## Information Contained in this Form 6-K Report

*Changes to Executive Leadership: President Digital Wallets.*

This report on Form 6-K (the “Report”) contains information on changes to the executive leadership of Paysafe Limited (“Paysafe” or the “Company”). On February 9, 2023, Paysafe announced that Chirag Patel, President Digital Wallets will be leaving the Company.

Paysafe reaffirms its revenue and adjusted EBITDA guidance for the fourth quarter and full year 2022, previously announced on November 10, 2022. Paysafe plans to release its fourth quarter and full year 2022 financial results on Thursday, March 9, 2023.

The Company will also be hosting an Analyst & Investor Day on Monday, March 13, 2023, at the New York Stock Exchange.

The information contained in this report shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, and shall not be deemed incorporated by reference into any filings made by Paysafe Limited under the Securities Act of 1933, as amended, or the Exchange Act, except as may be expressly set forth by specific reference in such filing.

This Report includes “forward-looking statements” within the meaning of the “safe harbor” provisions of the United States Private Securities Litigation Reform Act of 1995. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as, and must not be relied on by any investor as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Paysafe's actual results may differ from their expectations, estimates, and projections and, consequently, you should not rely on these forward-looking statements as predictions of future events. Words such as “anticipate,” “appear,” “approximate,” “believe,” “budget,” “continue,” “could,” “estimate,” “expect,” “forecast,” “foresee,” “guidance,” “intends,” “may,” “might,” “plan,” “possible,” “potential,” “predict,” “project,” “seek,” “should,” “would” and variations of such words and similar expressions (or the negative version of such words or expressions) may identify forward-looking statements, but the absence of these words does not mean that a statement is not forward-looking. These forward-looking statements include, without limitation, Paysafe’s expectations with respect to future performance.

### Forward-Looking Statements

These forward-looking statements involve significant risks and uncertainties that could cause the actual results to differ materially, and potentially adversely, from those expressed or implied in the forward-looking statements. While the Company believes its assumptions concerning future events are reasonable, a number of factors could cause actual results to differ materially from those projected, including, but not limited to: cyberattacks and security vulnerabilities; complying with and changes in money laundering regulations, financial services regulations, cryptocurrency regulations, consumer and business privacy and data use regulations or other regulations in Bermuda, the UK, Ireland, Switzerland, the United States, Canada and elsewhere; geopolitical events, including acts of war and terrorism, including the conflict in Ukraine, the economic and other impacts of such conflict and the responses of governments around the world thereto; changes in our relationships with banks, payment card networks, issuers and financial institutions; risk related to processing online payments for merchants and customers engaged in the online gambling and foreign exchange trading sectors; risks related to our focus on specialized and high-risk verticals; risks related to becoming an unwitting party to fraud or be deemed to be handling proceeds of crimes being committed by customers; risks associated with the integration of acquisitions; the effects of chargebacks, merchant insolvency and consumer deposit settlement risk; changes to our continued financial institution sponsorship; failure to hold, safeguard or account accurately for merchant or customer funds; risks related to the availability, integrity and security of internal and external IT transaction processing systems and services; failure of third parties to comply with contractual obligations; changes and compliance with payment card network operating rules; substantial and increasingly intense competition worldwide in the global payments industry; the COVID-19 pandemic, including the resulting global economic uncertainties; risks related to developing and maintaining effective internal controls over financial reporting; managing our growth effectively, including growing our revenue pipeline; any difficulties maintaining a strong and trusted brand; keeping pace with rapid technological developments; risks associated with the significant influence of our principal shareholders; our ability to retain, attract and motivate key personnel; and other factors included in the “Risk Factors” in our Form 20-F and in other filings we make with the SEC, which are available at <https://www.sec.gov>. Readers are cautioned not to place undue reliance upon any forward-looking statements, which speak only as of the date made. The Company expressly disclaims any obligations or undertaking to release publicly any updates or revisions to any forward-looking statements contained herein to reflect any change in their expectations with respect thereto or any change in events, conditions, or circumstances on which any statement is based, except as required by law.

### About Paysafe

Paysafe Limited is a leading global payments platform. Its core purpose is to enable businesses and consumers to connect and transact seamlessly through industry-leading capabilities in payment processing, digital wallet, and online cash solutions. With over 20 years of online payment experience, an annualized transactional volume of over US \$120 billion in 2021, and approximately 3,500 employees located in 12+ global locations, Paysafe connects businesses and consumers across 100 payment types in over 40

currencies around the world. Delivered through an integrated platform, Paysafe solutions are geared toward mobile-initiated transactions, real-time analytics and the convergence between brick-and-mortar and online payments. Further information is available at [www.paysafe.com](http://www.paysafe.com).
