such period. The purchase price for the Company Common Shares as to which a share option is exercised may be paid to us, to the extent permitted by law (i) in cash, check, cash equivalent and/or Company Common Shares valued at the fair market value at the time the option is exercised; provided, that such Company Common Shares are not subject to any pledge or other security interest and have been held by the participant for at least six months (or such other period as established from time to time by the Compensation Committee in order to avoid adverse accounting treatment applying generally accepted accounting principles or (ii) by such other method as the Compensation Committee may permit in its sole discretion, including, without limitation: (a) in other property having a fair market value on the date of exercise equal to the exercise price, (b) if there is a public market for the Company Common Shares at such time, by means of a broker-assisted "cashless exercise" pursuant to which the Company delivered (including telephonically to the extent permitted by the Compensation Committee) a copy of irrevocable instructions to a stockbroker to sell the Company Common Shares otherwise issuable upon the exercise of the option and to deliver promptly to Company Common Shares an amount equal to the exercise price or (c) a "net exercise" procedure effected by withholding the minimum number of Company Common Shares otherwise issuable in respect of an option that is needed to pay the exercise price. Any fractional Company Common Shares shall be settled in cash.

Share Appreciation Rights. The Compensation Committee may grant SARs under the Omnibus Incentive Plan, with terms and conditions determined by the Compensation Committee that are not inconsistent with the Omnibus Incentive Plan. The Compensation Committee may award SARs in tandem with or independent of any option. Generally, each SAR will entitle the participant upon exercise to an amount (in cash, Company Common Shares or a combination of cash and shares, as determined by the Compensation Committee) equal to the product of (i) the excess of (a) the fair market value on the exercise date of one Company Common Share over (b) the strike price per Company Common Share covered by the SAR, times (ii) the number of Company Common Shares covered by the SAR, less any taxes that are statutorily required to be withheld. The strike price per Company Common Share covered by a SAR will be determined by the Compensation Committee at the time of grant but in no event may such amount be less than 100% of the fair market value of a Company Common Share on the date the SAR is granted (other than in the case of SARs granted in substitution of previously granted awards).

Restricted Shares and Restricted Share Units. The Compensation Committee may grant restricted Company Common Shares or restricted share units, representing the right to receive, upon vesting and the expiration of any applicable restricted period, one Company Common Share for each restricted share unit, or, in the sole discretion of the Compensation Committee, the cash value thereof (or any combination thereof). As to restricted Company Common Shares, subject to the other provisions of the Omnibus Incentive Plan, the holder will generally have the rights and privileges of a shareholder as to such restricted Company Common Shares, including, without limitation, the right to vote such restricted Company Common Shares.

Other Equity-Based Awards and Other Cash-Based Awards. The Compensation Committee may grant other equity-based or cash-based awards under the Omnibus Incentive Plan, with terms and conditions determined by the Compensation Committee that are not inconsistent with the Omnibus Incentive Plan.

Effect of Certain Events on the Omnibus Incentive Plan and Awards. In the event of (i) any dividend (other than regular cash dividends) or other distribution (whether in the form of cash, Company Common Shares, other of the Company's securities or other property), recapitalization, share split, reverse share split, reorganization, merger, consolidation, split-up, split-off, spin-off, combination, repurchase or exchange of Company Common Shares or other securities, issuance of warrants or other rights to acquire Company Common Shares or other of the Company's securities, or other similar corporate transaction or event that affects the Company Common Shares (including a "Change in Control," as defined in the Omnibus Incentive Plan); or (ii) unusual or nonrecurring events affecting us, including changes in applicable rules, rulings, regulations, or other requirements, that the Compensation Committee determines, in its sole discretion, could result in substantial dilution or enlargement of the rights intended to be granted to, or available for, participants (any event in (i) or (ii), an "Adjustment Event"), the Compensation Committee will, in respect of any such Adjustment Event, make such proportionate substitution or adjustment, if any, as it deems equitable, to any or all of (a) the Absolute Share Limit, or any other limit applicable under the Omnibus Incentive Plan with respect to the number of awards which may be granted thereunder; (b) the number of other Company Common Shares or other of the Company's securities (or number and kind of other securities or other property) which may be issued in respect of awards or with respect to which awards may be granted under the Omnibus Incentive Plan; and (c) the terms of any outstanding award, including, without limitation, (x) the number of Company Common Shares or other of the Company's securities (or number and kind of other securities or other property) subject to outstanding awards or to which outstanding awards relate; (y) the exercise price or strike price with respect to any award; or (z) any applicable performance measures; provided, that in the case of any "equity restructuring" (within the meaning of the FASB ASC Topic 718 (or any successor pronouncement thereto)), the Compensation Committee will make an equitable or proportionate adjustment to outstanding awards to reflect such equity restructuring. In connection with any Adjustment Event, the Compensation Committee may, in its sole discretion, provide for any one or more of the following: (i) substitution or assumption of awards, acceleration of the exercisability of, lapse of restrictions on, or termination of, awards or a period of time for participants to exercise outstanding awards prior to the occurrence of such event (and any such award not so exercised will terminate upon the occurrence of such event); and (ii) subject to any limitations or reductions as may be necessary to comply with Section 409A of the Code, cancellation of any one or more outstanding awards and payment to the holders of such awards that are vested as of such cancellation (including, without limitation, any awards that would vest as a result of the occurrence of such event but for such cancellation or for which vesting is accelerated by the Compensation Committee in connection with such event) the value of such awards, if any, as determined by the Compensation Committee (which value, if applicable, may be based upon the price per Company Common Share received or to be received by other holders of Company Common Shares in such event), including, without limitation, in the case of share options and SARs, a cash payment equal to the excess, if any, of the fair market value of the Company Common Shares subject to the option or SAR over the aggregate exercise price or strike price thereof, or, in the case of restricted Company Common Shares, restricted share units, or other equity-based awards that are not vested as of such cancellation, a cash payment or equity subject to deferred vesting and delivery consistent with the vesting restrictions applicable to such award prior to cancellation of the underlying shares in respect thereof.

Amendment and Termination. The Company's Board may amend, alter, suspend, discontinue or terminate the Omnibus Incentive Plan or any portion thereof at any time; provided, that no such amendment, alteration, suspension, discontinuance or termination may be made without shareholder approval if (i) such approval is required under applicable law; (ii) it would materially increase the number of securities which may be issued under the Omnibus Incentive Plan (except for adjustments in connection with certain corporate events); or (iii) it would materially modify the requirements for participation in the Omnibus Incentive Plan; provided, further, that any such amendment, alteration, suspension, discontinuance or termination that would materially and adversely affect the rights of any participant or any holder or beneficiary of any award will not to that extent be effective without such individual's consent.

The Compensation Committee may, to the extent consistent with the terms of any applicable award agreement, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel or terminate, any award granted or the associated award agreement, prospectively or retroactively (including after a Termination); provided, that, except as otherwise permitted in the Omnibus Incentive Plan, any such waiver, amendment, alteration, suspension, discontinuance, cancellation or termination that would materially and adversely affect the rights of any participant with respect to such award will not to that extent be effective without such individual's consent; provided, further, that without shareholder approval, except as otherwise permitted in the Omnibus Incentive Plan, (i) no amendment or modification may reduce the exercise price of any option or the strike price of any SAR; (ii) the Compensation Committee may not cancel any outstanding option or SAR and replace it with a new option or SAR (with a lower exercise price or strike price, as

the case may be) or other award or cash payment that is greater than the value of the cancelled option or SAR; and (iii) the Compensation Committee may not take any other action which is considered a “repricing” for purposes of the shareholder approval rules of any securities exchange or inter-dealer quotation system on which the Company’s securities are listed or quoted.

Dividends and Dividend Equivalents. The Compensation Committee in its sole discretion may provide as part of an award dividends or dividend equivalents, on such terms and conditions as may be determined by the Compensation Committee in its sole discretion. Any dividends payable in respect of restricted share awards that remain subject to vesting conditions shall be retained by the Company and delivered to the participant within 15 days following the date on which such restrictions on such restricted share awards lapse and, if such restricted share is forfeited, the participant shall have no right to such dividends. Dividends attributable to restricted share units shall be distributed to the participant in cash or, in the sole discretion of the Compensation Committee, in Company Common Shares having a fair market value equal to the amount of such dividends, upon the settlement of the restricted share units and, if such restricted share units are forfeited, the participant shall have no right to such dividends.

Clawback/Repayment. All awards are subject to reduction, cancellation, forfeiture or recoupment to the extent necessary to comply with (i) any clawback, forfeiture or other similar policy adopted by the Company’s Board or the Compensation Committee and as in effect from time to time and (ii) applicable law. Unless otherwise determined by the Compensation Committee, to the extent that a participant receives any amount in excess of the amount that the participant should otherwise have received under the terms of the award for any reason (including, without limitation, by reason of a financial restatement, mistake in calculations or other administrative error), the participant will be required to repay the Company any such excess amount.

Detrimental Activity. If a participant has engaged in any detrimental activity, as defined in the Omnibus Incentive Plan, as determined by the Compensation Committee, the Compensation Committee may, in its sole discretion and to the extent permitted by applicable law, provide for one or more of the following: (i) cancellation of any or all of such participant’s outstanding awards or (ii) forfeiture and repayment to the Company on any gain realized on the vesting, exercise or settlement of any awards previously granted to such participant.

Tax Consequences. The following is a brief summary of the principal U.S. federal income tax consequences of transactions under the Omnibus Incentive Plan based on current U.S. federal income tax laws. This summary is not intended to be exhaustive, does not constitute tax advice and, among other things, does not describe state, local or foreign tax consequences.

Non-Qualified Options. No taxable income is realized by a participant upon the grant of a share option. Upon the exercise of a nonqualified share option, the participant will recognize ordinary compensation income in an amount equal to the excess, if any, of the fair market value of the Company Common Shares for which the option is exercised over the aggregate option exercise price. Income and payroll taxes are required to be withheld by the participant’s employer on the amount of ordinary income resulting to the participant from the exercise of a share option. The amount recognized as income by the participant is generally deductible by the participant’s employer for federal income tax purposes, subject to the possible limitations on deductibility of compensation paid to some executives under Section 162(m). The participant’s tax basis in Company Common Shares acquired by exercise of a share option will be equal to the exercise price plus the amount taxable as ordinary income to the participant.

Upon a sale of the Company Common Shares received by the participant upon exercise of the share option, any gain or loss will generally be treated for federal income tax purposes as long-term or short-term capital gain or loss, depending upon the holding period of that share. The participant’s holding period for shares acquired upon the exercise of a share option begins on the date of exercise of that share option.

Incentive Share options. No taxable income is realized by a participant upon the grant or exercise of an incentive share option; however, the exercise of an incentive share option will give rise to an item of tax preference that may result in alternative minimum tax liability for the participant. If Company Common Shares are issued to a participant after the exercise of an incentive share option and if no disqualifying disposition of those shares is made by that participant within two years after the date of grant or within one year after the receipt of those shares by that participant, then:

- upon the sale of those shares, any amount realized in excess of the option exercise price will be taxed to that participant as a long-term capital gain;
- and the applicable member of the Company Group will be allowed no deduction.

If Company Common Shares acquired upon the exercise of an incentive share option are disposed of prior to the expiration of either holding period described above, that disposition would be a “disqualifying disposition,” and generally:

- the participant will realize ordinary income in the year of disposition in an amount equal to the excess, if any, of the fair market value of the shares on the date of exercise, or, if less, the amount realized on the disposition of the shares, over the option exercise price; and

- the applicable member of the Company Group will be entitled to deduct that amount.

Any other gain realized by the participant on that disposition will be taxed as short-term or long-term capital gain and will not result in any deduction to us. If an incentive share option is exercised at a time when it no longer qualifies as an incentive share option, the option will be treated as a nonqualified option. Subject to some exceptions for disability or death, an incentive share option generally will not be eligible for the federal income tax treatment described above if it is exercised more than three months following a termination of employment.

Share Appreciation Rights. Upon the exercise of a SAR, the participant will recognize compensation income in an amount equal to the cash received plus the fair market value of any Company Common Shares received from the exercise. The participant's tax basis in the Company Common Shares received on exercise of the SAR will be equal to the compensation income recognized with respect to the Company Common Shares. The participant's holding period for shares acquired after the exercise of a SAR begins on the exercise date. Income and payroll taxes are required to be withheld on the amount of compensation attributable to the exercise of the SAR, whether the income is paid in cash or shares. Upon the exercise of a SAR, the participant's employer will generally be entitled to a deduction in the amount of the compensation income recognized by the participant, subject to the requirements of Section 162(m) of the Code, if applicable.

Restricted Shares, Restricted Share Units and Other Share-Based Awards. Restricted Company Common Shares that are subject to a substantial risk of forfeiture generally result in income recognition by the participant in an amount equal to the excess of the fair market value of the shares over the purchase price, if any, of the restricted Company Common Shares at the time the restrictions lapse. However, if permitted by the Company, a recipient of restricted Company Common Shares may make an election under Section 83(b) of the Code to instead be taxed on the excess of the fair market value of the shares granted, measured at the time of grant and determined without regard to any applicable risk of forfeiture or transfer restrictions, over the purchase price, if any, of such restricted shares. A participant who has been granted Company Common Shares that are not subject to a substantial risk of forfeiture for federal income tax purposes will realize ordinary income in an amount equal to the fair market value of the shares at the time of grant. A recipient of restricted share units, performance awards or other share-based awards (other than restricted shares) will generally recognize ordinary income at the time that the award is settled in an amount equal to the cash and/or fair market value of the shares received at settlement. In each of these cases, the applicable member of the Company Group will have a corresponding tax deduction at the same time the participant recognizes such income, subject to the limitations of Section 162(m) of the Code, if applicable.

On January 2, 2018, Pi Topco adopted its memorandum of association and entered into a management investment agreement with certain members of senior management which authorized certain executive officers and other senior managers of the Company to invest in A ordinary shares and B ordinary shares. A ordinary shares have been purchased by members of management only, while B ordinary shares are held by certain executives and senior managers, as well as investor shareholders of Pi Topco. All management shareholders of Pi Topco are bound by its charter and the management investment agreement. In the case of certain managers (other than executive officers/senior management), they are also bound by restricted share award agreements with Pi Topco (the "RSAAs"). The total number of authorized A ordinary shares under the Pi Topco memorandum of association is 600,000.

The A ordinary shares include a service-based vesting condition for all holders. The B ordinary shares held by certain managers (other than executive officers/senior management) are also subject to a service-based vesting condition. Vesting for these managers is subject to continuous service until the achievement of an Exit (as defined in the applicable RSAA, which includes the Transactions). Vesting for executive officers/senior management is subject to (i) the achievement of an Exit and (ii) the Investors (as defined below) receiving at least one times their cost.

In addition, the A ordinary shares are subject to a ratchet in connection with the Transactions (and upon subsequent receipts of proceeds by the CVC Investors and the Blackstone Investors, whom we refer to as the "Investors") which allows management to participate in a greater share of returns if certain IRR (i.e., total internal rate of return achieved by the Investors in relation to their investment) thresholds are satisfied. To the extent that the IRR is equal to or less than 22.5%, the A ordinary shares, including those held by the executive officers and non-executive directors, will not participate in a greater share of returns. To the extent that upon the operation of the ratchet the IRR is greater than 22.5% and the total return to the Investors is greater than or equal to 2.25 times their cost, the A ordinary shares will participate in up to an additional percentage equal to 50% of the fully diluted ordinary share capital represented by the A ordinary shares issue immediately prior to the Transactions.

The equity in Pi Topco held by our executive officers and non-executive directors will be governed by the Management Investment Agreement (as defined below). Please see "Certain Relationships and Related Persons Transactions—Paysafe—Management Investment Agreement" for additional information.

C. Board Practices

Composition of the Board of Directors

Our business and affairs are managed under the direction of the Company Board. The Company Bye-laws provide for a classified board of directors, with three directors in Class I (Philip McHugh, James Murren and Jonathan Murphy), four directors in Class II (Matthew Bryant, Mark Brooker, Dagmar Kollmann and Hilary Stewart-Jones) in and four directors in Class III (Daniel Henson, Anthony Jabbour, Eli Nagler and Peter Rutland). The Company Board has determined that Daniel Henson, Anthony Jabbour, James Murren, Dagmar Kollmann, Mark Brooker and Hilary Stewart-Jones qualify as independent directors under the NYSE listing standards. We entered into the Shareholders Agreement with our Principal Shareholders in connection with the Transaction. This agreement grants our Principal Shareholders the right to designate nominees to the Company Board subject to the maintenance of certain ownership requirements in us. For additional information, see “Item 7.B. Related Party Transactions” of this Report.

Foreign Private Issuer Status

We were founded in the UK in 1996 and were previously listed on the London Stock Exchange. U.S. residents do not comprise a majority of our executive officers or directors, and most of our assets are located, and our business is principally administered, outside of the United States. As a result, we report under the Exchange Act as a non-U.S. company with foreign private issuer status. Under Rule 405 of the Securities Act, the determination of foreign private issuer status is made annually on the last business day of an issuer’s most recently completed second fiscal quarter and, accordingly, the next determination will be made with respect to us on June 30, 2022. For so long as we qualify as a foreign private issuer, we will be exempt from certain provisions of the Exchange Act that are applicable to U.S. domestic public companies, including:

- the sections of the Exchange Act regulating the solicitation of proxies, consents or authorizations in respect of a security registered under the Exchange Act;
- the sections of the Exchange Act requiring insiders to file public reports of their stock ownership and trading activities and imposing liability for insiders who profit from trades made within a short period of time;
- the rules under the Exchange Act requiring the filing with the SEC of an annual report on Form 10-K (although we will file annual reports on a corresponding form for foreign private issuers), quarterly reports on Form 10-Q containing unaudited financial and other specified information (although we will file semi-annual reports on a current reporting form for foreign private issuers), or current reports on Form 8-K, upon the occurrence of specified significant events (although we may file the occurrence of certain corporate developments on a current reporting form for foreign private issuers); and
- Regulation Fair Disclosure or Regulation FD, which regulates selective disclosure of material non-public information by issuers.

Accordingly, there may be less publicly available information concerning our business than there would be if we were a U.S. public company. Additionally, certain accommodations in the NYSE corporate governance standards allow foreign private issuers, such as us, to follow “home country” corporate governance practices in lieu of the otherwise applicable corporate governance standards. The Company Bye-laws do not require shareholder approval for the issuance of authorized but unissued shares, including (i) in connection with the acquisition of stock, shares or assets of another company; (ii) when it would result in a change of control; (iii) when a share option or purchase plan is to be established or materially amended or other equity compensation arrangement made or materially amended, pursuant to which shares may be acquired by officers, directors, employees, or consultants; or (iv) in connection with certain private placements. To this extent, our practice varies from the requirements of the corporate governance standards of the NYSE, which generally requires an issuer to obtain shareholder approval for the issuance of securities in connection with such events. While we do not currently intend to rely on any other home country accommodations related to the foregoing corporate governance standards, for so long as we qualify as a foreign private issuer, we may take advantage of them.

Board Committees

The Company Board has established the following committees: an audit committee, a compensation committee, a nominating and corporate governance committee, a risk oversight committee and a finance and operations committee. The composition and responsibilities of each committee are described below. The Company Board may also establish from time to time any other committees that it deems necessary or desirable. Members serve on these committees until their resignation or until otherwise determined by the Company Board.

Audit Committee

Our audit committee consists of Dagmar Kollmann, Mark Brooker, and Hilary Stewart-Jones, with Dagmar Kollmann serving as chair and Dagmar Kollmann serving as the audit committee financial expert. The Company Board has determined that Dagmar Kollmann, Mark Brooker and Hilary Stewart-Jones qualify as independent directors under the independence standards of Rule 10A-3 of the

Exchange Act, and that Dagmar Kollmann qualifies as an “audit committee financial expert” as such term is defined in the rules of the SEC. Our audit committee met 6 times in 2021 and is responsible for, among other things:

- selecting and hiring our independent auditors, and approving the audit and non-audit services to be performed by our independent auditors;
- assisting the Company Board in evaluating the qualifications, performance and independence of our independent auditors;
- assisting the Company Board in monitoring the quality and integrity of our financial statements and our accounting and financial reporting;
- assisting the Company Board in monitoring our compliance with legal and regulatory requirements;
- reviewing the adequacy and effectiveness of our internal control over financial reporting processes;

- reviewing with management and our independent auditors our annual and quarterly financial statements; and
- establishing procedures for the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters and the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters.

Compensation Committee

Our compensation committee consists of James Murren and Mark Brooker, with James Murren serving as chair. The compensation committee is responsible for, among other things:

- reviewing and approving corporate goals and objectives relevant to the compensation of our CEO, evaluating our CEO’s performance in light of those goals and objectives, and, either as a committee or together with the other independent directors (as directed by the board of directors), determining and approving our CEO’s compensation level based on such evaluation;
- reviewing and approving, or making recommendations to the Company Board with respect to, the compensation of our other executive officers, including annual base salary, bonus and equity-based incentives and other benefits;
- reviewing and recommending the compensation of the Company Board;
- reviewing and discussing annually with management our compensation disclosure required by SEC rules; and
- reviewing and making recommendations with respect to our equity compensation plans.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee consists of James Murren and Mark Brooker with James Murren serving as chair. The nominating and corporate governance committee is responsible for, among other things:

- assisting the Company Board in identifying prospective director nominees and recommending nominees to the Company Board;
- overseeing the evaluation of the Company Board and management;
- reviewing developments in corporate governance practices and developing and recommending a set of corporate governance guidelines; and
- recommending members for each committee of the Company Board.

In addition to the above committees, the Company Board has established a risk oversight committee, which assists the Company Board in overseeing risk assessment and risk management, and a finance and operations committee, which assists the Company Board in overseeing the Company’s ongoing financial performance and operations.

Compensation Committee Interlocks and Insider Participation

None of our executive officers currently serves, or has served during the last completed fiscal year as a member of the board of directors or compensation committee (or other committee performing equivalent functions) of any entity that has one or more executive officers

serving on the Company Board or our compensation committee. We are party to certain transactions with affiliates of our Principal Shareholders described in “Item 7.B. Related Party Transactions” of this Report.

Code of Ethics

In connection with the consummation of the Transaction, we adopted the Paysafe Code, which applies to all of our officers, directors and employees and sets forth our Company’s values as well as certain policies and procedures related to, among other things, risk management and control, information management, privacy, information security, conflicts of interest, anti-corruption and financial reporting. We also adopted a new Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer and controller, or persons performing similar functions, each of which will be posted on our website. Our Code of Business Conduct and Ethics is a “code of ethics,” as defined in Item 406(b) of Regulation S-K. We will make any legally required disclosures regarding amendments to, or waivers of, provisions of our Code of Business Conduct and Ethics on our website. The information contained on, or accessible from, our website is not part of this Report by reference or otherwise

D. Employees

As of December 31, 2021, we had approximately 3,500 employees globally.

None of these employees are represented by a labor union and we consider our relationship with our employees to be good.

E. Share Ownership

Ownership of Company Common Shares by the directors and executive officers of Paysafe is set forth in “Item 7.B. Related Party Transactions” of this Report.

ITEM 7. MAJOR SHAREHOLDERS AND RELATED PARTY TRANSACTIONS

A. Major Shareholders

The following table sets forth information regarding the actual beneficial ownership of Company Common Shares as of March 9, 2022:

- each person known to us to be the beneficial owner or more than 5% of Company Common Shares;
- each of our directors and Company Officers; and
- all our directors and Company Officers as a group.

Unless otherwise indicated, we believe that all persons named in the table below have sole voting and investment power with respect to all Company Common Shares beneficially owned by them. Except as otherwise indicated, the address for each shareholder listed below is 25 Canada Square, 27th Floor, London, United Kingdom E14 5LQ.

B. Related Party Transactions

Policies and Procedures for Related Person transactions

The Company Board has adopted a written related person transaction policy that sets forth the following policies and procedures for the review and approval or ratification of related person transactions. A "Related Person Transaction" is a transaction, arrangement or relationship in which the post-combination company or any of its subsidiaries was, is or will be a participant, the amount of which involved exceeds \$120,000, and in which any related person had, has or will have a direct or indirect material interest. A "Related Person" means:

- any person who is, or at any time during the applicable period was, one of the post-combination company's executive officers or one of the post-combination company's directors;

- any person who is known by the post-combination company to be the beneficial owner of more than 5% of Paysafe’s voting stock;
- any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law of a director, executive officer or a beneficial owner of more than 5% of Paysafe’s voting stock, and any person (other than a tenant or employee) sharing the household of such director, executive officer or beneficial owner of more than 5% of Paysafe’s voting stock; and
- any firm, corporation or other entity in which any of the foregoing persons is a partner or principal or in a similar position or in which such person has a 10% or greater beneficial ownership interest.

Paysafe has policies and procedures designed to minimize potential conflicts of interest arising from any dealings it may have with its affiliates and to provide appropriate procedures for the disclosure of any real or potential conflicts of interest that may exist from time to time. Specifically, pursuant to its audit committee charter, the audit committee has the responsibility to review related party transactions.

Certain Relationships and Related Person Transactions—FTAC

Founder Shares

In July 2020, prior to the consummation of FTAC’s initial public offering (the “IPO”), the Founder purchased 34,500,000 shares of FTAC Class B Common Stock for an aggregate purchase price of \$25,000, or approximately \$0.001 per share. On August 14, 2020, the Founder transferred a total of 75,000 shares of FTAC Class B Common Stock in equal amounts to each of the three independent directors then on the board of directors of FTAC at their original per share purchase price. On August 18, 2020, FTAC effected an in-kind stock dividend with respect to its shares of FTAC Class B Common Stock of 2,875,000 shares thereof, resulting in an aggregate of 37,375,000 outstanding shares of FTAC Class B Common Stock. The shares of FTAC Class B Common Stock issued at the closing of the IPO included an aggregate of up to 699,164 shares of FTAC Class B Common Stock that were subject to forfeiture by the Founder if the underwriters elected to exercise their over-allotment option on August 26, 2020. As a result of the underwriters’ election to partially exercise their over-allotment option, a total of 4,175,836 shares of FTAC Class B Common Stock were no longer subject to forfeiture. On October 2, 2020, the underwriters’ remaining over-allotment expired unexercised, resulting in the forfeiture of 699,164 shares of FTAC Class B Common Stock. Accordingly, as of October 2, 2020, there were 36,675,836 shares of FTAC Class B Common Stock issued and outstanding. The Founder forfeited 699,164 shares of FTAC Class B Common Stock to FTAC for no consideration, which was exempted pursuant to Rule 16b-3 under the Exchange Act, in connection with the underwriters’ election not to exercise the remaining unused portion of the over-allotment option. As part of the Transaction, the Founder surrendered 7,987,877 shares of FTAC Class B common stock, of which 36,675,836 shares were outstanding at the time of the Transaction. All remaining outstanding Class B common stock was automatically converted into FTAC Class A common stock.

Private Placement Warrants

Simultaneously with the closing of the IPO and the partial exercise of the over-allotment option by the underwriters, FTAC consummated the sale of 20,893,780 warrants at a price of \$1.50 per warrant in a private placement to the Founder (the “Private Placement Warrants”), generating gross proceeds of \$31,340,669. The Private Placement Warrants are identical to the warrants sold by FTAC to public investors in the IPO (the “FTAC Warrants”), except that (a) subject to certain exceptions set forth in the warrant agreement governing the Private Placement Warrants, the Private Placement Warrants were not transferable, assignable or salable until 30 days after the completion of the Transaction, (b) the Private Placement Warrants are exercisable on a cashless basis and are non-redeemable so long as they are held by the initial purchasers or their permitted transferees and (c) the Private Placement Warrants are entitled to registration rights. In connection with the consummation of the Transaction, the Private Placement Warrants held by the Founder were exchanged for shares of FTAC Class C Common Stock, and immediately thereafter the Founder transferred and contributed such shares of FTAC Class C Common Stock to the LLC in exchange for exchangeable units of the LLC (as provided for in the Sponsor Agreement (as defined herein)) in connection with the Founder LLC Contribution. Such exchangeable units are exchangeable into Company Common Shares or cash, as determined by the LLC, on the same terms as such warrants, following the first anniversary of the closing of the Transaction and expiring on the fifth anniversary of the closing.

Forward Purchase Agreement

On July 16, 2020, FTAC entered into the Forward Purchase Agreement with Cannae Holdings, pursuant to which Cannae Holdings agreed to purchase an aggregate share amount equal to 15,000,000 shares of FTAC Class A Common Stock, plus an aggregate of 5,000,000 redeemable warrants to purchase one share of FTAC Class A Common Stock at \$11.50 per share, for an aggregate purchase price of \$150,000,000, or \$10.00 for one share of FTAC Class A Common Stock and one-third of one FTAC Warrant, in a private

placement to occur concurrently with the closing of the Transaction. The aforementioned FTAC Warrants became Company Warrants as a result of the Transaction.

The proceeds from the sale of the forward purchase securities were used as part of the consideration in the Transaction, expenses incurred in connection with the Transaction and for working capital in the post-transaction company. Cannae Holdings' purchase of the forward purchase securities was required to be made regardless of whether any FTAC Class A Common Stock were redeemed by the public stockholders of FTAC and was intended to assist FTAC in meeting the Available Cash Amount condition required to consummate the Transaction.

Cannae Holdings does not have any right to the funds held in the respective Trust Account. An affiliate of Cannae Holdings has an approximately 15% limited partnership interest in the Founder, and as a result, has an indirect economic interest in 15% of the aggregate amount of shares of FTAC Class B Common Stock and Private Placement Warrants held by the Founder.

PIPE Investment

In connection with the PIPE Investment, the PIPE Investors, including a subsidiary of Cannae Holdings, entered into Subscription Agreements for the purchase of 200,000,000 Company Common Shares at a purchase price of \$10.00 per share, for an aggregate purchase price of \$2,000,000,000. The PIPE Investment was issued to the subsidiary of Cannae Holdings on the same terms and conditions as all other PIPE Investors. In connection with the PIPE Investment, the Company paid (i) the FNF Subscribers a fee of 1.6% of the purchase price the FNF Subscribers paid to the Company at Closing and (ii) Cannae Holdings a fee of 1.6% of the purchase price Cannae LLC paid to the Company at Closing, in each case, for the issuance of the Company Common Shares pursuant to the Subscription Agreement upon the consummation of the Transaction. Such fees match the fees (on a percentage basis) received by the placement agents with respect to the PIPE Investment by the other PIPE Investors and the placement agents received no fees with respect to the PIPE Investment by the FNF Subscribers or Cannae LLC.

Amended and Restated Sponsor Agreement

In connection with the execution of the Merger Agreement, FTAC entered into the Amended and Restated Letter Agreement, dated as of December 7, 2020, by and among the Founder, FTAC, the Company and certain other parties thereto (the "Sponsor Agreement"), which amended and restated (a) that certain letter agreement, dated August 21, 2020, by and among FTAC and the Founder and (b) each of the letter agreements, dated as of August 21, 2020, by and between FTAC and William P. Foley, II, Richard N. Massey, Mark D. Linehan, Erika Meinhardt, David W. Ducommun, Michael L. Gravelle, C. Malcolm Holland and Bryan D. Coy (the "Insiders"). Pursuant to the Sponsor Agreement, among other things, the Founder and the Insiders agreed (i) to vote any shares of FTAC's securities in favor of the Transactions and the other related FTAC Stockholder Matters, (ii) not to redeem any shares of FTAC Class A Common Stock or FTAC Class B Common Stock, (iii) not to take any action to solicit any offers relating to an alternative business combination, (iv) to use reasonable best efforts to obtain required regulatory approvals, (v) not to transfer any Company Common Shares for a period beginning on the Closing Date and ending on the earlier of (A) 270 days thereafter or (B) if the volume weighted average price of the Company Common Shares equals or exceeds \$12.00 per share for any 20 trading days within a 30 trading day period, 150 days thereafter, and (vi) to be bound to certain other obligations as described therein. Additionally, as provided in the Sponsor Agreement, the Founder and certain of the Insiders forfeited 7,987,877 shares of FTAC Class B Common Stock upon the consummation of the Transaction. All forfeited shares of FTAC Class B Common Stock were cancelled. After such forfeiture, the Founder and such Insiders held 28,687,959 shares of Class B Common Stock. As part of the Transaction, all remaining outstanding Class B common stock was automatically converted into FTAC Class A common stock.

Related Party Loans

The Founder advanced FTAC an aggregate of \$480,000 to cover expenses related to the IPO. The advances were non-interest bearing and due on demand. The outstanding advances of \$480,000 were repaid at the closing of the IPO on August 21, 2020.

On July 17, 2020, FTAC issued a promissory note (the "FTAC Promissory Note") to the Founder and an affiliate of the Founder, pursuant to which FTAC had the opportunity to borrow up to an aggregate principal amount of \$800,000. The FTAC Promissory Note was non-interest bearing and payable on the earlier of (a) January 31, 2021 or (b) the completion of the IPO. The outstanding balance under the FTAC Promissory Note of \$500,000 was repaid at the closing of the IPO on August 21, 2020.

In addition, in order to finance transaction costs in connection with a Transaction, the Founder or an affiliate of the Founder, or certain of FTAC's officers and directors had the opportunity to loan FTAC funds as may be required ("FTAC Working Capital Loans"). Such FTAC Working Capital Loans would be evidenced by promissory notes. The notes were able to be repaid upon completion of the Transaction, without interest, or, at the lender's discretion, up to \$1,500,000 of the notes may be converted upon completion of the

Transaction into FTAC Warrants at a price of \$1.50 per FTAC Warrant. Such FTAC Warrants would be identical to the Private Placement Warrants. No amounts have been borrowed under this arrangement as of December 31, 2021.

FTAC entered into an administrative services agreement, commencing on August 18, 2020, to pay Cannae Holdings up to \$5,000 per month for office space and administrative support services. FTAC maintained its executive offices at 1701 Village Center Circle, Las Vegas, NV 89134 until the consummation of the Transaction. The cost for FTAC's use of this space was included in the \$5,000 per month fee paid to Cannae Holdings. FTAC ceased paying these monthly fees upon consummation of the Transaction.

Registration Rights

In connection with the execution of the Merger Agreement, the Company, Pi Topco, PGHL, Cannae LLC, the Founder, the CVC Party and the Blackstone Investors agreed to enter into an Amended and Restated Registration Rights Agreement (the "Registration Rights Agreement") at the Closing. Contemporaneously with the Closing, the aforementioned parties entered into the Registration Rights Agreement. The Registration Rights Agreement provides these holders (and their permitted transferees) with the right to require the Company, at the Company's expense, to register Company Common Shares that they hold on customary terms for a transaction of this type. The Registration Rights Agreement also provides that the Company pay certain expenses of the electing holders relating to such registrations and indemnify them against certain liabilities that may arise under the Securities Act.

Compensation

No compensation of any kind, including finder's and consulting fees, were be paid to the Founder, FTAC's officers and directors, or any of their respective affiliates, for services rendered prior to or in connection with the completion of the Transaction. However, these individuals will be reimbursed for any out-of-pocket expenses incurred in connection with activities on FTAC's behalf such as identifying potential target businesses and performing due diligence on suitable business combinations.

Certain Relationships and Related Person Transactions—Paysafe

Shareholders Agreement

In connection with the Transaction, concurrently with the Closing, the Company, Pi Topco, PGHL, Cannae LLC, the Founder, the CVC Investors and the Blackstone Investors entered into the Shareholders Agreement. Pursuant to the Shareholders Agreement, each of the Principal Shareholders are entitled to nominate a certain number of directors to the Company Board, based on each such holder's ownership of the voting securities of the Company. The number of directors that each of (i) the CVC Investors, (ii) the Blackstone Investors and (iii) Cannae LLC and the Founders (the "FTAC Investors") will separately be entitled to designate to the Company Board increases and/or decreases on a sliding scale.

The Shareholders Agreement requires us to, among other things, nominate a number of individuals designated by the CVC Investors or the Blackstone Investors, as applicable, for election as directors of the Company Board as follows: (i) if the CVC Investors or the Blackstone Investors, as the case may be, collectively directly hold or indirectly, as set forth in the books and records of PGHL or Pi Topco, as applicable, are attributed at least 7.5% of the aggregate outstanding Company Common Shares, such applicable investors will be entitled to designate two directors; and (ii) if the CVC Investors or the Blackstone Investors, as the case may be, collectively directly hold or indirectly, as set forth in the books and records of PGHL or Pi Topco, as applicable, are attributed at least 2.5% (but less than 7.5%) of the aggregate outstanding Company Common Shares, such applicable investors will be entitled to designate one director (which director may be a U.S. citizen or resident) (in each case, each such person a "CVC Designee" or a "Blackstone Designee," as applicable). In addition, if the CVC Investors or the Blackstone Investors, as the case may be, collectively directly hold or indirectly, as set forth in the books and records of PGHL or Pi Topco, as applicable, are attributed at least 7.5% of the aggregate outstanding Company Common Shares, the CVC Investors or the Blackstone Investors, as the case may be, shall have the right, but not the obligation, to (i) jointly with Cannae and the Blackstone Investors (in the case of the CVC Investors) or the CVC Investors (in the case of the Blackstone Investors), designate two directors (such two directors, the "Jointly Designated Directors") and (ii) consent to any individual nominated for election as a director to the Company Board seat initially occupied by the Chief Executive Officer of PGHL.

Additionally, for so long as the FTAC Investors collectively continue to hold at least 50% of the aggregate outstanding Company Common Shares held by the FTAC Investors as of the Closing Date, the Shareholders Agreement will require us to, among other things, nominate four individuals designated by FTAC for election as directors of the Company Board, and Cannae shall have the right, but not the obligation, to (i) jointly with the CVC Investors and the Blackstone Investors, designate the Jointly Designated Directors and (ii) consent to any individual nominated for election as a director to the Company Board seat initially occupied by the Chief Executive Officer of PGHL. If the FTAC Investors collectively hold less than 50% of the aggregate outstanding Company Common Shares held by the FTAC Investors as of the Closing Date, the Shareholders Agreement requires us to, among other things, nominate a number of individuals designated by FTAC for election as directors of the Company Board as follows: (i) if the FTAC Investors collectively hold

at least 7.5% of the aggregate outstanding Company Common Shares, four directors; (ii) if the FTAC Investors collectively hold at least 6.25% (but less than 7.5%) of the aggregate outstanding Common Shares, two directors; and (iii) if the FTAC Investors collectively hold at least 2.5% (but less than 6.25%) of the aggregate outstanding Common Shares, one director, which director may be a U.S. citizen or resident (in each case, each such person a “FTAC Designee”). In addition, if the FTAC Investors collectively hold at least 7.5% of the aggregate outstanding Company Common Shares, Cannae shall have the right, but not the obligation, to (i) jointly with the CVC Investors and the Blackstone Investors, designate the Jointly Designated Directors and (ii) consent to any individual nominated for election as a director to the Company Board seat initially occupied by the Chief Executive Officer of PGHL. Further, for so long as the Company remains a “foreign private issuer” as defined in Rule 3b-4 under the Exchange Act, at any time FTAC has the right under the Shareholders Agreement to appoint more than one director to the Company Board, at least one of the FTAC Designees shall be neither a citizen nor a resident of the United States.

For so long as the Shareholders Agreement remains in effect, directors designated by a Principal Shareholder may be removed only with the consent of the Principal Shareholder that nominated such director. In the case of a vacancy on the Company Board created by the removal or resignation of a director designed by a Principal Shareholder, the Shareholders Agreement requires the Company to nominate an individual designated by the Principal Shareholder that nominated such director for election to fill the vacancy. Additionally, any increase in the total number of directors on the Company Board to greater than eleven will require the consent of (i) the CVC Investors, for so long as the CVC Investors collectively directly hold or indirectly, as set forth in the books and records of PGHL or Pi Topco, as applicable, are attributed at least 7.5% of the aggregate outstanding Company Common Shares, (ii) the Blackstone Investors, for so long as the Blackstone Investors collectively directly hold or indirectly, as set forth in the books and records of PGHL or Pi Topco, as applicable, are attributed at least 7.5% of the aggregate outstanding Company Common Shares, and (iii) FTAC, for so long as the FTAC Investors collectively hold at least 7.5% of the aggregate outstanding Company Common Shares.

Per the Shareholders Agreement, the CVC Investors, the Blackstone Investors and Cannae LLC jointly designated Dagmar Kollmann and Mark Brooker as independent directors, the CVC Investors designated Matthew Bryant and Peter Rutland as directors, the Blackstone Investors designated Jonathan Murphy and Eli Nagler as directors and the FTAC Investors designated Daniel Henson, Anthony Jabbour, James Murren and Hilary Stewart-Jones as directors.

The Shareholders Agreement also provides each Principal Shareholder with basic information and management rights, as well as detailed venture capital operating company covenants. In addition, the Shareholders Agreement provides that each Principal Shareholder may, without the consent of the Company or any other person, assign its rights to designate directors to the Company Board to any transferee of Company Common Shares so long as any right to designate directors to the Company Board will not result in the transferee receiving the right to designate more than two directors where such designation rights would result in the transferee receiving the right to designate a percentage of the total number of directors on the Company Board that is greater than the percentage of the aggregate outstanding Company Common Shares held by such transferee after giving effect to such transfer. The Principal Shareholders are otherwise not able to assign their rights and obligations under the agreement, in whole or in part, without the prior written consent of the Company.

Furthermore, the Shareholders Agreement also requires the Company to cooperate with the Principal Shareholders in connection with certain future pledges, charges, hypothecations, grants of security interest in or transfers (including to third party investors) of any or all of the Company Common Shares held by the Principal Shareholders, including to banks or financial institutions as collateral or security for loans, advances or extensions of credit.

Registration Rights Agreement

In connection with the Transaction, concurrently with the Closing, the Company, Pi Topco, PGHL, Cannae LLC, the Founder, the CVC Party and the Blackstone Investors entered into the Restated Registration Rights Agreement. Pursuant to the Registration Rights Agreement, the Company filed a registration statement to permit the public resale of all of the registrable securities held by the Principal Shareholders from time to time. In addition, pursuant to the Registration Rights Agreement, upon the demand of any Principal Shareholder, the Company is required to facilitate a registered offering of the Company Common Shares requested by such Principal Shareholder to be included in such offering. Any demanded registered offering will also include registrable shares to be sold by holders that exercise their related piggyback rights in accordance with the Registration Rights Agreement, subject to customary cut-backs. Within 60 days (in the case of a demand for a registration on Form F-1) or 30 days (in the case of a demand for a registration on Form F-3) after receipt of a demand for such registration, the Company will file a registration statement relating to such demand and use its best efforts to cause such registration statement to be declared effective by the SEC as soon as practicable thereafter. In certain circumstances, Principal Shareholders will be entitled to piggyback registration rights in connection with the demand of a registered offering.

In addition, the Registration Rights Agreement entitles the Principal Shareholders to demand and be included in a shelf registration when the Company is eligible to sell its Company Common Shares in a secondary offering on a delayed or continuous basis in accordance with Rule 415 of the Securities Act. Within 30 days of the Company becoming qualified to register the offer and sale of

securities under the Securities Act pursuant to a registration statement on Form F-3, the Company will file a registration statement that covers all registrable securities then outstanding and use its best efforts to cause such shelf registration statement to be declared effective by the SEC as soon as practicable thereafter. Moreover, upon the demand of a Principal Shareholder, the Company is required to facilitate in the manner described in the Registration Rights Agreement a “takedown” off of an effective shelf registration statement of registrable shares requested by such Principal Shareholder.

The Registration Rights Agreement also provides that the Company pay certain expenses relating to such registrations and indemnify the registration rights holders against (or make contributions in respect of) certain liabilities which may arise under the Securities Act.

Consortium Agreement

In connection with the Transaction, concurrently with the Closing, the existing consortium agreement related to Pi Topco between Pi Holdings Jersey Limited (the “CVC Party”), BCP Pi Aggregator (Cayman) L.P. and Blackstone Family Investment Partnership (Cayman) VII—ESC L.P. (together, the “Blackstone Parties”), and BCP VII Co-Invest—Star (Cayman) L.P., Blackstone Pi Co-Invest L.P., Pi Syndication LP, Francisco Partners IV, L.P., Francisco Partners IV-A, L.P., Chatham Holdings II, LLC, AB High Income Fund, Inc., AB Bond Fund, Inc.—AB Income Fund, AllianceBernstein Global High Income Fund, Inc., AB FCP I—Global High Yield Portfolio (together, the “Co-Investors”) and Paysafe Group Holdings Limited and Pi Topco (together, the “Holdcos”) was amended and restated (such amended and restated agreement being the “Consortium Agreement”).

The Consortium Agreement sets out provisions related to the governance of the Holdcos, which cross-refer to the governance provisions in the Management Investment Agreement. The Co-Investors will not take part in the management or control of the business or affairs of the Holdcos. In addition, the Consortium Agreement provides that the terms of the management equity plan (comprising the securities that certain employees of the Paysafe group of companies will hold in Pi Topco) shall be governed by the Management Investment Agreement (and related documents).

The Consortium Agreement also sets out provisions to allow the CVC Party, the Blackstone Parties and the Co-Investors to automatically “flip-down” their holdings of securities in Pi Topco so that they hold shares directly in Pubco upon expiry of the lock-up undertakings imposed on their holdings of securities in Pi Topco or earlier so long as the Pubco shares remain subject to such lock-up undertakings. When the “flip-down” mechanic is operated, PGHL shall (and Pi Topco shall procure that PGHL shall), subject to applicable law, transfer (whether by distribution or otherwise) such number of Company Common Shares in Paysafe Limited to Pi Topco to enable Pi Topco to transfer such shares to the CVC Party, the Blackstone Parties and the Co-Investors in exchange for the requisite number of securities in Pi Topco held by them. If reasonably required by the CVC Party and the Blackstone Parties, the CVC Party and the Blackstone Parties may elect to “flip-down” their holdings of securities in Pi Topco at or prior to or any time following closing. In addition, the Holdcos are obliged to reimburse the Lead Investors (as defined in the Consortium Agreement) and, with the consent of the Lead Investors, any other Co-Investor for their costs and expenses incurred in connection with their holdings of securities in Pi Topco from time to time. Similar provisions are also included in the Management Investment Agreement (described below).

Finally, the Consortium Agreement imposes standard confidentiality undertakings on the parties to the agreement (and standard permitted disclosure rights). The Holdcos are also required to comply with obligations and information requests in connection with the Lead Investors’ U.S. tax requirements.

Management Investment Agreement

In connection with the Transaction, concurrently with the Closing, the management investment agreement related to Pi Topco between certain employees of the Paysafe group of companies (the “Managers”), the CVC Party, the Blackstone Parties, SJT Limited (in its capacity as trustee of the Pi Employee Benefit Trust) (the “EBT”), SJT Limited (in its capacity as trustee of the Pi Shareholder Benefit Trust) (the “SBT”) and each Holdco was amended and restated (such amended and restated agreement being the “Management Investment Agreement”).

The Management Investment Agreement sets out provisions related to the governance of the Holdcos. Each Holdco board (and any committee thereof) shall be comprised of up to three persons appointed by each of the CVC Party and Blackstone. The Managers are obliged to procure that such directors are promptly appointed to the boards and committees as required from time to time. In addition, the CVC Party and the Blackstone Parties are entitled at any time to appoint a non-executive director to the Paysafe Group Holdings Limited board who shall be the chairman of the board. The quorum requirements for each board require at least one director appointed by each of the CVC Party and the Blackstone Parties.

The Managers shall provide a customary tax indemnity in respect of their holdings of securities in any Holdco. In addition, the Managers, the EBT and the SBT are obliged to provide such cooperation or assistance as the CVC Party and the Blackstone Parties may require in connection with any transfer of their securities in Pi Topco or a winding-up of Pi Topco.

The Management Investment Agreement also provides that, until the CVC Party and the Blackstone Parties realize a 1 times return on their original investment in the Paysafe group of companies:

- If a Manager becomes a Bad Leaver (as defined in the Management Investment Agreement) by reason of voluntary resignation, the Manager's securities that derive from the Manager's holdings of A ordinary shares prior to the amendment of the Management Investment Agreement can be acquired by the CVC Party and the Blackstone Parties (or such person nominated by them) at fair market value for vested securities and at the lower of FMV and cost for unvested securities.
- If a Manager becomes a Bad Leaver by reason of fraud, summary dismissal or breach of restrictive covenant, the Manager's securities that derive from the Manager's holdings of A ordinary shares prior to the amendment of the Management Investment Agreement can be acquired by the CVC Party and the Blackstone Parties (or such person nominated by them) at the lower of fair market value and cost.

Securities subject to this repurchase right are considered vested as follows:

- First anniversary of acquisition of A Ordinary Shares—20%
- Each additional quarter—5%
- Up to a maximum of 80%

In connection with the Transactions, the equity held by Managers are fully vested other than with respect to the repurchase right described above. The Management Investment Agreement also includes provisions that entitle the Managers who held A ordinary shares prior to the amendment of the Management Investment Agreement to additional value if the CVC Party and the Blackstone Parties receive a certain level of liquid return on their investment. Please see Item 6.B. "Compensation—Equity Program" for additional information.

In addition, the Management Investment Agreement also sets out provisions such that the Managers will automatically "flip-down" their holdings of securities in Pi Topco so that they hold Company Common Shares directly upon expiry of the lock-up undertakings imposed on their holdings of securities in Pi Topco. If reasonably required by the CVC Party and the Blackstone Parties, the CVC Party and the Blackstone Parties may elect to "flip-down" their holdings of securities in Pi Topco at or prior to or any time following closing. When the "flip-down" mechanic is operated, PGHL shall (and Pi Topco shall procure that PGHL shall), subject to applicable law, transfer (whether by distribution or otherwise) such number of Company Common Shares in Paysafe Limited to Pi Topco to enable Pi Topco to transfer such shares to the Managers in exchange for the requisite number of securities in Pi Topco held by them. The CVC Party and the Blackstone Parties will have the flexibility to require the Managers to "flip-down" prior to expiry of the lock-up undertakings. To the extent that any Managers are required to "flip-down" prior to the expiry of the lock-up period, any Company Common Shares held by such Manager will be subject to the same lock-up undertakings that applied to the securities held by such Manager in Pi Topco prior to the "flip-down."

As of the date of this annual report, Paysafe has no outstanding loan or guarantee commitments to members of the board or Executive Management.

Indemnification Agreements

We entered into indemnification agreements with our directors and executive officers. These agreements will require us to indemnify these individuals to the fullest extent permitted by Bermuda law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors or executive officers, we have been informed that in the opinion of the SEC such indemnification is against public policy and is therefore unenforceable.

E. Taxation

Material U.S. Federal Income Tax Considerations

The following is a discussion of the material U.S. federal income tax considerations to U.S. holders (as defined below) relating to the ownership and disposition of Company Common Shares and Company Warrants (collectively, the "Company's Securities"). This discussion only applies to holders of Company Securities that hold their Company Securities as capital assets for U.S. federal income tax purposes and does not describe all of the tax consequences that may be relevant to holders of Company Securities in light of their particular circumstances, including alternative minimum tax and Medicare contribution tax consequences, or holders who are subject to special rules, such as:

- banks, thrifts, mutual funds and other financial institutions or financial services entities;
- insurance companies;
- tax-exempt organizations, pension funds or governmental organizations;
- regulated investment companies and real estate investment trusts;
- U.S. expatriates and former citizens or former long-term residents of the United States;
- persons that acquired securities pursuant to an exercise of employee share options, in connection with employee incentive plans or otherwise as compensation;
- dealers or traders subject to a mark-to-market method of tax accounting with respect to the Company Securities;
- brokers or dealers in securities or foreign currency;
- individual retirement and other deferred accounts;
- persons holding their Company Securities as part of a "straddle," hedge, conversion, constructive sale or other risk reducing transactions;
- persons who purchase or sell their shares as part of a wash sale for tax purposes;
- grantor trusts;
- U.S. holders whose functional currency is not the U.S. dollar;
- partnerships or other pass-through entities for U.S. federal income tax purposes or investors in such entities;
- holders that are "controlled foreign corporations" or "passive foreign investment companies," referred to as "PFICs," and corporations that accumulate earnings to avoid U.S. federal income tax;
- persons subject to the alternative minimum tax;

- a person required to accelerate the recognition of any item of gross income with respect to Company Securities as a result of such income being recognized on an applicable financial statement;
- U.S. holders actually or constructively owning 5% or more of the Company Common Shares; or
- a person who owns or is deemed to own 10% or more (by vote or value) of the Company Common Shares.

This discussion does not consider the tax treatment of entities that are partnerships or other pass-through entities for U.S. federal income tax purposes or persons who hold our securities through such entities. If a partnership or other pass-through entity for U.S. federal income tax purposes is the beneficial owner of Company Securities, the U.S. federal income tax treatment of partners of the partnership will generally depend on the status of the partners and the activities of the partner and the partnership.

This discussion is based on the Code, administrative pronouncements, judicial decisions and final, temporary and proposed regulations, including proposed and temporary regulations, promulgated under the Code (“Treasury Regulations”), all as of the date hereof, changes to any of which subsequent to the date hereof may affect the tax consequences described herein. This discussion does not take into account potential suggested or proposed changes in such tax laws which may impact the discussion below and does not address any aspect of State, local or non-U.S. taxation, or any U.S. federal taxes other than income taxes. Each of the foregoing is subject to change, potentially with retroactive effect. Holders of Company Securities are urged to consult their tax advisors with respect to the application of U.S. federal tax laws to their particular situation, as well as any tax consequences arising under the laws of any State, local or non-U.S. jurisdiction.

For purpose of this discussion, a “U.S. holder” is a beneficial owner of Company Securities who or that is for U.S. federal income tax purposes:

- an individual who is a citizen or resident of the United States;
- a corporation (or other entity taxable as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States, any State thereof or the District of Columbia;
- an estate the income of which is includible in gross income for U.S. federal income tax purposes regardless of its source; or
- a trust if (1) a U.S. court can exercise primary supervision over the administration of such trust and one or more U.S. persons have the authority to control all substantial decisions of the trust or (2) it has a valid election in place to be treated as a U.S. person.

ALL HOLDERS OF COMPANY SECURITIES SHOULD CONSULT THEIR TAX ADVISORS REGARDING THE TAX CONSEQUENCES OF THE OWNERSHIP AND DISPOSITION OF COMPANY SECURITIES TO THEM, INCLUDING THE EFFECTS OF U.S. FEDERAL, STATE, LOCAL, NON-U.S. AND OTHER TAX LAWS.

Passive Foreign Investment Company Rules

Certain adverse U.S. federal income tax consequences could apply to a U.S. holder if Paysafe is treated as a PFIC for any taxable year during which the U.S. holder holds Company Securities. A non-U.S. corporation, such as Paysafe, will be classified as a PFIC for U.S. federal income tax purposes for any taxable year in which, after applying certain look-through rules, either (i) 75% or more of its gross income for such year consists of certain types of “passive” income or (ii) 50% or more of the value of its assets (determined on the basis of a quarterly average) during such year produce or are held for the production of passive income. Passive income generally includes dividends, interest, royalties, rents, annuities, net gains from the sale or exchange of property producing such income and net foreign currency gains. For purposes of the PFIC income test and asset test described above, if Paysafe owns, directly or indirectly, 25% or more of the total value of the outstanding shares of another corporation, Paysafe will be treated as if it (a) held a proportionate share of the assets of such other corporation and (b) received directly a proportionate share of the income of such other corporation.

Paysafe is not currently expected to be treated as a PFIC for U.S. federal income tax purposes for this taxable year or for foreseeable future taxable years. This conclusion is a factual determination, however, that must be made annually at the close of each taxable year and, thus, is subject to change. There can be no assurance that Paysafe will not be treated as a PFIC for any taxable year.

If Paysafe were to be treated as a PFIC, U.S. holders holding Company Securities could be subject to certain adverse U.S. federal income tax consequences with respect to gain realized on a taxable disposition of such Company Securities (or shares of any Paysafe subsidiaries that are PFICs) and certain distributions received on such Company Securities (or shares of any Paysafe subsidiaries that are PFICs). Certain elections (including a mark-to-market election) may be available to U.S. holders to mitigate some of the adverse tax consequences resulting from PFIC treatment. U.S. holders should consult their tax advisors regarding the application of the PFIC rules to their investment in Company Securities.

Taxation of Distributions

A U.S. holder generally will be required to include in gross income the amount of any cash distribution paid on the Company Common Shares treated as a dividend. A cash distribution on such shares generally will be treated as a dividend for U.S. federal income tax purposes to the extent the distribution is paid out of Paysafe's current or accumulated earnings and profits (as determined under U.S. federal income tax principles). Such dividends paid by Paysafe will be taxable to a corporate U.S. holder at regular rates and will not be eligible for the dividends-received deduction generally allowed to domestic corporations in respect of dividends received from other domestic corporations.

Distributions in excess of such earnings and profits generally will be applied against and reduce the U.S. holder's basis in such holder's shares (but not below zero), and any excess will be treated as gain from the sale or exchange of such shares as described below under "—Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Company Common Shares and Company Warrants." It is not expected that Paysafe will determine earnings and profits in accordance with U.S. federal income tax principles. Therefore, U.S. holders should expect that a distribution will generally be treated as a dividend.

Any dividends received by a U.S. holder (including any withheld taxes) will be includible in such U.S. holder's gross income as ordinary income on the day actually or constructively received by such U.S. holder. Such dividends received by a non-corporate U.S. holder will not be eligible for the dividends received deduction allowed to corporations under the Code. With respect to non-corporate U.S. holders, certain dividends, referred to as "qualified dividend income," received from a "qualified foreign corporation" may be subject to reduced rates of taxation. A qualified foreign corporation includes a foreign corporation that is eligible for the benefits of a comprehensive income tax treaty with the United States that the U.S. Treasury Department determines to be satisfactory for these purposes and that includes an exchange of information provision. A foreign corporation is also treated as a "qualified foreign corporation" with respect to dividends paid by that corporation, on shares that are readily tradable on an established securities market in the United States. U.S. Treasury Department guidance indicates that Company Common Shares, which are intended to be listed on the NYSE, will be readily tradable on an established securities market in the United States. There can be no assurance, however, that Company Common Shares will be considered readily tradable on an established securities market in later years or that Paysafe will be eligible for the benefits of such a treaty. Non-corporate U.S. holders that do not meet a minimum holding period requirement during which they are not protected from the risk of loss or that elect to treat the dividend income as "investment income" pursuant to Section 163(d)(4) of the Code will not be eligible for the reduced rates of taxation regardless of Paysafe's status as a qualified foreign corporation. In addition, the rate reduction will not apply to dividends if the recipient of a dividend is obligated to make related payments with respect to positions in substantially similar or related property. This disallowance applies even if the minimum holding period has been met. U.S. holders should consult their own tax advisors regarding the application of these rules to their particular circumstances.

Non-corporate U.S. holders will not be eligible for reduced rates of taxation on any dividends received from Paysafe if it is a PFIC in the taxable year in which such dividends are paid or in the preceding taxable year (see "—Passive Foreign Investment Company Rules" above).

Gain or Loss on Sale, Taxable Exchange or Other Taxable Disposition of Company Common Shares and Company Warrants

Upon a sale or other taxable disposition of Company Securities and subject to the PFIC rules discussed above, a U.S. holder generally will recognize capital gain or loss in an amount equal to the difference between the amount realized and the U.S. holder's adjusted tax basis in the Company Securities.

Any such capital gain or loss generally will be long-term capital gain or loss if the U.S. holder's holding period for the Company Securities so disposed of exceeds one year. Long-term capital gains recognized by non-corporate U.S. holders will be eligible to be taxed at reduced rates. The deductibility of capital losses is subject to limitations. Generally, the amount of gain or loss recognized by a U.S. holder is an amount equal to the difference between (i) the sum of the amount of cash and the fair market value of any property received in such disposition and (ii) the U.S. holder's adjusted tax basis in its Company Common Securities so disposed of.

Exercise or Lapse of a Company Warrant

Except as discussed below with respect to the cashless exercise of a Company Warrant, a U.S. holder generally will not recognize gain or loss upon the acquisition of a Company Common Share on the exercise of a Company Warrant for cash. A U.S. holder's tax basis in a Company Common Share received upon exercise of the Company Warrant generally will be an amount equal to the sum of the U.S. holder's tax basis in the Company Warrant exchanged therefor and the exercise price. The U.S. holder's holding period for a Company Common Share received upon exercise of the Company Warrant will begin on the date following the date of exercise (or possibly the date of exercise) of the Company Warrant and will not include the period during which the U.S. holder held the Company Warrant. If a Company Warrant is allowed to lapse unexercised, a U.S. holder generally will recognize a capital loss equal to such holder's tax basis in such Company Warrant.

The tax consequences of a cashless exercise of a Company Warrant are not clear under current tax law. A cashless exercise may be tax-free, either because the exercise is not a gain realization event or because the exercise is treated as a recapitalization for U.S. federal income tax purposes. In either tax-free situation, a U.S. holder's basis in the Company Common Shares received would equal the holder's basis in the Company Warrants exercised therefor. If the cashless exercise were treated as not being a gain realization event, a U.S. holder's holding period in the Company Common Shares would be treated as commencing on the date following the date of exercise (or possibly the date of exercise) of the Company Warrants. If the cashless exercise were treated as a recapitalization, the holding period of the Company Common Shares would include the holding period of the Company Warrants exercised therefore. It is also possible that a cashless exercise of a Company Warrant could be treated in part as a taxable exchange in which gain or loss would be recognized. In such event, a U.S. holder would recognize gain or loss with respect to the portion of the exercised Company Warrants treated as converted to pay the exercise price of the Company Warrants (the "converted Company Warrants"). The U.S. holder would recognize capital gain or loss with respect to the converted Company Warrants in an amount generally equal to the difference between (i) the fair market value of the Company Common Shares that would have been received with respect to the converted Company Warrants in a regular exercise of the Company Warrants and (ii) the sum of the U.S. holder's tax basis in the converted Company Warrants and the aggregate cash exercise price of such Warrants (if they had been exercised in a regular exercise). In this case, a U.S. holder's tax basis in the Company Common Shares received would equal the U.S. holder's tax basis in the Company Warrants exercised plus (or minus) the gain (or loss) recognized with respect to the converted Company Warrants. A U.S. holder's holding period for the Company Common Shares would commence on the date following the date of exercise (or possibly the date of exercise) of the Company Warrants.

Due to the absence of authority on the U.S. federal income tax treatment of a cashless exercise of Company Warrants, there can be no assurance which, if any, of the alternative tax consequences and holding periods described above would be adopted by the IRS or a court of law. Accordingly, U.S. holders should consult their tax advisors regarding the tax consequences of a cashless exercise of Company Warrants.

Possible Constructive Distributions

The terms of each Company Warrant provide for an adjustment to the number of Company Common Shares for which the Company Warrant may be exercised or to the exercise price of the Company Warrant in certain events. An adjustment which has the effect of preventing dilution generally is not taxable. A U.S. holder of a Company Warrant would, however, be treated as receiving a constructive distribution from the Company if, for example, the adjustment increases the holder's proportionate interest in the Company's assets or earnings and profits (e.g., through an increase in the number of Company Common Shares that would be obtained upon exercise of such Company Warrant) as a result of a distribution of cash to the holders of the Company Common Shares which is taxable to the U.S. holders of such shares as described under "—Taxation of Distributions" above. Such constructive distribution would be subject to tax as described under that section in the same manner as if the U.S. holder of such Company Warrant received a cash distribution from the Company equal to the fair market value of such increased interest.

FATCA Reporting

Under FATCA, a 30% U.S. federal withholding tax may apply to payments of U.S.-source dividends paid to "foreign financial institutions" (which is broadly defined for this purpose and in general includes investment vehicles) and certain other non-U.S. entities unless various U.S. information reporting and due diligence requirements (generally relating to ownership by U.S. persons of interest in or accounts with those entities) have been satisfied, or an exemption applies. An intergovernmental agreement between the United States and the entity's jurisdiction may modify these requirements. If FATCA withholding is imposed, a beneficial owner that is not a foreign financial institution generally will be entitled to a refund of any amounts withheld by filing a U.S. federal income tax return containing the required information (which may entail significant administrative burden). Non-U.S. Holders are urged to consult their tax advisors regarding the application of FATCA to a redemption of Company Common Shares.

Reporting and Backup Withholding

Dividend payments with respect to the Company Common Shares and proceeds from the sale, exchange or redemption of the Company Securities may be subject to information reporting to the IRS and possible U.S. backup withholding. Backup withholding will not apply, however, to a U.S. holder who furnishes a correct taxpayer identification number and makes other required certifications, or who is otherwise exempt from backup withholding and establishes such exempt status. Backup withholding is not an additional tax. Amounts withheld as backup withholding may be credited against a U.S. holder's U.S. federal income tax liability, and a holder generally may obtain a refund of any excess amounts withheld under the backup withholding rules by timely filing the appropriate claim for refund with the IRS and furnishing any required information.

Individuals and certain domestic entities that are U.S. holders will be required to report information with respect to such U.S. holder's investment in "specified foreign financial assets" on IRS Form 8938, subject to certain exceptions. An interest in Paysafe constitutes a specified foreign financial asset for these purposes. Persons who are required to report specified foreign financial assets and fail to do

so may be subject to substantial penalties. U.S. holders are urged to consult with their tax advisors regarding the foreign financial asset reporting obligations and their application to Company's securities.

THE FOREGOING IS A SUMMARY OF THE MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES OF THE OWNERSHIP AND DISPOSITION OF COMPANY SECURITIES WITHOUT REGARD TO THE PARTICULAR FACTS AND CIRCUMSTANCES OF EACH HOLDER OF COMPANY SECURITIES. HOLDERS OF COMPANY SECURITIES ARE URGED TO CONSULT THEIR OWN TAX ADVISORS AS TO THE SPECIFIC TAX CONSEQUENCES TO THEM INCLUDING THE APPLICABILITY AND EFFECT OF U.S. FEDERAL, STATE, LOCAL, NON-U.S. AND OTHER TAX LAWS.

Certain United Kingdom Tax Considerations

The following statements are of a general nature and do not purport to be a complete analysis of all potential United Kingdom ("UK") tax consequences of acquiring, holding, and disposing of Company Common Shares and Company Warrants (collectively, the "Company Securities"). They are based on current UK tax law (including rates of tax) and on the current published practice of Her Majesty's Revenue and Customs ("HMRC") (which may not be binding on HMRC), as of the date hereof, all of which are subject to change, possibly with retrospective effect. They are intended to address only certain UK tax consequences for holders of Company Securities who are not tax resident in the UK, who are the absolute beneficial owners of their Company Securities (and any dividends paid on them) and who hold their Company Securities as investments (other than in an individual savings account or a self-invested personal pension). They do not address the UK tax consequences which may be relevant to certain classes of holders of Company Securities such as traders, brokers, dealers, banks, financial institutions, insurance companies, investment companies, collective investment schemes, tax-exempt organizations, trustees, persons connected with Paysafe or any member of a group of which Paysafe forms part, persons holding their Company Securities as part of hedging or conversion transactions, shareholders who have (or are deemed to have) acquired their Company Securities by virtue of an office or employment, and shareholders who are or have been officers or employees of Paysafe or a company forming part of a group of which Paysafe forms part. The statements do not apply to any shareholder who directly or indirectly holds or controls 10% or more of Paysafe's share capital (or class thereof), voting power or profits.

The following is intended only as a general guide and is not intended to be, nor should it be considered to be, legal or tax advice to any particular prospective subscriber for, or purchaser of, Company Securities.

Accordingly, prospective subscribers for, or purchasers of, Company Securities who are in any doubt as to their tax position regarding the acquisition, ownership or disposition of Company Securities or who are tax resident in the UK should consult their own tax advisers.

The Company

It is the intention that the affairs of Paysafe will be conducted so that the central management and control of Paysafe is exercised in the UK and, as a result, that it will be treated as a resident in the UK for UK tax purposes.

Taxation of dividends paid on Company Common Shares

Withholding tax

Paysafe will not be required to withhold UK tax at source when paying dividends.

Income tax

An individual holder of Company Common Shares who is not resident for tax purposes in the UK should not be chargeable to UK income tax on dividends received from Paysafe, unless he or she carries on (whether solely or in partnership) any trade, profession, or vocation in the UK through a branch or agency in the UK to which their Company Common Shares are attributable. There are certain exceptions for trading in the UK through independent agents, such as some brokers and investment managers.

Corporation tax

Corporate holders of Company Common Shares who are not resident for tax purposes in the UK but who are carrying on a trade in the UK through a permanent establishment in the UK in connection with which Company Common Shares are used or held, should not be subject to UK corporation tax on any dividend received from Paysafe so long as the dividends qualify for exemption and certain conditions are met (including anti-avoidance conditions). Corporate holders of Company Common Shares who are not resident in the UK and who are not carrying on a trade in the UK through a permanent establishment in the UK in connection with which Company Common Shares are used or held or acquired will not generally be subject to UK corporation tax on dividends.

A holder of Company Common Shares who is resident outside the UK may be subject to non-UK taxation on dividend income under local law.

Taxation of Disposal of Company Securities

Holders of Company Securities who are not resident in the UK and, in the case of an individual shareholder, not temporarily non-resident, should not be liable for UK tax on capital gains realized on a sale or other disposal of Company Securities unless such Company Securities are used, held or acquired for the purposes of a trade, profession or vocation carried on in the UK through a branch or agency in the UK or, in the case of a corporate holder of Company Securities used, held, or acquired for the purposes of a trade carried on in the UK through a permanent establishment in the UK. Holders of Company Securities who are not resident in the UK may be subject to non-UK taxation on any gain under local law.

Generally, an individual holder of Company Securities who has ceased to be resident in the UK for UK tax purposes for a period of five years or less and who disposes of Company Securities during that period may be liable on their return to the UK to UK taxation on any capital gain realized (subject to any available exemption or relief).

UK Stamp Duty (“stamp duty”) and UK Stamp Duty Reserve Tax (“SDRT”)

The statements in this section are intended as a general guide to the current position relating to UK stamp duty and SDRT and apply to any holders of Company Securities irrespective of their place of tax residence.

No stamp duty or SDRT will be payable on the issue of Company Common Shares (including the issue of Company Common Shares upon exercise of the Company Warrants).

Stamp duty will technically be payable on any instrument of transfer of Company Securities that is executed in the UK or that relates to any property situated, or to any matter or thing done or to be done, in the UK and the stamp duty position for any transfer will therefore depend on the circumstances of transfer. An exemption from stamp duty is available on an instrument transferring Company Securities where the amount or value of the consideration is £1,000 or less and it is certified on the instrument that the transaction effected by the instrument does not form part of a larger transaction or series of transactions in respect of which the aggregate amount or value of the consideration exceeds £1,000. Holders of Company Securities should be aware that, even where an instrument of transfer is technically subject to stamp duty, stamp duty is not required to be paid unless it is necessary to rely on the instrument for legal purposes, for example to register a change of ownership or in litigation in a UK court. As a practical matter, so long as the register of holders of Company Securities is maintained outside the UK, generally, a purchaser of the Company Securities may not have to pay stamp duty.

Paysafe currently does not intend that any register of holders of the Company Securities will be maintained in the UK and it does not intend that the Company Securities will be paired with any shares issued by a UK incorporated company. Whilst this remains the case, any agreement to transfer Company Securities will not be subject to SDRT.

F. Dividends and Paying Agents

H. Documents on Display

We are subject to certain of the informational filing requirements of the Exchange Act. As a foreign private issuer, we are not subject to all of the disclosure requirements applicable to public companies organized within the United States. For example, we are exempt from certain rules under the Exchange Act that regulate disclosure obligations and procedural requirements related to the solicitation of proxies, consents or authorizations applicable to a security registered under the Exchange Act, including the U.S. proxy rules under Section 14 of the Exchange Act. In addition, our officers and directors are exempt from the reporting and “short-swing” profit recovery provisions of Section 16 of the Exchange Act and related rules with respect to their purchases and sales of our securities. Moreover, while we expect to submit quarterly interim consolidated financial data to the SEC under cover of the SEC’s Form 6-K, we will not be required to file periodic reports and financial statements with the SEC as frequently or as promptly as U.S. public companies and will not be required to file quarterly reports on Form 10-Q or current reports on Form 8-K under the Exchange Act. The SEC maintains a website at <http://www.sec.gov> that contains reports and other information that we file with or furnish electronically with the SEC.

On August 18, 2020, a registration statement on Form S-1 (File No. 333-240285) relating to the initial public offering of FTAC was declared effective by the SEC (the “IPO Registration Statement”). On August 21, 2020, FTAC consummated the IPO of 130,000,000 units (the “Units”). Each Unit consisted of one share of FTAC Class A common stock, par value \$0.0001 per share, and one-third of one redeemable warrant of FTAC, each whole warrant entitling the holder thereof to purchase one share of FTAC Class A Common Stock at an exercise price of \$11.50 per share. The units were sold at a price of \$10.00 per share, generating gross proceeds to FTAC of \$1,300,000,000 (the “IPO Proceeds”). On August 26, 2020, FTAC consummated the sale of an additional 16,703,345 over-allotment units pursuant to the IPO underwriters’ partial exercise of their over-allotment option. Such over-allotment units were sold at \$10.00 per unit, generating gross proceeds to FTAC of \$167,033,450 (together with the IPO Proceeds, the “Initial Proceeds”). Following the IPO, the partial exercise of the over-allotment option and the sale of the Private Placement Warrants, a total of \$1,467,033,450 was placed in the Trust Account. In connection with the IPO, \$81,571,477 in transaction costs were incurred, including \$29,340,669 of underwriting fees, \$51,346,171 of deferred underwriting fees and \$884,637 of other offering costs. The Initial Proceeds were placed in a U.S.-based trust account at JP Morgan Chase Bank, N.A., maintained by Continental Stock Transfer & Trust Company, acting as trustee, and ultimately were used as consideration to fund the Transaction as set forth on the Registration Statement on Form F-4 (File No. 333-251552), declared effective by the SEC on February 26, 2021. Credit Suisse Securities (USA) LLC and BofA Securities, Inc. acted as underwriters in the IPO.

ITEM 15. CONTROL AND PROCEDURES

A. Disclosure Controls and Procedures

We maintain disclosure controls and procedures (as such term is defined in Rule 13a-15(e) and 15d-15(e) under the Exchange Act) designed to provide reasonable assurance that information required to be disclosed in the Company's reports under the Exchange Act, as amended, is recorded, processed, summarized and reported within the time period specified in the SEC's rules and forms, and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosures.

Our management, under the supervision and with the participation of our Chief Executive Officer and Chief Financial Officer, has performed an evaluation of the effectiveness of our disclosure controls and procedures as of the end of the period covered by this Annual Report.

Based on such evaluation, our Chief Executive Officer and Chief Financial Officer concluded that our disclosure controls and procedures were effective as of December 31, 2021.

Previously Identified Material Weaknesses in Internal Control over Financial Reporting

Prior to the Transaction, we were a private company, growing organically and by acquisition, with limited accounting personnel and other resources with which we address our internal control over financial reporting. Regulations under the Exchange Act, however, require public companies, including us, to maintain "disclosure controls and procedures," which are defined in Rule 13a-15(e) and Rule 15d-15(e) of the Exchange Act to mean a company's controls and other procedures that are designed to ensure that information required to be disclosed in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms. Our independent registered public accounting firms have not conducted an audit of our internal control over financial reporting. However, in connection with the audits of our consolidated financial statements as of and for the year ended December 31, 2020, we and our prior independent registered public accounting firm identified material weaknesses in our internal control over financial reporting.

As defined in the standards established by the U.S. Public Company Accounting Oversight Board, a "material weakness" is a deficiency, or combination of deficiencies, in internal control over financial reporting, such that there is a reasonable possibility that a material misstatement of the annual or interim consolidated financial statements will not be prevented or detected on a timely basis.

As previously disclosed in our Annual Report on Form 20-F for the year end December 31, 2020, management identified the following material weaknesses, affecting the components of the Internal Control—Integrated Framework (2013) by the Committee of Sponsoring Organization of the Treadway Commission ("COSO 2013"), which caused management to conclude that as of December 31, 2020 we did not maintain an effective control framework because of:

- Inadequate controls over key accounting judgment areas including capitalized development costs and purchase price allocations; and
- Insufficient review of the completeness and accuracy of data inputs associated with certain key controls impacting multiple financial statement account balances and disclosures.

During the fiscal year ended December 31, 2021, our management, with oversight from the Audit Committee of the Company Board (the "Audit Committee"), developed and implemented remediation plans in response to the identified material weaknesses described above. These remediation plans included the implementation of additional controls and procedures to address the development and review of fair value measurements utilized in the application of the acquisition method of accounting for business combinations and review of key judgments around capitalized development costs. These plans also included the hiring of additional qualified accounting and financial reporting personnel, additional training, and further improvement of our internal control framework including key systems. Further, we systematically identified all key data inputs used in the performance of all key controls over financial reporting, in order to implement controls over the completeness and accuracy of these key data inputs. We completed the testing of the design and operating effectiveness of these new controls and procedures during the quarter ended December 31, 2021. Based on the results of procedures performed, management concluded that the previously identified material weaknesses have been remediated as of December 31, 2021.

See "Item 3.D. Risk Factors." The process of designing and implementing an effective financial reporting system is a continuous effort that requires us to anticipate and react to changes in our business and the economic and regulatory environments and to expend resources to maintain a financial reporting system that is adequate to satisfy our reporting obligations. As we continue to evaluate and take actions to improve our internal control over financial reporting, we may determine to take additional actions to address control deficiencies or determine to modify certain of the remediation measures described above. We cannot assure you that the measures we have taken to date, or any measures we may take in the future, will be sufficient to remediate the material weaknesses we have identified or avoid potential future material weaknesses.

B. Management's Report on Internal Controls over Financial Reporting

Management of the Company is responsible for establishing and maintaining internal control over financial reporting as defined in Rules 13a-15(f) and 15(d)-15(f) of the Securities Exchange Act of 1934. The Company's internal control over financial reporting is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. Internal control over financial reporting includes maintaining records that in reasonable detail accurately and fairly reflect our transactions; providing reasonable assurance that transactions are recorded as necessary for preparation of our financial statements; providing reasonable assurance that receipts and expenditures are made in accordance with management authorization; and providing reasonable assurance that unauthorized acquisition, use or disposition of Company assets that could have a material effect on our financial statements would be prevented or detected on a timely basis. Because of its inherent limitations, internal control over financial reporting may not prevent or detect misstatements and can provide only reasonable assurance with respect to financial statement preparation and presentation. Also, projections of any evaluation of effectiveness to future periods are subject to the risk that controls may become inadequate because of changes in conditions, or that the degree of compliance with policies or procedures may deteriorate. Management assessed the effectiveness of the Company's internal control over financial reporting as of December 31, 2021. In making this assessment management used the criteria set forth by the Committee of Sponsoring Organizations of the Treadway Commission in Internal Control - Integrated Framework (2013). Based on our assessment and the criteria discussed above, management has concluded that the Company's internal control over financial reporting is effective as of December 31, 2021.

C. Attestation Report of Registered Public Accounting Firm

This annual report does not include an attestation report of our registered public accounting firm, due to a transition period established by rules of the SEC for newly public companies.

D. Effect of Changes in Internal Controls Over Financial Reporting

Changes in internal controls over financial reporting that had a material effect on internal controls over financial reporting are disclosed in "A. Disclosure Controls and Procedures" above. Other than those described above, there were no changes in our internal control over financial reporting (as such term is defined in Rules 13a-15(f) and 15d-15(f) under Exchange Act) that occurred during the period covered by this Annual Report that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Item 16A. Audit Committee Financial Expert

Our Board of Directors has determined that Dagmar Kollmann is an "audit committee financial expert" as defined in Item 16A of Form 20-F under the Exchange Act and that Ms. Kollmann satisfies the "independence" requirements set forth in Rule 10A-3 under the Exchange Act and NYSE listing standards.

Item 16B. Code of Ethics

In connection with the consummation of the Transaction, we adopted the Paysafe Code, which applies to all of our officers, directors and employees and sets forth our Company's values as well as certain policies and procedures related to, among other things, risk management and control, information management, privacy, information security, conflicts of interest, anti-corruption and financial reporting. We also adopted a Code of Business Conduct and Ethics that applies to our principal executive officer, principal financial officer, principal accounting officer and controller, or persons performing similar functions, each of which will be posted on our website. Our Code of Business Conduct and Ethics is a "code of ethics," as defined in Item 406(b) of Regulation S-K. We will make any legally required disclosures regarding amendments to, or waivers of, provisions of our Code of Business Conduct and Ethics on our website. The information contained on, or accessible from, our website is not part of this prospectus by reference or otherwise.

These services may include audit services, audit-related services, tax services and other services. The Audit Committee Chair may also pre-approve particular services on a case-by-case basis within a de minimis threshold. We do not rely on any exemptions from the independence standards for our audit committee.

ITEM 16E. PURCHASES OF EQUITY SECURITIES BY THE ISSUER AND AFFILIATED PURCHASERS.

During the fiscal period ended December 31, 2021 no purchases of our equity securities were made by or on behalf of the Company or any affiliated purchaser.

ITEM 16F. CHANGE IN REGISTRANT'S CERTIFYING ACCOUNTANT

On July 19, 2021, the Audit Committee, approved the engagement of Deloitte & Touche LLP ("Deloitte US"), as the Company's independent registered public accounting firm for the year ending December 31, 2021, and dismissed Deloitte LLP ("Deloitte UK") as the Company's independent registered public accounting firm, each effective immediately.

Deloitte UK's audit reports on the Company's consolidated financial statements as of and for the fiscal years ended December 31, 2020 and 2019 did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2021 and 2020, there were (i) no disagreements (as described in Item 16F of Form 20-F and the related instructions) between the Company and Deloitte UK in any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to Deloitte UK's satisfaction, would have caused Deloitte UK to make reference thereto in their reports on the financial statements for such years, and (ii) no "reportable events" within the meaning of Item 304(a)(1)(v) of Regulation S-K, except that our internal control over financial reporting was not effective due to the existence of material weaknesses in our internal control over financial reporting as of December 31, 2020 and 2019 as disclosed in Item

15A within this report. The Audit Committee discussed the material weaknesses with Deloitte UK, and the Company has authorized Deloitte UK to respond fully to Deloitte US's inquiries concerning the subject matter of the material weakness.

During the fiscal year ended December 31, 2020 and through July 19, 2021, neither the Company nor anyone acting on its behalf consulted with Deloitte US regarding either: (i) the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on its financial statements, and neither a written report nor oral advice was provided to the Company that Deloitte concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement or a reportable event

ITEM 16G. CORPORATE GOVERNANCE

We are a “foreign private issuer” under applicable U.S. federal securities laws. As a result, we are permitted to follow certain corporate governance rules that conform to Bermuda requirements in lieu of certain NYSE corporate governance rules. The Company Bye-laws do not require shareholder approval for the issuance of authorized but unissued shares, including (i) in connection with the acquisition of shares, stock or assets of another company; (ii) when it would result in a change of control; (iii) when a share option or purchase plan is to be established or materially amended or other equity compensation arrangement made or materially amended, pursuant to which shares may be acquired by officers, directors, employees, or consultants; or (iv) in connection with certain private placements. To this extent, our practice varies from the requirements of the corporate governance standards of NYSE, which generally requires an issuer to obtain shareholder approval for the issuance of securities in connection with such events. While we do not currently intend to rely on any other home country accommodations, for so long as we qualify as a foreign private issuer, we may take advantage of them. In addition, unlike the corporate governance requirements of the NYSE, our “home country” corporate governance practices do not require us to (i) have a board that is composed of a majority of “independent directors” as defined under the rules of the NYSE; (ii) have a compensation committee that is composed entirely of independent directors; and (iii) have a nominating and corporate governance committee that is composed entirely of independent directors. For as long as we qualify as a foreign private issuer, we may take advantage of these exemptions.

Controlled Company Status

We are a “controlled company” as defined under the NYSE. For so long as we remain a controlled company under that definition, we are permitted to elect to rely, and may rely, on certain exemptions from corporate governance rules, including an exemption from the rule that a majority of our board of directors must be independent directors or that we establish a nominating committee and a compensation.

Please refer to Item 6.C. “Directors, Senior Management and Employees—Board Practices” for further information about our corporate governance features.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the shareholders and the Board of Directors of Paysafe Limited

Opinion on the Financial Statements

We have audited the accompanying consolidated statement of financial position of Paysafe Limited and subsidiaries (the "Company") as of December 31, 2021, the related consolidated statements of comprehensive loss, shareholders' equity, and cash flows, for the year then ended, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2021, and the results of its operations and its cash flows for the year then ended December 31, 2021, in conformity with accounting principles generally accepted in the United States of America.

The financial statements of the Company for the years ended December 31, 2020 and 2019, before the effects of the retrospective adjustments to the disclosures for a change in the composition of reportable segments discussed in Note 21 to the financial statements and a change to net loss per share attributable to the Company discussed in Note 3 to the financial statements, were audited by other auditors whose report, dated March 29, 2021, expressed an unqualified opinion on those statements. We also have audited the adjustments to the 2020 and 2019 financial statements to retrospectively adjust the disclosures for a change in the composition of reportable segments in 2021 as discussed in Note 21 to the financial statements and the recasting of net loss per share attributable to the Company in 2020 and 2019 as discussed in Note 3 to the financial statements. Our procedures included evaluating the appropriateness of the new segment classification, comparing the adjustment amounts of segment revenues and Adjusted EBITDA to the Company's underlying analysis and testing the mathematical accuracy of the reconciliations of segment amounts to the financial statements, comparing the net loss per share attributable to the Company disclosures for 2020 and 2019 to the Company's underlying analysis and testing the underlying analysis. In our opinion, such retrospective adjustments are appropriate and have been properly applied. However, we were not engaged to audit, review, or apply any procedures to the 2020 and 2019 financial statements of the Company other than with respect to the retrospective adjustments, and accordingly, we do not express an opinion or any other form of assurance on the 2020 and 2019 financial statements taken as a whole.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit, we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Critical Audit Matters

The critical audit matters communicated below are matters arising from the current-period audit of the financial statements that were communicated or required to be communicated to the audit committee and that (1) relate to accounts or disclosures that are material to the financial statements and (2) involved our especially challenging, subjective, or complex judgments. The communication of critical audit matters does not alter in any way our opinion on the financial statements, taken as a whole, and we are not, by communicating the critical audit matters below, providing separate opinions on the critical audit matters or on the accounts or disclosures to which they relate.

Reorganization and Recapitalization — Refer to Note 1 and Note 2 to the financial statements

Critical Audit Matter Description

On March 30, 2021, the Company completed a reorganization and recapitalization transaction as described in Note 2 (the “Transaction”). The acquisition of the Accounting Predecessor was accounted for as a capital reorganization whereby Paysafe Limited was the successor to Pi Jersey 1.5 Holdco Limited. The capital reorganization was immediately followed by the merger with another entity (“FTAC”). As FTAC was not recognized as a business under GAAP given it consisted primarily of cash held in a trust account, the merger was treated as a recapitalization. Under this method of accounting, the ongoing financial statements of Paysafe Limited reflect the net assets of the Accounting Predecessor and FTAC at historical cost, with no additional goodwill recognized.

As part of the Transaction, the Company issued 48,901,025 public warrants and 5,000,000 private warrants. The Company accounts for warrants as derivative liabilities as they are freestanding instruments with provisions that preclude them from being indexed to the Company’s stock. The warrants were initially recorded at fair value on the closing date of the Transaction based on the public warrants listed trading price and are re-measured at fair value each reporting period.

We identified the determination of the accounting acquirer and classification of the warrants from the Transaction as a critical audit matter due to the complexity of the Transaction. This required an increased extent of effort including the need for us to involve professionals in our firm with expertise in accounting for special purpose acquisition company (SPAC) transactions.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to the Company’s application of generally accepted accounting principles related to the determination of the accounting acquirer and classification of the warrants from the Transaction resulting from the Company’s reorganization included the following, among others:

- With the assistance of professionals in our firm having expertise in the accounting for SPAC transactions, we evaluated the completeness of consideration of all contractual terms by management and independently evaluated each of those terms with the relevant accounting guidance for consistency with management’s conclusions regarding the accounting acquirer and the classification of the warrants.

Finite-lived Intangible Assets - Digital Commerce Segment — Refer to Notes 1 and 6 to the financial statements

Critical Audit Matter Description

As described in Note 6 to the financial statements, the Company’s consolidated balance of finite-lived intangible assets, net was \$1.2 billion as of December 31, 2021.

The Company performs an impairment analysis on intangibles assets with finite lives when events and circumstances have occurred that would indicate the carrying amount of intangible assets may not be recoverable. Due to reduced forecasted cash flows within the Digital Commerce segment, the Company concluded that an impairment indicator for certain intangible assets was present within the Digital Commerce segment as of September 30, 2021. As a result, an impairment analysis on Digital Commerce segment intangible assets was performed as of September 30, 2021 and based on an undiscounted cash flow model, it was determined that certain of these assets were not recoverable. The Company recorded impairment charge of \$324.1 million during the period, primarily within the Digital Commerce segment. In calculating the impairment loss, management determined the fair value of these individual assets based on a discounted cash flow model for merchant relationships and relief from royalty method for certain brands using Level 3 inputs.

We identified the impairment of certain finite-lived intangible assets as a critical audit matter because the determination of fair value of intangible assets requires management to make significant estimates and assumptions relating to the forecast of attrition rates and the selection of discount rates. The audit procedures to evaluate the reasonableness of such estimates and assumptions required a high degree of auditor judgment and an increased extent of effort, including the need to involve our fair value specialists.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to the forecast of attrition rates and the selection of discount rates used by management to determine the fair value of intangible assets included the following, among others:

- We evaluated the reasonableness of management’s forecast of attrition rates by (1) comparing actual attrition rates to management’s historical forecasts and (2) reviewing internal communications to management and the Board of Directors.
- We evaluated the completeness of management’s consideration of potential changes in regulations that would directly impact attrition rates.

- With the assistance of our fair value specialists, we evaluated the reasonableness of the valuation methodology and discount rates by developing a range of independent estimates and comparing to those selected by management.

Goodwill — Refer to Notes 1 and 5 to the financial statements

Critical Audit Matter Description

As described in Note 5 to the financial statements, the Company’s consolidated balance of goodwill was \$3.7 billion as of December 31, 2021. Goodwill is tested for impairment as of October 1st, or when events and circumstances have occurred that would indicate the carrying amount of goodwill exceeds its fair value.

Management estimates the fair value of each individual reporting unit for the impairment analysis based upon discounted cash flow forecasts and market participant assumptions. The Company’s estimation of fair value required management to make significant estimates and assumptions related to cash flow growth, exit multiples, and discount rates. Changes in these assumptions could have a significant impact on either the carrying value of goodwill, the amount of any impairment charge, or both.

We identified the impairment evaluation of goodwill as a critical audit matter because of the significant judgements involved in estimating projected revenues related to cash flow growth, exit multiples, and discount rates and auditing such estimates required significant auditor judgement and extensive audit effort to evaluate the reasonableness of those estimates, including the involvement of internal fair value specialists.

How the Critical Audit Matter Was Addressed in the Audit

Our audit procedures related to projected revenues, exit multiples, and discount rates used by management to estimate the fair value of the reporting units included the following, among others:

- We evaluated management’s ability to accurately forecast future revenues by comparing actual results to management’s historical forecasts.
- We evaluated the reasonableness of management’s projected revenues by comparing to (1) internal communications to management and the Board of Directors, and (2) forecasted information included in Company press releases as well as in analyst and industry reports for the Company and companies in its peer group.
- With the assistance of our fair value specialists, we evaluated the reasonableness of the valuation methodology, and reasonableness of the discount rates and exit multiples by:
 - Testing the source information underlying the determination of the discount rates and the mathematical accuracy of the calculation.
 - Testing the source information underlying the determination of the exit multiples and the mathematical accuracy of the calculation, and comparing the multiples selected by management to its guideline companies.
 - Developing a range of independent estimates and comparing those to the discount rates and exit multiples selected by management.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the shareholders and the Board of Directors of Pi Jersey Holdco 1.5 Limited (predecessor of Paysafe Limited) and subsidiaries.

Opinion on the Financial Statements

We have audited, before the effects of the retrospective adjustments to the disclosures for a change in the composition of reportable segments discussed in Note 21 to the consolidated financial statements, the reallocation of goodwill among reporting units discussed in Note 5 to the consolidated financial statements, and a change to net loss per share attributable to the Company discussed in Note 3 to the consolidated financial statements, the consolidated statement of financial position of Pi Jersey Holdco 1.5 Limited and subsidiaries (the "Company") as of December 31, 2020, the related consolidated statements of comprehensive loss, shareholder's equity, and cash flows, for each of the two years in the period ended December 31, 2020, and the related notes (collectively referred to as the "financial statements"). In our opinion, the financial statements, before the effects of the retrospective adjustments to the disclosures for a change in the composition of reportable segments discussed in Note 21 to the financial statements, the reallocation of goodwill among reporting units discussed in Note 5 to the consolidated financial statements, and a change to net loss per share attributable to the Company discussed in Note 3 to the consolidated financial statements, present fairly, in all material respects, the financial position of the Company as of December 31, 2020, and the results of its operations and its cash flows for each of the two years in the period ended December 31, 2020, in conformity with accounting principles generally accepted in the United States of America.

We were not engaged to audit, review, or apply any procedures to the adjustments to retrospectively apply the change in the composition of reportable segments discussed in Note 21 to the financial statements, the reallocation of goodwill among reporting units discussed in Note 5 to the consolidated financial statements, and a change to net loss per share attributable to the Company discussed in Note 3 to the consolidated financial statements, and accordingly we do not express an opinion or any other form of assurance about whether such retrospective adjustments are appropriate and have been properly applied. Those retrospective adjustments were audited by other auditors.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audits. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audits in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audits, we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audits included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audits also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audits provide a reasonable basis for our opinion.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
(U.S. dollars in thousands)

1. Basis of presentation and summary of significant accounting policies

Description of the Business and Basis of Presentation

In these Consolidated Financial Statements and related notes, Paysafe Limited and its consolidated subsidiaries are referred to collectively as “Paysafe,” “we,” “us,” and “the Company” unless the context requires otherwise. Paysafe is a leading global provider of end-to-end payment solutions. Our core purpose is to enable businesses and consumers to connect and transact seamlessly through our payment platforms.

Paysafe Limited was originally incorporated as an exempted limited company under the laws of Bermuda on November 23, 2020 for purposes of acquiring Foley Trasimene Acquisition Corp. II (“FTAC”). FTAC was originally incorporated in the State of Delaware on July 15, 2020 as a special purpose acquisition company for the purpose of effecting a merger, capital stock exchange, asset acquisition, stock purchase, recapitalization, reorganization or similar transaction with one or more businesses. FTAC completed its Initial Public Offering (“IPO”) in August 2020.

On December 7, 2020, Paysafe Limited, FTAC, Merger Sub Inc., (a Delaware corporation and direct, wholly owned subsidiary of Paysafe Limited, herein referred to as “Merger Sub”), Paysafe Bermuda Holding LLC (a Bermuda exempted limited liability company and direct, wholly owned subsidiary of Paysafe Limited, herein referred to as “LLC”), Pi Jersey Holdco 1.5 Limited (a private limited company incorporated under the laws of Jersey, Channel Islands on November 17, 2017, herein referred to as “Legacy Paysafe” or “Accounting Predecessor”), and Paysafe Group Holdings Limited (a private limited company incorporated under the laws of England and Wales, herein referred to as “PGHL”), entered into a definitive agreement and plan of merger which was consummated on March 30, 2021. This is further discussed in Note 2 under Reorganization and Recapitalization (the “Transaction”). In connection with the Transaction, the Company’s common shares and warrants were listed on the New York Stock Exchange under the symbols PSFE and PSFE.WS, respectively.

Prior to the Transaction, Legacy Paysafe was a direct, wholly owned subsidiary of Paysafe Group Holdings Limited and was primarily owned by funds advised by affiliates of CVC Capital Partners (such funds collectively, “CVC”) and The Blackstone Group Inc. (“Blackstone”). This ownership was through the ultimate parent entity, Pi Jersey Topco Limited (“Topco” or the “Ultimate Parent”), who directly wholly owns PGHL. As a result of the Transaction, Legacy Paysafe is a wholly owned subsidiary of the Company. Subsequent to the Transaction, Topco, CVC and Blackstone retain ownership in the Company.

The accompanying Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

COVID-19 Impacts

In March 2020, an outbreak of a novel strain of the coronavirus (referred to as COVID-19) occurred and developed such that on March 11, 2020, the World Health Organization has characterized the outbreak as a pandemic. As a result of the COVID-19 pandemic, we experienced slowed growth or decline in new demand for our products and services and lower demand from our existing merchants, which contributed, in part, to intangible impairments and an increase in expected credit losses in the prior year. The Company continues to revise and update the carrying values of its assets or liabilities based on estimates, judgments and circumstances of which it is aware. While the COVID-19 pandemic continues to have ongoing global effects, for the year ended December 31, 2021, there have been no material impacts on our estimates, but facts and circumstances could change and impact our estimates and affect our results of operations in future periods.

Principles of consolidation

The accompanying consolidated financial statements for the year ended December 31, 2021 include the accounts of the Company, and its subsidiaries after giving effect to the transaction with FTAC completed on March 30, 2021. The comparative financial information for the years ended December 31, 2020 and 2019 is based upon the accounts of Pi Jersey Holdco 1.5 Limited as included on Form 20-F filed on April 1, 2021, prior to giving effect to the Transaction. Prior to the Transaction, Paysafe Limited had no material operations, assets or liabilities.

All intercompany transactions have been eliminated in consolidation. In the opinion of management, all adjustments, consisting of normal recurring adjustments, necessary for the fair statement of the Company’s financial position, results of operations and cash flows have been included.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make certain estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements, as well as the reported amounts of revenues and expenses during the reported period. Actual results could differ materially from those estimates.

The Company's significant estimates relate to allocation of the purchase price paid for acquired businesses, revenue recognition, impairment testing of goodwill and intangible assets, credit losses, income taxes, and litigation provision.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Variable Interest Entities

A variable interest entity ("VIE") is an entity in which the equity investors as a group lack the power through voting or similar rights to direct the activities of such entity that most significantly impact such entity's economic performance or the equity investment at risk is insufficient to finance that entity's activities without additional subordinated financial support.

The Company will be considered to have a controlling financial interest and will consolidate a VIE if it has both (i) the power to direct the activities of the VIE that most significantly impact the VIE's economic performance and (ii) the obligation to absorb losses of the VIE or the right to receive benefits from the VIE that could potentially be significant to the VIE.

The Company has a variable interest in Skrill USA, a company that provides digital wallet services to U.S. customers. Under the terms of a 2015 agreement for the sale and purchase of the original family of Skrill-related entities, Skrill USA was fully separated from Paysafe ownership as a result of U.S. regulatory considerations. Skrill Ltd, an entity of Paysafe, has a market support arrangement which supports the business and operations of Skrill USA for the purpose of expanding the Skrill brand and business in the U.S. market. In addition, Skrill Ltd and Optimal Payment Services Inc., both Paysafe entities, have an outsourcing arrangement with Skrill USA for a license to offer money transfer and related services in the U.S. market. Through these arrangements, the Company assumes all or a portion of the risk and cost of the operations of Skrill USA representing a variable interest. These arrangements also provide the Company with economic interest in Skrill USA, as well as implied power in making significant decisions through its partnerships with certain products, overall strategic advice, operating support, and use of Company technology. As a result, Skrill USA was determined to be a VIE and the Company deemed the primary beneficiary. The assets, liabilities, and results of operations of Skrill USA are consolidated in the Company's consolidated financial statements.

However, as the Company has no direct equity ownership in Skrill USA, 100% of the equity (net assets) and results of operations are presented as a non-controlling interest in the Company's consolidated financial statements. Non-controlling interests include the portion of equity (net assets) in a subsidiary not attributable, directly or indirectly, to the Company.

During January 2022, the Company completed its agreement with Skrill-related entities by which it acquired 100% of the equity interest of Skrill USA. As a result, Skrill USA will be accounted for as a wholly owned subsidiary and will no longer represent a VIE or non-controlling interest to the Company subsequent to December 31, 2021. The change in ownership will be accounted for as an equity transaction, with no gain or loss recognized, and the carrying amount of the non-controlling interest will be adjusted to reflect the change in ownership interest.

Customer accounts and other restricted cash, net

Under the Company's regulatory requirements, the Company is required to safeguard customer funds that have been received either in exchange for electronic money ("e-money") issued or within the transaction settlement cycle to merchants. Such amounts are recorded in Customer accounts and other restricted cash in our Consolidated Statements of Financial Position, as described below.

Depending on the underlying regulations, the Company may satisfy these safeguarding requirements by either placing qualifying liquid assets in a segregated bank account, by insuring the funds with an authorized insurer or by obtaining guarantees from authorized credit institution. Customer accounts and other restricted cash include cash on hand and liquid investments with a maturity of three months or less when purchased.

As of December 31, 2021, \$387,456 of cash held in escrow related to the draw down of the USD Incremental Term Loan is presented within "Customer accounts and other restricted cash." This cash was restricted from use until the completion of the SafetyPay acquisition which completed in the first quarter of 2022 (See Note 19). This has been presented as a financing inflow in the Consolidated Statements of Cash Flows.

Settlement receivables, net

Settlement receivables, net include balances arising from timing differences in the Company's settlement process between the cash settlement of a transaction and the recognition of the associated liability (for example, liabilities to customers and merchants). These balances mainly arise in the Digital Commerce segment. When customers fund their digital wallet account using their bank account or a credit card or debit card, there is a clearing period before the cash is received or settled, usually within 5 business days.

Settlement receivables, net also includes receivables from distribution partners within Digital Commerce. These receivables represent amounts collected by the distribution partners in exchange for the issuance of a prepaid payment voucher, prior to settlement with the Company.

The Company had settlement receivables, net from the following parties:

	As of December 31,	
	2021	2020
Third party payment processors	\$ 78,058	\$ 127,619
Distribution partners	71,794	95,464
Total	<u>\$ 149,852</u>	<u>\$ 223,083</u>

Settlement receivables are initially measured at fair values and subsequently measured at their amortized cost less allowance for credit losses. Refer to *Allowance for credit losses* below for the measurement of the allowance for credit losses.

Accounts receivable

Accounts receivable includes receivables mainly from US Acquiring merchants that represent processing revenues earned but not yet collected. Refer to *Allowance for credit losses* below for the measurement of the allowance for credit losses. Accounts receivable are classified as current assets if receipts are due within one year or less. If not, they are presented as non-current assets. Accounts receivable, net including receivables from payment processing merchants that represent processing revenues earned but not yet collected, are initially measured at fair value and subsequently measured at their amortized cost less allowance for expected credit losses.

Allowance for credit losses

The Company has exposure to credit losses for financial assets including customer accounts and other restricted cash, settlement receivables, accounts receivable, and financial guarantee contracts to the extent that a chargeback claim is made against the Company directly or to the Company's merchants on card purchases.

The Company adopted Accounting Standard Update ("ASU") 2016-13, *Financial Instruments—Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments*, on January 1, 2020. We utilize a combination of aging and probability of default methods to develop an estimate of credit losses, depending on the nature and risk profile of the underlying asset pool. A broad range of information is considered in the estimation process, including historical loss information adjusted for current conditions and expectations of future trends. The estimation process also includes consideration of qualitative and quantitative risk factors associated with the age of asset balances, expected timing and probability of default, loss given default, exposure at default, merchant risk profiles, and relevant macro-economic factors.

Financial assets are presented net of the allowance for credit losses in the Consolidated Statements of Financial Position. The allowance for credit losses related to financial guarantees and merchant overdrafts are recorded as a liability and included within "Accounts payable and other liabilities" within the Consolidated Statements of Financial Position.

The measurement of the allowance for credit losses is recognized through current expected credit loss expense. Current expected credit loss expense is included as a component of "Selling, general and administrative" in the Consolidated Statements of Comprehensive Loss. Write-offs are recorded in the period in which the asset is deemed to be uncollectible. Prior to the adoption of ASU 2016-13, credit losses on these financial assets were recognized when an occurrence was deemed to be probable.

Credit risk characteristics and concentration

Customer accounts and other restricted cash are deposited with different banking partners with a variety of credit ratings and credit exposure are regularly monitored and managed by the Company's Safeguarding and Treasury Committee ("STC"). Management considers the risk of loss from these financial instruments to be low.

Settlement receivables primarily relate to receivables from third party payment institutions arising in both the Company's US Acquiring and Digital Commerce businesses, as well as receivables from distribution partners arising in the Company's Digital Commerce business. These receivables are closely monitored on a regular basis and are not considered to give rise to material credit risk. The Digital Commerce business utilizes insurance and credit limits with its distribution partners to limit its overall gross exposure. Credit quality of a customer and distributor is assessed based on their industry, geographical location and financial background, with credit risk managed based on this assessment (i.e. trading limits, shortened payment period and/or requiring collateral usually in the form of bank guarantees, insurance or cash deposits or holdbacks which can legally be claimed by the Company to cover unpaid receivables).

Accounts Receivable balances are regularly monitored to flag any unusual activities such as chargebacks. Having a significant number of consumers and merchants which are geographically widespread and the merchants active in various industries, the exposure to concentration risk is also mitigated. The global credit risk framework allows the Company to forecast under normal business conditions the probability of the occurrence of credit events before they occur. Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and controls relating to customer credit risk management.

The Company issues financial guarantee contracts to its sponsor banks mainly within its US Acquiring business for which the Company is exposed to losses from potential chargeback claims. A significant portion of the Company's exposure to credit risk arises from the threat of chargeback claims against Paysafe directly or Paysafe merchants on card purchases. Chargebacks result in credit exposure to Paysafe when either the merchant or other partners become bankrupt or are otherwise unable to meet their financial obligation. The Company manages the exposure to credit risk by employing various online identification verification techniques, enacted transaction limits, reserves or guarantees held and a number of credit risk management and monitoring tools such as an internally developed credit risk calculator, early warning system and daily credit agency and other third party alerts where potential signs of financial stress on merchants and partners are flagged.

Property, plant and equipment

Property, plant and equipment is stated at cost less accumulated depreciation and any impairment loss. Depreciation is recognized over the estimated useful lives of the corresponding assets, using the straight-line method, on the following basis:

Computer and communication equipment	2 - 5 years
Furniture and other equipment	3 - 5 years

Other assets are depreciated over their estimated useful lives, using the straight-line method, on the following basis:

Leasehold improvements	Over the lesser of the lease term or 10 years
------------------------	---

Depreciation expense is recorded in the Consolidated Statements of Comprehensive Loss in "Depreciation and amortization." The gain or loss arising on the disposal or retirement of an asset is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Consolidated Statements of Comprehensive Loss.

Leases

The Company determines whether an arrangement is a lease at inception. The Company has operating leases for offices, data centers, and corporate apartments. Leases have remaining lease terms of less than one year to ten years, some of which have the option to extend the lease term for an additional five years. Certain leases also include the option to terminate the lease within one year. We recognize lease extension and termination options that we are reasonably certain to exercise when determining the lease term used to establish our right-of-use assets and lease liabilities. As of December 31, 2021 and 2020 the Company is not aware of any unrecognized leases. The Company's lease agreements do not contain any residual value guarantees or restrictive covenants.

The Company recognizes a right-of-use asset and a corresponding lease liability with respect to all lease arrangements in which it is the lessee. The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Company uses its incremental borrowing rate. Lease payments included in the measurement of the lease liability comprise, fixed lease payments (including in-substance fixed payments) less any lease incentives received and receivable, and variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date. During the years ended December 31, 2021, 2020 and 2019 the amount of variable lease expense incurred was not significant.

The right-of-use asset is initially measured at the amount equal to the lease liability, adjusted for any lease payments made at or before lease commencement, lease incentives and any initial direct costs. Subsequently, the right-of-use asset is subject to amortization which

is recognized on a straight-line basis over the lease term in the Consolidated Statements of Comprehensive Loss in “Selling, general and administrative”.

The lease liabilities are presented as separate lines in the Consolidated Statements of Financial Position. The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made. The interest on the lease liability is recognized in the Consolidated Statements of Comprehensive Loss in “Selling, general and administrative”. The Company remeasures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

- The lease term has changed, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.
- A lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured based on the lease term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification.
- When a lease term has changed or been modified, variable lease payments that depend on an index or a rate shall be remeasured using the index or rate as of the date the remeasurement is required.

Finite-lived intangible assets

Acquired computer software is stated at cost less accumulated amortization and accumulated impairment losses. Other intangible assets, including customer relationships and brands that are acquired by the Company and have finite useful lives, are recognized at fair value at the acquisition date and amortized using the straight-line method over the estimated useful life of the intangible asset. Amortization expense is recorded in the Consolidated Statements of Comprehensive Loss in “Depreciation and amortization.”

In addition to customer relationships that are derived from the acquisition of a business, customer relationships also include acquisitions of merchant portfolios. An intangible asset is recorded for the acquisition of the merchant portfolio when: 1) the merchant portfolio acquired is identifiable and has a contract in place that provides the rights and obligations related to the merchant relationship, 2) the legal rights to future revenues from the acquired merchant portfolios can be obtained, and 3) future economic benefits will be generated from the merchant portfolio. Customer relationships relating to acquisitions of merchant portfolios are initially measured at their acquisition date fair values and subsequently measured at carrying amount less accumulated amortization and accumulated impairment losses. On occasion, the cost of a merchant portfolio will include both an initial (“up-front”) and a contingent element of the consideration. The Company assesses the fair value of the contingent consideration at each reporting period and any adjustments are recognized as an adjustment to the cost of the asset.

In estimating the useful lives of customer relationships, the Company considers the expected use of the asset; legal, regulatory and contractual provisions; historical attrition rates of the customer relationships, as well as the Company’s historical experience in renewing or extending similar customer relationships; and economic factors. Management reassesses the estimated useful lives of our intangible assets on an annual basis. See Note 6 for further information.

Intangible assets are amortized using the straight-line method over the expected life of the intangible asset on the following basis:

Brands	3 - 14 years
Computer Software	3 - 10 years
Customer Relationships	2 - 20 years

Software development costs

The Company develops software that is used in providing services to customers. Costs incurred during the preliminary project stage are expensed as incurred. Capitalization of costs begins when both of the following occur: 1) the preliminary project stage is completed, and 2) management, with the relevant authority, authorizes and commits to funding the project and it is probable that the project will be completed and the software will be used to perform the function intended. Capitalization of costs ceases when the software is substantially complete and ready for its intended use. Capitalized costs include payroll and payroll-related costs, including external consulting fees. Capitalized costs incurred to develop software for internal use are amortized on a straight-line basis over an estimated useful life of three to ten years and are recorded as “Depreciation and amortization” on the Consolidated Statements of Comprehensive Loss. Costs related to maintenance of internal use software are expensed as incurred.

Expenses for research and development activities (except for certain computer software and web site development costs) are expensed as incurred unless the expenditure relates to an item with an alternative future use. Research and development expense for the year ended December 31, 2021, 2020 and 2019 was \$8,574, \$7,952 and \$11,748, respectively.

Impairment of finite-lived intangible and long-lived assets

The Company regularly evaluates whether events and circumstances have occurred that indicate the carrying amount of long-lived assets and finite-lived intangible assets may not be recoverable. When factors indicate that these assets should be evaluated for possible impairment, the Company assesses the potential impairment by determining whether the carrying amount of such assets will be recovered through the future undiscounted cash flows expected from use of the asset and its eventual disposition. If the carrying amount of the asset is determined not to be recoverable, a write-down to fair value is recorded as "Impairment expense on intangible assets" within the Consolidated Statements of Comprehensive Loss. Fair values are determined based on a discounted cash flow analysis. The Company also regularly evaluates whether events and circumstances have occurred that indicate the useful lives of long-lived assets and finite-lived intangible assets may warrant revision. See Note 6 for further information regarding the Company's impairment review of finite-lived intangible assets.

Goodwill

Goodwill is required to be allocated to reporting units which are either (1) an operating segment or (2) components of an operating segment that are one level below and for which discrete financial information is prepared and regularly reviewed by segment management. The Company considers its reporting units to be at the operating segment level for US Acquiring and one level below for Digital Commerce.

Goodwill is tested for impairment at a minimum on an annual basis on October 1; and more frequently when there is an indicator of impairment. Goodwill is tested for impairment at the reporting unit level by first performing a qualitative assessment to determine whether it is more likely than not that the fair value of the reporting unit is less than its carrying value. If the reporting unit does not pass the qualitative assessment, then the reporting unit's carrying value is compared to its fair value. Goodwill is considered impaired if the carrying value of the reporting unit exceeds its fair value.

The fair value of the reporting unit is based on a discounted cash flow model involving several assumptions. When appropriate the Company considers assumptions a hypothetical marketplace participant would use in estimating future cash flows. See Note 5 for further information.

Business combinations

The Company performs a two-step analysis to determine whether a transaction will be considered as the acquisition of a business or the acquisition of an asset. Firstly, an initial screening test is performed, which determines whether substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar identified assets. If this initial test is not met, an acquired asset cannot be considered a business unless it includes an input and a substantive process that together significantly contribute to the ability to create output.

Asset acquisition is accounted for using a cost accumulation model. The acquired assets including related transaction costs are recorded at cost when cash consideration is used. If the consideration is non-cash, then the recording of the assets is based on the fair value of the assets acquired. Direct and incremental acquisition costs are included in the cost of the acquisition. Contingent consideration that is accounted for as a derivative is recognized at fair value. Otherwise, such consideration generally is recognized when it becomes probable and reasonably estimable. Any excess of the cost of the acquisition over the fair value of the net assets acquired is allocated to assets on the basis of relative fair values. Goodwill is not recognized. Asset acquisitions generally consist of the purchase of merchant portfolios which are accounted for as intangible assets.

Business combinations are accounted for using the acquisition method. The consideration transferred in a business combination is measured at fair value, which is calculated as the sum of the acquisition date fair values of the assets transferred by the Company, liabilities incurred by the Company to the former owners of the acquiree and the equity interest issued by the Company in exchange for control of the acquiree.

At the acquisition date, the identifiable assets acquired, and the liabilities assumed are recognized at their fair value. Goodwill is measured as the excess of the sum of the consideration transferred over the net of the acquisition date amounts of the identifiable assets and liabilities assumed. When the consideration transferred by the Company in a business combination includes assets or liabilities resulting from a contingent consideration arrangement, the contingent consideration is measured at its acquisition date fair value and included as part of the consideration transferred in a business combination. Payments related to contingent consideration made on or

within three months of the business combination date is viewed as an extension of the business combination, and such payments are classified as investing activities in the Consolidated Statements of Cash Flows. Payments that are made more than three months after business combination date to settle the contingent consideration liability recognized at fair value as of the acquisition date (including measurement-period adjustments) less payments made on or within three months of the business combination date are classified as financing activities in the Consolidated Statements of Cash Flows. Payments that are made more than three months after business combination date that exceed those classified as financing activities are classified as operating activities in the Consolidated Statements of Cash Flows.

Funds Payable and Amounts Due to Customers

The Company recognizes a liability upon the issuance of e-money to its customers and merchants equal to the amount of electronic money that has been issued. In addition, where the Company is in the flow of funds in the transaction settlement cycle, a liability is recognized for the amount to be settled to merchants.

These amounts are presented as “Funds payable and amounts due to customers” in the Company’s Consolidated Statements of Financial Position.

Revenue recognition

The Company has prepared these financial statements under Accounting Standard Codification (“ASC”) 606, *Revenue From Contracts With Customers* and ASC 340-40, *Other Assets and Deferred Costs - Contracts With Customers* (collectively referred to as the “Revenue Standard”). The Revenue Standard provides a five-step framework to determine when and how revenue is recognized, based on the core principle that revenue is recognized to depict the transfer of goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The Revenue Standard also requires additional disclosures regarding the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers.

The Company provides payment solutions through two primary lines of business: US Acquiring and Digital Commerce. The US Acquiring revenue streams are earned by charging merchants processing fees for facilitating payment processing transactions. The Digital Commerce revenue streams are almost entirely derived from charging merchants’ fees for allowing payments on their platforms using our products or from charging customers on a transactional basis for using our services. Due to the concentration of economic factors, products and services in each of the business lines, the Company has presented disaggregated revenue at both the segment and reporting unit level (See Note 21).

For each primary source of revenue within these business lines, the Company’s main performance obligation is to stand ready to provide payment services to merchants and consumers. Some of the Company’s contracts with customers include promises to transfer multiple goods and services. The primary goods offered by the Company are point of sale terminals that are offered in the US Acquiring segment.

The Company recognizes revenue net of taxes collected from customers. These taxes are subsequently remitted to governmental authorities.

Our contracts with customers have different durations across our business segments, depending on the nature of the good or service provided and whether the contracts are with consumers or merchants. The Company’s primary consumer facing revenue streams are within the Digital Commerce business line in which our consumer facing contracts are online terms and conditions that the consumers agree on as terms of business; these are typically open ended and can be terminated without penalty by either party. Therefore, our contracts in this segment are essentially defined at the transaction level and there is no commitment to provide further services beyond the services already provided. Our merchant contracts in the Digital Commerce segment are formal written contractual agreements with merchants who accept our services on their platforms. These contracts are longer-term relationships structured as open-ended contracts and are typically cancellable by either party with 30-60-day written notice.

The Company does not contract directly with consumers within our US Acquiring segment; as such, our contracts in this segment are all written contractual agreements primarily in two main categories. The first category includes contracts with our sponsor banks and processing partners, which are typically long-term contractual relationships with durations of 5 years, but continuing in effect with automatic renewals of a year or longer. These agreements usually have termination clauses requiring written notice and 90 to 180-day notice periods. The second category is our contracts with merchants. The contracts with merchants are tri-party agreements, usually between the Company, the merchants and sponsor banks with durations of 3 years followed by annual auto-renewals at the end of the terms. Termination clauses generally require 30 days written notice. While the duration of contacts may differ, the primary source of revenue is consistent across segments and consumer base.

Significant judgments:

An area of significant judgment for the Company is the determination of the principal agent consideration under the Revenue Standard. For the Company's US Acquiring segment, the Company has concluded that its promise to customers to provide payment services is distinct from the services provided by the card issuing financial institutions and payment networks in connection with payment transactions. The Company does not have the ability to direct the use of and obtain substantially all the benefits from the services provided by the card issuing financial institutions and payment networks before those services are transferred to the customer. As a result, the Company presents revenue for its US Acquiring segment net of the interchange fees charged by the card issuing financial institutions and the fees charged by the payment networks.

Another area of significant judgment involves determining whether goods and services are considered distinct performance obligations that should be accounted for separately, or together as one performance obligation. This includes determining whether distinct services are part of a series of distinct services that are substantially the same. The Company has determined that the primary services offered to its customers comprise a series of distinct performance obligations, that are substantially similar with the same pattern of transfer. Hence, these services are considered a single performance obligation. The Company also concluded that the goods offered in our contracts, comprising primarily of point of sale terminals, were not material individually or in the aggregate to the contract and no allocation of consideration was made to those goods. The Company recognizes revenue as it satisfies a performance obligation by transferring control over the service to a customer for which the timing and quantity of transactions to be processed is not determinable at the inception of the contract.

The Company's promise to stand ready to provide electronic payment services is not based on a specified number of transactions, but rather is a promise to process all the transactions needed each day. As such the nature of the promise is that of a series of distinct services that are substantially the same and have the same pattern of transfer to the customer over time. Accordingly, the promise to stand ready is accounted for as a single-series performance obligation for which the measure of progress is time.

The majority of our payment services are priced as a percentage of transaction value or a specified fee per transaction. We also charge other fixed fees based on specific services that may be unrelated to the number of transactions or transaction value. Given the nature of the promise and that the underlying transaction fees are based on unknown quantities of transactions or outcomes of services to be performed over the contract term, the total consideration for each primary source of revenue is determined to be variable. The Company allocates the variable fees to the individual day in which the services were wholly performed and for which it has the contractual right to bill those wholly performed services under the contract. Therefore, we measure revenue for our payment service daily based on the services that are performed on that day.

US Acquiring

US Acquiring services are primarily derived from processing credit and debit card transactions for merchants. Revenue is earned by charging merchants either as a percentage-based fee of the payment volumes processed or as a charge per transaction, pursuant to the respective merchant agreements, as well as certain fixed charges for various ancillary items and services on a monthly or annual basis.

The fee revenue can include charges to process transactions, foreign exchange services for settling foreign currency transactions, gateway services, fraud and risk management services and charges for accepting alternative payments.

Within our US Acquiring segment, the nature of our billing depends on whether we are in the flow of the funds. When we are in the flow of funds, we can direct debit our fees and settle with our customers on a net basis. When the Company does not have direct access to debit our customer accounts, we typically collect by billing our merchant banking partners on a monthly basis, and our invoices are due immediately upon receipt.

Digital Commerce

Digital Commerce services are offered through the NETELLER and Skrill brands. Consumer and merchant revenues are earned either as a fee calculated as a percentage of funds processed or as a charge per transaction, pursuant to the respective consumer and merchant agreements, as well as fees from cross-currency transactions. We typically have the authority to directly debit our consumers' pre-funded digital wallet accounts and the merchant wallet accounts, as such, when we earn revenue from transaction fees we are not required to separately bill for amounts earned and collectability is reasonably assured.

In addition, the Digital Commerce services are also offered through the paysafecard prepaid payment vouchers, which are sold directly to customers through third party distributors and paysafecard online payment accounts. The third-party distributors are a network of sales points from which customers may purchase prepaid vouchers; the Company pays a sales commission to its distributors for this service. The revenue is earned from fees charged to merchants accepting payments made using the paysafecard services as well as fees charged to customers on a transactional basis. When a customer purchases a prepaid payment voucher, consideration is collected by the distribution partner prior to settlement with the Company. The redemption of the voucher is the point we earn the revenue and collectability of our revenue is reasonable assured. These services are offered under the Paysafecard and Paysafecash brands.

Interest revenue

Interest revenue is earned on the funds held on behalf of customers and is accrued on a monthly basis, by reference to the principal outstanding and at the effective interest rate applicable. While this is not revenue earned from contracts with customers, interest revenue on consumer funds held by the Company is presented in *Revenue* since it is earned on funds that are held as part of the Company's revenue generating activities.

Cost to obtain and fulfil a contract

The Revenue Standard requires the Company to capitalize certain incremental contract acquisition costs and the Company has determined that sales commissions for new contract acquisitions payable to employees of Paysafe in the sales function, meet this requirement. The Company recognizes incremental sales commission costs of obtaining a contract as an expense when the amortization period for those assets is one year or less per the practical expedient under the Revenue Standard. Incremental sales commission costs with an amortization period of more than one year and sales commissions for contract renewals are not material.

We capitalize incremental costs incurred to fulfil our contracts that (i) relate directly to the contract, (ii) are expected to generate resources that will be used to satisfy our performance obligation under the contract, and (iii) are expected to be recovered through revenue generated under the contract. Incremental costs to fulfill customer contracts are not material.

Contract balances

We do not have any material contract balances associated with our contracts with customers.

Remaining performance obligation

The Revenue Standard requires disclosure of the aggregate amount of the transaction price allocated to unsatisfied performance obligations; however, as permitted by the Revenue Standard, the Company has elected to exclude disclosing any contracts with an original duration of one year or less and any variable consideration that meets specified criteria. As described above, the Company's most significant performance obligations consist of variable consideration under a stand-ready series of distinct days of service, which typically represent all or almost all of the total transaction price for the related contract. The variable consideration that will be allocated to future days of service is not required to be disclosed as these days of services are wholly unsatisfied at the Company's reporting date. The aggregate fixed consideration portion of customer contracts with an initial contract duration greater than one year is not material.

Cost of services (excluding depreciation and amortization)

Cost of services (excluding depreciation and amortization) primarily relate to fees incurred by the Company in the processing and settlement of transactions.

US Acquiring: Cost of services (excluding depreciation and amortization) consists primarily of merchant residual payments to our network of Independent Sales Organizations ("ISOs") and other fees incurred by the Company in processing of transactions. Cost of services (excluding depreciation and amortization) does not include interchange fees charged by the card issuing financial institutions and fees charged by payment networks in this line of business, which are presented net within revenue.

Digital Commerce: Cost of services (excluding depreciation and amortization) in connection with the services offered under the NETELLER and Skrill brands as described above is primarily composed of the costs the company incurs to accept a customer's funding source of payment and subsequent withdrawals from the wallet. These costs include fees paid to payment processors and other financial institutions in order to draw funds from a customer's credit or debit card, bank account, or other funding source they have stored in their digital wallet accounts. Cost of services (excluding depreciation and amortization) in relation to the Paysafecard and Paysafecash brands is primarily comprised of commissions paid to distributors.

Restructuring and other costs

Restructuring and other costs include acquisition costs related to the Company's merger and acquisition activity, restructuring costs, strategic transformation costs resulting from value creation initiatives following business acquisitions and professional consulting and advisory fees related to public company readiness activities. This includes certain professional advisory costs, office closure costs and resulting severance payments to employees.

Deferred equity costs

Transactions costs that are incremental and directly attributable to an equity transaction are deferred and charged against the gross proceeds received upon completion of the equity transaction. For the year ended December 31, 2020, deferred equity costs related to the Transaction (See Note 2) were \$9,545, respectively, and were included in "Prepaid expenses and other current assets" within the Statements of Financial Position. The cash outflows associated with these costs are classified as financing cash outflows. There were no deferred equity costs for the year ended December 31, 2021 or 2019.

Employee benefits

Short-term employee benefits are expensed as the related service is provided. A liability is recognized for the amount expected to be paid if the Company has a present legal or constructive obligation to pay the amount as a result of past service provided by the employee and the obligation can be estimated reliably. The Company operates a defined contribution plan for its employees. Payments to defined contribution plans are recognized as an expense when employees have rendered the service entitling them to the contributions. Expense recognized for defined contribution plans for the year ended December 31, 2021, 2020 and 2019 was \$5,782, \$5,417 and \$4,427, respectively.

Advertising costs

Advertising costs are expensed as incurred. Advertising expense for the year ended December 31, 2021, 2020 and 2019 was \$38,509, \$39,788 and \$34,202, respectively.

Foreign currencies

The Company has operations in foreign countries whose currency differs from the functional currency of the Company and its subsidiaries. Gains and losses on transactions denominated in currencies other than the functional currency are included in determining net income (loss) for the period. Foreign exchange gains and losses are included within "Other (expense) / income, net".

The assets and liabilities of subsidiaries whose functional currency is a foreign currency are translated at the period end exchange rate into United States Dollars ("USD"), the Company's reporting currency. Income statement items are translated at the average monthly rates prevailing during the year. The resulting translation adjustment is recorded as a component of other comprehensive income and is included in "Accumulated Other Comprehensive Loss".

Income Taxes

The provision for income taxes is determined using the asset and liability approach considering guidance related to uncertain tax positions. Tax laws require items to be included in tax filings at different times than the items are reflected in the financial statements. A current liability is recognized for the estimated taxes payable for the current year. Deferred taxes represent the future tax consequences expected to occur when the reported amounts of assets and liabilities are recovered or paid. Deferred taxes are initially recognized at enacted tax rates and are adjusted for any enacted changes in tax rates and tax laws. Subsequent changes to deferred taxes originally recognized in equity are recognized in income. Valuation allowances are recorded to reduce deferred tax assets when it is more likely than not that a tax benefit will not be realized.

The income tax effects from an uncertain tax position are recognized when it is more likely than not that the position will be sustained based on its technical merits and consideration of the tax authorities widely understood administrative practices and precedents. Recognized income tax positions are measured at the largest amount that has a greater than 50% likelihood of being realized upon settlement. Changes in recognition or measurement are reflected in the period in which the change in judgment occurs. The Company records interest and penalties related to uncertain tax positions in the provision for "Income tax (benefit) / expense" on the Consolidated Statements of Comprehensive Loss.

Fair value measurements

The Company follows ASC 820, *Fair Value Measurements*, which defines fair value as the price to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The determination of fair value is based on the principal or most advantageous market in which the Company could participate and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of non-performance. Also, determination of fair value assumes that market participants will consider the highest and best use of the asset.

The Company uses the hierarchy prescribed in the aforementioned accounting guidance for fair value measurements, based on the available inputs to the valuation and the degree to which they are observable or not observable in the market.

The three levels of the hierarchy are as follows:

- Level 1 Inputs—Unadjusted quoted prices in active markets for identical assets or liabilities accessible to the reporting entity at the measurement date,
- Level 2 Inputs—Other than quoted prices included in Level 1 inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the asset or liability if it has a specified or contractual term, and
- Level 3 Inputs—Unobservable inputs for the asset or liability used to measure fair value allowing for inputs reflecting the Company's assumptions about what other market participants would use in pricing the asset or liability, including assumptions about risk.

There were no material transfers of account balances between the three levels of hierarchy for the year ended December 31, 2021 or 2020.

Financial instruments

Financial instruments measured at fair value through profit or loss are measured at fair value with changes in fair value recognized in the Consolidated Statements of Comprehensive Loss. These financial instruments include contingent consideration receivable, deferred and contingent consideration payable, and derivative financial assets and liabilities.

Financial assets measured at amortized cost include cash and cash equivalents, customer accounts and other restricted cash, accounts receivable and settlement receivables. Financial liabilities measured at amortized cost include debt, accounts payable and other liabilities, and funds payable and amounts due to customers.

Financial liabilities are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Finance costs are charged to the Consolidated Statements of Comprehensive Loss using the effective interest rate method.

Offsetting

Financial assets and liabilities are offset and the net amount presented in the Consolidated Statements of Financial Position when, and only when, the Company has a legally enforceable right to set off the amounts and intends either to settle on a net basis or to realize the asset and settle the liability simultaneously.

Income and expenses are presented on a net basis only when permitted by the accounting standards.

Derivative instruments

The Company accounts for derivatives in accordance with ASC 815, *Derivatives and Hedging*, which provides accounting and reporting guidance for derivative instruments, including certain derivative instruments embedded in other contracts, and for hedging activities. All derivatives, whether designated in hedging relationships or not, are required to be recorded on the Consolidated Statements of Financial Position at fair value. The Company's derivatives balances in the financial statements are classified as current or non-current, dependent on their respective maturities. The Company enters into derivative financial instruments to manage its interest rate risk related to its financing operations. Payments under our derivative financial instruments are included in financing cash flows in the Consolidated Statements of Cash Flows. The Company does not enter into derivative financial instruments for speculative purposes.

As of December 31, 2021, the Company had cancelled all interest swaps and caps that had historically been accounted for as a derivative financial liability in the Consolidated Statements of Financial Position.

Warrants

The Company accounts for warrants as derivative liabilities under ASC 815-40, *Derivatives and Hedging: Contracts in Entity's Own Equity*, as they are freestanding instruments with provisions that preclude them from being indexed to the Company's stock. The warrants were initially recorded at fair value on the closing date of the Transaction (March 30, 2021 as described in Note 2) based on the public warrants listed trading price (NYSE: PSFE.WS) and are subsequently remeasured at the balance sheet date with the changes in fair value recognized within "Other income / (expense), net" in the Consolidated Statements of Comprehensive Loss. The warrants consist of public and private warrants. The publicly quoted price of the public warrants is used for valuing the private warrants on the basis that

they cannot be transferred without losing their private warrant features, the only exit market in which they would be sold would be the public market and it is not likely that a market participant would pay a price different to that observed for the public warrants.

Share-based compensation

The Company accounts for share-based compensation plans in accordance with ASC 718, *Compensation - Stock Compensation*, which requires the recognition of expense related to the grant date fair value of share-based compensation awards.

The grant date fair value of the A ordinary shares and B ordinary shares was determined using a Monte Carlo method. The determination of the grant date fair value is affected by assumptions regarding a number of complex and subjective variables, including expected stock price volatility over the expected term of the award, the risk-free interest rate for the expected term of the award and expected dividends. The awards were subject to a service condition, a performance condition and a market condition. As of December 31, 2021, a majority of the share-based compensation was fully expensed as a majority of the vesting conditions were met upon completion of the Transaction (See Note 2 and 16).

The grant date fair value of the restricted stock units is determined using the Company's stock price on the date of grant. These awards are subject to a service condition or a performance condition. The awards with a service condition vest ratably over three years and the share-based compensation expense is recognized over this requisite service period using the straight-line method. The awards with a performance condition vest at the end of one- or three-years and the number of stock units that vest is variable depending upon the probability of achievement of certain internal performance targets and may vest between 0% and 200% of the target share amount. Share-based compensation expense for these awards are recognized over the requisite service period and as the performance targets are considered probable of being achieved.

The Company accounts for forfeitures as they occur.

Earnings per share

Basic earnings per share is computed by dividing net income (loss) attributable to the Company by the weighted average shares outstanding during the period. Diluted earnings per share is computed by dividing net income (loss) attributable to the Company, adjusted as necessary for the impact of potentially dilutive securities, by the weighted-average shares outstanding during the period including all potentially dilutive securities as determined under the treasury stock method. In periods when we have a net loss, all potentially dilutive securities are excluded from our calculation of earnings per share as their inclusion would have an antidilutive effect.

Recently Adopted Accounting Pronouncements

Income Taxes

In December 2019, the FASB issued ASU No. 2019-12, *Income Taxes (Topic 740), Simplifying the Accounting for Income Taxes*. This ASU is effective for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2020. The amendments in this ASU are intended to simplify the accounting for income taxes by removing certain exceptions to the general principles in Topic 740. The amendments are also intended to improve consistent application of and simplify GAAP for other areas of Topic 740 by clarifying and amending existing guidance. The Company adopted this new guidance on January 1, 2021 which did not have a material effect on our consolidated financial statements.

Accounting Standards Issued but not yet Adopted

Reference Rate Reform

In March 2020, the FASB issued ASU 2020-04, *Reference Rate Reform (Topic 848)*, which provides optional expedients and exceptions to contracts, hedging relationships, and other transactions affected by reference rate reform if certain criteria are met. The amendments in this update apply only to contracts, hedging relationships, and other transactions that reference London Inter-bank Offered Rate ("LIBOR") or another reference rate expected to be discontinued because of reference rate reform. The expedients and exceptions provided by the amendments do not apply to contract modifications made and hedging relationships entered into or evaluated after December 31, 2022, except for hedging relationships existing as of December 31, 2022 for which an entity has elected certain optional expedients and which are retained through the end of the hedging relationship. The amendments in this update also include a general principle that permits an entity to consider contract modifications due to reference rate reform to be an event that does not require contract remeasurement at the modification date or reassessment of a previous accounting determination. If elected, the optional expedients for contract modifications must be applied consistently for all eligible contracts or eligible transactions within the relevant ASC Topic or Industry Subtopic that contains the guidance that otherwise would be required to be applied. The amendments in this

update were effective upon issuance and may be applied prospectively to contract modifications made and hedging relationships entered into or evaluated on or before December 31, 2022.

In January 2021, the FASB issued ASU 2021-01, *Reference Rate Reform (Topic 848)*: Scope, which clarified the scope of ASU 2020-04 indicating that certain optional expedients and exceptions included in ASU 2020-04 are applicable to derivative instruments affected by the market-wide change in interest rates used for discounting, margining, or contract price alignment. Our exposure to London Interbank Offered Rate ("LIBOR") is limited to our New Term Loan Facility (USD). At this time, we do not expect to elect the optional expedients and accordingly, this guidance is not expected to have an impact on our consolidated financial statements.

Convertible Debt Instruments

In August 2020, the FASB issued ASU 2020-06, *Accounting for Convertible Instruments and Contracts in an Entity's Own Equity*. This update reduces the number of accounting models for convertible debt instruments resulting in fewer embedded conversion features being separately recognized from the host contract as compared with current GAAP. Convertible instruments that continue to be subject to separation models are (1) those with embedded conversion features that are not clearly and closely related to the host contract, that meet the definition of a derivative, and that do not qualify for a scope exception from derivative accounting and (2) convertible debt instruments issued with substantial premiums for which the premiums are recorded as paid-in-capital. In addition, this update also makes targeted changes to the disclosures for convertible instruments and earnings-per-share guidance. This guidance may be adopted through either a modified retrospective or fully retrospective method of transition and will take effect for public companies with fiscal years, and interim periods within those fiscal years, beginning after December 15, 2021. Early adoption is permitted, but no earlier than fiscal years beginning after December 15, 2020, including interim periods within those fiscal years, and must be adopted as of the beginning of the Company's fiscal year. The Company has adopted this new guidance effective January 1, 2022. This new guidance did not have an effect on our consolidated financial statements.

Business Combinations

In October 2021, the FASB issued ASU 2021-08, *Business Combinations (Topic 805): Accounting for Contract Assets and Contract Liabilities from Contracts with Customers*. This update improves the accounting for acquired revenue contracts with customers in a business combination by addressing diversity in practice and inconsistency related to 1) recognition of an acquired contract liability and 2) payment terms and their effect on subsequent revenue recognized by the acquirer. This guidance will take effect for public companies with fiscal years, and interim periods within those fiscal years, beginning after December 15, 2022. Early adoption is permitted, including interim periods within those fiscal years. The Company will adopt this new guidance effective January 1, 2023. This new guidance is not expected to have an effect on our consolidated financial statements.

2.Reorganization and Recapitalization (the "Transaction")

On December 7, 2020, Paysafe Limited, FTAC, Merger Sub, Paysafe Bermuda Holding LLC, Legacy Paysafe and PGHL entered into a definitive agreement and plan of merger to effectuate the Transaction which was completed on March 30, 2021. In order to effectuate the Transaction, PGHL created a newly formed wholly owned entity, Paysafe Limited, which acquired all of the shares of the Accounting Predecessor on March 30, 2021. Immediately following the acquisition of the Accounting Predecessor's shares, Paysafe Limited merged with FTAC, which was effectuated through a merger between Merger Sub and FTAC. Merger Sub is a newly formed wholly owned subsidiary of Paysafe Limited. FTAC survived the merger. The Accounting Predecessor and FTAC are indirect wholly owned subsidiaries of Paysafe Limited following the Transaction. Prior to the Transaction, Paysafe Limited had no material operations, assets or liabilities.

The acquisition of the Accounting Predecessor was accounted for as a capital reorganization whereby Paysafe Limited was the successor to Pi Jersey 1.5 Holdco Limited. The capital reorganization was immediately followed by the merger with FTAC. As FTAC was not recognized as a business under GAAP given it consisted primarily of cash held in a trust account, the merger was treated as a recapitalization. Under this method of accounting, the ongoing financial statements of Paysafe Limited reflect the net assets of the Accounting Predecessor and FTAC at historical cost, with no additional goodwill recognized.

The Accounting Predecessor was determined to be the accounting acquirer based on evaluation of the following facts and circumstances: (i) the Accounting Predecessor's shareholder group has the largest portion of relative voting rights in Paysafe Limited; (ii) the Accounting Predecessor was significantly larger than FTAC by total assets and total cash and cash equivalents; (iii) the senior management team of the Accounting Predecessor are continuing to serve in such positions with substantially similar responsibilities and duties at Paysafe Limited following consummation of the Transaction; and (iv) the purpose and intent of the Transaction was to create an operating public company, with management continuing to use the Paysafe platform to grow the business.

In connection with the Transaction, Paysafe Limited, PGHL and FTAC entered into subscription agreements with certain investors (the “PIPE Investors”). Simultaneously with the consummation of the Transaction, Paysafe Limited issued to the PIPE Investors 200,000,000 shares of common stock at a price of \$10.00 per share for aggregate gross proceeds of \$2,000,000. The Company incurred direct and incremental costs of approximately \$151,722 related to the Transaction, consisting primarily of advisory, banking, printing, legal, and accounting fees, which were recorded to “Additional paid-in capital” as a reduction of these share issuance proceeds (collectively “Share issuances, net of proceeds”).

Paysafe Limited acquired from PGHL all of the Accounting Predecessor’s shares in exchange for cash consideration of \$2,448,799 and share consideration of 333,419,924 common shares (“Capital reorganization”).

The FTAC merger was completed by: (i) Paysafe Bermuda Holdings LLC issuing 20,893,780 LLC membership equity interests (“LLC Units”) in exchange for the FTAC Founder’s FTAC Class C shares outstanding immediately prior to the Transaction; (ii) Paysafe Limited issuing 190,292,458 common shares in exchange for the FTAC’s shareholders shares outstanding immediately prior to the Transaction; and (iii) Paysafe Limited assuming the FTAC’s warrants outstanding immediately prior to the Transaction, consisting of 48,901,025 public warrants (the “Public Warrants”) and 5,000,000 private warrants (the “Private Warrants”), which were modified to entitle the holder to acquire, on the same terms, Company common shares instead of FTAC common stock (the “Warrants”) (collectively, “Merger recapitalization”).

The cash flows related to these activities have been classified as “Net cash inflow from reorganization and recapitalization” within the Consolidated Statements of Cash Flows, consisting of cash outflows related to the cash consideration for the Pi Jersey acquisition of \$2,448,799, offset by the \$1,616,673 in net proceeds from the merger with FTAC and \$2,000,000 in proceeds from the share issuance.

Non-controlling interest

The LLC units contain an exchange right which entitles the FTAC Founder to exchange its LLC Units for, at the option of the LLC, cash or shares of Paysafe Limited (the “Exchange right”). The Exchange Right cannot be exercised until 12 months after the Transaction. Thereafter, it can be exercised at any time up until the fifth year following the close of the Transaction; at which time the LLC Units would be mandatorily exchangeable into cash or shares at the LLC’s option. The Exchange Right is considered embedded in the LLC Units, which represent an equity host contract, as it cannot be exercised separately from the LLC units. As the Exchange Right can be settled by the Company in its own shares, it is considered clearly and closely related to the LLC Units, and therefore is not considered an embedded derivative to be accounted for separately. The LLC Units are accounted for as permanent equity and presented as non-controlling interest, as they are held by the FTAC Founder and entitle it to participate in tax distributions.

On initial recognition, the non-controlling interest was recorded at the value of the FTAC Class C shares that the LLC received in exchange for the LLC Units it issued to the FTAC Founder. Immediately prior to the Transaction, the FTAC Founder held FTAC warrants that were exchanged for the FTAC Class C shares. As such, the value of the FTAC Class C shares was based on the value of such warrants, which was calculated based on the publicly listed trading price of the Warrants (NYSE: PSFE.WS) at the Transaction date. Subsequently, the non-controlling interest amount varies based on the LLC’s tax distributions attributable to the FTAC Founder.

Warrants

The Warrants represent the right to purchase one share of the Company’s common shares at a price of \$11.50 per share. The Warrants became exercisable on August 21, 2021 and will expire on the fifth anniversary of the Transaction, or upon an earlier redemption. Refer to Note 1 for initial recognition and subsequent measurement of the Warrants.

As of December 31, 2021, the Private Warrants, valued at \$3,300, were held by a related party.

Share based compensation

Certain employee equity-based awards issued by the Accounting Predecessor included performance conditions that vested upon a qualifying Exit Event (defined as an IPO whereby Blackstone and CVC retain less than 50% of the B ordinary shares they held immediately prior to the IPO through one or multiple transactions, winding-up or completion of a sale), which was not deemed probable in prior periods. These awards vested in connection with the completion of the Transaction, resulting in the full recognition of share-based compensation for the year ended December 31, 2021, which is included in “Selling, general and administrative” on the Consolidated Statements of Comprehensive Loss.

In addition, these awards were modified in conjunction with the Transaction. Their settlement terms changed such that instead of Topco’s A ordinary shares and B ordinary shares, the awardees received Paysafe Limited common shares as well as Topco’s shares. The

modification resulted in a change in the classification of the modified awards, with the Topco shares being accounted for as a liability-classified share-based payment award under ASC 718 as they will be settled in cash. The corresponding liability was measured at fair value at the modification date (i.e. the Transaction date), and subsequently it will be remeasured at fair value at each reporting date, with changes in its value reported as share-based compensation expense. The awards settled in Paysafe Limited common shares continue to be accounted for as equity-based awards.

For the year ended December 31, 2021, the Company recognized \$101,770 of share-based compensation, of which \$71,630 related to these awards that vested upon completion of the Transaction and \$6,550 related to their modification and subsequent remeasurement. The majority of the remaining share-based compensation relates to restricted stock units granted under the 2021 Plan (see Note 16).

In connection with the modification described above, an initial share-based compensation liability of \$13,124 was recognized with \$5,123 reclassified from “Additional paid in capital” and the remainder expensed in the current period. During the year ended December 31, 2021, the liability was reduced by fair value adjustments of \$1,452 and the redemption of a certain number of shares for \$1,648 which was accounted for as a capital contribution from Topco. At December 31, 2021, the share-based compensation liability was \$10,024 which is classified as a current or non-current liability within the Consolidated Statements of Financial Position based on the expected timing of the redemption of shares.

Repayment of debt

In connection with the Transaction, certain third-party debt was settled in cash in the first quarter. The Company repaid \$416,700 and €204,500 under the USD First Lien Term Loan and EUR First Lien Term Loan, respectively, and fully repaid the second lien term loan facility which consisted of a \$250,000 USD Facility (“USD Second Lien Term Loan”) and a €212,459 EUR Facility (“EUR Second Lien Term Loan”). Both debt repayments occurred contemporaneously with the closing of the Transaction. As a result, the Company expensed capitalized debt fees of \$21,724, which are included in “Interest expense, net” on the Consolidated Statements of Comprehensive Loss. Refer to Note 9 for further information on all debt transactions.

Preference Shares

We have authorized 2,000,000,000 shares in the Company that have not yet been issued, the rights and restrictions attached to which are not defined by the Company bylaws. Pursuant to the Company bylaws, preference shares may be issued by the Company from time to time, and the Company Board is authorized (without any requirement for further shareholder action) to determine the rights, preferences, powers, qualifications, limitations and restrictions attached to those shares.

3.Net loss per share attributable to the Company

The following table sets forth the computation of the Company’s basic and diluted net loss per share attributable to the Company. The weighted average shares calculation for the year ended December 31, 2021 reflects the outstanding common shares of Paysafe Ltd from the closing date of the Transaction. The historical outstanding shares of the Accounting Predecessor prior to the Transaction have been recast from amounts previously presented for comparability purposes (See Note 2).

The Company uses the treasury stock method of calculating diluted net loss per share attributable to the Company. For the years ended December 31, 2021, 2020 and 2019, we excluded all potentially dilutive restricted stock units and LLC units in calculating diluted net loss per share attributable to the Company as the effect was antidilutive.

The following table sets forth the computation of the Company’s basic and diluted net loss per ordinary share attributable to the Company.

	Year ended December 31,

4. Taxation

In accordance with ASC Topic 740, *Income Taxes*, (“ASC 740”) income taxes are recognized for the amount of taxes payable for the current year and for the impact of deferred tax liabilities and assets, which represent future tax consequences of events that have been recognized differently in the financial statements than for tax purposes. Deferred tax assets and liabilities are established using the enacted statutory tax rates and are adjusted for any changes in such rates in the period of change.

Income tax benefit

The components of loss before taxes for the year ended December 31, 2021, 2020 and 2019 consisted of the following:

	For the Year Ended December 31,		
	2021	2020	2019
United Kingdom	\$ (447,808)	\$ (83,049)	\$ (28,289)

Loss from operations before taxes	\$ (195,438)	\$ (185,913)	\$ (126,661)

Income tax benefit comprises current and deferred tax. Current tax and deferred tax are recognized in the Consolidated Statements of Comprehensive Loss except to the extent that they relate to a business combination or items recognized directly in equity or in other comprehensive income. The income tax benefit consists of the following:

	For the Year Ended December 31,		
	2021	2020	2019
Current:			
United Kingdom	\$ (4,364)	\$ (1,041)	\$ (1,363)

The effective tax rate for the years ended December 31, 2021, 2020 and 2019 was 43.5%, 31.8% and 13.0%, respectively. The reconciliation of the statutory income tax rate to the Company’s effective income tax rate is as follows:

	For the Year Ended December 31,		
	2021	2020	2019
United Kingdom corporate tax rate	19.0 %	19.0 %	19.0 %

Uncertain tax positions

Accounting for taxes involves some estimation because the tax law is uncertain, and the application requires a degree of judgment, which authorities may dispute. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. The Company establishes reserves for uncertain tax positions where appropriate, based on amounts expected to be paid to the tax authorities.

A reconciliation of the beginning and ending amount of gross unrecognized tax benefits for uncertain tax positions is as follows:

	For the Year Ended December 31,		
	2021	2020	2019
Beginning unrecognized tax benefits	\$ 18,784	\$ 24,593	\$ 25,660
Increases related to prior year tax positions	4,451	1,956	651
Decreases related to prior year tax positions	(3,912)	(8,034)	(1,036)
Increases related to current year tax provisions	589	286	921
Decreases related to current year tax positions	(1,013)	(17)	(143)
Decreases related to settlement with tax authorities	(2,155)	—	(1,460)
Closing unrecognized tax benefits	<u>\$ 16,744</u>	<u>\$ 18,784</u>	<u>\$ 24,593</u>

The total amount of unrecognized tax benefits that, if recognized, would affect the effective tax rate for the years ended December 31, 2021, 2020 and 2019 is \$16,744, \$18,784 and \$24,593, respectively, which is recorded within “Accounts payable and other liabilities” within the Consolidated Statements of Financial Position (See Note 11). This is the amount held in respect of uncertain tax positions across all jurisdictions for all periods where the statutes of limitation have not closed. The Company classifies interest and penalties on income taxes as a component of the provision for income taxes. The total amount of interest and penalties accrued as of December 31, 2021 was \$1,276 and \$166, respectively, and as of December 31, 2020 were \$2,677 and \$390, respectively, and as of December 31, 2019 were \$3,286 and \$631, respectively.

There are no events anticipated within the next 12 months that would significantly increase or decrease the total amount of unrecognized tax benefits.

We conduct business globally and file income tax returns in the United Kingdom, United States and other foreign jurisdictions. In the normal course of business, we are subject to examination by taxing authorities around the world. The Company is no longer subject to income tax examinations by tax authorities in the United Kingdom, United States and other foreign jurisdictions for tax years before 2014.

Recognition of deferred tax assets and liabilities

Deferred tax assets and liabilities reflect the effect of the differences between the financial reporting and income tax bases of assets and liabilities based on tax rates (and laws) enacted by the balance sheet date and which are expected to apply when the related deferred tax asset is realized, or the deferred tax liability is settled.

The realization of deferred tax assets is dependent on generating sufficient taxable income in future periods in which the tax benefits are deductible or creditable. We review the realization of deferred tax assets at each reporting date by estimating future taxable income of the relevant group entities. A valuation allowance is provided in respect of those assets where we do not expect to realize a benefit. All available evidence is considered in determining the amount of the required valuation allowance using a “more likely than not” threshold. Our assessment considers both positive and negative evidence and the extent to which that evidence can be objectively verified. Such evidence includes: (i) net earnings or losses in recent years; (ii) the likelihood of future, sustainable net earnings; (iii) the carry forward periods of tax losses and the impact of relevant reversing temporary differences; and (iv) any available tax planning strategies.

Income and foreign withholding taxes have not been recognized on the excess of the amount included for financial reporting purposes over the tax basis of investments in foreign subsidiaries in Austria, Canada and the United States on the basis that they are indefinitely reinvested. For these territories where the indefinite investment criteria is satisfied, the amounts becomes taxable upon a repatriation of assets from the subsidiary or a sale or liquidation of the subsidiary. As of December 31, 2021, 2020 and 2019, the amount of such taxable temporary differences totaled \$811,957, \$651,851 and \$861,875, respectively, and the amount of any unrecognized deferred income tax liability on this temporary difference is \$2,441, \$4,042 and \$2,541, respectively. For our domestic subsidiaries in the United Kingdom, the Company has no intention of remitting earnings and/or no withholding tax would be imposed and therefore no deferred tax has been provided.

The principal components of deferred tax were as follows:

	For the Year Ended December 31,	
	2021	2020
Deferred tax assets:		
Property and equipment	\$ 9,043	\$ 9,296
Intangible assets	50,634	42,379
Carry forward tax losses	129,994	105,648
Excess interest carry forward	77,049	55,015
Accrued and unpaid expenses	13,094	16,694
Financial instruments	14,943	10,495
Other	9,298	16,766
Total deferred tax assets	304,055	256,293
Valuation allowance	(51,976)	(57,043)
Net deferred tax assets	252,079	199,250
Deferred tax liabilities:		
Property and equipment	(1,857)	(2,246)
Intangible assets	(287,278)	(294,489)
Other	(5,904)	(7,365)
Total deferred tax liabilities	(295,039)	(304,100)
Net deferred tax liabilities	\$ (42,960)	\$ (104,850)

Accounting for income taxes under U.S. GAAP requires that individual tax-paying entities offset all deferred tax assets and liabilities within each particular tax jurisdiction and present them net as non-current in the Statement of Consolidated Financial Position. As of December 31, 2021, \$230,153 of the \$252,079 deferred tax assets arose in the same taxable entities or consolidated tax groups as deferred tax liabilities where there is a legally enforceable right to offset current tax assets against current tax liabilities. As of December 31, 2020, \$181,581 of the \$199,250 deferred tax assets arose in the same taxable entities or consolidated tax groups as deferred tax liabilities where there is a legally enforceable right to offset current tax assets against current tax liabilities. Therefore, the net differences of \$21,926 and \$17,669 are reflected as "Deferred tax assets" within the Consolidated Statements of Financial Position as of December 31, 2021 and 2020, respectively.

As of December 31, 2021, the gross deferred tax liability of \$295,039 is presented on the Consolidated Statements of Financial Position on a net basis with \$230,153 of deferred tax assets, reflected as a deferred tax liability of \$64,886. As of December 31, 2020, the gross deferred tax liability of \$304,100 is presented on the Consolidated Statements of Financial Position on a net basis with \$181,581 of deferred tax assets, reflected as a deferred tax liability of \$122,519.

As of December 31, 2021, 2020 and 2019, the Company has net operating loss carry forwards of \$508,434, \$508,729 and \$379,363, respectively. As of December 31, 2021, \$166,033 of those carry forwards will expire between December 31, 2022 and December 31, 2050 if not utilized. The remaining balance of \$342,401 are indefinite loss carry forwards with no expiry date.

A valuation allowance is provided against deferred tax assets when it is more likely than not that some portion or all of the deferred tax assets will not be realized. For the years ended December 31, 2021 and 2020, the valuation allowance for the Company was \$51,976 and \$57,043, respectively. The current movement primarily relates to the release of valuation allowance on excess interest expenses carried forward in the US, this is offset by increases in valuation allowance on deductible temporary differences and carried forward losses in Canada. The decrease in the valuation allowance during the year ended December 31, 2021 was \$5,067 and the decrease in the valuation allowance during the year ended December 31, 2020 was \$15,291.

5. Goodwill

As a result of our change in segments (Note 21), we reevaluated our reporting units which resulted in a change as of December 31, 2021. In connection with this change, \$271,456 of goodwill was reallocated to Digital Commerce using a fair value allocation methodology. The prior periods have been recast to reflect this change. Changes in the carrying amount of goodwill are as follows:

	US Acquiring	Digital Commerce	Total
December 31, 2019	\$ 1,503,307	\$ 1,934,047	\$ 3,437,354
Additions during the period ⁽¹⁾	—	12,120	12,120
Reductions during the period ⁽²⁾	—	(24,160)	(24,160)
Foreign exchange	—	56,502	56,502
December 31, 2020	1,503,307	1,978,509	3,481,816
Additions ⁽³⁾	21,828	194,292	216,120
Foreign exchange	—	(47,899)	(47,899)
December 31, 2021	\$ 1,525,135	\$ 2,124,902	\$ 3,650,037

(1) Additions to goodwill within the Digital Commerce segment relate to the acquisition of Openbucks (See Note 14)

(2) Reductions to goodwill within the Digital Commerce segment relate to the sale of Paylater (See Note 15).

(3) Additions to goodwill within the US Acquiring and Digital Commerce segments in the current period relate to the acquisition of ICS, PagoEfectivo and viaFintech (See Note 14), respectively.

The Company performs its annual goodwill impairment test for all reporting units as of October 1st, or when events and circumstances have occurred that would indicate the carrying amount of goodwill exceeds its fair value. Due to reduced forecasted cash flows in certain business units, we concluded that an impairment indicator for goodwill was present within the US Acquiring and Digital Commerce segments as of September 30, 2021. We performed a goodwill impairment test as of September 30, 2021 and October 1, 2021 using a discounted cash flow methodology. Based on the analyses performed, it was determined that no adjustments to the carrying value of goodwill of any reporting unit were required.

As a result of the change in reporting units described above, in addition to our annual goodwill impairment test, we performed a goodwill impairment test as of December 31, 2021 under the previous and current reporting unit structure. The fair value was based on a 5-year discounted cash flow model with a terminal value calculated by applying an exit multiple to year 5 cash flows. The discount rate and exit multiple used within the goodwill impairment analysis for US Acquiring was 8% and 15x. The weighted average discount rate and exit multiple used within the goodwill impairment analysis for the reporting units within the Digital Commerce segment was 14% (range of 11-14%) and 16x (range of 16-17x), respectively.

The cash flow forecast was based on our expectation of future outcomes considering past experience and market participant expectations. Discount rate assumptions are based on determining a cost of debt and equity followed by an assessment as to whether there are risks not adjusted for in the future cash flows of the respective reporting unit. The exit multiple was determined based on comparable companies' transaction multiples and discounted based on business-specific considerations. Management considered these to be reasonable multiples in the context of transaction multiples within the payments sector over the last 5 years and consistent with the assumption that a market participant would make. Failure to achieve the expected cash flows, changes in the discount rate or exit multiple, or continued decline the stock price may cause a future impairment of goodwill at the reporting unit level.

Based on the analyses performed, it was determined that no adjustments to the carrying value of goodwill of any reporting unit were required. There is no accumulated impairment of goodwill as of December 31, 2021 or 2020. There have been no other events or changes in circumstances subsequent to the testing date that would indicate impairment of these reporting units as of December 31, 2021 or 2020.

6.Intangible assets

As of December 31, 2021 and 2020 , the Company's intangible assets consisted of the following:

		543,219		219,074
Intangible assets, net	\$	1,202,204	\$	1,524,817

During the year ended December 31, 2021 and 2020, we recorded intangible assets of \$69,242 and \$21,451, respectively, related to the acquisition of merchant portfolios which were accounted for as asset acquisitions, inclusive of contingent consideration payable. During the year ended December 31, 2021 and 2020, we recorded intangible assets of \$129,036 and \$1,516, related to business combinations. We had unpaid capital expenditure purchases of approximately \$4,123 at December 31, 2021 which was included in "Accounts payable and other liabilities" within the Consolidated Statements of Financial Position. Capital expenditure purchases are recorded as cash outflows from investing activities in the Company's Consolidated Statements of Cash Flows in the period they are paid.

Amortization expense on intangible assets for year ended December 31, 2021, 2020 and 2019 was \$252,202, \$253,751 and \$265,477, respectively.

We perform an annual reassessment of estimated useful lives of intangible assets. There was no revision to useful lives of intangible assets during the year ended December 31, 2021. For the year ended December 31, 2020, revisions to the useful lives of intangible assets did not have a material impact to our financial statements. For the year ended December 31, 2019, we revised the useful lives of certain computer software and customer relationships that had been acquired in the past acquisitions of Paysafe Group Limited and iPayment Holdings, Inc. The revised useful lives reflect management's best estimate of the period during which the assets will be used. Certain computer software useful lives were shortened following progression in the consolidation of the legacy platforms into a unified Group IT platform, resulting in an accelerated retirement of the legacy IT platforms. Certain customer relationships' useful lives were also revised to reflect the shorter period over which they are expected to generate revenue. The revision of useful lives, which occurred in the first quarter of 2019, caused an acceleration of amortization expense of \$22,123 for the year ended December 31, 2019, resulting in an increase in "Depreciation and amortization", decrease in "Operating income", and an increase in "Net loss", of the same amount for that year. On a pretax per share basis, the revisions caused a decrease in basic and diluted EPS of \$0.18.

The Company performs an impairment analysis on intangibles assets with finite lives when events and circumstances have occurred that would indicate the carrying amount of intangible assets may not be recoverable. Due to reduced forecasted cash flows within the Digital Commerce segment, we concluded that an impairment indicator for certain intangible assets was present within this segment as of September 30, 2021. Digital Commerce experienced decreased revenues associated with certain legacy merchant relationships and also reduced their forecasted cash flows associated with these merchants due to changes in expected merchant mix resulting from new strategic initiatives within the segment. As a result, an impairment analysis on Digital Commerce intangible assets was performed as of September 30, 2021 and based on an undiscounted cash flow model, it was determined that certain of these assets were not recoverable. In calculating the impairment loss, management determined the fair value of these individual assets based on a discounted cash flow model for merchant relationships and relief from royalty method for certain brands using Level 3 inputs. Failure to achieve the expected cash flows due to higher than estimated attrition, obsolescence or other factors may cause a future impairment of intangible assets. Management's key assumptions in determining the fair value include expected cash flows, discount rate and royalty rate.

The Company recognized an impairment loss of \$324,145 for the year ended December 31, 2021, the majority of which relates to the impairment described above. The impairment loss is recognized in the Consolidated Statements of Comprehensive Loss under "Impairment expense on intangible assets" and is primarily related to the Digital Commerce segment.

For the year ended December 31, 2020, the Company recognized an impairment loss of \$42,981 for certain software development costs resulting from shortening an asset's estimated useful life following accelerated retirement of a legacy IT platform, and \$59,894 for customer relationships acquired in the past acquisitions of Paysafe Group Limited resulting from the deterioration in the assets' forecasted cash flows and anticipated merchant and consumer attrition rates. An additional impairment loss of \$27,545 was recognized for certain acquired merchant portfolios due to deterioration in anticipated merchant attrition rates observed since the assets' acquisition. The discount rate utilized for purposes of determining the fair value of intangible assets impaired as of the year ended December 31, 2020 was 8.6%

For the year ended December 31, 2019, the Company recognized an impairment loss of \$38,597 for software development, \$18,710 for customer relationships and \$344 for brands acquired in the past acquisitions of Paysafe Group Limited and iPayment Holdings, Inc. An additional impairment loss of \$29,342 was recognized for certain acquired merchant portfolios and \$1,661 for software development for projects that were canceled during the period.

The estimated amortization expense of intangible assets for the next five years is as follows:

2022	\$	225,179
2023		188,892
2024		187,447
2025		162,768
2026		113,037

Intangible assets acquired by the Company during the year ended December 31, 2021 and 2020 had the following expected weighted-average useful lives:

	2021	2020
Brands	7 years	n/a
Computer software	3 years	4 years
Customer relationships	7 years	5 years
Total weighted-average useful life	5.4 years	4.1 years

8. Allowance for credit losses

The Company has exposure to credit losses for financial assets including customer accounts and other restricted cash, settlement receivables, accounts receivable, and financial guarantee contracts to the extent that a chargeback claim is made against the Company directly or to the Company's merchants on card purchases.

As described in Note 1, the Company adopted ASC 326, *Financial Instruments – Credit Losses*, on January 1, 2020 which resulted in a cumulative-effect adjustment to increase the allowance for credit losses by \$10,148 and decrease retained earnings by \$7,509, net of

tax. The following table summarizes the expected credit allowance activity for customer accounts and other restricted cash; settlement receivables, net; accounts receivable, net; and financial guarantee contracts and other, for the years ended December, 2021 and 2020:

	Customer accounts and other restricted cash	Accounts receivable, net	Settlement receivables, net	Financial guarantee contracts and other ⁽¹⁾	Total allowance for credit losses

Balance at December 31, 2021	\$ 673	\$ 8,642	\$ 4,049	\$ 6,927	\$ 20,291

(1)Provision on off-balance sheet financial guarantees was separately assessed and recognized based on the guidance within ASC 460, *Guarantees*, prior to the adoption of ASC 326, *Financial Instruments - Credit Losses*, on January 1, 2020.

(2)Represents the reclassification of the allowance for credit losses from a liability to a contra asset upon realization of the accounts receivable related to an off-balance sheet guarantee and other reclassifications.

(3)Other mainly relates to the impact of foreign exchange.

Decrease in credit loss expense in 2021 compared to 2020 was primarily attributable to the impact of the global COVID-19 pandemic in 2020 as well as the disposal of Payolution GmbH which occurred in October 2020 (See Note 15). Increase in write-offs of accounts receivable in 2021 was primarily attributable to the write-off of specific credit loss allowances recognized in the prior year for an individual merchant within the US Acquiring segment. This was offset by a decrease in write offs for settlement receivables net, within Digital Commerce.

Increases in credit losses and write-offs in 2020 compared to the prior period were primarily attributable to the impact of the global COVID-19 pandemic and the associated impact of macroeconomic conditions, as well as the adoption of ASC 326 Financial Instruments – Credit Losses. The overall reduction in the allowance for credit losses year on year is mainly attributable to the disposal of Payolution GmbH (see Note 15).

Compliance with Covenants

The Company's new facilities as described above contain affirmative, restrictive and incurrence-based covenants, including, among others, financial covenants based on the Company's leverage and New Revolving Credit Facility utilization, as defined in the agreement. The financial covenants under the new facilities require the Company to test its Consolidated First Lien Debt Ratio if the principal amount of the New Revolving Credit Facility, less any cash and cash equivalents, at the reporting date exceeds 40% of the total New Revolving Credit Facility Commitment. If the New Revolving Credit Facility utilization is greater than 40% at the reporting date, there is an additional requirement that the Consolidated First Lien Debt Ratio is not permitted to exceed 7.5 to 1.0. The Consolidated First Lien Debt Ratio is the ratio of (a) consolidated senior secured net debt of the Company and restricted subsidiaries as of the last day of such relevant period to (b) Last Twelve Months (LTM) EBITDA, as defined in the new facilities, of the Company and the restricted subsidiaries for the relevant period. The Company was in compliance with its financial covenants at December 31, 2021.

The financial covenants under the former debt facilities required the Company to test its First Lien Net Leverage Ratio if the principal amount of the Revolving Facility Loans outstanding at the reporting date exceeded 40% of the total Revolving Credit Facility Commitment. If the Revolving Credit Facility utilization was greater than 40% at the reporting date, there was an additional requirement that the First Lien Net Leverage Ratio was not permitted to exceed 9.0 to 1.0. The First Lien Net Leverage Ratio is the ratio of (a) consolidated senior secured net debt of the Company and restricted subsidiaries as of the last day of such relevant period to (b) consolidated EBITDA, as defined in the former debt facilities, of the Company and the restricted subsidiaries for the relevant period. The Company was in compliance with its financial covenants at December 31, 2020.

10. Derivative instruments

The Company has historically entered into derivative financial instruments to manage its interest rate risk related to its former variable-rate credit facilities, comprised of the First Lien Term Loans and Second Lien Term Loan. The Second Lien Term Loan was fully repaid on March 31, 2021, and the First Lien Term loan was repaid in connection with the Refinancing on June 28, 2021 (see Note 9). As a result, the interest rate swaps and interest rate caps were cancelled as of December 31, 2021, reducing the derivative liability and resulting in market value settlement cash payments of \$41,483.

The Company's derivative instruments consisted of interest rate swaps and interest rate cap agreements (collectively "interest rate contracts"). The interest rate swaps mitigated the exposure to the variable-rate debt by effectively converting the floating-rate payments under the First Lien Term Loan and Second Lien Term Loan to fixed-rate payments. The interest rate cap agreements capped a portion of the Company's variable-rate debt under the First Lien Term Loan and Second Lien Term Loan if interest rates rose above the strike rate on the contract. The interest rate contracts were measured at fair value and not designated as hedges for accounting purposes; as such, any fair value changes were recorded in "Other (expense) / income, net" in the Company's Consolidated Statements of Comprehensive Loss.

The interest rate swaps mitigate the exposure to the variable-rate debt by effectively converting the floating-rate payments under the First Lien Term Loan and Second Lien Term Loan to fixed-rate payments. The interest rate cap agreements cap a portion of the Company's variable-rate debt under the First Lien Term Loan and Second Lien Term Loan if interest rates rise above the strike rate on the contract. As of December 31, 2020, the Company's interest rate contracts had a fair value of \$50,198 which was recorded as a

“Derivative financial liability” in the Consolidated Statements of Financial Position. The Company recognized a fair value gain (loss) for the year ended December 31, 2021, 2020 and 2019 of \$8,585, (\$22,463) and (\$17,325), respectively, in respect of its interest rate contracts.

During the year ended December 31, 2021:

- The Company completed the business combination of ICS, PagoEfectivo and viaFintech, as well as, the acquisition of merchant portfolios, recognizing an estimated contingent and deferred consideration payable of \$30,716, of which \$25,781 was related to business combinations (See Note 14). During the year ended December 31, 2020:

The contingent and deferred consideration of \$30,815 is classified as a liability on the Consolidated Statements of Financial Position, of which \$17,142 is non-current. This contingent and deferred consideration arose as part of the consideration of merchant buyouts, as well as current and prior year acquisitions. The contingent and deferred consideration is payable in cash subject to the future financial performance of the acquisitions.

13. Contingent consideration receivable

The contingent consideration receivable initially arose on the disposal of Paysafe Merchant Services Limited ("PMSL"), a previous subsidiary of Paysafe Group Limited. The disposal occurred on December 20, 2017, immediately prior to the acquisition of Paysafe Group Limited by the Company. Under the terms of the disposal agreement, if the buyer defaulted on payment and the Company issued a 90-day notice to pay, certain shares of PMSL could be held by the Company as security on the payment of the contingent consideration receivable ("Share Charge"). Prior to the closing of the Transaction, the possibility of the enactment of a Share Charge was considered remote and all amounts due in the period under the agreed terms of the disposal were settled by the buyer in full.

In connection with the Transaction, the contingent consideration receivable was transferred to PGHL as partial settlement of the shareholder term loan agreement with PGHL (see Note 22). The remaining contingent consideration receivable balance at December 31, 2021 is \$2,842 and related to a contingent consideration receivable recorded upon the disposal of Paylater (See Note 15).

The following table summarized the movement in the contingent consideration receivable during the years ended December 31, 2021 and 2020.

Pursuant to the disposal agreement, payments due are made directly to Topco. Topco is obliged to transfer such proceeds to the Company, but only to the extent that it receives such amounts from the buyer. During the years ended December 31, 2021 and 2020, Topco has received payments from the buyer of \$0 and \$27,158 (at transaction date foreign exchange rates), respectively. As of December 31, 2021 and 2020, the total outstanding balance due from Topco to the Company is \$4,408 and \$4,455 (at closing foreign exchange rates), respectively, and is included within "Related party receivables - current" in the Consolidated Statements of Financial Position.

14. Business Combinations

During the year ended December 31, 2021, the Company completed the acquisition of International Card Services ("ICS") with the goal of furthering the expansion of the US Acquiring segment in the United States as well as obtaining new merchants. The Company also completed the acquisitions of Orbis Ventures S.A.C. ("PagoEfectivo"), and ViaFintech with the goal of furthering the expansion of alternative payment methods in the Latin America and German markets as well as creating additional revenue opportunities for the Digital Commerce segment.

These acquisitions were accounted for as business combinations and the operating results have been included in the Company's consolidated financial statements since the date of the acquisition. These acquisitions were not considered material business combinations individually.

The following table summarizes the aggregate purchase price and fair value of the assets and liabilities acquired on acquisitions during the year ended December 31, 2021 as described above which are considered material business combinations in the aggregate. As of the date of the issuance of these financials, the determination of the final purchase price allocation to specific assets acquired and liabilities assumed is based on provisional amounts. The estimate of the purchase price allocations may change in future periods as the fair value

estimates of assets and liabilities (including, but not limited to, goodwill, and intangibles) and the valuation of the related tax assets and liabilities are finalized.

See Note 17, Fair Value Measurements for further details on our fair value methodology with respect to the contingent and deferred consideration payable.

(2) Gross contractual amounts receivable are equal to their book value where appropriate.

(3) Intangible assets are primarily comprised of customer relationships, brands, and computer software.

(4) Goodwill was primarily attributed to the expected synergies between the acquired businesses and the Company, the value of the employee workforce, new customer acquisitions and intangible assets that do not qualify for separate recognition at the time of acquisition. The goodwill is not deductible for income tax purposes. See Note 21, Operating Segments for the reporting segments to which acquired Goodwill was assigned.

The aggregate revenues and net earnings of the acquired businesses during 2021 of \$24,848 and \$5,180 respectively, are included in the Consolidated Statements of Comprehensive Loss from the date of acquisition.

The unaudited pro forma consolidated revenues and net loss for the Company for the year ended December 31, 2021 and 2020 were as follow, had these acquisitions occurred on January 1, 2020. These pro forma results are presented for informational purposes only and are not indicative of future operations or results that would have been achieved had the acquisitions been completed as of January 1, 2020.

The pro forma net loss for 2020 was adjusted to include the acquisition-related costs and additional amortization and interest expense that would have been charged assuming the intangible assets and debt had been recorded as of January 1, 2020.

The Company incurred acquisition-related costs associated with these acquisitions of approximately \$2,647, which are recorded in "Restructuring and Other Costs" on the Consolidated Statements of Comprehensive Loss for the year ended December 31, 2021.

Openbucks

In August 2020, the Company completed the acquisition of Openbucks with the goal of accelerating the expansion of the Digital Commerce in the United States as well as benefit from certain partnerships with retailers. The total expected purchase price at the time of acquisition, including earnouts was \$13,262, comprised of cash consideration of \$9,760 and an additional contingent earnout to be paid in future periods based on earnings targets. The operating results of the acquisition have been included in the Company's consolidated financial statements since the date of acquisition. This acquisition was not considered a material business combination. Refer to Note 12 for further information regarding changes in contingent consideration payable related to this acquisition.

15. Gain on disposal of subsidiaries

Payolution GmbH

On October 5, 2020, the Company disposed of Payolution GmbH, a wholly owned subsidiary of the Company for total consideration consisting of cash and contingent consideration. The receivable is contingent upon the achievement of certain financial performance metrics of Payolution GmbH. For the years ended December 31, 2021 and 2020, the Company had earned the contingent consideration of \$3,045 and \$4,885, respectively, as the financial performance metrics had been achieved prior to the 2021 and 2020 year-end, respectively. These amounts were paid during 2021. The \$4,885 (at December 31, 2020 closing foreign exchange rates) earned in 2020 was recorded in the “Prepaid expenses and other current assets” within the Consolidated Statements of Financial Position as of December 31, 2020. The remaining consideration for financial performance conditions will be due in the second quarter of the year ended December 31, 2022 (See Note 13).

Paysafe UK GOLO Holdco Limited

16. Share-based payments

The Company operates two share-based employee compensation plans: the 2018 Pi Jersey Topco Limited Plan (2018 Plan) for which a majority of the shares vested upon completion of the Transaction (See Note 2) and the 2021 Omnibus Incentive Plan (2021 Plan). The 2021 Plan serves as the successor to the 2018 Plan. The 2021 plan became effective as of March 30, 2021 upon closing of the Transaction. Outstanding awards under the 2018 Plan continue to be subject to the terms and conditions of the 2018 Plan. Since March 2, 2021, no additional awards have been nor are expected to be granted in the future under the 2018 Plan.

2018 Pi Jersey Topco Limited Plan (“2018 Plan”)

On January 2, 2018, Pi Jersey Topco Limited adopted the 2018 Plan authorizing the issuance of equity-based awards, including A ordinary shares and B ordinary shares, to certain executive and senior managers of the Company in consideration for their employee services. A ordinary shares have been granted to certain executives and senior management only, while B ordinary shares are held by certain executives and senior managers as well as shareholders of Topco. The total number of authorized A ordinary shares under the Plan was 600,000, and there was not a limit to the number of B ordinary shares authorized. A consideration of \$2.16 or \$1.50 was payable on the grant of each A ordinary share, depending on the grant date, and consideration of \$1.00 was payable on the grant of each B ordinary share. The awards are issued and settled by Pi Jersey Topco Limited. The employee services are rendered to the Company. As such, they are accounted for as equity settled share-based payments in the Company’s financial statements.

The A ordinary shares and B ordinary shares included a service-based vesting condition and a performance-based vesting condition. Vesting was subject to continuous service until the achievement of an Exit Event (defined as an Initial Public Offering (“IPO”) whereby Blackstone and CVC retained less than 50% of the B ordinary shares they held immediately prior to the IPO through one or multiple transactions, winding-up or completion of a sale). The Plan also included a market condition through a ratchet mechanism whereby, upon the achievement of a specified return at an Exit Event or subsequent sale of ordinary shares, a number of B ordinary shares as

determined by a formula would automatically be converted into deferred shares, so as to result in the A ordinary shares, which are held by executives and senior managers of the Company only, having an additional ownership percentage of the total equity. This ratchet mechanism impacts the grant date fair value of the A ordinary shares and the B ordinary shares.

As vesting for a majority of the shares was contingent upon the achievement of an Exit Event, a majority of compensation expense was recognized during December 31, 2021 upon completion of the Transaction. For the year ended December 31, 2020 and 2019, no share-based compensation expense was recorded.

The following tables summarizes ordinary share activity for the year ended December 31, 2021.

	A ordinary shares	Weighted average grant date fair value	B ordinary shares	Weighted average grant date fair value
Nonvested as of December 31, 2020	523,980	\$ 113.12	292,576	\$ 46.06
Granted ⁽¹⁾	9,370	\$ 350.62	—	\$ —

(1)The fair value of shares granted under the 2018 Plan during the year ended December 31, 2021 was based on the relative value of the Transaction.

(2)Represents share-based awards that vested in connection with the completion of the Transaction as described in Note 2.

The weighted average grant date fair value of shares granted under the 2018 Plan for the years ended December 31, 2021, 2020 and 2019 was \$350.62, \$320.50 and \$259.63, respectively. The total grant date fair value of shares vested during the year ended December 31, 2021, was \$71,630. There were no shares that vested under the 2018 plan for the years ended December 31, 2020 and 2019.

Assumptions used in the valuation model

The fair value of the A ordinary shares and B ordinary shares was determined using a Monte Carlo simulation approach for the years ended December 31, 2020 and 2019. The following table shows the principal assumptions used in the valuation:

	For the year ended December 31,	
	2020	2019
Expected volatility	48.27 %	30.90 %
Risk free interest rate	0.14 %	1.84 %
Dividend yield	Nil	Nil

Expected volatility was determined based on the historical volatility of Paysafe and broadly comparable companies operating in the payments sector.

2021 Omnibus Incentive Plan ("2021 Plan")

There are 126,969,054 shares authorized for award under the 2021 Plan. Under the 2021 Plan, restricted stock units ("RSUs") that have a service condition only, generally vest ratably over three years. Performance restricted stock units ("PRSUs") generally vest at the end of one- or three-years. The number of PRSUs that vest is variable depending upon the probability of achievement of certain internal performance targets and may vest between 0% and 200% of the target share amount. We did not record compensation expense for certain PRSUs during the year ended December 31, 2021 because the performance criteria for such awards were not expected to be achieved and the ultimate vesting of the awards was not probable as of such date.

The following table summarizes restricted stock unit activity during the year ended December 31, 2021.

	Restricted Stock Units	Weighted average grant date fair value
Nonvested as of December 31, 2020	—	\$ —
Granted ⁽¹⁾	13,526,684	\$ 8.30

Performance adjustments ⁽³⁾	—	\$ —
Nonvested as of December 31, 2021	<u>13,314,436</u>	<u>\$ 8.25</u>

(1)Represents 10,209,706 RSUs and 3,316,978 PRSUs based on performance target achievement of 100%.

(2)The total grant date fair value of units vested was \$32.

(3)Represents the adjustment to the number of PRSUs vested based on actual performance compared to target.

Share based compensation expense recognized during the year ended December 31, 2021 under both plans was \$101,770. There was no share based compensation recognized during the years ended December 31, 2020 and 2019. As of December 31, 2021, 2020 and 2019, the unrecognized stock-based compensation expense under both plans was \$70,234, \$71,630, and \$66,497, respectively.

In January and February 2022, the Company granted an additional 3,599,070 of RSUs and PRSUs to employees under the 2021 Plan.

(2) Level 2 warrant liabilities represent the fair value of private warrants which is estimated using the price of the Company's public warrants.

The fair value hierarchy of financial instruments measured at fair value as of December 31, 2020 is provided below.

	Level 1	Level 2	Level 3
<i>Financial assets measured at fair value:</i>

	<u>\$ —</u>	<u>\$ 50,198</u>	<u>\$ 9,562</u>

There were no transfers between levels during the years ended December 31, 2021 and 2020. A reconciliation of the movements in level 3 financial instruments in the year are shown in Note 12 and 13.

The valuation techniques and significant unobservable inputs used in determining the fair value measurement of Level 3 financial instruments is set out in the table below. Other than this input, a reasonably possible change in one or more of the unobservable inputs listed below would not materially change the fair value of financial instruments listed below.

Financial instrument	Valuation technique used	Significant unobservable inputs
Contingent consideration payable	Discounted cashflow	Weighted average discount rate of 9.0% (7-15%)
Liability for share-based compensation	Market and income approach	Discount rate of 16.5%

The Company considers that the carrying value of cash and cash equivalents, customer accounts and other restricted cash, accounts receivable, settlement receivables, related party receivables, accounts payable and other liabilities, liabilities to customers and merchants and related party payables approximate fair value given the short-term nature of these items. At December 31, 2021, the carrying amount of our debt approximated fair value (a Level 2 measurement) based on market yields for similar debt facilities and observable trading data related to the Company's debt securities.

19. Commitments, Contingencies and Guarantees

Litigation provision

Through the normal course of the Company's business, the Company is subject to a number of litigation proceedings both brought against and brought by the Company. The Company maintains liabilities for losses from legal actions that are recorded when they are determined to be both probable in their occurrence and can be reasonably estimated. On this basis, for the year ended December 31, 2021 and 2020 we have recognized a provision of \$8,550 and \$11,600, respectively, related to certain litigation proceedings. This amount is presented within "Accounts payable and other liabilities" in the Company's Consolidated Statements of Financial Position.

The Company vigorously defends its position on all open cases, including any litigation that arises as a result of the cyber breach that occurred in November 2020. While the Company considers a material outflow for any one individual case unlikely, it is noted that there is uncertainty over the final timing and amount of any potential settlements. Management believes the disposition of all claims currently pending, including potential losses from claims that may exceed the liabilities recorded, and claims for loss contingencies that are considered reasonably possible to occur, will not have a material effect, either individually or in the aggregate, on the Company's consolidated financial condition, results of operations or liquidity.

Financial guarantee contracts

Through services offered primarily in our US Acquiring segment, the Company is exposed to potential losses from merchant-related chargebacks. A chargeback occurs when a dispute between a cardholder and a merchant, including a claim for non-delivery of the product or service by the merchant, is not resolved in favor of the merchant and the transaction is charged back to the merchant resulting in a refund of the purchase price to the cardholder. If the Company is unable to collect this chargeback amount from the merchant due to closure, bankruptcy or other reasons, the Company bears the loss for the refund paid to the cardholder. The risk of chargebacks is typically greater for those merchants that promise future delivery of goods and services rather than delivering goods or rendering services at the time of payment. The Company has recorded an allowance for credit losses on financial guarantees as of December 31, 2021 and 2020 (See Note 8).

Acquisition of SaftPay Inc. (“SafetyPay”)

In August 2021, the Company entered into a definitive agreement to acquire SaftPay Inc. (“SafetyPay”) with the goal of furthering the expansion of alternative payment methods and direct bank integration in the Latin America market, as well as creating additional revenue opportunities for all three of our segments. The base consideration is \$441,000 to be paid in cash. This acquisition will be accounted for as a business combination and closed during the first quarter of 2022. As of the date of the issuance of these financials, the determination of the purchase price allocation to specific assets acquired and liabilities assumed is incomplete due to timing of the acquisition.

20. Other income / (expense), net

A summary of the amounts recorded in Other income / (expense), net is as follows:

	For the year ended December 31,		
	2021	2020	2019

21. Operating segments

Operating segments are defined as components of an enterprise that engage in business activities and for which discrete financial information is available that is evaluated on a regular basis by the Chief Operating Decision Maker (“CODM”) to make decisions about how to allocate resources and assess performance. As discussed in Note 1, in the fourth quarter of 2021, we revised our reportable segments as a result of a change in our CODM and how our CODM regularly reviews financial information to allocate resources and assess performance. Our CODM is defined as our Chief Executive Officer (“CEO”), Chief Financial Officer (“CFO”), Chief Operating Officer (“COO”), Chief Information Officer (“CIO”), and Chief resource Officer (“CRO”). Our new operating segments, which align with our reportable segments, are: US Acquiring, which focuses on card not present and card present solutions for small to medium size business merchants; Digital Commerce, which provides wallet based online payment solutions through our Skrill and NETELLER brands; and also enables consumers to use cash to facilitate online purchases through paysafecard prepaid vouchers under the Paysafecard and Paysafecash brands. These two operating segments, which are also reportable segments, as they have not been aggregated, are based on how the Company is organized, reflecting the difference in nature of the products and services they each sell. Shared costs are the cost of people and other resources consumed in activities that provide a benefit across more than one segment. Shared costs are allocated to each segment and Corporate primarily based on applicable drivers including headcount, revenue and Adjusted EBITDA. The prior year segment information has been recast to reflect this change.

The CODM evaluates performance and allocate resources based on Adjusted EBITDA of each operating segment. Adjusted EBITDA of each operating segment includes the revenues of the segment less ordinary operating expenses that are directly related to those revenues and an allocation of shared costs. Corporate overhead costs and Corporate’s allocation of shared costs are included in Corporate in the following table. Corporate overhead costs are costs consumed in the execution of corporate activities that are not directly factored into the production of any service provided by the Company’s segments.

The CODM does not receive segment asset data to evaluate performance or allocate resources and therefore such information is not presented.

22.Related party transactions

The Company has provided and purchased services to and from various affiliates of certain directors or entities under common control. The dollar amounts related to these related party activities are not significant to our consolidated financial statements. Intercompany balances and transactions between the Company and its subsidiaries, which are related parties, have been eliminated on consolidation and are not disclosed in this note.

Balances and transactions with related parties

The Company entered the following transactions with related parties. At December 31, 2021 and 2020, the following amounts were outstanding:

Refer to Note 2 for related party transaction related to the Warrant liabilities.

The amounts outstanding are unsecured and no guarantees have been given or received. No allowances for credit losses have been made for debts in respect of the amounts owed by related parties. Interest expense, net, on related party transactions for the year ended December 31, 2021, 2020 and 2019 was \$0, \$1,554, and \$8,457, respectively. These balances are recognized and included within "Other (expense) / income, net".

Transactions with Topco

The amounts owed from Topco arose from the disposal of PMSL, a previous subsidiary of Paysafe Group Limited. Before the Transaction, the contingent consideration payments from the disposal of PMSL were made by the buyer to Topco and Topco was obligated to transfer the consideration received to Legacy Paysafe (See Note 13), resulting in a receivable from Topco. In connection with the Transaction, Legacy Paysafe transferred the contingent consideration receivable to PGHL and as a result, Topco's obligation is now with PGHL.

The remaining receivable relates to payments made by the buyer to Topco that have not been transferred to the Company. This receivable is GBP denominated and the movement in the balance is due to foreign currency translation. As of December 31, 2021 and 2020, the amounts owed from Topco related to the disposal of PMSL were \$4,408 and \$4,455, respectively.

Transactions with PGHL

In January 2018, Legacy Paysafe entered into a shareholder term loan agreement with PGHL for an amount of \$317,760, used to fund part of the acquisition price of Paysafe Group Limited. The loan carries interest at a rate equal to the US Applicable Federal Rate. The interest is capitalized to the loan annually and is payable with the principal in July 2026 or earlier at the option of the Company. During the year ended December 31, 2021, in connection with the Transaction, the Company fully settled this loan through the following transactions, (i) an amount of \$159,302 was settled in connection with the contingent consideration receivable transfer to PGHL (See Note 13), (ii) an amount of \$26,000 was settled in connection with additional contributions from PGHL into Skrill USA, which were funded by Legacy Paysafe. PGHL owns 100% of Skrill USA's share capital. As a VIE of the Company, Skrill USA's equity and results are presented as non-controlling interest in these financial statements, and therefore this additional capital contribution was presented as "Contributions from non-controlling interest holders" in the Consolidated Statements of Shareholder's Equity and (iii) the remaining loan balance of \$10,694 was released by PGHL as consideration for the issuance of 233,376 additional ordinary shares by Legacy Paysafe, which is presented as "Capital injection in Legacy Paysafe" in the Consolidated Statements of Shareholder's Equity.

The Company has a receivable from PGHL which is interest free and repayable on demand. As of year ended December 31, 2021 and 2020 this receivable balance is \$2,069 and \$1,776, respectively.

23.Subsequent events

Subsequent to December 31, 2021, the Company acquired 100% equity interest in Skrill USA (See Note 1), issued additional share based payment awards (See Note 16) and completed the acquisition of SafetyPay (See Note 19).

Description of the Company's Securities

The following is a description of material terms of, and is qualified in its entirety by, the Company Charter and the Company Bye-laws. Under "Description of the Company's Securities," "we," "us," "our," the "Company" and "our company" refer to Paysafe Limited and not to any of its subsidiaries.

We are an exempted company incorporated under the laws of Bermuda. We are registered with the Registrar of Companies in Bermuda under registration number 56074. We were incorporated on November 23, 2020 under the name Paysafe Limited. Our registered office is located at Victoria Place, 31 Victoria Street, Hamilton HM10, Bermuda. Our agent for service of process in the United States is Cogency Global Inc.

Our objects are unrestricted, and we have the capacity of a natural person. We can therefore undertake activities without restriction on our capacity.

Our authorized share capital is 20,000,000,000 common shares, par value \$0.001 per share and 2,000,000,000 undesignated shares, par value \$0.001 per share. As of March 9, 2022, there are 724 million Company Common Shares issued and outstanding, and no preference shares outstanding. All of our issued and outstanding common shares have been issued fully paid. Unless the Company Board determines otherwise, we will issue all of our share capital in uncertificated form.

Pursuant to the Company Bye-laws, subject to the requirements of the NYSE and subject to any resolution of the shareholders to the contrary, the Company Board is authorized to issue any of our authorized but unissued shares on such terms as the Company Board determines. There are no limitations on the right of non-Bermudians or non-residents of Bermuda to hold or vote our shares.

Company Common Shares

Under Bermuda law and the Company Bye-laws, the Company Board is authorized to issue any of our authorized but unissued shares without shareholder approval on such terms as the Company Board determines. The holders of Company Common Shares have no pre-emptive, redemption, conversion or sinking fund rights. Holders of Company Common Shares are entitled to one vote per share on all matters submitted to a vote of holders of Company Common Shares. Unless a different vote is required by Bermuda law or by the Company Bye-laws, resolutions to be approved by holders of voting shares require approval by a simple majority of votes cast at a meeting at which a quorum is present. Holders of Company Common Shares will vote together as a single class on all matters presented to the shareholders for their vote or approval, including the election of directors. The Company Charter and the Company Bye-laws do not authorize cumulative voting and directors are elected by plurality of votes.

Any individual who is a shareholder of the Company and who is present at a meeting may vote in person, as may any corporate shareholder that is represented by a duly authorized representative at a meeting of shareholders. The Company Bye-laws also permit attendance at general meetings by proxy, provided the instrument appointing the proxy is in such form as the Company Board may determine.

In the event of our liquidation, dissolution or winding up, the holders of Company Common Shares are entitled to share equally and ratably in our assets, if any, remaining after the payment of all of our debts and liabilities, subject to any liquidation preference on any issued and outstanding preference shares.

Preference Shares

Under Bermuda law and the Company Bye-laws, the Company Board is authorized to issue preference shares in one or more series without shareholder approval. The Company Board has the discretion under the Company Bye-laws to determine the rights, preferences, privileges and restrictions, including voting rights, dividend rights, conversion rights, redemption privileges and liquidation preferences of our authorized but unissued undesignated shares, and the Company Board may issue those shares in series of preference shares, without any further shareholder approval. The rights with respect to a series of preference shares may be greater than the rights attached

to our Company Common Shares. It is not possible to state the actual effect of the issuance of any preference shares on the rights of holders of our Company Common Shares until the Company Board determines the specific rights attached to those preference shares. The effect of issuing preference shares could include, among other things, one or more of the following:

- restricting dividends in respect of our Company Common Shares;
- diluting the voting power of our Company Common Shares or providing that holders of preference shares have the right to vote on matters as a class;
- impairing the liquidation rights of our Company Common Shares; or
- delaying or preventing a change of control of us.

There are no preference shares outstanding, and we have no present plans to designate the rights of or to issue any preference shares.

Dividend Rights

Under Bermuda law and the Company Bye-laws, the Company Board has discretion as to the payment of dividends on our Company Common Shares, including the amount (if any), payment date and whether paid in cash or satisfied by our shares or other assets, without shareholder approval. Under Bermuda law, we may not declare or pay dividends if there are reasonable grounds for believing that: (i) the company is, or would after the payment be, unable to pay its liabilities as they become due; or (ii) that the realizable value of our assets would as a result be less than our liabilities. Under the Company Bye-laws, each Company Common Share is entitled to dividends if, as and when dividends are declared by the Company Board, subject to any preferred dividend right of the holders of any preference shares. If we are permitted under Bermuda law to pay dividends, there are no restrictions on our ability to pay dividends in U.S. dollars or to U.S. residents who are holders of our shares.

As disclosed in “Item 8. Financial Information—Dividend Policy,” we have no current plans to pay dividends on our Company Common Shares and no obligation under Bermuda law or the Company Bye-laws to do so. Any decision to declare and pay dividends in the future will be made at the sole discretion of the Company Board and will depend on, among other things, our results of operations, cash requirements, financial condition, contractual restrictions and other factors that the Company Board may deem relevant. Because we are a holding company and have no direct operations, we will only be able to pay dividends from funds we receive from our subsidiaries. In addition, our ability to pay dividends will be limited by covenants in our existing indebtedness and may be limited by the agreements governing any indebtedness we or our subsidiaries may incur in the future. See “Description of Certain Indebtedness.”

Any cash dividends payable to holders of our Company Common Shares listed on the NYSE will be paid to Continental Stock Transfer & Trust Company, our transfer agent in the United States, for disbursement to those holders.

Variation of Rights

If at any time we have more than one class of shares, the rights attaching to any class, unless otherwise provided for by the terms of issue of the relevant class, may be varied either: (i) with the consent in writing of the holders of a majority of the issued shares of that class or (ii) with the sanction of a resolution passed by a majority of the votes cast at a general meeting of the relevant class of shareholders at which a quorum consisting of at least two persons holding or representing a majority of the issued shares of the relevant class is present in person or by proxy. The Company Bye-laws specify that the creation or issue of shares ranking equally with existing shares or the purchase or redemption by us of our shares will not, unless expressly provided by the terms of issue of existing shares, vary the rights attached to existing shares. In addition, the creation or issue of preference shares ranking prior to common shares will not be deemed to vary the rights attached to common shares or, subject to the terms of any other series of preference shares, to vary the rights attached to any other series of preference shares.

Transfer of Shares

The Company Board may, in its absolute discretion and without assigning any reason, refuse to register the transfer of a share that it is not fully paid (but we do not currently have, or intend to issue, any shares which are not fully-paid). The Company Board may also refuse to recognize any required instrument of transfer of a share unless it is accompanied by the relevant share certificate (if issued), such other evidence of the transferor's right to make the transfer as the Company Board shall reasonably require, and unless the Company Board is satisfied that all applicable consents, authorizations, permissions or approvals are in place and that the transfer would not violate any agreement to which the Company or the transferor is subject.

When our shares are listed or admitted to trading on an appointed stock exchange (which includes the NYSE), they will be transferred in accordance with the rules and regulations of such exchange.

If at any time our shares cease to be listed or admitted to trading on an appointed stock exchange, which includes the NYSE, the permission of the Bermuda Monetary Authority is required, pursuant to the provisions of the Exchange Control Act 1972 and related regulations, for all transfers of shares (which includes our Company Common Shares) of Bermuda companies to or from a non-resident of Bermuda for exchange control purposes, other than in cases where the Bermuda Monetary Authority has granted a general permission. Subject to the restrictions mentioned above, a holder of common shares may transfer the title to all or any of such holder's common shares by completing a form of transfer in such form as the Company Board may accept. The instrument of transfer must be signed by the transferor and transferee, although in the case of a fully paid share the Company Board may accept the instrument signed only by the transferor.

Meetings of Shareholders

Under Bermuda law, a company is required to convene at least one general meeting of shareholders each calendar year, which is referred to as the annual general meeting. However, the shareholders may by resolution waive this requirement, either for a specific year or period of time, or indefinitely. When the requirement has been so waived, any shareholder may, on notice to the company not later than three months before the end of the year in question, require the holding of an annual general meeting, in which case an annual general meeting must be called. We intend to hold an annual general meeting in the year ending December 31, 2022.

Bermuda law provides that a special general meeting of shareholders may be called by the Company Board of a company and must be called upon the request of shareholders holding not less than 10% of the paid-up share capital of the company carrying the right to vote at general meetings. Bermuda law also requires that shareholders be given at least five days' advance notice of a general meeting, but the accidental omission to give notice to any person does not invalidate the proceedings at a meeting. The Company Bye-laws provide that the president or chairman or a majority of the Company Board may convene an annual general meeting or a special general meeting; provided, however, that for so long as our Principal Shareholders (as defined in the Shareholders Agreement) beneficially own, collectively, at least 30% of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time, special meetings of our shareholders shall also be called by the Company Board or the chairman of the Company Board at the request of a Principal Shareholder. Under the Company Bye-laws, at least five clear days' notice (as defined in the Company Bye-laws) of an annual general meeting or a special general meeting must be given to each shareholder entitled to vote at such meeting. The quorum required for a general meeting of shareholders generally is two or more persons present throughout the meeting and representing, in person or by proxy, a majority of the issued shares entitled to vote at such meeting; provided, however, that if the special general meeting was requisitioned by shareholders in accordance with the provisions of Bermuda law, the quorum required for such meeting is two or more persons present throughout the meeting and representing in person or by proxy of at least 75% of the issued shares entitled to vote at such meeting.

Access to Books and Records and Dissemination of Information

Members of the general public have a right to inspect the public documents of a company available at the office of the Registrar of Companies in Bermuda. These documents include the Company Charter, including its objects and powers, certain alterations to the Company Charter and a list of the directors of the company. The shareholders have the additional right to inspect the Company Bye-laws of a company, minutes of general meetings and a company's audited financial statements, which must be presented to the annual general meeting. The register of shareholders of a company is also open to inspection by shareholders and by members of the general public

without charge. The register of shareholders is required to be open for inspection for not less than two hours in any business day (subject to the ability of a company to close the register of shareholders for not more than thirty days in a year). A company is required to maintain its share register in Bermuda but may, subject to the provisions of the Companies Act, establish a branch register outside of Bermuda. A company is required to keep at its registered office a register of directors and officers that is open for inspection for not less than two hours in any business day by members of the public without charge. Bermuda law does not, however, provide a general right for shareholders to inspect or obtain copies of any other corporate records.

Certain Bermuda companies are required to maintain a register of their beneficial owners holding more than 25% of their shares, which is not open for inspection by the public. We will be exempted from this requirement for so long as our shares are listed on an appointed stock exchange, which includes the NYSE.

Election of Directors

The Company Bye-laws provide that the Company Board shall consist of eleven directors or such lesser or greater number as the Company Board, by resolution, may from time to time determine, provided that, at all times, there shall be no fewer than three directors. The Company Board currently consists of 11 directors.

The Company Bye-laws provide that, subject to the rights granted to one or more series of preference shares then outstanding or the rights granted under the Shareholders Agreement, any newly-created directorship on the Company Board that results from an increase in the number of directors and any vacancies on the Company Board will be filled only by the affirmative vote of a majority of the remaining directors, even if less than a quorum, by a sole remaining director or by the shareholders; provided, however, at any time our Principal Shareholders beneficially own, collectively, less than 30% of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time, any newly-created directorship on the Company Board that results from an increase in the number of directors and any vacancy occurring in the Company Board may only be filled by a majority of the directors then in office, although less than a quorum, or by a sole remaining director (and not by the shareholders).

Any shareholder wishing to propose for election as a director someone who is not an existing director or is not proposed by the Company Board must give notice of the intention to propose the person for election to the Company in accordance with the timetable set forth in the Company Bye-laws. In addition, the proposed nominee must be approved by the competent regulatory authorities with responsibility for regulating the business activities of the Company and group of companies to which it belongs. Where a director is to be elected at an annual general meeting, the shareholder notice must be given not less than 90 days nor more than 120 days before the anniversary of the last annual general meeting prior to the giving of the notice or, in the event the annual general meeting is called for a date that is not 30 days before or after such anniversary the notice must be given not later than 21 days following the earlier of the date on which notice of the annual general meeting was posted to shareholders or the date on which public disclosure of the date of the annual general meeting was made. Where a director is to be elected at a special general meeting the shareholder notice must be given not later than 10 days following the earlier of the date on which notice of the special general meeting was posted to shareholders or the date on which public disclosure of the date of the special general meeting was made. Such proposal must be made in accordance with the procedures set forth in the Company Bye-laws. These provisions will not apply to the parties to the Shareholders Agreement so long as the Shareholders Agreement remains in effect. These provisions will not apply to a requisition pursuant to the Companies Act.

Proceedings of Company Board

The Company Bye-laws provide that our business is to be managed and conducted by the Company Board. Bermuda law permits individual and corporate directors and there is no requirement in the Company Bye-laws or Bermuda law that directors hold any of our shares. There is also no requirement in the Company Bye-laws or Bermuda law that our directors must retire at a certain age.

The remuneration of our directors is determined by the Company Board and each such director, other than directors who are employees of the Company, shall be entitled to a fee at a rate determined by the Company Board.

The directors may also be paid all travel, hotel and other expenses properly incurred by them in connection with our business or their duties as directors.

A director who has a direct or indirect interest in any contract or arrangement with us must disclose such interest as required by Bermuda law. Such an interested director may be counted in the quorum but is not entitled to vote on or participate in any discussion in respect of any such contract or arrangement in which he or she is interested.

Indemnification of Directors and Officers

Section 98 of the Companies Act provides generally that a Bermuda company may exempt or indemnify its directors, officers and auditors against any liability that by virtue of any rule of law would otherwise be imposed on them in respect of any negligence, default, breach of duty or breach of trust, except in cases where such liability arises from fraud or dishonesty of which such director, officer or auditor may be guilty in relation to the company. Section 98 further provides that a Bermuda company may indemnify its directors, officers and auditors against any liability incurred by them in defending any proceedings, whether civil or criminal, in which judgment is awarded in their favor or in which they are acquitted or granted relief by the Supreme Court of Bermuda pursuant to section 281 of the Companies Act.

The Company Bye-laws provide that we shall indemnify and advance expenses to our officers and directors in respect of their actions and omissions, except in respect of their fraud or dishonesty. The Company Bye-laws also provide that the shareholders waive all claims or rights of action that they might have, individually or in right of the company, against any of the company's directors or officers for any act or failure to act in the performance of such director's or officer's duties, except in respect of any fraud or dishonesty of such director or officer. Section 98A of the Companies Act permits us to purchase and maintain insurance for the benefit of any officer or director in respect of any loss or liability attaching to him in respect of any negligence, default, breach of duty or breach of trust, whether or not we may otherwise indemnify such officer or director. We will purchase and maintain a directors' and officers' liability policy for such a purpose.

Amendment of Company Charter and Company Bye-laws

Bermuda law provides that the Company Charter may be amended by a resolution passed at a general meeting of shareholders. Under Bermuda law, the holders of an aggregate of not less than 20% in par value of the company's issued share capital or any class of shares have the right to apply to the Supreme Court of Bermuda for an annulment of any amendment of the Company Charter adopted by shareholders at any general meeting, other than an amendment which alters or reduces a company's share capital as provided in the Companies Act. Where such an application is made, the amendment becomes effective only to the extent that it is confirmed by the Bermuda court. An application for an annulment of an amendment of the Company Charter must be made within twenty-one days after the date on which the resolution altering the Company Charter is passed and may be made on behalf of persons entitled to make the application by one or more of them. No application may be made by shareholders who voted in favor of the amendment.

Amendments to the Company Bye-laws will require the approval of the Company Board and the affirmative vote of a majority of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time. In addition, the Company Bye-laws provide that at any time when our Principal Shareholders collectively beneficially own, in the aggregate, less than 30% of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time, certain provisions in the Company Bye-laws, including the provisions providing for a classified board of directors (the election and term of our directors), may be amended, altered, repealed or rescinded only by the affirmative vote of at least 66 2/3% of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time. This provision makes it more difficult for any person to remove or amend any provisions in the Company Bye-laws that may have an anti-takeover effect.

Certain Corporate Anti-Takeover Provisions

Certain provisions in the Company Bye-laws may be deemed to have an anti-takeover effect and may delay, deter or prevent a tender offer or takeover attempt that a shareholder might consider to be in its best interests, including attempts that might result in a premium being paid over the market price for the common shares. These provisions are also designed, in part, to encourage persons seeking to acquire control of us to first negotiate with our board.

Common Shares

The authorized but unissued common shares will be available for future issuance by the Company Board on such terms as the Company Board may determine, subject to any resolutions of the shareholders. These additional shares may be utilized for a variety of corporate purposes, including future public offerings to raise additional capital, corporate acquisitions and employee benefit plans. The existence of authorized but unissued Company Common Shares could render more difficult or discourage an attempt to obtain control over us by means of a proxy contest, tender offer, merger, amalgamation, scheme of arrangement or otherwise.

Preference Shares

We have authorized 2,000,000,000 of as yet undesignated shares in the Company, the rights and restrictions attaching to which are not defined by the Company Bye-laws. Pursuant to the Company Bye-laws, preference shares may be issued by the Company from time to time, and the Company Board is authorized (without any requirement for further shareholder action) to determine the rights, preferences, powers, qualifications, limitations and restrictions attaching to those shares (and any further undesignated shares which may be authorized by our shareholders).

Classified Board

The Company Bye-laws provide that, subject to the right of holders of any series of preference shares, the Company Board will be divided into three classes of directors, as nearly equal in number as possible, and with the directors serving staggered three-year terms, with only one class of directors being elected at each annual meeting of shareholders. As a result, approximately one-third of the Company Board will be elected each year.

The classification of directors will have the effect of making it more difficult for shareholders to change the composition of the Company Board. The Company Bye-laws provide that, subject to any rights of holders of preference shares to elect additional directors under specified circumstances, the number of directors will be fixed from time to time exclusively pursuant to a resolution adopted by the Company Board.

Removal of Directors

In accordance with the terms of the Company Bye-laws, our directors may be removed only by resolution, with or without cause, upon the affirmative vote of a majority of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time; provided, however, at any time when our Principal Shareholders beneficially own, collectively, less than 30% of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time, directors may only be removed for cause, and only upon the affirmative vote of holders of at least 66 2/3% of the then issued and outstanding shares carrying the right to vote at general meetings at the relevant time.

Restriction on Shareholder Action by Written Consent

The Company Bye-laws provide that for so long as our Principal Shareholders beneficially own, collectively, at least 30% of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time, anything (except the removal of a director or an auditor) which may be done by resolution of the Company in general meeting or by resolution of a meeting of any class of the shareholders may, without a meeting, be done by resolution in writing signed by, or on behalf of, such number of shareholders who, at the date that the notice of resolution is given, represent not less than the minimum number of votes as would be required if the resolution was voted on at a meeting of shareholders. If our Principal Shareholders cease to beneficially own, collectively, at least

30% of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time, all shareholder action may be taken only at an annual meeting or special general meeting of shareholders and may not be taken by written consent in lieu of a meeting. Failure to satisfy any of the requirements for a shareholder general meeting could delay, prevent or invalidate shareholder action.

Advance Notice Requirements for Shareholder Proposals and Director Nominations

The Company Bye-laws provide that shareholders seeking to nominate candidates for election as directors or to bring business before an annual general meeting of shareholders or special general meeting of shareholders must provide timely notice of their proposal. Generally, to be timely, a shareholder's notice must be received with advance notice to the fullest extent permitted by law. The Company Bye-laws also specify requirements as to the form and content of a shareholder's notice for shareholder proposals and nominations. These provisions may impede shareholders' ability to bring matters before an annual or special general meeting of shareholders or make nominations for directors at a general meeting of shareholders.

Voting Requirements

Approval of certain significant corporate transactions, including amendments to the Company Bye-laws, will require the approval of the Company Board in addition to any other vote required by applicable law.

Amalgamations and Business Combinations

The amalgamation or merger of a Bermuda company with another company or corporation (other than certain affiliated companies) requires the amalgamation or merger agreement to be approved by the Company Board and by our shareholders. The Company Bye-laws provide that a majority in number of the Company Board present at a meeting where a quorum is present is required to approve the amalgamation or merger agreement. Additionally, the Company Bye-laws provide that a resolution passed by holders of a majority of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time is required to approve the amalgamation or merger agreement. The Company Bye-laws provide that a merger or an amalgamation that is a business combination with an interested shareholder must be approved as described below.

The Company Bye-laws contain provisions regarding "business combinations" with "interested shareholders." Pursuant to the Company Bye-laws, in addition to any other approval that may be required by applicable law, we may not engage in certain "business combinations" with any "interested shareholder" for a three-year period following the time that the shareholder became an interested shareholder, unless:

- prior to such time, the Company Board approved either the business combination or the transaction that resulted in the shareholder becoming an interested shareholder;
- upon consummation of the transaction that resulted in the shareholder becoming an interested shareholder, the interested shareholder owned at least 85% of our issued and outstanding voting shares at the time the transaction commenced, excluding certain shares; or
- at or subsequent to that time, the business combination is approved by the Company Board and by the affirmative vote of holders of at least 66 2/3% of our issued and outstanding voting shares that are not owned by the interested shareholder.

Generally, a "business combination" includes a merger, amalgamation, asset or share sale, or other transaction resulting in a financial benefit to the interested shareholder. An "interested shareholder" is a person who, together with that person's affiliates and associates, owns, or within the previous three years owned, 10% or more of our issued and outstanding voting shares, but our Principal Shareholders and their affiliates and any of their respective direct or indirect transferees shall not constitute "interested shareholders" for purposes of this provision.

Under certain circumstances, this provision will make it more difficult for a person who would be an "interested shareholder" to effect various business combinations with us for a three-year period. This provision may encourage companies interested in acquiring us to negotiate in advance with the Company Board because the shareholder approval requirement would be avoided if the Company Board approves either the business combination

or the transaction that results in the shareholder becoming an interested shareholder. These provisions also may have the effect of preventing changes in the Company Board and may make it more difficult to accomplish transactions that shareholders may otherwise deem to be in their best interests.

Under Bermuda law, in the event of an amalgamation or merger of a Bermuda company with another company or corporation, a shareholder of the Bermuda company who did not vote in favor of the amalgamation or merger and who is not satisfied that fair value has been offered for such shareholder's shares may, within one (1) month of notice of the shareholders meeting, apply to the Supreme Court of Bermuda within one (1) month of the transaction to appraise the fair value of those shares.

Shareholder Suits

Class actions and derivative actions are generally not available to shareholders under Bermuda law. The Bermuda courts, however, would ordinarily be expected to permit a shareholder to commence an action in the name of a company to remedy a wrong to the company where the act complained of is alleged to be beyond the corporate power of the company or illegal, or would result in the violation of the Company Charter or the Company Bye-laws. Furthermore, consideration would be given by a Bermuda court to allow a shareholder to commence such action where acts that are alleged to constitute a fraud against the minority shareholders or, for instance, where an act requires the approval of a greater percentage of the company's shareholders than that which actually approved it.

When the affairs of a company are being conducted in a manner which is oppressive or prejudicial to the interests of some part of the shareholders, one or more shareholders may apply to the Supreme Court of Bermuda, which may make such order as it sees fit, including an order regulating the conduct of the company's affairs in the future or ordering the purchase of the shares of any shareholders by other shareholders or by the company.

The Company Bye-laws contain a provision by virtue of which our shareholders waive any claim or right of action that they have, both individually and on our behalf, against any director or officer in relation to any action or failure to take action by such director or officer, except in respect of any fraud or dishonesty of such director or officer.

Capitalization of Profits and Reserves

Pursuant to the Company Bye-laws, the Company Board may (i) capitalize any part of the amount of our share premium or other reserve accounts or any amount credited to our profit and loss account or otherwise available for distribution by applying such sum in paying up unissued shares to be allotted as fully paid bonus shares pro-rata (except in connection with the conversion of shares) to the shareholders; or (ii) capitalize any sum standing to the credit of a reserve account or sums otherwise available for dividend or distribution by paying up in full, partly paid or nil paid shares of those shareholders who would have been entitled to such sums if they were distributed by way of dividend or distribution.

Transfer Agent and Registrar

A register of holders of the Company Common Shares will be maintained by MQ Services Ltd. in Bermuda, and a branch register will be maintained in the United States by Continental Stock Transfer & Trust Company, who will serve as branch registrar and transfer agent.

Listing

Our Company Common Shares are listed on the NYSE under the symbol "PSFE." Our warrants are listed on the NYSE under the symbol "PSFE.WS."

Untraced Shareholders

The Company Bye-laws provide that the Company Board may forfeit any dividend or other monies payable in respect of any shares which remain unclaimed for six years from the date when such monies became due for

payment. In addition, we are entitled to cease sending dividend warrants and checks by post or otherwise to a shareholder if such instruments have been returned undelivered to, or left uncashed by, such shareholder on at least two consecutive occasions or, following one such occasion, reasonable enquiries have failed to establish the shareholder's new address. This entitlement ceases if the shareholder claims a dividend or cashes a dividend check or a warrant.

Certain Provisions of Bermuda Law

We have been designated by the Bermuda Monetary Authority as a non-resident for Bermuda exchange control purposes. There are no restrictions on our ability to transfer funds (other than funds denominated in Bermuda dollars) in and out of Bermuda or to pay dividends to U.S. residents who are holders of our Company Common Shares.

Under Bermuda law, "exempted" companies are companies formed for the purpose of conducting business outside Bermuda from a principal place of business in Bermuda. As an "exempted" company, we generally may not, without the express authorization of the Bermuda legislature or under a license or consent granted by the Minister of Finance, participate in certain business transactions in Bermuda, including: (i) the acquisition or holding of land in Bermuda (except that held by way of lease or tenancy agreement which is required for its business and held for a term not exceeding 50 years; or (ii) the carrying on of business with persons outside Bermuda.

The Bermuda Monetary Authority has, pursuant to its general permissions issued in its Notice to the Public of June 2015, given its consent for the issue and free transferability of all of our Company Common Shares to and between non-residents of Bermuda for exchange control purposes, provided our shares remain listed on an appointed stock exchange, which includes the NYSE. Approvals or permissions given by the Bermuda Monetary Authority do not constitute a guarantee by the Bermuda Monetary Authority as to our performance or our creditworthiness. Accordingly, in giving such consent or permissions, the Bermuda Monetary Authority shall not be liable for the financial soundness, performance or default of our business or for the correctness of any opinions or statements expressed herein. Certain issues and transfers of common shares involving persons deemed resident in Bermuda for exchange control purposes require the specific consent of the Bermuda Monetary Authority.

The Bermuda Economic Substance Act 2018 and associated regulations (the "Economic Substance Act") require Bermuda companies carrying on certain relevant activities to comply with obligations related to their economic substance in Bermuda, including being managed and directed from Bermuda and undertaking certain core income generating activities in Bermuda. For entities which are resident for tax purposes in certain jurisdictions outside Bermuda, only limited compliance and filing obligations are relevant.

In accordance with Bermuda law, share certificates are only issued in the names of companies, partnerships or individuals. In the case of a shareholder acting in a special capacity (for example as a trustee), certificates may, at the request of the shareholder, record the capacity in which the shareholder is acting. Notwithstanding such recording of any special capacity, we are not bound to investigate or see to the execution of any such trust.

Limitations on the Right to Own Securities

In addition to the limitations applicable to all businesses under applicable law, the right to own our securities is subject to limitations imposed due to the nature of the products and services that we offer, as summarized below. Any shareholder seeking to acquire 10% or more of our shares or the voting rights attached to our shares or acquiring the power to exercise, directly or indirectly, an equivalent degree of control in us should carefully consider the regulatory framework within which we operate and the formalities that must be complied with. See "Item 4. Business Overview—Payments Regulation" and "Item 3. Key Information—D. Risk Factors—Regulatory, Legal and Tax Risks—Limitations imposed by the FCA and CBI on the right to own our securities may result in sanctions being imposed on our regulated subsidiaries and an acquirer of such securities in the event of noncompliance by such acquirer, and may reduce the value of our shares."

Several of the Company's indirect subsidiaries are subject to regulatory supervision, including the requirement to obtain prior consent from the relevant regulator when a person holds, acquires or increases a qualifying holding in those entities.

As such, each person who, alone or together with others, holds, acquires or increases a qualifying holding/control in any of these regulated subsidiaries, directly or indirectly (including by way of investment in Paysafe), as a result of which certain thresholds are reached or passed, will require prior approval or a declaration of no objection from the relevant regulator (the FCA in the UK and the CBI in Ireland) prior to obtaining such qualifying holding/control. This requirement to obtain prior approval or a declaration of no objection for qualifying holdings/changes in control in the regulated subsidiaries implements the requirements relating to qualifying holdings in payment services providers as set out in PSD2.

A "qualifying holding" or "an acquisition of control" in UK terms is a direct or indirect holding of 10% or more of the issued share capital of any of the regulated subsidiaries, the ability to exercise directly or indirectly 10% or more of the voting rights in such regulated subsidiary, or the power to exercise, directly or indirectly, an equivalent degree of control in such regulated subsidiary.

Holders of such qualifying holdings or "controllers" in UK terms, will also be subject to certain additional notification requirements where the size of such holdings increase beyond or fall below certain thresholds, as required by Article 6 of PSD2 (as implemented in the UK and Ireland).

Local laws, regulations and guidelines, including the EU Joint Guidelines on the prudential assessment of acquisitions and increases of qualifying holdings in the financial sector (JC/GL/2016/01), shall be taken into account in assessing a qualifying holding/control (e.g., the voting rights of any other shareholders with whom a person is acting in concert are also relevant in determining a person's voting rights).

Company Warrants

The Company Warrants represent the right to purchase one Company Common Share at a price of \$11.50 per share. The Company Warrants became exercisable on August 21, 2021 and will expire on the fifth anniversary of Closing at 5:00 p.m. New York City time, or upon an earlier redemption. The Company Warrants are governed by the Warrant Agreement, as modified by a warrant assumption agreement that was entered into by the Company and Continental Stock Transfer & Trust Company, as warrant agent, in connection with the Closing.

Public Warrants

The following description applies to Public Warrants that became Company Warrants as a result of the Business Combination.

As set forth in the Warrant Agreement, the Public Warrants that were previously issued in the private placement (i) may be exercised for cash or on a "cashless basis," (ii) shall not be redeemable by the Company pursuant to Section 6.1 of the Warrant Agreement and (iii) shall only be redeemable by the Company pursuant to Section 6.2 of the Warrant Agreement if the Reference Value (as defined in the Warrant Agreement) is less than \$18.00 per share.

Once the Company Warrants become exercisable pursuant to the exercise period, the Company may call all such Company Warrants for redemption if, and only if, the reported last sale price of our Company Common Shares equals or exceeds \$18.00 per share (as adjusted for stock splits, stock dividends, reorganizations, recapitalizations and the like) for any 20 trading days within a 30 trading day period ending on the third trading day before the Company sends the notice of redemption to the holders of Company Warrants. In addition, the Company may only call such Company Warrants for redemption:

- in whole and not in part;
 - at a price of \$0.01 per warrant;
 - upon not less than 30 days' prior written notice of redemption to each warrant holder.
-

Additionally, once the Company Warrants become exercisable, the Company may call all such Company Warrants for redemption at a price of \$0.10 per warrant when the price per share of our Company Common Shares equals or exceeds \$10.00 provided that (i) the Reference Value (as defined in the Warrant Agreement) equals or exceeds \$10.00 per share (subject to adjustment) and (ii) if the Reference Value is less than \$18.00 per share (subject to adjustment), the Private Warrants are also concurrently called for redemption on the same terms as the outstanding Public Warrants. After the Company has provided notice of redemption to the holders of Company Warrants, the holders of such Company Warrants may elect to exercise their Company Warrants on a “cashless basis” and receive a number of shares of Company Common Stock as set forth in the Warrant Agreement (a “Make-Whole Exercise”).

If and when the Company Warrants become redeemable, the Company may not exercise its redemption rights if the issuance of Company Common Shares upon exercise of the Company Warrants is not exempt from registration or qualification under applicable state blue sky laws or the Company is unable to effect such registration or qualification.

A holder of a Company Warrant may notify the Company in writing in the event it elects to be subject to a requirement that such holder will not have the right to exercise such Company Warrant, to the extent that after giving effect to such exercise, such person (together with such person’s affiliates), to the warrant agent’s actual knowledge, would beneficially own in excess of 9.8% (or such other amount as a holder may specify) (the “Maximum Percentage”) of our Company Common Shares outstanding immediately after giving effect to such exercise. By written notice to the Company, the holder of a Company Warrant may from time to time increase or decrease the Maximum Percentage applicable to such holder to any other percentage specified in such notice; provided, however, that any such increase shall not be effective until the sixty-first (61st) day after such notice is delivered to the Company.

In the event of a consolidation, combination, reverse share split or reclassification of Company Common Shares or other similar event, then on the effective date of such event, the number of Company Common Shares issuable on exercise of each Company Warrant will be decreased in proportion to such decrease in issued and outstanding Company Common Shares.

In the case of any reclassification, reorganization, merger or consolidation of the issued and outstanding Company Common Shares, the holders of Company Warrants are entitled to purchase and receive the kind and amount of Company Common Shares or other securities or property (including cash) receivable upon such reclassification, reorganization, merger or consolidation.

The Company Warrants may be exercised upon surrender of the warrant certificate on or prior to the expiration date at the offices of the warrant agent, with the exercise form on the reverse side of the warrant certificate completed and executed as indicated, accompanied by full payment of the exercise price (or on a “cashless basis,” if applicable), by certified check or bank draft payable to the order of the warrant agent, for the number of the Company Warrants being exercised. The warrant holders do not have the rights or privileges of holders of Company Common Shares or any voting rights until they exercise their Company Warrants and receive Company Common Shares.

Private Warrants

The following description applies to Private Warrants that became Company Warrants as a result of the Business Combination.

On July 31, 2020, FTAC entered into a Forward Purchase Agreement with Cannae Holdings, a diversified holding company which is externally managed by Trasimene Capital, but is not an affiliate of FTAC or the Founder, in which Cannae Holdings agreed to purchase an aggregate of 5,000,000 redeemable private placement warrants to purchase one (1) share of FTAC’s Class A Common Stock at \$11.50 per share, in a private placement which occurred concurrently with the closing of an initial business combination. Pursuant to the Warrant Agreement, Cannae Holdings and its permitted transferees may transfer, assign or sell their Private Warrants following the effectiveness of this registration statement. Except as otherwise provided in Section 6 of the Warrant Agreement, the terms of the Private Warrants mirror those of the Public Warrants.

LLC Units

In connection with the consummation of the Business Combination, the warrants held by the Founder were exchanged for shares of FTAC Class C Common Stock, and immediately thereafter the Founder transferred and contributed such shares of Class C Common Stock to the LLC in exchange for exchangeable units of the LLC (as provided for in the Sponsor Agreement). Such exchangeable units will be exchangeable into Company Common Shares or cash, as determined by the LLC, on the same terms as the Public Warrants, following the first anniversary of the Closing and expiring on the fifth anniversary of the Closing.

Comparison of Corporate Governance and Shareholder Rights

Paysafe is a Bermuda company. The Bermuda Companies Act, the Company Charter and the Company Bye-laws govern the rights of its shareholders. Bermuda law differs in some material respects from laws generally applicable to United States corporations and their stockholders. Below is a summary chart outlining important similarities and differences in the corporate governance and stockholder/shareholder rights associated with each of a Delaware corporation and Paysafe according to applicable law and/or its organizational documents, as applicable. You also should review the Company Charter, the Company Bye-laws, as well as the Delaware General Corporation Law and the Bermuda Companies Act, to understand how these laws apply to Paysafe.

Provision	A Delaware Corporation	The Company (A Bermuda exempted limited company)
Applicable corporate law legislation	DGCL	Companies Act 1981, as amended (the “Companies Act”)
Voting Rights	Except as otherwise provided by applicable law or in the certificate of incorporation or bylaws, the holders of common stock have the right to vote for the election of director and all other purposes. Unless otherwise required by the DGCL, the certificate of incorporation or the bylaws, any question brought before any meeting of stockholders is decided by a majority of votes cast by holders of the stock represented and entitled to vote thereon.	Holders of common shares are entitled to one vote per share on all matters submitted to a vote of holders of common shares. Unless a different vote is required by Bermuda law or by the Company Bye-laws, resolutions to be approved by holders of voting shares require approval by a simple majority of votes cast at a meeting at which a quorum is present. Holders of common shares will vote together as a single class on all matters presented to the shareholders for their vote or approval, including the election of directors. The Company Charter and the Company Bye-laws do not authorize cumulative voting and directors are elected by plurality of votes.

Appraisal Rights

Under the DGCL, in certain situations, appraisal rights may be available in connection with a merger or a consolidation.

Under Bermuda law, in the event of an amalgamation or merger of a Bermuda company with another company or corporation, a shareholder of the Bermuda company who did not vote in favor of the amalgamation or merger and is not satisfied that fair value has been offered for such shareholder's shares may, within one month of notice of the shareholders meeting, apply to the Supreme Court of Bermuda to appraise the fair value of those shares.

Stockholder Meeting Quorum

Quorum shall be present at a meeting of stockholders if the holder or holders of a majority of the shares entitled to vote are present in person, represented by duly authorized representative in the case of a corporation or other legal entity or represented by proxy.

For a general meeting convened by the Company Board, the quorum required for such meeting is at least two shareholders present in person or by proxy and entitled to vote representing the holders of a majority of the issued shares entitled to vote. At a general meeting convened other than by the Company Board, the quorum required for such meeting is two or more shareholders present in person or by proxy and entitled to vote representing the holders of at least 75% of the issued shares entitled to vote at such meeting.

Stockholder/Shareholder Consent to Action Without Meeting	Under Delaware corporate law, unless otherwise provided in the certificate of incorporation, any action that can be taken at a meeting of the stockholders (except stockholder approval of a transaction with an interested stockholder, which may be given only by vote at a meeting of the stockholders) may be taken without a meeting if written consent to the action is signed by the holders of outstanding stock having not less than the minimum number of votes necessary to authorize or take the action at a meeting of the stockholder.	Shareholders may act by written consent for so long as the Principal Shareholders beneficially own, collectively, at least 30% of the Company's voting power, then action may be taken by a majority of votes that would be required to pass the resolution as if it had been voted on at a meeting of shareholders.
Inspection of Books and Records; Information Requests	All stockholders of a Delaware corporation have the right, upon written demand, to inspect or obtain copies of the corporation's shares ledger and its other books and records for any purpose reasonably related to such person's interest as a stockholder.	Members of the general public have the right to inspect the Company's public documents available at the office of the Registrar of Companies in Bermuda and the Company's registered office in Bermuda, which will include the Company Charter (including its objects and powers) and certain alterations to the Company Charter and a list of the directors of the Company. The shareholders have the additional right to inspect the Company Bye-laws, minutes of general meetings and audited financial statements, which must be presented to the annual general meeting of shareholders.

The register of shareholders of a company is also open to inspection by shareholders and members of the general public without charge. The register of shareholders is required to be open for inspection for not less than two (2) hours in any business day (subject to the ability of a company to close the register of shareholders for not more than 30 days in a year). A company is required to maintain its share register in Bermuda but may, subject to the provisions of the Companies Act, establish a branch register outside of Bermuda. A company is required to keep at its registered office a register of directors and officers. Bermuda law does not, however, provide a general right for shareholders to inspect or obtain copies of any other corporate records.

Certain Bermuda companies are required to maintain a register of their beneficial owners holding more than 25% of their shares, which is not open for inspection by the public. The Company will be exempted from this requirement for so long as its shares are listed on an appointed stock exchange, which includes the NYSE.

Stockholder/Shareholder Lawsuits for violation of directors' duties

A stockholder may bring a derivative suit for alleged violation of directors' duties, subject to procedural requirements.

The Company Bye-laws provide that the shareholders waive all claims or rights of action that they might have, individually or in right of the Company, against any of the Company's directors or officers for any act or failure to act in the performance of such director's or officer's duties, except in respect of any fraud or dishonesty of such director or officer. As such, shareholders may not have a direct cause of action against the directors.

Stockholders'/Shareholders' Suits in General

Class actions and derivative actions generally are available to stockholders under Delaware law for, among other things, breach of fiduciary duty, corporate waste and actions not taken in accordance with applicable law. In such actions, the court generally has discretion to permit the winning party to recover attorneys' fees incurred in connection with such action.

Class actions and derivative actions are generally not available to shareholders under Bermuda law. The Bermuda courts, however, would ordinarily be expected to permit a shareholder to commence an action on behalf of a company to remedy a wrong to the Company where the act complained of is alleged to be beyond the corporate power of the Company or illegal, or would result in the violation of the Company Charter or the Company Bye-laws.

Furthermore, consideration would be given by a Bermuda court to allow derivative action rights in relation to acts that are alleged to constitute a fraud against the minority shareholders or, for instance, where an act requires the approval of a greater percentage of the Company's shareholders than that which actually approved it.

When the affairs of a company are being conducted in a manner which is oppressive or prejudicial to the interests of some part of the shareholders, one or more shareholders may apply to the Supreme Court of Bermuda, which may make such order as it sees fit, including an order regulating the conduct of the Company's affairs in the future or ordering the purchase of the shares of any shareholders by other shareholders or by the Company.

Election and Removal of Directors;
Vacancies

Under Delaware corporate law, a vacancy or a newly created directorship may be filled by a majority of the directors then in office, although less than a quorum, or by the sole remaining director, unless otherwise provided in the certificate of incorporation or by-laws. Directors chosen to fill vacancies generally hold office until the next election of directors. If, however, a corporation's directors are divided into classes, a director chosen to fill a vacancy holds office until the next election of the class for which such director was chosen.

Except in the case of a corporation with a classified board (unless the certificate of incorporation provides otherwise) or with cumulative voting, any director or the entire board may be removed, with or without cause, by the holders of a majority of the shares entitled to vote at an election of directors. The board may increase the size of the board and fill any vacancies.

The board shall consist of eleven (11) directors or such other number as determined by the Board, but no fewer than three (3) Directors. The appointment of Directors at a general meeting would be determined by a plurality of the votes cast in respect of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors.

For so long as the Principal Shareholders beneficially own at least 30% of the Company's voting securities, directors may be removed by a majority vote of shareholders present in person or by proxy, provided that certain procedures described in the Company Bye-laws are followed.

When the Principal Shareholders beneficially own less than 30% of the Company's voting securities, Directors may only be removed for "cause" (as determined by the Board, in their sole discretion from time to time) and only upon the affirmative vote of at least 66 2/3 of the Company's voting securities.

When the Principal Shareholders beneficially own, collectively, less than 30% of the Company's voting securities, any newly-created directorships on the Board that results from an increase in the number of Directors and/or any vacancy occurring in the Board, may only be filled by resolution of the Board, or by the sole remaining Director (and not by the Shareholders in general meeting).

Classified or Staggered Boards	Classified boards are permitted and do prevent the removal of directors with immediate effect.	Classified board with staggered elections; three (3) classes of directors each elected for a term of three (3) years.
Indemnification of Directors and Officers	A corporation is generally permitted to indemnify its directors and officers if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal proceeding, had no reasonable cause to believe their conduct was unlawful, except that in any action brought by or in the right of the corporation, such indemnification may be made only for expenses (not judgments or amounts paid in settlement) and may not be made even for expenses if the officer, director or other person is adjudged liable to the corporation (unless otherwise determined by the court).	The directors and officers are indemnified out of the funds of the Company against all liabilities, losses, damages or expenses (including but not limited to liabilities under contract, tort and statute or any applicable foreign law or regulation and all legal and other costs and expenses properly payable) arising out of the actual or purported execution or discharge of his duties or the exercise or purported exercise of his powers or otherwise in relation to or in connection with his duties, powers or office (including but not limited to liabilities attaching to him and losses arising by virtue of any rule of law in respect of any negligence, default, breach of duty or breach of trust of which he may be guilty in relation to the Company or any subsidiary of the Company).
Limited Liability of Directors	The DGCL law permits the limiting or eliminating of the monetary liability of a director to a corporation or its stockholders, except with regard to breaches of duty of loyalty, intentional misconduct, unlawful stock repurchases or dividends, or improper personal benefit.	Directors are liable to the Company in respect of any negligence, default or breach of duty on his own part in relation to the Company or any subsidiary of the Company, or for any loss or damage which may happen, in or arising out of the actual or purported execution or discharge of his duties or the exercise or purported exercise of his powers or otherwise in relation to or in connection with his duties, powers or office.

Special Vote Required for Combinations
with Interested Stockholders/Shareholders

The Delaware General Corporation Law contains a business combination statute applicable to Delaware corporations whereby, unless the corporation has specifically elected not to be governed by such statute by amendment to its certificate of incorporation, it is prohibited from engaging in certain business combinations with an “interested shareholder” for three years following the date that such person becomes an interested shareholder. An interested shareholder generally is a person or a group who or which owns or owned more than 15% of the target’s outstanding voting stock within the past three years. This has the effect of limiting the ability of a potential acquirer to make a two-tiered bid for the target in which all shareholders would not be treated equally. The statute does not apply if, among other things, prior to the date on which such shareholder becomes an interested shareholder, the board of directors approves either the business combination or the transaction which resulted in the person becoming an interested shareholder. This encourages any potential acquirer of a Delaware corporation to negotiate the terms of any acquisition transaction with the target’s board of directors.

A transaction entered into by the Company in which a director has an interest will not be voidable by the Company and such director will not be liable to the Company for any profit realized pursuant to such transaction as a result of such interest, provided the nature of the interest is disclosed at the first opportunity either at a meeting of directors or in writing to the directors. The Company Bye-laws provide that a majority in number of the Company Board present at a meeting where a quorum is present is required to approve the amalgamation or merger agreement and require directors to recuse themselves from any discussion or decision at a meeting involving another firm or company with which the director is affiliated or other matters with respect to which the director has a personal conflict.

Approval of Certain Transactions

Under the DGCL, the consummation of a merger or consolidation requires the approval of the board of directors of the corporation which desires to merge or consolidate and requires that the agreement and plan of merger be adopted by the affirmative vote of a majority of the stock of the corporation entitled to vote thereon at an annual or special meeting for the purpose of acting on the agreement. However, no such approval and vote are required if such corporation is the surviving corporation and such corporation's certificate of incorporation is not amended, the stockholders of the surviving corporation whose shares were outstanding immediately before the effective date of the merger will hold the same number of shares, with identical designations, preferences, limitations, and rights, immediately after the effective date of the merger; and either no shares of common stock of the surviving corporation and no shares, securities or obligations convertible into such stock are to be issued or delivered under the plan of merger, or the authorized unissued shares or the treasury shares of common stock of the surviving corporation to be issued or delivered under the plan of merger do not exceed 20% of the shares of common stock of such corporation outstanding immediately prior to the effective date of the merger. Under the DGCL, a sale or all or substantially all of a corporation's assets requires the approval of such corporation's board of directors and the affirmative vote of a majority of the outstanding stock of the

Amalgamations and Mergers:

Any merger or amalgamation of the Company with another company shall require the approval of (i) the Board by a resolution passed with the approval of a majority of those Directors then in office and eligible to vote on that resolution XX and (ii) a Resolution passed by a majority of votes cast, in addition to any other sanction required by the Companies Acts in respect of any variation of the rights of any class of Shareholders.

If the Company has more than one class of shares at that time, the Companies Act provides that all of the Company shares carry the right to vote on the merger or amalgamation, whether or not they otherwise carry the right to vote, and that the holders of a class of shares have the right to vote separately as a class if the merger or amalgamation terms would result in a variation of their share class rights.

Takeovers:

An acquiring party is generally able to acquire compulsorily the common shares of minority holders of a company: (a) by a procedure under the Companies Act known as a "scheme of arrangement." A scheme of arrangement could be effected by obtaining the agreement of the Company and its shareholders. The scheme must be approved by a majority in number of shareholders present and voting, at a court ordered meeting held to consider the scheme of arrangement, and representing 75% in value of the issued and outstanding shares. The scheme of arrangement must then be

corporation entitled to vote thereon.

sanctioned by the Bermuda Supreme Court. If a scheme of arrangement receives all necessary agreements and sanctions, upon the filing of the court order with the Registrar of Companies in Bermuda, all holders of common shares could be compelled to sell their shares under the terms of the scheme of arrangement; (b) by acquiring pursuant to a tender offer 90% of the shares or class of shares not already owned by, or by a nominee for, the acquiring party (the offeror), or any of its subsidiaries. If an offeror has, within four months after the making of an offer for all the shares or class of shares not owned by, or by a nominee for, the offeror, or any of its subsidiaries, obtained the approval of the holders of 90% or more of all the shares to which the offer relates, the offeror may, at any time within two months beginning with the date on which the approval was obtained, by notice compulsorily acquire the shares of any non-tendering shareholder on the same terms as the original offer unless the Supreme Court of Bermuda (on application made within a one-month period from the date of the offeror's notice of its intention to acquire such shares) orders otherwise; (c) Where the acquiring party or parties hold not less than 95% of the shares or a class of shares of the Company, by acquiring, pursuant to a notice given to the remaining shareholders or class of shareholders, the shares of such remaining shareholders or class of shareholders. When this notice is given, the acquiring party is entitled and bound to acquire the shares of the remaining

Stockholder/Shareholder Proposals

The DGCL does not include a provision restricting the manner in which nominations for directors may be made by stockholders or the manner in which business may be brought before a meeting.

shareholders on the terms set out in the notice, unless a remaining shareholder, within one month of receiving such notice, applies to the Supreme Court of Bermuda for an appraisal of the value of their shares (in which case the appraised value is payable or the acquiring party may withdraw its notice to acquire the shares). This provision only applies where the acquiring party offers the same terms to all holders of shares whose shares are being acquired; or (d) by a merger or amalgamation transaction.

Eligible shareholder(s) may, as set forth below and at their own expense (unless the Company otherwise resolves), require the Company to: (a) give notice to all shareholders entitled to receive notice of the annual general meeting of any resolution that the shareholder(s) may properly move at the next annual general meeting; and/or (b) circulate to all shareholders entitled to receive notice of any general meeting a statement in respect of any matter referred to in any proposed resolution or any business to be conducted at such general meeting. The number of shareholders necessary for such a requisition is either: (i) any number of shareholders representing not less than 5% of the total voting rights of all shareholders entitled to vote at the meeting to which the requisition relates; or (ii) not less than 100 shareholders.

Amendment of Company
Charter/Certificate of Incorporation

Delaware law requires that, unless a greater percentage is provided for in the certificate of incorporation, a majority of the outstanding stock entitled to vote is required to approve the amendment of the certificate of incorporation at the stockholders' meeting.

Bermuda law provides that the Company Charter may be amended by a resolution passed at a general meeting of shareholders of which due notice has been given.

Under Bermuda law, the holders of an aggregate of not less than 20% in par value of a company's issued and outstanding share capital or any class of shares have the right to apply to the Bermuda courts for an annulment of any amendment of the Company Charter adopted by shareholders at any general meeting, other than an amendment which alters or reduces a company's share capital as provided in the Companies Act. Where such an application is made, the amendment becomes effective only to the extent that it is confirmed by the Bermuda court. An application for an annulment of an amendment of the Company Charter must be made within 21 days after the date on which the resolution altering the Company Charter is passed and may be made on behalf of persons entitled to make the application by one or more of them. No application may be made by the shareholders voting in favor of the amendment.

Amendment of Bye-laws

Delaware law requires that, unless a greater percentage is provided for in the certificate of incorporation, a majority of the outstanding stock entitled to vote is required to approve the amendment of the bylaws at the stockholders' meeting.

The Company Bye-laws may be amended, altered, repealed or rescinded by a resolution of the Board passed by a majority of the Directors then in office and eligible to vote on that resolution.

For so long as the Principal Shareholders beneficially own, collectively, at least 30% of the Company's voting securities, a majority of shareholders can approve the amendment, alteration, repeal, rescission, revocation or amendment of the Company Bye-laws.

For such time that the Principal Shareholders own less than 30%, (A) a vote of 66 2/3% of shareholders is required to amend provisions relating to (i) the appointment of removal of Directors, (ii) indemnification of officers or (iii) business combinations and (B) a majority of shareholders is required to amend provisions related to all other matters.

In the event that such Person or any Restricted Subsidiary incurs, assumes, guarantees, redeems, repays, retires or extinguishes any Indebtedness (other than Indebtedness incurred under any revolving credit, working capital or letter of credit facility) or issues or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated but prior to or substantially concurrently with the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “**Fixed Charge Coverage Ratio Calculation Date**”), then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect to such incurrence, assumption, guarantee, redemption, repayment, retirement or extinguishment of Indebtedness, or such issuance or redemption of Disqualified Stock or Preferred Stock (in each case, including a *pro forma* application of the Net Proceeds therefrom), as if the same had occurred at the beginning of the applicable consecutive 12 month reference period, subject, for the avoidance of doubt, to the paragraphs contained in Section 1.07; *provided, however*, that the *pro forma* calculation of Fixed Charges for purposes of Section 4.06(a) or subclause (ii) of the proviso to clause (xii) of Section 4.06(b) (and for the purposes of other provisions of this Indenture that refer to Section 4.06(a) or subclause (ii) of the proviso to clause (xii) of Section 4.06(b)) shall not give effect to any Indebtedness being incurred on such date (or on such other subsequent date which would otherwise require *pro forma* effect to be given to such incurrence) pursuant to Section 4.06(b) (other than Secured Indebtedness incurred pursuant to subclause (ii) of the proviso to clause (xii) of Section 4.06(b)).

For purposes of making the computation referred to above, Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations (as determined in accordance with GAAP), operational changes, Business Expansions, new or revised contracts and other transactions that have been made by or involving Parent or any of its Restricted Subsidiaries during the consecutive 12 month reference period or subsequent to such reference period and on or prior to or substantially concurrently with the Fixed Charge Coverage Ratio Calculation Date shall be calculated on a *pro forma* basis assuming that all such Investments, acquisitions, dispositions, mergers, amalgamations, consolidations, discontinued operations, operational changes, Business Expansions, new or revised contracts and other transactions (and the change in any associated fixed charge obligations and the change in EBITDA resulting therefrom)

had occurred on the first day of the consecutive 12 month reference period; *provided* that at the election of Parent, such *pro forma* adjustments shall not be required to be determined to the extent the aggregate consideration paid in connection with such acquisition or other transaction was less than \$25.0 million. If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into Parent or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation, operational change, Business Expansion, new or revised contract or other transaction that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation, operational change, Business Expansion, new or revised contract or other transaction had occurred at the beginning of the applicable consecutive 12 month reference period.

For purposes of this definition, whenever *pro forma* effect is to be given to an Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation, operational change, Business Expansion, new or revised contract or other transaction (including the Transactions), the *pro forma* calculations shall be made in good faith by a responsible financial or accounting officer of Parent or its Restricted Subsidiaries (and may include, for the avoidance of doubt, cost savings, operating expense reductions and product margin and other synergies resulting from such Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation, operational change, Business Expansion, new or revised contract or other transaction (including the Transactions) which is being given *pro forma* effect) calculated in accordance with and permitted by clause (a)(viii) and (a)(xv) of the definition of “*EBITDA*.” If any Indebtedness bears a floating rate of interest and is being given *pro forma* effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the Fixed Charge Coverage Ratio Calculation Date had been the applicable rate for the entire period (taking into account any Hedging Obligations applicable to such Indebtedness). Interest on a Financing Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of Parent to be the rate of interest implicit in such Financing Lease Obligation in accordance with GAAP. For purposes of making the computation referred to in this definition, interest on any Indebtedness under a revolving credit facility computed on a *pro forma* basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period except as set forth under the first paragraph of this definition. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as Parent may designate.

- (m) in the computation of periods of time from a specified date to a later specified date, the word “from” means “from and including”; the words “to” and “until” each mean “to but excluding” and the word “through” means “to and including”; and
- (n) the principal amount of any Preferred Stock at any time shall be (i) the maximum liquidation value of such Preferred Stock at such time or (ii) the maximum

Section 1.04. *Acts of Holders.* (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing. Except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Issuers. Proof of execution of any such instrument or of a writing appointing any such agent, or the holding by any Person of a Note, shall be sufficient for any purpose of this Indenture and (subject to Section 7.01) conclusive in favor of the Trustee and the Issuers, if made in the manner provided in this Section 1.04.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute proof of the authority of the Person executing the same. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner that the Trustee deems sufficient.

(c) The ownership of Notes shall be proved by the Note Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Note shall bind every future Holder of the same Note and the Holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof, in respect of any action taken, suffered or omitted by the Trustee or the Issuers in reliance thereon, whether or not notation of such action is made upon such Note.

(e) The Issuers may set a record date for purposes of determining the identity of Holders entitled to give any request, demand, authorization, direction, notice, consent, waiver or take any other act, or to vote or consent to any action by vote or consent authorized or permitted to be given or taken by Holders. Unless otherwise specified, if not set by the Issuers prior to the first solicitation of a Holder made by any Person in respect of any such action, or in the case of any such vote, prior to such vote, any such record date shall be the later of 10 days prior to the first solicitation of such consent or the date of the most recent list of Holders furnished to the Trustee prior to such solicitation.

(f) Without limiting the foregoing, a Holder entitled to take any action hereunder with regard to any particular Note may do so with regard to all or any part of the principal amount of such Note or by one or more duly appointed agents, each of which may do so pursuant to such appointment with regard to all or any part of such principal amount. Any

notice given or action taken by a Holder or its agents with regard to different parts of such principal amount pursuant to this Section 1.04(f) shall have the same effect as if given or taken by separate Holders of each such different part.

(g) Without limiting the generality of the foregoing, a Holder, including DTC and the Euro Note Depositary, that is a Holder of a Dollar Global Note or a Euro Global Note, as applicable, may make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders, and any Person that is a Holder of a Global Note, including DTC and the Euro Note Depositary, may provide its proxy or proxies to the beneficial owners of interests in any such Dollar Global Note or Euro Global Note, as applicable, through such Depositary's standing instructions and customary practices.

(h) The Issuers may fix a record date for the purpose of determining the Persons who are beneficial owners of interests in any Dollar Global Note held by DTC or any Euro Global Note held by the Euro Note Depositary entitled under the procedures of such Depositary to make, give or take, by a proxy or proxies duly appointed in writing, any request, demand, authorization, direction, notice, consent, waiver or other action provided in this Indenture to be made, given or taken by Holders. If such a record date is fixed, the Holders on such record date or their duly appointed proxy or proxies, and only such Persons, shall be entitled to make, give or take such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such Holders remain Holders after such record date. No such request, demand, authorization, direction, notice, consent, waiver or other action shall be valid or effective if made, given or taken more than 120 days after such record date.

(i) For purpose of calculating the aggregate principal amount of Notes that have consented to or voted in favor of any amendment, supplement or waiver, the U.S. Dollar Equivalent of the principal amount of Euro Notes shall be calculated using the exchange rate as provided on the applicable Reuters screen (or such other service as may be selected by the Issuers in their discretion) on the date that is 10 days prior to the date of such amendment, supplement or waiver.

Section 1.05. *Timing of Payment.* Notwithstanding anything herein to the contrary, if the date on which any payment is to be made pursuant to this Indenture or the Notes is not a Business Day, the payment otherwise payable on such date shall be payable on the next succeeding Business Day with the same force and effect as if made on such scheduled date and (provided such payment is made on such succeeding Business Day) no interest shall accrue on the amount of such payment from and after such scheduled date to the time of such payment on such next succeeding Business Day and the amount of any such payment that is an interest payment will reflect accrual only through the original payment date and not through the next succeeding Business Day.

Section 1.06. *Limited Condition Transactions.* (a) When calculating the availability under any basket, test or ratio under this Indenture or compliance with any provision of this Indenture in connection with any Limited Condition Transaction and

any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness, Disqualified Stock or Preferred Stock and the use of proceeds thereof, the incurrence or assumption of Liens, repayments, Restricted Payments, the designation of any Restricted Subsidiaries or Unrestricted Subsidiaries and Asset Sales or any disposition, issuance or other transaction excluded from the definition of “Asset Sale”), in each case, at the option of Parent (Parent’s election to exercise such option, an “**LCT Election**”), the date of determination for availability under any such basket, test or ratio or whether any such action or transaction is permitted (or any requirement or condition therefor is complied with or satisfied (including as to the absence of any continuing Default or Event of Default)) under this Indenture shall be deemed to be the date (the “**LCT Test Date**”) either (a) the definitive agreements for such Limited Condition Transaction are entered into (or, if applicable, the date of delivery of a notice, declaration or making of a Restricted Payment or similar event), or (b) solely in connection with an acquisition to which the United Kingdom City Code on Takeovers and Mergers or similar law or practices in other jurisdictions apply, the date on which a “Rule 2.7 announcement” of a firm intention to make an offer in respect of a target of a Limited Condition Transaction (or any substantially equivalent announcement in any other jurisdiction) and, in each case, if, after giving pro forma effect to the Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness, Disqualified Stock or Preferred Stock and the use of proceeds thereof, the incurrence or assumption of Liens, repayments, Restricted Payments, the designation of any Restricted Subsidiaries or Unrestricted Subsidiaries and Asset Sales or any disposition, issuance or other transaction excluded from the definition of “Asset Sale”) and any related *pro forma* adjustments (disregarding for the purposes of such pro forma calculation any borrowing under a revolving credit, working capital or letter of credit facility) as if they had occurred at the beginning of, at the option of Parent, (i) the most recent four consecutive fiscal quarters or (ii) the most recent 12 consecutive months ending prior to the LCT Test Date for which internal consolidated financial statements of Parent are available, Parent or any of its Restricted Subsidiaries would have been permitted to take such actions or consummate such transactions on the relevant LCT Test Date in compliance with such ratio, test or basket (and any related requirements and conditions), such ratio, test or basket (and any related requirements and conditions) shall be deemed to have been complied with (or satisfied) for all purposes (in the case of Indebtedness, for example, whether such Indebtedness is committed, issued or incurred at the LCT Test Date or at any time thereafter); *provided*, that (a) if financial statements for one or more subsequent fiscal quarters shall have become available, Parent may elect, in its sole discretion, to re-determine all such ratios, tests or baskets on the basis of such financial statements, in which case, such date of redetermination shall thereafter be deemed to be the applicable LCT Test Date for purposes of such ratios, tests or baskets, (b) except as contemplated in the foregoing clause (a), compliance with such ratios, tests or baskets (and any related requirements and conditions) shall not be determined or tested at any time after the applicable LCT Test Date for such Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness, Disqualified Stock or Preferred Stock and the use of proceeds thereof, the incurrence or assumption of Liens, repayments,

Restricted Payments, the designation of any Restricted Subsidiaries or Unrestricted Subsidiaries, and Asset Sales or any disposition, issuance or other transactions excluded from the definition of “Asset Sale”) and (c) Consolidated Interest Expense for purposes of the Fixed Charge Coverage Ratio will be calculated using an assumed interest rate based on the indicative interest margin contained in any financing commitment documentation with respect to such Indebtedness or, if no such indicative interest margin exists, as reasonably determined by Parent in good faith.

(b) For the avoidance of doubt, if Parent has made an LCT Election, (1) if any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in EBITDA or total assets of Parent or the Person subject to such Limited Condition Transaction at or prior to the consummation of the relevant transaction or action, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such fluctuations; *provided* that if such ratios, tests or baskets improve as a result of such fluctuations, such ratios, tests and/or baskets may be utilized; (2) if any related requirements and conditions (including as to the absence of any continuing Default or Event of Default) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of a Default or an Event of Default), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing); and (3) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement, the date of notice or offer or date for redemption, purchase or repayment specified in a notice for such Limited Condition Transaction is terminated, expires or passes, as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested giving *pro forma* effect to such Limited Condition Transaction and any actions or transactions related thereto.

(c) In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision of this Indenture which requires that no Default, Event of Default or specified Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of Parent, be deemed satisfied, so long as no Default, Event of Default or specified Event of Default, as applicable, exists on the date of the definitive agreement, the date of notice or offer or date for redemption, purchase or repayment for such Limited Condition Transaction, as applicable. For the avoidance of doubt, if Parent has exercised an LCT Election, and any Default, Event of Default or specified Event of Default occurs following the date the definitive agreements (or, if applicable, the date of delivery of a notice, declaration or making of a Restricted Payment or similar event) for the applicable Limited Condition Transaction were entered into and prior to the consummation of such Limited Condition Transaction, any such

Default, Event of Default or specified Event of Default shall be deemed to not have occurred or be continuing for purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted under this Indenture.

Section 1.07. *Certain Compliance Calculations.* (a) If any baskets, thresholds or exceptions determined by reference to a fixed currency amount or a percentage of LTM EBITDA (“**fixed baskets**”) are intended to be utilized together with any baskets, thresholds or exceptions determined by reference to the Consolidated First Lien Debt Ratio, Consolidated Secured Debt Ratio, the Consolidated Total Debt Ratio, the Fixed Charge Coverage Ratio or any other financial ratio or metric (a “**ratio-based basket**”) in a single transaction or action or series of related transactions or actions (for the purposes of this paragraph, a “**Relevant Transaction**”): (x) amounts available to be incurred under the applicable ratio-based baskets shall be calculated without giving effect to amounts to be incurred under the applicable fixed baskets in connection with such Relevant Transaction, or amounts previously incurred under such fixed basket and not reclassified that are being repaid in connection with such Relevant Transaction, unless otherwise elected by Parent; (y) full *pro forma* effect shall be given to all increases to LTM EBITDA and repayments or discharges of Indebtedness in connection with such Relevant Transaction in accordance with this Indenture; and (z) *pro forma* effect shall not be given to any incurrence or drawing of any Indebtedness used to finance working capital needs of Parent or any of its Restricted Subsidiaries in connection with the Relevant Transaction (as reasonably determined by Parent).

(b) If any amount is incurred or utilized under any ratio-based basket, such amount shall be permitted notwithstanding any subsequent decline in the Consolidated First Lien Debt Ratio, Consolidated Secured Debt Ratio, the Consolidated Total Debt Ratio, the Fixed Charge Coverage Ratio or any other financial ratio or metric.

(c) If (x) any restriction, basket, threshold or permission is determined by reference to the greater of a fixed amount (the “**fixed component**”) and a percentage of LTM EBITDA (the “**grower component**”) and (y) the grower component of the applicable restriction, basket, threshold or permission exceeds the applicable fixed component at any time, the fixed component shall be deemed to be increased to the highest amount of the grower component reached from time to time and shall not subsequently be reduced as a result of any decrease in the grower component.

(d) If (x) a proposed action, matter, transaction or amount (or a portion thereof) is incurred or entered into pursuant to a fixed basket or the grower component of any other basket and (y) at a later time would subsequently be permitted under a ratio-based basket, unless otherwise elected by Parent, such action, matter, transaction or amount (or a portion thereof) shall automatically be reclassified to such ratio-based basket.

(e) If (x) any transaction is entered into between (A) Parent or any Restricted Subsidiary and (B) any other Person which is not a Restricted Subsidiary on the date of such transaction; (y) such transaction is permitted pursuant to a fixed basket or an incurrence-based basket; and (z) following such transaction, such other Person becomes a

Restricted Subsidiary, such transaction shall be deemed to be reallocated to any applicable basket allowing transactions of such type to be entered into on an unlimited basis between Parent and a Restricted Subsidiary or between Restricted Subsidiaries.

(f) If a proposed action, matter, transaction or amount (or a portion thereof) meets the criteria of more than one applicable basket, permission or threshold under this Indenture, Parent shall be entitled to divide or classify or later divide or reclassify (based on circumstances existing on the date of such reclassification) such action, matter or amount (or a portion thereof) between such baskets, permissions or thresholds as it shall elect from time to time.

(g) For purposes of determining compliance with any restriction, basket, threshold or permission under this Indenture: (x) any reference to an amount in a given currency shall be deemed to include reference to its Currency Equivalent in other currencies; (y) no amount incurred or utilized under any restriction, basket, threshold or permission will be deemed to be increased as a result of (A) any change in applicable currency exchange rates after the date on which the Currency Equivalent of such incurrence or utilization was calculated under this Indenture for the purpose of permitting such incurrence or utilization; or (B) any election made from time to time under the definition of “GAAP” after the date on which such incurrence or utilization was calculated under this Indenture for the purpose of permitting such incurrence or utilization; and (z) for the avoidance of doubt, any restriction, basket, threshold or permission which would (but for sub-clause (y) of this clause (g)) be exceeded as a result of (i) any change in applicable currency exchange rates; or (ii) any election made from time to time under the definition of “GAAP,” shall be deemed not to have been exceeded and it shall be deemed that no Default, Event of Default or breach of any representation and warranty or undertaking under this Indenture has arisen in connection therewith.

(h) Notwithstanding anything to the contrary herein, in the event an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) is committed, incurred, assumed or issued, any Lien is committed, incurred, assumed or issued, any Restricted Payment is made any other transaction is undertaken (including a Limited Condition Transaction), in reliance on a ratio-based basket based on the Fixed Charge Coverage Ratio, the Consolidated First Lien Debt Ratio, Consolidated Secured Debt Ratio or the Consolidated Total Debt Ratio, such ratio(s) shall be calculated without regard to the commitment or incurrence of any Indebtedness under any revolving facility or letter of credit facility (including under the revolving portion of the Senior Facilities or ancillary facility) (1) immediately prior to or in connection therewith or (2) used to finance working capital needs of Parent and Restricted Subsidiaries (as reasonably determined by Parent).

(i) If (x) any Indebtedness, Disqualified Stock, Preferred Stock or financing liability (a “**Refinancing Amount**”) is or is to be issued or incurred to refinance or replace any existing or previous Indebtedness, Disqualified Stock, Preferred Stock or financing liability; and (y) such refinancing or replacement would otherwise cause any applicable restriction, basket, threshold or permission to be exceeded, such restriction, basket, threshold or permission shall be deemed not to have been exceeded so long as the

principal amount of such Refinancing Amount does not exceed the principal amount of the existing or previous Indebtedness, Disqualified Stock, Preferred Stock or financing liability being refinanced or replaced (plus all accrued, paid-in-kind, capitalized or accreted interest, prepayment premia, break costs and other fees, costs, expenses and amounts accrued thereon or incurred in connection with such refinancing or replacement).

(j) Any calculation, test or measure that is determined with reference to Parent's financial statements (including, without limitation, EBITDA, Consolidated Interest Expense, Consolidated Net Income, Consolidated First Lien Debt Ratio, Consolidated Secured Debt Ratio, Consolidated Total Debt Ratio, Fixed Charge Coverage Ratio and Fixed Charges) may be determined with reference to the financial statements of a direct or indirect parent entity of Parent instead, so long as such calculation, test or measure would not differ by more than an immaterial amount when using the financial statements of such direct or indirect parent entity as compared to if such calculation, test or measure were made using Parent's financial statements.

(k) Any ratios, tests or baskets required to be satisfied in order for a specific action to be permitted under this Indenture shall be calculated by dividing the appropriate component by the other component, carrying the result to one place more than the number of places by which such ratio is expressed herein and rounding the result up or down to the nearest number (with a rounding up if there is no nearest number).

(l) If Parent or any Restricted Subsidiary takes an action which at the time of the taking of such action would in the good faith determination of Parent be permitted under the applicable provisions of this Indenture based on the financial statements available at such time, such action shall be deemed to have been made in compliance with this Indenture notwithstanding any subsequent adjustments, modifications or restatements made in good faith to such financial statements affecting Consolidated Net Income, EBITDA or other applicable financial metric.

(m) In respect of any basket set by reference to a financial year, a fiscal year, a calendar year, a four fiscal-quarter period, a four-quarter period, a twelve-month period or any other similar annual period (each an "**Annual Period**"):

(i) at the option of the Parent, the maximum amount so permitted under such basket (which, for the avoidance of doubt, shall be the greater of the numerical permission and the relevant grower permission at the relevant time) during such Annual Period may be increased by:

(A) an amount equal to 100% of the difference (if positive) between the permitted amount in the immediately preceding Annual Period and the amount thereof actually used or applied by the Group during such preceding Annual Period (the "**Carry Forward Amount**"); and/or

(B) an amount equal to 100% of the permitted amount in the immediately following Annual Period and the permitted amount in such immediately following Annual Period (the “**Subsequent Annual Period**”) shall be reduced by such corresponding amount (the “**Carry Back Amount**”), *provided that*, for the avoidance of doubt, if the permitted amount of any numerical permission or grower permission in such Subsequent Annual Period is greater than the amount included in the relevant Carry Back Amount, such greater amount may be used or applied by the Group in the Subsequent Annual Period (and for the avoidance of doubt, such amount shall remain available as a Carry Forward Amount pursuant to Section 1.07(m)(i)(A)); and

(ii) to the extent that the maximum amount so permitted under such numerical permission or grower permission during such Annual Period is increased in accordance with Section 1.07(m)(i), any usage of such basket during such Annual Period shall be deemed to be applied in the following order:

(A) first, against the Carry Forward Amount;

(B) secondly, against the maximum amount so permitted during such Annual Period prior to any increase in accordance with Section 1.07(m)(i); and

(C) thirdly, against the Carry Back Amount.

ARTICLE 2

The Notes

Section 2.01. *Additional Notes.* This Indenture is unlimited in aggregate principal amount. The Issuers may, subject to applicable law and this Indenture, including in compliance with Section 4.06 and Section 4.09, issue an unlimited principal amount of Additional Dollar Notes and an unlimited principal amount of Additional Euro Notes; provided that if the relevant series of Additional Notes are not fungible with the relevant series of Notes originally issued for U.S. federal income tax purposes, the relevant series of Additional Notes may be issued with a separate ISIN or Common Code, as applicable, from the Notes originally issued. The Notes and, if issued, any Additional Notes are treated as a single class for all purposes under this Indenture, including, without limitation, with respect to waivers, amendments, redemptions and offers to purchase, except as otherwise provided for herein.

Section 2.02. *Form and Dating.* Provisions relating to the Notes are set forth in Exhibit A, Exhibit A-1 and Exhibit A-2, which are hereby incorporated in and expressly made a part of this Indenture. The (a) Notes and the Trustee’s or an Authentication Agent’s certificate of authentication (as the case may be) and (b) any related Additional Notes (if issued as Transfer Restricted Notes) and the Trustee’s or an Authentication Agent’s certificate of authentication (as the case may be) shall each be substantially in the form included in Exhibit A-1 or Exhibit A-2, as applicable. Any

Additional Notes issued other than as Transfer Restricted Notes and the Trustee's or an Authentication Agent's certificate of authentication (as the case may be) shall each be substantially in the form of Exhibit A (without the Private Placement Legend). The Notes may have notations, legends or endorsements required by law, stock exchange rule, agreements to which the Issuers are subject, if any, or usage, provided that any such notation, legend or endorsement is in a form acceptable to the Issuer, the Paying Agent and the Trustee. Each Note shall be dated the date of its authentication. The Dollar Notes shall be issued in minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. The Euro Notes shall be issued in minimum denominations of €100,000 and any integral multiple of €1,000 in excess thereof.

Section 2.03. *Execution and Authentication.* One Officer of each of the Issuers shall sign the Notes for the Issuers by manual or facsimile or electronic (including “.pdf”) signature.

If an Officer whose signature is on a Note no longer holds that office at the time the Trustee, or its Authentication Agent (as defined below), authenticates the Note, the Note shall be valid nevertheless.

A Note shall not be valid until an authorized signatory of the Trustee or an Authentication Agent (as the case may be) manually (or by facsimile or electronically) signs the certificate of authentication on the Note. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.

The Trustee or an Authentication Agent (as the case may be) shall authenticate and make available for delivery Notes as set forth in Exhibit A following receipt of an authentication order signed by an Officer of the Issuers directing the Trustee or an Authentication Agent to authenticate such Notes (the “**Authentication Order**”).

The Trustee may appoint one or more authentication agents (each, an “**Authentication Agent**”) to authenticate the Notes. Such an agent may authenticate Notes whenever the Trustee may do so. Unless limited by the terms of such appointment, an Authentication Agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An Authentication Agent has the same rights as any Registrar, Paying Agent or any other Agent for service of notices and demands.

Section 2.04. *Registrars, Transfer Agents and Paying Agents.* The Issuers shall maintain (i) one or more registrars with respect to the Dollar Notes and the Euro Notes where the Notes may be presented for registration (each, a “**Registrar**”), which initially shall be The Bank of New York Mellon SA/NV, Dublin Branch, as of the date of this Indenture with respect to the Dollar Notes and with respect to the Euro Notes, (ii) one or more offices or agencies where the Dollar Notes or the Euro Notes, as applicable, may be presented for transfer or for exchange (each, a “**Transfer Agent**”), which shall be The Bank of New York Mellon SA/NV, Dublin Branch, as of the date of this Indenture with respect to the Dollar Notes and the Euro Notes, and (iii) one or more offices or agencies where the Dollar Notes or the Euro Notes, as applicable, may be presented for

payment (each, a “**Paying Agent**”), which shall be The Bank of New York Mellon, London Branch, as of the date of this Indenture with respect to the Dollar Notes and the Euro Notes. The Registrar shall keep a register of the Dollar Notes or the Euro Notes, as applicable (“**Note Register**”), and of their transfer and exchange and keep such Note Register in accordance with the rules and procedures of DTC or Euroclear and Clearstream, as applicable. The registered Holder of a Note will be treated as the owner of such Note for all purposes and only registered Holders shall have rights under this Indenture and the Notes. The Issuers may appoint one or more co-registrars, one or more co-transfer agents and one or more additional paying agents. The term “*Registrar*” includes any co-registrar, the term “*Transfer Agent*” includes any co-transfer agent and the term “*Paying Agent*” includes any additional paying agents. The Issuers may change any Paying Agent, Transfer Agent or Registrar without prior notice to any Holder. The Issuers shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuers fail to appoint or maintain another entity as Registrar, Transfer Agent or Paying Agent, Parent or any of its Subsidiaries may act as Paying Agent, Transfer Agent or Registrar provided that it segregates and holds in a separate trust fund for the benefit of the Holders all money held by it as paying agent.

DTC, its nominees and successors will act as Dollar Note Depositary with respect to the Dollar Global Notes and Euroclear and Clearstream, their respective nominees and successors will act as Euro Note Depositary with respect to the Euro Global Notes.

If any Notes are listed on an exchange and the rules of such exchange so require, the Issuers will satisfy any requirement of such exchange as to paying agents, registrars and transfer agents and will comply with any notice requirements required under such exchange in connection with any change of paying agent, registrar or transfer agent.

Section 2.05. *Paying Agent to Hold Money.* No later than 10:00 a.m. London time, with respect to the Euro Notes, and no later than 10:00 a.m. New York time, with respect to the Dollar Notes, on the Business Day prior to each due date of the principal, interest and premium, and Additional Amounts on any Note, the Issuers shall deposit with the appropriate Paying Agent (or if the Issuers or a Restricted Subsidiary of the Issuers are acting as Paying Agent, segregate and hold in trust for the benefit of the Persons entitled thereto) a sum sufficient to pay such principal, interest and premium, and Additional Amounts when so becoming due and, subject to receipt of such monies, the Paying Agent shall make payment on the Notes in accordance with this Indenture. If the Issuers or a Restricted Subsidiary acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold it as a separate trust fund. The Issuers shall before 10:00 a.m. London time, with respect to the Euro Notes, and no later than 10:00 a.m. New York time, with respect to the Dollar Notes, on the second Business Day prior to the day on which the Paying Agent is to receive payment, procure that the bank effecting payment for it confirms by fax or tested SWIFT MT100 message to the Paying Agent the irrevocable payment instructions relating to such payment. The Issuers at any time may require a Paying Agent to pay all money held by it to the Trustee or such entity designated by the Trustee for this purpose and to account for any funds disbursed by the Paying Agent. Upon complying with this Section 2.05, the Paying Agent shall have no further liability for the money. For the avoidance of doubt, the Paying Agent and the

Trustee shall be held harmless and have no liability with respect to payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made or that are not otherwise deposited by the respective times set forth in this Section 2.05, (ii) and until they have confirmed receipt of funds sufficient to make the relevant payment.

Section 2.06. *Holder Lists.* The Registrar shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Holders. Following the exchange of beneficial interests in Global Notes for Definitive Registered Notes, the Issuers shall furnish, or cause the Registrar to furnish, to the Trustee, the Transfer Agent and the Paying Agent in writing at least five Business Days before each interest payment date, and at such other times as the Trustee may reasonably require, the names and addresses of Holders of such Definitive Registered Notes. Neither the Trustee, the Agents nor any of their respective agents will have any responsibility or be liable for any aspect of the records in relation to, or payments made on account of, beneficial ownership interests in the Global Notes or for maintaining, supervising or reviewing any records relating to such beneficial ownership interests.

Section 2.07. *Transfer and Exchange.* The Notes shall be issued in registered form and shall be transferable only upon the surrender of a Note for registration of transfer and in compliance with Exhibit A. When a Note is presented to the Registrar or Transfer Agent, as the case may be, with a request to register a transfer, the Registrar or the Transfer Agent, as the case may be, shall register the transfer as requested if its requirements therefor are met. When Notes are presented to the Registrar or the Transfer Agent, as the case may be, with a request to exchange them for an equal principal amount of Notes of other denominations, the Registrar shall make the exchange as requested if the same requirements are met. To permit registration of transfers and exchanges, the Issuers shall execute and the Trustee or an Authentication Agent, upon receipt of an Authentication Order, shall authenticate Notes at the request of the Registrar or the Transfer Agent, as the case may be. The Issuers may require payment of a sum sufficient to pay all taxes, assessments or other governmental charges in connection with any transfer or exchange pursuant to this Section 2.07. The Registrar and Transfer Agent are not required to register the transfer or exchange of any Notes (i) for a period of 15 days prior to any date fixed for the redemption of the Notes, (ii) for a period of 15 days immediately prior to the date fixed for selection of Notes to be redeemed in part, (iii) for a period of 15 days prior to the record date with respect to any interest payment date, or (iv) which the Holder has tendered (and not withdrawn) for repurchase in connection with a Change of Control Offer or an Asset Sale Offer.

Prior to the due presentation for registration of transfer of any Note, the Issuer, the Trustee and each Agent may deem and treat the Person in whose name a Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and (subject to paragraph 2 of the Notes) interest, if any, on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and none of the Issuer, the Trustee, the Paying Agent, the Transfer Agent or the Registrar shall be affected by notice to the contrary.

Any Holder of a Global Note shall, by acceptance of such Global Note, agree that transfers of beneficial interest in such Global Note may be effected only through a book-entry system maintained by (a) the Holder of such Global Note (or its agent) or (b) any Holder of a beneficial interest in such Global Note, and that ownership of a beneficial interest in such Global Note shall be required to be reflected in a book-entry.

All Notes issued upon any transfer or exchange pursuant to the terms of this Indenture shall evidence the same debt and shall be entitled to the same benefits under this Indenture as the Notes surrendered upon such transfer or exchange.

None of the Trustee or any Agent shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or Indirect Participants) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof. Neither the Trustee, the Issuers nor any Agent shall have any responsibility for any actions taken or not taken by the Depositary.

None of the Trustee or any Agent shall have any responsibility or obligation to any beneficial owner of a Global Note or other Person with respect to the accuracy of the records of any Depositary or a nominee of the Depositary, with respect to any ownership interest in the Notes or with respect to the delivery to any beneficial owner or other Person (other than the Depositary) of any notice (including any notice of redemption) or the payment of any amount, under or with respect to such Notes. All notices and communications to be given to the Holders and all payments to be made to Holders under the Notes and this Indenture shall be given or made only to or upon the order of the registered holders (which shall be the Depositary, or a nominee of the Depositary in the case of a Global Note). The rights of beneficial owners in a Global Note shall be exercised only through a Depositary subject to the Applicable Procedures. The Trustee, any Paying Agent and any Registrar shall be entitled to rely and shall be fully protected in relying upon information furnished by a Depositary with respect to its members, participants and any beneficial owners. The Trustee, any Paying Agent and any Registrar shall be entitled to deal with a Depositary and any nominee thereof, that is the registered holder of any Global Note for all purposes of this Indenture relating to such Global Note (including the payment of principal, premium, if any, and interest and Additional Amounts, if any, and the giving of instructions or directions by or to the owner or holder of a beneficial ownership interest in such Global Note) as the sole holder of such Global Note and shall have no obligations to the beneficial owners thereof.

Section 2.08. *Replacement Notes.* If a mutilated Note is surrendered to the Registrar or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuers shall issue and the Trustee or an Authentication Agent, upon receipt of an Authentication Order, shall authenticate a replacement Note if the requirements of Section 8-405 of the Uniform Commercial Code are met, such that the Holder (a) notifies the Issuers or the Trustee within a reasonable time after such Holder

has notice of such loss, destruction or wrongful taking and the Registrar does not register a transfer prior to receiving such notification, (b) makes such request to the Issuers or the Trustee prior to the Note being acquired by a protected purchaser as defined in Section 8-303 of the Uniform Commercial Code (a “*protected purchaser*”) and (c) satisfies any other reasonable requirements of the Trustee. If required by the Trustee, each Agent or the Issuer, such Holder shall furnish an indemnity bond sufficient in the judgment of the Trustee and the Issuers to protect the Issuer, the Trustee, the Authentication Agent, the Paying Agent, the Transfer Agent and the Registrar from any loss that any of them may suffer if a Note is replaced. The Issuers and the Trustee may charge the Holder for their expenses in replacing a Note including reasonable fees and expenses of counsel. In the event any such mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Issuers in its discretion may pay such Note instead of issuing a new Note in replacement thereof.

Every replacement Note is a contractual obligation of the Issuers.

The provisions of this Section 2.08 are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, lost, destroyed or wrongfully taken Notes.

Section 2.09. *Outstanding Notes.* Notes outstanding at any time are all Notes authenticated by the Trustee or an Authentication Agent except for those cancelled by either of them, those delivered to either of them for cancellation and those described in this Section 2.09 as not outstanding. Subject to Section 2.10, a Note does not cease to be outstanding because the Issuers or a Guarantor or an Affiliate of the Issuers or a Guarantor holds the Note.

If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee and the Issuers receive proof satisfactory to them that the replaced Note is held by a protected purchaser.

If the Paying Agent is holding (or if the Issuers or a Guarantor or an Affiliate of the Issuers or a Guarantor is acting as Paying Agent and such Paying Agent segregates and holds in trust) in accordance with this Indenture, on each redemption date or maturity date money sufficient to pay all principal, interest and premium, and Additional Amounts payable on that date with respect to the Notes (or portions thereof) to be redeemed or maturing, as the case may be, and the Paying Agent is not, as advised to it in writing by the Issuers or, as the case may be, the Registrar, prohibited in writing from paying such amount to the Holders on that date pursuant to the terms of this Indenture or the Intercreditor Agreement, then on and after that date such Notes (or portions thereof) cease to be outstanding and interest on them ceases to accrue.

Section 2.10. *Treasury Notes.* In determining whether the Holders of the required principal amount of Notes have concurred in any request, demand, authorization, direction, notice, waiver or consent, Notes owned by the Issuers or by any Affiliate of the Issuers shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such request,

demand, authorization, direction, notice, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee establishes to the satisfaction of the Trustee the pledgee's right to deliver any such direction, waiver or consent with respect to such pledged Notes and that the pledgee is not the Issuers or a Guarantor or any Affiliate of the Issuers or a Guarantor. Upon request of the Trustee, each Issuer shall promptly furnish to the Trustee an Officer's Certificate listing and identifying all Notes, if any, known by such Issuer to be owned or held by or for the account of any of the above described persons, and the Trustee shall be entitled to accept such Officer's Certificate as conclusive evidence of the facts therein set forth and of the fact that all Notes or Notes of any series, as applicable, not listed therein are outstanding for the purpose of any such determination.

Section 2.11. *Temporary Notes.* In the event that Definitive Registered Notes are to be issued under the terms of this Indenture, until such Definitive Registered Notes are ready for delivery, the Issuers may prepare and the Trustee or an Authentication Agent, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of Definitive Registered Notes but may have variations that the Issuers consider appropriate for temporary Notes. Without unreasonable delay, the Issuers shall prepare and the Trustee or an Authentication Agent, upon receipt of an Authentication Order, shall authenticate Definitive Registered Notes and deliver them in exchange for temporary Notes upon surrender of such temporary Notes at the office or agency of the Issuer, without charge to the Holder.

Section 2.12. *Cancellation.* The Issuers at any time may deliver Notes to the Registrar for cancellation. The applicable Paying Agent, Transfer Agent and the Trustee for such Series of Notes shall forward to the Registrar any such Notes surrendered to them for registration of transfer, exchange or payment. The Registrar or the Paying Agent (or an agent authorized by the Registrar) and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment or cancellation and shall dispose of cancelled Notes in accordance with its customary procedures or deliver cancelled Notes to the Issuers pursuant to written direction by an Officer of an Issuer. Certification of the destruction of all cancelled Notes shall be delivered to the Issuers. The Issuers may not issue new Notes to replace Notes it has redeemed or delivered to the Registrar for cancellation. If the Issuers shall acquire any of the Notes, such acquisition shall not operate as a redemption or satisfaction of the Indebtedness represented by such Notes, unless and until the same are surrendered to the Registrar for cancellation pursuant to this Section 2.12. Neither the Trustee nor any Authentication Agent shall authenticate Notes in place of cancelled Notes other than pursuant to the terms of this Indenture.

Section 2.13. *Defaulted Interest.* Subject to the last sentence of this Section 2.13, if the Issuers default in a payment of interest on the Notes, the Issuers will pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers shall notify the Trustee as soon as practicable in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment and at the same

time the Issuers shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such defaulted interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such defaulted interest as provided in this Section 2.13. The Issuers will fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. The Issuers shall promptly notify the Trustee of any such special record date. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuer) will mail or cause to be sent to the Holders in accordance with Section 13.01 a notice that states the special record date, the related payment date and the amount of such interest to be paid. The Issuers undertake to promptly inform the Exchange (for so long as the Notes are listed and admitted to trading on the Official List of the Exchange) of any such special record date.

Notwithstanding anything in this Section 2.13 to the contrary, the Issuers shall not be required to set a special record date for the payment of defaulted interest pursuant to this Section 2.13, if such default in the payment of interest of the Notes is 30 days old or less, in which case the original record date shall continue to be in effect.

Section 2.14. *CUSIP, ISIN or Common Code Numbers.* The Issuers in issuing the Notes may use a CUSIP, ISIN, Common Code or other similar numbers (in each case, if then generally in use) and, if so, the Trustee and Agents shall use a CUSIP, ISIN, Common Code or other similar numbers in notices of redemption or exchange as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption or exchange and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption or exchange shall not be affected by any defect in or omission of such numbers. The Issuers will as promptly as practicable notify the Trustee and Agents in writing of any change in the CUSIP, ISIN, Common Code or other similar numbers.

Section 2.15. *Computation of Interest.* Interest on the Dollar Notes will accrue on the aggregate principal amount at the rate of 4.00% per annum and will be computed on the basis of a 360- day year comprised of twelve 30-day months. Interest on the Euro Notes will accrue on the aggregate principal amount at the rate of 3.00% per annum and will be computed on the basis of a 360-day year comprised of twelve 30-day months. The Issuers will make each interest payment to the Holders of record on the immediately preceding June 1 and December 1 (or such other record date as specified in the relevant Notes and/or permitted or otherwise required by the procedures of Euroclear, Clearstream or DTC, as applicable). The Issuers have been advised by DTC that DTC will, in accordance with its customary accounting and payment procedures, credit interest payments received by DTC on any interest.

ARTICLE 3
Redemption

Section 3.01. *Notices to Trustee.* If the Issuers elect to redeem Notes pursuant to paragraphs 5 and 6 of the Notes, they shall furnish to the Trustee (copied to the Paying Agent and Registrar), at least three Business Days (unless a shorter notice shall be agreed to by the Trustee) before notice of redemption is required to be delivered electronically or mailed to Holders pursuant to Section 3.03, an Officer's Certificate setting forth (a) the paragraph or subparagraph of such Note and/or Section of this Indenture pursuant to which the redemption shall occur, (b) the date of redemption (as such date may be delayed pursuant to paragraph 5(f) of the Notes, the "**Redemption Date**") and the record date, (c) the principal amount of the Notes to be redeemed, (d) the redemption price and (e) the ISIN and Common Code numbers, as applicable. The Issuers may also include a request in such Officer's Certificate that such Paying Agent or Registrar (or the Trustee may but shall not be obliged to) give the notice of redemption in the Issuers' name and at its expense and setting forth the information to be stated in such notice as provided in Section 3.04. The Issuers shall deliver to the Trustee, Paying Agent or Registrar, such documentation and records as shall enable the Trustee, Paying Agent or Registrar to select the Notes to be redeemed pursuant to Section 3.02.

Section 3.02. *Selection of Notes to Be Redeemed or Purchased.* If less than all of the Notes are to be redeemed or purchased at any time, the selection of the Notes to be redeemed or purchased will be made in accordance with the Applicable Procedures, or, in the case of Definitive Notes, the Paying Agent or the Registrar (as applicable) will select Notes for redemption on a *pro rata* basis or by such other method as the Paying Agent or the Registrar, as applicable shall deem fair and appropriate (or based on a method that most nearly approximates a *pro rata* selection (such as by way of pool factor) in accordance with the then applicable procedures of the relevant clearing system), unless otherwise required by law or applicable stock exchange, clearing system or depositary requirements; *provided, however*, that Dollar Notes and portions of Dollar Notes selected shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof and Euro Notes and portions of Euro Notes selected shall be in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof; no Dollar Notes in denominations of \$2,000 or less or Euro Notes in denominations of €100,000 or less can be redeemed in part, except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder shall be redeemed, even if not in a principal amount of at least \$2,000 in the case of the Dollar Notes or €100,000 in the case of the Euro Notes. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. Neither the Trustee, the Paying Agent nor the Registrar will be liable for any selections made in accordance with this Section 3.02. For the Notes which are represented by Global Notes held on behalf of the Depositary notices may be given by delivery of the relevant notices to Depositary for communication to entitled account holders in substitution for the aforesaid mailing.

Section 3.03. *Notice of Redemption or Purchase.* Subject to paragraph 5(e) of the Notes and Section 3.08, the Issuers shall send electronically, mail or cause to be

mailed by first-class mail, postage prepaid, notices of redemption or purchase at least 10 days (except as set forth in paragraph 5(f) of the Notes) but not more than 60 days (except as set forth in paragraph 5(f) of the Notes) before the Redemption Date to each Holder of the applicable Series of Notes to be redeemed or purchased at such Holder's registered address stated in the Note Register or otherwise in accordance with the Applicable Procedures, except that redemption or purchase notices may be delivered electronically or mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with Article 8 or Article 11. Notices of redemption or purchase may, at the Issuers' discretion, be conditional. The Issuers may also provide in any redemption or purchase notice that payment of the redemption price and the performance of the Issuers' obligations with respect to such redemption or purchase may be performed by another Person.

(a) The notice shall identify the Notes to be redeemed or purchased and shall state:

(b) the Redemption Date and the record date;

(c) the redemption or purchase price;

(d) if any Note is to be redeemed or purchased in part only, the portion of the principal amount of that Note that is to be redeemed or purchased and, with respect to any Definitive Registered Note, that after the Redemption Date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed or unpurchased portion of the original Note representing the same indebtedness to the extent not redeemed will be issued in the name of the Holder upon cancellation of the original Note; *provided* that new Dollar Notes will only be issued in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof and that new Euro Notes will only be issued in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof;

(e) the name and address of the Paying Agent;

(f) that Notes called for redemption or purchase must be surrendered to the Paying Agent to collect the redemption or purchase price;

(g) that, unless the Issuers default in making such redemption or purchase payment, interest on Notes called for redemption or purchase ceases to accrue on and after the Redemption Date subject to the satisfaction or waiver of any conditions set forth in such notice;

(h) the paragraph or subparagraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption or purchase are being redeemed or purchased;

(i) the CUSIP, ISIN, Common Code or similar number, if any, printed on the Notes being redeemed or purchased and that no representation is made as to the

correctness or accuracy of any such CUSIP, ISIN, Common Code or similar number that is listed in such notice or printed on the Notes; and

(j) any condition to such redemption or purchase.

In addition, any notice of redemption or purchase may include additional information, including any information pursuant to paragraph 5(f) of the Notes.

At the Issuers' request, the Paying Agent (or the Trustee may but shall not be obliged to) shall give the notice of redemption or purchase in the Issuers' name and at its expense; provided that the Issuers shall have delivered to the Trustee and the Paying Agent, at least three Business Days before notice of redemption or purchase is required to be delivered electronically, mailed or caused to be mailed to Holders pursuant to this Section 3.03 (unless a shorter notice shall be agreed to by the Trustee), an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph. Such Officer's Certificate shall state that all conditions precedent to the delivery of such notice have been complied with. To the extent that the mandatory rules and procedures of the Depositary conflict with this Indenture, any notice will be deemed to satisfy this Indenture if it complies with the mandatory rules and procedures of the Depositary.

If the Notes are listed on an exchange, for so long as the Notes are so listed and the rules of such exchange so require, the Issuers shall notify the exchange of any such redemption or purchase and, if applicable, of the principal amount of any Notes outstanding following any partial redemption or purchase of Notes.

Section 3.04. Effect of Notice of Redemption. A notice of redemption or purchase, if delivered electronically, mailed or caused to be mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. In any case, failure to deliver such notice or any defect in the notice to the Holder of any Note designated for redemption or purchase in whole or in part shall not affect the validity of the proceedings for the redemption or purchase of any other Note. Notes or portions of Notes called for redemption or purchase shall become due and payable on the Redemption Date, subject to satisfaction or waiver of any conditions specified in the notice. Subject to Section 3.05, on and after the Redemption Date, unless the Issuers default in the payment of the redemption or purchase price, interest shall cease to accrue on the Notes called for redemption or purchase.

Section 3.05. Deposit of Redemption Price. (a) Prior to 10:00 a.m. (New York City time) on the Redemption Date, with respect to the Dollar Notes, and prior to 10:00 a.m. (London time) on the Redemption Date, with respect to the Euro Notes, the Issuers shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption price of and accrued and unpaid interest on all Notes to be redeemed on that Redemption Date. The Trustee or the Paying Agent shall promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption price of, and accrued and unpaid interest on, all Notes to be redeemed. Notwithstanding anything to the contrary contained

in this Section 3.05, the Paying Agent shall hold funds in accordance with Section 7.11(e).

(b) If the Issuers comply with the provisions of the preceding clause (a), on and after the Redemption Date, unless the Issuers default in the payment of the redemption price and subject to the satisfaction or waiver of any conditions set forth in the applicable notice of redemption, interest shall cease to accrue on the Notes called for redemption. If a Note is redeemed on or after an applicable Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest to the Redemption Date shall be paid to the Person in whose name such Note was registered at the close of business on such Record Date in accordance with Applicable Procedures. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the Redemption Date until such principal is paid, and to the extent lawful on any interest accrued to the Redemption Date not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01.

(c) The Paying Agent and the Trustee shall have no liability with respect to payments or disbursements to be made by the Paying Agent and Trustee (i) for which payment instructions are not made or that are not otherwise deposited by the respective times required and (ii) shall not be obligated to make payment until they have received funds sufficient to make the relevant payment. Neither the Trustee nor any Agent shall be required to pay out any money without first having been placed in funds.

Section 3.06. *Notes Redeemed in Part.* Upon surrender of a Definitive Registered Note that is redeemed in part, the Issuers shall issue and the Trustee shall authenticate for the Holder, at the expense of the Issuers, a new Note equal in principal amount to the unredeemed portion of the Note surrendered representing the same indebtedness to the extent not redeemed; *provided* that each new Dollar Note will be in a minimum principal amount of \$2,000 and any integral multiple of \$1,000 in excess thereof and that each new Euro Note will in a minimum principal amount of €100,000 and any integral multiple of €1,000 in excess thereof. It is understood that, notwithstanding anything to the contrary in this Indenture, only an Authentication Order and an Officer's Certificate and not an Opinion of Counsel are required for the Trustee to authenticate such new Note.

Section 3.07. [Reserved].

Section 3.08. *Mandatory Redemption; Offers to Purchase; Open Market Purchases.* The Issuers shall not be required to make any mandatory redemption or sinking fund payment with respect to the Notes. However, under certain circumstances, the Issuers may be required to offer to purchase Notes as described under Section 4.07 or Section 4.10. As market conditions warrant, we and our equity holders, including the Investors, their respective Affiliates and members of our management, may from time to time seek to purchase our outstanding debt securities or loans, including the Notes, in privately negotiated or open market transactions, by tender offer or otherwise. Subject to any applicable limitations contained in the agreements governing our indebtedness,

including the Senior Facilities, and this Indenture, any purchases made by us may be funded by the use of cash on our balance sheet or the incurrence of new secured or unsecured debt, including borrowings under our credit facilities. The amounts involved in any such purchase transactions, individually or in the aggregate, may be material. Any such purchases may be with respect to a substantial amount of a particular class or series of debt, with the attendant reduction in the trading liquidity of such class or series.

Section 3.09. *Redemption for Taxation Reasons.* The Issuers may redeem the Notes in whole, but not in part, at any time upon giving not less than 10 nor more than 60 days' notice to the Holders of the Notes of the applicable series (with a copy to the Trustee and Paying Agent) (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to, but excluding, the date fixed for redemption (a "**Tax Redemption Date**") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date occurring on or prior to the redemption date) and all Additional Amounts (see Section 4.12), if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if an Issuer or any Guarantor determine in good faith that, as a result of:

(a) any change in, or amendment to, the law or treaties (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(b) any change in, or amendment to, or the introduction of, an official written position regarding the application, administration or interpretation of such laws, treaties, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published practice or revenue guidance) of a Relevant Taxing Jurisdiction (each of the foregoing in clauses (a) and (b), a "**Change in Tax Law**"), the relevant Payor is, or on the next interest payment date in respect of the Notes of such series would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to the relevant Payor (including, for the avoidance of doubt, the appointment of a new Paying Agent where this would be reasonable but not including assignment of the obligation to make payment with respect to the relevant series of Notes). In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that is a Relevant Taxing Jurisdiction at the date of the Offering Memorandum, such Change in Tax Law must be publicly announced and become effective after the date of the Offering Memorandum. In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that becomes a Relevant Taxing Jurisdiction after the date of the Offering Memorandum, such Change in Tax Law must be publicly announced and become effective on or after the date the jurisdiction becomes a Relevant Taxing Jurisdiction. If the relevant Payor is a Guarantor, the foregoing provisions shall apply only if neither the Issuers nor any other Guarantor is able to make payments on the Notes without the payment of such Additional Amounts. Notice of redemption for taxation reasons will be published in accordance with the procedures described under Section 3.03. Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 90 days prior to the earliest date on which such Payor would be obliged to make such payment of Additional Amounts and (b) unless at the time such notice is given, such

obligation to pay such Additional Amounts remains in effect. Prior to the publication or mailing of any notice of redemption of the Notes pursuant to the foregoing, such Payor will deliver to the Trustee and the Paying Agent (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and that it would not be able to avoid the obligation to pay Additional Amounts by taking reasonable measures available to it (which shall not include changing its jurisdiction of organization or tax residency) and (b) an opinion of an independent tax counsel of recognized standing to the effect that such Payor has or would become obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee and Paying Agent shall accept, and will be entitled to conclusively rely on, such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without liability or further inquiry, in which event it will be conclusive and binding on the Holders.

The foregoing will apply *mutatis mutandis* to any successor to the Issuers and to any jurisdiction in which any successor to the Issuers is incorporated or organized, resident or engaged in business for tax purposes or has a permanent establishment in, or any political subdivision or taxing authority or agency thereof or therein.

ARTICLE 4 Covenants

Section 4.01. *Payment of Notes.* The Issuers shall pay or cause to be paid the principal of, premium and Additional Amounts (solely with respect to the Euro Notes), if any, and interest on the Notes on the dates and in the manner provided in the Notes and this Indenture. Principal, premium and Additional Amounts, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Issuers or a Guarantor or an Affiliate of the Issuers or a Guarantor, holds as of 10:00 a.m. (New York City time) on the Business Day prior to the due date, with respect to the Dollar Notes and as of 10:00 a.m. (London time) on the Business Day prior to the due date, with respect to the Euro Notes, money deposited by the Issuers in immediately available funds and designated for and sufficient to pay all principal, premium and Additional Amounts, if any, and interest then due.

The Paying Agent shall not be obliged to make any payment until such time as it has received sufficient funds in order to make such payment.

The Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to the then applicable interest rate on the Notes to the extent lawful; the Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02. *Reports and Other Information.* (a) For so long as any Notes are outstanding, Parent will provide to the Trustee the following reports:

(i) within 120 days after the end of each fiscal year of Parent, annual reports containing, to the extent applicable, the following information: (a) audited consolidated balance sheets of Parent or its predecessor as of the end of the most recent fiscal year and audited consolidated income statements and statements of cash flow of Parent or its predecessor for the most recent fiscal year, including complete footnotes to such financial statements and the report of the independent auditors on the financial statements; (b) unaudited *pro forma* income statement information and balance sheet information of Parent (which, for the avoidance of doubt, shall not include the provision of a full income statement or balance sheet to the extent not reasonably available), together with explanatory footnotes, for any material acquisitions, dispositions or recapitalizations that have occurred since the beginning of the most recently completed fiscal year; (c) an operating and financial review of the audited financial statements, including a discussion of the results of operations, financial condition, and liquidity and capital resources of Parent, and a discussion of material commitments and contingencies and critical accounting policies, with a similar scope and level of detail to that included in the Offering Memorandum; (d) description of the business, management and shareholders of Parent, all material affiliate transactions and a description of all material contractual arrangements, including material debt instruments; and (e) a summary description of material risk factors and material recent developments;

(ii) within 90 days following the end of the fiscal half-year period in each fiscal year of Parent, the half-year report of Parent containing the following information: (a) an unaudited condensed consolidated balance sheet as of the end of such half-year period and unaudited condensed statements of income and cash flow for the most recent half year to date period ending on the unaudited condensed balance sheet date, and the comparable prior year period, together with condensed footnote disclosure; (b) unaudited *pro forma* income statement information and balance sheet information of Parent (which, for the avoidance of doubt, shall not include the provision of a full income statement or balance sheet to the extent not reasonably available), together with explanatory footnotes, for any material acquisitions, dispositions or recapitalizations that have occurred since the beginning of the relevant half-year; (c) an operating and financial review of the unaudited financial statements, including a discussion of the results of operations, financial condition and material changes in liquidity and capital resources of Parent, and a discussion of material changes not in the ordinary course of business in commitments and contingencies since the most recent report; and (d) material recent developments; and

(iii) within 60 days following the end of the first and third fiscal quarters of each fiscal year of Parent, beginning with the quarter ending September 30, 2021, a trading statement containing (i) revenue, operating profit/loss, adjusted EBITDA, net debt, cash and cash equivalents and capital expenditures for the current period; and (ii) a discussion of any material recent developments.

(b) All financial statement and *pro forma* financial information shall, at the election of Parent, be prepared in accordance with IFRS or U.S. GAAP. At Parent's election, it may comply with the provisions of this covenant by furnishing the applicable financial statements and/or other financial information of an indirect or direct parent company of Parent (an "**Alternative Reporting Entity**"), in each case, in lieu of those for Parent and as if references to "Parent" in this covenant were to such Alternative Reporting Entity, *provided, that* if such Alternative Reporting Entity does not guarantee the notes then the same is accompanied by selected financial metrics that show the differences (in Parent's sole discretion) between the information relating to such Alternative Reporting Entity, on the one hand, and the information relating to Parent and its Restricted Subsidiaries on a stand-alone basis, on the other hand. The requirements of this covenant shall be considered to have been fulfilled if Paysafe Ltd. complies with the reporting requirements of the principal stock exchange on which its common shares are then listed.

(c) Parent will be deemed to have furnished the reports referred to in clauses Section 4.02(a)(i), (ii) and (iii) of the first paragraph of this Section 4.02(a) if Parent or any parent entity of Parent has filed reports containing substantially such information (or any such information of a parent entity pursuant to the preceding paragraph) with the SEC. (xx) Indebtedness of Parent or any of its Restricted Subsidiaries consisting of (A) the financing of insurance premiums (B) take-or-pay obligations contained in supply arrangements or (c) obligations to reacquire assets or inventory in connection with customer financing arrangements, in each case incurred in the ordinary course of business or consistent with past practice;

(xxi) the incurrence of Indebtedness, Disqualified Stock or Preferred Stock of Restricted Subsidiaries of Parent that are not the Issuers or Subsidiary Guarantors in an aggregate principal amount or liquidation preference, which, when aggregated with the principal amount and liquidation preference of all other Indebtedness, Disqualified Stock and Preferred Stock then outstanding and incurred pursuant to this clause (xxi), does not at any time outstanding exceed the greater of (x) \$175.0 million and (y) 40.0% of LTM EBITDA; it being understood that any Indebtedness, Disqualified Stock or Preferred Stock incurred pursuant to this clause (xxi) shall cease to be deemed incurred or outstanding for purposes of this clause (xxi) but shall be deemed incurred for the purposes of the first

paragraph of this covenant from and after the first date on which Parent or its Restricted Subsidiaries could have incurred such Indebtedness, Disqualified Stock or Preferred Stock under the first paragraph of this covenant without reliance on this clause (xxi);

(xxii) Indebtedness of Parent or any of its Restricted Subsidiaries undertaken in connection with cash management and related activities with respect to any Subsidiary or joint venture in the ordinary course of business or consistent with past practice;

(xxvi) Indebtedness incurred by Parent or any of its Restricted Subsidiaries to the extent that the net proceeds thereof are deposited with the Trustee at or promptly after the funding of such Indebtedness to satisfy and discharge the Notes or exercise the Issuers' legal defeasance or covenant option as described under Article 8, in each case, in accordance with this Indenture; and

(xxvii) Indebtedness under local credit facilities in an aggregate principal amount not to exceed, at any time outstanding, the greater of (x) \$75.0 million and (y) 15.0% of LTM EBITDA.

(c) For purposes of determining compliance with this Section 4.06:

(i) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in clauses (i) through (xxvii) of Section 4.06(b) or is entitled to be incurred pursuant to Section 4.06(a), Parent, in its sole discretion, may divide or classify, and may from time to time redivide and reclassify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and shall only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one or more of the clauses under Section 4.06(b) or under Section 4.06(a); *provided* that all Indebtedness outstanding under, the Senior Facilities on the Issue Date (excluding for the avoidance of doubt any Indebtedness under any incremental facility established under the Senior Facilities) shall be treated as incurred on the Issue Date under clause (i)(A) of Section 4.06(b) (and Parent shall not be permitted to reclassify all or a portion of such Indebtedness);

(ii) Parent shall be entitled to divide and classify an item of Indebtedness, Disqualified Stock or Preferred Stock in more than one of the types of Indebtedness, Disqualified Stock or Preferred Stock described in Section 4.06(a) and Section 4.06(b);

(iii) guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness, Disqualified Stock or Preferred Stock that is otherwise included in the determination of a particular amount of Indebtedness, Disqualified Stock or Preferred Stock shall not be included;

(iv) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are incurred pursuant to any Credit Facility and are being treated as Incurred pursuant to any clause of Section 4.06(b) or Section 4.06(a) and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, Disqualified Stock or Preferred Stock, then such other Indebtedness, Disqualified Stock or Preferred Stock shall not be included;

(v) the principal amount of any Disqualified Stock of Parent or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, will be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof; and

(vi) for purposes of calculating the Fixed Charge Coverage Ratio, the Consolidated First Lien Debt Ratio, the Consolidated Secured Debt Ratio or the Consolidated Total Debt Ratio, as applicable, in connection with the incurrence of any Indebtedness pursuant to Section 4.06(a) or Section 4.06(b) or the creation or incurrence of any Lien pursuant to the definition of "Permitted Liens," Parent

may elect, at its option, to treat all or any portion of the committed amount of any Indebtedness (and the issuance and creation of letters of credit and bankers' acceptances thereunder), including any portion of any committed amount of any Indebtedness of Persons that are acquired by the Person or any Restricted Subsidiary or merged into or consolidated or amalgamated with Parent or a Restricted Subsidiary, which is to be incurred (or any commitment in respect thereof) or secured by such Lien, as the case may be (any such committed amount elected until revoked as described below, the "**Reserved Indebtedness Amount**"), as being incurred as of such election date, and, if such Fixed Charge Coverage Ratio, Consolidated First Lien Debt Ratio, Consolidated Secured Debt Ratio or Consolidated Total Debt Ratio, as applicable, is satisfied or, in the case of paragraph (xii) of Section 4.06(b), is no worse in accordance with the terms thereof, with respect thereto on such election date, any subsequent borrowing or reborrowing thereunder (and the issuance and creation of letters of credit and bankers' acceptances thereunder) will be deemed to be permitted under this Section 4.06 or the definition of "Permitted Liens," as applicable, whether or not the Fixed Charge Coverage Ratio, the Consolidated First Lien Debt Ratio, Consolidated Secured Debt Ratio or the Consolidated Total Debt Ratio, as applicable, at the actual time of any subsequent borrowing or reborrowing (or issuance or creation of letters of credit or bankers' acceptances thereunder) is met; *provided that* for purposes of subsequent calculations of the Fixed Charge Coverage Ratio, the Consolidated First Lien Debt Ratio, Consolidated Secured Debt Ratio or the Consolidated Total Debt Ratio, as applicable, the Reserved Indebtedness Amount shall be deemed to be outstanding, whether or not such amount is actually outstanding, for so long as such commitments are outstanding or until Parent revokes an election of a Reserved Indebtedness Amount.

Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, of the same class shall not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 4.06. If Indebtedness, Disqualified Stock or Preferred Stock originally incurred in reliance upon a percentage of LTM EBITDA under this Section 4.06 is being refinanced and such refinancing would cause the maximum amount of Indebtedness, Disqualified Stock or Preferred Stock thereunder to be exceeded at such time, then such refinancing will nevertheless be permitted thereunder and such additional Indebtedness, Disqualified Stock or Preferred Stock will be deemed to have been incurred under the applicable provision so long as the principal amount or liquidation preference of such Refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed the principal amount or liquidation preference of Indebtedness, Disqualified Stock or Preferred Stock being refinanced plus amounts permitted by the next sentence. Any Refinancing Indebtedness and any Indebtedness, Disqualified Stock or Preferred Stock permitted to be incurred under this Indenture to refinance Indebtedness incurred pursuant to clauses (i), (iii), (viii), (x) and (xxi) of Section 4.06(b) shall be deemed to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay accrued but unpaid interest or dividends, premiums (including tender premiums), defeasance costs, underwriting or initial

purchaser discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

For purposes of determining compliance with any restriction, as applicable, on the incurrence of Indebtedness, Disqualified Stock or Preferred Stock denominated in a given currency, the Currency Equivalent of the aggregate principal amount of Indebtedness or liquidation preference of Disqualified Stock or Preferred Stock denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred, or, at the option of Parent, first committed or first incurred or upon execution of the definitive documentation in respect thereof (whichever yields the lower Currency Equivalent); *provided* that (a) if such Indebtedness, Disqualified Stock or Preferred Stock is incurred to refinance other Indebtedness denominated in another currency, and such refinancing would cause the applicable currency denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such currency denominated restriction, as applicable shall be deemed not to have been exceeded so long as the principal amount or liquidation preference of such Refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed the principal amount or liquidation preference set forth in sub-clause (A) of the definition of “*Refinancing Indebtedness*” and (b) the Currency Equivalent of the aggregate principal amount of any such Indebtedness and the aggregate liquidation preference of any such Disqualified Stock or Preferred Stock outstanding on the Issue Date shall be calculated based on the relevant currency exchange rate in effect on the Issue Date, and (c) if and for so long as any such Indebtedness, Disqualified Stock or Preferred Stock is subject to any Currency Agreement with respect to the currency in which such Indebtedness, Disqualified Stock or Preferred Stock is denominated covering principal amounts and interest payable on such Indebtedness or the liquidation preference and preferred equity returns on such Disqualified Stock or Preferred Stock, the amount of such Indebtedness, Disqualified Stock or Preferred Stock if denominated in a given currency will be the amount of the principal payment or liquidation preference required to be made under such Currency Agreement and, otherwise, the Currency Equivalent of such amount plus the Currency Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.

This Indenture shall not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Indebtedness as subordinated or junior to any other Indebtedness merely because it has a junior priority with respect to the same collateral or because it is secured by different collateral or issued or guaranteed by other obligors.

Section 4.07. *Asset Sales.* (a) Parent shall not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale, unless:

(i) Parent or such Restricted Subsidiary, as the case may be, receives consideration (including, but not limited to, by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, in connection with, such Asset Sale) at the time of such Asset Sale at least equal to

the fair market value (as determined in good faith by Parent at the time of contractually agreeing to such Asset Sale) of the assets sold or otherwise disposed of; and

(ii) except in the case of a Permitted Asset Swap, with respect to any Asset Sale in excess of the greater of (x) \$65.0 million and (y) 15.0% of LTM EBITDA, at least 75% of the consideration for such Asset Sale, together with all other Asset Sales since the Issue Date (on a cumulative basis), received by Parent or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided* that the amount of:

(A) the greater of the principal amount and the carrying value of any liabilities (as reflected on Parent's or such Restricted Subsidiary's most recent consolidated balance sheet or in the footnotes thereto or, if incurred or increased subsequent to the date of such balance sheet, such liabilities that would have been reflected on Parent's or such Restricted Subsidiary's consolidated balance sheet or in the footnotes thereto if such incurrence or increase had taken place on or prior to the date of such balance sheet, as determined by Parent) of Parent or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes (other than intercompany liabilities owing to a Restricted Subsidiary being disposed of), that are (1) assumed by the transferee of any such assets (or a third party in connection with such transfer) pursuant to a written agreement which releases or indemnifies Parent or such Restricted Subsidiary from such liabilities or (2) otherwise cancelled or terminated in connection with the transaction;

(B) any securities, notes or other obligations or assets received by Parent or such Restricted Subsidiary from such transferee that are converted or reasonably expected by Parent acting in good faith to be converted by Parent or such Restricted Subsidiary into Cash Equivalents (to the extent of the Cash Equivalents received or expected to be received) or by their terms are required to be satisfied for Cash Equivalents within 180 days following the closing of such Asset Sale; and

(C) any Designated Non-cash Consideration received by Parent or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (c) that is at that time outstanding, not to exceed the greater of (1) \$110.0 million and (2) 25.0% of LTM EBITDA (net of any non-cash consideration converted into Cash Equivalents) at the time of the receipt of such Designated Non-cash Consideration (or, at Parent's option, at the time of contractually agreeing to such Asset Sale), with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value, shall be deemed to be Cash Equivalents for purposes of this provision and for no other purpose.

(b) Within 18 months after the later of (A) the date of any Asset Sale of Collateral pursuant to the foregoing paragraph and (B) the receipt of any Net Proceeds of such Asset Sale of Collateral, Parent or such Restricted Subsidiary, at its option, may apply an amount not to exceed the Applicable Asset Sale Percentage of the Net Proceeds from such Asset Sale, of Collateral (the “**Applicable Proceeds**”):

(i) to reduce or offer to reduce Indebtedness (through a redemption, prepayment, repayment or purchase, as applicable) as follows:

(A) Obligations under the Notes;

(B) Obligations under any Pari Passu Indebtedness (other than the notes) and, in the case of revolving obligations (other than Obligations in respect of any asset-based credit facility or any revolving facility used for working capital purposes), to correspondingly reduce commitments with respect thereto; provided that if Parent or any Restricted Subsidiary shall so reduce any Pari Passu Indebtedness other than the notes, Parent or such Restricted Subsidiary will either (a) reduce Obligations under the notes on a pro rata basis with such other Pari Passu Indebtedness, by at its option, (x) redeeming notes as described under Article 3 or (y) purchasing notes through open-market purchases or in privately negotiated transactions at market prices (which may be below par) or (B) make an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to all Holders to purchase their notes on a ratable basis with such other Pari Passu Indebtedness for no less than 100% of the principal amount thereof, plus accrued and unpaid interest, if any, thereon up to principal amount of notes to be repurchased;

(C) Obligations of a Restricted Subsidiary that is not an Issuer or a Subsidiary Guarantor, other than Indebtedness owed to Parent or any Restricted Subsidiary; or

(D) to the extent such Applicable Proceeds are from an Asset Sale of property or assets of a Restricted Subsidiary that is not an Issuer or a Subsidiary Guarantor or of property or assets not constituting Collateral, Obligations of an Issuer or a Guarantor other than Subordinated Indebtedness and other than Indebtedness owed to Parent or any Restricted Subsidiary, and, in the case of revolving obligations (other than Obligations in respect of any asset-based credit facility or any revolving credit facility used for working capital purposes), to correspondingly reduce commitments with respect thereto;

provided that to the extent Parent or any Restricted Subsidiary makes an offer to redeem, prepay, repay or purchase any amount of Obligations pursuant to any of the foregoing clauses (A)-(D) at a price of no less than 100% of the principal amount thereof, to the extent the relevant creditors do not accept such offering, Parent and the Restricted Subsidiaries will be

deemed to have applied an amount of the Applicable Proceeds equal to such amount not so accepted in such offer, and such amount shall not increase the amount of Excess Proceeds (and such amount shall be deemed to be Declined Proceeds); or

(ii) to make (A) an Investment in any one or more businesses, *provided* that such Investment in any business is in the form of the acquisition of Capital Stock and results in Parent or any of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes or continues to constitute a Restricted Subsidiary, (B) capital expenditures or (C) acquisitions of other properties or assets that, in each of (ii), (ii) and (ii), are used or useful in a Similar Business to replace the businesses, properties and/or assets that are the subject of such Asset Sale; provided that Parent may elect to deem Investments, capital expenditures or acquisitions within the scope of the foregoing clauses (ii), (ii) or (ii), as applicable, that occur prior to the receipt of the Applicable Proceeds to have been made in accordance with this clause (ii) so long as such deemed Investments, capital expenditures or acquisitions shall have been made no earlier than the earliest of (x) the notice of such Asset Sale to the Trustee, (y) the execution of a definitive agreement relating to such Asset Sale or (z) the consummation of such Asset Sale; or

(iii) any combination of the foregoing;

provided, that a binding commitment or letter of intent entered into not later than the end of such 18-month period shall be treated as a permitted application of the Applicable Proceeds from the date of such commitment or letter of intent so long as Parent, or such Restricted Subsidiary enters into such commitment or letter of intent with the good faith expectation that such Applicable Proceeds will be applied to satisfy such commitment or letter of intent within six months of the end of such 18-month period (an “**Acceptable Commitment**”) or, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Applicable Proceeds are applied in connection therewith, Parent or such Restricted Subsidiary enters into another Acceptable Commitment (a “**Second Commitment**”) within six months of such cancellation or termination; *provided further* that if any Second Commitment is later cancelled or terminated for any reason before such Applicable Proceeds are applied, then such Applicable Proceeds shall constitute Excess Proceeds.

(c) Notwithstanding any other provisions of this covenant, (i) to the extent that the application of any or all of the Applicable Proceeds of any Asset Sale by Parent or a Subsidiary is (x) prohibited or delayed by or would violate or conflict with applicable local law, (y) restricted by applicable organizational documents or any agreement or (z) subject to other organizational or administrative impediments from being repatriated under applicable local law (including for the avoidance of doubt restrictions, prohibitions or impediments relating to financial assistance, corporate benefit, thin capitalization, capital maintenance and similar legal principles, restrictions on upstreaming and/or cross-streaming of Cash Equivalents intra-group and relating to the fiduciary and/or statutory duties of the directors (or equivalent Persons) of Parent

and/or any of its Subsidiaries) or would conflict with the fiduciary and/or statutory duties of such Subsidiary's directors (or equivalent Persons), or (B) would result in, or could reasonably be expected to result in, a risk of personal or criminal liability for any officer, director, employee, manager, member of management or consultant of such Subsidiary, an amount equal to the portion of such Applicable Proceeds so affected will not be required to be applied in compliance with this Section 4.07, and such amounts may be retained by Parent or the applicable Subsidiary; provided that if at any time within one year following the date on which the respective payment would otherwise have been required, such repatriation of any of such affected Applicable Proceeds is permitted under the applicable local law, the applicable organizational document or agreement or the applicable other impediment, an amount equal to such amount of Applicable Proceeds so permitted to be repatriated will be promptly applied (net of any taxes, costs or expenses that would be payable or reserved against if such amounts were actually repatriated whether or not they are repatriated) in compliance with this covenant or (ii) to the extent that Parent has determined in good faith that repatriation of any or all of the Applicable Proceeds of any Asset Sale could have a material adverse tax or cost consequence with respect to such Applicable Proceeds (which for the avoidance of doubt, includes, but is not limited to, any prepayment whereby doing so Parent, any Restricted Subsidiary or any of their respective Affiliates and/or their equityholders would incur a tax liability, including as a result of a tax dividend, a deemed dividend pursuant to Code Section 956 or a withholding tax), the Applicable Proceeds so affected may be retained by Parent or the applicable Subsidiary and an amount equal to such Applicable Proceeds will not be required to be applied in compliance with this Section 4.07. The non-application of any prepayment amounts as a consequence of the foregoing provisions will not, for the avoidance of doubt, constitute a Default or an Event of Default. For the avoidance of doubt, nothing in this Indenture shall be construed to require Parent or any Subsidiary to repatriate cash.

(d) Any Applicable Proceeds (other than any amounts excluded from this Section 4.07 as set forth in the immediately preceding paragraph) that are not invested or applied as provided and within the time period set forth in the second preceding paragraph will be deemed to constitute "**Excess Proceeds**"; *provided* that any amount of Applicable Proceeds offered to Holders of the notes pursuant to clause (1)(b) of this Section 4.07 shall not be deemed to be Excess Proceeds without regard to whether such offer is accepted by any Holders and any amount of Applicable Proceeds offered to Holders of the notes pursuant to clause (1)(b) of this Section 4.07 that are not accepted shall be deemed to be Declined Proceeds. When the aggregate amount of Excess Proceeds exceeds the greater of (x) \$130.0 million and (y) 30.0% of LTM EBITDA (the "**Excess Proceeds Threshold**"), the Issuers shall make an offer (an "**Asset Sale Offer**") to all Holders of the notes and, if required or permitted by the terms of any Pari Passu Indebtedness, to the holders of such Pari Passu Indebtedness, to purchase the maximum aggregate principal amount (or accreted value, as applicable) of the notes and such Pari Passu Indebtedness that is, with respect to the notes only, in an amount equal to \$1,000, or an integral multiple of \$1,000 in excess thereof, in the case of the Dollar notes or that is equal to €1,000, or an integral multiple of €1,000 in excess thereof, in the case of the Euro notes, that may be purchased out of the Excess Proceeds at an offer price, in the case of the notes, in cash in an amount equal to 100% of the principal amount thereof (or

accreted value thereof, if less), plus accrued and unpaid interest, if any to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture, and in the case of such Pari Passu Indebtedness, at the offer price required by the terms thereof, in accordance with the procedures set forth in the agreement(s) governing such Pari Passu Indebtedness. The Issuers will commence an Asset Sale Offer with respect to Excess Proceeds within 20 Business Days after the date that Excess Proceeds exceed the Excess Proceeds Threshold by delivering to the Holders the notice required pursuant to the terms of this Indenture, with a copy to the Trustee. The Issuers may satisfy the foregoing obligations with respect to any Applicable Proceeds by making an Asset Sale Offer with respect to such Applicable Proceeds prior to the time period that may be required by this Indenture with respect to all or a part of the available Applicable Proceeds (the “**Advance Portion**”) in advance of being required to do so by this Indenture (an “**Advance Offer**”).

(e) To the extent that the aggregate amount (or accreted value, if applicable) of Notes and such other Pari Passu Indebtedness, as the case may be, tendered pursuant to an Asset Sale Offer is less than the amount offered in the Asset Sale Offer (or in the case of an Advance Offer, the Advance Portion) (“**Declined Proceeds**”), the Issuers may use any remaining Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) for any purposes not otherwise prohibited under this Indenture. If the aggregate principal amount (or accreted value, if applicable) of Notes or the Pari Passu Indebtedness, as the case may be, surrendered by such holders thereof exceeds the amount offered in the Asset Sale Offer (or in the case of an Advance Offer, the Advance Portion), the Issuers shall purchase the Notes (subject to applicable DTC or Euroclear or Clearstream, as applicable, procedures as to global notes) and such Pari Passu Indebtedness, as the case may be, on a pro rata basis based on the aggregate principal amount (or accreted value, if applicable) of the Notes or such Pari Passu Indebtedness, as the case may be, tendered with adjustments as necessary so that no Notes or Pari Passu Indebtedness, as the case may be, will be repurchased in part in an unauthorized denomination. Upon completion of any such Asset Sale Offer (or Advance Offer), the amount of Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) that resulted in the requirement to make an Asset Sale Offer shall be reset to zero (regardless of whether there are any remaining Excess Proceeds upon such completion). Additionally, the Issuers may, at their option, make an Asset Sale Offer using Applicable Proceeds at any time after the consummation of such Asset Sale. Upon consummation or expiration of any Asset Sale Offer (or Advance Offer), any remaining Applicable Proceeds shall not be deemed Excess Proceeds and the Issuers may use such Applicable Proceeds for any purpose not otherwise prohibited under this Indenture.

(f) An Asset Sale Offer or Advance Offer may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, the Notes, the Guarantees and/or the Security Documents (but the Asset Sale Offer or Advance Offer may not condition tenders on the delivery of such consents).

(g) Pending the final application of the amount of any Applicable Proceeds pursuant to this Section 4.07, Parent and its Restricted Subsidiaries may temporarily

reduce Indebtedness, or otherwise use such Applicable Proceeds in any manner not prohibited by this Indenture.

(h) The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer or an Advance Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

(i) The provisions of Section 3.08 and this Section 4.07 may be waived or modified with the written consent of the Holders of a majority in principal amount of all the then outstanding Notes.

Section 4.08. *Transactions with Affiliates.* (a) Parent shall not, and shall not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with any Affiliate of Parent (each of the foregoing, an “**Affiliate Transaction**”) involving aggregate payments or consideration in excess of the greater of (x) \$65.0 million and (y) 15.0% of LTM EBITDA at such time, unless:

(i) such Affiliate Transaction is on terms that are not materially less favorable to Parent or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by Parent or such Restricted Subsidiary with an unrelated Person on an arm’s-length basis or, if in the good faith judgment of Parent, no comparable transaction is available with which to compare such Affiliate Transaction, such Affiliate Transaction is otherwise fair to Parent or such Restricted Subsidiary from a financial point of view and when such transaction is taken in its entirety; and

(ii) with respect to any Affiliate Transaction or series of related Affiliate Transactions involving aggregate payments or consideration in excess of the greater of (x) \$130.0 million and (y) 30.0% of LTM EBITDA at such time, the terms of such transaction have been approved by a majority of the members of the Board of Parent or any direct or indirect parent of Parent.

(iv) (A) employment agreements, employee benefit and incentive compensation plans and arrangements and (B) the payment of reasonable and customary fees and compensation paid to, and indemnities and reimbursements and employment and severance arrangements provided on behalf of or for the benefit of, future, present or former employees, directors, officers, managers, members, partners, independent contractors or consultants (or their respective Controlled Investment Affiliates or Immediate Family Members) of Parent, any of its direct or indirect parent companies or any of its Restricted Subsidiaries, including in connection with the Transactions;

(v) transactions in which Parent or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an Independent Financial Advisor stating that such transaction is fair to Parent or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable, when taken as a whole, to Parent or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by Parent or such Restricted Subsidiary with an unrelated Person on an arm’s-length basis;

(ix) the Transactions and the payment of all fees and expenses related to the Transactions, including Transaction Expenses;

(x) transactions with customers, clients, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services or providers of employees or other labor that are Affiliates, in each case in the ordinary course of business or that are consistent with past practice and otherwise in compliance with the terms of this Indenture which are fair to Parent and its Restricted Subsidiaries, in the reasonable determination of Parent, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(xi) the issuance or transfer of (A) Equity Interests (other than Disqualified Stock) or Subordinated Shareholder Funding of Parent to any direct or indirect parent company of Parent or to any Permitted Holder or to any employee, director, officer, manager, member, partner or consultants (or their respective Affiliates or Immediate Family Members) of Parent, any of its direct or indirect parent companies or any of its Restricted Subsidiaries and (B) directors' qualifying shares and shares issued to foreign nationals as required by applicable law;

Section 4.09. *Liens*. Parent will not, and will not permit the Issuers or any Subsidiary Guarantor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) (each, a “**Subject Lien**”) that secures Obligations under any Indebtedness or any related guarantee of Indebtedness, on any asset or property of the Issuers or any Guarantor, or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:

(a) in the case of Subject Liens on any Collateral, the Notes and the Guarantees thereof are secured by a Lien on such asset, property, income or profits that is senior in priority to such Subject Lien; and

(b) in all other cases, the Notes and the Guarantees are equally and ratably secured.

Any Lien created for the benefit of the Holders of the Notes pursuant to sub-clause (b) of this Section 4.09 shall be deemed automatically and unconditionally released and discharged upon the release and discharge of the Subject Lien that gave rise to the obligation to secure the Notes. In addition, Parent may, at its option and without consent from any Holder, elect to release and discharge any Lien created for the benefit of the Holders pursuant to subclauses (a) and (b) of this Section 4.09 in respect of such Subject Lien.

With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “**Increased Amount**” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

Section 4.10. *Offer to Repurchase Upon Change of Control*. (a) If a Change of Control occurs after the Issue Date, unless (i) a third party makes a change of control offer as described herein or (ii) the Issuers have previously or concurrently sent a redemption notice with respect to all the outstanding Notes as described under paragraphs 5 and 6 of the Notes, the Issuers will make an offer to purchase all of the Notes pursuant to the offer described below (the “**Change of Control Offer**”) at a purchase price in cash (the “**Change of Control Payment**”) equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest and Additional Amounts, if any, to, but excluding, the date of purchase, subject to the right of Holders of the Notes of record on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the purchase date. Within 60 days following any Change of Control,

the Issuers will send (or cause to be sent) notice of such Change of Control Offer electronically or by first-class mail, with a copy to the Trustee and the Paying Agent, to each Holder of Notes to the address of such Holder appearing in the security register or otherwise in accordance with the procedures of DTC or Euroclear or Clearstream, as applicable, with the following information:

- (i) that a Change of Control Offer is being made pursuant to this Section 4.10 and that all Notes properly tendered pursuant to such Change of Control Offer will be accepted for payment by the Issuers;
- (ii) the purchase price and the purchase date, which will be no earlier than 10 days nor later than 60 days from the date such notice is sent (the “**Change of Control Payment Date**”), except in the case of a conditional Change of Control Offer made in advance of a Change of Control in accordance with this Section 4.10;
- (iii) that any Note not properly tendered will remain outstanding and continue to accrue interest;
- (iv) that unless the Issuers default in the payment of the Change of Control Payment, all Notes accepted for payment pursuant to the Change of Control Offer shall cease to accrue interest on the Change of Control Payment Date;
- (v) that Holders electing to have any Notes purchased pursuant to a Change of Control Offer shall be required to surrender such Notes, with the form entitled “Option of Holder to Elect Purchase” on the reverse of such Notes completed or otherwise in accordance with the Applicable Procedures to the Paying Agent specified in the notice at the address specified in the notice prior to the close of business on the third Business Day preceding the Change of Control Payment Date;
- (vi) that Holders whose Notes are being purchased only in part shall be issued new Notes and such new Notes will be equal in principal amount to the unpurchased portion of the Notes surrendered. The unpurchased portion of the Notes must be equal to at least \$2,000 or any integral multiple of \$1,000 in excess thereof in relation to the Dollar Notes or at least €100,000 or any integral multiple or €1,000 in excess thereof in relation to the Euro Notes;
- (vii) if such notice is delivered prior to the occurrence of a Change of Control, stating that the Change of Control Offer is conditional on the occurrence of such Change of Control and shall describe each such condition, and, if applicable, shall state that, in the Issuers’ discretion, the Change of Control Payment Date may be delayed until such time (including more than 60 days after the notice is sent) as any or all such conditions shall be satisfied or waived, or that such repurchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied or waived by the Change

of Control Payment Date, or by the Change of Control Payment Date as so delayed, or such notice or offer may be rescinded at any time in the Issuers' sole discretion if the Issuers determine that any or all of such conditions will not be satisfied or waived;

(viii) any other instructions, as determined by the Issuers, consistent with this Section 4.10 that a Holder must follow; and

(ix) that Holders shall be entitled to withdraw their tendered Notes and their election to require the Issuers to purchase such Notes; *provided* that the applicable Paying Agent receives, not later than the close of business on the tenth Business Day prior to the expiration date of the Change of Control Offer, a facsimile transmission or letter setting forth the name of the Holder of the Notes, the principal amount of Notes tendered for purchase, and a statement that such Holder is withdrawing its tendered Notes, or a specified portion thereof, and its election to have such Notes purchased.

(b) While the Notes are in global form and the Issuers make an offer to purchase all of the Notes pursuant to the Change of Control Offer, a Holder may exercise its option to elect for the purchase of the Notes or withdraw such election through the facilities of DTC or of Euroclear or Clearstream, as applicable, subject to the applicable rules and regulations.

(c) The notice, if delivered electronically or mailed in a manner herein provided, shall be conclusively presumed to have been given, whether or not the Holder receives such notice. If (i) the notice is delivered electronically or mailed in a manner herein provided and (ii) any Holder fails to receive such notice or a Holder receives such notice but it is defective, such Holder's failure to receive such notice or such defect shall not affect the validity of the proceedings for the purchase of the Notes as to all other Holders that properly received such notice without defect. The Issuers shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Issuers shall comply with the applicable securities laws and regulations and shall not be deemed to have breached their obligations described in this Indenture by virtue thereof. The Issuers may rely on any no-action letters issued by the SEC indicating that the staff of the SEC will not recommend enforcement action in the event a tender offer satisfies certain conditions.

(d) On the Change of Control Payment Date, the Issuers shall, to the extent permitted by law:

(i) accept for payment all Notes issued by it or portions thereof validly tendered pursuant to the Change of Control Offer;

(ii) deposit with the applicable Paying Agent an amount equal to the aggregate Change of Control Payment in respect of all Notes or portions thereof so tendered and not validly withdrawn; and

(iii) deliver, or cause to be delivered, to the Trustee for cancellation the Notes so accepted together with an Officer's Certificate to the Trustee and the Paying Agent stating that such Notes or portions thereof have been tendered to and purchased by the Issuers.

(e) The Issuers shall not be required to make a Change of Control Offer following a Change of Control if (i) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchase all Notes validly tendered and not validly withdrawn under such Change of Control Offer or (ii) in connection with or in contemplation of any Change of Control, the Issuers (or any Affiliate of the Issuers) have made an offer to purchase (an "**Alternate Offer**") any and all Notes validly tendered at a cash price equal to or higher than the Change of Control Payment and has purchased all Notes properly tendered in accordance with the terms of the Alternate Offer.

(f) Notwithstanding anything to the contrary herein, a Change of Control Offer or Alternate Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer or Alternate Offer.

(g) A Change of Control Offer or Alternate Offer may be made at the same time as consents are solicited with respect to an amendment, supplement or waiver of this Indenture, the Notes, Guarantees and/or Security Documents (but the Change of Control Offer may not condition tenders on the delivery of such consents).

(h) Other than as specifically provided in this Section 4.10, any purchase pursuant to this Section 4.10 shall be made pursuant to the provisions of Sections 3.02, 3.05 and 3.06, and references therein to "redeem," "redemption," "Redemption Date" and similar words shall be deemed to refer to "purchase," "repurchase" and "Change of Control Payment Date" and similar words, as applicable.

The provisions of this Section 4.10, including the definition of "Change of Control", may be waived or modified with the written consent of the Required Holders.

Section 4.11. *Limitation on Guarantees of Indebtedness by Restricted Subsidiaries.* Parent shall not permit any of its Wholly Owned Subsidiaries that are Restricted Subsidiaries (and non-Wholly Owned Subsidiaries if such non-Wholly Owned Subsidiaries guarantee other capital markets debt securities of the Issuers or any Guarantor pursuant to clause (ii) below), other than the Issuers, a Subsidiary Guarantor, a Captive Insurance Subsidiary or a Securitization Subsidiary, to guarantee the payment of (i) any syndicated Credit Facility incurred under Section 4.06(b)(i) or (ii) capital market

debt securities of the Issuers or any Guarantor in an aggregate principal amount in excess of the greater of (x) \$215.0 million and (y) 50.0% of LTM EBITDA at such time, unless:

(a) such Restricted Subsidiary within 60 days after the guarantee of such Indebtedness executes and delivers a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto, providing for a Guarantee by such Restricted Subsidiary, except that with respect to a guarantee of Indebtedness of the Issuers or any Subsidiary Guarantor, if such Indebtedness is by its express terms subordinated in right of payment to the Notes or such Subsidiary Guarantor's Guarantee, any such guarantee by such Restricted Subsidiary with respect to such Indebtedness shall be subordinated in right of payment to such Guarantee substantially to the same extent as such Indebtedness is subordinated to the Notes; and

(b) such Restricted Subsidiary waives and shall not in any manner whatsoever claim or take the benefit or advantage of, any rights of reimbursement, indemnity or subrogation or any other applicable rights against Parent or any other Restricted Subsidiary as a result of any payment by such Restricted Subsidiary under its Guarantee;

provided that this Section 4.11 shall not be applicable to any guarantee of any Restricted Subsidiary that existed at the time such Person became a Restricted Subsidiary and was not incurred in connection with, or in contemplation of, such Person becoming a Restricted Subsidiary. Parent may elect, in its sole discretion, to cause any Subsidiary that is not otherwise required to be a Subsidiary Guarantor to become a Subsidiary Guarantor, in which case such Subsidiary shall not be required to comply with the 60 day period described in clause (a) of this Section 4.11.

Section 4.12. *Withholding Taxes.* (a) All payments made by or on behalf of the Issuers or any Guarantor (including any successor entity) (a "**Payor**") in respect of the Notes or with respect to any Guarantees, as applicable, will be made free and clear of and without withholding or deduction for, or on account of, any Taxes unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of:

(i) any jurisdiction from or through which payment on any such Note or Guarantee is made or deemed made, or any political subdivision or taxing authority or agency thereof or therein; or

(ii) any other jurisdiction in which the Payor is or is treated as being incorporated or organized, resident or engaged in business for tax purposes or in which the Payor has a permanent establishment, or any political subdivision or taxing authority or agency thereof or therein (clause (i) and (ii), a "**Relevant Taxing Jurisdiction**"),

will at any time be required by law to be made from any payments made by or on behalf of a Payor with respect to any Note or Guarantee, including payments of principal, redemption price, premium, if any, or interest, the relevant Payor will pay to Holders of the Notes (together with such payments) such additional amounts (the "**Additional**

Amounts”) as may be necessary in order that the net amounts received by the beneficial owner of the Notes in respect of such payments, after such withholding or deduction (including any such deduction or withholding in respect of such Additional Amounts), will equal the amounts which would have been received in respect of such payments on any such Note or Guarantee in the absence of such withholding or deduction; *provided, however*, that no such Additional Amounts will be payable for or on account of:

(A) any Taxes that would not have been so imposed but for the existence of any present or former connection between the relevant Holder or the beneficial owner of a Note (or between a fiduciary, settlor, beneficiary, member or shareholder of, or possessor of power over the relevant Holder or beneficial owner, if the relevant Holder or beneficial owner is an estate, nominee, trust, partnership, limited liability company or corporation) and the Relevant Taxing Jurisdiction (including being a resident for tax purposes, being a citizen or resident or national or domiciliary of, or carrying on a business or maintaining a permanent establishment in, or being physically present in, the Relevant Taxing Jurisdiction) but excluding, in each case, any connection arising solely from the acquisition, ownership, holding or disposition of such Note or the receipt of any payment in respect of the Notes or any Guarantee;

(B) any Taxes that are imposed or withheld by reason of the failure by the Holder or the beneficial owner of the Note to provide an applicable Internal Revenue Service Form W-8 (with any required attachments) or W-9 or to comply with a written request of the Payor addressed to the Holder or beneficial owner, as applicable, after reasonable notice (at least 60 days before any withholding or deduction would be made), to provide certification, information, documents or other evidence concerning the nationality, residence, identity or connection with the Relevant Taxing Jurisdiction of the Holder or such beneficial owner or to make any declaration or similar claim or satisfy any other reporting requirement relating to such matters, which is required by a statute, treaty, regulation or administrative practice of the Relevant Taxing Jurisdiction as a precondition to exemption from all or part of such Taxes, but only to the extent that the Holder or beneficial owner is legally eligible to provide such certification or other evidence;

(C) any Taxes that are payable otherwise than by deduction or withholding from a payment on or with respect to the Notes or any Guarantee;

(D) any estate, inheritance, gift, sales, transfer, personal property or similar Tax;

(E) any Taxes that are imposed or withheld pursuant to (a) Sections 1471 through 1474 of the Code, as amended (or any amended or successor version that is substantively comparable and not materially more

onerous to comply with) and any current or future regulations or official interpretations thereof, (b) any intergovernmental agreement entered into in connection with the implementation of (a), or (c) any law, regulation or other official guidance enacted in any other jurisdiction relating to an intergovernmental agreement described in (b);

(F) any Tax imposed by reason of the Holder's (or the beneficial owner's) past or present status as a personal holding company, private foundation or other tax exempt organization, passive foreign investment company or controlled foreign corporation with respect to the United States or as a corporation that accumulates earnings to avoid U.S. federal income tax or as a bank for U.S. tax purposes whose receipt of interest with respect to any note is described in Section 881(c)(3)(A) of the Code;

(G) any Tax imposed by reason of the Holder's (or the beneficial owner's) past or present status as the actual or constructive owner of 10% or more of the total combined voting power of all classes of stock of the U.S. Co-Issuer entitled to vote or as a controlled foreign corporation that is related directly or indirectly to the U.S. Co-Issuer through stock ownership; or

(H) any combination of the above.

(b) Such Additional Amounts will also not be payable if the payment could have been made without such deduction or withholding if the beneficial owner of the payment had presented the Note for payment (where presentation is required for payment) within 30 days after the relevant payment was first made available for payment to the Holder (except to the extent that the Holder would have been entitled to Additional Amounts had the Note been presented on the last day of such 30-day period).

(c) In addition, no Additional Amounts shall be paid with respect to any payment to any Holder who is a fiduciary or a partnership (or entity treated as partnership for tax purposes) or other than the beneficial owner of such Notes to the extent that the beneficiary or settlor with respect to such fiduciary, the member of such partnership (or such other entity treated as partnership for tax purposes) or the beneficial owner of such Notes would not have been entitled to Additional Amounts had such beneficiary, settlor, member or beneficial owner held such Notes directly.

(d) The relevant Payor will (i) make any required withholding or deduction and (ii) remit the full amount deducted or withheld to the Relevant Taxing Jurisdiction in accordance with applicable law. The Payor will use all reasonable efforts to obtain certified copies of tax receipts evidencing the payment of any Taxes so deducted or withheld from each Relevant Taxing Jurisdiction imposing such Taxes, in such form as provided in the ordinary course by the Relevant Taxing Jurisdiction and as is reasonably available to the Issuers and will provide such certified copies to the Trustee and the

Paying Agent. For the avoidance of doubt, in no event shall the Trustee be required to determine the amount of withholding taxes attributable to any Holder.

(e) If any Payor will be obligated to pay Additional Amounts under or with respect to any payment made on any Note or Guarantee, at least 30 days prior to the date of such payment, the Payor will deliver to the Trustee and the Paying Agent an Officer's Certificate stating the fact that Additional Amounts will be payable and the amount so payable and such other information necessary to enable the Paying Agent to pay Additional Amounts to Holders on the relevant payment date (unless such obligation to pay Additional Amounts arises less than 45 days prior to the relevant payment date, in which case the Payor may deliver such Officer's Certificate as promptly as practicable after the date that is 30 days prior to the payment date). The Trustee and the Paying Agent will be entitled to rely, without further inquiry, solely on such Officer's Certificate as conclusive proof that such payments are necessary.

(f) Wherever in this Indenture there are mentioned, in any context:

- (i) the payment of principal;
- (ii) purchase prices in connection with a purchase of Notes;
- (iii) interest; or
- (iv) any other amount payable on or with respect to any of the Notes,

such reference shall be deemed to include payment of Additional Amounts as described under this heading to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(g) The Payor will pay any present or future stamp, transfer, issue, registration, court or documentary taxes or any other excise, property or similar taxes or similar charges or levies (including any related interest or penalties with respect thereto), that arise in any Relevant Taxing Jurisdiction from the execution, issuance, delivery or registration of or receipt of payments with respect to, any Notes, any Guarantee, this Indenture, the collateral documents or any other document or instrument in relation thereto, and any such taxes that arise in any jurisdiction from the enforcement of any Notes, this Indenture, the collateral documents or any other document or instrument in relation thereto (other than in each case, in connection with a transfer of the Notes after this offering and limited, solely to the extent of such taxes or similar charges or levies that arise from the receipt of any payments of principal or interest on the Notes, to any such taxes or similar charges or levies that are not excluded under sub-clauses (A), (B), (D) to (F) of this Section 4.12(a)(ii)), and the Payor agrees to indemnify the Holders for any such Taxes paid by such Holders.

(h) The foregoing obligations will survive any termination, defeasance or discharge of this Indenture and will apply *mutatis mutandis* to any jurisdiction in which any successor to a Payor is or is deemed to be incorporated or organized, resident or engaged in business for tax purposes or to have a permanent establishment in, or any

jurisdiction from or through which any payment under, or with respect to the Notes or Guarantees thereof is made or deemed made by or on behalf of such Payor, or, in each case, any political subdivision or taxing authority or agency thereof or therein.

Section 4.13. *Suspension of Covenants.* (a) If on any date following the Issue Date, (i) a Series of Notes have an Investment Grade Rating from either of the Rating Agencies and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses Section 4.13(i) and Section 4.13(ii) being collectively referred to as a “**Covenant Suspension Event**” and the date thereof being referred to as the “**Suspension Date**”) then, Section 4.04, Section 4.05, Section 4.06, Section 4.07, Section 4.08, Section 4.11, clause (iii) of Section 5.01 and Section 5.01(c)(i) shall no longer be applicable to such Series of Notes (collectively, the “**Suspended Covenants**”) until the occurrence of the Reversion Date.

(b) During any period that the foregoing covenants have been suspended, Parent may not designate any of its Subsidiaries as Unrestricted Subsidiaries.

(c) In the event that Parent and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the “**Reversion Date**”) the applicable Series of Notes no longer has an Investment Grade Rating or the Rating Agency withdraws its Investment Grade Rating or downgrade the rating assigned to the applicable Series of Notes below an Investment Grade Rating (in each case, to the extent given an Investment Grade Rating by such Rating Agency), then Parent and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events. The period of time between the Suspension Date and the Reversion Date is referred to in this Indenture as the “**Suspension Period.**” The Guarantees of the Subsidiary Guarantors shall be suspended during the Suspension Period. Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from any Asset Sales shall be reset to zero.

(d) During the Suspension Period, Parent and its Restricted Subsidiaries will be entitled to incur Liens to the extent provided for under Section 4.09 (including, without limitation, Permitted Liens) and any Permitted Liens which may refer to one or more Suspended Covenants shall be interpreted as though such applicable Suspended Covenant(s) continued to be applicable during the Suspension Period (but solely for purposes of Section 4.09 and the definition of “*Permitted Liens*” and for no other covenant).

(e) Notwithstanding the foregoing in this Section 4.13, in the event of any such reinstatement of the Suspended Covenants, no action taken or omitted to be taken by Parent or any of its Restricted Subsidiaries prior to such reinstatement will give rise to a Default or Event of Default under this Indenture with respect to the applicable Series of Notes, and no Default or Event of Default will be deemed to exist or have occurred as a result of any failure by Parent or any Restricted Subsidiary to comply with any of the Suspended Covenants during the Suspension Period; *provided*, that (i) with respect to Restricted Payments made after such reinstatement, the amount available to be made as

Restricted Payments will be calculated as though Section 4.04 had been in effect prior to, but not during, the Suspension Period (including with respect to a Limited Condition Transaction entered into during the Suspension Period); (ii) all Indebtedness incurred or committed, or Disqualified Stock or Preferred Stock issued, during the Suspension Period (or deemed incurred or issued in connection with a Limited Condition Transaction entered into during the Suspension Period) will be classified to have been incurred or issued pursuant to clause (ii)(B) of Section 4.06(b); (iii) any Affiliate Transaction entered into after such reinstatement pursuant to an agreement entered into during any Suspension Period shall be deemed to be permitted pursuant to clause (vi) of Section 4.08(b); (iv) any encumbrance or restriction on the ability of any Restricted Subsidiary that is not an Issuer or a Guarantor to take any action described in clauses (i) through (iii) of Section 4.05(a) that becomes effective during any Suspension Period shall be deemed to be permitted pursuant to clause (i) of Section 4.05(b); (v) no Subsidiary of Parent shall be required to comply with Section 4.11 after such reinstatement with respect to any guarantee or obligation entered into by such Subsidiary during any Suspension Period; and (vi) all Investments made during the Suspension Period (or deemed made in connection with a Limited Condition Transaction entered into during the Suspension Period) will be classified to have been made under clause (e) of the definition of “Permitted Investments.”

(f) Notwithstanding that the Suspended Covenants may be reinstated after the Reversion Date, (i) no Default, Event of Default or breach of any kind will be deemed to exist under this Indenture, either Series of Notes or the Guarantees with respect to the Suspended Covenants, and none of Parent or any of its Subsidiaries shall bear any liability for any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising during any Suspension Period, in each case as a result of a failure to comply with the Suspended Covenants during the Suspension Period (or, upon termination of the Suspension Period or after that time based solely on any action taken or event that occurred during the Suspension Period), and (ii) following a Reversion Date, Parent and each Restricted Subsidiary will be permitted, without causing a Default or Event of Default, to honor, comply with or otherwise perform any contractual commitments or obligations arising during any Suspension Period and to consummate the transactions contemplated thereby.

(g) The Trustee shall have no duty to (i) monitor the ratings of the Notes, (ii) ascertain whether a Covenant Suspension Event or Reversion Date have occurred, or (iii) notify the Holders of any of the foregoing.

Section 4.14. *Amendments to the Intercreditor Agreement and Additional Intercreditor Agreements.* (a) In connection with the incurrence of any Indebtedness by Parent or any of its Restricted Subsidiaries that is permitted to share in the Collateral (and which Parent elects shall share in the Collateral), the Trustee and the Security Agent shall, at the written request of Parent or an Issuer, enter into with Parent, the relevant Restricted Subsidiaries and the holders of such Indebtedness (or their duly authorized representatives) one or more intercreditor agreements or deeds (including a restatement, replacement, amendment or other modification of the Intercreditor Agreement) (an “**Additional Intercreditor Agreement**”), on substantially the same terms as the

Intercreditor Agreement (or terms that are not materially less favorable to the Holders) and substantially similar as applies to sharing of the proceeds of security and enforcement of security, priority and release of security; *provided, that* such Additional Intercreditor Agreement will not impose any personal obligations on the Trustee or Security Agent or adversely affect the personal rights, protections, duties, liabilities, indemnifications or immunities of the Trustee or the Security Agent under this Indenture or the Intercreditor Agreement. In connection with the foregoing, Parent or the Issuers shall furnish to the Trustee and the Security Agent such documentation in relation thereto as they may reasonably require. As used herein, a reference to the Intercreditor Agreement will also include any Additional Intercreditor Agreement.

(b) In relation to the Intercreditor Agreement, the Trustee shall consent on behalf of the Holders to the payment, repayment, purchase, repurchase, defeasance, acquisition, retirement or redemption of any obligations subordinated to the Notes thereby; *provided, however*, that such transaction would comply with Section 4.04.

(c) At the written direction of Parent or the Issuers and without the consent of Holders, the Trustee and the Security Agent shall from time to time enter into one or more amendments to any Intercreditor Agreement to: (i) cure any ambiguity, omission, defect or inconsistency of any such agreement, (ii) increase the amount or types of Indebtedness covered by any such Intercreditor Agreement that may be incurred by Parent or its Restricted Subsidiaries that is subject to any such Intercreditor Agreement (*provided* that such Indebtedness is incurred in compliance with this Indenture), (iii) add Guarantors or other Restricted Subsidiaries as third-party security providers to the Intercreditor Agreement, (iv) further secure the Notes (including Additional Notes), (v) make provision for pledges of the Collateral to secure Additional Notes or to implement any Permitted Liens or (vi) make any other change to any such agreement that does not adversely affect the Holders of Notes in any material respect. Parent or the Issuers shall not otherwise direct the Trustee or Security Agent to enter into any amendment to any Intercreditor Agreement without the consent of the Required Holders, except as otherwise permitted under Article 9 or as permitted by the terms of such Intercreditor Agreement, and Parent or the Issuers may only direct the Trustee or Security Agent to enter into any amendment to the extent such amendment does not impose any personal obligations on the Trustee or Security Agent or, in the opinion of the Trustee or Security Agent, adversely affect their respective rights, protections, duties, liabilities, indemnifications or immunities under this Indenture or any Intercreditor Agreement.

(d) Each Holder, by accepting a Note, shall be deemed to have agreed to and accepted the terms and conditions of the Intercreditor Agreement or any Additional Intercreditor Agreement (whether then entered into or entered into in the future pursuant to the provisions described herein) and to have authorized the Trustee and the Security Agent to enter into the Intercreditor Agreement and any Additional Intercreditor Agreement on each Holder's behalf.

ARTICLE 5

(A) (1) Parent or such Issuer is the surviving Person or (2) the Person formed by or surviving any such consolidation, amalgamation or merger (if other than Parent or such Issuer, as the case may be) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made (such Person being herein called the “**Successor Company**”), (I) expressly assumes, in the case of Parent, all the obligations of Parent under this Indenture and its Guarantee, or, in the case of an Issuer, all of the obligations of such Issuer under this Indenture and the Notes, in each case, pursuant to supplemental indentures or other applicable documents or instruments and (II) is a Person organized or existing under the laws of a member country of the Organization for Economic Cooperation and Development (or any successor), the United Kingdom, Luxembourg, any member of the European Union, the Cayman Islands or the United States, any state thereof, the District of Columbia, or any territory thereof;

(2) either (x) the Fixed Charge Coverage Ratio for Parent and its Restricted Subsidiaries or the Successor Company and its Restricted Subsidiaries, as applicable, would be equal to or greater than the Fixed Charge Coverage Ratio for Parent and its Restricted Subsidiaries immediately prior to such transaction or (y) the Consolidated Total Debt Ratio for Parent and its Restricted Subsidiaries or the Successor Company and its Restricted

Subsidiaries, as applicable, would be equal to or less than the Consolidated Total Debt Ratio for Parent and its Restricted Subsidiaries immediately prior to such transaction; and

(b) The Successor Company shall succeed to, and be substituted for, Parent or the applicable Issuer, as the case may be, under this Indenture, the Guarantees and the Notes, as applicable, and Parent or the applicable Issuer, as applicable, will automatically be released and discharged from their respective obligations under this Indenture, the Guarantees and the Notes, as applicable.

(i) Notwithstanding clauses (B) and (C) of Section 5.01(a)(i):

other jurisdiction so long as the amount of Indebtedness of Parent and its Restricted Subsidiaries is not increased thereby.

(c) Subsidiary Guarantors.

(i) Subject to Section 10.06, no Subsidiary Guarantor shall, and Parent shall not permit any Subsidiary Guarantor to, consolidate or merge with or into or wind up into (whether or not such Subsidiary Guarantor is the surviving Person), or sell, assign, transfer, lease, convey or otherwise dispose of all or substantially all of its properties or assets, in one or more related transactions, to any Person unless:

(A) (1) (x) such Subsidiary Guarantor is the surviving Person or (y) the Person formed by or surviving any such consolidation or merger or winding up (if other than such Subsidiary Guarantor) or to which such sale, assignment, transfer, lease, conveyance or other disposition will have been made (such Person being herein called the “**Successor Person**”) expressly assumes all the obligations of such Subsidiary Guarantor under this Indenture and such Subsidiary Guarantor’s related Guarantee pursuant to supplemental indentures or other applicable documents or instruments; and

(2) to the extent any assets of the Person which is merged, consolidated or amalgamated with or into such Guarantor are assets of the type which would constitute Collateral under the Security Documents in accordance with the Agreed Security Principles, such Guarantor or the Successor Person shall take such action, if any, as may be reasonably necessary to cause such property and assets to be made subject to the Lien of the applicable Security Documents in the manner and to the extent required in accordance with the applicable Security Documents and shall take all reasonably necessary action so that such Lien is perfected to the extent required by the Agreed Security Principles; or

(B) the transaction is not prohibited by Section 4.07; or

(C) in the case of assets comprised of Equity Interests of Subsidiaries that are not Subsidiary Guarantors, such Equity Interests are sold, assigned, transferred, leased, conveyed or otherwise disposed of to one or more Restricted Subsidiaries.

(ii) Subject to Section 10.06, the Successor Person shall succeed to, and be substituted for, such Subsidiary Guarantor under this Indenture and such Subsidiary Guarantor’s Guarantee, and such Subsidiary Guarantor shall automatically be released and discharged from its obligations under this Indenture and such Subsidiary Guarantor’s Guarantee hereunder and the Notes. Notwithstanding the foregoing, any Subsidiary Guarantor may (a) merge or

consolidate or amalgamate with or into, wind up into or, consummate a Division as the Dividing Person or sell, assign, transfer, lease, convey or otherwise dispose all or part of its properties and assets to a Guarantor or an Issuer (or a Restricted Subsidiary that is not a Subsidiary Guarantor if that Restricted Subsidiary becomes a Subsidiary Guarantor), (b) consolidate or amalgamate with or merge with or into or wind up into, consummate a Division as the Dividing Person or sell, assign, transfer, lease, convey or otherwise dispose all or part of its properties and assets to an Affiliate of Parent solely for the purpose of reorganizing the Subsidiary Guarantor in another jurisdiction, (c) convert into a corporation, partnership, limited partnership, limited liability company, trust or other entity organized or existing under the laws of the jurisdiction of organization of such Subsidiary Guarantor or (d) liquidate, wind up or dissolve or change its legal form if Parent determines in good faith that such action is in the best interests of Parent, in each case, without regard to the requirements set forth set forth in Section 5.01(b).

(d) Notwithstanding anything to the contrary in this Section 5.01, Parent may contribute Capital Stock of any or all of its Subsidiaries to any Guarantor.

(e) Notwithstanding the foregoing, this Section 5.01 will not apply with respect to the sale, assignment, transfer, lease, conveyance or other disposition of substantially all property or assets of Parent if such sale, assignment, transfer, lease, conveyance or other disposition also constitutes a Change of Control for which a Change of Control Offer is made to Holders pursuant to Section 4.10.

Section 5.02. *Successor Person Substituted.* Upon any consolidation or merger, or any sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the assets of an Issuer or a Guarantor in accordance with Section 5.01, the successor Person formed by such consolidation or into or with which an Issuer or such Guarantor, as applicable, is merged or to which such sale, assignment, transfer, lease, conveyance or other disposition is made shall succeed to, and be substituted for (so that from and after the date of such consolidation, merger, sale, lease, conveyance or other disposition, the provisions of this Indenture referring to such Issuer or such Guarantor, as applicable, shall refer instead to the successor Person, as applicable, and not to such Issuer or such Guarantor, as applicable), and may exercise every right and power of such Issuer or such Guarantor, as applicable, under this Indenture with the same effect as if such successor Person, as applicable, had been named as an Issuer or a Guarantor, as applicable, herein; *provided* that a predecessor Issuer shall not be relieved from the obligation to pay the principal of and interest on the Notes, except in the case of a sale, assignment, transfer, lease, conveyance or other disposition of all or substantially all of the Issuers' assets that meets the requirements of Section 5.01.

ARTICLE 6
Defaults and Remedies

Section 6.01. *Events of Default.* (a) An “**Event of Default**,” wherever used herein, means any one of the following events:

(i) default in payment when due and payable, upon redemption, acceleration or otherwise, of principal of, or premium, if any, on the Notes;

(ii) default for 30 days or more in the payment when due of interest on or with respect to the Notes;

(iv) default under any mortgage, indenture or instrument under which there is issued or by which there is secured or evidenced any Indebtedness for money borrowed by Parent or any of its Restricted Subsidiaries or the payment of which is guaranteed by Parent or any of its Restricted Subsidiaries, other than Indebtedness owed to Parent or a Restricted Subsidiary, whether such Indebtedness or guarantee now exists or is created after the issuance of the Notes, if both:

(A) (such default has not been remedied or waived and either results from the failure to pay any principal of such Indebtedness at its stated final maturity (after giving effect to any applicable grace periods) or relates to an obligation other than the obligation to pay principal of any such Indebtedness at its stated final maturity and results in the holder or holders of such Indebtedness causing such Indebtedness to become due prior to its stated maturity; and

(B) the principal amount of such Indebtedness, together with the principal amount of any other such Indebtedness in default for failure to pay principal at stated final maturity (after giving effect to any applicable grace periods), or the maturity of which has been so accelerated, aggregate the greater of (i) \$150.0 million (or its foreign currency equivalent) and (ii) 35.0% of LTM EBITDA or more outstanding;

(v) failure by Parent or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (as of the latest consolidated financial statements of Parent for a fiscal quarter end provided as required under Section 4.02) would constitute a Significant Subsidiary) to pay final judgments

aggregating in excess of the greater of (i) \$150.0 million (or its foreign currency equivalent) and (ii) 35.0% of LTM EBITDA (net of amounts covered by insurance policies issued by reputable insurance companies), which final judgments remain unpaid, undischarged and unstayed for a period of more than 60 days after such judgment becomes final, and in the event such judgment is covered by insurance, an enforcement proceeding has been commenced by any creditor upon such judgment or decree which is not promptly stayed;

(vi) Parent or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (as of the latest consolidated financial statements of Parent for a fiscal quarter end provided as required under Section 4.02) would constitute a Significant Subsidiary), pursuant to or within the meaning of any Bankruptcy Law:

(B) consents to the institution of bankruptcy or insolvency proceedings against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under applicable Bankruptcy Law;

(D) makes a general assignment for the benefit of its creditors; or

(A) is for relief against Parent or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (as of the latest consolidated financial statements of Parent for a fiscal quarter end provided as required under Section 4.02) would constitute a Significant Subsidiary), in a proceeding in which Parent or any such Subsidiary or such group of Restricted Subsidiaries is to be adjudicated bankrupt or insolvent;

(B) appoints a receiver, liquidator, assignee, trustee, sequestrator or other similar official of Parent or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (as of the latest consolidated financial statements of Parent for a fiscal quarter end provided as required under Section 4.02) would constitute a Significant

Subsidiary), or for all or substantially all of the property of Parent or any such Significant Subsidiary or such group of Restricted Subsidiaries; or

(C) orders the liquidation of Parent or any Significant Subsidiary (or any group of Restricted Subsidiaries that together (as of the latest consolidated financial statements of Parent for a fiscal quarter end provided as required under Section 4.02) would constitute a Significant Subsidiary);

and the order or decree remains unstayed and in effect for 60 consecutive days; and

(viii) the Guarantee of Parent or any Subsidiary Guarantor that is a Significant Subsidiary (or any group of Subsidiary Guarantors that together (as of the latest consolidated financial statements of Parent for a fiscal quarter end provided as required under Section 4.02) would constitute a Significant Subsidiary) shall for any reason cease to be in full force and effect or be declared null and void or any responsible officer of Parent or any Subsidiary Guarantor that is a Significant Subsidiary (or the responsible officers of any group of Subsidiary Guarantors that together (as of the latest consolidated financial statements of Parent for a fiscal quarter end provided as required under Section 4.02) would constitute a Significant Subsidiary), as the case may be, denies in writing that it has any further liability under its Guarantee or gives written notice to such effect, other than by reason of the termination of this Indenture or the release of any such Guarantee in accordance with this Indenture and any such default continues for ten days; and

(ix) only to the extent required in accordance with the Agreed Security Principles, the Liens created by the Security Documents cease to constitute valid and perfected Liens on any material portion of the Collateral (taken as a whole) and such cessation occurs other than (A) in accordance with the terms of the relevant Security Document and this Indenture, (B) following the satisfaction in full of all Obligations under this Indenture or (C) as a result of any failure by the Security Agent to exercise its right for delivery of documents or otherwise, and (ii) such default continues for 60 days after receipt of written notice given by the Trustee or the Holders of not less than 30% in aggregate principal amount of the then outstanding Notes.

(b) In the event of any Event of Default specified in clause (iv) of Section 6.01(a), such Event of Default and all consequences thereof (excluding any resulting payment default, other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 30 days after such Event of Default arose:

(i) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged;

(ii) the requisite number of holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

(iii) the default that is the basis for such Event of Default has been cured.

Section 6.02. *Acceleration.* (a) If any Event of Default (other than an Event of Default of the type specified in clause (vi) or (vii) of Section 6.01(a)) occurs and is continuing under this Indenture, the Trustee or the Holders of not less than 30% in aggregate principal amount of all the then outstanding Notes may, by notice to the Issuers and the Trustee (if given by Holders), in either case specifying in such notice the respective Event of Default and that such notice is a “notice of acceleration,” declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately; *provided, however*, that a Default under clauses (iii), (iv), (v), (vii) or (viii) of Section 6.01(a) will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the then outstanding Notes notify the Issuers of the Default and the Issuers do not cure such Default within the time specified in such clauses after receipt of such notice. Any notice of Default under clauses (iii), (iv), (v), (vii) or (viii) of Section 6.01(a), notice of acceleration with respect to an Event of Default under clauses (iii), (iv), (v), (vii) or (viii) of Section 6.01(a) or instruction to the Trustee to provide a notice of Default under clauses (iii), (iv), (v), (vii) or (viii) of Section 6.01(a), notice of acceleration with respect to an Event of Default under clauses (iii), (iv), (v), (vii) or (viii) of Section 6.01(a) or take any other action with respect to an alleged Default or Event of Default under clauses (iii), (iv), (v), (vii) or (viii) of Section 6.01(a) (a “**Noteholder Direction**”) provided by any one or more Holders (each, a “**Directing Holder**”) must be accompanied by a written representation from each such Holder to the Issuers and the Trustee that such Holder is not, or, in the case such Holder is DTC or Euroclear or Clearstream (as applicable, the “**Relevant Clearing System**”) or the Relevant Clearing System’s nominee, that such Holder is being instructed solely by beneficial owners that are not, Net Short (a “*Position Representation*”), which representation, in the case of a Noteholder Direction relating to a notice of Default shall be deemed repeated at all times until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. In addition, each Directing Holder must, at the time of providing a Noteholder Direction, covenant to provide the Issuers with such other information as the Issuers may reasonably request from time to time in order to verify the accuracy of such Directing Holder’s Position Representation within five Business Days of request thereof (a “**Verification Covenant**”). In any case in which the Holder is the Relevant Clearing System or the Relevant Clearing System’s nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of the Relevant Clearing System or the Relevant Clearing System’s nominee.

(b) If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuers determine in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and the Issuers or Parent provides to the Trustee an Officer’s Certificate

certifying that the Issuers or Parent (i) believes in good faith that there is a reasonable basis to believe a Directing Holder was at any relevant time in breach of its Position Representation or its Verification Covenant and (ii) has initiated litigation in a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Default shall be automatically stayed and the cure period with respect to such Event of Default shall be automatically reinstituted and any remedy stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter. If such Officer's Certificate has been delivered to the Trustee, the Trustee shall refrain from acting in accordance with such Noteholder Direction until such time as the Issuers provide to the Trustee an Officer's Certificate stating that (i) a Directing Holder has satisfied its Verification Covenant or (ii) a Directing Holder has failed to satisfy its Verification Covenant, and during such time the cure period with respect to any Default shall be automatically stayed and the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically reinstituted and any remedy stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such Directing Holder's participation in such Noteholder Direction being disregarded; and, if, without the participation of such Directing Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void *ab initio*, with the effect that such Event of Default shall be deemed never to have occurred, and any related acceleration rescinded, and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such alleged Default or Event of Default, shall not be permitted to act thereon and shall be restricted from accepting and acting on any future Noteholder Direction in relation to such Event of Default. If the Directing Holder has satisfied its Verification Covenant, then the Trustee shall be permitted to act in accordance with such Noteholder Direction. Notwithstanding the above, if such Directing Holder's participation is not required to achieve the requisite level of consent of Holders required under this Indenture to give such Noteholder Direction, the Trustee shall be permitted to act in accordance with such Noteholder Direction notwithstanding any action taken or to be taken by the Issuers (as described above). The Trustee shall be entitled to conclusively rely on any Noteholder Direction or Officer's Certificate delivered to it in accordance with this Indenture without verification, investigation or otherwise as to the statements made therein.

(c) Each Holder by accepting a Note acknowledges and agrees that the Trustee (and any agent) shall not be liable to any party for acting or refraining to act in accordance with (i) the foregoing provisions, (ii) any Noteholder Direction, (iii) any Officer's Certificate or (iv) its duties under this Indenture, as the Trustee may determine in its sole discretion. The Trustee shall have no obligation (i) to monitor, investigate, verify or otherwise determine if a Holder has Net Short position, (ii) investigate the accuracy or authenticity of any Position Representation, (iii) inquire if the Issuers will seek action to determine if a Directing Holder has breached its Position Representation, (iv) enforce any Verification Covenant, (v) monitor any court proceedings undertaken in connection therewith, (vi) monitor or investigate whether any Default or Event of Default

has been publicly reported or (vii) otherwise make any calculations, investigations or determinations with respect to any Derivative Instruments, Net Short position, Long Derivative Instrument, Short Derivative Instrument or otherwise.

(d) Upon the effectiveness of such declaration, or in the case of clauses (iii), (iv), (v), (vii) or (viii) of Section 6.01(a), upon a valid Noteholder Direction, to accelerate the Notes, such principal of and premium, if any, and interest will be due and payable immediately. Notwithstanding the foregoing, in the case of an Event of Default arising under clause (vi) or (vii) of Section 6.01(a), all outstanding Notes will become due and payable without further action or notice. A notice of Default, notice of acceleration or instruction to the Trustee to provide a notice of Default, notice of acceleration or take any other action with respect to an alleged Default or Event of Default may not be given with respect to any action taken, and reported publicly or to Holders, more than two years prior to such notice or instruction. This Indenture will provide that the Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest.

Section 6.03. *Other Remedies.* If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture (including sums owed to the Trustee and its agents and counsel).

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder of a Note in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04. *Waiver of Past Defaults.* Subject to this Article 6, the Required Holders, by written notice to the Trustee (with a copy to the Issuers; *provided* that any waiver or rescission under this Section 6.04 shall be valid and binding notwithstanding the failure to provide a copy of such notice to the Issuer) may on behalf of the Holders of all of the Notes waive any existing Default and its consequences under this Indenture or the Security Documents (including in connection with an Asset Sale Offer, an Advance Offer or a Change of Control Offer) and rescind any acceleration with respect to the Notes and its consequences under this Indenture (except if such rescission would conflict with any judgment of a court of competent jurisdiction and except a continuing Default in the payment of interest on, premium, if any, or the principal of, any Note held by a non-consenting Holder). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

In the event of any Event of Default specified in clause (iv) of Section 6.01(a), such Event of Default and all consequences thereof (excluding any resulting payment default,

other than as a result of acceleration of the Notes) shall be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders, if within 30 days after such Event of Default arose:

(a) the Indebtedness or guarantee that is the basis for such Event of Default has been discharged;

(b) the requisite number of holders thereof have rescinded or waived the acceleration, notice or action (as the case may be) giving rise to such Event of Default; or

(c) the default that is the basis for such Event of Default has been cured.

For the avoidance of doubt, the Trustee shall be entitled to its rights and benefits under this Indenture for actions in respect of Defaults or Events of Default that are subsequently cured or annulled; provided that the Trustee's conduct is otherwise in accordance with the provisions of this Indenture and does not constitute wilful misconduct, fraud or gross negligence.

Section 6.05. *Control by Majority.* Subject to Section 7.01(e), the Required Holders may direct the time, method and place of conducting any proceeding for exercising any remedy available to the Trustee or of exercising any trust or power conferred on the Trustee, and the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines is unduly prejudicial to the rights of any other Holder or that would involve the Trustee in personal liability and may take any other action that is not inconsistent with any such direction received from Holders of the Notes. Prior to taking any action under this Indenture, the Trustee will be entitled to security, including by way of pre-funding, and/or indemnification satisfactory to the Trustee in its sole discretion against all fees, losses, liabilities, costs and expenses (which includes the expense of the Trustee's legal counsel) that may be caused by taking or not taking such action.

Any Default or Event of Default resulting from the failure to deliver a notice, report or certificate under this Indenture shall cease to exist and be cured in all respects if the underlying Default or Event of Default giving rise to such notice, report or certificate requirement shall have ceased to exist and/or be cured (including pursuant to this paragraph). For the avoidance of doubt, each of the parties hereto agree that any court of competent jurisdiction may (x) extend or stay any grace period set forth in this Indenture prior to when any actual or alleged Default becomes an actual or alleged Event of Default or (y) stay the exercise of remedies by the Trustee or Holders contemplated by this Indenture or otherwise upon the occurrence of an actual or alleged Event of Default, in each case of clauses (x) and (y), in accordance with the requirements of applicable law.

Section 6.06. *Limitation on Suits.* In case an Event of Default occurs and is continuing, the Trustee will be under no obligation to exercise any of the rights or powers under this Indenture at the request or direction of any of the Holders of the Notes unless the Holders have offered and, if requested, provided to the Trustee indemnity and/or

security, including by way of pre-funding, satisfactory to it in its sole discretion against any loss, liability or expense (which includes the expense of the Trustee's legal counsel). Except to enforce the right to receive payment of principal, premium (if any) or interest when due on or after the respective due dates expressed in an outstanding Note, no Holder of a Note may pursue any remedy with respect to this Indenture or the Notes unless:

(a) such Holder has previously given the Trustee written notice that an Event of Default is continuing and, if such Event of Default is in respect of clauses (iii), (iv), (v), (vii) or (viii) of Section 6.01(a), such Holder is not in breach of a Position Representation or Verification Covenant;

(b) Holders, or in the case of clauses (iii), (iv), (v), (vii) or (viii) of Section 6.01(a), Directing Holders that are not in breach of a Position Representation or Verification Covenant, comprising at least 30% in the aggregate principal amount of the then outstanding Notes have requested in writing the Trustee to pursue the remedy;

(c) such Holders have offered and, if requested, provided to the Trustee security and/or indemnity, including by way of pre-funding, satisfactory to it in its sole discretion in respect of any loss, liability or expense (which includes the expense of the Trustee's legal counsel);

(d) the Trustee has not complied with such request within 60 days after the receipt thereof and the offer of security or indemnity; and

(e) the Required Holders have not given the Trustee a direction inconsistent with such written request within such 60-day period.

Section 6.07. *Right of Holders to Sue for Payment.* Notwithstanding any other provision of this Indenture, the contractual right expressly set forth in this Indenture or the Notes of any Holder of a Note to bring suit for the enforcement of any payment on or with respect to such Holder's Notes on or after the respective due dates expressed in this Indenture or the Notes, shall not be amended without the consent of such Holder.

Section 6.08. *Collection Suit by Trustee.* If an Event of Default specified in Section 6.01(a)(i) or (ii) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuers for the whole amount of principal of, premium, if any, and interest remaining unpaid on, the Notes and interest on overdue principal, if applicable, and, to the extent lawful, interest and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, the Security Agent, the Agents, any other agent and counsel.

Section 6.09. *Restoration of Rights and Remedies.* If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceedings, the Issuers, the Trustee and the Holders

shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding has been instituted.

Section 6.10. *Rights and Remedies Cumulative.* Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in Section 2.08, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 6.11. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.12. *Trustee May File Proofs of Claim.* The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuers or any other obligor upon the Notes (including the Guarantors), their creditors or their property and shall be entitled and empowered to participate as a member in any official committee of creditors appointed in such matter and to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.13. *Priorities.* If the Trustee collects any money or property pursuant to this Article 6, it shall, subject to the terms of the Intercreditor Agreement, pay out the money or property in the following order:

(a) FIRST, to the Trustee, the Security Agent, each Agent and their respective agents and attorneys for amounts due under Section 7.06 including payment of all compensation, disbursements, expenses and liabilities incurred, and all advances made, by the Trustee, the Agents and the Security Agent (as the case may be) and their agents, and the costs and expenses of collection;

(b) SECOND, to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

(c) THIRD, to the Issuers or to such party as a court of competent jurisdiction shall direct including a Guarantor, if applicable.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.13. At least 15 days before such record date, the Issuers (or the Trustee) shall deliver to each applicable Holder and the Trustee a notice that states the record date, the payment date and amount to be paid.

Section 6.14. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.14 does not apply to a suit by the Trustee, a suit by a Holder of a Note pursuant to Section 6.07, or a suit by Holders of more than 10.0% in principal amount of the then outstanding Notes.

ARTICLE 7

Trustee and Agents

Section 7.01. *Duties of Trustee and Security Agent.* (a) If an Event of Default has occurred and is continuing of which a Responsible Officer of the Trustee has received written notice at its corporate trust office in accordance with the terms hereof, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) Except during the continuance of an Event of Default of which a Trust Officer of the Trustee has received written notice at its corporate trust office, the Trustee:

(i) the duties of the Trustee, the Security Agent and the Agents shall be determined solely by the express provisions of this Indenture and the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants, duties or obligations shall be read into this Indenture against the Trustee, the Security Agent and the Agents; and

(ii) in the absence of gross negligence, willful misconduct or fraud on its part, the Trustee, the Security Agent or the other Agents may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee, the Security Agent and the other Agents and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not investigate or confirm the accuracy of mathematical calculations or other facts stated therein) and shall be entitled to seek advice from legal counsel in relation thereto.

(c) Neither the Trustee nor the Security Agent may be relieved from liabilities for its own gross negligent action, its own gross negligent failure to act, or its own willful misconduct, except that:

(i) this paragraph (c) does not limit the effect of paragraphs (b) or (f) of this Section 7.01;

(ii) neither the Trustee nor the Security Agent shall be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved in a final non appealable decision of a court of competent jurisdiction that the Trustee or the Security Agent was grossly negligent in ascertaining the pertinent facts; and

(iii) neither the Trustee nor the Security Agent shall be liable with respect to any action they take or omit to take in good faith in accordance with a direction received by them pursuant to Section 6.02, 6.04 or 6.05.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee or the Security Agent is subject to paragraphs (a), (b) and (c) of this Section 7.01 and Section 7.02(f).

(e) Neither the Trustee nor the Security Agent shall be under any obligation to exercise any of their respective rights or powers under this Indenture or the Intercreditor Agreement at the request or direction of any of the Holders unless the Holders have offered to the Trustee and the Security Agent, and the Trustee and the Security Agent has received, security (including by way of pre-funding) and/or indemnity satisfactory to them in their sole discretion against the costs, expenses (including

reasonable attorneys' fees and expenses) and liabilities that might be incurred by it in compliance with such request or direction.

(f) No provision of this Indenture or the Notes shall require the Trustee, the Security Agent or an Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or thereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it. The Trustee is not required to give any bond or surety with respect to the performance or its duties or the exercise of its powers under this Indenture or the Notes.

(g) None of the Trustee, the Paying Agent or the Security Agent shall be liable for interest on any money received by it except as the Paying Agent, the Trustee or the Security Agent, as applicable, may agree in writing with the Issuers. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law. The Paying Agent will not hold any amounts in trust.

Section 7.02. *Rights of Trustee and the Security Agent.* (a) The Trustee and the Security Agent may conclusively rely upon any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond or any other paper or document believed by them to be genuine and to have been signed or presented by the proper Person. The Trustee and the Security Agent need not investigate any fact or matter stated in the document, but the Trustee and the Security Agent, in their discretion, may make such further inquiry or investigation into such facts or matters as they may see fit, and, if the Trustee and the Security Agent shall determine to make such further inquiry or investigation, they shall be entitled to examine the books, records and premises of Parent and its Restricted Subsidiaries, personally or by agent or attorney at the sole cost of the Issuers and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation. The Trustee will have no duty or obligation to monitor the Issuers' or any other party's compliance with the terms of this Indenture or to ascertain or inquire as to the observance or performance of any covenants, conditions or agreements of the Issuers except as expressly set forth in this Indenture.

(b) Before the Trustee or the Security Agent acts or refrains from acting, they may require an Officer's Certificate or an Opinion of Counsel or both. Neither the Trustee nor the Security Agent shall be liable for any action it takes or omits to take in good faith in reliance on such Officer's Certificate or Opinion of Counsel. The Trustee and the Security Agent may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon. . The Trustee shall be entitled to rely solely and conclusively on any Officer's Certificate or Opinion of Counsel, as applicable, in formulating its opinion or in taking any action under this Indenture, and may rely on such Officer's Certificate or Opinion of Counsel, as applicable, without need for investigation or verification, except as may otherwise be provided for under the terms of this Indenture.

(c) The Trustee and the Security Agent may act through their attorneys, custodians, nominees and agents and shall not be responsible for the misconduct or negligence of any agent, custodians, nominees or attorney appointed with due care.

(d) Neither the Trustee nor the Security Agent shall be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers shall be sufficient if signed by an Officer of an Issuer.

(f) Neither the Trustee nor the Security Agent shall be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee and the Security Agent has received written notice in accordance with the terms of this Indenture or unless written notice of any event which is in fact such a Default or Event of Default is received by the Trustee and the Security Agent at the Corporate Trust Office, and such notice references the Notes and this Indenture.

(g) In no event shall the Trustee or the Security Agent be responsible or liable for any consequential, special or indirect losses or punitive damages (including, but not limited to, loss of business, goodwill, opportunity or profit of any kind) of the Issuers or any other Person (or, in each case, any successor thereto), even if advised of it in advance and even if foreseeable, whether as a result of the Trustee's or the Security Agent's negligence or otherwise.

(h) The rights, privileges, protections, indemnities, immunities and benefits given to the Trustee and the Security Agent, including, without limitation, its right to be indemnified and/or secured to its satisfaction, are extended to, and shall be enforceable by, the Trustee and the Security Agent in each of their respective capacities hereunder, and each Agent, custodian and other Person employed to act hereunder. None of the Trustee, any Agent or the Security Agent shall be liable for acting in good faith on instructions believed by it to be genuine and from a party.

(i) Delivery of reports, information and documents (including reports contemplated under Section 4.02) to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuers' compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(j) The permissive rights of the Trustee and the Security Agent to take certain actions or perform any discretionary act enumerated under this Indenture and the Intercreditor Agreement shall not be construed as a duty unless so specified herein.

(k) The Trustee and the Agents shall not be bound to make any investigation into any statement, warranty or representation, or the facts or matters stated in any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent,

order, bond or other paper or document made or in connection with this Indenture; moreover, the Trustee and the Agents shall not be bound to make any investigation into (i) the performance or observance of any of the covenants, agreements or other terms or conditions set forth herein, (ii) the occurrence of any default, or the validity, enforceability, effectiveness or genuineness of this Indenture or any other agreement, instrument or document or (iii) the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note or other evidence of indebtedness or other paper or document, but the Trustee or an Agent, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee or an Agent, as applicable, shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Issuers, personally or by agent or attorney and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(l) The Trustee and the Security Agent may request that the Issuers deliver an Officer's Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officer's Certificate may be signed by any Person authorized to sign an Officer's Certificate, including any Person specified as so authorized in any such certificate previously delivered and not superseded.

(m) Neither the Trustee nor the Security Agent shall be responsible or liable for any failure or delay in the performance of their respective obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond their reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; loss or malfunction of utilities, computer (hardware or software) or communication services; strikes or similar labor disputes; and acts of civil or military authorities and governmental action.

(n) Neither the Trustee nor the Security Agent shall have any duty to inquire as to the performance of the Issuers with respect to the covenants contained in Article 4 or to make any calculation in connection therewith or in connection with any redemption of the Notes. In addition, except as otherwise expressly provided herein, the Trustee shall have no obligation to monitor or verify compliance by the Issuers or any Guarantor with any other obligation or covenant under this Indenture or the unavailability of the Federal Reserve Bank wire or facsimile or other wire communication facility. The Trustee shall not have any obligation or duty to monitor, determine or inquire as to compliance, and shall not be responsible or liable for compliance with restrictions on transfer, exchange, redemption, purchase or repurchase, as applicable, of minimum denominations imposed under this Indenture or under applicable law or regulation with respect to any transfer, exchange, redemption, purchase or repurchase, as applicable, of any interest in any Notes.

(o) Neither the Trustee nor the Security Agent shall have any responsibility for the validity, perfection, priority, filing, continuation or enforceability of any Lien or

security interest and shall have no obligations to take any action to procure or maintain such validity, perfection, priority, filing, continuation or enforceability (it being understood that such responsibility and obligation are the Issuers’).

(p) Neither the Trustee nor the Security Agent shall be required to give any bond or surety in respect of the performance of their respective powers and duties hereunder.

(q) Neither the Trustee nor the Security Agent shall be liable to the Holders if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it or by any governmental or regulatory authority.

(r) No provision of this Indenture or of the Notes Documents shall require the Trustee to indemnify the Security Agent, and the Security Agent waives any claim it may otherwise have by operation of law in any jurisdiction to be indemnified by the Trustee acting as principal vis-à-vis its agent, the Security Agent (but this does not prejudice the Security Agent’s rights to bring any claim or suit against the Trustee (including for damages in the case of gross negligence or willful misconduct of the Trustee)).

(s) The Trustee and the Security Agent may refrain from taking any action in any jurisdiction if the taking of such action in that jurisdiction would, in its opinion, based upon legal advice in the relevant jurisdiction, be contrary to any law of that jurisdiction or, to the extent applicable, the State of New York. Furthermore, the Trustee and the Security Agent may also refrain from taking such action if it would otherwise render it liable to any person in that jurisdiction, the State of New York or if, in its opinion based upon such legal advice, it would not have the power to take such action in that jurisdiction by virtue of any applicable law in that jurisdiction, in the State of New York or if it is determined by any court or other competent authority in that jurisdiction, in the State of New York that it does not have such power. The Trustee will not be liable to any person if prevented or delayed in performing any of its obligations or discretionary functions under this Indenture by reason of any present or future law applicable to it, by any governmental or regulatory authority or by any circumstances beyond its control.

(t) Each of the Trustee and the Security Agent may retain professional advisers to assist it in performing its duties under any Notes Document. The Trustee and the Security Agent may consult with counsel, and the advice or opinion of counsel with respect to legal matters relating to any Notes Document shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.

(u) In the event the Trustee receives inconsistent or conflicting requests and indemnity from two or more groups of Holders, each representing less than the majority in aggregate principal amount of the Notes then outstanding, pursuant to the provisions of this Indenture (as qualified, limited or otherwise affected by the provisions of the Intercreditor Agreement), the Trustee, in its sole discretion, may determine what action, if

any, shall be taken and shall be held harmless and shall not incur any liability for its failure to act until such inconsistency or conflict is, in its reasonable opinion, resolved.

(v) At any time that the security granted pursuant to the Security Documents has become enforceable and the Holders have given a direction to the Trustee to enforce such security, the Trustee is not required to give any direction to the Security Agent with respect thereto unless it has been indemnified and/or secured in accordance with Section 7.01(e). In any event, in connection with any enforcement of such security, the Trustee is not responsible for:

- (i) any failure of the Security Agent to enforce such security within a reasonable time or at all;
- (ii) any failure of the Security Agent to pay over the proceeds of enforcement of the Collateral;
- (iii) any failure of the Security Agent to realize such security for the best price obtainable;
- (iv) monitoring the activities of the Security Agent in relation to such enforcement;
- (v) taking any enforcement action itself in relation to such security;
- (vi) agreeing to any proposed course of action by the Security Agent which could result in the Trustee incurring any liability for its own account; or
- (vii) paying any fees, costs or expenses of the Security Agent.

(w) The permissive rights of the Trustee or the Security Agent to take the actions permitted by this Indenture will not be construed as an obligation or duty to do so.

(x) The Trustee and the Paying Agent shall be entitled to make payments net of any taxes or other sums required by any applicable law to be withheld or deducted.

(y) The Trustee shall not be deemed to have knowledge of any Default or Event of Default except any Default or Event of Default of which a Trust Officer shall have received written notification from the Issuers or a Holder at the corporate trust office of the Trustee and such notice references the Notes and this Indenture.

Section 7.03. *Individual Rights of Trustee and the Security Agent.* The Trustee and the Security Agent in their individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuers or any of its Affiliates with the same rights it would have if it were not Trustee or the Security Agent. Any Paying Agent, Registrar, co registrar or co paying agent may do the same with like rights. However, in the event that the Trustee has actual knowledge that it has acquired any conflicting interest it must eliminate such conflict within 90 days or resign. Any Agent

may do the same with like rights and duties. The Trustee and the Security Agent are also subject to Section 7.09.

Section 7.04. *Trustee's Disclaimer.* Neither the Trustee, the Security Agent nor any Agent shall be responsible for and none of them makes any representation as to the validity or adequacy of this Indenture, the Notes or any Security Document or the Intercreditor Agreement, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, they shall not be responsible for the use or application of any money received by the Trustee, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture or the Intercreditor Agreement other than its certificate of authentication.

The Trustee does not assume any responsibility for any failure or delay in performance or any breach by the Issuers or any Guarantor under this Indenture. The Trustee shall not be responsible to the Holders or any other Person for any recitals, statements, information, representations or warranties contained in this Indenture or in any certificate, report, statement, or other document referred to or provided for in, or received by the Trustee under or in connection with, this Indenture or the Intercreditor Agreement; the validity, enforceability or collectability of any Obligations; the assets, liabilities, financial condition, results of operations, business, creditworthiness or legal status of any obligor; or for any failure of any obligor to perform its Obligations under this Indenture or the Intercreditor Agreement. Neither the Trustee, the Security Agent nor any Agent shall be responsible to make any calculation with respect to any matter under this Indenture.

Section 7.05. *Notice of Defaults.* If a Default occurs and is continuing and if a Responsible Officer of the Trustee has received written notice thereof in accordance with the terms of this Indenture, the Trustee shall deliver to Holders a notice of the Default within 90 days after it occurs, unless such Default shall have been cured or waived, or if discovered after 90 days, promptly thereafter. The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest.

Section 7.06. *Compensation and Indemnity.* The Issuers shall, jointly and severally, pay to the Trustee, the Security Agent and the Agents from time to time such compensation for their acceptance of this Indenture and services hereunder as the parties shall agree in writing in fee letters from time to time. The Trustee's, the Security Agent's and the Agents' compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Trustee, the Security Agent and the Agents promptly upon request for all out-of-pocket disbursements, advances and expenses incurred or made by them in addition to the compensation for their respective services. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's, the Security Agent's and the Agents' agents and counsel. The Issuers, jointly and severally, or, upon the failure of the Issuers to pay, each Guarantor (if

any), jointly and severally, will pay to the Trustee and/or the Security Agent compensation, fees and expenses in connection with the performance of any exceptional services as shall be agreed in writing from time to time between them provided that, in the event of the occurrence of an Event of Default which is continuing, no such written agreement shall be required for compensation, fees and expenses to be payable for the performance of any exceptional services by the Trustee or the Security Agent.

The Issuers and the Guarantors, each jointly and severally, shall indemnify the Trustee, the Security Agent and the Agents and their respective officers, directors, employees, counsel and agents and any predecessor trustee and its officers, directors, employees, counsel and agents for, and hold the Trustee, the Security Agent and the Agents harmless against, any and all loss, damage, claims, liability or expense (including properly incurred attorneys' fees and expenses) incurred by it in connection with the acceptance or administration of this trust and the performance of its duties hereunder (including the reasonable costs and expenses of enforcing this Indenture and the Notes against the Issuers or any of the Guarantors (including this Section 7.06) or defending itself against any claim whether asserted by any Holder, the Issuers or any Guarantor, or liability in connection with the acceptance, exercise or performance of any of its powers or duties hereunder) (but excluding taxes imposed on such Persons in connection with compensation for such administration or performance). The Trustee, the Security Agent and the Agents shall notify the Issuers promptly of any claim of which a Responsible Officer has received written notice for which they may seek indemnity. Failure by the Trustee, the Security Agent or the Agents to so notify the Issuers shall not relieve the Issuers or the Guarantors of their obligations hereunder. The Issuers shall defend the claim and the Trustee, the Security Agent and the Agents may have separate counsel and the Issuers shall pay the reasonable fees and expenses of such counsel. Neither the Issuers nor any Guarantor need reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee, the Security Agent or the Agents through the Trustee's, the Security Agent's or the Agents' own willful misconduct, gross negligence or fraud. Neither the Issuers nor any Guarantor need pay for any settlement made without its consent.

The obligations of the Issuers and the Guarantors under this Section 7.06 shall survive the satisfaction and discharge of this Indenture or the earlier resignation or removal of the Trustee, the Security Agent or any Agent.

To secure the payment obligations of the Issuers and the Guarantors in this Section 7.06, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except money or property held in trust to pay principal and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture. The right of the Trustee and each Agent to receive payment of any amounts due under this Section 7.6 shall not be subordinate to any other liability or indebtedness of the Issuers.

When the Trustee or the Security Agent incurs expenses or renders services after an Event of Default specified in Section 6.01(a)(vi) or Section 6.01(a)(vii) occurs, the expenses and the compensation for the services (including the reasonable fees and

expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Pursuant to Section 10.1, the obligations of the Issuers hereunder are jointly and severally guaranteed by the Guarantors.

Section 7.07. *Replacement of Trustee.* A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07. The Trustee may resign with 30 days' prior notice in writing at any time and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the Trustee and the Issuers in writing. The Issuers may remove the Trustee if:

(a) the Trustee fails to comply with Section 7.09;

(b) the Trustee is adjudged bankrupt or insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;

(c) a custodian or public officer takes charge of the Trustee or its property; or

(d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuers shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee (at the Issuers' expense), the Issuers or the Holders of at least 10% in principal amount of the then outstanding Notes may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a Holder for at least six months, fails to comply with Section 7.09, such Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall deliver a notice of its succession to Holders. The retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee; *provided* all sums owing to the Trustee hereunder have been paid and subject to the Lien provided for in Section 7.06. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Issuers' obligations under Section 7.06 shall continue for the benefit of the retiring Trustee. All

costs reasonably incurred in connection with any resignation or removal hereunder shall be borne by the Issuers.

Section 7.08. *Successor Trustee by Merger, etc.* If the Trustee, Security Agent or Agent consolidates, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee, Security Agent or Agent. Any corporation into which the Trustee, Security Agent or any Agent for the time being may be merged or converted shall, on the date when such merger, conversion, consolidation, sale or transfer becomes effective and to the extent permitted by applicable law, be a successor Trustee, Security Agent or Agent under this Indenture without the execution or filing of any paper or any further act on the part of any of the parties to this Indenture. After the effective date all references in this Indenture to that Trustee, Security Agent or Agent shall be deemed to be references to that corporation.

Section 7.09. *Eligibility; Disqualification.* There shall at all times be a Trustee hereunder that is an entity organized and doing business within the United Kingdom, European Union or the United States of America that is authorized to exercise corporate trustee power and that is an entity that is generally recognized as a corporation which customarily performs such corporate trustee roles and provides such corporate trustee services in transactions similar in nature to the offering of the Notes as described in the Offering Memorandum.

Section 7.10. *Resignation of Agents.* (a) Any Agent may resign its appointment hereunder at any time without the need to give any reason and without being responsible for any costs associated therewith by giving notice to the Issuers and the Trustee 30 days' prior written notice (waivable by the Issuers and the Trustee); provided that in the case of resignation of the Paying Agent no such resignation shall take effect until a new Paying Agent shall have been appointed by the Issuers to exercise the powers and undertake the duties hereby conferred and imposed upon the Paying Agent. Following receipt of a notice of resignation from any Agent, the Issuers shall promptly give notice thereof to the Holders in accordance with Section 12.01.

(b) If any Agent gives notice of its resignation in accordance with this Section 7.10 and a replacement Agent is required and by the tenth day before the expiration of such notice such replacement has not been duly appointed, such Agent may itself appoint as its replacement any reputable and experienced financial institution or may petition a court of competent jurisdiction to appoint a replacement, with properly incurred costs and expenses by the Agent in relation to such petition to be paid by the Issuers. Immediately following such appointment, the Issuers shall give notice of such appointment to the Trustee, the remaining Agents and the Holders whereupon the Issuers, the Trustee, the remaining Agents and the replacement Agent shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form mutatis mutandis of this Indenture.

(c) Upon its resignation becoming effective, the Paying Agent shall forthwith transfer all moneys held by it hereunder, if any, to the successor Paying Agent or, if none,

the Trustee or to the Trustee's order, but shall have no other duties or responsibilities hereunder, and shall be entitled to the payment by the Issuers of its remuneration for the services previously rendered hereunder and to the reimbursement of all reasonable expenses (including legal fees) incurred in connection therewith.

Section 7.11. *Agents' Rights.* (a) The rights, powers, duties and obligations and actions of each Agent under this Indenture are several and not joint or joint and several. The roles, duties and functions of the Agents are of a mechanical nature and each Agent shall only perform those acts and duties as specifically set out in this Indenture and no other acts, covenants, obligations or duties shall be implied or read into this Indenture against any of the Agents.

(b) Money held by a Paying Agent need not be segregated, except as required by law, and in no event shall any Paying Agent be liable for interest on any money received by it hereunder.

(c) The Agents shall have no obligation to act or to take any action if they believe they will incur costs, expenses or liabilities for which they will not be reimbursed.

(d) The Issuers and the Agents acknowledge and agree that in the event of an Event of Default, the Trustee may, by notice in writing to the Issuers and the Agents, require that the Agents act as agents of, and take instructions exclusively from, the Trustee. Until they have received such written notice from the Trustee, the Agents shall act solely as agents of the Issuers and need have no concern for the interests of the Holders.

(e) The applicable Agents hold all funds as banker subject to the terms of this Indenture and as a result, such money will not be held in accordance with the rules established by the UK Financial Conduct Authority in the UK Financial Conduct Authority's Handbook of rules and guidance from time to time in relation to client money.

(f) The Agents shall act solely as agents of the Issuers and shall have no fiduciary or other obligation towards, or have any relationship of agency or trust, for or with any person other than the Issuers, except as expressly stated elsewhere in this Indenture.

(g) No Agent shall be required to make any payment of the principal, premium or interest payable pursuant to this Indenture unless and until it has received, and been able to identify or confirm receipt of, the full amount to be paid in accordance with the terms of this Indenture. To the extent that an Agent has made such payment with the prior written consent of the Issuers and for which it did not receive the full amount, the Issuers will reimburse the Agent the full amount of any shortfall.

(h) The Issuers agree to pay any and all stamp and other documentary taxes or duties which may be payable in connection with the execution, delivery, performance and enforcement of this Indenture by the Paying Agent

(i) If:

(A) the introduction of or any change in (or in the interpretation, administration or application of) any law or regulation made after the date of this Indenture; or

(B) any change in the status of the Issuers or the composition of the shareholders of the Issuers after the date of this Indenture,

obliges any Agent to comply with “know your customer” or similar identification procedures in circumstances where the necessary information is not already available to it, the Issuers shall as soon as reasonably practicable upon the request of such Agent supply or procure the supply of such documentation and other evidence as is reasonably requested by the Agent in order for such Agent to carry out and be satisfied that it has complied with all necessary “know your customer” or similar checks under all applicable laws and regulations.

(j) In the event that instructions given to any Agent are not reasonably clear, then such Agent shall be entitled to seek clarification from the Issuers or other party entitled to give the Agents instructions under this Indenture by written request promptly and in any event within one Business Day of receipt by such Agent of such instructions. If an Agent has sought clarification in accordance with this Section 7.11, then such Agent shall be entitled to take no action until such clarification is provided, and shall not incur any liability for not taking any action pending receipt of such clarification

(k) For so long as the Notes are held as book-entry interests in Global Notes, any obligation the Agents or the Trustee may have to publish a notice to Holders on behalf of the Issuers will be satisfied upon delivery of the notice to the applicable Depositary.

(l) Each Issuer shall notify each Agent in the event that it determines that any payment to be made by an Agent under the Notes is a payment which could be subject to FATCA Withholding if such payment were made to a recipient that is generally unable to receive payments free from FATCA Withholding, and the extent to which the relevant payment is so treated, provided, however, that the Issuer’s obligation under this Section 7.11 (i) shall apply only to the extent that such payments are so treated by virtue of characteristics of such Issuer, the Notes, or both.

(m) Notwithstanding any other provision of this Indenture, each Agent shall be entitled to make a deduction or withholding from any payment which it makes under the Notes for or on account of any Taxes, if and only to the extent so required by applicable law, in which event the Agent shall make such payment after such deduction or withholding has been made and shall account to the relevant Authority within the time allowed for the amount so deducted or withheld or, at its option, shall reasonably promptly after making such payment return to the Issuers the amount so deducted or

withheld, in which case, the Issuers shall so account to the relevant Authority for such amount.

(n) The Issuers shall provide the Agents with a certified list of authorized signatories within a reasonable amount of time following a request for such list by an Agent.

(o) For the purposes of this Section 7.11, the following definitions apply:

“**Authority**” means any competent regulatory, prosecuting, Tax or Governmental Authority in any jurisdiction.

“**FATCA Withholding**” means any withholding or deduction required pursuant to an agreement described in section 1471(b) of the Code, or otherwise imposed pursuant to sections 1471 through 1474 of the Code, any regulations or agreements thereunder, any official interpretations thereof, or any law implementing an intergovernmental approach thereto.

ARTICLE 8

Legal Defeasance and Covenant Defeasance

Section 8.01. *Option to Effect Legal Defeasance or Covenant Defeasance.* The Issuers may, with respect to a Series of Notes, at its option and at any time, elect to have either Section 8.02 or 8.03 applied to all outstanding Notes of such Series and all obligations of the Guarantors with respect to the Guarantees of such Series upon compliance with the conditions set forth in this Article 8.

Section 8.02. *Legal Defeasance and Discharge.* Upon the Issuers’ exercise under Section 8.01 of the option applicable to this Section 8.02 with respect to a Series of Notes, the Issuers and the Guarantors shall, subject to the satisfaction of the conditions set forth in Section 8.04, be deemed to have been discharged from their obligations under this Indenture with respect to all outstanding Notes of such Series and the related Guarantees of such Series and all Defaults and Events of Default cured on the date the conditions set forth below are satisfied (“**Legal Defeasance**”). For this purpose, Legal Defeasance means that the Issuers and the Guarantors shall be deemed to have paid and discharged the entire Indebtedness represented by the applicable Series of outstanding Notes, which shall thereafter be deemed to be “outstanding” only for the purposes of Section 8.05 and the other Sections of this Indenture referred to in (a) and (b) in this Section 8.02 (it being understood that such Notes of such Series shall not be deemed outstanding for accounting purposes), and to have satisfied all their other obligations under such Notes of such Series and this Indenture including that of the Guarantors (and the Trustee, on demand of and at the expense of the Issuers, shall execute instruments reasonably requested by the Issuers acknowledging the same) and to have cured all then existing Defaults and Events of Default, except for the following provisions which shall survive until otherwise terminated or discharged hereunder:

(a) the rights of Holders of the Notes of such Series to receive payments in respect of the principal of, premium, if any, and interest on the Notes of such Series when such payments are due solely out of the trust created pursuant to this Indenture referred to in Section 8.04;

(b) the Issuers' obligations with respect to Notes of such Series concerning issuing temporary Notes, registration of such Notes, mutilated, destroyed, lost or stolen Notes and the maintenance of an office or agency for payment and money for security payments held in trust;

(c) the rights, powers, trusts, duties and immunities of the Trustee, and the Issuers' and the Guarantors' obligations in connection therewith; and

(d) this Section 8.02.

Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of its option under Section 8.03.

Section 8.03. *Covenant Defeasance*. Upon the Issuers' exercise under Section 8.01 of the option applicable to this Section 8.03, the Issuers and the Guarantors shall, with respect to a Series of Notes, subject to the satisfaction of the conditions set forth in Section 8.04, be released from their obligations under Sections 3.08, 4.02, 4.03, 4.04, 4.05, 4.06, 4.07, 4.08, 4.09, 4.10 and 4.11, and clauses (ii) and (iii) of Section 5.01(a), and Section 5.01(c)(i) with respect to all outstanding Notes of such Series and the related Guarantees, on and after the date the conditions set forth in Section 8.04 are satisfied ("**Covenant Defeasance**"), and such Notes of such Series shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes shall not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to all outstanding Notes of an applicable Series and the related Guarantees, the Issuers and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01, but, except as specified above, the remainder of this Indenture and such Notes of such Series and the Guarantees of such Series of Notes shall be unaffected thereby. In addition, upon the Issuers' exercise under Section 8.01 of the option applicable to this Section 8.03, subject to the satisfaction of the conditions set forth in Section 8.04, Section 6.01(a)(iii) (solely with respect to the covenants that are released upon a Covenant Defeasance), 6.01(a)(iv), 6.01(a)(v), 6.01(a)(vi) (solely with respect to Restricted Subsidiaries subject thereto), 6.01(a)(vii) (solely with respect to Restricted Subsidiaries subject thereto) and 6.01(a)(viii) shall not constitute Default or Events of Default.

Section 8.04. *Conditions to Legal or Covenant Defeasance.* The following shall be the conditions to the application of either Section 8.02 or 8.03 to the outstanding Notes of an applicable Series:

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to a Series of Notes:

(a) the Issuers shall irrevocably deposit with the Trustee (or such entity designated (as agent) by the Trustee for such purposes), in trust, for the benefit of the Holders of the Notes of such Series, cash in U.S. dollars, U.S. Government Securities, or a combination thereof, in the case of the Dollar Notes, or cash in euro, euro-denominated Government Securities, or a combination thereof, in the case of the Euro Notes, in such amount as will be sufficient, in the opinion of an Independent Financial Advisor, without consideration of any reinvestment to pay the principal of, premium, if any, and interest due on such Notes on the stated maturity date or on the Redemption Date, as the case may be, of such principal, premium, if any, or interest on such Notes and the Issuers must specify whether such Notes are being defeased to maturity or to a particular Redemption Date; *provided* that upon any redemption that requires the payment of the Applicable Premium, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium with respect to such Series calculated as of the date of the notice of redemption, with any deficit as of the Redemption Date (any such amount, the “**Applicable Premium Deficit**”) only required to be deposited with the Trustee on or prior to the Redemption Date. Any Applicable Premium Deficit shall be set forth in an Officer’s Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(b) in the case of Legal Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and exclusions:

(i) the Issuers have received from, or there has been published by, the United States Internal Revenue Service a ruling,
or

(ii) since the Issue Date, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, subject to customary assumptions and exclusions, the beneficial owners of the Notes of such Series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(c) in the case of Covenant Defeasance, the Issuers shall have delivered to the Trustee an Opinion of Counsel confirming that, subject to customary assumptions and

exclusions, the beneficial owners of the Notes of such Series will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(d) no Event of Default (other than that resulting from borrowing funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) shall have occurred and be continuing on the date of such deposit;

(e) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Issuers or any Guarantor is a party or by which the Issuers or any Guarantor are bound (other than that resulting from any borrowing of funds to be applied to make the deposit required to effect such Legal Defeasance or Covenant Defeasance and any similar and simultaneous deposit relating to other Indebtedness, and, in each case, the granting of Liens in connection therewith);

(f) the Issuers shall have delivered to the Trustee an Officer's Certificate stating that the deposit was not made by the Issuers with the intent of defeating, hindering, delaying or defrauding any creditors of the Issuers or any Guarantor or others; and

(g) the Issuers shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel (which Opinion of Counsel may be subject to customary assumptions and exclusions), each stating that all conditions precedent provided for or relating to the Legal Defeasance or the Covenant Defeasance, as the case may be, have been complied with.

Section 8.05. Deposited Money, U.S. Government Securities and euro-denominated Government Securities to be Held in Trust; Other Miscellaneous Provisions. Subject to Section 8.06, all money, U.S. Government Securities and euro-denominated Government Securities (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the **"Trustee"**) pursuant to Section 8.04 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuers or a Guarantor acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium and interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuers shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Securities deposited pursuant to Section 8.04 or the principal and interest received in respect thereof other

than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes and the related Guarantees.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuers from time to time upon the request of the Issuers any money, U.S. Government Securities or euro-denominated Government Securities held by it as provided in Section 8.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee (which may be the opinion delivered under Section 8.04(a)), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06. *Repayment to Issuers.* Subject to any applicable abandoned property law, any money deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal of, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, and premium, if any, or interest has become due and payable shall be paid to the Issuers on its request or (if then held by the Issuer) shall be discharged from such trust; and the Holder of such Note shall thereafter look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuers as trustee thereof, shall thereupon cease.

Section 8.07. *Reinstatement.* If the Trustee or Paying Agent is unable to apply any United States dollars or U.S. Government Securities in accordance with Section 8.02 or 8.03, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers' and the Guarantors' obligations under this Indenture and the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 until such time as the Trustee or Paying Agent is permitted to apply all such money in accordance with Section 8.02 or 8.03, as the case may be; *provided* that if the Issuers makes any payment of principal of, premium, if any, or interest on any Notes following the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money held by the Trustee or Paying Agent.

ARTICLE 9

Amendment, Supplement and Waiver

Section 9.01. *Without Consent of Holders.* Notwithstanding Section 9.02, the Issuers, any Guarantor (with respect to a Guarantee, this Indenture or the Security Documents to which it is a party), the Trustee and/or the Security Agent (and any other Agents party thereto (to the extent applicable)), as the case may be, may amend or supplement any Notes Document without the consent of any Holder:

(a) to cure any ambiguity, omission, mistake, defect or inconsistency;

(b) to provide for uncertificated Notes in addition to or in place of certificated Notes (*provided*, that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code);

(c) to comply with Article 5;

(d) to provide for the assumption of an Issuer's or any Guarantor's obligations to the Holders;

(e) to make any change that would provide any additional rights or benefits to the Holders or that does not materially adversely affect the legal rights under this Indenture of any such Holder;

(f) to add or modify covenants for the benefit of the Holders or to surrender any right or power conferred upon the Issuers or any Guarantor;

(g) to provide for the issuance of Additional Notes in accordance with the terms of this Indenture;

(h) to evidence and provide for the acceptance and appointment under this Indenture of a successor Trustee, a successor Security Agent or a successor Paying Agent (or any other applicable agent) hereunder pursuant to the requirements hereof;

(i) to add an obligor or a Guarantor under this Indenture;

(j) to conform the text of this Indenture, the Notes, any Guarantees or the Security Documents to any provision of the "*Description of Notes*" section of the Offering Memorandum;

(k) to make any amendment to the provisions of this Indenture relating to the transfer and legending of Notes as permitted by this Indenture, including, without limitation, to facilitate the issuance and administration of the Notes; provided, however, that such amendment does not materially and adversely affect the rights of Holders to transfer Notes;

(l) to release any Guarantor from its Guarantee pursuant to this Indenture when permitted or required by this Indenture;

(m) to release and discharge any Lien securing the Notes when permitted or required by this Indenture (including pursuant to Section 4.09) or the Security Documents;

(n) to comply with the rules of any applicable securities depositary;

(o) to mortgage, pledge, hypothecate or grant any other Lien in favor of the Trustee or the Security Agent for the benefit of the Holders, as additional security for the payment and performance of all or any portion of the Notes Obligations, in any property or assets, including any which are required to be mortgaged, pledged or hypothecated, or

in which a Lien is required to be granted to or for the benefit of the Trustee or the Security Agent pursuant to this Indenture, any of the Security Documents or otherwise;

(p) to add additional parties to any Security Documents to the extent permitted under Section 4.09;

(q) to enter into any intercreditor agreement having substantially similar terms with respect to the Holders as those set forth in the Intercreditor Agreement, taken as a whole, or any joinder thereto and to enter into any amendment or supplement to any intercreditor agreement to add other debt representatives as party thereto and to make such other changes to the applicable intercreditor agreement, as in the good faith determination of the Issuers, are required to effectuate the foregoing;

(r) in the case of any Security Document, to include therein any legend required to be set forth therein pursuant to the Intercreditor Agreement or to modify any such legend as required by the Intercreditor Agreement; and

(s) to provide for the succession of any parties to the Security Documents (and other amendments that are administrative or ministerial in nature) in connection with an amendment, renewal, extension, substitution, refinancing, restructuring, replacement, supplementing or other modification from time to time of the Senior Facilities or any other agreement that is not prohibited by this Indenture.

Upon the request of the Issuers, and upon receipt by the Trustee of the documents described in Section 7.02 (to the extent requested by the Trustee and subject to the last sentence of Section 9.05), the Trustee shall join with the Issuers and the Guarantors in the execution of any amended or supplemental indenture, authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations that may be therein contained, but the Trustee shall have the right, but not be obligated to, enter into such amended or supplemental indenture that affects its own rights, duties or immunities under this Indenture or otherwise. Notwithstanding the foregoing, no Opinion of Counsel or board resolution shall be required in connection with the addition of a Guarantor under this Indenture upon execution and delivery by such Guarantor and the Trustee of a supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto.

Section 9.02. *With Consent of Holders.* Except as provided in Section 9.01 and this Section 9.02, the Issuers, the Guarantors and the Trustee may amend or supplement any Notes Documents with the consent of the Required Holders, including consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes and, subject to Sections 6.04 and 6.07, any existing Default or Event of Default (other than a Default or Event of Default in the payment of the principal of, premium, if any, or interest on the Notes (which shall be considered waived only with respect to Notes held by consenting Holders), except a payment default resulting from an acceleration that has been rescinded) or compliance with any provision of any Notes Documents may be waived with the consent of the Required Holders; *provided* that (x) if any such amendment or waiver will only affect one Series of Notes (or less than all Series

of Notes) then outstanding under this Indenture, then only the consent of the Required Holders of such Series (including, in each case, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) shall be required and (y) if any such amendment or waiver by its terms will affect a Series of Notes in a manner different and materially adverse relative to the manner such amendment or waiver affects other Series of Notes, then the consent of the Required Holders of such Series then outstanding shall be required. Section 2.09 and Section 2.10 shall determine which Notes are considered to be “outstanding” for the purposes of this Section 9.02.

Notwithstanding anything in this Section 9.02 or the definition of “Required Holders” to the contrary, for purposes of determining whether the Required Holders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of this Indenture, the Notes, the Guarantees, the Security Documents or the Intercreditor Agreement, any departure by Parent or any Guarantor therefrom, unless the action in question affects any Affiliated Holder in a disproportionately adverse manner than its effect on the other Holders, or any plan of reorganization pursuant to any applicable bankruptcy, insolvency or similar proceeding or with respect to any matter in the third succeeding paragraph, (ii) otherwise acted on any matter related to this Indenture, the Notes, the Security Documents, the Guarantees or the Intercreditor Agreement or (iii) directed or required the Trustee, the Security Agent or any Holder to undertake any action (or refrain from taking any action) with respect to or under this Indenture, the Notes, the Security Documents, the Guarantees or the Intercreditor Agreement, no Affiliated Holder shall have any right to consent (or not consent), otherwise act or direct or require the Trustee, the Security Agent or any Holder to take (or refrain from taking) any such action and:

(a) all notes held by any Affiliated Holders shall be deemed to be not outstanding for all purposes of calculating whether the Required Holders have taken any actions; and

(b) all notes held by Affiliated Holders shall be deemed to be not outstanding for all purposes of calculating whether all Holders have taken any action unless the action in question affects such Affiliated Holder in a disproportionately adverse manner than its effect on other Holders.

Notwithstanding anything in this Section 9.02 or the definition of “Required Holders” to the contrary, for purposes of determining whether the Required Holders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of this Indenture, the notes, the Guarantees, the Security Documents or the Intercreditor Agreement or any departure by Parent or any Guarantor therefrom, (ii) otherwise acted on any matter related to this Indenture, the notes, the Guarantees, the Security Documents or the Intercreditor Agreement or (iii) directed or required the Trustee, the Security Agent or any Holder to undertake any action (or refrain from taking any action) with respect to or under this Indenture, the notes, the Security Documents or the Guarantees, all notes held or beneficially owned by Debt Fund Affiliates may not account for more than 49.9% (pro rata among such Debt

Fund Affiliates) of the notes of consenting Holders included in determining whether the Required Holders have consented to any action pursuant to this Section 9.02.

In connection with any action under this Indenture, the Notes, the Security Documents, the Guarantees or the Intercreditor Agreement that requires a determination of whether the Required Holders have consented to such action or otherwise acted on any matter or directed the Trustee or the Security Agent to undertake any action (or refrain from taking any action), Parent shall identify the amount of notes held or beneficially owned by an Affiliated Holder or a Debt Fund Affiliate, action or direction in an Officer's Certificate delivered to the Trustee and Security Agent, upon which the Trustee and Security Agent shall be entitled to conclusively rely without investigation.

Upon the request of the Issuers, and upon the filing with the Trustee of evidence satisfactory to the Trustee of the consent of the Holders as aforesaid, the Trustee shall join with the Issuers and the Guarantors in the execution of such amended or supplemental indenture unless such amended or supplemental indenture affect the Trustee's, own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee, may in its discretion, but shall not be obligated to, enter into such amended or supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers shall send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to send such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver.

Without the consent of at least 90% of affected Holders of the Notes (including, for purposes of this paragraph, notes beneficially owned by the Issuers or its Affiliates), an amendment or waiver under this Section 9.02 may not, with respect to any Notes held by a non-consenting Holder:

(c) reduce the principal amount of such Notes whose Holders must consent to an amendment, supplement or waiver;

(d) reduce the principal of or change the fixed final maturity of any such Note or alter or waive the provisions with respect to the redemption of such Notes (other than provisions relating to (i) notice periods (to the extent consistent with applicable requirements of clearing and settlement systems) for redemption and conditions to redemption and (ii) Section 3.08, Section 4.07 and Section 4.10);

(e) reduce the rate of or change the time for payment of interest on any such Note (other than as described in Section 4.10);

(f) (A) waive a Default or Event of Default in the payment of principal of or premium, if any, or interest on such Notes, except a rescission of acceleration of a Series of Notes by the Required Holders, and a waiver of the payment default that resulted from such acceleration, or (B) waive a Default or Event of Default in respect of a covenant or provision contained in this Indenture, the Notes or any Guarantee which cannot be amended or modified without the consent of at least 90% of affected Holders;

(g) make any such Note payable in money other than that stated therein;

(h) make any change in the provisions of this Indenture relating to waivers of past Defaults;

(i) make any change in these amendment and waiver provisions;

(j) amend the contractual right expressly set forth in this Indenture or the Notes of any Holder to institute suit for the enforcement of any payment on or with respect to such Holder's Notes on or after the due dates therefor;

(k) make any change to or modify the ranking of such Notes that would adversely affect the Holders; or

(l) except as expressly permitted by this Indenture, modify the Guarantees of Parent or any Subsidiary Guarantor that is a Significant Subsidiary, or any group of Subsidiary Guarantors that, taken together (as of the latest consolidated financial statements of Parent for a fiscal quarter end provided as required under Section 4.02), would constitute a Significant Subsidiary in any manner materially adverse to the Holders of such Notes.

(m) Notwithstanding the foregoing, without the consent of the Holders of at least 66²/3% in aggregate principal amount of the Notes then outstanding, no amendment or waiver may (A) make any change in any Security Document or the provisions in this Indenture dealing with Collateral or application of trust proceeds of the Collateral with the effect of releasing the Liens on all or substantially all of the Collateral which secure the Obligations in respect of the Notes or (B) change or alter the priority of the Liens securing the Obligations in respect of the Notes in any material portion of the Collateral in any way materially adverse, taken as a whole, to the Holders, other than, in each case, as provided under the terms of this Indenture, the Security Documents or the Intercreditor Agreement.

Section 9.03. *Revocation and Effect of Consents.* Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder of a Note is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective in accordance with its terms and thereafter binds every Holder.

The Issuers may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 120 days after such record date unless the consent of the requisite number of Holders has been obtained.

Section 9.04. *Notation on or Exchange of Notes.* The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall, upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.05. *Trustee and Security Agent to Sign Amendments, etc.* The Trustee and the Security Agent shall sign any amendment, supplement or waiver authorized pursuant to this Article 9 if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee and the Security Agent. If it does, the Trustee or the Security Agent may but need not sign it. Except as set forth in the last sentence of this Section 9.05, the Issuers may not sign an amendment, supplement or waiver until the Board of an Issuer approves it. In executing any amendment, supplement or waiver, the Trustee and the Security Agent shall be provided with and (subject to Section 7.01) shall be fully protected in relying upon an Officer's Certificate and an Opinion of Counsel each stating that the execution of such amended or supplemental indenture is authorized or permitted by this Indenture and that such amendment, supplement or waiver is the legal, valid and binding obligation of the Issuers and any Guarantors party thereto, enforceable against them in accordance with its terms, subject to customary exceptions, and complies with the provisions hereof.

Notwithstanding the foregoing, no Opinion of Counsel or resolution shall be required for the Trustee to execute any supplemental indenture to this Indenture, the form of which is attached as Exhibit D hereto, adding a new Guarantor under this Indenture.

Section 9.06. *Additional Voting Terms; Calculation of Principal Amount.* (a) All Notes issued under this Indenture shall vote and consent together on all matters (as to which any of such Notes may vote) as one class and no series of Notes will have the right to vote or consent as a separate series on any matter. Determinations as to whether Holders of the requisite aggregate principal amount of Notes have concurred in any direction, waiver or consent shall be made in accordance with this Article 9 and Section 9.06(b).

(b) With respect to any matter requiring consent, waiver, approval or other action of the Holders of a specified percentage of the principal amount of all the Notes, such percentage shall be calculated, on the relevant date of determination, by dividing (i) the principal amount, as of such date of determination, of Notes, the Holders of which have so consented by (b) the aggregate principal amount, as of such date of determination, of the Notes then outstanding, in each case, as determined in accordance with the preceding sentence, Section 2.09 and Section 2.10 of this Indenture. Any such calculation made pursuant to this Section 9.06(b) shall be made by the Issuers and delivered to the Trustee pursuant to an Officer's Certificate.

Section 9.07. *No Impairment of Right of Holders to Receive Payment.* For the avoidance of doubt, no amendment to, or deletion of any of the covenants under Article 4 or action taken in compliance with the covenants in effect at the time of such action, shall be deemed to impair or affect any legal rights of any Holders of the Notes to receive payment of principal of or premium, if any, or interest on the Notes or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes.

ARTICLE 10

Guarantees

Section 10.01. *Guarantee.* Subject to this Article 10, from and after the Issue Date, each of the Guarantors hereby, jointly and severally, irrevocably and unconditionally, as a primary obligor and not merely as a surety, guarantees, on a senior unsecured basis, to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns, irrespective of the validity and enforceability of this Indenture, the Notes or the Obligations of the Issuers hereunder or thereunder, that:

(a) the principal of and interest and premium, if any, on the Notes shall be promptly paid in full when due, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of and interest on the Notes, if any, if lawful, and all other Obligations of the Issuers to the Holders or the Trustee hereunder or under the Notes shall be promptly paid in full, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration or otherwise. Each Guarantor agrees that this is a guarantee of payment and not a guarantee of collection. The Guarantors hereby agree that their obligations hereunder are equivalent to the obligations of a primary obligor and shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder with respect to any provisions hereof or thereof, the recovery of any judgment against the Issuers any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a guarantor (other than payment in full of all of the Obligations of the Issuers hereunder or under the Notes). Each Guarantor hereby waives, to the fullest extent permitted by law, diligence, presentment, demand of payment, filing of claims with a court in the event of insolvency

or bankruptcy of the Issuers, any right to require a proceeding first against the Issuers, protest, notice and all demands whatsoever and covenants that this Guarantee shall not be discharged except by full payment of the obligations contained in the Notes and this Indenture or by release in accordance with the provisions of this Indenture.

Each Guarantor also agrees to pay any and all costs and expenses (including reasonable attorneys' fees) incurred by the Trustee or any Holder in enforcing any rights under this Section 10.01.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuers, the Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuers or the Guarantors, any amount paid either to the Trustee or such Holder, then this Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Guarantor further agrees that, as between the Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any declaration of acceleration of such obligations as provided in Article 6, such obligations (whether or not due and payable) shall forthwith become due and payable by the Guarantors for the purpose of this Guarantee. The Guarantors shall have the right to seek contribution from any nonpaying Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Guarantees. Each Guarantor that makes a payment under its Guarantee shall, to the fullest extent permitted by applicable law, be entitled upon payment in full of all guaranteed obligations under this Indenture to a contribution from each other Guarantor in an amount equal to such other Guarantor's pro rata portion of such payment based on the respective net assets of all the Guarantors at the time of such payment determined in accordance with GAAP.

Until terminated in accordance with Section 10.06, each Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Issuers for liquidation, examinership or reorganization, should an Issuer become insolvent or make an assignment for the benefit of creditors or should a receiver, trustee or examiner be appointed for all or any significant part of the Issuers' assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment of the Notes is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes or Guarantees, whether as a "voidable preference," "fraudulent transfer" or otherwise, all as though such payment had not been made. In the event that any payment or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

In case any provision of any Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

The Guarantee issued by any Guarantor shall be a general senior unsecured obligation of such Guarantor and shall be *pari passu* in right of payment with all existing and future Senior Indebtedness of such Guarantor.

Each payment to be made by a Guarantor in respect of its Guarantee shall be made without set-off, counterclaim, reduction or diminution of any kind or nature.

Section 10.02. *Limitation on Guarantor Liability.* (a) Each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Guarantee of such Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law to the extent applicable to any Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor shall be limited to the maximum amount as will, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Guarantor that are relevant under such laws and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under this Article 10, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under applicable law or being void or voidable under any law relating to insolvency of debtors. In particular, the liability of each Guarantor under this Section 10.02 shall be limited to the extent of the limitations (if any) set out in this Section 10.02 and as set out in Exhibit E.

Section 10.03. *Execution and Delivery.* To evidence its Guarantee set forth in Section 10.01, subject to Section 10.07, each Guarantor hereby agrees that this Indenture (or a supplemental indenture in the form of Exhibit D hereto) shall be executed on behalf of such Guarantor by one of its authorized officers.

Each Guarantor hereby agrees that its Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

If an officer whose signature is on this Indenture (or a supplemental indenture in the form of Exhibit D hereto) no longer holds that office at the time the Trustee authenticates a Note, the Guarantee of such Guarantor shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Guarantee set forth in this Indenture on behalf of the Guarantors.

If required by Section 4.11, the Issuers shall cause any Restricted Subsidiary to comply with the provisions of Section 4.11 and this Article 10, to the extent applicable.

Section 10.04. *Subrogation*. Each Guarantor shall be subrogated to all rights of Holders against the Issuers in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01; *provided* that, if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Issuers under this Indenture or the Notes shall have been paid in full.

Section 10.05. *Benefits Acknowledged*. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the guarantee and waivers made by it pursuant to its Guarantee are knowingly made in contemplation of such benefits.

Section 10.06. *Release of Guarantees*. Each Guarantee shall be automatically and unconditionally released and discharged, and shall thereupon terminate and be of no further force and effect, and no further action by such Guarantor, the Issuers or the Trustee is required for the release of such Guarantor's Guarantee, upon:

(i) in the case of a Subsidiary Guarantor, any sale, exchange, issuance, disposition or transfer (by merger, amalgamation, consolidation, dividend, distribution or otherwise) of (i) the Capital Stock of such Subsidiary Guarantor, after which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary or (ii) all or substantially all the assets of such Subsidiary Guarantor, in each case if such sale, exchange, issuance, disposition or transfer is made in compliance with or is not prohibited by the applicable provisions of this Indenture (including any amendments thereof);

(ii) the release or discharge of the guarantee by, or direct obligation of, such Guarantor of Indebtedness under the Senior Facilities, or the release or discharge of such other guarantee or direct obligation that resulted in the creation of such Guarantee, except a discharge or release by or as a result of payment under such guarantee or direct obligation (it being understood that a release subject to a contingent reinstatement will constitute a release for the purposes of this provision, and that if any such Guarantee is so reinstated, such Guarantee shall also be reinstated to the extent that such Guarantor would then be required to provide a Guarantee pursuant to Section 4.11);

(iii) in the case of a Subsidiary Guarantor, the designation of any Restricted Subsidiary that is a Subsidiary Guarantor as an Unrestricted Subsidiary in compliance with the applicable provisions of this Indenture or the occurrence of any event following which the Subsidiary Guarantor is no longer a Restricted Subsidiary in compliance with the applicable provisions of this Indenture;

(iv) upon the merger, amalgamation, consolidation or division of any Guarantor with and into the Issuers or another Guarantor or upon the liquidation or winding up of such Guarantor, in each case, in compliance with or in a manner not prohibited by the applicable provisions of this Indenture;

(v) the occurrence of a Covenant Suspension Event;

(vi) as provided under Article 9;

(vii) the exercise by the Issuers of its Legal Defeasance option or Covenant Defeasance option in accordance with Article 8 or the discharge of the Issuers' obligations under this Indenture in accordance with the terms of this Indenture; or

(viii) in accordance with the provisions of the Intercreditor Agreement or any Additional Intercreditor Agreement.

Notwithstanding clause (v) of this Section 10.06, if, after any Covenant Suspension Event, a Reversion Date (as defined herein) shall occur, then the Suspension Period (as defined herein) with respect to such Covenant Suspension Event shall terminate and all actions reasonably necessary to provide that the Notes shall have been unconditionally guaranteed by each Guarantor (to the extent such guarantee is required by Section 4.11) shall be taken within 60 days after such Reversion Date or as soon as reasonably practicable thereafter.

The Trustee shall acknowledge the release of a Guarantor upon delivery of an Officer's Certificate certifying that such release complies with this Section 10.06.

Section 10.07. *Effectiveness of Guarantees.* This Indenture shall be effective upon its execution and delivery by the parties hereto. The provisions set forth in this Article 10 with respect to the Subsidiary Guarantors will only become operative concurrently with the consummation of the Acquisition.

ARTICLE 11

Satisfaction and Discharge

Section 11.01. *Satisfaction and Discharge.* This Indenture with respect to a Series of Notes shall be discharged and shall cease to be of further effect as to all Notes of such Series when either:

(a) all Notes of such Series theretofore authenticated and delivered, except lost, stolen or destroyed Notes of such Series which have been replaced or paid and Notes of such Series for whose payment money has theretofore been deposited in trust, have been delivered to the Trustee for cancellation; or

(b) (i) all Notes of such Series not theretofore delivered to the Trustee for cancellation have become due and payable by reason of the making of a notice of redemption or otherwise, will become due and payable within one year or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Issuers, and the Issuers have or any Guarantor has irrevocably deposited or caused to be deposited with the Trustee (or such entity designated (as agent) by the Trustee for such

purposes) as trust funds in trust solely for the benefit of the Holders of the Notes of such Series, cash in U.S. dollars, U.S. Government Securities, or a combination thereof, in the case of the Dollar Notes, and cash in euro, euro-denominated Government Securities, or a combination thereof, in the case of the Euro Notes, in such amounts as will be sufficient without consideration of any reinvestment to pay and discharge the entire indebtedness on the Notes of such Series not theretofore delivered to the Trustee for cancellation for principal, premium, if any, and accrued interest to the date of maturity or redemption; *provided* that upon any redemption that requires the payment of the Applicable Premium with respect to such Series, the amount deposited shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any Applicable Premium Deficit only required to be deposited with the Trustee on or prior to the Redemption Date. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the Trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption;

(ii) no Event of Default (other than that resulting from borrowing funds to be applied to make such deposit or any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith) with respect to this Indenture with respect to such Series of Notes or the Notes of such Series shall have occurred and be continuing on the date of such deposit or shall occur as a result of such deposit and such deposit will not result in a breach or violation of, or constitute a default under, any material agreement or instrument (other than this Indenture) to which the Issuers or any Guarantor is a party or by which the Issuers or any Guarantor is bound (other than resulting from any borrowing of funds to be applied to make such deposit and any similar and simultaneous deposit relating to other Indebtedness and, in each case, the granting of Liens in connection therewith);

(iii) the Issuers have paid or caused to be paid all sums payable by it under this Indenture with respect to such Series of Notes; and

(iv) the Issuers have delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes of such Series at maturity or the Redemption Date, as the case may be.

In addition, the Issuers must deliver an Officer's Certificate and an Opinion of Counsel to the Trustee stating that all conditions precedent to satisfaction and discharge have been satisfied. Such Opinion of Counsel may rely on such Officer's Certificate as to matters of fact, including clauses (b)(i), (ii), (iii) and (iv) of this Section 11.01. If requested by the Issuers in writing to the Trustee and Paying Agent (which request may be included in the applicable notice of redemption or pursuant to the Officer's Certificate under this Section 11.01) no later than three Business Days prior to such distribution, the Trustee shall distribute any amount deposited in trust to the Holders prior to the stated maturity date or the redemption date, as the case may be. For the avoidance of doubt, the distribution and payment to holders prior to the stated maturity date or redemption date as

set forth above will not include any negative interest, present value adjustment, break cost or any additional premium on such amounts. To the extent the Notes are represented by a global note deposited with a depository for a clearing system, any payment to the beneficial holders holding interests as a participant of such clearing system will be subject to the then applicable procedures of the clearing system. The Trustee and Paying Agent shall not be liable to any Person for the distribution of funds to Holders early, as described in this Section 11.01.

Notwithstanding the satisfaction and discharge of this Indenture with respect to a Series of Notes, the provisions of Section 7.06 shall survive with respect to such Series of Notes and if money shall have been deposited with the Trustee pursuant to clause (b)(b) of this Section 11.01, the provisions of Section 11.02 and Section 8.06 shall survive such satisfaction and discharge with respect to such Series of Notes.

Section 11.02. *Application of Trust Money.* Subject to the provisions of Section 8.06, all money, U.S. Government Securities and euro-denominated Government Securities deposited with the Trustee pursuant to Section 11.01 shall be held in trust and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuers or a Guarantor acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal (and premium, if any) and interest for whose payment such money, U.S. Government Securities and euro-denominated Government Securities has been deposited with the Trustee; but such money, U.S. Government Securities and euro-denominated Government Securities need not be segregated from other funds except to the extent required by law.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Securities in accordance with Section 11.01 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuers' and any Guarantor's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 11.01; *provided* that if the Issuers have made any payment of principal of, premium, if any, or interest on any Notes because of the reinstatement of its obligations, the Issuers shall be subrogated to the rights of the Holders to receive such payment from the money or U.S. Government Securities held by the Trustee or Paying Agent.

ARTICLE 12

Collateral, Security Documents and the Security Agent

Section 12.01. *Collateral and Security Documents.* (a) The due and punctual payment of the principal of, premium on, if any, interest and Additional Amounts, if any, on, the Notes and the Guarantees when and as the same shall be due and payable, whether on an interest payment date, at maturity, by acceleration, repurchase, redemption or otherwise, and interest on the overdue principal of, premium on, if any, interest and Additional Amounts, if any (to the extent permitted by law), on the Notes, the Guarantees and performance of all other obligations of the Issuers and the Guarantors to

the Holders or the Trustee and the Security Agent under this Indenture, the Notes and the Guarantees according to the terms hereunder or thereunder, shall be secured by security interests, as provided in, and on the terms provided by, the Intercreditor Agreement, any Additional Intercreditor Agreement and the Security Documents, granted in the Collateral, which shall include, on the Issue Date, subject to the Agreed Security Principles, the security set forth in Schedule 1 hereto. Each Holder, by its acceptance of a Note, consents and agrees to the terms of the Intercreditor Agreement, any Additional Intercreditor Agreement, and the Security Documents (including the provisions providing for foreclosure and release of Liens and authorizing the Security Agent to enter into any Security Document on its behalf) as the same may be in effect or may be amended from time to time in accordance with its terms and authorizes and directs the Security Agent to enter into the Security Documents and to perform its obligations and exercise its rights thereunder in accordance therewith and in accordance with the Intercreditor Agreement and any Additional Intercreditor Agreement. The Issuers will deliver to the Trustee copies of all documents delivered to the Security Agent pursuant to the Security Documents, and the Issuers and the Guarantors will, and the Issuers will cause each of its Restricted Subsidiaries to, do or cause to be done all such acts and things as may be necessary or proper, or as may be required by the provisions of the Security Documents, to assure and confirm to the Trustee that the Security Agent holds, for the benefit of the Trustee and the Holders, duly created, enforceable and perfected Liens as contemplated hereby and by the Security Documents, so as to render the same available for the security and benefit of this Indenture and of the Notes and the Guarantees secured thereby, according to the intent and purposes herein expressed. Subject to the Agreed Security Principles, the Intercreditor Agreement and any Additional Intercreditor Agreement, the Issuers and the Guarantors will take, any and all actions reasonably required to cause the Security Documents to create and maintain, as security for the Obligations of the Issuers hereunder, a valid and enforceable first priority Lien in and on all the Collateral ranking in right and priority of payment as set forth in this Indenture, the Intercreditor Agreement and any Additional Intercreditor Agreement and subject to no other Liens other than as permitted by the terms of this Indenture, the Intercreditor Agreement and any Additional Intercreditor Agreement. In acting hereunder, the Security Agent shall be entitled to seek instructions from the Trustee.

(b) Each of the Issuers, the Trustee and the Holders agree that the Security Agent shall be the joint creditor (together with the Holders) of each and every obligation of the parties hereto under the Notes and this Indenture, and that accordingly the Security Agent will have its own independent right to demand performance by the Issuers of those obligations, except that such demand shall only be made with the prior written consent of the Trustee or as otherwise permitted under the Intercreditor Agreement and any Additional Intercreditor Agreement. However, any discharge of such obligation to the Security Agent, on the one hand, or to the Trustee or the Holders, as applicable, on the other hand, shall, to the same extent, discharge the corresponding obligation owing to the other.

(c) Each Holder of a Note, by accepting such Note, shall be deemed to have:

(A) agreed to and accepted the terms and conditions of the Intercreditor Agreement or any Additional Intercreditor Agreement (whether then entered into or entered into in the future pursuant to Section 4.14) and to be bound thereby as a party thereto;

(B) authorized and directed each of the Trustee and the Security Agent from time to time to become a party to any such Additional Intercreditor Agreement;

(C) irrevocably appointed the Security Agent to act as its agent and as security agent under the Intercreditor Agreement, any Additional Intercreditor Agreement and other relevant documents to which it is a party (including the Security Documents) and irrevocably appointed and authorized the Security Agent and the Trustee to give effect to the provisions in the Intercreditor Agreement, any Additional Intercreditor Agreements and the Security Documents and perform the duties and exercise the rights, powers and discretions that are specifically given to it under the Intercreditor Agreement, any Additional Intercreditor Agreement and the Security Documents securing such Indebtedness, together with any other incidental rights, power and discretions;

(D) agreed to be bound by the provisions of the Intercreditor Agreement, any Additional Intercreditor Agreements and the Security Documents;

(E) irrevocably appointed the Security Agent and the Trustee to act on its behalf to enter into and comply with the provisions of the Intercreditor Agreement, any Additional Intercreditor Agreements and the Security Documents (including the execution of, and compliance with, any amendment, extension, renewal, restatement, supplement, release or other modification or replacement expressed to be executed by the Trustee or the Security Agent on its behalf); and

(F) irrevocably appointed the Security Agent and the Trustee to act on its behalf to execute, amend, waive, modify, release or provide consent under the Intercreditor Agreement, any Additional Intercreditor Agreement or any Security Document as authorized by this Indenture or by the terms of any other Notes Document.

(d) The Trustee hereby acknowledges that the Security Agent is authorized to act under the Security Documents on behalf of the Trustee, with the full authority and powers of the Trustee thereunder. The Security Agent is hereby authorized to exercise such rights, powers and discretions as are specifically delegated to it by the terms of the Security Documents, including the power to enter into the Security Documents, as trustee

on behalf of the Holders and the Trustee, together with all rights, powers and discretions as are reasonably incidental thereto or necessary to give effect to the trusts created thereunder.

(e) The Trustee shall not be responsible for the legality, validity, effectiveness, suitability, adequacy or enforceability of the Security Documents or any obligation or rights created or purported to be created thereby or pursuant thereto or any security or the priority thereof constituted or purported to be constituted thereby or pursuant thereto, nor shall it be responsible or liable to any person because of any invalidity of any provision of such documents or the unenforceability thereof, whether arising from statute, law or decision of any court. The Trustee shall be under no obligation to monitor or supervise the functions of the Security Agent under the Security Documents and shall be entitled to assume that the Security Agent is properly performing its functions and obligations thereunder and the Trustee shall not be responsible for any diminution in the value of or loss occasioned to the assets subject thereto by reason of the act or omission by the Security Agent in relation to its functions thereunder.

Section 12.02. *Authorization of Actions to Be Taken by the Trustee under the Security Documents.* Subject to the provisions of Section 7.01 and Section 7.02 and the terms of the Intercreditor Agreement, any Additional Intercreditor Agreement and/or the Security Documents, the Trustee may, in its sole discretion and without the consent of the Holders, direct, on behalf of the Holders, the Security Agent to, take all actions it deems necessary or appropriate in order to:

(A) enforce any of the terms of the Security Documents or the Intercreditor Agreement; and

(B) collect and receive any and all amounts payable in respect of the Obligations of the Issuers or any Guarantor hereunder;

in any such case, to the extent provided for by, and in accordance with, the terms of the Intercreditor Agreement and/or Additional Intercreditor Agreement.

Subject to the provisions hereof, the Security Documents, the Intercreditor Agreement and any Additional Intercreditor Agreement, the Trustee will have power to institute and maintain, or direct the Security Agent to institute and maintain, such suits and proceedings as it may deem expedient to prevent any impairment of the security by any acts that may be unlawful or in violation of the Security Documents, the Intercreditor Agreement, any Additional Intercreditor Agreement or this Indenture, and such suits and proceedings as the Trustee may deem expedient to preserve or protect its interests and the interests of the Holders in the Collateral (including power to institute and maintain suits or proceedings to restrain the enforcement of or compliance with any legislative or other governmental enactment, rule or order that may be unconstitutional or otherwise invalid if the enforcement of, or compliance with, such enactment, rule or order would impair the security interest hereunder or be prejudicial to the interests of the Holders or of the Trustee).

(vii) if the release of such Lien is approved, authorized or ratified by the Required Holders;

(b) In addition, the security interest created by the Security Documents will be released (a) in accordance with an enforcement action pursuant to the Intercreditor Agreement or any Additional Intercreditor Agreement and (b) as may be permitted by Section 4.04.

(i) The Security Agent and the Trustee will take all necessary action reasonably requested in writing by an Issuer to effectuate any release of Collateral securing the Notes and the Guarantees, in accordance with the provisions of this Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement and the relevant Security Document subject to customary protections and indemnifications. Each of the releases set forth above shall be effected by the Security Agent without the consent of the Holders or any action on the part of the Trustee (unless action is required by it to effect such release).

(ii) The Security Agent and the Trustee will agree to any release of the security interest in respect of the Collateral that is in accordance with this Indenture, the Intercreditor Agreement or any Additional Intercreditor Agreement and the relevant Security Document, without requiring any Holder consent or any action on the part of the Trustee. provided that any notice or communication delivered to the Trustee shall be deemed effective upon actual receipt thereof and on the first date on which publication is made, if given by publication (including by posting of information on the website or online data system maintained in accordance with Section 4.02).

Any notice or communication to a Holder shall be electronically delivered, mailed by first-class mail, certified or registered, return receipt requested, or by overnight air courier guaranteeing next day delivery to its address shown on the Note Register kept by the Registrar. Failure to deliver a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders.

If a notice or communication is mailed or otherwise delivered in the manner provided above within the time prescribed, such notice or communication shall be deemed duly given, whether or not the addressee receives it.

If the Issuers send a notice or communication to Holders, it shall send a copy to the Trustee and each Agent at the same time.

Notwithstanding any other provision of this Indenture or any Note, where this Indenture or any Note provides for notice of any event or any other communication (including any notice of redemption or repurchase) to a holder of a Global Note (whether by mail or otherwise), such notice shall be sufficiently given if given to the applicable Depositary (or its designee) pursuant to the standing instructions from the applicable Depositary or its designee, including by electronic mail in accordance with accepted practices at the applicable Depositary.

The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured email, facsimile transmission or other similar unsecured electronic methods; *provided, however*, that (a) the party providing such written instructions, subsequent to such transmission of written instructions, shall provide the originally executed instructions or directions to the Trustee in a timely manner, and (b) such originally executed instructions or directions shall be signed by an authorized representative of the party providing such instructions or directions. If the party elects to give the Trustee email or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling.

The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The party providing electronic instructions agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including, without limitation, the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

The Trustee, the Security Agent and each Agent shall have the right to accept and act upon instructions, including funds transfer instructions ("**Instructions**") given pursuant to this Indenture and the Notes and delivered using Electronic Means; provided, however, that the Issuers and/or any Guarantor, as applicable, shall provide to the Trustee, the Security Agent or Agent an incumbency certificate listing officers with the authority to provide such Instructions and containing specimen signatures of such authorized person, which incumbency certificate shall be amended by the Issuers or any Guarantor, as applicable, whenever a person is to be added or deleted from the listing. If the Issuers and/or any Guarantor, as applicable, elects to give the Instructions using Electronic Means and the Trustee, the Security Agent or Agent in its discretion elects to act upon such Instructions, the understanding of such Instructions by the Trustee, the Security Agent or Agent shall be deemed controlling. The Issuers and each Guarantor understand and agree the Trustee, the Security Agent or Agent cannot determine the

identity of the actual sender of such Instructions and that the Trustee, the Security Agent or Agent shall conclusively presume that directions that purport to have been sent by an authorized officer listed on an incumbency certificate provided to any of them by such authorized officer for such purpose. The Issuers and each Guarantor shall be responsible for ensuring that only authorized persons transmit such Instructions to the Trustee, the Security Agent and Agents and that the Issuers and each Guarantor and all authorized persons are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Issuers or any Guarantor, as applicable. Neither the Trustee, the Security Agent nor any Agent shall be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's or Agent's reliance upon and compliance with such Instructions or use of Electronic Means notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Issuers and each Guarantor agree: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Trustee, the Security Agent or any Agent, including without limitation the risk of the Trustee, the Security Agent or Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee, the Security Agent and Agents and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuers and/or the Guarantor, as applicable; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; (iv) to notify the Trustee, the Security Agent and Agents immediately upon learning of any compromise or unauthorized use of the security procedures and (v) that neither the Trustee, the Security Agent nor any Agent has any duty or obligation to verify or confirm that the person who sent Instructions or directions is, in fact, a person authorized to give Instructions or directions on behalf of the Issuers or any Guarantor (or any authorized person).

Section 13.02. *Certificate and Opinion as to Conditions Precedent.* Upon any request or application by the Issuers or any of the Guarantors to the Trustee to take any action under this Indenture, the Issuers or such Guarantor, as the case may be, shall furnish to the Trustee:

(a) an Officer's Certificate in form reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 13.03) stating that, in the opinion of the signer, all conditions precedent and covenants, if any, provided for in this Indenture relating to the proposed action have been satisfied; and

(b) an Opinion of Counsel in form reasonably satisfactory to the Trustee (which shall include the statements set forth in Section 13.03) stating that, in the opinion of such counsel, all such conditions precedent and covenants have been satisfied; *provided* that no such Opinion of Counsel shall be delivered in connection with the issuance of the Initial Notes.

Section 13.03. *Statements Required in Certificate or Opinion.* Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture (other than a certificate provided pursuant to Section 4.03) shall include:

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(c) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been complied with (and, in the case of an Opinion of Counsel, may be limited to reliance on an Officer's Certificate as to matters of fact); and

(d) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been complied with; *provided, however,* that with respect to matters of fact an Opinion of Counsel may rely on an Officer's Certificate or certificates of public officials.

Section 13.05. *No Personal Liability of Directors, Managers, Officers, Members, Partners, Employees and Equity Holders.* No past, present or future director, manager, officer, employee, incorporator, member, partner or direct or indirect equityholder of Parent or any Restricted Subsidiaries or of any of their direct or indirect parent companies (other than in such equityholder's capacity as the Issuer or a Guarantor) shall have any liability for any obligations of an Issuer or the Guarantors under the Notes, the Guarantees or this Indenture or any supplemental indenture or for any claim based on, in respect of, or by reason of such obligations or their creation. Such appointment shall be irrevocable. The Issuers and each of the Guarantors represent and warrant that the Authorized Agent has agreed to act as such agent for service of process and agrees to take any and all action, including the filing of any and all documents and instruments that may be necessary to continue such appointment in full force and effect as aforesaid. Service of process upon the Authorized Agent and written notice of such service to the Issuers and each Guarantor, shall be deemed, in every respect, effective service of process upon the Issuers and each Guarantor. For the avoidance of doubt, changes to this provision shall be permitted as set forth under Section 9.02.

Section 13.09. *Force Majeure.* In no event shall the Trustee, the Security Agent or any Agent be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including, without limitation, strikes, work stoppages, accidents, acts of war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, epidemics, and interruptions, loss or malfunctions of utilities, communications or computer (software or hardware) services or the unavailability of the Federal Reserve Bank wire or facsimile or other wire or communication facility; it being understood that the Trustee, the Security Agent or relevant Agent shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(a) the effect of the exercise of Bail-in Powers by the Relevant Resolution Authority in relation to any BRRD Liability of a BRRD Party to the Issuers, the Trustee or an Agent under this Indenture, that (without limitation) may include and result in any of the following, or some combination thereof:

(i) the reduction of all, or a portion, of the BRRD Liability or outstanding amounts due thereon;

(ii) the conversion of all, or a portion, of the BRRD Liability into shares, other securities or other obligations of the BRRD Party or another person, and the issue to or conferral on the Trustee of such shares, securities or obligations;

(iii) the cancellation of the BRRD Liability;

(iv) the amendment or alteration of any interest, if applicable, thereon, the maturity or the dates on which any payments are due, including by suspending payment for a temporary period;

Section 13.18. The sole currency (the “**Required Currency**”) of account and payment for all sums payable by the Issuers or any Guarantor under or in connection with the Notes and this Indenture, including damages, for the Dollar Notes is Dollars and for the Euro Notes is euro, as applicable. Any amount with respect to the Notes or this Indenture received or recovered in a currency other than the Required Currency, whether as a result of, or the enforcement of, a judgment or order of a court of any jurisdiction, in the winding up or dissolution of the Issuers or any Guarantor or otherwise by any Holder or by the Trustee or Paying Agent, in respect of any sum expressed to be due to it from the Issuers or any Guarantor will only constitute a discharge to the Issuers or any Guarantor to the extent of the Required Currency amount which the recipient is able to purchase with the amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so).

If that Required Currency amount is less than the Required Currency amount expressed to be due to the recipient or the Trustee or Paying Agent under the Notes, the Issuers and each Guarantor will indemnify such recipient and/or the Trustee or Paying Agent against any loss sustained by it as a result. These indemnities constitute a separate and independent obligation from the Issuers’ and each Guarantor’s other obligations, will give rise to a separate and independent cause of action, will apply irrespective of any waiver granted by any Holder of a Note or the Trustee or Paying Agent (other than a waiver of the indemnities set out herein) and will continue in full force and effect despite any other judgment, order, claim or proof for a liquidated amount in respect of any sum due under any Note or to the Trustee. 4.00% Senior Secured Notes due 2029

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. *Interest.* Paysafe Finance PLC, a public limited company incorporated under the laws of England and Wales and Paysafe Holdings (US) Corp., a Delaware corporation (the “**Issuers**”), promise to pay interest on the aggregate nominal amount outstanding of this Dollar Note at a rate per annum of 4.00%. The Issuers will pay interest on this Dollar Note semi-annually in arrears on June 15 and December 15 of each year, beginning December 15, 2021 or, if any such day is not a Business Day, on the next succeeding Business Day (each, an “**Interest Payment Date**”). The Issuers will make each interest payment to the Holder of record of this Dollar Note on the immediately preceding June 1 and December 1 (whether or not a Business Day) (each, a “**Record Date**”). Interest on this Dollar Note will accrue from the date of original issuance or, if interest has already been paid, from the Interest Payment Date for which interest was most recently paid; *provided* that the first Interest Payment Date shall be December 15, 2021. The Issuers will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate borne by this Dollar Note; the Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the rate borne by this Dollar Note. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. *Method of Payment.* The Issuers will pay interest on this Dollar Note to the Person who is the registered Holder of this Dollar Note at the close of business on the Record Date (whether or not a Business Day) immediately preceding the Interest Payment Date, even if this Dollar Note is cancelled after such Record Date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Indenture with respect to defaulted interest. The Dollar Notes will be payable as to principal, premium and Additional Amounts, if any, through the relevant Paying Agent as provided in the Indenture or, at the option of the Issuers, payment of interest and Additional Amounts, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and Additional Amounts, if any, on, all Global Notes representing Dollar Notes and all other Dollar Notes the Holders of which will have provided wire transfer instructions to the Issuers or the relevant Paying Agent. Such payment shall be made in U.S. Dollar.

3. *Paying Agent, Transfer Agent and Registrar.* Initially, The Bank of New York Mellon, London Branch will act as Paying Agent and The Bank of New York Mellon SA/NV, Dublin Branch will act as Transfer Agent and Registrar. The Issuers may change any Paying Agent, Transfer Agent or Registrar without prior notice to the Holders. The Issuers or any of their Subsidiaries may act in any such capacity.

4. *Indenture.* (a) The Issuers issued the Dollar Notes under an Indenture, dated as of June 28, 2021 (as amended, supplemented or otherwise modified from time to time, the “**Indenture**”), among, *inter alios*, the Issuers, the Guarantors party thereto from time to time and the Trustee. This Dollar Note is one of a duly authorized issue of notes of the Issuers designated as its 4.00% Senior Secured Notes due 2029. The Issuers shall be entitled to issue Additional Dollar Notes pursuant to Sections 2.01 and 4.06 of the Indenture. The terms of the Dollar Notes include those stated in the Indenture. The Dollar Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Dollar Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

(b) To guarantee the due and punctual payment of the principal and interest on the Notes and all other amounts payable by the Issuers under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, each Guarantor has jointly and severally unconditionally guaranteed the Obligations pursuant to the terms of the Indenture. The Guarantee of each Guarantor is subject to the provisions of the Intercreditor Agreement. Reference is made to the Indenture and the Intercreditor Agreement for the terms of any such Guarantees, including the release, termination and discharge thereof. Neither the Issuers nor any Guarantor shall be required to make any notation on this Note to reflect any Guarantee or any such release, termination or discharge.

5. *Optional Redemption.*

(a) Except as set forth in clauses (b), (d) and (e) of this paragraph 5, the Dollar Notes will not be redeemable at the Issuers’ option prior to June 15, 2024.

(b) At any time prior to June 15, 2024, the Issuers may, at its option and on one or more occasions, redeem all or a part of the Dollar Notes, upon notice in accordance with Section 3.03 of the Indenture, at a redemption price equal to the sum of (A) 100.0% of the principal amount of the Dollar Notes redeemed, plus (B) the Applicable Premium as of the Redemption Date, plus (C) accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the Dollar Notes on the relevant Interest Payment Date falling prior to or on the Redemption Date.

For purposes of this Dollar Note:

“**Applicable Premium**” means, with respect to any Note on any Redemption Date, the greater of: (i) 1.0% of the principal amount of such Note, and (ii) the excess, if any, of (1) the present value at such Redemption Date of (A) the redemption price of such Dollar Note at June 15, 2024 (such redemption price being set forth in the table set forth in paragraph 5(c) of this Dollar Note), plus (B) all required remaining scheduled interest payments due on such Note through

June 15, 2024 (excluding accrued but unpaid interest to, but excluding, the Redemption Date), computed using a discount rate equal to the Applicable Treasury Rate as of such Redemption Date plus 50 basis points, over (2) the then outstanding principal amount of such Note. The Issuers shall calculate, or cause the calculation of, the Applicable Premium, and the Trustee and any Paying Agent shall have no duty to calculate, or verify the Issuers' calculations of, the Applicable Premium.

"Applicable Treasury Rate" means, at the time of computation, the weekly average (for the most recently completed week for which such information is available as of the date that is two Business Days prior to the Redemption Date) of the yield to maturity of United States Treasury securities with a constant maturity (as compiled and published in Federal Reserve Statistical Release H.15 with respect to each applicable day during such week or, if such Statistical Release is no longer published, any publicly available source of similar market data) most nearly equal to the period from the Redemption Date to June 15, 2024; *provided, however*, that if the period from the Redemption Date to June 15, 2024 is not equal to the constant maturity of a United States Treasury security for which a yield is given, the Applicable Treasury Rate shall be obtained by linear interpolation (calculated to the nearest one-twelfth of a year) from the weekly average yields of United States Treasury securities for which such yields are given, except that if the period from the Redemption Date to June 15, 2024 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year shall be used; *provided* that if such rate is less than zero, the Applicable Treasury Rate shall be zero.

(c) At any time on and after June 15, 2024, the Issuers may, at its option and on one or more occasions, redeem all or a part of the Dollar Notes, upon notice in accordance with Section 3.03 of the Indenture, at the redemption prices (expressed as percentages of principal amount of the Dollar Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, thereon to, but excluding, the applicable Redemption Date, subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date, if redeemed during the twelve-month period beginning on June 15 of each of the years indicated below:

Year	Redemption Price Dollar Notes
2024	102.000%
2025	101.000%
2026 and thereafter	100.000%

(d) At any time prior to June 15, 2024, the Issuers may, at its option and on one or more occasions, redeem the aggregate principal amount of Dollar Notes not to

exceed the amount of the Net Cash Proceeds received by Parent from one or more Equity Offerings or a contribution to Parent's common equity capital made with the Net Cash Proceeds of one or more Equity Offerings, upon notice in accordance with Section 3.03 of the Indenture, at a redemption price equal to (i) 104.00% of the aggregate principal amount of the Dollar Notes redeemed, plus (ii) accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the Dollar Notes on the relevant Interest Payment Date falling prior to or on the Redemption Date; *provided* that (A) the amount redeemed shall not exceed 40% of the aggregate principal amount of the Dollar Notes issued under the Indenture (including any Additional Dollar Notes); (B) at least 50% of the aggregate principal amount of Dollar Notes originally issued under the Indenture on the Issue Date remains outstanding immediately after the occurrence of each such redemption (unless all Dollar Notes are redeemed or repurchased or to be redeemed or repurchased substantially concurrently); and (C) each such redemption occurs within 180 days of the date of closing of the applicable Equity Offering.

(e) Notwithstanding the foregoing, in connection with any tender offer, Change of Control Offer, Alternate Offer, Asset Sale Offer or Advance Offer for the Dollar Notes, if Holders of not less than 90% in aggregate principal amount of the then outstanding Dollar Notes validly tender and do not validly withdraw such Dollar Notes in such offer and the Issuers, or any third party making such offer in lieu of the Issuers, purchases all of the Dollar Notes validly tendered and not validly withdrawn by such Holders, the Issuers or such third party will have the right upon not less than 10 days nor more than 60 days' prior notice, given not more than 60 days following such purchase date, to redeem all Dollar Notes that remain outstanding following such purchase at a price equal to the price offered to each other Holder in such offer (which may be less than par) plus, to the extent not included in the offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling prior to or on the Redemption Date. In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Dollar Notes have validly tendered and not validly withdrawn Dollar Notes in a tender offer, Change of Control Offer, Alternate Offer, Asset Sale Offer or Advance Offer, as applicable, Dollar Notes owned by an Affiliate of an Issuer or by funds controlled or managed by any Affiliate of the Issuers, or any successor thereof, shall be deemed to be outstanding for the purposes of such tender offer, Change of Control Offer, Alternate Offer, Asset Sale Offer or Advance Offer, as applicable.

(f) Any redemption pursuant to this paragraph (f) shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture. Notice of any redemption (other than a Special Mandatory Redemption) or offer to purchase, whether in connection with an Equity Offering, Change of Control, Alternate Offer, Asset Sale Offer, Advance Offer or other transaction or event or otherwise, may, at the Issuers' discretion, be given prior to the completion or occurrence thereof, and any such redemption, offer to purchase or notice may, at the Issuers' discretion, be subject to one or more conditions precedent (including conditions precedent applicable to different amounts of Notes redeemed), including, but not limited to, completion or occurrence of the related Equity Offering,

Change of Control, Alternate Offer, Asset Sale Offer, Advance Offer or other transaction or event, as the case may be. The Issuers may redeem Notes pursuant to one or more of the relevant provisions in the Indenture, and a single notice of redemption may be delivered with respect to redemptions made pursuant to different provisions. Any such notice may provide that redemptions made pursuant to different provisions will have different Redemption Dates or may specify the order in which redemptions taking place on the same Redemption Date are deemed to occur. In addition, if such redemption or offer to purchase is subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuers' discretion, the redemption or repurchase date may be delayed until such time (including more than 60 days after the date the notice of redemption or offer to purchase was sent) as any or all such conditions shall be satisfied (or waived by the Issuers in their sole discretion), or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuers in their sole discretion) by the redemption or purchase date, or by the redemption or purchase date so delayed, or that such notice or offer may be rescinded at any time in the Issuers' sole discretion if the Issuers determine that any or all of such conditions will not be satisfied or waived. In addition, the Issuers may provide in such notice or offer to purchase that payment of the redemption or purchase price and performance of the Issuers' obligations with respect to such redemption or offer to purchase may be performed by another Person. The Issuers, Parent, its direct and indirect equityholders, including the Investors, any of its Subsidiaries and their respective Affiliates and members of the Issuers' management may acquire the Dollar Notes by means other than a redemption or offer to purchase pursuant to this paragraph 5(f), whether by tender offer, open market purchases, negotiated transactions or otherwise.

6. Redemption for Taxation Reasons.

(a) The Issuer may redeem the Notes in whole, but not in part, at any time upon giving not less than 10 nor more than 60 days' notice to the Holders of the Dollar Notes (with a copy to the Trustee and Paying Agent) (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to, but excluding, the date fixed for redemption (a "**Tax Redemption Date**") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date occurring on or prior to the redemption date) and all Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if the Issuer or any Guarantor determines in good faith that, as a result of:

(i) any change in, or amendment to, the law or treaties (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(ii) any change in, or amendment to, or the introduction of, an official written position regarding the application, administration or interpretation of such laws, treaties, regulations or rulings (including by virtue of a holding, judgment or

order by a court of competent jurisdiction or a change in published practice or revenue guidance) of a Relevant Taxing Jurisdiction (each of the foregoing in clauses (i) and (ii), a “**Change in Tax Law**”),

(b) the relevant Payor (as defined below) is, or on the next interest payment date in respect of the Notes of such series would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to the relevant Payor (including, for the avoidance of doubt, the appointment of a new Paying Agent where this would be reasonable but not including assignment of the obligation to make payment with respect to the relevant series of Notes). In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that is a Relevant Taxing Jurisdiction at the date of the Offering Memorandum, such Change in Tax Law must be publicly announced and become effective after the date of the Offering Memorandum. In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that becomes a Relevant Taxing Jurisdiction after the date of the Offering Memorandum, such Change in Tax Law must be publicly announced and become effective on or after the date the jurisdiction becomes a Relevant Taxing Jurisdiction. If the relevant Payor is a Guarantor, the foregoing provisions shall apply only if neither the Issuer nor any other Guarantor is able to make payments on the Notes without the payment of such Additional Amounts.

(c) Notice of redemption for taxation reasons will be published in accordance with the procedures described under Section 3.03 of the Indenture. Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 90 days prior to the earliest date on which such Payor would be obliged to make such payment of Additional Amounts and (b) unless at the time such notice is given, such obligation to pay such Additional Amounts remains in effect. Prior to the publication or mailing of any notice of redemption of the Notes pursuant to the foregoing, such Payor will deliver to the Trustee and the Paying Agent (a) an Officer’s Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and that it would not be able to avoid the obligation to pay Additional Amounts by taking reasonable measures available to it (which shall not include changing its jurisdiction of organization or tax residency) and (b) an opinion of an independent tax counsel of recognized standing to the effect that such Payor has or would become obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee and Paying Agent shall accept, and will be entitled to conclusively rely on, such Officer’s Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further liability or further inquiry, in which event it will be conclusive and binding on the Holders.

The foregoing will apply *mutatis mutandis* to any successor to the Issuer and to any jurisdiction in which any successor to the Issuer is incorporated or organized, resident or engaged in business for tax purposes or has a permanent

establishment in, or any political subdivision or taxing authority or agency thereof or therein.

8. *Redemption at Maturity.* On June 15, 2029, the Issuer will redeem the Dollar Notes that have not been previously redeemed or purchased and cancelled at 100% of their principal amount plus accrued and unpaid interest thereon and Additional Amounts, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date occurring on or prior to the redemption date).

9. *Mandatory Redemption.* The Issuer shall not be required to make any mandatory redemption or sinking fund payment with respect to the Dollar Notes.

10. *Notice of Redemption.* Subject to Section 3.03 of the Indenture, notice of redemption shall be delivered electronically or mailed by first-class mail, postage prepaid, at least 10 days (except as set forth in paragraph 5(f) of this Dollar Note) but not more than 60 days before the Redemption Date to each Holder whose Dollar Notes are to be redeemed at such Holder's registered address stated in the Note Register or otherwise in accordance with the Applicable Procedures, except that redemption notices may be delivered electronically or mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with Article 8 or Article 11 of the Indenture. Dollar Notes and portions of Dollar Notes selected for redemption shall be in integral multiples of \$1,000 and no Dollar Notes of \$2,000 or less can be redeemed in part, except that if all of the Dollar Notes of a Holder are to be redeemed, the entire outstanding amount of Dollar Notes held by such Holder shall be redeemed, even if not in a principal amount of at least \$2,000. On and after the Redemption Date, unless the Issuers default in the payment of the redemption price, interest ceases to accrue on this Dollar Note or portions thereof called for redemption.

11. *Offers to Repurchase.* Upon the occurrence of a Change of Control, unless the Issuers have previously or concurrently sent a redemption notice with respect to all the outstanding Dollar Notes as described under paragraph 5 of this Dollar Note, the Issuer shall make a Change of Control Offer in accordance with Section 4.10 of the Indenture. In connection with certain Asset Sales, the Issuer shall make an Asset Sale Offer or an Advance Offer, as the case may be, as and when provided in accordance with paragraph 5 of this Dollar Note and Section 4.07 of the Indenture.

Other than as specifically provided in Section 3.08 or Section 4.07 of the Indenture, any purchase pursuant to Section 3.08 of the Indenture shall be made pursuant to the applicable provisions of Sections 3.01 through 3.06 of the Indenture, and references therein or herein to "redeem," "redemption," "Redemption Date" and similar words shall be deemed to refer to "purchase," "repurchase," "Purchase Date" and similar words, as applicable.

12. *Denominations, Transfer, Exchange.* The Dollar Notes are in registered form without coupons in minimum denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof. The transfer of Dollar Notes shall be registered and Dollar

Notes may only be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuer may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuer and the Transfer Agent need not exchange or register the transfer of any Dollar Note or portion of a Dollar Note selected for redemption, except for the unredeemed portion of any Dollar Note being redeemed in part; *provided* that new Dollar Notes will only be issued in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. Also, the Issuer and the Transfer Agent need not exchange or register the transfer of any Dollar Notes for a period of 15 days before the mailing of a notice of redemption of Dollar Notes to be redeemed.

13. *Persons Deemed Owners.* The registered Holder of a Dollar Note shall be treated as its owner for all purposes. Only registered Holders shall have rights hereunder.

14. *Amendment, Supplement and Waiver.* The Indenture, the Guarantees or the Dollar Notes may be amended or supplemented as provided in the Indenture.

15. *Defaults and Remedies.*

(a) The Events of Default relating to the Dollar Notes are defined in Section 6.01 of the Indenture. If any Event of Default (other than an Event of Default of the type specified in clause (vi) or (vii) of Section 6.01(a) of the Indenture) occurs and is continuing under the Indenture, the Trustee or the Holders of not less than 30% in aggregate principal amount of all the then outstanding Notes may, by notice to the Issuer and the Trustee (if given by Holders), in either case specifying in such notice the respective Event of Default and that such notice is a “notice of acceleration,” declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately; *provided, however*, that a Default under clauses (iii), (iv), (v), (viii) or (ix) of Section 6.01(a) of the Indenture will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the then outstanding Notes notify the Issuer of the Default and the Issuers do not cure such Default within the time specified in such clauses after receipt of such notice. Any notice of Default under clauses (iii), (iv), (v), (viii) or (ix) of Section 6.01(a) of the Indenture, notice of acceleration with respect to an Event of Default under clauses (iii), (iv), (v), (viii) or (ix) of Section 6.01(a) of the Indenture or instruction to the Trustee to provide a notice of Default under clauses (iii), (iv), (v), (viii) or (ix) of Section 6.01(a) of the Indenture, notice of acceleration with respect to an Event of Default under clauses (iii), (iv), (v), (viii) or (ix) of Section 6.01(a) of the Indenture or take any other action with respect to an alleged Default or Event of Default under clauses (iii), (iv), (v), (viii) or (ix) of Section 6.01(a) of the Indenture (a “**Noteholder Direction**”) provided by any one or more Holders (each, a “**Directing Holder**”) must be accompanied by a written representation from each such Holder to the Issuer and the Trustee that such Holder is not, or, in the case such Holder is DTC or Euroclear or Clearstream (as applicable, the “**Relevant Clearing System**”) or the Relevant Clearing System’s

nominee, that such Holder is being instructed solely by beneficial owners that are not, Net Short (a “*Position Representation*”), which representation, in the case of a Noteholder Direction relating to a notice of Default shall be deemed repeated at all times until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. In addition, each Directing Holder must, at the time of providing a Noteholder Direction, covenant to provide the Issuer with such other information as the Issuer may reasonably request from time to time in order to verify the accuracy of such Directing Holder’s Position Representation within five Business Days of request thereof (a “**Verification Covenant**”). In any case in which the Holder is the Relevant Clearing System or the Relevant Clearing System’s nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of the Relevant Clearing System or the Relevant Clearing System’s nominee.

(b) If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuers determine in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and the Issuer or Parent provides to the Trustee an Officer’s Certificate certifying that the Issuer or Parent (i) believes in good faith that there is a reasonable basis to believe a Directing Holder was at any relevant time in breach of its Position Representation or its Verification Covenant and (ii) has filed papers with a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Event of Default shall be automatically stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter. If such Officer’s Certificate has been delivered to the Trustee, the Trustee shall refrain from acting in accordance with such Noteholder Direction until such time as the Issuers provide to the Trustee an Officer’s Certificate stating that (i) a Directing Holder has satisfied its Verification Covenant or (ii) a Directing Holder has failed to satisfy its Verification Covenant, and during such time the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such Directing Holder’s participation in such Noteholder Direction being disregarded; and, if, without the participation of such Directing Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void *ab initio*, with the effect that such Event of Default shall be deemed never to have occurred, and any related acceleration rescinded, and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such alleged Default or Event of Default, shall not be permitted to act thereon and shall be restricted from accepting and acting on any future Noteholder Direction in relation to such Event of Default. If the Directing Holder has satisfied its Verification Covenant, then the Trustee shall be permitted to act in accordance with such Noteholder Direction. Notwithstanding the above,

if such Directing Holder's participation is not required to achieve the requisite level of consent of Holders required under the Indenture to give such Noteholder Direction, the Trustee shall be permitted to act in accordance with such Noteholder Direction notwithstanding any action taken or to be taken by the Issuer (as described above). The Trustee shall be entitled to conclusively rely on any Noteholder Direction or Officer's Certificate delivered to it in accordance with the Indenture without verification, investigation or otherwise as to the statements made therein.

(c) The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest.

(d) Holders of a majority in aggregate principal amount of all the Notes then outstanding, by written notice to the Trustee (with a copy to the Issuers, *provided* that any waiver or rescission under Section 6.04 of the Indenture shall be valid and binding notwithstanding the failure to provide a copy of such notice to the Issuer) may on behalf of the Holders of all of the Notes waive any existing Default and its consequences under the Indenture (including in connection with an Asset Sale Offer, an Advance Offer or a Change of Control Offer) and rescind any acceleration with respect to the Notes and its consequences under the Indenture (except if such rescission would conflict with any judgment of a court of competent jurisdiction and except a continuing Default in the payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of the Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

(e) The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuer shall promptly (which shall be no more than 20 Business Days after becoming aware of such Default) deliver to the Trustee by registered or certified mail or by facsimile transmission an Officer's Certificate specifying such Default, its status and what action the Issuers are taking or proposes to take with respect thereto (unless such Default has been cured or waived within such 20-Business Day time period).

No representation is made as to the accuracy of such numbers either as printed on the Dollar Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

3.00% Senior Secured Notes due 2029

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. *Interest.* Paysafe Finance PLC, a public limited company incorporated under the laws of England and Wales and Paysafe Holdings (US) Corp., a Delaware corporation (the “**Issuer**”), promises to pay interest on the aggregate nominal amount outstanding of this Euro Note at a rate per annum of 3.00%. The Issuer will pay interest on this Euro Note semi-annually in arrears on June 15 and December 15 of each year, beginning December 15, 2021 or, if any such day is not a Business Day, on the next succeeding Business Day (each, an “**Interest Payment Date**”). The Issuer will make each interest payment to the Holder of record of this Euro Note on the immediately preceding June 1 or December 1 (each, a “**Record Date**”). Interest on this Euro Note will accrue from the date of original issuance or, if interest has already been paid, from the Interest Payment Date for which interest was most recently paid; *provided* that the first Interest Payment Date shall be December 15, 2021. The Issuer will pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at the rate borne by this Euro Note; the Issuer shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the rate borne by this Euro Note. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. *Method of Payment.* The Issuer will pay interest on this Euro Note to the Person who is the registered Holder of this Euro Note at the close of business on the Record Date (whether or not a Business Day) immediately preceding the Interest Payment Date, even if this Euro Note is cancelled after such Record Date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Indenture with respect to defaulted interest. The Euro Notes will be payable as to principal, premium and Additional Amounts, if any, through the relevant Paying Agent as provided in the Indenture or, at the option of the Issuers, payment of interest and Additional Amounts, if any, may be made by check mailed to the Holders at their addresses set forth in the register of Holders; *provided* that payment by wire transfer of immediately available funds will be required with respect to principal of and interest, premium and Additional Amounts, if any, on, all Global Notes representing Euro Notes and all other Euro Notes the Holders of which will have provided wire transfer instructions to the Issuer or the relevant Paying Agent. Such payment shall be made in euro.

If on or after the date of the Indenture, the euro is unavailable to the Issuer due to the imposition of exchange controls or other circumstances beyond its control or if the euro is no longer being used by the then member states of the European Monetary Union that have adopted the euro as their currency or for the settlement of transactions by public institutions of or within the international banking community, then all payments in respect of the Euro Notes will be made in U.S. dollars until the euro is again available to

use or so used. The amount payable on any date in euro will be converted into U.S. dollars at the rate mandated by the U.S. Federal Reserve Board as of the close of business on the second Business Day prior to the relevant payment date or, in the event the U.S. Federal Reserve Board has not mandated a rate of conversion, on the basis of the most recent U.S. dollar/euro exchange rate published in The Wall Street Journal (or, if not published by the Wall Street Journal, other national news source in the United States) on or prior to the second Business Day prior to the relevant payment date.

3. *Paying Agent, Transfer Agent and Registrar.* Initially, The Bank of New York Mellon, London Branch will act as Paying Agent and The Bank of New York Mellon SA/NV, Dublin Branch will act as Transfer Agent and Registrar. The Issuer may change any Paying Agent, Transfer Agent or Registrar without prior notice to the Holders. The Issuers or any of their Subsidiaries may act in any such capacity.

4. *Indenture.* (a) The Issuer issued the Euro Notes under an Indenture, dated as of June 28, 2021 (as amended, supplemented or otherwise modified from time to time, the “**Indenture**”), among, *inter alios*, the Issuers, the Guarantors party thereto from time to time and the Trustee. This Euro Note is one of a duly authorized issue of notes of the Issuer designated as its 3.00% Senior Secured Notes due 2029. The Issuer shall be entitled to issue Additional Euro Notes pursuant to Sections 2.01 and 4.06 of the Indenture. The terms of the Euro Notes include those stated in the Indenture. The Euro Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any provision of this Euro Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling.

(b) To guarantee the due and punctual payment of the principal and interest on the Notes and all other amounts payable by the Issuer under the Indenture and the Notes when and as the same shall be due and payable, whether at maturity, by acceleration or otherwise, according to the terms of the Notes and the Indenture, each Guarantor has jointly and severally unconditionally guaranteed the Obligations pursuant to the terms of the Indenture. The Guarantee of each Guarantor is subject to the provisions of the Intercreditor Agreement. Reference is made to the Indenture and the Intercreditor Agreement for the terms of any such Guarantees, including the release, termination and discharge thereof. Neither the Issuer nor any Guarantor shall be required to make any notation on this Note to reflect any Guarantee or any such release, termination or discharge.

5. *Optional Redemption.*

(a) Except as set forth in clauses (b), (d) and (e) of this paragraph 5, the Euro Notes will not be redeemable at the Issuers’ option prior to June 15, 2024.

(b) At any time prior to June 15, 2024, the Issuers may, at their option and on one or more occasions, redeem all or a part of the Euro Notes, upon notice in accordance with Section 3.03 of the Indenture, at a redemption price equal to the sum of (A) 100.0% of the principal amount of the Euro Notes redeemed, plus

(B) the Applicable Premium as of the Redemption Date, plus (C) accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the Euro Notes on the relevant Interest Payment Date falling prior to or on the Redemption Date.

For purposes of this Euro Note:

“Applicable Premium” means, with respect to any Note on any Redemption Date, the greater of: (i) 1.0% of the principal amount of such Note, and (ii) the excess, if any, of (1) the present value at such Redemption Date of (A) the redemption price of such Euro Note at June 15, 2024 (such redemption price being set forth in the table set forth in paragraph 5(c) of this Euro Note), plus (B) all required remaining scheduled interest payments due on such Note through June 15, 2024 (excluding accrued but unpaid interest to, but excluding, the Redemption Date), computed using a discount rate equal to the Bund Rate as of such Redemption Date plus 50 basis points, over (2) the then outstanding principal amount of such Note. The Issuer shall calculate, or cause the calculation of, the Applicable Premium, and the Trustee and any Paying Agent shall have no duty to calculate, or verify the Issuers’ calculations of, the Applicable Premium.

“Bund Rate” means, as of any Redemption Date, the rate per annum equal to the equivalent yield to maturity as of such Redemption Date of the Comparable German Bund Issue, assuming a price for the Comparable German Bund Issue (expressed as a percentage of its principal amount) equal to the Comparable German Bund Price for such relevant date, where:

(i) **“Comparable German Bund Issue”** means the German Bundesanleihe security selected by any Reference German Bund Dealer as having a fixed maturity most nearly equal to the period from such Redemption Date to June 15, 2024 and that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of euro denominated corporate debt securities in a principal amount approximately equal to the then outstanding principal amount of the Euro Notes and of a maturity most nearly equal to June 15, 2024; provided, however, that, if the period from such Redemption Date to June 15, 2024, is less than one year, a fixed maturity of one year shall be used;

(ii) **“Comparable German Bund Price”** means, with respect to any relevant date, the average of all Reference German Bund Dealer Quotations for such date (which, in any event, must include at least two such quotations), after excluding the highest and lowest such Reference German Bund Dealer Quotations, or if the Issuer obtains fewer than four such Reference German Bund Dealer Quotations, the average of all such quotations;

(iii) “**Reference German Bund Dealer**” means any dealer of German Bundesanleihe securities appointed by the Issuer in good faith; and

(iv) “**Reference German Bund Dealer Quotations**” means, with respect to each Reference German Bund Dealer and any relevant date, the average as determined by the Issuer of the bid and offered prices for the Comparable German Bund Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Issuer by such Reference German Bund Dealer at 3:30 p.m. Frankfurt, Germany time on the third Business Day preceding the relevant date,

provided that if such rate is less than zero, the Bund Rate shall be zero.

(c) At any time on and after June 15, 2024, the Issuers may, at their option and on one or more occasions, redeem all or a part of the Euro Notes, upon notice in accordance with Section 3.03 of the Indenture, at the redemption prices (expressed as percentages of principal amount of the Euro Notes to be redeemed) set forth below, plus accrued and unpaid interest, if any, thereon to, but excluding, the applicable Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant interest payment date falling prior to or on the Redemption Date, if redeemed during the twelve-month period beginning on June 15, 2024 of each of the years indicated below:

Year	Euro Notes Redemption Price
2024	101.500%
2025	100.750%
2026 and thereafter	100.000%

(d) At any time prior to June 15, 2024, the Issuers may, at their option and on one or more occasions, redeem the aggregate principal amount of Euro Notes not to exceed the amount of the Net Cash Proceeds received by Parent from one or more Equity Offerings or a contribution to Parent’s common equity capital made with the Net Cash Proceeds of one or more Equity Offerings, upon notice in accordance with Section 3.03 of the Indenture, at a redemption price equal to (i) 103.000% of the aggregate principal amount of the Euro Notes redeemed, plus (ii) accrued and unpaid interest, if any, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the Euro Notes on the relevant Interest Payment Date falling prior to or on the Redemption Date; *provided* that (A) the amount redeemed shall not exceed 40% of the aggregate principal amount of the Euro Notes issued under the Indenture (including any Additional Euro Notes); (B) at least 50% of the aggregate principal amount of Euro Notes originally issued under the Indenture on the Issue Date remains outstanding immediately after the occurrence of each such redemption (unless all Euro Notes are redeemed or repurchased or to be

redeemed or repurchased substantially concurrently); and (C) each such redemption occurs within 180 days of the date of closing of the applicable Equity Offering.

(e) Notwithstanding the foregoing, in connection with any tender offer, Change of Control Offer, Alternate Offer, Asset Sale Offer or Advance Offer for the Euro Notes, if Holders of not less than 90% in aggregate principal amount of the then outstanding Euro Notes validly tender and do not validly withdraw such Euro Notes in such offer and the Issuers, or any third party making such offer in lieu of the Issuers, purchases all of the Euro Notes validly tendered and not validly withdrawn by such Holders, the Issuers or such third party will have the right upon not less than 10 days nor more than 60 days' prior notice, given not more than 60 days following such purchase date, to redeem all Euro Notes that remain outstanding following such purchase at a price equal to the price offered to each other Holder in such offer (which may be less than par and excluding any early tender or incentive fee in such offer) plus, to the extent not included in the offer payment, accrued and unpaid interest, if any, thereon, to, but excluding, the Redemption Date, subject to the right of Holders of record on the relevant Record Date to receive interest due on the relevant Interest Payment Date falling prior to or on the Redemption Date. In determining whether the Holders of at least 90% of the aggregate principal amount of the then outstanding Euro Notes have validly tendered and not validly withdrawn Euro Notes in a tender offer, Change of Control Offer, Alternate Offer, Asset Sale Offer or Advance Offer, as applicable, Euro Notes owned by an Affiliate of the Issuers or by funds controlled or managed by any Affiliate of the Issuers, or any successor thereof, or any Debt Fund Affiliate, shall be deemed to be outstanding for the purposes of such tender offer, Change of Control Offer, Alternate Offer, Asset Sale Offer or Advance Offer, as applicable.

(f) Any redemption pursuant to this paragraph (f) shall be made pursuant to the provisions of Sections 3.01 through 3.06 of the Indenture. Notice of any redemption (other than a Special Mandatory Redemption) or offer to purchase, whether in connection with an Equity Offering, Change of Control, Alternate Offer, Asset Sale Offer, Advance Offer or other transaction or event or otherwise, may, at the Issuers' discretion, be given prior to the completion or occurrence thereof, and any such redemption, offer to purchase or notice may, at the Issuers' discretion, be subject to one or more conditions precedent (including conditions precedent applicable to different amounts of Notes redeemed), including, but not limited to, completion or occurrence of the related Equity Offering, Change of Control, Alternate Offer, Asset Sale Offer, Advance Offer or other transaction or event, as the case may be. The Issuers may redeem Notes pursuant to one or more of the relevant provisions in the Indenture, and a single notice of redemption may be delivered with respect to redemptions made pursuant to different provisions. Any such notice may provide that redemptions made pursuant to different provisions will have different Redemption Dates or may specify the order in which redemptions taking place on the same Redemption Date are deemed to occur. In addition, if such redemption or offer to purchase is

subject to satisfaction of one or more conditions precedent, such notice shall state that, in the Issuers' discretion, the redemption or repurchase date may be delayed until such time (including more than 60 days after the date the notice of redemption or offer to purchase was sent) as any or all such conditions shall be satisfied (or waived by the Issuers in their sole discretion), or such redemption or purchase may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuers in their sole discretion) by the redemption or purchase date, or by the redemption or purchase date so delayed, or that such notice or offer may be rescinded at any time in the Issuers' sole discretion if the Issuers determine that any or all of such conditions will not be satisfied or waived. In addition, the Issuers may provide in such notice or offer to purchase that payment of the redemption or purchase price and performance of the Issuers' obligations with respect to such redemption or offer to purchase may be performed by another Person. The Issuers, Parent, its direct and indirect equityholders, including the Investors, any of its Subsidiaries and their respective Affiliates and members of the Issuers' management may acquire the Euro Notes by means other than a redemption or offer to purchase pursuant to this paragraph 5(f), whether by tender offer, open market purchases, negotiated transactions or otherwise.

6. Redemption for Taxation Reasons.

(a) The Issuers may redeem the Notes in whole, but not in part, at any time upon giving not less than 10 nor more than 60 days' notice to the Holders of the Euro Notes (with a copy to the Trustee and Paying Agent) (which notice will be irrevocable) at a redemption price equal to 100% of the principal amount thereof, together with accrued and unpaid interest, if any, to, but excluding, the date fixed for redemption (a "**Tax Redemption Date**") (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date occurring on or prior to the redemption date) and all Additional Amounts, if any, then due and which will become due on the Tax Redemption Date as a result of the redemption or otherwise, if any, if the Issuers or any Guarantor determines in good faith that, as a result of:

(i) any change in, or amendment to, the law or treaties (or any regulations or rulings promulgated thereunder) of a Relevant Taxing Jurisdiction affecting taxation; or

(ii) any change in, or amendment to, or the introduction of, an official written position regarding the application, administration or interpretation of such laws, treaties, regulations or rulings (including by virtue of a holding, judgment or order by a court of competent jurisdiction or a change in published practice or revenue guidance) of a Relevant Taxing Jurisdiction (each of the foregoing in clauses (i) and (ii), a "**Change in Tax Law**"),

(b) the relevant Payor (as defined below) is, or on the next interest payment date in respect of the Notes of such series would be, required to pay any Additional Amounts, and such obligation cannot be avoided by taking reasonable measures available to the relevant Payor (including, for the avoidance of doubt, the appointment of a new Paying Agent where this would be reasonable but not including assignment of the obligation to make payment with respect to the relevant series of Notes). In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that is a Relevant Taxing Jurisdiction at the date of the Offering Memorandum, such Change in Tax Law must be publicly announced and become effective after the date of the Offering Memorandum. In the case of redemption due to withholding as a result of a Change in Tax Law in a jurisdiction that becomes a Relevant Taxing Jurisdiction after the date of the Offering Memorandum, such Change in Tax Law must be publicly announced and become effective on or after the date the jurisdiction becomes a Relevant Taxing Jurisdiction. If the relevant Payor is a Guarantor, the foregoing provisions shall apply only if neither the Issuers nor any other Guarantor is able to make payments on the Notes without the payment of such Additional Amounts.

(c) Notice of redemption for taxation reasons will be published in accordance with the procedures described under Section 3.03 of the Indenture. Notwithstanding the foregoing, no such notice of redemption will be given (a) earlier than 90 days prior to the earliest date on which such Payor would be obliged to make such payment of Additional Amounts and (b) unless at the time such notice is given, such obligation to pay such Additional Amounts remains in effect. Prior to the publication or mailing of any notice of redemption of the Notes pursuant to the foregoing, such Payor will deliver to the Trustee and the Paying Agent (a) an Officer's Certificate stating that it is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to its right so to redeem have been satisfied and that it would not be able to avoid the obligation to pay Additional Amounts by taking reasonable measures available to it (which shall not include changing its jurisdiction of organization or tax residency) and (b) an opinion of an independent tax counsel of recognized standing to the effect that such Payor has or would become obligated to pay Additional Amounts as a result of a Change in Tax Law. The Trustee and Paying Agent shall accept, and will be entitled to conclusively rely on, such Officer's Certificate and opinion as sufficient evidence of the satisfaction of the conditions precedent described above, without further liability or further inquiry, in which event it will be conclusive and binding on the Holders.

The foregoing will apply *mutatis mutandis* to any successor to the Issuers and to any jurisdiction in which any successor to the Issuers is incorporated or organized, resident or engaged in business for tax purposes or has a permanent establishment in, or any political subdivision or taxing authority or agency thereof or therein.

8. *Redemption at Maturity*. On June 15, 2029, the Issuers will redeem the Euro Notes that have not been previously redeemed or purchased and cancelled at 100% of

their principal amount plus accrued and unpaid interest thereon and Additional Amounts, if any, to the redemption date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant interest payment date occurring on or prior to the redemption date).

9. *Mandatory Redemption.* The Issuers shall not be required to make any mandatory redemption or sinking fund payment with respect to the Euro Notes.

10. *Notice of Redemption.* Subject to Section 3.03 of the Indenture, notice of redemption shall be delivered electronically or mailed by first-class mail, postage prepaid, at least 10 days (except as set forth in paragraph 5(f) of this Euro Note) but not more than 60 days before the Redemption Date to each Holder whose Euro Notes are to be redeemed at such Holder's registered address stated in the Note Register or otherwise in accordance with the Applicable Procedures, except that redemption notices may be delivered electronically or mailed more than 60 days prior to a Redemption Date if the notice is issued in connection with Article 8 or Article 11 of the Indenture. Euro Notes and portions of Euro Notes selected for redemption shall be in integral multiples of €1,000 and no Euro Notes of €100,000 or less can be redeemed in part, except that if all of the Euro Notes of a Holder are to be redeemed, the entire outstanding amount of Euro Notes held by such Holder shall be redeemed, even if not in a principal amount of at least €100,000. On and after the Redemption Date, unless the Issuers default in the payment of the redemption price, interest ceases to accrue on this Euro Note or portions thereof called for redemption.

11. *Offers to Repurchase.* Upon the occurrence of a Change of Control, unless the Issuers have previously or concurrently sent a redemption notice with respect to all the outstanding Euro Notes as described under paragraph 5 of this Euro Note, the Issuers shall make a Change of Control Offer in accordance with Section 4.10 of the Indenture. In connection with certain Asset Sales, the Issuers shall make an Asset Sale Offer or an Advance Offer, as the case may be, as and when provided in accordance with paragraph 5 of this Euro Note and Section 4.07 of the Indenture.

Other than as specifically provided in Section 3.08 or Section 4.07 of the Indenture, any purchase pursuant to Section 3.08 of the Indenture shall be made pursuant to the applicable provisions of Sections 3.01 through 3.06 of the Indenture, and references therein or herein to "redeem," "redemption," "Redemption Date" and similar words shall be deemed to refer to "purchase," "repurchase," "Purchase Date" and similar words, as applicable.

12. *Denominations, Transfer, Exchange.* The Euro Notes are in registered form without coupons in minimum denominations of €100,000 and any integral multiple of €1,000 in excess thereof. The transfer of Euro Notes shall be registered and Euro Notes may only be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers and the Transfer Agent need not exchange or register the transfer of any Euro Note or portion of a Euro Note selected

for redemption, except for the unredeemed portion of any Euro Note being redeemed in part; *provided* that new Euro Notes will only be issued in minimum denominations of €100,000 and integral multiples of €1,000 in excess thereof. Also, the Issuers and the Transfer Agent need not exchange or register the transfer of any Euro Notes for a period of 15 days before the mailing of a notice of redemption of Euro Notes to be redeemed.

13. *Persons Deemed Owners.* The registered Holder of a Euro Note shall be treated as its owner for all purposes. Only registered Holders shall have rights hereunder.

14. *Amendment, Supplement and Waiver.* The Indenture, the Guarantees or the Euro Notes may be amended or supplemented as provided in the Indenture.

15. *Defaults and Remedies.*

(a) The Events of Default relating to the Dollar Notes are defined in Section 6.01 of the Indenture. If any Event of Default (other than an Event of Default of the type specified in clause (vi) or (vii) of Section 6.01(a) of the Indenture) occurs and is continuing under the Indenture, the Trustee or the Holders of not less than 30% in aggregate principal amount of all the then outstanding Notes may, by notice to the Issuers and the Trustee (if given by Holders), in either case specifying in such notice the respective Event of Default and that such notice is a “notice of acceleration,” declare the principal, premium, if any, interest and any other monetary obligations on all the then outstanding Notes to be due and payable immediately; *provided, however*, that a Default under clauses (iii), (iv), (v), (viii) or (ix) of Section 6.01(a) of the Indenture will not constitute an Event of Default until the Trustee or the Holders of 30% in principal amount of the then outstanding Notes notify the Issuers of the Default and the Issuers do not cure such Default within the time specified in such clauses after receipt of such notice. Any notice of Default under clauses (iii), (iv), (v), (viii) or (ix) of Section 6.01(a) of the Indenture, notice of acceleration with respect to an Event of Default under clauses (iii), (iv), (v), (viii) or (ix) of Section 6.01(a) of the Indenture or instruction to the Trustee to provide a notice of Default under clauses (iii), (iv), (v), (viii) or (ix) of Section 6.01(a) of the Indenture, notice of acceleration with respect to an Event of Default under clauses (iii), (iv), (v), (viii) or (ix) of Section 6.01(a) of the Indenture or take any other action with respect to an alleged Default or Event of Default under clauses (iii), (iv), (v), (viii) or (ix) of Section 6.01(a) of the Indenture (a “**Noteholder Direction**”) provided by any one or more Holders (each, a “**Directing Holder**”) must be accompanied by a written representation from each such Holder to the Issuers and the Trustee that such Holder is not, or, in the case such Holder is DTC or Euroclear or Clearstream (as applicable, the “**Relevant Clearing System**”) or the Relevant Clearing System’s nominee, that such Holder is being instructed solely by beneficial owners that are not, Net Short (a “*Position Representation*”), which representation, in the case of a Noteholder Direction relating to a notice of Default shall be deemed repeated at all times until the resulting Event of Default is cured or otherwise ceases to exist or the Notes are accelerated. In addition, each Directing Holder must, at the time of providing a Noteholder Direction, covenant to provide the Issuers with such

other information as the Issuers may reasonably request from time to time in order to verify the accuracy of such Directing Holder's Position Representation within five Business Days of request thereof (a "**Verification Covenant**"). In any case in which the Holder is the Relevant Clearing System or the Relevant Clearing System's nominee, any Position Representation or Verification Covenant required hereunder shall be provided by the beneficial owner of the Notes in lieu of the Relevant Clearing System or the Relevant Clearing System's nominee.

(b) If, following the delivery of a Noteholder Direction, but prior to acceleration of the Notes, the Issuers determine in good faith that there is a reasonable basis to believe a Directing Holder was, at any relevant time, in breach of its Position Representation and the Issuers or Parent provides to the Trustee an Officer's Certificate certifying that the Issuers or Parent (i) believes in good faith that there is a reasonable basis to believe a Directing Holder was at any relevant time in breach of its Position Representation or its Verification Covenant and (ii) has filed papers with a court of competent jurisdiction seeking a determination that such Directing Holder was, at such time, in breach of its Position Representation, and seeking to invalidate any Event of Default that resulted from the applicable Noteholder Direction, the cure period with respect to such Event of Default shall be automatically stayed pending a final and non-appealable determination of a court of competent jurisdiction on such matter. If such Officer's Certificate has been delivered to the Trustee, the Trustee shall refrain from acting in accordance with such Noteholder Direction until such time as the Issuers provide to the Trustee an Officer's Certificate stating that (i) a Directing Holder has satisfied its Verification Covenant or (ii) a Directing Holder has failed to satisfy its Verification Covenant, and during such time the cure period with respect to any Event of Default that resulted from the applicable Noteholder Direction shall be automatically stayed pending satisfaction of such Verification Covenant. Any breach of the Position Representation shall result in such Directing Holder's participation in such Noteholder Direction being disregarded; and, if, without the participation of such Directing Holder, the percentage of Notes held by the remaining Holders that provided such Noteholder Direction would have been insufficient to validly provide such Noteholder Direction, such Noteholder Direction shall be void *ab initio*, with the effect that such Event of Default shall be deemed never to have occurred, and any related acceleration rescinded, and the Trustee shall be deemed not to have received such Noteholder Direction or any notice of such alleged Default or Event of Default, shall not be permitted to act thereon and shall be restricted from accepting and acting on any future Noteholder Direction in relation to such Event of Default. If the Directing Holder has satisfied its Verification Covenant, then the Trustee shall be permitted to act in accordance with such Noteholder Direction. Notwithstanding the above, if such Directing Holder's participation is not required to achieve the requisite level of consent of Holders required under the Indenture to give such Noteholder Direction, the Trustee shall be permitted to act in accordance with such Noteholder Direction notwithstanding any action taken or to be taken by the Issuers (as described above). The Trustee shall be entitled to conclusively rely on any Noteholder Direction or Officer's Certificate delivered to it in accordance

with the Indenture without verification, investigation or otherwise as to the statements made therein.

(c) The Trustee may withhold from the Holders notice of any continuing Default, except a Default relating to the payment of principal, premium, if any, or interest, if it determines that withholding notice is in their interest.

(d) Holders of a majority in aggregate principal amount of all the Notes then outstanding, by written notice to the Trustee (with a copy to the Issuers, provided that any waiver or rescission under Section 6.04 of the Indenture shall be valid and binding notwithstanding the failure to provide a copy of such notice to the Issuer) may on behalf of the Holders of all of the Notes waive any existing Default and its consequences under the Indenture (including in connection with an Asset Sale Offer, an Advance Offer or a Change of Control Offer) and rescind any acceleration with respect to the Notes and its consequences under the Indenture (except if such rescission would conflict with any judgment of a court of competent jurisdiction and except a continuing Default in the payment of interest on, premium, if any, or the principal of any Note held by a non-consenting Holder). Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of the Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

(e) The Issuers are required to deliver to the Trustee annually a statement regarding compliance with the Indenture, and the Issuers shall promptly (which shall be no more than 20 Business Days after becoming aware of such Default) deliver to the Trustee by registered or certified mail or by facsimile transmission an Officer's Certificate specifying such Default, its status and what action the Issuers are taking or proposes to take with respect thereto (unless such Default has been cured or waived within such 20-Business Day time period).

16. *Guarantees.* The Issuers' obligations under the Euro Notes are fully and unconditionally guaranteed, jointly and severally, by the Guarantors.

17. *Authentication.* This Euro Note shall not be entitled to any benefit under the Indenture or be valid or obligatory for any purpose until authenticated by the manual signature of the Trustee.

18. *Governing Law.* THIS EURO NOTE, AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS EURO NOTE, WILL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

19. *Common Code Numbers and ISINs.* The Issuers have caused Common Code numbers and ISINs to be printed on the Euro Notes and the Trustee may use Common Code numbers and ISINs in notices of redemption as a convenience to Holders. No representation is made as to the accuracy of such numbers either as printed on the Euro Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.

The Issuers will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to the Issuers at the following address:

W I T N E S E T H

WHEREAS, Paysafe Finance PLC, a public limited company incorporated under the laws of England and Wales and Paysafe Holdings (US) Corp., a Delaware corporation (the “**Issuer**”), and the Guarantors have heretofore executed and delivered to the Trustee an Indenture (the “**Indenture**”), dated as of June 28, 2021, providing for (i) the issuance of 4.00% Senior Secured Notes due 2029 (the “**Dollar Notes**”) and (ii) the issuance of 3.00% Senior Secured Notes due 2029 (the “**Euro Notes**”) and together with the Dollar Notes, the “**Notes**”);

WHEREAS, the Indenture provides that under certain circumstances the Guaranteeing [Subsidiary]/[Subsidiaries] shall execute and deliver to the Trustee a supplemental indenture pursuant to which [the]/[each] Guaranteeing Subsidiary shall unconditionally guarantee all of the Issuers’ Obligations under the Notes and the Indenture on the terms and conditions set forth herein and under the Indenture (the “**Guarantee[s]**”); and

WHEREAS, pursuant to Section 9.01 of the Indenture, the Trustee is authorized to execute and deliver this Supplemental Indenture.

NOW THEREFORE, in consideration of the foregoing and for other good and valuable consideration, the receipt of which is hereby acknowledged, the parties mutually covenant and agree for the equal and ratable benefit of the Holders as follows:

3. *Execution and Delivery.* [The]/[Each] Guaranteeing Subsidiary agrees that its Guarantee shall remain in full force and effect notwithstanding the absence of the endorsement of any notation of such Guarantee on the Notes.

(b) *[Italian Guarantee Limitations.* For the purposes of this Supplemental Indenture:

(i) **“Acquisition Amounts”** means any amounts of the Notes the purpose or the actual use of which is to finance, directly or indirectly, the acquisition of any Guarantor incorporated or established, as the case may be, under the laws of the Republic of Italy (the **“Italian Guarantor”**) (or any of its direct or indirect holding companies) and/or the subscription of any shares or quota in any Italian Guarantor (or any of its direct or indirect holding companies) (or to refinance, directly or indirectly, any existing indebtedness incurred for such purposes) and/or the payment of any fees, costs and expenses, stamp, registration or other Taxes in connection therewith.

AGREED SECURITY PRINCIPLES

All capitalized terms in this Exhibit E are as defined in the Indenture or the Intercreditor Agreement (as applicable), unless stated otherwise or defined in Section 1 (Definitions) below.

1. Definitions

“Finance Document” means this Indenture, the Intercreditor Agreement and the Transaction Security Documents.

“Finance Party” means the “Senior Parent Creditors” as defined in the Intercreditor Agreement.

“Group” means Parent and each of its Subsidiaries from time to time.

“Obligor” means the Issuers and each Guarantor.

“Security Jurisdiction” means the United Kingdom and the United States.

“Transaction Security” means the “Collateral” as defined in this Indenture.

“Transaction Security Documents” means the “Security Documents” as defined in this Indenture.

2. Security Principles

(a) The guarantees and security to be provided will be given in accordance with the Agreed Security Principles set out in this Exhibit. This Exhibit addresses the manner in which the Agreed Security Principles will impact on the guarantees and security proposed to be taken in relation to this transaction.

(b) The Agreed Security Principles embody recognition by all parties that there may be certain legal and practical difficulties in obtaining guarantees and security from all Obligors in every jurisdiction in which Obligors are located. In particular:

(i) general legal and statutory limitations (including, but not limited to, with respect to the relevant jurisdictions for which guarantee limitation language is set out in Section 10.02 of the Indenture or as otherwise set out in a Supplemental Indenture, such limitations as set out therein), financial assistance, corporate benefit, fraudulent preference, “*thin capitalisation*”, “*earnings stripping*”, “*controlled foreign corporation*”, “*capital maintenance*” and “*liquidity impairment*” rules, retention of title claims, employee consultation or approval requirements and similar principles may limit the ability of a member of the Group to provide a

guarantee or security or may require that the guarantee or security be limited by an amount or otherwise;

(ii) the relevant Obligor will use reasonable endeavours to assist in demonstrating that adequate corporate benefit accrues to each relevant Obligor and to overcome any such other limitations to the extent reasonably practicable;

(iii) the Transaction Security and extent of its perfection will be agreed taking into account the cost to the Group of providing such security (including any increase to the tax and/or regulatory costs of the Group) so as to ensure that it is proportionate to the benefit accruing to the Finance Parties and the maximum guaranteed or secured amount may be limited to minimise stamp duty, notarisation, registration or other applicable fees, taxes and duties where the benefit of increasing the guaranteed or secured amount is disproportionate to the level of such fee, taxes and duties;

(iv) any assets subject to third party arrangements which are permitted by this Indenture and which prevent those assets from being charged, and any cash constituting regulatory capital or customer cash, will be excluded from any relevant Transaction Security Document;

(v) members of the Group will not be required to give guarantees or enter into security documents if: (1) they are not incorporated in a Security Jurisdiction, (2) in the good faith judgment of the directors of Parent, the creation of Transaction Security and/or the giving of a guarantee and/or otherwise becoming an Obligor could materially adversely affect the solvency capital requirements, of the Group (or any member thereof) pursuant to any applicable law or regulation applicable to such member of the Group, (3) if it would conflict with the fiduciary duties of their directors or managers, or (4) contravene any legal, contractual or regulatory prohibition or result in a risk of personal or criminal liability on the part of any officer;

(vi) if there are third party arrangements in place in respect of any asset, business or entity acquired by the Group (where those third party arrangements were not entered into in contemplation of that acquisition) as a result of which the consent of a third party is required for that acquired entity to provide a guarantee or to secure any acquired asset, such guarantee and/or security will not be required to be granted;

(vii) the granting or perfection of Transaction Security, when required, and other legal formalities will be completed as soon as reasonably practicable and, in any event, within the time periods specified in the Finance Documents therefore or (to the extent no such time periods are specified in the Finance Documents) within the time periods specified by applicable

law in order to ensure due perfection, in each case taking into account the Agreed Security Principles;

(viii) the granting or perfection of Transaction Security will not be required if it would have a material adverse effect on the ability of the relevant Obligor to conduct its operations and business in the ordinary course or as otherwise permitted by the Finance Documents (including notification of such security to any third party);

(ix) unless granted under a global Transaction Security Document governed by English law (a “**Debenture**”) in respect of all assets security (other than share security over (and receivables owed by) its guarantor company subsidiaries), the Transaction Security Document shall be governed by the law of and secure assets located in or otherwise governed or expressed to be governed by the laws of the jurisdiction of incorporation of that Obligor;

(x) no perfection action will be required in jurisdictions that are not Security Jurisdictions;

(xi) the maximum guaranteed or secured amount may be limited to minimise stamp duty, notarisation, registration or other applicable fees, taxes and duties;

(xii) no guarantee or Transaction Security shall guarantee or secure any “*Excluded Swap Obligations*” defined in accordance with the LSTA Market Advisory Update dated 15 February 2013 entitled “*Swap Regulations’ Implications for Loan Documentation*”, and any update thereto by the LSTA;

(xiii) other than filing an MR01 form with the Registrar of Companies (England and Wales) with respect to a Debenture, no perfection action will be required with respect to assets of a type not owned by members of the Group; and

(xiv) the Security Agent will hold one set of Transaction Security for the Secured Parties (subject to applicable law).

(c) The Security Agent (upon request or instruction, as applicable, in accordance with this Indenture) or the other Finance Parties, as the case may be, shall promptly discharge any guarantees and release any Transaction Security which is or are subject to any transaction permitted by this Indenture, subject to any legal or regulatory prohibition as is referred to in paragraph (b)(v) above or which is contrary to these Agreed Security Principles.

3. Guarantors and Security

- (a) Subject to due execution of all relevant documents, completion of all relevant formalities, legal reservations, perfection requirements, the application of the Agreed Security Principles and any qualifications or limitations which may be set out in any Finance Documents, guarantees will be provided by members of the Group to the extent required pursuant to Article 10 of this Indenture.
- (b) Each guarantee will, to the extent legally possible and subject to Article 10 of this Indenture and the Agreed Security Principles, be an upstream, cross-stream and downstream guarantee and for all liabilities of the Obligor under the Finance Documents in accordance with, and subject to, local law requirements and the requirements of the Agreed Security Principles in each relevant jurisdiction.
- (c) Transaction Security Documents will, to the extent legally possible and subject to the Agreed Security Principles, incorporate the defined terms used in the Intercreditor Agreement and secure the applicable Secured Obligations of the relevant Obligor to the Secured Obligations (under paragraph (b) thereof) or the Senior Parent Independent Secured Obligations (as applicable), in each case in accordance with, and subject to, local law requirements and the requirements of the Agreed Security Principles in each relevant jurisdiction and, in no circumstances, shall impose any obligation more onerous than those contained in this Indenture other than to the extent required by local law in order to create, enforce or perfect the security interest expressed to be created thereby.
- (d) Where an Obligor secures shares, the Transaction Security Document will be governed by the laws of the company whose shares are being charged or pledged and not by the law of the country of the Obligor. For the avoidance of doubt, the shares held by an Obligor in a Subsidiary other than the Issuers or the Company shall not be required to be the subject of Transaction Security other than in the case of Obligor incorporated in England and Wales that execute a Debenture.
- (e) To the extent legally effective, all security shall be given in favour of the Security Agent and not the Secured Parties individually. “Parallel debt” provisions will be used where necessary; such provisions will be contained in the Intercreditor Agreement and not the individual Security Documents unless required under local laws. To the extent possible, there should be no action required to be taken in relation to the guarantees or Transaction Security when any Holder assigns or transfers any of its participation in the Notes to a new Holder.
- (f) Any Transaction Security Document shall only be required to be notarised or notarially certified if required by law in order for the relevant Transaction Security to become effective or admissible in evidence.
- (g) Notwithstanding any term of any Finance Document, no obligation of a U.S. Person under this Indenture or under any Finance Document may be, directly or

indirectly: (i) guaranteed by a member of the Group (including, for this purpose, any direct or indirect subsidiaries acquired hereafter by the Company) that is a “*controlled foreign corporation*” (as defined in Section 957(a) of the Code) that has a “*United States shareholder*” (as defined in Section 951 of the Code) that is a member of the Group (such an entity, a “**CFC**”) or by an entity (a “**FSHCO**”) substantially all the assets of which consist of equity interests (or equity interests and indebtedness) of one or more CFCs or other FSHCOs, or guaranteed by a subsidiary of a CFC or FSHCO; (ii) secured by any assets of a CFC, FSHCO or a subsidiary of a CFC or a FSHCO (including any CFC or FSHCO equity interests held directly or indirectly by a CFC or FSHCO); (iii) secured by a pledge or other security interest in excess of 65% of the voting equity interests (and 100% of the non-voting equity interests) of a CFC or FSHCO; or (iv) guaranteed by any subsidiary or secured by a pledge of or security interest in any subsidiary or other asset, *provided that* the limitations described in this paragraph (g) shall not apply if taking the actions described in this paragraph (g) would not result in material US federal income taxes under Section 951(a)(1)(B) of the Code for a U.S. Person (as reasonably determined by the Borrowers and the Obligors’ Agent and the Agent after taking into account Treasury Regulations Section 1.956-1(a)(2) and Section 245A and any related guidance).

4. Release of Security

Unless required by local law, the circumstances in which the Transaction Security shall be released should not be dealt with in individual Transaction Security Documents but, if so required, shall provide that such Transaction Security will be released in accordance with this Indenture and the Intercreditor Agreement.

- (B) except as contemplated in sub-paragraph (A), compliance with such ratios, tests or baskets (and any related requirements and conditions) shall not be determined or tested at any time after the applicable LCT Test Date for such Limited Condition Transaction and any actions or transactions related thereto (including acquisitions, Investments, the incurrence, issuance or assumption of Indebtedness, Disqualified Stock or Preferred Stock and the use of proceeds thereof, the incurrence or assumption of Liens, repayments, Restricted Payments, the designation of any Restricted Subsidiaries or Unrestricted Subsidiaries, and Asset Sales or any disposition, issuance or other transactions excluded from the definition of “Asset Sale”); and

- (ii) if any related requirements and conditions (including as to the absence of any continuing Default or Event of Default) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of a Default or an Event of Default), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing); and

For the avoidance of doubt, if the Parent has exercised an LCT Election, and any Default, Event of Default or specified Event of Default occurs following the date the definitive agreements (or, if applicable, the date of delivery of a notice, declaration or making of a Restricted Payment or similar event) for the applicable Limited Condition Transaction were entered into and prior to the consummation of such Limited Condition Transaction, any such Default, Event of Default or specified Event of Default shall be deemed to not have occurred or be continuing for the purposes of determining whether any action being taken in connection with such Limited Condition Transaction is permitted under this Agreement.

- (f) The amount of each Lender's participation in each Letter of Credit will be equal to its L/C Proportion.
- (g) The Agent shall determine the Base Currency Amount of each Letter of Credit which is to be issued in an Optional Currency and shall notify the Issuing Bank and each Lender of the details of the requested Letter of Credit and its participation in that Letter of Credit by the Specified Time.
- (h) The Issuing Bank has no duty to enquire of any person whether or not any of the conditions set out in paragraph (b) above have been met. The Issuing Bank may assume that those conditions have been met unless it is expressly notified to the contrary by the Agent. The Issuing Bank will have no liability to any person for issuing a Letter of Credit based on such assumption.
- (i) The Issuing Bank is solely responsible for the form of the Letter of Credit that it issues. The Agent has no duty to monitor the form of that document.

6.6 Renewal of a Letter of Credit

- (a) A Revolving Facility Borrower (or the Parent on its behalf) may request that any Letter of Credit issued on behalf of that Revolving Facility Borrower be renewed by delivery to the Agent of a Renewal Request in substantially similar form to a Utilisation Request for a Letter of Credit by the Specified Time.
- (b) The Finance Parties shall treat any Renewal Request in the same way as a Utilisation Request for a Letter of Credit except that the conditions set out in paragraphs (vi) to (ix) of Clause 6.3 (*Completion of a Utilisation Request for Letters of Credit*) shall not apply.
- (c) The terms of each renewed Letter of Credit shall be the same as those of the relevant Letter of Credit immediately prior to its renewal, except that:
 - (i) its amount may be less than the amount of the Letter of Credit immediately prior to its renewal; and
 - (ii) its Term shall start on the date which was the Expiry Date of the Letter of Credit immediately prior to its renewal, and shall end on the proposed Expiry Date specified in the Renewal Request.
- (d) If the conditions set out in this Agreement have been met, the Issuing Bank shall amend and re-issue any Letter of Credit pursuant to a Renewal Request.

6.7 Reduction of a Letter of Credit

- (a) If, on the proposed Utilisation Date of a Letter of Credit, any Lender under the relevant Revolving Facility is a Non-Acceptable L/C Lender and:

(i) that Lender has failed to provide cash collateral to the Issuing Bank in accordance with Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover*); and

(ii) either:

(A) the Issuing Bank has not required the relevant Revolving Facility Borrower to provide cash cover pursuant to Clause 7.5 (*Requirement for cash cover from Borrower*); or

(B) the relevant Revolving Facility Borrower of that proposed Letter of Credit has not exercised its right to provide cash cover to the Issuing Bank in accordance with Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover*),

the Issuing Bank may reduce the amount of that Letter of Credit by an amount equal to the amount of the participation of that Non-Acceptable L/C Lender in respect of that Letter of Credit and that Non-Acceptable L/C Lender shall be deemed not to have any participation (or obligation to indemnify the Issuing Bank) in respect of that Letter of Credit for the purposes of the Finance Documents.

(b) The Issuing Bank shall notify the Agent and the Parent of each reduction made pursuant to this Clause 6.7.

(c) This Clause 6.7 shall not affect the participation of each other Lender in that Letter of Credit.

6.8 Revaluation of Letters of Credit

(b) The Parent shall, if requested by the Agent within five Business Days after any calculation under paragraph (a) above, ensure that within three Business Days after such request sufficient Revolving Facility Utilisations are prepaid to prevent the Base Currency Amount of the Revolving Facility Utilisations exceeding the Total Revolving Facility Commitments (after deducting the total Ancillary Commitments) by more than five per cent. following any adjustment to a Base Currency Amount under paragraph (a) above.

6.9 Reduction or expiry of Letter of Credit

If the amount of any Letter of Credit is wholly or partially reduced or it is repaid or prepaid or it expires prior to its Expiry Date, the relevant Issuing Bank and the relevant Revolving Facility Borrower that requested (or on behalf of which the Parent requested) the issue of that Letter of Credit shall promptly notify the Agent of the details upon becoming aware of them, *provided that* any failure to provide such details shall not constitute a Default or otherwise affect any Revolving Facility Borrower's rights under this Agreement (including requesting further Utilisations).

6.10 Appointment of additional Issuing Banks

- (a) Any Lender (or Affiliate of a Lender) which has agreed to the Parent's request to be an Issuing Bank pursuant to the terms of this Agreement shall become an Issuing Bank for the purposes of this Agreement upon notifying the Agent and the Parent that it has so agreed to be an Issuing Bank and acceding to this Agreement and the Intercreditor Agreement as an Issuing Bank and on making that notification that Lender (or Affiliate of a Lender) shall become bound by the terms of this Agreement as an Issuing Bank.
- (b) The Parent and any Issuing Bank may at any time and from time to time agree (at their sole discretion) any sub-limit on the amount of Letters of Credit to be issued by that Issuing Bank.
- (c) Where this Agreement or any other Finance Document imposes an obligation on an Issuing Bank and the relevant Issuing Bank is an Affiliate of a Lender which is not a party to that document, the relevant Lender shall ensure that the obligation is performed by its Affiliate.

6.11 Existing Letters of Credit and Ancillary Facilities

- (a) The Parent may by notice in writing to the Agent request that any letter of credit, guarantee, bond, indemnity, documentary or like credit or any other instrument of suretyship or payment, issued, undertaken or made prior to the Closing Date by any person which is a Lender under this Agreement (or an Affiliate of such a Lender) on behalf or at the request of any member of the Group be deemed to be issued under an Ancillary Facility or the Initial Revolving Facility and with effect from the later of the date specified in such notice (the "**Grandfathering Date**") (being a date not less than three Business Days, or such shorter period as the Agent may agree, after the date such notice is delivered to the Agent) and the Closing Date, such instrument (the "**Relevant Instrument**") shall be treated as outstanding under an Ancillary Facility or a Letter of Credit for all purposes under the Initial Revolving Facility or Ancillary Facility (as the case may be), *provided that*:
 - (i) the relevant entity that is the borrower of the Relevant Instrument or on whose behalf it has been issued will either (i) accede to this Agreement as a Revolving Facility Borrower on the Grandfathering Date in accordance with Clause 30 (*Changes to the Obligors*) or (ii) (in the case of a Relevant Instrument to be treated as outstanding under an Ancillary Facility) be approved as an Affiliate of a Revolving Facility Borrower by the Lender providing such Relevant Instrument in accordance with Clause 9.10 (*Affiliates of Borrowers*); and
 - (ii) the Agent receives, together with the notice specified in this Clause 6.11, a copy of the Relevant Instrument, detailing the amounts outstanding thereunder and the identity of the Lenders under the Relevant Instrument.
- (b) The Lender (or as the case may be, the Affiliate of the Lender) under a Relevant Instrument will (unless it is already an Ancillary Lender, or, as the case may be, an Issuing Bank) become an Ancillary Lender or, as the case may be, an Issuing Bank with respect to each Relevant Instrument issued, undertaken or made by it, in each case subject to the Agent having received notification in writing from such Lender (or, as the case may be, the Affiliate of such Lender) that it agrees to the Relevant Instrument being treated as outstanding under an Ancillary Facility or, as the case may be, a Letter of Credit for all purposes under this Agreement.

7. LETTERS OF CREDIT

7.1 Immediately payable

If a Letter of Credit or any amount outstanding under a Letter of Credit is expressed to be immediately payable, the Revolving Facility Borrower that requested (or on behalf of which the Parent requested) the issue of that Letter of Credit shall repay or prepay that amount promptly on demand by the relevant Issuing Bank.

7.2 Claims under a Letter of Credit

- (a) Each Revolving Facility Borrower irrevocably and unconditionally authorises the Issuing Bank to pay any claim made or purported to be made under a Letter of Credit requested by it (or requested by the Parent on its behalf) and which appears on its face to be in order (in this Clause 7, a claim).
- (b) Each Revolving Facility Borrower shall within five Business Days after demand pay to the Agent for the Issuing Bank an amount equal to the amount of any claim or, *provided that* no Declared Default has occurred and is continuing, may elect that such claim be converted to a Revolving Facility Loan.
- (c) Each Revolving Facility Borrower acknowledges that the Issuing Bank:
 - (i) is not obliged to carry out any investigation or seek any confirmation from any other person before paying a claim; and
 - (ii) deals in documents only and will not be concerned with the legality of a claim or any underlying transaction or any available set-off, counterclaim or other defence of any person.
- (d) The obligations of a Revolving Facility Borrower under this Clause 7 will not be affected by:
 - (i) the sufficiency, accuracy or genuineness of any claim or any other document; or
 - (ii) any incapacity of, or limitation on the powers of, any person signing a claim or other document.

7.3 Indemnities

- (a) Each Revolving Facility Borrower shall promptly on demand indemnify the Issuing Bank against any cost, loss or liability incurred by the Issuing Bank (otherwise than by reason of the Issuing Bank's gross negligence or wilful misconduct) in acting as the Issuing Bank under any Letter of Credit requested by (or on behalf of) that Revolving Facility Borrower.
- (b) Each Lender shall (according to its L/C Proportion) immediately on demand indemnify the Issuing Bank against any cost, loss or liability incurred by the Issuing Bank (otherwise than by reason of the Issuing Bank's gross negligence or wilful misconduct) in acting as the Issuing Bank under any Letter of Credit (unless the Issuing Bank has been reimbursed by an Obligor pursuant to a Finance Document).
- (c) The Revolving Facility Borrower which requested (or on behalf of which the Parent requested) a Letter of Credit shall promptly on demand reimburse any Lender for any

payment it makes to the Issuing Bank under this Clause 7.3 in respect of that Letter of Credit except to the extent arising out of the negligence of, wilful misconduct of, or material breach of the terms of this Agreement in relation to such Letter of Credit by, such Lender.

- (d) The obligations of each Lender or Revolving Facility Borrower under this Clause are continuing obligations and will extend to the ultimate balance of sums payable by that Lender or Revolving Facility Borrower in respect of any Letter of Credit, regardless of any intermediate payment or discharge in whole or in part.
- (e) If a Revolving Facility Borrower has provided cash cover in respect of a Lender's participation in that Letter of Credit, the Issuing Bank shall seek reimbursement from that cash cover before making a demand of that Lender under paragraph (b) above. Any recovery made by an Issuing Bank pursuant to that cash cover will reduce that Lender's liability under paragraph (b) above.
- (f) The obligations of any Lender or Revolving Facility Borrower under this Clause will not be affected by any act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Clause (without limitation and whether or not known to it or any other person) including:
 - (i) any time, waiver or consent granted to, or composition with, any Obligor, any beneficiary under a Letter of Credit or any other person;
 - (ii) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor or any member of the Group;
 - (iii) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor, any beneficiary under a Letter of Credit or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
 - (iv) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor, any beneficiary under a Letter of Credit or any other person;
 - (v) any amendment (however fundamental) or replacement of a Finance Document, any Letter of Credit or any other document or security;
 - (vi) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document, any Letter of Credit or any other document or security; or
 - (vii) any insolvency or similar proceedings.

7.4 Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover

- (a) If, at any time but subject to paragraph (g) below, a Lender under a Revolving Facility is a Non-Acceptable L/C Lender, the Issuing Bank may, by notice to that Lender, request that Lender to pay and that Lender shall pay, on or prior to the date falling five Business Days after the request by the Issuing Bank, an amount equal to that Lender's L/C Proportion of:
 - (i) the outstanding amount of a Letter of Credit; or

- (ii) in the case of a proposed Letter of Credit, the amount of that proposed Letter of Credit,
and in the currency of that Letter of Credit to an interest-bearing account held in the name of that Lender with the Issuing Bank.
- (b) The Non-Acceptable L/C Lender to whom a request has been made in accordance with paragraph (a) above shall enter into a security document or other form of collateral arrangement over the account, in form and substance satisfactory to the Issuing Bank, as collateral for any amounts due and payable under this Agreement by that Lender to the Issuing Bank in respect of that Letter of Credit.
- (c) Subject to paragraph (f) below, withdrawals from the account may only be made to pay the Issuing Bank amounts due and payable to it under this Agreement by the Non-Acceptable L/C Lender in respect of that Letter of Credit until no amount is or may be outstanding under that Letter of Credit.
- (d) If a Revolving Facility Lender is a Non-Acceptable L/C Lender, it shall notify the Agent and the Parent:
- (i) on any later date on which it becomes such a Lender in accordance with Clause 2.2 (*Increase*), 2.3 (*Incremental Facility*) or Clause 29 (*Changes to the Lenders*); and
- (ii) as soon as practicable upon becoming aware of the same,
and an indication in an Assignment Agreement, in a Transfer Certificate, in an Increase Confirmation, in an Extension Amendment or in a Refinancing Amendment to that effect will constitute a notice under paragraph (i) above to the Agent.
- (e) Any notice received by the Agent pursuant to paragraph (d) above shall constitute notice to the Issuing Bank of that Lender's status and the Agent shall, upon receiving each such notice, promptly notify the Issuing Bank of that Lender's status as specified in that notice.
- (f) Notwithstanding paragraph (c) above, a Lender who has provided cash collateral in accordance with this Clause 7.4 may, by notice to the Issuing Bank, request that an amount equal to the amount provided by it as collateral in respect of the relevant Letter of Credit (together with any accrued interest) be returned to it:
- (i) to the extent that such cash collateral has not been applied in satisfaction of any amount due and payable under this Agreement by that Lender to the Issuing Bank in respect of the relevant Letter of Credit:
- (ii) if:
- (A) it ceases to be a Non-Acceptable L/C Lender;
- (B) its obligations in respect of the relevant Letter of Credit are transferred to a New Lender in accordance with the terms of this Agreement; or
- (C) an Increase Lender has agreed to undertake that Lender's obligations in respect of the relevant Letter of Credit in accordance with the terms of this Agreement; and

(iii) if no amount is due and payable by that Lender in respect of a Letter of Credit,

and the Issuing Bank shall pay that amount to the Lender within five Business Days after that Lender's request (and shall cooperate with the Lender in order to procure that the relevant security or collateral arrangement is released and discharged).

- (g) If the Issuing Bank sends a notice to a Lender under paragraph (a) above at a time when the Issuing Bank is a Non-Acceptable L/C Lender or, would be a Non-Acceptable L/C Lender if it were a Lender under a Revolving Facility (as the case may be), the relevant Lender to whom the notice is delivered will not be under any obligation to pay an amount requested under such notice, and it will not as a result of such non-payment become a Defaulting Lender.
- (h) To the extent that a Non-Acceptable L/C Lender fails to provide cash collateral (or notifies the Issuing Bank that it will not provide cash collateral) when required in accordance with this Clause 7.4 in respect of a proposed Letter of Credit, the Issuing Bank shall promptly notify the Parent (with a copy to the Agent) and the relevant Revolving Facility Borrower of that proposed Letter of Credit (or the Parent) may (at its sole and absolute discretion), provide cash cover to an account with the Issuing Bank in an amount equal to that Lender's L/C Proportion of the amount of that proposed Letter of Credit.

7.5 Requirement for cash cover from Borrower

If:

- (a) a Non-Acceptable L/C Lender fails to provide cash collateral (or notifies the Issuing Bank and the Parent that it will not provide cash collateral) in accordance with Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover*) in respect of a Letter of Credit that has been issued;
- (b) the Issuing Bank notifies the Parent (with a copy to the Agent) that it requires the Revolving Facility Borrower of the relevant Letter of Credit to provide cash cover to an account with the Issuing Bank in an amount equal to that Lender's L/C Proportion of the outstanding amount of that Letter of Credit; and
- (c) that Revolving Facility Borrower has not already provided such cash cover which is continuing to stand as collateral,

then that Revolving Facility Borrower (or the Parent) shall provide such cash cover within three Business Days after the notice referred to in paragraph (b) above.

7.6 Regulation and consequences of cash cover provided by Borrower

- (a) Any cash cover provided by a Revolving Facility Borrower pursuant to Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover*) or Clause 7.5 (*Requirement for cash cover from Borrower*) may be funded out of a Revolving Facility Loan.
- (b) Notwithstanding paragraph (e) of Clause 1.2 (*Construction*), the relevant Revolving Facility Borrower may request that an amount equal to the cash cover (together with any accrued interest) provided by it pursuant to Clause 7.4 (*Cash collateral by Non-Acceptable*

L/C Lender and Borrower's option to provide cash cover) or Clause 7.5 (*Requirement for cash cover from Borrower*) be returned to it:

(i) to the extent that such cash cover has not been applied in satisfaction of any amount due and payable under this Agreement by that Revolving Facility Borrower to the Issuing Bank in respect of a Letter of Credit;

(ii) if:

(A) the relevant Lender is not or ceases to be a Non-Acceptable L/C Lender;

(B) the relevant Lender's obligations in respect of the relevant Letter of Credit are transferred to a New Lender in accordance with the terms of this Agreement; or

(C) an Increase Lender has agreed to undertake the relevant Lender's obligations in respect of the relevant Letter of Credit in accordance with the terms of this Agreement; and

(iii) if no amount is due and payable by the relevant Lender in respect of the relevant Letter of Credit,

and the Issuing Bank shall pay that amount to that Revolving Facility Borrower within five Business Days after that Revolving Facility Borrower's request.

(c) To the extent that a Revolving Facility Borrower has provided cash cover pursuant to Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover*) or Clause 7.5 (*Requirement for cash cover from Borrower*), the relevant Lender's L/C Proportion in respect of that Letter of Credit will remain (but that Lender's obligations in relation to that Letter of Credit may be satisfied in accordance with paragraph (e)(ii) of Clause 1.2 (*Construction*)). However, the relevant Revolving Facility Borrower's obligation to pay any Letter of Credit fee in relation to the relevant Letter of Credit to the Agent (for the account of that Lender) in accordance with paragraph (b) of Clause 17.5 (*Fees payable in respect of Letters of Credit*) will be reduced proportionately as from the date on which it provides that cash cover (and for so long as the relevant amount of cash cover continues to stand as collateral).

(d) The relevant Issuing Bank shall promptly notify the Agent of the extent to which a Revolving Facility Borrower provides cash cover pursuant to Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover*) or Clause 7.5 (*Requirement for cash cover from Borrower*) and of any change in the amount of cash cover so provided.

7.7 Rights of contribution

No Obligor will be entitled to any right of contribution or indemnity from any Finance Party in respect of any payment it may make under this Clause 7.

8. OPTIONAL CURRENCIES

8.1 Selection of currency

A Revolving Facility Borrower (or the Parent on its behalf) shall select the currency of a Revolving Facility Utilisation in a Utilisation Request.

8.2 Unavailability of a currency

If before the Specified Time on any Quotation Day:

- (a) a Lender notifies the Agent that an Optional Currency requested under paragraph (a)(ii) of Clause 4.3 (*Conditions relating to Optional Currencies*) is not readily available to it in the amount required; or
- (b) a Lender notifies the Agent that compliance with its obligation to participate in a Loan in an Optional Currency requested under paragraph (a)(ii) of Clause 4.3 (*Conditions relating to Optional Currencies*) would contravene a law or regulation applicable to it,

the Agent will give notice to the relevant Borrower (or the Parent on its behalf) and the Parent to that effect by the Specified Time on that day. In this event, any Lender that gives notice pursuant to this Clause 8.2 will be required to participate in the Loan in the Base Currency (in an amount equal to that Lender's proportion of the Base Currency Amount, or in respect of a Rollover Loan, an amount equal to that Lender's proportion of the Base Currency Amount of the Rollover Loan that is due to be made) and its participation will be treated as a separate Loan denominated in the Base Currency during that Interest Period.

8.3 Agent's calculations

Each Lender's participation in a Loan will be determined in accordance with paragraph (b) of Clause 5.4 (*Lenders' participation*).

9. ANCILLARY FACILITIES

9.1 Type of Facility

An Ancillary Facility may be by way of:

- (a) an overdraft, cheque clearing, automatic payment or other current account or similar facility;
- (b) a guarantee, bonding, documentary or stand-by letter of credit facility;
- (c) a short term loan facility;
- (d) a derivatives facility;
- (e) a foreign exchange facility; or
- (f) any other facility or accommodation required or desirable in connection with the business of the Group and which is agreed by the Parent and the relevant Ancillary Lender.

- (b) An Ancillary Facility shall not be made available unless, not later than three Business Days prior to the Ancillary Commencement Date for an Ancillary Facility (or such later date as may be agreed by the relevant Ancillary Lender), the Agent has received from the Parent:
- (i) a notice in writing of the establishment of an Ancillary Facility and specifying:
- (A) the Revolving Facility to which it relates;
 - (B) the proposed Revolving Facility Borrower(s) (or, subject to Clause 9.10 (*Affiliates of Borrowers*), Affiliates of Revolving Facility Borrowers) which may use the Ancillary Facility;
 - (C) the proposed Ancillary Commencement Date and expiry date of the Ancillary Facility;
 - (D) the proposed type of Ancillary Facility to be provided;
 - (E) the proposed Ancillary Lender(s);
 - (F) the proposed Ancillary Commitment, the maximum amount of the Ancillary Facility and, in the case of a Multi-account Overdraft, its Designated Gross Amount and its Designated Net Amount; and
 - (G) the proposed currency of the Ancillary Facility (if not denominated in the Base Currency); and
- (ii) any other information which the Agent may reasonably request in connection with the Ancillary Facility.
- (c) The Agent shall promptly notify the Ancillary Lender and the other Lenders of the establishment of an Ancillary Facility.
- (d) Subject to compliance with paragraph (b) above:
- (i) the Lender(s) concerned will become an Ancillary Lender; and
 - (ii) the Ancillary Facility will be available,
- with effect from the date agreed by the Parent and the Ancillary Lender.

9.3 Terms of Ancillary Facilities

- (a) Except as provided below, the terms of any Ancillary Facility will be those agreed by the Ancillary Lender and the Parent.
- (b) Those terms:
- (i) to the extent relating to the rate of interest, fees and other remuneration in respect of that Ancillary Facility, must be based upon normal commercial terms at that time (except as varied by this Agreement);

- (ii) may allow only Revolving Facility Borrowers (or subject to Clause 9.10 (*Affiliates of Borrowers*) Affiliates of Revolving Facility Borrowers) to use the Ancillary Facility;
 - (iii) may not allow the Ancillary Outstandings to exceed the Ancillary Commitment;
 - (iv) may not allow a Lender's Ancillary Commitment to exceed that Lender's Available Commitment relating to the relevant Revolving Facility (before taking into account the effect of the Ancillary Facility on that Available Commitment); and
 - (v) must require that the Ancillary Commitment is reduced to zero, and that all Ancillary Outstandings are repaid not later than the Termination Date applicable to the relevant Revolving Facility (or such earlier date as the applicable Revolving Facility Commitment of the relevant Ancillary Lender (or its Affiliate) is reduced to zero).
- (c) If there is any inconsistency between any term of an Ancillary Facility and any term of this Agreement, this Agreement shall prevail except for:
- (i) Clause 37.3 (*Day count convention*) which shall not prevail for the purposes of calculating fees, interest or commission relating to an Ancillary Facility;
 - (ii) an Ancillary Facility comprising more than one account where the terms of the Ancillary Documents shall prevail to the extent required to permit the netting of balances on those accounts; and
 - (iii) where the relevant term of this Agreement would be contrary to, or inconsistent with, the law governing the relevant Ancillary Document, in which case that term of this Agreement shall not prevail.
- (d) Interest, commission and fees on Ancillary Facilities are dealt with in Clause 17.3 (*Interest, commission and fees on Ancillary Facilities*).

9.4 Repayment of Ancillary Facility

- (a) An Ancillary Facility shall cease to be available on the Termination Date in relation to the applicable Revolving Facility or such earlier date on which its expiry date occurs or on which it is cancelled in accordance with the terms of this Agreement unless otherwise agreed in writing with the relevant Ancillary Lender pursuant to Clause 9.14 (*Continuation of Ancillary Facilities*).
- (b) If an Ancillary Facility expires in accordance with its terms the Ancillary Commitment of the Ancillary Lender shall be reduced to zero.
- (c) No Ancillary Lender may demand repayment or prepayment of any Ancillary Outstandings or demand cash cover for any liabilities made available or incurred by it under its Ancillary Facility prior to the expiry date of the relevant Ancillary Facility unless:
 - (i) all Revolving Facility Commitments in respect of the relevant Revolving Facility have been cancelled in full, or all outstanding Utilisations under the relevant Revolving Facility have become due and payable in accordance with the terms of this Agreement;

- (ii) it has, after the date of this Agreement (or, if later, the date on which the relevant Ancillary Facility Lender became a Party as an Incremental Facility Lender), become unlawful in any applicable jurisdiction for that Ancillary Lender to perform any of its obligations as contemplated by this Agreement or to fund, issue or maintain its participation in its Ancillary Facility (or it has become unlawful for any Affiliate of the Ancillary Lender which is an Ancillary Lender under Clause 9.9 (*Affiliates of Lenders as Ancillary Lenders*) to do so);
- (iii) where required to bring any Gross Outstandings down to the net limit;
- (iv) both:
 - (A) the Available Commitments relating to the relevant Revolving Facility; and
 - (B) the notice of the demand given by the Ancillary Lender,would not prevent the relevant Revolving Facility Borrower funding the repayment of those Ancillary Outstandings in full by way of Revolving Facility Utilisations under the relevant Revolving Facility and the Ancillary Lender gives sufficient notice to enable a Revolving Facility Utilisation to be made to refinance those Ancillary Outstandings; or
- (v) as agreed by the Parent in writing.
- (d) If a Revolving Facility Utilisation is made to repay Ancillary Outstandings in full, the relevant Ancillary Commitment shall be reduced to zero.
- (e) For the purposes of determining whether or not the Ancillary Outstandings under an Ancillary Facility mentioned in paragraph (c)(iv) above can be refinanced by a Utilisation of the relevant Revolving Facility:
 - (i) the Revolving Facility Commitment of the Ancillary Lender under that Revolving Facility will be increased by the amount of its Ancillary Commitment; and
 - (ii) the Utilisation may (so long as paragraph (c)(i) does not apply) be made irrespective of whether a Default is outstanding or any applicable condition precedent is not satisfied (but only to the extent that the proceeds are applied in refinancing those Ancillary Outstandings and irrespective of whether Clause 4.2 (*Further conditions precedent*) or paragraph (a)(iv) of Clause 5.2 (*Completion of a Utilisation Request for Loans*) applies.
- (f) On the making of a Utilisation of a Revolving Facility to refinance all or part of any Ancillary Outstandings:
 - (i) each Lender will participate in that Utilisation in an amount (as determined by the Agent) which will result as nearly as possible in the aggregate amount of its participation in the Revolving Facility Utilisations then outstanding bearing the same proportion to the aggregate amount of the Revolving Facility Utilisations then outstanding as its Revolving Facility Commitment bears to the Total Revolving Facility Commitments, in each case, under that Revolving Facility; and

(ii) the relevant Ancillary Facility shall be cancelled to the extent of such refinancing.

(g) In relation to an Ancillary Facility which comprises an overdraft facility where a Designated Net Amount has been established, the Ancillary Lender providing that Ancillary Facility shall only be obliged to take into account for the purposes of calculating compliance with the Designated Net Amount the Available Credit Balance which it is permitted to take into account by the then current law and regulations in relation to its reporting of exposures to the applicable regulatory authorities as netted for capital adequacy purposes.

9.5 Limitation on Ancillary Outstandings

The Parent shall procure that:

(ii) the Gross Outstandings shall not exceed the Designated Gross Amount applicable to that Multi-account Overdraft.

9.6 Voluntary cancellation of Ancillary Facilities

Unless otherwise agreed with the relevant Ancillary Lender, the Parent may, if it gives the Agent and the relevant Ancillary Lender not less than five Business Days' notice, cancel the whole or any part of the Ancillary Commitment under an Ancillary Facility.

9.7 Adjustment for Ancillary Facilities upon acceleration

(a) In this Clause 9.7:

(i) Revolving Outstandings means, in relation to a Lender and a Revolving Credit Facility the aggregate of the equivalent in the Base Currency of:

(A) its participation in each Revolving Facility Utilisation then outstanding under that Revolving Facility (together with the aggregate amount of all accrued interest, fees and commission owed to it as a Lender under that Revolving Facility); and

(B) if the Lender is also an Ancillary Lender, the Ancillary Outstandings in respect of Ancillary Facilities provided by that Ancillary Lender (or by its Affiliate) under that Revolving Facility (together with the aggregate amount of all accrued interest, fees and commission owed to it (or to its Affiliate) as an Ancillary Lender in respect of the Ancillary Facility); and

(ii) Total Revolving Outstandings means the aggregate of all Revolving Outstandings.

(b) If a Declared Default occurs, each Lender and each Ancillary Lender shall (subject to paragraph (g) below) promptly adjust (by making or receiving (as the case may be)

corresponding transfers of rights and obligations under the Finance Documents relating to Revolving Outstandings) their claims in respect of amounts outstanding to them under each Revolving Facility and each Ancillary Facility to the extent necessary to ensure that after such transfers the Revolving Outstandings of each Lender bear the same proportion to the Total Revolving Outstandings as such Lender's Revolving Facility Commitment bears to the Total Revolving Facility Commitments each as at the date the notice is served under paragraphs (b)(i) and (b)(ii) of Clause 28.5 (*Acceleration*).

- (c) If an amount outstanding under an Ancillary Facility is a contingent liability and that contingent liability becomes an actual liability or is reduced to zero after the original adjustment is made under paragraph (b) above, then each Lender and Ancillary Lender will make a further adjustment (by making or receiving (as the case may be) corresponding transfers of rights and obligations under the Finance Documents relating to Revolving Outstandings to the extent necessary) to put themselves in the position they would have been in had the original adjustment been determined by reference to the actual liability or, as the case may be, zero liability and not the contingent liability.
- (d) Any transfer of rights and obligations relating to Revolving Outstandings made pursuant to this Clause 9.7 shall be made for a purchase price in cash, payable at the time of transfer, in an amount equal to those Revolving Outstandings (less any accrued interest, fees and commission to which the transferor will remain entitled to receive notwithstanding that transfer, pursuant to Clause 29.12 (*Pro rata interest settlement*)).
- (e) Prior to the application of the provisions of paragraph (b) above, an Ancillary Lender that has provided a Multi-account Overdraft shall set-off any Available Credit Balance on any account comprised in that Multi-account Overdraft.
- (f) All calculations to be made pursuant to this Clause 9.7 shall be made by the Agent based upon information provided to it by the Lenders and Ancillary Lenders and the Agent's Spot Rate of Exchange.
- (g) This Clause 9.7 shall not oblige any Lender to accept the transfer of a claim relating to an amount outstanding under an Ancillary Facility which is not denominated (pursuant to the relevant Finance Document) in either the Base Currency, a currency which has been an Optional Currency for the purpose of any Revolving Facility Utilisation or in another currency which is acceptable to that Lender.

9.8 Information

The Parent and each Ancillary Lender shall, promptly upon request by the Agent, supply the Agent with any information relating to the operation of an Ancillary Facility (including the Ancillary Outstandings) as the Agent may reasonably request from time to time. Each Borrower consents to all such information being released to the Agent and the other Finance Parties.

9.9 Affiliates of Lenders as Ancillary Lenders

- (a) Subject to the terms of this Agreement, an Affiliate of a Lender under a Revolving Facility may become an Ancillary Lender. In such case, the relevant Lender or its Affiliate shall be treated for all purposes of this Agreement other than under Clause 18 (*Taxes*) as a single Lender whose Revolving Facility Commitment in respect of that Revolving Facility is the amount of the relevant Lender's Revolving Facility Commitment under the relevant Revolving Facility or, as the case may be, as set out in the relevant Incremental Facility

Increase Notice and/or the amount of any Revolving Facility Commitment in respect of that Revolving Facility transferred to or assumed by that Lender under this Agreement, to the extent (in each case) not cancelled, reduced or transferred by it under this Agreement. For the purposes of Clause 18 (*Taxes*), the Affiliate shall be treated as a Lender in its own right which becomes a party to this Agreement on the date that it becomes an Ancillary Lender under the relevant Ancillary Facility.

- (b) The Parent shall specify any relevant Affiliate of a Revolving Facility Lender in any notice delivered by the Parent to the Agent pursuant to paragraph (b)(i) of Clause 9.2 (*Availability*).
- (c) An Affiliate of a Revolving Facility Lender which becomes an Ancillary Lender shall accede to the Intercreditor Agreement as a Senior Lender and any person which so accedes to the Intercreditor Agreement shall, at the same time, become a Party as an Ancillary Lender in accordance with Clause 19.7 (*Creditor/Agent Accession Undertaking*) of the Intercreditor Agreement.
- (d) If a Revolving Facility Lender assigns all of its rights and benefits or transfers all of its rights and obligations to a New Lender, its Affiliate shall cease to have any obligations under this Agreement or any Ancillary Document.
- (e) Where this Agreement or any other Finance Document imposes an obligation on an Ancillary Lender and the relevant Ancillary Lender is an Affiliate of a Revolving Facility Lender which is not a party to that document, the relevant Revolving Facility Lender shall ensure that the obligation is performed by its Affiliate.

9.10 Affiliates of Borrowers

- (a) Subject to the terms of this Agreement, an Affiliate of a Revolving Facility Borrower may with the approval of the relevant Ancillary Lender become a borrower with respect to an Ancillary Facility.
- (b) The Parent shall specify any relevant Affiliate of a Revolving Facility Borrower in any notice delivered by the Parent to the Agent pursuant to paragraph (b) of Clause 9.2 (*Availability*).
- (c) If a Borrower ceases to be a Revolving Facility Borrower under this Agreement in accordance with Clause 30.3 (*Resignation of a Borrower*), its Affiliate shall cease to have any rights under this Agreement or any Ancillary Document.
- (d) Where this Agreement or any other Finance Document imposes an obligation on a Revolving Facility Borrower under an Ancillary Facility and the relevant Revolving Facility Borrower is an Affiliate of a Revolving Facility Borrower which is not a party to that document, the relevant Revolving Facility Borrower shall ensure that the obligation is performed by its Affiliate.
- (e) Any reference in this Agreement or any other Finance Document to a Borrower being under no obligations (whether actual or contingent) as a Borrower under such Finance Document shall be construed to include a reference to any Affiliate of a Borrower being under no obligations under any Finance Document or Ancillary Document.

9.11 Revolving Facility Commitment amounts

Notwithstanding any other term of this Agreement, each Lender shall ensure that at all times its Revolving Facility Commitment in respect of that Revolving Facility is not less than:

- (a) its Ancillary Commitment; or
- (b) the Ancillary Commitment of its Affiliate,

in each case in respect of its Revolving Facility Commitment in respect of that Revolving Facility.

9.12 Amendments and Waivers – Ancillary Facilities

No consent, amendment or waiver of a term of any Ancillary Facility shall require the consent of any Finance Party other than the relevant Ancillary Lender unless such consent, amendment or waiver itself relates to or gives rise to a matter which would require an amendment of or under this Agreement (including, for the avoidance of doubt, under this Clause 9). In such a case, Clause 40 (*Amendments and Waivers*) will apply.

9.13 Adjustments required in relation to Ancillary Facilities

The Agent may, by notice in writing to the Revolving Facility Lenders, reallocate drawn and undrawn Revolving Facility Commitments at the end of an Interest Period among Revolving Facility Lenders as may be necessary to ensure that any Revolving Facility Lender that intends to enter into an Ancillary Facility has an undrawn Revolving Facility Commitment sufficient to allow it to enter into such Ancillary Facility, in each case, under the relevant Revolving Facility, *provided that* for the avoidance of doubt no such reallocation may increase any Revolving Facility Lender's Revolving Facility Commitment.

9.14 Continuation of Ancillary Facilities

- (a) A Revolving Facility Borrower and an Ancillary Lender may, as between themselves only, agree to continue to provide the same Ancillary Facilities following the Termination Date applicable to the relevant Facility or, as the case may be, the date the relevant Commitments are otherwise cancelled under this Agreement (the “**Cancellation Date**”).
- (b) If any arrangement contemplated in paragraph (a) above is to occur, each relevant Revolving Facility Borrower and the Ancillary Lender shall each confirm that to be the case in writing to the Agent. Upon such Termination Date or, as the case may be, Cancellation Date, any such Ancillary Facility shall continue as between the said entities on a bilateral basis and not as part of, or under, the Finance Documents. Save for any rights and obligations against any Finance Party under such Ancillary Facility arising prior to such Termination Date or, as the case may be, Cancellation Date, no such rights or obligations in respect of such Ancillary Facility shall, as between the Finance Parties, continue and the Transaction Security shall not secure any such Ancillary Facility after such Termination Date or, as the case may be, Cancellation Date.

10. REPAYMENT

10.1 Repayment of Term Loans

- (a) The TLB Borrowers under Facility B1 shall repay:

- (i) on each Quarter Date (commencing with the last day of the first complete Financial Quarter ending after the Closing Date) an aggregate principal amount equal to 0.25% of the aggregate principal amount of Facility B1 Loans outstanding on the Closing Date; and
 - (ii) the outstanding aggregate Facility B1 Loans in full on the Termination Date in respect of Facility B1.
- (b) The TLB Borrowers under Facility B2 shall repay the outstanding aggregate Facility B2 Loans in full on the Termination Date in respect of Facility B2.
- (c) The Incremental Facility Borrowers under each Incremental Term Facility shall repay each Incremental Term Facility Loan borrowed by it under that Incremental Term Facility in the amounts and on the dates agreed between the Borrower and the relevant Lenders thereof in accordance with Clause 2.3 (*Incremental Facility*).
- (d) The Borrowers may not reborrow any part of a Term Facility which is repaid.

10.2 Repayment of Revolving Facility Loans

- (a) Subject to paragraph (d) below and to the terms of any relevant Incremental Facility Increase Notice, each Revolving Facility Borrower which has drawn a Revolving Facility Loan shall repay that Revolving Facility Loan on the last day of its Interest Period.
- (b) Without prejudice to each Revolving Facility Borrower's obligation under paragraph (a) above, if:
- (i) any Revolving Facility Loan is not repaid on the last day of its Interest Period;
 - (ii) the applicable Borrower (or the Parent on its behalf) has not notified the Agent that it intends to repay such Revolving Facility Loan on the last day of its Interest Period; and
 - (iii) no Declared Default is continuing,
- a Rollover Loan shall be deemed to have been drawn on the last day of the Interest Period for that Revolving Facility Loan and applied in repayment of that Revolving Facility Loan.
- (c) Without prejudice to each Revolving Facility Borrower's obligation under paragraph (a) above, if one or more Revolving Facility Loans under the same Revolving Facility are to be made available to a Revolving Facility Borrower:
- (i) on the same day that a maturing Revolving Facility Loan under that Revolving Facility is due to be repaid by that Revolving Facility Borrower;
 - (ii) in the same currency as the maturing Revolving Facility Loan, (unless it arose as a result of the operation of Clause 8.2 (*Unavailability of a currency*)); and
 - (iii) in whole or in part for the purpose of refinancing the maturing Revolving Facility Loan,
- the aggregate amount of the new Revolving Facility Loans shall be treated as if applied in or towards repayment of the maturing Revolving Facility Loan so that:

- (A) if the amount of the maturing Revolving Facility Loan exceeds the aggregate amount of the new Revolving Facility Loans:
- (I) the relevant Revolving Facility Borrower will only be required to make a payment under Clause 34.1 (*Payments to the Agent*) in an amount in the relevant currency equal to that excess; and
 - (II) each Lender's participation in the new Revolving Facility Loans shall be treated as having been made available and applied by the relevant Revolving Facility Borrower in or towards repayment of that Lender's participation in the maturing Revolving Facility Loan and that Lender will not be required to make a payment under Clause 34.1 (*Payments to the Agent*) in respect of its participation in the new Revolving Facility Loans; and
- (B) if the amount of the maturing Revolving Facility Loan is equal to or less than the aggregate amount of the new Revolving Facility Loans:
- (I) the relevant Revolving Facility Borrower will not be required to make a payment under Clause 34.1 (*Payments to the Agent*); and
 - (II) each Lender will be required to make a payment under Clause 34.1 (*Payments to the Agent*) in respect of its participation in the new Revolving Facility Loans only to the extent that its participation in the new Revolving Facility Loans exceeds that Lender's participation in the maturing Revolving Facility Loan and the remainder of that Lender's participation in the new Revolving Facility Loans shall be treated as having been made available and applied by the relevant Revolving Facility Borrower in or towards repayment of that Lender's participation in the maturing Revolving Facility Loan.
- (d) At any time when a Lender becomes a Defaulting Lender, the maturity date of each of the participations of that Lender in the Revolving Facility Loans, then outstanding will be automatically extended to the Termination Date in relation to the relevant Revolving Facility and will be treated as separate Revolving Facility Loans (the "**Separate Loans**") denominated in the currency in which the relevant participations are outstanding.
- (e) A Revolving Facility Borrower to whom a Separate Loan is outstanding may prepay that Loan by giving three Business Days' prior notice to the Agent. The Agent will forward a copy of a prepayment notice received in accordance with this paragraph (e) to the Defaulting Lender concerned as soon as practicable on receipt.
- (f) Interest in respect of a Separate Loan will accrue for successive Interest Periods selected by the relevant Revolving Facility Borrower (or the Parent on its behalf) by the time and date specified by the Agent (acting reasonably) and will be payable by that Revolving Facility Borrower to the Agent (for the account of that Defaulting Lender) on the last day of each Interest Period of that Loan.
- (g) The terms of this Agreement relating to Revolving Facility Loans generally shall continue to apply to Separate Loans other than to the extent inconsistent with paragraphs (d) to (f) above, in which case those paragraphs shall prevail in respect of any Separate Loan.

12.2 Excess Cash Flow

(a) The Parent will ensure that within 15 Business Days after the date on which the Annual Financial Statements and accompanying Compliance Certificate for the relevant Financial Year (commencing with the first complete Financial Year ending after the Closing Date) are required to be delivered, an amount equal to: (x) the applicable percentage of the Excess Cash Flow for such Financial Year, *minus* (y) each of the following:

(i) the sum of (A) all voluntary prepayments, repurchases or redemptions of the Facilities or any other Indebtedness permitted to be incurred by a member of the Group under this Agreement secured on a *pari passu* basis with the Facilities (or any Refinancing Indebtedness that is secured on a *pari passu* basis with the Facilities) (and, in the case of any revolving credit facility, to the extent such prepayment, repurchase or redemption is accompanied by a permanent reduction of the corresponding commitment) which is prepaid, repurchased or redeemed on a pro rata basis or less than pro rata basis with Facility B (but, in each case,

excluding prepayments, repurchases or redemptions to the extent funded with the proceeds of long-term funded indebtedness (other than revolving loans)), made during such Financial Year or after the end of the relevant Financial Year but prior to the time prepayment is due under this Clause 12.2 (including, in the case of Debt Purchase Transactions, the actual purchase price paid in cash pursuant to such Debt Purchase Transaction) (each, a “**Voluntary Debt Reduction**”), *plus* (B) any amounts in respect of a Voluntary Debt Reduction carried forward from any prior Financial Year in accordance with paragraph (g) below;

- (ii) the aggregate consideration required to be paid in cash by the Parent or any of the Restricted Subsidiaries pursuant to binding contracts entered into prior to or during the relevant Financial Year, or intended to be paid in cash by the Parent or any of the Restricted Subsidiaries, in each case in respect of Investments, acquisitions, Capital Expenditures or acquisitions of intellectual property, in each case, permitted under this Agreement, to be consummated or made during the period of four consecutive Financial Quarters following the end of such Financial Year (together, the “**Committed Investment Amount**”); *provided that*:

(A) at the option of the Parent (in its sole and absolute discretion):

(I) the Committed Investment Amount shall also include any amount committed to be paid pursuant to a binding contract in any subsequent period so long as to the extent such amount is not actually paid as committed in such subsequent period, such amount shall be added back in calculating Excess Cash Flow for such subsequent period; and

(II) the amount shall also include any payment made after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 12.2 is due so long as such amount will not be deducted in subsequent periods; and

(B) to the extent the aggregate amount of internally generated cash flow actually utilised to finance such Investments, acquisitions, Capital Expenditures or acquisitions of intellectual property during such period of four consecutive Financial Quarters or such subsequent period is less than the Committed Investment Amount, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such period of four consecutive Financial Quarters; and

- (iii) the amount of any Restricted Payments paid in cash during the relevant Financial Year pursuant to Section 2 (*Limitation on Restricted Payments*) of Schedule 17 (*General Undertakings*) (each, a “**Specified Restricted Payment**”) in each case to the extent such Specified Restricted Payments were financed with internally generated cash flow or borrowings under any revolving credit facility (the “**Restricted Payment Amount**”); *provided that*:

(A) at the option of the Parent (in its sole and absolute discretion):

(I) the Restricted Payment Amount shall also include any amount declared by the Parent or any relevant member of the Group to be paid in any subsequent period so long as to the extent such amount

is not actually paid as declared in such subsequent period, such amount shall be added back in calculating Excess Cash Flow for such subsequent period; and

(II) the amount shall also include any payment made after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 12.2 is due so long as such amount will not be deducted in subsequent periods; and

(B) to the extent the aggregate amount of internally generated cash flow actually utilised to finance such Specified Restricted Payments during such period of four consecutive Financial Quarters or such subsequent period is less than the Restricted Payment Amount, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such period of four consecutive Financial Quarters;

(iv) the sum of (I) the aggregate amount of all principal payments made in cash of Indebtedness of the Parent and the Restricted Subsidiaries made during such Financial Year or after the end of the relevant Financial Year but prior to the time prepayment is due under this Clause 12.2 (including (A) the principal component of payments in respect of Financing Lease Obligations, (B) the amount of any prepayment or repayment of Loans pursuant to this Agreement (including any scheduled repayment of Term Loans pursuant to Clause 10.1 (*Repayment of Term Loans*)), and (C) the amount of any voluntary prepayments of Loans pursuant to Clause 11.4 (*Voluntary prepayment of Facility B*) (in an amount equal to the amount actually paid in respect of the principal amount of such Loans), but excluding: (1) all prepayments of Revolving Facility Loans (unless the Revolving Facility Commitments are permanently reduced by the amount of such payments), (2) all prepayments in respect of any other revolving credit facility (unless such other revolving credit facility commitments are permanently reduced by the amount of such payments) and (3) prepayments of any Indebtedness secured by a junior lien or subordinated or unsecured Indebtedness, made during such period, in each case except to the extent financed with the proceeds of other Indebtedness of the Parent or the Restricted Subsidiaries and, in the case of (3) above, except to the extent funded by the Available Amount or made in reliance on any basket calculated by reference to the Available Amount to the extent attributable to a Financial Year of the Parent previous to the Financial Year with respect to which Excess Cash Flow is calculated) (each, a “**Mandatory Debt Reduction**”), *plus* (II) any amounts in respect of a Mandatory Debt Reduction carried forward from any prior Financial Year in accordance with paragraph (g) below;

(v) cash payments by the Parent and its Restricted Subsidiaries made (or committed to be made) during such Financial Year in respect of long-term liabilities of the Parent and its Restricted Subsidiaries other than Indebtedness, to the extent financed with internally generated cash (the “**Long Term Liability Amount**”), *provided* that:

(A) at the option of the Parent (in its sole and absolute discretion), the Long Term Liability Amount shall also include any payment made after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 12.2 is due so long as such amount will not be deducted in subsequent periods; and

- (B) to the extent the aggregate amount of internally generated cash flow actually utilised to make such payments in respect of long-term liabilities of the Parent and its Restricted Subsidiaries other than Indebtedness during a subsequent period is less than the Long Term Liability Amount, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of the subsequent Financial Year;
- (vi) the aggregate amount of any premium, make-whole or penalty payments paid (or committed or required to be paid) in cash by the Parent and the Restricted Subsidiaries during such Financial Year that are paid (or committed or required to be paid) in connection with any prepayment of Indebtedness to the extent such payments are not expensed during such period or are not deducted in calculating Consolidated Net Income (the “**Make-Whole Amount**”), *provided that*:
- (A) at the option of the Parent (in its sole and absolute discretion), the Make-Whole Amount shall also include any such premium, make-whole or penalty payments paid (or committed or required to be paid) after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 12.2 is due so long as such amount will not be deducted in subsequent periods; and
- (B) to the extent the aggregate amount of any such premium, make-whole or penalty payments actually paid as committed or required during a subsequent period is less than the Make-Whole Amount, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of the subsequent Financial Year;
- (vii) the amount of cash taxes paid (or committed or required to be paid) or tax reserves set aside or payable (without duplication) in such Financial Year, to the extent they exceed the amount of tax expense deducted in determining Consolidated Net Income for such period (the “**Tax Liability Amount**”), *provided that*, at the option of the Parent (in its sole and absolute discretion), the Tax Liability Amount shall also include any such cash taxes paid (or committed or required to be paid) or tax reserves set aside or payable (without duplication) after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 12.2 is due so long as such amount will not be deducted in subsequent periods; and
- (viii) the greater of \$108 million and 25% of LTM EBITDA (the “**ECF De Minimis Amount**”),
- is (to the extent not already applied in repayment or prepayment of Facility B) applied in prepayment of Facility B in accordance with Clause 12.3 (*Application of prepayments*), where the applicable percentage is set out in the table below opposite the applicable Consolidated First Lien Debt Ratio as demonstrated by the Annual Financial Statements for such Financial Year (and subject to any adjustments in accordance with this Clause 12.2):

Consolidated First Lien Debt Ratio	Percentage of Excess Cash Flow
Greater than 5.00:1	50%
Equal to or less than 5.00:1 but greater than 4.50:1	25%
Equal to or less than 4.50:1	0%

- (b) Notwithstanding the terms of paragraph (a) above, if at the time that any prepayment required by paragraph (a) above would be required, any member of the Group is required to offer to repurchase or prepay Other Applicable Indebtedness pursuant to the terms of the documentation governing such Other Applicable Indebtedness with Excess Cash Flow, then the Borrowers may apply such Excess Cash Flow on a *pro rata* basis (determined on the basis of the aggregate outstanding principal amount of Facility B and Other Applicable Indebtedness at such time) to the prepayment of Facilities and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of Facility B that would otherwise have been required pursuant to this Clause 12.2 shall be reduced accordingly. For the avoidance of doubt, the portion of such Excess Cash Flow applied in repurchasing or prepaying the Other Applicable Indebtedness shall not exceed the amount of Excess Cash Flow required to be applied in repurchasing or prepaying Facility B pursuant to the terms hereof.
- (c) For the avoidance of doubt, if the amount calculated under paragraph (a) above is a negative number, the Parent shall not be required to make any such prepayment.
- (d) If, on applying Excess Cash Flow in prepayment of Facility B under this paragraph on any date, the Consolidated First Lien Debt Ratio as demonstrated in the then most recent Compliance Certificate received by the Agent (after taking into account such prepayment) falls into a lower threshold in the table above, then the relevant percentage shall be reduced accordingly for any further prepayments to be made under this Clause 12.2 on that date.
- (e) For the purposes of this Clause 12.2, the Consolidated First Lien Debt Ratio shall be calculated *pro forma* for any Voluntary Debt Reduction and/or Mandatory Debt Reduction made after the end of the relevant Financial Year but prior to the time prepayment is due under this Clause 12.2 as if such Debt Reduction and/or Mandatory Debt Reduction had been made during the relevant Financial Year and Consolidated First Lien Net Debt had accordingly been reduced on a dollar-for-dollar basis.
- (f) If, with respect to Excess Cash Flow attributable to an entity that is not organized in the United States but is a Subsidiary of an entity that is organized in the United States, the distribution (or deemed distribution) of such Excess Cash Flow that would occur in connection with any prepayment of the Facilities hereunder would result in material adverse Tax consequences, then the amount of such Excess Cash Flow attributable to such entity shall not be required to be prepaid hereunder and shall be permitted to be retained by the applicable entity.
- (g) Notwithstanding the terms of paragraph (a) above, to the extent the aggregate amount of Voluntary Debt Reductions and/or Mandatory Debt Reductions during any relevant Financial Year exceeds the amount of any Excess Cash Flow prepayment that would have been required pursuant to paragraph (a) above (after deducting the ECF De Minimis Amount, any Committed Investment Amount and any Restricted Payment Amount), the amount of such excess shall be carried forward to subsequent Financial Years and deducted (on a dollar-for-dollar basis) from any Excess Cash Flow prepayment required in any such subsequent Financial Years (after calculating the applicable Excess Cash Flow percentage for the relevant Financial Year).

12.3 Application of prepayments

- (a) Subject to Clause 12.4 (*Right to refuse prepayment*) below, prepayments made pursuant to this Clause 12 shall be applied in any manner as directed by the Parent (in its sole and absolute discretion) or, in the absence of such direction, in direct order of maturity; *provided that* to the extent that the Parent directs that prepayments made pursuant to this Clause 12 are to be applied to any Term Facility (a “**Later Maturing Tranche**”) which matures on a later date than the maturity applicable to any other Term Facility (an “**Earlier Maturing Tranche**”), such proceeds shall be applied *pro rata* across the Later Maturing Tranche and each Earlier Maturing Tranche.
- (b) Without prejudice to paragraph (f) of Clause 12.2 (*Excess Cash Flow*), the Parent and each other Obligor shall use all reasonable endeavours to ensure that any transaction giving rise to a prepayment obligation is structured in such a way that it will not be unlawful for the members of the Group to move the relevant proceeds received between members of the Group to enable a mandatory prepayment to be lawfully made and the proceeds lawfully applied as provided under this Clause 12, and/or to minimise the costs of making such mandatory prepayment (including using all reasonable endeavours to fund such payment from surplus cash in the Group). If, however, (A) the cost of making (or moving the funds to make) such mandatory prepayment would exceed 3% of the amount of such payment at that time; and/or (B) after the Parent and each such member of the Group has used all such reasonable endeavours and taken such reasonable steps, it will still:
- (i) be unlawful (including, without limitation, by reason of financial assistance, corporate benefit restrictions on upstreaming cash intra-Group and the fiduciary and statutory duties of the directors of any member of the Group) for such a prepayment to be made and/or cash cover to be provided and the proceeds so applied; or
 - (ii) be unlawful (including, without limitation, by reason of financial assistance, corporate benefit restrictions on upstreaming cash intra-Group and the fiduciary and statutory duties of the directors of any member of the Group) to make funds available to a member of the Group that could make such a prepayment and/or provide such cash cover,
- then such prepayment and/or provision of cash cover shall not be required to be made (and, for the avoidance of doubt, the relevant amount shall be available for the working capital purposes of the Group and shall not be required to be paid to any blocked account) provided always that if the restriction preventing such payment/provision of cash cover or giving rise to such liability is subsequently removed, any relevant proceeds will immediately be applied in prepayment and/or the provision of cash cover in accordance with this Clause 12 at the end of the relevant Interest Period(s) to the extent that such payment has not otherwise been made.
- (c) If any Term Loans are repaid or prepaid in accordance with Clause 11.4 (*Voluntary prepayment of Facility B*) or this Clause 12, then the Parent may, by giving not less than three Business Days’ notice to the Agent (or such shorter period agreed with the Agent) select which Borrower or Borrowers (if more than one) under the relevant Facility shall effect repayment of each Loan.
- (d) Without prejudice to Clause 12.1 (*Change of Control*) but otherwise notwithstanding anything to the contrary in any Finance Document (including this Clause 12.3 (*Application of prepayments*)), if the Consolidated Total Debt Ratio for the Relevant Period ending on the most recent Quarter Date for which a Compliance Certificate has been delivered is equal

to or less than 6.25:1 (adjusted as if any relevant prepayment and/or other application had taken place on the last day of that Relevant Period), the amount of voluntary prepayment or mandatory prepayment required to be applied under this Agreement may, at the election of the Parent, be applied in prepayment of any other Indebtedness permitted under this Agreement, in priority to the Facilities. Any application made in accordance with this paragraph (d) will satisfy in full all applicable prepayment obligations contemplated by this Agreement.

12.4 Right to refuse prepayment

- (a) The Agent shall notify the Lenders as soon as practicable of any proposed prepayment of Term Loans under Clause 11.4 (*Voluntary prepayment of Facility B*) or Clause 12.2 (*Excess Cash Flow*).
- (b) Any Facility B Lender or Incremental Term Facility Lender (a “**Non-Accepting Lender**”) to which the proposed prepayment would otherwise be made may, by giving not less than three Business Days’ (or such shorter period as the Parent and Majority Lenders may agree) notice to the Agent prior to the date of the relevant prepayment, waive its right to prepayment (in whole or in part) other than (A) in relation to a prepayment arising pursuant to Clause 11.4 (*Voluntary prepayment of Facility B*), (B) in relation to a prepayment arising pursuant to Clause 11.1 (*Illegality*), Clause 11.2 (*Illegality in relation to Issuing Bank*) or Clause 11.8 (*Right of cancellation and repayment in relation to a single Lender or Issuing Bank*), or (C) a prepayment or repayment in respect of which the Parent elects (in its sole and absolute discretion) that this Clause 12.4 shall not apply.
- (c) If any Non-Accepting Lender delivers any notice under paragraph (b) above, the amount in respect of which that Non-Accepting Lender has waived its right to prepayment (the “**Waived Amount**”) may be retained by the Parent and the Restricted Subsidiaries and/or be applied by the Parent or any of the Restricted Subsidiaries for any purpose that is permitted or not prohibited by the terms of this Agreement.

12.5 Prepayments of Compounded Rate Loans

The Parent (or the relevant Borrower) shall pay to the Agent (for the account of each Lender participating in any Compounded Rate Loan prepaid pursuant to a Relevant Prepayment, pro rata to its participation in such Compounded Rate Loan) a fee of \$5,000 on any Relevant Prepayment under a Facility (the “**Relevant Facility**”), provided that such fee shall not be payable if:

- (a) including such Relevant Prepayment, no more than three Relevant Prepayments under the Relevant Facility have been made since 1 January in that calendar year; or
- (b) such Relevant Prepayment is made in connection with the prepayment and cancellation in full of the Relevant Facility.

For the purposes of this Clause 12.5:

“**Relevant Prepayment**” shall mean a voluntary prepayment of a Relevant Compounded Rate Loan made pursuant to Clause 11.4 (*Voluntary prepayment of Facility B*), Clause 11.5 (*Voluntary prepayment of Revolving Facility Loans*) or Clause 11.6 (*Voluntary prepayment of Incremental Facility Term Loans*) (but not, for the avoidance of doubt, any other provision of this Agreement).

“**Relevant Compounded Rate Loan**” means a Compounded Rate Loan in a Relevant Currency.

“**Relevant Currency**” means a currency in respect of which this Clause 12.5 is specified to apply in the Compounded Rate Terms for that currency.

13. RESTRICTIONS

13.1 Notices of Cancellation or Prepayment

Any notice of cancellation, prepayment, authorisation or other election given by any Party under Clause 11 (*Illegality, Voluntary Prepayment and Cancellation*) or Clause 12.4 (*Right to refuse prepayment*) may be conditional or revocable and shall (subject to the terms of those Clauses or unless otherwise agreed by the Agent), unless a contrary indication appears in this Agreement, specify the date or dates upon which the relevant cancellation or prepayment is to be made and the amount of that cancellation or prepayment.

13.2 Interest and other amounts

Subject to Clause 17.8 (*Call Premium*), any prepayment under this Agreement shall be made together with accrued interest on the amount prepaid and, subject to any Break Costs, without premium or penalty.

13.3 No reborrowing of Facility B or Incremental Term Facilities

No Borrower may reborrow any part of any Facility B or an Incremental Term Facility which is prepaid.

13.4 Reborrowing of Revolving Facility

Unless a contrary indication appears in this Agreement, any part of any Revolving Facility which is prepaid or repaid may be reborrowed in accordance with the terms of this Agreement or the relevant Incremental Facility Increase Notice (as appropriate).

13.5 Prepayment in accordance with Agreement

- (a) No Borrower shall repay or prepay all or any part of the Utilisations or cancel all or any part of the Commitments except at the times and in the manner expressly provided for in this Agreement.
- (b) To the extent that any prepayment is:
 - (i) applied or to be applied against a Utilisation that is not denominated in the Base Currency:
 - (A) any *pro rata* entitlement of that Utilisation shall be calculated using its Base Currency Amount; and
 - (B) any costs of converting the relevant prepayment amount into the currency of that Utilisation shall reduce the amount to be applied against that Utilisation (and, for the avoidance of doubt, such costs shall not reduce the amount applied against other Utilisations denominated in the Base Currency or increase the amount required to be paid by any member of the Group); and

- (ii) made or to be made in respect of proceeds denominated in a currency other than the Base Currency, the required prepayment amount shall be reduced by any costs of converting the relevant proceeds into the currency of the required prepayment.

13.6 No reinstatement of Commitments

Subject to Clause 2.2 (*Increase*), no amount of the Total Commitments cancelled under this Agreement may be subsequently reinstated.

13.7 Agent's receipt of Notices

If the Agent receives a notice under Clause 11 (*Illegality, Voluntary Prepayment and Cancellation*) or under Clause 12.1 (*Change of Control*), or an election under Clause 12.4 (*Right to refuse prepayment*), it shall promptly forward a copy of that notice or election to either the Parent or the affected Lender, as appropriate.

13.8 Effect of Repayment and Prepayment on Commitments

If all or part of a Lender's participation in a Utilisation under a Facility is repaid or prepaid and is not available for redrawing, an amount of that Lender's Commitment (equal to the Base Currency Amount of the amount of the participation which is repaid or prepaid) in respect of that Facility will be deemed to be cancelled on the date of repayment or prepayment.

13.9 Timing for prepayments

Any prepayment under this Agreement shall be deemed to be made to the Agent on the proposed prepayment date immediately on receipt by the Agent, by no later than 4.00 p.m. (London time) on the proposed prepayment date, of an amount equal to the prepayment amount and the Agent shall promptly notify the Parent of receipt of such prepayment amount; if the prepayment amount is not received by the Agent on or prior to 4.00 p.m. (London time) on the proposed prepayment date, the prepayment amount shall be deemed to have been received on the next Business Day.

13.10 Application of prepayments

Any prepayment of a Utilisation (other than a prepayment pursuant to Clause 11.1 (*Illegality*) or Clause 11.8 (*Right of cancellation and repayment in relation to a single Lender or Issuing Bank*)) shall be applied *pro rata* to each Lender's participation in that Utilisation.

14. INTEREST

14.1 Calculation of interest – Term Rate Loan

The rate of interest on each Term Rate Loan for each Interest Period is the percentage rate per annum which is the aggregate of the applicable:

- (a) Margin; and
- (b) EURIBOR for Loans in euro, CDOR for Loans in CAD and LIBOR (or local equivalent where LIBOR is not available) for Loans in all other currencies.

14.2 Calculation of interest – Compounded Rate Loans

- (a) The rate of interest on each Compounded Rate Loan for any day during an Interest Period is the percentage rate per annum which is the aggregate of the applicable:
 - (i) Margin; and
 - (ii) the Compounded Reference Rate for that day.
- (b) If any day during an Interest Period for a Compounded Rate Loan is not an RFR Banking Day, the rate of interest on that Compounded Rate Loan for that day will be the rate applicable to the immediately preceding RFR Banking Day.

14.3 Payment of interest

The Borrower to which a Loan has been made shall pay accrued interest on that Loan on the last day of each Interest Period (and (i) for any Loan denominated in USD, if the Interest Period is longer than three Months, on the dates falling at three Monthly intervals after the first day of the Interest Period and (ii) for all other Loans, if the Interest Period is longer than six Months, on the dates falling at six Monthly intervals after the first day of the Interest Period). The Parties agree that interest (if unpaid) will be compounded with the principal amount of the Loans at the end of each Interest Period, but shall remain immediately due and payable.

14.4 Default interest

- (a) If an Obligor fails to pay any amount (other than non-compounded interest) payable by it under a Finance Document on its due date (or, with respect to any Compounded Rate Interest Payment, if later, on the date falling three RFR Banking Days after the date on which the Agent notifies that the relevant Borrower of the amount of that Compounded Rate Interest Payment in accordance with Clause 14.5 (*Notification of rates of interest*)), interest shall, to the extent permitted by law, accrue on the overdue amount from the due date up to the date of actual payment (both before and after judgment) at a rate which, subject to paragraph (b) below, is 1.00% per annum higher than the rate which would have been payable if the overdue amount had, during the period of non-payment, constituted a Loan in the currency of the overdue amount for successive Interest Periods, each of a duration selected by the Agent (acting reasonably). Any interest accruing under this Clause 14.4 shall be immediately payable by the Obligor on demand by the Agent.
- (b) If any overdue amount consists of all or part of a Term Rate Loan which became due on a day which was not the last day of an Interest Period relating to that Loan:
 - (i) the first Interest Period for that overdue amount shall have a duration equal to the unexpired portion of the current Interest Period relating to that Loan; and
 - (ii) the rate of interest applying to the overdue amount during that first Interest Period shall be 1.00% per annum higher than the rate which would have applied if the overdue amount had not become due.
- (c) Default interest (if unpaid) arising on an Unpaid Sum will be compounded with the Unpaid Sum at the end of each Interest Period applicable to that Unpaid Sum, but shall remain immediately due and payable.

14.5 Notification of rates of interest

- (a) The Agent shall promptly notify the relevant Lenders and the relevant Borrower and the Parent of the determination of a rate of interest relating to a Term Rate Loan.
- (b) The Agent shall promptly upon a Compounded Rate Interest Payment being determinable notify:
 - (i) (such notification to be made no later than three RFR Banking Days prior to the due date for such Compounded Rate Interest Payment) the relevant Borrower and the Parent of that Compounded Rate Interest Payment;
 - (ii) each relevant Lender of the proportion of that Compounded Rate Interest Payment which relates to that Lender's participation in the relevant Compounded Rate Loan; and
 - (iii) the relevant Lenders, the relevant Borrower and the Parent of:
 - (A) each applicable rate of interest and the amount of interest for each day relating to the determination of that Compounded Rate Interest Payment (including a breakdown of such rate and amount of interest as between the Margin and the Compounded Reference Rate for each such day and any other information that the relevant Borrower may reasonably request in relation to the calculation of such rate and amount or the determination of that Compounded Rate Interest Payment); and
 - (B) to the extent it is then determinable, the Market Disruption Rate (if any) relating to the relevant Compounded Rate Loan.

This paragraph (b) shall not apply to any Compounded Rate Interest Payment determined pursuant to Clause 16.4 (*Market Disruption*).

- (c) The Agent shall promptly notify the relevant Borrower and the Parent of each Funding Rate relating to a Loan.
- (d) The Agent shall promptly notify the relevant Lenders, the relevant Borrower and the Parent of the determination of a rate of interest relating to a Compounded Rate Loan to which Clause 16.4 (*Market Disruption*) applies.

14.6 Interest Rate Limitation

Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Utilisation, together with all fees, charges and other amounts which are treated as interest on such Utilisation under applicable law (collectively the "**Charges**"), shall exceed the maximum lawful rate (the "**Maximum Rate**") which may be contracted for, charged, taken, received or reserved by the Lender holding such Utilisation in accordance with applicable law, the rate of interest payable in respect of such Utilisation, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Utilisation but were not payable as a result of the operation of this Clause 14.6 shall be cumulated and the interest and Charges payable to such Lender in respect of other Utilisation or periods shall be increased (but not above the Maximum Rate therefor) until such

accumulated amount, together with interest thereon to the date of repayment, shall have been received by such Lender.

15. INTEREST PERIODS

15.1 Selection of Interest Periods and Terms

- (a) A Borrower (or the Parent on behalf of a Borrower) may select an Interest Period for a Loan in the Utilisation Request for that Loan or (if the Loan is a Term Loan and has already been borrowed) in a Selection Notice.
- (b) Each Selection Notice for a Term Loan is irrevocable and must be delivered to the Agent by the Borrower (or the Parent on behalf of the Borrower) to which that Term Loan was made not later than the Specified Time.
- (c) If a Borrower (or the Parent) fails to deliver a Selection Notice to the Agent in accordance with paragraph (b) above, the relevant Interest Period will be three Months or, with respect to a Compounded Rate Loan, the period specified in the applicable Compounded Rate Terms.
- (d) Subject to this Clause 15, a Borrower (or the Parent) may select an Interest Period of:
 - (i) if the Loan is a Term Rate Loan, one, two, three or six Months; or
 - (ii) if the Loan is a Compounded Rate Loan, any period specified in respect of that currency in the applicable Compounded Rate Terms, or, in each case, any other period agreed between the relevant Borrower (or the Parent on its behalf) and the Agent (acting on the instructions of the Super Majority Lenders participating in the relevant Loan). In addition, a Borrower (or the Parent) may select an Interest Period of any other period if required to ensure that sufficient Loans have an Interest Period ending on the date of a proposed repayment, prepayment cancellation or termination under this Agreement. Notwithstanding anything to the contrary in this Agreement, no Borrower may select an Interest Period of two months in respect of any Term Rate Loans in USD or an Interest Period of six months in respect of any Term Rate Loans in CAD.
- (e) An Interest Period for a Loan shall not extend beyond the Termination Date applicable to its Facility.
- (f) Each Interest Period for a Term Loan shall start on the Utilisation Date or (if already made) on the last day of its preceding Interest Period.
- (g) A Revolving Facility Loan has one Interest Period only.
- (h) A Borrower (or the Parent on its behalf) may select an Interest Period of:
 - (i) any period in relation to any Facility B or an Incremental Facility if necessary or desirable to implement any interest rate hedging in relation to the Facilities to align interest payment dates with payment dates under this Agreement or under hedging agreements which the Group is permitted to enter into pursuant to the terms of this Agreement; and

(ii) a time period agreed by it with the Agent for the purposes of facilitating syndication.

15.2 Non-Business Days

- (a) Subject to paragraph (b) below, if an Interest Period would otherwise end on a day which is not a Business Day, that Interest Period will instead end on the next Business Day in that calendar Month (if there is one) or the preceding Business Day (if there is not).
- (b) If the Loan is a Compounded Rate Loan and there are rules specified as “Business Day Conventions” for the currency of that Loan in the applicable Compounded Rate Terms, those rules shall apply to each Interest Period for that Loan.

15.3 Consolidation and division of Term Loans

- (a) Subject to paragraph (c) below, if two or more Interest Periods:
 - (i) relate to Facility B Loans to be made to the same TLB Borrower under the same Facility B; and
 - (ii) end on the same date,those Facility B Loans will, unless that TLB Borrower requests to the contrary in a Selection Notice for the next Interest Period, be consolidated into, and treated as, a single Facility B Loan on the last day of the Interest Period.
- (b) Subject to paragraph (c) below, if two or more Interest Periods:
 - (i) relate to Incremental Term Facility Loans to be made to the same Incremental Facility Borrower by the same group of Lenders under the same Incremental Term Facility;
 - (ii) are in the same currency; and
 - (iii) end on the same date,those Incremental Term Facility Loans will, unless that Incremental Facility Borrower requests to the contrary in a Selection Notice for the next Interest Period, be consolidated into, and treated as, a single Incremental Facility Term Loan on the last day of the Interest Period.
- (c) Subject to Clause 4.4 (*Maximum number of Utilisations*) and Clause 5.3 (*Currency and amount*) if a TLB Borrower or an Incremental Facility Borrower (or, in either case, the Parent on its behalf) requests in a Selection Notice that a Term Loan be divided into two or more Term Loans under the relevant Facility, that Term Loan will, on the last day of its Interest Period, be so divided with amounts specified in that Selection Notice (in the currency of the relevant Loan), having an aggregate amount equal to the amount of the relevant Term Loan immediately before its division.

16. CHANGES TO THE CALCULATION OF INTEREST

16.1 Unavailability of Screen Rate – Term Rate Loans

- (b) *Base Reference Bank Rate*: If, in the case of a Term Rate Loan, no Screen Rate is available for EURIBOR, LIBOR or CDOR (as applicable) for:
 - (i) the currency of a Loan; or
 - (ii) the Interest Period of a Loan and it is not possible to calculate the Interpolated Screen Rate,the applicable EURIBOR, LIBOR or CDOR shall be the Base Reference Bank Rate as of the Specified Time for the currency of that Loan and for a period equal in length to the Interest Period of that Loan.
- (c) *Cost of funds*: If, in the case of a Term Rate Loan, paragraph (b) above applies but no Base Reference Bank Rate is available for the relevant currency or Interest Period there shall be no EURIBOR, LIBOR or CDOR (as applicable) for that Loan and Clause 16.5 (*Cost of funds*) shall apply to that Loan for that Interest Period.

16.2 Calculation of Base Reference Bank Rate

- (a) Subject to paragraph (b) below, if EURIBOR, LIBOR or CDOR (as applicable) is to be determined on the basis of a Base Reference Bank Rate but a Base Reference Bank does not supply a quotation by the Specified Time, the Base Reference Bank Rate shall be calculated on the basis of the quotations of the remaining Base Reference Banks.
- (b) If at or about noon on the Quotation Day none or only one of the Base Reference Banks supplies a quotation, there shall be no Base Reference Bank Rate for the relevant Interest Period.

16.3 Interest calculation if no RFR or Central Bank Rate

If, in the case of a Compounded Rate Loan:

- (a) there is no applicable RFR or Central Bank Rate for the purposes of calculating the Daily Non-Cumulative Compounded RFR Rate for an RFR Banking Day during an Interest Period for a Compounded Rate Loan; and
 - (b) “Cost of funds will apply as a fallback” is specified in respect of that Loan in the Compounded Rate Terms for that Loan,
- Clause 16.5 (*Cost of funds*) shall apply to that Loan for that Interest Period.

- (a) In the case of a Term Rate Loan, if before close of business in London on the Quotation Day for the relevant Interest Period the Agent receives notifications from a Lender or Lenders (whose participations in a Loan exceed 40% of that Loan) that the cost to it of funding its participation in that from the wholesale market for the relevant currency would be in excess of EURIBOR, LIBOR or CDOR (as applicable) there shall be no EURIBOR, LIBOR or CDOR for that Loan and Clause 16.5 (*Cost of funds*) shall apply to that Loan for the relevant Interest Period.
- (b) In the case of a Compounded Rate Loan, if:
 - (i) a Market Disruption Rate is specified in the Compounded Rate Terms for that Loan; and
 - (ii) before the Reporting Time for that Loan, the Agent receives notifications from a Lender or Lenders (whose participations in a Loan exceed 40% of that Loan) that the cost to it of funding its participation in that Loan from the wholesale market for the relevant currency would be in excess of that Market Disruption Rate,
 then Clause 16.5 (*Cost of funds*) shall apply to that Loan for the relevant Interest Period.

16.5 Cost of funds

- (a) If this Clause 16.5 applies to a Loan for an Interest Period, neither Clause 14.1 (*Calculation of interest - Term Rate Loans*) nor Clause 14.2 (*Calculation of interest - Compounded Rate Loans*) shall apply to that Loan for that Interest Period and the rate of interest on each Lender's share of that Loan for that Interest Period shall be the percentage rate per annum which is the sum of:
 - (i) the applicable Margin; and
 - (ii)
 - (A) in relation to a Term Rate Loan, the weighted average of the rates notified to the Agent by each Lender by close of business on the date falling two Business Days after the Rate Fixing Day (or, if earlier, on the date falling five Business Days before the date on which interest is due to be paid in respect of that Interest Period); or
 - (B) in relation to a Compounded Rate Loan, by the Reporting Time for that Loan,
 - to be that which expresses as a percentage rate per annum the average cost to the relevant Lender (determined either on an actual or a notional basis) of funding its participation in that Loan from whatever source it may reasonably select, *provided that* such Lender confirms (for the benefit of the Group) to the Agent that such percentage rate per annum represents the cost to the relevant Lender of funding its participation in that currency under other syndicated credit facilities involving similarly situated borrowers under which that Lender is a lender.
- (b) If this Clause 16.5 applies and the Agent or the Parent so requires, the Agent and the Parent shall enter into negotiations (for a period of not more than 30 days) with a view to agreeing a substitute basis for determining the rate of interest in respect of any affected Loan (having

regard to the prevailing market convention in London at such time with respect to the benchmark for determining interest (including the making of appropriate adjustments to such alternate benchmark rate and this Agreement (i) to preserve pricing in effect at the time of selection of such alternate benchmark rate and (ii) for duration, time and periodicity for determination of such alternate benchmark rate in relation to any applicable Interest Period) for syndicated bank loans in the relevant currency); *provided* that the parties shall make commercially reasonable efforts to ensure that the adoption of the replacement rate will not be treated as a deemed exchange under Section 1001 of the Code.

(c) Any alternative basis agreed pursuant to paragraph (b) above shall, with the prior consent of the Majority Lenders and the Parent, be binding on all Parties *provided that*:

(i) any alternative basis agreed pursuant to paragraph (b) above shall automatically be binding on a Defaulting Lender;

(ii) in relation to a Compounded Rate Loan:

(A) a Lender's Funding Rate is less than the relevant Market Disruption Rate; or

(B) a Lender does not supply a quotation by the time specified in paragraph (a)(ii) above,

the cost to that Lender of funding its participation in that Loan for that Interest Period shall be deemed, for the purposes of paragraph (a) above, to be the Market Disruption Rate for that Loan.

- (e) If this Clause 16.5 applies pursuant to Clause 16.4 (*Market disruption*) but any Lender does not supply a quotation by the time specified in paragraph (a)(ii) above the rate of interest shall be calculated on the basis of the quotations of the remaining Lenders.

(A) that UK Borrower DTTP Filing has been rejected by HM Revenue & Customs; or

(B) HM Revenue & Customs has not given the UK Borrower authority to make payments to that Lender without a Tax Deduction within 60 days after the date of the UK Borrower DTTP Filing; or

(C) HM Revenue & Customs has given the Borrower authority to make payments to that Lender without a Tax Deduction but such authority has subsequently been revoked or,

and in each case, the UK Borrower has notified that Lender in writing, that Lender and the UK Borrower shall co-operate in completing any additional procedural formalities necessary for that UK Borrower to obtain authorisation to make that payment without a Tax Deduction.

(j) If a UK Treaty Lender has not confirmed its scheme reference number and jurisdiction of tax residence in accordance with paragraph (h) above, no Obligor shall make a UK Borrower DTTP Filing or file any other form relating to the DTTP scheme in respect of

that Lender's Commitment(s) or its participation in any advance unless the Lender otherwise agrees.

(k) A UK Borrower shall, promptly on making a UK Borrower DTTP Filing, deliver a copy of that UK Borrower DTTP Filing to the Agent for delivery to the relevant Lender.

(l) A UK Non-Bank Lender shall promptly notify the Parent and the Agent if there is any change in the position from that set out in the Tax Confirmation.

(m) If:

(i) a Tax Deduction should have been made in respect of a payment made by or on account of an Obligor to a Lender or the Agent under a Finance Document;

(ii) either:

(A) the relevant Obligor (or the Agent, if it is the applicable withholding agent) was unaware, and could not reasonably be expected to have been aware, that such Tax Deduction was required and as a result did not make the Tax Deduction or made a Tax Deduction at a reduced rate;

(B) in reliance on the notifications and confirmation provided pursuant to Clause 18.6 (*Lender status confirmation*), the relevant Obligor did not make such Tax Deduction or made a Tax Deduction at a reduced rate; or

(C) any Finance Party has not complied with its obligation under paragraph (a) above and as a result the relevant Obligor did not make the Tax Deduction or made a Tax Deduction at a reduced rate; and

(iii) the applicable Obligor would not have been required to make an increased payment under paragraph (c) or (d) above in respect of that Tax Deduction,

then the Lender that received the payment in respect of which the Tax Deduction should have been made or made at a higher rate undertakes to promptly, upon a request by that Obligor, reimburse that Obligor for the amount of the Tax Deduction that should have been made and any penalty, interest and expenses payable (or incurred in connection with any failure to pay or any delay in paying any of the same) only to the extent the Tax Deduction has not already been accounted for to the tax authority by the relevant Finance Party.

(n) On or prior to the date on which a Lender (including for this purpose in this paragraph, any Issuing Bank) or an Agent to a US Borrower becomes a Party to this Agreement, such Lender or Agent shall provide to Parent and the Agent, as applicable, upon request by the Parent or the Agent, properly completed copies of applicable Withholding Forms and, in the case of an Agent, certifying to Parent that it is entitled to receive any payments for its own account without any US withholding Tax and it is either a "United States person" as defined in Section 7701(a)(3) of the Code, a "US branch" within the meaning of US Treasury Regulation Section 1.1441-1(b)(2)(iv) (A) or a "Qualifying Intermediary" that assumes primary withholding responsibility under Chapter 3 and Chapter 4 of the Code and for Form 1099 reporting and backup withholding) and update such Withholding Forms thereafter, to the extent it remains legally entitled to do so, at such times prescribed by applicable law or as requested by Parent or the Agent.

18.4 Tax indemnity

(a) The Parent shall (or shall procure that an Obligor will), within five Business Days after demand by the Agent, pay to a Protected Party an amount equal to the loss, liability or cost which that Protected Party determines will be or has been (directly or indirectly) suffered for or on account of Tax by that Protected Party in respect of a Finance Document as a result of any change after the date it becomes a Party to this Agreement in (or in the interpretation, administration or application of) any law or treaty or any published practice or concession of any relevant taxing authority.

(b) Paragraph (a) above shall not apply:

(i) with respect to any loss, liability or cost which has been directly or indirectly suffered by a Finance Party for or on account of Tax under the laws of the jurisdiction in which:

(A) that Finance Party is incorporated or, if different, the jurisdiction (or jurisdictions) in which that Finance Party is treated as resident for tax purposes; or

(B) that Finance Party's Facility Office, Substitute Facility Office or other permanent establishment is located in respect of amounts received or receivable in that jurisdiction (or in respect of amounts attributed to the permanent establishment on the basis that personnel of that Finance Party are undertaking relevant functions in the jurisdiction where that permanent establishment is located),

if that Tax is imposed on or calculated by reference to the net income, profits or gains received or receivable (but not any sum deemed to be received or receivable) by that Finance Party or by reference to net worth or if that Tax is considered a franchise Tax (imposed in lieu of net income Tax) or a branch profits or similar Tax; or

(ii) if and to the extent that a loss, liability or cost which has been directly or indirectly suffered by a Finance Party for or on account of Tax:

(A) is compensated for by an increased payment under Clause 18.3 (*Tax gross-up*); or

(B) would have been so compensated for by an increased payment under Clause 18.3 (*Tax gross-up*) but was not so compensated solely because one or more of the exclusions contained in Clause 18.3 (*Tax gross-up*) applied; or

(C) is in respect of an amount of (I) stamp duty, registration or other similar Tax, or (II) VAT (which shall be dealt with in accordance with Clause 18.7 (*Stamp taxes*) and Clause 18.8 (*VAT*) respectively); or

(D) is attributable to a Bank Levy (as defined in Clause 19 (*Increased Costs*)); or

(E) is suffered or incurred by a Lender and would not have been suffered or incurred if such Lender had been a Qualifying Lender in relation to the relevant Obligor at the relevant time, unless that Lender was not a Qualifying Lender at the relevant time as a result of a Change of Law;

(F) is suffered or incurred by a Lender as a result of such Lender's failure to comply with its obligations under Clause 18.6 (*Lender status confirmation*);

(G) is increased as a result of the Protected Party not complying with paragraph (c) below;

(H) relates to a FATCA Deduction required to be made by a Party.

(c) A Protected Party making, or intending to make, a claim under paragraph (a) above shall promptly notify the Agent of the event which has given rise to the claim, following which the Agent will notify the Parent.

(d) A Protected Party shall, on receiving a payment from an Obligor under this Clause 18.4, notify the Agent.

18.5 Tax Credits

If an Obligor makes a Tax Payment and the relevant Finance Party determines (in good faith) that:

(a) a Tax Credit is attributable to an increased payment of which that Tax Payment forms part, to that Tax Payment or to a Tax Deduction in consequence of which that Tax Payment was required; and

(b) that Finance Party or any member of a tax consolidation group or unity to which the Finance Party belongs has obtained and utilised that Tax Credit,

that Finance Party shall pay an amount to the Obligor which that Finance Party determines will leave it or the tax consolidation group or unity to which it belongs (after that payment) in the same after-Tax position as it or the tax consolidation group or unity to which it belongs would have been in had the Tax Payment had not been required to be made by that Obligor.

18.6 Lender Status Confirmation

(a) As at the date of this Agreement each Lender confirms which of the following categories it falls in:

(i) with respect to a UK Borrower:

 - (C) not a Qualifying Lender.
- (b) Each Lender which becomes a Party to this Agreement after the date of this Agreement shall indicate, in the Non-Original Lender Document which it executes upon becoming a Party, which of the following categories it falls in:

 - (A) a Qualifying Lender other than a Treaty Lender;
 - (B) a Treaty Lender; or
 - (C) not a Qualifying Lender.
- (c) If a Non-Original Lender fails to indicate its status in accordance with paragraph (b) above then such Lender shall be treated for the purposes of this Agreement (including by each Obligor) as if it is not a Qualifying Lender until such time as it notifies the Agent which category applies (and the Agent, upon receipt of such notification, shall inform the Parent). For the avoidance of doubt, a Non-Original Lender Document shall not be invalidated by any failure of a Lender to comply with this Clause 18.6.

18.7 Stamp taxes

The Parent shall (or shall procure that an Obligor will) pay and, within five Business Days after demand by the Agent (or the Security Agent, in relation to any Transaction Security Document), indemnify each Secured Party against any cost, loss or liability that Secured Party incurs in relation to any stamp duty, registration and other similar Tax or notarial fees payable on, in respect of any Finance Document *provided that* this Clause 18.7 shall not apply in respect of any Tax, stamp duty, registration or similar Taxes or notarial fees payable (a) in respect of an assignment, transfer, sub-participation or sub-contract by a Finance Party, or (b) due to a voluntary registration not required to maintain, preserve or enforce rights of the Finance Parties.

18.8 VAT

- (a) All amounts expressed to be payable under a Finance Document by any Party to a Finance Party which (in whole or in part) constitute the consideration for any supply or supplies for VAT purposes shall be deemed to be exclusive of any VAT which is chargeable on that supply or supplies, and, accordingly, subject to paragraph (b) below, if VAT is or becomes chargeable on any supply made by any Finance Party to any Party under a Finance Document and such Finance Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Finance Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Finance Party must promptly provide an appropriate VAT invoice to that Party).
- (b) If VAT is or becomes chargeable on any supply made by any Finance Party (the “**Supplier**”) to any other Finance Party (the “**Recipient**”) under a Finance Document, and any Party other than the Recipient (the “**Relevant Party**”) is required by the terms of any Finance Document to pay an amount equal to the consideration for such supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):
- (i) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying such amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (i) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and
 - (ii) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.
- (c) Where a Finance Document requires any Party to reimburse or indemnify a Finance Party for any costs or expenses, that Party shall reimburse or indemnify (as the case may be) such Finance Party for the full amount of such cost or expense, including such part thereof as represents VAT, to the extent that the Finance Party reasonably determines that it is not entitled to credit for or repayment of the VAT from the relevant tax authority.
- (d) Any reference in this Clause 18.8 to any Party shall, at any time when such Party is treated as a member of a group or unity (or fiscal unity) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated at that time as making the supply, or (as appropriate) receiving the supply, under the grouping rules (provided for in Article 11 of Council Directive 2006/112/EC (or as implemented by the relevant member state of the European Union) or any other similar provision in any jurisdiction which is not a member state of the European Union) so that a reference to a Party shall be construed as a reference to that Party or the relevant group or unity (or fiscal unity) of which that Party is a member for VAT purposes at the relevant time or the relevant representative member (or head) of that group or unity (or fiscal unity) at the relevant time (as the case may be).

- (e) In relation to any supply made by a Finance Party to any Party under a Finance Document, if reasonably requested by such Finance Party, that Party must promptly provide such Finance Party with (if applicable) details of that Party's VAT registration and such other information as is reasonably requested in connection with such Finance Party's VAT reporting requirements in relation to such supply.

- (e) If a Borrower is a US Tax Obligor or the Agent reasonably believes that its obligations under FATCA or any other applicable law or regulation require it, each Lender shall, within ten Business Days after:

- (g) If any withholding certificate, withholding statement, document, authorisation or waiver provided to the Agent by a Lender pursuant to paragraph (e) above is or becomes materially inaccurate or incomplete, that Lender shall promptly update it and provide such updated withholding certificate, withholding statement, document, authorisation or waiver to the Agent unless it is unlawful for the Lender to do so (in which case the Lender shall promptly notify the Agent). The Agent shall provide any such updated withholding certificate, withholding statement, document, authorisation or waiver to the relevant Borrower.
- (h) The Agent may rely on any withholding certificate, withholding statement, document, authorisation or waiver it receives from a Lender pursuant to paragraph (e) or (g) above without further verification. The Agent shall not be liable for any action taken by it under or in connection with paragraph (e), (f) or (g) above.

18.10 FATCA Deduction

- (a) Each Party may make any FATCA Deduction it is required to make by FATCA, and any payment required in connection with that FATCA Deduction, and no party shall be required to increase any payment in respect of which it makes such a FATCA Deduction or otherwise compensate the recipient of the payment for that FATCA Deduction

 - (vi) acting as Security Agent, Receiver or Delegate under the Finance Documents or which otherwise relates to any of the Charged Property (otherwise, in each case, than by reason of the relevant Security Agent's, Receiver's or Delegate's gross negligence or wilful misconduct).
- (b) Each Obligor expressly acknowledges and agrees that the continuation of its indemnity obligations under this Clause 20.4 will not be prejudiced by any release or disposal under Clause 13.2 (*Distressed Disposals*) of the Intercreditor Agreement taking into account the operation of that Clause.

(c) The Security Agent and every Receiver and Delegate may, in priority to any payment to the Secured Parties, indemnify itself out of the Charged Property in respect of, and pay and retain, all sums necessary to give effect to the indemnity in this Clause 20.4 and shall have a lien on the Transaction Security and the proceeds of the enforcement of the Transaction Security for all moneys payable to it.

(d) This Clause shall be subject to the provisions of Clause 23.11 (*Guarantee Limitations*).

21. MITIGATION BY THE LENDERS

21.1 Mitigation

(a) Each Finance Party shall, in consultation with the Parent, take all reasonable steps to mitigate any circumstances which arise and which would result in any amount becoming payable under or pursuant to, or cancelled pursuant to, any of Clause 11.1 (*Illegality*) (or, in respect of the Issuing Bank, Clause 11.2 (*Illegality in relation to Issuing Bank*)), Clause 18 (*Taxes*) or Clause 19 (*Increased Costs*), including (but not limited to) transferring its rights and obligations under the Finance Documents to another Affiliate or Facility Office.

(b) Paragraph (a) above does not in any way limit the obligations of any Obligor under the Finance Documents.

21.2 Limitation of liability

(a) The Parent shall promptly indemnify each Finance Party for all costs and expenses reasonably incurred by that Finance Party as a result of steps taken by it under Clause 21.1 (*Mitigation*).

(b) A Finance Party is not obliged to take any steps under Clause 21.1 (*Mitigation*) if, in the opinion of that Finance Party (acting reasonably), to do so might be prejudicial to it in any material respect.

22. COSTS AND EXPENSES

22.1 Transaction expenses

The Parent shall within five Business Days after demand pay the Agent, the Arrangers, the Issuing Bank and the Security Agent (and, in the case of the Security Agent, any Receiver or Delegate) the amount of all costs and expenses (including, but not limited to, legal fees (subject to agreed caps, if any)) reasonably incurred by any of them in relation to arrangement, negotiation, preparation, printing, execution and syndication and perfection of the Facilities up to a maximum amount agreed (if any).

22.2 Amendment costs

If (a) an Obligor requests an amendment, waiver or consent, or (b) an amendment is required pursuant to Clause 2.3 (*Incremental Facility*), Clause 34.11 (*Change of currency*) or Clause 40.5 (*Changes to reference rates*), the Parent shall, within five Business Days after demand, reimburse each of the Agent, and the Security Agent for the amount of all reasonable costs and expenses (including, but not limited to, legal fees) reasonably incurred by the Agent and the Security Agent (and, in the case of the Security Agent, by any Receiver or Delegate) (in each case, subject to agreed caps (if any)) in responding to, evaluating, negotiating or complying with that request or

requirement. For the avoidance of doubt, the Parent shall reimburse all reasonable costs and expenses incurred by the Agent in negotiating and agreeing a Compounding Methodology Supplement and/or a Compounded Rate Supplement (as the case may be) within five Business Days after demand.

22.3 Enforcement and preservation costs

The Parent shall, within five Business Days after demand, pay to each Arranger and each other Secured Party the amount of all costs and expenses (including, but not limited to, legal fees) incurred by it in connection with the enforcement of or the preservation of any rights under any Finance Document and the Transaction Security and any proceedings instituted by or against the Security Agent as a consequence of taking or holding the Transaction Security or enforcing these rights.

23. GUARANTEES AND INDEMNITY

23.1 Guarantee and indemnity

Each Guarantor irrevocably and unconditionally jointly and severally:

- (a) guarantees to each Finance Party punctual performance by each other Obligor of all that Obligor's obligations under the Finance Documents;
- (b) undertakes with each Finance Party that whenever another Obligor does not pay any amount when due (allowing for any applicable grace period) under or in connection with any Finance Document, that Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and
- (c) agrees with each Finance Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of an Obligor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by a Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 23 if the amount claimed had been recoverable on the basis of a guarantee.

23.2 Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

23.3 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is made by a Finance Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, judicial management, administration or otherwise, without limitation, then the liability of each Guarantor under this Clause 23 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

23.4 Waiver of defences

The obligations of each Guarantor under this Clause 23 will not be affected by an act, omission, matter or thing which, but for this Clause 23, would reduce, release or prejudice any of its obligations under this Clause 23 (without limitation and whether or not known to it or any Finance Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- (e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security;
or
- (g) any insolvency or similar proceedings.

23.5 Guarantor Intent

Without prejudice to the generality of Clause 23.4 (*Waiver of defences*), each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

23.6 Immediate recourse

Each Guarantor waives any right it may have of first requiring any Finance Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Clause 23. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

23.7 Appropriations

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, each Finance Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Guarantor or on account of any Guarantor's liability under this Clause 23.

23.8 Deferral of Guarantors' rights

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, no Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 23:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;
- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under Clause 23.1 (*Guarantee and indemnity*);
- (e) to exercise any right of set-off against any Obligor; and/or
- (f) to claim or prove as a creditor of any Obligor in competition with any Finance Party.

If a Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Finance Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Finance Parties and shall promptly pay or transfer the same to the Agent or as the Agent may direct for application in accordance with Clause 34 (*Payment Mechanics*).

23.9 Release of Guarantors' right of contribution

If any Guarantor (a "**Retiring Guarantor**") ceases to be a Guarantor in accordance with the terms of the Finance Documents for the purpose of any sale or other disposal of that Retiring Guarantor or any of its Holding Companies (other than the Parent) then on the date such Retiring Guarantor ceases to be a Guarantor:

- (a) that Retiring Guarantor is released by each other Guarantor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Guarantor arising by reason of the performance by any other Guarantor of its obligations under the Finance Documents; and
- (b) each other Guarantor waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under any Finance Document or of any other security taken pursuant to, or in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Guarantor.

23.10 Additional security

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Finance Party.

23.11 Guarantee Limitations

This guarantee and the obligations and liabilities of each Guarantor under and in connection with the Finance Documents (including, without limitation, this Clause 23):

- (a) does not apply to any liability to the extent that it would result in this guarantee being illegal, in breach of law or regulation, or constituting unlawful financial assistance in any relevant jurisdiction (including, for the avoidance of doubt, within the meaning of sections 678 or 679 of the Companies Act 2006 applicable to members of the Group incorporated in the United Kingdom) concerning the financial assistance by that company for the acquisition of, or subscription for, shares or concerning the protection of shareholders' capital; and
- (b) is and shall be subject to Clauses 23.12 (*US Guarantee Limitations*) and 23.13 (*Limitations – Regulated Entities*) and any limitations set out in the Intercreditor Agreement or in an Accession Deed applicable to such Guarantor or the jurisdiction of incorporation of such Guarantor,

and any guarantee, indemnity, obligations and liabilities of each Guarantor shall be construed accordingly.

23.12 US Guarantee Limitations

- (a) In this clause, “**fraudulent transfer law**” means any applicable United States bankruptcy and State fraudulent transfer and conveyance statute and any related case law; and terms used in this Clause are to be construed in accordance with the fraudulent transfer laws.
- (b) Each Finance Party acknowledges and agrees that each US Guarantor's liability under this Clause is limited so that no obligation of, or transfer by, any US Guarantor under any Finance Document is subject to avoidance and turnover under any fraudulent transfer law.
- (c) Notwithstanding any term of any Finance Document, no Loan to a US Borrower or other obligation of a US Obligor under this Agreement or under any Finance Document may be, directly or indirectly: (i) guaranteed by a member of the Group (including, for this purpose, any direct or indirect subsidiaries acquired hereafter by the Parent) that is a “controlled

foreign corporation” (as defined in Section 957(a) of the Code) that has a “United States shareholder” (as defined in Section 951 of the Code) that is a member of the Group (such an entity, a “**CFC**”) or by an entity (a “**FSHCO**”) substantially all the assets of which consist of equity interests (or equity interests and indebtedness) of one or more CFCs or other FSHCOs, or guaranteed by a subsidiary of a CFC or FSHCO; (ii) secured by any assets of a CFC, FSHCO or a subsidiary of a CFC or a FSHCO (including any CFC or FSHCO equity interests held directly or indirectly by a CFC or FSHCO); (iii) secured by a pledge or other security interest in excess of 65% of the voting equity interests (and 100% of the non-voting equity interests) of a CFC or FSHCO; or (iv) guaranteed by any subsidiary or secured by a pledge of or security interest in any subsidiary or other asset, if it would result in material adverse US tax consequences to any member of the Group as reasonably determined by the Borrowers and the Obligors’ Agent and the Agent.

23.13 Limitations – Regulated Entities

- (a) Notwithstanding anything set out to the contrary in this Agreement or any other Finance Document, the obligations and liabilities of each Regulated Entity which is a Guarantor under this Clause 23 or any other provision of this Agreement or any other Finance Document to which it is a party shall be limited:
 - (i) to the material Unrestricted Assets of that Regulated Entity (subject to and in accordance with the Agreed Security Principles); and
 - (ii) such that the Agent and any other Finance Party shall only have recourse against each Regulated Entity to the extent that such recourse does not affect the availability (immediately and without restriction) of Assets to cover, or have a result where the Regulated Entity does not satisfy, a Capital Requirement as at the date the Agent or any Finance Party takes enforcement action (however described) against such Regulated Entity under this Clause 23 or any other provision of this Agreement or any other Finance Document to which it is a party.
- (b) For the purposes of this Clause 23, “**Assets**” means the assets of each Regulated Entity accounted for as such in each Regulated Entity’s financial statements.

24. REPRESENTATIONS AND WARRANTIES

Each Obligor (or, in the case of Clause 24.9 (*Base Case Model*) and Clause 24.10 (*Financial Statements*) the Parent) represents and warrants to each of the Finance Parties the representations and warranties set out in this Clause 24 at the times and in the manner contemplated by Clause 24.15 (*Repetition*).

- (b) It has the power to own its material assets and carry on its business substantially as it is now being conducted, save to the extent that failure to do so could not reasonably be expected to have a Material Adverse Effect.

24.2 Binding obligations

Subject to the Legal Reservations and the Perfection Requirements:

- (a) its obligations under the Finance Documents to which it is a party are valid, legally binding and enforceable obligations; and
- (b) (without limiting the generality of paragraph (a) above), each of the Transaction Security Documents to which it is party creates valid and effective security interests which that Transaction Security Document purports to make, ranking in accordance with the terms of such documents,

in each case, to the extent that a failure to do so would have a Material Adverse Effect.

24.3 Non-conflict with other obligations

Subject to the Legal Reservations, the entry into and performance by it of, and the transactions contemplated by the Finance Documents to which it is a party do not contravene:

- (a) any law or regulation applicable to it;
 - (b) its constitutional documents; or
 - (c) any agreement or instrument binding upon it or any of its assets,
- to an extent which has or is reasonably likely to have a Material Adverse Effect.

24.4 Power and authority

24.6 Governing law and enforcement

- (a) Subject to the Legal Reservations, the choice of governing law of the Finance Documents to which it is a party as expressed in such Finance Document will be recognised in its jurisdiction of incorporation to the extent failure to do so would have a Material Adverse Effect.

This Clause 25 is subject to paragraph (d) of Clause 36.7 (*Use of websites*).

25.7 Notes Reporting

Notwithstanding any other term of the Finance Documents (including this Clause 25), delivery to the Agent of a copy of each set of financial statements which are delivered to Noteholders (as defined in the Intercreditor Agreement), or the satisfaction of the relevant financial reporting requirements under the Original Senior Secured Notes Indenture by filing such reports on the SEC's EDGAR website, shall be deemed to satisfy all requirements of this Clause 25 and Schedule 16 (*Information Undertakings*) (including as regards the form of and requirements in relation to financial statements and any accompanying information, statements and management commentary), this Agreement and the other Finance Documents such that no further documents, statements or information shall be required to be delivered pursuant to this Clause 25, this Agreement and the other Finance Documents *provided that*, where applicable, the Parent shall still be required to comply with any obligation to:

25.8 Reporting obligations in respect of a Listed Entity

each set of financial statements of the Listed Entity and (to the extent applicable) any ad hoc press release of the Listed Entity which are delivered to the relevant regulators or disclosed in accordance with the applicable stock exchange or securities regulatory rules (in each case promptly following the date on which such financial statements or ad hoc press release has been delivered to or filed with the relevant regulators or disclosed in accordance with the applicable stock exchange rules), or notice to the Agent that such information has been filed with the relevant regulators or disclosed in accordance with the applicable stock exchange or regulatory rules and confirming where the filings can be electronically assessed by the general public, shall be deemed to satisfy all reporting and other information obligations of this Agreement (including as regards the form of and requirements in relation to financial statements and any accompanying information, statements and management commentary) such that no further documents, statements or information shall be required to be delivered pursuant to this Agreement, *provided that*, where applicable, the Parent shall still be required to comply with any obligation to:

- (ii) deliver any “know your customer” information pursuant to Clause 25.4 (*“Know your customer” checks*).

For the avoidance of doubt, the requirements of this Clause 25.8 shall be considered to have been fulfilled if Paysafe Limited complies with the reporting requirements of the recognised investment or other stock exchange on which its common shares are at that time listed.

- (b) Notwithstanding any other term of the Finance Documents, all reporting and other information requirements in the Finance Documents shall be subject to any confidentiality, regulatory or other restrictions relating to the supply of information concerning the Group or otherwise binding on any member of the Group or any Holding Company of the Parent and no such disclosure shall be required if as a result of such disclosure a member of the Group or any Holding Company of the Parent would be obliged to make an announcement to the relevant listing authorities and/or stock exchange (or in accordance with applicable listing, disclosure and/or stock exchange rules) which it would not otherwise have been required to make or would contravene any applicable laws or regulations or stock exchange requirements.

26. FINANCIAL COVENANT

26.1 Financial condition

- (a) Subject to paragraph (b) below, with respect to the Initial Revolving Facility and any Incremental Financial Covenant Revolving Facility only, the Parent shall not permit the Consolidated First Lien Debt Ratio in respect of each Testing Period (calculated as at the Test Date in respect of such Testing Period in accordance with paragraph (b) below and as set out in the applicable Compliance Certificate for such Testing Period) to exceed 7.50:1.00 (the “**Revolving Facility Financial Covenant**”).
- (b) Notwithstanding the foregoing, this Clause 26.1 shall be in effect (and shall only be in effect) when the outstanding principal amount of the Revolving Facility Loans (excluding for these purposes the amount of (x) any outstanding Utilisations by way of Ancillary Facilities or Letters of Credit (or bank guarantees) and (y) any Utilisations to fund any

original issue discount fees in respect of Facility B or any Incremental Facility (and any Rollover Loans in respect thereof)), *less* any cash and Cash Equivalents of the Group, exceeds 40% of the Total Revolving Facility Commitments (disregarding any reduction of Revolving Facility Commitments following the date of this Agreement) on each Test Date (the “**Revolving Facility Financial Covenant Condition**”).

26.2 Financial calculations

- (a) Notwithstanding anything to the contrary in this Agreement, any financial covenant or financial ratio or incurrence-based permission, test, basket or threshold in any Finance Document (including any financial definition or component thereof or any financial ratio, test, basket or threshold or permission based on the calculation of EBITDA, LTM EBITDA, the Consolidated First Lien Debt Ratio, the Consolidated Secured Debt Ratio, the Consolidated Total Debt Ratio or the Fixed Charge Coverage Ratio), any Default, Event of Default or other relevant breach of a Finance Document, shall be calculated in the manner prescribed by Clause 1.3 (*Calculations*), this Clause 26.2, Schedule 17 (*General Undertakings*), Schedule 18 (*Events of Default*) and Schedule 19 (*Certain New York Law Defined Terms*).
- (b) The Revolving Facility Financial Covenant will be tested on the date of delivery of, and by reference to, the Compliance Certificate for the applicable Testing Period; *provided that*, the Revolving Facility Financial Covenant will not be tested on the date of delivery of, or by reference to, any Voluntary Compliance Certificate.
- (c) For the purposes of calculating any financial covenant or financial ratio or incurrence-based permission, test, basket or threshold in any Finance Document (including any financial definition or component thereof or any financial ratio, test, basket or threshold or permission based on the calculation of EBITDA, LTM EBITDA, the Consolidated First Lien Debt Ratio, the Consolidated Secured Debt Ratio, the Consolidated Total Debt Ratio or the Fixed Charge Coverage Ratio), any Default, Event of Default or other relevant breach of a Finance Document, *pro forma* adjustments may be made pursuant to the definition of “Fixed Charge Coverage Ratio” and the definition of “EBITDA”.
- (d) For the purposes of calculating any financial covenant or financial ratio or incurrence-based permission, test, basket or threshold in any Finance Document (including any financial definition or component thereof or any financial ratio, test, basket or threshold or permission based on the calculation of EBITDA, LTM EBITDA, the Consolidated First Lien Debt Ratio, the Consolidated Secured Debt Ratio, the Consolidated Total Debt Ratio or the Fixed Charge Coverage Ratio), any Default, Event of Default or other relevant breach of a Finance Document involving a calculation of net Indebtedness, such ratio shall be tested net of all cash (being cash at bank or in hand (including money market deposits, cash in tills and in safes) or in transit, or payments made which are yet to be received in cleared funds, or any credit balance on any deposit, savings, current or other account to which a member (or members) of the Group is beneficially entitled) and Cash Equivalents.
- (e) Any liabilities or obligations in connection with any lease, concession or license of property (including capital leases, finance leases and operating leases) or the interest component thereof, as applicable, shall be calculated in accordance with the definition of “GAAP”.
- (f) Without prejudice to the rights of the Group under paragraphs (a) to (e) (inclusive) above, for the purposes of calculating any financial covenant or financial ratio or incurrence-based permission, test, basket or threshold in any Finance Document (including any financial

definition or component thereof or any financial ratio, test, basket or threshold or permission based on the calculation of EBITDA, LTM EBITDA, the Consolidated First Lien Debt Ratio, the Consolidated Secured Debt Ratio, the Consolidated Total Debt Ratio or the Fixed Charge Coverage Ratio), any Default, Event of Default or other relevant breach of a Finance Document, the exchange rates used in such calculation shall be (at the Parent's election), as applicable:

- (i) the weighted average exchange rates for the Relevant Period as determined by the Parent;
- (ii) the rate at which any foreign exchange hedging arrangement has been entered into by any member of the Group;
- (iii) the rate applied in the applicable Financial Statements for the Relevant Period;
- (iv) the exchange rate in effect as at the last day of the Relevant Period, as determined by the Parent; or
- (v) any other rate selected by the Parent in good faith.

27. GENERAL UNDERTAKINGS

The undertakings and covenants in this Clause 27 and in Schedule 17 (*General Undertakings*) shall continue in force from the date of this Agreement and for so long as any amount is outstanding under the Finance Documents or any Commitment is in force.

27.1 Covenant to guarantee obligations and give security and further assurances

- (a) Subject to the Agreed Security Principles, the Parent shall procure that:
 - (i) by reference to each Compliance Certificate delivered with the Annual Financial Statements (commencing with the Annual Financial Statements in respect of the first complete Financial Year ending after the Closing Date), the Guarantor and Security Coverage Requirement shall be satisfied in accordance with the Agreed Security Principles within 120 days after the date on which such Compliance Certificate is delivered to the Agent; and
 - (ii) by reference to each Compliance Certificate delivered with the Annual Financial Statements (commencing with the Annual Financial Statements in respect of the first complete Financial Year ending after the Closing Date), each member of the Group which has become a Material Subsidiary and that is incorporated in a Security Jurisdiction shall within 120 days after the date on which such Compliance Certificate is required to be delivered to the Agent accede as an Additional Guarantor in accordance with the Agreed Security Principles.
- (b) Subject to the Agreed Security Principles, each Obligor shall (and the Parent shall ensure that each relevant member of the Group will) promptly do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s)):

- (i) to perfect the Security created or intended to be created under or evidenced by the Transaction Security Documents (which may include the execution of a mortgage, charge, assignment or other Security over all or any of the assets which are, or are intended to be, the subject of the Transaction Security) or for the exercise of any rights, powers and remedies of the Security Agent or the Finance Parties provided by or pursuant to the Finance Documents or by law; and/or
 - (ii) after a Declared Default which is continuing, to facilitate the realisation of the assets which are, or are intended to be, the subject of the Transaction Security.
- (c) Subject to the Agreed Security Principles, each Obligor shall (and the Parent shall ensure that each member of the Group shall) take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Finance Parties by or pursuant to the Finance Documents.
- (d) Notwithstanding anything set out to the contrary above, any other term of this Agreement or any other Finance Document, no Regulated Entity or other member of the Group will be required:
- (i) to give a guarantee or grant Security where, in the good faith judgment of the directors of the Parent, the creation of Security, the giving of a guarantee and/or otherwise becoming an Obligor under the Finance Documents could materially increase the regulatory capital requirements pursuant to any applicable law or regulation or the views, guidance or interpretation of the applicable law or regulation of any Relevant Regulator, or materially adversely affect the solvency capital requirements, of the Group (or any member thereof) pursuant to any applicable law or regulation applicable to such member of the Group, or where such guarantee or grant could cause the Group (or any member thereof) to breach any applicable law or regulation; or
 - (ii) to create Security over or otherwise encumber any Restricted Asset (including, without limitation, any bank accounts which contain or are reasonably likely to contain any Restricted Assets).

27.2 Authorisations and Consents

Each Obligor will promptly apply for, obtain and promptly renew from time to time and maintain in full force and effect all Authorisations and consents and comply with the terms of all such Authorisations and consents, and promptly make and renew from time to time all such filings, as may be required under any applicable law or regulation to enable it to enter into, and perform its obligations under the Finance Documents to which it is party and to carry out the transactions contemplated by the Finance Documents to which it is a party and to ensure that, subject to the Legal Reservations and Perfection Requirements, its obligations under the Finance Documents to which it is party are valid, legally binding and enforceable and each of the Transaction Security Documents to which it is party constitutes valid security ranking, subject to the Legal Reservations and Perfection Requirements, in accordance with its terms, in each case where failure to do so would have, or would reasonably be expected to have, a Material Adverse Effect.

27.3 Pari passu ranking

Each Obligor will ensure that at all times any unsecured and unguaranteed claims of a Finance Party (other than any member of the Group which has entered into a Notifiable Debt Purchase Transaction) against it under each of the Finance Documents rank at least *pari passu* with all its other present and future unsecured and unsubordinated creditors except creditors whose claims are mandatorily preferred by laws of general application.

27.4 Centre of Main Interests

No Obligor incorporated in the European Union shall without the prior written consent of the Agent or unless otherwise required for genuine tax benefit reasons deliberately cause or allow its “centre of main interests” (as that term is used in Article 3(1) of the Regulation) to change.

27.5 Taxes

The Parent shall, and shall ensure that its Restricted Subsidiaries shall, pay, discharge or otherwise satisfy, as the same shall become due and payable, all of its obligations and liabilities in respect of Taxes, assessments and governmental charges or levies imposed upon it or upon its income or profits or in respect of its property within the time period allowed under applicable law without imposing material penalties, except, in each case, to the extent:

- (a) any such tax, assessment, charge or levy is being contested in good faith and by appropriate actions for which appropriate reserves have been established in accordance with the relevant Accounting Principles; or
- (b) the failure to pay or discharge the same would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

27.6 Compliance with Laws

The Parent shall, and shall ensure that the Obligors shall, comply in all material respects with their respective constitutional documents and the requirements of all laws and all orders, writs, injunctions and decrees of any Governmental Authority applicable to it or to its business or property, except, in each case, in instances in which:

- (a) such compliance would result in a violation of, conflict with, or liability under Regulation (EC) No 2271/96 or any applicable anti-boycott statute;
- (b) such requirement of Law, order, writ, injunction or decree is being contested in good faith by appropriate proceedings diligently conducted; or
- (c) the failure to comply therewith would not reasonably be expected individually or in the aggregate to have a Material Adverse Effect.

28. EVENTS OF DEFAULT

Each of the events or circumstances set out in this Clause 28 (save for Clause 28.5 (*Acceleration*), Clause 28.6 (*Clean Up Period*) and Clause 28.7 (*Excluded Matters*)) and in Section 1 (*Events of Default*) of Schedule 18 (*Events of Default*) shall constitute an Event of Default.

28.1 Financial covenant

- (a) Subject to the following paragraphs of this Clause 28.1, with respect to the Initial Revolving Facility and any Incremental Financial Covenant Revolving Facility only, any requirement

of Clause 26.1 (*Financial condition*) is not satisfied (the “**Financial Covenant Event of Default**”), *provided that* a Financial Covenant Event of Default shall not constitute a Default or an Event of Default for the purposes of any Term Loan (or any Incremental Revolving Facility that is not an Incremental Financial Covenant Revolving Facility) and shall not give the Lenders under any Term Loan any right to accelerate the relevant Term Loans (or relevant Incremental Revolving Facilities other than any Incremental Financial Covenant Revolving Facility) or take any other Enforcement Action (as defined in the Intercreditor Agreement) in respect of such Term Loan (or Incremental Revolving Facility that is not an Incremental Financial Covenant Revolving Facility) unless and until the Super Majority Financial Covenant Revolving Facility Lenders have served a notice to the Parent in accordance with paragraphs (b)(i) and (b)(ii) of Clause 28.5 (*Acceleration*) as a result of such Financial Covenant Event of Default and such notice has not been rescinded (a “**Financial Covenant Cross-Default**”).

- (b) Notwithstanding anything to the contrary contained in paragraph (a) above, for the purposes of determining whether any breach of the covenant set out in Clause 26.1 (*Financial condition*) has occurred or will occur as of any date, and at any time until the expiration of the twentieth Business Day after the date on which Annual Financial Statements, Semi-Annual Financial Statements or Quarterly Financial Statements are required to be delivered pursuant to Section 1 (*Financial Statements*) of Schedule 16 (*Information Undertakings*) (as applicable) with respect to the applicable Financial Quarter hereunder (the “**Cure Expiration Date**”):
- (i) the Parent or the applicable Borrowers may by no later than the Cure Expiration Date, procure that sufficient Revolving Facility Loans are repaid or prepaid or otherwise reduced such that the Revolving Facility Financial Covenant Condition is no longer met (and the Revolving Facility Financial Covenant Condition shall then be deemed not to have been met on the applicable Quarter Date) (a “**Prepayment Cure**”); and/or
 - (ii) the Permitted Holders (or any other Person so long as no Change of Control results therefrom) may make a Specified Equity Contribution to the Parent which shall be deemed to either (at the option of the Parent, in its sole and absolute discretion):
 - (A) increase EBITDA with respect to such Financial Quarter, and such Specified Equity Contribution shall be included in the financial covenant calculations until such time as the Financial Quarter in respect of which such Specified Equity Contribution was made falls outside of the Relevant Period (an “**EBITDA Cure**”); or
 - (B) reduce Consolidated First Lien Net Debt on a *pro forma* basis as of the last day of the Relevant Period and on the last day of each subsequent Relevant Period until such time as the Financial Quarter in respect of which such Specified Equity Contribution was made falls outside of the Relevant Period; *provided that* there shall be no requirement to actually use the proceeds of any Specified Equity Contribution to reduce Consolidated First Lien Net Debt or prepay any Facility (a “**Net Debt Cure**”).
- (c) The right to make an EBITDA Cure or a Net Debt Cure pursuant to paragraph (b)(ii) above or a Recalculation pursuant to paragraph (e) below is subject to the following conditions (and the right to effect a Prepayment Cure pursuant to paragraph (b)(i) above is subject to paragraph (iv) below only):

- (i) no more than two EBITDA Cures, Net Debt Cures or Recalculations may be made in any period of four consecutive Financial Quarters;
- (ii) no more than five EBITDA Cures, Net Debt Cures or Recalculations in total will be made after the Closing Date;
- (iii) in the case of an EBITDA Cure, there shall be no *pro forma* reduction in Consolidated First Lien Net Debt with the proceeds of such Specified Equity Contribution for determining compliance with Clause 26.1 (*Financial condition*) for any Financial Quarter in which such Specified Equity Contribution is included in EBITDA; and
- (iv) any Specified Equity Contribution pursuant to a Prepayment Cure, an EBITDA Cure or a Net Debt Cure shall be disregarded for the purposes of determining the Margin, Excess Cash Flow and any financial ratio-based conditions or baskets with respect to covenants contained in the Finance Documents (other than the Revolving Facility Financial Covenant), *provided that*:
 - (A) any reduction in indebtedness funded with a Specified Equity Contribution shall be taken into account for the purposes of determining the Margin, Excess Cash Flow and any financial ratio-based conditions or baskets with respect to covenants contained in the Finance Documents; and
 - (B) subject to sub-paragraph (iii) above and without double counting the amount by which the Consolidated First Lien Net Debt is deemed to be reduced for the purposes of financial covenant calculations in the case of any Net Debt Cure, the amount of any Specified Equity Contribution which is held by any member of the Group as cash or Cash Equivalents on the last day of any applicable Relevant Period shall constitute cash or Cash Equivalents (as applicable) for all purposes under this Agreement (including, for the avoidance of doubt, for the purposes of cash netting purposes in any financial calculation).
- (d) For the avoidance of doubt, there shall be no cap on the amount of any Specified Equity Contribution.
- (e) Notwithstanding anything to the contrary contained in paragraphs (a) and (b) above, the Parent may cure or prevent a breach of the Revolving Facility Financial Covenant in respect of any Relevant Period at any time by electing to recalculate:
 - (i) the Revolving Facility Financial Covenant Condition for that Relevant Period or any subsequent date (notwithstanding that such date is not a Quarter Date) for which the Parent has sufficient available information to effect such recalculation; or
 - (ii) the Revolving Facility Financial Covenant for that Relevant Period or any subsequent Relevant Period (notwithstanding that such Relevant Period is not a

Testing Period) for which the Parent has sufficient available information to effect such recalculation,

(a “**Recalculation**”) and if, taking into account such Recalculation:

(A) the Revolving Facility Financial Covenant Condition would not be met as at the last day of such Relevant Period or on any subsequent date; or

(B) the Revolving Facility Financial Covenant would be complied with for such Relevant Period or if calculated for any subsequent Relevant Period (notwithstanding that such Relevant Period is not a Testing Period),

the relevant failure to comply with the Revolving Facility Financial Covenant shall be treated as having been cured or prevented, *provided that*, in relation to any Recalculation effected:

(I) on or prior to the delivery of the relevant Compliance Certificate for such Relevant Period, the Compliance Certificate for such Relevant Period shall set out the revised Revolving Facility Financial Covenant for the Relevant Period following such Recalculation (or shall confirm that the Revolving Facility Financial Covenant Condition is not met following such Recalculation); and

(II) following the delivery of the relevant Compliance Certificate for such Relevant Period, the Parent shall deliver to the Agent a revised Compliance Certificate which shall set out the revised Revolving Facility Financial Covenant for such Relevant Period following such Recalculation (or shall confirm that the Revolving Facility Financial Covenant Condition was not met for such Relevant Period following such Recalculation).

Any Recalculation pursuant to this paragraph (e) may, at the Parent’s option, give pro forma effect to any Investment, acquisition, disposition, sale, merger, joint venture, consolidation or other business combination transaction, Incurrence, assumption, commitment, issuance, repayment, repurchase or refinancing of Indebtedness (including, for the avoidance of doubt, an Incremental Facility), Disqualified Stock or Preferred Stock and the use of proceeds thereof, any creation of a Lien, any Restricted Payment, any Affiliate Transaction, any designation of a Restricted Subsidiary or Unrestricted Subsidiary, any Asset Disposition or any other transaction (and any permitted adjustments to any baskets, thresholds or exceptions in connection therewith) for which has been consummated following the end of such Relevant Period or any subsequent Relevant Period as if such Relevant Transaction had been consummated on the first day of such Relevant Period or subsequent Relevant Period (as applicable).

(f) Notwithstanding anything to the contrary contained in paragraphs (b) and (c) above:

(i) upon repayment of the Revolving Facility Loans pursuant to paragraph (b)(i) above or receipt of the net cash proceeds of such Specified Equity Contribution by the Parent or any other Obligor, the Revolving Facility Financial Covenant shall be deemed satisfied and complied with as of the end of the applicable Relevant Period with the same effect as though there had been no failure to comply with Clause

26.1 (*Financial condition*) and any Default or Event of Default related to any failure to comply with Clause 26.1 (*Financial condition*) shall be deemed not to have occurred for any purpose under the Finance Documents; and

- (ii) neither the Agent nor any Lender shall exercise any rights or remedies under this Clause 28 (or under any other Finance Document) available during the continuance of any Default or Event of Default on the basis of any actual or purported failure to comply with Clause 26.1 (*Financial condition*) until the Cure Expiration Date, *provided that* such Default or Event of Default has not been cured by the Cure Expiration Date in accordance with this Clause 28.1.

- (g) Without prejudice to paragraph (f)(i) above, if the Revolving Facility Financial Covenant has been breached and such breach has not been cured by the Cure Expiration Date in accordance with this Clause 28.1, but is complied with when tested, or the Revolving Facility Financial Covenant Condition is not met, on any subsequent Quarter Date (the “**Second Period**”), then, the prior breach of such financial covenant or any Default or Event of Default arising therefrom shall not (or be deemed to) directly or indirectly constitute, or result in, a breach of any representation, warranty, undertaking or other term in the Finance Documents or a Default or an Event of Default unless the Super Majority Financial Covenant Revolving Facility Lenders have served a notice to the Parent in accordance with paragraphs (b)(i) and (b)(ii) of Clause 28.5 (*Acceleration*) as a result of such breach and such notice has not been rescinded before delivery of the Compliance Certificate in respect of the Second Period.

28.2 Misrepresentation

- (a) Any representation, warranty or written statement made (or deemed to be made under Clause 23.12 (*Representations and Warranties*)) by any Obligor in Clause 23.12 (*Representations and Warranties*) is or proves to be incorrect or misleading in a respect that is materially prejudicial to the interests of the Finance Parties (taken as a whole) under the Finance Documents when made or deemed to be made (or when repeated or deemed to be repeated).
- (b) No Event of Default will occur under paragraph (a) above if the circumstances giving rise to that misrepresentation are capable of remedy and are remedied within 60 days after the earlier of: (i) the Parent becoming aware of the relevant Default; and (ii) the giving of notice by the Agent to the Parent in respect of such Default.

28.3 Invalidity and Unlawfulness

- (a) Any provision of any Finance Document is or becomes invalid or (subject to the Legal Reservations and Perfection Requirements) unenforceable for any reason or shall be repudiated or rescinded or the validity or enforceability of any provision of any Finance Document shall at any time be contested by any Obligor and this, individually or cumulatively, could reasonably be expected to materially adversely affect the interests of the Finance Parties (taken as a whole) under the Finance Documents.
- (b) At any time it is or becomes unlawful for any Obligor or any other member of the Group to perform any of its obligations under any of the Finance Documents or any Transaction Security created or expressed to be created by the Transaction Security Documents ceases to be effective or any subordination under the Intercreditor Agreement is or becomes unlawful, and this individually or cumulatively could reasonably be expected to materially

adversely affect the interests of the Finance Parties (taken as a whole) under the Finance Documents.

- (c) Any obligation or obligations of any Obligor or any other Restricted Subsidiary under any Finance Document is not or are not, or cease or ceases to be, (subject to the Legal Reservations and Perfection Requirements) legal, valid, binding or enforceable and the cessation individually or cumulatively could reasonably be expected to materially adversely affect the interests of the Finance Parties (taken as a whole) under the Finance Documents.
- (d) No Event of Default will occur under paragraph (a), (b) or (c) above if the circumstances giving rise to that unlawfulness or invalidity are capable of remedy and are remedied within 60 days after the earlier of: (i) the Parent becoming aware of the relevant Default; and (ii) the giving of notice by the Agent to the Parent in respect of such Default.

28.4 Intercreditor Agreement

- (a) Any member of the Group fails to comply in any material respect with the provisions of, or does not perform its obligations under, the Intercreditor Agreement and where such failure to comply or perform materially and adversely affects the interests of the Finance Parties (taken as a whole) under the Finance Documents.
- (b) No Event of Default will occur under paragraph (a) above if such failure is capable of remedy and is remedied within 60 days after the earlier of: (i) the Parent becoming aware of the relevant Default; and (ii) the giving of notice by the Agent to the Parent in respect of such Default.

28.5 Acceleration

- (a) Subject to Clause 4.5 (*Utilisations during the Certain Funds Period*) and Clause 4.6 (*Utilisations during an Agreed Certain Funds Period*), at any time after the occurrence of an Event of Default which is continuing (other than any Financial Covenant Event of Default that has not become a Financial Covenant Cross-Default), the Agent may, and shall if so directed by the Super Majority Lenders, by written notice to the Parent:
 - (i) terminate the availability of the Facilities and cancel the Total Commitments whereupon the Facilities shall cease to be available for utilisation, the undrawn portion of the Commitments of each of the Lenders shall be cancelled and no Lender shall be under any further obligation to make Loans under this Agreement; and/or
 - (ii) declare that all or part of the Utilisations together with accrued interest thereon and all other amounts accrued or outstanding under the Finance Documents be immediately due and payable, at which time they shall become immediately due and payable; and/or
 - (iii) declare that all or part of the Utilisations be payable on demand, at which time they shall immediately become payable on demand by the Agent on the instructions of the Super Majority Lenders; and/or
 - (iv) declare that cash cover in respect of each Letter of Credit is immediately due and payable at which time it shall become immediately due and payable; and/or

- (v) declare that cash cover in respect of each Letter of Credit is payable on demand at which time it shall immediately become due and payable on demand by the Agent on the instructions of the Super Majority Lenders; and/or
 - (vi) declare all or any part of the amounts (or cash cover in relation to those amounts) outstanding under the Ancillary Facility(s) be immediately due and payable, at which time it shall become immediately due and payable; and/or
 - (vii) declare all or any part of the amounts (or cash cover in relation to those amounts) outstanding under the Ancillary Facility(s) be payable on demand, whereupon it shall immediately become due and payable on demand by the Agent on the instructions of the Super Majority Lenders; and/or
 - (viii) exercise or direct the Security Agent to exercise any or all of its rights, remedies, powers or discretions under the Finance Documents.
- (b) Subject to Clause 4.5 (*Utilisations during the Certain Funds Period*) and Clause 4.6 (*Utilisations during an Agreed Certain Funds Period*), if a Financial Covenant Event of Default has occurred and is continuing, the Agent may, and shall if so directed by the Super Majority Financial Covenant Revolving Facility Lenders, by written notice to the Parent:
- (i) cancel the Total Financial Covenant Revolving Facility Commitments, at which time they shall immediately be cancelled; and/or
 - (ii) declare that all or part of the Revolving Facility Loans under the Initial Revolving Facility and any Incremental Financial Covenant Revolving Facility, together with accrued interest, and all other amounts accrued or outstanding under the Finance Documents to the Revolving Facility Lenders under the Initial Revolving Facility and any Incremental Financial Covenant Revolving Facility be immediately due and payable, at which time they shall become immediately due and payable; and/or
 - (iii) declare that all or part of the Revolving Facility Loans under the Initial Revolving Facility and any Incremental Financial Covenant Revolving Facility be payable on demand, at which time they shall immediately become payable on demand by the Agent on the instructions of the Super Majority Financial Covenant Revolving Facility Lenders.
- (c) Subject to Clause 4.5 (*Utilisations during the Certain Funds Period*) and Clause 4.6 (*Utilisations during an Agreed Certain Funds Period*), if any Event of Default occurs under Section 1 (*Events of Default*) of Schedule 18 (*Events of Default*) in relation to a US Obligor all of the Loans made to that US Obligor, together with accrued interest and all other amounts accrued and then payable by that US Obligor under the Finance Documents, shall be immediately due and payable, in each case automatically and without any direction, notice, declaration or other act.
- (d) Notwithstanding any other term of the Finance Documents, none of the steps or matters in connection with a Permitted Transaction (or the actions taken to implement a Permitted Transaction) shall (or shall be deemed to) constitute, or result in, a breach of any representation, warranty, undertaking or other term in the Finance Documents or a Default or an Event of Default.

28.6 Clean Up Period

(a) For the period commencing on the Closing Date and ending on (and including) the date falling 180 days after the Closing Date (the “**Clean Up Period**”), the occurrence of any Default or Event of Default will be deemed not to be a breach of representation or warranty or a breach of covenant or an Event of Default (as the case may be), and will not have any of the consequences that such a misrepresentation, breach of warranty, breach of covenant or Event of Default (as the case may be) would ordinarily have under this Agreement, if it would have been (but for this provision) a breach of representation or warranty or a breach of covenant or an Event of Default only by reason of circumstances relating exclusively to the Target or any of its Subsidiaries, and *provided that* such breach or Event of Default:

- (i) is capable of being remedied within the Clean Up Period;
- (ii) does not have a Material Adverse Effect; and
- (iii) was not knowingly procured by or approved by the Parent.

Notwithstanding the above, if the relevant circumstances are continuing after the expiry of the Clean Up Period, there shall be a breach of representation or warranty, breach of covenant or Event of Default, as the case may be (and without prejudice to any rights and remedies of the Finance Parties).

(b) In respect of any acquisition permitted under this Agreement, for the period commencing on the date on which such acquisition is completed and ending on (and including) the date falling 120 days thereafter (the “**Permitted Acquisition Clean Up Period**”), the occurrence of any Default or Event of Default will be deemed not to be a breach of representation or warranty or a breach of covenant or an Event of Default (as the case may be), and will not have any of the consequences that such a misrepresentation, breach of warranty, breach of covenant or Event of Default (as the case may be) would ordinarily have under this Agreement, if it would have been (but for this provision) a breach of representation or warranty or a breach of covenant or an Event of Default only by reason of circumstances relating exclusively to the target of the relevant acquisition or any of its Subsidiaries, and *provided that* such breach or Event of Default:

- (i) is capable of being remedied within the Permitted Acquisition Clean Up Period;
- (ii) does not have a Material Adverse Effect; and
- (iii) was not knowingly procured by or approved by the Parent.

Notwithstanding the above, if the relevant circumstances are continuing after the expiry of the Permitted Acquisition Clean Up Period, there shall be a breach of representation or warranty, breach of covenant or Event of Default, as the case may be (and without prejudice to any rights and remedies of the Finance Parties).

(c) The Parent shall promptly notify the Agent upon becoming aware of the occurrence or existence of any event or circumstance which, but for this Clause 28.6 would constitute an Event of Default and the steps, if any, being taken to remedy it.

28.7 Excluded Matters

(a) Notwithstanding any other term of the Finance Documents:

(i) none of the steps, actions or events set out in or contemplated by the Tax Structure Memorandum or the intermediate steps, actions or events necessary to implement any of those steps events or actions;

(iv) other than in the case of any payment default under an Ancillary Document constituting an Event of Default under Section 1 (*Events of Default*) of Schedule 18 (*Events of Default*), no breach of any representation, warranty, undertaking or other term of (or default or event of default under) an Ancillary Document;

(v) no breach of any obligation in respect of which it is expressly provided in this Agreement that a breach shall not constitute a Default and/or Event of Default; and

(vi) no Withdrawal Event,

shall (or shall be deemed to) constitute a breach of any representation and warranty or undertaking in the Finance Documents or result in the occurrence of a Default or an Event of Default and shall be expressly permitted under the terms of the Finance Documents.

(b) For these purposes, “**Withdrawal Event**” means:

(i) the withdrawal of any participating member state of the European Union from the single currency of the participating member states of the European Union (being the euro);

(ii) the redenomination of the euro into any other currency by the government of any current or former participating member state of the European Union; and/or

29. CHANGES TO THE LENDERS

29.1 Successors

The Finance Documents shall be binding upon and enure to the benefit of each party hereto and its or any subsequent successors, transferees, assigns and any New Lender.

29.2 Assignments by Lenders

- (a) Subject to this Clause 29, any Lender (an “**Existing Lender**”) may assign any of its rights or transfer its rights and obligations (it being understood that an assignment as referred to in this Clause 29 or in this Agreement shall, where the context so requires or permits, include a transfer of its rights and obligations) under any Finance Document to a bank or financial institution or to any fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in or securitising loans, securities or other financial assets (an “**New Lender**”).
- (b) Each Party agrees that in case of a transfer pursuant to this Clause 29.2 (*Assignments by Lenders*), the Transaction Security and the guarantees granted by each Obligor under the Finance Documents shall be preserved for the benefit of the Security Agent, the New Lender and the remaining Secured Parties.

29.3 Conditions of assignment or transfer

- (a) An assignment of part of a Lender’s Commitments shall be in a minimum amount of \$1,000,000 (or its equivalent in other currencies), and must be in an amount such that the amount of that Lender’s remaining Commitments (when aggregated with its Affiliates’ and Related Funds’ Commitments) is in a minimum amount of \$2,000,000 (or its equivalent in other currencies), unless the relevant assignment relates to the whole of that Lender’s Commitments under the relevant Facility.
- (b) On and prior to the expiry of the Certain Funds Period, no Existing Lender may assign any of its rights or transfer by novation any of its rights and obligations, nor enter into any sub-participation or sub-contract in respect of the same, without the prior written consent of the Parent (in its sole and absolute discretion).
- (c) After the expiry of the Certain Funds Period, other than with respect to any Revolving Facility, the prior written consent of the Parent (not to be unreasonably withheld or delayed) is required for any assignment, transfer, sub-participation or sub-contract unless such assignment, transfer, sub-participation or sub-contract is:
 - (i) to another Lender or an Affiliate of a Lender or, in the case of a Lender which is a fund, a Related Fund of such Lender; or
 - (ii) made at a time when a Material Event of Default is continuing,

provided that if the Parent fails to respond to a request for consent to a transfer, assignment, sub participation or sub-contract within 15 Business Days after such request, such consent shall be deemed as granted *provided that* the request was communicated to the Parent, and only to the extent so, notified to the Agent by or on behalf of the Parent, at least 15 Business Days prior to such consent being deemed granted.

- (d) With respect to any Revolving Facility, the prior written consent of the Parent (in its sole and absolute discretion) is required for any assignment, transfer, sub-participation or sub-contract unless such assignment, transfer, sub-participation or sub-contract is to another Lender or an Affiliate of a Lender or, in the case of a Lender which is a fund, a Related Fund of such Lender.
- (e) Notwithstanding anything to the contrary in this Agreement, no assignment or transfer or sub-participation or sub-contract shall be permitted at any time without the prior written consent of the Parent (in its sole and absolute discretion and never deemed given) to any person that:
- (i) is a Disqualified Lender;
 - (ii) is a Defaulting Lender (or would, upon becoming a Lender, be a Defaulting Lender);
 - (iii) is a Net Short Lender (or would, upon becoming a Lender, be a Net Short Lender);
 - (iv) (unless a Material Event of Default is continuing) a person whose principal investment strategy is investing in distressed debt or the pursuance of loan to own strategies; or
 - (v) with respect to any Revolving Facility only, is not a regulated deposit taking financial institution with a long term corporate credit rating equal to or better than BBB or Baa2 (as applicable) according to at least two of Moody's Investors Services Limited, Standard and Poor's Ratings Services or Fitch Ratings Ltd.
- (f) Any assignment, and any sub-participation or sub-contract referred to in paragraph (c) above, and the identity of the proposed New Lender (or, as the case may be, sub-participant or sub-contractor) shall be notified to the Parent by the Agent (or, in respect of a sub-participation or a sub-contract, by the relevant Lender) promptly upon completion.
- (g) Notwithstanding any assignment, transfer, sub-participation or sub-contract by an Existing Lender which is an Original Lender, if the assignee or transferee (or any subsequent assignee or transferee) defaults in its obligation to fund its pro rata portion of any Certain Funds Utilisation or Agreed Certain Funds Utilisation by the required time on the applicable Utilisation Date (or has confirmed that it will not be able to fund), that Existing Lender shall, by 9:30am on that Utilisation Date, fund an amount of proceeds to the relevant Borrower equal to the amount the defaulting assignee/transferee was required to fund in respect of that Certain Funds Utilisation or Agreed Certain Funds Utilisation (as applicable) and (i) the Commitments of the Existing Lender under each relevant Facility shall be increased by an amount equal to the additional amount that it funded on the relevant Utilisation Date in accordance with this paragraph and (ii) the Commitments under the relevant Facility of any such Lender defaulting in its obligation to fund on that Utilisation shall be reduced by an equivalent amount for all purposes of this Agreement.
- (h) Other than in the case of an assignment or transfer effected in accordance with paragraph (a) of Clause 29.15 (*Notifiable Debt Purchase Transactions*) and subject to paragraph (l) below, an assignment under Clause 29 (*Changes to the Lenders*) will only be effective upon:

- (i) receipt by the Agent (in the Assignment Agreement, Transfer Certificate or otherwise) of written confirmation from the New Lender (in form and substance satisfactory to the Agent) that it will assume the same obligations to each of the other Finance Parties and the other Secured Parties as it would have been under had it been an Original Lender;
- (ii) the New Lender entering into the documentation required for it to accede as a party to the Intercreditor Agreement; and
- (iii) performance by the Agent of all “know your customer” or other similar checks under all applicable laws and regulations relating to any person that the Agent is required to carry out in relation to such assignment to a New Lender, the completion of which the Agent shall promptly notify to the Existing Lender and the New Lender,

and no assignment or transfer will be effective until recorded in the Register.

- (i) Without prejudice to this Clause 29.3, each Obligor hereby expressly consents to each assignment of rights or obligations under this Clause 29. Each Obligor also accepts and confirms that all guarantees, indemnities and Security granted by it under any Finance Document will, notwithstanding any such assignment continue and be preserved for the benefit of the New Lender and each of the other Finance Parties in accordance with the terms of the Finance Documents.

(j) If:

- (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office; and
- (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 18 (*Taxes*) or Clause 19 (*Increased Costs*),

then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under the relevant Clause to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.

- (k) Each New Lender, by executing the Assignment Agreement, Transfer Certificate or Increase Confirmation, confirms, for the avoidance of doubt, that the Agent has authority to execute on its behalf any consent, amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the transfer, assignment or assumption becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.
- (l) Unless otherwise consented to by the Parent (which consent, for the avoidance of doubt, shall not be deemed given even if not expressly refused within 15 Business Days after the relevant request), if any assignment, transfer, sub-participation or sub-contract occurs in breach of the provisions of this Clause 29, such assignment, transfer, sub-participation or sub-contract shall be void and deemed to have not occurred for all purposes under this

Agreement and the Parent or any Borrower shall be entitled to seek specific performance to unwind any such assignment, transfer, sub-participation or sub-contract in addition to any other remedies available to the Parent or any Borrower at law or in equity. Without prejudice to the foregoing:

- (i) the interests or purported interests of the assignee, transferee, sub-participant or sub-contractor (as the case may be) (each a “**Transferee**”) shall be ignored for the purposes of ascertaining the Majority Lenders or Super Majority Lenders or whether any given percentage (including, for the avoidance of doubt, unanimity) of the Total Commitments (or the Total Commitments under any Facility) has been obtained to give an instruction or approve any request for a consent, waiver, amendment, or other vote under the Finance Documents;
- (ii) for the purposes of Clause 40.2 (*Exceptions*), such Transferee shall be deemed not to be a Lender;
- (iii) the Parent may:
 - (A) cancel the Commitments of such Transferee and prepay any applicable outstanding Loans at a price equal to the lesser of par and the amount such Transferee paid to acquire such Loans, without premium, penalty, prepayment fee or breakage costs; and/or
 - (B) require such Transferee to assign or transfer its rights and obligations in accordance with Clause 40.9 (*Replacement of a Defaulting Lender*), at the price indicated in paragraph (A) above (which assignment shall not be subject to any processing and recordation fee) and if such Transferee does not execute and deliver to the Agent a duly executed Assignment Agreement or Transfer Certificate reflecting such assignment or transfer within five Business Days after the date on which the assignee Replacement Lender executes and delivers such Assignment Agreement or Transfer Certificate (as applicable) to such Transferee, then such Transferee shall be deemed to have executed and delivered such Assignment Agreement or Transfer Certificate (as applicable) without any action on its part;
- (iv) no such Transferee shall receive any information or reporting provided by the Parent or any of its Restricted Subsidiaries, the Agent or any other Finance Party;
- (v) such Transferee shall not be entitled to any expense reimbursement or indemnification rights under any Finance Documents (including Clauses 22 (*Costs and Expenses*) and 20 (*Other Indemnities*)),

and the Parent expressly reserves all rights against such Transferee under contract, tort or any other theory; it being understood and agreed that the foregoing provisions shall only apply to such Transferee and not to any assignee or transferee of such Transferee that becomes a Lender so long as such assignment or transfer does not occur in breach of the provisions of this Clause 29.

29.4 Assignments by Lenders

Upon an assignment becoming effective, the Existing Lender will be released from its obligations under the Finance Documents to the extent they are assumed by the New Lender.

29.5 Assignment fee

Subject to paragraph (l)(iii)(B) of Clause 29.3 (*Conditions of assignment or transfer*), unless the Agent otherwise agrees to waive such fees and excluding an assignment (i) by an Existing Lender to an Affiliate of that Existing Lender, (ii) by an Existing Lender to a fund which is a Related Fund of that Existing Lender or (iii) made in connection with primary syndication of the Facilities, the New Lender shall, on or before the date upon which an assignment to it takes effect pursuant to this Clause 29.5, pay to the Agent (for its own account) a fee of \$2,500 in relation to any assignment under any Facility.

29.6 Limitation of responsibility of Existing Lenders and the Agent

- (a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:
 - (i) the legality, validity, effectiveness, adequacy or enforceability of the Transaction Documents, the Transaction Security or any other documents;
 - (ii) the financial condition of any Obligor or any other member of the Group;
 - (iii) the performance and observance by any Obligor or any other member of the Group of its obligations under the Transaction Documents or any other documents; or
 - (iv) the accuracy of any statements or information (whether written or oral) made or supplied in connection with any Transaction Document or any other document,and any representations or warranties implied by law are excluded.
- (b) Each New Lender confirms to the Existing Lender and the other Finance Parties and the Secured Parties that it:
 - (i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Obligor and its related entities and all other risks arising in connection with its participation in the Finance Documents and has not relied exclusively on any information provided to it by the Existing Lender or any other Finance Party in connection with any Transaction Document or the Transaction Security; and
 - (ii) will continue to make its own independent appraisal of the creditworthiness of each Obligor and its related entities whilst any amount is or may be outstanding under the Finance Documents or any Commitment is in force.
- (c) Nothing in any Finance Document obliges an Existing Lender to:
 - (i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred by such Existing Lender under this Clause 29.6; or

(ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Obligor of its obligations under the Transaction Documents or otherwise.

(d) For the avoidance of doubt, the Agent shall assume no responsibility for, and nothing in any Finance Document shall oblige the Agent to monitor, whether any New Lender is a Disqualified Lender.

29.7 Procedure for assignment

(a) Subject to the conditions set out in Clause 29.3 (*Conditions of assignment or transfer*) an assignment may be effected in accordance with paragraph (d) below when the Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender.

(b) The Agent shall, subject to paragraph (c) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.

(c) The Agent shall only be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “know your customer” or similar checks under all applicable laws and regulations in relation to the assignment to such New Lender.

(d) Subject to Clause 29.12 (*Pro rata interest settlement*), on the Transfer Date:

(i) the Existing Lender will assign absolutely to the New Lender its rights under the Finance Documents and in respect of the Transaction Security expressed to be the subject of the assignment in the Assignment Agreement;

(ii) the Existing Lender will be released from the obligations (the “**Relevant Obligations**”) expressed to be the subject of the release in the Assignment Agreement (and any corresponding obligations by which it is bound in respect of the Transaction Security); and

(iii) the New Lender shall become a Party as a Lender and will be bound by obligations equivalent to the Relevant Obligations.

29.8 Procedure for transfer

(a) Subject to the conditions set out in Clause 29.3 (*Conditions of assignment or transfer*) a transfer may be effected in accordance with paragraph (d) below when the Agent executes an otherwise duly completed Transfer Certificate delivered to it by the Existing Lender and the New Lender.

(b) The Agent shall, subject to paragraph (c) below, as soon as reasonably practicable after receipt by it of a duly completed Transfer Certificate appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Transfer Certificate.

- (c) The Agent shall only be obliged to execute a Transfer Certificate delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “know your customer” or similar checks under all applicable laws and regulations in relation to the transfer to such New Lender.
- (d) Subject to Clause 29.12 (*Pro rata interest settlement*), on the Transfer Date:
- (i) to the extent that in such Transfer Certificate the Existing Lender seeks to transfer by novation its rights and obligations under the Finance Documents and in respect of the Transaction Security, each of the Company or the Obligors and such Existing Lender shall be released from further obligations towards one another (and the Existing Lender and any Issuing Bank shall be released from any further obligations toward each other) under the Finance Documents and in respect of the Transaction Security and their respective rights against one another under the Finance Documents and in respect of the Transaction Security shall be cancelled (the “**Relevant Rights and Obligations**”);
 - (ii) the Company and each of the Obligors and the New Lender shall assume obligations towards one another and/or acquire rights against one another which differ from the Relevant Rights and Obligations only insofar as the Company or that Obligor and that New Lender have assumed and/or acquired the same in place of the Company, that Obligor and such Existing Lender;
 - (iii) the Agent, the Arrangers, the New Lender and the other Finance Parties shall acquire the same rights and benefits and assume the same obligations between themselves as they would have acquired and assumed had such New Lender been an original party hereto as a Lender with the rights, benefits and/or obligations acquired or assumed by it as a result of such transfer and to that extent the Agent, the Arrangers and the relevant Existing Lender and the other Finance Parties (other than the New Lender) shall each be released from further obligations to each other under the Finance Documents; and
 - (iv) such New Lender shall become a party hereto as a Lender.

29.9 Sub-participation and sub-contracts

- (a) Subject to paragraphs (b), (c) and (d) of Clause 29.3 (*Conditions of assignment or transfer*), nothing in this Agreement shall restrict the ability of a Lender to sub-participate or sub-contract any or all of its obligations hereunder *provided that*:
- (i) the proposed sub-participation is permitted by 29.3 (*Conditions of assignment or transfer*);
 - (ii) such Lender remains a Lender under this Agreement with all rights and obligations pertaining thereto and remains liable under this Agreement and the other Finance Documents in relation to those obligations;
 - (iii) such Lender retains exclusive control over all rights and obligations in relation to the participations and Commitments that are the subject of the relevant sub-participation, including all voting and similar rights (for the avoidance of doubt, free of any agreement or understanding pursuant to which it is required to or will

consult with any other person in relation to the exercise of any such rights and/or obligations);

- (iv) the relationship between the Lender and the proposed sub-participant is that of a contractual debtor and creditor (including in the bankruptcy or similar event of the Lender or an Obligor);
- (v) the applicable sub-participation agreement states that the conditions above are applicable to further sub-participations (and such provision must be capable of being relied upon and directly enforceable by the Parent against the relevant sub-participant); and
- (vi) if the sub-participation in respect of an Incremental Facility, the restrictions (if any) specified in the relevant Incremental Facility Notice establishing such Incremental Facility Commitments are complied with,

and, for the avoidance of doubt, paragraph (l) of Clause 29.3 (*Conditions of assignment or transfer*) shall apply to any sub-participation which occurs in breach of these provisions.

- (b) Each Lender that sells a participation, sub-participation or sub-contract shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each such participant and the principal amounts (and stated interest) of each such participant's interest in the Loans or other obligations under the Finance Documents (the "**Participant Register**"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any participant or any information relating to a Participant's interest in any commitments, loans or its other obligations under any Loan Document) to any Person except the Parent or any Person to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations and Proposed Treasury Regulations Section 1.163-5(b) (and, in each case, any amended or successor version). The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register. Notwithstanding anything to the contrary, a Lender shall promptly notify the Parent of any sub-participation or sub-contract entered into by it, including the identity of the entity to which the Lender has sub-contracted or sub-participated.

29.10 The Register

- (a) The Agent, acting for this purpose as the non-fiduciary agent of the Obligors, shall maintain at its address referred to in Clause 36.2 (*Addresses*):
 - (i) each Assignment Agreement referred to in Clause 29.7 (*Procedure for assignment*), each Transfer Certificate referred to in Clause 29.8 (*Procedure for transfer*), each Increase Certificate and each Incremental Facility Increase Notice; and
 - (ii) with respect to each Facility, a register for the recording of the names and addresses of the Lenders and the Commitment of, and principal amount (and stated interest)

owing to, each Lender from time to time (the “**Register**”) under such Facility, which may be kept in electronic form.

The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Obligors, the Agents and the Lenders shall treat each person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Agent shall provide the Parent with a copy of the Register within five Business Days after request. Notwithstanding anything to the contrary, any assignment of any Loan shall be effective only upon appropriate entries with respect thereto being made in the Register.

- (b) Each Party irrevocably authorises the Agent to make the relevant entry in the Register (and which the Agent shall do promptly) on its behalf for the purposes of this Clause 29.10 without any further consent of, or consultation with, such Party.
- (c) The Agent shall, upon request by an Existing Lender (as defined in Clause 29.2 (*Assignments by Lenders*)) or a New Lender, confirm to that Existing Lender or New Lender whether a transfer or assignment from that Existing Lender or (as the case may be) to that New Lender has been recorded on the Register (including details of the Commitment of that Existing Lender or New Lender in each Facility).
- (d) The Register is intended to cause the extensions of credit to the Obligors under this Agreement to be at all times maintained in “registered form” within the meaning of sections 163(f), 871(h)(2) and 881(c)(2) of the Code and shall be interpreted and applied in a manner consistent with such intent.

29.11 Security over Lenders’ rights

In addition to the other rights provided to Lenders under this Clause 29.11 each Lender may without consulting with or obtaining consent from any Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and
 - (b) in the case of any Lender which is a fund, any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,
- except that no such charge, assignment or Security shall:
- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or other Security for the Lender as a party to any of the Finance Documents; or
 - (ii) require any payments to be made by an Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

29.12 Pro rata interest settlement

- (a) If the Agent has notified the Lenders that it is able to distribute interest payments on a “*pro rata* basis” to Existing Lenders and New Lenders then (in respect of any assignment pursuant to Clause 29.7 (*Procedure for assignment*) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of an Interest Period):
- (i) any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date (“**Accrued Amounts**”) and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Interest Period (or, if the Interest Period is longer than six Months, on the next of the dates which falls at six Monthly intervals after the first day of that Interest Period); and
 - (ii) the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts so that, for the avoidance of doubt:
 - (A) when the Accrued Amounts become payable, those Accrued Amounts will be payable for the account of the Existing Lender; and
 - (B) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 29.12, have been payable to it on that date, but after deduction of the Accrued Amounts.
- (b) In this Clause 29.12 references to “**Interest Period**” shall be construed to include a reference to any other period for accrual of fees.

29.13 Accession of Incremental Facility Lender

Any person which provides Incremental Facility Commitments or an Incremental Facility Loan (to the extent not already a Lender) shall become a party to the Intercreditor Agreement as a Senior Lender (as defined in the Intercreditor Agreement) and shall, at the same time, become a Party to this Agreement as a Lender by executing an Accession Certificate.

29.14 Debt Purchase Transactions

- (a) Notwithstanding any other term of this Agreement or the other Finance Documents, any member of the Group may purchase by way of a Debt Purchase Transaction a participation in any Utilisation and/or any Commitment.
- (b) A member of the Group (or the Parent on behalf of the relevant member of the Group) (a “**Purchaser**”) may purchase by way of assignment, pursuant to this Clause, a participation in any Term Loan and any related Commitment.
- (c) Any Debt Purchase Transaction entered into by a member of the Group may be entered into pursuant to a solicitation process (a “**Solicitation Process**”) which is carried out as follows:
 - (i) Prior to 11:00am on a given Business Day (the “**Solicitation Day**”) the relevant Purchaser or a financial institution acting on its behalf (the “**Purchase Agent**”) will approach at the same time each Lender which participates in the Facilities or an Incremental Facility (as applicable) to invite them to offer to sell to the relevant

Purchaser, an amount of their participation in that Facility. Any Lender wishing to make such an offer shall, by 11:00am on the second Business Day following such Solicitation Day, communicate to the Purchase Agent details of the amount of its participations, it is offering to sell and the price at which it is offering to sell such participations. Any such offer shall be irrevocable until 11:00am on the third Business Day following such Solicitation Day and shall be capable of acceptance by the relevant Purchaser on or before such time by communicating its acceptance in writing to the Purchase Agent or, if it is the Purchase Agent, the relevant Lenders. The Purchase Agent (if someone other than the Purchaser) will communicate to the relevant Lenders which offers have been accepted by 12 noon on the third Business Day following such Solicitation Day. In any event by 11:00am on the fourth Business Day following such Solicitation Day, the Purchaser shall notify the Agent of the amounts of the participations purchased through the relevant Solicitation Process and the identity of such Lenders to which they relate. The Agent shall disclose such information to any Lender that requests such disclosure.

- (ii) If it chooses to accept any offers made pursuant to a Solicitation Process, the Purchaser shall be free to select which offers and in which amounts it accepts but on the basis that, in relation to a participation in a particular Facility it accepts, offers in inverse order of the price offered (with the offer or offers at the lowest price being accepted first) and that if in respect of participations in a particular Facility it receives two or more offers at the same price it shall only accept such offers on a pro rata basis.
 - (iii) Any purchase of participations in any Facility pursuant to a Solicitation Process shall be completed and settled on or before the fifth Business Day after the relevant Solicitation Day.
 - (iv) In accepting any offers made pursuant to a Solicitation Process the Purchaser shall be free to select which offers and in which amounts it accepts.
- (d) A Debt Purchase Transaction entered into by a member of the Group may be entered into pursuant to an open order process (an “**Open Order Process**”) which is carried out as follows:
- (i) A Purchaser may, by itself or through the same or another Purchase Agent, place an open order (an “**Open Order**”) to purchase participations in one or more of the Facilities up to a set aggregate amount at a set price by notifying at the same time all the Lenders participating in the relevant Facilities of the same. Any Lender wishing to sell pursuant to an Open Order will, by 11:00am on any Business Day following the date on which the Open Order is placed but no earlier than the first Business Day, and no later than the fifth Business Day, following the date on which the Open Order is placed, communicate to the Purchase Agent details of the amount of its participations, and in which Facilities, it is offering to sell. Any such offer to sell shall be irrevocable until 11:00am on the Business Day following the date of such offer from the Lender and shall be capable of acceptance by the Parent on behalf of the relevant Borrower(s) on or before such time by it communicating such acceptance in writing to the relevant Lender.
 - (ii) Any purchase of participations in the Facilities pursuant to an Open Order Process shall be completed and settled by the relevant Borrower(s) on or before the fourth

Business Day after the date of the relevant offer by a Lender to sell under the relevant Open Order.

(iii) If in respect of participations in a Facility the Purchase Agent receives on the same Business Day two or more offers at the set price such that the maximum amount of such Facility to which an Open Order relates would be exceeded, the Parent shall only accept such offers on a pro rata basis. For the avoidance of doubt and notwithstanding the foregoing, the Parent shall be entitled to disregard any offers which come with conditions or terms that are not satisfactory to it.

(iv) The Parent shall, by 11:00am on the sixth Business Day following the date on which an Open Order is placed, notify the Agent of the amounts of the participations purchased through such Open Order Process and the identity of the Facilities to which they relate. The Agent shall disclose such information to any Lender that requests the same.

(e) A Debt Purchase Transaction may be entered into pursuant to a bilateral process (a “**Bilateral Process**”) which is carried out as follows:

- (d) Each of the Arrangers and the Lenders hereby exempts the Agent from the restrictions pursuant to section 181 Civil Code (*Bürgerliches Gesetzbuch*) and similar restrictions applicable to it pursuant to any other applicable law, in each case to the extent legally possible to such Finance Party. A Finance Party which cannot grant such exemption shall

notify the Agent accordingly and, upon request of the Agent, either act in accordance with the terms of this Agreement and/or any other Finance Document as required pursuant to this Agreement and/or such other Finance Document or grant a special power of attorney to a party acting on its behalf, in a manner that is not prohibited pursuant to section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) and/or any other applicable laws.

- (c) Save in the case of decisions stipulated to be a matter for any other Lender or group of Lenders under the relevant Finance Document and unless a contrary indication appears in a Finance Document, any instructions given to the Agent by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Finance Parties save for the Security Agent.
- (d) The Agent may refrain from acting in accordance with any instructions of any Lender or group of Lenders until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may include payment in advance) for any cost, loss or liability which it may incur in complying with those instructions.
- (e) In the absence of instructions, the Agent may act (or refrain from acting) as it considers to be in the best interest of the Lenders.

(B) to the effect that such person approves of any particular dealing, transaction, step, action or thing, as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.

- (b) The Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Lenders) that:
- (i) no Default has occurred (unless it has actual knowledge of a Default arising under Section 1 (*Events of Default*) of Schedule 18 (*Events of Default*));
 - (ii) any right, power, authority or discretion vested in any Party or any group of Lenders has not been exercised; and
 - (iii) any notice or request made by the Parent is made on behalf of and with the consent and knowledge of all the Obligors.
- (c) The Agent may engage and pay for the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.
- (d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Agent (and so separate from any lawyers instructed by the Lenders) if the Agent in its reasonable opinion deems this to be desirable.
- (e) The Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Agent, or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.
- (f) The Agent may act in relation to the Finance Documents through its officers, employees and agents and the Agent shall not:

- (j) Notwithstanding any provision of any Finance Document to the contrary, the Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

31.8 Responsibility for documentation

None of the Agent, any Issuing Bank, the Arrangers or any Ancillary Lender is responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Agent, any Arranger, an Ancillary Lender, an Obligor or any other person in or in connection with any Finance Document, the Tax Structure Memorandum or the transactions contemplated in the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document;
- (b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document or the Transaction Security or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security; or
- (c) any determination as to whether any information provided or to be provided to any Finance Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

31.9 No duty to monitor

The Agent shall not be bound to enquire:

- (a) whether or not any Default has occurred;
- (b) as to the performance, default or any breach by any Party of its obligations under any Finance Document; or

- (i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Finance Document or the Transaction Security, unless directly caused by its gross negligence or wilful misconduct;
- (ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Finance Document, the Transaction Security or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security; or
- (iii) without prejudice to the generality of paragraphs (i) and (ii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of:
 - (A) any act, event or circumstance not reasonably within its control; or
 - (B) the general risks of investment in, or the holding of assets in, any jurisdiction,

- (b) No Party (other than the Agent, an Issuing Bank or an Ancillary Lender (as applicable)) may take any proceedings against any officer, employee or agent of the Agent, any Issuing Bank or any Ancillary Lender, in respect of any claim it might have against the Agent, an Issuing Bank or an Ancillary Lender or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document or any Transaction Document and any officer, employee or agent of the Agent, any Issuing Bank or any Ancillary Lender may rely on this Clause subject to Clause 1.6 (*Third party rights*) and the provisions of the Third Parties Act.
- (c) The Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Agent if the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.
- (d) Nothing in this Agreement shall oblige the Agent or the Arrangers to carry out:
 - (i) any “know your customer” or other checks in relation to any person; or
 - (ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Lender,

on behalf of any Lender and each Lender confirms to the Agent and the Arrangers that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent or the Arrangers.

- (e) Without prejudice to any provision of any Finance Document excluding or limiting the Agent's liability, any liability of the Agent arising under or in connection with any Finance Document or the Transaction Security shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Agent at any time which increase the amount of that loss. In no event shall the Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Agent has been advised of the possibility of such loss or damages.

31.11 Lenders' indemnity to the Agent

- (a) Subject to paragraph (b) below, each Lender shall (in proportion to its Available Commitments, Available Ancillary Commitment and participations in the Utilisations and utilisations of the Ancillary Facilities then outstanding to the Available Facilities and all the Utilisations and utilisations of the Ancillary Facilities then outstanding) indemnify the Agent, within three Business Days after demand, against any cost, loss or liability incurred by the Agent (otherwise than by reason of its gross negligence or wilful misconduct) in acting as Agent under the Finance Documents (unless it has been reimbursed by an Obligor pursuant to a Finance Document).
- (b) If the Available Facilities are then zero, each Lender's indemnity under paragraph (a) above shall be in proportion to its Available Commitments to the Available Facilities immediately prior to their reduction to zero, unless there are then any Utilisations and utilisations of the Ancillary Facilities outstanding, in which case it shall be in proportion to its participations in the Utilisations and utilisations of the Ancillary Facilities then outstanding to all the Utilisations and utilisations of the Ancillary Facilities then outstanding.
- (c) Subject to paragraph (d) below, the Parent shall promptly on demand reimburse any Lender for any payment that Lender makes to the Agent pursuant to paragraph (a) above.
- (d) Paragraph (c) above shall not apply to the extent:
 - (i) that the indemnity payment in respect of which the Lender claims reimbursement relates to a liability of the Agent to an Obligor; or
 - (ii) that the Parent has already reimbursed the Agent for the same cost, loss or liability pursuant to Clause 20.3 (*Indemnity to the Agent*).

31.12 Resignation of the Agent

- (a) The Agent may resign and appoint one of its Affiliates acting through an office in the United Kingdom or Federal Republic of Germany (or any other jurisdiction agreed by the Parent) as its successor by giving notice to the Lenders and the Parent.

- (b) Alternatively the Agent may resign by giving 30 days' notice to the Lenders and the Parent, in which case the Majority Lenders (after consultation with the Parent) may appoint a successor Agent.
- (c) If the Majority Lenders have not appointed a successor Agent in accordance with paragraph (b) above within 20 days after notice of resignation was given, the retiring Agent may appoint a successor Agent (acting through an office in the United Kingdom or Federal Republic of Germany).
- (d) If the Agent wishes to resign because (acting reasonably) it has concluded that it is no longer appropriate for it to remain as agent and the Agent is entitled to appoint a successor Agent under paragraph (c) above, the Agent may (if it concludes (acting reasonably) that it is necessary to do so in order to persuade the proposed successor Agent to become a party to this Agreement as Agent) agree with the proposed successor Agent amendments to this Clause 31.12 and any other term of this Agreement dealing with the rights or obligations of the Agent consistent with then current market practice for the appointment and protection of corporate trustees together with any reasonable amendments to the agency fee payable under this Agreement which are consistent with the successor Agent's normal fee rates and those amendments will bind the Parties.
- (e) The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
- (f) The Agent's resignation notice shall only take effect upon the appointment of a successor.
- (g) Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (e) above) but shall remain entitled to the benefit of Clause 20.3 (*Indemnity to the Agent*) and this Clause 31.12 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.
- (h) The Agent shall resign in accordance with paragraph (b) above (and, to the extent applicable, shall use reasonable endeavours to appoint a successor Agent pursuant to paragraph (c) above) if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Agent under the Finance Documents, either:
- (i) the Agent fails to respond to a request under Clause 18.9 (*FATCA Information*) and the Parent or a Lender reasonably believes that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;
 - (ii) the information supplied by the Agent, pursuant to Clause 18.9 (*FATCA Information*) indicates that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or
 - (iii) the Agent notifies the Parent and the Lenders that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date,

and (in each case) the Parent or a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Agent were a FATCA Exempt Party, and the Parent or that Lender, by notice to the Agent if applicable, requires it to resign.

31.13 Replacement of the Agent

- (a) After consultation with the Parent the Majority Lenders may, by giving 30 days' notice to the Agent and the Parent (or, at any time the Agent is an Impaired Agent, by giving any shorter notice determined by the Majority Lenders) replace the Agent by appointing a successor Agent (acting through an office in the United Kingdom or Federal Republic of Germany).
- (b) The Parent may, provided it gives not less than 30 days' prior notice, at any time while the Agent is an Impaired Agent replace the Agent by appointing a successor (acting through an office in the United Kingdom or Federal Republic of Germany).
- (c) The retiring Agent shall (at its own cost if it is an Impaired Agent and otherwise at the expense of the Lenders) make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
- (d) The appointment of the successor, Agent shall take effect on the date specified in the notice from the Majority Lenders to the retiring Agent and the Parent. As from this date, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (b) above) but shall remain entitled to the benefit of Clause 20.3 (*Indemnity to the Agent*) and this Clause 31.13 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date).
- (e) Any successor Agent and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

31.14 Confidentiality

- (a) In acting as agent for the Finance Parties, the Agent shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.
- (b) If information is received by another division or department of the Agent, it may be treated as confidential to that division or department and the Agent shall not be deemed to have notice of it.
- (c) Notwithstanding any other provision of any Finance Document to the contrary, neither the Agent nor any Arranger is obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would or might in its reasonable opinion constitute a breach of any law or regulation or a breach of a fiduciary duty.

31.15 Relationship with the Lenders

- (a) Subject to Clause 29.12 (*Pro rata interest settlement*), the Agent may treat the person shown in its records as Lender at the opening of business (in the place of the Agent's principal office as notified to the Finance Parties from time to time) as the Lender acting through its Facility Office:
 - (i) entitled to or liable for any payment due under any Finance Document on that day; and
 - (ii) entitled to receive and act upon any notice, request, document or communication or make any decision or determination under any Finance Document made or delivered on that day,
 unless it has received not less than five Business Days' prior notice from that Lender to the contrary in accordance with the terms of this Agreement.
- (b) Each Lender shall supply the Agent with any information that the Security Agent may reasonably specify (through the Agent) as being necessary or desirable to enable the Security Agent to perform its functions as Security Agent. Each Lender shall deal with the Security Agent exclusively through the Agent and shall not deal directly with the Security Agent.
- (c) Any Lender may by notice to the Agent appoint a person to receive on its behalf all notices, communications, information and documents to be made or despatched to that Lender under the Finance Documents. Such notice shall contain the address and (where communication by electronic mail or other electronic means is permitted under Clause 36.6 (*Electronic communication*)) electronic mail address and/or any other information required to enable the transmission of information by that means (and, in each case, the department or officer, if any, for whose attention communication is to be made) and be treated as a notification of a substitute address, electronic mail address (or such other information), department and officer by that Lender for the purposes of Clause 36.2 (*Addresses*) and paragraph (a) of Clause 36.6 (*Electronic communication*) and the Agent shall be entitled to treat such person as the person entitled to receive all such notices, communications, information and documents as though that person were that Lender.

31.16 Credit appraisal by the Lenders, Issuing Banks and Ancillary Lenders

Without affecting the responsibility of any Obligor for information supplied by it or on its behalf in connection with any Finance Document, each Lender, each Issuing Bank and Ancillary Lender confirms to the Agent, each Arranger, each Issuing Bank and each Ancillary Lender that it has been, and will continue to be, solely responsible for making its own independent appraisal and investigation of all risks arising under or in connection with any Finance Document including but not limited to:

- (a) the financial condition, status and nature of each member of the Group;
- (b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document and the Transaction Security and any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security;
- (c) whether that Lender or Ancillary Lender has recourse, and the nature and extent of that recourse, against any Party or any of its respective assets under or in connection with any

Finance Document, the Transaction Security, the transactions contemplated by the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security;

(d) the adequacy, accuracy or completeness of any information provided by the Agent, any Party or by any other person under or in connection with any Finance Document, the transactions contemplated by the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document; and

(e) the right or title of any person in or to, or the value or sufficiency of any part of the Charged Property, the priority of any of the Transaction Security or the existence of any Security affecting the Charged Property.

31.17 Deduction from amounts payable by the Agent

If any Party owes an amount to the Agent under the Finance Documents the Agent may, after giving notice to that Party, deduct an amount not exceeding that amount from any payment to that Party which the Agent would otherwise be obliged to make under the Finance Documents and apply the amount deducted in or towards satisfaction of the amount owed. For the purposes of the Finance Documents that Party shall be regarded as having received any amount so deducted.

31.18 Reliance and Engagement Letters

Each Finance Party and Secured Party confirms that each of the Arrangers and the Agent has authority to accept on its behalf (and ratifies the acceptance on its behalf of any letters or reports already accepted by the Arrangers or Agent) the terms of any reliance letter or engagement letters relating to any reports (including the Tax Structure Memorandum) or letters provided by accountants in connection with the Finance Documents or the transactions contemplated in the Finance Documents and to bind it in respect of those reports or letters and to sign such letters on its behalf and further confirms that it accepts the terms and qualifications set out in such letters.

31.19 Role of Base Reference Banks

- (a) No Base Reference Bank is under any obligation to provide a quotation or any other information to the Agent.
- (b) No Base Reference Bank will be liable for any action taken by it under or in connection with any Finance Document, or for any Reference Bank Quotation, unless directly caused by its gross negligence or wilful misconduct.
- (c) No Party (other than the relevant Base Reference Bank) may take any proceedings against any officer, employee or agent of any Base Reference Bank in respect of any claim it might have against that Base Reference Bank or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document, or to any Reference Bank Quotation, and any officer, employee or agent of each Base Reference Bank may rely on this Clause 31.19, subject to Clause 1.6 (*Third party rights*) and the provisions of the Contracts (Rights of Third Parties) Act 1999.

31.20 Third party Base Reference Banks

A Base Reference Bank which is not a Party may rely on Clause 31.19 (*Role of Base Reference Banks*), paragraph (g) of Clause 40.2 (*Exceptions*) and Clause 42 (*Confidentiality of Funding Rates*) subject to Clause 1.6 (*Third party rights*) and the provisions of the Contracts (Rights of Third Parties) Act 1999.

32. CONDUCT OF BUSINESS BY THE FINANCE PARTIES

No provision of this Agreement will:

- (a) interfere with the right of any Finance Party to arrange its affairs (tax or otherwise) in whatever manner it thinks fit;
- (b) oblige any Finance Party to investigate or claim any credit, relief, remission or repayment available to it or the extent, order and manner of any claim; or
- (c) oblige any Finance Party to disclose any information relating to its affairs (tax or otherwise) or any computations in respect of Tax.

33. SHARING AMONG THE FINANCE PARTIES

33.1 Payments to Finance Parties

- (a) Subject to paragraph (b) below, if a Finance Party (a “**Recovering Finance Party**”) receives or recovers any amount from an Obligor other than in accordance with Clause 34 (*Payment Mechanics*) (a “**Recovered Amount**”) and applies that amount to a payment due under the Finance Documents then:
 - (i) the Recovering Finance Party shall, within three Business Days, notify details of the receipt or recovery, to the Agent;
 - (ii) the Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Finance Party would have been paid had the receipt or recovery been received or made by the Agent and distributed in accordance with Clause 34 (*Payment Mechanics*), without taking account of any Tax which would be imposed on the Agent in relation to the receipt, recovery or distribution; and
 - (iii) the Recovering Finance Party shall, within three Business Days after demand by the Agent, pay to the Agent an amount (the “**Sharing Payment**”) equal to such receipt or recovery less any amount which the Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Clause 34.7 (*Partial payments*).
- (b) Paragraph (a) above shall not apply to any amount received or recovered by an Issuing Bank or an Ancillary Lender in respect of any cash cover provided for the benefit of that Issuing Bank or that Ancillary Lender.

33.2 Redistribution of payments

The Agent shall treat the Sharing Payment as if it had been paid by the relevant Obligor and distribute it between the Finance Parties (other than the Recovering Finance Party) (the “**Sharing Finance Parties**”) in accordance with Clause 34.7 (*Partial payments*) towards the obligations of that Obligor to the Sharing Finance Parties.

33.3 Recovering Finance Party's rights

On a distribution by the Agent under Clause 33.2 (*Redistribution of payments*) of a payment received by a Recovering Finance Party from an Obligor, as between the relevant Obligor and the Recovering Finance Party, an amount of the Recovered Amount equal to the Sharing Payment will be treated as not having been paid by that Obligor.

33.4 Reversal of redistribution

If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

- (a) each Sharing Finance Party shall, upon request of the Agent, pay to the Agent for the account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay) (the “**Redistributed Amount**”); and
- (b) as between the relevant Obligor and each relevant Sharing Finance Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Obligor.

33.5 Exceptions

- (a) This Clause 33 shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Clause, have a valid and enforceable claim against the relevant Obligor.
- (b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:
 - (i) it notified the other Finance Party of the legal or arbitration proceedings; and
 - (ii) the other Finance Party had an opportunity to participate in those legal or arbitration proceedings but did not do so as soon as reasonably practicable having received notice and did not take separate legal or arbitration proceedings.

33.6 Ancillary Lenders

- (a) This Clause 33 shall not apply to any receipt or recovery by a Lender in its capacity as an Ancillary Lender at any time prior to service of notice under Clause 28.5 (*Acceleration*).
- (b) Following service of notice under Clause 28.5 (*Acceleration*), this Clause 33 shall apply to all receipts or recoveries by Ancillary Lenders except to the extent that the receipt or recovery represents a reduction of the Gross Outstandings of a Multi-account Overdraft to or towards an amount equal to its Net Outstandings.

34. PAYMENT MECHANICS

34.1 Payments to the Agent

- (a) On each date on which an Obligor or a Lender is required to make a payment under a Finance Document, excluding a payment under the terms of an Ancillary Document, that Obligor or Lender shall make the same available to the Agent (unless a contrary indication appears in a Finance Document) for value on the due date at the time and in such funds specified by the Agent as being customary at the time for settlement of transactions in the relevant currency in the place of payment.
- (b) Payment shall be made to such account in the principal financial centre of the country of that the relevant currency (or, in relation to a payment in euro, in the principal financial centre in such Participating Member State or London, as specified by the Agent) and with such bank as the Agent, in each case, specifies.

34.2 Distributions by the Agent

Each payment received by the Agent under the Finance Documents for another Party shall, subject to Clause 34.3 (*Distributions to an Obligor*) and Clause 34.5 (*Clawback and pre-funding*) be made available by the Agent as soon as practicable after receipt to the Party entitled to receive payment in accordance with this Agreement (in the case of a Lender, for the account of its Facility Office), to such account as that Party may notify to the Agent by not less than three Business Days' notice (or such shorter period as the Agent may agree (acting reasonably)) with a bank specified by that Party in the principal financial centre of the country of that the relevant currency (or, in relation to a payment in euro, in the principal financial centre of such Participating Member State or London, as specified by that Party).

34.3 Distributions to an Obligor

The Agent may (with the consent of the Obligor or in accordance with Clause 35 (*Set-Off*)) apply any amount received by it for that Obligor in or towards payment (on the date and in the currency and funds of receipt) of any amount due from that Obligor under the Finance Documents or in or towards purchase of any amount of any currency to be so applied.

34.4 Amounts paid in error

- (a) If the Agent pays an amount to another Finance Party and the Agent notifies that Finance Party that such payment was an Erroneous Payment then the Finance Party to whom that amount was paid by the Agent shall on demand refund the same to the Agent together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.
- (b) The obligations of any Finance Party to the Agent (whether arising under this Clause 34.4 or otherwise) which relate to an Erroneous Payment will not be affected by any act, omission, matter or thing which, but for this paragraph (b) would reduce, release or prejudice any such obligations (whether or not known by the Agent or any other Finance Party).
- (c) All payments to be made by a Finance Party to the Agent (whether made pursuant to this Clause 34.4 or otherwise) which relate to an Erroneous Payment shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.
- (d) In this Agreement, "**Erroneous Payment**" means a payment of an amount by the Agent to another Finance Party which the Agent determines (in its reasonable discretion) was made in error.

34.5 Clawback and pre-funding

- (a) Where a sum is to be paid to the Agent under the Finance Documents for another Party, the Agent, as the case may be, is not obliged to pay that sum to that other Party (or to enter into or perform any related exchange contract) until it has been able to establish to its satisfaction that it has actually received that sum.
- (b) Unless paragraph (c) below applies, if the Agent pays an amount to another Party and it proves to be the case that the Agent, as the case may be, had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid by the Agent shall on demand refund the same to the Agent, as the case may be, together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.
- (c) If the Agent has notified the Lenders that it is willing to make available amounts for the account of a Borrower before receiving funds from the Lenders, then if and to the extent that the Agent does so but it proves to be the case that it does not then receive funds from a Lender in respect of a sum which it paid to a Borrower:
 - (i) the Agent, as the case may be, shall notify the Parent of that Lender's identity and the Borrower to whom that sum was made available shall on demand refund it to the Agent; and
 - (ii) the Lender by whom those funds should have been made available or, if that Lender fails to do so, the Borrower to whom that sum was made available, shall on demand pay to the Agent the amount (as certified by the Agent) which will indemnify the Agent against any funding cost incurred by it as a result of paying out that sum before receiving those funds from that Lender.

34.6 Impaired Agent

- (a) If, at any time, the Agent becomes an Impaired Agent, an Obligor or a Lender which is required to make a payment under the Finance Documents to the Agent, as the case may be, in accordance with Clause 34.1 (*Payments to the Agent*) may instead either:
 - (i) pay that amount direct to the required recipient(s); or
 - (ii) if in its absolute discretion it considers that it is not reasonably practicable to pay that amount direct to the required recipient(s), pay that amount or the relevant part of that amount to an interest-bearing account held with an Acceptable Bank within the meaning of paragraph (a) of the definition of "Acceptable Bank" and in relation to which no Insolvency Event has occurred and is continuing, in the name of the Obligor or the Lender making the payment (the "**Paying Party**") and designated as a trust account for the benefit of the Party or Parties beneficially entitled to that payment under the Finance Documents (the "**Recipient Party**" or "**Recipient Parties**").

In each case such payments must be made on the due date for payment under the Finance Documents.

- (b) All interest accrued on the amount standing to the credit of the trust account shall be for the benefit of the Recipient Party or Recipient Parties *pro rata* to their respective entitlements.
- (c) A Party which has made a payment in accordance with this Clause 34.6 shall be discharged of the relevant payment obligation under the Finance Documents and shall not take any credit risk with respect to the amounts standing to the credit of the trust account.
- (d) Promptly upon the appointment of a successor Agent, as the case may be, in accordance with Clause 31.13 (*Replacement of the Agent*), each Paying Party shall (other than to the extent that that Party has given an instruction pursuant to paragraph (e) below) give all requisite instructions to the bank with whom the trust account is held to transfer the amount (together with any accrued interest) to the successor Agent for distribution in accordance with Clause 34.2 (*Distributions by the Agent*).
- (e) A Paying Party shall, promptly upon request by a Recipient Party and to the extent:
 - (i) that it has not given an instruction pursuant to paragraph (d) above; and
 - (ii) that it has been provided with the necessary information by that Recipient Party,
 give all requisite instructions to the bank with whom the trust account is held to transfer the relevant amount (together with any accrued interest) to that Recipient Party.

34.7 Partial payments

- (a) If the Agent receives a payment for application against amounts due in respect of any Finance Documents that is insufficient to discharge all the amounts then due and payable by an Obligor under those Finance Documents, the Agent shall apply that payment towards the obligations of that Obligor under those Finance Documents in the following order:
 - (i) **first**, in or towards payment *pro rata* of any unpaid amount owing to the Agent, the Security Agent or the Issuing Bank (other than any amount under Clause 7.2 (*Claims under a Letter of Credit*) or, to the extent relating to the reimbursement of a Claim (as defined in Clause 7 (*Letters of Credit*) or Clause 7.3 (*Indemnities*) under those Finance Documents;
 - (ii) **secondly**, in or towards payment *pro rata* of any accrued interest, fee or commission due but unpaid under those Finance Documents;
 - (iii) **thirdly**, in or towards payment *pro rata* of any principal due but unpaid under those Finance Documents; and
 - (iv) **fourthly**, in or towards payment *pro rata* of any other sum due but unpaid under the Finance Documents.
- (b) The Agent shall, if so directed by the Majority Lenders, vary the order set out in paragraphs (a)(ii) to (iv) above.
- (c) Paragraphs (a) and (b) above will override any appropriation made by an Obligor.

34.8 Set-off by Obligor

All payments to be made by an Obligor under the Finance Documents shall be calculated and be made without (and free and clear of any deduction for) set-off or counterclaim.

34.9 Business Days

- (a) Any payment under the Finance Documents which is due to be made on a day that is not a Business Day shall be made on the next Business Day in the same calendar month (if there is one) or the preceding Business Day (if there is not).
- (b) During any extension of the due date for payment of any principal or Unpaid Sum under this Agreement interest is payable on the principal or Unpaid Sum at the rate payable on the original due date.

34.10 Currency of account

- (a) Subject to paragraphs (b) to (e)(inclusive) below, the Base Currency is the currency of account and payment for any sum due from an Obligor under any Finance Document.
- (b) A repayment of a Utilisation or Unpaid Sum or a part of a Utilisation or Unpaid Sum shall be made in the currency in which that Utilisation or Unpaid Sum is denominated, pursuant to this Agreement, on its due date.
- (c) Each payment of interest shall be made in the currency in which the sum in respect of which the interest is payable was denominated, pursuant to this Agreement, when that interest accrued.
- (d) Each payment in respect of costs, expenses or Taxes shall be made in the currency in which the costs, expenses or Taxes are incurred.
- (e) Any amount expressed to be payable in a currency other than the Base Currency shall be paid in that other currency.

34.11 Change of currency

- (a) Unless otherwise prohibited by law, if more than one currency or currency unit are at the same time recognised by the central bank of any country as the lawful currency of that country, then:
 - (i) any reference in the Finance Documents to, and any obligations arising under the Finance Documents in, the currency of that country shall be translated into, or paid in, the currency or currency unit of that country designated by the Agent (after consultation with the Parent); and
 - (ii) any translation from one currency or currency unit to another shall be at the official rate of exchange recognised by the central bank for the conversion of that currency or currency unit into the other, rounded up or down by the Agent (acting reasonably).
- (b) If a change in any currency of a country occurs, this Agreement will, to the extent the Agent (acting reasonably and after consultation with the Parent) specifies to be necessary, be amended to comply with any generally accepted conventions and market practice in the Relevant Market and otherwise to reflect the change in currency.

34.12 Disruption to payment systems etc.

If either the Agent determines (in its discretion) that a Disruption Event has occurred or the Agent is notified by the Parent that a Disruption Event has occurred:

- (a) the Agent may, and shall if requested to do so by the Parent, consult with the Parent with a view to agreeing with the Parent such changes to the operation or administration of the Facilities as the Agent may deem necessary in the circumstances;
- (b) the Agent shall not be obliged to consult with the Parent in relation to any changes mentioned in paragraph (a) above if, in its opinion, it is not practicable to do so in the circumstances and, in any event, shall have no obligation to agree to such changes;
- (c) the Agent may consult with the Finance Parties in relation to any changes mentioned in paragraph (a) above but shall not be obliged to do so if, in its opinion, it is not practicable to do so in the circumstances;
- (d) any such changes agreed upon by the Agent and the Parent shall (whether or not it is finally determined that a Disruption Event has occurred) be binding upon the Parties as an amendment to (or, as the case may be, consent to or waiver of) the terms of the Finance Documents notwithstanding the provisions of Clause 40 (*Amendments and Waivers*);
- (e) the Agent shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including, without limitation for negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) arising as a result of its taking, or failing to take, any actions pursuant to or in connection with this Clause 34.12; and
- (f) the Agent shall notify the Finance Parties of all changes agreed pursuant to paragraph (d) above.

35. SET-OFF

- (a) Subject to Clause 4.5 (*Utilisations during the Certain Funds Period*) and Clause 4.6 (*Utilisations during an Agreed Certain Funds Period*), a Finance Party may, at any time while an Event of Default is continuing and the Super Majority Lenders so direct, or if a notice has been delivered by the Agent pursuant to paragraph (a) of Clause 28.5 (*Acceleration*), or, in the case of set-off by the Lenders under a Revolving Facility, paragraph (b) of Clause 28.5 (*Acceleration*), set-off any matured obligation due from an Obligor under the Finance Documents (to the extent beneficially owned by that Finance Party) against any matured obligation owed by that Finance Party to that Obligor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.
- (b) Any credit balances taken into account by an Ancillary Lender when operating a net limit in respect of any overdraft under an Ancillary Facility shall on enforcement of the Finance Documents be applied first in reduction of the overdraft provided under that Ancillary Facility in accordance with its terms.

- (iii) The Agent and Security Agent are irrevocably authorised and instructed by each other Finance Party (without the requirement for any further authorisation or consent from any other Finance Party) to enter into such documentation as is necessary as determined by the Parent and the Agent, each acting reasonably, to amend this Agreement and any other Finance Document (including the Transaction Security Documents) to which each is party and/or any additional security documents and/or to enter into any supplemental agreements, confirmations and/or any other similar or equivalent documents to reflect the terms of any Extension Amendment, Extended Term Loans and/or Extended Revolving Facility Commitments (as applicable) and shall (unless a Finance Party is required under applicable law to do so in its own name, in which case the relevant Finance Party shall) enter into such documentation on the request and at the cost of the Parent.
- (iv) No consent of any Finance Party (other than the applicable Extending Term Lender or Extending Revolving Facility Lender) will be required in connection with any Extension Amendment.
- (v) The Parent may, at its election, specify as a condition to consummating any Extension Amendment that a minimum amount (to be determined and specified in the relevant Extension Request in the Parent's sole and absolute discretion and as may be waived by the Parent) of Term Loans or Revolving Facility Commitments (as applicable) of any or all applicable tranches or series be tendered.

Extension (with such amount to be applied rateably to reduce scheduled repayments of such Term Loans required pursuant to Clause 10.1 (*Repayment of Term Loans*));

(e) No conversion of Loans pursuant to any Extension in accordance with this Clause 40.3 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(f) This Clause 40.3 shall supersede any provisions in Clause 33 (*Sharing among the Finance Parties*) or Clause 40 (*Amendments and Waivers*) to the contrary.

40.4 Refinancing Amendments

retaking of, Transaction Security as may be required in order to ensure that the relevant Refinancing Term Loans or Other Revolving Facility Commitments (as applicable) share the benefit of that Transaction Security *pari passu* with the Facilities).

- (c) The Agent and Security Agent are irrevocably authorised and instructed by each other Finance Party (without the requirement for any further authorisation or consent from any other Finance Party) to enter into such documentation as is necessary as determined by the Parent and the Agent, each acting reasonably, to amend this Agreement and any other Finance Document (including the Transaction Security Documents) to which each is party and/or any additional security documents and/or to enter into any supplemental agreements, confirmations and/or any other similar or equivalent documents to reflect the terms of any Refinancing Amendment, Refinancing Term Loans and/or Other Revolving Facility Commitments (as applicable) and shall (unless a Finance Party is required under applicable law to do so in its own name, in which case the relevant Finance Party shall) enter into such documentation on the request and at the cost of the Parent.

40.5 Changes to reference rates

- (a) Subject to Clause 40.2 (*Exceptions*) and paragraphs (b) and (d) below, if a Published Rate Replacement Event has occurred in relation to any Published Rate for a currency which can be selected for a Loan, any consent, amendment or waiver which relates to:
 - (i) providing for the use of a Replacement Benchmark in relation to that currency in place of (or in addition to) the affected Published Rate; and
 - (ii)
 - (A) aligning any provision of any Finance Document (including, without limitation, for duration, time and periodicity for determination of such Successor Benchmark Rate in relation to any applicable Interest Period) to the use of that Replacement Benchmark;

- (B) enabling that Replacement Benchmark to be used for the calculation of interest under this Agreement (including, without limitation, any consequential changes required to enable that Replacement Benchmark to be used for the purposes of this Agreement);
- (C) implementing market conventions applicable to that Replacement Benchmark;
- (D) providing for appropriate fallback (and market disruption) provisions for that Replacement Benchmark; or
- (E) adjusting the pricing to reduce or eliminate, to the extent reasonably practicable, any transfer of economic value from one Party to another as a result of the application of that Replacement Benchmark (and if any adjustment or method for calculating any adjustment has been formally designated, nominated or recommended by the Relevant Nominating Body, the adjustment shall be determined on the basis of that designation, nomination or recommendation),

together with any change which is consequential on, incidental to, or required to implement or effect or reflect any of the consents, amendments or waivers listed above, may be made with the consent of:

- (I) the Agent and the Parent; or
- (II) upon not less than 10 Business Days' prior written notice to the Agent, the Relevant Currency Majority Lenders and the Parent, *provided that* it is reasonably practicable for the Agent to administer such Replacement Benchmark (such practicability being determined by the Agent in its reasonable discretion),

in each case, having regard to the prevailing market convention in London at such time with respect to the benchmark for determining interest for syndicated bank loans in the relevant currency, and the Agent shall apply the Replacement Benchmark in a manner that is administratively feasible to the Agent, giving due regard to then-prevailing market practice (determined by the Agent in consultation with the Parent).

- (b) If, as at 15 January 2023, this Agreement provides that the rate of interest for a Term Rate Loan denominated in USD is to be determined by reference to a Screen Rate for LIBOR:
 - (i) a Published Rate Replacement Event shall be deemed to have occurred on that date in relation to the Screen Rate for LIBOR for USD; and
 - (ii) the Agent (acting on the instructions of the Relevant Currency Majority Lenders) and the Parent shall enter into negotiations in good faith with a view to agreeing the Replacement Benchmark in accordance with paragraph (a) above in place of that Screen Rate from and including a date no later than 31 March 2023.
- (c) Subject to paragraphs (d) and (e) below, a consent, amendment or waiver that relates to, or has the effect of, aligning the means of calculation of interest on a Compounded Rate Loan in any currency under this Agreement to any recommendation of a Relevant Nominating Body (*provided that*, for the purposes of this paragraph (c), the Relevant Nominating Body

with respect to LIBOR for GBP shall be the Bank of England and/or the Working Group on Sterling Risk-Free Reference Rates and, in each case, any successor thereto, rather than the Federal Reserve Bank of New York and/or the Alternative Reference Rates Committee) which:

- (i) relates to the use of the RFR for that currency on a compounded basis in the international or any relevant domestic syndicated loan markets; and
- (ii) is issued on or after the date of this Agreement,

may be made with the consent of the Agent (acting on the instructions of the Relevant Currency Majority Lenders) and the Parent.

- (d) The Parties acknowledge that certain provisions of this Agreement relating to Compounded Rate Loans, including, without limitation, Schedule 20 (*Compounded Rate Terms*), Schedule 21 (*Daily Non-Cumulative Compounded RFR Rate*) and Schedule 22 (*Cumulative Compounded RFR Rate*) (the “**RFR Provisions**”), have been drafted with regard to the LMA exposure recommended form of multicurrency compounded rate/term rate term and revolving facilities agreement (lookback without observation shift) dated 31 March 2021 (the “**LMA Exposure Draft**”). The Parties agree that, at the request of the Parent, the Agent will promptly enter into any amendments to this Agreement reasonably requested by the Parent and agreed by the Agent (acting reasonably) to ensure that the terms of this Agreement relating to Compounded Rate Loans, including, without limitation, the RFR Provisions, reflect the equivalent terms of any subsequent version of the LMA Exposure Draft or any recommended form of multicurrency term and revolving facilities agreement incorporating rate switch provisions (lookback without observation shift) published by the LMA, whilst preserving, to the extent reasonably practicable, any negotiated deviations from, or supplements to, the LMA Exposure Draft, and any election of drafting options set out in the LMA Exposure Draft, in each case agreed between the Parties and reflected in this Agreement as of the date of this Agreement (“**Conforming RFR Changes**”), *provided that*, to the extent that a Conforming RFR Change materially and adversely affects the rights or interests of Lenders in respect of a particular Utilisation, Facility or class of Lenders, such Conforming RFR Change shall not be made in relation to that Utilisation, Facility or affected class (but may, for the avoidance of doubt, be made with respect to other Utilisations, Facilities or classes of Lenders) without the consent of the Agent and the Relevant Currency Majority Lenders with respect to that particular Utilisation, Facility or affected class.
- (e) A Compounded Rate Supplement that amends the Compounded Rate Terms for a currency in a manner which the Parent has determined is necessary or desirable in order to implement any interest rate or cross-currency hedging arrangements in respect of any Relevant Currency Facility (including in order to amend the methodology set out in Schedule 21 (*Daily Non-Cumulative Compounded RFR Rate*) and Schedule 22 (*Cumulative Compounded RFR Rate*) or in any relevant Compounded Rate Supplement in order to align such methodology to the corresponding methodology used for the purposes of the relevant hedging arrangements, including to implement an “observation shift” in such methodology) may be implemented with the consent of the Agent (acting reasonably) and the Parent.
- (f) If any Lender does not accept or reject a written request for a consent, amendment or waiver described in this Clause 40.5 within five Business Days (unless the Parent and the Agent agree to a longer time period in relation to that written request) of that written request being made, its Commitment and/or participation shall not be included for the purpose of

calculating the Total Commitments or participations under the relevant Facility or Facilities when ascertaining whether any relevant percentage (including, for the avoidance of doubt, unanimity) of Total Commitments and/or participations has been obtained to approve that request.

(g) Any Lender which rejects a request for consent under this Clause 40.5 shall be deemed to be a Non-Consenting Lender for the purposes of this Agreement.

(h) Any Conforming RFR Change or Replacement Benchmark agreed pursuant to this Clause 40.5 shall automatically be binding on a Defaulting Lender.

(i) In this Clause 40.5:

(II) information is published in any order, decree, notice, petition or filing, however described, of or filed with a court, tribunal, exchange, regulatory authority or similar administrative, regulatory or judicial body which reasonably confirms that the administrator of that Published Rate is insolvent,

provided that, in each case, at that time, there is no successor administrator to continue to provide that Published Rate;

(B) the administrator of that Published Rate publicly announces that it has ceased or will cease to provide that Published Rate permanently or indefinitely and, at that time, there is no successor administrator to continue to provide that Published Rate;

(C) the supervisor of the administrator of that Published Rate publicly announces that such Published Rate has been or will be permanently or indefinitely discontinued; or

(D) the administrator of that Published Rate or its supervisor announces that that Published Rate may no longer be used;

(iii) the administrator of that Published Rate determines that that Published Rate should be calculated in accordance with its reduced submissions or other contingency or fallback policies or arrangements and either:

(A) the circumstance(s) or event(s) leading to such determination are not (in the opinion of the Parent) temporary; or

(B) that Published Rate is calculated in accordance with any such policy or arrangement for a period no less than 10 days; or

(iv) in the opinion of the Agent (acting reasonably) and the Parent, that Published Rate is otherwise no longer appropriate for the purposes of calculating interest under this Agreement.

For the avoidance of doubt, the Parties agree that no Published Rate Replacement Event shall be deemed to have occurred on or prior to the date of this Agreement in respect of any Published Rate in respect of USD.

“Relevant Nominating Body” means any applicable central bank, regulator or other supervisory authority or a group of them, or any working group or committee sponsored or chaired by, or constituted at the request of, any of them or the Financial Stability Board.

40.6 Technical amendments

Notwithstanding any other provision of this Clause 40, the Agent may at any time without the consent or sanctions of the other Finance Parties, concur with the Parent in making any modifications to any relevant Finance Document:

(a) to cure any ambiguity, omission, mistake, defect or inconsistency; or

- (b) which in the opinion of the Agent would otherwise be proper to make *provided that* the Agent is of the opinion that such modification would not be prejudicial to the position of any Finance Party or in the opinion of the Agent such modification is of a formal, minor or technical nature or is to correct a manifest error.

Any such modification shall be made on such terms as the Agent and the Parent may determine, shall be binding upon the other Finance Parties, and shall be notified by the Agent to the other Finance Parties as soon as practicable thereafter.

40.7 Replacement of Lender

(A) requires the approval of the Super Majority Lenders or all the Lenders (or all the Lenders under a Facility, as the case may be); or

(B) is being made pursuant to paragraph (b) of Clause 16.5 (*Cost of funds*) or Clause 40.5 (*Changes to reference rates*); and

- (iii) in the case of a consent, waiver or amendment to which paragraph (a)(ii)(A) above applies, the Majority Lenders (or the Majority Lenders participating in that Utilisation, Facility or forming part of that affected class, as the case may be) have consented or agreed to such consent, waiver or amendment,

then any Lender who does not consent or agree to such consent, waiver or amendment shall be deemed a “**Non-Consenting Lender**”.

(b) If at any time:

- (i) any Lender becomes a Non-Consenting Lender; or

- (ii) any Obligor becomes obliged to repay any amount in accordance with Clause 11.1 (*Illegality*) or becomes entitled to repay any amount in accordance with paragraph (a) of Clause 11.8 (*Right of cancellation and repayment in relation to a single Lender or Issuing Bank*) or becomes obliged to pay any amounts pursuant to Clause 18.3 (*Tax gross-up*), 18.4 (*Tax indemnity*) or 19.1 (*Increased Costs*) to any Lender,

then the Parent may, provided it gives at least five Business Days’ prior written notice to the Agent and such Lender, replace such Lender by requiring such Lender to (and such Lender shall) transfer pursuant to Clause 29 (*Changes to the Lenders*) all (and not part only) of its rights and obligations under this Agreement to a Lender or other bank, financial institution, trust, fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in or securitising loans, securities or other financial assets (a “**Replacement Lender**”) selected by the Parent, and which is acceptable to the Agent (acting reasonably), which confirms its willingness to assume and does assume all the obligations of the transferring Lender (including the assumption of the transferring

Lender's participations on the same basis as the transferring Lender) for a purchase price in cash payable at the time of transfer equal to the outstanding principal amount of such Lender's participation in the outstanding Utilisations and all accrued interest (to the extent that the Agent has not given a notification under Clause 29.12 (*Pro rata interest settlement*), Break Costs and other amounts payable in relation thereto under the Finance Documents.

- (i) any Lender which has notified the Agent that it has become a Defaulting Lender; and
- (ii) any Lender in relation to which it is aware that any of the events or circumstances referred to in paragraph (a), (b) or (d) of the definition of "Defaulting Lender" has occurred,

- to a Lender or other bank, financial institution, trust, fund or other entity (a "**Replacement Lender**") selected by the Parent, which (unless the replacement Lender is already a Lender or the Agent is an Impaired Agent) has satisfied all the Agents 'know your client' and other similar checks, and which confirms its willingness to assume and does assume all the obligations or all the relevant obligations of the transferring Lender (including the assumption of the transferring Lender's participations or unfunded participations (as the case may be) on the same basis as the transferring Lender) for a purchase price:
- (A) in the case of a Lender which is a Defaulting Lender by virtue of paragraph (a), (b), (c) or (d) of the definition of "Defaulting Lender" or a Net Short Lender, in cash payable at the time of transfer equal to the outstanding principal amount of such Lender's participation in the outstanding Utilisations and all accrued interest (to the extent that the Agent has not given a notification under Clause 29.12 (*Pro rata interest settlement*), Break Costs and other amounts payable in relation thereto under the Finance Documents; or

- (b) If the Parent is unable for any reason to act as agent for service of process, the Parent (on behalf of all the Obligors) must within 10 Business Days after such event taking place appoint another agent on terms acceptable to the Agent (acting reasonably). Failing this, the Agent may appoint another agent for this purpose.
- (c) An Obligor may irrevocably appoint another person located in England & Wales as its agent for service of process in relation to any proceedings before the English courts in connection with any Finance Document on terms acceptable to the Agent (acting reasonably), subject to notifying the Agent accordingly. AGREED SECURITY PRINCIPLES

1. SECURITY PRINCIPLES

- (a) The guarantees and security to be provided will be given in accordance with the Agreed Security Principles set out in this Schedule. This Schedule addresses the manner in which the Agreed Security Principles will impact on the guarantees and security proposed to be taken in relation to this transaction.
- (b) The Agreed Security Principles embody recognition by all parties that there may be certain legal and practical difficulties in obtaining guarantees and security from all Obligor in every jurisdiction in which Obligor are located. In particular:
- (i) general legal and statutory limitations (including, but not limited to, with respect to the relevant jurisdictions for which guarantee limitation language is set out in Clauses 23.11 (*Guarantee Limitations*) to 23.13 (*Limitations – Regulated Entities*), such limitations as set out therein), financial assistance, corporate benefit, fraudulent preference, “thin capitalisation”, “earnings stripping”, “controlled foreign corporation” and “capital maintenance” rules, retention of title claims, employee consultation or approval requirements and similar principles may limit the ability of a member of the Group to provide a guarantee or security or may require that the guarantee or security be limited by an amount or otherwise;
 - (ii) the relevant Obligor will use reasonable endeavours to assist in demonstrating that adequate corporate benefit accrues to each relevant Obligor and to overcome any such other limitations to the extent reasonably practicable;
 - (iii) the Transaction Security and extent of its perfection will be agreed taking into account the cost to the Group of providing such security (including any increase to the tax and/or regulatory costs of the Group) so as to ensure that it is proportionate to the benefit accruing to the Finance Parties and the maximum guaranteed or secured amount may be limited to minimise stamp duty, notarisation, registration or other applicable fees, taxes and duties where the benefit of increasing the guaranteed or secured amount is disproportionate to the level of such fee, taxes and duties;
 - (iv) any assets subject to third party arrangements which are permitted by this Agreement and which prevent those assets from being charged, and any cash constituting regulatory capital or customer cash, will be excluded from any relevant Transaction Security Document;
 - (v) members of the Group will not be required to give guarantees or enter into security documents if: (1) they are not incorporated in a Security Jurisdiction or not wholly-owned by another member of the Group, or if it is not within the legal capacity of the relevant member of the Group, (2) in the good faith judgment of the directors of the Parent, the creation of Transaction Security and/or the giving of a guarantee and/or otherwise becoming an Obligor could materially increase a Capital Requirement, or materially adversely affect the solvency capital requirements, of the Group (or any member thereof) pursuant to any applicable law or regulation applicable to such member of the Group, (3) if it would conflict with the fiduciary

duties of their directors or managers, or (4) contravene any legal, contractual or regulatory prohibition or result in a risk of personal or criminal liability on the part of any officer;

- (vi) if there are third party arrangements in place in respect of any asset, business or entity acquired by the Group (where those third party arrangements were not entered into in contemplation of that acquisition) as a result of which the consent of a third party is required for that acquired entity to provide a guarantee or to secure any acquired asset, such guarantee and/or security will not be required to be granted;
 - (vii) the granting or perfection of Transaction Security, when required, and other legal formalities will be completed within the time periods specified in the Finance Documents therefore or (to the extent no such time periods are specified in the Finance Documents) within the time periods specified by applicable law in order to ensure due perfection, in each case taking into account the Agreed Security Principles;
 - (viii) the granting or perfection of Transaction Security will not be required if it would have a material adverse effect on the ability of the relevant Obligor to conduct its operations and business in the ordinary course or as otherwise permitted by the Finance Documents (including, without limitation, notification of such security to any third party);
 - (ix) in respect of all assets security (other than share security over (and receivables owed by) its guarantor company subsidiaries), the Transaction Security Document shall be governed by the law of and secure assets located in or otherwise governed or expressed to be governed by the laws of the jurisdiction of incorporation of that Obligor;
 - (x) no perfection action will be required in jurisdictions that are not Security Jurisdictions;
 - (xi) the maximum guaranteed or secured amount may be limited to minimise stamp duty, notarisation, registration or other applicable fees, taxes and duties;
 - (xii) no guarantee or Transaction Security shall guarantee or secure any “Excluded Swap Obligations” defined in accordance with the LSTA Market Advisory Update dated 15 February 2013 entitled “Swap Regulations’ Implications for Loan Documentation”, and any update thereto by the LSTA;
 - (xiii) other than filing an MR01 form with the Registrar of Companies (England and Wales) with respect to a global Transaction Security Document governed by English law (a “**Debenture**”), no perfection action will be required with respect to assets of a type not owned by members of the Group; and
 - (xiv) the Security Agent will hold one set of Transaction Security for the Secured Parties (subject to applicable law).
- (c) The Security Agent (upon request or instruction, as applicable, in accordance with this Agreement) or the other Finance Parties, as the case may be, shall promptly discharge any guarantees and release any Transaction Security which is or are subject to any transaction

permitted by this Agreement, subject to any legal or regulatory prohibition as is referred to in paragraph (b)(v) above or which is contrary to these Agreed Security Principles.

2. GUARANTORS AND SECURITY

- (a) Subject to due execution of all relevant documents, completion of all relevant formalities, the Legal Reservations, the Perfection Requirements, the application of the Agreed Security Principles and any qualifications or limitations which may be set out in any Finance Documents, guarantees will be provided by members of the Group to the extent required pursuant to Clause 27.1 (*Covenant to guarantee obligations and give security and further assurances*) of Schedule 17 (*General Undertakings*) to this Agreement.
- (b) Each guarantee will, to the extent legally possible and subject to Clause 23 (*Guarantees and Indemnity*) of this Agreement and the Agreed Security Principles, be an upstream, cross-stream and downstream guarantee and for all liabilities of the Obligor under the Finance Documents in accordance with, and subject to, local law requirements and the requirements of the Agreed Security Principles in each relevant jurisdiction.
- (c) Transaction Security Documents will, to the extent legally possible and subject to the Agreed Security Principles, incorporate the defined terms used in the Intercreditor Agreement and secure the Secured Obligations (as defined in the Intercreditor Agreement) of the relevant Obligor to the Secured Parties, in each case in accordance with, and subject to, local law requirements and the requirements of the Agreed Security Principles in each relevant jurisdiction and, in no circumstances, shall impose any obligation more onerous than those contained in this Agreement other than to the extent required by local law in order to create, enforce or perfect the security interest expressed to be created thereby.
- (d) Where an Obligor secures shares, the Security Document will be governed by the laws of the company whose shares are being charged or pledged and not by the law of the country of the Obligor. Subject to these principles the shares in each Guarantor shall be secured. For the avoidance of doubt, the shares held by an Obligor in a Subsidiary that is not an Obligor shall not be required to be the subject of Transaction Security other than in the case of Obligor incorporated in England and Wales that execute a Debenture, pursuant to an all-asset floating charge to be set out in that Debenture.
- (e) To the extent legally effective, all security shall be given in favour of the Security Agent and not the Secured Parties individually. "Parallel debt" provisions will be used where necessary; such provisions will be contained in the Intercreditor Agreement and not the individual Security Documents unless required under local laws. To the extent possible, there should be no action required to be taken in relation to the guarantees or Transaction Security when any Lender assigns or transfers any of its participation in the Facilities to a New Lender.
- (f) The Obligor will not be required to pay any third party costs of any re-execution, notarisation, re-registration, amendment or other perfection requirement for any Transaction Security on any assignment to a New Lender.
- (g) Any Transaction Security Document shall only be required to be notarised or notarially certified if required by law in order for the relevant Transaction Security to become effective or admissible in evidence.

- (h) No Regulated Entity or other member of the Group will be required to create Transaction Security over or otherwise encumber any Restricted Asset (including, without limitation, any bank accounts which contain or are reasonably likely to contain any Restricted Assets).
- (i) To the extent that any Regulated Entity becomes a Guarantor pursuant to the terms of this Agreement, the recourse under the guarantee and Transaction Security undertaken by it of any beneficiary of any such guarantee and Transaction Security will be strictly and expressly limited:

 - (i) a guarantee from each Obligor (including each Borrower, the Parent and each Restricted Subsidiary required pursuant to Clause 27.1 (*Covenant to guarantee obligations and give security and further assurances*) (and for the avoidance of doubt no guarantee or Transaction Security will be provided by any Holding Company of the Parent);

 - (vi) for the avoidance of doubt: (i) no guarantee or Transaction Security shall be required to be provided by any person who is not an Obligor or in any jurisdiction other than a Security Jurisdiction; and (ii) Transaction Security shall not be granted over any assets (including, without limitation, over trade receivables, intellectual property, bank accounts, insurance policies, hedging agreements and real estate) other than as set out in paragraphs (i) to (v) (inclusive) above.
- (b) In addition to the above, the following principles will be reflected in the terms of any Transaction Security taken as part of this transaction:

 - (ii) Transaction Security will not be enforceable until the occurrence of an Enforcement Event which is continuing and will be enforceable only subject to the terms of the Intercreditor Agreement;
 - (iii) the Security Agent shall only be able to exercise a power of attorney following the occurrence of an Enforcement Event which is continuing;
 - (iv) the provisions of each Transaction Security Document will not be unduly burdensome on the Obligor or interfere unreasonably with the operation of its business, will be limited to those required by local law to create, enforce or perfect security and will not impose commercial obligations and shall not contain additional representations and undertakings (such as in respect of insurance, maintenance of assets, information or the payment of costs) or otherwise repeat any such representations or undertakings given in this Agreement, other than those which are strictly required as a matter of law for the creation and perfection of the Transaction Security;
 - (v) in the Transaction Security Documents there will be no repetition or extension of clauses set out in this Agreement (or the Intercreditor Agreement) including, without limitation, those relating to notices, costs and expenses, indemnities, tax gross up, distribution of proceeds and release of Transaction Security;

- (vii) the Transaction Security Documents should not and will not operate so as to prevent transactions which are not prohibited under the other Finance Documents; and
- (viii) Transaction Security will, where possible and practical, automatically create security over future assets of the same type as those already secured; where local law requires supplemental charges to be delivered in respect of future acquired assets in order for effective security to be created over that class of asset, such supplemental charges shall be provided at intervals no more frequently than annually, in each case on the Security Agent's reasonable written request; and
- (ix) each Transaction Security Document must contain a clause which records that if there is a conflict between the Transaction Security Document and this Agreement or the Intercreditor Agreement then (to the fullest extent permitted by law) the provisions of this Agreement or (as applicable) the Intercreditor Agreement will take priority over the provisions of the relevant Transaction Security Document.

4. SHARES

- (a) If an Obligor grants Transaction Security over shares held by it, until notified in writing by the Security Agent following an Enforcement Event which is continuing, the Obligor will be permitted to retain and to exercise voting rights appertaining to any shares charged by it and the company whose shares have been charged will be permitted to pay dividends upstream on charged shares to the extent permitted under the Finance Documents with the proceeds to be available to the Parent and its Restricted Subsidiaries.

To the extent that any relevant share certificates cannot be located, the relevant member of the Group shall use reasonable efforts to obtain replacements.

- (c) Unless the restriction is required by law or regulation (or as expressly contemplated in any Transaction Security Document), the constitutional documents of the company whose shares have been charged will be amended to remove any restriction on the transfer or the registration of the transfer of the shares on the taking or enforcement of the Transaction Security granted over them.
- (d) If required under local law, Transaction Security over shares will be registered subject to the general principles set out in these Agreed Security Principles.

5. INTERCOMPANY RECEIVABLES

- (a) If an Obligor grants Transaction Security over its material intercompany receivables it shall be free to deal with those receivables in the course of its business until notified by the Agent following an Enforcement Event which is continuing.
- (b) If required by local law to perfect the Transaction Security, notice of the Transaction Security will be served on the relevant borrower in respect of material intercompany receivables within 20 Business Days after an Enforcement Event which is continuing and the Obligor shall use its commercially reasonable endeavours (not involving the payment of money or incurrence of external expenses) to obtain an acknowledgement of that notice within 20 Business Days after service. If the Obligor has used its commercially reasonable endeavours but has not been able to obtain acknowledgement or acceptance its obligation to obtain acknowledgement or acceptance shall cease on the expiry of that 20 Business Day period.
- (c) Irrespective of whether notice of the Transaction Security is required for perfection, if the service of notice would prevent the Obligor from dealing with an intercompany receivable in the course of its business no notice of security shall be served until required by the Agent following an Enforcement Event which is continuing.
- (d) If required under local law, Transaction Security over intercompany receivables will be registered subject to the general principles set out in these Agreed Security Principles.

6. BANK ACCOUNTS

- (a) No Regulated Entity or other member of the Group will be required to create Transaction Security over or otherwise encumber any bank accounts which contain or are reasonably likely to contain Restricted Assets.
- (b) If, pursuant to a Debenture, an Obligor grants Transaction Security over its bank accounts it shall be free to deal with those accounts in the course of its business (including exercising the ability to close such charged accounts) until notified in writing by the Security Agent following an Enforcement Event which is continuing.
- (c) If required by local law to perfect the Transaction Security, notice of the Transaction Security will be served on the account bank within 20 Business Days after an Enforcement Event which is continuing and the Obligor shall use its commercially reasonable endeavours (not involving the payment of money or incurrence of external expenses) to obtain an acknowledgement of that notice with 20 Business Days after service. If the Obligor has used its commercially reasonable endeavours but has not been able to obtain acknowledgement its obligation to obtain acknowledgement shall cease on the expiry of that 20 Business Day period.

- (d) Irrespective of whether notice of the Transaction Security is required for perfection, if the service of notice would prevent the Obligor from retaining control over and using a bank account in the ordinary course of its business no notice of security shall be served until required in writing by the Security Agent following an Enforcement Event which is continuing. For the avoidance of doubt, subject to the provisions of this Agreement, there will be no restriction on the movement and dealing with cash and receivables into and out of any secured bank accounts until an Enforcement Event has occurred and is continuing.
- (e) Any Transaction Security over bank accounts shall be subject to any prior security interests in favour of the account bank which are created either by law or in the standard terms and conditions of the account bank. The notice of Transaction Security may request these are waived by the account bank but the Obligor shall not be required to change its banking arrangements if these security interests are not waived or only partially waived.
- (f) If required under local law, Transaction Security over bank accounts will be registered subject to the general principles set out in these Agreed Security Principles.

7. RELEASE OF SECURITY

Unless required by local law, the circumstances in which the Transaction Security shall be released should not be dealt with in individual Transaction Security Documents but, if so required, shall provide that such Transaction Security will be released in accordance with this Agreement and the Intercreditor Agreement.

- (xxvii) Indebtedness under local credit facilities in an aggregate principal amount not to exceed, at any time outstanding, the greater of (x) \$75.0 million and (y) 15.0% of LTM EBITDA.

(c) For purposes of determining compliance with this Section 1:

- (i) in the event that an item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of more than one of the categories of permitted Indebtedness, Disqualified Stock or Preferred Stock described in paragraphs (b)(i) through (xxvii) of this Section 1 or is entitled to be incurred pursuant to paragraph (a) of this Section 1, the Parent, in its sole discretion, may divide or classify, and may from time to time re-divide and re-classify, such item of Indebtedness, Disqualified Stock or Preferred Stock (or any portion thereof) and shall only be required to include the amount and type of such Indebtedness, Disqualified Stock or Preferred Stock in one or more of the paragraphs under paragraphs (a) and/or (b) of this Section 1; *provided that* all Facility B Loans in respect of Facility B Commitments outstanding on the Closing Date (excluding for the avoidance of doubt any Indebtedness under any Incremental Facility) shall be treated as incurred on the Closing Date under paragraph (b)(i)(A) of this Section 1 (and Parent shall not be permitted to reclassify all or a portion of such Indebtedness incurred on the Closing Date under the Facilities);
- (ii) the Parent shall be entitled to divide and classify an item of Indebtedness, Disqualified Stock or Preferred Stock in more than one of the types of Indebtedness, Disqualified Stock or Preferred Stock described in paragraph (a) or (b) of this Section 1;
- (iii) guarantees of, or obligations in respect of letters of credit, bankers' acceptances or other similar instruments relating to, or Liens securing, Indebtedness, Disqualified Stock or Preferred Stock that is otherwise included in the determination of a particular amount of Indebtedness, Disqualified Stock or Preferred Stock shall not be included;
- (iv) if obligations in respect of letters of credit, bankers' acceptances or other similar instruments are incurred pursuant to any Credit Facility and are being treated as incurred pursuant to paragraph (a) or any sub-paragraph of paragraph (b) of this Section 1 and the letters of credit, bankers' acceptances or other similar instruments relate to other Indebtedness, Disqualified Stock or Preferred Stock, then such other Indebtedness, Disqualified Stock or Preferred Stock shall not be included;
- (v) the principal amount of any Disqualified Stock of the Parent or a Restricted Subsidiary, or Preferred Stock of a Restricted Subsidiary, shall be equal to the greater of the maximum mandatory redemption or repurchase price (not including, in either case, any redemption or repurchase premium) or the liquidation preference thereof; and
- (vi) for purposes of calculating the Fixed Charge Coverage Ratio, the Consolidated First Lien Debt Ratio, the Consolidated Secured Debt Ratio or the Consolidated Total Debt Ratio, as applicable, in connection with the incurrence of any Indebtedness pursuant to the first or second paragraph above or the creation or

incurrence of any Lien pursuant to the definition of “Permitted Liens”, the Parent may elect, at its option, to treat all or any portion of the committed amount of any Indebtedness (and the issuance and creation of letters of credit and bankers’ acceptances thereunder), including any portion of any committed amount of any Indebtedness of Persons that are acquired by the Person or any Restricted Subsidiary or merged into or consolidated or amalgamated with the Parent or a Restricted Subsidiary, which is to be incurred (or any commitment in respect thereof) or secured by such Lien, as the case may be (any such committed amount elected until revoked as described below, the “**Reserved Indebtedness Amount**”), as being incurred as of such election date, and, if such Fixed Charge Coverage Ratio, the Consolidated First Lien Debt Ratio, the Consolidated Secured Debt Ratio or Consolidated Total Debt Ratio, as applicable, is satisfied or, in the case of paragraph (b)(xii)(B) of this Section 1, is no worse in accordance with the terms thereof, with respect thereto on such election date, any subsequent borrowing or reborrowing thereunder (and the issuance and creation of letters of credit and bankers’ acceptances thereunder), shall be deemed to be permitted under this Section 1 or the definition of “Permitted Liens,” as applicable, whether or not the Fixed Charge Coverage Ratio, the Consolidated First Lien Debt Ratio, the Consolidated Secured Debt Ratio or the Consolidated Total Debt Ratio, as applicable, at the actual time of any subsequent borrowing or re-borrowing (or issuance or creation of letters of credit or bankers’ acceptances thereunder) is met; *provided that* for purposes of subsequent calculations of the Fixed Charge Coverage Ratio, the Consolidated First Lien Debt Ratio, the Consolidated Secured Debt Ratio or the Consolidated Total Debt Ratio, as applicable, the Reserved Indebtedness Amount shall be deemed to be outstanding, whether or not such amount is actually outstanding, for so long as such commitments are outstanding or until the Parent revokes an election of a Reserved Indebtedness Amount.

- (d) Accrual of interest or dividends, the accretion of accreted value, the accretion or amortization of original issue discount and the payment of interest or dividends in the form of additional Indebtedness, Disqualified Stock or Preferred Stock, as the case may be, of the same class shall not be deemed to be an incurrence of Indebtedness, Disqualified Stock or Preferred Stock for purposes of this Section 1. If Indebtedness, Disqualified Stock or Preferred Stock originally incurred in reliance upon a percentage of LTM EBITDA under this Section 1 is being refinanced and such refinancing would cause the maximum amount of Indebtedness, Disqualified Stock or Preferred Stock thereunder to be exceeded at such time, then such refinancing shall nevertheless be permitted thereunder and such additional Indebtedness, Disqualified Stock or Preferred Stock shall be deemed to have been incurred under the applicable provision so long as the principal amount or liquidation preference of such Refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed the principal amount or liquidation preference of Indebtedness, Disqualified Stock or Preferred Stock being refinanced plus amounts permitted by the next sentence. Any Refinancing Indebtedness and any Indebtedness, Disqualified Stock or Preferred Stock permitted to be incurred under this Agreement to refinance Indebtedness incurred pursuant to paragraphs (b)(i), (iii), (viii), (x)(B) and (xxi) of this Section 1 shall be deemed to include additional Indebtedness, Disqualified Stock or Preferred Stock incurred to pay accrued but unpaid interest or dividends, premiums (including tender premiums), defeasance costs, underwriting or initial purchaser discounts, fees, costs and expenses (including original issue discount, upfront fees or similar fees) in connection with such refinancing.

- (e) For purposes of determining compliance with any restriction, as applicable, on the incurrence of Indebtedness, Disqualified Stock or Preferred Stock denominated in a given currency, the Currency Equivalent of the aggregate principal amount of Indebtedness or liquidation preference of Disqualified Stock or Preferred Stock denominated in another currency shall be calculated based on the relevant currency exchange rate in effect on the date such Indebtedness, Disqualified Stock or Preferred Stock was incurred, or, at the option of the Parent, first committed or first incurred or upon execution of the definitive documentation in respect thereof (whichever yields the lower Currency Equivalent); *provided that*:
- (i) if such Indebtedness, Disqualified Stock or Preferred Stock is incurred to refinance other Indebtedness denominated in another currency, and such refinancing would cause the applicable currency denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such currency denominated restriction, as applicable, shall be deemed not to have been exceeded so long as the principal amount or liquidation preference of such Refinancing Indebtedness, Disqualified Stock or Preferred Stock does not exceed the principal amount or liquidation preference set forth in sub-paragraph (A) of the definition of “Refinancing Indebtedness”;
 - (ii) the Currency Equivalent of the aggregate principal amount of any such Indebtedness and the aggregate liquidation preference of any such Disqualified Stock or Preferred Stock outstanding on the Closing Date shall be calculated based on the relevant currency exchange rate in effect on the Closing Date; and
 - (iii) if and for so long as any such Indebtedness, Disqualified Stock or Preferred Stock is subject to any Currency Agreement with respect to the currency in which such Indebtedness, Disqualified Stock or Preferred Stock is denominated covering principal amounts and interest payable on such Indebtedness or the liquidation preference and preferred equity returns on such Disqualified Stock or Preferred Stock, the amount of such Indebtedness, Disqualified Stock or Preferred Stock if denominated in a given currency will be the amount of the principal payment or the liquidation preference required to be made under such Currency Agreement and, otherwise, the Currency Equivalent of such amount plus the Currency Equivalent of any premium which is at such time due and payable but is not covered by such Currency Agreement.
- (f) This Agreement shall not treat (1) unsecured Indebtedness as subordinated or junior to Secured Indebtedness merely because it is unsecured or (2) Indebtedness as subordinated or junior to any other Indebtedness merely because it has a junior priority with respect to the same collateral or because it is secured by different collateral or issued or guaranteed by other obligors. Indebtedness incurred pursuant to this Section 1 (or pursuant to any other permission to incur Indebtedness under this Agreement), may be incurred by way of any Incremental Facility.

2. Limitation on Restricted Payments

- (a) The Parent shall not, and shall not permit any of its Restricted Subsidiaries, to directly or indirectly:

- (H) amounts that would be permitted to be paid by the Parent or its Restricted Subsidiaries under paragraphs (b)(iii), (iv), (viii), (ix), (xiii) and (xiv) of Section 6 (*Transactions with Affiliates*) below; *provided that* the amount of any dividend or distribution under this paragraph (xv)(H) to permit such payment shall reduce, without duplication, Consolidated Net Income of the Parent to the extent, if any, that such payment would have reduced Consolidated Net Income of the Parent if such payment had been made directly by the Parent and increase (or, without duplication of any reduction of Consolidated Net Income, decrease) EBITDA to the extent, if any, that Consolidated Net Income is reduced under this paragraph (xv)(H) and such payment would have been added back to (or, to the extent excluded from Consolidated Net Income, would have been deducted from) EBITDA if such payment had been made directly by the Parent, in each case, in the period such payment is made;

provided that at the time of and after giving effect to, (x) any Restricted Payment other than a Restricted Investment permitted under paragraph (b)(xi)(B) of this Section 2, no Event of Default shall have occurred and be continuing or would occur as a consequence thereof or (y) any Restricted Investment permitted under paragraph (b)(xi)(B) of this Section 2, no Event of Default under subparagraphs (a), (b) or (f) of Section of Schedule 18 (*Events of Default*) shall have occurred and be continuing or would occur as a consequence thereof.

- (c) For purposes of determining compliance with this Section 2, in the event that a proposed Restricted Payment (or a portion thereof) meets the criteria of paragraphs (b)(i) through (xx) of this Section 2 and/or one or more of the paragraphs contained in the definition of “Permitted Investments,” or is entitled to be made pursuant to paragraph (a) of this Section 2, the Parent shall be entitled to divide or classify or later divide or reclassify (based on circumstances existing on the date of such reclassification) such Restricted Payment (or a portion thereof) between such paragraphs (b)(i) through (xx) of this Section 2 and such paragraph (a) of this Section 2 and/or one or more of the paragraphs contained in the definition of “Permitted Investments,” in any manner that otherwise complies with this Section 2.
- (d) The Parent shall not permit any Unrestricted Subsidiary to become a Restricted Subsidiary except pursuant to the penultimate sentence of the definition of “Unrestricted Subsidiary.” For purposes of designating any Restricted Subsidiary as an Unrestricted Subsidiary, all outstanding Investments by the Parent and its Restricted Subsidiaries (except to the extent repaid) in the Subsidiary so designated shall be deemed to be Restricted Payments in an amount determined as set forth in the penultimate sentence of the definition of “Investments.” Such designation shall be permitted only if a Restricted Payment in such amount would be permitted at such time, pursuant to this Section 2 or pursuant to the

definition of “Permitted Investments,” and if such Subsidiary otherwise meets the definition of an “Unrestricted Subsidiary”. Unrestricted Subsidiaries shall not be subject to any of the restrictive covenants set forth in this Agreement.

- (e) For the avoidance of doubt, this covenant shall not restrict the making of any “AHYDO catch-up payment” with respect to, and required by the terms of, any Indebtedness of Parent or any of its Restricted Subsidiaries permitted to be incurred under the terms of this Agreement.

3. Liens

- (a) The Parent shall not, and shall not permit any Obligor to, directly or indirectly, create, incur, assume or suffer to exist any Lien (except Permitted Liens) (each, a “**Subject Lien**”) that secures Obligations under any Indebtedness or any related guarantee of Indebtedness, on any asset or property of any Borrower or any Guarantor or any income or profits therefrom, or assign or convey any right to receive income therefrom, unless:
- (i) in the case of Subject Liens on any Collateral, the Facilities and the Guarantees are secured by a Lien on such asset, property, income or profits that is senior in priority to such Subject Lien; and
 - (ii) in all other cases, the Facilities and the Guarantees are equally and ratably secured.
- (b) Any Lien created for the benefit of the Lenders pursuant to paragraph (a)(ii) of this Section 3 shall be deemed automatically and unconditionally released and discharged upon (i) the release and discharge of the Subject Lien that gave rise to the obligation to secure the Facilities and/or (ii) otherwise as set forth in any of the Secured Debt Documents.
- (c) In addition, the Parent may, at its option and without consent from any Secured Party, elect to release and discharge any Lien created for the benefit of the Lenders pursuant to paragraph (a)(i) or (a)(ii) of this Section 3 in respect of such Subject Lien.
- (d) With respect to any Lien securing Indebtedness that was permitted to secure such Indebtedness at the time of the Incurrence of such Indebtedness, such Lien shall also be permitted to secure any Increased Amount of such Indebtedness. The “**Increased Amount**” of any Indebtedness shall mean any increase in the amount of such Indebtedness in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Indebtedness with the same terms, accretion of original issue discount or liquidation preference and increases in the amount of Indebtedness outstanding solely as a result of fluctuations in the exchange rate of currencies or increases in the value of property securing Indebtedness.

4. Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries

- (a) The Parent shall not, and shall not permit any of its Restricted Subsidiaries that is not a Borrower or a Guarantor to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary that is not a Borrower or a Guarantor to:
- (i) (A) pay dividends or make any other distributions to any Borrower or any Guarantor on its Capital Stock or with respect to any other interest or participation

in, or measured by, its profits; or (B) pay any Indebtedness owed to any Borrower or any Guarantor;

(ii) Purchase Money Obligations and Financing Lease Obligations that impose restrictions of the nature described in paragraph (a)(iii) above on the property so purchased, leased, expanded, constructed, developed, installed, replaced, relocated, renewed, maintained, upgraded, repaired or improved;

(iii) applicable law or any applicable rule, regulation or order;

(iv) (A) in the case of the redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary or the merger, amalgamation or consolidation of an Unrestricted Subsidiary into the Parent or a Restricted Subsidiary or the transfer of all or substantially all of the assets of an Unrestricted Subsidiary to the Parent or a Restricted Subsidiary, any agreement or other instrument of such Unrestricted Subsidiary (but, in any such case, not created in contemplation thereof); and (B) any agreement or other instrument of a Person acquired by or merged or consolidated with or into the Parent or any of its Restricted Subsidiaries in existence at the time of such acquisition or at the time it merges with or into the Parent or any of its Restricted Subsidiaries or assumed in connection with the acquisition of assets from such Person (but, in any such case, not created in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person so acquired and its Subsidiaries, or the property or assets of the Person so acquired and its Subsidiaries or the property or assets so acquired;

(v) contracts for the sale or disposition of assets, including sale-leaseback agreements, including customary restrictions with respect to a Subsidiary of the Parent pursuant to an agreement that has been entered into for the sale or disposition of any of the Capital Stock or assets of such Subsidiary;

(vi) Indebtedness otherwise permitted to be incurred pursuant to Section 1 (*Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock*) and Section 3 (*Liens*), that limits the right of the debtor to dispose of or incur Liens on the assets securing such Indebtedness;

(vii) restrictions on Cash Equivalents or other deposits or net worth imposed by suppliers, customers or landlords under contracts entered into in the ordinary course of business or consistent with past practice or arising in connection with any Permitted Liens;

- (viii) other Indebtedness, Disqualified Stock or Preferred Stock of Restricted Subsidiaries that are not a Borrower or a Guarantor permitted to be incurred subsequent to the Closing Date pursuant to the provisions of Section 1 (*Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock*) above;
- (ix) customary provisions in joint venture agreements and other similar agreements or arrangements relating to such joint venture;
- (x) provisions contained in leases, sub-leases, licenses, sub-licenses or similar agreements, including with respect to intellectual property and other agreements, in each case, entered into in the ordinary course of business or consistent with industry practices or that in the judgment of the Parent would not materially impair the Borrowers' ability to make payments on the Utilisations made to them under this Agreement when due;
- (xi) restrictions or conditions contained in any trading, netting, operating, construction, service, supply, purchase, sale or other agreement to which the Parent or any of its Restricted Subsidiaries is a party entered into in the ordinary course of business or consistent with past practice, *provided that* such agreement prohibits the encumbrance of solely the property or assets of the Parent or such Restricted Subsidiary that are the subject to such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Parent or such Restricted Subsidiary or the assets or property of another Restricted Subsidiary;
- (xii) customary provisions restricting subletting or assignment of any lease governing a leasehold interest of any Restricted Subsidiary or the assignment of any license or sub-license agreement;
- (xiii) provisions restricting assignment of any agreement entered into in the ordinary course of business or consistent with past practice;
- (xiv) restrictions arising in connection with cash or other deposits permitted under Section 3 (*Liens*);
- (xv) any agreement or instrument relating to any Indebtedness, Disqualified or Preferred Stock permitted to be incurred, assumed or issued subsequent to the Closing Date pursuant to, or that is not prohibited by, Section 1 (*Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock*) above if either:
 - (A) the encumbrances and restrictions are not materially more disadvantageous, taken as a whole, to the Lenders than is customary in comparable financings for similarly situated issuers (as determined in good faith by the Parent);
 - (B) the encumbrances and restrictions are not materially more restrictive, taken as whole, with respect to such Restricted Subsidiaries, than the restrictions or encumbrances (x) contained in any Debt Document as of the Closing Date or (y) otherwise in effect on the Closing Date; or

(C) either (x) the Parent determines that such encumbrance or restriction will not materially impair the Borrowers' ability to make principal and interest payments on the Utilisations made to them under this Agreement as and when they come due or (y) such encumbrances and restrictions apply only during the continuance of a default in respect of a payment or financial maintenance covenant relating to such Indebtedness;

(xvi) restrictions created in connection with any Qualified Securitization Facility; and

(xvii) any encumbrances or restrictions of the type referred to in paragraphs (a)(i), (ii) and (iii) of this Section 4, imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in paragraphs (b)(i) through (xvi) of this Section 4, *provided that* such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings are, in the good faith judgment of the Parent, not materially more restrictive with respect to such encumbrance and other restrictions taken as a whole than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing.

(c) For purposes of determining compliance with this Section 4, (x) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common equity shall not be deemed a restriction on the ability to make distributions on Capital Stock and (y) the subordination of (including the application of any standstill requirements to) loans and advances made to the Parent or a Restricted Subsidiary to other Indebtedness incurred by the Parent or such Restricted Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

5. Asset Sales

(a) The Parent shall not, and shall not permit any of its Restricted Subsidiaries to, consummate an Asset Sale, unless:

(i) the Parent or such Restricted Subsidiary, as the case may be, receives consideration (including, but not limited to, by way of relief from, or by any other Person assuming responsibility for, any liabilities, contingent or otherwise, in connection with, such Asset Sale) at the time of such Asset Sale at least equal to the fair market value (as determined in good faith by the Parent at the time of contractually agreeing to such Asset Sale) of the assets sold or otherwise disposed of; and

(ii) except in the case of a Permitted Asset Swap, with respect to any Asset Sale in excess of the greater of (x) \$65.0 million and (y) 15.0% of LTM EBITDA, at least 75% of the consideration for such Asset Sale, together with all other Asset Sales since the Closing Date (on a cumulative basis), received by the Parent or such Restricted Subsidiary, as the case may be, is in the form of Cash Equivalents; *provided that* the amount of:

(A) the greater of the principal amount and the carrying value of any liabilities (as reflected on the Parent's or such Restricted Subsidiary's most recent consolidated balance sheet or in the footnotes thereto or, if incurred or increased subsequent to the date of such balance sheet, such liabilities that

would have been reflected on the Parent's or such Restricted Subsidiary's consolidated balance sheet or in the footnotes thereto if such incurrence or increase had taken place on or prior to the date of such balance sheet, as determined by the Parent) of the Parent or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Facilities (other than intercompany liabilities owing to a Restricted Subsidiary being disposed of), that are (i) assumed by the transferee of any such assets (or a third party in connection with such transfer) pursuant to a written agreement which releases or indemnifies the Parent or such Restricted Subsidiary from such liabilities or (ii) otherwise cancelled or terminated in connection with the transaction;

(B) any securities, notes or other obligations or assets received by the Parent or such Restricted Subsidiary from such transferee that are converted or reasonably expected by the Parent acting in good faith to be converted by the Parent or such Restricted Subsidiary into Cash Equivalents (to the extent of the Cash Equivalents received or expected to be received) or by their terms are required to be satisfied for Cash Equivalents within 180 days following the closing of such Asset Sale; and

(C) any Designated Non-cash Consideration received by the Parent or such Restricted Subsidiary in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this sub-paragraph (C) that is at that time outstanding, not to exceed the greater of (x) \$110.0 million and (y) 25.0% of LTM EBITDA (net of any non-cash consideration converted into Cash Equivalents) at the time of the receipt of such Designated Non-cash Consideration (or, at the Parent's option, at the time of contractually agreeing to such Asset Sale), with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value, shall be deemed to be Cash Equivalents for purposes of this provision and for no other purpose.

(b) Within 18 months after the later of (x) the date of any Asset Sale of Collateral pursuant to the foregoing paragraph and (y) the receipt of any Net Proceeds of such Asset Sale of Collateral, the Parent or such Restricted Subsidiary, at its option, may apply an amount not to exceed the Applicable Asset Sale Percentage of the Net Proceeds from such Asset Sale of Collateral (the "**Applicable Proceeds**");

(i) to reduce or offer to reduce Indebtedness (through a redemption, prepayment, repayment or purchase, as applicable) as follows:

(A) Obligations under this Agreement;

(B) Obligations under any Pari Passu Indebtedness (other than the Obligations under this Agreement) and, in the case of revolving obligations (other than Obligations in respect of any asset-based credit facility or any revolving facility used for working capital purposes), to correspondingly reduce commitments with respect thereto; *provided that* if the Parent or any Restricted Subsidiary shall so reduce any Pari Passu Indebtedness (other

than the Obligations under this Agreement), the Parent or such Restricted Subsidiary will either (a) reduce the Term Loans on a *pro rata* basis with such other Pari Passu Indebtedness, by at its option, (x) prepaying the Term Loans pursuant to Clause 11.4 (*Voluntary prepayment of Facility B*) or Clause 11.6 (*Voluntary prepayment of Incremental Facility Term Loans*) (as applicable) or (y) through a Debt Purchase Transaction entered into in accordance with Clause 29.14 (*Debt Purchase Transactions*) or (b) make an offer (in accordance with the procedures set forth below for an Asset Sale Offer) to each Lender under a Term Facility to prepay outstanding Term Loans (and only to the extent any Term Loans are outstanding) held by any such Lender on a ratable basis with such other Pari Passu Indebtedness for no less than 100% of the principal amount thereof, plus accrued and unpaid interest, if any, thereon up to principal amount of Term Loans to be prepaid;

- (C) Obligations of a Restricted Subsidiary that is not an Obligor, other than Indebtedness owed to the Parent or any Restricted Subsidiary; or
- (D) to the extent such Applicable Proceeds are from an Asset Sale of property or assets of a Restricted Subsidiary that is not an Obligor or of property or assets not constituting Collateral, Obligations of an Obligor other than Subordinated Indebtedness and other than Indebtedness owed to the Parent or any Restricted Subsidiary and, in the case of revolving obligations (other than Obligations in respect of any asset-based credit facility or any revolving credit facility used for working capital purposes), to correspondingly reduce commitments with respect thereto;

provided that to the extent the Parent or any Restricted Subsidiary makes an offer to redeem, prepay, repay or purchase any amount of Obligations pursuant to any of the foregoing paragraphs (A) to (E) at a price of no less than 100% of the principal amount thereof, to the extent the relevant creditors do not accept such offering, the Parent and the Restricted Subsidiaries will be deemed to have applied an amount of the Applicable Proceeds equal to such amount not so accepted in such offer, and such amount shall not increase the amount of Excess Proceeds (and such amount shall be deemed to be Declined Proceeds); or

- (ii) to make (A) an Investment in any one or more businesses, *provided that* such Investment in any business is in the form of the acquisition of Capital Stock and results in the Parent or any of its Restricted Subsidiaries, as the case may be, owning an amount of the Capital Stock of such business such that it constitutes or continues to constitute a Restricted Subsidiary, (B) capital expenditures or (C) acquisitions of other properties or assets that, in each of (A), (B) and (C), are used or useful in a Similar Business or replace the businesses, properties and/or assets that are the subject of such Asset Sale; *provided that* the Parent may elect to deem Investments, capital expenditures or acquisitions within the scope of the foregoing paragraphs (A), (B) or (C), as applicable, that occur prior to the receipt of the Applicable Proceeds to have been made in accordance with this paragraph (ii) so long as such deemed Investments, capital expenditures or acquisitions shall have been made no earlier than the earliest of (x) the notice of such Asset Sale to the Agent, (y) the execution of a definitive agreement relating to such Asset Sale or (z) the consummation of such Asset Sale; or

(iii) any combination of the foregoing;

provided that a binding commitment or letter of intent entered into not later than the end of such 18-month period shall be treated as a permitted application of the Applicable Proceeds from the date of such commitment or letter of intent so long as the Parent or such Restricted Subsidiary enters into such commitment or letter of intent with the good faith expectation that such Applicable Proceeds shall be applied to satisfy such commitment or letter of intent within six months of the end of such 18-month period (an “**Acceptable Commitment**”) or, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Applicable Proceeds are applied in connection therewith, the Parent or such Restricted Subsidiary enters into another Acceptable Commitment (a “**Second Commitment**”) within six months of such cancellation or termination; *provided further*, that if any Second Commitment is later cancelled or terminated for any reason before such Applicable Proceeds are applied, then such Applicable Proceeds shall constitute Excess Proceeds.

(c) Notwithstanding any other provisions of this Section 5, (i) to the extent that the application of any or all of the Applicable Proceeds of any Asset Sale by the Parent or a Subsidiary is (x) prohibited or delayed by or would violate or conflict with applicable local law, (y) restricted by applicable organizational documents or any agreement or (z) subject to other organizational or administrative impediments from being repatriated under applicable local law (including for the avoidance of doubt restrictions, prohibitions or impediments relating to financial assistance, corporate benefit, thin capitalization, capital maintenance and similar legal principles, restrictions on upstreaming and/or cross-streaming of Cash Equivalents intra-group and relating to the fiduciary and/or statutory duties of the directors (or equivalent Persons) of the Parent and/or any of its Subsidiaries) or would conflict with the fiduciary and/or statutory duties of such Subsidiary’s directors (or equivalent Persons), or (B) would result in, or could reasonably be expected to result in, a risk of personal or criminal liability for any officer, director, employee, manager, member of management or consultant of such Subsidiary, an amount equal to the portion of such Applicable Proceeds so affected shall not be required to be applied in compliance with this Section 5, and such amounts may be retained by the Parent or the applicable Subsidiary; *provided that* if at any time within one year following the date on which the respective payment would otherwise have been required, such repatriation of any of such affected Applicable Proceeds is permitted under the applicable local law, the applicable organizational document or agreement or the applicable other impediment, an amount equal to such amount of Applicable Proceeds so permitted to be repatriated shall be promptly applied (net of any taxes, costs or expenses that would be payable or reserved against if such amounts were actually repatriated whether or not they are repatriated) in compliance with this Section 5 and (ii) to the extent that the Parent has determined in good faith that repatriation of any or all of the Applicable Proceeds of any Asset Sale could have a material adverse tax or cost consequence with respect to such Applicable Proceeds (which, for the avoidance of doubt, includes, but is not limited to, any prepayment whereby doing so the Parent, any Restricted Subsidiary or any of their respective Affiliates and/or their equityholders would incur a tax liability, including as a result of a tax dividend, a deemed dividend pursuant to Code Section 956 or a withholding tax), the Applicable Proceeds so affected may be retained by the Parent or the applicable Subsidiary and an amount equal to such Applicable Proceeds shall not be required to be applied in compliance with this Section 5. The non-application of any prepayment amounts as a consequence of the foregoing provisions shall not, for the avoidance of doubt, constitute a Default or an Event of Default. For the avoidance of doubt,

nothing in this Agreement shall be construed to require the Parent or any Subsidiary to repatriate cash.

- (d) Any Applicable Proceeds (other than any amounts excluded from this covenant as set forth in paragraph (c) of this Section 5) that are not invested or applied as provided and within the time period set forth in paragraph (b) of this Section 5 will be deemed to constitute **“Excess Proceeds”**; *provided that* any amount of Applicable Proceeds offered to the Lenders pursuant to paragraph (b)(i)(B) of this Section 5 shall not be deemed to be Excess Proceeds without regard to whether such offer is accepted by any Lenders and any amount of Applicable Proceeds offered to Lenders pursuant to paragraph (b)(i)(B) of this Section 5 that are not accepted shall be deemed to be Declined Proceeds. When the aggregate amount of Excess Proceeds exceeds the greater of (x) \$130.0 million and (y) 30.0% of LTM EBITDA (the **“Excess Proceeds Threshold”**), the Parent shall make an offer (an **“Asset Sale Offer”**) to each Lender under each Term Facility; and if required or permitted by the terms of any Pari Passu Indebtedness, to the holders of such Pari Passu Indebtedness, to prepay outstanding Term Facilities (and only to the extent any Term Facilities are outstanding) held by any such Lender at par, and to purchase the maximum aggregate principal amount (or accreted value, as applicable) of any such Pari Passu Indebtedness that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to the offer price required by the terms thereof, in accordance with the procedures set forth in the agreement(s) governing such Pari Passu Indebtedness.
- (e) The Parent shall commence an Asset Sale Offer with respect to Excess Proceeds within 20 Business Days after the date that Excess Proceeds exceed the Excess Proceeds Threshold by delivering to the Agent the notice required pursuant to the terms of this Agreement. The Parent may satisfy the foregoing obligations with respect to any Applicable Proceeds by making an Asset Sale Offer with respect to such Applicable Proceeds prior to the time period that may be required by this Agreement with respect to all or a part of the available Applicable Proceeds (the **“Advance Portion”**) in advance of being required to do so by this Agreement (an **“Advance Offer”**).
- (f) To the extent that the aggregate amount (or accreted value, if applicable) of outstanding Term Loans prepaid and such other Pari Passu Indebtedness, as the case may be, tendered pursuant to an Asset Sale Offer is less than the amount offered in the Asset Sale Offer (or in the case of an Advance Offer, the Advance Portion) (the **“Declined Proceeds”**), the Parent may use any remaining Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) for any purposes not otherwise prohibited under this Agreement.
- (g) If the aggregate principal amount (or accreted value, if applicable) of Term Loans elected to be repaid or other Pari Passu Indebtedness, as the case may be, surrendered by such holders thereof exceeds the amount offered in the Asset Sale Offer (or in the case of an Advance Offer, the Advance Portion), the relevant Borrower or the Parent shall repay the Term Loans and such Pari Passu Indebtedness, as the case may be, on a pro rata basis based on the aggregate principal amount (or accreted value, if applicable) of the Term Loans offered to be repaid or such Pari Passu Indebtedness, as the case may be, tendered with adjustments as necessary so that no Term Loans to be repaid or Pari Passu Indebtedness, as the case may be, will be repurchased in part in an unauthorized denomination. Upon completion of any such Asset Sale Offer (or Advance Offer), the amount of Excess Proceeds (or in the case of an Advance Offer, the Advance Portion) that resulted in the requirement to make an Asset Sale Offer shall be reset to zero (regardless of whether there are any remaining Excess Proceeds upon such completion). Additionally, the Parent may,

at its option, make an Asset Sale Offer using Applicable Proceeds at any time after the consummation of such Asset Sale. Upon consummation or expiration of any Asset Sale Offer (or Advance Offer), any remaining Applicable Proceeds shall not be deemed Excess Proceeds and the Parent may use such Applicable Proceeds for any purpose not otherwise prohibited under this Agreement.

- (h) Pending the final application of the amount of any Applicable Proceeds pursuant to this Section 5, the Parent and its Restricted Subsidiaries may temporarily reduce Indebtedness, or otherwise use such Applicable Proceeds in any manner not prohibited by this Agreement.

8. Suspension of Covenants

- (a) If on any date following the Closing Date, (i) the outstanding Term Loans have achieved an Investment Grade Rating from either of the Rating Agencies and (ii) no Default has occurred and is continuing under this Agreement (the occurrence of the events described in the foregoing sub-paragraphs (i) and (ii) being collectively referred to as a "**Covenant Suspension Event**" and the date thereof being referred to as the "**Suspension Date**"), then, beginning on that day and continuing until the Reversion Date, the covenants set out in the following Sections of this Schedule 17 shall not apply (together, the "**Suspended Covenants**"):

- (c) In the event that the Parent and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Agreement for any period of time as a result of the foregoing, and on any subsequent date (the “**Reversion Date**”) the Term Loans no longer have an Investment Grade Rating or the Rating Agency withdraws its Investment Grade Rating or downgrade the rating assigned to the Term Loans below an Investment Grade Rating (in each case, to the extent given an Investment Grade Rating by such Rating Agency), then the Parent and its Restricted Subsidiaries shall thereafter again be subject to the Suspended Covenants under this Agreement with respect to future events. The period of time between the Suspension Date and the Reversion Date is referred to in this Agreement as the “**Suspension Period**.” The Guarantees of the Guarantors shall be suspended during the Suspension Period. Additionally, upon the occurrence of a Covenant Suspension Event, the amount of Excess Proceeds from any Asset Sales shall be reset to zero.
- (d) During the Suspension Period, the Parent and its Restricted Subsidiaries shall be entitled to incur Liens to the extent provided for under Section 3 (*Liens*) above (including, without limitation, Permitted Liens) and any Permitted Liens which may refer to one or more Suspended Covenants shall be interpreted as though such applicable Suspended Covenant(s) continued to be applicable during the Suspension Period (but solely for purposes of Section 3 (*Liens*) above and the definition of “Permitted Liens” and for no other covenant).
- (e) Notwithstanding the foregoing, in the event of any such reinstatement of the Suspended Covenants, no action taken or omitted to be taken by the Parent or any of its Restricted Subsidiaries prior to such reinstatement shall give rise to a Default or Event of Default under this Agreement, and no Default or Event of Default shall be deemed to exist or have occurred as a result of any failure by the Parent or any Restricted Subsidiary to comply with any of the Suspended Covenants during the Suspension Period; *provided that* (i) with respect to Restricted Payments made after such reinstatement, the amount available to be made as Restricted Payments shall be calculated as though Section 2 (*Limitation on Restricted Payments*) above had been in effect prior to, but not during, the Suspension Period (including with respect to a Limited Condition Transaction entered into during the Suspension Period); (ii) all Indebtedness incurred or committed, or Disqualified Stock or Preferred Stock issued, during the Suspension Period (or deemed incurred or issued in connection with a Limited Condition Transaction entered into during the Suspension Period) shall be classified to have been incurred or issued pursuant to paragraph (ii)(B) of paragraph (b) of Section 1 (*Limitation on Incurrence of Indebtedness and Issuance of Disqualified Stock and Preferred Stock*) above; (iii) any Affiliate Transaction entered into after such reinstatement pursuant to an agreement entered into during any Suspension Period shall be deemed to be permitted pursuant to paragraph (b)(vi) of Section 6 (*Transactions with Affiliates*) above; (iv) any encumbrance or restriction on the ability of any Restricted Subsidiary that is not a Borrower or a Guarantor to take any action described in paragraphs (a)(i) through (iii) of Section 4 (*Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries*) above that becomes effective during any Suspension Period shall be deemed to be permitted pursuant to paragraph (b)(i) of Section 4 (*Dividend and Other Payment Restrictions Affecting Restricted Subsidiaries*) above; (v) [reserved]; and (vi) all Investments made during the Suspension Period (or deemed made in connection with a Limited Condition Transaction entered into during the Suspension Period) shall be

classified to have been made under paragraph (e) of the definition of “Permitted Investments”.

- (f) Notwithstanding that the Suspended Covenants may be reinstated after the Reversion Date, (1) no Default, Event of Default or breach of any kind shall be deemed to exist under this Agreement with respect to the Suspended Covenants, and none of the Parent or any of its Subsidiaries shall bear any liability for any actions taken or events occurring during the Suspension Period, or any actions taken at any time pursuant to any contractual obligation arising during any Suspension Period, in each case as a result of a failure to comply with the Suspended Covenants during the Suspension Period (or, upon termination of the Suspension Period or after that time based solely on any action taken or event that occurred during the Suspension Period), and (2) following a Reversion Date, the Parent and each Restricted Subsidiary shall be permitted, without causing a Default or Event of Default, to honor, comply with or otherwise perform any contractual commitments or obligations arising during any Suspension Period and to consummate the transactions contemplated thereby.
- (g) The Agent shall have no duty to (i) ascertain whether a Covenant Suspension Event or Reversion Date has occurred or (ii) notify the Lenders of any of the foregoing.

9. Additional Intercreditor Agreements

- (a) At the written request of the Parent or an Original Senior Secured Notes Issuer, in connection with the incurrence of any Indebtedness by the Parent or any of its Restricted Subsidiaries that is permitted to share in the Collateral (and which the Parent elects shall share in the Collateral), the Agent and the Security Agent shall enter into with the Parent and the relevant Restricted Subsidiaries and the holders of such Indebtedness (or their duly authorized representatives) one or more intercreditor agreements or deeds (including a restatement, replacement, amendment or other modification of the Intercreditor Agreement) (an “**Additional Intercreditor Agreement**”), on substantially the same terms as the Intercreditor Agreement (or terms that are not materially less favourable to the Lenders) and substantially similar as applies to sharing of the proceeds of security and enforcement of security, priority and release of security; *provided that* such Additional Intercreditor Agreement will not impose any personal obligations on the Agent or Security Agent or adversely affect the personal rights, protections, duties, liabilities, indemnifications or immunities of the Agent or the Security Agent under this Agreement or the Intercreditor Agreement.
- (b) In connection with the foregoing, the Parent or an Original Senior Secured Notes Issuer shall furnish to the Agent and the Security Agent such documentation in relation thereto as they may reasonably require. - (c) In relation to the Intercreditor Agreement, the Agent shall consent on behalf of the Lenders to the payment, repayment, purchase, repurchase, defeasance, acquisition, retirement or redemption of any obligations subordinated to the Facilities thereby; *provided that* such transaction would comply with Section 2 (*Limitation on Restricted Payments*) above.
- (d) Subject to paragraphs (b)(iii) and (b)(iv) of Clause 40.2 (*Exceptions*), at the written direction of the Parent and without the consent of the Lenders, the Agent and the Security

- (e) Each Secured Party shall be deemed to have agreed to and accepted the terms and conditions of the Intercreditor Agreement or any Additional Intercreditor Agreement, (whether then entered into or entered into in the future pursuant to the provisions described herein) and to have authorized, directed and instructed the Agent and the Security Agent to enter into the Intercreditor Agreement and any such Additional Intercreditor Agreement (without any further instruction, consultation or consent from or with the other Secured Parties).

If since the beginning of such period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into the Parent or any of its Restricted Subsidiaries since the beginning of such period shall have made any Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation, operational change, Business Expansion, new or revised contract or other transaction that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio shall be calculated giving *pro forma* effect thereto for such period as if such Investment, acquisition, disposition, merger, amalgamation, consolidation, discontinued operation, operational change, Business Expansion, new or revised contract or other transaction had occurred at the beginning of the applicable consecutive 12 month reference period.

Interest on a Financing Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Parent to be the rate of interest implicit in such Financing Lease Obligation in accordance with GAAP. - (z) Notwithstanding anything to the contrary in this Agreement or any other Debt Document, no payments made by or amounts received or recovered from a CFC or FSHCO, or amounts received or recovered in respect of greater than 65 per cent. of the voting equity interests (and 100 per cent. of the non-voting equity interests) of a CFC or FSHCO, shall be applied to any obligations of a U.S. Person (whether under Clause 14 (*Application of proceeds*) or otherwise).

capacity that such member of the Group or Affiliate has assumed (or as a result of the treatment of specific Liabilities associated with that capacity).

For the purposes of the preceding sentence, upon any such person becoming a Senior Noteholder, Permitted Senior Financing Creditor, Permitted Second Lien Financing Creditor, Senior Parent Noteholder or Permitted Parent Financing Creditor, that person shall be deemed a Party to this Agreement, provided that such person is deemed to be a Party to this Agreement under the terms of the relevant Notes Indenture, Permitted Senior Financing Agreement, Permitted Second Lien Financing Agreement or Permitted Parent Financing Agreement. - (b) Notwithstanding paragraph (a) above, the Senior Parent Creditors agree that, until the First/Second Lien Discharge Date, they may not take any steps to appropriate the assets of a Senior Parent Debt Issuer subject to the Security Documents in connection with any Enforcement Action, other than as expressly permitted by this Agreement. For the avoidance of doubt, nothing in this Agreement shall impair the right of the Senior Parent Creditors to institute suit for the recovery of any payment due by a Senior Parent Debt Issuer in respect of the Senior Parent Liabilities (to the extent relating to Liabilities in respect of Senior Parent Notes and/or Permitted Parent Financing Debt where that Senior Parent Debt Issuer is the issuer or, as the case may be, the borrower).

In particular, but without limitation, each of the Secured Parties hereby authorise and direct each of their respective Agents and the Security Agent to (unless such Secured Party is required under applicable law to act in its own name, in which case it shall) execute any amendment to this Agreement and such other Debt Documents required by the Parent to reflect, enable and/or facilitate any such arrangements (including as regards the ranking of any such arrangements) to the extent such financing, refinancing, replacement and/or sharing is not prohibited by the Debt Financing Agreements to which the relevant Secured Party is a party. - (f) any Security, guarantee, indemnity or other assurance against loss giving effect to, or arising as a result of the effect of, any netting or set-off arrangement relating to the Ancillary Facilities for the purpose of netting debit and credit balances arising under the Ancillary Facilities; or
- (g) any Security, guarantee, indemnity or other assurance against loss permitted under Clause 3.3 (*Security and guarantees: Senior Secured Creditors*).

3.5 Restrictions on enforcement: Senior Lenders, Operating Facility Lenders, Senior Notes Creditors and Permitted Senior Financing Creditors

- (a) No Senior Lender, Operating Facility Lender, Senior Notes Creditor or Permitted Senior Financing Creditor may take any Enforcement Action under paragraph (c) of the definition thereof without the prior written consent of an Instructing Group.
- (b) If an Instructing Group provides consent to any Senior Lender, Operating Facility Lender, Senior Notes Creditor, Permitted Senior Financing Creditor or Hedge Counterparty to take any Enforcement Action, such consent shall apply equally to all Senior Lenders, Operating Facility Lenders, Senior Notes Creditors, Permitted Senior Financing Creditors and Hedge Counterparties to take the same Enforcement Action (in each case to the extent permitted by the terms of the relevant Debt Documents) and notice of any such consent shall be provided to all the Agents, the Security Agent and each Hedge Counterparty as soon as reasonably practicable.
- (c) Notwithstanding paragraph (a) above or anything to the contrary in this Agreement, after the occurrence of an Insolvency Event in relation to the Parent or a Debtor (the "**Insolvent Party**"), each Senior Lender, Operating Facility Lender, Senior Notes Creditor and/or Permitted Senior Financing Creditor may, to the extent it is permitted to do so by the terms of the relevant Debt Documents, take Enforcement Action under paragraph (e) of that definition against the Insolvent Party and/or claim in any winding-up, dissolution, administration, reorganisation or other similar insolvency event or process in relation to the Insolvent Party for Liabilities owing to it (provided that no Senior Secured Creditor or Operating Facility Lender may give any directions to the Security Agent pursuant to or in reliance on this paragraph (c) in relation to any enforcement of any Transaction Security).

3.6 Restriction on enforcement: Ancillary Lenders and Issuing Banks

Subject to Clause 3.7 (*Permitted enforcement: Ancillary Lenders and Issuing Banks*):

- (a) in the case of any Ancillary Lender or Issuing Bank under the Senior Facilities Finance Documents, so long as any of the Senior Lender Liabilities (other than any Liabilities owed to the Ancillary Lenders or Issuing Banks) are or may be outstanding, none of the Ancillary Lenders nor the Issuing Banks shall (in such capacity) be entitled to take any Enforcement Action in respect of any of the Liabilities owed to it;
- (b) in the case of any Ancillary Lender or Issuing Bank under the Permitted Senior Financing Documents, so long as any of the Permitted Senior Financing Liabilities in relation to those Permitted Senior Financing Documents (other than any Liabilities owed to the Ancillary Lenders or Issuing Banks) are or may be outstanding, none of the Ancillary Lenders nor the Issuing Banks shall (in such capacity) be entitled to take any Enforcement Action in respect of any of the Liabilities owed to it; and
- (c) in the case of any Ancillary Lender under an Operating Facility Document, so long as any of the Senior Lender Liabilities or the Permitted Senior Financing Liabilities are or may be outstanding, none of the Ancillary Lenders shall (in such capacity) be entitled to take any Enforcement Action in respect of any of the Liabilities owed to it.

3.7 Permitted enforcement: Ancillary Lenders and Issuing Banks

(a) The Ancillary Lenders and Issuing Banks may take Enforcement Action if:

(i) at the same time as, or prior to, that action, Enforcement Action has been taken in respect of:

- (A) in the case of any Ancillary Lender or Issuing Bank under the Senior Facilities Finance Documents, the Senior Lender Liabilities (excluding the Liabilities owing to Ancillary Lenders and the Issuing Banks), in which case the Ancillary Lenders and the Issuing Banks may take the same Enforcement Action as has been taken in respect of those Senior Lender Liabilities;
- (B) in the case of any Ancillary Lender or Issuing Bank under the Permitted Senior Financing Documents, the Permitted Senior Financing Liabilities in relation to those Permitted Senior Financing Documents (excluding the Liabilities owing to Ancillary Lenders and the Issuing Banks), in which case the Ancillary Lenders and the Issuing Banks may take the same Enforcement Action as has been taken in respect of those Permitted Senior Financing Liabilities; or
- (C) in the case of any Ancillary Lender under an Operating Facility Document, the Senior Lender Liabilities or the Permitted Senior Financing Liabilities, in which case the Ancillary Lenders may take the same Enforcement Action as has been taken in respect of those Senior Lender Liabilities or, as the case may be, those Permitted Senior Financing Liabilities;

(ii) that action is contemplated by, and can be taken by the Ancillary Lenders or Issuing Bank, as the case may be, under, the Senior Facilities Agreement, any relevant Permitted Senior Financing

Agreement, any relevant Operating Facility Document or Clause 3.4 (*Security: Ancillary Lenders and Issuing Banks*) (as applicable);

- (iii) that Enforcement Action is taken in respect of SFA Cash Cover which has been provided in accordance with the Senior Facilities Agreement or, as the case may be, the relevant Permitted Senior Financing Agreement;

- (v) an Insolvency Event has occurred in relation to any member of the Group or Third Party Security Provider, in which case after the occurrence of that Insolvency Event, each Ancillary Lender and each Issuing Bank shall be entitled (if it has not already done so) to exercise any right it may otherwise have in respect of that member of the Group or Third Party Security Provider to:
 - (A) accelerate any of that member of the Group's or Third Party Security Provider's Senior Lender Liabilities, Permitted Senior Financing Liabilities or Operating Facility Liabilities (as the case may be) or declare them prematurely due and payable on demand;

 - (D) claim and prove in the liquidation of that member of the Group or Third Party Security Provider for the Senior Lender Liabilities or, as the case may be, Permitted Senior Financing Liabilities owing to it.
- (b) Clause 3.6 (*Restriction on enforcement: Ancillary Lenders and Issuing Banks*) shall not restrict any right of an Ancillary Lender to net or set-off in relation to a Multi-account Overdraft Facility, in accordance with the terms of the Senior Facilities Agreement, the relevant Permitted Senior Financing Agreement or the relevant Operating Facility Document (as the case may be), to the extent that the netting or set-off represents a reduction from a Permitted Gross Amount of that Multi-account Overdraft Facility to or towards its Designated Net Amount.

3.8 Option to purchase: Senior Notes Creditors and Permitted Senior Financing Creditors

- (a) Senior Notes Creditors holding at least a simple majority of the Senior Notes Liabilities or Permitted Senior Financing Creditors holding at least a simple majority of the Permitted Senior Financing Liabilities (the "**Senior Secured Acquiring Creditors**") may, after an Acceleration Event which is continuing, by giving

not less than 10 days' notice to the Security Agent (with the first notice to prevail in the event that more than one set of Creditors serves such a notice), require the transfer to them (or to a nominee or nominees), in accordance with Clause 19.3 (*Change of Senior Lender, Permitted Senior Financing Creditor, Permitted Second Lien Financing Creditor or Permitted Parent Financing Creditor*), of all, but not part, of the rights, benefits and obligations in respect of the Senior Lender Liabilities and the Operating Facility Liabilities if:

- (i) that transfer is lawful and, subject to paragraph (ii) below, otherwise permitted by the terms of the Senior Facilities Agreement and the Operating Facility Documents;
- (ii) any conditions relating to such a transfer contained in the Senior Facilities Agreement and the Operating Facility Documents are complied with, other than:
 - (A) any requirement to obtain the consent of, or consult with, a member of the Group or Third Party Security Provider in relation to such transfer, which consent or consultation shall not be required; and

 - (A) any amounts provided as cash cover by the Senior Secured Acquiring Creditors for any Letter of Credit (as envisaged in paragraph (a)(ii)(B) above);
 - (B) all of the Senior Lender Liabilities at that time (whether or not due), including all amounts that would have been payable under the Senior Facilities Agreement if the Senior Facilities were being prepaid by the relevant Debtors on the date of that payment; and
 - (C) all costs and expenses (including legal fees) incurred by the Senior Facility Agent and/or the Senior Lenders and/or the Security Agent as a consequence of giving effect to that transfer;
- (iv) the Operating Facility Lenders are paid an amount equal to the aggregate of:
 - (A) all of the Operating Facility Liabilities at that time (whether or not due), including all amounts that would have been payable under the Operating Facility Documents if the Operating Facilities were being prepaid by the relevant Debtors on the date of that payment; and
 - (B) all costs and expenses (including legal fees) incurred by the Operating Facility Lenders and/or the Security Agent as a consequence of giving effect to that transfer;
- (v) as a result of that transfer:

- (vii) the transfer is made without recourse to, or representation or warranty from, the Senior Lenders or the Operating Facility Lenders, except that each Senior Lender and Operating Facility Lender shall be deemed to have represented and warranted on the date of that transfer that it has the corporate power to effect that transfer and it has taken all necessary action to authorise the making by it of that transfer; and
- (viii) the Senior Parent Creditors have not exercised their rights under Clause 6.13 (*Option to purchase: Senior Parent Creditors*) or, having exercised such rights, have not failed to complete the acquisition of the relevant Senior Secured Liabilities in accordance with Clause 6.13 (*Option to purchase: Senior Parent Creditors*).
- (b) Subject to paragraph (b) of Clause 3.9 (*Hedge Transfer: Senior Notes Creditors and Permitted Senior Financing Creditors*) the Senior Secured Acquiring Creditors may only require a Senior Liabilities Transfer if, at the same time, they require a Hedge Transfer in accordance with Clause 3.9 (*Hedge Transfer: Senior Notes Creditors and Permitted Senior Financing Creditors*) and if, for any reason, a Hedge Transfer cannot be made in accordance with Clause 3.9 (*Hedge Transfer: Senior Notes Creditors and Permitted Senior Financing Creditors*), no Senior Liabilities Transfer may be required to be made.
- (c) At the request of a Senior Agent (on behalf of the Senior Secured Acquiring Creditors):
- (i) the Senior Facility Agent shall notify that Senior Agent of:
- (A) the sum of the amounts described in paragraphs (a)(iii)(B) and (C) above; and

3.9 Hedge Transfer: Senior Notes Creditors and Permitted Senior Financing Creditors

- (a) Senior Notes Creditors holding at least a simple majority of the Senior Notes Liabilities or Permitted Senior Financing Creditors holding at least a simple majority of the Permitted Senior Financing Liabilities (the "**Acquiring Hedge Creditors**") may, after an Acceleration Event which is continuing, by giving not less

than 10 days' notice to the Security Agent (with the first notice to prevail in the event that more than one set of Creditors serves such a notice), require a Hedge Transfer:

(i) if either:

- (A) the Acquiring Hedge Creditors require, at the same time, a Senior Liabilities Transfer under Clause 3.8 (*Option to purchase: Senior Notes Creditors and Permitted Senior Financing Creditors*); or
- (B) the Acquiring Hedge Creditors require that Hedge Transfer at any time on or after the Senior Lender Discharge Date; and

(ii) if:

- (A) that transfer is lawful and otherwise permitted by the terms of the Hedging Agreements, in which case no Debtor, or Third Party Security Provider or other member of the Group party to the relevant Hedging Agreements shall be entitled to withhold its consent to that transfer;
- (B) any conditions (other than the consent of, or any consultation with, any Debtor, Third Party Security Provider or other member of the Group) relating to that transfer contained in the Hedging Agreements are complied with;
- (C) each Hedge Counterparty is paid (in the case of a positive number) or pays (in the case of a negative number) an amount equal to the aggregate of (1) the Hedging Purchase Amount in respect of the hedging transactions under the relevant Hedging Agreement at that time and (2) all costs and expenses (including legal fees) incurred by such Hedge Counterparty as a consequence of giving effect to that transfer;
- (D) as a result of that transfer, the Hedge Counterparties have no further actual or contingent liability to any Debtor under the Hedging Agreements;
- (E) an indemnity is provided from each of the Acquiring Hedge Creditors (other than any Senior Agent) which is receiving (or for which a nominee is receiving) that transfer (or from another third party acceptable to the relevant Hedge Counterparty) in a form reasonably satisfactory to the relevant Hedge Counterparty in respect of all losses which may be sustained or incurred by that Hedge Counterparty in consequence of any sum received or recovered by that Hedge Counterparty being required (or it being alleged that it is required) to be paid back by or clawed back from the Hedge Counterparty for any reason;
- (F) that transfer is made without recourse to, or representation or warranty from, the relevant Hedge Counterparty, except that the relevant Hedge Counterparty shall be deemed to have represented and warranted on the date of that transfer that it has the corporate power to effect that transfer and it has taken all necessary action to authorise the making by it of that transfer; and
- (G) the Senior Parent Creditors have not exercised their rights under Clause 6.14 (*Hedge Transfer: Senior Parent Creditors*) or, having exercised such rights, have not failed to

complete the Hedge Transfer concerned in accordance with Clause 6.14 (*Hedge Transfer: Senior Parent Creditors*).

- (b) The Acquiring Hedge Creditors and any Hedge Counterparty may agree (in respect of the Hedging Agreements (or one or more of them) to which that Hedge Counterparty is a party) that a Hedge Transfer required by the Acquiring Hedge Creditors pursuant to paragraph (a) above shall not apply to that Hedging Agreement(s) or to the Hedging Liabilities and Hedge Counterparty Obligations under that Hedging Agreement(s).
- (c) If the Acquiring Hedge Creditors are entitled to require a Hedge Transfer under this Clause 3.9, the Hedge Counterparties shall at the request of a Senior Agent (on behalf of the Acquiring Hedge Creditors) provide details of the amounts referred to in paragraph (a)(ii)(C) above.

4. HEDGE COUNTERPARTIES AND HEDGING LIABILITIES

4.1 Identity of Hedge Counterparties

- (a) Subject to paragraph (b) below, no person providing hedging arrangements to any Debtor shall be entitled to share in any of the Transaction Security or in the benefit of any guarantee or indemnity under any of the Secured Debt Documents in respect of any of the liabilities arising in relation to those hedging arrangements nor shall those liabilities be treated as Hedging Liabilities unless that person is or becomes a party to this Agreement as a Hedge Counterparty.
- (b) Paragraph (a) above shall not apply to a Hedging Ancillary Lender.

4.2 Restriction on Payment: Hedging Liabilities

Prior to the Senior Debt Discharge Date, the Debtors and the Third Party Security Providers shall not, and the Parent shall procure that no other member of the Group will, make any Payment of the Hedging Liabilities at any time unless:

- (a) that Payment is permitted under Clause 4.3 (*Permitted Payments: Hedging Liabilities*); or
- (b) the taking or receipt of that Payment is permitted under paragraph (c) of Clause 4.9 (*Permitted enforcement: Hedge Counterparties*).

4.3 Permitted Payments: Hedging Liabilities

- (a) Any member of the Group may at any time make any Payment of the Hedging Liabilities:
 - (i) if the Payment is a scheduled Payment arising under a Hedging Agreement (or another ordinary course payment under a Hedging Agreement, including any payment in relation to fees, costs and expenses) or if the Payment is an Adjustment Payment (as such term is defined in the ISDA Benchmarks Supplement), or (if the Hedging Agreement is not based on an ISDA Master Agreement) any equivalent adjustment payment made pursuant to terms similar in purpose and effect to the ISDA Benchmarks Supplement;
 - (ii) to the extent that the relevant Debtor's obligation to make the Payment arises as a result of the operation of:

- (A) any of sections 2(d) (Deduction or Withholding for Tax), 2(e) (Default Interest; Other Amounts), 8(a) (Payment in the Contractual Currency), 8(b) (Judgments) and 11 (Expenses) of the 1992 ISDA Master Agreement of that Hedging Agreement (if the Hedging Agreement is based on a 1992 ISDA Master Agreement);
- (B) any of sections 2(d) (Deduction or Withholding for Tax), 8(a) (Payment in the Contractual Currency), 8(b) (Judgments), 9(h)(i) (Prior to Early Termination) and 11 (Expenses) of the 2002 ISDA Master Agreement of that Hedging Agreement (if the Hedging Agreement is based on a 2002 ISDA Master Agreement); or
- (C) any provision of a Hedging Agreement which is similar in meaning and effect to any provision listed in paragraph (A) or (B) above (if the Hedging Agreement is not based on an ISDA Master Agreement);

(iii) to the extent that the relevant Debtor's obligation to make the Payment arises from a Non-Credit Related Close-Out;

(iv) to the extent that:

(A) the relevant Debtor's obligation to make the Payment arises from a Credit Related Close-Out in relation a Hedging Agreement; and

(B) no Senior Event of Default is continuing at the time of that Payment;

(v) subject to Clause 4.13 (*On or after Senior Lender Discharge Date/Senior Debt Discharge Date*), if the Majority Senior Creditors and the relevant member of the Group give prior consent to the Payment being made;

(vi) if the Payment is a Payment pursuant to Clause 14.1 (*Order of application*) or Clause 14.2 (*Liabilities of the Senior Parent Debt Issuer*); or

(vii) if the Payment arises directly or indirectly as a result of any close-out, termination or other similar or equivalent action by a member of the Group (provided that the Group will remain in compliance with any minimum hedging requirements under the Senior Financing Agreements).

(b) Without prejudice to the terms and requirements of any Hedging Agreement, nothing in this Agreement obliges a Hedge Counterparty to make a payment to a Debtor under a Hedging Agreement to which they are both party if any scheduled Payment due from that Debtor to the Hedge Counterparty under that Hedging Agreement is due but unpaid. This provision shall not affect any Payment which is due from a Hedge Counterparty to a Debtor as a result of a Hedging Agreement to which they are both a party being terminated or closed out.

4.4 Payment obligations continue

No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Debt Document by the operation of Clauses 4.2 (*Restriction on Payment: Hedging Liabilities*) and 4.3 (*Permitted Payments: Hedging Liabilities*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.

4.5 No acquisition of Hedging Liabilities

Prior to the Senior Debt Discharge Date, the Debtors and the Third Party Security Providers shall not, and shall procure that no other member of the Group will:

- (a) enter into any Liabilities Acquisition in respect of any of the Hedging Liabilities with any person which is not a member of the Group; or
- (b) beneficially own all or any part of the share capital of a company that is party to a Liabilities Acquisition in respect of any of the Hedging Liabilities (unless that Liabilities Acquisition would not have been prohibited by this Clause 4.5 if made by a member of the Group),
in each case pursuant to which payment is made by a member of the Group to a person which is not a member of the Group in respect of Hedging Liabilities, unless:
 - (i) subject to Clause 4.13 (*On or after Senior Lender Discharge Date/Senior Debt Discharge Date*), the prior consent of the Majority Senior Lenders is obtained; or
 - (ii) the relevant Liabilities Acquisition relates to Hedging Liabilities (or rights, benefits and/or obligations in relation thereto) in respect of which a Payment could be made under Clause 4.3 (*Permitted Payments: Hedging Liabilities*) (including any Hedging Liabilities in respect of which a Payment could be made under paragraph (a)(vi) of that Clause following a close-out, termination or any other similar or equivalent action by a member of the Group).

4.6 Amendments and waivers: Hedging Agreements

- (a) Subject to paragraph (b) below, the Hedge Counterparties may not, at any time, amend or waive any term of the Hedging Agreements.
- (b) A Hedge Counterparty and any member of the Group may at any time amend or waive any term of a Hedging Agreement in accordance with the terms of that Hedging Agreement from time to time (and subject only to any consent required under that Hedging Agreement) if that amendment or waiver does not breach another term of this Agreement.
- (c) Notwithstanding any other provision of any Debt Document, a Hedge Counterparty and the relevant Debtor may amend the terms of a Hedging Agreement to agree a Continuation Amendment (as such term is defined in the ISDA Benchmarks Supplement) or (if the Hedging Agreement is not based on an ISDA Master Agreement) to agree any equivalent adjustment to the terms of the Hedging Agreement pursuant to terms similar in purpose and effect to the ISDA Benchmarks Supplement.

4.7 Security: Hedge Counterparties

The Hedge Counterparties may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss from any member of the Group or Third Party Security Provider in respect of the Hedging Liabilities other than:

- (a) the Common Transaction Security;
- (b) any guarantee, indemnity or other assurance against loss contained in:
 - (i) the Senior Facilities Agreement or any Permitted Senior Financing Agreement;

(ii) this Agreement;

(iii) any Common Assurance; or

(iv) the relevant Hedging Agreement (provided any such guarantee, indemnity or other assurance against loss is no greater in extent than any of those referred to in paragraphs (i) to (iii) above, ignoring for this purpose any limitations applicable to any guarantee, indemnity or other assurance referred to in paragraphs (i) to (iii) above);

(c) as otherwise contemplated by Clause 3.3 (*Security and guarantees: Senior Secured Creditors*); and

(d) the indemnities contained in the ISDA Master Agreements (in the case of a Hedging Agreement which is based on an ISDA Master Agreement) or any indemnities which are similar in meaning and effect to those indemnities (in the case of a Hedging Agreement which is not based on an ISDA Master Agreement).

4.8 Restriction on enforcement: Hedge Counterparties

Subject to Clause 4.9 (*Permitted enforcement: Hedge Counterparties*) and Clause 4.10 (*Required enforcement: Hedge Counterparties*) and without prejudice to each Hedge Counterparty's rights under Clause 12.2 (*Enforcement instructions*) and Clause 12.3 (*Manner of enforcement*), the Hedge Counterparties shall not take any Enforcement Action in respect of any of the Hedging Liabilities or any of the hedging transactions under any of the Hedging Agreements at any time.

4.9 Permitted enforcement: Hedge Counterparties

(a) To the extent it is able to do so under the relevant Hedging Agreement, a Hedge Counterparty may terminate or close-out in whole or in part any hedging transaction under that Hedging Agreement prior to its stated maturity:

(i) if, prior to a Senior Acceleration Event, the Parent has certified to that Hedge Counterparty that that termination or close out would not result in a breach of the terms of any Debt Document;

(ii) if a Senior Acceleration Event has occurred and is continuing;

(iii) if:

(A) in relation to a Hedging Agreement which is based on the 1992 ISDA Master Agreement:

(I) an Illegality or Tax Event or Tax Event Upon Merger (each as defined in the 1992 ISDA Master Agreement); or

(II) an event similar in meaning and effect to a "**Force Majeure Event**" (as defined in paragraph (B) below),

has occurred in respect of that Hedging Agreement;

(B) in relation to a Hedging Agreement which is based on the 2002 ISDA Master Agreement, an Illegality or Tax Event, Tax Event Upon Merger or a Force Majeure Event (each as

defined in the 2002 ISDA Master Agreement) has occurred in respect of that Hedging Agreement; or

(C) in relation to a Hedging Agreement which is not based on an ISDA Master Agreement, any event similar in meaning and effect to an event described in paragraph (A) or (B) above has occurred under and in respect of that Hedging Agreement;

(iv) if an Insolvency Event of Default has occurred and is continuing in relation to a Debtor which is party to that Hedging Agreement;

(v) subject to Clause 4.13 (*On or after Senior Lender Discharge Date/Senior Debt Discharge Date*), if the Majority Senior Creditors and the member of the Group party to the relevant Hedging Agreement give prior consent to that termination or close-out being made;

(vi) for the purpose of ensuring that the aggregate notional amount of all hedging entered into by the Group with one or more Hedge Counterparty in respect of any specific indebtedness or other exposure does not exceed the maximum aggregate amount of that indebtedness or other exposure from time to time (in each case to the extent agreed by the member of the Group party to that Hedging Agreement, it being noted that the Group may wish to enter into basis rate swaps and/or other arrangements which may result in the notional amount of hedging being increased as part of a general hedging strategy); or

(vii) in accordance with a close-out or termination right which arises pursuant to Section 1.5 (*No fault termination right*) of the 2006 ISDA Definitions Benchmarks Annex to the ISDA Benchmarks Supplement, to the extent incorporated by reference into the relevant Hedging Agreement.

(b) If a Debtor has defaulted on any Payment due under a Hedging Agreement (after allowing any applicable notice or grace periods) and the default has continued unwaived for more than five Business Days after notice of that default has been given to the Security Agent pursuant to paragraph (i) of Clause 22.3 (*Notification of prescribed events*), the relevant Hedge Counterparty:

(i) may, to the extent it is able to do so under the relevant Hedging Agreement, terminate or close-out in whole or in part any hedging transaction under that Hedging Agreement; and

(ii) until the Security Agent has given notice to that Hedge Counterparty that the Transaction Security is being enforced, or that any formal steps are being taken to enforce the Transaction Security, in each case in accordance with the terms of this Agreement and the relevant Security Documents, shall be entitled to exercise any right it might otherwise have to sue for, commence or join legal or arbitration proceedings against any Debtor to recover any Hedging Liabilities due under that Hedging Agreement.

(c) After the occurrence of an Insolvency Event in relation to any Group Company or Third Party Security Provider, to the extent permitted by the relevant Hedging Agreement, each Hedge Counterparty shall be entitled to exercise any right it may otherwise have in respect of that Group Company or Third Party Security Provider to:

- (i) prematurely close-out or terminate any Hedging Liabilities of that Group Company or Third Party Security Provider in accordance with the terms of the relevant Hedging Agreement;
- (ii) make a demand under any guarantee, indemnity or other assurance against loss given by that Group Company or Third Party Security Provider in respect of any relevant Hedging Liabilities;
- (iii) exercise any right of set-off or take or receive any Payment in respect of any relevant Hedging Liabilities of that Group Company or Third Party Security Provider; or
- (iv) claim and prove in the liquidation of that Group Company or Third Party Security Provider for the Hedging Liabilities owing to it.

4.10 Required enforcement: Hedge Counterparties

- (a) Subject to paragraph (b) below, a Hedge Counterparty shall promptly terminate or close-out in full any hedging transaction under all or any of the Hedging Agreements to which it is party prior to their stated maturity, following:
 - (i) the occurrence of a Senior Acceleration Event which is continuing and delivery to it of a notice from the Security Agent that such Senior Acceleration Event has occurred and is continuing; and
 - (ii) delivery to it of a subsequent notice from the Security Agent (acting on the instructions of an Instructing Group) instructing it to do so.
- (b) Paragraph (a) above shall not apply to the extent that such Senior Acceleration Event occurred as a result of an arrangement made between any Debtor or Third Party Security Provider and any Primary Creditor with the purpose of bringing about that Senior Acceleration Event.
- (c) If a Hedge Counterparty is entitled to terminate or close-out any hedging transaction under paragraph (b) of Clause 4.9 (*Permitted enforcement: Hedge Counterparties*) (or would have been able to if that Hedge Counterparty had given the notice referred to in that paragraph) but has not terminated or closed out each such hedging transaction, that Hedge Counterparty shall promptly terminate or close-out in full each such hedging transaction following a request to do so by the Security Agent (acting on the instructions of an Instructing Group).

4.11 Treatment of Payments due to Debtors on termination of hedging transactions

- (a) If, on termination of any hedging transaction under any Hedging Agreement occurring after a Distress Event, a settlement amount or other amount (following the application of any Close-Out Netting, Payment Netting or Inter-Hedging Agreement Netting in respect of that Hedging Agreement) falls due from a Hedge Counterparty to the relevant Debtor then that amount shall be paid by that Hedge Counterparty to the Security Agent, treated as the proceeds of enforcement of the Transaction Security and applied in accordance with the terms of this Agreement.
- (b) The payment of that amount by the Hedge Counterparty to the Security Agent in accordance with paragraph (a) above shall discharge the Hedge Counterparty's obligation to pay that amount to that Debtor.

4.12 Terms of Hedging Agreements

(a) The Hedge Counterparties (to the extent party to the Hedging Agreement in question) and the Debtors party to the Hedging Agreements shall ensure that, at all times:

(i) each Hedging Agreement is based either:

(A) on an ISDA Master Agreement; or

(B) on another framework agreement which is similar in effect to an ISDA Master Agreement;

(ii) in the event of a termination of the hedging transaction entered into under a Hedging Agreement, whether as a result of:

(A) a Termination Event or an Event of Default, each as defined in the relevant Hedging Agreement (in the case of a Hedging Agreement which is based on an ISDA Master Agreement); or

(B) an event similar in meaning and effect to either of those described in paragraph (A) above (in the case of a Hedging Agreement which is not based on an ISDA Master Agreement),

that Hedging Agreement will:

(I) if it is based on a 1992 ISDA Master Agreement, provide for payments under the "Second Method" and will make no material amendment to section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement;

(II) if it is based on a 2002 ISDA Master Agreement, make no material amendment to the provisions of section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement; or

(III) if it is not based on an ISDA Master Agreement, provide for any other method the effect of which is that the party to which that event is referable will be entitled to receive payment under the relevant termination provisions if the net replacement value of all terminated transactions entered into under that Hedging Agreement is in its favour; and

(iii) each Hedging Agreement will provide that the relevant Hedge Counterparty will be entitled to designate an Early Termination Date (as defined in the relevant ISDA Master Agreement) or otherwise be able to terminate each transaction under such Hedging Agreement if so required pursuant to paragraphs (a) and (b) of Clause 4.10 (*Required enforcement: Hedge Counterparties*).

(b) Unless otherwise agreed by the Parent from time to time:

(i) each Hedging Agreement shall be documented using an ISDA Master Agreement;

(ii) each Hedging Agreement shall include only standard ISDA representations and undertakings (and not, for the avoidance of doubt, any additional representations and undertakings contained in the Senior Financing Agreements), in each case amended as necessary so as to be no more onerous on any member of the Group than the provisions of the Senior Financing Agreements;

(iii) no Hedging Agreement shall contain any events of default (however described) other than the following:

(A) failure by the member of the Group party to that Hedging Agreement to pay on the due date any amount payable by it under that Hedging Agreement (subject to any applicable grace period);

(B) the occurrence of a Senior Acceleration Event which is continuing; and

(C) the occurrence of an Insolvency Event of Default in relation to the member of the Group which is party to that Hedging Agreement, provided that, for the avoidance of doubt, a Hedging Agreement may contain standard ISDA termination events relating to illegality, tax events and *force majeure*;

(iv) in the event of any refinancing, replacement, increase or other restructuring of all or any part of the Senior Secured Liabilities, the Operating Facility Liabilities or the Senior Parent Liabilities (a "**Refinancing**") each Hedge Counterparty shall promptly provide its consent to any amendment to, request under and/or replacement of any Hedging Agreement or other Debt Document required by the Parent in order to facilitate that Refinancing (a "**Refinancing Request**"), in each case unless such Refinancing is materially prejudicial to the interests of that Hedge Counterparty (provided that such Refinancing shall not be considered materially prejudicial if any amended or replacement intercreditor arrangements place that Hedge Counterparty in substantially the same, or a better, position relative to the other Senior Secured Creditors as it was in under the intercreditor arrangements existing immediately prior to such amendment or replacement); and

(v) in the event that a Hedge Counterparty (1) does not consent to any Refinancing Request (without prejudice to its obligations under sub-paragraph (iv) above) or (2) does not consent to any other amendment or waiver requested by a member of the Group pursuant to Clause 25 (*Consents, amendments and override*) (in each case within the time period specified by the relevant member of the Group for consent to be provided, which shall not be shorter than five Business Days from the date the relevant request is made by a member of the Group), each member of the Group shall be entitled to:

(A) terminate any hedging arrangements with that Hedge Counterparty (the "**Non-Consenting Counterparty**") (and the amount payable to or by the Non-Consenting Counterparty on such early termination shall be calculated on the basis that an Additional Termination Event has occurred and that both the Non-Consenting Counterparty and the relevant member of the Group are Affected Parties or on such other basis as may be agreed by the Non-Consenting Counterparty and the relevant member of the Group); and/or

(B) require that any of those arrangements (the "**Transferred Arrangements**") be transferred (and the "**Non-Consenting Counterparty**" will so transfer) to another person selected by the Parent (the "**Acquiring Counterparty**") willing to assume the same (with the transfer price payable by the Acquiring Counterparty or, as the case may be, the Non-Consenting

Counterparty being equal to the amount that would have been payable to or by the Non-Consenting Counterparty upon the early termination of the Transferred Arrangements under the relevant Hedging Agreements by reason of an Additional Termination Event on the proposed transfer date, and on the basis that both the Non-Consenting Counterparty and the relevant Debtor are Affected Parties or as otherwise agreed by the Non-Consenting Counterparty and the relevant member of the Group),

where the terms "**Additional Termination Event**" and "**Affected Parties**" as used above shall have the meaning given to them in the relevant Hedging Agreements (or if a Hedging Agreement is not based on an ISDA Master Agreement, such terms shall have the meaning given to the equivalent provisions used in that Hedging Agreement).

Each Hedge Counterparty will, on the request of the Parent, as soon as reasonably practical execute any document and/or take such other action as is reasonably required to effect any amendment, replacement, waiver or release of a Hedging Agreement or other Debt Document requested by the Parent in accordance with paragraph (iv) above.

- (c) Notwithstanding anything to the contrary in any Secured Debt Document but without prejudice to any minimum hedging requirements in the Debt Financing Agreements, no default (however described) under the terms of a Hedging Agreement (or the termination of a Hedging Agreement) shall constitute an Event of Default (other than any non-payment default constituting a Senior Payment Default).
- (d) Notwithstanding anything to the contrary in any Hedging Agreement, no Hedging Agreement shall prohibit or restrict any action by any member of the Group not prohibited or restricted under the Senior Financing Agreements.
- (e) Any hedging agreement executed by any member of the Group prior to the date on which it became a member of the Group which the Parent intends should become a Hedging Agreement (an "**Existing Hedging Agreement**") shall be deemed amended by this Agreement to the extent necessary so as to ensure that the terms of such Existing Hedging Agreement comply with the terms of this Agreement in all respects (and the relevant Debtor and the Hedge Counterparty party to such Existing Hedging Agreement each consent and agree to all such amendments by their execution of, or accession to, this Agreement and acknowledge and confirm that the Existing Hedging Agreement will be construed accordingly).
- (f) To the extent that the terms of a Hedging Agreement are inconsistent with the terms of this Agreement the terms of this Agreement shall prevail.

4.13 On or after Senior Lender Discharge Date/Senior Debt Discharge Date

At any time on or after the Senior Debt Discharge Date, any action which is permitted under any of Clause 4.3 (*Permitted Payments: Hedging Liabilities*), Clause 4.5 (*No acquisition of Hedging Liabilities*) or Clause 4.9 (*Permitted enforcement: Hedge Counterparties*) by reason of the prior consent of the Majority Senior Creditors will, unless otherwise agreed by the Parent by reference to this Clause 4.13, be permitted to the

extent that such action would not result in the Group ceasing to be in compliance with any minimum hedging requirements under:

- (a) any Permitted Second Lien Financing Agreement (unless the prior consent of the relevant Senior Agent is obtained or the Permitted Second Lien Financing Discharge Date has occurred); and
- (b) any Senior Parent Financing Agreement (unless the prior consent of the relevant Senior Parent Agent is obtained or the Senior Parent Discharge Date has occurred).

4.14 Notice and acknowledgement of Transaction Security

- (a) Each Debtor that has created Transaction Security over any of its rights under any Hedging Agreement hereby gives notice (including in terms as required by the applicable Security Document) to each Hedge Counterparty of the Transaction Security over such Hedging Agreements created pursuant to the Security Documents.
- (b) Each Hedge Counterparty, by its entry into this Agreement (or, as the case may be, by its entry into a Creditor/Agent Accession Undertaking as a Hedge Counterparty):
 - (i) agrees and consents to any Debtor granting Transaction Security (by way of assignment, charge or otherwise) over all or any part of its rights under any Hedging Agreement to which that Hedge Counterparty is a party; and
 - (ii) acknowledges receipt of the notice given under paragraph (a) above and that it will continue to deal solely with the relevant Debtor in relation to that Hedging Agreement until such time as it receives any written notice (as permitted by the applicable Security Document) to the contrary from the Security Agent following the occurrence of an Acceleration Event which is continuing.

5. PERMITTED SECOND LIEN FINANCING CREDITORS AND SECOND LIEN LIABILITIES

5.1 Restriction on Payment: Second Lien Liabilities

Prior to the Senior Discharge Date, the Debtors and the Third Party Security Providers shall not, and the Parent shall procure that no other member of the Group will, make any Payment of the Second Lien Liabilities at any time unless:

- (a) that Payment is permitted under Clause 5.2 (*Permitted Payments: Second Lien Liabilities*), Clause 9.5 (*Filing of claims*) or Clause 16 (*Additional debt*);
or
- (b) the taking or receipt of that Payment is permitted under Clause 5.8 (*Permitted Second Lien enforcement*).

5.2 Permitted Payments: Second Lien Liabilities

Any member of the Group or Third Party Security Provider may:

- (a) prior to the Senior Discharge Date, directly or indirectly make any Payment directly or indirectly in respect of the Second Lien Liabilities at any time:
 - (i) if:
 - (A) the Payment is of:

(I) any of the principal amount of the Second Lien Liabilities which is either:

(1) not prohibited by the Senior Financing Agreements; or

(2) paid on or after the final maturity date of the relevant Second Lien Liabilities (provided that, unless the Senior Lender Discharge Date has occurred or as otherwise agreed by the Majority Senior Lenders and the Parent, such final maturity date does not breach any maturity restrictions applicable to such Second Lien Liabilities in the Senior Financing Agreements (as applicable) (or, in the case of any amendment which has the effect of shortening the maturity date applicable to such Second Lien Liabilities, would not breach any such maturity restrictions applicable to such Second Lien Liabilities in the Senior Financing Agreements (as applicable) were that Second Lien Liability to be incurred at the time of that amendment and with that amended maturity date)); or

(II) any other amount which is not an amount of principal (including any interest which has been capitalised to become an amount of principal);

(B) no Second Lien Payment Stop Notice is outstanding; and

(C) no Senior Payment Default has occurred and is continuing;

(ii) if the Required Senior Consent has been obtained;

(iii) if the Payment is of Permitted Second Lien Financing Agent Liabilities;

(iv) of any Notes Security Costs;

(v) of costs, commissions, taxes, fees and expenses incurred in respect of or in relation to (or reasonably incidental to) any Permitted Second Lien Financing Documents (including in relation to any reporting or listing requirements under the Permitted Second Lien Financing Documents);

(vi) if the Payment is funded directly or indirectly with Permitted Second Lien Financing Debt, Permitted Parent Financing Debt and/or the proceeds of any indebtedness incurred under or pursuant to any Permitted Second Lien Financing Document and/or Senior Parent Notes;

(vii) if the Payment is funded directly or indirectly with the proceeds of Qualified Equity Interests or Subordinated Shareholder Funding of the Parent or Available Restricted Payment Amounts; or

(viii) if the Payment is of any principal amount of the Second Lien Liabilities (together with any related accrued but unpaid interest) in accordance with a provision in any Permitted Second Lien Financing Agreement which is substantially equivalent to:

(A) clause 11.1 (*Illegality*) of the Senior Facilities Agreement;

(B) clause 11.8 (*Right of cancellation and repayment in relation to a single Lender or Issuing Bank*) of the Senior Facilities Agreement; or

(C) to the extent an equivalent payment has been made (to the extent required) pursuant to the terms of the Senior Financing Agreements (excluding, for this purpose, any Permitted Second Lien Financing Agreement), clause 12.1 (*Change of Control*) of the Senior Facilities Agreement; or

(ix) for so long as a Permitted Second Lien Financing Event of Default is continuing, if the Payment is of all or part of the Second Lien Liabilities as a result of those Second Lien Liabilities being released or otherwise discharged solely in consideration of the issue of shares in the Parent or in any Holding Company of the Parent (each a "**Debt for Equity Swap**") and provided that no cash or cash equivalent payment is made in respect of the Second Lien Liabilities and any Liabilities owed by a Group Company to another Group Company, the Investors or any other Holding Company of the Parent that arise as a result of any such Debt for Equity Swap are subordinated to the Senior Secured Liabilities pursuant to this Agreement and any Liabilities owed by a Group Company to another Group Company arising as a result of such Debt for Equity Swap are subject to Transaction Security; or

(x) of any other amount not exceeding USD5,000,000 (or its equivalent in other currencies) in aggregate in any financial year of the Parent; and

(b) on or after the Senior Discharge Date, make any Payment directly or indirectly in respect of the Second Lien Liabilities at any time.

A reference in this Clause 5.2 to a Payment shall be construed to include any other direct or indirect step, matter, action or dealing in relation to any Second Lien Liabilities which are otherwise prohibited under Clause 5.1 (*Restriction on Payment: Second Lien Liabilities*).

5.3 Issue of Second Lien Payment Stop Notice

(a) Until the Senior Discharge Date, except with the Required Senior Consent, no Debtor shall make (and the Parent shall procure that no member of the Group will make), and no Permitted Second Lien Financing Creditor may receive from any member of the Group, any Permitted Second Lien Payment (other than Permitted Second Lien Financing Agent Liabilities and except as provided in paragraphs (a)(ii) to (x) of Clause 5.2 (*Permitted Payments: Second Lien Liabilities*)) if:

(i) a Senior Payment Default is continuing; or

(ii) a Material Event of Default is continuing, from the date which is one Business Day after the date on which any Senior Agent delivers a notice (a "**Second Lien Payment Stop Notice**") specifying the event or circumstance in relation to that Material Event of Default to the Parent, the Security Agent and the Second Lien Creditor Representatives until the earliest of:

(A) the date falling 120 days after delivery of that Second Lien Payment Stop Notice;

- (B) in relation to payments of Second Lien Liabilities, if a Second Lien Standstill Period is in effect at any time after delivery of that Second Lien Payment Stop Notice, the date on which that Second Lien Standstill Period expires;
- (C) the date on which the relevant Material Event of Default has been remedied or waived in accordance with the applicable Senior Financing Agreement;
- (D) the date on which the Senior Agent which delivered the relevant Second Lien Payment Stop Notice delivers a notice to the Parent, the Security Agent and the Second Lien Creditor Representatives cancelling the Second Lien Payment Stop Notice;
- (E) the Senior Discharge Date; and
- (F) the date on which the Security Agent or a Second Lien Creditor Representative takes Enforcement Action permitted under this Agreement against a Debtor.

(b) Unless each of the Second Lien Creditor Representatives waives this requirement:

- (i) a new Second Lien Payment Stop Notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior Second Lien Payment Stop Notice; and
- (ii) no Second Lien Payment Stop Notice may be delivered by a Senior Agent in reliance on a Material Event of Default more than 120 days after the date that Senior Agent received notice of that Material Event of Default.

(c) The Senior Agents may only serve one Second Lien Payment Stop Notice with respect to the same event or set of circumstances. Subject to paragraph (b) above, this shall not affect the right of the Agents to issue a Second Lien Payment Stop Notice in respect of any other event or set of circumstances.

(d) No Second Lien Payment Stop Notice may be served by an Agent in respect of a Material Event of Default which had been notified to the Agents at the time at which an earlier Second Lien Payment Stop Notice was issued.

(e) For the avoidance of doubt, this Clause 5.3:

- (i) acts as a suspension of payment and not as a waiver of the right to receive payment on the date such payments are due;
- (ii) will not prevent the accrual or capitalisation of interest (including default interest) in accordance with the Permitted Second Lien Financing Documents; and
- (iii) will not prevent the payment of any Permitted Second Lien Financing Agent Liabilities.

5.4 Effect of Second Lien Payment Stop Notice or Senior Payment Default

Any failure to make a Payment due under the Permitted Second Lien Financing Documents as a result of the issue of a Second Lien Payment Stop Notice or the occurrence of a Senior Payment Default shall not prevent:

- (a) the occurrence of a Permitted Second Lien Financing Event of Default as a consequence of that failure to make a Payment in relation to the relevant Permitted Second Lien Financing Document; or
- (b) the issue of a Second Lien Enforcement Notice on behalf of the Permitted Second Lien Financing Creditors.

5.5 Payment obligations and capitalisation of interest continue

- (a) No Debtor or Third Party Security Provider shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Permitted Second Lien Financing Document by the operation of Clauses 5.1 (*Restriction on Payment: Second Lien Liabilities*) to 5.4 (*Effect of Second Lien Payment Stop Notice or Senior Payment Default*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.
- (b) The accrual and capitalisation of interest (if any) in accordance with the Permitted Second Lien Financing Documents shall continue notwithstanding the issue of a Second Lien Payment Stop Notice.

5.6 Cure of Payment stop: Permitted Second Lien Financing Creditors

If:

- (a) at any time following the issue of a Second Lien Payment Stop Notice or the occurrence of a Senior Payment Default, that Second Lien Payment Stop Notice ceases to be outstanding and/or, as the case may be, the Senior Payment Default ceases to be continuing; and
- (b) any Debtor then promptly pays to the Permitted Second Lien Financing Creditors an amount equal to any Payments which had accrued under the Permitted Second Lien Financing Documents and which would have been Permitted Second Lien Payments but for that Second Lien Payment Stop Notice or Senior Payment Default,

then any Event of Default (including any cross default or similar provision under any other Debt Document) which may have occurred as a result of that suspension of Payments shall be waived and any Second Lien Enforcement Notice which may have been issued as a result of that Event of Default shall be waived, in each case without any further action being required on the part of the Permitted Second Lien Financing Creditors or any other Creditor or Operating Facility Lender.

5.7 Restrictions on enforcement by Permitted Second Lien Financing Creditors

Until the Senior Discharge Date, except with the prior consent of or as required by an Instructing Group:

- (a) no Permitted Second Lien Financing Creditor shall direct the Security Agent to enforce or otherwise require the enforcement of any Transaction Security; and
- (b) no Permitted Second Lien Financing Creditor shall take or require the taking of any Enforcement Action in relation to the Second Lien Liabilities, except as permitted under Clause 5.8 (*Permitted Second Lien enforcement*), provided, however, that no such action required by the Security Agent need be taken except to the extent the Security Agent is otherwise entitled under this Agreement to direct such action.

5.8 Permitted Second Lien enforcement

- (a) Subject to Clause 5.11 (*Enforcement on behalf of Permitted Second Lien Financing Creditors*), the restrictions in Clause 5.7 (*Restrictions on enforcement by Permitted Second Lien Financing Creditors*) will not apply if:
- (i) a Permitted Second Lien Financing Event of Default (the "**Relevant Second Lien Default**") is continuing;
 - (ii) each Senior Agent has received a notice of the Relevant Second Lien Default specifying the event or circumstance in relation to the Relevant Second Lien Default from the relevant Second Lien Creditor Representative;
 - (iii) a Second Lien Standstill Period (as defined below) has elapsed; and
 - (iv) the Relevant Second Lien Default is continuing at the end of the relevant Second Lien Standstill Period.
- (b) Promptly upon becoming aware of a Permitted Second Lien Financing Event of Default, the relevant Second Lien Creditor Representative may by notice (a "**Second Lien Enforcement Notice**") in writing notify the Senior Agents of the existence of such Permitted Second Lien Financing Event of Default.

5.9 Second Lien Standstill Period

In relation to a Relevant Second Lien Default, a Second Lien Standstill Period shall mean the period beginning on the date (the "**Second Lien Standstill Start Date**") the relevant Second Lien Creditor Representative serves a Second Lien Enforcement Notice on each of the Senior Agents in respect of such Relevant Second Lien Default and ending on the earliest to occur of:

- (a) the date falling 120 days after the Second Lien Standstill Start Date;
- (b) the date the Senior Secured Parties (other than the Permitted Second Lien Financing Creditors) take any Enforcement Action in relation to a particular Second Lien Borrower or Second Lien Guarantor, provided, however, that if a Second Lien Standstill Period ends pursuant to this paragraph (b), the Permitted Second Lien Financing Creditors may only take the same Enforcement Action in relation to the relevant Second Lien Borrower or Second Lien Guarantor as the Enforcement Action taken by the Senior Secured Parties (other than the Permitted Second Lien Financing Creditors) against such Second Lien Borrower or Second Lien Guarantor and not against any other member of the Group;
- (c) the date of an Insolvency Event in relation to the relevant Second Lien Borrower or a particular Second Lien Guarantor against whom Enforcement Action is to be taken;
- (d) the expiry of any other Second Lien Standstill Period outstanding at the date such first-mentioned Second Lien Standstill Period commenced (unless that expiry occurs as a result of a cure, waiver or other permitted remedy);
- (e) the date on which the consent of each of the Senior Facility Agent (acting on the instructions of the Majority Senior Lenders), any Senior Notes Trustee (acting on behalf of the Senior

Noteholders) and any Senior Creditor Representative (acting on the instructions of the Majority Permitted Senior Financing Creditors) has been obtained; and

- (f) a failure to pay the principal amount outstanding under any Permitted Second Lien Financing Debt at the final stated maturity of the amounts outstanding on that Permitted Second Lien Financing Debt (provided that, unless the Senior Lender Discharge Date has occurred or as otherwise agreed by the Majority Senior Lenders and the Parent, such final stated maturity does not breach any maturity restrictions applicable to such Second Lien Liabilities in the Senior Financing Agreements (as applicable) (or, in the case of any amendment which has the effect of shortening the maturity date applicable to such Second Lien Liabilities, would not breach any such maturity restrictions applicable to such Second Lien Liabilities in the Senior Financing Agreements (as applicable) were that Second Lien Liability to be incurred at the time of that amendment and with that amended maturity date)),

the "**Second Lien Standstill Period**".

5.10 Subsequent Permitted Second Lien Financing Event of Default

The Permitted Second Lien Financing Creditors may take Enforcement Action under Clause 5.8 (*Permitted Second Lien enforcement*) in relation to a Relevant Second Lien Default even if, at the end of any relevant Second Lien Standstill Period or at any later time, a further Second Lien Standstill Period has begun as a result of any other Permitted Second Lien Financing Event of Default.

5.11 Enforcement on behalf of Permitted Second Lien Financing Creditors

If the Security Agent has notified the Second Lien Creditor Representatives that it is enforcing Security created pursuant to any Security Document over shares of a Second Lien Borrower or a Second Lien Guarantor, no Permitted Second Lien Financing Creditor may take any action referred to in Clause 5.8 (*Permitted Second Lien enforcement*) against that Second Lien Borrower or Second Lien Guarantor (or any Subsidiary of that Second Lien Borrower or Second Lien Guarantor) while the Security Agent is taking steps to enforce that Security in accordance with the instructions of an Instructing Group where such action might be reasonably likely to adversely affect such enforcement or the amount of proceeds to be derived therefrom.

5.12 Option to purchase: Permitted Second Lien Financing Creditors

- (a) Subject to paragraphs (b) and (c) below, any of the Second Lien Creditor Representative(s) (on behalf of the Permitted Second Lien Financing Creditors) may, after a Senior Acceleration Event, by giving not less than 10 days' notice to the Security Agent, require the transfer to the Permitted Second Lien Financing Creditors (or to a nominee or nominees), in accordance with Clause 19.3 (*Change of Senior Lender, Permitted Senior Financing Creditor, Permitted Second Lien Financing Creditor or Permitted Parent Financing Creditor*), of all, but not part, of the rights, benefits and obligations in respect of the Senior Lender Liabilities, the Senior Notes Liabilities, any Permitted Senior Financing Liabilities and the Operating Facility Liabilities if:

- (i) that transfer is lawful and, subject to paragraph (ii) below, otherwise permitted by the terms of the Senior Facilities Agreement (in the case of the Senior Lender Liabilities), any Senior Notes

Indenture(s) pursuant to which any Senior Notes remain outstanding (in the case of the Senior Notes Liabilities), any Permitted Senior Financing Agreement pursuant to which any relevant Permitted Senior Financing Liabilities remain outstanding (in the case of the Permitted Senior Financing Liabilities) and/or any Operating Facility Documents pursuant to which any relevant Operating Facility Liabilities remain outstanding (in the case of the Operating Facility Liabilities);

(ii) any conditions relating to such a transfer contained in the Senior Facilities Agreement (in the case of the Senior Lender Liabilities), any Senior Notes Indenture(s) pursuant to which any Senior Notes remain outstanding (in the case of the Senior Notes Liabilities), any Permitted Senior Financing Agreement pursuant to which any relevant Permitted Senior Financing Liabilities remain outstanding (in the case of the Permitted Senior Financing Liabilities) and/or any Operating Facility Documents pursuant to which any relevant Operating Facility Liabilities remain outstanding (in the case of the Operating Facility Liabilities) are complied with, other than:

(A) any requirement to obtain the consent of, or consult with, any Debtor, Third Party Security Provider or other member of the Group relating to such transfer, which consent or consultation shall not be required; and

(B) to the extent to which all the Permitted Second Lien Financing Creditors (acting as a whole) provide cash cover for any Letter of Credit, the consent of the relevant Issuing Bank relating to such transfer;

(iii)

(A) the Senior Facility Agent, on behalf of the Senior Lenders, is paid an amount equal to the aggregate of:

(I) any amounts provided as cash cover by the Permitted Second Lien Financing Creditors for any Letter of Credit (as envisaged in paragraph (ii)(B) above);

(II) all of the Senior Lender Liabilities at that time (whether or not due), including all amounts that would have been payable under the Senior Facilities Agreement if the Senior Facilities were being prepaid by the relevant Debtors on the date of that payment; and

(III) all costs and expenses (including legal fees) incurred by the Senior Facility Agent, the Senior Lenders and/or the Security Agent as a consequence of giving effect to that transfer; and

(B) the applicable Senior Notes Trustee, on behalf of the relevant Senior Notes Creditors, is paid an amount equal to the aggregate of:

(I) all of the Senior Notes Liabilities at that time (whether or not due), including all amounts that would have been payable (including any prepayment premium or make-whole amount) under the Senior Notes Indenture if the Senior Notes were being redeemed by the relevant Debtors on the date of that payment; and

- (II) all costs and expenses (including legal fees) incurred by the Senior Notes Trustee and/or the Senior Notes Creditors as a consequence of giving effect to that transfer;
- (C) the applicable Senior Creditor Representative, on behalf of the relevant Permitted Senior Financing Creditors, is paid an amount equal to the aggregate of:
 - (I) any amount provided as cash cover by the Senior Parent Creditors for any Letter of Credit (as envisaged in paragraph (a)(ii)(B) above);
 - (II) all of the Permitted Senior Financing Liabilities at that time (whether or not due), including all amounts that would have been payable (including any prepayment premium or make-whole amount) under the Permitted Senior Financing Documents if the Permitted Senior Financing Debt was being prepaid or redeemed (as applicable) by the relevant Debtors on the date of that payment; and
 - (III) all costs and expenses (including legal fees) incurred by the Senior Creditor Representative, the Permitted Senior Financing Creditors and/or the Security Agent as a consequence of giving effect to that transfer; and
- (D) the Operating Facility Lenders are paid an amount equal to the aggregate of:
 - (I) all of the Operating Facility Liabilities at that time (whether or not due), including all amounts that would have been payable under the Operating Facility Documents if the Operating Facilities were being prepaid by the relevant Debtors on the date of that payment; and
 - (II) all costs and expenses (including legal fees) incurred by the Operating Facility Lenders and/or the Security Agent as a consequence of giving effect to that transfer;
- (iv) as a result of that transfer the Senior Lenders, the Senior Notes Creditors, the Permitted Senior Financing Creditors and the Operating Facility Lenders have no further actual or contingent liability to the Parent or any other Debtor under the relevant Secured Debt Documents;
- (v) an indemnity is provided from each Permitted Second Lien Financing Creditor (other than any Second Lien Creditor Representative) (or from another third party acceptable to all the Senior Lenders, the Senior Notes Creditors, the Permitted Senior Financing Creditors and the Operating Facility Lenders) in a form reasonably satisfactory to each Senior Lender, Senior Notes Creditor, Permitted Senior Financing Creditor and Operating Facility Lender in respect of all costs, expenses, losses and liabilities which may be sustained or incurred by any Senior Lender, Senior Notes Creditor, Permitted Senior Financing Creditor or Operating Facility Lender in consequence of any sum received or recovered by any Senior Lender, Senior Notes Creditor, Permitted Senior Financing Creditor or Operating Facility Lender from any person being required (or it being alleged that it is required) to be paid back by or clawed back from any Senior Lender, Senior Notes Creditor, Permitted Senior Financing Creditor or Operating Facility Lender for any reason; and

- (vi) the transfer is made without recourse to, or representation or warranty from, the Senior Lenders, the Senior Notes Creditors, the Permitted Senior Financing Creditors or the Operating Facility Lenders, except that each Senior Lender, Senior Notes Creditor, Permitted Senior Financing Creditor and Operating Facility Lender shall be deemed to have represented and warranted on the date of that transfer that it has the corporate power to effect that transfer and it has taken all necessary action to authorise the making by it of that transfer.
- (b) Subject to paragraph (b) of Clause 5.13 (*Hedge Transfer: Permitted Second Lien Financing Creditors*), a Second Lien Creditor Representative (on behalf of all the Permitted Second Lien Financing Creditors) may only require a Senior Secured Liabilities Transfer if, at the same time, they require a Hedge Transfer in accordance with Clause 5.13 (*Hedge Transfer: Permitted Second Lien Financing Creditors*) and if, for any reason, a Hedge Transfer cannot be made in accordance with Clause 5.13 (*Hedge Transfer: Permitted Second Lien Financing Creditors*), no Senior Secured Liabilities Transfer may be required to be made.
- (c) At the request of a Second Lien Creditor Representative (on behalf of all the Permitted Second Lien Financing Creditors):
- (i) the Senior Facility Agent shall notify the Second Lien Creditor Representatives of:
 - (A) the sum of the amounts described in paragraphs (a)(iii)(A)(II) and (III) above; and

 - (iv) the Operating Facility Lenders shall notify the Senior Agents of the sum of amounts described in paragraphs (a)(iii)(D)(I) and (II) above.

5.13 Hedge Transfer: Permitted Second Lien Financing Creditors

- (a) A Second Lien Creditor Representative (on behalf of all the Permitted Second Lien Financing Creditors, acting as a whole) may, by giving not less than 10 days' notice to the Security Agent, require a Hedge Transfer:
- (i) if either:
 - (A) the Permitted Second Lien Financing Creditors require, at the same time, a Senior Secured Liabilities Transfer under Clause 5.12 (*Option to purchase: Permitted Second Lien Financing Creditors*); or

(B) all the Permitted Second Lien Financing Creditors (acting as a whole) require that Hedge Transfer at any time on or after the Senior Discharge Date; and

- (C) each Hedge Counterparty is paid (in the case of a positive number) or pays (in the case of a negative number) an amount equal to the aggregate of (1) the Hedging Purchase Amount in respect of the hedging transactions under the relevant Hedging Agreement at that time and (2) all costs and expenses (including legal fees) incurred by such Hedge Counterparty as a consequence of giving effect to that transfer;

- (F) that transfer is made without recourse to, or representation or warranty from, the relevant Hedge Counterparty, except that the relevant Hedge Counterparty shall be deemed to have represented and warranted on the date of that transfer that it has the corporate power to effect that transfer and it has taken all necessary action to authorise the making by it of that transfer.

(b) A Second Lien Creditor Representative (acting on behalf of all the Permitted Second Lien Financing Creditors) and any Hedge Counterparty may agree (in respect of the Hedging Agreements (or one or more of them) to which that Hedge Counterparty is a party) that a Hedge Transfer required by all the Permitted Second Lien Financing Creditors (acting as a whole) pursuant to paragraph (a) above shall not apply to that/those Hedging Agreement(s) or to the Hedging Liabilities and Hedge Counterparty Obligations under that/those Hedging Agreement(s).

(c) If a Second Lien Creditor Representative is entitled to require a Hedge Transfer under this Clause 5.13, the Hedge Counterparties shall at the request of any Second Lien Creditor Representative provide details of the amounts referred to in paragraph (a)(ii)(C) above.

6. SENIOR PARENT CREDITORS AND SENIOR PARENT LIABILITIES

6.1 Restriction on Payment and dealings: Senior Parent Liabilities

Until the First/Second Lien Discharge Date, no Senior Parent Debt Issuer which is a member of the Group shall (and the Parent shall ensure that no other member of the Group will):

- (b) exercise any set-off against any Senior Parent Liabilities, except as permitted by Clause 6.2 (*Permitted Senior Parent Payments*), Clause 6.8 (*Restrictions on enforcement by Senior Parent Creditors*), Clause 9.5 (*Filing of claims*) or Clause 16 (*Additional debt*); or
- (c) create or permit to subsist any Security over any assets of any member of the Group or assets of any Third Party Security Provider which are subject to Transaction Security or give any guarantee (and the Senior Parent Agents may not, and no Senior Parent Creditor may, accept the benefit of any such Security or guarantee from any Group Company or Third Party Security Provider) for, or in respect of, any Senior Parent Liabilities other than:
 - (i) the Senior Parent Guarantees;

 - (A) the Credit Support Provider becomes party to this Agreement as a Debtor or Third Party Security Provider (as applicable) (if not already a Party in that capacity);
 - (B) all amounts actually received or recovered by any Senior Parent Agent or Senior Parent Creditor with respect to any such Security shall immediately be paid to the Security Agent and applied in accordance with Clause 14 (*Application of proceeds*);

(C) any such Security may only be enforced in accordance with Clause 12.6 (*Security held by other Creditors*); and

(D) any such guarantee is expressed to be subject to the terms of this Agreement;

(v) the Shared Security; and

(vi) any Security, guarantee, indemnity or other assurance against loss from any member of the Group in connection with:

(A) any escrow or similar or equivalent arrangements entered into in respect of amounts which are being held (or will be held) by a person which is not a member of the Group prior to release of those amounts to a member of the Group; or

(B) any actual or proposed defeasance, redemption, prepayment, repayment, purchase or other discharge of any Senior Lender Liabilities, Operating Facility Liabilities, Senior Notes Liabilities and/or Permitted Senior Financing Liabilities (in each case provided that such defeasance, redemption, prepayment, repayment, purchase or other discharge is not prohibited by the terms of this Agreement),

provided that, for the avoidance of doubt, nothing in this Clause 6.1 shall restrict any person which is not a member of the Group from creating or permitting to subsist any Security over any assets of such person or giving any guarantee for, or in respect of, any Senior Parent Liabilities.

6.2 Permitted Senior Parent Payments

Any Senior Parent Debt Issuer, Third Party Security Provider or member of the Group may:

(a) prior to the First/Second Lien Discharge Date, directly or indirectly make any Payment directly or indirectly in respect of the Senior Parent Liabilities at any time:

(i) if:

(A) the Payment is of:

(I) any of the principal amount of the Senior Parent Liabilities which is either:

(1) not prohibited by the Senior Financing Agreements; or

(2) paid on or after the final maturity date of the relevant Senior Parent Liabilities (provided that (i) unless the Senior Lender Discharge Date has occurred or as otherwise agreed by the Majority Senior Lenders and the Parent, such final maturity date does not breach any maturity restrictions in the Senior Financing Agreements (or, in the case of any amendment which has the effect of shortening the maturity date of any Senior Parent Liabilities, would not breach any such maturity restrictions applicable to such Senior Parent Liabilities in the Senior Financing Agreements (as applicable) were that Senior Parent Liability to be incurred at the time of that amendment and with that amended maturity date) and (ii) unless

the Permitted Second Lien Financing Discharge Date has occurred or as otherwise agreed by the Majority Second Lien Creditors and the Parent, such final stated maturity does not breach any maturity restrictions applicable to such Senior Parent Liabilities in any Permitted Second Lien Financing Agreement (as applicable) (or, in the case of any amendment which has the effect of shortening the maturity date of any Senior Parent Liabilities, would not breach any such maturity restrictions applicable to such Senior Parent Liabilities in any Permitted Second Lien Financing Agreement (as applicable) were that Senior Parent Liability to be incurred at the time of that amendment and with that amended maturity date)); or

(II) any other amount which is not an amount of principal (including any interest which has been capitalised to become an amount of principal);

(B) no Senior Parent Payment Stop Notice is outstanding;

(C) no Senior Payment Default has occurred and is continuing; and

(D) no Second Lien Payment Default has occurred and is continuing;

(ii) if the Required Senior Consent and the Required Second Lien Consent has been obtained;

(iii) if the Payment is of a Senior Parent Notes Trustee Amount;

(iv) if the Payment is made by the relevant Senior Parent Debt Issuer and funded directly or indirectly with amounts which have not been received by that Senior Parent Debt Issuer from a member of the Group;

(v) of any Notes Security Costs;

(vi) of costs, commissions, taxes, fees and expenses incurred in respect of or in relation to (or reasonably incidental to) any Senior Parent Finance Documents (including in relation to any reporting or listing requirements under the Senior Parent Finance Documents);

(vii) if the Payment is funded directly or indirectly with Permitted Parent Financing Debt and/or the proceeds of any indebtedness incurred under or pursuant to any Senior Parent Notes;

(viii) if the Payment is funded directly or indirectly with the proceeds of Qualified Equity Interests or Subordinated Shareholder Funding of the Parent or Available Restricted Payment Amounts; or

(ix) if the Payment is of any principal amount of the Senior Parent Liabilities (together with any related accrued but unpaid interest) in accordance with the provisions under any Senior Parent Finance Documents which are substantially equivalent to:

(A) clause 11.1 (*Illegality*) of the Senior Facilities Agreement;

(B) clause 11.8 (*Right of cancellation and repayment in relation to a single Lender or Issuing Bank*) of the Senior Facilities Agreement; or

(C) clause 12.1 (*Change of Control*) of the Senior Facilities Agreement but only to the extent that an equivalent payment(s) has been made (to the extent required) pursuant to the terms of the Senior Financing Agreements; or

(x) for so long as a Senior Event of Default, a Permitted Second Lien Financing Event of Default or a Senior Parent Event of Default is continuing, if the Payment is of all or part of the Senior Parent Liabilities as a result of those Senior Parent Liabilities being released or otherwise discharged solely in consideration of the issue of shares in the Parent or in any Holding Company of the Parent (each a "**Senior Parent Debt for Equity Swap**") and provided that no cash or cash equivalent payment is made in respect of the Senior Parent Liabilities and any Liabilities owed by a Group Company to another Group Company, the Investors or any other Holding Company of the Parent that arise as a result of any such Senior Parent Debt for Equity Swap are subordinated to the Senior Secured Liabilities and to the Second Lien Liabilities pursuant to this Agreement and any Liabilities owed by a Group Company to another Group Company arising as a result of such Senior Parent Debt for Equity Swap are subject to Transaction Security; or

(xi) of any other amount not exceeding USD5,000,000 (or its equivalent in other currencies) in aggregate in any financial year of the Parent; and

(b) on or after the First/Second Lien Discharge Date, make any Payment directly or indirectly in respect of the Senior Parent Liabilities at any time.

A reference in this Clause 6.2 to a Payment shall be construed to include any other direct or indirect step, matter, action or dealing in relation to any Senior Parent Liabilities which are otherwise prohibited under Clause 6.1 (*Restriction on Payment and dealings: Senior Parent Liabilities*).

6.3 Issue of Senior Parent Payment Stop Notice

(a) Until the Senior Discharge Date, except with the Required Senior Consent, and until the Permitted Second Lien Financing Discharge Date, except with the Required Second Lien Consent, no Senior Parent Debt Issuer which is a member of the Group shall make (and the Parent shall procure that no other member of the Group will make), and no Senior Parent Finance Party may receive from any member of the Group, any Permitted Senior Parent Payment (other than Senior Parent Notes Trustee Amounts and except as provided in paragraphs (a)(ii) to (x), in each case, of Clause 6.2 (*Permitted Senior Parent Payments*)) if:

(i) a Senior Payment Default or a Second Lien Payment Default is continuing; or

(ii) a Senior Event of Default (other than a Senior Payment Default) or a Permitted Second Lien Financing Event of Default (other than a Second Lien Payment Default) is continuing, from the date which is one Business Day after the date on which any Senior Agent delivers a notice (a "**Senior Parent Payment Stop Notice**") specifying the event or circumstance in relation to that

Senior Event of Default to the Parent, the Security Agent and the Senior Parent Agents until the earliest of:

- (A) the date falling 179 days after delivery of that Senior Parent Payment Stop Notice;
- (B) in relation to payments of Senior Parent Liabilities, if a Senior Parent Standstill Period is in effect at any time after delivery of that Senior Parent Payment Stop Notice, the date on which that Senior Parent Standstill Period expires;
- (C) the date on which the relevant Senior Event of Default or Permitted Second Lien Financing Event of Default has been remedied or waived in accordance with the applicable Senior Financing Agreement;
- (D) the date on which the Senior Agent which delivered the relevant Senior Parent Payment Stop Notice delivers a notice to the Parent, the Security Agent and the Senior Parent Agents cancelling the Senior Parent Payment Stop Notice;
- (E) the First/Second Lien Discharge Date; and
- (F) the date on which the Security Agent or a Senior Parent Agent takes Enforcement Action permitted under this Agreement against a Debtor.

(b) Unless each of the Senior Parent Agents waives this requirement:

- (i) a new Senior Parent Payment Stop Notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior Senior Parent Payment Stop Notice; and
- (ii) no Senior Parent Payment Stop Notice may be delivered by a Senior Agent in reliance on a Senior Event of Default more than 45 days after the date that Senior Agent received notice of that Senior Event of Default or Permitted Second Lien Financing Event of Default (as applicable).

(c) The Senior Agents may only serve one Senior Parent Payment Stop Notice with respect to the same event or set of circumstances. Subject to paragraph (b) above, this shall not affect the right of the Agents to issue a Senior Parent Payment Stop Notice in respect of any other event or set of circumstances.

(d) No Senior Parent Payment Stop Notice may be served by an Agent in respect of a Senior Event of Default which had been notified to the Agents at the time at which an earlier Senior Parent Payment Stop Notice was issued.

(e) For the avoidance of doubt, this Clause 6.3:

- (i) acts as a suspension of payment and not as a waiver of the right to receive payment on the date such payments are due;
- (ii) will not prevent the accrual or capitalisation of interest (including default interest) in accordance with the Senior Parent Finance Documents; and
- (iii) will not prevent the payment of any Senior Parent Notes Trustee Amounts or other amounts funded directly or indirectly with amounts which have not been received by the relevant Senior Parent Debt Issuer from another member of the Group.

6.4 Effect of Senior Parent Payment Stop Notice, Senior Payment Default or Second Lien Payment Default

Any failure to make a Payment due under the Senior Parent Finance Documents as a result of the issue of a Senior Parent Payment Stop Notice or the occurrence of a Senior Payment Default or Second Lien Payment Default shall not prevent:

- (a) the occurrence of a Senior Parent Event of Default as a consequence of that failure to make a Payment in relation to the relevant Senior Parent Finance Document; or
- (b) the issue of a Senior Parent Enforcement Notice on behalf of the Senior Parent Creditors.

6.5 Payment obligations and capitalisation of interest continue

- (a) The relevant Senior Parent Debt Issuer, Debtor or Third Party Security Provider shall not be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Senior Parent Finance Document by the operation of Clauses 6.1 (*Restriction on Payment and dealings: Senior Parent Liabilities*) to 6.4 (*Effect of Senior Parent Payment Stop Notice, Senior Payment Default or Second Lien Payment Default*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.
- (b) The accrual and capitalisation of interest (if any) in accordance with the Senior Parent Finance Documents shall continue notwithstanding the issue of a Senior Parent Payment Stop Notice.

6.6 Cure of Payment stop: Senior Parent Creditors

If:

- (a) at any time following the issue of a Senior Parent Payment Stop Notice or the occurrence of a Senior Payment Default or Second Lien Payment Default, that Senior Parent Payment Stop Notice ceases to be outstanding and/or, as the case may be, the Senior Payment Default or Second Lien Payment Default ceases to be continuing; and
 - (b) the relevant Senior Parent Debt Issuer or the relevant Debtor or Third Party Security Provider then promptly pays to the Senior Parent Creditors an amount equal to any Payments which had accrued under the Senior Parent Finance Documents and which would have been Permitted Senior Parent Payments but for that Senior Parent Payment Stop Notice, Senior Payment Default or Second Lien Payment Default,
- then any Event of Default (including any cross default or similar provision under any other Debt Document) which may have occurred as a result of that suspension of Payments shall be waived and any Senior Parent Enforcement Notice which may have been issued as a result of that Event of Default shall be waived, in each case without any further action being required on the part of the Senior Parent Creditors or any other Creditor or Operating Facility Lender.

6.7 Amendments and waivers: Senior Parent Creditors

The Senior Parent Creditors, the relevant Senior Parent Debt Issuer, the Debtors and Third Party Security Providers may at any time amend or waive the terms of the Senior Parent Notes Finance Documents

and/or the Permitted Parent Financing Documents in accordance with their respective terms from time to time (and subject only to any consent required under them).

6.8 Restrictions on enforcement by Senior Parent Creditors

Until the First/Second Lien Discharge Date, except with the prior consent of or as required by an Instructing Group:

- (a) no Senior Parent Creditor shall direct the Security Agent to enforce or otherwise require the enforcement of any Shared Security; and
- (b) no Senior Parent Creditor shall take or require the taking of any Enforcement Action in relation to the Senior Parent Guarantees,

except as permitted under Clause 6.9 (*Permitted Senior Parent enforcement*), provided, however, that no such action required by the Security Agent need be taken except to the extent the Security Agent is otherwise entitled under this Agreement to direct such action.

6.9 Permitted Senior Parent enforcement

(a) Subject to Clause 6.12 (*Enforcement on behalf of Senior Parent Creditors*), the restrictions in Clause 6.8 (*Restrictions on enforcement by Senior Parent Creditors*) will not apply if:

- (i) a Senior Parent Event of Default (the "**Relevant Senior Parent Default**") is continuing;
- (ii) each Senior Agent has received a notice of the Relevant Senior Parent Default specifying the event or circumstance in relation to the Relevant Senior Parent Default from the relevant Senior Parent Agent;
- (iii) a Senior Parent Standstill Period (as defined below) has elapsed; and
- (iv) the Relevant Senior Parent Default is continuing at the end of the relevant Senior Parent Standstill Period.

(b) Promptly upon becoming aware of a Senior Parent Event of Default, the relevant Senior Parent Agent may by notice (a "**Senior Parent Enforcement Notice**") in writing notify the Senior Agents of the existence of such Senior Parent Event of Default.

6.10 Senior Parent Standstill Period

In relation to a Relevant Senior Parent Default, a Senior Parent Standstill Period shall mean the period beginning on the date (the "**Senior Parent Standstill Start Date**") the relevant Senior Parent Agent serves a Senior Parent Enforcement Notice on each of the Senior Agents in respect of such Relevant Senior Parent Default and ending on the earliest to occur of:

- (a) the date falling 179 days after the Senior Parent Standstill Start Date;
- (b) the date the Senior Secured Parties take any Enforcement Action in relation to a particular Senior Parent Guarantor, provided, however, that if a Senior Parent Standstill Period ends pursuant to this paragraph (b), the Senior Parent Finance Parties may only take the same Enforcement Action in relation to the Senior Parent Guarantor as the Enforcement Action taken by the Senior Secured

Parties against such Senior Parent Guarantor and not against any other member of the Group or (to the extent not a Senior Parent Guarantor) Third Party Security Provider;

- (c) the date of an Insolvency Event in relation to the relevant Senior Parent Debt Issuer or a particular Senior Parent Guarantor against whom Enforcement Action is to be taken;
- (d) the expiry of any other Senior Parent Standstill Period outstanding at the date such first-mentioned Senior Parent Standstill Period commenced (unless that expiry occurs as a result of a cure, waiver or other permitted remedy);
- (e) the date on which the consent of each of the Senior Facility Agent (acting on the instructions of the Majority Senior Lenders), any Senior Notes Trustee (acting on behalf of the Senior Noteholders), any Senior Creditor Representative (acting on the instructions of the Majority Permitted Senior Financing Creditors) and any Second Lien Creditor Representative (acting on the instructions the Majority Permitted Second Lien Financing Creditors) has been obtained; and
- (f) a failure to pay the principal amount outstanding on any Senior Parent Notes or on any Permitted Parent Financing Debt, as the case may be, at the final stated maturity of the amounts outstanding on the Senior Parent Notes or on the Permitted Parent Financing Debt, as the case may be (provided that (i) unless the Senior Lender Discharge Date has occurred or as otherwise agreed by the Majority Senior Lenders and the Parent, such final stated maturity does not breach any maturity restrictions applicable to such Senior Parent Liabilities in the Senior Financing Agreements (as applicable) (or, in the case of any amendment which has the effect of shortening the maturity date of any Senior Parent Liabilities, would not breach any such maturity restrictions applicable to such Senior Parent Liabilities in the Senior Financing Agreements (as applicable) were that Senior Parent Liability to be incurred at the time of that amendment and with that amended maturity date) and (ii) unless the Permitted Second Lien Financing Discharge Date has occurred or as otherwise agreed by the Majority Second Lien Creditors and the Parent, such final stated maturity does not breach any maturity restrictions applicable to such Senior Parent Liabilities in the Permitted Second Lien Financing Documents (as applicable) (or, in the case of any amendment which has the effect of shortening the maturity date of any Senior Parent Liabilities, would not breach any such maturity restrictions applicable to such Senior Parent Liabilities in the Permitted Second Lien Financing Documents (as applicable) were that Senior Parent Liability to be incurred at the time of that amendment and with that amended maturity date))),

the "**Senior Parent Standstill Period**".

6.11 Subsequent Senior Parent Notes Defaults

The Senior Parent Finance Parties may take Enforcement Action under Clause 6.9 (*Permitted Senior Parent enforcement*) in relation to a Relevant Senior Parent Default even if, at the end of any relevant Senior Parent Standstill Period or at any later time, a further Senior Parent Standstill Period has begun as a result of any other Senior Parent Event of Default.

6.12 Enforcement on behalf of Senior Parent Creditors

If the Security Agent has notified the Senior Parent Agents that it is enforcing Security created pursuant to any Security Document over shares of a Senior Parent Guarantor, no Senior Parent Creditor may take any action referred to in Clause 6.9 (*Permitted Senior Parent enforcement*) against that Senior Parent Guarantor while the Security Agent is taking steps to enforce that Security in accordance with the instructions of an Instructing Group where such action might be reasonably likely to adversely affect such enforcement or the amount of proceeds to be derived therefrom.

(A) the Senior Parent Creditors require, at the same time, a Senior Secured Liabilities Transfer under Clause 6.13 (*Option to purchase: Senior Parent Creditors*); or

(B) all the Senior Parent Creditors (acting as a whole) require that Hedge Transfer at any time on or after the First/Second Lien Discharge Date; and

7.2 Permitted Payments: Investor Liabilities

Any member of the Group may directly or indirectly make any Payments in respect of Investor Liabilities (whether of principal, interest or otherwise) at any time if:

- (a) subject to paragraph (c) below (in the case of any Senior Parent Debt Proceeds Loan Liabilities), the Payment is not prohibited by the Debt Financing Agreements;

- (b) beneficially own all or any part of the share capital of a company that is party to a Liabilities Acquisition in respect of any of the Investor Liabilities (unless that Liabilities Acquisition would not have been prohibited by this paragraph (b) if made by a member of the Group),
in each case pursuant to which any payment is made by a member of the Group to a person which is not a member of the Group in respect of Investor Liabilities, unless:
 - (i) that action is not prohibited by the Debt Financing Agreements;

(ii) the relevant Liabilities Acquisition relates to Investor Liabilities (or rights, benefits and/or obligations in relation thereto) in respect of which a Payment could be made under Clause 7.2 (*Permitted Payments: Investor Liabilities*); or

7.5 Restrictions on enforcement: Investors

Subject to Clause 7.6 (*Permitted enforcement: Investors*):

(a) in the case of any Enforcement Action in respect of any Senior Parent Debt Proceeds Loan, such Enforcement Action is being taken by a Senior Parent Finance Party (or any agent, trustee or other representative on its behalf) and such Enforcement Action would be permitted to be taken by such person if such Enforcement Action were instead in respect of Senior Parent Liabilities and taken pursuant to Clause 6.8 (*Restrictions on enforcement by Senior Parent Creditors*) and Clause 6.9 (*Permitted Senior Parent enforcement*); or

(b) unless otherwise agreed by an Instructing Group,

the Investors shall not be entitled to take any Enforcement Action in respect of any Investor Liabilities at any time prior to the Final Discharge Date.

7.6 Permitted enforcement: Investors

Second Lien Financing Creditors and Second Lien Liabilities) and/or Clause 6 (*Senior Parent Creditors and Senior Parent Liabilities*));

8. INTRA-GROUP LENDERS AND INTRA-GROUP LIABILITIES

8.1 Restriction on Payment: Intra-Group Liabilities

Prior to the Final Discharge Date, the Debtors shall not, and the Parent shall procure that no other member of the Group will, make any Payments of the Intra-Group Liabilities at any time unless:

 - (i) an Instructing Group consents to that Payment being made; or
 - (ii) in relation to each Debt Financing Agreement that prohibits that Payment being made, the requisite Senior Secured Creditors or, as the case may be, Senior Parent Creditors under that Debt Financing Agreement consent to that action; or

8.4 Acquisition of Intra-Group Liabilities

(a) Subject to paragraph (b) below, each Debtor may, and may permit any other member of the Group to:

- (i) enter into any Liabilities Acquisition; or
- (ii) beneficially own all or any part of the share capital of a company that is party to a Liabilities Acquisition, in respect of any Intra-Group Liabilities at any time.

8.5 Security: Intra-Group Lenders

Prior to the Final Discharge Date, the Intra-Group Lenders may not take, accept or receive the benefit of any Security, guarantee, indemnity or other assurance against loss in respect of the Intra-Group Liabilities unless:

- (a) that Security, guarantee, indemnity or other assurance against loss is not prohibited by the Debt Financing Agreements;

- (b) prior to the First/Second Lien Discharge Date, in relation to each Senior Financing Agreement that prohibits that Security, guarantee, indemnity or other assurance against loss, the requisite Senior Secured Creditors under that Senior Financing Agreement consent to that Security, guarantee, indemnity or other assurance against loss; or

8.7 Permitted enforcement: Intra-Group Lenders

After the occurrence of an Insolvency Event in relation to any Group Company, each Intra-Group Lender may (unless otherwise directed by the Security Agent or unless the Security Agent has taken, or has given notice that it intends to take, action on behalf of that Intra-Group Lender in accordance with Clause 9.5 (*Filing of claims*)), exercise any right it may otherwise have against that Group Company to:

Notwithstanding anything to the contrary in this Agreement or any other Secured Debt Document and without imposing any additional obligation or restriction on any member of the Group, nothing in this Agreement (including this Clause 8 or Clause 19 (*Changes to the Parties*)) or any other Secured Debt Document shall prohibit or restrict any capitalisation, forgiveness, write-off, waiver, release, transfer or other discharge of any Intra-Group Liabilities (or any amounts due, payable or owing in connection therewith) or any other amount due, payable or owing by one member of the Group to another member of the Group, in the case of Intra-Group Liabilities unless an Acceleration Event has occurred and is continuing and the Security Agent (acting on the instructions of an Instructing Group) has delivered a written notice to the Parent stating that no such action shall be permitted without the prior consent of an Instructing Group.

9. EFFECT OF INSOLVENCY EVENT

9.1 SFA Cash Cover

This Clause 9 is subject to Clause 15.4 (*Turnover of enforcement proceeds*) and, in the case of a Notes Trustee only, to Clause 26.1 (*Liability*).

9.2 Payment of distributions

- (a) After the occurrence of an Insolvency Event in relation to any Debtor or Third Party Security Provider or, following an Acceleration Event which is continuing, any member of the Group, any Party entitled to receive a distribution out of the assets of that member of the Group or (to the extent arising from any Third Party Security) Third Party Security Provider in respect of Liabilities owed to that Party shall (in the case of any Creditor or Operating Facility Lender, only to the extent that such distribution would otherwise constitute a receipt or recovery of a type subject to the provisions of Clause 10.2 (*Turnover by the Creditors*)) and, in all cases if prior to a Distress Event, only if required by the Security Agent acting on the instructions of an Instructing Group), subject to receiving payment instructions and any other relevant information from the Security Agent and to the extent it is able to do so, direct the person responsible for the distribution of the assets of that member of the Group or Third Party Security Provider to pay that distribution to the Security Agent until the Liabilities owing to the Secured Parties have been paid in full.
- (b) The Security Agent shall apply distributions paid to it under paragraph (a) above in accordance with Clause 14 (*Application of proceeds*).

9.3 Set-Off

- (a) Subject to paragraph (b) below, to the extent that any member of the Group's or Third Party Security Provider's Liabilities are discharged by way of set-off (mandatory or otherwise) after the occurrence of an Insolvency Event in relation to that member of the Group, any Creditor and any Operating Facility Lender which benefited from that set-off shall (in the case of any Creditor or Operating Facility Lender, only to the extent that the relevant discharge constitutes a receipt or recovery of a type subject to the provisions of Clause 10.2 (*Turnover by the Creditors*)) and, in all cases if prior to a Distress Event, only if required by the Security Agent acting on the instructions of an Instructing Group), subject to receiving payment instructions and any other relevant information from the Security Agent, pay an amount equal to the amount of the Liabilities owed to it which are discharged by that set-off to the Security Agent for application in accordance with Clause 14 (*Application of proceeds*).
- (b) Paragraph (a) above shall not apply to:

 - (iii) any Payment Netting by a Hedge Counterparty or a Hedging Ancillary Lender;

9.4 Non-cash distributions

Subject to Clause 13.1 (*Non-Distressed Disposals*) and Clause 13.2 (*Distressed Disposals*), if the Security Agent or any other Secured Party receives a distribution in a form other than in cash in respect of any of the Liabilities, the Liabilities will not be reduced by that distribution until and except to the extent that the realisation proceeds are actually applied towards the Liabilities.

9.5 Filing of claims

Without prejudice to any Ancillary Lender's right of netting or set-off relating to a Multi-account Overdraft Facility (to the extent that the netting or set-off represents a reduction from a Permitted Gross Amount of that Multi-account Overdraft Facility to or towards its Designated Net Amount), after the occurrence of an Insolvency Event in relation to any Debtor or Third Party Security Provider (or, following an Acceleration Event which is continuing, any member of the Group), each Creditor and each Operating Facility Lender (in the case of a Senior Parent Creditor, to the extent relating to or affecting the Shared Security or the assets secured by such Security only) irrevocably authorises the Security Agent (acting in accordance with Clause 9.7 (*Security Agent instructions*)), on its behalf, to:

- (a) take any Enforcement Action (in accordance with the terms of this Agreement) against that member of the Group or Third Party Security Provider;

- (d) file claims, take proceedings and do all other things the Security Agent considers reasonably necessary to recover that member of the Group's or Third Party Security Provider's Liabilities.

9.6 Creditors' actions

Each Creditor and each Operating Facility Lender will:

- (a) do all things that the Security Agent (acting in accordance with Clause 9.7 (*Security Agent instructions*)) reasonably requests in order to give effect to this Clause 9; and
- (b) if the Security Agent is not entitled to take any of the actions contemplated by this Clause 9 or if the Security Agent (acting in accordance with Clause 9.7 (*Security Agent instructions*)) requests that a Creditor or an Operating Facility Lender take that action, undertake that action itself in accordance with the instructions of the Security Agent (acting in accordance with Clause 9.7 (*Security Agent instructions*)) or grant a power of attorney to the Security Agent (on such terms as the Security Agent (acting in accordance with Clause 9.7 (*Security Agent instructions*)) may reasonably require, although no Notes Trustee shall be under any obligation to grant such powers of attorney) to enable the Security Agent to take such action.

9.7 Security Agent instructions

For the purposes of Clause 9.5 (*Filing of claims*) and Clause 9.6 (*Creditors' actions*) the Security Agent shall act:

- (a) (except in relation to a Senior Parent Debt Issuer to the extent relating to Liabilities in respect of Senior Parent Notes and/or Permitted Parent Financing Debt where that Senior Parent Debt Issuer is the issuer or, as the case may be, the borrower) on the instructions of the group of Primary Creditors entitled, at that time, to give instructions under Clause 12.2 (*Enforcement instructions*) or Clause 12.3 (*Manner of enforcement*); or
- (b) in the absence of any such instructions, as the Security Agent sees fit.

10. TURNOVER OF RECEIPTS

Subject to Clause 10.3 (*Exclusions*), Clause 10.4 (*Permitted assurance and receipts*), Clause 16 (*Additional debt*) and, in the case of a Notes Trustee only, to Clause 26.1 (*Liability*), if at any time prior to the Final Discharge Date, any Creditor or Operating Facility Lender receives or recovers from any member of the Group or (in relation to any Third Party Security) any Third Party Security Provider:

- (a) any Payment or distribution of, or on account of or in relation to:
 - (i) any of the Liabilities which is prohibited by the terms of this Agreement; or
 - (ii) following the occurrence of a Senior Distress Event which is continuing, any Senior Lender Liabilities, Hedging Liabilities, Senior Notes Liabilities, Permitted Senior Financing Liabilities or Operating Facility Liabilities;
- (b) other than where Clause 9.3 (*Set-Off*) applies, any amount by way of set-off in respect of any of the Liabilities owed to it which does not give effect to a Permitted Payment (or another payment or distribution not otherwise prohibited by the terms of this Agreement);
- (c) notwithstanding paragraphs (a) and (b) above, and other than where Clause 9.3 (*Set-Off*) applies, any amount:
 - (i) on account of, or in relation to, any of the Liabilities after the occurrence of a Distress Event (including as a result of any litigation or proceedings against a member of the Group or Third Party Security Provider, other than after the occurrence of an Insolvency Event in respect of that member of the Group or Third Party Security Provider); or
 - (ii) by way of set-off in respect of any of the Liabilities owed to it after the occurrence of a Distress Event, other than, in each case:

(A) any amount received or recovered in accordance with Clause 14 (*Application of proceeds*); and

(B) in the case of Intra-Group Liabilities, any amount received or recovered in accordance with Clause 8 (*Intra-Group Lenders and Intra-Group Liabilities*) (to the extent permitted to be received or recovered notwithstanding that an Acceleration Event is continuing);

(d) the proceeds of any enforcement of any Transaction Security except in accordance with Clause 14 (*Application of proceeds*); or

(e) other than where Clause 9.3 (*Set-Off*) or Clause 16 (*Additional debt*) applies, any distribution in cash or in kind or Payment of, or on account of or in relation to, any of the Liabilities owed by any member of the Group or Third Party Security Provider which is not in accordance with Clause 14 (*Application of proceeds*) and which is made as a result of, or after, the occurrence of an Insolvency Event in respect of that member of the Group or Third Party Security Provider,

that Creditor or Operating Facility Lender will (in the case of any receipts and recoveries referred to in paragraph (e) above, if a Distress Event has not occurred, only if required by the Security Agent acting on the instructions of an Instructing Group):

(i) in relation to receipts and recoveries not received or recovered by way of set-off:

(A) hold an amount of that receipt or recovery equal to the Relevant Liabilities (or if less, the amount received or recovered) on trust for the Security Agent and, subject to receiving payment instructions and any other relevant information from the Security Agent, promptly pay that amount to the Security Agent for application in accordance with the terms of this Agreement; and

(B) subject to receiving payment instructions and any other relevant information from the Security Agent, promptly pay an amount equal to the amount (if any) by which the receipt or recovery exceeds the Relevant Liabilities to the Security Agent for application in accordance with the terms of this Agreement; and

(ii) in relation to receipts and recoveries received or recovered by way of set-off, subject to receiving payment instructions and any other relevant information from the Security Agent, promptly pay an amount equal to that recovery to the Security Agent for application in accordance with the terms of this Agreement.

10.3 Exclusions

(iii) Inter-Hedging Agreement Netting by a Hedge Counterparty; or

(iv) Inter-Hedging Ancillary Document Netting by a Hedging Ancillary Lender; or

(c) made in accordance with Clause 15 (*Equalisation*);

(d) to the extent that such receipt or recovery was funded directly or indirectly with Permitted Senior Financing Debt, Permitted Second Lien Financing Debt, Permitted Parent Financing Debt and/or the proceeds of any indebtedness incurred under or pursuant to any Senior Notes and/or Senior Parent Notes;

(e) in respect of funds received by the Security Agent for its own account; or

(f) that has been distributed by a Senior Notes Trustee to the Senior Noteholders in accordance with the Senior Notes Finance Documents or by a Senior Parent Notes Trustee to the Senior Parent Noteholders in accordance with the Senior Parent Finance Documents, unless the Senior Notes Trustee or the Senior Parent Notes Trustee, as applicable, had received at least two Business Days' prior notice that an Acceleration Event or an Insolvency Event has occurred in relation to a Debtor or that the receipt or recovery falls within Clause 10.2 (*Turnover by the Creditors*) in each case prior to distribution of the relevant amount.

10.4 Permitted assurance and receipts

Nothing in this Agreement shall restrict the ability of any Primary Creditor, Operating Facility Lender or Investor to:

(a) arrange with any person which is not a member of the Group or Third Party Security Provider any assurance against loss in respect of, or reduction of its credit exposure to, a Debtor (including assurance by way of credit based derivative or sub participation); or

(b) make any assignment or transfer permitted by Clause 19 (*Changes to the Parties*),

which:

(i) is not prohibited by any Debt Financing Agreement; and

(ii) is not in breach of:

(A) Clause 4.5 (*No acquisition of Hedging Liabilities*); or

(B) Clause 7.4 (*No acquisition of Investor Liabilities*),

and that Primary Creditor, Operating Facility Lender or Investor shall not be obliged to account to any other Party for any sum received by it as a result of that action.

10.5 Sums received by Debtors and Third Party Security Providers

If any of the Debtors or (to the extent arising from any Third Party Security) any Third Party Security Provider receives or recovers any sum which, under the terms of any of the Secured Debt Documents, should have been paid to the Security Agent, that Debtor or Third Party Security Provider will:

- (a) hold an amount of that receipt or recovery equal to the Relevant Liabilities (or if less, the amount received or recovered) on trust for the Security Agent and, unless otherwise agreed by the Security Agent and subject to receiving payment instructions and any other relevant information from the Security Agent, promptly pay that amount to the Security Agent for application in accordance with the terms of this Agreement; and
- (b) unless otherwise agreed by the Security Agent and subject to receiving payment instructions and any other relevant information from the Security Agent, promptly pay an amount equal to the amount (if any) by which the receipt or recovery exceeds the Relevant Liabilities to the Security Agent for application in accordance with the terms of this Agreement.

10.6 Saving provision

If, for any reason, any of the trusts expressed to be created in this Clause 10 should fail or be unenforceable, the affected Creditor, Operating Facility Lender, Debtor or Third Party Security Provider will, unless otherwise agreed by the Security Agent and subject to receiving payment instructions and any other relevant information from the Security Agent, promptly pay an amount equal to that receipt or recovery to the Security Agent for application in accordance with the terms of this Agreement.

11. REDISTRIBUTION

11.1 Recovering Creditor's rights

- (a) Any amount paid by a Creditor or an Operating Facility Lender (a "**Recovering Creditor**") to the Security Agent under Clause 9 (*Effect of Insolvency Event*) or Clause 10 (*Turnover of Receipts*) shall be treated as having been paid by the relevant Debtor or Third Party Security Provider and distributed to the Security Agent, other Agents, Arrangers, Primary Creditors and Operating Facility Lenders (each a "**Sharing Creditor**") in accordance with the terms of this Agreement.
- (b) On a distribution by the Security Agent under paragraph (a) above of a Payment received by a Recovering Creditor from a Debtor or Third Party Security Provider, as between the relevant Debtor or Third Party Security Provider and the Recovering Creditor an amount equal to the amount received or recovered by the Recovering Creditor and paid to the Security Agent (the "**Shared Amount**") will be treated as not having been paid by that Debtor or Third Party Security Provider (as applicable).

11.2 Reversal of redistribution

- (a) If any part of the Shared Amount received or recovered by a Recovering Creditor becomes repayable to a Debtor or Third Party Security Provider and is repaid by that Recovering Creditor to that Debtor or Third Party Security Provider, then:
 - (i) each Sharing Creditor shall, upon request of the Security Agent, pay to the Security Agent for the account of that Recovering Creditor an amount equal to the appropriate part of its share of the

Shared Amount (together with an amount as is necessary to reimburse that Recovering Creditor for its proportion of any interest on the Shared Amount which that Recovering Creditor is required to pay) (the "**Redistributed Amount**"); and

- (ii) as between the relevant Debtor or Third Party Security Provider, each Recovering Creditor and each relevant Sharing Creditor, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Debtor or Third Party Security Provider.

(b) The Security Agent shall not be obliged to pay any Redistributed Amount to a Recovering Creditor under paragraph (a)(i) above until it has been able to establish to its satisfaction that it has actually received that Redistributed Amount from the relevant Sharing Creditor.

11.3 Deferral of subrogation

(a) No Creditor, Operating Facility Lender, Debtor or (to the extent relating to any Third Party Security) Third Party Security Provider will exercise any rights which it may have by reason of the performance by it of its obligations under the Debt Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights under the Debt Documents of any Creditor or Operating Facility Lender which ranks ahead of it in accordance with the priorities set out in Clause 2 (*Ranking and priority*) until such time as all of the Liabilities owing to each prior ranking Creditor and Operating Facility Lender (or, in the case of any Debtor or Third Party Security Provider, owing to each Creditor and Operating Facility Lender) have been irrevocably paid in full.

(b) No Investor or Intra-Group Lender will exercise any rights which it may have to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights under the Debt Documents of any other prior ranking Creditor or Operating Facility Lender until such time as all of the Liabilities owing to each prior ranking Creditor and Operating Facility Lender have been irrevocably paid in full.

12. ENFORCEMENT OF TRANSACTION SECURITY

12.1 SFA Cash Cover

This Clause 12 is subject to Clause 14.4 (*Treatment of SFA Cash Cover and Senior Lender cash collateral*).

12.2 Enforcement instructions

(a) The Security Agent may refrain from enforcing the Transaction Security unless instructed otherwise by:

- (i) an Instructing Group;
- (ii) if required under paragraph (c) below, the Enhanced Majority Second Lien Creditors; or
- (iii) if required under paragraph (d) below, the Majority Senior Parent Creditors.

may give or refrain from giving instructions to the Security Agent to enforce or refrain from enforcing the Transaction Security as they see fit.

(c) Prior to the Senior Discharge Date:

(i) if an Instructing Group has instructed the Security Agent not to enforce or to cease enforcing the Transaction Security; or

(ii) in the absence of instructions from an Instructing Group,

and, in each case, an Instructing Group has not required any Debtor or Third Party Security Provider to make a Distressed Disposal, the Security Agent shall give effect to any instructions to enforce the Transaction Security which the Enhanced Majority Second Lien Creditors are then entitled to give to the Security Agent under Clause 5.8 (*Permitted Second Lien enforcement*).

(d) Prior to the First/Second Lien Discharge Date:

(i) if an Instructing Group has instructed the Security Agent not to enforce or to cease enforcing the Transaction Security; or

(ii) in the absence of instructions from an Instructing Group,

and, in each case, an Instructing Group has not required any Debtor or Third Party Security Provider to make a Distressed Disposal, the Security Agent shall give effect to any instructions to enforce the Shared Security which the Majority Senior Parent Creditors are then entitled to give to the Security Agent under Clause 6.9 (*Permitted Senior Parent enforcement*).

(e) The Security Agent is entitled to rely on and comply with instructions given in accordance with this Clause 12.2.

(f) Subject to Clause 12.6 (*Security held by other Creditors*), no Secured Party:

(i) shall have any independent power to enforce, or to have recourse to, any Transaction Security or to exercise any rights or powers arising under the Security Documents; or

(ii) may enforce or have recourse to any Transaction Security,

except through the Security Agent in the manner contemplated by this Agreement.

12.3 Manner of enforcement

If the Transaction Security is being enforced pursuant to Clause 12.2 (*Enforcement instructions*), the Security Agent shall enforce the Transaction Security in such manner (including, without limitation, the selection of any administrator, examiner or equivalent officer of any Debtor or Third Party Security Provider to be appointed by the Security Agent) as:

(a) an Instructing Group;

(b) prior to the Senior Discharge Date, if:

(i) the Security Agent has, pursuant to paragraph (c) of Clause 12.2 (*Enforcement instructions*), given effect to instructions given by the Enhanced Majority Second Lien Creditors to enforce the Transaction Security; and

(ii) an Instructing Group has not given instructions as to the manner of enforcement of the Transaction Security,

the Enhanced Majority Second Lien Creditors; or

(c) prior to the First/Second Lien Discharge Date, if:

(ii) an Instructing Group has not given instructions as to the manner of enforcement of the Transaction Security,

the Majority Senior Parent Creditors,

shall instruct or, in the absence of any such instructions, as the Security Agent sees fit (it being understood that, absent such instructions the Security Agent may elect to take no action).

12.4 Exercise of voting rights

(a) To the fullest extent permitted under applicable law, each Creditor (other than any Notes Trustee and, in the case of a Senior Parent Creditor, to the extent relating to or affecting the Shared Security or the assets secured by the Shared Security only) and each Operating Facility Lender agrees with the Security Agent that it will cast its vote in any proposal put to the vote by or under the supervision of any judicial or supervisory authority in respect of any insolvency, pre insolvency or rehabilitation or similar proceedings relating to any member of the Group or Third Party Security Provider as instructed by the Security Agent.

(b) The Security Agent shall give instructions for the purposes of paragraph (a) above as directed by an Instructing Group.

(c) Nothing in this Clause 12.4 entitles any Party to exercise or require any other Creditor or Operating Facility Lender to exercise such power of voting or representation to waive, reduce, discharge, extend the due date for payment or otherwise reschedule any of the Liabilities owed to that Creditor or Operating Facility Lender.

12.5 Waiver of rights

To the extent permitted under applicable law and subject to Clause 12.2 (*Enforcement instructions*), Clause 12.3 (*Manner of enforcement*), Clause 14 (*Application of proceeds*) and paragraph (c) of Clause 13.2 (*Distressed Disposals*), each of the Secured Parties, the Debtors and the Third Party Security Providers waives all rights it may otherwise have to require that the Transaction Security be enforced in any particular order or manner or at any particular time or that any sum received or recovered from any person, or by

virtue of the enforcement of any of the Transaction Security or of any other security interest, which is capable of being applied in or towards discharge of any of the Secured Obligations is so applied.

12.6 Security held by other Creditors

If any Transaction Security is held by a Creditor or Operating Facility Lender other than the Security Agent, then that Creditor or Operating Facility Lender may only enforce that Transaction Security in accordance with instructions given by an Instructing Group pursuant to this Clause 12 (and, for this purpose, reference to the "**Security Agent**" shall be construed as references to that Creditor or Operating Facility Lender).

12.7 Consultation Period

- (a) Subject to paragraph (b) below, before giving any instructions to the Security Agent to enforce the Transaction Security or refrain or cease from enforcing the Transaction Security or to take any other Enforcement Action, the Agent(s) of the Creditors represented in the Instructing Group concerned (and, if applicable, any relevant Hedge Counterparties) shall consult with each other Agent, each other Hedge Counterparty, each Operating Facility Lender and the Security Agent in good faith about the instructions to be given by the Instructing Group for a period of not less than five Business Days (or, in the case of any consultation involving a Senior Notes Trustee, a Senior Parent Notes Trustee or a Creditor Representative in respect of any high yield notes, debt securities or other similar instruments, 15 days) from the date on which details of the proposed instructions are received by such Agents, Hedge Counterparties, Operating Facility Lenders and the Security Agent (or such shorter period as each Agent, Hedge Counterparty, Operating Facility Lender and the Security Agent shall agree) (the "**Consultation Period**"), and only following the expiry of a Consultation Period shall the Instructing Group be entitled to give any instructions to the Security Agent to enforce the Transaction Security or refrain or cease from enforcing the Transaction Security or take any other Enforcement Action.
- (b) No Agent or Hedge Counterparty shall be obliged to consult in accordance with paragraph (a) above and an Instructing Group shall be entitled to give any instructions to the Security Agent to enforce the Transaction Security or take any other Enforcement Action prior to the end of a Consultation Period (in each case provided that such instructions are consistent with any applicable requirements of this Agreement and the Security Documents) if:
- (i) the Transaction Security has become enforceable as a result of an Insolvency Event; or
 - (ii) the Instructing Group or any Agent of the Creditors represented in the Instructing Group determines in good faith (and notifies each other Agent, the Hedge Counterparties and the Security Agent) that to enter into such consultations and thereby delay the commencement of enforcement of the Transaction Security would reasonably be expected to have a material adverse effect on:
 - (A) the Security Agent's ability to enforce any of the Transaction Security; or
 - (B) the realisation proceeds of any enforcement of the Transaction Security,
- and, where this paragraph (b) applies:
- (I) any instructions shall be limited to those necessary to protect or preserve the interests of the Senior Secured Creditors on behalf of which the relevant Instructing

Group is acting in relation to the matters referred to in paragraphs (A) and (B) above; and

(II) the Security Agent shall act in accordance with the instructions first received.

(c) As soon as reasonably practicable following receipt of any instructions from an Instructing Group to enforce the Transaction Security, refrain or cease from enforcing the Transaction Security or, as the case may be, take any other Enforcement Action, the Security Agent shall provide a copy of such instructions to each Agent, Hedge Counterparty and Operating Facility Lender (unless it received those instructions from that person).

12.8 Duties owed

Each of the Secured Parties and the Debtors and the Third Party Security Providers acknowledges that, in the event that the Security Agent enforces or is instructed to enforce the Transaction Security prior to the First/Second Lien Discharge Date, the duties of the Security Agent and of any Receiver or Delegate owed to the Senior Parent Creditors in respect of the method, type and timing of that enforcement or of the exploitation, management or realisation of any of that Transaction Security shall, subject to paragraph (c) of Clause 13.2 (*Distressed Disposals*), be no different to or greater than the duty that is owed by the Security Agent, Receiver or Delegate to the Debtors or Third Party Security Providers under general law.

13. PROCEEDS OF DISPOSALS AND ADJUSTMENT OF MANDATORY PREPAYMENTS

13.1 Non-Distressed Disposals

(a) The Security Agent (on behalf of itself and the Secured Parties) hereby agrees (and is irrevocably authorised and instructed to do so without any consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender or Debtor) that it shall (at the request and cost of the relevant Debtor, Third Party Security Provider or the Parent) promptly release (or procure that any other relevant person releases) from the Transaction Security and the Secured Debt Documents:

(i) any Security (and/or any other claim relating to a Debt Document) over any asset which is the subject of:

(A) a disposal not prohibited by the terms of any Debt Financing Agreement (including a disposal to a member of the Group), but without prejudice to any obligation of any member of the Group in a Debt Financing Agreement to provide replacement security; or

(B) any other transaction not prohibited by the terms of any Debt Financing Agreement pursuant to which that asset will cease to be held or owned by a member of the Group or a Third Party Security Provider;

(ii) any Security (and/or any other claim relating to a Debt Document) over any document or other agreement requested in order for any member of the Group or any Third Party Security Provider to effect any amendment or waiver in respect of that document or agreement or otherwise exercise any rights, comply with any obligations or take any action in relation to that document or agreement (in each case to the extent not prohibited by the terms of any Debt Financing Agreement);

- (iii) any Security (and/or any other claim relating to a Debt Document) over any asset of any member of the Group which has ceased to be a Debtor or Third Party Security Provider (or will cease to be a Debtor or Third Party Security Provider simultaneously with such release); and
- (iv) any Security (and/or any other claim relating to a Debt Document) over any other asset to the extent that such release is in accordance with the terms of the Debt Financing Agreements.

In the case of a disposal of shares or other ownership interests in a Debtor or Third Party Security Provider (or any Holding Company of any Debtor or Third Party Security Provider), or any other transaction pursuant to which a Debtor or Third Party Security Provider (or any Holding Company of any Debtor or Third Party Security Provider) will cease to be a member of the Group or a Debtor or Third Party Security Provider (including, without limitation, pursuant to Clause 19.13 (*Resignation of a Debtor*) or Clause 19.15 (*Cessation of Third Party Security Provider*)), the Security Agent (on behalf of itself and the Secured Parties) hereby agrees (and is irrevocably authorised and instructed to do so without any consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party, Debtor or Third Party Security Provider) that it shall (at the request and cost of the relevant Debtor, Third Party Security Provider or the Parent) promptly release (or procure that any other relevant person releases) that Debtor or Third Party Security Provider and, in each case, its Subsidiaries from all present and future liabilities (both actual and contingent) under the Secured Debt Documents and the respective assets of such Debtor or Third Party Security Provider and, in each case, its Subsidiaries (and the shares in any such Debtor, Third Party Security Provider and/or Subsidiary) from the Transaction Security and the Secured Debt Documents (including any claim relating to a Debt Document and any Guarantee Liabilities or Other Liabilities).

(b) When making any request for a release pursuant to paragraph (a)(i), (ii) or (iv) above, the Parent shall confirm in writing to the Security Agent that:

- (i) in the case of any release requested pursuant to paragraph (a)(i) or (ii) above, the relevant disposal or other action is not prohibited by the terms of any Debt Financing Agreement; or
- (ii) in the case of any release requested pursuant to paragraph (a)(iv) above, the relevant release is in accordance with the terms of the Debt Financing Agreements,

and the Security Agent shall be entitled to rely on that confirmation for all purposes under the Secured Debt Documents.

(c) The Security Agent shall (at the cost and expense of the relevant Debtor or the Parent but without the need for any further consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor) promptly enter into (or procure that any relevant person enters into) and deliver such documentation and/or take such other action as the Parent (acting reasonably) shall require to give effect to any release or other matter contemplated by this Clause 13.1 (including the issuance of any certificates of non-crystallisation of floating charges, any consent to dealing or any other similar or equivalent document that may be required or desirable).

- (d) Without prejudice to the foregoing and for the avoidance of doubt, if requested by the Parent in accordance with the terms of any of the Debt Financing Agreements (and provided that the requested action is not expressly prohibited by any of the other Debt Financing Agreements), the Security Agent and the other Creditors and Operating Facility Lenders shall (at the cost of the relevant Debtor, Third Party Security Provider and/or the Parent) promptly execute any guarantee, security or other release and/or any amendment, supplement or other documentation relating to the Security Documents as contemplated by the terms of any of the Debt Financing Agreements (and the Security Agent is authorised to execute, and will promptly execute if requested by the Parent, without the need for any further consent, sanction, authority or further confirmation from any Creditor or Operating Facility Lender, any such release or document on behalf of the Creditors and the Operating Facility Lenders). When making any request pursuant to this paragraph (d) the Parent shall confirm in writing to the Security Agent that such request is in accordance with the terms of a Debt Financing Agreement (and the requested action is not expressly prohibited by any of the other Debt Financing Agreements) and the Security Agent shall be entitled to rely on that confirmation for all purposes under the Secured Debt Documents.
- (e) For the avoidance of doubt and notwithstanding anything to the contrary in any Debt Document, nothing in any Security Document shall operate or be construed so as to prevent any transaction, matter or other step not prohibited by the terms of this Agreement or the Debt Financing Agreements (a **"Permitted Action"**). The Security Agent (on behalf of itself and the Secured Parties) hereby agrees (and is irrevocably authorised and instructed to do so without any consent, sanction, authority or further confirmation from any Party) that it shall (at the request and cost of the relevant Debtor or the Parent) promptly execute any release or other document and/or take such other action under or in relation to any Debt Document (or any asset subject or expressed to be subject to any Security Document) as is requested by the Parent in order to complete, implement or facilitate a Permitted Action. In the event that the Parent makes any request pursuant to and in reliance on the preceding sentence, the Security Agent shall be permitted to request a confirmation from the Parent that the relevant transaction, matter or other step is a Permitted Action and the Security Agent shall be entitled to rely on that confirmation for all purposes under the Secured Debt Documents.
- (f) For the avoidance of doubt and notwithstanding anything to the contrary in the Senior Parent Finance Documents, if any member of the Group is required or permitted under the Senior Debt Documents to apply the proceeds of any disposal or other transaction in prepayment, redemption or any other discharge or reduction of any Senior Liabilities:
- (i) no such application of those proceeds shall require the consent of any Party or Senior Parent Creditor or will result in a direct or indirect breach of any Senior Parent Finance Document; and
 - (ii) any such application shall discharge in full any obligation to apply those proceeds in prepayment, redemption or any other discharge or reduction of any Senior Parent Liabilities.

This paragraph (f) is without prejudice to any right of any member of the Group to apply any proceeds of any disposal or other transaction in prepayment, redemption or any other discharge or reduction of any Senior Parent Liabilities to the extent permitted or contemplated by this Agreement or any other Senior Debt Document.

(g) The Security Agent is irrevocably authorised by each Secured Party to (and will on the request and at the cost of the Parent):

(i) release the Transaction Security; and

(ii) release each Investor, each Debtor and each other member of the Group from all liabilities, undertakings and other obligations under the Secured Debt Documents,

on the Final Discharge Date (or at any time following such date on the request of the Parent).

13.2 Distressed Disposals

(a) Subject to paragraphs (d), (e), (f) and (g) below, if a Distressed Disposal is being effected the Security Agent is irrevocably authorised (at the cost of the relevant Debtor, Third Party Security Provider or the Parent and without any consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party, Debtor or Third Party Security Provider):

(i) *release of Transaction Security/non-crystallisation certificates*: to release the Transaction Security or any other claim over the asset which is the subject of the Distressed Disposal and execute and deliver or enter into any release of that Transaction Security or claim and issue any letters of non-crystallisation of any floating charge or any consent to dealing that may, in the discretion of the Security Agent, be considered necessary or desirable;

(ii) *release of liabilities and Transaction Security on a share sale (Debtor)*: if the asset which is disposed of consists of shares in the capital of a Debtor, to release:

(A) that Debtor and any Subsidiary of that Debtor from all or any part of:

(I) its Borrowing Liabilities;

(II) its Guarantee Liabilities; and

(III) its Other Liabilities;

(B) any Transaction Security granted by that Debtor or any Subsidiary of that Debtor over any of its assets; and

(C) any other claim of any Investor, Intra-Group Lender or other Debtor over that Debtor's assets or over the assets of any Subsidiary of that Debtor,

on behalf of the relevant Creditors, Operating Facility Lenders, Third Party Security Providers, Debtors and Agents;

(iii) *release of liabilities and Transaction Security on a share sale (Holding Company)*: if the asset which is disposed of consists of shares in the capital of any Holding Company of a Debtor, to release:

(A) that Holding Company and any Subsidiary of that Holding Company from all or any part of:

(I) its Borrowing Liabilities;

(II) its Guarantee Liabilities; and

(III) its Other Liabilities;

(B) any Transaction Security granted by that Holding Company or any Subsidiary of that Holding Company over any of its assets; and

(C) any other claim of any Investor, Intra-Group Lender or other Debtor over that Holding Company's assets or over the assets of any Subsidiary of that Holding Company,

on behalf of the relevant Creditors, Operating Facility Lenders, Third Party Security Providers, Debtors and Agents;

(iv) *disposal of liabilities on a share sale*: if the asset which is disposed of consists of shares in the capital of a Debtor or the Holding Company of a Debtor and the Security Agent (acting in accordance with paragraph (h) below) decides to dispose of all or any part of:

(A) the Liabilities; or

(B) the Debtor Liabilities,

owed by that Debtor or Holding Company or any Subsidiary of that Debtor or Holding Company:

(I) (if the Security Agent, acting in accordance with paragraph (h) below, does not intend that any transferee of those Liabilities or Debtor Liabilities (the "**Transferee**") will be treated as a Primary Creditor or a Secured Party for the purposes of this Agreement), to execute and deliver or enter into any agreement to dispose of all or part of those Liabilities or Debtor Liabilities, provided that, notwithstanding any other provision of any Debt Document, the Transferee shall not be treated as a Primary Creditor or a Secured Party for the purposes of this Agreement; and

(II) (if the Security Agent, acting in accordance with paragraph (e) below, does intend that any Transferee will be treated as a Primary Creditor or a Secured Party for the purposes of this Agreement), to execute and deliver or enter into any agreement to dispose of:

(1) all (and not part only) of the Liabilities owed to the Primary Creditors and the Operating Facility Lenders; and

(2) all or part of any other Liabilities and the Debtor Liabilities,

on behalf of, in each case, the relevant Creditors, Operating Facility Lenders, Third Party Security Providers and Debtors;

(v) *transfer of obligations in respect of liabilities on a share sale*: if the asset which is disposed of consists of shares in the capital of a Debtor or the Holding Company of a Debtor (the "**Disposed Entity**") and the Security Agent (acting in accordance with paragraph (h) below) decides to transfer

to another Debtor (the "**Receiving Entity**") all or any part of the Disposed Entity's obligations or any obligations of any Subsidiary of that Disposed Entity in respect of:

(A) the Intra-Group Liabilities; or

(B) the Debtor Liabilities,

to execute and deliver or enter into any agreement to:

(I) transfer of all or part of the obligations in respect of those Intra-Group Liabilities or Debtor Liabilities on behalf of the relevant Intra-Group Lenders and Debtors to which those obligations are owed and on behalf of the Debtors which owe those obligations; and

(II) (if the Receiving Entity is a Holding Company of the Disposed Entity which is also a guarantor of Senior Liabilities) to accept the transfer of all or part of the obligations in respect of those Intra-Group Liabilities or Debtor Liabilities on behalf of the Receiving Entity or Receiving Entities to which the obligations in respect of those Intra-Group Liabilities or Debtor Liabilities are to be transferred.

- (b) The net proceeds of each Distressed Disposal (and the net proceeds of any disposal of Liabilities or Debtor Liabilities pursuant to paragraph (a)(iv) above) shall be paid to the Security Agent for application in accordance with Clause 14 (*Application of proceeds*) (to the extent that the asset disposed of constituted Charged Property, as if those proceeds were the proceeds of an enforcement of the Transaction Security and, to the extent that any disposal of Liabilities or Debtor Liabilities has occurred pursuant to paragraph (a)(iv)(II) above, as if that disposal of Liabilities or Debtor Liabilities had not occurred).
- (c) In the case of a Distressed Disposal (or a disposal of Liabilities pursuant to paragraph (a)(iv)(II) above) effected by or at the request of the Security Agent (acting in accordance with paragraph (h) below), the Security Agent shall take reasonable care to obtain a fair market price in the prevailing market conditions (though the Security Agent shall have no obligation to postpone any such Distressed Disposal or disposal of Liabilities in order to achieve a higher price).
- (d) Where Borrowing Liabilities, Guarantee Liabilities and/or Other Liabilities would otherwise be released pursuant to paragraph (a) above, the Creditor or Operating Facility Lender concerned may elect to have those Borrowing Liabilities, Guarantee Liabilities and/or, as the case may be, Other Liabilities transferred to the Parent in which case the Security Agent is irrevocably authorised (to the extent legally possible and at the cost of the relevant Debtor or the Parent and without any consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor) to execute such documents as are required to so transfer those Borrowing Liabilities, Guarantee Liabilities and/or, as the case may be, Other Liabilities.
- (e) Subject to paragraphs (f) and (g) below, in the case of a Distressed Disposal (or a disposal of Liabilities pursuant to paragraph (a)(iv)(II) above) effected by or at the request of the Security Agent (acting in accordance with paragraph (h) below), unless the consent of each Senior Agent is otherwise obtained, it is a further condition to any release, transfer or disposal under paragraph (a) above that:

- (i) the proceeds of such disposal are in cash (or substantially all in cash); and
 - (ii) such sale or disposal is made:
 - (A) pursuant to a Public Auction in respect of which the Primary Creditors are entitled to participate; or
 - (B) where a Financial Adviser selected by the Security Agent has delivered an opinion in respect of such sale or disposal that the amount received in connection therewith is fair from a financial point of view, taking into account all relevant circumstances, including the method of enforcement, provided that the liability of such Financial Adviser may be limited to the amount of its fees in respect of such engagement (it being acknowledged that the Security Agent shall have no obligation to select or engage any Financial Adviser unless it shall have been indemnified and/or secured and/or prefunded to its satisfaction).
- (f) If prior to the Permitted Second Lien Financing Discharge Date a Distressed Disposal is being effected such that any Second Lien Liabilities will be released or disposed of, or any Transaction Security securing the Second Lien Liabilities will be released, it is a further condition to the release that either:
- (i) each Second Lien Creditor Representative has approved the release; or
 - (ii) where shares or assets of a Second Lien Borrower or a Second Lien Guarantor are sold:
 - (A) the proceeds of such sale or disposal are in cash (or substantially in cash); and
 - (B) all claims of the Senior Creditors, the Senior Notes Creditors, the Permitted Senior Financing Creditors and the Operating Facility Lenders (other than in relation to performance bonds or guarantees or similar instruments) against a member of the Group (if any) all of whose shares (other than any minority interest not owned by members of the Group) are sold or disposed of pursuant to such Enforcement Action, are unconditionally released and discharged or sold or disposed of concurrently with such sale (and are not assumed by the purchaser or one of its Affiliates) and all Security under the Security Documents in respect of the assets that are sold or disposed of is simultaneously and unconditionally released and discharged concurrently with such sale, provided that if each of the Senior Facility Agent, any Senior Notes Trustee and any Senior Creditor Representative (acting reasonably and in good faith):
 - (I) determines that the Senior Secured Creditors will recover a greater amount if any such claim is sold or otherwise transferred to the purchaser or one of its Affiliates and not released and discharged; and
 - (II) serves a written notice on the Security Agent confirming the same,the Security Agent shall be entitled to sell or otherwise transfer such claim to the purchaser or one of its Affiliates; and
- (C) such sale or disposal is made:

(I) pursuant to a Public Auction in respect of which the Primary Creditors are entitled to participate; or

(II) where a Financial Adviser selected by the Security Agent has delivered an opinion in respect of such sale or disposal that the amount received in connection therewith is fair from a financial point of view, taking into account all relevant circumstances, including the method of enforcement, provided that the liability of such Financial Adviser may be limited to the amount of its fees in respect of such engagement (it being acknowledged that the Security Agent shall have no obligation to select or engage any Financial Adviser unless it shall have been indemnified and/or secured and/or prefunded to its satisfaction).

For the purposes of this Agreement, "**entitled to participate**" shall be interpreted to mean that any offer, or indication of a potential offer, that a holder of any Senior Liabilities or Senior Parent Liabilities makes shall be considered by those running the Public Auction against the same criteria as any offer, or indication of a potential offer, by any other bidder or potential bidder. For the avoidance of doubt, if, after having applied those same criteria, the offer or indication of a potential offer made by a holder of any Senior Liabilities or Senior Parent Liabilities is not considered by those running the Public Auction to be sufficient to continue in the sale process, such consideration being against the same criteria as any offer, or indication of a potential offer, by any other bidder or potential bidder (such continuation may include being invited to review additional information or being invited to have an opportunity to make a subsequent or revised offer, whether in another round of bidding or otherwise), then the right to participate which a holder of any Senior Liabilities or Senior Parent Liabilities under this Agreement shall be deemed to be satisfied.

(g) If prior to the Senior Parent Discharge Date a Distressed Disposal is being effected such that the Senior Parent Guarantees or any Shared Security over assets of a Senior Parent Debt Issuer or assets of or shares in any Senior Parent Guarantor will be released and/or any Senior Parent Liabilities will be released or disposed of, it is a further condition to the release that either:

(i) each Senior Parent Agent has approved the release; or

(ii) where shares or assets of a Senior Parent Guarantor or assets of a Senior Parent Debt Issuer are sold:

(A) the proceeds of such sale or disposal are in cash (or substantially in cash); and

(B) all claims of the Senior Secured Creditors and the Operating Facility Lenders (other than in relation to performance bonds or guarantees or similar instruments) against a member of the Group (if any) all of whose shares (other than any minority interest not owned by members of the Group) are sold or disposed of pursuant to such Enforcement Action, are unconditionally released and discharged or sold or disposed of concurrently with such sale (and are not assumed by the purchaser or one of its Affiliates) and all Security under the Security Documents in respect of the assets that are sold or disposed of is simultaneously

and unconditionally released and discharged concurrently with such sale, provided that if each Senior Agent (acting reasonably and in good faith):

- (I) determines that the Senior Secured Creditors will recover a greater amount if any such claim is sold or otherwise transferred to the purchaser or one of its Affiliates and not released and discharged; and
- (II) serves a written notice on the Security Agent confirming the same,

the Security Agent shall be entitled to sell or otherwise transfer such claim to the purchaser or one of its Affiliates; and

(C) such sale or disposal is made:

- (I) pursuant to a Public Auction in respect of which the Primary Creditors are entitled to participate; or
- (II) where a Financial Adviser selected by the Security Agent has delivered an opinion in respect of such sale or disposal that the amount received in connection therewith is fair from a financial point of view, taking into account all relevant circumstances, including the method of enforcement, provided that the liability of such Financial Adviser may be limited to the amount of its fees in respect of such engagement (it being acknowledged that the Security Agent shall have no obligation to select or engage any Financial Adviser unless it shall have been indemnified and/or secured and/or prefunded to its satisfaction).

For the purposes of this Agreement, "**entitled to participate**" shall be interpreted to mean that any offer, or indication of a potential offer, that a holder of any Senior Liabilities or Senior Parent Liabilities makes shall be considered by those running the Public Auction against the same criteria as any offer, or indication of a potential offer, by any other bidder or potential bidder. For the avoidance of doubt, if, after having applied those same criteria, the offer or indication of a potential offer made by a holder of any Senior Liabilities or Senior Parent Liabilities is not considered by those running the Public Auction to be sufficient to continue in the sale process, such consideration being against the same criteria as any offer, or indication of a potential offer, by any other bidder or potential bidder (such continuation may include being invited to review additional information or being invited to have an opportunity to make a subsequent or revised offer, whether in another round of bidding or otherwise), then the right to participate which a holder of any Senior Liabilities or Senior Parent Liabilities under this Agreement shall be deemed to be satisfied.

(h) For the purposes of paragraphs (a)(ii), (iii), (iv), (v), (c), (f) and (g) above, the Security Agent shall act:

(i) if the relevant Distressed Disposal is being effected by way of enforcement of the Transaction Security, in accordance with Clause 12.3 (*Manner of enforcement*); and

(ii) in any other case:

(A) on the instructions of an Instructing Group; or

(B) in the absence of any such instructions, as the Security Agent sees fit.

- (i) If any Transaction Security proposed to be released under this Clause 13.2 includes SFA Cash Cover, the Security created or evidenced, or expressed to be created or evidenced, under or pursuant to the relevant document in relation to such cash cover shall not be released without the consent of the Security Agent or the Issuing Bank or Ancillary Lender with which that SFA Cash Cover is held.

13.3 Claims and proceeds (before Distress Event)

- (a) So long as the requirements of paragraph (b) below are met (or the Parent has confirmed that if and when applicable they will be met), if any contractual, insurance or other claim is to be made, or is made, by a member of the Group prior to a Distress Event and that claim (or the proceeds of any such claim) is or are expressed to be subject to the Transaction Security, the Security Agent is irrevocably authorised (and shall at the request and the cost of the relevant Debtor or the Parent and without need of any letter of authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor) to:
- (i) give a consent under or release the Transaction Security, or any other claim, over any relevant document, policy or other asset to the extent necessary to allow that member of the Group to make that claim (and to allow each member of the Group to comply with any obligations in respect of that claim and those proceeds under the Secured Debt Documents); and
 - (ii) execute and deliver or enter into any such consent under or release of that Transaction Security, or claim, that may, in the discretion of the Parent, be necessary or desirable.
- (b) If any claim proceeds the subject of any action taken under paragraph (a)(i) or (ii) above are required to be applied in mandatory prepayment of any Senior Liabilities and/or Senior Parent Liabilities, then, subject to Clause 13.4 (*Adjustment of mandatory prepayments*), those proceeds shall be applied as required by the terms of the Secured Debt Documents (provided that, notwithstanding anything to the contrary in the Senior Parent Finance Documents, in the event of any conflict between the terms of the Senior Debt Documents and the Senior Parent Finance Documents, any application in accordance with the terms of the Senior Debt Documents shall satisfy all obligations of the Group in respect of such proceeds and no consent of any other Party or Creditor shall be required for that application).

13.4 Adjustment of mandatory prepayments

If the making of any mandatory prepayment by any member of the Group in respect of any of the Senior Lender Liabilities, the Senior Notes Liabilities, the Permitted Second Lien Financing Liabilities, the Senior Parent Notes Liabilities, the Permitted Senior Financing Liabilities, the Permitted Parent Financing Liabilities and/or the Operating Facility Liabilities (an "**Original Mandatory Prepayment**") would directly or indirectly result in a payment (a "**Hedge Reduction Payment**") being made to any Hedge Counterparty as a consequence of any close-out or termination (in whole or in part) which is intended to ensure that the maximum aggregate notional amount of any hedging does not exceed the maximum aggregate amount of any indebtedness or the exposure the subject of that hedging, if elected by the Parent, the maximum aggregate amount of the mandatory prepayment required to be made by the Group will be reduced so that the aggregate of:

- (a) the amount of the reduced mandatory prepayment; and
- (b) each Hedge Reduction Payment which would result from that reduced mandatory payment,

is equal to the amount of the Original Mandatory Prepayment.

13.5 Creditors', Third Party Security Providers' and Debtors' actions

(a) Each Creditor, Third Party Security Provider, Operating Facility Lender and Debtor will:

- (i) do all things that the Security Agent reasonably requests in order to give effect to this Clause 13 (which shall include, without limitation, the execution of any assignments, transfers, releases or other documents that the Security Agent may consider to be necessary to give effect to the releases or disposals contemplated by this Clause 13); and
- (ii) if the Security Agent is not entitled to take any of the actions contemplated by this Clause 13 or if the Security Agent requests that any Creditor, Third Party Security Provider, Operating Facility Lender, other Secured Party or Debtor take any such action, take that action itself in accordance with the instructions of the Security Agent,

provided that the proceeds of any relevant disposal or other step or action are applied in accordance with Clause 13.1 (*Non-Distressed Disposals*) or Clause 13.2 (*Distressed Disposals*) as the case may be.

(b) Each Secured Party irrevocably authorises and instructs the Security Agent (at the cost of the relevant Secured Party and without any consent, sanction, authority or further confirmation from any Secured Party) to be its agent to do anything which that Secured Party has authorised the Security Agent or any other Party to do under this Agreement or is itself required to do under this Agreement, but has failed to do (which shall include, without limitation, the execution of any assignments, transfers, releases or other documents that the Security Agent may consider to be necessary) to give effect to the release and disposals contemplated by this Clause 13.

14. APPLICATION OF PROCEEDS

14.3 Prospective liabilities

Following an Acceleration Event the Security Agent may, in its discretion, hold any amount of the Recoveries not in excess of the Expected Amount (as defined below) in an interest bearing suspense or impersonal account(s) in the name of the Security Agent with such financial institution (including itself) and for so long as the Security Agent shall think fit or until otherwise directed by an Instructing Group (the interest being credited to the relevant account) for later application under Clause 14.1 (*Order of application*) or, as the case may be, Clause 14.2 (*Liabilities of the Senior Parent Debt Issuer*) in respect of:

- (a) any sum to any Agent, any Receiver or any Delegate; and

14.4 Treatment of SFA Cash Cover and Senior Lender cash collateral

- (a) Nothing in this Agreement shall prevent any Issuing Bank or Ancillary Lender taking any Enforcement Action in respect of any SFA Cash Cover which has been provided for it in accordance with the Senior Facilities Agreement, a Permitted Senior Financing Agreement or an Operating Facility Document.
- (b) To the extent that any SFA Cash Cover is not held with the Relevant Issuing Bank or Relevant Ancillary Lender, all amounts from time to time received or recovered in connection with the realisation or enforcement of that SFA Cash Cover shall be paid to the Security Agent and shall be held by the Security Agent on trust to apply them at any time as the Security Agent (in its discretion) sees fit, to the extent permitted by applicable law, in the following order of priority:

(d) Nothing in this Agreement shall prevent any Issuing Bank receiving and retaining any amount in respect of any Senior Cash Collateral provided for it in accordance with the terms of the Senior Facilities Agreement or, as the case may be, a Permitted Senior Financing Agreement.

14.5 Investment of proceeds

Prior to the application of the proceeds of the Security Property in accordance with Clause 14.1 (*Order of application*) the Security Agent may, in its discretion, hold all or part of those proceeds (but not in excess of the amounts due or to become due, and while so held the excess of the interest charged on the Liabilities shall not exceed the interest earned on such account(s)) in an interest bearing suspense or impersonal account(s) in the name of the Security Agent with such financial institution (including itself) and for so long as the Security Agent shall think fit (the interest being credited to the relevant account) pending the application from time to time of those monies in the Security Agent's discretion in accordance with the provisions of this Clause 14.

14.6 Currency conversion

(a) For the purpose of, or pending the discharge of, any of the Secured Obligations the Security Agent may convert any moneys received or recovered by the Security Agent from one currency to another, at the Security Agent's Spot Rate of Exchange.

(b) The obligations of any Debtor or Third Party Security Provider to pay in the due currency shall only be satisfied to the extent of the amount of the due currency purchased after deducting the costs of conversion.

14.7 Permitted deductions

The Security Agent shall be entitled, in its discretion, to (a) set aside by way of reserve amounts required to meet and (b) make and pay, any deductions and withholdings (on account of taxes or otherwise) which it is or may be required by any applicable law to make from any distribution or payment made by it under this Agreement, and to pay all Taxes which may be assessed against it in respect of any of the Charged Property, or as a consequence of performing its duties, or by virtue of its capacity as Security Agent under any of the Debt Documents or otherwise (other than in connection with its remuneration for performing its duties under this Agreement).

14.8 Good discharge

(a) Any payment to be made in respect of the Secured Obligations by the Security Agent:

(i) may be made to the relevant Agent on behalf of its Creditors;

(ii) may be made to the Relevant Issuing Bank or Relevant Ancillary Lender in accordance with paragraph (b)(i) of Clause 14.4 (*Treatment of SFA Cash Cover and Senior Lender cash collateral*);

(iii) shall be made directly to the Operating Facility Lenders; or

and any payment made in that way shall be a good discharge, to the extent of that payment, by the Security Agent.

(b) The Security Agent is under no obligation to make the payments to the Agents, the Operating Facility Lenders or the Hedge Counterparties under paragraph

(a) above in the same currency as that in which the Liabilities owing to the relevant Creditor or Operating Facility Lender are denominated.

14.9 Calculation of amounts

For the purpose of calculating any person's share of any sum payable to or by it, the Security Agent shall be entitled to:

(a) notionally convert the Liabilities owed to any person into a common base currency (decided in its discretion by the Security Agent), that notional conversion to be made at the Security Agent's Spot Rate of Exchange in respect of the conversion of the actual currency of the Liabilities owed to that person at the time at which that calculation is to be made into the notional base currency; and

(b) assume that all moneys received or recovered as a result of the enforcement or realisation of the Security Property are applied in discharge of the Liabilities in accordance with the terms of the Debt Documents under which those Liabilities have arisen.

15. EQUALISATION

15.1 Equalisation definitions

For the purposes of this Clause 15:

"Enforcement Date" means the first date (if any) on which a Secured Party takes Enforcement Action of the type described in paragraph (a)(i), (iii), (iv) or (c) of the definition of **"Enforcement Action"** in accordance with the terms of this Agreement.

"Exposure" means:

(a) in relation to a Senior Lender or a Permitted Senior Financing Creditor, the aggregate amount of its participation (if any, and without double counting) in all utilisations outstanding under the Senior Facilities Agreement or, as the case may be, the Permitted Senior Financing Agreement at the Enforcement Date (whether by way of loan, Letter of Credit or otherwise and assuming all contingent liabilities which have become actual liabilities since the Enforcement Date to have been actual liabilities at the Enforcement Date (but not including, for these purposes only, any interest that would have accrued from the Enforcement Date to the date of actual maturity in respect of those liabilities) and assuming any transfer of claims in respect of amounts outstanding under each Ancillary Facility (and any related facilities under which the Ancillary Facilities are provided) in accordance with the terms of the Senior Facilities Agreement or, as the case may be, any Permitted Senior Financing Agreement which has taken place since the Enforcement Date to have taken place at the Enforcement Date) together with the aggregate amount of all accrued interest, fees and commission owed to it under the Senior Facilities Agreement or, as the case may be, any

Permitted Senior Financing Agreement and amounts owed to it by a Debtor in respect of any Ancillary Facility but excluding:

- (i) any amount owed to it by a Debtor in respect of any Ancillary Facility to the extent that that amount would not be outstanding but for a breach by that Senior Lender or, as the case may be, Permitted Senior Financing Creditor of any provision of clause 9 (*Ancillary Facilities*) of the Senior Facilities Agreement or any equivalent provision of any relevant Permitted Senior Financing Agreement;
- (ii) any amount owed to it by a Debtor in respect of any Ancillary Facility to the extent (and in the amount) that SFA Cash Cover has been provided by a Debtor in respect of that amount and is available to that Senior Lender or, as the case may be, Permitted Senior Financing Creditor pursuant to the relevant SFA Cash Cover Document; and
- (iii) any amount outstanding in respect of a Letter of Credit to the extent (and in the amount) that SFA Cash Cover has been provided by a Debtor in respect of that amount and is available to that Senior Lender or, as the case may be, Permitted Senior Financing Creditor pursuant to the relevant SFA Cash Cover Document,

plus, in each case, all other Senior Lender Liabilities owed by the Debtors to that Senior Lender or, as the case may be, all other Permitted Senior Financing Liabilities owed by the Debtors and Third Party Security Providers to that Permitted Senior Financing Creditor, to the extent not already taken into account in the foregoing provisions of this paragraph (a);

(b) in relation to a Senior Notes Creditor, the Senior Notes Liabilities owed by the Debtors or Third Party Security Providers to that Senior Notes Creditor;

(c) in relation to a Hedge Counterparty:

- (i) if that Hedge Counterparty has terminated or closed out any hedging transaction under any Hedging Agreement in accordance with the terms of this Agreement on or prior to the Enforcement Date, the amount, if any, payable to it under that Hedging Agreement in respect of that termination or close-out as of the date of termination or close-out (taking into account any interest accrued on that amount) to the extent that amount is unpaid at the Enforcement Date (that amount to be certified by the relevant Hedge Counterparty and as calculated in accordance with the relevant Hedging Agreement); and
- (ii) if that Hedge Counterparty has not terminated or closed out any hedging transaction under any Hedging Agreement on or prior to the Enforcement Date:

(A) if the relevant Hedging Agreement is based on an ISDA Master Agreement the amount, if any, which would be payable to it under that Hedging Agreement in respect of that hedging transaction if the Enforcement Date was deemed to be an Early Termination Date (as defined in the relevant ISDA Master Agreement) for which the relevant Debtor is the Defaulting Party (as defined in the relevant ISDA Master Agreement); or

(B) if the relevant Hedging Agreement is not based on an ISDA Master Agreement, the amount, if any, which would be payable to it under that Hedging Agreement in respect of that hedging transaction if the Enforcement Date was deemed to be the date on which an event similar in meaning and effect (under that Hedging Agreement) to an Early Termination Date (as defined in any ISDA Master Agreement) occurred under that Hedging Agreement for which the relevant Debtor is in a position similar in meaning and effect (under that Hedging Agreement) to that of a Defaulting Party (under and as defined in the same ISDA Master Agreement),

that amount, in each case, to be certified by the relevant Hedge Counterparty and as calculated in accordance with the relevant Hedging Agreement;

(d) in relation to an Operating Facility Lender, the Operating Facility Liabilities owed by the Debtors and Third Party Security Providers to that Operating Facility Lender but excluding:

(i) any amount owed to it by a Debtor in respect of any Ancillary Facility to the extent that that amount would not be outstanding but for a breach by that Operating Facility Lender of any provision of Clause 3.6 (*Restriction on enforcement: Ancillary Lenders and Issuing Banks*); and

(ii) any amount owed to it by a Debtor in respect of any Ancillary Facility to the extent (and in the amount) that SFA Cash Cover has been provided by a Debtor in respect of that amount and is available to that Operating Facility Lender pursuant to the relevant SFA Cash Cover Document,

that amount, in each case, to be certified by the relevant Operating Facility Lender and as calculated in accordance with the relevant Operating Facility Document; and

(e) in relation to a Senior Parent Creditor, the Senior Parent Liabilities owed by the Debtors or Third Party Security Providers to that Senior Parent Creditor.

15.2 Implementation of equalisation

The provisions of this Clause 15 shall be applied at such time or times after the Enforcement Date as the Security Agent shall consider appropriate. Without prejudice to the generality of the preceding sentence, if the provisions of this Clause 15 have been applied before all the Liabilities have matured and/or been finally quantified, the Security Agent may elect to re-apply those provisions on the basis of revised Exposures and the Senior Secured Creditors shall make appropriate adjustment payments amongst themselves.

15.3 Equalisation

If, for any reason, any Senior Creditor Liabilities, Senior Notes Liabilities, Permitted Senior Financing Liabilities or Operating Facility Liabilities remain unpaid after the Enforcement Date and the resulting losses are not borne by the relevant Senior Secured Creditors and the Operating Facility Lenders in the proportions which their respective Exposures at the Enforcement Date bore to the aggregate Exposures

of all the relevant Senior Secured Creditors and the Operating Facility Lenders at the Enforcement Date, the relevant Senior Secured Creditors and the Operating Facility Lenders will make such payments amongst themselves as the Security Agent shall require to put the relevant Senior Secured Creditors and the Operating Facility Lenders in such a position that (after taking into account such payments) those losses are borne in those proportions (or, as the case may be, to otherwise reflect the order of priority contemplated in Clause 14.1 (*Order of application*)).

15.4 Turnover of enforcement proceeds

If:

(a) the Security Agent or the relevant Agent is not entitled, for reasons of applicable law, to pay amounts received pursuant to the making of a demand under any guarantee, indemnity or other assurance against loss or the enforcement of the Transaction Security (or, in the case of the Senior Parent Creditors, the Shared Security only) to the Senior Secured Creditors, the Operating Facility Lenders or the Senior Parent Creditors (as applicable) but is entitled to distribute those amounts to Creditors (such Creditors, the "**Receiving Creditors**") who, in accordance with the terms of this Agreement, are subordinated in right and priority of payment to the Senior Secured Creditors, the Operating Facility Lenders and the Senior Parent Creditors (as the case may be); and

(b) the First/Second Lien Discharge Date or the Senior Parent Discharge Date has not yet occurred (nor would occur after taking into account such payments),

then the Receiving Creditors shall make such payments to the Senior Secured Creditors, the Operating Facility Lenders and the Senior Parent Creditors (as applicable) as the Security Agent shall require to place the Senior Secured Creditors, the Operating Facility Lenders and the Senior Parent Creditors (as applicable) in the position they would have been in had such amounts been available for application against the Senior Liabilities, the Operating Facility Liabilities and the Senior Parent Liabilities (as applicable), provided that this Clause 15.4 shall not apply to any receipt or recovery that has been distributed by:

(i) a Senior Notes Trustee to the Senior Noteholders in accordance with the Senior Notes Finance Documents;

(ii) a Senior Parent Notes Trustee to the Senior Parent Noteholders in accordance with the Senior Parent Notes Finance Documents;

(iii) a Senior Creditor Representative to the Permitted Senior Financing Creditors in accordance with the Permitted Senior Financing Documents (in each case to the extent that paragraph (o) of Clause 1.2 (*Construction*) has been applied in respect of that Senior Creditor Representative);

(iv) a Second Lien Creditor Representative to the Permitted Second Lien Financing Creditors in accordance with the Permitted Second Lien Financing Documents (in each case to the extent that paragraph (p) of Clause 1.2 (*Construction*) has been applied in respect of that Second Lien Creditor Representative); or

(v) a Senior Parent Creditor Representative to the Permitted Parent Financing Creditors in accordance with the Permitted Parent Financing Documents (in each case to the extent that

paragraph (q) of Clause 1.2 (*Construction*) has been applied in respect of that Senior Parent Creditor Representative),

unless the Senior Notes Trustee, the Senior Parent Notes Trustee, the Senior Creditor Representative, the Second Lien Creditor Representative or the Senior Parent Creditor Representative (as applicable) had received at least two Business Days' prior written notice (in accordance with this Agreement) that an Acceleration Event or an Insolvency Event in relation to a Debtor had occurred or that the receipt or recovery falls within Clause 10.2 (*Turnover by the Creditors*) prior to distribution of the relevant amount.

15.5 Notification of Exposure

Before each occasion on which it intends to implement the provisions of this Clause 15, the Security Agent shall send notice to each Hedge Counterparty, each Operating Facility Lender and each relevant Agent (on behalf of the relevant Senior Secured Creditors) requesting that it notify it of, respectively, its Exposure and that of each Senior Secured Creditor (if any).

15.6 Default in payment

If a Creditor or an Operating Facility Lender fails to make a payment due from it under this Clause 15, the Security Agent shall be entitled (but not obliged) to take action on behalf of the Senior Secured Creditor(s) and the Operating Facility Lender(s) to whom such payment was to be redistributed (subject to being indemnified to its satisfaction by such Senior Secured Creditor(s) and Operating Facility Lender(s) in respect of costs) but shall have no liability or obligation towards such Senior Secured Creditor(s) or any other Senior Secured Creditor, Creditor or Operating Facility Lender as regards such default in payment and any loss suffered as a result of such default shall lie where it falls.

16. ADDITIONAL DEBT

16.1 Debt Refinancing

(a) Notwithstanding anything to the contrary in this Agreement or any Security Document:

- (i) any of the Liabilities (or any other liabilities and obligations subject to the terms of this Agreement from time to time) may be refinanced, replaced, increased or otherwise restructured in whole or in part from time to time (including, without limitation, by way of the incurrence of Permitted Senior Financing Debt, Permitted Second Lien Financing Debt and/or Permitted Parent Financing Debt, the issue of additional Senior Notes and/or Senior Parent Notes or the establishment of new or additional Operating Facilities); and
- (ii) any Priority Revolving Facility may become subject to and benefit from the provisions of this Agreement on terms as determined by the Parent (subject to the provisions of Schedule 4 (*Priority Revolving Facility*)),

a "**Debt Refinancing**", in each case provided that the terms of that Debt Refinancing are not otherwise prohibited by the Debt Financing Agreements.

(b) Notwithstanding anything to the contrary in any Secured Debt Document, each Party shall be required to enter into any amendment to or replacement of the then current Secured Debt Documents (including for the purpose of reflecting the terms and ranking of any Debt Refinancing in the Secured Debt Documents

and/or any amendment required by the Parent pursuant to Clause 16.3 (*Senior Facilities Refinancing*)) and/or take such other action as is required by the Parent in order to facilitate any Debt Refinancing, including in relation to any changes to, the taking of, or the release coupled with the retaking of, any guarantee or Security, provided that the Security Agent shall not be required to execute a release of assets from any existing Transaction Security pursuant to this paragraph (b) unless the Parent has confirmed in writing to the Security Agent that it has determined in good faith (taking into account any applicable legal limitations and other relevant considerations in relation to the Debt Refinancing) that it is either not possible or not desirable to implement the Debt Refinancing on terms satisfactory to the Parent by instead granting additional Transaction Security and/or amending the terms of the existing Transaction Security. Each Agent and the Security Agent is irrevocably authorised and instructed by each Party (other than the Debtors), each Secured Party and each Primary Creditor to (unless such Party, Secured Party and/or Primary Creditor is required under applicable law to act in its own name, in which case it shall) execute any such amended or replacement Secured Debt Documents and/or take such action on behalf of the Parties, the Secured Parties and the Primary Creditors (or, as the case may be, in its own name) (and shall in each case promptly do so on the request of and at the cost of the Parent).

16.2 Debt Refinancing terms

For the avoidance of doubt, at the option of the Parent:

- (a) a Debt Refinancing may be made available on a basis which is senior to, *pari passu* with or junior to any of the other Liabilities;
- (b) a Debt Refinancing shall be entitled to benefit from all or any of the Transaction Security;
- (c) a Debt Refinancing may be made available on a secured or unsecured basis (without prejudice to Clause 3.3 (*Security and guarantees: Senior Secured Creditors*) or Clause 6.1 (*Restriction on Payment and dealings: Senior Parent Liabilities*));
- (d) a Debt Refinancing may be effected in whole or in part by way of a debt exchange, non-cash rollover or other similar or equivalent transaction, in each case unless otherwise prohibited by this Agreement or the Debt Financing Agreements.

16.3 Senior Facilities Refinancing

- (a) In the event of any refinancing or replacement of all or any part of the Senior Lender Liabilities (or any such refinancing or replacement indebtedness from time to time), the Parent shall be entitled to require that the definition of Instructing Group is amended such that the relevant refinancing or replacement indebtedness is treated in the same manner as the Senior Facilities (meaning that for the purpose of calculating the voting entitlement of any person, at the option of the Parent all or any part of the relevant refinancing or replacement indebtedness may be treated as Senior Secured Credit Participations of the Senior Creditors and not Senior Notes/Permitted Financing Credit Participations).
- (b) In the event that any Priority Revolving Facility becomes subject to the provisions of this Agreement, the Parent shall be entitled to require that all or any part of the Hedging Liabilities and/or the Operating Facility Liabilities shall rank in right and priority of payment *pari passu* with that Priority Revolving Facility (which,

for the avoidance of doubt, may result in such Hedging Liabilities and/or, as the case may be, Operating Facility Liabilities ranking ahead of the Senior Notes Liabilities, the Permitted Senior Financing Liabilities, the Senior Parent Notes Liabilities and/or the Permitted Parent Financing Liabilities), in each case unless otherwise prohibited by the Debt Financing Agreements.

16.4 Further assurance

Without prejudice to the other provisions of this Clause 16, each Agent, each Secured Party and each Primary Creditor agrees that it shall co-operate with the Parent, each other member of the Group, Third Party Security Provider and each Agent in order to facilitate any Debt Refinancing (including by way of, at the request and cost of the Parent, executing any document or agreement and/or giving instructions to any person).

16.5 Additional Priority Revolving Facilities

For the avoidance of doubt, unless otherwise agreed by the Majority Senior Lenders and for the benefit of the Senior Lenders only, the provisions of Clause 16.1 (*Debt Refinancing*) shall not entitle the Parent to require amendments to this Agreement for the purpose of establishing a Priority Revolving Facility which would:

- (a) become subject to and benefit from the provisions of this Agreement; and
- (b) rank in right and priority of payment under this Agreement ahead of the Senior Lender Liabilities (other than as regards amounts of the type set out in paragraphs (a)(i) and (ii) of Clause 14.1 (*Order of application*)).

16.6 Supplemental Security

- (a) Without prejudice to Clause 2 (*Ranking and priority*), Clause 14 (*Application of proceeds*) and the other rights of the Debtors and Third Party Security Providers under this Agreement and the Debt Documents, if any member of the Group enters into any Hedging Agreement or Operating Facility Document at any time after the date of this Agreement (which is not already secured by the Transaction Security which has been granted at the time such Hedging Agreement or, as the case may be, Operating Facility Document is so entered into (any such Transaction Security, "**Original Transaction Security**")), any Debtor or Third Party Security Provider may, subject to the terms of this Agreement, at any time grant to the relevant Hedge Counterparty or, as the case may be, Operating Facility Lender Transaction Security over any Charged Property subject to Original Transaction Security (any such Transaction Security, "**Supplemental Security**") securing all or any Hedging Liabilities arising under the relevant Hedging Agreement or, as the case may be, all or any Operating Facility Liabilities arising under the relevant Operating Facility Document.
- (b) Each of the beneficiaries of the Original Transaction Security (the "**Relevant Original Transaction Security Beneficiaries**") agree that Supplemental Security may be granted by any Debtor or Third Party Security Provider in order to secure all or any part of any Hedging Liabilities and/or any Operating Facility Liabilities.

(c) For the avoidance of doubt, nothing in this Clause 16.6 shall:

- (i) restrict the rights of the Relevant Original Transaction Security Beneficiaries to enforce and/or to release all or any part of any Original Transaction Security in accordance with the terms of this Agreement and the other Debt Documents; or
- (ii) restrict, limit or prejudice the rights and other benefits of the Debtors, Third Party Security Providers or any member of the Group under this Agreement or any other Debt Document.

(d) Each of the Secured Parties agrees not to take any action to challenge the validity or enforceability of the Supplemental Security by reason of it being expressed to be second ranking (or any other lower ranking).

17. THE SECURITY AGENT

17.1 Appointment by Secured Parties

- (a) Each Secured Party (other than the Security Agent) irrevocably appoints the Security Agent to act as its agent, trustee, joint and several creditor or beneficiary of parallel debt (as the case may be) under this Agreement and with respect to the Security Documents and irrevocably authorises the Security Agent on its behalf to execute each Security Document expressed to be executed by the Security Agent on its behalf and perform such duties and exercise such rights and powers under this Agreement and the Security Documents as are specifically delegated to the Security Agent by the terms thereof, together with such rights, powers and discretions as are reasonably incidental thereto, including, without limitation, enforcing the Security Documents in accordance with the terms of this Agreement and the relevant Security Documents.
- (b) The Security Agent declares that it holds the Security Property on trust for the Secured Parties on the terms contained in this Agreement.
- (c) Each of the Parties to this Agreement agrees that the Security Agent shall have only those duties, obligations and responsibilities expressly specified in this Agreement or in the Security Documents to which the Security Agent is expressed to be a party (and no others shall be implied).
- (d) The Security Agent shall be and is hereby authorised by each of the Secured Parties (and to the extent it may have any interest therein, every other Party) to execute on behalf of itself and each Secured Party and other Party where relevant:
 - (i) following the occurrence of the Final Discharge Date, any release of any Transaction Security granted under the Security Documents; and
 - (ii) to the extent contemplated or otherwise permitted or required under the terms of this Agreement and/or any relevant Debt Document, any other release of any Transaction Security.
- (e) For the purposes of the grant of security under the laws of the Province of Quebec which may now or in the future be required to be provided by any member of the Group, the Security Agent is, as part of its duties as Security Agent, hereby irrevocably authorised and appointed by each Secured Party to act as hypothecary representative (within the meaning of Article 2692 of the Civil Code of Quebec) for all present and future Secured Parties (in such capacity, the "**Hypothecary Representative**") in order to hold any

hypothec granted under the laws of the Province of Québec and to exercise such rights and duties as are conferred upon the Hypothecary Representative under the relevant deed of hypothec and applicable laws (with the power to delegate any such rights or duties). The execution prior to the date hereof by the Security Agent in its capacity as the Hypothecary Representative of any deed of hypothec or other security documents made pursuant to the laws of the Province of Québec, is hereby ratified and confirmed. Any person who becomes a Secured Party or successor Security Agent shall be deemed to have consented to and ratified the foregoing appointment of the Security Agent as the Hypothecary Representative on behalf of all Secured Parties, including such person and any Affiliate of such person designated above as a Secured Party. For greater certainty, the Security Agent, acting as the Hypothecary Representative, shall have the same rights, powers, immunities, indemnities and exclusions from liability as are prescribed in favour of the Security Agent in this Agreement, which shall apply *mutatis mutandis*. In the event of the resignation of the Security Agent (which shall include its resignation as the Hypothecary Representative) and appointment of a successor Security Agent, such successor Security Agent shall also act as the Hypothecary Representative, as contemplated above.

17.2 Parallel debt (Covenant to pay the Security Agent)

(a) In this Clause 17.2:

"Secured Creditor Claim" means any amount which a Debtor or (to the extent arising from Third Party Security) Third Party Security Provider owes to a Secured Party under or in connection with the Secured Debt Documents (and, for the avoidance of doubt, any note holder whose Agent has acceded to this Agreement in accordance with Clause 19 (*Changes to the Parties*) below will be considered a Secured Party for the purposes of this Clause 17).

"Security Agent Claim" means any amount which a Debtor or Third Party Security Provider owes to the Security Agent under this Clause 17.2.

(b) Unless expressly provided to the contrary in any Debt Document and to the extent legally possible under applicable law, the Security Agent holds:

- (i) any Security created by a Security Document governed by any law other than English law or the law of the United States of America (and any other law agreed in writing by the Parent and the Security Agent from time to time);
- (ii) the benefit of any Security Agent Claims; and
- (iii) any proceeds of Transaction Security,

for the benefit, and as the property, of the Secured Parties and so that they are not available to the personal creditors of the Security Agent.

In connection with the foregoing, the Security Agent is authorised to and shall make such changes to the terms of this Agreement relating to the rights and duties of such Senior Notes Trustee and any other Party as are jointly required by such Senior Notes Trustee and the Parent without the consent of any other Party, in each case provided that such changes would not be materially prejudicial to the interests of the other Parties.

- (a) not be affected by any reduction or increase in the principal amount secured by the Transaction Security in respect of the Liabilities owing to the Primary Creditors or Operating Facility Lenders by any intermediate reduction or increase in, amendment or variation to any of the Debt Documents, or by any variation or satisfaction of any of the Liabilities or any other circumstances;
- (b) apply regardless of the order in which or dates upon which this Agreement and the other Debt Documents are executed or registered or notice of them is given to any person; and
- (c) secure the Liabilities owing to the Primary Creditors and the Operating Facility Lenders in the order specified, regardless of the date upon which any of the Liabilities arise or of any fluctuations in the amount of any of the Liabilities outstanding.

25. CONSENTS, AMENDMENTS AND OVERRIDE

25.1 Required Consents

(a) Subject to paragraphs (b) to (f) below, Clause 25.2 (*Amendments and waivers: Security Documents*) and Clause 25.4 (*Exceptions*), this Agreement and/or a Security Document may be amended or waived only with the written consent of:

- (i) if the relevant amendment or waiver (the "**Proposed Amendment**") is prohibited by the Senior Facilities Agreement, the Senior Facility Agent (acting on the instructions of the requisite Senior Lenders in accordance with clause 40 (*Amendments and Waivers*) of the Senior Facilities Agreement);
- (ii) if any Senior Notes have been issued and the Proposed Amendment is prohibited by the terms of the relevant Senior Notes Indenture, the Senior Notes Trustee;
- (iii) if any Permitted Senior Financing Debt has been incurred and the Proposed Amendment is prohibited by the terms of the relevant Permitted Senior Financing Agreement, the Senior Creditor Representative in respect of that Permitted Senior Financing Debt (if applicable, acting on the instructions of the Majority Permitted Senior Financing Creditors);
- (iv) if any Permitted Second Lien Financing Debt has been incurred and the Proposed Amendment is prohibited by the terms of the relevant Permitted Second Lien Financing Agreement, the Second Lien Creditor Representative in respect of that Permitted Second Lien Financing Debt (if applicable, acting on the instructions of the Majority Permitted Second Lien Financing Creditors);
- (v) if any Senior Parent Notes have been issued and the Proposed Amendment is prohibited by the terms of the relevant Senior Parent Notes Indenture, the Senior Parent Notes Trustee;
- (vi) if any Permitted Parent Financing Debt has been incurred and the Proposed Amendment is prohibited by the terms of the relevant Permitted Parent Financing Agreement, the Senior Parent Creditor Representative in respect of that Permitted Parent Financing Debt (if applicable, acting on the instructions of the Majority Permitted Parent Financing Creditors);
- (vii) if a Hedge Counterparty is providing hedging to a Debtor under a Hedging Agreement, that Hedge Counterparty (in each case only to the extent that the relevant amendment or waiver adversely affects the continuing rights and/or obligations of that Hedge Counterparty and is an amendment or waiver which is expressed to require the consent of that Hedge Counterparty under the applicable Hedging Agreement, as notified by the Parent to the Security Agent at the time of the relevant amendment or waiver);
- (viii) if an Operating Facility Lender is providing one or more facility to a Debtor under an Operating Facility Document, that Operating Facility Lender (in each case only to the extent that the relevant amendment or waiver adversely affects the continuing rights and/or obligations of that Operating Facility Lender and is an amendment or waiver which is expressed to require the consent of that Operating Facility Lender under the applicable Operating Facility Document, as notified by the Parent to the Security Agent at the time of the relevant amendment or waiver);

- (ix) the Investors; and
 - (x) the Parent.
- (b) Notwithstanding anything to the contrary, any amendment or waiver of any Secured Debt Document made or effected in accordance with:
- (i) Clause 2.5 (*Additional and/or Refinancing debt*), Clause 13.1 (*Non-Distressed Disposals*), Clause 16 (*Additional debt*) or any other provision of this Agreement; or
 - (ii) any other provision of any Secured Debt Document (provided that such amendment or waiver is not expressly prohibited by the terms of any other Secured Debt Document),
- shall be binding on all Parties.
- (c) Any amendment, waiver or consent which relates only to the rights or obligations applicable to Creditors under a particular Debt Financing Agreement (and which does not materially and adversely affect the rights or interests of Creditors under other Debt Financing Agreements) may be approved with only the consent of the Agent in respect of that Debt Financing Agreement (if applicable, acting on the instructions of the requisite Creditors under that Debt Financing Agreement) and the Parent. For the avoidance of doubt, this paragraph (c) is without prejudice to the ability to effect, make or grant any amendment, waiver or consent pursuant to or in accordance with paragraph (a) above or any other provision of this Clause 25.
- (d) Notwithstanding anything to the contrary in the Secured Debt Documents, a Secured Party may unilaterally waive, relinquish or otherwise irrevocably give up all or any of its rights under any Secured Debt Document with the consent of the Parent.
- (e) Any term of this Agreement or a Security Document may be amended or waived by the Parent and the Security Agent without the consent of any other Party if that amendment or waiver is:
- (i) to cure defects or omissions, resolve ambiguities or inconsistencies or reflect changes of a minor, technical or administrative nature; or
 - (ii) otherwise for the benefit of all or any of the Secured Parties.
- (f) Notwithstanding anything to the contrary, if any amendment, waiver or consent requested by the Parent in relation to this Agreement and/or the Security Documents:
- (i) is not prohibited by the terms of any Debt Financing Agreement (provided that, for the avoidance of doubt, this paragraph (i) shall not override (A) any express requirement or restriction in a Debt Financing Agreement in relation to the matter, step or action the subject of the proposed amendment, waiver or consent or (B) any express requirement for consent under Clause 4.3 (*Permitted Payments: Hedging Liabilities*) or Clause 6.2 (*Permitted Senior Parent Payments*)); or
 - (ii) has been approved by the requisite Senior Secured Creditors or, as the case may be, Senior Parent Creditors under each Debt Financing Agreement that otherwise prohibits that amendment, waiver or consent,

that amendment, waiver or consent shall be automatically and immediately deemed to have been approved and given for all purposes under this Agreement (and, if applicable, the relevant Security Documents). If the terms of any Debt Financing Agreement:

- (A) require the relevant Agent or Creditors to provide approval (or deem approval to have been provided) for any particular amendment, waiver or consent (for the avoidance of doubt, excluding any such terms which expressly entitle the relevant Agent or Creditors to withhold their approval for that amendments, waiver or consent); or
- (B) do not seek to regulate the relevant matter, step or action the subject of the amendment, waiver or consent (which shall be the case if the amendment or waiver of any relevant document or agreement is not expressly regulated by that Debt Financing Agreement and such amendment or waiver does not relate to a matter, step or action which is the subject of an express requirement or restriction in that Debt Financing Agreement),

for the purpose of this Clause 25 that amendment, waiver or consent shall not be prohibited by the terms of that Debt Financing Agreement.

For the purpose of this paragraph (f) and paragraph (a) of Clause 16.2 (*Debt Refinancing terms*) only, the term Debt Financing Agreement shall include any Hedging Agreement pursuant to which the consent of a Hedge Counterparty is expressly required for the relevant amendment or waiver under and in accordance with sub-paragraph (a)(vii) above.

25.2 Amendments and waivers: Security Documents

- (a) Without prejudice to any amendment, waiver or consent approved in accordance with Clause 25.1 (*Required consents*) and subject to paragraph (c) below and to paragraph (b) of Clause 25.4 (*Exceptions*), the Security Agent may, if authorised by an Instructing Group, and if the Parent consents, amend the terms of, waive any of the requirements of or grant consents under, any of the Security Documents which shall be binding on each Party.
- (b) Without prejudice to any further assurance provision in any Debt Document, the Security Agent may, if the Parent consents, amend or release and retake any Security Document where such amendment or release and retake is required or desirable in order to ensure the validity, perfection or priority of the Transaction Security purported to be created under such Security Document, together with any related or consequential waiver (including by reason of a failure to register such Security Document with Companies House within the prescribed time limit set out in section 859 of the Companies Act 2006, in which case any payment or other obligation or default arising out of such failure to register shall also be automatically and irrevocably waived) and any such amendment, release, waiver and retake shall be binding on each Party.
- (c) Subject to paragraphs (b) and (c) of Clause 25.4 (*Exceptions*), in case of any amendment or waiver of, or consent under, any Security Document which would adversely affect the nature or scope of the Charged Property or the manner in which the proceeds of enforcement of the Transaction Security are distributed, that amendment, waiver or consent shall require approval in accordance with Clause 25.1 (*Required consents*).

25.3 Effectiveness

Any amendment, waiver or consent given, made or effected in accordance with any of the provisions of this Clause 25, or in accordance with any other term of any Secured Debt Document, will be binding on all Parties and the Security Agent may effect, on behalf of any Agent, Arranger, Creditor or Operating Facility Lender, any amendment, waiver or consent permitted by this Clause 25 or any other term of any Secured Debt Document.

25.4 Exceptions

(a) Subject to paragraphs (b) and (c) below, an amendment, waiver or consent which adversely relates to the express rights or obligations of an Agent, an Arranger or the Security Agent (in each case in such capacity) may not be effected without the consent of that Agent, that Arranger or the Security Agent (as the case may be) at such time.

(b) Neither paragraph (a) above nor Clause 25.2 (*Amendments and waivers: Security Documents*) shall apply:

(i) to any release of Transaction Security, claim or Liabilities; or

(ii) to any consent,

which, in each case, the Security Agent gives in accordance with Clause 13 (*Proceeds of disposals and adjustment of mandatory prepayments*).

(c) Paragraph (a) above shall apply to an Arranger only to the extent that Arranger Liabilities are then owed to that Arranger.

25.5 Calculation of credit participations

(a) For the purpose of ascertaining whether any relevant percentage of Senior Secured Credit Participations, Second Lien Secured Credit Participations or Senior Parent Credit Participations has been obtained under this Agreement, the relevant Agent or the Security Agent may notionally convert any Senior Secured Credit Participations, Second Lien Secured Credit Participations or, as the case may be, Senior Parent Credit Participations into their Common Currency Amounts.

(b) Each Agent will, upon request from the Security Agent, promptly provide the Security Agent with:

(i) details of the Senior Secured Credit Participations of the Senior Secured Creditors whom it represents and (if applicable) details of the extent to which such Senior Secured Credit Participations have been voted for or against any request;

(ii) details of the Second Lien Secured Credit Participations of the Permitted Second Lien Financing Creditors whom it represents and (if applicable) details of the extent to which such Second Lien Secured Credit Participations have been voted for or against any request; and

(iii) details of the Senior Parent Credit Participations of the Senior Parent Creditors whom it represents and (if applicable) details of the extent to which such Senior Parent Credit Participations have been voted for or against any request.

(c) Each Hedge Counterparty will, upon request from the Security Agent or any other Agent, promptly provide the Security Agent with details of its Senior Secured Credit Participations (which shall be calculated as at

the same time stipulated by the Security Agent or the relevant Agent (as applicable) in such request) and (if applicable) details of the extent to which such Senior Secured Credit Participations have been voted for or against any request.

25.6 Deemed consent

- (a) If, at any time prior to the First/Second Lien Discharge Date, the Senior Secured Creditors (or the requisite Senior Secured Creditors) and the Parent give a Consent in respect of any Senior Debt Documents then, if that action was permitted by the terms of this Agreement, the Intra-Group Lenders will (or will be deemed to):
- (i) give a corresponding Consent in equivalent terms in relation to each of the Debt Documents to which they are a party; and
 - (ii) do anything (including executing any document) that the Security Agent and the Parent may reasonably require by written notice to give effect to this paragraph (a).
- (b) If, at any time on or after the First/Second Lien Discharge Date and before the Senior Parent Discharge Date, the Senior Parent Creditors (or the requisite Senior Parent Creditors) and the Parent give a Consent in respect of the Senior Parent Finance Documents then, if that action was permitted by the terms of this Agreement, the Intra-Group Lenders will (or will be deemed to):
- (i) give a corresponding Consent in equivalent terms in relation to each of the Debt Documents to which they are a party; and
 - (ii) do anything (including executing any document) that the Security Agent and the Parent may reasonably require by written notice to give effect to this paragraph (b).

25.7 Excluded consents

Clause 25.6 (*Deemed consent*) does not apply to any Consent which has the effect of:

- (a) increasing or decreasing the Liabilities;
- (b) changing the basis upon which any Permitted Payments are calculated (including the timing, currency or amount of such Payments); or
- (c) changing the terms of this Agreement or of any Security Document.

25.8 Senior Parent administrative consents

If the Senior Secured Creditors (or the requisite Senior Secured Creditors) at any time give any Consent in relation to any of the Senior Debt Documents of a minor, technical or administrative nature which does not adversely affect the interests of the Senior Parent Creditors or change the commercial terms contained in the Senior Parent Finance Documents then, if that action was approved by the Parent and permitted by the terms of this Agreement, the Senior Parent Creditors will (or will be deemed to):

- (a) give a corresponding Consent in equivalent terms in relation to each of the Secured Debt Documents to which they are a party; and
- (b) do anything (including executing any document) that the Security Agent and the Parent may reasonably require by written notice to give effect to this Clause 25.8.

25.9 No liability

None of the Senior Secured Creditors or the Agents will be liable to any other Creditor, Agent, Third Party Security Provider or Debtor for any Consent given or deemed to be given under this Clause 25.

25.10 Agreement to override

Unless expressly stated otherwise in this Agreement, this Agreement overrides anything in the Debt Documents to the contrary.

26. NOTES TRUSTEE

26.1 Liability

- (a) Each Notes Trustee enters into this Agreement not individually or personally but solely in its capacity as trustee in the exercise of the powers and authority conferred and vested in it under the relevant Notes Finance Documents for and on behalf of the Noteholders for which the Notes Trustee acts as trustee. Each Notes Trustee shall have no liability for acting for itself or in any capacity other than as trustee and nothing in this Agreement shall impose on it any obligation to pay any amount out of its personal assets. Notwithstanding any other provision of this Agreement, its obligations hereunder (if any) to make any payment of any amount or to hold any amount on trust shall be only to make payment of such amount to or hold any such amount on trust to the extent that (i) it has actual knowledge that such obligation has arisen and (ii) it has received and, on the date on which it acquires such actual knowledge, has not distributed to the Noteholders for which it acts as trustee in accordance with the relevant Notes Indenture any such amount.
- (b) In no case shall any Notes Trustee be (i) personally responsible, liable or accountable in damages or otherwise to any other Party for any loss, damage or claim incurred by reason of any act or omission performed or omitted by that Notes Trustee in good faith in accordance with this Agreement or any of the Notes Finance Documents in a manner that such Notes Trustee believed to be within the scope of the authority conferred on it by this Agreement or any of the Notes Finance Documents or by law, or (ii) personally liable for or on account of any of the statements, representations, warranties, covenants or obligations stated to be those of any other Party, all such liability, if any, being expressly waived by the Parties and any person claiming by, through or under such Party; provided, however, that each Notes Trustee shall be personally liable under this Agreement for its own gross negligence or wilful misconduct. It is also acknowledged and agreed that no Notes Trustee shall have any responsibility or liability for the actions of any individual Creditor or Noteholder (save in respect of its own actions).
- (c) Notwithstanding anything in this Agreement to the contrary, each Notes Trustee shall only have an obligation to turn over or repay amounts received under this Agreement by it if (i) it had actual knowledge that the receipt or recovery is an amount received in breach of this Agreement and (ii) to the extent that, prior to receiving such knowledge, it had not distributed the amount of such receipt or recovery in accordance with the relevant Notes Indenture. No Notes Trustee shall be charged with knowledge (actual or otherwise) or existence of facts that would impose any obligation on it hereunder to make any payment or prohibit it from making any payment unless, not less than two Business Days prior to the date of such

payment, a Responsible Officer of the Notes Trustee receives written notice satisfactory to it that such payments are required or prohibited by this Agreement.

- (d) Notwithstanding anything contained herein, no provision of this Agreement shall alter or otherwise affect the rights and obligations of the Parent or any other Debtor to make payments in respect of Notes Trustee Amounts as and when the same are due and payable pursuant to the applicable Notes Finance Documents or the receipt and retention by any Notes Trustee of the same or the taking of any step or action by any Notes Trustee in respect of its rights under the applicable Notes Finance Documents to the same.
- (e) No Notes Trustee is responsible for the appointment or for monitoring the performance of the Security Agent.
- (f) The Security Agent agrees and acknowledges that it shall have no claim against any Notes Trustee in respect of any fees, costs, expenses and liabilities due and payable to, or incurred by, the Security Agent.
- (g) No Notes Trustee shall be under any obligation to instruct or direct the Security Agent to take any Enforcement Action unless it has been instructed to do so by the relevant Noteholders and has been indemnified and/or secured and/or prefunded to its satisfaction.
- (h) The provisions of this Clause 26 shall survive the termination of this Agreement.

26.2 No action

- (a) Notwithstanding any other provision of this Agreement, no Notes Trustee shall have any obligation to take any action under this Agreement unless it is indemnified and/or secured and/or prefunded to its satisfaction in respect of all costs, expenses and liabilities which it would in its opinion thereby incur (including legal fees together with any associated VAT). No Notes Trustee shall have an obligation to indemnify any other person, whether or not a Party, in respect of any of the transactions contemplated by this Agreement. In no event shall the permissive rights of a Notes Trustee to take action under this Agreement be construed as an obligation to do so.
- (b) Prior to taking any action under this Agreement any Notes Trustee may request and rely upon an opinion of counsel or opinion of another qualified expert, at the expense of the Parent or another Debtor.
- (c) Notwithstanding any other provisions of this Agreement or any other Notes Finance Document to which a Notes Trustee is a party to, in no event shall a Notes Trustee be liable for special, indirect, punitive or consequential loss or damages of any kind whatsoever (including but not limited to loss of business, goodwill, opportunity or profits) whether or not foreseeable even if such Notes Trustee has been advised of the likelihood of such loss or damage and regardless of whether the claim for loss or damage is made in negligence, for breach of contract or otherwise.

26.3 Reliance on certificates

Any Notes Trustee shall be entitled to and may rely on any notice, consent or certificate given or granted by any Party without being under any obligation to enquire or otherwise determine whether any such notice, consent or certificate has been given or granted by such Party properly acting in accordance with the provisions of this Agreement.

26.4 No fiduciary duty

No Notes Trustee shall be deemed to owe any fiduciary duty to any Creditor (save in respect of such persons for whom it acts as trustee) and shall not be personally liable to any Creditor if it shall in good faith mistakenly pay over or distribute to any Creditor or to any other person cash, property or securities to which the other Creditor shall be entitled by virtue of this Agreement or otherwise. With respect to the Creditors, each Notes Trustee undertakes to perform or to observe only such of its covenants or obligations as are specifically set forth in the Notes Finance Documents pursuant to which it acts as trustee and this Agreement and no implied agreement, covenants or obligations with respect to the other Creditors shall be read into this Agreement against any Notes Trustee.

26.5 Debt assumptions

(a) Each Notes Trustee is entitled to assume that in respect of the Senior Liabilities and the Senior Parent Liabilities:

- (i) no Senior Payment Default has occurred;
 - (ii) no Second Lien Payment Default has occurred;
 - (iii) none of the Senior Creditor Liabilities, Second Lien Liabilities or Senior Parent Liabilities have been accelerated;
 - (iv) no Default, Event of Default or termination event (however described) has occurred; and
 - (v) neither the First/Second Lien Discharge Date nor the Senior Parent Discharge Date has occurred,
- unless a Responsible Officer of the relevant Notes Trustee has actual knowledge to the contrary.

(b) No Notes Trustee is obliged to monitor or enquire whether any Event of Default has occurred.

26.6 Creditors

In acting pursuant to this Agreement and the relevant Notes Indenture, no Notes Trustee is required to have any regard to the interests of the Senior Lenders, Permitted Senior Financing Creditors, Permitted Second Lien Financing Creditors, Permitted Parent Financing Creditors, Hedge Counterparties, Operating Facility Lenders (in the case of the Senior Parent Notes Trustee) the Senior Notes Creditors or (in the case of the Senior Notes Trustee) the Senior Parent Notes Creditors.

26.7 Reliance and advice

Each Notes Trustee may:

- (a) rely on any notice or document believed by it to be genuine and correct and to have been signed by, or with the authority of, the proper person;
- (b) rely on any statement made by any person regarding any matters which may be assumed to be within its powers to verify; and
- (c) engage, pay for and rely on professional advisers selected by it (including those representing a person other than such Notes Trustee).

26.8 Other Parties not affected

No provision of this Clause 26 shall alter or change the rights and obligations as between the other Parties in respect of each other. This Clause 26 is intended to afford protection to the Notes Trustees only.

26.9 Instructions

In acting under this Agreement, each Notes Trustee is entitled to seek instructions from the Noteholders for whom it is acting as trustee at any time and, where it acts on the instructions of the Noteholders, no Notes Trustee shall incur any liability to any person for so acting. No Notes Trustee is liable to any person for any loss suffered as a result of any delay caused as a result of its seeking instructions from such Noteholders.

26.10 Responsibility of Notes Trustee

(a) No Notes Trustee shall be responsible to any other Secured Party for the legality, validity, effectiveness, enforceability, adequacy, accuracy, completeness or performance of:

- (i) any Secured Debt Document or any other document;
- (ii) any statement or information (whether written or oral) made in or supplied in connection with any Secured Debt Document or any other document; or
- (iii) any observance by any Debtor of its obligations under any Secured Debt Document or any other document.

(b) Each Notes Trustee may rely and shall be fully protected in acting or refraining from acting upon any notice, certificate or other document reasonably believed by it to be genuine and correct and to have been signed by, or with the authority of, the proper person.

26.11 Confirmation

Without affecting the responsibility of any Debtor, Third Party Security Provider or the Parent for information supplied by it or on its behalf in connection with any Debt Document, each Secured Party (other than the Notes Trustees (in their personal capacity) and the Security Agent) confirms that it:

- (a) has made, and will continue to make, its own independent appraisal of all risks arising under or in connection with the Secured Debt Documents (including the financial condition and affairs of each Debtor or their related entities and the nature and extent of any recourse against any Party or its assets); and
- (b) has not relied on any information provided to it by the Notes Trustee in connection with any Secured Debt Documents.

26.12 Provision of information

No Notes Trustee is obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party. No Notes Trustee is responsible for:

- (a) providing any Secured Party with any credit or other information concerning the risks arising under or in connection with the Debt Documents (including any information relating to the financial condition or affairs of any Debtor, the Parent or their related entities or the nature or extent of

recourse against any Party or its assets) whether coming into its possession before, on or after the date of this Agreement; or

(b) obtaining any certificate or other document from any Debtor or the Parent.

26.13 Departmentalism

In acting as a Notes Trustee, each Notes Trustee shall be treated as acting through its agency division, which shall be treated as a separate entity from its other divisions and departments. Any information received or acquired by a Notes Trustee which, in its opinion, is received or acquired by some other division or department or otherwise than in its capacity as a Notes Trustee may be treated as confidential by such Notes Trustee and will not be treated as information possessed by a Notes Trustee in its capacity as such.

26.14 Disclosure of information

Each Debtor irrevocably authorises any Notes Trustee to disclose to any Secured Party any information that is received by that Notes Trustee in its capacity as a Notes Trustee.

26.15 Illegality

Each Notes Trustee may refrain from doing anything (including disclosing any information) which might, in its opinion, constitute a breach of any law or regulation and may do anything which, in its opinion, is necessary or desirable to comply with any law or regulation.

26.16 Resignation of Notes Trustee

Each Notes Trustee may resign or be removed in accordance with the terms of the applicable Notes Indenture, provided that a replacement Notes Trustee agrees with the Parties to become the replacement trustee under this Agreement by the execution of a Creditor/Agent Accession Undertaking.

26.17 Notes Trustee assumptions

(a) Each Notes Trustee is entitled to assume that:

- (i) any payment or other distribution made pursuant to this Agreement in respect of the Senior Parent Liabilities, Second Lien Liabilities or Senior Notes Liabilities (as the case may be) has been made in accordance with the ranking in Clause 2 (*Ranking and priority*) and is not prohibited by any provisions of this Agreement and is made in accordance with these provisions;
- (ii) the proceeds of enforcement of any Security conferred by the Security Documents have been applied in the order set out in Clause 14 (*Application of proceeds*);
- (iii) any Security, collateral, guarantee or indemnity or other assurance granted to it has been so granted in compliance with Clause 3.3 (*Security and guarantees: Senior Secured Creditors*) or, as the case may be, Clause 6.1 (*Restriction on Payment and dealings: Senior Parent Liabilities*); and
- (iv) any Senior Notes or Senior Parent Notes issued comply with the provisions of this Agreement, unless a Responsible Officer of such Notes Trustee has actual knowledge to the contrary.

(b) No Notes Trustee shall have any obligation under Clause 9 (*Effect of Insolvency Event*) or Clause 11 (*Redistribution*) in respect of amounts received or recovered by it unless (i) a Responsible Officer has

actual knowledge that such Clauses apply to the receipt or recovery, and (ii) it has not distributed to the relevant Noteholders in accordance with the Notes Indenture any amount so received or recovered.

26.18 Agents

Each Notes Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by it hereunder.

26.19 No requirement for bond or surety

No Notes Trustee shall be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Agreement.

27. GUARANTEE AND INDEMNITY

27.1 Guarantee and indemnity

Each Debtor irrevocably and unconditionally jointly and severally:

- (a) guarantees to each Guarantee Party punctual performance by each other Debtor of all that Debtor's obligations under the Guarantee Agreements;
- (b) undertakes with each Guarantee Party that whenever another Debtor does not pay any amount when due (allowing for any applicable grace period) under or in connection with any Guarantee Agreement, that Debtor shall immediately on demand pay that amount as if it was the principal obligor; and
- (c) agrees with each Guarantee Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Guarantee Party immediately on demand against any cost, loss or liability it incurs as a result of a Debtor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Guarantee Agreement on the date when it would have been due. The amount payable by a Debtor under this indemnity will not exceed the amount it would have had to pay under this Clause 27 if the amount claimed had been recoverable on the basis of a guarantee.

27.2 Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Debtor under the Guarantee Agreements, regardless of any intermediate payment or discharge in whole or in part.

27.3 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Debtor or any security for those obligations or otherwise) is made by a Guarantee Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, judicial management, administration or otherwise, without limitation, then the liability of each Debtor under this Clause 27 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

27.4 Waiver of defences

The obligations of each Debtor under this Clause 27 will not be affected by an act, omission, matter or thing which, but for this Clause 27, would reduce, release or prejudice any of its obligations under this Clause 27 (without limitation and whether or not known to it or any Guarantee Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Debtor or other person;
- (b) the release of any other Debtor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Debtor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Debtor or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of a Guarantee Agreement or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Guarantee Agreement or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Guarantee Agreement or any other document or security; or
- (g) any insolvency or similar proceedings.

27.5 Debtor intent

Without prejudice to the generality of Clause 27.4 (*Waiver of defences*), each Debtor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Guarantee Agreements and/or any facility or amount made available under any of the Guarantee Agreements for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

27.6 Immediate recourse

Each Debtor waives any right it may have of first requiring any Guarantee Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Debtor under this Clause 27. This waiver applies irrespective of any law or any provision of a Guarantee Agreement to the contrary.

27.7 Appropriations

Until all amounts which may be or become payable by the Debtors under or in connection with the Guarantee Agreements have been irrevocably paid in full, each Guarantee Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Guarantee Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Debtor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Debtor or on account of any Debtor's liability under this Clause 27.

27.8 Deferral of Debtors' rights

Until all amounts which may be or become payable by the Debtors under or in connection with the Guarantee Agreements have been irrevocably paid in full and unless any relevant Guarantee Party otherwise directs, no Debtor will exercise any rights which it may have by reason of performance by it of its obligations under the Guarantee Agreements or by reason of any amount being payable, or liability arising, under this Clause 27:

- (a) to be indemnified by a Debtor;
- (b) to claim any contribution from any other guarantor of any Debtor's obligations under the Guarantee Agreements;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Guarantee Parties under the Guarantee Agreements or of any other guarantee or security taken pursuant to, or in connection with, the Guarantee Agreements by any Guarantee Party;
- (d) to bring legal or other proceedings for an order requiring any Debtor to make any payment, or perform any obligation, in respect of which any Debtor has given a guarantee, undertaking or indemnity under Clause 27.1 (*Guarantee and indemnity*);
- (e) to exercise any right of set-off against any Debtor; and/or
- (f) to claim or prove as a creditor of any Debtor in competition with any Guarantee Party.

If a Debtor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Guarantee Parties by the Debtors under or in connection with the Guarantee Agreements to be repaid in full on trust for the Guarantee Parties.

27.9 Release of Debtors' right of contribution

If any Debtor (a "**Retiring Debtor**") ceases to be a Debtor in accordance with the terms of the Guarantee Agreements for the purpose of any sale or other disposal of that Retiring Debtor or any of its Holding Companies (other than the Parent) then on the date such Retiring Debtor ceases to be a Debtor:

- (a) that Retiring Debtor is released by each other Debtor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Debtor arising by reason of the performance by any other Debtor of its obligations under the Guarantee Agreements; and
- (b) each other Debtor waives any rights it may have by reason of the performance of its obligations under the Guarantee Agreements to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Guarantee Parties under any Guarantee Agreement or of any other security taken pursuant to, or in connection with, any Guarantee Agreement where such rights or security are granted by or in relation to the assets of the Retiring Debtor.

27.10 Additional security

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Guarantee Party.

27.11 Guarantee limitations

This guarantee and the obligations and liabilities of each Debtor under and in connection with the Guarantee Agreements (including, without limitation, this Clause 27):

- (a) does not apply to any liability to the extent that it would result in this guarantee being illegal, in breach of law or regulation, or constituting unlawful financial assistance in any relevant jurisdiction (including, for the avoidance of doubt, within the meaning of section 678 or 679 of the Companies Act 2006 applicable to members of the Group incorporated in the United Kingdom and within the meaning of section 7 or 7A of the Isle of Man Companies Act 1992 applicable to members of the Group incorporated under the Isle of Man Companies Acts 1931 to 2004) concerning the financial assistance by that company for the acquisition of, or subscription for, shares or concerning the protection of shareholders' capital; and
- (b) is and shall be subject to Clauses 27.12 (*US guarantee limitations*) and 27.13 (*Limitations – Regulated Entities*) and any other limitations set out in this Agreement or in a Debtor/Third Party Security Provider Accession Deed applicable to such Debtor or the jurisdiction of incorporation of such Debtor,

and any guarantee, indemnity, obligations and liabilities of each Debtor shall be construed accordingly.

27.12 US guarantee limitations

- (a) In this Clause, "**fraudulent transfer law**" means any applicable United States bankruptcy and State fraudulent transfer and conveyance statute and any related case law; and terms used in this Clause are to be construed in accordance with the fraudulent transfer laws.
- (b) Each Guarantee Party acknowledges and agrees that each U.S. Debtor's liability under this Clause is limited so that no obligation of, or transfer by, any U.S. Debtor under any Guarantee Agreement is subject to avoidance and turnover under any fraudulent transfer law.
- (c) Notwithstanding any term of this Agreement or any Guarantee Agreement, no obligation of a U.S. Debtor under this Agreement or under any Guarantee Agreement may be, directly or indirectly: (i) guaranteed by

a member of the Group (including, for this purpose, any direct or indirect subsidiaries acquired hereafter by the Company) that is a "controlled foreign corporation" (as defined in Section 957(a) of the U.S. Internal Revenue Code) that has a "United States shareholder" (as defined in Section 951 of the U.S. Internal Revenue Code) that is a member of the Group (such an entity, a "**CFC**") or by an entity (a "**FSHCO**") substantially all the assets of which consist of equity interests (or equity interests and indebtedness) of one or more CFCs or other FSHCOs, or guaranteed by a Subsidiary of a CFC or FSHCO; (ii) secured by any assets of a CFC, FSHCO or a Subsidiary of a CFC or a FSHCO (including any CFC or FSHCO equity interests held directly or indirectly by a CFC or FSHCO); (iii) secured by a pledge or other security interest in excess of 65% of the voting equity interests (and 100% of the non-voting equity interests) of a CFC or FSHCO; or (iv) guaranteed by any Subsidiary or secured by a pledge of or security interest in any Subsidiary or other asset, if it would result in material adverse US tax consequences to any member of the Group that is organised or tax resident in the United States as reasonably determined by the Debtors and the Parent, and the relevant Guarantee Parties.

27.13 Limitations – Regulated Entities

(a) Notwithstanding anything set out to the contrary in this Agreement or any other Guarantee Agreement, the obligations and liabilities of each Regulated Entity which is a Debtor under this Clause 27 or any other provision of this Agreement or any other Guarantee Agreement to which it is a party shall be limited:

- (i) to the material Unrestricted Assets of that Regulated Entity (subject to and in accordance with the Agreed Security Principles); and
- (ii) such that the Guarantee Parties shall only have recourse against each Regulated Entity to the extent that such recourse does not affect the availability (immediately and without restriction) of Assets to cover, or have a result where the Regulated Entity does not satisfy, a Capital Requirement as at the date the relevant Guarantee Party takes enforcement action (however described) against such Regulated Entity under this Clause 27 or any other provision of this Agreement or any other Guarantee Agreement to which it is a party.

(b) For the purposes of this Clause 27, "**Assets**" means the assets of each Regulated Entity accounted for as such in each Regulated Entity's financial statements.

27.14 Excluded Swap Obligations; keepwell

(a) Notwithstanding anything to the contrary in this Agreement or any other Debt Document, the guarantee of each Debtor under this Clause 27 does not apply to any Excluded Swap Obligation of such Debtor (and no amount received from any Debtor under any Debt Document shall be applied to any Excluded Swap Obligation of such Debtor, whether under Clause 14 (*Application of proceeds*) or otherwise).

(b) Each Qualified ECP Guarantor shall provide such funds or other support as may be needed from time to time by each other Debtor to honour all of its obligations under (a) the Debt Documents in respect of any hedging agreement and (b) Clause 27 in respect of each other Debtor's obligations under any hedging agreement (provided, however, that each Qualified ECP Guarantor shall only be liable under this Clause 27.14 for the maximum amount of such liability that can hereby be incurred without rendering its obligations under this Clause 27.14, or otherwise under Clause 27 or otherwise under the Debt Documents, voidable

under applicable law, and not for any greater amount). The obligations of each Qualified ECP Guarantor under this Clause 27.14 shall remain in full force and effect until each Debtor's obligations under any hedging agreement and under Clause 27 in respect of each other Debtor's obligations under any hedging agreement are fully discharged in accordance with the terms of the Debt Documents. Each Qualified ECP Guarantor intends that this Clause 27.14 constitutes, and this Clause 27.14 shall be deemed to constitute, a "keepwell, support or other agreement" for the benefit of each other Debtor for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

28. COUNTERPARTS

This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

29. BAIL-IN

29.1 Contractual recognition of bail-in

30. GOVERNING LAW

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

31. ENFORCEMENT

31.1 Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to the existence, validity or termination of this Agreement or any non-contractual obligation arising out of or in connection with this Agreement) (a "**Dispute**").
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.

31.2 Service of process

- (a) Without prejudice to any other mode of service allowed under any relevant law each Debtor and Third Party Security Provider (unless incorporated in England and Wales):
- (i) irrevocably appoints the Parent as its agent for service of process in relation to any proceedings before the English courts in connection with the Debt Documents; and
 - (ii) agrees that failure by a process agent to notify the relevant Debtor or Third Party Security Provider of the process will not invalidate the proceedings concerned.
- (b) A Debtor or Third Party Security Provider may irrevocably appoint another person as its agent for service of process in relation to any proceedings before the English courts in connection with the Debt Documents, subject to notifying the Security Agent accordingly. In the case of any replacement of an existing agent for service of process, following the new process agent's appointment and notification to the Security Agent of such new appointment, the existing process agent may resign.

32. ACKNOWLEDGEMENT REGARDING ANY SUPPORTED QFCS

- (a) To the extent that the Debt Documents provide support, through a guarantee or otherwise, for Hedging Agreements or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**" and each such QFC a "**Supported QFC**"), the Parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Debt Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):
- (i) in the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported

QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States; and

- (ii) in the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, default rights under the Debt Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such default rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Debt Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender (as defined in the Senior Facilities Agreement) shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) as used in this Clause 32, the following terms have the following meanings:

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

may be cross collateralised to other financings provided by such lender or its Affiliates and (ii) liens on assets of Restricted Subsidiaries that are not Obligor or on assets that do not constitute Charged Property, in each case, securing Indebtedness of such Restricted Subsidiaries permitted under the Senior Facilities Agreement or (ii) any other similar liens, so long as the Indebtedness secured by such other liens do not permit the applicable assets and proceeds to be pledged to the Security Agent (after giving effect to the applicable anti-assignment provisions of the UCC or any other applicable law (including Title 11 of the United States Code) or principles of equity).

Excluded Assets shall not include any Proceeds, substitutions or replacements of any Excluded Assets referred to above (unless such Proceeds, substitutions or replacements would themselves constitute Excluded Assets referred to above).

“Excluded Equity Interests” means any and all of the following Equity Interests, whether now owned or hereafter acquired:

- (2) interests in Subsidiaries that are not Material Subsidiaries (as defined in the Senior Facilities Agreement, the Original Senior Secured Notes Indenture (as defined in the Senior Facilities Agreement) or other Secured Debt Document, as applicable) (except to the extent the security interest therein can be perfected by the filing of a Form UCC-1 financing statement), captive insurance subsidiaries (including any Captive Insurance Company), not-for-profit subsidiaries, special purpose entities used for securitization facilities including any factoring arrangement, in each case, permitted under the Intercreditor Agreement or the other Secured Debt Documents and Unrestricted Subsidiaries (as defined in the Senior Facilities Agreement, the Original Senior Secured Notes Indenture (as defined in the Senior Facilities Agreement) or other Secured Debt Document, as applicable);

- (6) any Equity Interests if, to the extent and for so long as the pledge of such Equity Interests hereunder is prohibited or restricted by any applicable law, rule or regulation including any requirement to obtain consent, approval, license or authorization of any Governmental Authority which has not been obtained (after giving effect to the applicable anti-assignment provisions of the UCC or any other applicable law); provided that such Equity Interests

shall cease to be Excluded Equity Interests at such time as such prohibition ceases to be in effect;

(7) Equity Interests to the extent the same would result in materially adverse tax, accounting or regulatory consequences, in each case, as reasonably determined by Company, as reasonably determined by the Parent in accordance with the Agreed Security Principles; or

GRANT OF SECURITY

Section 2.01 Pledge and Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Secured Obligations, each Grantor (other than UK Grantor) hereby pledges to the Security Agent, for the benefit of the Secured Parties, and hereby grants to the Security Agent, for the benefit of the Secured Parties, a security interest in all of such Grantor’s right, title and interest in, to and under:

- (1) the (a) Equity Interests directly owned by such Grantor as of the Effective Time and (b) Equity Interests obtained by such Grantor after the Effective Time and, in each case, the certificates representing all such Equity Interests, in each case, except to the extent such Equity Interests constitute an Excluded Asset (the Equity Interests described in the foregoing clauses (a) and (b), collectively, the “*Pledged Stock*”);

in each case, including all interest, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of or in exchange for any or all Pledged Receivables (except to the extent constituting an Excluded Asset), but excluding intercompany current liabilities incurred in the ordinary course of business in connection with the cash management operations of the Parent and its Subsidiaries;

- (3) subject to Section 2.05 hereof, all payments of principal or interest, dividends, cash, instruments and other property from time to time received, receivable or otherwise distributed in respect of, in exchange for or upon the conversion of, and all other proceeds received in respect of, the Pledged Stock and Pledged Receivables referred to in the foregoing clauses (1) and (2);

Notwithstanding anything to the contrary in this Agreement or any other Secured Debt Document, none of the Pledged Stock, Pledged Receivables, Pledged US Borrower Stock, or Collateral will include nor will the security interests granted hereunder attach to any Excluded Asset.

Each Grantor hereby irrevocably authorizes the Security Agent (or its designee) at any time and from time to time to file in any relevant jurisdiction any financing statements with respect to the Collateral or any part thereof and amendments thereto that contain the information required by Article 9 of the Uniform Commercial Code of each applicable jurisdiction for the filing of any financing statement or amendment, including: (a) whether such Grantor is an organization and the type of organization; and (b) a description of collateral that describes such property in any other manner as the Security Agent may reasonably determine is necessary to ensure the perfection of the security interest in the Collateral granted under this Agreement.

- (1) Each Grantor agrees promptly to deliver or cause to be delivered to the Security Agent any and all certificates evidencing the Pledged Stock or Pledged US Borrower Stock, as applicable, (x) within 20 Business Days of the Effective Time (as such period may be extended by the Security Agent in its reasonable discretion), in the case of any such Pledged Stock or Pledged US Borrower Stock, as applicable, owned by such Grantor as of the Effective Time, and (y) within 20 Business Days from the date such Pledged Stock or Pledged US Borrower Stock, as applicable, is acquired by such Grantor (as such period may be extended by the Security Agent in its reasonable discretion), in the case of any such Pledged Stock or Pledged US Borrower Stock, as applicable, acquired by such Grantor after the Effective Time.
- (2) Each Grantor (other than UK Grantor) agrees to deliver or cause to be delivered to the Security Agent any and all promissory notes or instruments evidencing Pledged Receivables within 20 Business Days of the Effective Time (as such period may be extended by the Security Agent in its reasonable discretion), in the case of Pledged Receivables incurred after the Effective Time, pursuant to the terms hereof; provided that the foregoing requirement will not apply to (a) intercompany current liabilities incurred in

the ordinary course of business in connection with the cash management operations of Parent and its Subsidiaries, (b) to the extent that a pledge of such promissory note or instrument would violate applicable law after giving effect to the applicable anti-assignment provisions of the UCC or other applicable law or (c) Pledged Receivables with a principal amount of less than or equal to \$15.0 million (or its equivalent in any other currency), individually.

- (3) Upon delivery to the Security Agent, (a) any Pledged Securities required to be delivered pursuant to the foregoing paragraphs (1) and (2) of this Section 2.02 will be accompanied by stock powers or note powers, as applicable, duly executed in blank or other instruments of transfer reasonably satisfactory to the Security Agent and by such other instruments and documents as the Security Agent may reasonably request and (b) all other property composing part of the Collateral delivered pursuant to the terms of this Agreement shall be accompanied, to the extent necessary to perfect the security interest in or allow realization on the Collateral, by proper instruments of assignment duly executed by the applicable Grantor and such other instruments or documents as the Security Agent may reasonably request.
- (4) Notwithstanding anything to the contrary in this Agreement, no Grantor will be required hereunder to take any action under the laws of any jurisdiction other than the United States (or any political subdivision thereof) and its territories and possessions for the purpose of perfecting the security interest in any Collateral of such Grantor.
- (5) Notwithstanding anything to the contrary in any Secured Debt Document, no Grantor will be required pursuant to the terms of this Agreement:
- (a) to take, or cause to be taken, any actions to perfect the security interest in the Collateral by any means other than (to the extent reasonably applicable):
 - (i) filings pursuant to the Uniform Commercial Code in the office of the Secretary of State (or equivalent filing office) of the relevant State(s) of the respective jurisdictions of organization of each Grantor;
 - (ii) with respect to UK Grantor only, filings pursuant to the Uniform Commercial Code in the Office of the Recorder of Deeds in the District of Columbia;
 - (iii) delivery of Collateral consisting of Pledged Receivables pursuant to and in accordance with Section 2.02; and
 - (iv) delivery of the Pledged Stock and the Pledged US Borrower Stock pursuant to and in accordance with Section 2.02; or
 - (b) to enter, or cause to be entered, any control agreements or similar arrangements with respect to any Deposit Accounts, Securities Accounts, commodities accounts or, except as set forth herein, other Collateral that requires perfection by Control.

Section 2.03 Representations, Warranties and Covenants. Each Grantor represents and warrants to the Security Agent that:

- (1) Schedule I correctly sets forth, as of the date hereof, (a) the percentage of the issued and outstanding shares of each class of the Equity Interests of the issuer thereof represented by

such Pledged Stock or Pledged US Borrower Stock, as applicable, and (b) all Pledged Receivables required to be pledged and delivered pursuant to Section 2.02;

- (2) none of the Equity Interests in limited liability companies or partnerships that are pledged by the Grantors hereunder constitute a security under Section 8-103 of the UCC or the corresponding code or statute of any other applicable jurisdiction other than any Equity Interest represented by security certificates that have been delivered, or will be delivered pursuant to this Agreement, to the Security Agent; and
- (3) as of the date hereof, each Grantor's true and correct legal name, its jurisdiction of formation or organization and the location of its chief executive office are set forth on Schedule II hereto.

Section 2.04 Registration in Nominee Name; Denominations. If an Acceleration Event has occurred which is continuing, (a) the Security Agent, on behalf of the Secured Parties, will have the right to hold the Pledged Securities in its own name as pledgee, the name of its nominee (as pledgee or as sub-agent) or the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Security Agent and each Grantor will promptly give to the Security Agent copies of any written notices or other written communications received by it with respect to the Pledged Stock and the Pledged US Borrower Stock registered in the name of such Grantor and (b) the Security Agent shall have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement, to the extent not prohibited by the documentation governing such Pledged Securities and applicable laws.

Section 2.05 Voting Rights; Dividends and Interest, Etc.

- (1) Unless and until the Grantors are notified by the Security Agent following an Acceleration Event:
 - (a) each Grantor will be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner of Collateral or any part thereof for any purpose not prohibited by the terms of this Agreement, the Intercreditor Agreement and the other Secured Debt Documents and each Grantor agrees that it shall exercise such rights for purposes consistent with the terms of this Agreement, the Intercreditor Agreement and the other Secured Debt Documents;
 - (b) the Security Agent will promptly execute and deliver to each Grantor, or cause to be executed and delivered to such Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (a) above; and
 - (c) each Grantor will be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Collateral to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Intercreditor Agreement, the other Secured Debt Documents and applicable laws; provided that, any noncash dividends, interest, principal or other distributions that would constitute Pledged Securities, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Securities, received in exchange for Pledged Securities or any part thereof, or in redemption thereof, as a result of any

merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise will be and become part of the Collateral.

(2) Upon the occurrence and during the continuance of an Acceleration Event,

- (a) in order to permit the Security Agent to exercise the voting and other consensual rights that it may be entitled to exercise pursuant hereto and to receive all dividends that it may be entitled to receive hereunder: (1) each Grantor will promptly execute and deliver (or cause to be executed and delivered) to the Security Agent all proxies, dividend payment orders and other instruments as the Security Agent may from time to time reasonably request and (2) each Grantor acknowledges that the Security Agent may utilize the power of attorney set forth in Section 5.07; and
- (b) all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (1)(c) of this Section 2.05 will cease, and all such rights will thereupon become vested, for the benefit of the Secured Parties, in the Security Agent, which will have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions.

(3) Upon the occurrence and during the continuance of an Acceleration Event, all dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 2.05 will not be commingled by such Grantor with any of its other funds or property, but will be held separate and apart therefrom, will be held in trust for the benefit of the Security Agent, for the benefit of the Secured Parties, and will be promptly delivered to the Security Agent, in the same form as so received (endorsed in a manner reasonably satisfactory to the Security Agent). Any and all money and other property paid over to or received by the Security Agent pursuant to the provisions of this paragraph (3) will be retained by the Security Agent in an account to be established by the Security Agent upon receipt of such money or other property and will be applied in accordance with the provisions of Section 3.02 hereof. After all such Acceleration Events are revoked or otherwise cease to be continuing, the Security Agent will promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (1)(c) of this Section 2.05 and that remain in such account.

(4) Upon the occurrence and during the continuance of an Acceleration Event, all rights of any Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to paragraph (1)(a) of this Section 2.05, and the obligations of the Security Agent under paragraph (1)(b) of this Section 2.05, will cease, and all such rights will thereupon become vested in the Security Agent, for the benefit of the Secured Parties, which will have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; provided that the Security Agent will have the right from time to time following and during the continuance of an Acceleration Event to permit the Grantors to exercise such rights. After all such Acceleration Events are revoked or otherwise cease to be continuing, each Grantor will have the right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of paragraph (1)(a) above.

Section 2.06 Negative Pledge. Unless otherwise permitted or not prohibited by the Secured Debt Documents, no Grantor shall sell, lease, transfer or otherwise dispose of all or any part of the Collateral

consisting of Pledged Securities except as (i) permitted by Section 2.05 of this Agreement or (ii) previously approved in writing by the Security Agent.

Section 2.07 Intercreditor Agreement. NOTWITHSTANDING ANYTHING HEREIN TO THE CONTRARY, THE LIENS AND SECURITY INTERESTS GRANTED TO THE SECURITY AGENT, FOR THE BENEFIT OF THE SECURED PARTIES, PURSUANT TO THIS AGREEMENT AND THE EXERCISE OF ANY RIGHT OR REMEDY BY THE SECURITY AGENT AND THE OTHER SECURED PARTIES WITH RESPECT TO ANY COLLATERAL HEREUNDER ARE SUBJECT TO THE PROVISIONS OF THE INTERCREDITOR AGREEMENT. IN THE EVENT OF ANY CONFLICT BETWEEN THE PROVISIONS OF THE INTERCREDITOR AGREEMENT AND THIS AGREEMENT, THE PROVISIONS OF THE INTERCREDITOR AGREEMENT SHALL GOVERN AND CONTROL.

Notwithstanding anything to the contrary set forth in this Agreement, (a) the representations, warranties and covenants set forth in this Agreement (including those set forth in Section 2.03) shall not apply to (or cover) any assets or property of the Grantors (i) not located in the United States, (ii) constituting Equity Interests in any entity not organized in the United States and/or (iii) that does not constitute Collateral and (b) the security interest in the Collateral granted hereunder shall be granted from, including and after the Effective Time, but not before.

ARTICLE III.

REMEDIES

Section 3.01 Remedies Upon Acceleration Event. Upon the occurrence and during the continuance of an Acceleration Event, the Security Agent in addition to all rights and remedies hereunder may exercise all rights and remedies of a secured party under the UCC and other applicable law. Upon the occurrence and during the continuance of an Acceleration Event, each Grantor agrees to deliver each item of Collateral to the Security Agent on demand, and it is agreed that the Security Agent shall have the right to exercise any and all rights afforded to a secured party pursuant to the Intercreditor Agreement as well as under the applicable Uniform Commercial Code or other applicable law. Without limiting the generality of the foregoing rights and remedies, each Grantor agrees that the Security Agent shall have the right, subject to the mandatory requirements of applicable law (including the Uniform Commercial Code), to sell or otherwise dispose of all or any part of the Collateral at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Security Agent shall deem appropriate. The Security Agent shall be authorized in connection with any sale of a security (if it deems it advisable to do so) pursuant to the foregoing to restrict the prospective bidders or purchasers to persons who represent and agree that they are purchasing such security for their own account, for investment, and not with a view to the distribution or sale thereof. Upon consummation of any such sale of Collateral pursuant to this Section 3.01, the Security Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives and releases (to the extent permitted by law) all rights of redemption, stay, valuation and appraisal that such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

Except for collateral of the type specified in Section 9-611(d) of the UCC, the Security Agent shall give the applicable Grantors ten Business Days' written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the UCC or its equivalent in other jurisdictions) of the Security Agent's intention to make any sale of Collateral pursuant to this Section 3.01. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on

which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Security Agent may fix and state in the notice (if any) of such sale. The Security Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Security Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In the case of any sale of all or any part of the Collateral made on credit or for future delivery, the Collateral so sold may be retained by the Security Agent until the sale price is paid by the purchaser or purchasers thereof, but the Security Agent shall not incur any liability in the event that any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in the case of any such failure, such Collateral may be sold again upon notice given in accordance with provisions above. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section 3.01, any Secured Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all such rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property in accordance with Section 3.02 hereof without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Security Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Security Agent shall have entered into such an agreement all Acceleration Events shall have been remedied and the Secured Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Security Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 3.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the UCC or its equivalent in other jurisdictions.

Section 3.02 Application of Proceeds.

- (1) The Security Agent will promptly apply the proceeds, moneys or balances of any collection or sale of Collateral in and towards payment and discharge of the Secured Obligations in accordance with the terms of the Intercreditor Agreement.
- (2) Notwithstanding anything in this Agreement or any other Secured Debt Document to the contrary, the Security Agent will not be required to marshal the Collateral or to resort to the Collateral in any particular order.

Section 3.03 Securities Act, Etc. In view of the position of the Grantors in relation to the Collateral, or because of other current or future circumstances, a question may arise under the Securities Act of 1933, as now or hereafter in effect, or any similar federal statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the “**Federal Securities Laws**”) with respect to any disposition of the Collateral permitted hereunder. Each Grantor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Security Agent if the Security Agent were to attempt to dispose of all or any part of the Collateral, and might also limit the extent to which or the manner in which any subsequent transferee of any Collateral could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Security Agent in any attempt to dispose of all or part of the Collateral under applicable Blue Sky or other

state securities laws or similar laws analogous in purpose or effect. Each Grantor acknowledges and agrees that in light of such restrictions and limitations, the Security Agent, in its sole and absolute discretion, may (1) proceed to make such a sale whether or not a registration statement for the purpose of registering such Collateral or part thereof shall have been filed under the Federal Securities Laws or, to the extent applicable, Blue Sky or other state securities laws and (2) approach and negotiate with a single potential purchaser to effect such sale. Each Grantor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Security Agent will incur no responsibility or liability for selling all or any part of the Collateral at a price that the Security Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached. The provisions of this Section 3.03 will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Security Agent sells.

ARTICLE IV.

INDEMNITY

Section 4.01 Indemnity. The terms and provisions of Clause 21 of the Intercreditor Agreement are hereby incorporated by reference herein as if fully set forth herein, and each Grantor party hereto agrees that the terms of Clause 21 of the Intercreditor Agreement shall apply to such Grantor, *mutatis mutandis*.

ARTICLE V.

MISCELLANEOUS

Section 5.01 Notices. All communications and notices hereunder shall be in writing and given as provided in Clause 23 of the Intercreditor Agreement.

Section 5.02 Security Interest Absolute. All rights of the Security Agent hereunder, the security interest in the Collateral and all obligations of each Grantor hereunder will be absolute and unconditional irrespective of:

- (1) any lack of validity or enforceability of the Intercreditor Agreement, the Senior Facilities Agreement, any other Secured Debt Document, any agreement with respect to any of the Secured Obligations or any other agreement or instrument relating to any of the foregoing;
- (2) any change in the time, manner or place of payment of, or in any other term of, all or any of the Secured Obligations, or any other amendment or waiver of or any consent to any departure from the Intercreditor Agreement, the Senior Facilities Agreement, any other Secured Debt Document or any other agreement or instrument;
- (3) any exchange, release or non-perfection of any lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Secured Obligations; or
- (4) subject only to termination or release of a Grantor's obligations hereunder in accordance with the terms of Section 5.15 hereof, any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Secured Obligations or this Agreement (other than a defense of payment or performance).

Section 5.03 Limitation By Law. All rights, remedies and powers provided in this Agreement may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Agreement are intended to be subject to all applicable mandatory provisions of law that may be controlling and to be limited to the extent necessary so that they will not render this Agreement invalid, unenforceable, in whole or in part, or not entitled to be recorded, registered or filed under the provisions of any applicable law.

Section 5.04 Binding Effect; Several Agreement. This Agreement will become effective as to any party to this Agreement when a counterpart hereof executed on behalf of such party is delivered to the Security Agent and a counterpart hereof is executed on behalf of the Security Agent, and thereafter will be binding upon such party and the Security Agent and their respective permitted successors and assigns, and will inure to the benefit of such party, the Security Agent and the other Secured Parties and their respective permitted successors and assigns, except that no party shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement, the Intercreditor Agreement and the Secured Debt Documents. This Agreement will be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

Section 5.05 Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference will be deemed to include the permitted successors and assigns of such party, and all covenants, promises and agreements by or on behalf of any Grantor or the Security Agent that are contained in this Agreement shall bind and inure to the benefit of their respective permitted successors and assigns; provided that no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Security Agent or as otherwise permitted under the Intercreditor Agreement (and any attempted assignment or transfer by any Grantor without such consent shall be null and void). The Security Agent hereunder will at all times be the same person that is the Security Agent under the Intercreditor Agreement. Written notice of resignation by the Security Agent pursuant to the Intercreditor Agreement will also constitute notice of resignation as the Security Agent under this Agreement. Upon the acceptance of any appointment as the Security Agent under the Intercreditor Agreement by a successor Security Agent, that successor Security Agent will thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring Security Agent pursuant hereto. For the avoidance of doubt, in the event of any conflict between the provisions of the Intercreditor Agreement and this Section 5.05, the provisions of the Intercreditor Agreement shall govern and control.

Section 5.06 Security Agent's Fees and Expenses; Indemnification. The parties hereto agree that the Security Agent will be entitled to reimbursement of its expenses incurred hereunder as provided in Clause 20 of the Intercreditor Agreement and the provisions of Clause 20 shall be incorporated by reference herein and apply to each Grantor *mutatis mutandis*.

Section 5.07 Security Agent Appointed Attorney-in-Fact. Following the occurrence of an Acceleration Event which is continuing, each Grantor hereby appoints the Security Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Security Agent may deem necessary to accomplish the purposes hereof, which appointment is irrevocable and coupled with an interest. The Security Agent will have the right, following the occurrence of an Acceleration Event which is continuing, with full power of substitution either in the Security Agent's name or in the name of such Grantor, to:

- (1) receive, endorse, assign or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof;

- (2) demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral;
- (3) ask for, demand, sue for, collect, receive and give acquittance for any and all moneys due or to become due under and by virtue of any Collateral;
- (4) commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral;
- (5) settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; and
- (6) use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Security Agent were the absolute owner of the Collateral for all purposes;

provided that nothing herein contained will be construed as requiring or obligating the Security Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Security Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Security Agent and the other Secured Parties will be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence, bad faith or willful misconduct or that of any of their Affiliates, directors, officers, employees, counsel, agents or attorneys-in-fact.

Section 5.08 Applicable Law. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY, DISPUTE OR CAUSE OF ACTION (WHETHER IN CONTRACT OR TORT OR OTHERWISE) BASED UPON, ARISING OUT OF OR RELATING TO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

Section 5.09 Waivers; Amendment.

- (1) No failure or delay by the Security Agent or any Secured Party in exercising any right, power or remedy hereunder will operate as a waiver thereof, nor will any single or partial exercise of any such right, power or remedy, preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The rights, powers and remedies of the Security Agent and the Secured Parties hereunder are cumulative and are not exclusive of any rights, powers or remedies provided by law. No waiver of any provision of this Agreement or consent to any departure by any Grantor therefrom will in any event be effective unless the same is permitted by paragraph (2) of this Section 5.09, and then such waiver or consent will be effective only in the specific instance and for the purpose for which given. No notice or demand on any other Grantor in any case shall entitle such person to any other or further notice or demand in similar or other circumstances.
- (2) Except as otherwise provided in the Intercreditor Agreement, neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Security Agent and the Grantor or Grantors

with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Clause 25 of the Intercreditor Agreement.

Section 5.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT. EACH PARTY HERETO (1) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (2) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 5.10.

Section 5.11 Severability. In the event any one or more of the provisions contained in this Agreement is held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein will not in any way be affected or impaired thereby.

Section 5.12 Counterparts. This Agreement may be executed in two or more counterparts, each of which will constitute an original but all of which when taken together will constitute but one contract, and will become effective as provided in Section 5.04 hereof. The words “execution,” “signed,” “signature,” and words of like import in this Agreement shall be deemed to include images of manually executed signatures transmitted by facsimile or other electronic format (including, without limitation, “.pdf”, “.tif” or “.jpg”) and other electronic signatures (including, without limitation, DocuSign and AdobeSign), each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 5.13 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 5.14 Jurisdiction; Consent to Service of Process.

- (1) Each party to this Agreement hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or federal court of the United States of America sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding shall be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement will affect any right that the Security Agent or any Secured Party may otherwise have to bring any action or proceeding relating to this Agreement against any Grantor, or its properties, in the courts of any jurisdiction; except that each of the Grantors agrees that (a) it will not bring any such action or proceeding in any court other than New York Courts (it being acknowledged and agreed by the parties hereto that any other forum would be inconvenient and inappropriate in view of the fact that more of the Secured Parties who would be affected by any such action or proceeding have contacts with the State of

New York than any other jurisdiction), and (b) in any such action or proceeding brought against any Grantor in any other court, it will not assert any cross-claim, counterclaim or setoff, or seek any other affirmative relief, except to the extent that the failure to assert the same will preclude such Grantor from asserting or seeking the same in the New York Courts.

- (2) Each party to this Agreement hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

Section 5.15 Termination or Release.

- (1) Subject to Section 5.15(2) below, on the Final Discharge Date, at the cost of the Grantors, by the express release thereof granted by the Security Agent (i) acting on its own initiative or (ii) at the request of the relevant Grantor: (a) this Agreement, the pledges made herein and the security interests granted hereby shall be discharged and (b) the Security Agent and each Secured Party shall promptly take all other actions and steps contemplated by the Intercreditor Agreement in relation to the release of any security interests granted hereby, or any other steps, confirmations or actions in relation to this Agreement, in each case.
- (2) Notwithstanding anything to the contrary in this Agreement, to the extent contemplated by the Intercreditor Agreement or any other Secured Debt Document or as otherwise agreed by the Security Agent (acting reasonably), the Security Agent and each Secured Party will, at such Grantor's expense, release or terminate the security interests granted hereby, or take any other steps, confirmations or actions in relation to this Agreement and will take any and all action, including executing and delivering all documents, that such Grantor reasonably requests to evidence such termination or release (including UCC termination statements) and will duly assign and transfer to such Grantor such of the Collateral that may be in the possession of the Security Agent and has not theretofore been sold or otherwise applied or released pursuant to this Agreement.

Section 5.16 Additional Subsidiaries. Upon execution and delivery by the Security Agent and any Subsidiary that becomes a party hereto in accordance with the Secured Debt Documents of a supplement in the form of Exhibit A hereto, such Subsidiary or Parent Entity will become a Grantor hereunder. The execution and delivery of any such supplement will not require the consent of any other party to this Agreement. The rights and obligations of each party to this Agreement will remain in full force and effect notwithstanding the addition of any new party to this Agreement.

Section 5.17 Precedence. In the event of any inconsistency or conflict between the terms and conditions of this Agreement and the terms and conditions of the Intercreditor Agreement, the terms and conditions of the Intercreditor Agreement shall prevail.

Section 5.18 Secured Party Acknowledgement. BY ACCEPTING THE BENEFITS OF THIS AGREEMENT AND THE SECURITY INTERESTS CREATED HEREBY, EACH SECURED PARTY ACKNOWLEDGES THE PROVISIONS OF CLAUSE 21 OF THE INTERCREDITOR AGREEMENT, AND ANY OTHER SIMILAR OR EQUIVALENT PROVISION OF ANY OF THE SECURED DEBT DOCUMENTS AND AGREES TO BE BOUND BY SUCH PROVISIONS AS FULLY AS IF THEY WERE SET FORTH HEREIN.

Section 5.19 Reasonable Care. The Security Agent is required to use reasonable care in the custody and preservation of any of the Collateral in its possession; provided, that the Security Agent shall be deemed to have used reasonable care in the custody and preservation of any of the Collateral, if such Collateral is accorded treatment substantially similar to that which the Security Agent accords its own property.

- (b) Notwithstanding anything to the contrary in this Debenture (and without prejudice to the terms of the Intercreditor Agreement or any other Secured Debt Document in relation to the requirement for the Security Agent to enter into documentation in relation to this

Debenture (including releases)), nothing in this Debenture shall (or shall be construed to) prohibit, restrict or obstruct any transaction, matter or other step (or any Chargor taking or entering into the same) or dealing in any manner whatsoever in relation to any asset (including all rights, claims, benefits, proceeds and documentation, and contractual counterparties in relation thereto) the subject of (or expressed to be the subject of) this Debenture and the Security arising thereunder in each case if not prohibited by the Secured Debt Documents or where Required Creditor Consent has been obtained. The Security Agent shall promptly enter into such documentation and/or take such other action as is required by a Chargor (acting reasonably) in order to facilitate any such transaction, matter or other step, including by way of executing any confirmation, consent to dealing, release or other similar or equivalent document, provided that any costs and expenses incurred by the Security Agent entering into such documentation and/or taking such other action at the request of such Chargor pursuant to this paragraph (b) shall be for the account of such Chargor, in accordance with clause 20 (Costs and Expenses) of the Intercreditor Agreement.

The failure to create an effective Security, whether arising out of any provision of this Debenture or any act or omission by any person, over any one such asset shall not affect the nature or validity of the Security imposed on any other such asset, whether within that same class of assets or otherwise.

2. COVENANT TO PAY

 - (ii) any person (entitled to do so) takes any step to effect any expropriation, attachment, sequestration, distress or execution against any such asset.

- (c) Upon the conversion of any floating charge pursuant to this Clause 3.5, each relevant Chargor shall, at its own expense, following written request by the Security Agent execute a fixed charge or legal assignment consistent with the Agreed Security Principles on terms no more onerous to that Chargor than the terms set out in this Debenture (and otherwise in such form as the Security Agent may reasonably request in writing).

The conversion to a fixed charge and reconversion to a floating charge (or the converse) may occur any number of times.

- (c) No Secured Party shall be liable to any Chargor for any loss arising from the manner in which the Security Agent or any other Secured Party enforces or refrains from enforcing the Security constituted by this Debenture.

11.2 Enforcement powers

- (a) The Secured Obligations shall be deemed to have become due and payable on the date of this Debenture in respect of the Original Chargors, and on the date of execution of the applicable Security Accession Deed in respect of any other Chargor, for the purposes of section 101 of the Law of Property Act 1925.
- (b) The power of sale and other powers conferred by section 101 of the Law of Property Act 1925 (as varied and extended by this Debenture) and all other powers conferred on a mortgagee by law shall be deemed to arise immediately upon an Acceleration Event which is continuing.

- (c) For the purposes of sections 99 and 100 of the Law of Property Act 1925, the expression “**mortgagor**” shall include any encumbrancer deriving title under the original mortgagor and section 99(18) of the Law of Property Act 1925 and section 100(12) of the Law of Property Act 1925 shall not apply.

11.3 Statutory powers

The powers conferred on mortgagees, receivers or administrative receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (as the case may be) shall apply to the Security created under this Debenture, unless they are expressly or impliedly excluded. If there is ambiguity or conflict between the powers contained in those Acts and those contained in this Debenture, those contained in this Debenture shall prevail.

11.4 Exercise of powers

All or any of the powers conferred upon mortgagees by the Law of Property Act 1925 as varied or extended by this Debenture, and all or any of the rights and powers conferred by this Debenture on a Receiver (whether expressly or impliedly), may be exercised by the Security Agent without further notice to any Chargor at any time upon or after the occurrence of an Acceleration Event which is continuing, irrespective of whether the Security Agent has taken possession or appointed a Receiver of the Charged Property.

11.5 Disapplication of statutory restrictions

The restriction on the consolidation of mortgages and on power of sale imposed by sections 93 and 103 respectively of the Law of Property Act 1925 shall not apply to the Security constituted by this Debenture.

11.6 Appropriation under the Financial Collateral Regulations

To the extent that any of the Charged Property constitute “financial collateral” and this Debenture and the obligations of a Chargor under it constitute a “security financial collateral arrangement” (in each case, as defined in, and for the purposes of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226) (the “**FCR Regulations**”)), upon and after the Security created pursuant to this Debenture has become enforceable, the Security Agent or any Receiver shall have the benefit of all the rights of a collateral taker conferred upon it by the FCR Regulations, including the right to appropriate without notice to any Chargor (either on a single occasion or on multiple occasions) all or any part of that financial collateral in or towards discharge of the Secured Obligations and, for this purpose, the value of the financial collateral so appropriated shall be:

- (a) in the case of cash, the face value at the time of appropriation (including the amount standing to the credit of each Account, together with any accrued but unposted interest at the time the right of appropriation is exercised); and
- (b) in the case of any Investments (or any other financial collateral), the market price at the time of appropriation of those Investments determined by the Security Agent or any Receiver (as applicable) in a commercially reasonable manner (including by reference to a public index or independent valuation),

as converted, where necessary, into the currency in which the liabilities under the Secured Debt Documents are denominated at a market rate of exchange prevailing at the time of appropriation selected by the Security Agent or any Receiver. The Parties agree that the methods of valuation set

out in paragraphs (a) and (b) above are commercially reasonable methods of valuation for the purposes of the FCR Regulations.

12. ADMINISTRATOR

- (a) Subject to the Insolvency Act 1986, the Security Agent may appoint one or more qualified persons to be an administrator of any Chargor (to act together with or independently of any others so appointed):
 - (i) if so requested by the relevant Chargor; or
 - (ii) at any time upon or after the occurrence of an Acceleration Event which is continuing.
- (b) Any such appointment may be made pursuant to an application to court under paragraph 12 of Schedule B1 to the Insolvency Act 1986 or by filing the specified documents with the court under paragraphs 14 to 21 of Schedule B1 to the Insolvency Act 1986.
- (c) In this Clause 12, “**qualified person**” means a person who, under the Insolvency Act 1986, is qualified to act as an administrator of any company with respect to which he is appointed.

13. RECEIVERS

13.1 Appointment of Receiver

- (a) At any time upon or after the occurrence of an Acceleration Event which is continuing, or if so requested by the relevant Chargor, the Security Agent may, by writing under hand signed by an officer or manager of the Security Agent, appoint any person (or persons) to be a Receiver of all or any part of the Charged Property (save to the extent prohibited by section 72A of the Insolvency Act 1986).
- (b) Paragraph 14 of Schedule B1 to the Insolvency Act 1986 shall apply to the floating charge created by this Debenture.
- (c) Section 109(1) of the Law of Property Act 1925 shall not apply to this Debenture.
- (d) If the Security Agent appoints more than one person as Receiver, the Security Agent may give those persons power to act either jointly or severally.
- (e) Any Receiver may be appointed Receiver of all of the Charged Property or Receiver of a part of the Charged Property specified in the appointment. In the case of an appointment in respect of a part of the Charged Property, the rights conferred on a Receiver as set out in Clause 13.2 (*Powers of Receiver*) shall have effect as though every reference in Clause 13.2 (*Powers of Receiver*) to the Charged Property were a reference to the part of the Charged Property so specified or any part of that Charged Property.

13.2 Powers of Receiver

Each Receiver appointed under this Debenture shall have (subject to any limitations or restrictions which the Security Agent may incorporate in the deed or instrument appointing it) all the powers conferred from time to time on receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (each of which is deemed incorporated in this Debenture), so that the powers set out in Schedule 1 to the Insolvency Act 1986 shall extend to every Receiver, whether or not an

administrative receiver. In addition, notwithstanding any liquidation of the relevant Chargor, each Receiver shall have the following rights, powers and discretions:

- (a) all the rights conferred by the Law of Property Act 1925 on mortgagors and on mortgagees in possession and on any receiver appointed under the Law of Property Act 1925;
- (b) all the rights expressed to be conferred upon the Security Agent in this Debenture and all the rights to release the Charged Property from the Security conferred upon the Security Agent in the Secured Debt Documents;
- (c) to take immediate possession of, get in and collect any Charged Property and to require payment to it or to the Security Agent of any monetary claims or credit balance on any Account;
- (d) to manage or carry on any part of the business of the relevant Chargor;
- (e) to enter into, vary or cancel any contracts on any terms or conditions;
- (f) to incur any liability on any terms, whether secured or unsecured, and whether to rank for payment in priority to this security or not;
- (g) to sell, transfer, assign, exchange, hire out, lend, licence, convert into money and realise any Charged Property by public offer or auction, tender or private contract and for a consideration of any kind (which may be payable in a lump sum or by instalments spread over any period or deferred);
- (h) to bring, prosecute, enforce, defend and abandon any action, suit and proceedings in relation to any Charged Property or any business of that Chargor;
- (i) to give a valid receipt for any moneys and execute any assurance or thing which may be necessary or desirable for realising any Charged Property;
- (j) to establish subsidiaries to acquire interests in any of the Charged Property and/or arrange for those subsidiaries to trade or cease to trade and acquire any of the Charged Property on any terms and conditions;
- (k) to make and effect all repairs, renewals and improvements to any of the Charged Property and maintain, renew, take out or increase insurances;
- (l) to exercise all voting and other rights attaching to the Shares or Investments and stocks, shares and other securities owned by the relevant Chargor and comprised in the Charged Property, but only following a written notification from either the Receiver or the Security Agent to the relevant Chargor stating that the Security Agent shall exercise all voting rights in respect of the Shares or Investments and stocks, shares and other securities owned by the relevant Chargor and comprised in the Charged Property;
- (m) to redeem any prior Security on or relating to the Charged Property and settle and pass the accounts of the person entitled to that prior Security, so that any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on the relevant Chargor and the money so paid shall be deemed to be an expense properly incurred by the Receiver;

- (n) to appoint, hire, employ and discharge officers, employees, contractors, agents, advisors and others for any of the purposes of this Debenture and/or to guard or protect the Charged Property upon terms as to remuneration or otherwise as they may think fit;
 - (o) to settle any claims, accounts, disputes, questions and demands with or by any person who is or claims to be a creditor of the relevant Chargor or relating to any of the Charged Property;
 - (p) to effect any insurance and do any other act which a Chargor might do in the ordinary conduct of its business to protect or improve any Charged Property in each case as he considers fit; to exercise in relation to any Charged Property all the powers, authorities and things which he would be capable of exercising if he were the absolute beneficial owner of that Charged Property; and
 - (q) to do all other acts and things (including signing and executing all documents and deeds) as the Receiver considers to be incidental or conducive to any of the matters or powers in this Clause 13.2, or otherwise incidental or conducive to the preservation, improvement or realisation of the Charged Property, and use the name of the relevant Chargor for all such purposes,
- and in each case may use the name of any Chargor and exercise the relevant power in any manner which they may think fit.

13.3 Receiver as Agent

- (a) Any Receiver shall be the agent of each Chargor for all purposes and accordingly shall be deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Law of Property Act 1925.
- (b) Each Chargor is solely responsible for the contracts, engagements, acts, omissions, defaults and losses of a Receiver and for any liabilities incurred by a Receiver.

13.4 Removal of Receiver

The Security Agent may by notice remove from time to time any Receiver appointed by it (subject to the provisions of section 45 of the Insolvency Act 1986 in the case of an administrative receivership) and, whenever it may deem appropriate, appoint a new Receiver in the place of any Receiver whose appointment has terminated, for whatever reason.

13.5 Remuneration of Receiver

The Security Agent may (subject to section 36 of the Insolvency Act 1986) reasonably determine the remuneration of any Receiver appointed by it and any maximum rate imposed by any law (including under section 109(6) of the Law of Property Act 1925) shall not apply to this Debenture and may direct payment of such remuneration out of moneys accruing to him as Receiver, but the Chargors alone shall be liable for the payment of such remuneration and for all other reasonable costs, charges, losses, liabilities and expenses of the Receiver.

13.6 Several Receivers

If at any time there is more than one Receiver, each Receiver may separately exercise all of the powers conferred by this Debenture (unless the deed or instrument appointing such Receiver states otherwise).

14. APPLICATION OF PROCEEDS

14.1 Order of application

All moneys and other proceeds or assets received or recovered by the Security Agent or any Receiver pursuant to this Debenture or the powers conferred by it shall be applied in the order and manner specified in the Intercreditor Agreement.

14.2 Section 109 Law of Property Act 1925

Sections 109(6) of the Law of Property Act 1925 shall not apply to a Receiver appointed under this Debenture.

14.3 Application against Secured Obligations

Subject to Clause 14.1 (*Order of application*) above, any moneys or other value received or realised by the Security Agent from a Chargor or a Receiver under this Debenture may be applied by the Security Agent to any item of account or liability or transaction forming part of the Secured Obligations to which they may be applicable in any order or manner which the Security Agent may determine.

14.4 Suspense account

At any time upon or after the occurrence of an Acceleration Event which is continuing, until the Final Discharge Date, the Security Agent may place and keep (for such time as it shall determine) any money received, recovered or realised pursuant to this Debenture or on account of any Chargor's liability in respect of the Secured Obligations in an interest bearing separate suspense account (to the credit of either the relevant Chargor or the Security Agent as the Security Agent shall think fit) and the Receiver may retain the same for the period which he and the Security Agent consider expedient without having any obligation to apply all or any part of that money in or towards discharge of such Secured Obligations.

15. PROTECTION OF SECURITY AGENT AND RECEIVER

15.1 Possession of Charged Property

If the Security Agent or the Receiver enters into possession of the Charged Property, it will not be liable to account as mortgagee in possession by reason of viewing or repairing any of the present or future assets of any Chargor and may at any time at its discretion go out of such possession.

15.2 Primary liability of Chargor

Each Chargor shall be deemed to be a principal debtor and the sole, original and independent obligor for the Secured Obligations and the Charged Property shall be deemed to be a principal security for the Secured Obligations. The liability of each Chargor under this Debenture and the charges contained in this Debenture shall not be impaired by any forbearance, neglect, indulgence, abandonment, extension of time, release, surrender or loss of securities, dealing, variation or

arrangement by the Security Agent or any other Secured Party, or by any other act, event or matter whatsoever whereby the liability of the relevant Chargor (as a surety only) or the charges contained in this Debenture (as secondary or collateral charges only) would, but for this provision, have been discharged.

15.3 Waiver of defences

Clause 24.4 (*Waiver of defences*) of the Intercreditor Agreement is incorporated *mutatis mutandis* into this Debenture (including all capitalised terms as defined therein) but as if each reference therein to:

- (a) a “Debtor” is a reference to a Chargor; and
- (b) a “Debt Document” is a reference to a Secured Debt Document.

15.4 Security Agent

The provisions set out in clause 17 (*The Security Agent*) of the Intercreditor Agreement shall govern the rights, duties and obligations of the Security Agent under this Debenture.

15.5 Cumulative powers

The powers which this Debenture confers on the Security Agent, the other Secured Parties and any Receiver appointed under this Debenture are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Security Agent, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Security Agent, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

16. POWER OF ATTORNEY

- (a) Each Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any person nominated for the purpose by the Security Agent or any Receiver (in writing and signed by an officer of the Security Agent or Receiver) as its attorney (with full power of substitution and delegation) in its name and on its behalf and as its act and deed at any time upon or after the occurrence of an Acceleration Event which is continuing and in such manner as the attorney considers fit:
 - (i) to do anything which that Chargor is obliged to do under this Debenture (including to do all such acts or execute all such documents, assignments, transfers, mortgages, charges, notices, instructions, filings and registrations as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s))); and
 - (ii) to exercise any of the rights conferred on the Security Agent, any Receiver or any delegate in relation to (i) the Security granted pursuant to this Agreement, (ii) any Finance Document or (iii) under any law.
- (b) The power of attorney conferred on the Security Agent and each Receiver pursuant to paragraph (a) above shall continue notwithstanding the exercise by the Security Agent or

any Receiver of any right of appropriation pursuant to Clause 11.6 (*Appropriation under the Financial Collateral Regulations*).

- (c) Each Chargor ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do in the proper exercise of the power of attorney granted by it in this Clause 16.

17. PROTECTION FOR THIRD PARTIES

17.1 No obligation to enquire

No purchaser from, or other person dealing with, the Security Agent or any Receiver (or their agents) shall be obliged or concerned to enquire:

- (a) whether the right of the Security Agent or any Receiver to exercise any of the powers conferred by this Debenture has arisen or become exercisable or as to the propriety or validity of the proper exercise of any such power;
 - (b) whether any consents, regulations, restrictions or directions relating to such powers have been obtained or complied with;
 - (c) whether the Security Agent, any Receiver or its agents is acting within such powers;
 - (d) as to the propriety or validity of acts purporting or intended to be in exercise of any such powers;
 - (e) whether any of the Secured Obligations remain outstanding and/or are due and payable or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters; or
 - (f) as to the application of any money paid to the Security Agent, any Receiver or its agents,
- and any such person who is not a party to this Debenture may rely on this Clause 17.1 and enforce its terms under the Contracts (Rights of Third Parties) Act 1999.

17.2 Receipt conclusive

The receipt of the Security Agent or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve him of any obligation to see to the application of any moneys paid to or by the direction of the Security Agent or any Receiver.

18. REINSTATEMENT AND RELEASE

18.1 Amounts avoided

- (a) If any payment by a Chargor or any discharge, arrangement or release given by a Secured Party (whether in respect of the obligations of any Debtor or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:
 - (i) the liability of that Chargor and the relevant security shall continue as if the payment, discharge, release, avoidance or reduction had not occurred; and

(ii) the relevant Secured Party shall be entitled to recover the value or amount of that security or payment from that Chargor, as if the payment, discharge, avoidance or reduction had not occurred.

(b) The Security Agent may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

18.2 Discharge conditional

Any settlement or discharge between a Chargor and any Secured Party shall be conditional upon no security or payment to that Secured Party by that Chargor or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of that Secured Party under this Debenture) that Secured Party shall be entitled to recover from that Chargor the value which that Secured Party has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

18.3 Covenant to release

(a) Subject to paragraph (b) below, on the Final Discharge Date, the Security Agent and each Secured Party shall, at the request and cost of each Chargor:

(i) promptly take any and all action which the relevant Chargor reasonably requests and/or which may be necessary to release, reassign or discharge (as appropriate) the Charged Property from the Security constituted by this Debenture; and

(ii) promptly take all other actions and steps contemplated by the Intercreditor Agreement in relation to the release of any Security contemplated by this Debenture, or any other steps, confirmations or actions in relation to this Debenture.

(b) Notwithstanding anything to the contrary in this Debenture, to the extent contemplated by the Intercreditor Agreement or any other Secured Debt Document (or to the extent agreed between the Security Agent and the relevant Chargors), the Security Agent and each Secured Party shall, at the request and cost of the relevant Chargor, take any and all action which is necessary to release such assets from the Security constituted by this Debenture in accordance with the terms of the Intercreditor Agreement.

18.4 Immediate recourse

(a) Each Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from or enforcing against any Chargor under this Debenture.

(b) The waiver in this Clause 18.4 applies irrespective of any law or any provision of a Secured Debt Document to the contrary.

18.5 Appropriations

Upon or after the occurrence of an Acceleration Event which is continuing and until the Final Discharge Date, each Secured Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it considers fit (whether against those amounts or otherwise) and no Chargor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Chargor or on account of any Chargor's liability under this Debenture.

18.6 Deferral of Chargors' rights

- (a) Until the Final Discharge Date and unless the Security Agent otherwise directs, no Chargor shall exercise any rights which it may have to:
 - (i) be indemnified by any other Chargor or Obligor or surety or Group Company of any Debtor's or Chargor's obligations under the Secured Debt Documents;
 - (ii) claim any contribution from any other Obligor in respect of any Debtor's obligations under the Secured Debt Documents;
 - (iii) take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Secured Debt Documents or of any other guarantee or security taken pursuant to, or in connection with, the Secured Debt Documents by any Secured Party;
 - (iv) bring legal or other proceedings for an order requiring any Obligor or any Chargor to make any payment, or perform any obligation, in respect of which the Obligor or the Chargor had given a guarantee, undertaking or indemnity;
 - (v) exercise any right of set-off against a Debtor; and/or
 - (vi) claim or prove as a creditor of any Debtor in competition with any Secured Party.
- (b) If a Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by the Chargors and Debtors under or in connection with the Secured Debt Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Agent or as the Security Agent may direct for application in accordance with the Intercreditor Agreement.

18.7 Security held by Chargors

- (a) No Chargor shall, without the prior written consent of the Security Agent, hold or otherwise take the benefit of any Security from any other Debtor in respect of that Chargor's liability under this Debenture.
- (b) Each Chargor shall hold any Security and the proceeds thereof held by it in breach of this Clause 18.7 on trust for the Security Agent and shall promptly pay or transfer those proceeds to the Security Agent or as the Security Agent may direct.

18.8 Additional security/non-merger

The Security created pursuant to this Debenture is in addition to, independent of and not in substitution for or derogation of, and shall not be merged into or in any way be excluded or prejudiced by, any other guarantees or Security at any time held by any Secured Party in respect of or in connection with any or all of the Secured Obligations or any other amount due by any Chargor to any Secured Party.

18.9 New accounts and ruling off

- (a) Any Secured Party may open a new account in the name of any Chargor at any time after that Secured Party has received or is deemed to have received notice of any subsequent Security affecting any Charged Property (except as permitted by the Secured Debt Documents or where Required Creditor Consent has been obtained).
- (b) If a Secured Party does not open a new account in the circumstances referred to in paragraph (a) above it shall nevertheless be deemed to have done so upon the occurrence of such circumstances, and all payments made by or on behalf of that Chargor to that Secured Party shall be credited or be treated as having been credited to the relevant new account.
- (c) No moneys paid into any account (whether new or continuing) after the occurrence of the circumstances referred to in paragraph (a) above shall reduce or discharge the Secured Obligations.

19. CURRENCY CLAUSES

19.1 Conversion

All monies received or held by the Security Agent, or any Receiver, under this Debenture may be converted into any other currency which the Security Agent considers necessary to cover the obligations and liabilities comprised in the Secured Obligations in that other currency, at the Security Agent's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

19.2 No discharge

No payment to the Security Agent (whether under any judgment or court order or otherwise) shall discharge the obligation or liability of the relevant Chargor in respect of which it was made unless and until the Security Agent has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Agent shall have a further separate cause of action against the relevant Chargor and shall be entitled to enforce the Security constituted by this Debenture to recover the amount of the shortfall.

20. SET-OFF

20.1 Set-off rights

Upon or after the occurrence of an Acceleration Event which is continuing, the Security Agent may set off any matured obligation due from a Chargor under the Secured Debt Documents (to the extent beneficially owned by the Security Agent) against any matured obligation owed by the Security Agent to that Chargor, regardless of the place of payment, booking branch or currency of either

obligation. If the obligations are in different currencies, the Security Agent may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

20.2 Unliquidated claims

If, at any time upon or after the occurrence of an Acceleration Event which is continuing, the relevant obligation or liability is unliquidated or unascertained, the Secured Party may set-off the amount which it estimates (in good faith) will be the final amount of that obligation or liability once it becomes liquidated or ascertained.

21. REDEMPTION OF PRIOR SECURITY

The Security Agent or any Receiver may, at any time upon or after the occurrence of an Acceleration Event which is continuing, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on each Chargor. Each Chargor will on demand pay to the Security Agent all principal monies and interest and all losses incidental to any such redemption or transfer.

22. NOTICES

Any communication to be made under or in connection with this Debenture shall be made in accordance with clause 23 (*Notices*) of the Intercreditor Agreement.

23.2 Assignment by the Chargors

No Chargor may assign or transfer, or attempt to assign or transfer, any of its rights or obligations under this Debenture.

23.3 Changes to Parties

Each Chargor:

- (a) authorises and agrees to changes to parties under clause 19 (*Changes to the Parties*) of the Intercreditor Agreement, and authorises the Security Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions; and
- (b) irrevocably appoints the Parent as its agent for the purpose of executing any Security Accession Deed on its behalf.

24. MISCELLANEOUS

24.1 Certificates conclusive

A certificate or determination of the Security Agent or any Receiver under this Debenture will be conclusive evidence of the matters to which it relates and binding on each Chargor, except in the case of manifest error.

24.2 Counterparts

This Debenture may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Debenture. Delivery of a counterpart of this Debenture by e-mail attachment or telecopy shall be an effective mode of delivery.

24.3 Invalidity of any provision

If any provision of this Debenture is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

24.4 Failure to execute

Failure by one or more Parties (“**Non-Signatories**”) to execute this Debenture on the date hereof will not invalidate the provisions of this Debenture as between the other Parties who do execute this Debenture. Such Non-Signatories may execute this Debenture on a subsequent date and will thereupon become bound by its provisions.

24.5 Amendments

Subject to the terms of the Intercreditor Agreement, any provision of this Debenture may be amended in writing by the Security Agent and the Chargors, and each Chargor irrevocably appoints the Parent as its agent for the purpose of agreeing and executing any amendment on its behalf.

24.6 Notice of charge or assignment

This Debenture constitutes notice in writing to each Chargor of any charge or assignment of a debt owed by that Chargor to any other Group Company and contained in any other Secured Debt Document.

25. GOVERNING LAW AND JURISDICTION

- (a) This Debenture and any non-contractual claims arising out of or in connection with it shall be governed by and construed in accordance with English law.
- (b) Subject to paragraph (c) below, the Parties agree that the courts of England shall have exclusive jurisdiction to settle any dispute arising out of or in connection with this Debenture, whether contractual or non-contractual (including a dispute regarding the existence, validity or termination of this Debenture) (a “**Dispute**”). The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.
- (c) Each Chargor agrees that a judgment or order of any court referred to in this Clause 25 is conclusive and binding and may be enforced against it in the courts of any other jurisdiction.

IN WITNESS whereof this Debenture has been duly executed as a deed on the date first above written.

- (c) any assets located in any jurisdiction that is not a Security Jurisdiction;
- (d) any interest in any third party minority interest, partnership or joint venture;

- (k) any other assets where the cost of obtaining a security interest in, or perfection of a security interest in, such assets exceeds the practical benefit to the Secured Parties afforded thereby (as reasonably determined by the Parent and notified to the Security Agent).

1.5 Miscellaneous

- (a) Notwithstanding anything to the contrary in this Security Agreement (and without prejudice to the terms of the Intercreditor Agreement or any other Secured Debt Document in relation to the requirement for the Security Agent to enter into documentation in relation to this Security Agreement (including releases)), nothing in this Security Agreement shall (or shall be construed to) prohibit, restrict or obstruct any transaction, matter or other step (or the Chargor taking or entering into the same) or dealing in any manner whatsoever in relation to any asset (including all rights, claims, benefits, proceeds and documentation, and contractual counterparties in relation thereto) the subject of (or expressed to be the subject of) this Security Agreement and the Security arising thereunder in each case if not prohibited by the Secured Debt Documents or where Required Creditor Consent has been obtained. The Security Agent shall promptly enter into such documentation and/or take such other action as is required by the Chargor (acting reasonably) in order to facilitate any such transaction, matter or other step, including by way of executing any confirmation, consent to dealing, release or other similar or equivalent document, provided that any costs and expenses incurred by the Security Agent entering into such documentation and/or taking such other action at the request of the Chargor pursuant to this paragraph (b) shall be for the account of the Chargor, in accordance with clause 20 (*Costs and Expenses*) of the Intercreditor Agreement.

- (g) The Security created pursuant to this Security Agreement by the Chargor is made with full title guarantee under the Law of Property (Miscellaneous Provisions) Act 1994.

(h) Notwithstanding any other provision of this Security Agreement, the Security constituted in relation to the trusts created by this Security Agreement and the exercise of any right or remedy by the Security Agent hereunder shall be subject to the Intercreditor Agreement.

1.6 Distinct Security

All Security created pursuant to this Security Agreement shall be construed as creating a separate and distinct Security over each relevant asset within any particular class of assets defined or referred to in this Security Agreement. The failure to create an effective Security, whether arising out of any provision of this Security Agreement or any act or omission by any person, over any one such asset shall not affect the nature or validity of the Security imposed on any other such asset, whether within that same class of assets or otherwise.

1.7 Nature of Obligations

Nothing in this Security Agreement is intended to make the Chargor liable as principal debtor, guarantor or otherwise, for any of the Secured Obligations.

2. LIMITED RECOURSE

(a) Notwithstanding any other provision of this Security Agreement or the Secured Debt Documents, the recourse of the Security Agent against the Chargor in respect of the Secured Obligations is limited to the rights of enforcement and recovery against the Charged Property charged by the Chargor under this Security Agreement and, accordingly, the Security Agent agrees that the total amount recoverable against the Chargor under this Security Agreement shall be limited to the proceeds received by the Security Agent after realising the Charged Property of the Chargor in accordance with this Security Agreement.

(b) No Secured Party:

- (i) shall have any recourse to any assets of the Chargor other than the Charged Property of the Chargor;
- (ii) may seek to recover from the Chargor any shortfall between the amount of the proceeds received by the Security Agent after realising the Charged Property of the Chargor in accordance with this Security Agreement and the Secured Obligations; or

3. CHARGING PROVISIONS

3.1 Effective Time

Notwithstanding anything to the contrary in this Security Agreement, the Security constituted hereunder shall be granted pursuant to the provisions of this Security Agreement from and including the Effective Time, but not before.

3.2 Specific Security

Subject to Clause 3.3 (*Property restricting charging*), the Chargor, as continuing security for the payment of the Secured Obligations, charges in favour of the Security Agent with full title guarantee by way of first fixed charge all the Shares and all corresponding Related Rights from time to time owned by it or in which it has an interest.

4. FURTHER ASSURANCE

- (a) Subject to the Agreed Security Principles, the Chargor shall promptly do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s)):
 - (i) to perfect the Security created or intended to be created under or evidenced by this Security Agreement (which may include the execution of a mortgage, charge, assignment or other Security over all or any of the assets which are, or are intended to be, the subject of the Charged Property) or for the exercise of any rights, powers and remedies of the Security Agent or the Secured Parties provided by or pursuant to this Security Agreement or by law; and/or
 - (ii) after a Declared Default which is continuing, to facilitate the realisation of the assets which are, or are intended to be, the subject of the Charged Property.
- (b) Subject to the Agreed Security Principles, the Chargor shall take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Secured Parties by or pursuant to this Security Agreement.
- (c) Notwithstanding anything set out to the contrary above, or in any other term of this Security Agreement, no Regulated Entity or other member of the Group will be required:
 - (i) to give a guarantee or grant Security where, in the good faith judgment of the directors of the Chargor, the creation of Security, the giving of a guarantee and/or otherwise becoming the Chargor under this Security Agreement could materially increase the regulatory capital requirements pursuant to any applicable law or regulation or the views, guidance or interpretation of the applicable law or regulation of any Relevant Regulator, or materially adversely affect the solvency capital requirements, of the Group (or any member thereof) pursuant to any applicable law or regulation applicable to such member of the Group, or where such guarantee or grant could cause the Group (or any member thereof) to breach any applicable law or regulation; or

- (ii) to create Security over or otherwise encumber any Restricted Asset (including, without limitation, any bank accounts which contain or are reasonably likely to contain any Restricted Assets).

5. NEGATIVE PLEDGE

The Chargor shall not create or permit to subsist any Security over all or any part of the Charged Property except as permitted or not prohibited by the Secured Debt Documents or with the prior written consent of the Security Agent or to the extent Required Creditor Consent has been obtained.

- (a) its obligations under this Security Agreement are valid, legally binding and enforceable obligations; and
 - (b) (without limiting the generality of paragraph (a) above), this Security Agreement creates valid and effective security interests which this Security Agreement purports to make, ranking in accordance with the terms herein,
- in each case, to the extent that a failure to do so would have a Material Adverse Effect.

6.4 Non-conflict with other obligations

Subject to the Legal Reservations, the entry into and performance by it of, and the transactions contemplated by this Security Agreement do not contravene:

- (a) any law or regulation applicable to it;
- (b) its constitutional documents; or
- (c) any agreement or instrument binding upon it or any of its assets,

to an extent which has or is reasonably likely to have a Material Adverse Effect.

6.5 Power and authority

It has the power to enter into, perform and deliver, and has taken all necessary action to authorise its entry into, performance and delivery of, this Security Agreement and to carry out the transactions contemplated by this Security Agreement to the extent failure to do so would have a Material Adverse Effect.

 - (ii) promptly, at any time upon or after the occurrence of an Acceleration Event which is continuing, all other documents relating to its Shares which the Security Agent reasonably requests in writing in accordance with the Agreed Security Principles.
- (b) The Security Agent may retain any document delivered to it under this Clause 7.1 or otherwise until the Security created under this Security Agreement is released.

- (d) If required or desirable to effect any transaction permitted or not prohibited under any Secured Debt Document (or in respect of which Required Creditor Consent has been obtained), the Security Agent shall, promptly upon written request by the Chargor, return any document previously delivered to it under paragraph (a) above to the Chargor, *provided* that any such document delivered to the Chargor shall be held on trust by the Chargor for the Security Agent.

- (e) For the avoidance of doubt, nothing in paragraph (a) above shall require the Chargor to deposit stocks and share certificates or other documents of title relating to any Shares where such Shares are in dematerialised or uncertificated form.

- (a) deal with any Charged Property (including making any disposal of or in relation thereto) and all contractual counterparties in respect thereof; and
- (b) amend, waive or terminate (or allow to lapse) any rights, benefits and/or obligations in respect of Charged Property, in each case without reference to any Secured Party,

except as expressly prohibited by the Secured Debt Documents (save where Required Creditor Consent has been obtained).

9. UNDERTAKINGS

The Chargor undertakes to the Security Agent in the terms of this Clause 9 from the date of this Security Agreement and until the Final Discharge Date.

9.1 Voting and distribution rights

- (a) Prior to the occurrence of an Acceleration Event:

- (i) the Chargor shall be entitled to receive, and retain all dividends, distributions and other monies paid on or derived from its Shares (whether held in certificated or uncertificated form); and
- (ii) the Chargor shall be entitled to exercise or direct the exercise of all voting and other rights and powers attaching to its Shares in its sole and absolute discretion, *provided* that it shall not exercise any such voting rights or powers in a manner which would cause an Event of Default to occur.

- (b) On or at any time after the occurrence of a Voting Event:

- (i) the Security Agent (or its nominee) may exercise (or refrain from exercising) any voting rights, powers and other rights in respect of any Shares of the Chargor as it sees fit; and

10.1 Continuing Security

All Security constituted by this Security Agreement is a continuing security for the payment, discharge and performance of all of the Secured Obligations, shall extend to the ultimate balance of all sums payable under the Secured Debt Documents and shall remain in full force and effect until the Final Discharge Date. No part of the Security will be considered satisfied or discharged by any intermediate payment, discharge or satisfaction of the whole or any part of the Secured Obligations.

10.2 Other Security

The Security constituted by this Security Agreement is to be in addition to and shall neither be merged in nor in any way exclude or prejudice or be affected by any other Security or other right which the Security Agent and/or any other Secured Party may now or after the date of this Security Agreement hold for any of the Secured Obligations, and this Security may be enforced against the Chargor without first having recourse to any other rights of the Security Agent or any other Secured Party.

11. ENFORCEMENT OF SECURITY

11.1 Timing and manner of enforcement

- (a) Subject to the terms of the Intercreditor Agreement, the Security constituted by this Security Agreement shall become enforceable and the powers referred to in Clause 11.2 (*Enforcement powers*) shall become exercisable immediately upon or after the occurrence of an Acceleration Event which is continuing.
- (b) Without prejudice to any other provision of this Security Agreement, any time after the Security created pursuant to this Security Agreement has become enforceable, the Security Agent may without notice to the Chargor enforce all or any part of that Security and exercise all or any of the powers, authorities and discretions conferred by the Secured Debt Documents including this Security Agreement or otherwise by law on mortgagees, chargees and Receivers (whether or not it has appointed a Receiver), in each case at the times, in the manner and on the terms it thinks fit or as otherwise directed in accordance with the terms of the Secured Debt Documents.
- (c) No Secured Party shall be liable to the Chargor for any loss arising from the manner in which the Security Agent or any other Secured Party enforces or refrains from enforcing the Security constituted by this Security Agreement.

- (c) For the purposes of sections 99 and 100 of the Law of Property Act 1925, the expression “**mortgagor**” shall include any encumbrancer deriving title under the original mortgagor and section 99(18) of the Law of Property Act 1925 and section 100(12) of the Law of Property Act 1925 shall not apply.

11.3 Statutory powers

The powers conferred on mortgagees, receivers or administrative receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (as the case may be) shall apply to the Security created under this Security Agreement, unless they are expressly or impliedly excluded. If there is ambiguity or conflict between the powers contained in those Acts and those contained in this Security Agreement, those contained in this Security Agreement shall prevail.

11.4 Exercise of powers

All or any of the powers conferred upon mortgagees by the Law of Property Act 1925 as varied or extended by this Security Agreement, and all or any of the rights and powers conferred by this Security Agreement on a Receiver (whether expressly or impliedly), may be exercised by the Security Agent without further notice to the Chargor at any time upon or after the occurrence of an Acceleration Event which is continuing, irrespective of whether the Security Agent has taken possession or appointed a Receiver of the Charged Property.

11.5 Disapplication of statutory restrictions

The restriction on the consolidation of mortgages and on power of sale imposed by sections 93 and 103 respectively of the Law of Property Act 1925 shall not apply to the Security constituted by this Security Agreement.

11.6 Appropriation under the Financial Collateral Regulations

To the extent that any of the Charged Property constitute “financial collateral” and this Security Agreement and the obligations of the Chargor under it constitute a “security financial collateral arrangement” (in each case, as defined in, and for the purposes of, the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226) (the “**FCR Regulations**”)), upon and after the Security created pursuant to this Security Agreement has become enforceable, the Security Agent or any Receiver shall have the benefit of all the rights of a collateral taker conferred upon it by the FCR Regulations, including the right to appropriate without notice to the Chargor (either on a single occasion or on multiple occasions) all or any part of that financial collateral in or towards discharge of the Secured Obligations and, for this purpose, the value of the financial collateral so appropriated shall be:

- (a) in the case of cash, the face value at the time of appropriation; and
 - (b) in the case of any other financial collateral, the market price at the time of appropriation of that financial collateral determined by the Security Agent or any Receiver (as applicable) in a commercially reasonable manner (including by reference to a public index or independent valuation),

12. RECEIVERS

12.1 Appointment of Receiver

- (a) At any time upon or after the occurrence of an Acceleration Event which is continuing, or if so requested by the Chargor, the Security Agent may, by writing under hand signed by an officer or manager of the Security Agent, appoint any person (or persons) to be a Receiver of all or any part of the Charged Property (save to the extent prohibited by section 72A of the Insolvency Act 1986).
- (b) Section 109(1) of the Law of Property Act 1925 shall not apply to this Security Agreement.
- (c) If the Security Agent appoints more than one person as Receiver, the Security Agent may give those persons power to act either jointly or severally.
- (d) Any Receiver may be appointed Receiver of all of the Charged Property or Receiver of a part of the Charged Property specified in the appointment. In the case of an appointment in respect of a part of the Charged Property, the rights conferred on a Receiver as set out in Clause 12.2 (*Powers of Receiver*) shall have effect as though every reference in Clause 12.2 (*Powers of Receiver*) to the Charged Property were a reference to the part of the Charged Property so specified or any part of that Charged Property.

12.2 Powers of Receiver

Each Receiver appointed under this Security Agreement shall have (subject to any limitations or restrictions which the Security Agent may incorporate in the deed or instrument appointing it) all the powers conferred from time to time on receivers by the Law of Property Act 1925 and the Insolvency Act 1986 (each of which is deemed incorporated in this Security Agreement), so that the powers set out in Schedule 1 to the Insolvency Act 1986 shall extend to every Receiver, whether or not an administrative receiver. In addition, notwithstanding any liquidation of the Chargor, each Receiver shall have the following rights, powers and discretions:

- (a) all the rights conferred by the Law of Property Act 1925 on mortgagors and on mortgagees in possession and on any receiver appointed under the Law of Property Act 1925;

 - (e) to give a valid receipt for any moneys and execute any assurance or thing which may be necessary or desirable for realising any Charged Property;
 - (f) to exercise all voting and other rights attaching to the Shares and stocks, shares and other securities owned by the Chargor and comprised in the Charged Property, but only following a written notification from either the Receiver or the Security Agent to the Chargor stating that the Security Agent shall exercise all voting rights in respect of the Shares and stocks, shares and other securities owned by the Chargor and comprised in the Charged Property;
 - (g) to redeem any prior Security on or relating to the Charged Property and settle and pass the accounts of the person entitled to that prior Security, so that any accounts so settled and passed shall (subject to any manifest error) be conclusive and binding on the Chargor and the money so paid shall be deemed to be an expense properly incurred by the Receiver;
 - (h) to exercise in relation to any Charged Property all the powers, authorities and things which he would be capable of exercising if he were the absolute beneficial owner of that Charged Property; and

- and in each case may use the name of the Chargor and exercise the relevant power in any manner which he may think fit.

12.3 Receiver as Agent

- (a) Any Receiver shall be the agent of the Chargor for all purposes and accordingly shall be deemed to be in the same position as a Receiver duly appointed by a mortgagee under the Law of Property Act 1925.
- (b) The Chargor is solely responsible for the contracts, engagements, acts, omissions, defaults and losses of a Receiver and for any liabilities incurred by a Receiver.

12.4 Removal of Receiver

The Security Agent may by notice remove from time to time any Receiver appointed by it (subject to the provisions of section 45 of the Insolvency Act 1986 in the case of an administrative receivership) and, whenever it may deem appropriate, appoint a new Receiver in the place of any Receiver whose appointment has terminated, for whatever reason.

12.5 Remuneration of Receiver

The Security Agent may (subject to section 36 of the Insolvency Act 1986) reasonably determine the remuneration of any Receiver appointed by it and any maximum rate imposed by any law

(including under section 109(6) of the Law of Property Act 1925) shall not apply to this Security Agreement and may direct payment of such remuneration out of moneys accruing to him as Receiver, but the Chargor alone shall be liable for the payment of such remuneration and for all other reasonable costs, charges, losses, liabilities and expenses of the Receiver.

12.6 Several Receivers

If at any time there is more than one Receiver, each Receiver may separately exercise all of the powers conferred by this Security Agreement (unless the deed or instrument appointing such Receiver states otherwise).

13. APPLICATION OF PROCEEDS

13.1 Order of application

All moneys and other proceeds or assets received or recovered by the Security Agent or any Receiver pursuant to this Security Agreement or the powers conferred by it shall be applied in the order and manner specified in the Intercreditor Agreement.

13.2 Section 109 Law of Property Act 1925

Sections 109(6) of the Law of Property Act 1925 shall not apply to a Receiver appointed under this Security Agreement.

13.3 Application against Secured Obligations

Subject to Clause 13.1 (*Order of application*) above, any moneys or other value received or realised by the Security Agent from the Chargor or a Receiver under this Security Agreement may be applied by the Security Agent to any item of account or liability or transaction forming part of the Secured Obligations to which they may be applicable in any order or manner which the Security Agent may determine.

13.4 Suspense account

At any time upon or after the occurrence of an Acceleration Event which is continuing, until the Final Discharge Date, the Security Agent may place and keep (for such time as it shall determine) any money received, recovered or realised pursuant to this Security Agreement or on account of the Chargor's liability in respect of the Secured Obligations in an interest bearing separate suspense account (to the credit of either the Chargor or the Security Agent as the Security Agent shall think fit) and the Receiver may retain the same for the period which he and the Security Agent consider expedient without having any obligation to apply all or any part of that money in or towards discharge of such Secured Obligations.

14. PROTECTION OF SECURITY AGENT AND RECEIVER

14.1 Possession of Charged Property

If the Security Agent or the Receiver enters into possession of the Charged Property, it will not be liable to account as mortgagee in possession by reason of viewing or repairing any of the present or future Charged Property of the Chargor and may at any time at its discretion go out of such possession.

14.2 Waiver of defences

Clause 24.4 (*Waiver of defences*) of the Intercreditor Agreement is incorporated *mutatis mutandis* into this Security Agreement (including all capitalised terms as defined therein) but as if each reference therein to:

- (a) a “Debtor” is a reference to the Chargor; and
- (b) a “Debt Document” is a reference to a Secured Debt Document.

14.3 Security Agent

The provisions set out in clause 17 (*The Security Agent*) of the Intercreditor Agreement shall govern the rights, duties and obligations of the Security Agent under this Security Agreement.

14.4 Cumulative powers

The powers which this Security Agreement confers on the Security Agent, the other Secured Parties and any Receiver appointed under this Security Agreement are cumulative, without prejudice to their respective powers under the general law, and may be exercised as often as the relevant person thinks appropriate. The Security Agent, the other Secured Parties or the Receiver may, in connection with the exercise of their powers, join or concur with any person in any transaction, scheme or arrangement whatsoever. The respective powers of the Security Agent, the other Secured Parties and the Receiver will in no circumstances be suspended, waived or otherwise prejudiced by anything other than an express consent or amendment.

15. POWER OF ATTORNEY

- (a) The Chargor, by way of security, irrevocably and severally appoints the Security Agent, each Receiver and any person nominated for the purpose by the Security Agent or any Receiver (in writing and signed by an officer of the Security Agent or Receiver) as its attorney (with full power of substitution and delegation) in its name and on its behalf and as its act and deed at any time upon or after the occurrence of an Acceleration Event which is continuing and in such manner as the attorney considers fit:
 - (i) to do anything which the Chargor is obliged to do under this Security Agreement (including to do all such acts or execute all such documents, assignments, transfers, mortgages, charges, notices, instructions, filings and registrations as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s))); and
 - (ii) to exercise any of the rights conferred on the Security Agent, any Receiver or any delegate in relation to (i) the Security granted pursuant to this Agreement, (ii) any Secured Debt Document or (iii) under any law.
- (b) The power of attorney conferred on the Security Agent and each Receiver pursuant to paragraph (a) above shall continue notwithstanding the exercise by the Security Agent or any Receiver of any right of appropriation pursuant to Clause 11.6 (*Appropriation under the Financial Collateral Regulations*).

- (c) The Chargor ratifies and confirms and agrees to ratify and confirm whatever any such attorney shall do in the proper exercise of the power of attorney granted by it in this Clause 15.

16. PROTECTION FOR THIRD PARTIES

16.1 No obligation to enquire

No purchaser from, or other person dealing with, the Security Agent or any Receiver (or their agents) shall be obliged or concerned to enquire:

- (a) whether the right of the Security Agent or any Receiver to exercise any of the powers conferred by this Security Agreement has arisen or become exercisable or as to the propriety or validity of the proper exercise of any such power;
- (b) whether any consents, regulations, restrictions or directions relating to such powers have been obtained or complied with;
- (c) whether the Security Agent, any Receiver or its agents is acting within such powers;
- (d) as to the propriety or validity of acts purporting or intended to be in exercise of any such powers;
- (e) whether any of the Secured Obligations remain outstanding and/or are due and payable or be concerned with notice to the contrary and the title and position of such a purchaser or other person shall not be impeachable by reference to any of those matters; or
- (f) as to the application of any money paid to the Security Agent, any Receiver or its agents,

and any such person who is not a party to this Security Agreement may rely on this Clause 16.1 and enforce its terms under the Contracts (Rights of Third Parties) Act 1999.

16.2 Receipt conclusive

The receipt of the Security Agent or any Receiver shall be an absolute and a conclusive discharge to a purchaser, and shall relieve him of any obligation to see to the application of any moneys paid to or by the direction of the Security Agent or any Receiver.

17. REINSTATEMENT AND RELEASE

17.1 Amounts avoided

- (a) If any payment by the Chargor or any discharge, arrangement or release given by a Secured Party (whether in respect of the obligations of any Debtor or any security for those obligations or otherwise) is avoided or reduced as a result of insolvency or any similar event:
 - (i) the liability of the Chargor and the relevant security shall continue as if the payment, discharge, release, avoidance or reduction had not occurred; and
 - (ii) the relevant Secured Party shall be entitled to recover the value or amount of that security or payment from the Chargor, as if the payment, discharge, avoidance or reduction had not occurred.

- (b) The Security Agent may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

17.2 Discharge conditional

Any settlement or discharge between the Chargor and any Secured Party shall be conditional upon no security or payment to that Secured Party by the Chargor or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of that Secured Party under this Security Agreement) that Secured Party shall be entitled to recover from the Chargor the value which that Secured Party has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

17.3 Covenant to release

- (a) Subject to paragraphs (b) and (c) below, on the Final Discharge Date, the Security Agent and each Secured Party shall, at the request and cost of the Chargor:
- (i) promptly take any and all action which the Chargor reasonably requests and/or which may be necessary to release, reassign or discharge (as appropriate) the Charged Property from the Security constituted by this Security Agreement; and
 - (ii) promptly take all other actions and steps contemplated by the Intercreditor Agreement in relation to the release of any Security contemplated by this Security Agreement, or any other steps, confirmations or actions in relation to this Security Agreement.
- (b) Notwithstanding anything to the contrary in this Security Agreement, to the extent contemplated by the Intercreditor Agreement or any other Secured Debt Document (or to the extent agreed between the Security Agent and the Chargor), the Security Agent and each Secured Party shall, at the request and cost of the Chargor, take any and all action which is necessary to release the Charged Property from the Security constituted by this Security Agreement in accordance with the terms of the Intercreditor Agreement.
- (c) Notwithstanding anything to the contrary in this Security Agreement, on the date of any disposal of any of the Charged Property, as contemplated in the Tax Structure Memorandum (or in order to facilitate any of the intermediate steps or actions necessary to implement the steps, circumstances, payments or transactions described therein), the Security Agent (on behalf of itself and the Secured Parties and is irrevocably authorised and instructed to do so without any consent, sanction, authority or further confirmation) hereby agrees that it:
- (i) irrevocably and unconditionally:
 - (A) releases and discharges the Chargor from all present or future, actual or contingent liabilities, obligations, guarantees and security created, evidenced or conferred by, and all claims, actions, suit, accounts and demands arising under this Security Agreement;
 - (B) reassigns and retransfers to the Chargor all rights, interest and title to the Charged Property; and

(C) relinquishes any and all rights effectively granted to it by the Chargor under any power of attorney or proxy, or submission to enforcement, pursuant to or in connection with this Security Agreement; and

(ii) shall promptly (at the request and cost of the Chargor) take any and all action which is necessary to release such Charged Property from the Security constituted by this Security Agreement.

17.4 Immediate recourse

- (a) The Chargor waives any right it may have of first requiring any Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from or enforcing against the Chargor under this Security Agreement.
- (b) The waiver in this Clause 17.4 applies irrespective of any law or any provision of a Secured Debt Document to the contrary.

17.5 Appropriations

Upon or after the occurrence of an Acceleration Event which is continuing and until the Final Discharge Date, each Secured Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Secured Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it considers fit (whether against those amounts or otherwise) and the Chargor shall not be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from the Chargor or on account of the Chargor's liability under this Security Agreement.

17.6 Deferral of the Chargor's rights

- (a) Until the Final Discharge Date and unless the Security Agent otherwise directs, the Chargor shall not exercise any rights which it may have to:
 - (i) be indemnified by any Obligor or surety or Group Company of any Debtor's or the Chargor's obligations under the Secured Debt Documents;
 - (ii) claim any contribution from any Obligor in respect of any Debtor's obligations under the Secured Debt Documents;
 - (iii) take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Secured Parties under the Secured Debt Documents or of any other guarantee or security taken pursuant to, or in connection with, the Secured Debt Documents by any Secured Party;
 - (iv) bring legal or other proceedings for an order requiring any Obligor or the Chargor to make any payment, or perform any obligation, in respect of which the relevant Obligor or the Chargor had given a guarantee, undertaking or indemnity;
 - (v) exercise any right of set-off against a Debtor; and/or

(vi) claim or prove as a creditor of any Debtor in competition with any Secured Party.

- (b) If the Chargor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Secured Parties by the Chargor and Debtors under or in connection with the Secured Debt Documents to be repaid in full on trust for the Secured Parties and shall promptly pay or transfer the same to the Security Agent or as the Security Agent may direct for application in accordance with the Intercreditor Agreement.

17.7 Security held by the Chargor

- (a) The Chargor shall not, without the prior written consent of the Security Agent, hold or otherwise take the benefit of any Security from any other Debtor in respect of the Chargor's liability under this Security Agreement.
- (b) The Chargor shall hold any Security and the proceeds thereof held by it in breach of this Clause 17.7 on trust for the Security Agent and shall promptly pay or transfer those proceeds to the Security Agent or as the Security Agent may direct.

17.8 Additional security/non-merger

The Security created pursuant to this Security Agreement is in addition to, independent of and not in substitution for or derogation of, and shall not be merged into or in any way be excluded or prejudiced by, any other guarantees or Security at any time held by any Secured Party in respect of or in connection with any or all of the Secured Obligations or any other amount due by the Chargor to any Secured Party.

17.9 New accounts and ruling off

- (a) Any Secured Party may open a new account in the name of the Chargor at any time after that Secured Party has received or is deemed to have received notice of any subsequent Security affecting any Charged Property (except as permitted by the Secured Debt Documents or where Required Creditor Consent has been obtained).
- (b) If a Secured Party does not open a new account in the circumstances referred to in paragraph (a) above it shall nevertheless be deemed to have done so upon the occurrence of such circumstances, and all payments made by or on behalf of the Chargor to that Secured Party shall be credited or be treated as having been credited to the relevant new account.
- (c) No moneys paid into any account (whether new or continuing) after the occurrence of the circumstances referred to in paragraph (a) above shall reduce or discharge the Secured Obligations.

18. CURRENCY CLAUSES

18.1 Conversion

All monies received or held by the Security Agent, or any Receiver, under this Security Agreement may be converted into any other currency which the Security Agent considers necessary to cover the obligations and liabilities comprised in the Secured Obligations in that other currency, at the Security Agent's spot rate of exchange then prevailing for purchasing that other currency with the existing currency.

18.2 No discharge

No payment to the Security Agent (whether under any judgment or court order or otherwise) shall discharge the obligation or liability of the Chargor in respect of which it was made unless and until the Security Agent has received payment in full in the currency in which the obligation or liability is payable or, if the currency of payment is not specified, was incurred. To the extent that the amount of any such payment shall on actual conversion into that currency fall short of that obligation or liability expressed in that currency, the Security Agent shall have a further separate cause of action against the Chargor and shall be entitled to enforce the Security constituted by this Security Agreement to recover the amount of the shortfall.

19. SET-OFF

19.1 Set-off rights

Upon or after the occurrence of an Acceleration Event which is continuing, the Security Agent may set off any matured obligation due from the Chargor under the Secured Debt Documents (to the extent beneficially owned by the Security Agent) against any matured obligation owed by the Security Agent to the Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Security Agent may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

19.2 Unliquidated claims

If, at any time upon or after the occurrence of an Acceleration Event which is continuing, the relevant obligation or liability is unliquidated or unascertained, the Secured Party may set-off the amount which it estimates (in good faith) will be the final amount of that obligation or liability once it becomes liquidated or ascertained.

20. REDEMPTION OF PRIOR SECURITY

The Security Agent or any Receiver may, at any time upon or after the occurrence of an Acceleration Event which is continuing, redeem any prior Security on or relating to any of the Charged Property or procure the transfer of that Security to itself, and may settle and pass the accounts of any person entitled to that prior Security. Any account so settled and passed shall (subject to any manifest error) be conclusive and binding on the Chargor. The Chargor will on demand pay to the Security Agent all principal monies and interest and all losses incidental to any such redemption or transfer.

21. NOTICES

Any communication to be made under or in connection with this Security Agreement shall be made in accordance with clause 23 (*Notices*) of the Intercreditor Agreement.

22. CHANGES TO PARTIES

22.1 Assignment by the Security Agent

The Security Agent may at any time assign or otherwise transfer all or any part of its rights under this Security Agreement in accordance with the Secured Debt Documents.

22.2 Assignment by the Chargor

The Chargor may not assign or transfer, or attempt to assign or transfer, any of its rights or obligations under this Security Agreement.

22.3 Changes to Parties

The Chargor authorises and agrees to changes to parties under clause 20 (*Changes to the Parties*) of the Intercreditor Agreement, and authorises the Security Agent to execute on its behalf any document required to effect the necessary transfer of rights or obligations contemplated by those provisions.

23. MISCELLANEOUS

23.1 Certificates conclusive

A certificate or determination of the Security Agent or any Receiver under this Security Agreement will be conclusive evidence of the matters to which it relates and binding on the Chargor, except in the case of manifest error.

23.2 Counterparts

This Security Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Security Agreement. Delivery of a counterpart of this Security Agreement by e-mail attachment or telecopy shall be an effective mode of delivery.

23.3 Invalidity of any provision

If any provision of this Security Agreement is or becomes invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions shall not be affected or impaired in any way.

23.4 Failure to execute

Failure by one or more Parties ("**Non-Signatories**") to execute this Security Agreement on the date hereof will not invalidate the provisions of this Security Agreement as between the other Parties who do execute this Security Agreement. Such Non-Signatories may execute this Security Agreement on a subsequent date and will thereupon become bound by its provisions.

23.5 Amendments

Subject to the terms of the Intercreditor Agreement, any provision of this Security Agreement may be amended in writing by the Security Agent and the Chargor, and the Chargor irrevocably appoints the Parent as its agent for the purpose of agreeing and executing any amendment on its behalf.

24. GOVERNING LAW AND JURISDICTION

- (a) This Security Agreement and any non-contractual claims arising out of or in connection with it shall be governed by and construed in accordance with English law.
- (b) Subject to paragraph (c) below, the Parties agree that the courts of England shall have exclusive jurisdiction to settle any dispute arising out of or in connection with this Security

Agreement, whether contractual or non-contractual (including a dispute regarding the existence, validity or termination of this Security Agreement) (a “**Dispute**”). The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no party will argue to the contrary.

- (c) The Chargor agrees that a judgment or order of any court referred to in this Clause 24 is conclusive and binding and may be enforced against it in the courts of any other jurisdiction.

IN WITNESS whereof this Security Agreement has been duly executed and delivered as a deed on the date first above written, and shall take effect as a deed notwithstanding the fact that some parties may have signed under hand.
