*The Board recommends voting **FOR** the proposal.*

Who may vote?

You may vote at the 2025 AGM and any postponement or adjournment thereof if you held Paysafe Limited Common Shares at the close of business (ET) on March 31, 2025, the record date for the meeting. Each Common Share is entitled to one vote.

Who is soliciting my vote?

Our Board is soliciting proxies to vote Common Shares at the 2025 AGM. In connection with this solicitation, we distributed information regarding the availability of proxy materials (“**Proxy Materials Notice**”) to registered holders of our Common Shares on or about April 11, 2025. You may access the materials online by following the instructions in the Proxy Materials Notice.

Why did I receive a Proxy Materials Notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

As permitted under Bye-law 126, we provide information to our Shareholders by publication of an electronic record of such information on our website. We notify our Shareholders of the availability of such information by mailing them the Proxy Materials Notice. This saves time and costs for the Company and is in line with our environmental commitments to reduce wastage.

How many votes are needed to approve each proposal?

Proposals One and Two regarding the re-election of the Class I directors will be determined by a plurality of the votes cast, as required under Bye-law 59.

Proposal Three, the re-appointment of Deloitte & Touche LLP as auditor and Board authorization to determine the remuneration of the auditor for the financial period ending December 31, 2025, will require the affirmative vote of a majority of common shares voting at the 2025 AGM. Broker non-votes are not counted as either votes for or votes against a proposal.

Proposals One, Two and Three will be voted on by a poll with an authorized representative of Mediant, collating and counting the votes to determine whether the requisite vote has been met.
