- 28. Any sum which, by the terms of issue of a share, becomes payable on allotment or at any date fixed by or in accordance with such terms of issue, whether on account of the nominal value of the share or by way of premium, shall for all purposes of these Bye-Laws be deemed to be a call duly made, notified and payable on the date on which, by the terms of issue, the same becomes payable, and, in case of non-payment, all the relevant provisions of these Bye-Laws as to payment of interest, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

Table of Contents

29. The Board may, on the issue of any shares, differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.
30. The Board may, if it thinks fit, receive all or any part of the moneys payable on a share beyond the sum actually called up on it if the holder is willing to make payment in advance and, on any moneys so paid in advance, may (until they would otherwise be due) pay interest at such rate as may be agreed between the Board and the Shareholder paying the sum in advance.

FORFEITURE OF SHARES

31. If a Shareholder fails to pay any call or instalment of a call on the day appointed for its payment, the Board may at any time while any part of such call or instalment remains unpaid serve on him a notice requiring payment of so much of the call or instalment as is unpaid, together with any interest which may have accrued. The notice shall state a further day (not being less than 14 clear days from the date of the notice) on or before which, and the place where, the payment required by the notice is to be made and shall state that, in the event of non-payment on or before the day and at the place appointed, the shares in respect of which such call is made or instalment is payable will be liable to be forfeited.
32. The Board may accept the surrender of any share liable to be forfeited, and, in any such case, references in these Bye-Laws to forfeiture include surrender.
33. If the requirements of any notice given under Bye-Law 31 are not complied with, any share in respect of which the notice was given may, at any time before payment of all calls or instalments and interest due in respect of it is made, be forfeited by a resolution of the Board to that effect. Such forfeiture shall include all dividends declared and other moneys payable in respect of the forfeited shares and not actually paid before the forfeiture.
34. When any share has been forfeited, notice of the forfeiture shall be served on the person who was before forfeiture the holder of the share or the person entitled by transmission to it, but no forfeiture shall be invalidated by any omission to give such notice.
35. A forfeited share shall become the property of the Company and may be sold, re-offered or otherwise disposed of either to the person who was, before forfeiture, the holder of, or entitled to, the share or to any other person, on such terms and in such manner as the Board thinks fit. At any time before a sale, re-allotment or disposition the forfeiture may be cancelled on such terms as the Board may think fit.
36. A person whose shares have been forfeited shall cease to be a Shareholder in respect of the forfeited shares but shall, notwithstanding the forfeiture, remain liable to pay to the Company all moneys which at the date of forfeiture were payable by him to the Company in respect of the shares, together with interest at such rate as the Board may determine from the date of forfeiture until payment and the Company may enforce payment without being under any obligation to make any allowance for the value of the shares forfeited.
37. An affidavit to the effect that the deponent is a Director or the Secretary and that a share has been duly forfeited on the date stated in the affidavit shall be conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share. The Company may receive the consideration (if any) given for the share on its sale, re-allotment or disposition, and the Board may authorise some person to transfer the share to the person to whom it is sold, re-allotted or disposed of. That person shall be registered as the holder of the share and shall not be bound to see to the application of the purchase money (if any), nor shall his title to the share be affected by any irregularity or invalidity in the proceedings relating to the forfeiture, sale, re-allotment or disposal of the share.

REGISTER OF SHAREHOLDERS

- 38.1 The Register shall be kept in the manner prescribed by the Companies Acts at the Registered Office or at such other place in Bermuda as may be authorised by the Board from time to time.

Table of Contents

- 38.2 The Company may also keep one or more branch registers at such place or places outside Bermuda to the extent and in the manner permitted by the Companies Acts and the Board may make such regulations as it thinks fit regarding the keeping of any branch register and may revoke or vary any such regulations. The Board may authorise any share on the Register to be included in a branch register or any share registered on a branch register to be registered on another branch register, provided that at all times the Register is maintained in accordance with the Companies Acts.
- 38.3 The Register or any branch register may be closed at such times and for such periods as the Board may from time to time decide, subject to the Companies Acts. Except during such time as it is closed, the Register and each branch register shall be open to inspection in the manner prescribed by the Companies Acts between 10:00 a.m. and 12:00 noon (or between such other times as the Board from time to time determines) on every working day.
- 38.4 Unless the Board so determines, no Shareholder or intending Shareholder shall be entitled to have entered in the Register any indication of any trust or any equitable, contingent, future or partial interest in any share or any fractional part of a share, and if any such entry exists or is permitted by the Board it shall not be deemed to abrogate any provisions of Bye-Law 11.

OBLIGATION TO DISCLOSE INTERESTS

- 39.1 Each holder of shares of the Company shall be under an obligation to make certain notifications to the Company in accordance with the provisions of this Bye-Law 39.
- 39.2 The Company may by notice in writing require any person whom the Board knows or has reasonable cause to believe to be interested (legally or beneficially) in the Company's shares:
- (a) to confirm that fact or (as the case may be) to indicate whether or not it is the case, and
 - (b) where he holds an interest in shares at the date of the notice, to give such further information as may be required in accordance with Bye-law 39.3.
- 39.3 A person who has received a notice under Bye-law 39.2 shall respond, in writing, to the Board within 10 Business Days (or such other period as the Board shall specify in the notice) and shall:
- (a) state their full name and address, and, where the person interested in shares is a body corporate, include a confirmation that the signatory to such response is duly authorised on behalf of such body corporate to give the relevant confirmation to the Company;
 - (b) confirm the number of shares in which he is or was interested as at the date of the notice;
 - (c) in a case where the person no longer has an interest in the Company's shares, state that he no longer has such an interest.
- 39.4 Where the Company has served a notice under Bye-law 39.2 on a person who is or was interested in shares in the Company, and that person fails to give the Company the information required by the notice within the time specified in it, the Board, in its sole discretion, may direct that for so long as the shares are held by that person and the default continues, the shares in question will be subject to restrictions including (without limitation) that:
- (i) no voting rights are exercisable in respect of the shares;
 - (ii) any transfer of the shares is void; and/or
 - (iii) except in a liquidation, no payment may be made of sums due from the Company on the shares, whether in respect of dividend, capital or otherwise.
- 39.5 For the purposes of this Bye-law 39, a person is taken to be interested in any shares:
- (a) in which his spouse or any child or step-child or other Affiliate of his is interested;

[Table of Contents](#)

- (b) if a body corporate is interested in them, and
 - (i) that body or its directors are accustomed to act in accordance with his directions or instructions, or
 - (ii) he is entitled to exercise or control the exercise of one-third or more of the voting power at general meetings of that body corporate; or
 - (c) he enters into a contract for their purchase by him (whether for cash or other consideration); or
 - (d) not being the registered holder, he is entitled to exercise or receive any right conferred by the holding of the shares or is entitled to control the exercise of any such right; or
 - (e) where property is held on trust and shares in the Company are comprised in such trust property, and the Shareholder or a person identified in Bye-law 39.5(a) is a beneficiary of the trust.
- 39.6 The Company may keep a register for purposes of this Bye-law 39, and whenever the Company issues a notice in accordance with Bye-law 39 and receives a response, the Company may cause to be inscribed in the register, against that person's name, the relevant information and the date of the record.
- 39.7 Nothing contained in this Bye-Law 39 shall be taken to limit the powers of the Company to apply to the court for an order imposing restrictions on a person's shares.

DEPOSITORY INTERESTS

40. The Directors shall, subject always to the Companies Acts and the facilities and requirements of any relevant system concerned and these Bye-Laws, have power to implement and/or approve any arrangements they may, in their absolute discretion, think fit in relation to the evidencing of title to and transfer of interests in shares in the capital of the Company in the form of depository interests or similar interests, instruments or securities, and to the extent such arrangements are so implemented, no provision of these Bye-Laws shall apply or have effect to the extent that it is in any respect inconsistent with the holding or transfer of the depository interests or the shares in the Company represented by them. The Directors may from time to time take such actions and do such things as they may, in their absolute discretion, think fit in relation to the operation of any such arrangements.

REGISTER OF DIRECTORS AND OFFICERS

41. The Secretary shall maintain a register of the Directors and Officers of the Company as required by the Companies Acts. The register of Directors and Officers shall be open to inspection in the manner prescribed by the Companies Acts between 10:00 a.m. and 12:00 noon (or between such other times as the Board from time to time determines) on every working day.

TRANSFER OF SHARES

- 42.1 Subject to the Companies Acts and to such of the restrictions contained in these Bye-Laws as may be applicable, any Shareholder may transfer all or any of his shares (of any class) in certificated form by an instrument of transfer in any form which the Board may from time to time approve. The instrument of transfer may be endorsed on the certificate.
- 42.2 The instrument of transfer of a share in certificated form shall be signed by or on behalf of the transferor and, if the share is not fully paid, by or on behalf of the transferee and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the Register in respect of it. All instruments of transfer may be retained by the Company.

Table of Contents

- 42.3 The Board may, in its absolute discretion and without assigning any reason for its decision, decline to register any transfer of any share which is not a fully-paid share. The Board may also decline to register any transfer if:
- 42.3.1 the instrument of transfer is not duly stamped, if required, and lodged at the Registered Office or any other place as the Board may from time to time specify for the purpose, accompanied by the certificate (if any) for the shares to which it relates and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer;
 - 42.3.2 the instrument of transfer is in respect of more than one class of share;
 - 42.3.3 the instrument of transfer is in favour of more than four persons jointly;
 - 42.3.4 it is not satisfied that all applicable consents, authorisations, permissions or approvals of any governmental body or agency in Bermuda or any other applicable jurisdiction required to be obtained under relevant law prior to such transfer have been obtained; or
 - 42.3.5 it is not satisfied that the transfer would not violate the terms of any agreement to which the Company (or any of its subsidiaries) and/or the transferor are party or subject.
- 42.4 If the Board declines to register a transfer it shall, within one month after the date on which the instrument of transfer was lodged, send to the transferee notice of such refusal.
- 42.5 Subject to any directions of the Board from time to time in force, the Secretary may exercise the powers and discretions of the Board under this Bye-Law 42.
43. Notwithstanding any other provisions of these Bye-laws, the Board shall, subject always to the Companies Act and any other applicable laws and the facilities and requirements of any Appointed Stock Exchange, have power to implement and/or approve any arrangements they may, in their absolute discretion, think fit in relation to the evidencing of title to and transfer of interests in shares in the capital of the Company held in uncertificated form, and the holding and transfer of such shares or securities. To the extent such arrangements are so implemented, no provision of these Bye-laws shall apply or have effect to the extent that it is in any respect inconsistent with the holding or transfer thereof or the shares in the capital of the Company represented thereby.

TRANSMISSION OF SHARES

44. In the case of the death of a Shareholder, the survivor or survivors, where the deceased was a joint holder, or the estate representative, where he was sole holder, shall be the only person or persons recognised by the Company as having any title to his shares; but nothing in these Bye-Laws shall release the estate of a deceased holder from any liability in respect of any share held by him either solely or jointly with other persons. In this Bye-Law, estate representative means the person to whom probate or letters of administration or confirmation as executor has or have been granted under the laws applicable to the estate of the deceased Shareholder or, failing such person, such other person as the Board may in its absolute discretion determine to be the person recognised by the Company for the purpose of this Bye-Law.
- 45.1 In the case of a person becoming entitled to a share in consequence of the death of a Shareholder or otherwise by operation of applicable law, the Board may require the production to the Company of such evidence of his entitlement as is prescribed by the Companies Acts or, to the extent that no such evidence is prescribed, as may from time to time be required by the Board. Upon production of such evidence the name and address of the person so entitled shall be noted in the Register.
- 45.2 Subject to Bye-Law 46.2, any person entitled by transmission to a share shall be entitled to receive (and may give a discharge for) any dividends or other moneys payable in respect of the share, to attend and vote in respect of the share at general meetings of the Company and of the relevant class of Shareholders and generally to exercise in respect of the share all of the rights or privileges of a Shareholder as if he were registered as the holder of the share.

Table of Contents

- 46.1 Any person entitled by transmission to a share may elect either to be registered himself as the holder of the share or to have some person nominated by him registered as the transferee of the share. If he elects to be registered himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. If he elects to have his nominee registered, he shall signify his election by signing an instrument of transfer of such share in favour of his nominee. All the provisions of these Bye-Laws relating to the right to transfer and the registration of transfer of shares shall apply to any such notice or instrument of transfer as if the death of the Shareholder or other event giving rise to the transmission had not occurred and the notice or instrument of transfer was an instrument of transfer signed by such Shareholder.
- 46.2 The Board may at any time give notice requiring a person entitled by transmission to a share to elect either to be registered himself or to transfer the share and if the notice is not complied with within 60 days the Board may withhold payment of all dividends and other moneys payable in respect of the share until the requirements of the notice have been complied with.
47. Subject to any directions of the Board from time to time in force, the Secretary may exercise the powers and discretions of the Board under Bye-Laws 44, 45 and 46.

GENERAL MEETINGS

- 48.1 The Board shall convene and the Company shall hold annual general meetings in accordance with the requirements of the Companies Acts and, save where an election has been made under section 71A of the Companies Act, an annual general meeting shall be held in each calendar year.
- 48.2 Where an election has been made under section 71A of the Companies Act, any Shareholder may, on notice to the Company not later than 3 calendar months before the end of the year in question, require the Company to convene and hold an annual general meeting.
- 48.3 Subject to the provisions of Bye-law 48.4, the Board may, whenever it thinks fit, and shall, on the requisition in writing of Shareholders holding such number of shares as is prescribed by, and made in accordance with, the Companies Acts, convene a general meeting in the manner required by the Companies Acts. All general meetings other than annual general meetings shall be called special general meetings.
- 48.4 For such time as the Principal Shareholders beneficially own, collectively, at least thirty per cent. (30%) of the issued shares in the capital of the Company carrying the right to vote at general meetings of the Company, special general meetings shall also be called by the Board or the Chairman of the Board on the written request of a Principal Shareholder delivered to the Registered Office.
- 48.5 Each general meeting shall be held at such time and place as the Board decides.

NOTICE OF GENERAL MEETINGS

49. An annual general meeting of the Company (other than an adjourned meeting) shall be called by at least 5 clear days' notice and a special general meeting of the Company (other than an adjourned meeting) shall be called by at least 5 clear days' notice. The notice of a general meeting shall specify the place, and, in the case of a special general meeting, the general nature of the business to be considered. Notice of every general meeting shall be given in any manner permitted by these Bye-Laws to all Shareholders (other than those who, under the provisions of these Bye-Laws or the terms of issue of the shares which they hold, are not entitled to receive such notice from the Company) and to each Director and to the Resident Representative.
50. The accidental omission to give notice of a meeting or (in cases where instruments of proxy are sent out with the notice) the accidental omission to send such instrument of proxy to, or the non-receipt of notice of a meeting or such instrument of proxy by, any person entitled to receive such notice shall not invalidate the

proceedings at that meeting. A Shareholder present, either in person or by proxy, at any general meeting of the Company or of the holders of any class of shares in the Company, will be deemed to have received notice of that meeting and, where required, of the purpose for which it was called.

PROCEEDINGS AT GENERAL MEETINGS

- 51.1 The chairman of the Board or, in his absence, the president of the Board shall preside as chairman at every general meeting of the Company or of any class of Shareholders. If there is no such chairman or president, or if at any meeting neither the chairman nor the president is present within 5 minutes after the time appointed for holding the meeting, or if neither of them is willing to act as chairman, the Directors present shall appoint one of those Directors who is willing to act as chairman or, if only one Director is present, he shall preside as chairman, if willing to act. If none of the Directors present is willing to act as chairman, the Director or Directors present may appoint any other Officer who is present and willing to act as chairman. In default of any such appointment, the persons present and entitled to vote shall elect any Officer who is present and willing to act as chairman or, if no Officer is present or if none of the Officers present is willing to act as chairman, one of their number to be chairman.
- 51.2 Except in the case of the removal of auditors or Directors, for such time as the Principal Shareholders beneficially own, collectively, at least thirty per cent. (30%) of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time, anything which may be done by resolution in general meeting of all or any class of Shareholders may, without a meeting and without any previous notice being required, be done by resolution in writing, signed by the Shareholders or any class thereof or their proxies (or in the case of a Shareholder that is a corporation (whether or not a company within the meaning of the Companies Acts) on behalf of such Shareholder), who at the date of the notice of the resolution in writing represent the majority of votes that would be required to pass the resolution if the resolution had been voted on at a quorate meeting of the Shareholders. Such resolution in writing may be signed in as many counterparts as may be necessary. If the Principal Shareholders cease to beneficially own, collectively, at least thirty per cent. (30%) of the issued and outstanding shares carrying the right to vote at general meetings at the relevant time, all shareholder action may only be taken at an annual general meeting or special general meeting of shareholders and may not be taken by written consent in lieu of a meeting.
- 51.3 Notice of any resolution in writing to be made under this Bye-law 51 shall be given to all the Shareholders who would be entitled to attend a meeting and vote on the resolution. The requirement to give notice of any resolution in writing to be made under this Bye-law to such Shareholders shall be satisfied by giving to those Shareholders a copy of that resolution in writing in the same manner as that required for a notice of a general meeting of the Company at which the resolution could have been considered, except that the length of the period of notice shall not apply. The date of the notice shall be set out in the copy of the resolution in writing.
- 51.4 For the purposes of any written resolution under Bye-Law 51.2, the date of the resolution in writing is the date when the resolution is signed by, or on behalf of, the Shareholder who establishes the majority of votes required for the passing of the resolution in writing and any reference in any enactment to the date of passing of a resolution is, in relation to a resolution in writing made in accordance with this section, a reference to such date.
- 51.5 A resolution in writing made in accordance with Bye-Law 51.2 is as valid as if it had been passed by the Company in general meeting or, if applicable, by a meeting of the relevant class of Shareholders of the Company, as the case may be. A resolution in writing made in accordance with this section shall constitute minutes for the purposes of the Companies Acts and these Bye-Laws.
- 52.1 No business shall be transacted at any general meeting or adjourned meeting unless a quorum is present when the meeting proceeds to business, but the absence of a quorum shall not preclude the appointment or

Table of Contents

election of a chairman, which shall not be treated as part of the business of the meeting. Except as otherwise provided by the Companies Acts, at general meetings convened by the Board, two or more Shareholders present in person or by proxy and having the right to attend and vote at the meeting and holding shares representing more than a majority of the votes that may be cast by all Shareholders at the relevant time shall be a quorum. Except as otherwise provided by the Companies Acts or these Bye-Laws, at a special general meeting convened upon the requisition of a shareholder in accordance with the Companies Acts, two or more Shareholders present in person or by proxy and having the right to attend and vote at the meeting and holding shares representing more than seventy five per cent. (75%) of the votes that may be cast by all Shareholders at the relevant time shall be a quorum. Notwithstanding the foregoing provisions of this Bye-law 52.1, if the Company shall have only one Shareholder, one Shareholder present in person or by proxy shall constitute the necessary quorum for any general meeting of the Company, howsoever convened.

- 52.2 If within 5 minutes (or such longer time as the chairman of the meeting may determine to wait) after the time appointed for a meeting a quorum is not present, the meeting, if convened on the requisition of Shareholders, shall be dissolved. If within 15 minutes after the time appointed for a meeting, no shareholders are present, the meeting shall be dissolved. In any other case, it shall stand adjourned to such other day and such other time and place as the chairman of the meeting may determine. The Company shall give not less than 5 days' notice of any meeting adjourned through want of a quorum and such notice shall state the quorum requirement from the adjourned meeting under Bye-Law 52.1. If within 5 minutes (or such longer time as the chairman of the meeting may determine to wait) after the time appointed for any adjourned meeting a quorum is not present, the meeting may be further adjourned to such other day and such other time and place as the chairman of the meeting may determine, but otherwise the meeting shall be dissolved. A meeting may not be adjourned under this Bye-Law 52.2 to a day which is more than 90 days after the day originally appointed for the meeting.
- 52.3 If it appears to the chairman of a general meeting that the place of the meeting specified in the notice convening the meeting is inadequate to accommodate all persons entitled and wishing to attend, the meeting is duly constituted and its proceedings are valid if the chairman is satisfied that adequate facilities are available, whether at the place of the meeting or elsewhere, to ensure that each such person who is unable to be accommodated at the place of the meeting is able to communicate simultaneously and instantaneously with the persons present at the place of the meeting, whether by the use of microphones, loud-speakers, audio-visual or other communications equipment or facilities.
53. A meeting of the Shareholders or of any class of Shareholders may be held by such electronic means as the Board may from time to time approve and which permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting.
54. Each Director and the Resident Representative shall be entitled to attend and speak at any general meeting of the Company or of any class of Shareholders.
55. The Board may make any security arrangements which it considers appropriate relating to the holding of a general meeting of the Company or of any class of Shareholders including, without limitation, arranging for any person attending a meeting to be searched and for items of personal property which may be taken into a meeting to be restricted, and any person who fails to comply with any such arrangements may be refused entry to the meeting.
- 56.1 Subject to the Companies Acts, a resolution may only be put to a vote at a general meeting of the Company or of any class of Shareholders if:
- 56.1.1 it is proposed by or at the direction of the Board; or
 - 56.1.2 it is proposed at the direction of the Court; or
 - 56.1.3 it is proposed on the requisition in writing of such number of Shareholders as is prescribed by, and is made in accordance with, the relevant provisions of the Companies Acts; or

Table of Contents

- 56.1.4 the chairman of the meeting in his absolute discretion decides that the resolution may properly be regarded as within the scope of the meeting.
- 56.2 No amendment may be made to a resolution, at or before the time when it is put to a vote, unless the chairman of the meeting in his absolute discretion decides that the amendment or the amended resolution may properly be put to a vote at that meeting.
- 56.3 If the chairman of the meeting rules a resolution or an amendment to a resolution admissible or out of order (as the case may be), the proceedings of the meeting or on the resolution in question shall not be invalidated by any error in his ruling. Any ruling by the chairman of the meeting in relation to a resolution or an amendment to a resolution shall be final and conclusive.
57. The chairman of the meeting may, with the consent of any meeting at which a quorum is present, adjourn the meeting from time to time (*or sine die*) and from place to place. In addition to any other power of adjournment conferred by law, the chairman of the meeting may at any time without the consent of the meeting adjourn the meeting (whether or not it has commenced or a quorum is present) to another time and/or place (*or sine die*) if, in his opinion, it would facilitate the conduct of the business of the meeting to do so or if he is so directed (prior to or at the meeting) by the Board. When a meeting is adjourned *sine die* the time and place for the adjourned meeting shall be fixed by the Board.
58. When a meeting is adjourned for three months or more *or sine die*, not less than 10 clear days' notice of the adjourned meeting shall be given in the same manner as in the case of the original meeting. Except as expressly provided by these Bye-Laws, it shall not be necessary to give any notice of an adjourned meeting or of the business to be transacted at an adjourned meeting. No business shall be transacted at any adjourned meeting except business which might properly have been transacted at the meeting from which the adjournment took place.

VOTING

59. Except where a greater majority is required by the Companies Acts or these Bye-Laws, any question proposed for consideration at any general meeting of the Company or of any class of Shareholders, other than a resolution to determine the appointment of Directors, shall be decided by a simple majority of the votes cast by Shareholders entitled to vote at such meeting. The election of Directors at a general meeting shall be determined by a plurality of the votes cast in respect of the shares present in person or represented by proxy at the meeting and entitled to vote on the election of directors. For these purposes, "plurality" of voting shall be determined in accordance with the General Corporation Law of the State of Delaware, and, by way of illustration only, if there are 12 candidates seeking election but only 11 Board seats available, the 11 Directors with the greatest number of votes shall be appointed to the Board seats available for election at the general meeting.
60. At any general meeting, all resolutions put to the Shareholders will be decided on a poll vote, whether on a count of votes received in the form of electronic records or otherwise as determined by the chairman of the meeting from the responses to poll cards distributed to Shareholders eligible to vote at such general meeting, ahead of or during such meeting where such poll cards have been marked with the name and relevant number of votes cast by a Shareholder.
61. At the conclusion of the poll, the ballot papers and votes cast in accordance with such directions shall be examined and counted at the direction of the chairman of the meeting, who shall declare the result. The result of the poll shall be deemed to be the resolution of the meeting at which the poll is demanded.
62. On a poll, votes may be cast either personally or by proxy.
63. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.

Table of Contents

64. In the case of an equality of votes at a general meeting, the chairman of such meeting shall not be entitled to a second or casting vote and the resolution shall fail.
65. In the case of joint holders of a share, the vote of the senior who tends a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding.
66. Subject to Bye-Law 67, a Shareholder who is a patient for any purpose of any statute or applicable law relating to mental health or in respect of whom an order has been made by any court in Bermuda (or elsewhere having jurisdiction) for the protection or management of the affairs of persons incapable of managing their own affairs may vote, by his receiver, committee, *curator bonis* or other person in the nature of a receiver, committee or *curator bonis* appointed by such court, and such receiver, committee, *curator bonis* or other person may vote by proxy and may otherwise act and be treated as such Shareholder for the purpose of general meetings.
67. Evidence to the satisfaction of the Board of the authority of any person claiming the right to vote under Bye-Law 66 shall be produced at the Registered Office (or at such other place as may be specified for the deposit of instruments of proxy) not later than the last time by which an instrument appointing a proxy must be deposited in order to be valid for use at the meeting or adjourned meeting or on the holding of the poll at or on which that person proposes to vote and, in default, the right to vote shall not be exercisable.
68. No Shareholder shall, unless the Board otherwise determines, be entitled to vote at any general meeting of the Company or of any class of Shareholders in respect of any share held by him unless all calls or other sums presently payable by him in respect of that share have been paid.
69. No objection may be raised to the qualification of any voter or to the counting of, or failure to count, any vote except at the meeting at which the vote objected to is tendered. Any objection so raised shall be referred to the chairman of the meeting and shall only vitiate the decision of the meeting on any resolution if the chairman decides that it may have affected the decision of the meeting. The decision of the chairman on any such matter shall be final and conclusive. Except as otherwise decided by the chairman, every vote counted and not disallowed at the meeting shall be valid and every vote disallowed or not counted shall be invalid.

PROXIES AND CORPORATE REPRESENTATIVES

- 70.1 A Shareholder may appoint one or more persons as his proxy, with or without the power of substitution, to represent him and vote on his behalf in respect of all or some only of his shares at any general meeting (including an adjourned meeting). A proxy need not be a Shareholder.
- 70.2 A Shareholder which is a corporation may appoint any person (or two or more persons in the alternative) as its representative to represent it and vote on its behalf at any general meeting (including an adjourned meeting) and such a corporate representative may exercise the same powers on behalf of the corporation which he represents as that corporation could exercise if it were an individual Shareholder.
- 70.3 A Shareholder which is a corporation may appoint more than one such corporate representatives (with or without appointing any persons in the alternative) at any such meeting provided that such appointment specifies the number of shares in respect of which each such appointee is authorised to act as representative, not exceeding in aggregate the number of shares held by the appointor and carrying the right to attend and vote at the relevant meeting.

- 71.1 the appointment of a standing proxy or representative may be made on an irrevocable basis in which case the Company may recognise the vote of the proxy or representative given in accordance with the terms of the appointment, to the exclusion of the vote of the Shareholder, until such time as the appointment ceases to be effective in accordance with its terms;
 - 71.2 (subject to Bye-Law 71.1) the appointment of a standing proxy or representative shall be deemed to be suspended at any meeting or poll taken subsequently to any meeting at which the Shareholder is present or in respect of which the Shareholder has specifically appointed another proxy or representative; and
 - 71.3 the Board may from time to time require such evidence as it deems necessary as to the due execution and continuing validity of the appointment of any standing proxy or representative and, if it does so, the appointment of the standing proxy or representative shall be deemed to be suspended until such time as the Board determines that it has received the required evidence or other evidence satisfactory to it.
- 72.1 A proxy may be appointed by an instrument in writing in any common form or in such other form as the Board may approve, such instrument being executed under the hand of the appointor or of his attorney or agent authorised by him in writing or, if the appointor is a corporation, either under its seal or under the hand of an officer, attorney or other person authorised to sign the same. A proxy may also be appointed in such other manner as the Board may from time to time approve.
 - 72.2 Any instrument or other form of communication appointing or evidencing the appointment of a proxy or a corporate representative (other than a standing proxy or representative), together with such evidence as to its due execution as the Board may from time to time require, shall be delivered to the Registered Office (or to such other place or places as may be specified in the notice convening the meeting or in any notice of an adjourned meeting or, in either case, in any other information sent to Shareholders by or on behalf of the Board in relation to the meeting or adjourned meeting) by such time or times as may be specified in the notice of meeting or adjourned meeting or in any such other information (which times may differ when more than one place is so specified) or, if no such time is specified, at any time prior to the holding of the relevant meeting or adjourned meeting at which the appointee proposes to vote, and if not so delivered (but subject to Bye-Law 76) the appointment shall not be treated as valid.
 - 72.3 Subject to Bye-Law 76 and subject as mentioned in this Bye-Law, an instrument or other form of communication appointing or evidencing the appointment of a standing proxy or corporate representative shall not be treated as valid until 24 hours after the time at which it, together with such evidence as to its due execution as the Board may from time to time require, is delivered to the Registered Office (or to such other place or places as the Board may from time to time specify for the purpose).
 - 72.4 If the terms of appointment of a proxy include a power of substitution, any proxy appointed by substitution under such power shall be deemed to be the proxy of the Shareholder who conferred such power. All the provisions of these Bye-Laws relating to the execution and delivery of an instrument or other form of communication appointing or evidencing the appointment of a proxy shall apply, *mutatis mutandis*, to the instrument or other form of communication effecting or evidencing such an appointment by substitution.
 - 73. The appointment of a proxy, whether a standing proxy or a proxy relating to a particular meeting, shall be deemed, unless the contrary is stated, to confer authority to vote on any amendment of a resolution and on any other resolution put to a meeting for which it is valid in such manner as the proxy thinks fit.
 - 74. A vote given by proxy, whether a standing proxy or a proxy relating to a particular meeting, shall be valid notwithstanding the previous death or insanity of the principal, or revocation of the appointment of the proxy or of the authority under which it was executed, unless notice of such death, insanity or revocation

75. Notwithstanding the preceding provisions of these Bye-Laws, the Board may decide, either generally or in any particular case, to treat an instrument or other form of communication appointing or evidencing the appointment of a proxy or a corporate representative as properly delivered for the purposes of these Bye-Laws if a copy or facsimile image of the instrument is sent by electronic means to the Registered Office (or to such place as may be specified in the notice convening the meeting or in any notice of any adjournment or, in either case, in any other information sent by or on behalf of the Board in relation to the meeting or adjourned meeting).
76. Subject to the Companies Acts, the Board may also at its discretion waive any of the provisions of these Bye-Laws relating to the execution and deposit of an instrument or other form of communication appointing or evidencing the appointment of a proxy or a corporate representative or any ancillary matter (including, without limitation, any requirement for the production or delivery of any instrument or other communication to any particular place or by any particular time or in any particular way) and, in any case in which it considers it appropriate, may accept such verbal or other assurances as it thinks fit as to the right of any person to attend and vote on behalf of any Shareholder at any general meeting.

The nominating Shareholder shall ensure that the Required Information and any such update and supplement shall be delivered in writing to the Secretary of the Company at the Registered Office not later than five (5) days after the record date for determining the Shareholders entitled to notice of the meeting (in the case of any update and supplement required to be made as of the record date for determining the Shareholders entitled to notice of the meeting), not later than ten (10) days prior to the date for the meeting or any adjournment or postponement thereof (in the case of any update or supplement required to be made as of fifteen (15) days prior to the meeting or adjournment or postponement thereof) and not later than five (5) days after the record date for determining the Shareholders entitled to vote at the meeting, but no later than the day prior to the meeting or any adjournment or postponement thereof (in the case of any update and supplement required to be made as of a date less than fifteen (15) days prior to the date of the meeting or any adjournment or postponement thereof).

- 83.3 Any vacancy created by the removal of a Director at a special general meeting may be filled at the meeting by the election of another Director in his place or, in the absence of any such election, by the Board.

Directors who are also employees of a Group Company will not be paid any such fees by the Company in addition to their remuneration as an employee. Each Director shall be paid all expenses properly and reasonably incurred by him in the conduct of the Company's business or in the discharge of his duties as a Director, including (but without limitation) his reasonable travelling, hotel and incidental expenses in attending and returning from meetings of the Board or any committee of the Board or general meetings.
- 84.2 The Board may from time to time determine that, subject to the requirements of the Companies Acts, all or part of any fees or other remuneration payable to any non-employee Director or other Officer of the Company shall be provided in the form of shares or other securities of the Company or any subsidiary of the Company, or options or rights to acquire such shares or other securities, on such terms as the Board may decide.

- 86.1 A Director may act by himself or his firm in a professional capacity for the Company (otherwise than as auditor) and he or his firm shall be entitled to remuneration for professional services as if he were not a Director.

- 87.1 Subject to the Companies Acts and these Bye-laws, a Director notwithstanding his office (i) may be a party to, or otherwise interested in, any transaction or arrangement with the Company or in which the Company is otherwise interested and (ii) may be a director or other officer of, or employed by, or a party to any transaction or arrangement with, or otherwise interested in, any company or other person promoted by the Company or in which the Company is interested. - 87.3 Subject to the Companies Acts and any further disclosure required thereby, a general notice to the Directors by a Director or other Officer declaring that he is a director or officer of or has an interest in a person and is to be regarded as interested in any transaction or arrangement made with that person shall be a sufficient declaration of interest in relation to any transaction or arrangement so made.

POWERS OF THE BOARD

88. Subject to the provisions of the Companies Acts and these Bye-Laws, the Board shall manage the business and affairs of the Company and may exercise all the powers of the Company. No alteration of these Bye-Laws shall invalidate any prior act of the Board which would have been valid if that alteration had not been made. The powers given by this Bye-Law shall not be limited by any special power given to the Board by these Bye-Laws and, except as otherwise expressly provided in these Bye-Laws, a meeting of the Board at which a quorum is present shall be competent to exercise all the powers, authorities and discretions for the time being vested in or exercisable by the Board.
89. The Board may exercise all the powers of the Company to borrow money and to mortgage or charge all or any part of the undertaking, property and assets (present and future) and uncalled capital of the Company and to issue debentures and other securities, whether outright or as collateral security for any debt, liability or obligation of the Company or of any other person.
90. All cheques, promissory notes, drafts, bills of exchange and other instruments, whether negotiable or transferable or not, and all receipts for money paid to the Company shall be signed, drawn, accepted, endorsed or otherwise executed, as the case may be, in such manner as the Board shall from time to time determine.
91. The Board may (subject to Bye-Law 85) exercise all the powers of the Company to grant or procure the grant or provision of benefits, including pensions, annuities or other allowances, to or for any person, including any Director or former Director, who has held any executive office or employment with, or whose services have directly or indirectly been of benefit to, the Company or any company which is or has been a subsidiary of the Company or otherwise associated with any of them or a predecessor in business of the Company or of any such other company, and to or for any relation or dependant of any such person, and to contribute to any fund and pay premiums for the purchase or provision of any such benefit, or for the insurance of any such person.
92. The Board may from time to time appoint one or more of its body to hold any executive office with the Company for such period and on such terms as the Board may determine and may revoke or terminate any such appointment. Any such revocation or termination shall be without prejudice to any claim for damages that such Director may have against the Company or the Company may have against such Director for any breach of any contract of service between him and the Company which may be involved in such revocation or termination. Any person so appointed shall receive such remuneration, if any (whether by way of salary, commission, participation in profits or otherwise), as the Board may (subject to Bye-Law 83) determine.

DELEGATION OF THE BOARD'S POWERS

93. The Board may by power of attorney or otherwise (including by a duly passed resolution) appoint any person, whether nominated directly or indirectly by the Board, to be the attorney or agent of the Company and may delegate to such person any of the Board's powers, authorities and discretions (with power to sub-delegate) for such period and subject to such conditions as it may think fit. The Board may revoke or vary any such appointment or delegation, but no person dealing in good faith and without notice of such revocation or variation shall be affected by any such revocation or variation. Any such power of attorney or resolution or other document may contain such provisions for the protection and convenience of persons dealing with any such attorney or agent as the Board may think fit.
94. The Board may entrust to and confer upon any Officer any of its powers, authorities and discretions (with power to sub-delegate) on such terms and conditions with such restrictions as it thinks fit and either collaterally with, or to the exclusion of, its own powers and may from time to time revoke or vary all or any of such powers, but no person dealing in good faith and without notice of such revocation or variation shall be affected by any revocation or variation.

Table of Contents

- 95.1 The Board may delegate any of its powers, authorities and discretions (with power to sub-delegate) to any committee, consisting of such person or persons (whether Directors or not) as it thinks fit. The Board may make any such delegation on such terms and conditions with such restrictions as it thinks fit and either collaterally with, or to the exclusion of, its own powers and may from time to time revoke or vary such delegation, but no person dealing in good faith and without notice of such revocation or variation shall be affected by any revocation or variation. Any committee so formed shall, in the exercise of the powers, authorities and discretions so delegated, conform to any regulations which may be imposed on it by the Board. The power to delegate to a committee extends to all the powers, authorities and discretions of the Board generally (including, but without limitation, those conferred by Bye-Law 88) and shall not be limited by the fact that in certain provisions of these Bye-Laws, but not in others, express reference is made to a committee or to particular powers, authorities or discretions being exercised by the Board or by a committee of the Board.
- 95.2 The meetings and proceedings of any committee of the Board consisting of two or more members shall be governed by the provisions contained in these Bye-Laws for regulating the meetings and proceedings of the Board so far as they are capable of applying and are not superseded by any regulations imposed by the Board except that, unless otherwise determined by the Board, the quorum necessary for the transaction of business at any committee meeting shall be two members.

PROCEEDINGS OF THE BOARD

96. The Board may meet for the despatch of business, adjourn and otherwise regulate its meetings as it thinks fit. Except where a greater majority is required by these Bye-Laws, questions arising at any meeting shall be determined by a majority of the votes cast. In the case of an equality of votes the motion shall be deemed to be lost and the chairman of the meeting shall not be entitled to a second or casting vote.
97. A meeting of the Board may at any time be summoned by the Chairman or, if there is no Chairman, by the chief executive officer, if he is a Director. The Secretary shall also summon a meeting of the Board on the requisition of any two or more of the Directors for the time being in office.
98. Notice of a meeting of the Board shall be deemed to be duly given to a Director if it is given to him personally or by word of mouth or sent to him by post, facsimile or other electronic means at his last known address or any other address given by him to the Company for this purpose. A Director may waive notice of any meeting either prospectively or retroactively or at the meeting in question.
- 99.1 The quorum necessary for the transaction of business at any meeting of the Board shall be two Directors or a majority of the Directors then in office, whichever is the higher number, but in determining the majority of the Directors then in office for the purpose of ascertaining a quorum for the transaction of any particular business at a meeting there shall be disregarded any Director who is not permitted to vote on that business.
- 99.2 A Director shall not vote (or be counted in the quorum at a meeting) in respect of any resolution concerning his own appointment (including fixing or varying its terms), or the termination of his own appointment, as the holder of any office or place of profit with the Company or any other company in which the Company is interested but, where proposals are under consideration concerning the appointment (including fixing or varying its terms), or the termination of the appointment, of two or more Directors to offices or places of profit with the Company or any other company in which the Company is interested, those proposals may be divided and a separate resolution be put in relation to each Director and in that case each of the Directors concerned shall be entitled to vote (and be counted in the quorum) in respect of each resolution unless it concerns his own appointment or the termination of his own appointment.
- 99.3 If any question arises at any meeting as to the entitlement of any Director (including the chairman of the meeting) to vote and the question is not resolved by his voluntarily agreeing to abstain from voting, the question shall be referred to the decision of a vote of the other Directors present at the meeting (for which purpose the interested Director shall be counted in the quorum but shall not vote on the matter) and their

ruling in relation to the Director concerned shall be final and conclusive except in a case where the nature or extent of the interest of the Director concerned, so far as known to him, has not been fairly disclosed.

- 99.4 The Resident Representative shall, upon delivering written notice of an address for the purposes of receiving notice to the Registered Office, be entitled to receive notice of and to attend and be heard at and to receive minutes of all meetings of the Board.
- 99.6 The Company may by Resolution suspend or relax the provisions of this Bye-Law 99 to any extent or ratify any transaction not duly authorised by reason of a contravention of it.
100. So long as at least two Directors remain in office, the continuing Directors may act notwithstanding any vacancy in the Board, but, if less than two Directors remain in office, the sole continuing Director may act only for the purposes of calling a general meeting for such purposes as he thinks fit and of nominating a person or persons for appointment to the Board.
101. The chairman of the Board or, in his absence, any Director holding the office of president shall preside as chairman at every meeting of the Board. If there is no such chairman or president, or if at any meeting the chairman or the president is not present within 5 minutes after the time appointed for holding the meeting or is not willing to act as chairman, the Directors present may choose one of their number to be chairman of the meeting.
102. A resolution in writing signed or approved by all the Directors shall be as valid and effectual as a resolution passed at a meeting of the Board duly called and constituted. Such a resolution may be contained in one document or in several documents in like form each signed or approved by one or more of the Directors.
103. A meeting of the Board may be held by such electronic means as permit all persons participating in the meeting to communicate with each other simultaneously and instantaneously, and participation in such a meeting shall constitute presence in person at such meeting. Such a meeting will be deemed to take place where the largest group of those participating in the meeting are physically present together or, if there is no such group, where the chairman of the meeting then is.
104. All acts done in good faith by the Board or by any committee or by any person acting as a Director or member of a committee or any person authorised by the Board or any committee shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment of any member of the Board or such committee or person acting or that they or any of them were disqualified or had vacated their office, be as valid as if every such person had been duly appointed and was qualified and had continued to be a Director, member of such committee or person so authorised.

OFFICERS

- 105.1 The Company may have such Officers in addition to the Directors and the Secretary, as the Board may from time to time determine. Without limiting the foregoing, such other Officers may include a chairman and deputy chairman or a president and one or more vice-presidents. A person appointed to any such other office need not be a Director and the same person may hold more than one office.
- 105.2 Any person elected or appointed pursuant to this Bye-Law 105 shall hold office for such period and on such terms as the Board may determine and the Board may revoke or vary any such election or appointment at any time by resolution of a majority of the Directors then in office. Any such revocation or variation shall be without prejudice to any claim for damages that such Officer may have against the Company or the Company may have against such Officer for any breach of any contract of service between him and the Company which may be involved in such revocation or variation. If any such office becomes vacant for any reason, the vacancy may be filled by the Board.
- 105.3 Except as provided in the Companies Acts or these Bye-Laws, the powers and duties of any Officer elected or appointed pursuant to this Bye-Law 105 shall be such as are determined from time to time by the Board.

MINUTES

- 106.1 The Board shall cause minutes to be made and books kept for the purpose of recording all the proceedings at meetings of the Board and of any committee of the Board and at general meetings of the Company and of any class of Shareholders of the Company.
- 106.2 The minutes of general meetings of the Company and of any class of Shareholders of the Company (but not minutes of meetings of the Board or any committee of it) shall be open to inspection in the manner prescribed by the Companies Acts between 10:00 a.m. and 12:00 noon (or between such other times as the Board from time to time determines) on every working day.

SECRETARY AND RESIDENT REPRESENTATIVE

- 107. The Secretary and, if required by the Companies Acts, the Resident Representative shall be appointed by the Board at such remuneration (if any) and on such terms as it may think fit and any Secretary and Resident Representative so appointed may be removed by the Board. The duties of the Secretary and those of the Resident Representative shall be those prescribed by the Companies Acts, together with such other duties as shall from time to time be prescribed by the Board.
- 108. A provision of the Companies Acts or these Bye-Laws requiring or authorising a thing to be done by or to a Director and the Secretary shall not be satisfied by its being done by or to the same person acting both as Director and as, or in the place of, the Secretary.

THE SEAL

- 109.1 The Seal shall consist of a circular metal device with the name of the Company around its outer margin and the details of its registration across its centre. The Company may also have for use in any territory outside Bermuda one or more additional Seals, each of which shall be a duplicate of the Seal except, in the case of a Seal for use in sealing documents creating or evidencing securities issued by the Company, for the addition on its face of the word "Securities".
- 109.2 The Board shall provide for the custody of every Seal. A Seal shall only be used by authority of the Board or of a committee of the Board. Subject to the Companies Acts and except as provided in Bye-Law 21, any instrument to which a Seal is affixed shall be signed by an Officer or by any person who has been authorised by the Board either generally or specifically to attest to the use of a Seal.

DIVIDENDS AND OTHER PAYMENTS

- 110. Subject to the Companies Acts, the Board may from time to time declare dividends to be paid to the Shareholders, according to their respective rights and interests, and may fix the time for the payment of such dividends, whether in cash or satisfied by the issue of additional shares or other assets.
- 111. Except insofar as the rights attaching to, or the terms of issue of, any shares otherwise provide:
 - 111.1 all dividends shall be declared and paid (whether in cash or satisfied by the issue of additional shares or other assets) according to the amounts paid up on the shares in respect of which the dividend is paid, but no amount paid up on a share in advance of a call may be treated for the purpose of this Bye-Law 111 as paid up on the share; and
 - 111.2 dividends shall be apportioned and paid pro rata according to the amounts paid up on the shares during any portion or portions of the period in respect of which the dividend is paid.

Table of Contents

112. The Board may deduct from any dividend or other moneys payable to a Shareholder (either alone or jointly with another) by the Company on or in respect of any shares all sums of money (if any) due from him (either alone or jointly with another) to the Company on account of calls or otherwise in respect of shares of the Company.
113. No dividend or other moneys payable by the Company on or in respect of any share shall bear interest against the Company, unless the terms of issue of that share otherwise expressly provide.
- 114.1 Any dividend or other sum payable in cash to the holder of a share may be paid by cheque, warrant or other means approved by the Board and, in the case of a cheque or warrant, may be sent through the post addressed to the holder at his address in the Register (or, in the case of joint holders, addressed to the holder whose name stands first in the Register in respect of the share at his registered address as appearing in the Register) or addressed to such person at such address as the holder or joint holders may in writing direct.
- 114.2 Every such cheque or warrant shall, unless the holder or joint holders otherwise direct, be made payable to the order of the holder or, in the case of joint holders, to the order of one or more of the holders and shall be sent at his or their risk and payment of the cheque or warrant by the bank on which it is drawn shall constitute a good discharge to the Company.
- 114.3 In addition, any dividend or other sum payable to the holder of a share may be paid by a bank or other funds transfer system or by such other means as may be approved by the Board and to or through such person as the holder or joint holders may direct in writing, and the Company shall have no responsibility for any sums lost or delayed in the course of any such transfer or when it has acted on any such direction.
- 114.4 Any one of two or more joint holders may give an effectual receipt for any dividend or other moneys payable or property distributable in respect of the shares held by such joint holders.
- 115.1 If (i) a payment for a dividend or other sum payable in respect of a share sent by the Company to the person entitled to it in accordance with these Bye-Laws is left uncashed or is returned to the Company and, after reasonable enquiries, the Company is unable to establish any new address or, with respect to a payment to be made by a funds transfer system, a new account, for that person or (ii) such a payment is left uncashed or returned to the Company on two consecutive occasions, the Company shall not be obliged to send any dividends or other sums payable in respect of that share to that person until he notifies the Company of an address or, where the payment is to be made by a funds transfer system, details of the account, to be used for the purpose.
- 115.2 Any dividend or other distribution in respect of a share which is unclaimed for a period of 6 years from the date on which it became payable shall be forfeited and shall revert to the Company. The payment by the Company of any unclaimed dividend or other distribution payable on or in respect of a share into a separate account shall not constitute the Company a trustee in respect of it.
116. The Board may direct payment or satisfaction of any dividend or other distribution wholly or in part by the distribution of specific assets and, in particular, of fully or partly paid up shares or debentures of any other company; and, where any difficulty arises in regard to such dividend or distribution, the Board may settle it as it thinks expedient, and in particular may authorise any person to sell and transfer any fractions, or may ignore fractions altogether, and may fix the value for distribution or dividend purposes of any such specific assets, and may determine that cash payments shall be made to any Shareholders upon the footing of the values so fixed in order to secure equality of distribution, and may vest any such specific assets in trustees as may seem expedient to the Board.

RESERVES

117. The Board may, before declaring any dividend or other distribution, set aside such sums as it thinks proper as reserves which shall, at the discretion of the Board, be applicable for any purpose of the Company and

pending such application may, also at such discretion, either be employed in the business of the Company or be invested in such manner as the Board may from time to time think fit. The Board may also without placing the same to reserves carry forward any sums which it may think it prudent not to distribute.

CAPITALISATION OF RESERVES

- 118.1 The Board may, at any time and from time to time, resolve that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund which is available for distribution or to the credit of any share premium account and accordingly that such amount be set free for distribution amongst the Shareholders or any class of Shareholders who would be entitled to it if distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up amounts for the time being unpaid on any shares in the Company held by such Shareholders respectively or in payment up in full of unissued shares, debentures or other obligations of the Company, to be allotted, distributed and credited as fully-paid amongst such Shareholders, or partly in one way and partly in the other; provided that, for the purpose of this Bye-Law, a share premium account may be applied only in paying up of unissued shares to be issued to such Shareholders credited as fully-paid.
- 118.2 Where any difficulty arises in regard to any distribution under this Bye-Law 118, the Board may settle the same as it thinks expedient and, in particular, may make such provision as it thinks fit in the case of securities becoming distributable in fractions (including provision for the whole or part of the benefit of fractional entitlements to accrue to the Company) and may authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments should be made to any Shareholders in lieu of any fractional entitlements, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect to it, and such appointment shall be effective and binding upon the Shareholders.
- 119.1 Whenever the Board decides to make a capitalisation issue of shares under Bye-Law 118 it may, subject to the rights attached to any particular class of shares, also decide to offer any Shareholder the right to elect to forego his entitlement to receive additional shares under such capitalisation issue (or such part of his entitlement as the Board may determine) and to receive instead a payment in cash (a "cash option") in accordance with the following provisions of this Bye-Law 119.
- 119.2 The amount payable under and all other terms of the cash option shall be decided by the Board, which may fix a limit on the extent to which an election for the cash option shall be effective (whether by reference to a part of any Shareholder's total entitlement to additional shares or to the total number of additional shares in respect of which all such elections may be made on any occasion).
- 119.3 The Board shall give notice to the Shareholders of their rights of election in respect of the cash option and shall specify the procedure to be followed in order to make an election.
- 119.4 Payments to those Shareholders who elect to receive cash instead of their entitlement to further shares under such a capitalisation issue ("cash electors") may be made either (i) out of profits or reserves of the Company available for the payment of dividends or (ii) out of the net proceeds of sale of the shares to which the cash electors would have been entitled under such capitalisation issue but for their election to receive cash, or partly in one way and partly in the other, as the Board determines. To the extent that the Board determines that payment is to be made as in (ii) above, the Board shall be entitled to sell the additional shares to which the cash electors would have been entitled, to appoint some person to transfer those shares to the purchaser (who shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale). The net proceeds of sale shall be applied in or towards payment of the amounts due to cash electors

in respect of their cash entitlement and, to the extent that they exceed that entitlement, may be retained by the Company for its benefit.

- 119.5 The Board may decide that Shareholders resident in territories where, in the opinion of the Board, compliance with local laws or regulations would be unduly onerous if those Shareholders were to receive additional shares, shall be deemed to have exercised rights of election to receive cash.
- 119.6 The Board may determine that any sums due in respect of a cash option to all or some of those Shareholders whose registered addresses are in a particular territory shall be paid in a currency or currencies other than US dollars and, if it does so, the Board may fix or otherwise determine the basis of conversion into the other currency or currencies and payment of that converted amount in that currency shall be in full satisfaction of the entitlement to such sum.
- 120.1 The Board may, subject to the rights attached to any particular class of shares, offer any Shareholder the right to elect to receive further shares, credited as fully paid, instead of cash in respect of all (or some part) of any dividend (a “scrip dividend”) in accordance with the following provisions of this Bye-Law 120.
- 120.2 The basis of allotment of the further shares shall be decided by the Board so that, as nearly as may be considered convenient, the value of the further shares, including any fractional entitlement, is equal to the amount of the cash dividend which would otherwise have been paid. For these purposes the value of the further shares shall be calculated in such manner as may be determined by the Board, but the value shall not in any event be less than the par value of a share.
- 120.3 The Board shall give notice to the Shareholders of their rights of election in respect of the scrip dividend and shall specify the procedure to be followed in order to make an election.
- 120.4 The dividend or that part of it in respect of which an election for the scrip dividend is made shall not be paid and instead further shares shall be allotted in accordance with elections duly made and the Board shall capitalise a sum equal to not less than the aggregate par value of, nor more than the aggregate “value” (as determined under Bye-Law 120.2) of, the shares to be allotted, as the Board may determine out of such sums available for the purpose as the Board may consider appropriate.
- 120.5 The Board may decide that the right to elect for any scrip dividend shall not be made available to Shareholders resident in any territory where, in the opinion of the Board, compliance by the Company with local laws or regulations would be unduly onerous.
- 120.6 The Board may do all acts and things considered necessary or expedient to give effect to the provisions of a scrip dividend election and the issue of any shares in accordance with the provisions of this Bye-Law 120, and may make such provisions as it thinks fit for the case of shares becoming distributable in fractions (including provisions under which, in whole or in part, the benefit of fractional entitlements accrues to the Company rather than to the Shareholders concerned).
- 120.7 The Board may from time to time establish or vary a procedure for election mandates, under which a holder of shares may, in respect of any future dividends for which a right of election pursuant to this Bye-Law 120 is offered, elect to receive further shares in lieu of such dividend on the terms of such mandate.

RECORD DATES

- 121.1 Notwithstanding any other provision of these Bye-Laws, the Company by Resolution or the Board may fix any date as the record date for any dividend, distribution, allotment or issue and for the purpose of identifying the persons entitled to receive notices of general meetings of the Company or of any class of Shareholders or other documents. Any such record date may be on or at any time before or after any date on which such dividend, distribution, allotment or issue is declared, paid or made or such notice or other document is dispatched.

Table of Contents

- 121.2 In relation to any general meeting of the Company or of any class of Shareholders or to any adjourned meeting of which notice is given, the Board may specify in the notice of meeting or adjourned meeting or in any document sent to Shareholders by or on behalf of the Board in relation to the meeting, a time and date (a “record date”) which is not more than 60 days before the date fixed for the meeting (the “meeting date”) and, notwithstanding any provisions in these Bye-Laws to the contrary, in any such case:
- 121.2.1 each person entered in the Register at the record date as a Shareholder, or a Shareholder of the relevant class, (a “record date holder”) shall be entitled to attend and to vote at the relevant meeting and to exercise all of the rights or privileges of a Shareholder, or a Shareholder of the relevant class, in relation to that meeting in respect of the shares, or the shares of the relevant class, registered in his name at the record date; and
- 121.2.2 accordingly, a holder of relevant shares at the meeting date who is not the record date holder shall not be entitled to attend or to vote at the relevant meeting, or to exercise any of the rights or privileges of a Shareholder, or a Shareholder of the relevant class, in respect of the relevant shares at that meeting.

ACCOUNTING RECORDS

122. The Board shall cause accounting records of the Company to be kept in accordance with the requirements of the Companies Acts.
123. The records of account shall be kept at the Registered Office or at such other place or places as the Board thinks fit; provided that, if the records of account are kept at some place outside Bermuda, there shall be kept at an office of the Company in Bermuda such records as are required by the Companies Acts to be so kept. The records of account shall at all times be open to inspection by the Directors and, to the extent prescribed by the Companies Acts, by the Resident Representative. No Shareholder (other than an Officer) shall have any right to inspect any accounting record or book or document of the Company except as conferred by law or authorised by the Board or by Resolution.
124. The Board shall procure that financial statements of the Company are prepared and audited in respect of each year or other period from time to time fixed by the Board and that those financial statements are made available to Shareholders and laid before the Company in general meeting in accordance with the requirements of the Companies Acts.

AUDITORS

125. Auditors shall be appointed and their duties regulated in accordance with the Companies Acts, any other applicable law and such requirements not inconsistent with the Companies Acts as the Board may from time to time determine.

- 126.1 Any notice or other document (except for share certificates, which may only be delivered under bye-laws 126.1.1, 126.1.2 or 126.1.3) may be sent to, served on or delivered to any Shareholder by the Company by any of the following means:-
- 126.1.1 personally;
- 126.1.2 by sending it through the post (by airmail where applicable) in a pre-paid letter addressed to the Shareholder at his address as appearing in the Register;
- 126.1.3 by sending it by courier to or leaving it at the Shareholder’s address appearing in the Register;

Table of Contents

- 126.1.4 by, where applicable, sending it by email or other electronic means, in each case to an address or number supplied by such Shareholder for the purposes of communication in such manner; or
- 126.1.5 by publication of an electronic record of it on a website and notification of such publication (which shall include the address of the website, the place on the website where the document may be found, and how the document may be accessed on the website) by any of the methods set out in paragraphs 126.1.1, 126.1.2, 126.1.3 or 126.1.4 of this Bye-Law, in accordance with the Companies Acts.
- 126.2 Any notice or other document shall be deemed to have been served on or delivered to any Shareholder by the Company:-
- 126.2.1 if sent by personal delivery, at the time of delivery;
- 126.2.2 if sent by post, 48 hours after it was put in the post;
- 126.2.3 if sent by courier, 24 hours after sending;

- 126.2.5 if published as an electronic record on a website, at the time that the notification of such publication shall be deemed to have been delivered to such Shareholder,
- and in proving such service or delivery, it shall be sufficient to prove that the notice or document was properly addressed and stamped and put in the post, published on a website in accordance with the Companies Acts and the provisions of these Bye-Laws, or sent by courier, email or by other electronic means, as the case may be, in accordance with these Bye-laws.
- Each Shareholder and each person becoming a Shareholder subsequent to the adoption of these Bye-laws, by virtue of its holding or its acquisition and holding of a share, as applicable, shall be deemed to have acknowledged and agreed that any notice or other document (excluding a share certificate) may be provided by the Company by way of accessing them on a website instead of being provided by other means.
127. If at any time, by reason of the suspension or curtailment of postal services within Bermuda or any other territory, the Company is unable effectively to convene a general meeting by notices sent through the post, a general meeting may be convened by a notice advertised in at least one national newspaper published in the territory concerned and such notice shall be deemed to have been duly served on each person entitled to receive it in that territory on the day, or on the first day, on which the advertisement appears. In any such case the Company shall send confirmatory copies of the notice by post if at least five clear days before the meeting the posting of notices to addresses throughout that territory again becomes practicable.
128. In the case of joint holders of a share, service or delivery of any notice or other document on or to one of the joint holders shall for all purposes be deemed as sufficient service on or delivery to all the joint holders.
129. In the case of a person entitled by transmission to a share, any notice or other document shall be served on or delivered to him as if he were the holder of that share and his address noted in the Register were his registered address. In any other case, any notice or other document delivered, sent or given to a Shareholder in any manner permitted by these Bye-Laws shall, notwithstanding that the Shareholder is then dead or bankrupt or that any other event has occurred, and whether or not the Company has notice of the death or bankruptcy or other event, be deemed to have been duly served or delivered in respect of any share registered in the name of such Shareholder as sole or joint holder.
130. A Shareholder shall not be entitled to receive any communication from the Company if two consecutive communications addressed to him, and properly served under these Bye-Laws, have been returned to the Company undelivered, but he shall again become entitled to receive communications following written notice from him to the Company of a new or corrected registered address. For the purposes of this Bye-Law, references to a communication include (without limitation) notices of general meetings and any cheque or other instrument of payment or attempted payment by a funds transfer system; but nothing in

this Bye-Law shall entitle the Company to cease sending any cheques, warrants or orders or otherwise to cease making any payments for dividends or other monies payable in respect of shares, unless it is so entitled under Bye-Law 115.1.

DESTRUCTION OF DOCUMENTS

- 131.1 The Board may authorise or arrange the destruction of documents held by the Company as follows:
- 131.1.1 at any time after the expiration of six years from the date of registration, all instruments of transfer of shares and all other documents transferring or purporting to transfer shares or representing or purporting to represent the right to be registered as the holder of shares on the faith of which entries have been made in the Register;
 - 131.1.2 at any time after the expiration of one year from the date of cancellation, all registered share certificates which have been cancelled;
 - 131.1.3 at any time after the expiration of two years from the date of recording them, all dividend mandates and notifications of change of address;

 - 131.2.2 every instrument of transfer so destroyed was a valid and effective instrument duly and properly registered;
 - 131.2.3 every share certificate so destroyed was a valid certificate duly and properly cancelled;

 - 131.2.5 every paid dividend warrant and cheque so destroyed was duly paid.
- 131.3 The provisions of Bye-Law 131.2 shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties to it) to which the document might be relevant.
- 131.4 Nothing in this Bye-Law 131 shall be construed as imposing on the Company or the Board any liability in respect of the destruction of any document earlier than as stated in Bye-Law 129.1 above or in any other circumstances in which liability would not attach to the Company or the Board in the absence of this Bye-Law 131.
- 131.5 References in this Bye-Law 131 to the destruction of any document include references to its disposal in any manner.

WINDING UP

132. If the Company is wound up, the liquidator may, with the sanction of a Resolution and any other sanction required by the Companies Acts:
- 132.1 divide among the Shareholders in cash or in kind the whole or any part of the assets of the Company (whether they consist of property of the same kind or not) and for such purposes set such value as he deems fair on any property to be so divided and determine how such division shall be carried out as between the Shareholders or different classes of Shareholders; and

- 132.2 vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as the liquidator, with the like sanction, thinks fit, but so that no Shareholder shall be compelled to accept any shares or other assets upon which there is any liability.

EXEMPTION AND INDEMNIFICATION OF OFFICERS

- 133.1 Subject always to Bye-Law 133.5, no Officer shall be liable for the acts, receipts, neglects or defaults of any other Officer nor, so long as he has acted honestly and in good faith with a view to the best interests of the Company, shall any Officer be liable in respect of any negligence, default or breach of duty on his own part in relation to the Company or any subsidiary of the Company, or for any loss or damage which may happen, in or arising out of the actual or purported execution or discharge of his duties or the exercise or purported exercise of his powers or otherwise in relation to or in connection with his duties, powers or office.
- 133.2 Subject always to Bye-Law 133.5, every Officer shall be indemnified out of the funds of the Company against all liabilities, losses, damages or expenses (including but not limited to liabilities under contract, tort and statute or any applicable foreign law or regulation and all legal and other costs and expenses properly payable) arising out of the actual or purported execution or discharge of his duties or the exercise or purported exercise of his powers or otherwise in relation to or in connection with his duties, powers or office (including but not limited to liabilities attaching to him and losses arising by virtue of any rule of law in respect of any negligence, default, breach of duty or breach of trust of which he may be guilty in relation to the Company or any subsidiary of the Company).
- 133.3 The Board shall have power to purchase and maintain insurances for the benefit of any persons who are or were at any time Officers or employees of the Company, or of any other company which is its holding company or of any other company which is a subsidiary of the Company or such holding company or in which the Company or such holding company has any direct or indirect interest, including (without limitation) insurance against any liability incurred by such persons in respect of any act or omission in the actual or purported performance of their duties or powers or offices in relation to the Company or such other company.
- 133.4 Each Shareholder and the Company irrevocably agrees to waive any claim or right of action he or it may at any time have, whether individually or by or in the right of the Company, against any Officer indemnified pursuant to this Bye-law 133 on account of any action taken by such Officer or the failure of such Officer to take any action in the performance of his duties with or for the Company *PROVIDED HOWEVER* that such waiver shall not apply to any claims or rights of action arising out of the fraud of such Officer or to recover any gain, personal profit or advantage to which such Officer is not legally entitled.
- 133.5 In this Bye-Law 133, (i) the term "Officer" includes, in addition to the persons specified in the definition of that term in Bye-Law 1, the Resident Representative, a member of a committee constituted under Bye-Law 95 and any person acting as an Officer or committee member in the reasonable belief that he has been so appointed or elected, notwithstanding any defect in such appointment or election, and (ii) where the context so admits, references to an Officer include the estate and personal representatives of a deceased Officer or any such other person.
- 133.6 The provisions for exemption from liability and indemnity contained in this Bye-Law shall have effect to the fullest extent permitted by law, but shall not extend to any matter which would render any of them void pursuant to the Companies Acts.
- 133.7 Expenses incurred in defending any civil or criminal action or proceeding for which indemnification is required pursuant to these Bye-Laws shall be advanced to the Officer seeking indemnification by the Company in advance of the final disposition of such action or proceeding upon receipt of an undertaking by or on behalf of the indemnified Officer to repay such amount if any allegation of fraud or dishonesty is proved against the Officer.

Table of Contents

- 133.8 To the extent that any person is entitled to claim an indemnity pursuant to these Bye-Laws in respect of an amount paid or discharged by him, the relevant indemnity shall take effect as an obligation of the Company to reimburse the person making such payment (including advance payments of fees or other costs) or effecting such discharge.

(e) Indemnification. No member of the Board, the Committee, or any employee or agent of any member of the Company Group (each such Person, an "**Indemnifiable Person**") shall be liable for any action taken or omitted to be taken or any determination made with respect to the Plan or any Award hereunder (unless constituting fraud, dishonesty, or a willful criminal act or omission). Each Indemnifiable Person shall be indemnified and held harmless by the Company to the maximum extent permitted by Applicable Law against and from any loss, cost, liability, or expense (including attorneys' fees) that may be imposed upon or incurred by such Indemnifiable Person in connection with or resulting from any action, suit, or proceeding to which such Indemnifiable Person may be a party or in which such Indemnifiable Person may be involved by reason of any action taken or omitted to be taken or determination made with respect to the Plan or any Award hereunder and against and from any and all amounts paid by such Indemnifiable Person with the Company's approval, in settlement thereof, or paid by such Indemnifiable Person in satisfaction of any judgment in any such action, suit, or proceeding against such Indemnifiable Person, and the Company shall advance to such Indemnifiable Person any such expenses promptly upon written request (which request shall include an undertaking by the Indemnifiable Person to repay the amount of such advance if it shall ultimately be determined, as provided below, that the Indemnifiable Person is not entitled to be indemnified); *provided*, that the Company shall have the right, at its own expense, to assume and defend any such action, suit, or proceeding and once the Company gives notice of its intent to assume the defense, the Company shall have sole control over such defense with

counsel of the Company's choice. The foregoing right of indemnification shall not be available to an Indemnifiable Person to the extent that a final judgment or other final adjudication (in either case not subject to further appeal) binding upon such Indemnifiable Person determines that the acts, omissions, or determinations of such Indemnifiable Person giving rise to the indemnification claim resulted from such Indemnifiable Person's fraud, dishonesty, or willful criminal act or omission or that such right of indemnification is otherwise prohibited by Applicable Law or by the organizational documents of any member of the Company Group. The foregoing right of indemnification shall not be exclusive of or otherwise supersede any other rights of indemnification to which such Indemnifiable Persons may be entitled under (i) the organizational documents of any member of the Company Group, (ii) pursuant to Applicable Law, (iii) an individual indemnification agreement or contract, or otherwise, or (iv) any other power that the Company may have to indemnify such Indemnifiable Persons or hold such Indemnifiable Persons harmless.

(f) **Board Authority.** Notwithstanding anything to the contrary contained in the Plan, the Board may, in its sole discretion, at any time and from time to time, grant Awards and administer the Plan with respect to such Awards. Any such actions by the Board shall be subject to Applicable Law. In any such case, the Board shall have all the authority granted to the Committee under the Plan.

5. Grant of Awards; Shares Subject to the Plan; Limitations.

(a) **Grants.** The Committee may, from time to time, grant Awards to one or more Eligible Persons. All Awards granted under the Plan shall vest and become exercisable in such manner and on such date or dates or upon such event or events as determined by the Committee, including, without limitation, attainment of Performance Conditions.

(b) **Share Reserve and Limits.** Awards granted under the Plan shall be subject to the following limitations: (i) subject to Section 10 of the Plan, no more than [●]² Common Shares (the "**Absolute Share Limit**") shall be available for Awards under the Plan; *provided, however*, that the Absolute Share Limit shall be automatically increased on the first day of each fiscal year following the fiscal year in which the Effective Date falls in an amount equal to the least of (x) [●]³ Common Shares, (y) 7.5% of the total number of Common Shares outstanding on the last day of the immediately preceding fiscal year, and (z) a lower number of Common Shares as determined by the Board; and (ii) subject to Section 10 of the Plan, no more than the number of Common Shares equal to the Absolute Share Limit may be issued in the aggregate pursuant to the exercise of Incentive Share Options granted under the Plan.

(c) **Share Counting.** Other than with respect to Substitute Awards, to the extent that an Award expires or is canceled, forfeited, terminated, settled in cash, or otherwise is settled without issuance to the Participant of the full number of Common Shares to which the Award related, the unissued Common Shares will again be available for grant under the Plan. Common Shares withheld in payment of the Exercise Price, or taxes relating to an Award, and shares equal to the number of shares surrendered in payment of any Exercise Price, or taxes relating to an Award, shall be deemed to constitute shares not issued to the Participant and shall be deemed to again be available for Awards under the Plan; *provided, however*, that such shares shall not become available for issuance hereunder if either: (i) the applicable shares are withheld or surrendered following the termination of the Plan; or (ii) at the time the applicable shares are withheld or surrendered, it would constitute a material revision of the Plan subject to shareholder approval under any then-applicable rules of the national securities exchange on which the Common Shares are listed.

(d) **Source of Shares.** Common Shares issued by the Company in settlement of Awards may be authorized and unissued shares, Common Shares held in the treasury of the Company, Common Shares purchased on the open market or by private purchase, or a combination of the foregoing.

² To be equal to 15% of the fully diluted Common Shares as of the Effective Time (as defined in the Agreement and Plan of Merger by and among the Company, Foley Trasimene Acquisition Corp. II and the other parties thereto).

³ To be equal to 7.5% of the fully diluted Common Shares as of the Effective Time.

(e) Substitute Awards. Awards may, in the sole discretion of the Committee, be granted under the Plan in assumption of, or in substitution for, outstanding Awards previously granted by an entity directly or indirectly acquired by the Company or with which the Company combines (“Substitute Awards”). Substitute Awards shall not be counted against the Absolute Share Limit; *provided*, that Substitute Awards issued in connection with the assumption of, or in substitution for, outstanding Options intended to qualify as “incentive stock options” within the meaning of Section 422 of the Code shall be counted against the aggregate number of Common Shares available for Awards of Incentive Share Options under the Plan. Subject to applicable stock exchange requirements, available Common Shares under a shareholder-approved plan of an entity directly or indirectly acquired by the Company or with which the Company combines (as appropriately adjusted to reflect the acquisition or combination transaction) may be used for Awards under the Plan and shall not reduce the number of Common Shares available for issuance under the Plan.

6. Options.

(a) General. Each Option granted under the Plan shall be evidenced by an Award Agreement, which agreement need not be the same for each Participant. Each Option so granted shall be subject to the conditions set forth in this Section 6, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement. All Options granted under the Plan shall be Nonqualified Share Options unless the applicable Award Agreement expressly states that the Option is intended to be an Incentive Share Option. Incentive Share Options shall be granted only to Eligible Persons who are employees of a member of the Company Group, and no Incentive Share Option shall be granted to any Eligible Person who is ineligible to receive an Incentive Share Option under the Code. No Option shall be treated as an Incentive Share Option unless the Plan has been approved by the shareholders of the Company in a manner intended to comply with the shareholder approval requirements of Section 422(b)(1) of the Code; *provided*, that any Option intended to be an Incentive Share Option shall not fail to be effective solely on account of a failure to obtain such approval, but rather such Option shall be treated as a Nonqualified Share Option unless and until such approval is obtained. In the case of an Incentive Share Option, the terms and conditions of such grant shall be subject to, and comply with, such rules as may be prescribed by Section 422 of the Code. If for any reason an Option intended to be an Incentive Share Option (or any portion thereof) shall not qualify as an Incentive Share Option, then, to the extent of such nonqualification, such Option or portion thereof shall be regarded as a Nonqualified Share Option appropriately granted under the Plan.

(b) Exercise Price. Except as otherwise provided by the Committee in the case of Substitute Awards, the exercise price (“Exercise Price”) per Common Share for each Option shall not be less than 100% of the Fair Market Value of such share (determined as of the Date of Grant); *provided*, *however*, that in the case of an Incentive Share Option granted to an employee who, at the time of the grant of such Option, owns shares representing more than 10% of the voting power of all classes of shares of any member of the Company Group, the Exercise Price per share shall be no less than 110% of the Fair Market Value per share on the Date of Grant.

(c) Vesting and Expiration; Termination

(i) Options shall vest and become exercisable in such manner and on such date or dates or upon such event or events as determined by the Committee including, without limitation, those set forth in Section 5(a) of the Plan; *provided, however*, that notwithstanding any such vesting dates or events, the Committee may in its sole discretion accelerate the vesting of any Options at any time and for any reason. Options shall expire upon a date determined by the Committee, not to exceed ten years from the Date of Grant (the “Option Period”); *provided*, that if the Option Period (other than in the case of an Incentive Share Option) would expire at a time when trading in the Common Shares is prohibited by the Company’s insider trading policy (or Company-imposed “blackout period”), then the Option Period shall be automatically extended until the 30th day following the expiration of such prohibition. Notwithstanding the foregoing, in no event shall the Option Period exceed five years from the Date of Grant in the case of an Incentive Share Option granted to a Participant who on the Date of Grant owns shares representing more than 10% of the voting power of all classes of shares of any member of the Company Group.

(ii) Unless otherwise determined by the Committee, whether in an Award Agreement or otherwise, in the event of: (A) a Participant's Termination by the Service Recipient for Cause, all outstanding Options granted to such Participant shall immediately terminate and expire; (B) a Participant's Termination due to death or Disability, each outstanding unvested Option granted to such Participant shall immediately terminate and expire, and each outstanding vested Option shall remain exercisable for one year thereafter (but in no event beyond the expiration of the Option Period); and (C) a Participant's Termination for any other reason, each outstanding unvested Option granted to such Participant shall immediately terminate and expire, and each outstanding vested Option shall remain exercisable for 90 days thereafter (but in no event beyond the expiration of the Option Period).

(d) Method of Exercise and Form of Payment No Common Shares shall be issued pursuant to any exercise of an Option until payment in full of the Exercise Price therefor is received by the Company and the Participant has paid to the Company an amount equal to any Federal, state, local, and non-U.S. income, employment, and any other applicable taxes that are statutorily required to be withheld in accordance with Section 12(d) of the Plan. Options which have become exercisable may be exercised by delivery of written or electronic notice of exercise to the Company (or telephonic instructions to the extent provided by the Committee) in accordance with the terms of the Option accompanied by payment of the Exercise Price. The Exercise Price shall be payable: (i) in cash, check, cash equivalent, and/or Common Shares valued at the Fair Market Value at the time the Option is exercised (including, pursuant to procedures approved by the Committee, by means of attestation of ownership of a sufficient number of Common Shares in lieu of actual issuance of such shares to the Company); *provided*, that such Common Shares are not subject to any pledge or other security interest and have been held by the Participant for at least six months (or such other period as established from time to time by the Committee in order to avoid adverse accounting treatment applying generally accepted accounting principles ("GAAP")); or (ii) by such other method as the Committee may permit in its sole discretion, including, without limitation (A) in other property having a fair market value on the date of exercise equal to the Exercise Price; (B) if there is a public market for the Common Shares at such time, by means of a broker-assisted "cashless exercise" pursuant to which the Company is delivered (including telephonically to the extent permitted by the Committee) a copy of irrevocable instructions to a stockbroker to sell the Common Shares otherwise issuable upon the exercise of the Option and to deliver promptly to the Company an amount equal to the Exercise Price; or (C) a "net exercise" procedure effected by withholding the minimum number of Common Shares otherwise issuable in respect of an Option that are needed to pay the Exercise Price and any Federal, state, local, and non-U.S. income, employment, and any other applicable taxes that are statutorily required to be withheld in accordance with Section 12(d) of the Plan. Any fractional Common Shares shall be settled in cash.

(e) Notification upon Disqualifying Disposition of an Incentive Share Option Each Participant awarded an Incentive Share Option under the Plan shall notify the Company in writing immediately after the date the Participant makes a disqualifying disposition of any Common Shares acquired pursuant to the exercise of such Incentive Share Option. A disqualifying disposition is any disposition (including, without limitation, any sale) of such Common Shares before the later of (i) the date that is two years after the Date of Grant of the Incentive Share Option, or (ii) the date that is one year after the date of exercise of the Incentive Share Option. The Company may, if determined by the Committee and in accordance with procedures established by the Committee, retain possession, as agent for the applicable Participant, of any Common Share acquired pursuant to the exercise of an Incentive Share Option until the end of the period described in the preceding sentence, subject to complying with any instructions from such Participant as to the sale of such Common Shares.

(f) Compliance With Applicable Laws, etc. Notwithstanding the foregoing, in no event shall a Participant be permitted to exercise an Option in a manner which the Committee determines would violate the Sarbanes-Oxley Act of 2002, as it may be amended from time to time, or any other Applicable Law.

7. Share Appreciation Rights.

(a) General. Each SAR granted under the Plan shall be evidenced by an Award Agreement. Each SAR so granted shall be subject to the conditions set forth in this Section 7, and to such other conditions not inconsistent

Table of Contents

with the Plan as may be reflected in the applicable Award Agreement. Any Option granted under the Plan may include tandem SARs. The Committee also may award SARs to Eligible Persons independent of any Option.

(b) Strike Price. Except as otherwise provided by the Committee in the case of Substitute Awards, the strike price ("**Strike Price**") per Common Share for each SAR shall not be less than 100% of the Fair Market Value of such share (determined as of the Date of Grant). Notwithstanding the foregoing, a SAR granted in tandem with (or in substitution for) an Option previously granted shall have a Strike Price equal to the Exercise Price of the corresponding Option.

(c) Vesting and Expiration: Termination

(i) A SAR granted in connection with an Option shall become exercisable and shall expire according to the same vesting schedule and expiration provisions as the corresponding Option. A SAR granted independent of an Option shall vest and become exercisable in such manner and on such date or dates or upon such event or events as determined by the Committee including, without limitation, those set forth in Section 5(a) of the Plan; *provided, however*, that notwithstanding any such vesting dates or events, the Committee may, in its sole discretion, accelerate the vesting of any SAR at any time and for any reason. SARs shall expire upon a date determined by the Committee, not to exceed ten years from the Date of Grant (the "**SAR Period**"); *provided*, that if the SAR Period would expire at a time when trading in the Common Shares is prohibited by the Company's insider trading policy (or Company-imposed "blackout period"), then the SAR Period shall be automatically extended until the 30th day following the expiration of such prohibition.

(ii) Unless otherwise determined by the Committee, whether in an Award Agreement or otherwise, in the event of: (A) a Participant's Termination by the Service Recipient for Cause, all outstanding SARs granted to such Participant shall immediately terminate and expire; (B) a Participant's Termination due to death or Disability, each outstanding unvested SAR granted to such Participant shall immediately terminate and expire, and each outstanding vested SAR shall remain exercisable for one year thereafter (but in no event beyond the expiration of the SAR Period); and (C) a Participant's Termination for any other reason, each outstanding unvested SAR granted to such Participant shall immediately terminate and expire, and each outstanding vested SAR shall remain exercisable for 90 days thereafter (but in no event beyond the expiration of the SAR Period).

(d) Method of Exercise. SARs which have become exercisable may be exercised by delivery of written or electronic notice of exercise to the Company in accordance with the terms of the Award, specifying the number of SARs to be exercised and the date on which such SARs were awarded.

(e) Payment. Upon the exercise of a SAR, the Company shall pay to the Participant an amount equal to the number of shares subject to the SAR that is being exercised multiplied by the excess of the Fair Market Value of one Common Share on the exercise date over the Strike Price, less an amount equal to any Federal, state, local, and non-U.S. income, employment, and any other applicable taxes that are statutorily required to be withheld in accordance with Section 12(d) of the Plan. The Company shall pay such amount in cash, in Common Shares valued at Fair Market Value, or any combination thereof, as determined by the Committee. Any fractional Common Shares shall be settled in cash.

8. Restricted Share and Restricted Share Units

(a) General. Each grant of Restricted Share and Restricted Share Units shall be evidenced by an Award Agreement. Each Restricted Share and Restricted Share Unit so granted shall be subject to the conditions set forth in this Section 8, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement.

(b) Share Certificates and Book-Entry Notation; Escrow or Similar Arrangement. Upon the grant of Restricted Share, the Committee shall, at its discretion, cause a share certificate registered in the name of the

Table of Contents

Participant to be issued or shall cause Common Share(s) to be registered in the name of the Participant and held in book-entry form subject to the Company's directions and, if the Committee determines that the Restricted Share shall be held by the Company or in escrow rather than issued to the Participant pending the release of the applicable restrictions, the Committee may require the Participant to additionally execute and deliver to the Company (i) an escrow agreement satisfactory to the Committee, if applicable, and (ii) the appropriate share power (endorsed in blank) with respect to the Restricted Share covered by such agreement. If a Participant shall fail to execute and deliver (in a manner permitted under Section 12(a) of the Plan or as otherwise determined by the Committee) an agreement evidencing an Award of Restricted Share and, if applicable, an escrow agreement and blank share power within the amount of time specified by the Committee, the Award shall be null and void. Subject to the restrictions set forth in this Section 8, Section 12(b) of the Plan, and the applicable Award Agreement, a Participant generally shall have the rights and privileges of a shareholder as to Restricted Shares, including, without limitation, the right to vote such Restricted Shares. To the extent Restricted Shares are forfeited, any share certificates issued to a Participant evidencing such shares shall be returned to the Company without undue delay, and all rights of the Participant to such shares and as a shareholder with respect thereto shall terminate automatically without further obligation on the part of the Company. A Participant shall have no rights or privileges as a shareholder as to Restricted Share Units.

(c) Vesting; Termination.

(i) Restricted Share and Restricted Share Units shall vest, and any applicable Restricted Period shall lapse, in such manner and on such date or dates or upon such event or events as determined by the Committee including, without limitation, those set forth in Section 5(a) of the Plan; *provided, however*, that notwithstanding any such dates or events, the Committee may, in its sole discretion, accelerate the vesting of any Restricted Share or Restricted Share Unit or the lapsing of any applicable Restricted Period at any time and for any reason.

(ii) Unless otherwise determined by the Committee, whether in an Award Agreement or otherwise, in the event of a Participant's Termination for any reason prior to the time that such Participant's Restricted Shares or Restricted Share Units, as applicable, have vested, (A) all vesting with respect to such Participant's Restricted Shares or Restricted Share Units, as applicable, shall cease and (B) unvested shares of Restricted Share and unvested Restricted Share Units, as applicable, shall be forfeited to the Company by the Participant for no consideration as of the date of such Termination.

(d) Issuance of Restricted Share and Settlement of Restricted Share Units.

(i) Upon the expiration of the Restricted Period with respect to any Restricted Shares, the restrictions set forth in the applicable Award Agreement shall be of no further force or effect with respect to such shares, except as set forth in the applicable Award Agreement. If an escrow arrangement is used, upon such expiration the Company shall issue to the Participant or the Participant's beneficiary, without charge, the share certificate (or, if applicable, a notice evidencing a book-entry notation) evidencing the Restricted Shares which have not then been forfeited and with respect to which the Restricted Period has expired (rounded down to the nearest full share).

(ii) Unless otherwise determined by the Committee in an Award Agreement or otherwise, upon the expiration of the Restricted Period with respect to any outstanding Restricted Share Units, the Company shall issue to the Participant or the Participant's beneficiary, without charge, one Common Share (or other securities or other property, as applicable) for each such outstanding Restricted Share Unit; *provided, however*, that the Committee may, in its sole discretion, elect to (A) pay cash or part cash and part Common Shares in lieu of issuing only Common Shares in respect of such Restricted Share Units or (B) defer the issuance of Common Shares (or cash or part cash and part Common Shares, as the case may be) beyond the expiration of the Restricted Period if such extension would not cause adverse tax consequences under Section 409A of the Code. If a cash payment is made in lieu of issuing Common Shares in respect of such Restricted Share Units, the amount of such payment shall be equal to the Fair Market Value per Common Share as of the date on which the Restricted Period lapsed with respect to such Restricted Share Units.

(e) Legends on Restricted Share. Each certificate, if any, or book entry representing Restricted Shares awarded under the Plan, if any, shall bear a legend or book-entry notation substantially in the form of the following, in addition to any other information the Company deems appropriate, until the lapse of all restrictions with respect to such Common Shares:

TRANSFER OF THIS CERTIFICATE AND THE SHARES REPRESENTED HEREBY IS RESTRICTED PURSUANT TO THE TERMS OF THE PAYSAFE LIMITED 2021 OMNIBUS INCENTIVE PLAN AND A RESTRICTED SHARE AWARD AGREEMENT BETWEEN PAYSAFE LIMITED AND THE PARTICIPANT. A COPY OF SUCH PLAN AND AWARD AGREEMENT IS ON FILE AT THE PRINCIPAL EXECUTIVE OFFICES OF PAYSAFE LIMITED.

9. Other Equity-Based Awards and Other Cash-Based Awards The Committee may grant Other Equity-Based Awards and Other Cash-Based Awards under the Plan to Eligible Persons, alone or in tandem with other Awards, in such amounts and dependent on such conditions as the Committee shall from time to time in its sole discretion determine including, without limitation, those set forth in Section 5(a) of the Plan. Each Other Equity-Based Award granted under the Plan shall be evidenced by an Award Agreement and each Other Cash-Based Award granted under the Plan shall be evidenced in such form as the Committee may determine from time to time. Each Other Equity-Based Award or Other Cash-Based Award, as applicable, so granted shall be subject to such conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement or other form evidencing such Award, including, without limitation, those set forth in Section 12(c) of the Plan.

10. Changes in Capital Structure and Similar Events. Notwithstanding any other provision in this Plan to the contrary, the following provisions shall apply to all Awards granted hereunder (other than Other Cash-Based Awards):

(a) General. In the event of (i) any dividend (other than regular cash dividends) or other distribution (whether in the form of cash, Common Shares, other securities, or other property), recapitalization, share split, reverse share split, reorganization, merger, consolidation, split-up, split-off, spin-off, combination, repurchase, or exchange of Common Shares or other securities of the Company, issuance of warrants or other rights to acquire Common Shares or other securities of the Company, or other similar corporate transaction or event that affects the Common Shares (including a Change in Control), or (ii) unusual or nonrecurring events affecting the Company, including changes in applicable rules, rulings, regulations, or other requirements, that the Committee determines, in its sole discretion, could result in substantial dilution or enlargement of the rights intended to be granted to, or available for, Participants (any event in (i) or (ii), an “**Adjustment Event**”), the Committee shall, in respect of any such Adjustment Event, make such proportionate substitution or adjustment, if any, as it, in its sole discretion, deems equitable, to any or all of: (A) the Absolute Share Limit, or any other limit applicable under the Plan with respect to the number of Awards which may be granted hereunder; (B) the number of Common Shares or other securities of the Company (or number and kind of other securities or other property) which may be issued in respect of Awards or with respect to which Awards may be granted under the Plan or any Sub-Plan; and (C) the terms of any outstanding Award, including, without limitation, (I) the number of Common Shares or other securities of the Company (or number and kind of other securities or other property) subject to outstanding Awards or to which outstanding Awards relate; (II) the Exercise Price or Strike Price with respect to any Award; or (III) any applicable performance measures; *provided*, that in the case of any “equity restructuring” (within the meaning of the Financial Accounting Standards Board Accounting Standards Codification Topic 718 (or any successor pronouncement thereto)), the Committee shall make an equitable or proportionate adjustment to outstanding Awards to reflect such equity restructuring. Any adjustment under this Section 10 shall be conclusive and binding for all purposes.

(b) Adjustment Events. Without limiting the foregoing, except as may otherwise be provided in an Award Agreement, in connection with any Adjustment Event, the Committee may, in its sole discretion, provide for any one or more of the following:

(i) substitution or assumption of Awards (or awards of an acquiring company), acceleration of the exercisability of, lapse of restrictions on, or termination of Awards, or a period of time (which shall not be

Table of Contents

required to be more than ten days) for Participants to exercise outstanding Awards prior to the occurrence of such event (and any such Award not so exercised shall terminate upon the occurrence of such event); and

(ii) subject to any limitations or reductions as may be necessary to comply with Section 409A of the Code, cancellation of any one or more outstanding Awards and payment to the holders of such Awards that are vested as of such cancellation (including, without limitation, any Awards that would vest as a result of the occurrence of such event but for such cancellation or for which vesting is accelerated by the Committee in connection with such event) the value of such Awards, if any, as determined by the Committee (which value, if applicable, may be based upon the price per Common Share received or to be received by other shareholders of the Company in such event), including, without limitation, in the case of an outstanding Option or SAR, a cash payment in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Committee) of the Common Shares subject to such Option or SAR over the aggregate Exercise Price or Strike Price of such Option or SAR (it being understood that, in such event, any Option or SAR having a per share Exercise Price or Strike Price equal to, or in excess of, the Fair Market Value of a Common Share subject thereto may be canceled and terminated without any payment or consideration therefor), or, in the case of Restricted Shares, Restricted Share Units, or Other Equity-Based Awards that are not vested as of such cancellation, a cash payment or equity subject to deferred vesting and delivery consistent with the vesting restrictions applicable to such Restricted Shares, Restricted Share Units, or Other Equity-Based Awards prior to cancellation, or the underlying shares in respect thereof.

Payments to holders pursuant to clause (ii) above shall be made in cash or, in the sole discretion of the Committee, in the form of such other consideration necessary for a Participant to receive property, cash, or securities (or combination thereof) as such Participant would have been entitled to receive upon the occurrence of the transaction if the Participant had been, immediately prior to such transaction, the holder of the number of Common Shares covered by the Award at such time (less any applicable Exercise Price or Strike Price).

(c) Other Requirements. Prior to any payment or adjustment contemplated under this Section 10, the Committee may require a Participant to (i) represent and warrant as to the unencumbered title to the Participant's Awards; (ii) bear such Participant's pro rata share of any post-closing indemnity obligations, and be subject to the same post-closing purchase price adjustments, escrow terms, offset rights, holdback terms, and similar conditions as the other holders of Common Shares, subject to any limitations or reductions as may be necessary to comply with Section 409A of the Code; and (iii) deliver customary transfer documentation as reasonably determined by the Committee.

(d) Fractional Shares. Any adjustment provided under this Section 10 may provide for the elimination of any fractional share that might otherwise become subject to an Award.

(e) Binding Effect. Any adjustment, substitution, determination of value or other action taken by the Committee under this Section 10 shall be conclusive and binding for all purposes.

11. Amendments and Termination.

(a) Amendment and Termination of the Plan. The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; *provided*, that no such amendment, alteration, suspension, discontinuance, or termination shall be made without shareholder approval if: (i) such approval is required under Applicable Law; (ii) it would materially increase the number of securities which may be issued under the Plan (except for increases pursuant to Section 5 or 10 of the Plan), or (iii) it would materially modify the requirements for participation in the Plan; *provided, further*, that any such amendment, alteration, suspension, discontinuance, or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant, holder, or beneficiary. Notwithstanding the foregoing, no amendment shall be made to the last proviso of Section 11(b) of the Plan without shareholder approval.

Table of Contents

(b) Amendment of Award Agreements. The Committee may, to the extent consistent with the terms of the Plan and any applicable Award Agreement, in its sole discretion, waive any conditions or rights under, amend any terms of, or alter, suspend, discontinue, cancel, or terminate, any Award theretofore granted or the associated Award Agreement, prospectively or retroactively (including after a Participant's Termination); *provided*, that, other than pursuant to Section 10, any such waiver, amendment, alteration, suspension, discontinuance, cancellation, or termination that would materially and adversely affect the rights of any Participant with respect to any Award theretofore granted shall not to that extent be effective without the consent of the affected Participant; *provided, further*, that without shareholder approval, except as otherwise permitted under Section 10 of the Plan, (i) no amendment or modification may reduce the Exercise Price of any Option or the Strike Price of any SAR; (ii) the Committee may not cancel any outstanding Option or SAR and replace it with a new Option or SAR (with a lower Exercise Price or Strike Price, as the case may be) or other Award or cash payment that is greater than the intrinsic value (if any) of the canceled Option or SAR; and (iii) the Committee may not take any other action which is considered a "repricing" for purposes of the shareholder approval rules of any securities exchange or inter-dealer quotation system on which the securities of the Company are listed or quoted.

12. General.

(a) Award Agreements. Each Award (other than an Other Cash-Based Award) under the Plan shall be evidenced by an Award Agreement, which shall be delivered to the Participant to whom such Award was granted and shall specify the terms and conditions of the Award and any rules applicable thereto, including, without limitation, any Performance Conditions, the effect on such Award of the death, Disability, or Termination of a Participant, or of such other events as may be determined by the Committee. For purposes of the Plan, an Award Agreement may be in any such form (written or electronic) as determined by the Committee (including, without limitation, a Board or Committee resolution, an employment agreement, a notice, a certificate, or a letter) evidencing the Award. The Committee need not require an Award Agreement to be signed by the Participant or a duly authorized representative of the Company.

(b) Nontransferability.

(i) Each Award shall be exercisable only by such Participant to whom such Award was granted during the Participant's lifetime, or, if permissible under Applicable Law, by the Participant's legal guardian or representative. No Award may be assigned, alienated, pledged, attached, sold, or otherwise transferred or encumbered by a Participant (unless such transfer is specifically required pursuant to a domestic relations order or by Applicable Law) other than by will or by the laws of descent and distribution and any such purported assignment, alienation, pledge, attachment, sale, transfer, or encumbrance shall be void and unenforceable against any member of the Company Group; *provided*, that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer, or encumbrance.

(ii) Notwithstanding the foregoing, the Committee may, in its sole discretion, permit Awards (other than Incentive Share Options) to be transferred by a Participant, without consideration, subject to such rules as the Committee may adopt consistent with any applicable Award Agreement to preserve the purposes of the Plan, to: (A) any Person who is a "family member" of the Participant, as such term is used in the instructions to Form S-8 under the Securities Act or any successor form of registration statement promulgated by the Securities and Exchange Commission (collectively, the "Immediate Family Members"); (B) a trust solely for the benefit of the Participant and the Participant's Immediate Family Members; (C) a partnership or limited liability company whose only partners or shareholders are the Participant and the Participant's Immediate Family Members; or (D) a beneficiary to whom donations are eligible to be treated as "charitable contributions" for federal income tax purposes (each transferee described in clauses (A), (B), (C), and (D) above is hereinafter referred to as a "Permitted Transferee"); *provided*, that the Participant gives the Committee advance written notice describing the terms and conditions of the proposed transfer and the Committee notifies the Participant in writing that such a transfer would comply with the requirements of the Plan.

Table of Contents

(iii) The terms of any Award transferred in accordance with clause (ii) above shall apply to the Permitted Transferee and any reference in the Plan or in any applicable Award Agreement to a Participant shall be deemed to refer to the Permitted Transferee, except that: (A) Permitted Transferees shall not be entitled to transfer any Award, other than by will or the laws of descent and distribution; (B) Permitted Transferees shall not be entitled to exercise any transferred Option unless there shall be in effect a registration statement on an appropriate form covering the Common Shares to be acquired pursuant to the exercise of such Option if the Committee determines, consistent with any applicable Award Agreement, that such a registration statement is necessary or appropriate; (C) neither the Committee nor the Company shall be required to provide any notice to a Permitted Transferee, whether or not such notice is or would otherwise have been required to be given to the Participant under the Plan or otherwise; and (D) the consequences of a Participant's Termination under the terms of the Plan and the applicable Award Agreement shall continue to be applied with respect to the Participant, including, without limitation, that an Option shall be exercisable by the Permitted Transferee only to the extent, and for the periods, specified in the Plan and the applicable Award Agreement.

(c) Dividends and Dividend Equivalents

(i) The Committee may, in its sole discretion, provide a Participant as part of an Award with dividends, dividend equivalents, or similar payments in respect of Awards, payable in cash, Common Shares, other securities, other Awards or other property, on a current or deferred basis, on such terms and conditions as may be determined by the Committee in its sole discretion, including, without limitation, payment directly to the Participant, withholding of such amounts by the Company subject to vesting of the Award or reinvestment in additional Common Shares, Restricted Shares or other Awards.

(ii) Without limiting the foregoing, unless otherwise provided in the Award Agreement, any dividend otherwise payable in respect of any Restricted Shares that remains subject to vesting conditions at the time of payment of such dividend shall be retained by the Company, remain subject to the same vesting conditions as the Restricted Shares to which the dividend relates and shall be delivered (without interest) to the Participant within 15 days following the date on which such restrictions on such Restricted Shares lapse (and the right to any such accumulated dividends shall be forfeited upon the forfeiture of the Restricted Shares to which such dividends relate).

(iii) To the extent provided in an Award Agreement, the holder of outstanding Restricted Share Units shall be entitled to be credited with dividend equivalent payments (upon the payment by the Company of dividends on Common Shares) either in cash or, in the sole discretion of the Committee, in Common Shares having a Fair Market Value equal to the amount of such dividends (and interest may, in the sole discretion of the Committee, be credited on the amount of cash dividend equivalents at a rate and subject to such terms as determined by the Committee), which accumulated dividend equivalents (and interest thereon, if applicable) shall be payable at the same time as the underlying Restricted Share Units are settled following the date on which the Restricted Period lapses with respect to such Restricted Share Units, and if such Restricted Share Units are forfeited, the Participant shall have no right to such dividend equivalent payments (or interest thereon, if applicable).

(d) Tax Withholding

(i) A Participant shall be required to pay to the Company or one or more of its Subsidiaries, as applicable, an amount in cash (by check or wire transfer) equal to the aggregate amount of any income, employment, and/or other applicable taxes that are statutorily required to be withheld in respect of an Award. Alternatively, the Company or any of its Subsidiaries may elect, in its sole discretion, to satisfy this requirement by withholding such amount from any cash compensation or other cash amounts owing to a Participant.

(ii) Without limiting the foregoing, the Committee may (but is not obligated to), in its sole discretion, permit or require a Participant to satisfy all or any portion of the minimum income, employment, and/or

Table of Contents

other applicable taxes that are statutorily required to be withheld with respect to an Award by: (A) the delivery of Common Shares (which are not subject to any pledge or other security interest) that have been both held by the Participant and vested for at least six months (or such other period as established from time to time by the Committee in order to avoid adverse accounting treatment under applicable accounting standards) having an aggregate Fair Market Value equal to such minimum statutorily required withholding liability (or portion thereof); or (B) having the Company withhold from the Common Shares otherwise issuable or deliverable to, or that would otherwise be retained by, the Participant upon the grant, exercise, vesting, or settlement of the Award, as applicable, a number of Common Shares with an aggregate Fair Market Value equal to an amount, subject to clause (iii) below, not in excess of such minimum statutorily required withholding liability (or portion thereof).

(iii) The Committee, subject to its having considered the applicable accounting impact of any such determination, has full discretion to allow Participants to satisfy, in whole or in part, any additional income, employment, and/or other applicable taxes payable by them with respect to an Award by electing to have the Company withhold from the Common Shares otherwise issuable or deliverable to, or that would otherwise be retained by, a Participant upon the grant, exercise, vesting, or settlement of the Award, as applicable, Common Shares having an aggregate Fair Market Value that is greater than the applicable minimum required statutory withholding liability (but such withholding may in no event be in excess of the maximum statutory withholding amount(s) in a Participant's relevant tax jurisdictions).

(e) No Claim to Awards; No Rights to Continued Employment; Waiver. No employee of any member of the Company Group, or other Person, shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for a grant of any other Award. There is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the employ or service of the Service Recipient or any other member of the Company Group, nor shall it be construed as giving any Participant any rights to continued service on the Board. The Service Recipient or any other member of the Company Group may at any time dismiss a Participant from employment or discontinue any consulting relationship, free from any liability or any claim under the Plan, unless otherwise expressly provided in the Plan or any Award Agreement. By accepting an Award under the Plan, a Participant shall thereby be deemed to have waived any claim to continued exercise or vesting of an Award or to damages or severance entitlement related to non-continuation of the Award beyond the period provided under the Plan or any Award Agreement, except to the extent of any provision to the contrary in any written employment contract or other agreement between the Service Recipient and/or any member of the Company Group and the Participant, whether any such agreement is executed before, on, or after the Date of Grant.

(f) International Participants. With respect to Participants who reside or work outside of the United States of America, the Committee may, in its sole discretion, amend the terms of the Plan and create or amend Sub-Plans or amend outstanding Awards with respect to such Participants in order to permit or facilitate participation in the Plan by such Participants, conform such terms with the requirements of Applicable Law or to obtain more favorable tax or other treatment for a Participant or any member of the Company Group.

(g) Designation and Change of Beneficiary. Each Participant may file with the Committee a written designation of one or more Persons as the beneficiary or beneficiaries, as applicable, who shall be entitled to receive the amounts payable with respect to an Award, if any, due under the Plan upon the Participant's death. A Participant may, from time to time, revoke or change the Participant's beneficiary designation without the consent of any prior beneficiary by filing a new designation with the Committee. The last such designation received by the Committee shall be controlling; *provided, however*, that no designation, or change or revocation thereof, shall be effective unless received by the Committee prior to the Participant's death, and in no event shall

Table of Contents

it be effective as of a date prior to such receipt. If no beneficiary designation is filed by a Participant, the beneficiary shall be deemed to be the Participant's spouse or, if the Participant is unmarried at the time of death, the Participant's estate.

(h) Termination. Except as otherwise provided in an Award Agreement, unless determined otherwise by the Committee at any point following such event: (i) neither a temporary absence from employment or service due to illness, vacation, or leave of absence (including, without limitation, a call to active duty for military service through a Reserve or National Guard unit) nor a transfer from employment or service with one Service Recipient to employment or service with another Service Recipient (or vice-versa) shall be considered a Termination; and (ii) if a Participant undergoes a Termination, but such Participant continues to provide services to the Company Group in a non-employee capacity, including as a consultant, such change in status shall not be considered a Termination for purposes of the Plan. Further, unless otherwise determined by the Committee, in the event that any Service Recipient ceases to be a member of the Company Group (by reason of sale, divestiture, spin-off, or other similar transaction), unless a Participant's employment or service is transferred to another entity that would constitute a Service Recipient immediately following such transaction, such Participant shall be deemed to have suffered a Termination hereunder as of the date of the consummation of such transaction.

(i) No Rights as a Shareholder. Except as otherwise specifically provided in the Plan or any Award Agreement, no Person shall be entitled to the privileges of ownership in respect of Common Shares which are subject to Awards hereunder until such shares have been issued or delivered to such Person.

(j) Government and Other Regulations.

(i) The obligation of the Company to settle Awards in Common Shares or other consideration shall be subject to compliance with Applicable Law. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any Common Shares pursuant to an Award unless such shares have been properly registered for sale pursuant to the Securities Act with the Securities and Exchange Commission or unless the Company has received an opinion of counsel (if the Company has requested such an opinion), satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale under the Securities Act any of the Common Shares to be offered or sold under the Plan. The Committee shall have the authority to provide that all Common Shares or other securities of any member of the Company Group issued under the Plan shall be subject to such stop-transfer orders and other restrictions as the Committee may deem advisable under the Plan, the applicable Award Agreement and Applicable Law, and, without limiting the generality of Section 8 of the Plan, the Committee may cause a legend or legends to be put on certificates representing Common Shares or other securities of any member of the Company Group issued under the Plan to make appropriate reference to such restrictions or may cause such Common Shares or other securities of any member of the Company Group issued under the Plan in book-entry form to be held subject to the Company's instructions or subject to appropriate stop-transfer orders. Notwithstanding any provision in the Plan to the contrary, the Committee reserves the right to add, at any time, any additional terms or provisions to any Award granted under the Plan that the Committee, in its sole discretion, deems necessary or advisable in order that such Award complies with the legal requirements of any governmental entity to whose jurisdiction the Award is subject.

(ii) The Committee may cancel an Award or any portion thereof if it determines, in its sole discretion, that legal or contractual restrictions and/or blockage and/or other market considerations would make the Company's acquisition of Common Shares from the public markets, the Company's issuance of Common Shares to the Participant, the Participant's acquisition of Common Shares from the Company, and/or the Participant's sale of Common Shares to the public markets, illegal, impracticable, or inadvisable. If the Committee determines to cancel all or any portion of an Award in accordance with the foregoing, the Company shall, subject to any limitations or reductions as may be necessary to comply with Section 409A

Table of Contents

of the Code: (A) pay to the Participant an amount equal to the excess of (I) the aggregate Fair Market Value of the Common Shares subject to such Award or portion thereof canceled (determined as of the applicable exercise date, or the date that the shares would have been vested or issued, as applicable), over (II) the aggregate Exercise Price or Strike Price (in the case of an Option or SAR, respectively) or any amount payable as a condition of issuance of Common Shares (in the case of any other Award), with such amount being delivered to the Participant as soon as practicable following the cancellation of such Award or portion thereof or (B) in the case of Restricted Shares, Restricted Share Units, or Other Equity-Based Awards, provide the Participant with a cash payment or equity subject to deferred vesting and delivery consistent with the vesting restrictions applicable to such Restricted Shares, Restricted Share Units, or Other Equity-Based Awards, or the underlying shares in respect thereof.

(k) No Section 83(b) Elections Without Consent of Company. No election under Section 83(b) of the Code or under a similar provision of law may be made unless expressly permitted by the terms of the applicable Award Agreement or by action of the Committee (or its designee in accordance with Section 4(c) of the Plan) in writing prior to the making of such election. If a Participant, in connection with the acquisition of Common Shares under the Plan or otherwise, is expressly permitted to make such election and the Participant makes the election, the Participant shall notify the Company of such election within ten days of filing notice of the election with the Internal Revenue Service or other governmental authority, in addition to any filing and notification required pursuant to Section 83(b) of the Code or other applicable provision.

(l) Payments to Persons Other Than Participants. If the Committee shall find that any Person to whom any amount is payable under the Plan is unable to care for the Participant's affairs because of illness or accident, or is a minor, or has died, then any payment due to such Person or the Participant's estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to the Participant's spouse, child, relative, an institution maintaining or having custody of such Person, or any other Person deemed by the Committee to be a proper recipient on behalf of such Person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(m) Nonexclusivity of the Plan. Neither the adoption of the Plan by the Board nor the submission of the Plan to the shareholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of equity-based awards otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

(n) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between any member of the Company Group, on the one hand, and a Participant or other Person, on the other hand. No provision of the Plan or any Award shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company be obligated to maintain separate bank accounts, books, records, or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other service providers under general law.

(o) Reliance on Reports. Each member of the Committee and each member of the Board shall be fully justified in acting or failing to act, as the case may be, and shall not be liable for having so acted or failed to act in good faith, in reliance upon any report made by the independent public accountant of any member of the Company Group and/or any other information furnished in connection with the Plan by any agent of the Company or the Committee or the Board, other than himself or herself.

(p) Relationship to Other Benefits. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, profit sharing, group insurance, or other benefit plan of the Company except as otherwise specifically provided in such other plan or as required by Applicable Law.

(q) Governing Law. THIS PLAN AND ITS ENFORCEMENT AND ANY CONTROVERSY ARISING OUT OF OR RELATING TO ANY RIGHTS AND OBLIGATIONS HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK. Each Participant who accepts an Award hereby (i) agrees that any action, directly or indirectly, arising out of, under or relating to the Plan or any Award hereunder shall exclusively be brought in and shall exclusively be heard and determined by either the Supreme Court of the State of New York sitting in Manhattan or the United States District Court for the Southern District of New York, and (ii) solely in connection with the action(s) contemplated by subsection (i) hereof, (A) irrevocably and unconditionally consents and submits to the exclusive jurisdiction of the courts identified in subsection (i) hereof, (B) irrevocably and unconditionally waives any objection to the laying of venue in any of the courts identified in clause (i) of this Section 12(q), (C) irrevocably and unconditionally waives and agrees not to plead or claim that any of the courts identified in such clause (i) is an inconvenient forum or does not have personal jurisdiction over such Participant or any member of the Company Group, and (D) agrees that mailing of process or other papers in connection with any such action in the manner provided herein or in such other manner as may be permitted by Applicable Law shall be valid and sufficient service thereof. EACH PARTICIPANT WHO ACCEPTS AN AWARD IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY SUIT, ACTION, OR OTHER PROCEEDING INSTITUTED BY OR AGAINST SUCH PARTICIPANT IN RESPECT OF THE PARTICIPANT'S RIGHTS OR OBLIGATIONS HEREUNDER.

(r) Severability. If any provision of the Plan or any Award or Award Agreement is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to Applicable Law, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be construed or deemed stricken as to such jurisdiction, Person, or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(s) Obligations Binding on Successors. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation, or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company.

(t) Section 409A of the Code.

(i) Notwithstanding any provision of the Plan to the contrary, it is intended that the provisions of the Plan comply with Section 409A of the Code, and all provisions of the Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A of the Code. Each Participant is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or in respect of such Participant in connection with the Plan (including any taxes and penalties under Section 409A of the Code), and neither the Service Recipient nor any other member of the Company Group shall have any obligation to indemnify or otherwise hold such Participant (or any beneficiary) harmless from any or all of such taxes or penalties. With respect to any Award that is considered "deferred compensation" subject to Section 409A of the Code, references in the Plan to "termination of employment" (and substantially similar phrases) shall mean "separation from service" within the meaning of Section 409A of the Code. For purposes of Section 409A of the Code, each of the payments that may be made in respect of any Award granted under the Plan is designated as a separate payment.

(ii) Notwithstanding anything in the Plan to the contrary, if a Participant is a "specified employee" within the meaning of Section 409A(a)(2)(B) (i) of the Code, no payments in respect of any Awards that are

Table of Contents

“deferred compensation” subject to Section 409A of the Code and which would otherwise be payable upon the Participant’s “separation from service” (as defined in Section 409A of the Code) shall be made to such Participant prior to the date that is six months after the date of such Participant’s “separation from service” or, if earlier, the date of the Participant’s death. Following any applicable six-month delay, all such delayed payments will be paid in a single lump sum on the earliest date permitted under Section 409A of the Code that is also a business day.

(iii) Unless otherwise provided by the Committee in an Award Agreement or otherwise, in the event that the timing of payments in respect of any Award (that would otherwise be considered “deferred compensation” subject to Section 409A of the Code) are accelerated upon the occurrence of (A) a Change in Control, no such acceleration shall be permitted unless the event giving rise to the Change in Control satisfies the definition of a change in the ownership or effective control of a corporation, or a change in the ownership of a substantial portion of the assets of a corporation pursuant to Section 409A of the Code or (B) a Disability, no such acceleration shall be permitted unless the Disability also satisfies the definition of “Disability” pursuant to Section 409A of the Code.

(u) Clawback/Repayment. All Awards shall be subject to reduction, cancellation, forfeiture or recoupment to the extent necessary to comply with (i) any clawback, forfeiture or other similar policy adopted by the Board or the Committee and as in effect from time to time; and (ii) Applicable Law. Further, unless otherwise determined by the Committee, to the extent that the Participant receives any amount in excess of the amount that the Participant should otherwise have received under the terms of the Award for any reason (including, without limitation, by reason of a financial restatement, mistake in calculations or other administrative error), the Participant shall be required to repay any such excess amount to the Company.

(v) Detrimental Activity. Notwithstanding anything to the contrary contained herein, if a Participant has engaged in any Detrimental Activity, as determined by the Committee, the Committee may, in its sole discretion and to the extent permitted by Applicable Law, provide for one or more of the following:

(i) cancellation of any or all of such Participant’s outstanding Awards; or

(ii) forfeiture by the Participant of any gain realized on the vesting or exercise of Awards, and repayment of any such gain promptly to the Company.

(w) Right of Offset. The Company will have the right to offset against its obligation to deliver Common Shares (or other property or cash) under the Plan or any Award Agreement any outstanding amounts (including, without limitation, travel and entertainment or advance account balances, loans, repayment obligations under any Awards, or amounts repayable to the Company pursuant to tax equalization, housing, automobile, or other employee programs) that the Participant then owes to any member of the Company Group and any amounts the Committee otherwise deems appropriate pursuant to any tax equalization policy or agreement. Notwithstanding the foregoing, if an Award is “deferred compensation” subject to Section 409A of the Code, the Committee will have no right to offset against its obligation to deliver Common Shares (or other property or cash) under the Plan or any Award Agreement if such offset could subject the Participant to the additional tax imposed under Section 409A of the Code in respect of an outstanding Award.

(x) Expenses: Titles and Headings. The expenses of administering the Plan shall be borne by the Company Group. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

PART II

INFORMATION NOT REQUIRED IN PROSPECTUS

ITEM 20. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Section 98 of the Companies Act provides generally that a Bermuda company may exempt or indemnify its directors, officers and auditors against any liability which by virtue of any rule of law would otherwise be imposed on them in respect of any negligence, default, breach of duty or breach of trust, except in cases where such liability arises from fraud or dishonesty of which such director, officer or auditor may be guilty in relation to the company. Section 98 further provides that a Bermuda company may indemnify its directors, officers and auditors against any liability incurred by them in defending any proceedings, whether civil or criminal, in which judgment is awarded in their favor or in which they are acquitted or granted relief by the Supreme Court of Bermuda pursuant to section 281 of the Companies Act.

Provisions in the Company Bye-laws provide that it shall indemnify its officers and directors in respect of their actions and omissions, except in respect of their fraud or dishonesty. The Company Bye-laws provide that the shareholders waive all claims or rights of action that they might have, individually or in right of the Company, against any of the Company's directors or officers for any act or failure to act in the performance of such director's or officer's duties, except in respect of any fraud or dishonesty of such director or officer. Section 98A of the Companies Act permits the Company to purchase and maintain insurance for the benefit of any officer or director in respect of any loss or liability attaching to him in respect of any negligence, default, breach of duty or breach of trust, whether or not the Company may otherwise indemnify such officer or director.

The indemnification rights set forth above shall not be exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, provision of the Company Bye-laws, agreement, vote of shareholders or disinterested directors or otherwise.

The Company expects to maintain standard policies of insurance that provide coverage (1) to its directors and officers against loss arising from claims made by reason of breach of duty or other wrongful act and (2) to the Company with respect to indemnification payments that it may make to such directors and officers.

The Company intends to enter into indemnification agreements with its directors and executive officers. These agreements will require the Company to indemnify these individuals to the fullest extent permitted under Bermuda law against liabilities that may arise by reason of their service to the Company, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified. Insofar as indemnification for liabilities arising under the Securities Act of 1933, as amended, may be permitted to directors or executive officers, the Company has been informed that, in the opinion of the Securities and Exchange Commission, such indemnification is against public policy and is therefore unenforceable.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

The undersigned Registrant hereby undertakes as follows: that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other items of the applicable form.

The Registrant undertakes that every prospectus: (1) that is filed pursuant to the immediately preceding paragraph, or (2) that purports to meet the requirements of Section 10(a)(3) of the Act and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to the registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

The undersigned Registrant hereby undertakes to respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

The undersigned Registrant hereby undertakes to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in the registration statement when it became effective.

- (i) For the purposes of paragraph (g)(ii) of Clause 4 (*Indebtedness*) of Schedule 12 (*General Undertakings*):
 - (i) the Parent shall be deemed to have used paragraph (g)(ii)(B)(II) (to the extent permitted by the pro forma calculation of the applicable ratio test) prior to paragraph (g)(ii)(B)(I);

 - (iii) the Parent may redesignate all or any portion of Indebtedness originally designated as incurred under paragraph (g)(ii)(B)(I) as having been incurred under paragraph (g)(ii)(B)(II) so long as, at the time of such redesignation, the Parent would be permitted to incur the aggregate principal amount of Indebtedness being so redesignated under paragraph (g)(ii)(B)(II) (which, for the avoidance of doubt, shall have the effect of increasing paragraph (g)(ii)(B)(I) by the amount of such redesignated Indebtedness).

2.4 **Finance Parties' rights and obligations**

- (c) A Finance Party may, except as otherwise stated in the Finance Documents, separately enforce its rights under the Finance Documents.

make such agreements and to effect the relevant amendments, supplements and variations capable of being given, made or effected by any Obligor notwithstanding that they may affect the Obligor, without further reference to or the consent of that Obligor; and

- (ii) each Finance Party to give any notice, demand or other communication to that Obligor pursuant to the Finance Documents to the Parent,

and in each case the Obligor shall be bound as though the Obligor itself had given the notices and instructions (including, without limitation, any Utilisation Requests and Selection Notices) or executed or made the agreements or effected the amendments, supplements or variations, or received the relevant notice, demand or other communication.

- (b) Every act, omission, agreement, undertaking, settlement, waiver, amendment, supplement, variation, notice or other communication given or made by the Obligors' Agent or given to the Obligors' Agent under any Finance Document on behalf of another Obligor or in connection with any Finance Document (whether or not known to any other Obligor and whether occurring before or after such other Obligor became an Obligor under any Finance Document) shall be binding for all purposes on that Obligor as if that Obligor had expressly made, given or concurred with it. In the event of any conflict between any notices or other communications of the Obligors' Agent and any other Obligor, those of the Obligors' Agent shall prevail.

2.6 Debt Pushdown

- (a) Following the expiry of the Certain Funds Period in respect of Facility B and the Initial Revolving Facility, US Mergerco intends to, and is hereby permitted to, cause the Debt Pushdown Borrower to assume all of US Mergerco's rights, benefits and obligations in respect of Facility B1 and Facility B2 pursuant to a merger of US Mergerco with and into the Debt Pushdown Borrower pursuant to Delaware statutory corporate law (the "**Merger**"), with the result that the Debt Pushdown Borrower will be the surviving entity in the Merger and succeed to all of the assets and liabilities of US Mergerco (such assumption, a "**Debt Pushdown**"). For the avoidance of doubt, the Debt Pushdown shall not involve or require any transfers of cash and may be effected during or on the last day of an Interest Period and, in any case, shall not result in the breakage of the Interest Period or the start of a new Interest Period.
- (b) Following the expiry of the Certain Funds Period in respect of Facility B and the Initial Revolving Facility, any intermediate steps necessary to implement the Merger and the Debt Pushdown shall be permitted. For the avoidance of doubt, upon the Merger becoming effective any liabilities of US Mergerco under the Finance Documents (including, for the purposes of the Intercreditor Agreement, as a Debtor and an Intra-Group Lender) shall be automatically assumed by the Debt Pushdown Borrower.
- (c) The Finance Parties shall promptly enter into any amendment to or replacement of the Finance Documents required by the Parent, US Mergerco or the Debt Pushdown Borrower and/or take such other action as is required by US Mergerco in order to facilitate or reflect any of the matters contemplated by this Clause 2.6. The Agent and the Security Agent are each irrevocably authorised and instructed by each Finance Party to promptly execute any such amended or replacement Finance Documents and/or take other such action on behalf of the Finance Parties (and shall do so at the request of the Parent, US MergerCo or the Debt Pushdown Borrower).

- (d) For the avoidance of doubt, no assumption of US Mergerco's rights, benefits and obligations in respect of any Loan as part of any Debt Pushdown shall constitute a repayment or prepayment of the relevant Loans.
- (e) To the extent the Debt Pushdown has not occurred within 45 days after the Final Closing Date, the Company shall, subject to and in accordance with the Agreed Security Principles, grant security over its shares in US Mergerco, *provided* that such security shall be promptly released by the Security Agent in accordance with Clause 29.7 (*Release*) to the extent required in order to effect the Debt Pushdown at any time.

- (b) During the Certain Funds Period (save in circumstances where, pursuant to paragraph (a) above, a Lender is not obliged to comply with Clause 5.4 (*Lenders' participation*)), none of the Finance Parties shall be entitled to:

- (c) The Parent may (at its own election) request that any Utilisation of any Incremental Facility be made available on a certain funds basis on such certain funds terms as agreed with the relevant Incremental Facility Lenders and such Utilisation shall be made available on such terms during the Certain Funds Period.

5. UTILISATION – LOANS

5.1 Delivery of a Utilisation Request

A Borrower (or the Parent on its behalf) may utilise a Facility by delivery to the Agent of a duly completed Utilisation Request not later than the Specified Time (or such later time as the Agent may agree).

5.2 Completion of a Utilisation Request for Loans

- (a) Each Utilisation Request for a Loan will not be regarded as having been duly completed unless:
- (i) it identifies the Facility to be utilised;
 - (ii) it identifies the relevant Borrower;
 - (iii) the proposed Utilisation Date is a Business Day within the Availability Period applicable to that Facility;
 - (iv) the currency and amount of the Utilisation comply with Clause 5.3 (*Currency and amount*);

- (d) Subject to Clause 20.2 (*Other indemnities*), a Borrower may deliver a conditional or revocable Utilisation Request for a Loan.
- (e) The Initial Revolving Facility shall not be utilised unless Facility B has been utilised (or is being utilised substantially simultaneously with the initial utilisation of the Initial Revolving Facility).

5.4 Lenders' participation

- (a) If the conditions set out in this Agreement have been met, and subject to Clause 10.2 (*Repayment of Revolving Facility Loans*), each Lender shall make its participation in each Loan available on the Utilisation Date through its Facility Office.
- (b) Other than as set out in paragraph (c) below, the amount of each Lender's participation in each Loan will be equal to the proportion borne by its Available Commitment to the Available Facility immediately prior to making the Loan.
- (c) If a Revolving Facility Utilisation is made to repay Ancillary Outstandings in respect of an Ancillary Facility from the same Revolving Facility, each Lender's participation in that Utilisation will be in an amount (as determined by the Agent) which will result as nearly as possible in the aggregate amount of its participation in the Revolving Facility Utilisations then outstanding bearing the same proportion to the aggregate amount of the Revolving Facility Utilisations, then outstanding as its Revolving Facility Commitment bears to the Total Revolving Facility Commitments in each case under that Revolving Facility.
- (d) The Agent shall determine the Base Currency Amount of each Loan which is to be made in an Optional Currency and notify each Lender of the amount, currency and the Base Currency Amount of each Loan, the amount of its participation in that Loan and, if different, the amount of that participation to be made available in accordance with Clause 33.1 (*Payments to the Agent*) by the Specified Time.

 - (i) a substitute Facility Office from which it will make Designated Loans (a “**Substitute Facility Office**”); or
 - (ii) nominate an Affiliate to act as the Lender of Designated Loans (a “**Substitute Affiliate Lender**”).
- (b) A notice to nominate a Substitute Affiliate Lender must be in the form set out in Schedule 15 *Form of Substitute Affiliate Lender Designation Notice* and be countersigned by the relevant Substitute Affiliate Lender confirming it will be bound as a Lender under this Agreement and as a Senior Lender (as defined in the Intercreditor Agreement) under the Intercreditor Agreement in respect of the Designated Loans in respect of which it acts as Lender.
- (c) The Designating Lender will act as the representative of any Substitute Affiliate Lender it nominates for all administrative purposes under this Agreement. The Obligors, the Agent, the Security Agent and the other Finance Parties will be entitled to deal only with the Designating Lender, except that payments will be made in respect of Designated Loans to the Facility Office of the Substitute Affiliate Lender. In particular the Commitments of the Designating Lender will not be treated as reduced by the introduction of the Substitute Affiliate Lender for voting purposes under this Agreement or the other Finance Documents
- (d) Save as mentioned in paragraph (c) above, a Substitute Affiliate Lender will be treated as a Lender for all purposes under the Finance Documents and having a Commitment equal to the principal amount of all Designated Loans in which it is participating if and for so long as it continues to be a Substitute Affiliate Lender under this Agreement.
- (e) A Designating Lender may revoke its designation of an Affiliate as a Substitute Affiliate Lender by notice in writing to the Agent and the Parent provided that such notice may only take effect when there are no Designated Loans outstanding to the Substitute Affiliate Lender. Upon such Substitute Affiliate Lender ceasing to be a Substitute Affiliate Lender the Designating Lender will automatically assume (and be deemed to assume without further action by any Party) all rights and obligations previously vested in the Substitute Affiliate Lender.

(i) no Major Event Default is continuing or would result from the proposed Utilisation;

(d) Notwithstanding anything to the contrary in this Agreement, during the Certain Funds Period the Issuing Bank shall not be entitled to:

- (i) rescind, terminate or cancel this Agreement or the Revolving Facility or exercise any similar right or remedy or make or take any action or make or enforce any claim under or in respect any Finance Documents it may have to the extent to do so would directly or indirectly prevent or limit the issuing of a Letter of Credit which is a Certain Funds Utilisation;

provided that immediately upon the expiry of the Certain Funds Period all such rights, remedies and entitlements shall be available to the Issuing Bank notwithstanding that they may not have been used or been available for use during the Certain Funds Period.

- (e) The amount of each Lender's participation in each Letter of Credit will be equal to its L/C Proportion.
- (f) The Agent shall determine the Base Currency Amount of each Letter of Credit which is to be issued in an Optional Currency and shall notify the Issuing Bank and each Lender of the details of the requested Letter of Credit and its participation in that Letter of Credit by the Specified Time.
- (g) The Issuing Bank has no duty to enquire of any person whether or not any of the conditions set out in paragraph (b) above have been met. The Issuing Bank may assume that those conditions have been met unless it is expressly notified to the contrary by the Agent. The Issuing Bank will have no liability to any person for issuing a Letter of Credit based on such assumption.
- (h) The Issuing Bank is solely responsible for the form of the Letter of Credit that it issues. The Agent has no duty to monitor the form of that document.
- (i) Subject to paragraph (a)(i) of Clause 30.7 (*Rights and discretions*), each of the Issuing Bank and the Agent shall provide the other with any information reasonably requested by the other that relates to a Letter of Credit and its issue.
- (j) The Issuing Bank may (with the consent of the relevant Revolving Facility Borrower or the Parent) issue a Letter of Credit in the form of a SWIFT message or other form of communication customary in the relevant market but has no obligation to do so.

6.6 **Renewal of a Letter of Credit**

- (a) A Revolving Facility Borrower (or the Parent on its behalf) may request that any Letter of Credit issued on behalf of that Revolving Facility Borrower be renewed by delivery to the Agent of a Renewal Request in substantially similar form to a Utilisation Request for a Letter of Credit by the Specified Time.

 - (ii) its Term shall start on the date which was the Expiry Date of the Letter of Credit immediately prior to its renewal, and shall end on the proposed Expiry Date specified in the Renewal Request.
- (d) If the conditions set out in this Agreement have been met, the Issuing Bank shall amend and re-issue any Letter of Credit pursuant to a Renewal Request.

6.7 **Reduction of a Letter of Credit**

- (a) If, on the proposed Utilisation Date of a Letter of Credit, any Lender under the relevant Revolving Facility is a Non-Acceptable L/C Lender and:
 - (i) that Lender has failed to provide cash collateral to the Issuing Bank in accordance with Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover*); and
 - (ii) either:
 - (A) the Issuing Bank has not required the Revolving Facility Borrower to provide cash cover pursuant to Clause 7.5 (*Requirement for cash cover from Borrower*); or

the Issuing Bank may reduce the amount of that Letter of Credit by an amount equal to the amount of the participation of that Non-Acceptable L/C Lender in respect of that Letter of Credit and that Non-Acceptable L/C Lender shall be deemed not to have any participation (or obligation to indemnify the Issuing Bank) in respect of that Letter of Credit for the purposes of the Finance Documents.

- (b) The Parent shall, if requested by the Agent within five Business Days of any calculation under paragraph (a) above, ensure that within three Business Days of such request sufficient Revolving Facility Utilisations are prepaid to prevent the Base Currency Amount of the Revolving Facility Utilisations exceeding the Total Revolving Facility Commitments (after deducting the total Ancillary Commitments) by more than 5% following any adjustment to a Base Currency Amount under paragraph (a) above.

6.9 **Reduction or expiry of Letter of Credit**

If the amount of any Letter of Credit is wholly or partially reduced or it is repaid or prepaid or it expires prior to its Expiry Date, the relevant Issuing Bank and the Revolving Facility Borrower that requested (or on behalf of which the Parent requested) the issue of that Letter of Credit shall promptly notify the Agent of the details upon becoming aware of them, provided that any failure to provide such details shall not constitute a Default or otherwise affect any Revolving Facility Borrower's rights under this Agreement (including requesting further Utilisations).

6.10 **Appointment of additional Issuing Banks**

- (a) Any Lender which has agreed to the Parent's request to be an Issuing Bank pursuant to the terms of this Agreement shall become an Issuing Bank for the purposes of this Agreement upon notifying the Agent and the Parent that it has so agreed to be an Issuing Bank and on making that notification that Lender shall become bound by the terms of this Agreement as an Issuing Bank.
- (b) The Parent and any Issuing Bank may at any time and from time to time agree (at their sole discretion) any sub-limit on the amount of Letters of Credit to be issued by that Issuing Bank.

6.11 **Existing Letters of Credit and Ancillary Facilities**

- (a) The Parent may by notice in writing to the Agent request that any letter of credit, guarantee, bond, indemnity, documentary or like credit or any other instrument of suretyship or payment, issued, undertaken or made prior to the Initial Closing Date by any person which is a Lender under this Agreement (or an Affiliate of such a Lender) on behalf or at the request of any member of the Group or Target Group be deemed to be issued under an Ancillary Facility or the Revolving Facility and with effect from the later of the date specified in such notice (the "**Grandfathering Date**") (being a date not less than three Business Days, or such shorter period as the Agent may agree, after the date such notice is delivered to the Agent) and the Scheme Effective Date, such instrument (the "**Relevant Instrument**") shall be treated as outstanding under an Ancillary Facility or a Letter of Credit for all purposes under the Revolving Facility or Ancillary Facility (as the case may be), *provided* that:

- (b) The Lender (or as the case may be, the Affiliate of the Lender) under a Relevant Instrument will (unless it is already an Ancillary Lender, or, as the case may be, an Issuing Bank) become an Ancillary Lender or, as the case may be, an Issuing Bank with respect to each Relevant Instrument issued, undertaken or made by it, in each case subject to the Agent having received notification in writing from such Lender (or, as the case may be, the Affiliate of such Lender) that it agrees to the Relevant Instrument being treated as outstanding under an Ancillary Facility or, as the case may be, a Letter of Credit for all purposes under this Agreement.

7.2 Claims under a Letter of Credit

- (a) Each Revolving Facility Borrower irrevocably and unconditionally authorises the Issuing Bank to pay any claim made or purported to be made under a Letter of Credit requested by it (or requested by the Parent on its behalf) and which appears on its face to be in order (in this Clause 7, a claim).

- (d) The obligations of a Revolving Facility Borrower under this Clause 7 will not be affected by:

7.3 Indemnities

- (a) Each Revolving Facility Borrower shall promptly on demand indemnify the Issuing Bank against any cost, loss or liability incurred by the Issuing Bank (otherwise than by reason of the Issuing Bank's gross negligence or wilful misconduct) in acting as the Issuing Bank under any Letter of Credit requested by (or on behalf of) that Revolving Facility Borrower.
- (b) Each Lender shall (according to its L/C Proportion) immediately on demand indemnify the Issuing Bank against any cost, loss or liability incurred by the Issuing Bank (otherwise than by reason of the Issuing Bank's gross negligence or wilful misconduct) in acting as the Issuing Bank under any Letter of Credit (unless the Issuing Bank has been reimbursed by an Obligor pursuant to a Finance Document).
- (c) The Revolving Facility Borrower which requested (or on behalf of which the Parent requested) a Letter of Credit shall promptly on demand reimburse any Lender for any payment it makes to the Issuing Bank under this Clause 7.3 in respect of that Letter of Credit except to the extent arising out of the negligence of, wilful misconduct of, or material breach of the terms of this Agreement in relation to such Letter of Credit by, such Lender.
- (d) The obligations of each Lender or Revolving Facility Borrower under this Clause are continuing obligations and will extend to the ultimate balance of sums payable by that Lender or Revolving Facility Borrower in respect of any Letter of Credit, regardless of any intermediate payment or discharge in whole or in part.
- (e) If a Revolving Facility Borrower has provided cash cover in respect of a Lender's participation in that Letter of Credit, the Issuing Bank shall seek reimbursement from that cash cover before making a demand of that Lender under paragraph (b) above. Any recovery made by an Issuing Bank pursuant to that cash cover will reduce that Lender's liability under paragraph (b) above.
- (f) The obligations of any Lender or Revolving Facility Borrower under this Clause will not be affected by any act, omission, matter or thing which, but for this Clause, would reduce, release or prejudice any of its obligations under this Clause (without limitation and whether or not known to it or any other person) including:
 - (i) any time, waiver or consent granted to, or composition with, any Obligor, any beneficiary under a Letter of Credit or any other person;
 - (ii) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor or any member of the Group;
 - (iii) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor, any beneficiary under a Letter of Credit or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
 - (iv) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor, any beneficiary under a Letter of Credit or any other person;

- (v) any amendment (however fundamental) or replacement of a Finance Document, any Letter of Credit or any other document or security;
- (vi) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document, any Letter of Credit or any other document or security; or
- (vii) any insolvency or similar proceedings.

7.4 Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover

- (a) If, at any time but subject to paragraph (g) below, a Lender under a Revolving Facility is a Non-Acceptable L/C Lender, the Issuing Bank may, by notice to that Lender, request that Lender to pay and that Lender shall pay, on or prior to the date falling five Business Days after the request by the Issuing Bank, an amount equal to that Lender's L/C Proportion of:
 - (i) the outstanding amount of a Letter of Credit; or
 - (ii) in the case of a proposed Letter of Credit, the amount of that proposed Letter of Credit, and in the currency of that Letter of Credit to an interest-bearing account held in the name of that Lender with the Issuing Bank.
- (b) The Non-Acceptable L/C Lender to whom a request has been made in accordance with paragraph (a) above shall enter into a security document or other form of collateral arrangement over the account, in form and substance satisfactory to the Issuing Bank, as collateral for any amounts due and payable under this Agreement by that Lender to the Issuing Bank in respect of that Letter of Credit.
- (c) Subject to paragraph (f) below, withdrawals from the account may only be made to pay the Issuing Bank amounts due and payable to it under this Agreement by the Non-Acceptable L/C Lender in respect of that Letter of Credit until no amount is or may be outstanding under that Letter of Credit.
- (d) If a Revolving Facility Lender is a Non-Acceptable L/C Lender, it shall notify the Agent and the Parent:
 - (i) on any later date on which it becomes such a Lender in accordance with Clause 2.2 (*Increase*), 2.3 (*Incremental Facility*) or Clause 28 (*Changes to the Lenders*); and
 - (ii) as soon as practicable upon becoming aware of the same,and an indication in an Assignment Agreement, in an Increase Confirmation, in an Extension Amendment or in a Refinancing Amendment to that effect will constitute a notice under paragraph (i) above to the Agent.
- (e) Any notice received by the Agent pursuant to paragraph (d) above shall constitute notice to the Issuing Bank of that Lender's status and the Agent shall, upon receiving each such notice, promptly notify the Issuing Bank of that Lender's status as specified in that notice.
- (f) Notwithstanding paragraph (c) above, a Lender who has provided cash collateral in accordance with this Clause 7.4 may, by notice to the Issuing Bank, request that an amount equal to the amount provided by it as collateral in respect of the relevant Letter of Credit (together with any accrued interest) be returned to it:

- (i) to the extent that such cash collateral has not been applied in satisfaction of any amount due and payable under this Agreement by that Lender to the Issuing Bank in respect of the relevant Letter of Credit;
- (ii) if:
 - (A) it ceases to be a Non-Acceptable L/C Lender;
 - (B) its obligations in respect of the relevant Letter of Credit are transferred to a New Lender in accordance with the terms of this Agreement; or
 - (C) an Increase Lender has agreed to undertake that Lender's obligations in respect of the relevant Letter of Credit in accordance with the terms of this Agreement; and
- (iii) if no amount is due and payable by that Lender in respect of a Letter of Credit,
and the Issuing Bank shall pay that amount to the Lender within five Business Days of that Lender's request (and shall cooperate with the Lender in order to procure that the relevant security or collateral arrangement is released and discharged).
- (g) If the Issuing Bank sends a notice to a Lender under paragraph (a) above at a time when the Issuing Bank is a Non-Acceptable L/C Lender or, would be a Non-Acceptable L/C Lender if it were a Lender under a Revolving Facility (as the case may be), the relevant Lender to whom the notice is delivered will not be under any obligation to pay an amount requested under such notice, and it will not as a result of such non-payment become a Defaulting Lender.
- (h) To the extent that a Non-Acceptable L/C Lender fails to provide cash collateral (or notifies the Issuing Bank that it will not provide cash collateral) when required in accordance with this Clause 7.4 in respect of a proposed Letter of Credit, the Issuing Bank shall promptly notify the Parent (with a copy to the Agent) and the Revolving Facility Borrower of that proposed Letter of Credit (or the Parent) may (at its sole and absolute discretion), provide cash cover to an account with the Issuing Bank in an amount equal to that Lender's L/C Proportion of the amount of that proposed Letter of Credit.

7.5 Requirement for cash cover from Borrower

If:

- (a) a Non-Acceptable L/C Lender fails to provide cash collateral (or notifies the Issuing Bank and the Parent that it will not provide cash collateral) in accordance with Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover*) in respect of a Letter of Credit that has been issued;
- (b) the Issuing Bank notifies the Parent (with a copy to the Agent) that it requires the Revolving Facility Borrower of the relevant Letter of Credit to provide cash cover to an account with the Issuing Bank in an amount equal to that Lender's L/C Proportion of the outstanding amount of that Letter of Credit; and

- (c) that Revolving Facility Borrower has not already provided such cash cover which is continuing to stand as collateral, then that Revolving Facility Borrower (or the Parent) shall provide such cash cover within three Business Days of the notice referred to in paragraph (b) above.

7.6 Regulation and consequences of cash cover provided by Borrower

- (a) Any cash cover provided by a Revolving Facility Borrower pursuant to Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover*) or Clause 7.5 (*Requirement for cash cover from Borrower*) may be funded out of a Revolving Facility Loan.
- (b) Notwithstanding paragraph (e) of Clause 1.2 (*Construction*), the relevant Revolving Facility Borrower may request that an amount equal to the cash cover (together with any accrued interest) provided by it pursuant to Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover*) or Clause 7.5 (*Requirement for cash cover from Borrower*) be returned to it:
- (i) to the extent that such cash cover has not been applied in satisfaction of any amount due and payable under this Agreement by that Revolving Facility Borrower to the Issuing Bank in respect of a Letter of Credit;
 - (ii) if:
 - (A) the relevant Lender is not or ceases to be a Non-Acceptable L/C Lender;
 - (B) the relevant Lender's obligations in respect of the relevant Letter of Credit are transferred to a New Lender in accordance with the terms of this Agreement; or
 - (C) an Increase Lender has agreed to undertake the relevant Lender's obligations in respect of the relevant Letter of Credit in accordance with the terms of this Agreement; and
 - (iii) if no amount is due and payable by the relevant Lender in respect of the relevant Letter of Credit, and the Issuing Bank shall pay that amount to that Revolving Facility Borrower within five Business Days of that Revolving Facility Borrower's request.
- (c) To the extent that a Revolving Facility Borrower has provided cash cover pursuant to Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover*) or Clause 7.5 (*Requirement for cash cover from Borrower*), the relevant Lender's L/C Proportion in respect of that Letter of Credit will remain (but that Lender's obligations in relation to that Letter of Credit may be satisfied in accordance with paragraph (e)(ii) of Clause 1.2 (*Construction*)). However, the relevant Revolving Facility Borrower's obligation to pay any Letter of Credit fee in relation to the relevant Letter of Credit to the Agent (for the account of that Lender) in accordance with paragraph (b) of Clause 17.5 (*Fees payable in respect of Letters of Credit*) will be reduced proportionately as from the date on which it provides that cash cover (and for so long as the relevant amount of cash cover continues to stand as collateral).

- (d) The relevant Issuing Bank shall promptly notify the Agent of the extent to which a Revolving Facility Borrower provides cash cover pursuant to Clause 7.4 (*Cash collateral by Non-Acceptable L/C Lender and Borrower's option to provide cash cover*) or Clause 7.5 (*Requirement for cash cover from Borrower*) and of any change in the amount of cash cover so provided.

7.7 Rights of contribution

No Obligor will be entitled to any right of contribution or indemnity from any Finance Party in respect of any payment it may make under this Clause 7.

8. OPTIONAL CURRENCIES

8.1 Selection of currency

A Revolving Facility Borrower (or the Parent on its behalf) shall select the currency of a Revolving Facility Utilisation in a Utilisation Request.

8.2 Unavailability of a currency

If before the Specified Time on any Quotation Day:

- (a) a Lender notifies the Agent that an Optional Currency requested under paragraph (a)(ii) of Clause 4.3 *Conditions relating to Optional Currencies* is not readily available to it in the amount required; or
- (b) a Lender notifies the Agent that compliance with its obligation to participate in a Loan in an Optional Currency requested under paragraph (a)(ii) of Clause 4.3 (*Conditions relating to Optional Currencies*) would contravene a law or regulation applicable to it,

the Agent will give notice to the relevant Borrower (or the Parent on its behalf) to that effect by the Specified Time on that day. In this event, any Lender that gives notice pursuant to this Clause 8.2 will be required to participate in the Loan in the Base Currency (in an amount equal to that Lender's proportion of the Base Currency Amount, or in respect of a Rollover Loan, an amount equal to that Lender's proportion of the Base Currency Amount of the Rollover Loan that is due to be made) and its participation will be treated as a separate Loan denominated in the Base Currency during that Interest Period.

8.3 Agent's calculations

Each Lender's participation in a Loan will be determined in accordance with paragraph (b) of Clause 5.4 *Lenders' participation*).

9. ANCILLARY FACILITIES

9.1 Type of Facility

An Ancillary Facility may be by way of:

- (a) an overdraft, cheque clearing, automatic payment or other current account or similar facility;
- (b) a guarantee, bonding, documentary or stand-by letter of credit facility;
- (c) a short term loan facility;

- (d) a derivatives facility;
- (e) a foreign exchange facility; or
- (f) any other facility or accommodation required or desirable in connection with the business of the Group and which is agreed by the Parent and the relevant Ancillary Lender.

9.2 **Availability**

- (a) If the Parent and a Lender (or Lenders) agree and except as otherwise provided in this Agreement, the Lender (or one or more Lenders) may provide all or part of its Commitment under a Revolving Facility as an Ancillary Facility on either a fronted or bilateral basis.
- (b) An Ancillary Facility shall not be made available unless, not later than three Business Days prior to the Ancillary Commencement Date for an Ancillary Facility (or such later date as may be agreed by the relevant Ancillary Lender), the Agent has received from the Parent:
 - (i) a notice in writing of the establishment of an Ancillary Facility and specifying:
 - (A) the Revolving Facility to which it relates;
 - (B) the proposed Revolving Facility Borrower(s) (or, subject to Clause 9.10 (*Affiliates of Borrowers*), Affiliates of Revolving Facility Borrowers) which may use the Ancillary Facility;
 - (C) the proposed Ancillary Commencement Date and expiry date of the Ancillary Facility;
 - (D) the proposed type of Ancillary Facility to be provided;
 - (E) the proposed Ancillary Lender(s);
 - (F) the proposed Ancillary Commitment, the maximum amount of the Ancillary Facility and, in the case of a Multi-account Overdraft, its Designated Gross Amount and its Designated Net Amount; and
 - (G) the proposed currency of the Ancillary Facility (if not denominated in the Base Currency); and
 - (ii) any other information which the Agent may reasonably request in connection with the Ancillary Facility.
- (c) The Agent shall promptly notify the Ancillary Lender and the other Lenders of the establishment of an Ancillary Facility.
- (d) Subject to compliance with paragraph (b) above:
 - (i) the Lender(s) concerned will become an Ancillary Lender; and
 - (ii) the Ancillary Facility will be available,
with effect from the date agreed by the Parent and the Ancillary Lender.

9.3 **Terms of Ancillary Facilities**

- (a) Except as provided below, the terms of any Ancillary Facility will be those agreed by the Ancillary Lender and the Parent.
- (b) Those terms:
 - (i) to the extent relating to the rate of interest, fees and other remuneration in respect of that Ancillary Facility, must be based upon normal commercial terms at that time (except as varied by this Agreement);
 - (ii) may allow only Revolving Facility Borrowers (or subject to Clause 9.10 (*Affiliates of Borrowers*) Affiliates of Revolving Facility Borrowers) to use the Ancillary Facility;
 - (iii) may not allow the Ancillary Outstandings to exceed the Ancillary Commitment;
 - (iv) may not allow a Lender's Ancillary Commitment to exceed that Lender's Available Commitment relating to the relevant Revolving Facility (before taking into account the effect of the Ancillary Facility on that Available Commitment); and
 - (v) must require that the Ancillary Commitment is reduced to zero, and that all Ancillary Outstandings are repaid not later than the Termination Date applicable to the relevant Revolving Facility (or such earlier date as the applicable Revolving Facility Commitment of the relevant Ancillary Lender (or its Affiliate) is reduced to zero).
- (c) If there is any inconsistency between any term of an Ancillary Facility and any term of this Agreement, this Agreement shall prevail except for:
 - (i) Clause 36.3 (*Day count convention*) which shall not prevail for the purposes of calculating fees, interest or commission relating to an Ancillary Facility;
 - (ii) an Ancillary Facility comprising more than one account where the terms of the Ancillary Documents shall prevail to the extent required to permit the netting of balances on those accounts; and
 - (iii) where the relevant term of this Agreement would be contrary to, or inconsistent with, the law governing the relevant Ancillary Document, in which case that term of this Agreement shall not prevail.
- (d) Interest, commission and fees on Ancillary Facilities are dealt with in Clause 17.3 (*Interest, commission and fees on Ancillary Facilities*).

9.4 **Repayment of Ancillary Facility**

- (a) An Ancillary Facility shall cease to be available on the Termination Date in relation to the applicable Revolving Facility or such earlier date on which its expiry date occurs or on which it is cancelled in accordance with the terms of this Agreement unless otherwise agreed in writing with the relevant Ancillary Lender pursuant to Clause 9.14 (*Continuation of Ancillary Facilities*).
- (b) If an Ancillary Facility expires in accordance with its terms the Ancillary Commitment of the Ancillary Lender shall be reduced to zero.

-
- (c) No Ancillary Lender may demand repayment or prepayment of any Ancillary Outstandings or demand cash cover for any liabilities made available or incurred by it under its Ancillary Facility prior to the expiry date of the relevant Ancillary Facility unless:
- (i) all Revolving Facility Commitments in respect of the relevant Revolving Facility have been cancelled in full, or all outstanding Utilisations under the relevant Revolving Facility have become due and payable in accordance with the terms of this Agreement;
 - (ii) it becomes unlawful in any applicable jurisdiction for the Ancillary Lender to perform any of its obligations as contemplated by this Agreement or to fund, issue or maintain its participation in its Ancillary Facility (or it becomes unlawful for any Affiliate of the Ancillary Lender which is an Ancillary Lender under Clause 9.9 (*Affiliates of Lenders as Ancillary Lenders*) to do so);
 - (iii) where required to bring any Gross Outstandings down to the net limit;
 - (iv) both:
 - (A) the Available Commitments relating to the relevant Revolving Facility; and
 - (B) the notice of the demand given by the Ancillary Lender,would not prevent the relevant Revolving Facility Borrower funding the repayment of those Ancillary Outstandings in full by way of Revolving Facility Utilisations under the relevant Revolving Facility and the Ancillary Lender gives sufficient notice to enable a Revolving Facility Utilisation to be made to refinance those Ancillary Outstandings; or
 - (v) as agreed by the Parent in writing.
- (d) If a Revolving Facility Utilisation is made to repay Ancillary Outstandings in full, the relevant Ancillary Commitment shall be reduced to zero.
- (e) For the purposes of determining whether or not the Ancillary Outstandings under an Ancillary Facility mentioned in paragraph (c)(iv) above can be refinanced by a Utilisation of the relevant Revolving Facility:
- (i) the Revolving Facility Commitment of the Ancillary Lender under that Revolving Facility will be increased by the amount of its Ancillary Commitment; and
 - (ii) the Utilisation may (so long as paragraph (c)(i) does not apply) be made irrespective of whether a Default is outstanding or any applicable condition precedent is not satisfied (but only to the extent that the proceeds are applied in refinancing those Ancillary Outstandings and irrespective of whether Clause 4.2 (*Further conditions precedent*) or paragraph (a)(iv) of Clause 5.2 (*Completion of a Utilisation Request for Loans*) applies.

- (f) On the making of a Utilisation of a Revolving Facility to refinance all or part of any Ancillary Outstandings:
 - (i) each Lender will participate in that Utilisation in an amount (as determined by the Agent) which will result as nearly as possible in the aggregate amount of its participation in the Revolving Facility Utilisations then outstanding bearing the same proportion to the aggregate amount of the Revolving Facility Utilisations then outstanding as its Revolving Facility Commitment bears to the Total Revolving Facility Commitments, in each case, under that Revolving Facility; and
 - (ii) the relevant Ancillary Facility shall be cancelled to the extent of such refinancing.
- (g) In relation to an Ancillary Facility which comprises an overdraft facility where a Designated Net Amount has been established, the Ancillary Lender providing that Ancillary Facility shall only be obliged to take into account for the purposes of calculating compliance with the Designated Net Amount the Available Credit Balance which it is permitted to take into account by the then current law and regulations in relation to its reporting of exposures to the applicable regulatory authorities as netted for capital adequacy purposes.

9.5 Limitation on Ancillary Outstandings

The Parent shall procure that:

- (a) the Ancillary Outstandings under any Ancillary Facility shall not exceed the Ancillary Commitment applicable to that Ancillary Facility; and
- (b) in relation to a Multi-account Overdraft:
 - (i) the Ancillary Outstandings shall not exceed the Designated Net Amount applicable to that Multi-account Overdraft; and
 - (ii) the Gross Outstandings shall not exceed the Designated Gross Amount applicable to that Multi-account Overdraft.

9.6 Voluntary cancellation of Ancillary Facilities

Unless otherwise agreed with the relevant Ancillary Lender, the Parent may, if it gives the Agent and the relevant Ancillary Lender not less than five Business Days' notice, cancel the whole or any part of the Ancillary Commitment under an Ancillary Facility.

9.7 Adjustment for Ancillary Facilities upon acceleration

- (a) In this Clause 9.7:
 - (i) Revolving Outstandings means, in relation to a Lender and a Revolving Credit Facility the aggregate of the equivalent in the Base Currency of:
 - (A) its participation in each Revolving Facility Utilisation then outstanding under that Revolving Facility (together with the aggregate amount of all accrued interest, fees and commission owed to it as a Lender under that Revolving Facility); and

- (B) if the Lender is also an Ancillary Lender, the Ancillary Outstandings in respect of Ancillary Facilities provided by that Ancillary Lender (or by its Affiliate) under that Revolving Facility (together with the aggregate amount of all accrued interest, fees and commission owed to it (or to its Affiliate) as an Ancillary Lender in respect of the Ancillary Facility); and
- (ii) Total Revolving Outstandings means the aggregate of all Revolving Outstandings.
- (b) If a Declared Default occurs, each Lender and each Ancillary Lender shall (subject to paragraph (g) below) promptly adjust (by making or receiving (as the case may be) corresponding transfers of rights and obligations under the Finance Documents relating to Revolving Outstandings) their claims in respect of amounts outstanding to them under each Revolving Facility and each Ancillary Facility to the extent necessary to ensure that after such transfers the Revolving Outstandings of each Lender bear the same proportion to the Total Revolving Outstandings as such Lender's Revolving Facility Commitment bears to the Total Revolving Facility Commitments each as at the date the notice is served under Clause 27.16 (*Acceleration*).
- (c) If an amount outstanding under an Ancillary Facility is a contingent liability and that contingent liability becomes an actual liability or is reduced to zero after the original adjustment is made under paragraph (b) above, then each Lender and Ancillary Lender will make a further adjustment (by making or receiving (as the case may be) corresponding transfers of rights and obligations under the Finance Documents relating to Revolving Outstandings to the extent necessary) to put themselves in the position they would have been in had the original adjustment been determined by reference to the actual liability or, as the case may be, zero liability and not the contingent liability.
- (d) Any transfer of rights and obligations relating to Revolving Outstandings made pursuant to this Clause 9.7 shall be made for a purchase price in cash, payable at the time of transfer, in an amount equal to those Revolving Outstandings (less any accrued interest, fees and commission to which the transferor will remain entitled to receive notwithstanding that transfer, pursuant to Clause 28.11 (*Pro rata interest settlement*)).
- (e) Prior to the application of the provisions of paragraph (b) above, an Ancillary Lender that has provided a Multi-account Overdraft shall set-off any Available Credit Balance on any account comprised in that Multi-account Overdraft.
- (f) All calculations to be made pursuant to this Clause 9.7 shall be made by the Agent based upon information provided to it by the Lenders and Ancillary Lenders and the Agent's Spot Rate of Exchange.
- (g) This Clause 9.7 shall not oblige any Lender to accept the transfer of a claim relating to an amount outstanding under an Ancillary Facility which is not denominated (pursuant to the relevant Finance Document) in either the Base Currency, a currency which has been an Optional Currency for the purpose of any Revolving Facility Utilisation or in another currency which is acceptable to that Lender.

9.8 **Information**

The Parent and each Ancillary Lender shall, promptly upon request by the Agent, supply the Agent with any information relating to the operation of an Ancillary Facility (including the Ancillary Outstandings) as the Agent may reasonably request from time to time. Each Borrower consents to all such information being released to the Agent and the other Finance Parties.

9.9 **Affiliates of Lenders as Ancillary Lenders**

- (a) Subject to the terms of this Agreement, an Affiliate of a Lender under a Revolving Facility may become an Ancillary Lender. In such case, the relevant Lender or its Affiliate shall be treated for all purposes of this Agreement other than under Clause 18 (*Taxes*) as a single Lender whose Revolving Facility Commitment in respect of that Revolving Facility is the amount of the relevant Lender's Revolving Facility Commitment under the relevant Revolving Facility or, as the case may be, as set out in the relevant Incremental Facility Increase Notice and/or the amount of any Revolving Facility Commitment in respect of that Revolving Facility transferred to or assumed by that Lender under this Agreement, to the extent (in each case) not cancelled, reduced or transferred by it under this Agreement. For the purposes of Clause 18 (*Taxes*), the Affiliate shall be treated as a Lender in its own right which becomes a party to this Agreement on the date that it becomes an Ancillary Lender under the relevant Ancillary Facility.
- (b) The Parent shall specify any relevant Affiliate of a Revolving Facility Lender in any notice delivered by the Parent to the Agent pursuant to paragraph (b)(i) of Clause 9.2 (*Availability*).
- (c) An Affiliate of a Revolving Facility Lender which becomes an Ancillary Lender shall accede to the Intercreditor Agreement as a Senior Lender and any person which so accedes to the Intercreditor Agreement shall, at the same time, become a Party as an Ancillary Lender in accordance with Clause 19.7 (*Creditor/Agent Accession Undertaking*) of the Intercreditor Agreement.
- (d) If a Revolving Facility Lender assigns all of its rights and benefits or transfers all of its rights and obligations to a New Lender, its Affiliate shall cease to have any obligations under this Agreement or any Ancillary Document.
- (e) Where this Agreement or any other Finance Document imposes an obligation on an Ancillary Lender and the relevant Ancillary Lender is an Affiliate of a Revolving Facility Lender which is not a party to that document, the relevant Revolving Facility Lender shall ensure that the obligation is performed by its Affiliate.

9.10 **Affiliates of Borrowers**

- (a) Subject to the terms of this Agreement, an Affiliate of a Revolving Facility Borrower may with the approval of the relevant Ancillary Lender become a borrower with respect to an Ancillary Facility.
- (b) The Parent shall specify any relevant Affiliate of a Revolving Facility Borrower in any notice delivered by the Parent to the Agent pursuant to paragraph (b) of Clause 9.2 (*Availability*).
- (c) If a Borrower ceases to be a Revolving Facility Borrower under this Agreement in accordance with Clause 29.3 (*Resignation of a Borrower*), its Affiliate shall cease to have any rights under this Agreement or any Ancillary Document.
- (d) Where this Agreement or any other Finance Document imposes an obligation on a Revolving Facility Borrower under an Ancillary Facility and the relevant Revolving Facility Borrower is an Affiliate of a Revolving Facility Borrower which is not a party to that document, the relevant Revolving Facility Borrower shall ensure that the obligation is performed by its Affiliate.

- (e) Any reference in this Agreement or any other Finance Document to a Borrower being under no obligations (whether actual or contingent) as a Borrower under such Finance Document shall be construed to include a reference to any Affiliate of a Borrower being under no obligations under any Finance Document or Ancillary Document.

9.11 Revolving Facility Commitment amounts

Notwithstanding any other term of this Agreement, each Lender shall ensure that at all times its Revolving Facility Commitment in respect of that Revolving Facility is not less than:

- (a) its Ancillary Commitment; or
- (b) the Ancillary Commitment of its Affiliate,

in each case in respect of its Revolving Facility Commitment in respect of that Revolving Facility.

9.12 Amendments and Waivers – Ancillary Facilities

No amendment or waiver of a term of any Ancillary Facility shall require the consent of any Finance Party other than the relevant Ancillary Lender unless such amendment or waiver itself relates to or gives rise to a matter which would require an amendment of or under this Agreement (including, for the avoidance of doubt, under this Clause 9). In such a case, Clause 39 (*Amendments and Waivers*) will apply.

9.13 Adjustments required in relation to Ancillary Facilities

The Agent may, by notice in writing to the Revolving Facility Lenders, reallocate drawn and undrawn Revolving Facility Commitments at the end of an Interest Period among Revolving Facility Lenders as may be necessary to ensure that any Revolving Facility Lender that intends to enter into an Ancillary Facility has an undrawn Revolving Facility Commitment sufficient to allow it to enter into such Ancillary Facility, in each case, under the relevant Revolving Facility, provided that for the avoidance of doubt no such reallocation may increase any Revolving Facility Lender's Revolving Facility Commitment.

9.14 Continuation of Ancillary Facilities

- (a) A Revolving Facility Borrower and an Ancillary Lender may, as between themselves only, agree to continue to provide the same Ancillary Facilities following the Termination Date applicable to the relevant Facility or, as the case may be, the date the relevant Commitments are otherwise cancelled under this Agreement (the "**Cancellation Date**").
- (b) If any arrangement contemplated in paragraph (a) above is to occur, each relevant Revolving Facility Borrower and the Ancillary Lender shall each confirm that to be the case in writing to the Agent. Upon such Termination Date or, as the case may be, Cancellation Date, any such Ancillary Facility shall continue as between the said entities on a bilateral basis and not as part of, or under, the Finance Documents. Save for any rights and obligations against any Finance Party under such Ancillary Facility arising prior to such Termination Date or, as the case may be, Cancellation Date, no such rights or obligations in respect of such Ancillary Facility shall, as between the Finance Parties, continue and the Transaction Security shall not secure any such Ancillary Facility after such Termination Date or, as the case may be, Cancellation Date.

10. REPAYMENT

10.1 Repayment of Term Loans

- (a) The TLB Borrowers under Facility B1 shall repay:
 - (i) on each Quarter Date (commencing with the last day of the first full fiscal quarter ending after the Initial Closing Date) an aggregate principal amount equal to 0.25% of the aggregate principal amount of Facility B1 Loans outstanding on the Final Closing Date; and
 - (ii) the outstanding aggregate Facility B1 Loans in full on the Termination Date in respect of Facility B1.
- (b) The TLB Borrowers under Facility B2 shall repay the outstanding aggregate Facility B2 Loans in full on the Termination Date in respect of Facility B2.
- (c) The Incremental Facility Borrowers under each Incremental Term Facility shall repay each Incremental Term Facility Loan borrowed by it under that Incremental Term Facility in the amounts and on the dates agreed between the Borrower and the relevant Lenders thereof in accordance with Clause 2.3 (*Incremental Facility*).
- (d) The Borrowers may not reborrow any part of a Term Facility which is repaid.

10.2 Repayment of Revolving Facility Loans

- (a) Subject to paragraph (c) below and to the terms of any relevant Incremental Facility Increase Notice, each Revolving Facility Borrower which has drawn a Revolving Facility Loan shall repay that Revolving Facility Loan on the last day of its Interest Period.
- (b) Without prejudice to each Revolving Facility Borrower's obligation under paragraph (a) above, if one or more Revolving Facility Loans under the same Revolving Facility are to be made available to a Revolving Facility Borrower:
 - (i) on the same day that a maturing Revolving Facility Loan under that Revolving Facility is due to be repaid by that Revolving Facility Borrower;
 - (ii) in the same currency as the maturing Revolving Facility Loan, (unless it arose as a result of the operation of Clause 8.2 (*Unavailability of a currency*)); and
 - (iii) in whole or in part for the purpose of refinancing the maturing Revolving Facility Loan,

the aggregate amount of the new Revolving Facility Loans shall be treated as if applied in or towards repayment of the maturing Revolving Facility Loan so that:

- (A) if the amount of the maturing Revolving Facility Loan exceeds the aggregate amount of the new Revolving Facility Loans:
 - (I) the relevant Revolving Facility Borrower will only be required to make a payment under Clause 33.1 (*Payments to the Agent*) in an amount in the relevant currency equal to that excess; and

-
- (II) each Lender's participation in the new Revolving Facility Loans shall be treated as having been made available and applied by the Revolving Facility Borrower in or towards repayment of that Lender's participation in the maturing Revolving Facility Loan and that Lender will not be required to make a payment under Clause 33.1 (*Payments to the Agent*) in respect of its participation in the new Revolving Facility Loans; and
 - (B) if the amount of the maturing Revolving Facility Loan is equal to or less than the aggregate amount of the new Revolving Facility Loans:
 - (I) the relevant Revolving Facility Borrower will not be required to make a payment under Clause 33.1 (*Payments to the Agent*); and
 - (II) each Lender will be required to make a payment under Clause 33.1 (*Payments to the Agent*) in respect of its participation in the new Revolving Facility Loans only to the extent that its participation in the new Revolving Facility Loans exceeds that Lender's participation in the maturing Revolving Facility Loan and the remainder of that Lender's participation in the new Revolving Facility Loans shall be treated as having been made available and applied by the Revolving Facility Borrower in or towards repayment of that Lender's participation in the maturing Revolving Facility Loan.
 - (c) At any time when a Lender becomes a Defaulting Lender, the maturity date of each of the participations of that Lender in the Revolving Facility Loans, then outstanding will be automatically extended to the Termination Date in relation to the relevant Revolving Facility and will be treated as separate Revolving Facility Loans (the "**Separate Loans**") denominated in the currency in which the relevant participations are outstanding.
 - (d) A Revolving Facility Borrower to whom a Separate Loan is outstanding may prepay that Loan by giving three Business Days' prior notice to the Agent. The Agent will forward a copy of a prepayment notice received in accordance with this paragraph (d) to the Defaulting Lender concerned as soon as practicable on receipt.
 - (e) Interest in respect of a Separate Loan will accrue for successive Interest Periods selected by the Revolving Facility Borrower (or the Parent on its behalf) by the time and date specified by the Agent (acting reasonably) and will be payable by that Revolving Facility Borrower to the Agent (for the account of that Defaulting Lender) on the last day of each Interest Period of that Loan.
 - (f) The terms of this Agreement relating to Revolving Facility Loans generally shall continue to apply to Separate Loans other than to the extent inconsistent with paragraphs (c) to (e) above, in which case those paragraphs shall prevail in respect of any Separate Loan.

11. ILLEGALITY, VOLUNTARY PREPAYMENT AND CANCELLATION

11.1 Illegality

If after the date of this Agreement (or, if later, the date the relevant Lender became a Party) it becomes unlawful in any applicable jurisdiction for a Lender to perform any of its obligations as contemplated by this Agreement or to fund, issue or maintain its participation in any Utilisation:

- (a) that Lender shall promptly notify the Agent upon becoming aware of that event;
- (b) upon the Agent notifying the Parent, each Available Commitment of that Lender will be immediately cancelled to the extent necessary to comply with applicable laws or, at the Parent's request, the Lender's Commitment shall be transferred to another person pursuant to Clause 39.7 (*Replacement of Lender*); and
- (c) to the extent that the Lender's participation has not been transferred pursuant to Clause 39.7 (*Replacement of Lender*), each Borrower shall, to the extent of that unlawfulness, repay that Lender's participation in the Utilisations made to that Borrower on the last day of the Interest Period for each Utilisation occurring after the Agent has notified the Parent or, if earlier, the date specified by the Lender in the notice delivered to the Agent (being no earlier than the last day of any applicable grace period permitted by law) and that Lender's corresponding Commitment(s) shall be cancelled in the amount of the participations repaid.

11.2 Illegality in relation to Issuing Bank

If after the date of this Agreement (or, if later, the date on which the relevant Letter of Credit is issued) it becomes unlawful for an Issuing Bank to issue or leave outstanding any Letter of Credit:

- (a) that Issuing Bank shall promptly notify the Agent upon becoming aware of that event;
- (b) upon the Agent notifying the Parent, the Issuing Bank shall not be obliged to issue any Letter of Credit;
- (c) to the extent it would be unlawful for any such Letter of Credit to remain outstanding, the relevant Borrower shall use all reasonable endeavours to procure the release of each Letter of Credit issued by that Issuing Bank and outstanding at such time; and
- (d) unless any other Lender is or has become an Issuing Bank pursuant to the terms of this Agreement, each Revolving Facility shall cease to be available for the issue of Letters of Credit.

11.3 Voluntary cancellation

- (a) In respect of any Term Facility (other than an Incremental Term Facility), the Parent or a TLB Borrower may, if it gives the Agent not less than three Business Days' (or such shorter period as the Majority Facility B Lenders may agree) prior notice, cancel the whole or any part (but, if in part, being an amount that reduces the Base Currency equivalent of the Available Facility in respect of the relevant Term Facility by a minimum amount of \$500,000 (or €500,000 in the case of Facility B2) (or, in each case, its equivalent in other currencies)).
- (b) In respect of any Incremental Term Facility, the Parent or an Incremental Facility Borrower may, if it gives the Agent not less than three Business Days' (or such shorter period as the Majority Incremental Term Facility Lenders may agree) prior notice, cancel the whole or any part (but, if in part, being an amount that reduces the Base Currency equivalent of the Available Facility in respect of the relevant Incremental Term Facility by a minimum amount of \$500,000 (or its equivalent in other currencies)).

- (c) In respect of any Revolving Facility, the Parent or a Revolving Facility Borrower may, if it gives the Agent not less than one Business Day's (or such shorter period as the Majority Revolving Facility Lenders may agree) prior notice, cancel the whole or any part (but, if in part, being an amount that reduces the Base Currency equivalent of the Available Facility in respect of the relevant Revolving Facility by a minimum amount of \$500,000 (or its equivalent in other currencies)).
- (d) Any cancellation under this Clause 11.3 shall reduce the Commitments of the Lenders rateably under the relevant Facility.

11.4 Voluntary prepayment of Facility B

- (a) A TLB Borrower to which a Facility B Loan has been made may, if it or the Parent gives the Agent not less than three Business Days' (or such shorter period as the Majority Facility B Lenders may agree) prior notice, prepay the whole or any part of that Facility B Loan (but, if in part, being an amount that reduces the Base Currency equivalent of the relevant Facility B Loan by a minimum amount of \$500,000 (or €500,000 in the case of Facility B2)).
- (b) A Facility B Loan may only be prepaid after the last day of the Availability Period for Facility B (or, if earlier, the day on which the applicable Available Facility is zero).

11.5 Voluntary prepayment of Revolving Facility Loans

A Revolving Facility Borrower to which a Revolving Facility Loan has been made may, if it or the Parent gives the Agent not less than one Business Day's (or such shorter period as the Majority Lenders under the Revolving Facility may agree) prior notice, prepay the whole or any part of a Revolving Facility Loan (but if in part, being an amount that reduces the Base Currency equivalent of that Revolving Facility Loan by a minimum amount of \$500,000).

11.6 Voluntary prepayment of Incremental Facility Term Loans

- (a) Unless otherwise provided in the terms of the relevant Incremental Term Facility, an Incremental Facility Borrower to which an Incremental Facility Term Loan has been made may, if it or the Parent gives the Agent not less than three Business Days' (or such shorter period as the Majority Incremental Term Facility Lenders may agree) prior notice, prepay the whole or any part of that Incremental Facility Term Loan (but, if in part, being an amount that reduces the Base Currency equivalent of the relevant Incremental Facility Term Loan by a minimum amount of \$500,000).
- (b) An Incremental Term Facility Loan may only be prepaid after the last day of the Availability Period for that Incremental Facility (or, if earlier, the day on which the applicable Available Facility is zero).

11.7 Voluntary prepayment at discretion of Parent

Subject to Clause 13.9 (*Application of prepayments*), the Parent or a Borrower may, in its sole and absolute discretion, apply any voluntary prepayment permitted under this Agreement to any Facility or Facilities and in such proportions as the Parent or such Borrower may elect.

11.8 Right of cancellation and repayment in relation to a single Lender or Issuing Bank

- (a) If:
- (i) any sum payable to any Lender by an Obligor is required to be increased under Clause 18.3 (*tax gross-up*) or under an equivalent provision of any Finance Document;
 - (ii) any Lender or Issuing Bank claims indemnification or payment from the Parent or an Obligor under Clause 18.4 (*tax indemnity*) or Clause 19.1 (*Increased Costs*) (whether or not entitled to do so in accordance with those provisions); or
 - (iii) any Lender becomes a Non-Consenting Lender,
- the Parent may, whilst the circumstance giving rise to a Lender being a Non-Consenting Lender or the requirement for that increase or indemnification continues, give the Agent notice:
- (A) (if such circumstances relate to a Lender) of cancellation of the Commitment of that Lender and its intention to procure the repayment of that Lender's participation in the Utilisations; or
 - (B) (if such circumstances relate to the Issuing Bank) of repayment of any outstanding Letter of Credit issued by it and cancellation of its appointment as Issuing Bank under this Agreement in relation to any Letters of Credit to be issued in the future.
- (b) On receipt of a notice referred to in paragraph (a) above in relation to a Lender, the Commitment of that Lender shall immediately be reduced to zero.
- (c) On the last day of each Interest Period which ends after the Parent has given notice under paragraph (a) above in relation to a Lender (or, if earlier, the date specified by the Parent in that notice), each Borrower to which a Utilisation is outstanding shall repay that Lender's participation in that Utilisation together with all interest and other amounts accrued under the Finance Documents.

11.9 Right of cancellation in relation to a Defaulting Lender

- (a) If any Lender becomes a Defaulting Lender, the Parent may, at any time whilst the Lender continues to be a Defaulting Lender, give the Agent three Business Days' notice of cancellation of each Available Commitment of that Lender.
- (b) On the notice referred to in paragraph (a) above becoming effective, each Available Commitment of the Defaulting Lender shall immediately be reduced to zero.
- (c) The Agent shall as soon as practicable after receipt of a notice referred to in paragraph (a) above, notify all the Lenders.

12. MANDATORY PREPAYMENT

12.1 Change of Control

If a Change of Control or a Sale occurs:

- (a) the Parent will promptly notify the Agent upon becoming aware of that event;

- (b) unless the Majority Lenders agree otherwise, the Facilities will immediately be cancelled, no further Utilisation may be requested under this Agreement, a Lender shall not be obliged to fund a Utilisation and an Ancillary Lender shall not be obliged to fund a utilisation of an Ancillary Facility; and
- (c) unless the Majority Lenders agree otherwise, all outstanding Utilisations and Ancillary Outstandings, together with accrued interest, and all other amounts accrued under the Finance Documents, shall (or in the case of a Change of Control which results from a Listing, on the settlement date in respect of that Listing) become due and payable immediately and full cash cover in respect of each contingent liability under an Ancillary Facility shall become due and payable immediately (or in the case of a Change of Control which results from a Listing, on the settlement date in respect of that Listing).

12.2 **Net Cash Proceeds of Dispositions**

- (a) Subject to the Intercreditor Agreement and paragraphs (b), (c) and (d) below, if at any time after the Final Closing Date any member of the Group disposes of any property or assets as permitted or as not prohibited by Schedule 12 (*General Undertakings*) (other than pursuant to the PMSL Disposal, an Excluded Disposition or a Factoring Disposition) which results in the receipt by any member of the Group of Net Cash Proceeds, the Parent shall ensure that an amount equal to 100% of such Net Cash Proceeds are applied in prepayment of the Facilities in accordance with Clause 12.4 (*Application of prepayments*) on or before the date which is 15 Business Days after the date of receipt of such Net Cash Proceeds.

<u>First Lien Net Leverage Ratio</u>	<u>Percentage of Net Cash Proceeds of Dispositions</u>
Greater than 4.80:1	100%
Equal to or less than 4.80:1 but greater than 4.30:1	50%
Equal to or less than 4.30:1	0%

- (b) Notwithstanding the terms of paragraph (a) above, if at a time when any prepayment pursuant to paragraph (a) above would be required, any member of the Group is required to prepay or to offer to repurchase, prepay or redeem any Indebtedness permitted to be incurred by a member of the Group under this Agreement secured on a *pari passu* basis with the Facilities (or any Permitted Refinancing thereof that is secured on a *pari passu* basis with the Facilities) pursuant to the terms of the documentation governing such Indebtedness with the Net Cash Proceeds of such Disposition (such Indebtedness or Permitted Refinancing thereof required to be offered to be so repurchased, prepaid or redeemed, the “**Other Applicable Indebtedness**”), then the relevant member of the Group may apply such Net Cash Proceeds on a *pro rata* basis (determined on the basis of the aggregate outstanding principal amount of the Facilities and Other Applicable Indebtedness at such time) to the prepayment of Facilities and to the repurchase, prepayment or redemption of Other Applicable Indebtedness, and the amount of prepayment of the Facilities that would otherwise have been required pursuant to this Clause shall be reduced accordingly. For the avoidance of doubt, the portion of such Net Cash Proceeds applied in repurchase, prepayment or redemption of the Other Applicable Indebtedness shall not exceed the amount of such Net Cash Proceeds required to be applied in repurchasing or prepaying the Facilities pursuant to the terms hereof.
- (c) Notwithstanding the terms of paragraph (a) above, with respect to any Net Cash Proceeds realised or received with respect to any Disposition (other than the PMSL Disposal, any Excluded Disposition or Factoring Disposition), at the option of the

Parent (in its sole and absolute discretion), the Group may reinvest all or any portion of such Net Cash Proceeds in assets useful for the business of the Group (including, without limitation, any Investment permitted by this Agreement) or in the replacement, reinstatement and/or repair of the relevant assets or the purchase of replacement assets:

- (i) within 18 months following receipt of such Net Cash Proceeds; or
- (ii) if the relevant member of the Group contractually commits to reinvest such Net Cash Proceeds within 18 months following receipt thereof, within 24 months of the date on which such proceeds are contractually committed to be reinvested,

and such amounts shall not be required to be applied in the prepayment of the Facilities, provided that if any Net Cash Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election or are not so reinvested within the time periods set out above, an amount equal to any such Net Cash Proceeds shall be applied within five Business Days after the relevant member of the Group reasonably determines that such Net Cash Proceeds are no longer intended to be or cannot be so reinvested in prepayment of the Facilities as described above.

- (d) The Parent may elect that any prepayment under this Clause 12.2 shall be applied in prepayment of a Loan on the last day of the Interest Period relating to that Loan provided that:
 - (i) if the Parent makes such an election then a proportion of the Loan equal to the amount of the relevant prepayment shall be due and payable on the last day of its next Interest Period; and
 - (ii) no such election may be made at any time while an Event of Default under any of Clause 27.1 (*Payment default*) or Clauses 27.7 (*Insolvency*) to 27.10 (*Similar events elsewhere*) (inclusive) has occurred and is continuing, and if the Parent has so made an election under this paragraph (d) but such Event of Default has occurred and is continuing, that election shall no longer apply and a proportion of the Loan in respect of which the election was made equal to the amount of the relevant prepayment shall be immediately due and payable (if the Majority Lenders so require in writing).
- (e) If, on applying the Net Cash Proceeds in prepayment of the Facilities under this paragraph on any date, the First Lien Net Leverage Ratio as demonstrated in the then most recent Compliance Certificate received by the Agent (after taking into account such prepayment) falls into a lower threshold in the table above, then the relevant percentage shall be reduced accordingly for any further prepayments to be made under this Clause 12.2 on that date.
- (f) If, with respect to Net Cash Proceeds generated by an entity that is not organized in the United States but is a Subsidiary of an entity that is organized in the United States, the distribution (or deemed distribution) of such Net Cash Proceeds that would occur in connection with any prepayment of the Facilities hereunder would result in material adverse Tax consequences, then such Net Cash Proceeds shall not be required to be prepaid hereunder and shall be permitted to be retained by the applicable entity.
- (g) For the avoidance of doubt there is no requirement for any member of the Group to prepay the Facilities with the proceeds of any Listing (other than upon a Change of Control), any Casualty Event, any Factoring Disposition or any claim in relation to the Acquisition Documents and/or Reports.

12.3 Excess Cash Flow

- (a) The Parent will ensure that as soon as reasonably practicable, and in any event within 14 days of the delivery of the Annual Financial Statements and Compliance Certificate for the relevant Financial Year (commencing with the first full Financial Year ending after the Final Closing Date), an amount equal to: (x) the applicable percentage of the Excess Cash Flow for such Financial Year, *minus* (y) each of the following:
- (i) the sum of (A) all voluntary prepayments, repurchases or redemptions of the Facilities or any other Indebtedness permitted to be incurred by a member of the Group under this Agreement secured on a *pari passu* basis with the Facilities (or any Permitted Refinancing thereof that is secured on a *pari passu* basis with the Facilities) (and, in the case of any revolving credit facility, to the extent such prepayment, repurchase or redemption is accompanied by a permanent reduction of the corresponding commitment) which is prepaid, repurchased or redeemed on a pro rata basis or less than pro rata basis with Facility B (but, in each case, excluding prepayments, repurchases or redemptions to the extent funded with the proceeds of long-term funded indebtedness (other than revolving loans)), made during such Financial Year or after the end of the relevant Financial Year but prior to the time prepayment is due under this Clause 12.3 (including, in the case of Debt Purchase Transactions, the actual purchase price paid in cash pursuant to such Debt Purchase Transaction) (each, a “**Voluntary Debt Reduction**”), *plus* (B) any amounts in respect of a Voluntary Debt Reduction carried forward from any prior Financial Year in accordance with paragraph (g) below;
 - (ii) the aggregate consideration required to be paid in cash by the Parent or any of the Restricted Subsidiaries pursuant to binding contracts entered into prior to or during the relevant Financial Year, or intended to be paid in cash by the Parent or any of the Restricted Subsidiaries, in each case in respect of Investments, acquisitions, Capital Expenditures or acquisitions of intellectual property, in each case, permitted under this Agreement, to be consummated or made during the period of four consecutive Financial Quarters following the end of such Financial Year (together, the “**Committed Investment Amount**”); *provided that*:
 - (A) at the option of the Parent (in its sole and absolute discretion):
 - (I) the Committed Investment Amount shall also include any amount committed to be paid pursuant to a binding contract in any subsequent period so long as to the extent such amount is not actually paid as committed in such subsequent period, such amount shall be added back in calculating Excess Cash Flow for such subsequent period; and
 - (II) the amount shall also include any payment made after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 12.3 is due so long as such amount will not be deducted in subsequent periods; and
 - (B) to the extent the aggregate amount of internally generated cash flow actually utilised to finance such Investments, acquisitions, Capital

- Expenditures or acquisitions of intellectual property during such period of four consecutive Financial Quarters or such subsequent period is less than the Committed Investment Amount, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such period of four consecutive Financial Quarters; and
- (iii) the amount of Restricted Payments paid in cash during the relevant Financial Year pursuant to Clauses 7(c), 7(f), 7(g), 7(h), 7(i), 7(j), 7(k) and 7(o) of Schedule 12 (*General Undertakings*) (each, a “**Specified Restricted Payment**”) in each case to the extent such Specified Restricted Payments were financed with internally generated cash flow or borrowings under any revolving credit facility (the “**Restricted Payment Amount**”); *provided that*:
- (A) at the option of the Parent (in its sole and absolute discretion):
- (I) the Restricted Payment Amount shall also include any amount declared by the Parent or any relevant member of the Group to be paid in any subsequent period so long as to the extent such amount is not actually paid as declared in such subsequent period, such amount shall be added back in calculating Excess Cash Flow for such subsequent period; and
- (II) the amount shall also include any payment made after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 12.3 is due so long as such amount will not be deducted in subsequent periods; and
- (B) to the extent the aggregate amount of internally generated cash flow actually utilised to finance such Specified Restricted Payments during such period of four consecutive Financial Quarters or such subsequent period is less than the Restricted Payment Amount, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such period of four consecutive Financial Quarters;
- (iv) the sum of (I) the aggregate amount of all principal payments made in cash of Indebtedness of the Parent and the Restricted Subsidiaries made during such Financial Year or after the end of the relevant Financial Year but prior to the time prepayment is due under this Clause 12.3 (including (A) the principal component of payments in respect of Capitalised Leases, (B) the amount of any prepayment or repayment of Loans pursuant to this Agreement (including any scheduled repayment of Term Loans pursuant to Clause 10.1 (*Repayment of Term Loans*)), (C) the amount of any mandatory prepayment of Loans and/or Other Applicable Indebtedness pursuant to Clause 12.2 (*Net Cash Proceeds of Dispositions*) to the extent required due to a Disposition that resulted in an increase to such Consolidated Net Income and not in excess of the amount of such increase and (D) the amount of any voluntary prepayments of Loans pursuant to Clause 11.4 (*Voluntary prepayment of a Facility B*) (in an amount equal to the amount actually paid in respect of the principal amount of such Loans), but excluding: (1) all prepayments of Revolving Facility Loans (unless the Revolving Facility Commitments are permanently reduced by the amount of such payments), (2) all prepayments in respect of any other revolving credit facility (unless such other revolving credit facility commitments are permanently reduced by the amount of such payments) and (3) prepayments of any Indebtedness secured by a junior lien

- or subordinated or unsecured Indebtedness, made during such period, in each case except to the extent financed with the proceeds of other Indebtedness of the Parent or the Restricted Subsidiaries and, in the case of (3) above, except to the extent funded by the Available Amount or made in reliance on any basket calculated by reference to the Available Amount to the extent attributable to a Financial Year of the Parent previous to the Financial Year with respect to which Excess Cash Flow is calculated) (each, a “**Mandatory Debt Reduction**”), plus (II) any amounts in respect of a Mandatory Debt Reduction carried forward from any prior Financial Year in accordance with paragraph (g) below;
- (v) cash payments by the Parent and its Restricted Subsidiaries made (or committed to be made) during such Financial Year in respect of long-term liabilities of the Parent and its Restricted Subsidiaries other than Indebtedness, to the extent financed with internally generated cash (the “**Long Term Liability Amount**”), provided that:
- (A) at the option of the Parent (in its sole and absolute discretion), the Long Term Liability Amount shall also include any payment made after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 12.3 is due so long as such amount will not be deducted in subsequent periods; and
- (B) to the extent the aggregate amount of internally generated cash flow actually utilised to make such payments in respect of long-term liabilities of the Parent and its Restricted Subsidiaries other than Indebtedness during a subsequent period is less than the Long Term Liability Amount, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of the subsequent Financial Year;
- (vi) the aggregate amount of any premium, make-whole or penalty payments paid (or committed or required to be paid) in cash by the Parent and the Restricted Subsidiaries during such Financial Year that are paid (or committed or required to be paid) in connection with any prepayment of Indebtedness to the extent such payments are not expensed during such period or are not deducted in calculating Consolidated Net Income (the “**Make-Whole Amount**”), provided that:
- (A) at the option of the Parent (in its sole and absolute discretion), the Make-Whole Amount shall also include any such premium, make-whole or penalty payments paid (or committed or required to be paid) after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 12.3 is due so long as such amount will not be deducted in subsequent periods; and
- (B) to the extent the aggregate amount of any such premium, make-whole or penalty payments actually paid as committed or required during a subsequent period is less than the Make-Whole Amount, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of the subsequent Financial Year;
- (vii) the amount of cash taxes paid (or committed or required to be paid) or tax reserves set aside or payable (without duplication) in such Financial Year, to the extent they exceed the amount of tax expense deducted in determining Consolidated Net Income for such period (the “**Tax Liability Amount**”),

provided that, at the option of the Parent (in its sole and absolute discretion), the Tax Liability Amount shall also include any such cash taxes paid (or committed or required to be paid) or tax reserves set aside or payable (without duplication) after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 12.3 is due so long as such amount will not be deducted in subsequent periods; and

(viii) the greater of \$35,000,000 and 10% of LTM Consolidated EBITDA (the “**ECF De Minimis Amount**”),

is (to the extent not already applied in repayment or prepayment of Facility B) applied in prepayment of Facility B in accordance with Clause 12.4 (*Application of prepayments*), where the applicable percentage is set out in the table below opposite the applicable First Lien Net Leverage Ratio as demonstrated by the Annual Financial Statements for such Financial Year (and subject to any adjustments in accordance with this Clause 12.3):

<u>First Lien Net Leverage Ratio</u>	<u>Percentage of Excess Cash Flow</u>
Greater than 5.00:1	50%
Equal to or less than 5.00:1 but greater than 4.50:1	25%
Equal to or less than 4.50:1	0%

- (b) Notwithstanding the terms of paragraph (a) above, if at the time that any prepayment required by paragraph (a) above would be required, any member of the Group is required to offer to repurchase or prepay Other Applicable Indebtedness pursuant to the terms of the documentation governing such Other Applicable Indebtedness with Excess Cash Flow, then the Borrowers may apply such Excess Cash Flow on a *pro rata* basis (determined on the basis of the aggregate outstanding principal amount of Facility B and Other Applicable Indebtedness at such time) to the prepayment of Facilities and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of Facility B that would otherwise have been required pursuant to this Clause 12.3 shall be reduced accordingly. For the avoidance of doubt, the portion of such Excess Cash Flow applied in repurchasing or prepaying the Other Applicable Indebtedness shall not exceed the amount of Excess Cash Flow required to be applied in repurchasing or prepaying Facility B pursuant to the terms hereof.
- (c) For the avoidance of doubt, if the amount calculated under paragraph (a) above is a negative number, the Parent shall not be required to make any such prepayment.
- (d) If, on applying Excess Cash Flow in prepayment of Facility B under this paragraph on any date, the First Lien Net Leverage Ratio as demonstrated in the then most recent Compliance Certificate received by the Agent (after taking into account such prepayment) falls into a lower threshold in the table above, then the relevant percentage shall be reduced accordingly for any further prepayments to be made under this Clause 12.3 on that date.
- (e) For the purposes of this Clause 12.3, the First Lien Net Leverage Ratio shall be calculated *pro forma* for any Voluntary Debt Reduction and/or Mandatory Debt Reduction made after the end of the relevant Financial Year but prior to the time prepayment is due under this Clause 12.3 as if such Debt Reduction and/or Mandatory Debt Reduction had been made during the relevant Financial Year and Consolidated Senior Secured Net Debt had accordingly been reduced on a dollar-for-dollar basis.

- (f) If, with respect to Excess Cash Flow attributable to an entity that is not organized in the United States but is a Subsidiary of an entity that is organized in the United States, the distribution (or deemed distribution) of such Excess Cash Flow that would occur in connection with any prepayment of the Facilities hereunder would result in material adverse Tax consequences, then the amount of such Excess Cash Flow attributable to such entity shall not be required to be prepaid hereunder and shall be permitted to be retained by the applicable entity.
- (g) Notwithstanding the terms of paragraph (a) above, to the extent the aggregate amount of Voluntary Debt Reductions and/or Mandatory Debt Reductions during any relevant Financial Year exceeds the amount of any Excess Cash Flow prepayment that would have been required pursuant to paragraph (a) above (after deducting the ECF De Minimis Amount, any Committed Investment Amount and any Restricted Payment Amount), the amount of such excess shall be carried forward to subsequent Financial Years and deducted (on a dollar-for-dollar basis) from any Excess Cash Flow prepayment required in any such subsequent Financial Years (after calculating the applicable Excess Cash Flow percentage for the relevant Financial Year).

12.4 Application of prepayments

- (a) Subject to Clause 12.5 (*Right to refuse prepayment*) below, prepayments made pursuant to this Clause 12 shall be applied in any manner as directed by the Parent (in its sole and absolute discretion), or in the absence of such direction, in direct order of maturity; *provided* that to the extent that the Parent directs that prepayments made pursuant to this Clause 12 are to be applied to any Term Facility (a “**Later Maturing Tranche**”) which matures on a later date than the maturity applicable to any other Term Facility (an “**Earlier Maturing Tranche**”), such proceeds shall be applied *pro rata* across the Later Maturing Tranche and each Earlier Maturing Tranche.
- (b) Without prejudice to paragraph (f) of Clause 12.2 (*Net Cash Proceeds of Dispositions*) and paragraph (f) of Clause 12.3 (*Excess Cash Flow*), the Parent and each other Obligor shall use all reasonable endeavours to ensure that any transaction giving rise to a prepayment obligation is structured in such a way that it will not be unlawful for the members of the Group to move the relevant proceeds received between members of the Group to enable a mandatory prepayment to be lawfully made and the proceeds lawfully applied as provided under this Clause 12, and/or to minimise the costs of making such mandatory prepayment (including using all reasonable endeavours to fund such payment from surplus cash in the Group). If, however, (A) the cost of making (or moving the funds to make) such mandatory prepayment would exceed 3% of the amount of such payment at that time; and/or (B) after the Parent and each such member of the Group has used all such reasonable endeavours and taken such reasonable steps, it will still:
 - (i) be unlawful (including, without limitation, by reason of financial assistance, corporate benefit restrictions on upstreaming cash intra-Group and the fiduciary and statutory duties of the directors of any member of the Group) for such a prepayment to be made and/or cash cover to be provided and the proceeds so applied; or
 - (ii) be unlawful (including, without limitation, by reason of financial assistance, corporate benefit restrictions on upstreaming cash intra-Group and the fiduciary and statutory duties of the directors of any member of the Group) to make funds available to a member of the Group that could make such a prepayment and/or provide such cash cover,

then such prepayment and/or provision of cash cover shall not be required to be made (and, for the avoidance of doubt, the relevant amount shall be available for the working capital purposes of the Group and shall not be required to be paid to any blocked account) provided always that if the restriction preventing such payment/provision of cash cover or giving rise to such liability is subsequently removed, any relevant proceeds will immediately be applied in prepayment and/or the provision of cash cover in accordance with this Clause 12 at the end of the relevant Interest Period(s) to the extent that such payment has not otherwise been made.

- (c) The obligation to make a mandatory prepayment under Clause 12.1 (*Change of Control*) shall not be subject to any limitation set out under paragraph (b) above.
- (d) If any Term Loans are repaid or prepaid in accordance with Clause 11.4 (*Voluntary prepayment of Facility B*) or this Clause 12, then the Parent may, by giving not less than three Business Days' notice to the Agent (or such shorter period agreed with the Agent) select which Borrower or Borrowers (if more than one) under the relevant Facility shall effect repayment of each Loan.
- (e) Without prejudice to Clause 12.1 (*Change of Control*) but otherwise notwithstanding anything to the contrary in any Finance Document (including this Clause 12.4 (*Application of prepayments*)):
 - (i) if the Total Net Leverage Ratio for the Relevant Period ending on the most recent Quarter Date for which a Compliance Certificate has been delivered is equal to or less than 6.50:1 (adjusted as if any relevant prepayment and/or other application had taken place on the last day of that Relevant Period), the amount of any voluntary prepayment or mandatory prepayment required to be applied under this Agreement may, at the election of the Parent, be applied between the Term Facilities (or, after the Term Facilities have been repaid in full, any Revolving Facility), the Second Lien Facility and any other Indebtedness permitted to be incurred by a member of the Group under this Agreement ranking *pari passu* with the Second Lien Facility ("**Permitted Second Lien Financing Debt**"), on a *pro rata* basis; and
 - (ii) if the Total Net Leverage Ratio for the Relevant Period ending on the most recent Quarter Date for which a Compliance Certificate has been delivered is equal to or less than 6.25:1 (adjusted as if any relevant prepayment and/or other application had taken place on the last day of that Relevant Period), the amount of voluntary prepayment or mandatory prepayment required to be applied under this Agreement may, at the election of the Parent, be applied in prepayment of the Second Lien Facility and any Permitted Second Lien Financing Debt or any other Indebtedness permitted under this Agreement, in priority to the Facilities.

Any application made in accordance with this paragraph (e) will satisfy in full all applicable prepayment obligations contemplated by this Agreement.

12.5 Right to refuse prepayment

- (a) The Agent shall notify the Lenders as soon as practicable of any proposed prepayment of Term Loans under Clause 11.4 (*Voluntary prepayment of Facility B*), Clause 12.2 (*Net Cash Proceeds of Dispositions*) or Clause 12.3 (*Excess Cash Flow*).
- (b) Any Facility B Lender or Incremental Term Facility Lender (a "**Non-Accepting Lender**") to which the proposed prepayment would otherwise be made may, by giving not less than three Business Days' (or such shorter period as the Parent and

Majority Lenders may agree) notice to the Agent prior to the date of the relevant prepayment, waive its right to prepayment (in whole or in part) other than (A) in relation to a prepayment arising pursuant to Clause 11.4 (*Voluntary prepayment of Facility B*), (B) in relation to a prepayment arising pursuant to Clause 11.1 (*Illegality*), Clause 11.2 (*Illegality in relation to Issuing Bank*) or Clause 11.8 (*Right of cancellation and repayment in relation to a single Lender or Issuing Bank*), or (C) a prepayment or repayment in respect of which the Parent elects (in its sole and absolute discretion) that this Clause 12.5 shall not apply.

- (c) If any Non-Accepting Lender delivers any notice under paragraph (b) above, the amount in respect of which that Non-Accepting Lender has waived its right to prepayment (the “**Waived Amount**”) may be retained by the Parent and the Restricted Subsidiaries and/or be applied by the Parent or any of the Restricted Subsidiaries for any purpose that is permitted or not prohibited by the terms of this Agreement.

13. RESTRICTIONS

13.1 Notices of Cancellation or Prepayment

Any notice of cancellation, prepayment, authorisation or other election given by any Party under Clause 11 (*Illegality, Voluntary Prepayment and Cancellation*) or Clause 12.5 (*Right to refuse prepayment*) may be conditional or revocable and shall (subject to the terms of those Clauses or unless otherwise agreed by the Agent), unless a contrary indication appears in this Agreement, specify the date or dates upon which the relevant cancellation or prepayment is to be made and the amount of that cancellation or prepayment.

13.2 Interest and other amounts

Subject to Clause 17.8 (*Call Premium*), any prepayment under this Agreement shall be made together with accrued interest on the amount prepaid and, subject to any Break Costs, without premium or penalty.

13.3 No reborrowing of Facility B or Incremental Term Facilities

No Borrower may reborrow any part of any Facility B or an Incremental Term Facility which is prepaid.

13.4 Reborrowing of Revolving Facility

Unless a contrary indication appears in this Agreement, any part of any Revolving Facility which is prepaid or repaid may be reborrowed in accordance with the terms of this Agreement or the relevant Incremental Facility Increase Notice (as appropriate).

13.5 Prepayment in accordance with Agreement

- (a) No Borrower shall repay or prepay all or any part of the Utilisations or cancel all or any part of the Commitments except at the times and in the manner expressly provided for in this Agreement.
- (b) To the extent that any prepayment is:
 - (i) applied or to be applied against a Utilisation that is not denominated in the Base Currency:
 - (A) any *pro rata* entitlement of that Utilisation shall be calculated using its Base Currency Amount; and

- (B) any costs of converting the relevant prepayment amount into the currency of that Utilisation shall reduce the amount to be applied against that Utilisation (and, for the avoidance of doubt, such costs shall not reduce the amount applied against other Utilisations denominated in the Base Currency or increase the amount required to be paid by any member of the Group); and
- (ii) made or to be made in respect of proceeds denominated in a currency other than the Base Currency, the required prepayment amount shall be reduced by any costs of converting the relevant proceeds into the currency of the required prepayment.

13.6 No reinstatement of Commitments

Subject to Clause 2.2 (*Increase*), no amount of the Total Commitments cancelled under this Agreement may be subsequently reinstated.

13.7 Agent's receipt of Notices

If the Agent receives a notice under Clause 11 (*Illegality, Voluntary Prepayment and Cancellation*) or an election under paragraph (d) of Clause 12.2 (*Net Cash Proceeds of Dispositions*) and Clause 12.5 (*Right to refuse prepayment*), it shall promptly forward a copy of that notice or election to either the Parent or the affected Lender, as appropriate.

13.8 Effect of Repayment and Prepayment on Commitments

If all or part of a Lender's participation in a Utilisation under a Facility is repaid or prepaid and is not available for redrawing, an amount of that Lender's Commitment (equal to the Base Currency Amount of the amount of the participation which is repaid or prepaid) in respect of that Facility will be deemed to be cancelled on the date of repayment or prepayment.

13.9 Application of prepayments

Any prepayment of a Utilisation (other than a prepayment pursuant to Clause 11.1 (*Illegality*) or Clause 11.8 (*Right of cancellation and repayment in relation to a single Lender or Issuing Bank*)) shall be applied *pro rata* to each Lender's participation in that Utilisation.

14. INTEREST

14.1 Calculation of interest

The rate of interest on each Loan for each Interest Period is the percentage rate per annum which is the aggregate of the applicable:

- (a) Margin; and
- (b) EURIBOR for Loans in euro, CDOR for Loans in CAD and LIBOR (or local equivalent where LIBOR is not available) for Loans in all other currencies.

14.2 Payment of interest

The Borrower to which a Loan has been made shall pay accrued interest on that Loan on the last day of each Interest Period (and (i) for any Loan denominated in USD, if the Interest Period is longer than three Months, on the dates falling at three Monthly intervals after the first day of the Interest Period and (ii) for all other Loans, if the Interest Period is longer than six Months, on the dates falling at six Monthly intervals after the first day of the Interest Period). The Parties agree that interest (if unpaid) will be compounded with the principal amount of the Loans at the end of each Interest Period, but shall remain immediately due and payable.

14.3 **Default interest**

- (a) If an Obligor fails to pay any amount (other than non-compounded interest) payable by it under a Finance Document on its due date, interest shall, to the extent permitted by law, accrue on the overdue amount from the due date up to the date of actual payment (both before and after judgment) at a rate which, subject to paragraph (b) below, is 1% per annum higher than the rate which would have been payable if the overdue amount had, during the period of non-payment, constituted a Loan in the currency of the overdue amount for successive Interest Periods, each of a duration selected by the Agent (acting reasonably). Any interest accruing under this Clause 14.3 shall be immediately payable by the Obligor on demand by the Agent.
- (b) If any overdue amount consists of all or part of a Loan which became due on a day which was not the last day of an Interest Period relating to that Loan:
 - (i) the first Interest Period for that overdue amount shall have a duration equal to the unexpired portion of the current Interest Period relating to that Loan; and
 - (ii) the rate of interest applying to the overdue amount during that first Interest Period shall be 1% per annum higher than the rate which would have applied if the overdue amount had not become due.
- (c) Default interest (if unpaid) arising on an Unpaid Sum will be compounded with the Unpaid Sum at the end of each Interest Period applicable to that Unpaid Sum, but shall remain immediately due and payable.

14.4 **Notification of rates of interest**

- (a) The Agent shall promptly notify the relevant Lenders and the relevant Borrower (or the Parent) of the determination of a rate of interest under this Agreement.
- (b) The Agent shall promptly notify the relevant Borrower (or the Parent) of each Funding Rate relating to a Loan.

14.5 **Interest Rate Limitation**

Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Utilisation, together with all fees, charges and other amounts which are treated as interest on such Utilisation under applicable law (collectively the “**Charges**”), shall exceed the maximum lawful rate (the “**Maximum Rate**”) which may be contracted for, charged, taken, received or reserved by the Lender holding such Utilisation in accordance with applicable law, the rate of interest payable in respect of such Utilisation, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Utilisation but were not payable as a result of the operation of this Clause 14.5 shall be cumulated and the interest and Charges payable to such Lender in respect of other Utilisation or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon to the date of repayment, shall have been received by such Lender.

14.6 **Interest Act (Canada)**

For the purposes of the Interest Act (Canada) and disclosure thereunder:

- (a) whenever any interest or any fee to be paid hereunder or in connection herewith is to be calculated on the basis of a 360-day or 365-day year, the yearly rate of interest to which the rate used in such calculation is equivalent is the rate so used multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by 360 or 365, as applicable;
- (b) the rates of interest under this Agreement are nominal rates, and not effective rates or yields; and
- (c) the principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement.

15. INTEREST PERIODS

15.1 Selection of Interest Periods and Terms

- (a) A Borrower (or the Parent on behalf of a Borrower) may select an Interest Period for a Loan in the Utilisation Request for that Loan or (if the Loan is a Term Loan and has already been borrowed) in a Selection Notice.
- (b) Each Selection Notice for a Term Loan is irrevocable and must be delivered to the Agent by the Borrower (or the Parent on behalf of the Borrower) to which that Term Loan was made not later than the Specified Time.
- (c) If a Borrower (or the Parent) fails to deliver a Selection Notice to the Agent in accordance with paragraph (b) above, the relevant Interest Period will be three Months.
- (d) Subject to this Clause 15, a Borrower (or the Parent) may select an Interest Period of one, two, three or six Months, or any other period agreed between the relevant Borrower (or the Parent on its behalf) and the Agent (acting on the instructions of the Super Majority Lenders participating in the relevant Loan). In addition, a Borrower (or the Parent) may select an Interest Period of any other period if required to ensure that sufficient Loans have an Interest Period ending on the date of a proposed repayment, prepayment cancellation or termination under this Agreement.
- (e) An Interest Period for a Loan shall not extend beyond the Termination Date applicable to its Facility.
- (f) Each Interest Period for a Term Loan shall start on the Utilisation Date or (if already made) on the last day of its preceding Interest Period.
- (g) A Revolving Facility Loan has one Interest Period only.
- (h) A Borrower (or the Parent on its behalf) may select an Interest Period of:
 - (i) any period in relation to any Facility B or an Incremental Facility if necessary or desirable to implement any interest rate hedging in relation to the Facilities to align interest payment dates with payment dates under this Agreement or under hedging agreements which the Group is permitted to enter into pursuant to the terms of this Agreement; and
 - (ii) a time period agreed by it with the Agent for the purposes of facilitating syndication.

15.2 Non-Business Days

If an Interest Period would otherwise end on a day which is not a Business Day, that Interest Period will instead end on the next Business Day in that calendar month (if there is one) or the preceding Business Day (if there is not).

15.3 Consolidation and division of Term Loans

(a) Subject to paragraph (c) below, if two or more Interest Periods:

- (i) relate to Facility B Loans to be made to the same TLB Borrower under the same Facility B; and
- (ii) end on the same date,

those Facility B Loans will, unless that TLB Borrower requests to the contrary in a Selection Notice for the next Interest Period, be consolidated into, and treated as, a single Facility B Loan on the last day of the Interest Period.

(b) Subject to paragraph (c) below, if two or more Interest Periods:

- (i) relate to Incremental Term Facility Loans to be made to the same Incremental Facility Borrower by the same group of Lenders under the same Incremental Term Facility;
- (ii) are in the same currency; and
- (iii) end on the same date,

those Incremental Term Facility Loans will, unless that Incremental Facility Borrower requests to the contrary in a Selection Notice for the next Interest Period, be consolidated into, and treated as, a single Incremental Facility Term Loan on the last day of the Interest Period.

(c) Subject to Clause 4.4 (*Maximum number of Utilisations*) and Clause 5.3 (*Currency and amount*) if a TLB Borrower or an Incremental Facility Borrower (or, in either case, the Parent on its behalf) requests in a Selection Notice that a Term Loan be divided into two or more Term Loans under the relevant Facility, that Term Loan will, on the last day of its Interest Period, be so divided with amounts specified in that Selection Notice (in the currency of the relevant Loan), having an aggregate amount equal to the amount of the relevant Term Loan immediately before its division.

16. CHANGES TO THE CALCULATION OF INTEREST

16.1 Unavailability of Screen Rate

- (a) Interpolated Screen Rate: If no Screen Rate is available for EURIBOR, LIBOR or CDOR (as applicable), the applicable EURIBOR, LIBOR or CDOR shall be the Interpolated Screen Rate for a period equal in length to the Interest Period of that Loan.
- (b) Base Reference Bank Rate: If no Screen Rate is available for EURIBOR, LIBOR or CDOR (as applicable) for:
 - (i) the currency of a Loan; or

(ii) the Interest Period of a Loan and it is not possible to calculate the Interpolated Screen Rate,

the applicable EURIBOR, LIBOR or CDOR shall be the Base Reference Bank Rate as of the Specified Time for the currency of that Loan and for a period equal in length to the Interest Period of that Loan.

- (c) Cost of funds: If paragraph (b) above applies but no Base Reference Bank Rate is available for the relevant currency or Interest Period there shall be no EURIBOR, LIBOR or CDOR (as applicable) for that Loan and Clause 16.4 (*Cost of funds*) shall apply to that Loan for that Interest Period.

16.2 Calculation of Base Reference Bank Rate

- (a) Subject to paragraph (b) below, if EURIBOR, LIBOR or CDOR (as applicable) is to be determined on the basis of a Base Reference Bank Rate but a Base Reference Bank does not supply a quotation by the Specified Time, the Base Reference Bank Rate shall be calculated on the basis of the quotations of the remaining Base Reference Banks.
- (b) If at or about noon on the Quotation Day none or only one of the Base Reference Banks supplies a quotation, there shall be no Base Reference Bank Rate for the relevant Interest Period.

16.3 Market disruption

If before close of business in London on the Quotation Day for the relevant Interest Period the Agent receives notifications from a Lender or Lenders (whose participations in a Loan exceed 40% of that Loan) that the cost to it of funding its participation in that from the wholesale market for the relevant currency would be in excess of EURIBOR, LIBOR or CDOR (as applicable) there shall be no EURIBOR, LIBOR or CDOR for that Loan and Clause 16.4 (*Cost of funds*) shall apply to that Loan for the relevant Interest Period.

16.4 Cost of funds

- (a) If this Clause 16.4 applies, the rate of interest on each Lender's share of the relevant Loan for the relevant Interest Period shall be the percentage rate per annum which is the sum of:
- (i) the Margin; and
 - (ii) the rate notified to the Agent by that Lender as soon as practicable and in any event by close of business on the date falling two Business Days after the Quotation Day (or, if earlier, on the date falling five Business Days before the date on which interest is due to be paid in respect of that Interest Period), to be that which expresses as a percentage rate per annum the cost to the relevant Lender of funding its participation in that Loan from whatever source it may reasonably select, *provided* that such Lender confirms (for the benefit of the Group) to the Agent that such percentage rate per annum represents the cost to the relevant Lender of funding its participation in that currency under other syndicated credit facilities involving similarly situated borrowers under which that Lender is a lender.
- (b) If this Clause 16.4 applies and the Agent or the Parent so requires, the Agent and the Parent shall enter into negotiations (for a period of not more than 30 days) with a view to agreeing a substitute basis for determining the rate of interest (having regard to the prevailing market convention in London at such time with respect to the benchmark for determining interest (including the making of appropriate adjustments to such alternate benchmark rate and this Agreement (i) to preserve pricing in effect at the time of selection of such alternate benchmark rate and (ii) for duration, time and periodicity for determination of such alternate benchmark rate in relation to any applicable Interest Period) for syndicated bank loans in the relevant currency).

-
- (c) Any alternative basis agreed pursuant to paragraph (b) above shall, with the prior consent of the Majority Lenders and the Parent, be binding on all Parties *provided* that:
- (i) any alternative basis agreed pursuant to paragraph (b) above shall automatically be binding on a Defaulting Lender;
 - (ii) any alternative basis agreed pursuant to paragraph (b) above shall automatically be binding on any Lender which does not accept or reject a request for any such consent before 5.00 p.m. London time on the date falling five Business Days from the date of that request being made (or such other time and date as the Parent may specify, with the consent of the Agent if less than five Business Days from the date of such request being made); and
 - (iii) any Lender which rejects a request for any such consent shall be deemed to be a Non-Consenting Lender for the purposes of this Agreement.
- (d) If this Clause 16.4 applies pursuant to Clause 16.3 (*Market disruption*) and:
- (i) a Lender's Funding Rate is less than EURIBOR in relation to any Loan in euro, CDOR in relation to any Loan in CAD or LIBOR in relation to any other Loan; or
 - (ii) a Lender does not supply a quotation by the time specified in paragraph (a)(ii) above, the cost to that Lender of funding its participation in that Loan for that Interest Period shall be deemed, for the purposes of paragraph (a) above, to be EURIBOR in relation to a Loan in euro, CDOR in relation to any Loan in CAD or LIBOR for any other Loan.
- (e) If this Clause 16.4 applies pursuant to Clause 16.1 (*Unavailability of Screen Rate*) but any Lender does not supply a quotation by the time specified in paragraph (a)(ii) above the rate of interest shall be calculated on the basis of the quotations of the remaining Lenders.

16.5 Notification to Parent

If Clause 16.4 (*Cost of funds*) applies, the Agent shall, as soon as is practicable, notify the Parent.

16.6 Break Costs

- (a) Subject to paragraph (l)(iii)(A) of Clause 28.3 (*Conditions of assignment*), the Parent or each Borrower shall, within three Business Days of demand by a Finance Party, pay to that Finance Party its Break Costs attributable to all or any part of a Loan or Unpaid Sum being paid by that Borrower on a day other than the last day of an Interest Period for that Loan or Unpaid Sum.

- (b) Each Lender shall, as soon as reasonably practicable after a demand by the Agent under paragraph (a) above, provide a certificate confirming the amount of (and giving reasonable details of the calculation of) its Break Costs for any Interest Period in which they accrue, a copy of which shall be provided to the Parent.

17. FEES

17.1 Commitment fee

- (a) The Parent shall pay (or procure the payment) to the Agent (for the account of each Lender) a fee in the Base Currency computed at the rate of:

 - (ii) in respect of any Incremental Facility Commitments, the rate specified in the Incremental Facility Increase Notice delivered by the Parent in accordance with Clause 2.3 (*Incremental Facility*), on that Lender's Available Commitment in respect of those Incremental Facility Commitments for the applicable Availability Period as set out in such Incremental Facility Increase Notice.
- (b) The accrued commitment fee is payable on the last day of each successive period of three Months which ends during the relevant Availability Period, on the last day of the relevant Availability Period and on the cancelled amount of the relevant Lender's Commitment at the time the cancellation is effective.
- (c) No commitment fee is payable to the Agent (for the account of a Lender) on any Available Commitment of that Lender for any day on which that Lender is a Defaulting Lender.

17.2 Agent and Security Agent fees

The Parent shall pay (or procure the payment) to the Agent and Security Agent (in each case for its own account) a fee in the amount and at the times agreed in a Fee Letter.

17.3 Interest, commission and fees on Ancillary Facilities

The rate and time of payment of interest, commission, fees and any other remuneration in respect of each Ancillary Facility shall be determined by agreement between the relevant Ancillary Lender and the Revolving Facility Borrower of that Ancillary Facility.

17.4 Issuing Bank fees

The Parent shall pay (or procure the payment) to the Issuing Bank (for its own account) a fee in the amount and at the times agreed in a Fee Letter.

17.5 Fees payable in respect of Letters of Credit

- (a) The Parent or each relevant Revolving Facility Borrower shall pay to the Issuing Bank a fronting fee in the Base Currency at the rate agreed between the relevant Issuing Bank and the Parent in a Fee Letter on the outstanding amount which is counter-indemnified by the other Lenders of each Letter of Credit requested by it for the period from the issue of that Letter of Credit until its Expiry Date.

- (b) The Parent or each relevant Revolving Facility Borrower shall pay to the Agent (for the account of each Revolving Facility Lender) a Letter of Credit fee in the Base Currency (computed at the rate equal to the Margin applicable to a Revolving Facility Loan) on the outstanding amount of each Letter of Credit requested by it for the period from the issue of that Letter of Credit until its Expiry Date. Subject to paragraph (c) of Clause 7.6 (*Regulation and consequences of cash cover provided by Borrower*) this fee shall be distributed according to each Lender's L/C Proportion of that Letter of Credit.
- (c) The accrued fronting fee and Letter of Credit fee on a Letter of Credit shall be payable on each Quarter Date. If the outstanding amount of a Letter of Credit is reduced, any fronting fee and Letter of Credit fee accrued in respect of the amount of that reduction shall be payable on the day that that reduction becomes effective.
- (d) If a Revolving Facility Borrower provides cash cover in respect of any part of a Letter of Credit, then no fronting fee or Letter of Credit fee shall be payable in respect of that part of the Letter of Credit for which cash cover has been and continues to be provided.

17.6 Fees on Incremental Facilities

The relevant Incremental Facility Borrower or the Parent shall pay (or procure the payment) to the Incremental Facility Lenders the fees in the amount and at the times agreed in a Fee Letter relating to the Incremental Facility.

17.7 No Initial Closing Date, no Fee

Notwithstanding any provision of this Clause 17 (*Fees*), Clause 22 (*Costs and Expenses*) or any obligations in any Fee Letter or any other Finance Documents, no fees, costs and expenses of the Finance Parties of any kind (other than reasonable legal costs (subject to any agreed caps)) shall be payable unless and until the Initial Closing Date occurs.

17.8 Call Premium

- (a) If any Re-pricing Transaction occurs at any time during the period from (but excluding) the Initial Closing Date to (and including) the date that is six Months after the Initial Closing Date, the Parent shall pay (or procure there is paid) to the Agent within five Business Days of the date of such Re-pricing Transaction (for the account of each Lender whose participations in Facility B are the subject of the relevant Re-pricing Transaction) a fee in an aggregate amount equal to 1.00% of that Lender's participation in those Facility B Loans which are subject to that Re-pricing Transaction.
- (b) In this clause:
"Re-pricing Transaction" means the prepayment, refinancing, substitution or replacement of all or any part of Facility B (other than in connection with any initial public offering, acquisition or similar investment, Change of Control or Sale) with the incurrence by any member of the Group of any new term loan facility that is broadly syndicated to the extent that: (i) the primary purpose of such new term loan facility is to reduce the Yield applicable to Facility B Loans being prepaid, refinanced, substituted or replaced as of the date of such prepayment, refinancing or replacement (as determined in good faith by the Parent); and (ii) such new term loan facility has a Yield (with the comparative determinations to be made by the Parent consistent with generally accepted financial practices and excluding the effect of (A) amendment fees, consent fees, arrangement fees, structuring fees, commitment fees, underwriting

fees, placement fees, advisory fees, success fees, ticking fees, undrawn commitment fees and similar fees (regardless of whether any of the foregoing fees are paid to, or shared with, in whole or in part any or all lenders), any fees not paid or payable in the primary syndication of such term loan facility or other fees not paid or payable generally to all lenders rateably; and (B) any fluctuations in LIBOR, EURIBOR or any other applicable base rate) that is less than the Yield (as determined by the Parent on the same basis) of such Facility B Loans, including, without limitation, as may be effected through any amendment to this Agreement relating to the interest rate for, or Yield of, such Facility B Loans.

Each Guarantor irrevocably and unconditionally jointly and severally:

- (a) guarantees to each Finance Party punctual performance by each other Obligor of all that Obligor's obligations under the Finance Documents;
- (b) undertakes with each Finance Party that whenever another Obligor does not pay any amount when due (allowing for any applicable grace period) under or in connection with any Finance Document, that Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and
- (c) agrees with each Finance Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of an Obligor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by a Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 23 if the amount claimed had been recoverable on the basis of a guarantee.

23.2 **Continuing guarantee**

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

23.3 **Reinstatement**

If any discharge, release or arrangement (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is made by a Finance Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, judicial management, administration or otherwise, without limitation, then the liability of each Guarantor under this Clause 23 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

23.4 **Waiver of defences**

The obligations of each Guarantor under this Clause 23 will not be affected by an act, omission, matter or thing which, but for this Clause 23, would reduce, release or prejudice any of its obligations under this Clause 23 (without limitation and whether or not known to it or any Finance Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- (e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

23.5 **Guarantor Intent**

Without prejudice to the generality of Clause 23.4 (*Waiver of defences*), each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

23.7 Appropriations

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, each Finance Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Guarantor or on account of any Guarantor's liability under this Clause 23.

23.8 Deferral of Guarantors' rights

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, no Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 23:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;
- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under Clause 23.1 (*Guarantee and indemnity*);
- (e) to exercise any right of set-off against any Obligor; and/or
- (f) to claim or prove as a creditor of any Obligor in competition with any Finance Party.

If a Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Finance Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Finance Parties and shall promptly pay or transfer the same to the Agent or as the Agent may direct for application in accordance with Clause 33 (*Payment Mechanics*).

23.9 Release of Guarantors' right of contribution

If any Guarantor (a "**Retiring Guarantor**") ceases to be a Guarantor in accordance with the terms of the Finance Documents for the purpose of any sale or other disposal of that Retiring Guarantor or any of its Holding Companies (other than the Parent) then on the date such Retiring Guarantor ceases to be a Guarantor:

- (a) that Retiring Guarantor is released by each other Guarantor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Guarantor arising by reason of the performance by any other Guarantor of its obligations under the Finance Documents; and

- (b) each other Guarantor waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under any Finance Document or of any other security taken pursuant to, or in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Guarantor.

23.11 **Guarantee Limitations**

This guarantee and the obligations and liabilities of each Guarantor under and in connection with the Finance Documents (including, without limitation, this Clause 23):

- (l) Unless otherwise consented to by the Parent (which consent, for the avoidance of doubt, shall not be deemed given even if not expressly refused within 15 Business Days of the relevant request), if any assignment, transfer, sub-participation or sub-contract occurs in breach of the provisions of this Clause 28 (including, without limitation, any assignment, transfer, sub-participation or sub-contract without complying with the notice requirement in paragraph (m) below), such assignment, transfer, sub-participation or sub-contract shall be void and deemed to have not occurred for all purposes under this Agreement and the Parent or any Borrower shall be entitled to seek specific performance to unwind any such assignment, transfer, sub-participation or sub-contract in addition to any other remedies available to the Parent or any Borrower at law or in equity. Without prejudice to the foregoing:
- (i) the interests or purported interests of the assignee, transferee, sub-participant or sub-contractor (as the case may be) (each a “**Transferee**”) shall be ignored for the purposes of ascertaining the Majority Lenders or Super Majority Lenders or whether any given percentage (including, for the avoidance of doubt, unanimity) of the Total Commitments (or the Total Commitments under any Facility) has been obtained to give an instruction or approve any request for a consent, waiver, amendment, or other vote under the Finance Documents;
 - (ii) for the purposes of Clause 39.2 (*Exceptions*), such Transferee shall be deemed not to be a Lender;
 - (iii) the Parent may:
 - (A) cancel the Commitments of such Transferee and prepay any applicable outstanding Loans at a price equal to the lesser of par and the amount such Transferee paid to acquire such Loans, without premium, penalty, prepayment fee or breakage costs; and/or
 - (B) require such Transferee to assign or transfer its rights and obligations in accordance with Clause 39.9 (*Replacement of a Defaulting Lender*), at the price indicated in paragraph (A) above (which assignment shall not be subject to any processing and recordation fee) and if such Transferee does not execute and deliver to the Agent a duly executed Assignment Agreement reflecting such assignment or transfer within five Business Days of the date on which the assignee Replacement Lender executes and delivers such Assignment Agreement to such Transferee, then such Transferee shall be deemed to have executed and delivered such Assignment Agreement without any action on its part;
 - (iv) no such Transferee shall receive any information or reporting provided by the Parent or any of its Restricted Subsidiaries, the Agent or any other Finance Party;
 - (v) such Transferee shall not be entitled to any expense reimbursement or indemnification rights under any Finance Documents (including Clauses 22 (*Costs and Expenses*) and 20 (*Other Indemnities*)),
- and the Parent expressly reserves all rights against such Transferee under contract, tort or any other theory; it being understood and agreed that the foregoing provisions shall only apply to such Transferee and not to any assignee or transferee of such Transferee that becomes a Lender so long as such assignment or transfer does not occur in breach of the provisions of this Clause 28.

- (m) Any request for consent of the Parent pursuant to paragraph (b) or (d) above and related communications, shall be delivered by the Agent or the Existing Lender that is requesting such consent simultaneously to an employee of each Sponsor designated in writing to the Agent by each Sponsor from time to time; *provided* that the Agent shall not be liable to any Lender for any loss or liability (other than as a result of the Agent's gross negligence or wilful misconduct) arising from a failure by the Agent or the relevant Existing Lender to comply with the notification requirements in this paragraph (m).
- (n) Each party to an Assignment Agreement shall, as soon as reasonably practicable after it has executed such Assignment Agreement, send to any Obligor incorporated in Luxembourg a copy of that Assignment Agreement. The sending of a copy of such Assignment Agreement shall be deemed in relation to the Finance Documents to be sufficient to fulfil the notification requirement of article 1690 of the Luxembourg Civil Code (to the extent applicable).

28.4 Assignments by Lenders

Upon an assignment becoming effective, the Existing Lender will be released from its obligations under the Finance Documents to the extent they are assumed by the New Lender.

28.5 Assignment fee

Subject to paragraph (I)(iii)(B) of Clause 28.3 (*Conditions of assignment*), unless the Agent otherwise agrees to waive such fees and excluding an assignment (i) by an Existing Lender to an Affiliate of that Existing Lender, (ii) by an Existing Lender to a fund which is a Related Fund of that Existing Lender or (iii) made in connection with primary syndication of the Facilities, the New Lender shall, on or before the date upon which an assignment to it takes effect pursuant to this Clause 28.5, pay to the Agent (for its own account) a fee of \$2,500 in relation to any assignment under any Facility.

28.6 Limitation of responsibility of Existing Lenders

- (a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:
 - (i) the legality, validity, effectiveness, adequacy or enforceability of the Transaction Documents, the Transaction Security or any other documents;
 - (ii) the financial condition of any Obligor or any other member of the Group;
 - (iii) the performance and observance by any Obligor or any other member of the Group of its obligations under the Transaction Documents or any other documents; or
 - (iv) the accuracy of any statements or information (whether written or oral) made or supplied in connection with any Transaction Document or any other document,and any representations or warranties implied by law are excluded.
- (b) Each New Lender confirms to the Existing Lender and the other Finance Parties and the Secured Parties that it:

- (i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Obligor and its related entities and all other risks arising in connection with its participation in the Finance Documents and has not relied exclusively on any information provided to it by the Existing Lender or any other Finance Party in connection with any Transaction Document or the Transaction Security; and
 - (ii) will continue to make its own independent appraisal of the creditworthiness of each Obligor and its related entities whilst any amount is or may be outstanding under the Finance Documents or any Commitment is in force.
- (c) Nothing in any Finance Document obliges an Existing Lender to:
- (i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred by such Existing Lender under this Clause 28.6; or
 - (ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Obligor of its obligations under the Transaction Documents or otherwise.

28.7 Procedure for assignment

- (a) Subject to the conditions set out in Clause 28.3 (*Conditions of assignment*) an assignment may be effected in accordance with paragraph (d) below when the Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender.
- (b) The Agent shall, subject to paragraph (c) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.
- (c) The Agent shall only be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “know your customer” or similar checks under all applicable laws and regulations in relation to the assignment to such New Lender.
- (d) Subject to Clause 28.11 (*Pro rata interest settlement*), on the Transfer Date:
 - (i) the Existing Lender will assign absolutely to the New Lender its rights under the Finance Documents and in respect of the Transaction Security expressed to be the subject of the assignment in the Assignment Agreement;
 - (ii) the Existing Lender will be released from the obligations (the “**Relevant Obligations**”) expressed to be the subject of the release in the Assignment Agreement (and any corresponding obligations by which it is bound in respect of the Transaction Security); and
 - (iii) the New Lender shall become a Party as a Lender and will be bound by obligations equivalent to the Relevant Obligations.

28.8 Sub-participation and sub-contracts

- (a) Subject to paragraphs (b), (c) and (d) of Clause 28.3 (*Conditions of assignment*), nothing in this Agreement shall restrict the ability of a Lender to sub-participate or sub-contract any or all of its obligations hereunder so long as such Lender remains liable under this Agreement in relation to those obligations.

- (b) A Lender shall promptly notify the Parent of any sub-participation or sub-contract entered into by it, including the identity of the entity to which the Lender has sub-contracted or sub-participated.

28.9 The Register

- (a) The Agent, acting for this purpose as the non-fiduciary agent of the Obligors, shall maintain at its address referred to in Clause 35.2 (*Addresses*):
 - (i) each Assignment Agreement referred to in Clause 28.7 (*Procedure for assignment*), each Increase Certificate and each Incremental Facility Increase Notice; and
 - (ii) with respect to each Facility, a register for the recording of the names and addresses of the Lenders and the Commitment of, and principal amount (and stated interest) owing to, each Lender from time to time (the “**Register**”) under such Facility, which may be kept in electronic form.

The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Obligors, the Agents and the Lenders shall treat each person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Agent shall provide the Parent with a copy of the Register within five Business Days of request.

- (b) Each Party irrevocably authorises the Agent to make the relevant entry in the Register (and which the Agent shall do promptly) on its behalf for the purposes of this Clause 28.9 without any further consent of, or consultation with, such Party.
- (c) The Agent shall, upon request by an Existing Lender (as defined in Clause 28.2 (*Assignments by Lenders*)) or a New Lender, confirm to that Existing Lender or New Lender whether a transfer or assignment from that Existing Lender or (as the case may be) to that New Lender has been recorded on the Register (including details of the Commitment of that Existing Lender or New Lender in each Facility).
- (d) The Register is intended to cause the extensions of credit to the Obligors under this Agreement to be at all times maintained in “registered form” within the meaning of sections 163(f), 871(h)(2) and 881(c)(2) of the Code and shall be interpreted and applied in a manner consistent with such intent.

28.10 Security over Lenders’ rights

In addition to the other rights provided to Lenders under this Clause 28.10 each Lender may without consulting with or obtaining consent from any Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and
- (b) in the case of any Lender which is a fund, any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Security shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or other Security for the Lender as a party to any of the Finance Documents; or
- (ii) require any payments to be made by an Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

28.11 Pro rata interest settlement

- (a) If the Agent has notified the Lenders that it is able to distribute interest payments on a 'pro rata basis' to Existing Lenders and New Lenders then (in respect of any assignment pursuant to Clause 28.7 (*Procedure for assignment*) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of an Interest Period):
 - (i) any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date ("Accrued Amounts") and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Interest Period (or, if the Interest Period is longer than six Months, on the next of the dates which falls at six Monthly intervals after the first day of that Interest Period); and
 - (ii) the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts so that, for the avoidance of doubt:
 - (A) when the Accrued Amounts become payable, those Accrued Amounts will be payable for the account of the Existing Lender; and
 - (B) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 28.11, have been payable to it on that date, but after deduction of the Accrued Amounts.
- (b) In this Clause 28.11 references to "Interest Period" shall be construed to include a reference to any other period for accrual of fees.

28.12 Accession of Incremental Facility Lender

Any person which provides Incremental Facility Commitments or an Incremental Facility Loan (to the extent not already a Lender) shall become a party to the Intercreditor Agreement as a Senior Lender (as defined in the Intercreditor Agreement) and shall, at the same time, become a Party to this Agreement as a Lender by executing an Accession Certificate.

28.13 Debt Purchase Transactions

- (a) Notwithstanding any other term of this Agreement or the other Finance Documents, any member of the Group may purchase by way of a Debt Purchase Transaction a participation in any Utilisation and/or any Commitment.
- (b) A member of the Group (or the Parent on behalf of the relevant member of the Group) (a "Purchaser") may purchase by way of assignment, pursuant to this Clause, a participation in any Term Loan and any related Commitment.

-
- (c) Any Debt Purchase Transaction entered into by a member of the Group may be entered into pursuant to a solicitation process (a **"Solicitation Process"**) which is carried out as follows:
- (i) Prior to 11:00am on a given Business Day (the **"Solicitation Day"**) the relevant Purchaser or a financial institution acting on its behalf (the **"Purchase Agent"**) will approach at the same time each Lender which participates in the Facilities or an Incremental Facility (as applicable) to invite them to offer to sell to the relevant Purchaser, an amount of their participation in that Facility. Any Lender wishing to make such an offer shall, by 11:00am on the second Business Day following such Solicitation Day, communicate to the Purchase Agent details of the amount of its participations, it is offering to sell and the price at which it is offering to sell such participations. Any such offer shall be irrevocable until 11:00am on the third Business Day following such Solicitation Day and shall be capable of acceptance by the relevant Purchaser on or before such time by communicating its acceptance in writing to the Purchase Agent or, if it is the Purchase Agent, the relevant Lenders. The Purchase Agent (if someone other than the Purchaser) will communicate to the relevant Lenders which offers have been accepted by 12 noon on the third Business Day following such Solicitation Day. In any event by 11:00am on the fourth Business Day following such Solicitation Day, the Purchaser shall notify the Agent of the amounts of the participations purchased through the relevant Solicitation Process and the identity of such Lenders to which they relate. The Agent shall disclose such information to any Lender that requests such disclosure.
 - (ii) If it chooses to accept any offers made pursuant to a Solicitation Process, the Purchaser shall be free to select which offers and in which amounts it accepts but on the basis that, in relation to a participation in a particular Facility it accepts, offers in inverse order of the price offered (with the offer or offers at the lowest price being accepted first) and that if in respect of participations in a particular Facility it receives two or more offers at the same price it shall only accept such offers on a pro rata basis.
 - (iii) Any purchase of participations in any Facility pursuant to a Solicitation Process shall be completed and settled on or before the fifth Business Day after the relevant Solicitation Day.
 - (iv) In accepting any offers made pursuant to a Solicitation Process the Purchaser shall be free to select which offers and in which amounts it accepts.
- (d) A Debt Purchase Transaction entered into by a member of the Group may be entered into pursuant to an open order process (an **Open Order Process**) which is carried out as follows:
- (i) A Purchaser may, by itself or through the same or another Purchase Agent, place an open order (an **Open Order**) to purchase participations in one or more of the Facilities up to a set aggregate amount at a set price by notifying at the same time all the Lenders participating in the relevant Facilities of the same. Any Lender wishing to sell pursuant to an Open Order will, by 11:00am on any Business Day following the date on which the Open Order is placed but no earlier than the first Business Day, and no later than the fifth Business Day, following the date on which the Open Order is placed, communicate to the Purchase Agent details of the amount of its participations, and in which Facilities, it is offering to sell. Any such offer to sell shall be irrevocable until 11:00am on the Business Day following the date of such offer from the Lender and shall be capable of acceptance by the Parent on behalf of the relevant Borrower(s) on or before such time by it communicating such acceptance in writing to the relevant Lender.

-
- (ii) Any purchase of participations in the Facilities pursuant to an Open Order Process shall be completed and settled by the relevant Borrower(s) on or before the fourth Business Day after the date of the relevant offer by a Lender to sell under the relevant Open Order.
 - (iii) If in respect of participations in a Facility the Purchase Agent receives on the same Business Day two or more offers at the set price such that the maximum amount of such Facility to which an Open Order relates would be exceeded, the Parent shall only accept such offers on a pro rata basis. For the avoidance of doubt and notwithstanding the foregoing, the Parent shall be entitled to disregard any offers which come with conditions or terms that are not satisfactory to it.
 - (iv) The Parent shall, by 11:00am on the sixth Business Day following the date on which an Open Order is placed, notify the Agent of the amounts of the participations purchased through such Open Order Process and the identity of the Facilities to which they relate. The Agent shall disclose such information to any Lender that requests the same.
- (e) A Debt Purchase Transaction may be entered into pursuant to a bilateral process (a **Bilateral Process**) which is carried out as follows:
- (i) A Purchaser may, by itself or through the same or another Purchase Agent, at any time, purchase participations and/or Commitments from the Lenders pursuant to secondary market purchases and/or pursuant to such bilateral arrangements with any Lenders as the Purchaser shall see fit.
 - (ii) Any purchase of participations in any Facility pursuant to a Bilateral Process shall be completed and settled by the relevant Purchaser(s) on or before the second Business Day after the expiry of the Bilateral Process period referred to in paragraph (i) above.
 - (iii) The Parent (on behalf of the relevant member of the Group) shall promptly notify the Agent of the amounts of each participation purchased through such Bilateral Process and the identity of such Lenders to which they relate. The Agent shall disclose such information to any Lender that requests the same.
- (f) For the avoidance of doubt:
- (i) there is no requirement for any Debt Purchase Transaction by a member of the Group to be entered into pursuant to a Solicitation Process, Open Order Process or a Bilateral Process;
 - (ii) there is no limit on the number of occasions a Solicitation Process, Open Order Process or Bilateral Process may be implemented; and
 - (iii) any source of funding may be used to effect any Debt Purchase Transaction (including, for the avoidance of doubt, any Revolving Facility Utilisation).

- (g) In relation to any Debt Purchase Transaction entered into pursuant to this Clause, notwithstanding any other term of this Agreement or the other Finance Documents (in the case of a Lender that is a member of the Group):
- (i) on completion of the relevant assignment pursuant to this Clause, the portions of the Loans to which it relates shall, unless there would be a material adverse tax impact on the Group as a result of such cancellation, be extinguished if the purchaser is the relevant Borrower;
 - (ii) such Debt Purchase Transaction and the related extinguishment referred to in paragraph (i) above shall not constitute a prepayment of the Facilities;
 - (iii) the member of the Group or Purchaser which is the assignee shall be deemed to be an entity which fulfils the requirements of a New Lender;
 - (iv) no member of the Group shall be deemed to be in breach of any provision of this Agreement or any other provisions of the Finance Documents solely by reason of such Debt Purchase Transaction;
 - (v) Clause 32 (*Sharing among the Finance Parties*) shall not be applicable to the consideration paid under such Debt Purchase Transaction; and
 - (vi) for the avoidance of doubt, any extinguishment of any part of the Term Loans shall not affect any amendment or waiver which prior to such extinguishment had been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement.

28.14 Affiliated Lenders

Unless otherwise agreed by the Majority Lenders, for so long as an Affiliated Lender (i) beneficially owns a Commitment or (ii) has entered into a sub-participation agreement relating to a Commitment or other agreement or arrangement having a substantially similar economic effect (and such agreement or arrangement has not been terminated), the provisions of Clause 28.15 (*Notifiable Debt Purchase Transactions*) shall apply to that Affiliated Lender.

28.15 Notifiable Debt Purchase Transactions

- (a) Each Lender shall, unless the Debt Purchase Transaction is an assignment, promptly notify the Agent in writing if it knowingly enters into a Debt Purchase Transaction with a member of the Group or an Affiliated Lender (a “**Notifiable Debt Purchase Transaction**”), such notification to be substantially in the form set out in Part 1 (*Form of Notice on entering into Notifiable Debt Purchase Transaction*) of Schedule 13 (*Forms of Notifiable Debt Purchase Transaction Notice*).
- (b) A Lender shall promptly notify the Agent if a Notifiable Debt Purchase Transaction to which it is a party is terminated or ceases to be with a member of the Group or an Affiliated Lender, such notification to be substantially in the form set out in Part 2 (*Form of Notice on Termination of Notifiable Debt Purchase Transaction*) of Schedule 13 (*Forms of Notifiable Debt Purchase Transaction Notice*).
- (c) Unless otherwise agreed by the Majority Lenders and subject to paragraphs (d) and (e) below, each Lender that is an Affiliated Lender or a member of the Group agrees that (in its capacity as a Lender):
 - (i) in relation to any meeting or conference call to which all the Lenders are invited to attend or participate, unless the Agent otherwise agrees, it shall not attend or participate in the same or be entitled to receive the agenda or any minutes of the same;

- (ii) in its capacity as Lender, unless the Agent otherwise agrees, it shall not be entitled to receive any report or other document prepared at the behest of, or on the instructions of, the Agent or one or more of the Lenders;
 - (iii) in ascertaining the Majority Lenders or Super Majority Lenders or whether any given percentage (including, for the avoidance of doubt, unanimity) of the Total Commitments or the agreement of any specified group of Lenders has been obtained to give an instruction or approve any request for a consent, waiver, amendment or other vote under the Finance Documents, such Commitment owned by that Lender shall be deemed to be zero; and
 - (iv) subject to paragraph (iii) above and paragraph (d) below, for the purposes of Clause 39.2 (*Exceptions*), it shall be deemed not to be a Lender.
- (d) Notwithstanding paragraph (c) above, Affiliated Lenders shall have the right to vote on any amendment, modification, waiver, consent or other action described in Clause 39.2 (*Exceptions*) or otherwise requiring the consent of each Lender or of each Lender directly and adversely affected thereby.
- (e) Notwithstanding paragraph (c) above, no amendment, modification, waiver, consent or other action with respect to any of the terms of any Finance Document or any departure by any Finance Party therefrom may affect any Affiliated Lender in a manner that is disproportionate to the effect on any Lender of the same class or that would deprive such Affiliated Lender of its Pro Rata Share of any payments to which it is entitled.

29. CHANGES TO THE OBLIGORS

29.1 Assignment and transfers by Obligors

No Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

29.2 Additional Borrowers

- (a) Subject to compliance with Clause 25.7 (*Know your customer checks*), the Parent may request that any of its Restricted Subsidiaries becomes an Additional Borrower. That Subsidiary shall become a Borrower if:

 - (v) the Subsidiary is (or becomes) a Guarantor prior to or contemporaneously with becoming a Borrower; and
 - (vi) the Agent has received (or otherwise waived the requirement to receive) all of the documents and other evidence set out in Part 3 (*Conditions Precedent required to be delivered by an Additional Obligor*) of Schedule 2 (*Conditions Precedent*) in relation to that Additional Borrower, each in form and substance satisfactory to the Agent (acting reasonably).
- (b) The Agent shall notify the Parent and the Lenders promptly upon being satisfied that it has received (in form and substance satisfactory to it (acting reasonably)) all of the documents and other evidence set out in Schedule 2 (*Conditions Precedent*) in relation to that Additional Borrower.
- (c) Other than to the extent that the Majority Lenders notify the Agent in writing to the contrary before the Agent gives the notification described in paragraph (b) above, the Lenders authorise (but do not require) the Agent to give that notification. The Agent shall not be liable for any damages, costs or losses whatsoever as a result of giving any such notification.
- (d) Upon the Agent's confirmation to the Parent that it has received (or otherwise waived the requirement to receive) all documents referred to in paragraph (b) above in respect of an Additional Borrower, such Additional Borrower, the other Obligors and the Finance Parties shall each assume such obligations towards one another and/or acquire such rights against each other party as they would have assumed or acquired had such Additional Borrower been an original Party to this Agreement as a Borrower and a Guarantor and to the Intercreditor Agreement as a Debtor (as defined in the Intercreditor Agreement) and such Additional Borrower shall become a Party to this Agreement as a Borrower and as a Guarantor and to the Intercreditor Agreement as a Debtor (as defined in the Intercreditor Agreement).

29.3 Resignation of a Borrower

- (a) The Parent may request that a Borrower (other than the TLB Borrowers) ceases to be a Borrower by delivering to the Agent a resignation letter to that effect.
- (b) The Agent shall accept such resignation letter and notify the Parent and the Lenders of its acceptance if:
- (i) no Default is continuing or would result from the acceptance of the resignation letter (and the Parent has confirmed this is the case); and

- (ii) the relevant Borrower is under no actual or contingent obligations as a Borrower under any Finance Documents; and
 - (iii) where the Borrower is also a Guarantor (unless its resignation has been or is contemporaneously accepted in accordance with Clause 29.5 (*Resignation of a Guarantor*)), its obligations in its capacity as Guarantor continue to be legal, valid, binding and enforceable and in full force and effect (subject to the Legal Reservations) and (other than by reason of law) the amount guaranteed by it as a Guarantor is not decreased (and the Parent has confirmed this is the case).
- (c) Upon notification by the Agent to the Parent of its acceptance of the resignation of a Borrower, that entity shall cease to be a Borrower and shall have no further rights or obligations under the Finance Documents as a Borrower.

29.4 Additional Guarantors

- (a) Subject to compliance with Clause 25.7 (*Know your customer checks*), the Parent may request that any of its Restricted Subsidiaries becomes a Guarantor. That Subsidiary shall become a Guarantor if:
- (i) the Parent and that Subsidiary deliver to the Agent a duly completed and executed Accession Deed; and
 - (ii) the Agent has received (or otherwise waived the requirement to receive) all of the documents and other evidence set out in Part 3 (*Conditions Precedent required to be delivered by an Additional Obligor*) of Schedule 2 (*Conditions Precedent*) in relation to that Additional Guarantor, each in form and substance satisfactory to the Agent (acting reasonably).
- (b) The Agent shall notify the Parent and the Lenders promptly upon being satisfied that it has received (in form and substance satisfactory to it (acting reasonably)) all of the documents and other evidence set out in Schedule 2 (*Conditions Precedent*) in relation to that Additional Guarantor.
- (c) Other than to the extent that the Majority Lenders notify the Agent in writing to the contrary before the Agent gives the notification described in (b) above, the Lenders authorise (but do not require) the Agent to give that notification. The Agent shall not be liable for any damages, costs or losses whatsoever as a result of giving any such notification.
- (d) Upon the Agent's confirmation to the Parent that it has received (or otherwise waived the requirement to receive) all documents referred to in paragraph (a) above in respect of an Additional Guarantor, such Additional Guarantor, the other Obligor and the Finance Parties shall each assume such obligations towards one another and/or acquire such rights against each other party as they would have assumed or acquired had such Subsidiary been an original Party to this Agreement as a Guarantor and to the Intercreditor Agreement as a Debtor (as defined in the Intercreditor Agreement) and such Additional Guarantor shall become a Party to this Agreement as a Guarantor and to the Intercreditor Agreement as a Debtor (as defined in the Intercreditor Agreement).

29.5 Resignation of a Guarantor

- (a) The Parent may request that a Guarantor (other than the Parent and the Company) ceases to be a Guarantor by delivering to the Agent a resignation letter if:
 - (i) that Guarantor is being disposed (directly or indirectly) pursuant to a Disposition permitted (or not prohibited) pursuant to Schedule 12 (*General Undertakings*) (including a disposal made with the approval of the Majority Lenders) or is subject to or part of a Permitted Transaction (and the Parent has confirmed this is the case);
 - (ii) that Guarantor is not a Material Subsidiary that is incorporated in a Security Jurisdiction (and the Parent has confirmed this is the case) and the Guarantor and Security Coverage Requirement would still be satisfied after the resignation; or
 - (iii) the Majority Lenders have consented to the resignation of that Guarantor.

- (c) The resignation of that Guarantor shall not be effective until the date of (i) in the case of (a)(i) above, the relevant disposal or Permitted Transaction, (ii) in the case of (a)(ii) above, the resignation letter's acceptance by the Agent in accordance with paragraph (b) above or (iii) in the case of (a)(iii) above, resignation agreed by the Majority Lenders, at which time that entity shall cease to be a Guarantor and shall have no further rights or obligations under the Finance Documents as a Guarantor.
- (d) If a Guarantor (a "**Merging Guarantor**") is merged into another Guarantor pursuant to a transaction which is permitted or not prohibited by this Agreement, that Merging Guarantor shall cease to be a Guarantor as at the date on which the merger is effective and from (and including) such date shall have no further rights or obligations under the Finance Documents as a Guarantor (to the extent consistent with applicable law), without any requirement for a resignation letter or other document to be delivered to any Finance Party.

29.6 Repetition of Representations

Delivery of an Accession Deed constitutes confirmation by the relevant Subsidiary that all the Repeating Representations applicable to it are true and correct in all material respects in relation to it as at the date of delivery as if made by reference to the facts and circumstances then existing.

29.7 Release

- (c) Save in the case of decisions stipulated to be a matter for any other Lender or group of Lenders under the relevant Finance Document and unless a contrary indication appears in a Finance Document, any instructions given to the Agent by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Finance Parties save for the Security Agent.
- (d) The Agent may refrain from acting in accordance with any instructions of any Lender or group of Lenders until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may include payment in advance) for any cost, loss or liability which it may incur in complying with those instructions.
- (e) In the absence of instructions, the Agent may act (or refrain from acting) as it considers to be in the best interest of the Lenders.

- (b) None of the Agent, the Issuing Bank, the Security Agent, the Arrangers or any Ancillary Lender shall be bound to account to any Lender for any sum or the profit element of any sum received by it for its own account.

- (b) The Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Lenders) that:
- (i) no Default has occurred (unless it has actual knowledge of a Default arising under Clause 27.1 *Payment default*);
 - (ii) any right, power, authority or discretion vested in any Party or any group of Lenders has not been exercised; and
 - (iii) any notice or request made by the Parent is made on behalf of and with the consent and knowledge of all the Obligors.

- (d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Agent (and so separate from any lawyers instructed by the Lenders) if the Agent in its reasonable opinion deems this to be desirable.
- (e) The Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Agent, or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.
- (f) The Agent may act in relation to the Finance Documents through its officers, employees and agents and the Agent shall not:
- (i) be liable for any error of judgment made by any such person; or
 - (ii) be bound to supervise, or be in any way responsible for, any loss incurred by reason of misconduct, omission or default on the part of any such person,

- (g) Unless a Finance Document expressly provides otherwise, the Agent may disclose to any other Party any information it reasonably believes it has received as agent under this Agreement.
- (h) Without prejudice to the generality of paragraph (g) above, the Agent:

- (j) Notwithstanding any provision of any Finance Document to the contrary, the Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

30.8 Responsibility for documentation

None of the Agent, any Issuing Bank, the Arrangers or any Ancillary Lender is responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Agent, any Arranger, an Ancillary Lender, an Obligor or any other person in or in connection with any Finance Document, the Tax Structure Memorandum or the transactions contemplated in the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document;
- (b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document or the Transaction Security or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security; or
- (c) any determination as to whether any information provided or to be provided to any Finance Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

30.9 No duty to monitor

The Agent shall not be bound to enquire:

- (a) whether or not any Default has occurred;
- (b) as to the performance, default or any breach by any Party of its obligations under any Finance Document; or

 - (i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Finance Document or the Transaction Security, unless directly caused by its gross negligence or wilful misconduct;

-
- (ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Finance Document, the Transaction Security or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security; or
 - (iii) without prejudice to the generality of paragraphs (i) and (ii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of:
 - (A) any act, event or circumstance not reasonably within its control; or
 - (B) the general risks of investment in, or the holding of assets in, any jurisdiction, including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event); breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.

 - (c) The Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Agent if the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.
 - (d) Nothing in this Agreement shall oblige the Agent or the Arrangers to carry out:
 - (i) any “know your customer” or other checks in relation to any person; or
 - (ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Lender, on behalf of any Lender and each Lender confirms to the Agent and the Arrangers that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent or the Arrangers.

- (e) Without prejudice to any provision of any Finance Document excluding or limiting the Agent's liability, any liability of the Agent arising under or in connection with any Finance Document or the Transaction Security shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Agent at any time which increase the amount of that loss. In no event shall the Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Agent has been advised of the possibility of such loss or damages.

30.11 Lenders' indemnity to the Agent

- (b) If the Available Facilities are then zero, each Lender's indemnity under paragraph (a) above shall be in proportion to its Available Commitments to the Available Facilities immediately prior to their reduction to zero, unless there are then any Utilisations and utilisations of the Ancillary Facilities outstanding, in which case it shall be in proportion to its participations in the Utilisations and utilisations of the Ancillary Facilities then outstanding to all the Utilisations and utilisations of the Ancillary Facilities then outstanding.
- (c) Subject to paragraph (d) below, the Parent shall promptly on demand reimburse any Lender for any payment that Lender makes to the Agent pursuant to paragraph (a) above.
- (d) Paragraph (c) above shall not apply to the extent:
 - (i) that the indemnity payment in respect of which the Lender claims reimbursement relates to a liability of the Agent to an Obligor; or
 - (ii) that the Parent has already reimbursed the Agent for the same cost, loss or liability pursuant to Clause 20.3 *Indemnity to the Agent*.

30.12 Waiver of Conflicts of Interest

The Finance Parties acknowledge that, at any time when Credit Suisse AG, London Branch is the Agent under this Agreement and also the Agent under and as defined in the Second Lien Facility Agreement, a conflict of interest may arise or be perceived to have arisen (such actual or perceived conflict of interest, a "**Conflict of Interest**") and, accordingly, each Finance Party irrevocably waives any rights or remedies relating to such Conflict of Interest and waives any right to take action against Credit Suisse AG, London Branch in its capacity as the Agent or any director, manager, officer agent and employee thereof as a result of such Conflict of Interest.

- (a) The Agent may resign and appoint one of its Affiliates acting through an office in the United Kingdom (or any other jurisdiction agreed by the Parent) as its successor by giving notice to the Lenders and the Parent.

-
- (b) Alternatively the Agent may resign by giving 30 days' notice to the Lenders and the Parent, in which case the Majority Lenders (after consultation with the Parent) may appoint a successor Agent.
 - (c) If the Majority Lenders have not appointed a successor Agent in accordance with paragraph (b) above within 20 days after notice of resignation was given, the retiring Agent may appoint a successor Agent (acting through an office in the United Kingdom).
 - (d) If the Agent wishes to resign because (acting reasonably) it has concluded that it is no longer appropriate for it to remain as agent and the Agent is entitled to appoint a successor Agent under paragraph (c) above, the Agent may (if it concludes (acting reasonably) that it is necessary to do so in order to persuade the proposed successor Agent to become a party to this Agreement as Agent) agree with the proposed successor Agent amendments to this Clause 30.13 and any other term of this Agreement dealing with the rights or obligations of the Agent consistent with then current market practice for the appointment and protection of corporate trustees together with any reasonable amendments to the agency fee payable under this Agreement which are consistent with the successor Agent's normal fee rates and those amendments will bind the Parties.
 - (e) The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
 - (f) The Agent's resignation notice shall only take effect upon the appointment of a successor.
 - (g) Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (e) above) but shall remain entitled to the benefit of Clause 20.3 (*Indemnity to the Agent*) and this Clause 30.13 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.
 - (h) The Agent shall resign in accordance with paragraph (b) above (and, to the extent applicable, shall use reasonable endeavours to appoint a successor Agent pursuant to paragraph (c) above) if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Agent under the Finance Documents, either:
 - (i) the Agent fails to respond to a request under Clause 18.9 (*FATCA Information*) and the Parent or a Lender reasonably believes that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;
 - (ii) the information supplied by the Agent, pursuant to Clause 18.9 (*FATCA Information*) indicates that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or
 - (iii) the Agent notifies the Parent and the Lenders that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date,

and (in each case) the Parent or a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Agent were a FATCA Exempt Party, and the Parent or that Lender, by notice to the Agent if applicable, requires it to resign.

30.14 Replacement of the Agent

- (a) After consultation with the Parent the Majority Lenders may, by giving 30 days' notice to the Agent (or, at any time the Agent is an Impaired Agent, by giving any shorter notice determined by the Majority Lenders) replace the Agent by appointing a successor Agent (acting through an office in the United Kingdom).
- (b) The Parent may, provided it gives not less than 30 days' prior notice, at any time while the Agent is an Impaired Agent replace the Agent by appointing a successor (acting through an office in the United Kingdom).
- (c) The retiring Agent shall (at its own cost if it is an Impaired Agent and otherwise at the expense of the Lenders) make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
- (d) The appointment of the successor, Agent shall take effect on the date specified in the notice from the Majority Lenders to the retiring Agent. As from this date, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (b) above) but shall remain entitled to the benefit of Clause 20.3 (*Indemnity to the Agent*) and this Clause 30.14 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date).
- (e) Any successor Agent and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

30.15 Confidentiality

- (a) In acting as agent for the Finance Parties, the Agent shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.
- (b) If information is received by another division or department of the Agent, it may be treated as confidential to that division or department and the Agent shall not be deemed to have notice of it.
- (c) Notwithstanding any other provision of any Finance Document to the contrary, neither the Agent nor any Arranger is obliged to disclose to any other person (i) any confidential information or (ii) any other information if the disclosure would or might in its reasonable opinion constitute a breach of any law or regulation or a breach of a fiduciary duty.

30.16 Relationship with the Lenders

- (a) Subject to Clause 28.11 (*Pro rata interest settlement*), the Agent may treat the person shown in its records as Lender at the opening of business (in the place of the Agent's principal office as notified to the Finance Parties from time to time) as the Lender acting through its Facility Office:

- (i) entitled to or liable for any payment due under any Finance Document on that day; and
- (ii) entitled to receive and act upon any notice, request, document or communication or make any decision or determination under any Finance Document made or delivered on that day,

- (c) Any Lender may by notice to the Agent appoint a person to receive on its behalf all notices, communications, information and documents to be made or despatched to that Lender under the Finance Documents. For the purposes of the Finance Documents that Party shall be regarded as having received any amount so deducted.

The execution prior to the date hereof by the Security Agent in its capacity as the Hypothecary Representative of any deed of hypothec or other security documents made pursuant to the laws of the Province of Québec, is hereby ratified and confirmed. Any person who becomes a Secured Party or successor Security Agent shall be deemed to have consented to and ratified the foregoing appointment of the Security Agent as the Hypothecary Representative on behalf of all Secured Parties, including such person and any Affiliate of such person designated above as a Secured Party. For greater certainty, the Security Agent, acting as the Hypothecary Representative, shall have the same rights, powers, immunities, indemnities and exclusions from liability as are prescribed in favor of the Security Agent in this Agreement, which shall apply mutatis mutandis. In the event of the resignation of the Security Agent (which shall include its resignation as the Hypothecary Representative) and appointment of a successor Security Agent, such successor Security Agent shall also act as the Hypothecary Representative, as contemplated above.

31. CONDUCT OF BUSINESS BY THE FINANCE PARTIES

No provision of this Agreement will:

- (a) interfere with the right of any Finance Party to arrange its affairs (tax or otherwise) in whatever manner it thinks fit;
- (b) oblige any Finance Party to investigate or claim any credit, relief, remission or repayment available to it or the extent, order and manner of any claim; or
- (c) oblige any Finance Party to disclose any information relating to its affairs (tax or otherwise) or any computations in respect of Tax.

32. SHARING AMONG THE FINANCE PARTIES

32.1 Payments to Finance Parties

- (a) Subject to paragraph (b) below, if a Finance Party (a “**Recovering Finance Party**”) receives or recovers any amount from an Obligor other than in accordance with Clause 33 (*Payment Mechanics*) (a “**Recovered Amount**”) and applies that amount to a payment due under the Finance Documents then:
 - (i) the Recovering Finance Party shall, within three Business Days, notify details of the receipt or recovery, to the Agent;
 - (ii) the Agent shall determine whether the receipt or recovery is in excess of the amount the Recovering Finance Party would have been paid had the receipt or recovery been received or made by the Agent and distributed in accordance with Clause 33 (*Payment Mechanics*), without taking account of any Tax which would be imposed on the Agent in relation to the receipt, recovery or distribution; and
 - (iii) the Recovering Finance Party shall, within three Business Days of demand by the Agent, pay to the Agent an amount (the “**Sharing Payment**”) equal to such receipt or recovery less any amount which the Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Clause 33.6 (*Partial payments*).

- (b) Paragraph (a) above shall not apply to any amount received or recovered by an Issuing Bank or an Ancillary Lender in respect of any cash cover provided for the benefit of that Issuing Bank or that Ancillary Lender.

32.2 Redistribution of payments

The Agent shall treat the Sharing Payment as if it had been paid by the relevant Obligor and distribute it between the Finance Parties (other than the Recovering Finance Party) (the "**Sharing Finance Parties**") in accordance with Clause 33.6 (*Partial payments*) towards the obligations of that Obligor to the Sharing Finance Parties.

32.3 Recovering Finance Party's rights

On a distribution by the Agent under Clause 32.2 (*Redistribution of payments*) of a payment received by a Recovering Finance Party from an Obligor, as between the relevant Obligor and the Recovering Finance Party, an amount of the Recovered Amount equal to the Sharing Payment will be treated as not having been paid by that Obligor.

32.4 Reversal of redistribution

If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

- (a) each Sharing Finance Party shall, upon request of the Agent, pay to the Agent for the account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay) (the "**Redistributed Amount**"); and
- (b) as between the relevant Obligor and each relevant Sharing Finance Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Obligor.

32.5 Exceptions

- (a) This Clause 32 shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Clause, have a valid and enforceable claim against the relevant Obligor.
- (b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:
 - (i) it notified the other Finance Party of the legal or arbitration proceedings; and
 - (ii) the other Finance Party had an opportunity to participate in those legal or arbitration proceedings but did not do so as soon as reasonably practicable having received notice and did not take separate legal or arbitration proceedings.

32.6 **Ancillary Lenders**

- (a) This Clause 32 shall not apply to any receipt or recovery by a Lender in its capacity as an Ancillary Lender at any time prior to service of notice under Clause 27.16 (*Acceleration*).
- (b) Following service of notice under Clause 27.16 (*Acceleration*), this Clause 32 shall apply to all receipts or recoveries by Ancillary Lenders.

33. **PAYMENT MECHANICS**

33.1 **Payments to the Agent**

- (a) On each date on which an Obligor or a Lender is required to make a payment under a Finance Document, excluding a payment under the terms of an Ancillary Document, that Obligor or Lender shall make the same available to the Agent (unless a contrary indication appears in a Finance Document) for value on the due date at the time and in such funds specified by the Agent as being customary at the time for settlement of transactions in the relevant currency in the place of payment.
- (b) Payment shall be made to such account in the principal financial centre of the country of that the relevant currency (or, in relation to a payment in euro, in the principal financial centre in such Participating Member State or London, as specified by the Agent) and with such bank as the Agent, in each case, specifies.

33.2 **Distributions by the Agent**

Each payment received by the Agent under the Finance Documents for another Party shall, subject to Clause 33.3 (*Distributions to an Obligor*) and Clause 33.4 (*Clawback and pre-funding*) be made available by the Agent as soon as practicable after receipt to the Party entitled to receive payment in accordance with this Agreement (in the case of a Lender, for the account of its Facility Office), to such account as that Party may notify to the Agent by not less than five Business Days' notice with a bank specified by that Party in the principal financial centre of the country of that the relevant currency (or, in relation to a payment in euro, in the principal financial centre of such Participating Member State or London, as specified by that Party).

33.3 **Distributions to an Obligor**

The Agent may (with the consent of the Obligor or in accordance with Clause 34 (*Set-Off*)) apply any amount received by it for that Obligor in or towards payment (on the date and in the currency and funds of receipt) of any amount due from that Obligor under the Finance Documents or in or towards purchase of any amount of any currency to be so applied.

33.4 **Clawback and pre-funding**

- (a) Where a sum is to be paid to the Agent under the Finance Documents for another Party, the Agent, as the case may be, is not obliged to pay that sum to that other Party (or to enter into or perform any related exchange contract) until it has been able to establish to its satisfaction that it has actually received that sum.
- (b) Unless paragraph (c) below applies, if the Agent pays an amount to another Party and it proves to be the case that the Agent, as the case may be, had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid by the Agent shall on demand refund the same to the Agent, as the case may be, together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.

- (c) If the Agent has notified the Lenders that it is willing to make available amounts for the account of a Borrower before receiving funds from the Lenders, then if and to the extent that the Agent does so but it proves to be the case that it does not then receive funds from a Lender in respect of a sum which it paid to a Borrower:
 - (i) the Agent, as the case may be, shall notify the Parent of that Lender's identity and the Borrower to whom that sum was made available shall on demand refund it to the Agent; and
 - (ii) the Lender by whom those funds should have been made available or, if that Lender fails to do so, the Borrower to whom that sum was made available, shall on demand pay to the Agent the amount (as certified by the Agent) which will indemnify the Agent against any funding cost incurred by it as a result of paying out that sum before receiving those funds from that Lender.

33.5 Impaired Agent

- (a) If, at any time, the Agent becomes an Impaired Agent, an Obligor or a Lender which is required to make a payment under the Finance Documents to the Agent, as the case may be, in accordance with Clause 33.1 (*Payments to the Agent*) may instead either:
 - (i) pay that amount direct to the required recipient(s); or
 - (ii) if in its absolute discretion it considers that it is not reasonably practicable to pay that amount direct to the required recipient(s), pay that amount or the relevant part of that amount to an interest-bearing account held with an Acceptable Bank within the meaning of paragraph (a) of the definition of "Acceptable Bank" and in relation to which no Insolvency Event has occurred and is continuing, in the name of the Obligor or the Lender making the payment (the "**Paying Party**") and designated as a trust account for the benefit of the Party or Parties beneficially entitled to that payment under the Finance Documents (the "**Recipient Party**" or "**Recipient Parties**").

In each case such payments must be made on the due date for payment under the Finance Documents.

- (b) All interest accrued on the amount standing to the credit of the trust account shall be for the benefit of the Recipient Party or Recipient Parties *pro rata* to their respective entitlements.
- (c) A Party which has made a payment in accordance with this Clause 33.5 shall be discharged of the relevant payment obligation under the Finance Documents and shall not take any credit risk with respect to the amounts standing to the credit of the trust account.
- (d) Promptly upon the appointment of a successor Agent, as the case may be, in accordance with Clause 30.14 (*Replacement of the Agent*), each Paying Party shall (other than to the extent that that Party has given an instruction pursuant to paragraph (e) below) give all requisite instructions to the bank with whom the trust account is held to transfer the amount (together with any accrued interest) to the successor Agent for distribution in accordance with Clause 33.2 (*Distributions by the Agent*).
- (e) A Paying Party shall, promptly upon request by a Recipient Party and to the extent:

- (i) that it has not given an instruction pursuant to paragraph (d) above; and
 - (ii) that it has been provided with the necessary information by that Recipient Party,
- give all requisite instructions to the bank with whom the trust account is held to transfer the relevant amount (together with any accrued interest) to that Recipient Party.

33.6 Partial payments

- (a) If the Agent receives a payment for application against amounts due in respect of any Finance Documents that is insufficient to discharge all the amounts then due and payable by an Obligor under those Finance Documents, the Agent shall apply that payment towards the obligations of that Obligor under those Finance Documents in the following order:
 - (i) **first**, in or towards payment *pro rata* of any unpaid amount owing to the Agent, the Security Agent or the Issuing Bank (other than any amount under Clause 7.2 (*Claims under a Letter of Credit*) or, to the extent relating to the reimbursement of a Claim (as defined in Clause 7 (*Letters of Credit*) or Clause 7.3 (*Indemnities*) under those Finance Documents;
 - (ii) **secondly**, in or towards payment *pro rata* of any accrued interest, fee or commission due but unpaid under those Finance Documents;
 - (iii) **thirdly**, in or towards payment *pro rata* of any principal due but unpaid under those Finance Documents; and
 - (iv) **fourthly**, in or towards payment *pro rata* of any other sum due but unpaid under the Finance Documents.
- (b) The Agent shall, if so directed by the Majority Lenders, vary the order set out in paragraphs (a)(ii) to (iv) above.
- (c) Paragraphs (a) and (b) above will override any appropriation made by an Obligor.

33.8 Business Days

- (c) Each payment of interest shall be made in the currency in which the sum in respect of which the interest is payable was denominated, pursuant to this Agreement, when that interest accrued.

- (b) If a change in any currency of a country occurs, this Agreement will, to the extent the Agent (acting reasonably and after consultation with the Parent) specifies to be necessary, be amended to comply with any generally accepted conventions and market practice in the Relevant Market and otherwise to reflect the change in currency.

33.11 Disruption to payment systems etc.

If either the Agent determines (in its discretion) that a Disruption Event has occurred or the Agent is notified by the Parent that a Disruption Event has occurred:

- (b) the Agent shall not be obliged to consult with the Parent in relation to any changes mentioned in paragraph (a) above if, in its opinion, it is not practicable to do so in the circumstances and, in any event, shall have no obligation to agree to such changes;
- (c) the Agent may consult with the Finance Parties in relation to any changes mentioned in paragraph (a) above but shall not be obliged to do so if, in its opinion, it is not practicable to do so in the circumstances;

- (d) any such changes agreed upon by the Agent and the Parent shall (whether or not it is finally determined that a Disruption Event has occurred) be binding upon the Parties as an amendment to (or, as the case may be, waiver of) the terms of the Finance Documents notwithstanding the provisions of Clause 39 (*Amendments and Waivers*);
- (e) the Agent shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever (including, without limitation for negligence, gross negligence or any other category of liability whatsoever but not including any claim based on the fraud of the Agent) arising as a result of its taking, or failing to take, any actions pursuant to or in connection with this Clause 33.11; and

- (ii) upon not less than 15 Business Days' prior written notice to the Agent, the Majority Lenders and the Parent *provided* that it is reasonably practicable for the Agent to administer such Successor Benchmark Rate (such practicability being determined by the Agent in its reasonable discretion),

in each case, having regard to the prevailing market convention in London at such time with respect to the benchmark for determining interest for syndicated bank loans in the relevant currency, and the Agent shall apply the Successor Benchmark Rate in a manner that is administratively feasible to the Agent, giving due regard to then-prevailing market practice (determined by the Agent in consultation with the Parent).

AGREED SECURITY PRINCIPLES

1. SECURITY PRINCIPLES

- (a) The guarantees and security to be provided will be given in accordance with the Agreed Security Principles set out in this Schedule. This Schedule addresses the manner in which the Agreed Security Principles will impact on the guarantees and security proposed to be taken in relation to this transaction.
- (b) The Agreed Security Principles embody recognition by all parties that there may be certain legal and practical difficulties in obtaining guarantees and security from all Obligor in every jurisdiction in which Obligor are located. In particular:
 - (i) general legal and statutory limitations (including, but not limited to, with respect to the relevant jurisdictions for which guarantee limitation language is set out in Clauses 23.11 (*Guarantee Limitations*) to 23.14 (*Limitations – Regulated Entities*), such limitations as set out therein), financial assistance, corporate benefit, fraudulent preference, “thin capitalisation”, “earnings stripping”, “controlled foreign corporation” and “capital maintenance” rules, retention of title claims, employee consultation or approval requirements and similar principles may limit the ability of a member of the Group to provide a guarantee or security or may require that the guarantee or security be limited by an amount or otherwise;
 - (ii) the relevant Obligor will use reasonable endeavours to assist in demonstrating that adequate corporate benefit accrues to each relevant Obligor and to overcome any such other limitations to the extent reasonably practicable;
 - (iii) the Transaction Security and extent of its perfection will be agreed taking into account the cost to the Group of providing such security (including any increase to the tax and/or regulatory costs of the Group) so as to ensure that it is proportionate to the benefit accruing to the Finance Parties and the maximum guaranteed or secured amount may be limited to minimise stamp duty, notarisation, registration or other applicable fees, taxes and duties where the benefit of increasing the guaranteed or secured amount is disproportionate to the level of such fee, taxes and duties;
 - (iv) any assets subject to third party arrangements which are permitted by this Agreement and which prevent those assets from being charged, and any cash constituting regulatory capital or customer cash, will be excluded from any relevant Transaction Security Document;
 - (v) members of the Group will not be required to give guarantees or enter into security documents if: (1) they are not incorporated in a Security Jurisdiction or not wholly-owned by another member of the Group, or if it is not within the legal capacity of the relevant member of the Group, (2) in the good faith judgment of the directors of the Parent, the creation of Transaction Security and/or the giving of a guarantee and/or otherwise becoming an Obligor could materially increase a Capital Requirement, or materially adversely affect the solvency capital requirements, of the Group (or any member thereof) pursuant to any applicable law or regulation applicable to such member of the Group, (3) if it would conflict with the fiduciary duties of their directors or managers, or (4) contravene any legal, contractual or regulatory prohibition or result in a risk of personal or criminal liability on the part of any officer;

-
- (vi) if there are third party arrangements in place in respect of any asset, business or entity acquired by the Group (where those third party arrangements were not entered into in contemplation of that acquisition) as a result of which the consent of a third party is required for that acquired entity to provide a guarantee or to secure any acquired asset, such guarantee and/or security will not be required to be granted;
 - (vii) the granting or perfection of Transaction Security, when required, and other legal formalities will be completed as soon as reasonably practicable and, in any event, within the time periods specified in the Finance Documents therefore or (to the extent no such time periods are specified in the Finance Documents) within the time periods specified by applicable law in order to ensure due perfection, in each case taking into account the Agreed Security Principles;
 - (viii) the granting or perfection of Transaction Security will not be required if it would have a material adverse effect on the ability of the relevant Obligor to conduct its operations and business in the ordinary course or as otherwise permitted by the Finance Documents (including, without limitation, notification of such security to any third party);
 - (ix) unless granted under a global Transaction Security Document governed by English law (a **“Debenture”**) in respect of all assets security (other than share security over (and receivables owed by) its guarantor company subsidiaries), the Transaction Security Document shall be governed by the law of and secure assets located in or otherwise governed or expressed to be governed by the laws of the jurisdiction of incorporation of that Obligor;
 - (x) no perfection action will be required in jurisdictions that are not Security Jurisdictions;
 - (xi) the maximum guaranteed or secured amount may be limited to minimise stamp duty, notarisation, registration or other applicable fees, taxes and duties;
 - (xii) no guarantee or Transaction Security shall guarantee or secure any “Excluded Swap Obligations” defined in accordance with the LSTA Market Advisory Update dated 15 February 2013 entitled “Swap Regulations’ Implications for Loan Documentation”, and any update thereto by the LSTA;
 - (xiii) other than filing an MR01 form with the Registrar of Companies (England and Wales) with respect to a Debenture, no perfection action will be required with respect to assets of a type not owned by members of the Group; and
 - (xiv) the Security Agent will hold one set of Transaction Security for the Secured Parties (subject to applicable law).
- (c) The Security Agent (upon request or instruction, as applicable, in accordance with this Agreement) or the other Finance Parties, as the case may be, shall promptly discharge any guarantees and release any Transaction Security which is or are subject to any transaction permitted by this Agreement, subject to any legal or regulatory prohibition as is referred to in paragraph (b)(v) above or which is contrary to these Agreed Security Principles.

2. **GUARANTORS AND SECURITY**

- (a) Subject to due execution of all relevant documents, completion of all relevant formalities, the Legal Reservations, the Perfection Requirements, the application of the Agreed Security Principles and any qualifications or limitations which may be set out in any Finance Documents, guarantees will be provided by members of the Group to the extent required pursuant to Clause 13 (*Covenant to guarantee obligations and give security and further assurances*) of Schedule 12 (*General Undertakings*) to this Agreement.
- (b) Each guarantee will, to the extent legally possible and subject to Clause 23 (*Guarantees and Indemnity*) of this Agreement and the Agreed Security Principles, be an upstream, cross-stream and downstream guarantee and for all liabilities of the Obligors under the Finance Documents in accordance with, and subject to, local law requirements and the requirements of the Agreed Security Principles in each relevant jurisdiction.
- (c) Transaction Security Documents will, to the extent legally possible and subject to the Agreed Security Principles, incorporate the defined terms used in the Intercreditor Agreement and secure the Secured Obligations (as defined in the Intercreditor Agreement) of the relevant Obligor to the Secured Parties, in each case in accordance with, and subject to, local law requirements and the requirements of the Agreed Security Principles in each relevant jurisdiction and, in no circumstances, shall impose any obligation more onerous than those contained in this Agreement other than to the extent required by local law in order to create, enforce or perfect the security interest expressed to be created thereby.
- (d) Where an Obligor secures shares, the Security Document will be governed by the laws of the company whose shares are being charged or pledged and not by the law of the country of the Obligor. Subject to these principles the shares in each Guarantor shall be secured. For the avoidance of doubt, the shares held by an Obligor in a Subsidiary that is not an Obligor shall not be required to be the subject of Transaction Security other than in the case of Obligors incorporated in England and Wales that execute a Debenture.
- (e) To the extent legally effective, all security shall be given in favour of the Security Agent and not the Secured Parties individually. "Parallel debt" provisions will be used where necessary; such provisions will be contained in the Intercreditor Agreement and not the individual Security Documents unless required under local laws. To the extent possible, there should be no action required to be taken in relation to the guarantees or Transaction Security when any Lender assigns or transfers any of its participation in the Facilities to a New Lender.
- (f) The Obligors will only be required to pay reasonable third party costs of any re-execution, notarisation, re-registration, amendment or other perfection requirement for any Transaction Security on any assignment to a New Lender to the extent agreed between the Parent and the Arrangers prior to the Initial Closing Date in relation to an assignment by the Arrangers as part of primary syndication of the Facilities. Otherwise the cost or fee shall be for the account of the transferee Lender.
- (g) Any Transaction Security Document shall only be required to be notarised or notorially certified if required by law in order for the relevant Transaction Security to become effective or admissible in evidence.
- (h) No Regulated Entity or other member of the Group will be required to create Transaction Security over or otherwise encumber any Restricted Asset (including, without limitation, any bank accounts which contain or are reasonably likely to contain any Restricted Assets).

-
- (i) To the extent that any Regulated Entity becomes a Guarantor pursuant to the terms of this Agreement, the recourse under the guarantee and Transaction Security undertaken by it of any beneficiary of any such guarantee and Transaction Security will be strictly and expressly limited:
- (i) to the material Unrestricted Assets of that Regulated Entity; and
 - (ii) to the extent that such recourse does not affect the availability (immediately and without restriction) of Assets (as defined in Clause 23 (*Guarantees and Indemnity*) of this Agreement) to cover or have a result where the Regulated Entity does not satisfy a Capital Requirement as at the date the Security Agent or any Finance Party takes enforcement action (however described) against such Regulated Entity under any provision of this Agreement or any other Finance Document to which it is a party,
- in each case, in accordance with and subject to the principles set out in this Schedule and the other provisions of this Agreement.
- (j) Notwithstanding any term of any Finance Document, no Loan to a US Borrower or other obligation of a US Obligor under this Agreement or under any Finance Document may be, directly or indirectly: (i) guaranteed by a member of the Group (including, for this purpose, any direct or indirect subsidiaries acquired hereafter by the Company) that is a “controlled foreign corporation” (as defined in Section 957(a) of the Code) that has a “United States shareholder” (as defined in Section 951 of the Code) that is a member of the Group (such an entity, a “CFC”) or by an entity (a “FSHCO”) substantially all the assets of which consist of equity interests (or equity interests and indebtedness) of one or more CFCs or other FSHCOs, or guaranteed by a subsidiary of a CFC or FSHCO; (ii) secured by any assets of a CFC, FSHCO or a subsidiary of a CFC or a FSHCO (including any CFC or FSHCO equity interests held directly or indirectly by a CFC or FSHCO); (iii) secured by a pledge or other security interest in excess of 65% of the voting equity interests (and 100% of the non-voting equity interests) of a CFC or FSHCO; or (iv) guaranteed by any subsidiary or secured by a pledge or security interest in any subsidiary or other asset, if it would result in material adverse US tax consequences to any member of the Group that is organized or tax resident in the United States as reasonably determined by the Borrowers and the Obligors’ Agent and the Agent.

3. TERMS OF TRANSACTION SECURITY DOCUMENTS

- (a) Subject to due execution of all relevant security documents, completion of all relevant formalities, the Legal Reservations, the Perfection Requirements, the application of the Agreed Security Principles and any qualifications or limitations which may be set out in any Finance Documents, the Security Agent (and, where applicable, each of the other Finance Parties) shall receive the benefit of:
- (i) a guarantee from each Obligor (including each Borrower, the Parent and each Restricted Subsidiary required pursuant to Clause 13 (*Covenant to guarantee obligations and give security and further assurances*) of Schedule 12 (*General Undertakings*) to this Agreement (and for the avoidance of doubt no guarantee or Transaction Security will be provided by any Holding Company of the Parent);

-
- (ii) Transaction Security over, and limited in each case to, the shares (or equivalent) in any Obligor and material intercompany loan receivables of each Obligor, and, solely in the case of each Obligor incorporated in England and Wales, all material assets of such Obligor (subject to the principles set out in this Schedule) pursuant to a Debenture;
 - (iii) in respect of any Obligor incorporated in England and Wales only, Transaction Security pursuant to a small-asset floating charge to be set out in a Debenture;
 - (iv) trade receivables that are part of a Factoring Financing (or equivalent) shall not be pledged or secured as security in respect of the Secured Obligations (as defined in the Intercreditor Agreement);
 - (v) the Security Agent shall (and is irrevocably authorised and instructed to) promptly enter into and deliver any documentation and/or take such other action as may be required by the Parent to give effect to these Agreed Security Principles; and
 - (vi) for the avoidance of doubt: (i) no guarantee or Transaction Security shall be required to be provided by any person who is not an Obligor or in any jurisdiction other than a Security Jurisdiction; and (ii) Transaction Security shall not be granted over any assets (including, without limitation, over trade receivables, intellectual property, bank accounts, insurance policies, and real estate) other than as set out in paragraphs (i) to (v) (inclusive) above.
- (b) In addition to the above, the following principles will be reflected in the terms of any Transaction Security taken as part of this transaction:
- (i) the Transaction Security will be first ranking, to the extent possible;
 - (ii) Transaction Security will not be enforceable until an Event of Default has occurred which is continuing and notice of acceleration has been given by the Agent which results in an Acceleration Event (as defined in the Intercreditor Agreement) (provided that such Acceleration Event is not in respect of an Event of Default under Clause 27.2 (*Financial covenant*) in respect of which a Financial Covenant Cross-Default has not occurred and is not continuing) and will be enforceable only subject to the terms of the Intercreditor Agreement;
 - (iii) the Security Agent shall only be able to exercise a power of attorney following the occurrence of an Acceleration Event (as defined in the Intercreditor Agreement) (provided that such Acceleration Event is not in respect of an Event of Default under Clause 27.2 (*Financial covenant*) in respect of which a Financial Covenant Cross-Default has not occurred and is not continuing) which is continuing;
 - (iv) the provisions of each Transaction Security Document will not be unduly burdensome on the Obligor or interfere unreasonably with the operation of its business, will be limited to those required by local law to create, enforce or perfect security and will not impose commercial obligations and shall not contain additional representations and undertakings (such as in respect of insurance, maintenance of assets, information or the payment of costs) or otherwise repeat any such representations or undertakings given in this Agreement, other than those which are strictly required as a matter of law for the creation and perfection of the Transaction Security;

- (v) in the Transaction Security Documents there will be no repetition or extension of clauses set out in this Agreement (or the Intercreditor Agreement) including, without limitation, those relating to notices, costs and expenses, indemnities, tax gross up, distribution of proceeds and release of Transaction Security; representations and undertakings shall be included in the Transaction Security Documents only to the extent required by local law in order to create, enforce or perfect the security interest expressed to be created thereby;
- (vi) information, such as lists of assets, will be provided if, and only to the extent, required by local law to be provided to perfect, enforce or register the Transaction Security and, when required, shall be provided no more frequently than annually or, following an Acceleration Event (as defined in the Intercreditor Agreement) (provided that such Acceleration Event is not in respect of an Event of Default under Clause 27.2 (*Financial covenant*) in respect of which a Financial Covenant Cross-Default has not occurred and is not continuing), on the Security Agent's written request;
- (vii) the Transaction Security Documents should not and will not operate so as to prevent transactions which are not prohibited under the other Finance Documents; and
- (viii) Transaction Security will, where possible and practical, automatically create security over future assets of the same type as those already secured; where local law requires supplemental charges to be delivered in respect of future acquired assets in order for effective security to be created over that class of asset, such supplemental charges shall be provided at intervals no more frequently than annually, in each case on the Security Agent's reasonable written request; and
- (ix) each Transaction Security Document must contain a clause which records that if there is a conflict between the Transaction Security Document and this Agreement or the Intercreditor Agreement then (to the fullest extent permitted by law) the provisions of this Agreement or (as applicable) the Intercreditor Agreement will take priority over the provisions of the relevant Transaction Security Document.

4. SHARES

- (a) If an Obligor grants Transaction Security over shares held by it, until notified in writing by the Security Agent following an Acceleration Event (as defined in the Intercreditor Agreement), the Obligor will be permitted to retain and to exercise voting rights appertaining to any shares charged by it and the company whose shares have been charged will be permitted to pay dividends upstream on charged shares to the extent permitted under the Finance Documents with the proceeds to be available to the Parent and its Restricted Subsidiaries.
- (b) Where customary and applicable as a matter of law, on or within 20 Business Days following execution of any Transaction Security over shares, to the extent applicable, the share certificate and a stock transfer form executed in blank will be provided to the Security Agent and, where required by law, the share certificate or shareholders' register will be endorsed or written up and the endorsed share certificate or a copy of the written up register provided to the Security Agent. To the extent that any relevant share certificates cannot be located, the relevant member of the Group shall use reasonable efforts to obtain replacements.

-
- (c) Unless the restriction is required by law or regulation (or as expressly contemplated in any Transaction Security Document), the constitutional documents of the company whose shares have been charged will be amended to remove any restriction on the transfer or the registration of the transfer of the shares on the taking or enforcement of the Transaction Security granted over them.
 - (d) If required under local law, Transaction Security over shares will be registered subject to the general principles set out in these Agreed Security Principles.

5. **INTERCOMPANY RECEIVABLES**

- (a) If an Obligor grants Transaction Security over its material intercompany receivables it shall be free to deal with those receivables in the course of its business until notified by the Agent following an Acceleration Event (as defined in the Intercreditor Agreement).
- (b) If required by local law to perfect the Transaction Security, notice of the Transaction Security will be served on the relevant borrower in respect of material intercompany receivables within 20 Business Days of the Transaction Security being granted and the Obligor shall use its commercially reasonable endeavours (not involving the payment of money or incurrance of external expenses) to obtain an acknowledgement of that notice within 20 Business Days of service. If the Obligor has used its commercially reasonable endeavours but has not been able to obtain acknowledgement or acceptance its obligation to obtain acknowledgement or acceptance shall cease on the expiry of that 20 Business Day period.
- (c) Irrespective of whether notice of the Transaction Security is required for perfection, if the service of notice would prevent the Obligor from dealing with an intercompany receivable in the course of its business no notice of security shall be served until required by the Agent following an Acceleration Event (as defined in the Intercreditor Agreement).
- (d) If required under local law, Transaction Security over intercompany receivables will be registered subject to the general principles set out in these Agreed Security Principles.

6. **BANK ACCOUNTS**

- (a) No Regulated Entity or other member of the Group will be required to create Transaction Security over or otherwise encumber any bank accounts which contain or are reasonably likely to contain Restricted Assets.
- (b) If, pursuant to a Debenture, an Obligor grants Transaction Security over its bank accounts it shall be free to deal with those accounts in the course of its business (including exercising the ability to close such charged accounts) until notified in writing by the Security Agent following an Acceleration Event (as defined in the Intercreditor Agreement).
- (c) If required by local law to perfect the Transaction Security, notice of the Transaction Security will be served on the account bank within 20 Business Days of the Transaction Security being granted and the Obligor shall use its commercially reasonable endeavours (not involving the payment of money or incurrance of external expenses) to obtain an acknowledgement of that notice with 20 Business Days of service. If the Obligor has used its commercially reasonable endeavours but has not been able to obtain acknowledgement its obligation to obtain acknowledgement shall cease on the expiry of that 20 Business Day period.

-
- (d) Irrespective of whether notice of the Transaction Security is required for perfection, if the service of notice would prevent the Obligor from retaining control over and using a bank account in the ordinary course of its business no notice of security shall be served until required in writing by the Security Agent following an Acceleration Event (as defined in the Intercreditor Agreement). For the avoidance of doubt, subject to the provisions of this Agreement, there will be no restriction on the movement and dealing with cash and receivables into and out of any secured bank accounts until an Acceleration Event (as defined in the Intercreditor Agreement) has occurred and is continuing.
 - (e) Any Transaction Security over bank accounts shall be subject to any prior security interests in favour of the account bank which are created either by law or in the standard terms and conditions of the account bank. The notice of Transaction Security may request these are waived by the account bank but the Obligor shall not be required to change its banking arrangements if these security interests are not waived or only partially waived.
 - (f) If required under local law, Transaction Security over bank accounts will be registered subject to the general principles set out in these Agreed Security Principles.

7. **HEDGING**

- (a) If, pursuant to a Debenture, an Obligor grants Transaction Security over receivables under Hedging Agreements (as defined in the Intercreditor Agreement) it shall be free to deal with those receivables in the course of its business until notified in writing by the Security Agent following an Acceleration Event which is continuing.
- (b) Except as provided for in the Intercreditor Agreement, no notice of Transaction Security will be prepared or served until notified in writing by the Security Agent following an Acceleration Event which is continuing.
- (c) No Transaction Security will be granted over any hedging receivables which cannot be secured under the terms of the relevant Hedging Agreement.

8. **RELEASE OF SECURITY**

Unless required by local law, the circumstances in which the Transaction Security shall be released should not be dealt with in individual Transaction Security Documents but, if so required, shall provide that such Transaction Security will be released in accordance with this Agreement and the Intercreditor Agreement.

For the avoidance of doubt, this Clause 12 is subject to paragraph (g) of Clause 14 (*Calculations*) of this Schedule.

13. **COVENANT TO GUARANTEE OBLIGATIONS AND GIVE SECURITY AND FURTHER ASSURANCES**

- (a) Subject to the Agreed Security Principles, the Parent shall procure that:
 - (i) following the Final Closing Date, each member of the Group which is a Material Subsidiary as at the Final Closing Date and that is incorporated in a Security Jurisdiction shall no later than the date which is 90 days after (but not including) the Final Closing Date accede as an Additional Guarantor (to the extent still then a member of the Group);
 - (ii) by reference to each Compliance Certificate delivered with the Annual Financial Statements (commencing with the Annual Financial Statements in respect of the first full Financial Year ending after the Final Closing Date), the Guarantor and Security Coverage Requirement shall be satisfied in accordance with the Agreed Security Principles within 120 days of the date on which such Compliance Certificate is delivered to the Agent; and
 - (iii) by reference to each Compliance Certificate delivered with the Annual Financial Statements (commencing with the Annual Financial Statements in respect of the first full Financial Year ending after the Final Closing Date), each member of the Group which has become a Material Subsidiary and that is incorporated in a Security Jurisdiction shall as soon as reasonably practicable (and in any event within 90 days of the date on which such Compliance Certificate is delivered to the Agent) accede as an Additional Guarantor in accordance with the Agreed Security Principles.
- (b) Subject to the Agreed Security Principles, each Obligor shall (and the Parent shall ensure that each relevant member of the Group will) promptly do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s)):
 - (i) to perfect the Security created or intended to be created under or evidenced by the Transaction Security Documents (which may include the execution of a mortgage, charge, assignment or other Security over all or any of the assets which are, or are intended to be, the subject of the Transaction Security) or for the exercise of any rights, powers and remedies of the Security Agent or the Finance Parties provided by or pursuant to the Finance Documents or by law; and/or
 - (ii) to facilitate the realisation of the assets which are, or are intended to be, the subject of the Transaction Security.
- (c) Subject to the Agreed Security Principles, each Obligor shall (and the Parent shall ensure that each member of the Group shall) take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Finance Parties by or pursuant to the Finance Documents.

- (d) Notwithstanding anything set out to the contrary above, any other term of this Agreement or any other Finance Document, no Regulated Entity or other member of the Group will be required:
- (i) to give a guarantee or grant Security where, in the good faith judgment of the directors of the Parent, the creation of Security, the giving of a guarantee and/or otherwise becoming an Obligor under the Finance Documents could materially increase the regulatory capital requirements pursuant to any applicable law or regulation or the views, guidance or interpretation of the applicable law or regulation of any Relevant Regulator, or materially adversely affect the solvency capital requirements, of the Restricted Group (or any member thereof) pursuant to any applicable law or regulation applicable to such member of the Restricted Group; or
 - (ii) to create Security over or otherwise encumber any Restricted Asset (including, without limitation, any bank accounts which contain or are reasonably likely to contain any Restricted Assets).

14. **CALCULATIONS**

- (a) Notwithstanding anything to the contrary herein, the Fixed Charge Coverage Ratio, the Total Net Leverage Ratio, the Total Secured Net Leverage Ratio and the First Lien Net Leverage Ratio and Consolidated EBITDA shall be calculated in the manner prescribed by this Clause 14; provided that notwithstanding anything to the contrary in Clauses (b), (c) or (d) of this Clause 14, when calculating the First Lien Net Leverage Ratio for the purposes of (i) Clause 12.3 (*Excess Cash Flow*) or (ii) determining actual compliance (and not pro forma compliance, compliance on a Pro Forma Basis or determining compliance giving Pro Forma Effect to a transaction) with Clause 11 of this Schedule, Specified Transactions that occurred subsequent to the end of the applicable Relevant Period shall not be given pro forma effect except to the extent set forth in paragraphs (a)(i) and (a)(iii) of Clause 12.3 (*Excess Cash Flow*). Consolidated EBITDA shall be calculated with reference to the Parent and its Restricted Subsidiaries for purposes of calculating compliance with any covenant determined by reference to Consolidated EBITDA.
- (b) For the purposes of calculating the Total Net Leverage Ratio, the Total Secured Net Leverage Ratio, the First Lien Net Leverage Ratio, the Fixed Charge Coverage Ratio or compliance with any covenant determined by reference to Consolidated EBITDA, Specified Transactions (and the incurrence or repayment of any Indebtedness in connection therewith) that have been made (i) during the applicable Relevant Period or (ii) subsequent to such Relevant Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a pro forma basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Relevant Period. If since the beginning of any applicable Relevant Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into any Restricted Subsidiary since the beginning of such Relevant Period shall have made any Specified Transaction that would have required adjustment pursuant to this Clause 14, then the Total Net Leverage Ratio, the Total Secured Net Leverage Ratio, the First Lien Net Leverage Ratio and the Fixed Charge Coverage Ratio and Consolidated EBITDA shall be calculated to give pro forma effect thereto in accordance with this Clause 14.

- (c) Whenever pro forma effect is to be given to a Specified Transaction, the pro forma calculations shall be made in good faith by a Responsible Officer and may include, for the avoidance of doubt, the amount of “run rate” cost savings and synergies projected by the Parent in good faith to be realised as a result of specified actions taken, committed to be taken or expected to be taken (calculated on a pro forma basis as though such cost savings, operating expense reductions and synergies had been realised on the first day of such period and as if such cost savings, operating expense reductions and synergies were realised during the entirety of such period) relating to such Specified Transaction and run rate means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken, net of the amount of actual benefits realised during such period from such actions; provided that (i) such amounts are reasonably identifiable, quantifiable and factually supportable in the good faith judgment of the Parent, (ii) such actions are taken, committed to be taken or expected to be taken no later than 36 months after the date of such Specified Transaction and (iii) no amounts shall be added pursuant to this Clause (c) to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA, whether through a pro forma adjustment or otherwise, with respect to such period; *provided*, further, that at the election of the Parent (in its sole and absolute discretion), such amounts shall not be required to be determined for any Specified Transaction to the extent the aggregate consideration paid in connection with such Specified Transaction was equal to or less than \$25,000,000.
- (d) In the event that the Parent or any Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by repurchase, redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of the Total Net Leverage Ratio, the Total Secured Net Leverage Ratio, the First Lien Net Leverage Ratio or the Fixed Charge Coverage Ratio, as the case may be (in each case, other than Indebtedness incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes), (i) during the applicable Relevant Period or (ii) subsequent to the end of the applicable Relevant Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the Total Net Leverage Ratio, the Total Secured Net Leverage Ratio, the First Lien Net Leverage Ratio and the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the last day of the applicable Relevant Period; provided that (A) in the case of any incurrence of Indebtedness or establishment of any revolving credit or delayed draw commitments, a borrowing of the maximum amount of Indebtedness available under such revolving credit or delayed draw commitments (and any other undrawn revolving credit or delayed draw commitments already in existence shall be disregarded), and (B) the cash proceeds (and any resulting cash and Cash Equivalent Investments) of such incurred Indebtedness shall be excluded from amounts that may be netted in the calculation of pro forma Total Net Leverage Ratio, pro forma Total Secured Net Leverage Ratio or pro forma First Lien Net Leverage Ratio. If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date such calculation is being made had been the applicable rate for the entire period (taking into account any Swap Contract applicable to such Indebtedness). Interest on a Capitalised Lease shall be deemed to accrue at an interest rate reasonably determined by a Responsible Officer to be the rate of interest implicit in such Capitalised Lease in accordance with the relevant Accounting Principles. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on

Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a LIBOR interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Parent may designate.

- (e) On and after the date pro forma effect is to be given to a Permitted Acquisition or Investment and on which the Parent or any Restricted Subsidiary is incurring Indebtedness, which Permitted Acquisition or Investment has yet to be consummated but for which a definitive agreement governing such Permitted Acquisition or Investment has been executed and remains in effect, such pro forma effect shall be deemed to continue at all times thereafter for purposes of determining ratio-based conditions and baskets until such Permitted Acquisition or Investment is consummated or such definitive agreement is terminated.
- (f) Without prejudice to the rights of the Group under paragraphs (a), (b), (c) and (d) above:
 - (i) for the purposes of Clause 11 (*Financial covenant*) and the determination of the Total Net Leverage Ratio, the Total Secured Net Leverage Ratio, the First Lien Net Leverage Ratio and the Fixed Charge Coverage Ratio, the exchange rates used in the calculation of Consolidated EBITDA shall be the weighted average exchange rates for the relevant period as determined by the Parent; and
 - (ii) for the purposes of Clause 11 (*Financial covenant*) and the determination of Consolidated Total Debt, Consolidated Senior Secured Net Debt and Consolidated Total Net Debt in respect of any period, the exchange rates used for the determination of Consolidated Total Debt, Consolidated Senior Secured Net Debt and Consolidated Total Net Debt for that relevant period shall be (A) in relation to Indebtedness for which the Group has entered into cross currency swaps, the rate at which such swap has been entered into and (B) in relation to all other Indebtedness, the exchange rate used in the calculation of Consolidated EBITDA or calculated in accordance with paragraph (i) above.
- (g) Notwithstanding anything to the contrary herein, to the extent that the terms of this Agreement require (i) compliance with any financial ratio or test (including, without limitation, Clause 11 (*Financial Covenant*), any First Lien Net Leverage Ratio test, any Total Net Leverage Ratio test, any Total Secured Net Leverage Ratio test or any Fixed Charge Coverage Ratio test) and/or any cap expressed as a percentage of Consolidated EBITDA in connection with the incurrence of Indebtedness, the issuance of Disqualified Equity Interests, the creation of Liens, the making of any Disposition, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary or the repayment of Indebtedness or Disqualified Equity Interests, (ii) the absence of a Default or Event of Default (or any type of Default or Event of Default) as a condition, (iii) compliance with any provision of this Agreement which requires compliance with any representations and warranties set forth herein or (iv) satisfaction of all other conditions precedent to the incurrence of Indebtedness, the issuance of Disqualified Equity Interests, the creation of Liens, the making of any Disposition, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary or the repayment of Indebtedness or Disqualified Equity Interests, in each case in connection with a Limited Condition Transaction, the determination of such ratio or other provisions, determination of whether any Default or Event of Default has

occurred, is continuing or would result therefrom, determination of compliance with any representations or warranties or the satisfaction of any other conditions shall, at the election of the Parent (the Parent's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**," which LCT Election may be in respect of one or more of clauses (i), (ii), (iii) and (iv) above), be deemed to be the date the definitive agreements (or other relevant definitive documentation) for such Limited Condition Transaction are entered into (the "**LCT Test Date**"). If on a Pro Forma Basis after giving effect to such Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence or issuance of Indebtedness or Disqualified Equity Interests and the use of proceeds thereof), with such ratios and other provisions calculated as if such Limited Condition Transaction or other transactions had occurred at the beginning of the most recent Relevant Period ending prior to the LCT Test Date, the Parent could have taken such action on the relevant LCT Test Date in compliance with the applicable ratios or other provisions, such provisions shall be deemed to have been complied with. For the avoidance of doubt, if any of such ratios are exceeded as a result of fluctuations in such ratio including due to fluctuations in Consolidated EBITDA of the Parent or the person subject to such acquisition or investment, at or prior to the consummation of the relevant transaction or action, such ratios will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the relevant transaction or action is permitted to be consummated or taken; *provided* that if such ratios improve as a result of such fluctuations, such improved ratios may be utilized. In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision which requires that no Default, Event of Default or specified Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Parent, be deemed satisfied, so long as no Default, Event of Default or specified Event of Default, as applicable, exists on the date the definitive agreements for such Limited Condition Transaction are entered into.

15. **DESIGNATION OF SUBSIDIARIES**

- (a) The board of directors of the Parent may at any time designate (or re-designate) any Restricted Subsidiary as an Unrestricted Subsidiary or designate (or re-designate, as the case may be) any Unrestricted Subsidiary as a Restricted Subsidiary; provided that:
 - (i) immediately before and after such designation (or re-designation), no Event of Default shall have occurred and be continuing; and
 - (ii) the Investment resulting from the designation of such Subsidiary as an Unrestricted Subsidiary as described in paragraph (b) below is permitted by Clause 3 of this Schedule.
- (b) The designation of any Subsidiary as an Unrestricted Subsidiary shall constitute an Investment by the Parent therein at the date of designation in an amount equal to the fair market value as determined by the Parent in good faith of the Parent's or a Restricted Subsidiary's (as applicable) Investment therein.
- (c) The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute the incurrence at the time of designation of any Indebtedness or Liens of such Subsidiary existing at such time and a return on any Investment by the Parent in Unrestricted Subsidiaries pursuant to paragraph (b) above in an amount equal to the fair market value as determined by the Parent in good faith at the date of such designation of the Parent's or a Restricted Subsidiary's (as applicable) Investment in such Subsidiary.

- (a) carry out the transactions contemplated by the Finance Documents to which it is a party and to ensure that, subject to the Legal Reservations and Perfection Requirements, its obligations under the Finance Documents to which it is party are valid, legally binding and enforceable and each of the Transaction Security Documents to which it is party constitutes valid security ranking, subject to the Legal Reservations and Perfection Requirements, in accordance with its terms; and
- (b) carry on its business save to the extent failure to do so would not reasonably be expected to have a Material Adverse Effect.

18. **PARI PASSU RANKING**

Each Obligor will ensure that at all times any unsecured and unguaranteed claims of a Finance Party (other than any member of the Group which has entered into a Notifiable Debt Purchase Transaction) against it under each of the Finance Documents rank at least *pari passu* with all its other present and future unsecured and unsubordinated creditors except creditors whose claims are mandatorily preferred by laws of general application.

19. **PENSION SCHEMES**

The Parent and each Material Subsidiary will ensure that all pension schemes for the time being operated by them are fully funded to the extent required by law or otherwise comply with the requirements of any material law applicable in the jurisdiction in which the relevant pension scheme is maintained, in each case, where failure to do so would reasonably be expected to have a Material Adverse Effect.

20. **CENTRE OF MAIN INTERESTS**

No Obligor incorporated in the European Union shall without the prior written consent of the Agent or unless otherwise required for genuine tax benefit reasons deliberately cause or allow its “centre of main interests” (as that term is used in Article 3(1) of the Regulation) to change.

21. **CORPORATE RATING**

The Parent shall, for so long as such ratings continue to be generally available to the Group, use reasonable endeavours to maintain a corporate credit rating from Moody’s Investors Service Limited and Standard & Poor’s Rating Services.

22. **TAXES**

The Parent shall, and shall ensure that its Restricted Subsidiaries shall pay, discharge or otherwise satisfy, as the same shall become due and payable, all of its obligations and liabilities in respect of Taxes, assessments and governmental charges or levies imposed upon it or upon its income or profits or in respect of its property within the time period allowed under applicable law without imposing material penalties, except, in each case, to the extent:

- (a) any such tax, assessment, charge or levy is being contested in good faith and by appropriate actions for which appropriate reserves have been established in accordance with the relevant Accounting Principles; or
- (b) the failure to pay or discharge the same would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.

23. **MAINTENANCE OF INSURANCE**

The Parent shall, and shall ensure that its Restricted Subsidiaries shall, maintain insurance with respect to its material assets and business against loss or damage of the kinds customarily insured against by Persons located in the same jurisdiction and engaged in the same or similar business, of such types and in such amounts (after giving effect to any self-insurance reasonable and customary for similarly situated Persons engaged in the same or similar businesses as the Parent and the Restricted Subsidiaries) as are customarily carried under similar circumstances by such other Persons as may reasonably be available in the insurance market.

For the avoidance of doubt and notwithstanding anything in the Finance Documents to the contrary, no member of the Group shall be required to maintain any key man life insurance (or similar) or to ensure that any insurance arrangements include any loss payee endorsements (or similar) or arrangements in favour of the Finance Parties.

24. **COMPLIANCE WITH LAWS**

The Parent shall, and shall ensure that the Obligors shall, comply in all material respects with their respective constitutional documents and the requirements of all laws and all orders, writs, injunctions and decrees of any Governmental Authority applicable to it or to its business or property, except, in each case, in instances in which:

- (a) such compliance would result in a violation of, conflict with, or liability under Regulation (EC) No 2271/96 or any applicable anti-boycott statute;
- (b) such requirement of Law, order, writ, injunction or decree is being contested in good faith by appropriate proceedings diligently conducted; or
- (c) the failure to comply therewith would not reasonably be expected individually or in the aggregate to have a Material Adverse Effect.

25. **HOLDING COMPANIES**

Neither the Parent nor the Company shall trade, carry on any business, own any assets or incur any liabilities except for a Permitted Holding Company Activity.

26. **PEOPLE WITH SIGNIFICANT CONTROL REGIME**

Each Obligor shall (and the Parent shall ensure that each other member of the Group will):

- (a) within the relevant timeframe, comply with any notice it receives pursuant to Part 21A of the Companies Act 2006 from any company incorporated in the United Kingdom whose shares are the subject of the Transaction Security; and
- (b) promptly provide the Security Agent with a copy of that notice, in each case, after it receives such notice.

27. **CONDUCT OF OFFER AND/OR SCHEME**

- (a) Subject to any confidentiality, regulatory, legal or other restrictions relating to the supply of such information, BidCo will keep the Agent informed as to any material developments in relation to the Acquisition and, in particular, (1) will from time to time if the Agent reasonably requests, give the Agent reasonable details as to the current level of acceptances for any Offer, and (2) deliver to the Agent copies of each Press Release, Offer Document, any written agreement between BidCo and the Target with respect to the Scheme, any other Scheme Document, all other material announcements and documents published or delivered pursuant to the Offer or Scheme (other than the cash confirmation) and all material legally binding agreements entered into by BidCo in connection with an Offer or Scheme.
- (b) Unless otherwise agreed by the Majority Lenders, BidCo shall not waive or amend any term or condition relating to the Acquisition from that set out in the Rule 2.7 Announcement where it would be materially adverse to the interests of the Lenders (taken as a whole) under the Finance Documents except to the extent required by the Takeover Code, the Takeover Panel or the Court or any applicable law, regulation or regulatory body; provided that it is hereby understood and agreed that any change in the purchase price (or amendment to any written agreement related thereto) in connection with the Acquisition shall not be deemed to be materially adverse to the interests of the Lenders (taken as a whole) under the Finance Documents.
- (c) Unless otherwise agreed by the Super Majority Lenders, if the Acquisition is effected by way of the Offer, BidCo shall not reduce the Minimum Acceptance Threshold, and shall not, where it would be materially adverse to the interests of the Lenders (taken as a whole) under the Finance Documents, treat as satisfied any other condition involving an assessment regarding the acceptability or otherwise to BidCo of any material condition imposed by any regulatory body if the failure to comply with such condition would entitle BidCo to lapse the Offer under Rule 13.5(a) pursuant to the Takeover Code except to the extent required by the Takeover Code, the Takeover Panel, the Court or any other applicable law, regulation or regulatory body.
- (d) BidCo shall comply in all material respects with the Takeover Code, subject to waivers granted by or requirements of the Takeover Panel or the requirements of the Court, and all relevant authorisations, laws and regulations and the requirements, rules and regulations of all applicable regulatory authorities and bodies relating to the Acquisition and shall not take or permit any steps as a result of which any member of the Group is obliged to make a mandatory offer under Rule 9 of the Takeover Code.
- (e) BidCo shall:
 - (i) if the Acquisition is being effected by way of an Offer, procure (except to the extent prevented by law, regulation or a court) that the Target is delisted from the Official List of the United Kingdom Listing Authority and re-register the Target as a private limited company in each case within 60 days of the later of (i) the initial Utilisation Date and (ii) the date on which the Offer is declared or becomes unconditional in all respects provided that BidCo has at that time acquired Target Shares carrying 75% or more of the voting rights attributable to the capital of the Target which are then exercisable at a general meeting of the Target;

- (ii) if the Acquisition is being effected by way of an Offer, and to the extent BidCo owns or controls not less than 90% of the voting rights of the Target Shares the subject of the Offer, use reasonable efforts to, as soon as legally possible, (A) give notice to all other shareholders of the Target under section 154 of the Act and (B) purchase their Target Shares on or before the Squeeze-Out Date under section 154 of the Act; and
 - (iii) if the Acquisition is being effected by way of the Scheme, use all reasonable endeavours to de-list it from the Official List of the United Kingdom Listing Authority within 30 days of the date on which the Scheme has become effective.
- (f) Except to the extent required by the Takeover Code, the Takeover Panel or the Court, BidCo shall not, without the prior consent of the Majority Lenders, modify the Rule 2.7 Announcement (except as permitted by sub-paragraph (b) above unless prohibited by sub-paragraph (c) above) from the version delivered to the Agent pursuant to Part 1 (*Conditions Precedent to the Signing Date*) of Schedule 2 (*Conditions Precedent*) in any manner which would be materially adverse to the interests of the Lenders (taken as a whole) under the Finance Documents or otherwise contrary to the terms of this Agreement.
- (g) BidCo shall not make any public statement which refers to the Finance Documents and the financing of the Scheme or Offer without the consent of the Majority Lenders (not to be unreasonably withheld or delayed) unless required to do so by law or regulation or by the Takeover Code, the Takeover Panel or the Court.

28. **POST-CLOSING DATE UNDERTAKINGS**

- (a) BidCo shall deliver to the Security Agent an executed share pledge agreement over its shares in the Target no later than 10 Business Days after the Final Closing Date.
- (b) To the extent the Debt Pushdown has not occurred within 45 days after the Final Closing Date, the Company shall comply with its obligations under paragraph (c) of Clause 2.6 (*Debt Pushdown*).

No Event of Default or breach of any representation and warranty or undertaking under the Finance Documents shall arise merely as a result of a subsequent change in the Base Currency equivalent of any relevant amount due to fluctuations in exchange rates or a change in any monetary limit or other exclusion as a result of a fluctuation in Consolidated EBITDA.

- (e) If required by the Agent, the Increase Lender shall, on the date upon which the increase takes effect, pay to the Agent (for its own account) a fee in an amount equal to the fee which would be payable under Clause 25.5 (*Assignment fee*) if the increase was an assignment pursuant to Clause 25.7 (*Procedure for assignment*) and if the Increase Lender was a New Lender.
- (f) The Parent may pay to the Increase Lender a fee in the amount and at the times agreed between the Parent and the Increase Lender in a Fee Letter.
- (g) Clause 25.6 (*Limitation of responsibility of Existing Lenders*) shall apply mutatis mutandis in this Clause 2.2 in relation to an Increase Lender as if references in that Clause to:
- (i) an Existing Lender were references to all the Lenders immediately prior to the relevant increase;
 - (ii) the New Lender were references to that Increase Lender; and
 - (iii) a re-transfer and re-assignment were references to respectively a transfer and assignment.

2.3 **Incremental Facility**

- (a) Subject to this Clause 2.3 the Parent may, at any time and from time to time following the expiry of the Certain Funds Period in respect of Second Lien Facility 1 and Second Lien Facility 2, by giving at least three Business Days' notice (or such shorter period as the Agent may agree) by delivering to the Agent a duly completed Incremental Facility Increase Notice complying with paragraphs (b) and (c) below (signed by the CEO or CFO) increase the commitments under an existing Facility and/or establish additional commitments for a new term facility (any such increased or additional commitments for a new term facility, an "**Incremental Facility**").
- (b) Each Incremental Facility Increase Notice will not be regarded as being duly completed unless it specifies the following matters in respect of any such Incremental Facility Commitments:
- (i) the Availability Period;
 - (ii) whether such Incremental Facility is to be provided on a 'certain funds basis';
 - (iii) whether such Incremental Facility Commitments will be used to establish an Incremental Facility or used to increase the Commitments under an existing Facility;
 - (iv) the identities of the Borrowers in respect of the Incremental Facility Commitments which may be an Incremental Facility Borrower;
 - (v) the amount of the Incremental Facility Commitments allocated to each Original Incremental Facility Lender;
 - (vi) the Margin (and any applicable margin ratchet);
 - (vii) the commitment fees payable to the Incremental Facility Lender(s) in connection with the provision of Incremental Facility Commitments;
 - (viii) the Termination Date;
 - (ix) the currency or currencies in which the Incremental Facility Commitments are to be committed and the currency or currencies in which the Incremental Facility Commitments are to be drawn;
 - (x) any applicable guarantee limitations in accordance with the Agreed Security Principles; and
 - (xi) the purpose of the Incremental Facility,
- provided that, if the Incremental Facility Commitments are structured as an increase in the Second Lien Facility Commitments, the matters referred to in paragraphs (vi), (viii) and (ix) shall be the same as the equivalent terms of the Second Lien Facility at that time.
- (c) An Incremental Facility Increase Notice shall only be valid if:
- (i) it is served on or before the Termination Date of the Second Lien Facility, or, if later, the Termination Date of any then existing Incremental Facility Commitments;
 - (ii) other than in relation to Customary Bridge Loans, in relation to any Incremental Facility Commitments incurred prior to the date falling six calendar months after the Initial Closing Date and denominated in any of the currencies described in the table below, and that mature prior to the date falling two years after the relevant Termination Date (as in effect on the

Initial Closing Date) in respect of the corresponding Loans described in the table below (the “**Relevant MFN Loans**”) based on the currency of such Incremental Facility Commitments, the aggregate Yield in respect of such Incremental Facility Commitments does not exceed 1.00% per annum higher than the aggregate Yield applicable to the Relevant MFN Loans on the Initial Closing Date, unless the Yield applicable to such Relevant MFN Loans on the Initial Closing Date is offered to be increased to the extent necessary so that the Yield for such Incremental Facility Commitments does not exceed 1.00% per annum above the increased Yield for such Relevant MFN Loans on the Initial Closing Date:

<u>Relevant MFN Loans</u>	<u>Currency of Incremental Facility Commitment</u>
Second Lien Facility 1 Loans	USD
Second Lien Facility 2 Loans	EUR

provided that:

- (A) if any Incremental Facility Commitments include a EURIBOR, LIBOR or other base rate floor that is higher than the EURIBOR, LIBOR or other base rate floor applicable to the Relevant MFN Loans, such differential between EURIBOR, LIBOR or other base rate floors, as applicable, shall be included in the calculation of aggregate Yield for the purposes of this paragraph (ii) but only to the extent an increase in the EURIBOR, LIBOR or other base rate floor applicable to such Relevant MFN Loans would cause an increase in the interest rate then in effect thereunder, and in such case the EURIBOR, LIBOR or other base rate floor (but not the Margin) applicable to the Relevant MFN Loans shall be increased to the extent of such differential between the applicable EURIBOR, LIBOR or other base rate floors as the case may be; and
- (B) this paragraph (ii) shall not apply to any Incremental Facility Commitments:
 - (I) that are in a principal amount equal to or less than the MFN Threshold; or
 - (II) that are incurred in connection with a Permitted Acquisition or an Investment permitted under this Agreement;
- (iii) subject to the Permitted Earlier Maturity Indebtedness Exception, while any Second Lien Facility Commitments are in place, in relation to any Incremental Facility Commitments, other than in relation to Customary Bridge Loans, such Incremental Facility Commitments:
 - (A) do not have a Weighted Average Life to Maturity shorter than the Weighted Averaged Life to Maturity then applicable to the Second Lien Facility (subject to any nominal amortisation of such Incremental Facility Commitments); and

-
- (B) do not have a termination date earlier than the Termination Date applicable to the Second Lien Facility;
 - (iv) subject to Clause 14 (*Calculations*) of Schedule 12 (*General Undertakings*), the aggregate principal amount of such Incremental Facility Commitments then outstanding would not (as at the time such Incremental Facility Commitments are established and when taken together with any Incremental Equivalent Debt and Senior Incremental Facility Commitments then outstanding or established substantially simultaneously with such Incremental Facility Commitments) cause the Permitted Incremental Available Amount to be exceeded;
 - (v) it is signed by the Parent, the relevant Incremental Facility Borrower and the relevant Lenders or other banks, financial institutions, trusts, funds or other Persons (which may not be the Parent, the Company or any of its Restricted Subsidiaries or an Affiliated Lender) and which have agreed to provide such Incremental Facility Commitments (the “**Original Incremental Facility Lenders**”) on the terms of that Incremental Facility Increase Notice and this Agreement; and
 - (vi) subject to paragraph (g) of Clause 14 (*Calculations*) of Schedule 12 (*General Undertakings*), no Event of Default is continuing at the time the Incremental Facility Increase Notice is delivered or would result from the increase in the proposed Total Incremental Facility Commitments or the making of any Loans under such Incremental Facilities as determined, in each case, by reference to the date of delivery of such Incremental Facility Increase Notice.
- (d) An increase in the Total Incremental Facility Commitments shall only be effective on:
- (i) the execution of an Incremental Facility Increase Notice by the Parent, the relevant Incremental Facility Borrower and the relevant Original Incremental Facility Lender(s) and delivery of such executed notice to the Agent;
 - (ii) in relation to an Incremental Facility Lender which is not already a Lender immediately prior to the relevant increase:
 - (A) the Original Incremental Facility Lender acceding as a party to this Agreement as a Lender and the Intercreditor Agreement as a Second Lien Lender (as defined in the Intercreditor Agreement) by delivery of an Accession Certificate countersigned by the Agent and the Security Agent; and
 - (B) the performance by the Agent of all necessary “know your customer” or other similar checks (if any) under all applicable laws and regulations in relation to the provision of Incremental Facility Commitments by that Original Incremental Facility Lender(s), the completion of which the Agent shall promptly notify to the Parent and the Incremental Facility Lender.
- (e) By signing an Incremental Facility Increase Notice as an Incremental Facility Lender, each such entity agrees to commit the Incremental Facility Commitments set out against its name in that notice and, in the case of an entity who is not already a party to this Agreement as a Lender by signing an Accession Certificate, become a Lender and a Party to this Agreement and to the Intercreditor Agreement as a Second Lien Lender (as defined in the Intercreditor Agreement).

-
- (f) Each Obligor confirms:
- (i) the authority of the Parent to agree, implement and establish Incremental Facility Commitments in accordance with this Agreement; and
 - (ii) that its guarantee and indemnity recorded in Clause 20 (*Guarantees and Indemnity*) (or any applicable Accession Deed or other Finance Document), and all Transaction Security granted by it is intended, subject only to any applicable limitations on such guarantee and indemnity referred to in Clause 20 (*Guarantees and Indemnity*) or any Accession Deed pursuant to which it became an Obligor, extend to include the Incremental Facility Loans and any other obligations arising under or in respect of the Incremental Facility Commitments.
- (g) Each Finance Party agrees, instructs and empowers the Agent and the Security Agent to (and the relevant Obligor (or the Obligors' Agent) shall promptly upon request by the Agent or the Security Agent in accordance with the Agreed Security Principles) execute any necessary amendments to the Finance Documents (including the Transaction Security Documents) and/or new Transaction Security Documents as may be required in order to ensure that any Incremental Facility Loans rank *pari passu* with the other Facilities and that the Transaction Security granted over any assets purchased with the proceeds of any Incremental Facility Loans is shared *pari passu* by the Finance Parties (to the extent lawful).
- (h) Each Original Incremental Facility Lender, by executing the Incremental Facility Increase Notice, confirms (for the avoidance of doubt) that the Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the increase becomes effective.
- (i) The Agent is authorised by the Group to disclose the terms of any Incremental Facility Increase Notice to any of the other Finance Parties and, upon request by the other Finance Parties, will promptly disclose such terms to the other Finance Parties.
- (j) The provisions of this Agreement will apply to the Incremental Facility Commitments and the provisions of Clause 5 (*Utilisation of Loans*) will apply to all utilisations of Incremental Facility Commitments, provided that no Utilisation Request for an Incremental Facility Loan shall be valid unless prior to (or simultaneously with) such Incremental Facility Loan the requirements of this Clause 2.3 have been satisfied.
- (k) In relation to any Incremental Facility Commitments:
- (i) except as agreed to the contrary by the Parent and the relevant Original Incremental Facility Lenders in accordance with this Clause 2.3, each of the Obligors and any Original Incremental Facility Lender shall assume obligations towards one another and/or acquire rights against one another as the Obligors and the Original Incremental Facility Lender would have assumed and/or acquired had the Original Incremental Facility Lender been an Original Lender under the Incremental Facility;
 - (ii) each Original Incremental Facility Lender shall become a Party as a "Lender" and any Original Incremental Facility Lender and each of the other Finance Parties shall assume obligations towards one another and acquire rights against one another as that Original Incremental Facility Lender and those Finance Parties would have assumed and/or acquired had the Increase Lender been an Original Lender under the Incremental Facility;

- (iii) the Commitments of the other Lenders shall continue in full force and effect; and
 - (iv) any increase in the Total Incremental Facility Commitments shall take effect on the date specified by the Parent in the notice referred to above or any later date on which the conditions set out in this Clause 2.3 are satisfied.
- (l) Clause 25.6 (*Limitation of responsibility of Existing Lenders*) shall apply *mutatis mutandis* in relation to an Original Incremental Facility Lender as if references in that Clause to:
- (i) an Existing Lender were references to all the Lenders immediately prior to the relevant increase;
 - (ii) the New Lender were references to that Incremental Facility Lender; and
 - (iii) a re-transfer and re-assignment were references to respectively a transfer and assignment.
- (m) The Parent may (subject to paragraph (c)(ii) above) pay to the Incremental Facility Lender a fee in the amount and at the times agreed between the Parent and the Incremental Facility Lender in a Fee Letter.
- (n) Nothing in this Clause 2.3 shall oblige any Lender to provide any Incremental Facility Commitment.
- (o) The Parent may specify that an Incremental Facility Increase Notice is conditional on the satisfaction of one or more conditions and/or revocable prior to the Incremental Facility Commitments to be established pursuant to such Incremental Facility Increase Notice becoming effective.

2.4 **Finance Parties' rights and obligations**

- (a) The obligations of each Finance Party under the Finance Documents are several. Failure by a Finance Party to perform its obligations under the Finance Documents does not affect the obligations of any other Party under the Finance Documents. No Finance Party is responsible for the obligations of any other Finance Party under the Finance Documents.
- (b) The rights of each Finance Party under or in connection with the Finance Documents are separate and independent rights and any debt arising under the Finance Documents to a Finance Party from an Obligor shall be a separate and independent debt in respect of which a Finance Party shall be entitled to enforce its rights in accordance with paragraph (c) below. The rights of each Finance Party include any debt owing to that Finance Party under the Finance Documents and, for the avoidance of doubt, any part of a Loan or any other amount owed by an Obligor which relates to a Finance Party's participation in a Facility or its role under a Finance Document (including any such amount payable to the Agent on its behalf) is a debt owing to that Finance Party by that Obligor.
- (c) A Finance Party may, except as otherwise stated in the Finance Documents, separately enforce its rights under the Finance Documents.

2.5 **Obligors' Agent**

- (a) To the extent permitted under any applicable law, each Obligor by its execution of this Agreement or an Accession Deed irrevocably appoints the Parent (acting through one or more authorised signatories) to act on its behalf as its agent in relation to the Finance Documents and irrevocably authorises:
- (i) the Parent on its behalf to supply all information concerning itself contemplated by this Agreement to the Finance Parties and to give all notices and instructions (including, in the case of a Borrower, Utilisation Requests, Selection Notices and prepayment and cancellation notices), to execute on its behalf any Accession Deed, Incremental Facility Increase Notice, any other Finance Document and any guarantee or security amendment, extension, transfer or assignment, ratification and/or release, to make such agreements and to effect the relevant amendments, supplements and variations capable of being given, made or effected by any Obligor notwithstanding that they may affect the Obligor, without further reference to or the consent of that Obligor; and
 - (ii) each Finance Party to give any notice, demand or other communication to that Obligor pursuant to the Finance Documents to the Parent,
- and in each case the Obligor shall be bound as though the Obligor itself had given the notices and instructions (including, without limitation, any Utilisation Requests and Selection Notices) or executed or made the agreements or effected the amendments, supplements or variations, or received the relevant notice, demand or other communication.
- (b) Every act, omission, agreement, undertaking, settlement, waiver, amendment, supplement, variation, notice or other communication given or made by the Obligors' Agent or given to the Obligors' Agent under any Finance Document on behalf of another Obligor or in connection with any Finance Document (whether or not known to any other Obligor and whether occurring before or after such other Obligor became an Obligor under any Finance Document) shall be binding for all purposes on that Obligor as if that Obligor had expressly made, given or concurred with it. In the event of any conflict between any notices or other communications of the Obligors' Agent and any other Obligor, those of the Obligors' Agent shall prevail.

3. **PURPOSE**

3.1 **Purpose**

- (a) Each Original Borrower shall apply all amounts borrowed by it under the Second Lien Facility in or towards (including by way of on-lending to BidCo and/or the Target Group):
- (i) the consideration payable for the Acquisition (including in respect of the acquisition of any Target Shares to be acquired after the Initial Closing Date (including pursuant to a Squeeze-Out Procedure or the Target's amended articles of association) or in respect of any Rule 15 proposals made or to be made in connection with the Acquisition);
 - (ii) the payment of Acquisition Costs;
 - (iii) the refinancing, discharge and/or acquisition of existing Target Group debt and paying any breakage costs, redemption premium and other fees, costs and expenses payable in connection with such refinancing, discharge and/or acquisition; and

(iv) general corporate purposes of the Target Group.

- (b) Each Incremental Facility Borrower shall apply all amounts borrowed by it under the Incremental Facility towards the purposes specified in the Incremental Facility Increase Notice relating to the relevant Incremental Facility Commitments.

3.2 Monitoring

No Finance Party is bound to monitor or verify the application of any amount borrowed pursuant to this Agreement.

4. CONDITIONS OF UTILISATION

4.1 Initial conditions precedent

- (a) The Lenders will only be obliged to comply with Clause 5.4 (*Lenders' participation*) in relation to any Loan if, on or before the Utilisation Date for that Loan, the Agent has received (or waived the requirement to receive) all of the documents and other evidence listed in Part 2 (*Conditions Precedent to Initial Utilisation*) of Schedule 2 (*Conditions Precedent*). The Agent shall notify the Parent and the Lenders promptly upon being satisfied that it has received (or waived the requirement to receive) such documents and other evidence.
- (b) It is hereby acknowledged and agreed (and the Agent has notified the Parent and the Lenders) that the Agent has received all of the documents and evidence referred to in Part 1 (*Conditions Precedent to the Signing Date*) of Schedule 2 (*Conditions Precedent*), and that these are irrevocably satisfied conditions precedent to the making of any Loan.

4.2 Further conditions precedent

Subject to Clause 4.1 (*Initial conditions precedent*), the Lenders will only be obliged to comply with Clause 5.4 (*Lenders' participation*) in relation to a Loan (other than a Certain Funds Utilisation) if on the date of the Utilisation Request and on the proposed Utilisation Date:

- (a) no Event of Default is continuing or would result from the proposed Loan; and
- (b) the Repeating Representations to be made by each relevant Obligor on such date are true in all material respects and will remain true in all material respects immediately after such Loan.

4.3 Conditions relating to Optional Currencies

A currency will constitute an Optional Currency in relation to an Incremental Facility if it is specified in the Incremental Facility Increase Notice relating to that Incremental Facility.

4.4 Maximum number of Loans

- (a) A Borrower (or the Parent) may not deliver a Utilisation Request if as a result of the proposed Loan more than 20 Second Lien Facility Loans would be outstanding.

- (b) A Borrower (or the Parent) may not request that a Second Lien Facility Loan be divided if, as a result of the proposed division, more than 20 Second Lien Facility Loans would be outstanding.
- (c) Any Loan made by a single Lender under Clause 6.1 (*Unavailability of a currency*) shall not be taken into account in this Clause 4.4.
- (d) For the avoidance of doubt, a Borrower may utilise the Second Lien Facility on more than one occasion and it is hereby acknowledged by the Parties that it is intended that:
 - (i) there will be one or more initial utilisations of the Second Lien Facility on or prior to the date on which the Scheme becomes effective in accordance with its terms (the “**Scheme Effective Date**”), to be applied (directly or indirectly) in or towards the purposes described in paragraphs (a)(ii) and (a)(iii) of Clause 3.1 (*Purpose*) (without prejudice to the right of a Borrower to apply amounts borrowed by it under the Second Lien Facility in or towards any other purpose described in paragraph (a) of Clause 3.1 (*Purpose*) on any date); and
 - (ii) after the Scheme Effective Date (but prior to the expiry of the Availability Period applicable to the Second Lien Facility), there will be one or more further utilisations of the Second Lien Facility, to be applied (directly or indirectly) in or towards any of the purposes described in paragraph (a) of Clause 3.1 (*Purpose*),

provided that there shall be no obligation on the Borrower to utilise the Second Lien Facility in accordance with the sequencing described in this paragraph (d) and in no event shall this paragraph (d) be construed so as to make compliance herewith a condition to any Lender complying with Clause 5.4 (Lenders’ participation).

4.5 Utilisations during the Certain Funds Period

- (a) Subject to Clause 4.1 (*Initial conditions precedent*) and notwithstanding the conditions of Clause 4.2 (*Further conditions precedent*), during the Certain Funds Period, the Lenders will only be obliged to comply with Clause 5.4 (*Lenders’ participation*) in relation to a Certain Funds Utilisation if, on the date on which the Utilisation Request was delivered to the Agent and on the proposed Utilisation Date:
 - (i) no Major Event of Default is continuing;
 - (ii) no Change of Control has occurred; and
 - (iii) it is not unlawful in any applicable jurisdiction for that Lender to fund its participation in the relevant Certain Funds Utilisation (and if that is the case that Lender must notify the Parent as soon as it becomes aware of the relevant legal issue and such Lender’s Commitment shall be cancelled or transferred pursuant to the provisions of Clause 8.1 (*Illegality*)), provided that such unlawfulness alone will not excuse any other Lender from participating in the relevant Certain Funds Utilisation.
- (b) During the Certain Funds Period (save in circumstances where, pursuant to paragraph (a) above, a Lender is not obliged to comply with Clause 5.4 (*Lenders’ participation*)), none of the Finance Parties shall be entitled to:
 - (i) cancel any of its Commitments;

- (ii) take any action to rescind, terminate or cancel this Agreement or any of the Facilities or exercise any similar right or remedy or make or take any action or make or enforce any claim under or in respect of any Finance Documents it may have to the extent to do so would directly or indirectly prevent or limit the making of a Certain Funds Utilisation;
- (iii) refuse to participate in the making of a Certain Funds Utilisation;
- (iv) exercise any right of set-off or counterclaim or similar right or remedy which it may exercise in respect of a Loan to the extent to do so would prevent or limit the making of a Certain Funds Utilisation;
- (v) cancel, accelerate or cause repayment or prepayment of any amounts owing under this Agreement or under any other Finance Document or exercise any enforcement rights under any Transaction Security Document to the extent to do so would prevent or limit the making of a Certain Funds Utilisation; or
- (vi) take any other action or make or enforce any other claim (in its capacity as Lender) to the extent that such action, claim or enforcement would directly or indirectly prevent or limit the making of a Certain Funds Utilisation,

provided that immediately upon the expiry of the Certain Funds Period all such rights, remedies and entitlements shall be available to the Finance Parties notwithstanding that they may not have been used or been available for use during the Certain Funds Period.

- (c) The Parent may (at its own election) request that any Loan of any Incremental Facility be made available on a certain funds basis on such certain funds terms as agreed with the relevant Incremental Facility Lenders and such Loan shall be made available on such terms during the Certain Funds Period.

5. UTILISATION OF LOANS

5.1 Delivery of a Utilisation Request

A Borrower (or the Parent on its behalf) may utilise a Facility by delivery to the Agent of a duly completed Utilisation Request not later than the Specified Time (or such later time as the Agent may agree).

5.2 Completion of a Utilisation Request for Loans

- (a) Each Utilisation Request for a Loan will not be regarded as having been duly completed unless:
 - (i) it identifies the Facility to be utilised;
 - (ii) it identifies the relevant Borrower;
 - (iii) the proposed Utilisation Date is a Business Day within the Availability Period applicable to that Facility;
 - (iv) the currency and amount of the Loan comply with Clause 5.3 (*Currency and amount*);
 - (v) the proposed Interest Period complies with Clause 12 (*Interest Periods*).

- (b) Multiple Loans may be requested in a Utilisation Request where the proposed Utilisation Date falls on or prior to the Final Closing Date. Only one Loan may be requested in any other Utilisation Requests.
- (c) For the avoidance of doubt, each Utilisation Request in respect of a Certain Funds Utilisation shall be considered validly submitted if completed and signed by the Parent or relevant Borrower, notwithstanding that all conditions precedent to such Certain Funds Utilisation have not been satisfied (and no funding indemnities shall be required in addition to those set out in this Agreement).
- (d) Subject to Clause 17.2 (*Other indemnities*), a Borrower may deliver a conditional or revocable Utilisation Request for a Loan.

5.3 Currency and amount

- (a) The currency specified in a Utilisation Request must be:
 - (i) in relation to the Second Lien Facility 1, the Base Currency;
 - (ii) in relation to the Second Lien Facility 2, EUR; and
 - (iii) in relation to an Incremental Facility, in the currency provided for pursuant to the terms of that Incremental Facility.
- (b) The amount of the proposed Loan must be:
 - (i) for any Second Lien Facility in a minimum amount equal to \$1,000,000 (or, in relation to Loans in EUR, €1,000,000) or, if less, the relevant Available Facility; or
 - (ii) for an Incremental Facility, in a minimum amount equal to \$1,000,000 (or in relation to Loans in any other currency, the Base Currency equivalent) or, if less, the relevant Available Facility or any other amount agreed with the relevant Incremental Facility Lender(s).

5.4 Lenders' participation

- (a) If the conditions set out in this Agreement have been met, each Lender shall make its participation in each Loan available on the Utilisation Date through its Facility Office.
- (b) The amount of each Lender's participation in each Loan will be equal to the proportion borne by its Available Commitment to the Available Facility immediately prior to making the Loan.
- (c) The Agent shall determine the Base Currency Amount of each Loan which is to be made in an Optional Currency and notify each Lender of the amount, currency and the Base Currency Amount of each Loan, the amount of its participation in that Loan and, if different, the amount of that participation to be made available in accordance with Clause 30.1 (*Payments to the Agent*) by the Specified Time.

5.5 Cancellation of Commitment

- (a) The Second Lien Facility Commitments which, at that time are unutilised, shall be immediately cancelled at the end of the Availability Period for the Second Lien Facility.

-
- (b) Incremental Facility Commitments which are unutilised at the end of the Availability Period for those Incremental Facility Commitments shall be immediately cancelled at the end of the Availability Period for those Incremental Facility Commitments.

5.6 **Lender Affiliates and Facility Office**

- (a) In respect of a Loan or Loans to a particular Borrower (the “**Designated Loans**”) and, in the case of an Original Lender, only following the expiry of the Certain Funds Period in respect of the Second Lien Facility, a Lender (a “**Designating Lender**”) may at any time and from time to time designate (by written notice to the Agent and the Parent):
- (i) a substitute Facility Office from which it will make Designated Loans (a “**Substitute Facility Office**”); or
 - (ii) nominate an Affiliate to act as the Lender of Designated Loans (a “**Substitute Affiliate Lender**”).
- (b) A notice to nominate a Substitute Affiliate Lender must be in the form set out in Schedule 15 *Form of Substitute Affiliate Lender Designation Notice* and be countersigned by the relevant Substitute Affiliate Lender confirming it will be bound as a Lender under this Agreement and as a Second Lien Lender (as defined in the Intercreditor Agreement) under the Intercreditor Agreement in respect of the Designated Loans in respect of which it acts as Lender.
- (c) The Designating Lender will act as the representative of any Substitute Affiliate Lender it nominates for all administrative purposes under this Agreement. The Obligors, the Agent, the Security Agent and the other Finance Parties will be entitled to deal only with the Designating Lender, except that payments will be made in respect of Designated Loans to the Facility Office of the Substitute Affiliate Lender. In particular the Commitments of the Designating Lender will not be treated as reduced by the introduction of the Substitute Affiliate Lender for voting purposes under this Agreement or the other Finance Documents
- (d) Save as mentioned in paragraph (c) above, a Substitute Affiliate Lender will be treated as a Lender for all purposes under the Finance Documents and having a Commitment equal to the principal amount of all Designated Loans in which it is participating if and for so long as it continues to be a Substitute Affiliate Lender under this Agreement.
- (e) A Designating Lender may revoke its designation of an Affiliate as a Substitute Affiliate Lender by notice in writing to the Agent and the Parent provided that such notice may only take effect when there are no Designated Loans outstanding to the Substitute Affiliate Lender. Upon such Substitute Affiliate Lender ceasing to be a Substitute Affiliate Lender the Designating Lender will automatically assume (and be deemed to assume without further action by any Party) all rights and obligations previously vested in the Substitute Affiliate Lender.
- (f) If a Designating Lender designates a Substitute Facility Office or Substitute Affiliate Lender in accordance with this Clause 5.6:
- (i) any Substitute Affiliate Lender shall be treated for the purposes of paragraph (c) of Clause 15.3 (*Tax gross-up*) as having become a Lender on the date that such Substitute Affiliate Lender’s designation by the Designating Lender becomes effective; and

- (ii) the provisions of paragraphs (a) to (h) inclusive and (j) of Clause 25.3 (*Conditions of assignment*) shall not apply to or in respect of any Substitute Facility Office or Substitute Affiliate Lender. For the avoidance of doubt, paragraph (i) of Clause 25.3 shall apply mutatis mutandis in respect of the Substitute Facility Office or Substitute Affiliate Lender.

6. OPTIONAL CURRENCIES

6.1 Unavailability of a currency

If before the Specified Time on any Quotation Day:

- (a) a Lender notifies the Agent that the Optional Currency requested is not readily available to it in the amount required; or
- (b) a Lender notifies the Agent that compliance with its obligation to participate in a Loan in an Optional Currency would contravene a law or regulation applicable to it,

the Agent will give notice to the relevant Borrower (or the Parent on its behalf) to that effect by the Specified Time on that day. In this event, any Lender that gives notice pursuant to this Clause 6.1 will be required to participate in the Loan in the Base Currency (in an amount equal to that Lender's proportion of the Base Currency Amount) and its participation will be treated as a separate Loan denominated in the Base Currency during that Interest Period.

6.2 Agent's calculations

Each Lender's participation in a Loan will be determined in accordance with paragraph (b) of Clause 5.4 (*Lenders' participation*).

7. REPAYMENT

- (a) The Borrowers under the Second Lien Facility shall repay the outstanding aggregate Second Lien Facility Loans in full on the Termination Date in respect of the Second Lien Facility.
- (b) The Incremental Facility Borrowers under each Incremental Facility shall repay each Incremental Facility Loan borrowed by it under that Incremental Facility in the amounts and on the dates agreed between the Borrower and the relevant Lenders thereof in accordance with Clause 2.3 (*Incremental Facility*).
- (c) The Borrowers may not reborrow any part of a Facility which is repaid.

8. ILLEGALITY, VOLUNTARY PREPAYMENT AND CANCELLATION

8.1 Illegality

If after the date of this Agreement (or, if later, the date the relevant Lender became a Party) it becomes unlawful in any applicable jurisdiction for a Lender to perform any of its obligations as contemplated by this Agreement or to fund, issue or maintain its participation in any Loan:

- (a) that Lender shall promptly notify the Agent upon becoming aware of that event;
- (b) upon the Agent notifying the Parent, each Available Commitment of that Lender will be immediately cancelled to the extent necessary to comply with applicable laws or, at the Parent's request, the Lender's Commitment shall be transferred to another person pursuant to Clause 36.7 (*Replacement of Lender*); and

-
- (c) to the extent that the Lender's participation has not been transferred pursuant to Clause 36.7 (*Replacement of Lender*), each Borrower shall, to the extent of that unlawfulness, repay that Lender's participation in the Loans made to that Borrower on the last day of the Interest Period for each Loan occurring after the Agent has notified the Parent or, if earlier, the date specified by the Lender in the notice delivered to the Agent (being no earlier than the last day of any applicable grace period permitted by law) and that Lender's corresponding Commitment(s) shall be cancelled in the amount of the participations repaid.

8.2 Voluntary cancellation

- (a) In respect of any Facility (other than an Incremental Facility), the Parent or a Borrower may, if it gives the Agent not less than three Business Days' (or such shorter period as the Majority Second Lien Facility Lenders may agree) prior notice, cancel the whole or any part (but, if in part, being an amount that reduces the Base Currency equivalent of the Available Facility in respect of the relevant Facility by a minimum amount of \$500,000 (or €500,000 in the case of Second Lien Facility 2) (or, in each case, its equivalent in other currencies)).
- (b) In respect of any Incremental Facility, the Parent or an Incremental Facility Borrower may, if it gives the Agent not less than three Business Days' (or such shorter period as the Majority Incremental Facility Lenders may agree) prior notice, cancel the whole or any part (but, if in part, being an amount that reduces the Base Currency equivalent of the Available Facility in respect of the relevant Incremental Facility by a minimum amount of \$500,000 (or its equivalent in other currencies)).
- (c) Any cancellation under this Clause 8.2 shall reduce the Commitments of the Lenders rateably under the relevant Facility.

8.3 Voluntary prepayment of the Second Lien Facility

- (a) Subject to Clause 14.4 (*Call Premium*), a Borrower to which a Second Lien Facility Loan has been made may, if it or the Parent gives the Agent not less than three Business Days' (or such shorter period as the Majority Second Lien Facility Lenders may agree) prior notice, prepay the whole or any part of that Second Lien Facility Loan (but, if in part, being an amount that reduces the Base Currency equivalent of the relevant Second Lien Facility Loan by a minimum amount of \$500,000 (or its equivalent in other currencies)).
- (b) A Second Lien Facility Loan may only be prepaid after the last day of the Availability Period for the Second Lien Facility (or, if earlier, the day on which the applicable Available Facility is zero).

8.4 Voluntary prepayment of Incremental Facility Loans

- (a) Unless otherwise provided in the terms of the relevant Incremental Facility, an Incremental Facility Borrower to which an Incremental Facility Loan has been made may, if it or the Parent gives the Agent not less than three Business Days' (or such shorter period as the Majority Incremental Facility Lenders may agree) prior notice, prepay the whole or any part of that Incremental Facility Loan (but, if in part, being an amount that reduces the Base Currency equivalent of the relevant Incremental Facility Loan by a minimum amount of \$500,000 (or its equivalent in other currencies)).

- (b) An Incremental Facility Loan may only be prepaid after the last day of the Availability Period for that Incremental Facility (or, if earlier, the day on which the applicable Available Facility is zero).

8.5 Voluntary prepayment at discretion of Parent

Subject to Clause 10.8 (*Application of prepayments*), the Parent or a Borrower may, in its sole and absolute discretion, apply any voluntary prepayment permitted under this Agreement to any Facility or Facilities and in such proportions as the Parent or such Borrower may elect.

8.6 Right of cancellation and repayment in relation to a single Lender

- (a) If:
- (i) any sum payable to any Lender by an Obligor is required to be increased under Clause 15.3 (*Tax gross-up*) or under an equivalent provision of any Finance Document;
 - (ii) any Lender claims indemnification or payment from the Parent or an Obligor under Clause 15.4 (*Tax indemnity*) or Clause 16.1 (*Increased Costs*) (whether or not entitled to do so in accordance with those provisions); or
 - (iii) any Lender becomes a Non-Consenting Lender,
- the Parent may, whilst the circumstance giving rise to a Lender being a Non-Consenting Lender or the requirement for that increase or indemnification continues, give the Agent notice of cancellation of the Commitment of that Lender and its intention to procure the repayment of that Lender's participation in the Loans.
- (b) On receipt of a notice referred to in paragraph (a) above in relation to a Lender, the Commitment of that Lender shall immediately be reduced to zero.
- (c) On the last day of each Interest Period which ends after the Parent has given notice under paragraph (a) above in relation to a Lender (or, if earlier, the date specified by the Parent in that notice), each Borrower to which a Loan is outstanding shall repay that Lender's participation in that Loan together with all interest and other amounts accrued under the Finance Documents.

8.7 Right of cancellation in relation to a Defaulting Lender

- (a) If any Lender becomes a Defaulting Lender, the Parent may, at any time whilst the Lender continues to be a Defaulting Lender, give the Agent three Business Days' notice of cancellation of each Available Commitment of that Lender.
- (b) On the notice referred to in paragraph (a) above becoming effective, each Available Commitment of the Defaulting Lender shall immediately be reduced to zero.

The Agent shall as soon as practicable after receipt of a notice referred to in paragraph (a) above, notify all the Lenders.

9. MANDATORY PREPAYMENT

9.1 Change of Control

If a Change of Control or a Sale occurs:

- (a) the Parent will promptly notify the Agent upon becoming aware of that event;

- (b) unless the Majority Lenders agree otherwise, the Facilities will immediately be cancelled, no further Loan may be requested under this Agreement and a Lender shall not be obliged to fund a Loan; and
- (c) unless the Majority Lenders agree otherwise, all outstanding Loans, together with accrued interest, and all other amounts accrued under the Finance Documents, shall (or in the case of a Change of Control which results from a Listing, on the settlement date in respect of that Listing) become due and payable immediately.

9.2 **Net Cash Proceeds of Dispositions**

- (a) Subject to the Intercreditor Agreement and paragraphs (b), (c) and (d) below, if at any time after the Final Closing Date any member of the Group disposes of any property or assets as permitted or as not prohibited by Schedule 12 (*General Undertakings*) (other than pursuant to the PMSL Disposal, an Excluded Disposition or a Factoring Disposition) which results in the receipt by any member of the Group of Net Cash Proceeds, the Parent shall ensure that an amount equal to 100% of such Net Cash Proceeds are applied in prepayment of the Facilities in accordance with Clause 9.4 (*Application of prepayments*) on or before the date which is 15 Business Days after the date of receipt of such Net Cash Proceeds.

<u>First Lien Net Leverage Ratio</u>	<u>Percentage of Net Cash Proceeds of Dispositions</u>
Greater than 4.80:1	100%
Equal to or less than 4.80:1 but greater than 4.30:1	50%
Equal to or less than 4.30:1	0%

- (b) Notwithstanding the terms of paragraph (a) above, if at a time when any prepayment pursuant to paragraph (a) above would be required, any member of the Group is required to prepay or to offer to repurchase, prepay or redeem any Indebtedness permitted to be incurred by a member of the Group under this Agreement secured on a *pari passu* basis with the Facilities (or any Permitted Refinancing thereof that is secured on a *pari passu* basis with the Facilities) pursuant to the terms of the documentation governing such Indebtedness with the Net Cash Proceeds of such Disposition (such Indebtedness or Permitted Refinancing thereof required to be offered to be so repurchased, prepaid or redeemed, the “**Other Applicable Indebtedness**”), then the relevant member of the Group may apply such Net Cash Proceeds on a *pro rata* basis (determined on the basis of the aggregate outstanding principal amount of the Facilities and Other Applicable Indebtedness at such time) to the prepayment of Facilities and to the repurchase, prepayment or redemption of Other Applicable Indebtedness, and the amount of prepayment of the Facilities that would otherwise have been required pursuant to this Clause shall be reduced accordingly. For the avoidance of doubt, the portion of such Net Cash Proceeds applied in repurchase, prepayment or redemption of the Other Applicable Indebtedness shall not exceed the amount of such Net Cash Proceeds required to be applied in repurchasing or repaying the Facilities pursuant to the terms hereof.
- (c) Notwithstanding the terms of paragraph (a) above, with respect to any Net Cash Proceeds realised or received with respect to any Disposition (other than the PMSL Disposal, any Excluded Disposition or Factoring Disposition), at the option of the Parent (in its sole and absolute discretion), the Group may reinvest all or any portion of such Net Cash Proceeds in assets useful for the business of the Group (including, without limitation, any Investment permitted by this Agreement) or in the replacement, reinstatement and/or repair of the relevant assets or the purchase of replacement assets:
 - (i) within 18 months following receipt of such Net Cash Proceeds; or

(ii) if the relevant member of the Group contractually commits to reinvest such Net Cash Proceeds within 18 months following receipt thereof, within 24 months of the date on which such proceeds are contractually committed to be reinvested,

and such amounts shall not be required to be applied in the prepayment of the Facilities, provided that if any Net Cash Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election or are not so reinvested within the time periods set out above, an amount equal to any such Net Cash Proceeds shall be applied within five Business Days after the relevant member of the Group reasonably determines that such Net Cash Proceeds are no longer intended to be or cannot be so reinvested in prepayment of the Facilities as described above.

- (d) The Parent may elect that any prepayment under this Clause 9.2 shall be applied in prepayment of a Loan on the last day of the Interest Period relating to that Loan provided that:
- (i) if the Parent makes such an election then a proportion of the Loan equal to the amount of the relevant prepayment shall be due and payable on the last day of its next Interest Period; and
- (ii) no such election may be made at any time while an Event of Default under any of Clause 24.1 (*Payment default*) or Clauses 24.6 (*Insolvency*) to 24.9 (*Similar events elsewhere*) (inclusive) has occurred and is continuing, and if the Parent has so made an election under this paragraph (d) but such Event of Default has occurred and is continuing, that election shall no longer apply and a proportion of the Loan in respect of which the election was made equal to the amount of the relevant prepayment shall be immediately due and payable (if the Majority Lenders so require in writing).
- (e) If, on applying the Net Cash Proceeds in prepayment of the Facilities under this paragraph on any date, the First Lien Net Leverage Ratio as demonstrated in the then most recent Compliance Certificate received by the Agent (after taking into account such prepayment) falls into a lower threshold in the table above, then the relevant percentage shall be reduced accordingly for any further prepayments to be made under this Clause 9.2 on that date.
- (f) If, with respect to Net Cash Proceeds generated by an entity that is not organized in the United States but is a Subsidiary of an entity that is organized in the United States, the distribution (or deemed distribution) of such Net Cash Proceeds that would occur in connection with any prepayment of the Facilities hereunder would result in material adverse Tax consequences, then such Net Cash Proceeds shall not be required to be prepaid hereunder and shall be permitted to be retained by the applicable entity.
- (g) For the avoidance of doubt there is no requirement for any member of the Group to prepay the Facilities with the proceeds of any Listing (other than upon a Change of Control), any Casualty Event, any Factoring Disposition or any claim in relation to the Acquisition Documents and/or Reports.

9.3 Excess Cash Flow

- (a) The Parent will ensure that as soon as reasonably practicable, and in any event within 14 days of the delivery of the Annual Financial Statements and Compliance Certificate for the relevant Financial Year (commencing with the first full Financial Year ending after the Final Closing Date), an amount equal to: (x) the applicable percentage of the Excess Cash Flow for such Financial Year, *minus* (y) each of the following:
- (i) the sum of (A) all voluntary prepayments, repurchases or redemptions of the Facilities and the Senior Facilities or any other Indebtedness permitted to be incurred by a member of the Group under the Senior Facilities Agreement and this Agreement secured on a *pari passu* basis with the Senior Facilities or the Facilities (as applicable) (or any Permitted Refinancing thereof that is secured on a *pari passu* basis with the Senior Facilities or Facilities (as applicable)) (and, in the case of any revolving credit facility, to the extent such prepayment, repurchase or redemption is accompanied by a permanent reduction of the corresponding commitment) which is prepaid, repurchased or redeemed on a pro rata basis or less than pro rata basis with Facility B or the Second Lien Facility (as applicable) (but, in each case, excluding prepayments, repurchases or redemptions to the extent funded with the proceeds of long-term funded indebtedness (other than revolving loans)), made during such Financial Year or after the end of the relevant Financial Year but prior to the time prepayment is due under this Clause 9.3 (including, in the case of Debt Purchase Transactions, the actual purchase price paid in cash pursuant to such Debt Purchase Transaction) (each, a “**Voluntary Debt Reduction**”), *plus* (B) any amounts in respect of a Voluntary Debt Reduction carried forward from any prior Financial Year in accordance with paragraph (g) below;
 - (ii) the aggregate consideration required to be paid in cash by the Parent or any of the Restricted Subsidiaries pursuant to binding contracts entered into prior to or during the relevant Financial Year, or intended to be paid in cash by the Parent or any of the Restricted Subsidiaries, in each case in respect of Investments, acquisitions, Capital Expenditures or acquisitions of intellectual property, in each case, permitted under this Agreement, to be consummated or made during the period of four consecutive Financial Quarters following the end of such Financial Year (together, the “**Committed Investment Amount**”); *provided that*:
 - (A) at the option of the Parent (in its sole and absolute discretion):
 - (I) the Committed Investment Amount shall also include any amount committed to be paid pursuant to a binding contract in any subsequent period so long as to the extent such amount is not actually paid as committed in such subsequent period, such amount shall be added back in calculating Excess Cash Flow for such subsequent period; and
 - (II) the amount shall also include any payment made after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 9.3 is due so long as such amount will not be deducted in subsequent periods; and

-
- (B) to the extent the aggregate amount of internally generated cash flow actually utilised to finance such Investments, acquisitions, Capital Expenditures or acquisitions of intellectual property during such period of four consecutive Financial Quarters or such subsequent period is less than the Committed Investment Amount, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such period of four consecutive Financial Quarters; and
- (iii) the amount of Restricted Payments paid in cash during the relevant Financial Year pursuant to Clauses 7(c), 7(f), 7(g), 7(h), 7(i), 7(j), 7(k) and 7(o) of Schedule 12 (*General Undertakings*) (each, a “**Specified Restricted Payment**”) in each case to the extent such Specified Restricted Payments were financed with internally generated cash flow or borrowings under any revolving credit facility (the “**Restricted Payment Amount**”); *provided that*:
- (A) at the option of the Parent (in its sole and absolute discretion):
- (I) the Restricted Payment Amount shall also include any amount declared by the Parent or any relevant member of the Group to be paid in any subsequent period so long as to the extent such amount is not actually paid as declared in such subsequent period, such amount shall be added back in calculating Excess Cash Flow for such subsequent period; and
- (II) the amount shall also include any payment made after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 9.3 is due so long as such amount will not be deducted in subsequent periods; and
- (B) to the extent the aggregate amount of internally generated cash flow actually utilised to finance such Specified Restricted Payments during such period of four consecutive Financial Quarters or such subsequent period is less than the Restricted Payment Amount, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of such period of four consecutive Financial Quarters;
- (iv) the sum of (I) the aggregate amount of all principal payments made in cash of Indebtedness of the Parent and the Restricted Subsidiaries made during such Financial Year or after the end of the relevant Financial Year but prior to the time prepayment is due under this Clause 9.3 (including (A) the principal component of payments in respect of Capitalised Leases, (B) the amount of any prepayment or repayment of Loans pursuant to this Agreement, (C) the amount of any mandatory prepayment of Loans and/or Other Applicable Indebtedness pursuant to Clause 9.2 (*Net Cash Proceeds of Dispositions*) to the extent required due to a Disposition that resulted in an increase to such Consolidated Net Income and not in excess of the amount of such increase and (D) the amount of any voluntary prepayments of Loans pursuant to Clause 8.3 (*Voluntary prepayment of the Second Lien Facility*)) (in an amount equal to the amount actually paid in respect of the principal amount of such Loans), but excluding: (1) all prepayments in respect of any revolving credit facility (unless such other revolving credit facility commitments are permanently reduced by the amount of such payments) and (2) prepayments of any Indebtedness secured by a junior lien or subordinated or unsecured Indebtedness, made during such period, in each case except to the extent financed with the proceeds of other Indebtedness of the Parent or the Restricted Subsidiaries and, in the case of (2) above, except to the extent

- funded by the Available Amount or made in reliance on any basket calculated by reference to the Available Amount to the extent attributable to a Financial Year of the Parent previous to the Financial Year with respect to which Excess Cash Flow is calculated) (each, a “**Mandatory Debt Reduction**”), plus (II) any amounts in respect of a Mandatory Debt Reduction carried forward from any prior Financial Year in accordance with paragraph (g) below;
- (v) cash payments by the Parent and its Restricted Subsidiaries made (or committed to be made) during such Financial Year in respect of long-term liabilities of the Parent and its Restricted Subsidiaries other than Indebtedness, to the extent financed with internally generated cash (the “**Long Term Liability Amount**”), provided that:
- (A) at the option of the Parent (in its sole and absolute discretion), the Long Term Liability Amount shall also include any payment made after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 9.3 is due so long as such amount will not be deducted in subsequent periods; and
- (B) to the extent the aggregate amount of internally generated cash flow actually utilised to make such payments in respect of long-term liabilities of the Parent and its Restricted Subsidiaries other than Indebtedness during a subsequent period is less than the Long Term Liability Amount, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of the subsequent Financial Year;
- (vi) the aggregate amount of any premium, make-whole or penalty payments paid (or committed or required to be paid) in cash by the Parent and the Restricted Subsidiaries during such Financial Year that are paid (or committed or required to be paid) in connection with any prepayment of Indebtedness to the extent such payments are not expensed during such period or are not deducted in calculating Consolidated Net Income (the “**Make-Whole Amount**”), provided that:
- (A) at the option of the Parent (in its sole and absolute discretion), the Make-Whole Amount shall also include any such premium, make-whole or penalty payments paid (or committed or required to be paid) after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 9.3 is due so long as such amount will not be deducted in subsequent periods; and
- (B) to the extent the aggregate amount of any such premium, make-whole or penalty payments actually paid as committed or required during a subsequent period is less than the Make-Whole Amount, the amount of such shortfall shall be added to the calculation of Excess Cash Flow at the end of the subsequent Financial Year;
- (vii) the amount of cash taxes paid (or committed or required to be paid) or tax reserves set aside or payable (without duplication) in such Financial Year, to the extent they exceed the amount of tax expense deducted in determining Consolidated Net Income for such period (the “**Tax Liability Amount**”), provided that, at the option of the Parent (in its sole and absolute discretion), the Tax Liability Amount shall also include any such cash taxes paid (or committed or required to be paid) or tax reserves set aside or payable (without duplication) after such Financial Year and prior to the date on which the Excess Cash Flow payment under this Clause 9.3 is due so long as such amount will not be deducted in subsequent periods; and

(viii) the greater of \$45,000,000 and 15% of LTM Consolidated EBITDA (the “ECF De Minimis Amount”),

is (to the extent not already applied in repayment or prepayment of the Second Lien Facility) applied in prepayment of the Second Lien Facility in accordance with Clause 9.4 (*Application of prepayments*), where the applicable percentage is set out in the table below opposite the applicable First Lien Net Leverage Ratio as demonstrated by the Annual Financial Statements for such Financial Year (and subject to any adjustments in accordance with this Clause 9.3):

<u>First Lien Net Leverage Ratio</u>	<u>Percentage of Excess Cash Flow</u>
Greater than 5.00:1	50%
Equal to or less than 5.00:1 but greater than 4.50:1	25%
Equal to or less than 4.50:1	0%

- (b) Notwithstanding the terms of paragraph (a) above, if at the time that any prepayment required by paragraph (a) above would be required, any member of the Group is required to offer to repurchase or prepay Other Applicable Indebtedness pursuant to the terms of the documentation governing such Other Applicable Indebtedness with Excess Cash Flow, then the Borrowers may apply such Excess Cash Flow on a *pro rata* basis (determined on the basis of the aggregate outstanding principal amount of the Second Lien Facility and Other Applicable Indebtedness at such time) to the prepayment of Facilities and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Second Lien Facility that would otherwise have been required pursuant to this Clause 9.3 shall be reduced accordingly. For the avoidance of doubt, the portion of such Excess Cash Flow applied in repurchasing or prepaying the Other Applicable Indebtedness shall not exceed the amount of Excess Cash Flow required to be applied in repurchasing or prepaying Second Lien Facility pursuant to the terms hereof.
- (c) For the avoidance of doubt, if the amount calculated under paragraph (a) above is a negative number, the Parent shall not be required to make any such prepayment.
- (d) If, on applying Excess Cash Flow in prepayment of the Second Lien Facility under this paragraph on any date, the First Lien Net Leverage Ratio as demonstrated in the then most recent Compliance Certificate received by the Agent (after taking into account such prepayment) falls into a lower threshold in the table above, then the relevant percentage shall be reduced accordingly for any further prepayments to be made under this Clause 9.3 on that date.
- (e) For the purposes of this Clause 9.3, the First Lien Net Leverage Ratio shall be calculated *pro forma* for any Voluntary Debt Reduction and/or Mandatory Debt Reduction made after the end of the relevant Financial Year but prior to the time prepayment is due under this Clause 9.3 as if such Debt Reduction and/or Mandatory Debt Reduction had been made during the relevant Financial Year and Consolidated Senior Secured Net Debt had accordingly been reduced on a dollar-for-dollar basis.
- (f) If, with respect to Excess Cash Flow attributable to an entity that is not organized in the United States but is a Subsidiary of an entity that is organized in the United States, the distribution (or deemed distribution) of such Excess Cash Flow that would occur in connection with any prepayment of the Facilities hereunder would result in material adverse Tax consequences, then the amount of such Excess Cash Flow attributable to such entity shall not be required to be prepaid hereunder and shall be permitted to be retained by the applicable entity.

- (g) Notwithstanding the terms of paragraph (a) above, to the extent the aggregate amount of Voluntary Debt Reductions and/or Mandatory Debt Reductions during any relevant Financial Year exceeds the amount of any Excess Cash Flow prepayment that would have been required pursuant to paragraph (a) above (after deducting the ECF De Minimis Amount, any Committed Investment Amount and any Restricted Payment Amount), the amount of such excess shall be carried forward to subsequent Financial Years and deducted (on a dollar-for-dollar basis) from any Excess Cash Flow prepayment required in any such subsequent Financial Years (after calculating the applicable Excess Cash Flow percentage for the relevant Financial Year).

9.4 Application of prepayments

- (a) Subject to Clause 9.5 (*Right to refuse prepayment*) below, prepayments made pursuant to this Clause 9 shall be applied in any manner as directed by the Parent (in its sole and absolute discretion), or in the absence of such direction, in direct order of maturity; *provided* that to the extent that the Parent directs that prepayments made pursuant to this Clause 9 are to be applied to any Facility (a “**Later Maturing Tranche**”) which matures on a later date than the maturity applicable to any other Facility (an “**Earlier Maturing Tranche**”), such proceeds shall be applied *pro rata* across the Later Maturing Tranche and each Earlier Maturing Tranche.
- (b) Without prejudice to paragraph (f) of Clause 9.2 (*Net Cash Proceeds of Dispositions*) and paragraph (f) of Clause 9.3 (*Excess Cash Flow*), the Parent and each other Obligor shall use all reasonable endeavours to ensure that any transaction giving rise to a prepayment obligation is structured in such a way that it will not be unlawful for the members of the Group to move the relevant proceeds received between members of the Group to enable a mandatory prepayment to be lawfully made and the proceeds lawfully applied as provided under this Clause 9, and/or to minimise the costs of making such mandatory prepayment (including using all reasonable endeavours to fund such payment from surplus cash in the Group). If, however, (A) the cost of making (or moving the funds to make) such mandatory prepayment would exceed 3% of the amount of such payment at that time; and/or (B) after the Parent and each such member of the Group has used all such reasonable endeavours and taken such reasonable steps, it will still:
- (i) be unlawful (including, without limitation, by reason of financial assistance, corporate benefit restrictions on upstreaming cash intra-Group and the fiduciary and statutory duties of the directors of any member of the Group) for such a prepayment to be made and/or cash cover to be provided and the proceeds so applied; or
 - (ii) be unlawful (including, without limitation, by reason of financial assistance, corporate benefit restrictions on upstreaming cash intra-Group and the fiduciary and statutory duties of the directors of any member of the Group) to make funds available to a member of the Group that could make such a prepayment and/or provide such cash cover,

then such prepayment and/or provision of cash cover shall not be required to be made (and, for the avoidance of doubt, the relevant amount shall be available for the working capital purposes of the Group and shall not be required to be paid to any blocked account) provided always that if the restriction preventing such payment/provision of cash cover or giving rise to such liability is subsequently removed, any relevant proceeds will immediately be applied in prepayment and/or the provision of cash cover in accordance with this Clause 9 at the end of the relevant Interest Period(s) to the extent that such payment has not otherwise been made.

- (c) The obligation to make a mandatory prepayment under Clause 9.1 (*Change of Control*) shall not be subject to any limitation set out under paragraph (b) above.
- (d) If any Loans are repaid or prepaid in accordance with Clause 8.3 (*Voluntary prepayment of the Second Lien Facility*) or this Clause 9, then the Parent may, by giving not less than three Business Days' notice to the Agent (or such shorter period agreed with the Agent) select which Borrower or Borrowers (if more than one) under the relevant Facility shall effect repayment of each Loan.

9.5 **Right to refuse prepayment**

- (a) The Agent shall notify the Lenders as soon as practicable of any proposed prepayment of Loans under Clause 8.3 (*Voluntary prepayment of the Second Lien Facility*), Clause 9.2 (*Net Cash Proceeds of Dispositions*) or Clause 9.3 (*Excess Cash Flow*).
- (b) Any Second Lien Facility Lender or Incremental Facility Lender (a "**Non-Accepting Lender**") to which the proposed prepayment would otherwise be made may, by giving not less than three Business Days' (or such shorter period as the Parent and Majority Lenders may agree) notice to the Agent prior to the date of the relevant prepayment, waive its right to prepayment (in whole or in part) other than (A) in relation to a prepayment arising pursuant to Clause 8.3 (*Voluntary prepayment of the Second Lien Facility*), (B) in relation to a prepayment arising pursuant to Clause 8.1 (*Illegality*) or Clause 8.6 (*Right of cancellation and repayment in relation to a single Lender*), or (C) a prepayment or repayment in respect of which the Parent elects (in its sole and absolute discretion) that this Clause 9.5 shall not apply.
- (c) If any Non-Accepting Lender delivers any notice under paragraph (b) above, the amount in respect of which that Non-Accepting Lender has waived its right to prepayment (the "**Waived Amount**") may be retained by the Parent and the Restricted Subsidiaries and/or be applied by the Parent or any of the Restricted Subsidiaries for any purpose that is permitted or not prohibited by the terms of this Agreement.

10. **RESTRICTIONS**

10.1 **Notices of Cancellation or Prepayment**

Any notice of cancellation, prepayment, authorisation or other election given by any Party under Clause 8 (*Illegality, Voluntary Prepayment and Cancellation*) or Clause 9.5 (*Right to refuse prepayment*) may be conditional or revocable and shall (subject to the terms of those Clauses or unless otherwise agreed by the Agent), unless a contrary indication appears in this Agreement, specify the date or dates upon which the relevant cancellation or prepayment is to be made and the amount of that cancellation or prepayment.

10.2 **Interest and other amounts**

Subject to Clause 14.4 (*Call Premium*), any prepayment under this Agreement shall be made together with accrued interest on the amount prepaid and, subject to any Break Costs, without premium or penalty.

10.3 No reborrowing of Second Lien Facility or Incremental Facilities

No Borrower may reborrow any part of any Second Lien Facility or an Incremental Facility which is prepaid.

10.4 Prepayment in accordance with Agreement

- (a) No Borrower shall repay or prepay all or any part of the Loans or cancel all or any part of the Commitments except at the times and in the manner expressly provided for in this Agreement.
- (b) To the extent that any prepayment is:
 - (i) applied or to be applied against a Loan that is not denominated in the Base Currency:
 - (A) any *pro rata* entitlement of that Loan shall be calculated using its Base Currency Amount; and
 - (B) any costs of converting the relevant prepayment amount into the currency of that Loan shall reduce the amount to be applied against that Loan (and, for the avoidance of doubt, such costs shall not reduce the amount applied against other Loans denominated in the Base Currency or increase the amount required to be paid by any member of the Group); and
 - (ii) made or to be made in respect of proceeds denominated in a currency other than the Base Currency, the required prepayment amount shall be reduced by any costs of converting the relevant proceeds into the currency of the required prepayment.

10.5 No reinstatement of Commitments

Subject to Clause 2.2 (*Increase*), no amount of the Total Commitments cancelled under this Agreement may be subsequently reinstated.

10.6 Agent's receipt of Notices

If the Agent receives a notice under Clause 8 (*Illegality, Voluntary Prepayment and Cancellation*) or an election under paragraph (d) of Clause 9.2 (*Net Cash Proceeds of Dispositions*) and Clause 9.5 (*Right to refuse prepayment*), it shall promptly forward a copy of that notice or election to either the Parent or the affected Lender, as appropriate.

10.7 Effect of Repayment and Prepayment on Commitments

If all or part of a Lender's participation in a Loan under a Facility is repaid or prepaid and is not available for redrawing, an amount of that Lender's Commitment (equal to the Base Currency Amount of the amount of the participation which is repaid or prepaid) in respect of that Facility will be deemed to be cancelled on the date of repayment or prepayment.

10.8 Application of prepayments

Any prepayment of a Loan (other than a prepayment pursuant to Clause 8.1 (*Illegality*) or Clause 8.6 (*Right of cancellation and repayment in relation to a single Lender*)) shall be applied *pro rata* to each Lender's participation in that Loan.

10.9 Prepayment of Senior Facilities

- (a) The provisions of Clause 8 (*Illegality, Voluntary Prepayment and Cancellation*), Clause 9 (*Mandatory Prepayment and Cancellation*) and Clause 11 (*Interest*) are subject to the terms of the Intercreditor Agreement.
- (b) Any amount which would otherwise be or be required to be applied in payment or prepayment of any sum outstanding under the Finance Documents pursuant to the Clauses referred to in paragraph (a) above shall only be so applied and shall only be required to be so applied (notwithstanding the relevant provisions of this Agreement) if and to the extent that:
 - (i) all amounts outstanding under the Senior Facilities Agreement, any first ranking *pari passu* debt and any other first ranking notes, loans or other Indebtedness permitted to be incurred by any Group Member by this Agreement (any such Indebtedness, “**First Ranking Debt**”) have been paid in full (and the amount of any such payment or prepayment pursuant to the Clauses referred to in paragraph (a) above shall be reduced by any portion thereof that was first applied to repay, prepay, repurchase or cancel First Ranking Debt) unless any Senior Finance Party or other creditor of such First Ranking Debt has elected to waive all or a specified portion of such payment or prepayment in which case such amounts may, in the Parent’s sole discretion, be applied towards the payment or prepayment of any sum outstanding under the Finance Documents (or any second ranking *pari passu* debt and any other first ranking notes, loans or other Indebtedness permitted to be incurred by any Group Member by this Agreement); or
 - (ii) such payment is not otherwise prohibited under the terms of the Intercreditor Agreement and is not otherwise required to be applied under the terms of the Senior Facilities Agreement or any other First Ranking Debt.

11. INTEREST

11.1 Calculation of interest

The rate of interest on each Loan for each Interest Period is the percentage rate per annum which is the aggregate of the applicable:

- (a) Margin; and
- (b) EURIBOR for Loans in euro and LIBOR (or local equivalent where LIBOR is not available) for Loans in all other currencies.

11.2 Payment of interest

The Borrower to which a Loan has been made shall pay accrued interest on that Loan on the last day of each Interest Period (and (i) for any Loan denominated in USD, if the Interest Period is longer than three Months, on the dates falling at three Monthly intervals after the first day of the Interest Period and (ii) for all other Loans, if the Interest Period is longer than six Months, on the dates falling at six Monthly intervals after the first day of the Interest Period). The Parties agree that interest (if unpaid) will be compounded with the principal amount of the Loans at the end of each Interest Period, but shall remain immediately due and payable.

11.3 **Default interest**

- (a) If an Obligor fails to pay any amount (other than non-compounded interest) payable by it under a Finance Document on its due date, interest shall, to the extent permitted by law, accrue on the overdue amount from the due date up to the date of actual payment (both before and after judgment) at a rate which, subject to paragraph (b) below, is 1% per annum higher than the rate which would have been payable if the overdue amount had, during the period of non-payment, constituted a Loan in the currency of the overdue amount for successive Interest Periods, each of a duration selected by the Agent (acting reasonably). Any interest accruing under this Clause 11.3 shall be immediately payable by the Obligor on demand by the Agent.
- (b) If any overdue amount consists of all or part of a Loan which became due on a day which was not the last day of an Interest Period relating to that Loan:
 - (i) the first Interest Period for that overdue amount shall have a duration equal to the unexpired portion of the current Interest Period relating to that Loan; and
 - (ii) the rate of interest applying to the overdue amount during that first Interest Period shall be 1% per annum higher than the rate which would have applied if the overdue amount had not become due.

18. MITIGATION BY THE LENDERS

18.2 Limitation of liability

- (a) The Parent shall promptly indemnify each Finance Party for all costs and expenses reasonably incurred by that Finance Party as a result of steps taken by it under Clause 18.1 (*Mitigation*).
- (b) A Finance Party is not obliged to take any steps under Clause 18.1 (*Mitigation*) if, in the opinion of that Finance Party (acting reasonably), to do so might be prejudicial to it in any material respect.

19. COSTS AND EXPENSES

19.1 Transaction expenses

The Parent shall within five Business Days of demand pay the Agent, the Arrangers and the Security Agent (and, in the case of the Security Agent, any Receiver or Delegate) the amount of all costs and expenses (including, but not limited to, legal fees (subject to agreed caps, if any)) reasonably incurred by any of them in relation to arrangement, negotiation, preparation, printing, execution and syndication and perfection of the Facilities up to a maximum amount agreed (if any).

20. GUARANTEES AND INDEMNITY

20.1 Guarantee and indemnity

Each Guarantor irrevocably and unconditionally jointly and severally:

- (a) guarantees to each Finance Party punctual performance by each other Obligor of all that Obligor's obligations under the Finance Documents;
- (b) undertakes with each Finance Party that whenever another Obligor does not pay any amount when due (allowing for any applicable grace period) under or in connection with any Finance Document, that Guarantor shall immediately on demand pay that amount as if it was the principal obligor; and
- (c) agrees with each Finance Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Finance Party immediately on demand against any cost, loss or liability it incurs as a result of an Obligor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Finance Document on the date when it would have been due. The amount payable by a Guarantor under this indemnity will not exceed the amount it would have had to pay under this Clause 20 if the amount claimed had been recoverable on the basis of a guarantee.

20.2 Continuing guarantee

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Obligor under the Finance Documents, regardless of any intermediate payment or discharge in whole or in part.

20.3 Reinstatement

If any discharge, release or arrangement (whether in respect of the obligations of any Obligor or any security for those obligations or otherwise) is made by a Finance Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, judicial management, administration or otherwise, without limitation, then the liability of each Guarantor under this Clause 20 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

20.4 Waiver of defences

The obligations of each Guarantor under this Clause 20 will not be affected by an act, omission, matter or thing which, but for this Clause 20, would reduce, release or prejudice any of its obligations under this Clause 20 (without limitation and whether or not known to it or any Finance Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Obligor or other person;
- (b) the release of any other Obligor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Obligor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of an Obligor or any other person;
- (e) any amendment, novation, supplement, extension restatement (however fundamental and whether or not more onerous) or replacement of a Finance Document or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Finance Document or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or security; or
- (g) any insolvency or similar proceedings.

20.5 Guarantor Intent

Without prejudice to the generality of Clause 20.4 (*Waiver of defences*), each Guarantor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Finance Documents and/or any facility or amount made available under any of the Finance Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

20.6 **Immediate recourse**

Each Guarantor waives any right it may have of first requiring any Finance Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Guarantor under this Clause 20. This waiver applies irrespective of any law or any provision of a Finance Document to the contrary.

20.7 **Appropriations**

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full, each Finance Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Finance Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Guarantor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Guarantor or on account of any Guarantor's liability under this Clause 20.

20.8 **Deferral of Guarantors' rights**

Until all amounts which may be or become payable by the Obligors under or in connection with the Finance Documents have been irrevocably paid in full and unless the Agent otherwise directs, no Guarantor will exercise any rights which it may have by reason of performance by it of its obligations under the Finance Documents or by reason of any amount being payable, or liability arising, under this Clause 20:

- (a) to be indemnified by an Obligor;
- (b) to claim any contribution from any other guarantor of any Obligor's obligations under the Finance Documents;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under the Finance Documents or of any other guarantee or security taken pursuant to, or in connection with, the Finance Documents by any Finance Party;
- (d) to bring legal or other proceedings for an order requiring any Obligor to make any payment, or perform any obligation, in respect of which any Guarantor has given a guarantee, undertaking or indemnity under Clause 20.1 (*Guarantee and indemnity*);
- (e) to exercise any right of set-off against any Obligor; and/or
- (f) to claim or prove as a creditor of any Obligor in competition with any Finance Party.

If a Guarantor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Finance Parties by the Obligors under or in connection with the Finance Documents to be repaid in full on trust for the Finance Parties and shall promptly pay or transfer the same to the Agent or as the Agent may direct for application in accordance with Clause 30 (*Payment Mechanics*).

20.9 **Release of Guarantors' right of contribution**

If any Guarantor (a "**Retiring Guarantor**") ceases to be a Guarantor in accordance with the terms of the Finance Documents for the purpose of any sale or other disposal of that Retiring Guarantor or any of its Holding Companies (other than the Parent) then on the date such Retiring Guarantor ceases to be a Guarantor:

- (a) that Retiring Guarantor is released by each other Guarantor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Guarantor arising by reason of the performance by any other Guarantor of its obligations under the Finance Documents; and
- (b) each other Guarantor waives any rights it may have by reason of the performance of its obligations under the Finance Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Finance Parties under any Finance Document or of any other security taken pursuant to, or in connection with, any Finance Document where such rights or security are granted by or in relation to the assets of the Retiring Guarantor.

20.10 **Additional security**

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Finance Party.

20.11 **Guarantee Limitations**

This guarantee and the obligations and liabilities of each Guarantor under and in connection with the Finance Documents (including, without limitation, this Clause 20):

- (a) does not apply to any liability to the extent that it would result in this guarantee being illegal, in breach of law or regulation, or constituting unlawful financial assistance in any relevant jurisdiction (including, for the avoidance of doubt, within the meaning of sections 678 or 679 of the Companies Act 2006 applicable to members of the Group incorporated in the United Kingdom and within the meaning of section 7 or 7A of the Isle of Man Companies Act 1992 applicable to members of the Group incorporated under the Isle of Man Companies Acts 1931 to 2004) concerning the financial assistance by that company for the acquisition of, or subscription for, shares or concerning the protection of shareholders' capital; and

- (c) The above limitation shall not apply to any amounts borrowed under the Finance Document and in each case made available directly or indirectly, in any form whatsoever, to such Luxembourg Guarantor or any of its subsidiaries.
- (d) Notwithstanding anything herein to the contrary, the obligations and liabilities of such Luxembourg Guarantor shall not include any obligation or liability to the extent that, if so included, would constitute an abuse of assets as defined by article 171-1 of the Luxembourg law on commercial companies dated 10 August 1915, as amended.

22. INFORMATION AND ACCOUNTING UNDERTAKINGS

The undertakings in this Clause 22 shall continue for so long as any amount is outstanding under the Finance Documents or any Commitment is in force.

22.1 Events of Default

Each Obligor will, promptly after becoming aware of it, notify the Agent (with a copy to the Security Agent) of the occurrence of any Default which is continuing (and the steps if any being taken to remedy it) and will from time to time if the Agent has reasonable grounds for believing that a Default has occurred and is continuing and so requests in writing, deliver to the Agent a certificate on behalf of the Parent, signed by a director confirming that to the best of such director’s knowledge, no Default has occurred and is continuing or setting out details of any Default of which such director is aware and the action (if any) taken or proposed to be taken to remedy it.

22.2 Financial Statements

- (a) The Parent will deliver (or will procure that the relevant Obligor delivers) to the Agent for distribution to the Lenders sufficient copies for each of the Lenders of the following:
- (i) commencing with the Financial Year ending on 31 December 2018, as soon as these are available and in any event within 150 days after the end of the Financial Year of the Parent ending on 31 December 2018 and within 120 days after the end of each other Financial Year of the Parent, the audited consolidated financial statements of the Parent for that Financial Year (the “**Annual Financial Statements**”) and, (if available and if requested by the Agent or any Lender) the audited (if audited) or unaudited financial statements of any other Obligor for that financial year but only where the relevant Obligor is under an obligation to produce statutory accounts (audited, if that Obligor produces audited financial statements);
 - (ii) within 90 days after the end of each of the first two full Financial Quarters of the Parent’s Financial Year ending after the Final Closing Date and 60 days after the end of each other Financial Quarter of the Parent’s Financial Years other than the fourth Financial Quarter of each Financial Year, for which no quarterly financial statements shall be required to be delivered, the unaudited consolidated financial statements of the Parent for that Financial Quarter (the “**Quarterly Financial Statements**”); and
 - (iii) at any time prior to a Listing or the listing of any member of the Group (upon which the obligation in this subparagraph (iii) shall automatically cease to apply), together with the delivery of the Annual Financial Statements, the Budget for the Financial Year in which such Annual Financial Statements are delivered.
- (b) The Parent shall ensure that each of the financial statements delivered to the Agent pursuant paragraph (a) above shall:
- (i) include a balance sheet, profit and loss account, and full cashflow statement (including changes in cash and working capital excluding accrued interest); and
 - (ii) be accompanied by a statement comparing actual performance for that period against projected performance for that period in the Budget and performance against the corresponding period in the last Financial Year;

provided that during the first 12 months after the Final Closing Date the financial statements required to be delivered pursuant to this Clause 22.2 (*Financial statements*) may be delivered in the form prepared by the Target Group prior to the Initial Closing Date and *provided* further that the Quarterly Financial Statements for the first three full Financial Quarters following the Final Closing Date or following the completion of any acquisition of a company, business or undertaking may be prepared on a combined or aggregated, rather than on a consolidated, basis and such accounts shall be deemed to satisfy the requirements of this Clause 22 (*Information and Accounting Undertakings*).

22.3 Compliance Certificates

- (a) The Parent shall deliver to the Agent with the Annual Financial Statements, a Compliance Certificate signed by the CEO or CFO confirming the amount of Excess Cash Flow, and confirming the Restricted Subsidiaries, the Material Subsidiaries and compliance with Clause 13 (*Covenant to guarantee obligations and give security and further assurance*) of Schedule 12 (*General Undertakings*) (such certificate to contain reasonably detailed calculations).
- (b) Each Compliance Certificate delivered with the Annual Financial Statements pursuant to paragraph (a) above shall, if such financial statements are prepared on a different accounting basis to the Accounting Principles, be accompanied by a certificate from the Auditors confirming the basis for such changes and the calculations and adjustments and a reconciliation to the original Accounting Principles (in each case, subject to each Finance Party agreeing an engagement letter with the Auditors (and otherwise in such manner and on such conditions as the Auditors specify) and only to the extent that firms of auditors of international repute have not adopted a general policy of not providing such reports).

22.4 Investigations

Each Obligor will (and the Parent will ensure that each other member of the Group will) while an Event of Default is continuing under Clause 24.1 (*Payment default*) or any of Clause 24.6 (*Insolvency*) to Clause 24.9 (*Similar events elsewhere*), permit the Agent or other professional advisers engaged by the Agent (after consultation with the Parent as to the scope of the investigation), at the cost of the Parent (but subject to prior notification to the Parent and where such costs are notified to be in aggregate greater than \$500,000 (or its equivalent in other currencies), then subject to prior consent of the Parent) and otherwise at the cost of the Finance Parties):

- (a) free access (in the presence of the Parent) at all reasonable times and on reasonable notice to the books, accounts and records of each member of the Group to the extent the Agent (acting reasonably) considers such books, accounts or records to be relevant to the Event of Default which has occurred and to inspect and take copies of and extracts from such books, accounts and records; and
- (b) during normal business hours and on reasonable notice to meet and discuss with senior management of the relevant Obligor or other member of the Group,

provided that all information obtained as a result of such access shall be subject to the confidentiality restrictions set out in this Agreement.

22.5 Other Information

The Parent will, and will procure that each Obligor shall (unless it is aware that another Obligor has already done so), promptly upon becoming aware of or receiving a request (as the case may be) deliver to the Agent for distribution to the Lenders:

- (a) details of any litigation, arbitration or administrative proceedings, action or labour dispute affecting it or any of its Restricted Subsidiaries which, if adversely determined against it or any of its Restricted Subsidiaries, could reasonably be expected to have a Material Adverse Effect;

22.6 Agreed Accounting Principles

- (a) The Parent shall procure that all of its financial statements and the financial statements of any Obligor delivered or to be delivered to the Agent under this Agreement shall be prepared in accordance with the Accounting Principles and accounting practices (consistent with the Base Case Model (provided that the financial statements will be consolidated at the level of the Parent) and, in each case, to the extent appropriate in the context of such financial statements and subject to customary year-end adjustments). If such financial statements are prepared on a different accounting basis to the foregoing:
 - (i) the Parent shall promptly so notify the Agent (unless the Agent has already been notified of the relevant change in relation to a previous set of Financial Statements);
 - (ii) if requested by the Agent following notification under paragraph (i) above, the Parent must promptly supply to the Agent a full description of the change notified under paragraph (i) above and a statement (the "**Reconciliation Statement**") signed (without personal liability) by the CEO or CFO;
 - (iii) the Parent and the Agent (on behalf of the Lenders) shall promptly after such notification enter into negotiations in good faith with a view to agreeing any such amendments to this Agreement which are necessary to ensure that the adoption by the Group of such different accounting basis does not result in any material alteration in the commercial effect of the obligations of any Obligor in the Finance Documents;

- (iv) if amendments satisfactory to the Majority Lenders (acting reasonably) are agreed by the Parent and the Agent in writing within 30 days of such notification to the Agent, those amendments shall take effect in accordance with the terms of that agreement and shall be implemented in accordance with the terms of this Agreement; and
- (v) if such amendments are not so agreed within 30 days, the Parent shall promptly deliver to the Agent:
 - (A) in reasonable detail and in a form satisfactory to the Agent, details of all such adjustments as need to be made to the relevant financial statements in order to reflect the applicable accounting principles at the date of delivery of the relevant financial statements; and
 - (B) together with the Compliance Certificate delivered with the Annual Financial Statements for that Financial Year, written confirmation from the Auditors (addressed to the Agent) confirming the basis for such changes and the calculations and adjustments provided by the Parent under paragraph (A) above.
- (b) No alteration may be made to the Accounting Reference Date of the Parent (other than, during any Relevant Period, where the Accounting Reference Date of the Parent is altered in connection with a step or transaction expressly contemplated in the Tax Structure Memorandum but is altered again in connection with a step or transaction expressly contemplated in the Tax Structure Memorandum so that the Accounting Reference Date on the last day of the Relevant Period is the same as at the start of that Relevant Period) without the prior written consent of the Agent (acting on the instructions of the Majority Lenders) provided that the consent of the Agent (acting on the instructions of the Majority Lenders) shall not be required to any such change where the Parent:
 - (i) together with the Compliance Certificate delivered with the Annual Financial Statements for that Financial Year, provides written confirmation from the Auditors (addressed to the Agent) confirming the basis for such changes; and
 - (ii) enters into an agreement satisfactory to the Agent (acting on the instructions of the Majority Lenders (acting reasonably)) with regard to the amount and timing of payments under Clause 9.3 (*Excess Cash Flow*) which places the Lenders in no worse position as a result of such change than they would have been in if no change had taken place.

22.7 Know your customer checks

- (a) Each Obligor shall promptly, upon the request of the Agent or any Lender, supply, or procure the supply of, such documentation and other evidence as is requested by the Agent (for itself or on behalf of any Lender) or any Lender (for itself or on behalf of any prospective New Lender) (provided it has entered into a confidentiality undertaking substantially in the standard LMA form) in order for the Agent, such Lender or any prospective New Lender to carry out and be satisfied with the results of all necessary “know your customer” or other similar checks under all applicable laws and regulations pursuant to the transactions contemplated in the Finance Documents.

- (i) is capable of being remedied within the Permitted Acquisition Clean Up Period;

- (ii) no Permitted Transaction;
- (iii) prior to the Final Closing Date, no breach of any representation, warranty, undertaking or other term of (or default or event of default under) any document relating to the existing financing arrangements of any member of the Group arising as a direct or indirect result of any person entering into and/or performing its obligations under any Transaction Document (or carrying out the Acquisition or any other transaction contemplated by the Transaction Documents);
- (iv) no breach of any obligation in respect of which it is expressly provided in this Agreement that a breach shall not constitute a Default and/or Event of Default; and
- (v) no Withdrawal Event,

shall (or shall be deemed to) constitute a breach of any representation and warranty or undertaking in the Finance Documents or result in the occurrence of a Default or an Event of Default and shall be expressly permitted under the terms of the Finance Documents.

- (b) For these purposes, “**Withdrawal Event**” means:

- (i) the withdrawal of any participating member state of the European Union from the single currency of the participating member states of the European Union (being the euro);

- (ii) the redenomination of the euro into any other currency by the government of any current or former participating member state of the European Union; and/or
- (iii) the withdrawal (or any vote or referendum electing to withdraw) of any member state from the European Union.

25. CHANGES TO THE LENDERS

25.1 Successors

The Finance Documents shall be binding upon and enure to the benefit of each party hereto and its or any subsequent successors, transferees, assigns and any New Lender.

25.2 Assignments by Lenders

- (a) Subject to this Clause 25, any Lender (an “**Existing Lender**”) may assign any of its rights or transfer its rights and obligations (it being understood that an assignment as referred to in this Clause 25 or in this Agreement shall, where the context so requires or permits, include a transfer of its rights and obligations) under any Finance Document to a bank or financial institution or to any fund or other entity which is regularly engaged in or established for the purpose of making, purchasing or investing in or securitising loans, securities or other financial assets (an “**New Lender**”).
- (b) Each Party agrees that in case of a transfer pursuant to this Clause 25.2 (*Assignments by Lenders*), the Transaction Security and the guarantees granted by each Obligor under the Finance Documents shall be preserved for the benefit of the Security Agent, the New Lender and the remaining Secured Parties (including for the purpose of article 1278 and article 1281 of the Luxembourg Civil Code).

25.3 Conditions of assignment

- (a) An assignment of part of a Lender’s Commitments shall be in a minimum amount of \$1,000,000 (or its equivalent in other currencies), and must be in an amount such that the amount of that Lender’s remaining Commitments (when aggregated with its Affiliates’ and Related Funds’ Commitments) is in a minimum amount of \$2,000,000 (or its equivalent in other currencies), unless the relevant assignment relates to the whole of that Lender’s Commitments under the relevant Facility.
- (b) On and prior to the expiry of the Certain Funds Period, no Existing Lender may assign any of its rights or transfer by novation any of its rights and obligations, nor enter into any sub-participation or sub-contract in respect of the same, without the prior written consent of the Parent (in its sole and absolute discretion).
- (c) After the expiry of the Certain Funds Period the prior written consent of the Parent (in its sole and absolute discretion) is required for any assignment, transfer, sub-participation or sub-contract unless such assignment, transfer, sub-participation or sub-contract is:
 - (i) to another Lender or an Affiliate of a Lender or, in the case of a Lender which is a fund, a Related Fund of such Lender; or
 - (ii) made at a time when an Event of Default under any of Clause 24.1 (*Payment default*) or Clauses 24.6 (*Insolvency*) to 24.9 (*Similar events elsewhere*) (inclusive) is continuing,

provided that if the Parent fails to respond to a request for consent to a transfer, assignment, sub participation or sub-contract within 15 Business Days of such request, such consent shall be deemed as granted provided that the request was communicated to the Parent and to each of the Sponsors, and only to the extent so, notified to the Agent by or on behalf of the Parent, at least 15 Business Days prior to such consent being deemed granted.

- (d) Notwithstanding anything to the contrary in this Agreement, no assignment or transfer or sub-participation or sub-contract shall be permitted at any time to any person that:
- (i) is a Disqualified Lender;
 - (ii) is a Defaulting Lender (or would, upon becoming a Lender, be a Defaulting Lender); or
 - (iii) (unless an Event of Default under any of Clause 24.1 (*Payment default*) or Clauses 24.6 (*Insolvency*) to 24.9 (*Similar events elsewhere*) (inclusive) is continuing) a person whose principal investment strategy is investing in distressed debt or the pursuance of loan to own strategies.
- (e) Any assignment, and any sub-participation or sub-contract referred to in paragraph (c) above, and the identity of the proposed New Lender (or, as the case may be, sub-participant or sub-contractor) shall be notified to the Parent and to each of the Sponsors by the Agent (or, in respect of a sub-participation or a sub-contract, by the relevant Lender) promptly upon completion.
- (f) Notwithstanding any assignment, transfer, sub-participation or sub-contract by an Existing Lender which is an Original Lender, if the assignee or transferee (or any subsequent assignee or transferee) defaults in its obligation to fund its pro rata portion of any Certain Funds Utilisation by the required time on the applicable Utilisation Date (or has confirmed that it will not be able to fund), that Existing Lender shall, by 9:30am on that Utilisation Date, fund an amount of proceeds to the relevant Borrower equal to the amount the defaulting assignee/transferee was required to fund in respect of that Certain Funds Utilisation and (i) the Commitments of the Existing Lender under each relevant Facility shall be increased by an amount equal to the additional amount that it funded on the relevant Utilisation Date in accordance with this paragraph and (ii) the Commitments under the relevant Facility of any such Lender defaulting in its obligation to fund on that Loan shall be reduced by an equivalent amount for all purposes of this Agreement.
- (g) Other than in the case of an assignment or transfer effected in accordance with paragraph (a) of Clause 25.15 *Notifiable Debt Purchase Transactions* and subject to paragraph (k) below, an assignment under Clause 25 (*Changes to the Lenders*) will only be effective upon:
- (i) receipt by the Agent (in the Assignment Agreement or otherwise) of written confirmation from the New Lender (in form and substance satisfactory to the Agent) that it will assume the same obligations to each of the other Finance Parties and the other Secured Parties as it would have been under had it been an Original Lender;
 - (ii) the New Lender entering into the documentation required for it to accede as a party to the Intercreditor Agreement; and
 - (iii) performance by the Agent of all “know your customer” or other similar checks under all applicable laws and regulations relating to any person that the Agent is required to carry out in relation to such assignment to a New Lender, the completion of which the Agent shall promptly notify to the Existing Lender and the New Lender,

and no assignment or transfer will be effective until recorded in the Register.

- (h) Without prejudice to this Clause 25.3, each Obligor hereby expressly consents to each assignment of rights or obligations under this Clause 25. Each Obligor also accepts and confirms that all guarantees, indemnities and Security granted by it under any Finance Document will, notwithstanding any such assignment continue and be preserved for the benefit of the New Lender and each of the other Finance Parties in accordance with the terms of the Finance Documents.
- (i) If:
 - (i) a Lender assigns or transfers any of its rights or obligations under the Finance Documents or changes its Facility Office; and
 - (ii) as a result of circumstances existing at the date the assignment, transfer or change occurs, an Obligor would be obliged to make a payment to the New Lender or Lender acting through its new Facility Office under Clause 15 (*Taxes*) or Clause 16 (*Increased Costs*),then the New Lender or Lender acting through its new Facility Office is only entitled to receive payment under the relevant Clause to the same extent as the Existing Lender or Lender acting through its previous Facility Office would have been if the assignment, transfer or change had not occurred.
- (j) Each New Lender, by executing the Assignment Agreement or Increase Confirmation, confirms, for the avoidance of doubt, that the Agent has authority to execute on its behalf any amendment or waiver that has been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement on or prior to the date on which the transfer, assignment or assumption becomes effective in accordance with this Agreement and that it is bound by that decision to the same extent as the Existing Lender would have been had it remained a Lender.
- (k) Unless otherwise consented to by the Parent (which consent, for the avoidance of doubt, shall not be deemed given even if not expressly refused within 15 Business Days of the relevant request), if any assignment, transfer, sub-participation or sub-contract occurs in breach of the provisions of this Clause 25 (including, without limitation, any assignment, transfer, sub-participation or sub-contract without complying with the notice requirement in paragraph (l) below), such assignment, transfer, sub-participation or sub-contract shall be void and deemed to have not occurred for all purposes under this Agreement and the Parent or any Borrower shall be entitled to seek specific performance to unwind any such assignment, transfer, sub-participation or sub-contract in addition to any other remedies available to the Parent or any Borrower at law or in equity. Without prejudice to the foregoing:
 - (i) the interests or purported interests of the assignee, transferee, sub-participant or sub-contractor (as the case may be) (each a “**Transferee**”) shall be ignored for the purposes of ascertaining the Majority Lenders or Super Majority Lenders or whether any given percentage (including, for the avoidance of doubt, unanimity) of the Total Commitments (or the Total Commitments under any Facility) has been obtained to give an instruction or approve any request for a consent, waiver, amendment, or other vote under the Finance Documents;

- (ii) for the purposes of Clause 36.2 (*Exceptions*), such Transferee shall be deemed not to be a Lender;
- (iii) the Parent may:
 - (A) cancel the Commitments of such Transferee and prepay any applicable outstanding Loans at a price equal to the lesser of par and the amount such Transferee paid to acquire such Loans, without premium, penalty, prepayment fee or breakage costs; and/or
 - (B) require such Transferee to assign or transfer its rights and obligations in accordance with Clause 36.9 (*Replacement of a Defaulting Lender*), at the price indicated in paragraph (A) above (which assignment shall not be subject to any processing and recordation fee) and if such Transferee does not execute and deliver to the Agent a duly executed Assignment Agreement reflecting such assignment or transfer within five Business Days of the date on which the assignee Replacement Lender executes and delivers such Assignment Agreement to such Transferee, then such Transferee shall be deemed to have executed and delivered such Assignment Agreement without any action on its part;
- (iv) no such Transferee shall receive any information or reporting provided by the Parent or any of its Restricted Subsidiaries, the Agent or any other Finance Party;
- (v) such Transferee shall not be entitled to any expense reimbursement or indemnification rights under any Finance Documents (including Clauses 19 (*Costs and Expenses*) and 17 (*Other Indemnities*)),

and the Parent expressly reserves all rights against such Transferee under contract, tort or any other theory; it being understood and agreed that the foregoing provisions shall only apply to such Transferee and not to any assignee or transferee of such Transferee that becomes a Lender so long as such assignment or transfer does not occur in breach of the provisions of this Clause 25.

- (l) Any request for consent of the Parent pursuant to paragraph (b) above and related communications, shall be delivered by the Agent simultaneously to an employee of each Sponsor designated in writing to the Agent by each Sponsor from time to time.
- (m) Each party to an Assignment Agreement shall, as soon as reasonably practicable after it has executed such Assignment Agreement, send to any Obligor incorporated in Luxembourg a copy of that Assignment Agreement. The sending of a copy of such Assignment Agreement shall be deemed in relation to the Finance Documents to be sufficient to fulfil the notification requirement of article 1690 of the Luxembourg Civil Code (to the extent applicable).

25.4 **Assignments by Lenders**

Upon an assignment becoming effective, the Existing Lender will be released from its obligations under the Finance Documents to the extent they are assumed by the New Lender.

25.5 **Assignment fee**

Subject to paragraph (k)(iii)(B) of Clause 25.3 (*Conditions of assignment*), unless the Agent otherwise agrees to waive such fees and excluding an assignment (i) by an Existing Lender to an Affiliate of that Existing Lender, (ii) by an Existing Lender to a fund which is a Related Fund of that Existing Lender or (iii) made in connection with primary syndication of the Facilities, the New Lender shall, on or before the date upon which an assignment to it takes effect pursuant to this Clause 25.5, pay to the Agent (for its own account) a fee of \$2,500 in relation to any assignment under any Facility.

25.6 **Limitation of responsibility of Existing Lenders**

- (a) Unless expressly agreed to the contrary, an Existing Lender makes no representation or warranty and assumes no responsibility to a New Lender for:
- (i) the legality, validity, effectiveness, adequacy or enforceability of the Transaction Documents, the Transaction Security or any other documents;
 - (ii) the financial condition of any Obligor or any other member of the Group;
 - (iii) the performance and observance by any Obligor or any other member of the Group of its obligations under the Transaction Documents or any other documents; or
 - (iv) the accuracy of any statements or information (whether written or oral) made or supplied in connection with any Transaction Document or any other document,
- and any representations or warranties implied by law are excluded.
- (b) Each New Lender confirms to the Existing Lender and the other Finance Parties and the Secured Parties that it:
- (i) has made (and shall continue to make) its own independent investigation and assessment of the financial condition and affairs of each Obligor and its related entities and all other risks arising in connection with its participation in the Finance Documents and has not relied exclusively on any information provided to it by the Existing Lender or any other Finance Party in connection with any Transaction Document or the Transaction Security; and
 - (ii) will continue to make its own independent appraisal of the creditworthiness of each Obligor and its related entities whilst any amount is or may be outstanding under the Finance Documents or any Commitment is in force.
- (c) Nothing in any Finance Document obliges an Existing Lender to:
- (i) accept a re-transfer or re-assignment from a New Lender of any of the rights and obligations assigned or transferred by such Existing Lender under this Clause 25.6; or
 - (ii) support any losses directly or indirectly incurred by the New Lender by reason of the non-performance by any Obligor of its obligations under the Transaction Documents or otherwise.

25.7 **Procedure for assignment**

- (a) Subject to the conditions set out in Clause 25.3 (*Conditions of assignment*) an assignment may be effected in accordance with paragraph (d) below when the Agent executes an otherwise duly completed Assignment Agreement delivered to it by the Existing Lender and the New Lender.

- (b) The Agent shall, subject to paragraph (c) below, as soon as reasonably practicable after receipt by it of a duly completed Assignment Agreement appearing on its face to comply with the terms of this Agreement and delivered in accordance with the terms of this Agreement, execute that Assignment Agreement.
- (c) The Agent shall only be obliged to execute an Assignment Agreement delivered to it by the Existing Lender and the New Lender once it is satisfied it has complied with all necessary “know your customer” or similar checks under all applicable laws and regulations in relation to the assignment to such New Lender.
- (d) Subject to Clause 25.11 (*Pro rata interest settlement*), on the Transfer Date:
 - (i) the Existing Lender will assign absolutely to the New Lender its rights under the Finance Documents and in respect of the Transaction Security expressed to be the subject of the assignment in the Assignment Agreement;
 - (ii) the Existing Lender will be released from the obligations (the “**Relevant Obligations**”) expressed to be the subject of the release in the Assignment Agreement (and any corresponding obligations by which it is bound in respect of the Transaction Security); and
 - (iii) the New Lender shall become a Party as a Lender and will be bound by obligations equivalent to the Relevant Obligations.

25.8 **Sub-participation and sub-contracts**

- (a) Subject to paragraphs (b), (c) and (d) of Clause 25.3 (*Conditions of assignment*), nothing in this Agreement shall restrict the ability of a Lender to sub-participate or sub-contract any or all of its obligations hereunder so long as such Lender remains liable under this Agreement in relation to those obligations.
- (b) A Lender shall promptly notify the Parent of any sub-participation or sub-contract entered into by it, including the identity of the entity to which the Lender has sub-contracted or sub-participated.

25.9 **The Register**

- (a) The Agent, acting for this purpose as the non-fiduciary agent of the Obligors, shall maintain at its address referred to in Clause 32.2 (*Addresses*):
 - (i) each Assignment Agreement referred to in Clause 25.7 (*Procedure for assignment*), each Increase Certificate and each Incremental Facility Increase Notice; and
 - (ii) with respect to each Facility, a register for the recording of the names and addresses of the Lenders and the Commitment of, and principal amount (and stated interest) owing to, each Lender from time to time (the “**Register**”) under such Facility, which may be kept in electronic form.

The entries in the Register shall be conclusive and binding for all purposes, absent manifest error, and the Obligors, the Agents and the Lenders shall treat each person whose name is recorded in the Register as a Lender hereunder for all purposes of this Agreement. The Agent shall provide the Parent with a copy of the Register within five Business Days of request.

- (b) Each Party irrevocably authorises the Agent to make the relevant entry in the Register (and which the Agent shall do promptly) on its behalf for the purposes of this Clause 25.9 without any further consent of, or consultation with, such Party.
- (c) The Agent shall, upon request by an Existing Lender (as defined in Clause 25.2 (*Assignments by Lenders*)) or a New Lender, confirm to that Existing Lender or New Lender whether a transfer or assignment from that Existing Lender or (as the case may be) to that New Lender has been recorded on the Register (including details of the Commitment of that Existing Lender or New Lender in each Facility).
- (d) The Register is intended to cause the extensions of credit to the Obligors under this Agreement to be at all times maintained in "registered form" within the meaning of sections 163(f), 871(h)(2) and 881(c)(2) of the Code and shall be interpreted and applied in a manner consistent with such intent.

25.10 Security over Lenders' rights

In addition to the other rights provided to Lenders under this Clause 25.10 each Lender may without consulting with or obtaining consent from any Obligor, at any time charge, assign or otherwise create Security in or over (whether by way of collateral or otherwise) all or any of its rights under any Finance Document to secure obligations of that Lender including, without limitation:

- (a) any charge, assignment or other Security to secure obligations to a federal reserve or central bank; and
- (b) in the case of any Lender which is a fund, any charge, assignment or other Security granted to any holders (or trustee or representatives of holders) of obligations owed, or securities issued, by that Lender as security for those obligations or securities,

except that no such charge, assignment or Security shall:

- (i) release a Lender from any of its obligations under the Finance Documents or substitute the beneficiary of the relevant charge, assignment or other Security for the Lender as a party to any of the Finance Documents; or
- (ii) require any payments to be made by an Obligor or grant to any person any more extensive rights than those required to be made or granted to the relevant Lender under the Finance Documents.

25.11 Pro rata interest settlement

- (a) If the Agent has notified the Lenders that it is able to distribute interest payments on a "pro rata basis" to Existing Lenders and New Lenders then (in respect of any assignment pursuant to Clause 25.7 (*Procedure for assignment*)) the Transfer Date of which, in each case, is after the date of such notification and is not on the last day of an Interest Period):
 - (i) any interest or fees in respect of the relevant participation which are expressed to accrue by reference to the lapse of time shall continue to accrue in favour of the Existing Lender up to but excluding the Transfer Date ("**Accrued Amounts**") and shall become due and payable to the Existing Lender (without further interest accruing on them) on the last day of the current Interest Period (or, if the Interest Period is longer than six Months, on the next of the dates which falls at six Monthly intervals after the first day of that Interest Period); and

- (ii) the rights assigned or transferred by the Existing Lender will not include the right to the Accrued Amounts so that, for the avoidance of doubt:
 - (A) when the Accrued Amounts become payable, those Accrued Amounts will be payable for the account of the Existing Lender; and
 - (B) the amount payable to the New Lender on that date will be the amount which would, but for the application of this Clause 25.11, have been payable to it on that date, but after deduction of the Accrued Amounts.

- (b) In this Clause 25.11 references to “**Interest Period**” shall be construed to include a reference to any other period for accrual of fees.

25.12 Accession of Incremental Facility Lender

Any person which provides Incremental Facility Commitments or an Incremental Facility Loan (to the extent not already a Lender) shall become a party to the Intercreditor Agreement as a Second Lien Lender (as defined in the Intercreditor Agreement) and shall, at the same time, become a Party to this Agreement as a Lender by executing an Accession Certificate.

25.13 Debt Purchase Transactions

- (a) Notwithstanding any other term of this Agreement or the other Finance Documents, any member of the Group may purchase by way of a Debt Purchase Transaction a participation in any Loan and/or any Commitment.
- (b) A member of the Group (or the Parent on behalf of the relevant member of the Group) (a “**Purchaser**”) may purchase by way of assignment, pursuant to this Clause, a participation in any Loan and any related Commitment.
- (c) Any Debt Purchase Transaction entered into by a member of the Group may be entered into pursuant to a solicitation process (a “**Solicitation Process**”) which is carried out as follows:
 - (i) Prior to 11:00am on a given Business Day (the “**Solicitation Day**”) the relevant Purchaser or a financial institution acting on its behalf (the “**Purchase Agent**”) will approach at the same time each Lender which participates in the Facilities or an Incremental Facility (as applicable) to invite them to offer to sell to the relevant Purchaser, an amount of their participation in that Facility. Any Lender wishing to make such an offer shall, by 11:00am on the second Business Day following such Solicitation Day, communicate to the Purchase Agent details of the amount of its participations, it is offering to sell and the price at which it is offering to sell such participations. Any such offer shall be irrevocable until 11:00am on the third Business Day following such Solicitation Day and shall be capable of acceptance by the relevant Purchaser on or before such time by communicating its acceptance in writing to the Purchase Agent or, if it is the Purchase Agent, the relevant Lenders. The Purchase Agent (if someone other than the Purchaser) will communicate to the relevant Lenders which offers have been accepted by 12 noon on the third Business Day following such Solicitation Day. In any event by 11:00am on the fourth Business Day following such Solicitation Day, the Purchaser shall notify the Agent of the amounts of the participations purchased through the relevant Solicitation Process and the identity of such Lenders to which they relate. The Agent shall disclose such information to any Lender that requests such disclosure.

-
- (ii) If it chooses to accept any offers made pursuant to a Solicitation Process, the Purchaser shall be free to select which offers and in which amounts it accepts but on the basis that, in relation to a participation in a particular Facility it accepts, offers in inverse order of the price offered (with the offer or offers at the lowest price being accepted first) and that if in respect of participations in a particular Facility it receives two or more offers at the same price it shall only accept such offers on a pro rata basis.
 - (iii) Any purchase of participations in any Facility pursuant to a Solicitation Process shall be completed and settled on or before the fifth Business Day after the relevant Solicitation Day.
 - (iv) In accepting any offers made pursuant to a Solicitation Process the Purchaser shall be free to select which offers and in which amounts it accepts.
- (d) A Debt Purchase Transaction entered into by a member of the Group may be entered into pursuant to an open order process (an **Open Order Process**) which is carried out as follows:
- (i) A Purchaser may, by itself or through the same or another Purchase Agent, place an open order (an **Open Order**) to purchase participations in one or more of the Facilities up to a set aggregate amount at a set price by notifying at the same time all the Lenders participating in the relevant Facilities of the same. Any Lender wishing to sell pursuant to an Open Order will, by 11:00am on any Business Day following the date on which the Open Order is placed but no earlier than the first Business Day, and no later than the fifth Business Day, following the date on which the Open Order is placed, communicate to the Purchase Agent details of the amount of its participations, and in which Facilities, it is offering to sell. Any such offer to sell shall be irrevocable until 11:00am on the Business Day following the date of such offer from the Lender and shall be capable of acceptance by the Parent on behalf of the relevant Borrower(s) on or before such time by it communicating such acceptance in writing to the relevant Lender.
 - (ii) Any purchase of participations in the Facilities pursuant to an Open Order Process shall be completed and settled by the relevant Borrower(s) on or before the fourth Business Day after the date of the relevant offer by a Lender to sell under the relevant Open Order.
 - (iii) If in respect of participations in a Facility the Purchase Agent receives on the same Business Day two or more offers at the set price such that the maximum amount of such Facility to which an Open Order relates would be exceeded, the Parent shall only accept such offers on a pro rata basis. For the avoidance of doubt and notwithstanding the foregoing, the Parent shall be entitled to disregard any offers which come with conditions or terms that are not satisfactory to it.
 - (iv) The Parent shall, by 11:00am on the sixth Business Day following the date on which an Open Order is placed, notify the Agent of the amounts of the participations purchased through such Open Order Process and the identity of the Facilities to which they relate. The Agent shall disclose such information to any Lender that requests the same.

-
- (e) A Debt Purchase Transaction may be entered into pursuant to a bilateral process (a **Bilateral Process**) which is carried out as follows:
- (i) A Purchaser may, by itself or through the same or another Purchase Agent, at any time, purchase participations and/or Commitments from the Lenders pursuant to secondary market purchases and/or pursuant to such bilateral arrangements with any Lenders as the Purchaser shall see fit.
 - (ii) Any purchase of participations in any Facility pursuant to a Bilateral Process shall be completed and settled by the relevant Purchaser(s) on or before the second Business Day after the expiry of the Bilateral Process period referred to in paragraph (i) above.
 - (iii) The Parent (on behalf of the relevant member of the Group) shall promptly notify the Agent of the amounts of each participation purchased through such Bilateral Process and the identity of such Lenders to which they relate. The Agent shall disclose such information to any Lender that requests the same.
- (f) For the avoidance of doubt:
- (i) there is no requirement for any Debt Purchase Transaction by a member of the Group to be entered into pursuant to a Solicitation Process, Open Order Process or a Bilateral Process;
 - (ii) there is no limit on the number of occasions a Solicitation Process, Open Order Process or Bilateral Process may be implemented; and
 - (iii) any source of funding may be used to effect any Debt Purchase Transaction (including, for the avoidance of doubt, any Revolving Facility Utilisation).
- (g) In relation to any Debt Purchase Transaction entered into pursuant to this Clause, notwithstanding any other term of this Agreement or the other Finance Documents (in the case of a Lender that is a member of the Group):
- (i) on completion of the relevant assignment pursuant to this Clause, the portions of the Loans to which it relates shall, unless there would be a material adverse tax impact on the Group as a result of such cancellation, be extinguished if the purchaser is the relevant Borrower;
 - (ii) such Debt Purchase Transaction and the related extinguishment referred to in paragraph (i) above shall not constitute a prepayment of the Facilities;
 - (iii) the member of the Group or Purchaser which is the assignee shall be deemed to be an entity which fulfils the requirements of a New Lender;
 - (iv) no member of the Group shall be deemed to be in breach of any provision of this Agreement or any other provisions of the Finance Documents solely by reason of such Debt Purchase Transaction;
 - (v) Clause 29 (*Sharing among the Finance Parties*) shall not be applicable to the consideration paid under such Debt Purchase Transaction; and
 - (vi) for the avoidance of doubt, any extinguishment of any part of the Loans shall not affect any amendment or waiver which prior to such extinguishment had been approved by or on behalf of the requisite Lender or Lenders in accordance with this Agreement.

25.14 **Affiliated Lenders**

Unless otherwise agreed by the Majority Lenders, for so long as an Affiliated Lender (i) beneficially owns a Commitment or (ii) has entered into a sub-participation agreement relating to a Commitment or other agreement or arrangement having a substantially similar economic effect (and such agreement or arrangement has not been terminated), the provisions of Clause 25.15 (*Notifiable Debt Purchase Transactions*) shall apply to that Affiliated Lender.

25.15 **Notifiable Debt Purchase Transactions**

- (a) Each Lender shall, unless the Debt Purchase Transaction is an assignment, promptly notify the Agent in writing if it knowingly enters into a Debt Purchase Transaction with a member of the Group or an Affiliated Lender (a “**Notifiable Debt Purchase Transaction**”), such notification to be substantially in the form set out in Part 1 (*Form of Notice on entering into Notifiable Debt Purchase Transaction*) of Schedule 13 (*Forms of Notifiable Debt Purchase Transaction Notice*).
- (b) A Lender shall promptly notify the Agent if a Notifiable Debt Purchase Transaction to which it is a party is terminated or ceases to be with a member of the Group or an Affiliated Lender, such notification to be substantially in the form set out in Part 2 (*Form of Notice on Termination of Notifiable Debt Purchase Transaction*) of Schedule 13 (*Forms of Notifiable Debt Purchase Transaction Notice*).
- (c) Unless otherwise agreed by the Majority Lenders and subject to paragraphs (d) and (e) below, each Lender that is an Affiliated Lender or a member of the Group agrees that (in its capacity as a Lender):
 - (i) in relation to any meeting or conference call to which all the Lenders are invited to attend or participate, unless the Agent otherwise agrees, it shall not attend or participate in the same or be entitled to receive the agenda or any minutes of the same;
 - (ii) in its capacity as Lender, unless the Agent otherwise agrees, it shall not be entitled to receive any report or other document prepared at the behest of, or on the instructions of, the Agent or one or more of the Lenders;
 - (iii) in ascertaining the Majority Lenders or Super Majority Lenders or whether any given percentage (including, for the avoidance of doubt, unanimity) of the Total Commitments or the agreement of any specified group of Lenders has been obtained to give an instruction or approve any request for a consent, waiver, amendment or other vote under the Finance Documents, such Commitment owned by that Lender shall be deemed to be zero; and
 - (iv) subject to paragraph (iii) above and paragraph (d) below, for the purposes of Clause 36.2 (*Exceptions*), it shall be deemed not to be a Lender.
- (d) Notwithstanding paragraph (c) above, Affiliated Lenders shall have the right to vote on any amendment, modification, waiver, consent or other action described in Clause 36.2 (*Exceptions*) or otherwise requiring the consent of each Lender or of each Lender directly and adversely affected thereby.
- (e) Notwithstanding paragraph (c) above, no amendment, modification, waiver, consent or other action with respect to any of the terms of any Finance Document or any departure by any Finance Party therefrom may affect any Affiliated Lender in a manner that is disproportionate to the effect on any Lender of the same class or that would deprive such Affiliated Lender of its Pro Rata Share of any payments to which it is entitled.

26. CHANGES TO THE OBLIGORS

26.1 Assignment and transfers by Obligors

No Obligor may assign any of its rights or transfer any of its rights or obligations under the Finance Documents.

26.2 Additional Borrowers

- (a) Subject to compliance with Clause 22.7 (*Know your customer checks*), the Parent may request that any of its Restricted Subsidiaries becomes an Additional Borrower. That Subsidiary shall become a Borrower if:
- (i) in the case of the Second Lien Facility, it is approved by all the Lenders under the Second Lien Facility;
 - (ii) in the case of an Incremental Facility, it is incorporated in:
 - (A) the United Kingdom, Canada, Luxembourg, the United States or the Isle of Man (each an **Approved Jurisdiction**);
 - (B) any jurisdiction in which an existing Borrower under an Incremental Facility is incorporated; or
 - (C) any other jurisdiction approved by all of the Incremental Facility Lenders in respect of that Incremental Facility (acting reasonably);
 - (iii) the Parent and that Subsidiary deliver to the Agent a duly completed and executed Accession Deed;
 - (iv) the Subsidiary is (or becomes) a Guarantor prior to or contemporaneously with becoming a Borrower; and

- (b) The Agent shall notify the Parent and the Lenders promptly upon being satisfied that it has received (in form and substance satisfactory to it (acting reasonably)) all of the documents and other evidence set out in Schedule 2 (*Conditions Precedent*) in relation to that Additional Borrower.
- (c) Other than to the extent that the Majority Lenders notify the Agent in writing to the contrary before the Agent gives the notification described in paragraph (b) above, the Lenders authorise (but do not require) the Agent to give that notification. The Agent shall not be liable for any damages, costs or losses whatsoever as a result of giving any such notification.
- (d) Upon the Agent's confirmation to the Parent that it has received (or otherwise waived the requirement to receive) all documents referred to in paragraph (b) above in respect of an Additional Borrower, such Additional Borrower, the other Obligors and the Finance Parties shall each assume such obligations towards one another and/or

acquire such rights against each other party as they would have assumed or acquired had such Additional Borrower been an original Party to this Agreement as a Borrower and a Guarantor and to the Intercreditor Agreement as a Debtor (as defined in the Intercreditor Agreement) and such Additional Borrower shall become a Party to this Agreement as a Borrower and as a Guarantor and to the Intercreditor Agreement as a Debtor (as defined in the Intercreditor Agreement).

 - (iii) where the Borrower is also a Guarantor (unless its resignation has been or is contemporaneously accepted in accordance with Clause 26.5 (*Resignation of a Guarantor*)), its obligations in its capacity as Guarantor continue to be legal, valid, binding and enforceable and in full force and effect (subject to the Legal Reservations) and (other than by reason of law) the amount guaranteed by it as a Guarantor is not decreased (and the Parent has confirmed this is the case).
- (c) Upon notification by the Agent to the Parent of its acceptance of the resignation of a Borrower, that entity shall cease to be a Borrower and shall have no further rights or obligations under the Finance Documents as a Borrower.

26.4 Additional Guarantors

- (a) Subject to compliance with Clause 22.7 (*Know your customer checks*), the Parent may request that any of its Restricted Subsidiaries becomes a Guarantor. That Subsidiary shall become a Guarantor if:
 - (i) the Parent and that Subsidiary deliver to the Agent a duly completed and executed Accession Deed; and
 - (ii) the Agent has received (or otherwise waived the requirement to receive) all of the documents and other evidence set out in Part 3 (*Conditions Precedent required to be delivered by an Additional Obligor*) of Schedule 2 (*Conditions Precedent*) in relation to that Additional Guarantor, each in form and substance satisfactory to the Agent (acting reasonably).

The Agent shall not be liable for any damages, costs or losses whatsoever as a result of giving any such notification.

- (d) Upon the Agent's confirmation to the Parent that it has received (or otherwise waived the requirement to receive) all documents referred to in paragraph (a) above in respect of an Additional Guarantor, such Additional Guarantor, the other Obligor and the Finance Parties shall each assume such obligations towards one another and/or acquire such rights against each other party as they would have assumed or acquired had such Subsidiary been an original Party to this Agreement as a Guarantor and to the Intercreditor Agreement as a Debtor (as defined in the Intercreditor Agreement) and such Additional Guarantor shall become a Party to this Agreement as a Guarantor and to the Intercreditor Agreement as a Debtor (as defined in the Intercreditor Agreement).

26.5 Resignation of a Guarantor

- (a) The Parent may request that a Guarantor (other than the Parent and the Company) ceases to be a Guarantor by delivering to the Agent a resignation letter if:
- (i) that Guarantor is being disposed (directly or indirectly) pursuant to a Disposition permitted (or not prohibited) pursuant to Schedule 12 (*General Undertakings*) (including a disposal made with the approval of the Majority Lenders) or is subject to or part of a Permitted Transaction (and the Parent has confirmed this is the case);
 - (ii) that Guarantor is not a Material Subsidiary that is incorporated in a Security Jurisdiction (and the Parent has confirmed this is the case) and the Guarantor and Security Coverage Requirement would still be satisfied after the resignation; or
 - (iii) the Majority Lenders have consented to the resignation of that Guarantor.
- (b) The Agent shall accept such resignation letter and notify the Parent and the Lenders of its acceptance if:

- (c) The resignation of that Guarantor shall not be effective until the date of (i) in the case of (a)(i) above, the relevant disposal or Permitted Transaction, (ii) in the case of (a)(ii) above, the resignation letter's acceptance by the Agent in accordance with paragraph (b) above or (iii) in the case of (a)(iii) above, resignation agreed by the Majority Lenders, at which time that entity shall cease to be a Guarantor and shall have no further rights or obligations under the Finance Documents as a Guarantor.
- (d) If a Guarantor (a "**Merging Guarantor**") is merged into another Guarantor pursuant to a transaction which is permitted or not prohibited by this Agreement, that Merging Guarantor shall cease to be a Guarantor as at the date on which the merger is effective and from (and including) such date shall have no further rights or obligations under the Finance Documents as a Guarantor (to the extent consistent with applicable law), without any requirement for a resignation letter or other document to be delivered to any Finance Party.

26.6 Repetition of Representations

Delivery of an Accession Deed constitutes confirmation by the relevant Subsidiary that all the Repeating Representations applicable to it are true and correct in all material respects in relation to it as at the date of delivery as if made by reference to the facts and circumstances then existing.

26.7 Release

- (a) If any member of the Group disposes of any asset (or any member of the Group disposes of shares in any member of the Group or any Holding Company of any member of the Group) as permitted by and in accordance with the terms of this Agreement or the Intercreditor Agreement (including pursuant to a Structural Adjustment or the implementation of other actions permitted under the Finance Documents) or with the prior consent of the Agent (pursuant to the terms of this Agreement) or pursuant to the Intercreditor Agreement, and such asset (or shares) is subject to Transaction Security, the Security Agent shall, and is hereby authorised and instructed by the Secured Parties to, at the cost and request of the Parent, release (or amend) the Transaction Security over that asset (or shares) and, in the case of any such disposal of shares in a member of the Group or a Holding Company of a member of the Group to a person who is not a member of the Group, over the respective assets of such member of the Group and its Subsidiaries (and the shares in any such member of the Group and/or Subsidiary) and issue any certificate of non-crystallisation of any floating charge that may reasonably be required or considered necessary or desirable in connection with that disposal, provided that to the extent such disposal is not completed for any reason within a reasonable timeframe following such release, any Transaction Security that has been released shall be promptly reinstated.
- (b) If a member of the Group whose shares and/or assets are subject to Transaction Security is to be merged into another member of the Group (including, without limitation, pursuant to a Debt Pushdown) or is being liquidated and such merger or liquidation is permitted by this Agreement, the Security Agent shall (and is irrevocably so authorised by the Secured Parties), upon the request and at the cost of the Parent, execute all documents necessary to release that Transaction Security in order to allow that merger or liquidation to be completed and issue any certificate of non-crystallisation of any floating charge that may reasonably be required or considered necessary or desirable in connection with that merger or liquidation, provided that the Secured Parties (or the Security Agent on their behalf) will, after such merger or liquidation, continue to have the same or substantially equivalent guarantees and security (ignoring for the purpose of assessing the foregoing any limitations required in accordance with the Agreed Security Principles and other than guarantees and security from any entity which has ceased to exist as contemplated by this paragraph (b)) over the same or substantially equivalent assets and over the shares (or other interests) in the transferee other than over any shares (or other interests) which have ceased to exist as contemplated by this paragraph (b), in each case to the extent such assets, shares or other interests are not disposed of or used as permitted under, but subject to, the terms of this Agreement.
- (c) In relation to any Transaction Security over a bank account of an Obligor, the Security Agent is hereby authorised and instructed by the Secured Parties to release any Security granted in favour of the Security Agent and, where applicable, any other Finance Party and held over any bank account of an Obligor (a “**Pledged Account**”) which, in accordance with the Agreed Security Principles is no longer to be the subject of such Transaction Security.

-
- (d) If a member of the Group is or becomes a Regulated Entity, the Security Agent and/or the relevant Secured Parties (as applicable) shall, at the cost and request of the Parent, release Transaction Security over any asset of (or shares in) such Regulated Entity to the extent required to ensure that such Regulated Entity is not in breach of a Capital Requirement and issue any certificate of non-crystallisation of any floating charge accordingly.

27. ROLE OF THE AGENT, THE ARRANGERS AND OTHERS

27.1 Appointment of the Agent

- (a) Each other Finance Party appoints the Agent to act as its Agent under and in connection with the Finance Documents.
- (b) Each other Finance Party authorises the Agent to perform the duties, obligations and responsibilities and to exercise the rights, powers, authorities and discretions specifically given to the Agent, as applicable, under or in connection with the Finance Documents together with any other incidental rights, powers, authorities and discretions.
- (c) For the purpose of acting as their Agent, in accordance with this Clause 27.1, each other Finance Party hereby releases, to the extent legally possible, the Agent from any restrictions of self dealing under any applicable law. A Secured Party which is barred by its constitutional documents or by-laws from granting such exemption shall notify the Agent accordingly.

27.2 Instructions

- (a) The Agent shall:
 - (i) unless a contrary indication appears in a Finance Document, exercise or refrain from exercising any right, power, authority or discretion vested in it as Agent in accordance with any instructions given to it by:

 - (C) the Majority Second Lien Facility Lenders if the relevant Finance Document stipulates the matter is a Majority Second Lien Facility Lender decision;
 - (D) the Majority Incremental Facility Lenders if the relevant Finance Document stipulates the matter is a Majority Incremental Facility Lender decision; and
 - (E) in all other cases, the Majority Lenders; and
 - (ii) not be liable for any act (or omission) if it acts (or refrains from acting) in accordance with paragraph (i) above.

- (b) The Agent shall be entitled to request instructions, or clarification of any instruction, from the Majority Lenders (or, if the relevant Finance Document stipulates the matter is a decision for any other Lender or group of Lenders, from that Lender or group of Lenders) as to whether, and in what manner, it should exercise or refrain from exercising any right, power, authority or discretion and the Agent may refrain from acting unless and until it receives those instructions or that clarification.
- (c) Save in the case of decisions stipulated to be a matter for any other Lender or group of Lenders under the relevant Finance Document and unless a contrary indication appears in a Finance Document, any instructions given to the Agent by the Majority Lenders shall override any conflicting instructions given by any other Parties and will be binding on all Finance Parties save for the Security Agent.
- (d) The Agent may refrain from acting in accordance with any instructions of any Lender or group of Lenders until it has received any indemnification and/or security that it may in its discretion require (which may be greater in extent than that contained in the Finance Documents and which may include payment in advance) for any cost, loss or liability which it may incur in complying with those instructions.
- (e) In the absence of instructions, the Agent may act (or refrain from acting) as it considers to be in the best interest of the Lenders.
- (f) The Agent is not authorised to act on behalf of a Lender (without first obtaining that Lender's consent) in any legal or arbitration proceedings relating to any Finance Document. This paragraph (f) shall not apply to any legal or arbitration proceeding relating to the perfection, preservation or protection of rights under the Transaction Security Documents or enforcement of the Transaction Security or Transaction Security Documents.

27.3 Duties of the Agent

- (a) Subject to paragraph (b) below, the Agent shall promptly forward to a Party the original or a copy of any document which is delivered to the Agent for that Party by any other Party.
- (b) Without prejudice to Clause 25.9 (*The Register*), paragraph (a) above shall not apply to any Assignment Agreement or any Increase Confirmation.
- (c) Except where a Finance Document specifically provides otherwise, the Agent is not obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party.
- (d) If the Agent receives notice from a Party referring to this Agreement, describing a Default and stating that the circumstance described is a Default, it shall promptly notify the other Finance Parties.
- (e) If the Agent is aware of the non-payment of any principal, interest, commitment fee or other fee payable to a Finance Party (other than the Agent, each Arranger or the Security Agent) under this Agreement it shall promptly notify the other Finance Parties.
- (f) The Agent shall provide to the Parent, within five Business Days of a request by the Parent (but no more frequently than once per calendar month), a list (which may be in electronic form) setting out the names of the Lenders as at the date of that request, their respective Commitments, the address and fax number (and the department or officer, if any, for whose attention any communication is to be made) of each Lender

for any communication to be made or document to be delivered under or in connection with the Finance Documents, the electronic mail address and/or any other information required to enable the sending and receipt of information by electronic mail or other electronic means to and by each Lender to whom any communication under or in connection with the Finance Documents may be made by that means and the account details of each Lender for any payment to be distributed by the Agent to that Lender under the Finance Documents.

- (g) The Agent's duties under the Finance Documents are solely mechanical and administrative in nature.
- (h) Upon the Agent becoming an Impaired Agent the Parent shall provide a copy of the list of all the Lenders to each Finance Party.
- (i) The Agent shall have only those duties, obligations and responsibilities expressly specified in the Finance Documents to which it is expressed to be a party (and no others shall be implied).

27.4 Role of the Arrangers

Except as specifically provided in the Finance Documents, the Arrangers have no obligations of any kind to any other Party under or in connection with any Finance Document.

27.5 No fiduciary duties

- (a) Nothing in any Finance Document constitutes the Agent, any Arranger, any Bookrunner and/or any Co-Manager as a trustee or fiduciary of any other person.
- (b) None of the Agent, the Security Agent or the Arrangers shall be bound to account to any Lender for any sum or the profit element of any sum received by it for its own account.

27.6 Business with the Group

The Agent, the Security Agent and the Arrangers may accept deposits from, lend money to and generally engage in any kind of banking or other business with any member of the Group.

27.7 Rights and discretions

- (a) The Agent may:
 - (i) rely on any representation, communication, notice or document believed by it to be genuine, correct and appropriately authorised;
 - (ii) assume that:
 - (A) any instructions received by it from the Majority Lenders, any Lenders or any group of Lenders are duly given in accordance with the terms of the Finance Documents; and
 - (B) unless it has received notice of revocation, those instructions have not been revoked; and
 - (iii) rely on a certificate from any person:
 - (A) as to any matter of fact or circumstance which might reasonably be expected to be within the knowledge of that person;
or

-
- (B) to the effect that such person approves of any particular dealing, transaction, step, action or thing, as sufficient evidence that that is the case and, in the case of paragraph (A) above, may assume the truth and accuracy of that certificate.
- (b) The Agent may assume (unless it has received notice to the contrary in its capacity as agent for the Lenders) that:
- (i) no Default has occurred (unless it has actual knowledge of a Default arising under Clause 24.1 *Payment default*);
 - (ii) any right, power, authority or discretion vested in any Party or any group of Lenders has not been exercised; and
 - (iii) any notice or request made by the Parent is made on behalf of and with the consent and knowledge of all the Obligors.
- (c) The Agent may engage and pay for the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts.
- (d) Without prejudice to the generality of paragraph (c) above or paragraph (e) below, the Agent may at any time engage and pay for the services of any lawyers to act as independent counsel to the Agent (and so separate from any lawyers instructed by the Lenders) if the Agent in its reasonable opinion deems this to be desirable.
- (e) The Agent may rely on the advice or services of any lawyers, accountants, tax advisers, surveyors or other professional advisers or experts (whether obtained by the Agent, or by any other Party) and shall not be liable for any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of its so relying.
- (f) The Agent may act in relation to the Finance Documents through its officers, employees and agents and the Agent shall not:
- (i) be liable for any error of judgment made by any such person; or
 - (ii) be bound to supervise, or be in any way responsible for, any loss incurred by reason of misconduct, omission or default on the part of any such person,
- unless such error or such loss was directly caused by the Agent's gross negligence or wilful misconduct.
- (g) Unless a Finance Document expressly provides otherwise, the Agent may disclose to any other Party any information it reasonably believes it has received as agent under this Agreement.
- (h) Without prejudice to the generality of paragraph (g) above, the Agent:
- (i) may disclose; and
 - (ii) on the written request of the Parent or the Majority Lenders shall, as soon as reasonably practicable, disclose, the identity of a Defaulting Lender to the Parent and to the other Finance Parties.

- (i) Notwithstanding any other provision of any Finance Document to the contrary, neither the Agent, nor any Arranger is obliged to do or omit to do anything if it would or might in its reasonable opinion constitute a breach of any law or regulation or a breach of a fiduciary duty or duty of confidentiality.
- (j) Notwithstanding any provision of any Finance Document to the contrary, the Agent is not obliged to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties, obligations or responsibilities or the exercise of any right, power, authority or discretion if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it.

27.8 Responsibility for documentation

Neither the Agent nor any of the Arrangers is responsible or liable for:

- (a) the adequacy, accuracy or completeness of any information (whether oral or written) supplied by the Agent, any Arranger, an Obligor or any other person in or in connection with any Finance Document, the Tax Structure Memorandum or the transactions contemplated in the Finance Documents or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document;
- (b) the legality, validity, effectiveness, adequacy or enforceability of any Finance Document or the Transaction Security or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security; or
- (c) any determination as to whether any information provided or to be provided to any Finance Party is non-public information the use of which may be regulated or prohibited by applicable law or regulation relating to insider dealing or otherwise.

27.9 No duty to monitor

The Agent shall not be bound to enquire:

- (a) whether or not any Default has occurred;
- (b) as to the performance, default or any breach by any Party of its obligations under any Finance Document; or
- (c) whether any other event specified in any Finance Document has occurred.

27.10 Exclusion of liability

- (a) Without limiting paragraph (b) below (and without prejudice to any other provision of any Finance Document excluding or limiting the liability of the Agent), the Agent will not be liable (including, without limitation, for negligence or any other category of liability whatsoever) for:
 - (i) any damages, costs or losses to any person, any diminution in value, or any liability whatsoever arising as a result of taking or not taking any action under or in connection with any Finance Document or the Transaction Security, unless directly caused by its gross negligence or wilful misconduct;

- (ii) exercising, or not exercising, any right, power, authority or discretion given to it by, or in connection with, any Finance Document, the Transaction Security or any other agreement, arrangement or document entered into, made or executed in anticipation of, under or in connection with any Finance Document or the Transaction Security; or
- (iii) without prejudice to the generality of paragraphs (i) and (ii) above, any damages, costs or losses to any person, any diminution in value or any liability whatsoever arising as a result of:
 - (A) any act, event or circumstance not reasonably within its control; or
 - (B) the general risks of investment in, or the holding of assets in, any jurisdiction, including (in each case and without limitation) such damages, costs, losses, diminution in value or liability arising as a result of: nationalisation, expropriation or other governmental actions; any regulation, currency restriction, devaluation or fluctuation; market conditions affecting the execution or settlement of transactions or the value of assets (including any Disruption Event); breakdown, failure or malfunction of any third party transport, telecommunications, computer services or systems; natural disasters or acts of God; war, terrorism, insurrection or revolution; or strikes or industrial action.
- (b) No Party (other than the Agent) may take any proceedings against any officer, employee or agent of the Agent in respect of any claim it might have against the Agent or in respect of any act or omission of any kind by that officer, employee or agent in relation to any Finance Document or any Transaction Document and any officer, employee or agent of the Agent may rely on this Clause subject to Clause 1.8 (*Third party rights*) and the provisions of the Third Parties Act.
- (c) The Agent will not be liable for any delay (or any related consequences) in crediting an account with an amount required under the Finance Documents to be paid by the Agent if the Agent has taken all necessary steps as soon as reasonably practicable to comply with the regulations or operating procedures of any recognised clearing or settlement system used by the Agent for that purpose.
- (d) Nothing in this Agreement shall oblige the Agent or the Arrangers to carry out:
 - (i) any “know your customer” or other checks in relation to any person; or
 - (ii) any check on the extent to which any transaction contemplated by this Agreement might be unlawful for any Lender, on behalf of any Lender and each Lender confirms to the Agent and the Arrangers that it is solely responsible for any such checks it is required to carry out and that it may not rely on any statement in relation to such checks made by the Agent or the Arrangers.
- (e) Without prejudice to any provision of any Finance Document excluding or limiting the Agent’s liability, any liability of the Agent arising under or in connection with any Finance Document or the Transaction Security shall be limited to the amount of actual loss which has been finally judicially determined to have been suffered (as determined by reference to the date of default of the Agent or, if later, the date on which the loss arises as a result of such default) but without reference to any special conditions or circumstances known to the Agent at any time which increase the amount of that loss. In no event shall the Agent be liable for any loss of profits, goodwill, reputation, business opportunity or anticipated saving, or for special, punitive, indirect or consequential damages, whether or not the Agent has been advised of the possibility of such loss or damages.

27.11 **Lenders' indemnity to the Agent**

- (a) Subject to paragraph (b) below, each Lender shall (in proportion to its Available Commitments and participations in the Loans then outstanding to the Available Facilities) indemnify the Agent, within three Business Days of demand, against any cost, loss or liability incurred by the Agent (otherwise than by reason of its gross negligence or wilful misconduct) in acting as Agent under the Finance Documents (unless it has been reimbursed by an Obligor pursuant to a Finance Document).
- (b) If the Available Facilities are then zero, each Lender's indemnity under paragraph (a) above shall be in proportion to its Available Commitments to the Available Facilities immediately prior to their reduction to zero, unless there are then any Loans outstanding, in which case it shall be in proportion to its participations in the Loans then outstanding.
- (c) Subject to paragraph (d) below, the Parent shall promptly on demand reimburse any Lender for any payment that Lender makes to the Agent pursuant to paragraph (a) above.
- (d) Paragraph (c) above shall not apply to the extent:
 - (i) that the indemnity payment in respect of which the Lender claims reimbursement relates to a liability of the Agent to an Obligor; or
 - (ii) that the Parent has already reimbursed the Agent for the same cost, loss or liability pursuant to Clause 17.3 *Indemnity to the Agent*.

27.12 **Waiver of Conflicts of Interest**

- (a) The Finance Parties acknowledge that, at any time when Credit Suisse AG, London Branch is the Agent under this Agreement and also the Agent under and as defined in the Senior Facilities Agreement, a conflict of interest may arise or be perceived to have arisen (such actual or perceived conflict of interest, a "**Conflict of Interest**") and, accordingly, each Finance Party irrevocably waives any rights or remedies relating to such Conflict of Interest and waives any right to take action against Credit Suisse AG, London Branch in its capacity as the Agent or any director, manager, officer agent and employee thereof as a result of such Conflict of Interest.
- (b) Following the occurrence of any Conflict of Interest, Credit Suisse AG, London Branch may resign from its role as Agent in accordance with Clause 27.13 (*Resignation of the Agent*), *provided, however*, that until such time as that resignation is effective, the waivers contained in this Clause 27.12 shall continue to apply.
- (c) The determination of whether a Conflict of Interest has arisen hereunder shall be in the sole discretion of Credit Suisse AG, London Branch.

27.13 **Resignation of the Agent**

- (a) The Agent may resign and appoint one of its Affiliates acting through an office in the United Kingdom (or any other jurisdiction agreed by the Parent) as its successor by giving notice to the Lenders and the Parent.

-
- (b) Alternatively the Agent may resign by giving 30 days' notice to the Lenders and the Parent, in which case:
- (i) the retiring Agent may (after consultation with the Parent) appoint any Approved Agent to be the successor Agent; or
 - (ii) the Majority Lenders (after consultation with the Parent) may appoint a successor Agent.
- (c) If neither the retiring Agent has appointed an Approved Agent to be the successor Agent in accordance with paragraph (b)(i) above nor the Majority Lenders have appointed a successor Agent in accordance with paragraph (b)(ii) above within 20 days after notice of resignation was given, the retiring Agent shall notify the Parent and may thereafter appoint a successor Agent (acting through an office in the United Kingdom).
- (d) If the Agent wishes to resign because (acting reasonably) it has concluded that it is no longer appropriate for it to remain as agent and the Agent is entitled to appoint a successor Agent under paragraph (b)(i) or (c) above, the Agent may (if it concludes (acting reasonably) that it is necessary to do so in order to persuade the proposed successor Agent to become a party to this Agreement as Agent) agree with the proposed successor Agent amendments to this Clause 27.13 and any other term of this Agreement dealing with the rights or obligations of the Agent consistent with then current market practice for the appointment and protection of corporate trustees together with any reasonable amendments to the agency fee payable under this Agreement which are consistent with the successor Agent's normal fee rates and those amendments will bind the Parties.
- (e) The retiring Agent shall, at its own cost, make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
- (f) The Agent's resignation notice shall only take effect upon the appointment of a successor.
- (g) Upon the appointment of a successor, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (e) above) but shall remain entitled to the benefit of Clause 17.3 (*Indemnity to the Agent*) and this Clause 27.13 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date). Any successor and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.
- (h) The Agent shall resign in accordance with paragraph (b) above (and, to the extent applicable, shall use reasonable endeavours to appoint a successor Agent pursuant to paragraph (b)(i) or (c) above) if on or after the date which is three months before the earliest FATCA Application Date relating to any payment to the Agent under the Finance Documents, either:
- (i) the Agent fails to respond to a request under Clause 15.9 (*FATCA Information*) and the Parent or a Lender reasonably believes that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date;

- (ii) the information supplied by the Agent, pursuant to Clause 15.9 (*FATCA Information*) indicates that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date; or
- (iii) the Agent notifies the Parent and the Lenders that the Agent will not be (or will have ceased to be) a FATCA Exempt Party on or after that FATCA Application Date,

and (in each case) the Parent or a Lender reasonably believes that a Party will be required to make a FATCA Deduction that would not be required if the Agent were a FATCA Exempt Party, and the Parent or that Lender, by notice to the Agent if applicable, requires it to resign.

27.14 Replacement of the Agent

- (a) After consultation with the Parent the Majority Lenders may, by giving 30 days' notice to the Agent (or, at any time the Agent is an Impaired Agent, by giving any shorter notice determined by the Majority Lenders) replace the Agent by appointing a successor Agent (acting through an office in the United Kingdom).
- (b) The Parent may, provided it gives not less than 30 days' prior notice, at any time while the Agent is an Impaired Agent replace the Agent by appointing a successor (acting through an office in the United Kingdom).
- (c) The retiring Agent shall (at its own cost if it is an Impaired Agent and otherwise at the expense of the Lenders) make available to the successor Agent such documents and records and provide such assistance as the successor Agent may reasonably request for the purposes of performing its functions as Agent under the Finance Documents.
- (d) The appointment of the successor, Agent shall take effect on the date specified in the notice from the Majority Lenders to the retiring Agent. As from this date, the retiring Agent shall be discharged from any further obligation in respect of the Finance Documents (other than its obligations under paragraph (b) above) but shall remain entitled to the benefit of Clause 17.3 (*Indemnity to the Agent*) and this Clause 27.14 (and any agency fees for the account of the retiring Agent shall cease to accrue from (and shall be payable on) that date).
- (e) Any successor Agent and each of the other Parties shall have the same rights and obligations amongst themselves as they would have had if such successor had been an original Party.

27.15 Confidentiality

- (a) In acting as agent for the Finance Parties, the Agent shall be regarded as acting through its agency division which shall be treated as a separate entity from any other of its divisions or departments.
- (b) If information is received by another division or department of the Agent, it may be treated as confidential to that division or department and the Agent shall not be deemed to have notice of it.

- (c) the Recovering Finance Party shall, within three Business Days of demand by the Agent, pay to the Agent an amount (the **Sharing Payment**) equal to such receipt or recovery less any amount which the Agent determines may be retained by the Recovering Finance Party as its share of any payment to be made, in accordance with Clause 30.6 (*Partial payments*).

29.2 Redistribution of payments

The Agent shall treat the Sharing Payment as if it had been paid by the relevant Obligor and distribute it between the Finance Parties (other than the Recovering Finance Party) (the **Sharing Finance Parties**) in accordance with Clause 30.6 (*Partial payments*) towards the obligations of that Obligor to the Sharing Finance Parties.

29.3 Recovering Finance Party's rights

On a distribution by the Agent under Clause 29.2 (*Redistribution of payments*) of a payment received by a Recovering Finance Party from an Obligor, as between the relevant Obligor and the Recovering Finance Party, an amount of the Recovered Amount equal to the Sharing Payment will be treated as not having been paid by that Obligor.

29.4 Reversal of redistribution

If any part of the Sharing Payment received or recovered by a Recovering Finance Party becomes repayable and is repaid by that Recovering Finance Party, then:

- (a) each Sharing Finance Party shall, upon request of the Agent, pay to the Agent for the account of that Recovering Finance Party an amount equal to the appropriate part of its share of the Sharing Payment (together with an amount as is necessary to reimburse that Recovering Finance Party for its proportion of any interest on the Sharing Payment which that Recovering Finance Party is required to pay) (the **Redistributed Amount**); and
- (b) as between the relevant Obligor and each relevant Sharing Finance Party, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Obligor.

29.5 Exceptions

- (a) This Clause 29 shall not apply to the extent that the Recovering Finance Party would not, after making any payment pursuant to this Clause, have a valid and enforceable claim against the relevant Obligor.
- (b) A Recovering Finance Party is not obliged to share with any other Finance Party any amount which the Recovering Finance Party has received or recovered as a result of taking legal or arbitration proceedings, if:
 - (i) it notified the other Finance Party of the legal or arbitration proceedings; and
 - (ii) the other Finance Party had an opportunity to participate in those legal or arbitration proceedings but did not do so as soon as reasonably practicable having received notice and did not take separate legal or arbitration proceedings.

- (b) Payment shall be made to such account in the principal financial centre of the country of that the relevant currency (or, in relation to a payment in euro, in the principal financial centre in such Participating Member State or London, as specified by the Agent) and with such bank as the Agent, in each case, specifies.

30.2 Distributions by the Agent

Each payment received by the Agent under the Finance Documents for another Party shall, subject to Clause 30.3 (*Distributions to an Obligor*) and Clause 30.4 (*Clawback and pre-funding*) be made available by the Agent as soon as practicable after receipt to the Party entitled to receive payment in accordance with this Agreement (in the case of a Lender, for the account of its Facility Office), to such account as that Party may notify to the Agent by not less than five Business Days' notice with a bank specified by that Party in the principal financial centre of the country of that the relevant currency (or, in relation to a payment in euro, in the principal financial centre of such Participating Member State or London, as specified by that Party).

- (a) Where a sum is to be paid to the Agent under the Finance Documents for another Party, the Agent, as the case may be, is not obliged to pay that sum to that other Party (or to enter into or perform any related exchange contract) until it has been able to establish to its satisfaction that it has actually received that sum.
- (b) Unless paragraph (c) below applies, if the Agent pays an amount to another Party and it proves to be the case that the Agent, as the case may be, had not actually received that amount, then the Party to whom that amount (or the proceeds of any related exchange contract) was paid by the Agent shall on demand refund the same to the Agent, as the case may be, together with interest on that amount from the date of payment to the date of receipt by the Agent, calculated by the Agent to reflect its cost of funds.
- (c) If the Agent has notified the Lenders that it is willing to make available amounts for the account of a Borrower before receiving funds from the Lenders, then if and to the extent that the Agent does so but it proves to be the case that it does not then receive funds from a Lender in respect of a sum which it paid to a Borrower:
 - (i) the Agent, as the case may be, shall notify the Parent of that Lender's identity and the Borrower to whom that sum was made available shall on demand refund it to the Agent; and
 - (ii) the Lender by whom those funds should have been made available or, if that Lender fails to do so, the Borrower to whom that sum was made available, shall on demand pay to the Agent the amount (as certified by the Agent) which will indemnify the Agent against any funding cost incurred by it as a result of paying out that sum before receiving those funds from that Lender.

SCHEDULE 9

AGREED SECURITY PRINCIPLES

1. SECURITY PRINCIPLES

- (a) The guarantees and security to be provided will be given in accordance with the Agreed Security Principles set out in this Schedule. This Schedule addresses the manner in which the Agreed Security Principles will impact on the guarantees and security proposed to be taken in relation to this transaction.
- (b) The Agreed Security Principles embody recognition by all parties that there may be certain legal and practical difficulties in obtaining guarantees and security from all Obligor in every jurisdiction in which Obligor are located. In particular:
 - (i) general legal and statutory limitations (including, but not limited to, with respect to the relevant jurisdictions for which guarantee limitation language is set out in Clauses 20.11 (*Guarantee Limitations*) to 20.14 (*Limitations – Regulated Entities*), such limitations as set out therein), financial assistance, corporate benefit, fraudulent preference, “thin capitalisation”, “earnings stripping”, “controlled foreign corporation” and “capital maintenance” rules, retention of title claims, employee consultation or approval requirements and similar principles may limit the ability of a member of the Group to provide a guarantee or security or may require that the guarantee or security be limited by an amount or otherwise;
 - (ii) the relevant Obligor will use reasonable endeavours to assist in demonstrating that adequate corporate benefit accrues to each relevant Obligor and to overcome any such other limitations to the extent reasonably practicable;
 - (iii) the Transaction Security and extent of its perfection will be agreed taking into account the cost to the Group of providing such security (including any increase to the tax and/or regulatory costs of the Group) so as to ensure that it is proportionate to the benefit accruing to the Finance Parties and the maximum guaranteed or secured amount may be limited to minimise stamp duty, notarisation, registration or other applicable fees, taxes and duties where the benefit of increasing the guaranteed or secured amount is disproportionate to the level of such fee, taxes and duties;
 - (iv) any assets subject to third party arrangements which are permitted by this Agreement and which prevent those assets from being charged, and any cash constituting regulatory capital or customer cash, will be excluded from any relevant Transaction Security Document;
 - (v) members of the Group will not be required to give guarantees or enter into security documents if: (1) they are not incorporated in a Security Jurisdiction or not wholly-owned by another member of the Group, or if it is not within the legal capacity of the relevant member of the Group, (2) in the good faith judgment of the directors of the Parent, the creation of Transaction Security and/or the giving of a guarantee and/or otherwise becoming an Obligor could materially increase a Capital Requirement, or materially adversely affect the solvency capital requirements, of the Group (or any member thereof) pursuant to any applicable law or regulation applicable to such member of the Group, (3) if it would conflict with the fiduciary duties of their directors or managers, or (4) contravene any legal, contractual or regulatory prohibition or result in a risk of personal or criminal liability on the part of any officer;

-
- (vi) if there are third party arrangements in place in respect of any asset, business or entity acquired by the Group (where those third party arrangements were not entered into in contemplation of that acquisition) as a result of which the consent of a third party is required for that acquired entity to provide a guarantee or to secure any acquired asset, such guarantee and/or security will not be required to be granted;
 - (vii) the granting or perfection of Transaction Security, when required, and other legal formalities will be completed as soon as reasonably practicable and, in any event, within the time periods specified in the Finance Documents therefore or (to the extent no such time periods are specified in the Finance Documents) within the time periods specified by applicable law in order to ensure due perfection, in each case taking into account the Agreed Security Principles;
 - (viii) the granting or perfection of Transaction Security will not be required if it would have a material adverse effect on the ability of the relevant Obligor to conduct its operations and business in the ordinary course or as otherwise permitted by the Finance Documents (including, without limitation, notification of such security to any third party);
 - (ix) unless granted under a global Transaction Security Document governed by English law (a **“Debenture”**) in respect of all assets security (other than share security over (and receivables owed by) its guarantor company subsidiaries), the Transaction Security Document shall be governed by the law of and secure assets located in or otherwise governed or expressed to be governed by the laws of the jurisdiction of incorporation of that Obligor;
 - (x) no perfection action will be required in jurisdictions that are not Security Jurisdictions;
 - (xi) the maximum guaranteed or secured amount may be limited to minimise stamp duty, notarisation, registration or other applicable fees, taxes and duties;
 - (xii) no guarantee or Transaction Security shall guarantee or secure any “Excluded Swap Obligations” defined in accordance with the LSTA Market Advisory Update dated 15 February 2013 entitled “Swap Regulations’ Implications for Loan Documentation”, and any update thereto by the LSTA;
 - (xiii) other than filing an MR01 form with the Registrar of Companies (England and Wales) with respect to a Debenture, no perfection action will be required with respect to assets of a type not owned by members of the Group; and
 - (xiv) the Security Agent will hold one set of Transaction Security for the Secured Parties (subject to applicable law).
- (c) The Security Agent (upon request or instruction, as applicable, in accordance with this Agreement) or the other Finance Parties, as the case may be, shall promptly discharge any guarantees and release any Transaction Security which is or are subject to any transaction permitted by this Agreement, subject to any legal or regulatory prohibition as is referred to in paragraph (b)(v) above or which is contrary to these Agreed Security Principles.

2. GUARANTORS AND SECURITY

- (a) Subject to due execution of all relevant documents, completion of all relevant formalities, the Legal Reservations, the Perfection Requirements, the application of the Agreed Security Principles and any qualifications or limitations which may be set out in any Finance Documents, guarantees will be provided by members of the Group to the extent required pursuant to Clause 13 (*Covenant to guarantee obligations and give security and further assurances*) of Schedule 12 (*General Undertakings*) to this Agreement.
- (b) Each guarantee will, to the extent legally possible and subject to Clause 20 (*Guarantees and Indemnity*) of this Agreement and the Agreed Security Principles, be an upstream, cross-stream and downstream guarantee and for all liabilities of the Obligor under the Finance Documents in accordance with, and subject to, local law requirements and the requirements of the Agreed Security Principles in each relevant jurisdiction.
- (c) Transaction Security Documents will, to the extent legally possible and subject to the Agreed Security Principles, incorporate the defined terms used in the Intercreditor Agreement and secure the Secured Obligations (as defined in the Intercreditor Agreement) of the relevant Obligor to the Secured Parties, in each case in accordance with, and subject to, local law requirements and the requirements of the Agreed Security Principles in each relevant jurisdiction and, in no circumstances, shall impose any obligation more onerous than those contained in this Agreement other than to the extent required by local law in order to create, enforce or perfect the security interest expressed to be created thereby.
- (d) Where an Obligor secures shares, the Security Document will be governed by the laws of the company whose shares are being charged or pledged and not by the law of the country of the Obligor. Subject to these principles the shares in each Guarantor shall be secured. For the avoidance of doubt, the shares held by an Obligor in a Subsidiary that is not an Obligor shall not be required to be the subject of Transaction Security other than in the case of Obligor incorporated in England and Wales that execute a Debenture.
- (e) To the extent legally effective, all security shall be given in favour of the Security Agent and not the Secured Parties individually. "Parallel debt" provisions will be used where necessary; such provisions will be contained in the Intercreditor Agreement and not the individual Security Documents unless required under local laws. To the extent possible, there should be no action required to be taken in relation to the guarantees or Transaction Security when any Lender assigns or transfers any of its participation in the Facilities to a New Lender.
- (f) The Obligor will only be required to pay reasonable third party costs of any re-execution, notarisation, re-registration, amendment or other perfection requirement for any Transaction Security on any assignment to a New Lender to the extent agreed between the Parent and the Arrangers prior to the Initial Closing Date in relation to an assignment by the Arrangers as part of primary syndication of the Facilities. Otherwise the cost or fee shall be for the account of the transferee Lender.
- (g) Any Transaction Security Document shall only be required to be notarised or notorially certified if required by law in order for the relevant Transaction Security to become effective or admissible in evidence.
- (h) No Regulated Entity or other member of the Group will be required to create Transaction Security over or otherwise encumber any Restricted Asset (including, without limitation, any bank accounts which contain or are reasonably likely to contain any Restricted Assets).

-
- (i) To the extent that any Regulated Entity becomes a Guarantor pursuant to the terms of this Agreement, the recourse under the guarantee and Transaction Security undertaken by it of any beneficiary of any such guarantee and Transaction Security will be strictly and expressly limited:
- (i) to the material Unrestricted Assets of that Regulated Entity; and
 - (ii) to the extent that such recourse does not affect the availability (immediately and without restriction) of Assets (as defined in Clause 20 (*Guarantees and Indemnity*) of this Agreement) to cover or have a result where the Regulated Entity does not satisfy a Capital Requirement as at the date the Security Agent or any Finance Party takes enforcement action (however described) against such Regulated Entity under any provision of this Agreement or any other Finance Document to which it is a party,
- in each case, in accordance with and subject to the principles set out in this Schedule and the other provisions of this Agreement.
- (j) Notwithstanding any term of any Finance Document, no obligation of a US Obligor under this Agreement or under any Finance Document may be, directly or indirectly: (i) guaranteed by a member of the Group (including, for this purpose, any direct or indirect subsidiaries acquired hereafter by the Company) that is a “controlled foreign corporation” (as defined in Section 957(a) of the Code) that has a “United States shareholder” (as defined in Section 951 of the Code) that is a member of the Group (such an entity, a “CFC”) or by an entity (a “FSHCO”) substantially all the assets of which consist of equity interests (or equity interests and indebtedness) of one or more CFCs or other FSHCOs, or guaranteed by a subsidiary of a CFC or FSHCO; (ii) secured by any assets of a CFC, FSHCO or a subsidiary of a CFC or a FSHCO (including any CFC or FSHCO equity interests held directly or indirectly by a CFC or FSHCO); (iii) secured by a pledge or other security interest in excess of 65% of the voting equity interests (and 100% of the non-voting equity interests) of a CFC or FSHCO; or (iv) guaranteed by any subsidiary or secured by a pledge of or security interest in any subsidiary or other asset, if it would result in material adverse US tax consequences to any member of the Group that is organized or tax resident in the United States as reasonably determined by the Borrowers and the Obligors’ Agent and the Agent.

3. TERMS OF TRANSACTION SECURITY DOCUMENTS

- (a) Subject to due execution of all relevant security documents, completion of all relevant formalities, the Legal Reservations, the Perfection Requirements, the application of the Agreed Security Principles and any qualifications or limitations which may be set out in any Finance Documents, the Security Agent (and, where applicable, each of the other Finance Parties) shall receive the benefit of:
- (i) a guarantee from each Obligor (including each Borrower, the Parent and each Restricted Subsidiary required pursuant to Clause 13 (*Covenant to guarantee obligations and give security and further assurances*) of Schedule 12 (*General Undertakings*) to this Agreement (and for the avoidance of doubt no guarantee or Transaction Security will be provided by any Holding Company of the Parent);

-
- (ii) Transaction Security over, and limited in each case to, the shares (or equivalent) in any Obligor and material intercompany loan receivables of each Obligor, and, solely in the case of each Obligor incorporated in England and Wales, all material assets of such Obligor (subject to the principles set out in this Schedule) pursuant to a Debenture;
 - (iii) in respect of any Obligor incorporated in England and Wales only, Transaction Security pursuant to a small-asset floating charge to be set out in a Debenture;
 - (iv) trade receivables that are part of a Factoring Financing (or equivalent) shall not be pledged or secured as security in respect of the Secured Obligations (as defined in the Intercreditor Agreement);
 - (v) the Security Agent shall (and is irrevocably authorised and instructed to) promptly enter into and deliver any documentation and/or take such other action as may be required by the Parent to give effect to these Agreed Security Principles; and
 - (vi) for the avoidance of doubt: (i) no guarantee or Transaction Security shall be required to be provided by any person who is not an Obligor or in any jurisdiction other than a Security Jurisdiction; and (ii) Transaction Security shall not be granted over any assets (including, without limitation, over trade receivables, intellectual property, bank accounts, insurance policies, and real estate) other than as set out in paragraphs (i) to (v) (inclusive) above.
- (b) In addition to the above, the following principles will be reflected in the terms of any Transaction Security taken as part of this transaction:
- (i) the Transaction Security will be first ranking, to the extent possible;
 - (ii) Transaction Security will not be enforceable until an Event of Default has occurred which is continuing and notice of acceleration has been given by the Agent which results in an Acceleration Event (as defined in the Intercreditor Agreement) (provided that such Acceleration Event is not in respect of an Event of Default under Clause 27.2 (*Financial covenant*) of the Senior Facilities Agreement in respect of which a Financial Covenant Cross-Default (as defined therein) has not occurred and is not continuing) and will be enforceable only subject to the terms of the Intercreditor Agreement;
 - (iii) the Security Agent shall only be able to exercise a power of attorney following the occurrence of an Acceleration Event (as defined in the Intercreditor Agreement) (provided that such Acceleration Event is not in respect of an Event of Default under Clause 27.2 (*Financial covenant*) of the Senior Facilities Agreement in respect of which a Financial Covenant Cross-Default (as defined therein) has not occurred and is not continuing) which is continuing;
 - (iv) the provisions of each Transaction Security Document will not be unduly burdensome on the Obligor or interfere unreasonably with the operation of its business, will be limited to those required by local law to create, enforce or perfect security and will not impose commercial obligations and shall not contain additional representations and undertakings (such as in respect of insurance, maintenance of assets, information or the payment of costs) or otherwise repeat any such representations or undertakings given in this Agreement, other than those which are strictly required as a matter of law for the creation and perfection of the Transaction Security;

- (v) in the Transaction Security Documents there will be no repetition or extension of clauses set out in this Agreement (or the Intercreditor Agreement) including, without limitation, those relating to notices, costs and expenses, indemnities, tax gross up, distribution of proceeds and release of Transaction Security; representations and undertakings shall be included in the Transaction Security Documents only to the extent required by local law in order to create, enforce or perfect the security interest expressed to be created thereby;
- (vi) information, such as lists of assets, will be provided if, and only to the extent, required by local law to be provided to perfect, enforce or register the Transaction Security and, when required, shall be provided no more frequently than annually or, following an Acceleration Event (as defined in the Intercreditor Agreement) (provided that such Acceleration Event is not in respect of an Event of Default under Clause 27.2 (*Financial covenant*) of the Senior Facilities Agreement in respect of which a Financial Covenant Cross-Default (as defined therein) has not occurred and is not continuing), on the Security Agent's written request;
- (vii) the Transaction Security Documents should not and will not operate so as to prevent transactions which are not prohibited under the other Finance Documents; and
- (viii) Transaction Security will, where possible and practical, automatically create security over future assets of the same type as those already secured; where local law requires supplemental charges to be delivered in respect of future acquired assets in order for effective security to be created over that class of asset, such supplemental charges shall be provided at intervals no more frequently than annually, in each case on the Security Agent's reasonable written request; and
- (ix) each Transaction Security Document must contain a clause which records that if there is a conflict between the Transaction Security Document and this Agreement or the Intercreditor Agreement then (to the fullest extent permitted by law) the provisions of this Agreement or (as applicable) the Intercreditor Agreement will take priority over the provisions of the relevant Transaction Security Document.

4. SHARES

- (a) If an Obligor grants Transaction Security over shares held by it, until notified in writing by the Security Agent following an Acceleration Event (as defined in the Intercreditor Agreement), the Obligor will be permitted to retain and to exercise voting rights appertaining to any shares charged by it and the company whose shares have been charged will be permitted to pay dividends upstream on charged shares to the extent permitted under the Finance Documents with the proceeds to be available to the Parent and its Restricted Subsidiaries.
- (b) Where customary and applicable as a matter of law, on or within 20 Business Days following execution of any Transaction Security over shares, to the extent applicable, the share certificate and a stock transfer form executed in blank will be provided to the Security Agent and, where required by law, the share certificate or shareholders' register will be endorsed or written up and the endorsed share certificate or a copy of the written up register provided to the Security Agent.  - (h) the prepayment, redemption, repurchase, defeasance, exchange, acquisition or retirement or other acquisition of any Junior Lien Financing or Junior Financing of the Parent or any Restricted Subsidiary in the amount of any Excluded Contributions to the extent Not Otherwise Applied;

- (i) prepayments, redemptions, repurchases, defeasances and other payments using any Waived Amount;
- (j) the prepayment, redemption, repurchase, defeasance, exchange, conversion, acquisition or retirement or other acquisition of any Junior Lien Financing or Junior Financing in an aggregate principal amount at any time outstanding not to exceed, when combined with Restricted Payments made pursuant to Clause 7(k)(i) of this Schedule, the greater of \$160,000,000 and 45% of LTM Consolidated EBITDA;
- (k) as permitted by the Intercreditor Agreement (including without limitation the conversion of any Junior Lien Financing or Junior Financing to Equity Interests); or
- (l) in the amount of any Restricted Payment permitted by Clause 7 of this Schedule.

For the avoidance of doubt, this Clause 12 is subject to paragraph (g) of Clause 14 (*Calculations*) of this Schedule.

13. **COVENANT TO GUARANTEE OBLIGATIONS AND GIVE SECURITY AND FURTHER ASSURANCES**

- (a) Subject to the Agreed Security Principles, the Parent shall procure that:
 - (i) following the Final Closing Date, each member of the Group which is a Material Subsidiary as at the Final Closing Date and that is incorporated in a Security Jurisdiction shall no later than the date which is 90 days after (but not including) the Final Closing Date accede as an Additional Guarantor (to the extent still then a member of the Group);
 - (ii) by reference to each Compliance Certificate delivered with the Annual Financial Statements (commencing with the Annual Financial Statements in respect of the first full Financial Year ending after the Final Closing Date), the Guarantor and Security Coverage Requirement shall be satisfied in accordance with the Agreed Security Principles within 120 days of the date on which such Compliance Certificate is delivered to the Agent; and
 - (iii) by reference to each Compliance Certificate delivered with the Annual Financial Statements (commencing with the Annual Financial Statements in respect of the first full Financial Year ending after the Final Closing Date), each member of the Group which has become a Material Subsidiary and that is incorporated in a Security Jurisdiction shall as soon as reasonably practicable (and in any event within 90 days of the date on which such Compliance Certificate is delivered to the Agent) accede as an Additional Guarantor in accordance with the Agreed Security Principles.
- (b) Subject to the Agreed Security Principles, each Obligor shall (and the Parent shall ensure that each relevant member of the Group will) promptly do all such acts or execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Security Agent may reasonably specify (and in such form as the Security Agent may reasonably require in favour of the Security Agent or its nominee(s)):

- (i) to perfect the Security created or intended to be created under or evidenced by the Transaction Security Documents (which may include the execution of a mortgage, charge, assignment or other Security over all or any of the assets which are, or are intended to be, the subject of the Transaction Security) or for the exercise of any rights, powers and remedies of the Security Agent or the Finance Parties provided by or pursuant to the Finance Documents or by law; and/or
- (ii) to facilitate the realisation of the assets which are, or are intended to be, the subject of the Transaction Security.
- (c) Subject to the Agreed Security Principles, each Obligor shall (and the Parent shall ensure that each member of the Group shall) take all such action as is available to it (including making all filings and registrations) as may be necessary for the purpose of the creation, perfection, protection or maintenance of any Security conferred or intended to be conferred on the Security Agent or the Finance Parties by or pursuant to the Finance Documents.
- (d) Notwithstanding anything set out to the contrary above, any other term of this Agreement or any other Finance Document, no Regulated Entity or other member of the Group will be required:
 - (i) to give a guarantee or grant Security where, in the good faith judgment of the directors of the Parent, the creation of Security, the giving of a guarantee and/or otherwise becoming an Obligor under the Finance Documents could materially increase the regulatory capital requirements pursuant to any applicable law or regulation or the views, guidance or interpretation of the applicable law or regulation of any Relevant Regulator, or materially adversely affect the solvency capital requirements, of the Restricted Group (or any member thereof) pursuant to any applicable law or regulation applicable to such member of the Restricted Group; or
 - (ii) to create Security over or otherwise encumber any Restricted Asset (including, without limitation, any bank accounts which contain or are reasonably likely to contain any Restricted Assets).

14. CALCULATIONS

- (a) Notwithstanding anything to the contrary herein, the Fixed Charge Coverage Ratio, the Total Net Leverage Ratio, the Total Secured Net Leverage Ratio and the First Lien Net Leverage Ratio and Consolidated EBITDA shall be calculated in the manner prescribed by this Clause 14; provided that notwithstanding anything to the contrary in Clauses (b), (c) or (d) of this Clause 14, when calculating the First Lien Net Leverage Ratio for the purposes of Clause 9.3 (*Excess Cash Flow*), Specified Transactions that occurred subsequent to the end of the applicable Relevant Period shall not be given pro forma effect except to the extent set forth in paragraphs (a)(i) and (a)(iii) of Clause 9.3 (*Excess Cash Flow*). Consolidated EBITDA shall be calculated with reference to the Parent and its Restricted Subsidiaries for purposes of calculating compliance with any covenant determined by reference to Consolidated EBITDA.
- (b) For the purposes of calculating the Total Net Leverage Ratio, the Total Secured Net Leverage Ratio, the First Lien Net Leverage Ratio, the Fixed Charge Coverage Ratio or compliance with any covenant determined by reference to Consolidated EBITDA, Specified Transactions (and the incurrence or repayment of any Indebtedness in connection therewith) that have been made (i) during the applicable Relevant Period or (ii) subsequent to such Relevant Period and prior to or simultaneously with the event for which the calculation of any such ratio is made shall be calculated on a pro

forma basis assuming that all such Specified Transactions (and any increase or decrease in Consolidated EBITDA and the component financial definitions used therein attributable to any Specified Transaction) had occurred on the first day of the applicable Relevant Period. If since the beginning of any applicable Relevant Period any Person that subsequently became a Restricted Subsidiary or was merged, amalgamated or consolidated with or into any Restricted Subsidiary since the beginning of such Relevant Period shall have made any Specified Transaction that would have required adjustment pursuant to this Clause 14, then the Total Net Leverage Ratio, the Total Secured Net Leverage Ratio, the First Lien Net Leverage Ratio and the Fixed Charge Coverage Ratio and Consolidated EBITDA shall be calculated to give pro forma effect thereto in accordance with this Clause 14.

- (c) Whenever pro forma effect is to be given to a Specified Transaction, the pro forma calculations shall be made in good faith by a Responsible Officer and may include, for the avoidance of doubt, the amount of “run rate” cost savings and synergies projected by the Parent in good faith to be realised as a result of specified actions taken, committed to be taken or expected to be taken (calculated on a pro forma basis as though such cost savings, operating expense reductions and synergies had been realised on the first day of such period and as if such cost savings, operating expense reductions and synergies were realised during the entirety of such period) relating to such Specified Transaction and run rate means the full recurring benefit for a period that is associated with any action taken, committed to be taken or with respect to which substantial steps have been taken or are expected to be taken, net of the amount of actual benefits realised during such period from such actions; provided that (i) such amounts are reasonably identifiable, quantifiable and factually supportable in the good faith judgment of the Parent, (ii) such actions are taken, committed to be taken or expected to be taken no later than 36 months after the date of such Specified Transaction and (iii) no amounts shall be added pursuant to this Clause (c) to the extent duplicative of any amounts that are otherwise added back in computing Consolidated EBITDA, whether through a pro forma adjustment or otherwise, with respect to such period; *provided*, further, that at the election of the Parent (in its sole and absolute discretion), such amounts shall not be required to be determined for any Specified Transaction to the extent the aggregate consideration paid in connection with such Specified Transaction was equal to or less than \$25,000,000.
- (d) In the event that the Parent or any Restricted Subsidiary incurs (including by assumption or guarantees) or repays (including by repurchase, redemption, repayment, retirement or extinguishment) any Indebtedness included in the calculations of the Total Net Leverage Ratio, the Total Secured Net Leverage Ratio, the First Lien Net Leverage Ratio or the Fixed Charge Coverage Ratio, as the case may be (in each case, other than Indebtedness incurred or repaid under any revolving credit facility in the ordinary course of business for working capital purposes), (i) during the applicable Relevant Period or (ii) subsequent to the end of the applicable Relevant Period and prior to or simultaneously with the event for which the calculation of any such ratio is made, then the Total Net Leverage Ratio, the Total Secured Net Leverage Ratio, the First Lien Net Leverage Ratio and the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such incurrence or repayment of Indebtedness, to the extent required, as if the same had occurred on the last day of the applicable Relevant Period; provided that (A) in the case of any incurrence of Indebtedness or establishment of any revolving credit or delayed draw commitments, a borrowing of the maximum amount of Indebtedness available under such revolving credit or delayed draw commitments (and any other undrawn revolving credit or delayed draw commitments already in existence shall be disregarded), and (B) the cash proceeds (and any resulting cash and Cash Equivalent Investments) of such incurred Indebtedness shall be excluded from amounts that may

be netted in the calculation of pro forma Total Net Leverage Ratio, pro forma Total Secured Net Leverage Ratio or pro forma First Lien Net Leverage Ratio. If any Indebtedness bears a floating rate of interest and is being given pro forma effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date such calculation is being made had been the applicable rate for the entire period (taking into account any Swap Contract applicable to such Indebtedness). Interest on a Capitalised Lease shall be deemed to accrue at an interest rate reasonably determined by a Responsible Officer to be the rate of interest implicit in such Capitalised Lease in accordance with the relevant Accounting Principles. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a pro forma basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period. Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a LIBOR interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Parent may designate.

- (e) On and after the date pro forma effect is to be given to a Permitted Acquisition or Investment and on which the Parent or any Restricted Subsidiary is incurring Indebtedness, which Permitted Acquisition or Investment has yet to be consummated but for which a definitive agreement governing such Permitted Acquisition or Investment has been executed and remains in effect, such pro forma effect shall be deemed to continue at all times thereafter for purposes of determining ratio-based conditions and baskets until such Permitted Acquisition or Investment is consummated or such definitive agreement is terminated.
- (f) Without prejudice to the rights of the Group under paragraphs (a), (b), (c) and (d) above:
 - (i) for the purposes of the determination of the Total Net Leverage Ratio, the Total Secured Net Leverage Ratio, the First Lien Net Leverage Ratio and the Fixed Charge Coverage Ratio, the exchange rates used in the calculation of Consolidated EBITDA shall be the weighted average exchange rates for the relevant period as determined by the Parent; and
 - (ii) for the purposes of the determination of Consolidated Total Debt, Consolidated Senior Secured Net Debt and Consolidated Total Net Debt in respect of any period, the exchange rates used for the determination of Consolidated Total Debt, Consolidated Senior Secured Net Debt and Consolidated Total Net Debt for that relevant period shall be (A) in relation to Indebtedness for which the Group has entered into cross currency swaps, the rate at which such swap has been entered into and (B) in relation to all other Indebtedness, the exchange rate used in the calculation of Consolidated EBITDA or calculated in accordance with paragraph (i) above.
- (g) Notwithstanding anything to the contrary herein, to the extent that the terms of this Agreement require (i) compliance with any financial ratio or test, any First Lien Net Leverage Ratio test, any Total Net Leverage Ratio test, any Total Secured Net Leverage Ratio test or any Fixed Charge Coverage Ratio test) and/or any cap expressed as a percentage of Consolidated EBITDA in connection with the incurrence of Indebtedness, the issuance of Disqualified Equity Interests, the creation of Liens, the making of any Disposition, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary or the repayment of Indebtedness or Disqualified Equity Interests, (ii) the absence of a Default or Event of Default (or any type of Default or

Event of Default) as a condition, (iii) compliance with any provision of this Agreement which requires compliance with any representations and warranties set forth herein or (iv) satisfaction of all other conditions precedent to the incurrence of Indebtedness, the issuance of Disqualified Equity Interests, the creation of Liens, the making of any Disposition, the making of an Investment, the making of a Restricted Payment, the designation of a Subsidiary as a Restricted Subsidiary or an Unrestricted Subsidiary or the repayment of Indebtedness or Disqualified Equity Interests, in each case in connection with a Limited Condition Transaction, the determination of such ratio or other provisions, determination of whether any Default or Event of Default has occurred, is continuing or would result therefrom, determination of compliance with any representations or warranties or the satisfaction of any other conditions shall, at the election of the Parent (the Parent's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**," which LCT Election may be in respect of one or more of clauses (i), (ii), (iii) and (iv) above), be deemed to be the date the definitive agreements (or other relevant definitive documentation) for such Limited Condition Transaction are entered into (the "**LCT Test Date**"). If on a Pro Forma Basis after giving effect to such Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence or issuance of Indebtedness or Disqualified Equity Interests and the use of proceeds thereof), with such ratios and other provisions calculated as if such Limited Condition Transaction or other transactions had occurred at the beginning of the most recent Relevant Period ending prior to the LCT Test Date, the Parent could have taken such action on the relevant LCT Test Date in compliance with the applicable ratios or other provisions, such provisions shall be deemed to have been complied with. For the avoidance of doubt, if any of such ratios are exceeded as a result of fluctuations in such ratio including due to fluctuations in Consolidated EBITDA of the Parent or the person subject to such acquisition or investment, at or prior to the consummation of the relevant transaction or action, such ratios will not be deemed to have been exceeded as a result of such fluctuations solely for purposes of determining whether the relevant transaction or action is permitted to be consummated or taken; *provided* that if such ratios improve as a result of such fluctuations, such improved ratios may be utilized. In connection with any action being taken in connection with a Limited Condition Transaction, for purposes of determining compliance with any provision which requires that no Default, Event of Default or specified Event of Default, as applicable, has occurred, is continuing or would result from any such action, as applicable, such condition shall, at the option of the Parent, be deemed satisfied, so long as no Default, Event of Default or specified Event of Default, as applicable, exists on the date the definitive agreements for such Limited Condition Transaction are entered into.

15. **DESIGNATION OF SUBSIDIARIES**

- (a) The board of directors of the Parent may at any time designate (or re-designate) any Restricted Subsidiary as an Unrestricted Subsidiary or designate (or re-designate, as the case may be) any Unrestricted Subsidiary as a Restricted Subsidiary; provided that:
- (i) immediately before and after such designation (or re-designation), no Event of Default shall have occurred and be continuing; and
 - (ii) the Investment resulting from the designation of such Subsidiary as an Unrestricted Subsidiary as described in paragraph (b) below is permitted by Clause 3 of this Schedule.

- (b) The designation of any Subsidiary as an Unrestricted Subsidiary shall constitute an Investment by the Parent therein at the date of designation in an amount equal to the fair market value as determined by the Parent in good faith of the Parent's or a Restricted Subsidiary's (as applicable) Investment therein.
- (c) The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute the incurrence at the time of designation of any Indebtedness or Liens of such Subsidiary existing at such time and a return on any Investment by the Parent in Unrestricted Subsidiaries pursuant to paragraph (b) above in an amount equal to the fair market value as determined by the Parent in good faith at the date of such designation of the Parent's or a Restricted Subsidiary's (as applicable) Investment in such Subsidiary.

Affirmative Covenants

17. **AUTHORISATIONS AND CONSENTS**

Each Obligor will promptly apply for, obtain and promptly renew from time to time and maintain in full force and effect all Authorisations and consents and comply with the terms of all such Authorisations and consents, and promptly make and renew from time to time all such filings, as may be required under any applicable law or regulation to enable it to enter into, and perform its obligations under the Finance Documents to which it is party and to:

- (a) carry out the transactions contemplated by the Finance Documents to which it is a party and to ensure that, subject to the Legal Reservations and Perfection Requirements, its obligations under the Finance Documents to which it is party are valid, legally binding and enforceable and each of the Transaction Security Documents to which it is party constitutes valid security ranking, subject to the Legal Reservations and Perfection Requirements, in accordance with its terms; and
- (b) carry on its business save to the extent failure to do so would not reasonably be expected to have a Material Adverse Effect.

18. **PARI PASSU RANKING**

Each Obligor will ensure that at all times any unsecured and unguaranteed claims of a Finance Party (other than any member of the Group which has entered into a Notifiable Debt Purchase Transaction) against it under each of the Finance Documents rank at least *pari passu* with all its other present and future unsecured and unsubordinated creditors except creditors whose claims are mandatorily preferred by laws of general application.

19. **PENSION SCHEMES**

The Parent and each Material Subsidiary will ensure that all pension schemes for the time being operated by them are fully funded to the extent required by law or otherwise comply with the requirements of any material law applicable in the jurisdiction in which the relevant pension scheme is maintained, in each case, where failure to do so would reasonably be expected to have a Material Adverse Effect.

20. **CENTRE OF MAIN INTERESTS**

No Obligor incorporated in the European Union shall without the prior written consent of the Agent or unless otherwise required for genuine tax benefit reasons deliberately cause or allow its "centre of main interests" (as that term is used in Article 3(1) of the Regulation) to change.

21. **CORPORATE RATING**

The Parent shall, for so long as such ratings continue to be generally available to the Group, use reasonable endeavours to maintain a corporate credit rating from Moody's Investors Service Limited and Standard & Poor's Rating Services.

22. **TAXES**

- (a) The Parent shall, and shall ensure that its Restricted Subsidiaries shall pay, discharge or otherwise satisfy, as the same shall become due and payable, all of its obligations and liabilities in respect of Taxes, assessments and governmental charges or levies imposed upon it or upon its income or profits or in respect of its property within the time period allowed under applicable law without imposing material penalties, except, in each case, to the extent:
 - (i) any such tax, assessment, charge or levy is being contested in good faith and by appropriate actions for which appropriate reserves have been established in accordance with the relevant Accounting Principles; or
 - (ii) the failure to pay or discharge the same would not reasonably be expected, individually or in the aggregate, to have a Material Adverse Effect.
- (b) The Company will ensure that the US Co-borrower retains its status as an entity disregarded from its owner for US federal income tax purposes.
- (c) The Company will ensure that the US Co-borrower is not engaged in a US trade or business for US tax purposes.

23. **MAINTENANCE OF INSURANCE**

The Parent shall, and shall ensure that its Restricted Subsidiaries shall, maintain insurance with respect to its material assets and business against loss or damage of the kinds customarily insured against by Persons located in the same jurisdiction and engaged in the same or similar business, of such types and in such amounts (after giving effect to any self-insurance reasonable and customary for similarly situated Persons engaged in the same or similar businesses as the Parent and the Restricted Subsidiaries) as are customarily carried under similar circumstances by such other Persons as may reasonably be available in the insurance market.

For the avoidance of doubt and notwithstanding anything in the Finance Documents to the contrary, no member of the Group shall be required to maintain any key man life insurance (or similar) or to ensure that any insurance arrangements include any loss payee endorsements (or similar) or arrangements in favour of the Finance Parties.

24. **COMPLIANCE WITH LAWS**

The Parent shall, and shall ensure that the Obligors shall, comply in all material respects with their respective constitutional documents and the requirements of all laws and all orders, writs, injunctions and decrees of any Governmental Authority applicable to it or to its business or property, except, in each case, in instances in which:

- (a) such compliance would result in a violation of, conflict with, or liability under Regulation (EC) No 2271/96 or any applicable anti-boycott statute;
- (b) such requirement of Law, order, writ, injunction or decree is being contested in good faith by appropriate proceedings diligently conducted; or

- (c) the failure to comply therewith would not reasonably be expected individually or in the aggregate to have a Material Adverse Effect.

25. **HOLDING COMPANIES**

Neither the Parent nor the Company shall trade, carry on any business, own any assets or incur any liabilities except for a Permitted Holding Company Activity.

26. **PEOPLE WITH SIGNIFICANT CONTROL REGIME**

Each Obligor shall (and the Parent shall ensure that each other member of the Group will):

- (a) within the relevant timeframe, comply with any notice it receives pursuant to Part 21A of the Companies Act 2006 from any company incorporated in the United Kingdom whose shares are the subject of the Transaction Security; and
- (b) promptly provide the Security Agent with a copy of that notice,

in each case, after it receives such notice.

27. **CONDUCT OF OFFER AND/OR SCHEME**

- (a) Subject to any confidentiality, regulatory, legal or other restrictions relating to the supply of such information, BidCo will keep the Agent informed as to any material developments in relation to the Acquisition and, in particular, (1) will from time to time if the Agent reasonably requests, give the Agent reasonable details as to the current level of acceptances for any Offer, and (2) deliver to the Agent copies of each Press Release, Offer Document, any written agreement between BidCo and the Target with respect to the Scheme, any other Scheme Document, all other material announcements and documents published or delivered pursuant to the Offer or Scheme (other than the cash confirmation) and all material legally binding agreements entered into by BidCo in connection with an Offer or Scheme.
- (b) Unless otherwise agreed by the Majority Lenders, BidCo shall not waive or amend any term or condition relating to the Acquisition from that set out in the Rule 2.7 Announcement where it would be materially adverse to the interests of the Lenders (taken as a whole) under the Finance Documents except to the extent required by the Takeover Code, the Takeover Panel or the Court or any applicable law, regulation or regulatory body; provided that it is hereby understood and agreed that any change in the purchase price (or amendment to any written agreement related thereto) in connection with the Acquisition shall not be deemed to be materially adverse to the interests of the Lenders (taken as a whole) under the Finance Documents.
- (c) Unless otherwise agreed by the Super Majority Lenders, if the Acquisition is effected by way of the Offer, BidCo shall not reduce the Minimum Acceptance Threshold, and shall not, where it would be materially adverse to the interests of the Lenders (taken as a whole) under the Finance Documents, treat as satisfied any other condition involving an assessment regarding the acceptability or otherwise to BidCo of any material condition imposed by any regulatory body if the failure to comply with such condition would entitle BidCo to lapse the Offer under Rule 13.5(a) pursuant to the Takeover Code except to the extent required by the Takeover Code, the Takeover Panel, the Court or any other applicable law, regulation or regulatory body.
- (d) BidCo shall comply in all material respects with the Takeover Code, subject to waivers granted by or requirements of the Takeover Panel or the requirements of the Court, and all relevant authorisations, laws and regulations and the requirements, rules and regulations of all applicable regulatory authorities and bodies relating to the Acquisition and shall not take or permit any steps as a result of which any member of the Group is obliged to make a mandatory offer under Rule 9 of the Takeover Code.

-
- (e) BidCo shall:
- (i) if the Acquisition is being effected by way of an Offer, procure (except to the extent prevented by law, regulation or a court) that the Target is delisted from the Official List of the United Kingdom Listing Authority and re-register the Target as a private limited company in each case within 60 days of the later of (i) the initial Utilisation Date and (ii) the date on which the Offer is declared or becomes unconditional in all respects provided that BidCo has at that time acquired Target Shares carrying 75% or more of the voting rights attributable to the capital of the Target which are then exercisable at a general meeting of the Target;
 - (ii) if the Acquisition is being effected by way of an Offer, and to the extent BidCo owns or controls not less than 90% of the voting rights of the Target Shares the subject of the Offer, use reasonable efforts to, as soon as legally possible, (A) give notice to all other shareholders of the Target under section 154 of the Act and (B) purchase their Target Shares on or before the Squeeze-Out Date under section 154 of the Act; and
 - (iii) if the Acquisition is being effected by way of the Scheme, use all reasonable endeavours to de-list it from the Official List of the United Kingdom Listing Authority within 30 days of the date on which the Scheme has become effective.
- (f) Except to the extent required by the Takeover Code, the Takeover Panel or the Court, BidCo shall not, without the prior consent of the Majority Lenders, modify the Rule 2.7 Announcement (except as permitted by sub-paragraph (b) above unless prohibited by sub-paragraph (c) above) from the version delivered to the Agent pursuant to Part 1 (*Conditions Precedent to the Signing Date*) of Schedule 2 (*Conditions Precedent*) in any manner which would be materially adverse to the interests of the Lenders (taken as a whole) under the Finance Documents or otherwise contrary to the terms of this Agreement.
- (g) BidCo shall not make any public statement which refers to the Finance Documents and the financing of the Scheme or Offer without the consent of the Majority Lenders (not to be unreasonably withheld or delayed) unless required to do so by law or regulation or by the Takeover Code, the Takeover Panel or the Court.

28. **POST-CLOSING DATE UNDERTAKINGS**

- (a) BidCo shall deliver to the Security Agent an executed share pledge agreement over its shares in the Target no later than 10 Business Days after the Final Closing Date.

 - (v) subject to Clause 4.13 (*On or after Senior Lender Discharge Date/Senior Debt Discharge Date*), if the Majority Senior Creditors and the member of the Group party to the relevant Hedging Agreement give prior consent to that termination or close-out being made; or

-
- (vi) for the purpose of ensuring that the aggregate notional amount of all hedging entered into by the Group with one or more hedging counterparty in respect of any specific indebtedness or other exposure does not exceed the maximum aggregate amount of that indebtedness or other exposure from time to time (in each case to the extent agreed by the member of the Group party to that Hedging Agreement, it being noted that the Group may wish to enter into basis rate swaps and/or other arrangements which may result in the notional amount of hedging being increased as part of a general hedging strategy).
 - (b) If a Debtor has defaulted on any Payment due under a Hedging Agreement (after allowing any applicable notice or grace periods) and the default has continued unwaived for more than five Business Days after notice of that default has been given to the Security Agent pursuant to paragraph (i) of Clause 22.3 (*Notification of prescribed events*), the relevant Hedge Counterparty:
 - (i) may, to the extent it is able to do so under the relevant Hedging Agreement, terminate or close-out in whole or in part any hedging transaction under that Hedging Agreement; and
 - (ii) until the Security Agent has given notice to that Hedge Counterparty that the Transaction Security is being enforced, or that any formal steps are being taken to enforce the Transaction Security, in each case in accordance with the terms of this Agreement and the relevant Security Documents, shall be entitled to exercise any right it might otherwise have to sue for, commence or join legal or arbitration proceedings against any Debtor to recover any Hedging Liabilities due under that Hedging Agreement.
 - (c) After the occurrence of an Insolvency Event in relation to any Group Company, to the extent permitted by the relevant Hedging Agreement, each Hedge Counterparty shall be entitled to exercise any right it may otherwise have in respect of that Group Company to:
 - (i) prematurely close-out or terminate any Hedging Liabilities of that Group Company in accordance with the terms of the relevant Hedging Agreement;
 - (ii) make a demand under any guarantee, indemnity or other assurance against loss given by that Group Company in respect of any relevant Hedging Liabilities;
 - (iii) exercise any right of set-off or take or receive any Payment in respect of any relevant Hedging Liabilities of that Group Company; or
 - (iv) claim and prove in the liquidation of that Group Company for the Hedging Liabilities owing to it.
- 4.10 **Required enforcement: Hedge Counterparties**
- (a) Subject to paragraph (b) below, a Hedge Counterparty shall promptly terminate or close-out in full any hedging transaction under all or any of the Hedging Agreements to which it is party prior to their stated maturity, following:
 - (i) the occurrence of a Senior Acceleration Event which is continuing and delivery to it of a notice from the Security Agent that such Senior Acceleration Event has occurred and is continuing; and
 - (ii) delivery to it of a subsequent notice from the Security Agent (acting on the instructions of an Instructing Group) instructing it to do so.

- (b) Paragraph (a) above shall not apply to the extent that such Senior Acceleration Event occurred as a result of an arrangement made between any Debtor and any Primary Creditor with the purpose of bringing about that Senior Acceleration Event.
- (c) If a Hedge Counterparty is entitled to terminate or close-out any hedging transaction under paragraph (b) of Clause 4.9 (*Permitted enforcement: Hedge Counterparties*) (or would have been able to if that Hedge Counterparty had given the notice referred to in that paragraph) but has not terminated or closed out each such hedging transaction, that Hedge Counterparty shall promptly terminate or close-out in full each such hedging transaction following a request to do so by the Security Agent (acting on the instructions of an Instructing Group).

4.11 Treatment of Payments due to Debtors on termination of hedging transactions

- (a) If, on termination of any hedging transaction under any Hedging Agreement occurring after a Distress Event, a settlement amount or other amount (following the application of any Close-Out Netting, Payment Netting or Inter-Hedging Agreement Netting in respect of that Hedging Agreement) falls due from a Hedge Counterparty to the relevant Debtor then that amount shall be paid by that Hedge Counterparty to the Security Agent, treated as the proceeds of enforcement of the Transaction Security and applied in accordance with the terms of this Agreement.
- (b) The payment of that amount by the Hedge Counterparty to the Security Agent in accordance with paragraph (a) above shall discharge the Hedge Counterparty's obligation to pay that amount to that Debtor.

4.12 Terms of Hedging Agreements

- (a) The Hedge Counterparties (to the extent party to the Hedging Agreement in question) and the Debtors party to the Hedging Agreements shall ensure that, at all times:
 - (i) each Hedging Agreement is based either:
 - (A) on an ISDA Master Agreement; or
 - (B) on another framework agreement which is similar in effect to an ISDA Master Agreement;
 - (ii) in the event of a termination of the hedging transaction entered into under a Hedging Agreement, whether as a result of:
 - (A) a Termination Event or an Event of Default, each as defined in the relevant Hedging Agreement (in the case of a Hedging Agreement which is based on an ISDA Master Agreement); or
 - (B) an event similar in meaning and effect to either of those described in paragraph (A) above (in the case of a Hedging Agreement which is not based on an ISDA Master Agreement),that Hedging Agreement will:
 - (I) if it is based on a 1992 ISDA Master Agreement, provide for payments under the "Second Method" and will make no material amendment to section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement;

- (II) if it is based on a 2002 ISDA Master Agreement, make no material amendment to the provisions of section 6(e) (*Payments on Early Termination*) of the ISDA Master Agreement; or
 - (III) if it is not based on an ISDA Master Agreement, provide for any other method the effect of which is that the party to which that event is referable will be entitled to receive payment under the relevant termination provisions if the net replacement value of all terminated transactions entered into under that Hedging Agreement is in its favour; and
 - (iii) each Hedging Agreement will provide that the relevant Hedge Counterparty will be entitled to designate an Early Termination Date (as defined in the relevant ISDA Master Agreement) or otherwise be able to terminate each transaction under such Hedging Agreement if so required pursuant to paragraphs (a) and (b) of Clause 4.10 (*Required enforcement: Hedge Counterparties*).
- (b) Unless otherwise agreed by the Parent from time to time:
 - (i) each Hedging Agreement shall be documented using the 1992 ISDA Master Agreement;
 - (ii) each Hedging Agreement shall include only standard ISDA representations and undertakings (and not, for the avoidance of doubt, any additional representations and undertakings contained in the Senior Financing Agreements), in each case amended as necessary so as to be no more onerous on any member of the Group than the provisions of the Senior Financing Agreements;
 - (iii) no Hedging Agreement shall contain any events of default (however described) other than the following:
 - (A) failure by the member of the Group party to that Hedging Agreement to pay on the due date any amount payable by it under that Hedging Agreement (subject to any applicable grace period);
 - (B) the occurrence of a Senior Acceleration Event which is continuing; and
 - (C) the occurrence of an Insolvency Event of Default in relation to the member of the Group which is party to that Hedging Agreement,provided that, for the avoidance of doubt, a Hedging Agreement may contain standard ISDA termination events relating to illegality, tax events and *force majeure*;
 - (iv) in the event of any refinancing, replacement, increase or other restructuring of all or any part of the Senior Secured Liabilities, the Operating Facility Liabilities or the Senior Parent Liabilities (a “**Refinancing**”) each Hedge Counterparty shall promptly provide its consent to any amendment to, request under and/or replacement of any Hedging Agreement or other Debt Document required by the Parent in order to facilitate that Refinancing (a “**Refinancing Request**”), in each case unless such Refinancing is materially prejudicial to the interests of that Hedge Counterparty (provided that such Refinancing shall not be considered materially prejudicial if any amended or replacement intercreditor arrangements place that Hedge Counterparty in substantially the same, or a better, position relative to the other Senior Secured Creditors as it was in under the intercreditor arrangements existing immediately prior to such amendment or replacement); and

- (v) in the event that a Hedge Counterparty (1) does not consent to any Refinancing Request (without prejudice to its obligations under sub-paragraph (iv) above) or (2) does not consent to any other amendment or waiver requested by a member of the Group pursuant to Clause 25 (*Consents, amendments and override*) (in each case within the time period specified by the relevant member of the Group for consent to be provided, which shall not be shorter than five Business Days from the date the relevant request is made by a member of the Group), each member of the Group shall be entitled to:
- (A) terminate any hedging arrangements with that Hedge Counterparty (the “**Non-Consenting Counterparty**”) (and the amount payable to or by the Non-Consenting Counterparty on such early termination shall be calculated on the basis that an Additional Termination Event has occurred and that both the Non-Consenting Counterparty and the relevant member of the Group are Affected Parties or on such other basis as may be agreed by the Non-Consenting Counterparty and the relevant member of the Group); and/or
 - (B) require that any of those arrangements (the “**Transferred Arrangements**”) be transferred (and the “**Non-Consenting Counterparty**” will so transfer) to another person selected by the Parent (the “**Acquiring Counterparty**”) willing to assume the same (with the transfer price payable by the Acquiring Counterparty or, as the case may be, the Non-Consenting Counterparty being equal to the amount that would have been payable to or by the Non-Consenting Counterparty upon the early termination of the Transferred Arrangements under the relevant Hedging Agreements by reason of an Additional Termination Event on the proposed transfer date, and on the basis that both the Non-Consenting Counterparty and the relevant Debtor are Affected Parties or as otherwise agreed by the Non-Consenting Counterparty and the relevant member of the Group),

where the terms “**Additional Termination Event**” and “**Affected Parties**” as used above shall have the meaning given to them in the relevant Hedging Agreements (or if a Hedging Agreement is not based on an ISDA Master Agreement, such terms shall have the meaning given to the equivalent provisions used in that Hedging Agreement).

Each Hedge Counterparty will, on the request of the Parent, as soon as reasonably practical execute any document and/or take such other action as is reasonably required to effect any amendment, replacement, waiver or release of a Hedging Agreement or other Debt Document requested by the Parent in accordance with paragraph (iv) above.

- (c) Notwithstanding anything to the contrary in any Secured Debt Document but without prejudice to any minimum hedging requirements in the Debt Financing Agreements, no default (however described) under the terms of a Hedging Agreement (or the termination of a Hedging Agreement) shall constitute an Event of Default (other than any non-payment default constituting a Senior Payment Default).

- (d) Notwithstanding anything to the contrary in any Hedging Agreement, no Hedging Agreement shall prohibit or restrict any action by any member of the Group not prohibited or restricted under the Senior Financing Agreements.
- (e) Any hedging agreement executed by any member of the Group prior to the date on which it became a member of the Group which the Parent intends should become a Hedging Agreement (an “**Existing Hedging Agreement**”) shall be deemed amended by this Agreement to the extent necessary so as to ensure that the terms of such Existing Hedging Agreement comply with the terms of this Agreement in all respects (and the relevant Debtor and the Hedge Counterparty party to such Existing Hedging Agreement each consent and agree to all such amendments by their execution of, or accession to, this Agreement and acknowledge and confirm that the Existing Hedging Agreement will be construed accordingly).
- (f) To the extent that the terms of a Hedging Agreement are inconsistent with the terms of this Agreement the terms of this Agreement shall prevail.

4.13 On or after Senior Lender Discharge Date/Senior Debt Discharge Date

At any time on or after the Senior Debt Discharge Date, any action which is permitted under any of Clause 4.3 (*Permitted Payments: Hedging Liabilities*), Clause 4.5 (*No acquisition of Hedging Liabilities*) or Clause 4.9 (*Permitted enforcement: Hedge Counterparties*) by reason of the prior consent of the Majority Senior Creditors will, unless otherwise agreed by the Parent by reference to this Clause 4.13, be permitted to the extent that such action would not result in the Group ceasing to be in compliance with any minimum hedging requirements under:

- (a) any Second Lien Financing Agreement (unless the prior consent of the relevant Senior Agent is obtained or the Second Lien Discharge Date has occurred); and
- (b) any Senior Parent Financing Agreement (unless the prior consent of the relevant Senior Parent Agent is obtained or the Senior Parent Discharge Date has occurred).

4.14 Notice and acknowledgement of Transaction Security

- (a) Each Debtor that has created Transaction Security over any of its rights under any Hedging Agreement hereby gives notice (including in terms as required by the applicable Security Document) to each Hedge Counterparty of the Transaction Security over such Hedging Agreements created pursuant to the Security Documents.
- (b) Each Hedge Counterparty, by its entry into this Agreement (or, as the case may be, by its entry into a Creditor/Agent Accession Undertaking as a Hedge Counterparty):
 - (i) agrees and consents to any Debtor granting Transaction Security (by way of assignment, charge or otherwise) over all or any part of its rights under any Hedging Agreement to which that Hedge Counterparty is a party; and
 - (ii) acknowledges receipt of the notice given under paragraph (a) above and that it will continue to deal solely with the relevant Debtor in relation to that Hedging Agreement until such time as it receives any written notice (as permitted by the applicable Security Document) to the contrary from the Security Agent following the occurrence of an Acceleration Event which is continuing.

5. **SECOND LIEN SECURED CREDITORS AND SECOND LIEN LIABILITIES**

5.1 **Restriction on Payment: Second Lien Liabilities**

Prior to the Senior Discharge Date, the Debtors shall not, and the Parent shall procure that no other member of the Group will, make any Payment of the Second Lien Liabilities at any time unless:

- (a) that Payment is permitted under Clause 5.2 (*Permitted Payments: Second Lien Liabilities*), Clause 9.5 (*Filing of claims*) or Clause 16 (*Additional debt*); or
- (b) the taking or receipt of that Payment is permitted under Clause 5.8 (*Permitted Second Lien enforcement*).

5.2 **Permitted Payments: Second Lien Liabilities**

Any member of the Group may:

- (a) prior to the Senior Discharge Date, directly or indirectly make any Payment directly or indirectly in respect of the Second Lien Liabilities at any time:
 - (i) if:
 - (A) the Payment is of:
 - (I) any of the principal amount of the Second Lien Liabilities which is either:
 - (1) not prohibited by the Senior Financing Agreements; or
 - (2) paid on or after the final maturity date of the relevant Second Lien Liabilities (provided that, unless the Senior Lender Discharge Date has occurred or as otherwise agreed by the Majority Senior Lenders and the Parent, such final maturity date does not breach any maturity restrictions applicable to such Second Lien Liabilities in the Senior Financing Agreements (as applicable) (or, in the case of any amendment which has the effect of shortening the maturity date applicable to such Second Lien Liabilities, would not breach any such maturity restrictions applicable to such Second Lien Liabilities in the Senior Financing Agreements (as applicable) were that Second Lien Liability to be incurred at the time of that amendment and with that amended maturity date)); or
 - (II) any other amount which is not an amount of principal (including any interest which has been capitalised to become an amount of principal);
 - (B) no Second Lien Payment Stop Notice is outstanding; and
 - (C) no Senior Payment Default has occurred and is continuing;
 - (ii) if the Required Senior Consent has been obtained;

-
- (iii) if the Payment is of Second Lien Agent Liabilities;
 - (iv) of any Notes Security Costs;
 - (v) of costs, commissions, taxes, fees and expenses incurred in respect of or in relation to (or reasonably incidental to) any Second Lien Debt Documents (including in relation to any reporting or listing requirements under the Second Lien Debt Documents);
 - (vi) if the Payment is funded directly or indirectly with Permitted Second Lien Financing Debt, Permitted Parent Financing Debt and/or the proceeds of any indebtedness incurred under or pursuant to any Second Lien Debt Document and/or Senior Parent Notes;
 - (vii) if the Payment is funded directly or indirectly with the proceeds of Qualified Equity Interests of the Parent, Shareholder Indebtedness or Available Restricted Payment Amounts; or
 - (viii) if the Payment is of any principal amount of the Second Lien Liabilities (together with any related accrued but unpaid interest) in accordance with:
 - (A) clause 8.1 (*Illegality*) of the Second Lien Facility Agreement or a substantially equivalent provision in any other Second Lien Financing Agreement (as the context requires);
 - (B) clause 8.6 (*Right of cancellation and repayment in relation to a single Lender*) of the Second Lien Facility Agreement or a substantially equivalent provision in any other Second Lien Financing Agreement (as the context requires);
 - (C) to the extent an equivalent payment(s) has been made (to the extent required) pursuant to the terms of the Senior Financing Agreements (excluding, for this purpose, any Second Lien Facility Agreement and any Permitted Second Lien Financing Agreement), clause 9.1 (*Change of Control*) of the Second Lien Facility Agreement or a substantially equivalent provision in any other Second Lien Financing Agreement; or
 - (ix) for so long as a Second Lien Event of Default is continuing, if the Payment is of all or part of the Second Lien Liabilities as a result of those Second Lien Liabilities being released or otherwise discharged solely in consideration of the issue of shares in the Parent or in any Holding Company of the Parent (each a “**Debt for Equity Swap**”) and provided that no cash or cash equivalent payment is made in respect of the Second Lien Liabilities and any Liabilities owed by a Group Company to another Group Company, the Investors or any other Holding Company of the Parent that arise as a result of any such Debt for Equity Swap are subordinated to the Senior Secured Liabilities pursuant to this Agreement and any Liabilities owed by a Group Company to another Group Company arising as a result of such Debt for Equity Swap are subject to Transaction Security; or

- (x) of any other amount not exceeding USD5,000,000 (or its equivalent) in aggregate in any financial year of the Parent; and
- (b) on or after the Senior Discharge Date, make any Payment directly or indirectly in respect of the Second Lien Liabilities at any time.

A reference in this Clause 5.2 to a Payment shall be construed to include any other direct or indirect step, matter, action or dealing in relation to any Second Lien Liabilities which are otherwise prohibited under Clause 5.1 (*Restriction on Payment: Second Lien Liabilities*).

5.3 Issue of Second Lien Payment Stop Notice

- (a) Until the Senior Discharge Date, except with the Required Senior Consent, no Debtor shall make (and the Parent shall procure that no member of the Group will make), and no Second Lien Secured Creditor may receive from any member of the Group, any Permitted Second Lien Payment (other than Second Lien Agent Liabilities and except as provided in paragraphs (a)(ii) to (ix) of Clause 5.2 (*Permitted Payments: Second Lien Liabilities*)) if:
 - (i) a Senior Payment Default is continuing; or
 - (ii) a Material Event of Default is continuing, from the date which is one Business Day after the date on which any Senior Agent delivers a notice (a "**Second Lien Payment Stop Notice**") specifying the event or circumstance in relation to that Material Event of Default to the Parent, the Security Agent and the Senior Parent Agents until the earliest of:
 - (A) the date falling 120 days after delivery of that Second Lien Payment Stop Notice;
 - (B) in relation to payments of Second Lien Liabilities, if a Second Lien Standstill Period is in effect at any time after delivery of that Second Lien Payment Stop Notice, the date on which that Second Lien Standstill Period expires;
 - (C) the date on which the relevant Material Event of Default has been remedied or waived in accordance with the applicable Senior Financing Agreement;
 - (D) the date on which the Senior Agent which delivered the relevant Second Lien Payment Stop Notice delivers a notice to the Parent, the Security Agent and the Second Lien Agents cancelling the Second Lien Payment Stop Notice;
 - (E) the Senior Discharge Date; and
 - (F) the date on which the Security Agent or a Second Lien Agent takes Enforcement Action permitted under this Agreement against a Debtor.
- (b) Unless each of the Second Lien Agents waives this requirement:
 - (i) a new Second Lien Payment Stop Notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior Second Lien Payment Stop Notice; and
 - (ii) no Second Lien Payment Stop Notice may be delivered by a Senior Agent in reliance on a Material Event of Default more than 120 days after the date that Senior Agent received notice of that Material Event of Default.

-
- (c) The Senior Agents may only serve one Second Lien Payment Stop Notice with respect to the same event or set of circumstances. Subject to paragraph (b) above, this shall not affect the right of the Agents to issue a Second Lien Payment Stop Notice in respect of any other event or set of circumstances.
 - (d) No Second Lien Payment Stop Notice may be served by an Agent in respect of a Material Event of Default which had been notified to the Agents at the time at which an earlier Second Lien Payment Stop Notice was issued.
 - (e) For the avoidance of doubt, this Clause 5.3:
 - (i) acts as a suspension of payment and not as a waiver of the right to receive payment on the date such payments are due;
 - (ii) will not prevent the accrual or capitalisation of interest (including default interest) in accordance with the Second Lien Debt Documents; and
 - (iii) will not prevent the payment of any Second Lien Agent Liabilities.

5.4 Effect of Second Lien Payment Stop Notice or Senior Payment Default

Any failure to make a Payment due under the Second Lien Debt Documents as a result of the issue of a Second Lien Payment Stop Notice or the occurrence of a Senior Payment Default shall not prevent:

- (a) the occurrence of a Second Lien Event of Default as a consequence of that failure to make a Payment in relation to the relevant Second Lien Debt Document; or
- (b) the issue of a Second Lien Enforcement Notice on behalf of the Second Lien Secured Creditors.

5.5 Payment obligations and capitalisation of interest continue

- (a) No Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Second Lien Debt Document by the operation of Clauses 5.1 (*Restriction on Payment: Second Lien Liabilities*) to 5.4 (*Effect of Second Lien Payment Stop Notice or Senior Payment Default*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.
- (b) The accrual and capitalisation of interest (if any) in accordance with the Second Lien Debt Documents shall continue notwithstanding the issue of a Second Lien Payment Stop Notice.

5.6 Cure of Payment stop: Second Lien Secured Creditors

If:

- (a) at any time following the issue of a Second Lien Payment Stop Notice or the occurrence of a Senior Payment Default, that Second Lien Payment Stop Notice ceases to be outstanding and/or, as the case may be, the Senior Payment Default ceases to be continuing; and

- (b) any Debtor then promptly pays to the Second Lien Secured Creditors an amount equal to any Payments which had accrued under the Second Lien Debt Documents and which would have been Permitted Second Lien Payments but for that Second Lien Payment Stop Notice or Senior Payment Default, then any Event of Default (including any cross default or similar provision under any other Debt Document) which may have occurred as a result of that suspension of Payments shall be waived and any Second Lien Enforcement Notice which may have been issued as a result of that Event of Default shall be waived, in each case without any further action being required on the part of the Second Lien Secured Creditors or any other Creditor or Operating Facility Lender.

5.7 Restrictions on enforcement by Second Lien Secured Creditors

Until the Senior Discharge Date, except with the prior consent of or as required by an Instructing Group:

- (a) no Second Lien Secured Creditor shall direct the Security Agent to enforce or otherwise require the enforcement of any Transaction Security; and
- (b) no Second Lien Secured Creditor shall take or require the taking of any Enforcement Action in relation to the Second Lien Liabilities, except as permitted under Clause 5.8 (*Permitted Second Lien enforcement*), provided, however, that no such action required by the Security Agent need be taken except to the extent the Security Agent is otherwise entitled under this Agreement to direct such action.

5.8 Permitted Second Lien enforcement

- (a) Subject to Clause 5.11 (*Enforcement on behalf of Second Lien Secured Creditors*), the restrictions in Clause 5.7 (*Restrictions on enforcement by Second Lien Secured Creditors*) will not apply if:
 - (i) a Second Lien Event of Default (the “**Relevant Second Lien Default**”) is continuing;
 - (ii) each Senior Agent has received a notice of the Relevant Second Lien Default specifying the event or circumstance in relation to the Relevant Second Lien Default from the relevant Second Lien Agent;
 - (iii) a Second Lien Standstill Period (as defined below) has elapsed; and
 - (iv) the Relevant Second Lien Default is continuing at the end of the relevant Second Lien Standstill Period.
- (b) Promptly upon becoming aware of a Second Lien Event of Default, the relevant Second Lien Agent may by notice (a “**Second Lien Enforcement Notice**”) in writing notify the Senior Agents of the existence of such Second Lien Event of Default.

5.9 Second Lien Standstill Period

In relation to a Relevant Second Lien Default, a Second Lien Standstill Period shall mean the period beginning on the date (the “**Second Lien Standstill Start Date**”) the relevant Second Lien Agent serves a Second Lien Enforcement Notice on each of the Senior Agents in respect of such Relevant Second Lien Default and ending on the earliest to occur of:

- (a) the date falling 120 days after the Second Lien Standstill Start Date;
- (b) the date the Senior Secured Parties (other than the Second Lien Secured Creditors) take any Enforcement Action in relation to a particular Second Lien Borrower or Second Lien Guarantor, provided, however, that if a Second Lien Standstill Period ends pursuant to this paragraph (b), the Second Lien Secured Creditors may only take the same Enforcement Action in relation to the relevant Second Lien Borrower or Second Lien Guarantor as the Enforcement Action taken by the Senior Secured Parties (other than the Second Lien Secured Creditors) against such Second Lien Borrower or Second Lien Guarantor and not against any other member of the Group;

-
- (c) the date of an Insolvency Event in relation to the relevant Second Lien Borrower or a particular Second Lien Guarantor against whom Enforcement Action is to be taken;
 - (d) the expiry of any other Second Lien Standstill Period outstanding at the date such first-mentioned Second Lien Standstill Period commenced (unless that expiry occurs as a result of a cure, waiver or other permitted remedy);
 - (e) the date on which the consent of each of the Senior Facility Agent (acting on the instructions of the Majority Senior Lenders), any Senior Notes Trustee (acting on behalf of the Senior Noteholders) and any Senior Creditor Representative (acting on the instructions of the Majority Permitted Senior Financing Creditors) has been obtained; and
 - (f) a failure to pay the principal amount outstanding under any Second Lien Facility or on any Permitted Second Lien Financing Debt, as the case may be, at the final stated maturity of the amounts outstanding on that Second Lien Facility or on that Permitted Second Lien Financing Debt, as the case may be (provided that, unless the Senior Lender Discharge Date has occurred or as otherwise agreed by the Majority Senior Lenders and the Parent, such final stated maturity does not breach any maturity restrictions applicable to such Second Lien Liabilities in the Senior Financing Agreements (as applicable) (or, in the case of any amendment which has the effect of shortening the maturity date applicable to such Second Lien Liabilities, would not breach any such maturity restrictions applicable to such Second Lien Liabilities in the Senior Financing Agreements (as applicable) were that Second Lien Liability to be incurred at the time of that amendment and with that amended maturity date)),

the “**Second Lien Standstill Period**”.

5.10 **Subsequent Second Lien Facility Defaults**

The Second Lien Secured Creditors may take Enforcement Action under Clause 5.8 (*Permitted Second Lien enforcement*) in relation to a Relevant Second Lien Default even if, at the end of any relevant Second Lien Standstill Period or at any later time, a further Second Lien Standstill Period has begun as a result of any other Second Lien Event of Default.

5.11 **Enforcement on behalf of Second Lien Secured Creditors**

If the Security Agent has notified the Second Lien Agents that it is enforcing Security created pursuant to any Security Document over shares of a Second Lien Borrower or a Second Lien Guarantor, no Second Lien Secured Creditor may take any action referred to in Clause 5.8 (*Permitted Second Lien enforcement*) against that Second Lien Borrower or Second Lien Guarantor (or any Subsidiary of that Second Lien Borrower or Second Lien Guarantor) while the Security Agent is taking steps to enforce that Security in accordance with the instructions of an Instructing Group where such action might be reasonably likely to adversely affect such enforcement or the amount of proceeds to be derived therefrom.

5.12 **Option to purchase: Second Lien Secured Creditors**

- (a) Subject to paragraphs (b) and (c) below, any of the Second Lien Agent(s) (on behalf of the Second Lien Secured Creditors) may, after a Senior Acceleration Event, by giving not less than 10 days' notice to the Security Agent, require the transfer to the Second Lien Secured Creditors (or to a nominee or nominees), in accordance with Clause 19.3 (*Change of Senior Lender, Second Lien Lender, Permitted Senior Financing Creditor, Permitted Second Lien Financing Creditor or Permitted Parent Financing Creditor*), of all, but not part, of the rights, benefits and obligations in respect of the Senior Lender Liabilities, the Senior Notes Liabilities, any Permitted Senior Financing Liabilities and the Operating Facility Liabilities if:
- (i) that transfer is lawful and, subject to paragraph (ii) below, otherwise permitted by the terms of the Senior Facilities Agreement (in the case of the Senior Lender Liabilities), any Senior Notes Indenture(s) pursuant to which any Senior Notes remain outstanding (in the case of the Senior Notes Liabilities), any Permitted Senior Financing Agreement pursuant to which any relevant Permitted Senior Financing Liabilities remain outstanding (in the case of the Permitted Senior Financing Liabilities) and/or any Operating Facility Documents pursuant to which any relevant Operating Facility Liabilities remain outstanding (in the case of the Operating Facility Liabilities);
 - (ii) any conditions relating to such a transfer contained in the Senior Facilities Agreement (in the case of the Senior Lender Liabilities), any Senior Notes Indenture(s) pursuant to which any Senior Notes remain outstanding (in the case of the Senior Notes Liabilities), any Permitted Senior Financing Agreement pursuant to which any relevant Permitted Senior Financing Liabilities remain outstanding (in the case of the Permitted Senior Financing Liabilities) and/or any Operating Facility Documents pursuant to which any relevant Operating Facility Liabilities remain outstanding (in the case of the Operating Facility Liabilities) are complied with, other than:
 - (A) any requirement to obtain the consent of, or consult with, any Debtor or other member of the Group relating to such transfer, which consent or consultation shall not be required; and
 - (B) to the extent to which all the Second Lien Secured Creditors (acting as a whole) provide cash cover for any Letter of Credit, the consent of the relevant Issuing Bank relating to such transfer;
 - (iii)
 - (A) the Senior Facility Agent, on behalf of the Senior Lenders, is paid an amount equal to the aggregate of:
 - (I) any amounts provided as cash cover by the Second Lien Secured Creditors for any Letter of Credit (as envisaged in paragraph (ii)(B) above);
 - (II) all of the Senior Lender Liabilities at that time (whether or not due), including all amounts that would have been payable under the Senior Facilities Agreement if the Senior Facilities were being prepaid by the relevant Debtors on the date of that payment; and

-
- (III) all costs and expenses (including legal fees) incurred by the Senior Facility Agent, the Senior Lenders and/or the Security Agent as a consequence of giving effect to that transfer; and
 - (B) the applicable Senior Notes Trustee, on behalf of the relevant Senior Notes Creditors, is paid an amount equal to the aggregate of:
 - (I) all of the Senior Notes Liabilities at that time (whether or not due), including all amounts that would have been payable (including any prepayment premium or make-whole amount) under the Senior Notes Indenture if the Senior Notes were being redeemed by the relevant Debtors on the date of that payment; and
 - (II) all costs and expenses (including legal fees) incurred by the Senior Notes Trustee and/or the Senior Notes Creditors as a consequence of giving effect to that transfer;
 - (C) the applicable Senior Creditor Representative, on behalf of the relevant Permitted Senior Financing Creditors, is paid an amount equal to the aggregate of:
 - (I) any amount provided as cash cover by the Senior Parent Creditors for any Letter of Credit (as envisaged in paragraph (a)(ii)(B) above);
 - (II) all of the Permitted Senior Financing Liabilities at that time (whether or not due), including all amounts that would have been payable (including any prepayment premium or make-whole amount) under the Permitted Senior Financing Documents if the Permitted Senior Financing Debt was being prepaid or redeemed (as applicable) by the relevant Debtors on the date of that payment; and
 - (III) all costs and expenses (including legal fees) incurred by the Senior Creditor Representative, the Permitted Senior Financing Creditors and/or the Security Agent as a consequence of giving effect to that transfer; and
 - (D) the Operating Facility Lenders are paid an amount equal to the aggregate of:
 - (I) all of the Operating Facility Liabilities at that time (whether or not due), including all amounts that would have been payable under the Operating Facility Documents if the Operating Facilities were being prepaid by the relevant Debtors on the date of that payment; and
 - (II) all costs and expenses (including legal fees) incurred by the Operating Facility Lenders and/or the Security Agent as a consequence of giving effect to that transfer;
 - (iv) as a result of that transfer the Senior Lenders, the Senior Notes Creditors, the Permitted Senior Financing Creditors and the Operating Facility Lenders have no further actual or contingent liability to the Parent or any other Debtor under the relevant Secured Debt Documents;

-

- (b) Subject to paragraph (b) of Clause 5.13 (*Hedge Transfer: Second Lien Secured Creditors*), a Second Lien Agent (on behalf of all the Second Lien Secured Creditors) may only require a Senior Secured Liabilities Transfer if, at the same time, they require a Hedge Transfer in accordance with Clause 5.13 (*Hedge Transfer: Second Lien Secured Creditors*) and if, for any reason, a Hedge Transfer cannot be made in accordance with Clause 5.13 (*Hedge Transfer: Second Lien Secured Creditors*), no Senior Secured Liabilities Transfer may be required to be made.

provided that, for the avoidance of doubt, nothing in this Clause 6.1 shall restrict any person which is not a member of the Group from creating or permitting to subsist any Security over any assets of such person or giving any guarantee for, or in respect of, any Senior Parent Liabilities.

which has the effect of shortening the maturity date of any Senior Parent Liabilities, would not breach any such maturity restrictions applicable to such Senior Parent Liabilities in the Senior Financing Agreements (as applicable) were that Senior Parent Liability to be incurred at the time of that amendment and with that amended maturity date) and (ii) unless each of the Second Lien Lender Discharge Date and the Permitted Second Lien Financing Discharge Date has occurred or as otherwise agreed by the Majority Second Lien Lenders and the Parent, such final stated maturity does not breach any maturity restrictions applicable to such Senior Parent Liabilities in the Second Lien Financing Agreements (as applicable) (or, in the case of any amendment which has the effect of shortening the maturity date of any Senior Parent Liabilities, would not breach any such maturity restrictions applicable to such Senior Parent Liabilities in the Second Lien Financing Agreements (as applicable) were that Senior Parent Liability to be incurred at the time of that amendment and with that amended maturity date); or

 - (B) clause 11.8 (*Right of cancellation and repayment in relation to a single Lender or Issuing Bank*) of the Senior Facilities Agreement; or

 - (x) for so long as a Senior Parent Event of Default is continuing, if the Payment is of all or part of the Senior Parent Liabilities as a result of those Senior Parent Liabilities being released or otherwise discharged solely in consideration of the issue of shares in the Parent or in any Holding Company of the Parent (each a “**Senior Parent Debt for Equity Swap**”) and provided that no cash or cash equivalent payment is made in respect of the Senior Parent Liabilities and any Liabilities owed by a Group Company to another Group Company, the Investors or any other Holding Company of the Parent that arise as a result of any such Senior Parent Debt for Equity Swap are subordinated to the Senior Secured Liabilities and to the Second Lien Liabilities pursuant to this Agreement and any Liabilities owed by a Group Company to another Group Company arising as a result of such Senior Parent Debt for Equity Swap are subject to Transaction Security; or

A reference in this Clause 6.2 to a Payment shall be construed to include any other direct or indirect step, matter, action or dealing in relation to any Senior Parent Liabilities which are otherwise prohibited under Clause 6.1 (*Restriction on Payment and dealings: Senior Parent Liabilities*).

6.3 Issue of Senior Parent Payment Stop Notice

- (a) Until the Senior Discharge Date, except with the Required Senior Consent, and until the Second Lien Discharge Date, except with the Required Second Lien Consent, no Senior Parent Debt Issuer which is a member of the Group shall make (and the Parent shall procure that no other member of the Group will make), and no Senior Parent Finance Party may receive from any member of the Group, any Permitted Senior Parent Payment (other than Senior Parent Notes Trustee Amounts and except as provided in paragraphs (a)(ii) to (x), in each case, of Clause 6.2 (*Permitted Senior Parent Payments*)) if:

-
- (i) a Senior Payment Default is continuing; or
 - (ii) a Senior Event of Default (other than a Senior Payment Default) is continuing, from the date which is one Business Day after the date on which any Senior Agent delivers a notice (a “**Senior Parent Payment Stop Notice**”) specifying the event or circumstance in relation to that Senior Event of Default to the Parent, the Security Agent and the Senior Parent Agents until the earliest of:
 - (A) the date falling 179 days after delivery of that Senior Parent Payment Stop Notice;
 - (B) in relation to payments of Senior Parent Liabilities, if a Senior Parent Standstill Period is in effect at any time after delivery of that Senior Parent Payment Stop Notice, the date on which that Senior Parent Standstill Period expires;
 - (C) the date on which the relevant Senior Event of Default has been remedied or waived in accordance with the applicable Senior Financing Agreement;
 - (D) the date on which the Senior Agent which delivered the relevant Senior Parent Payment Stop Notice delivers a notice to the Parent, the Security Agent and the Senior Parent Agents cancelling the Senior Parent Payment Stop Notice;
 - (E) the First/Second Lien Discharge Date; and
 - (F) the date on which the Security Agent or a Senior Parent Agent takes Enforcement Action permitted under this Agreement against a Debtor.
- (b) Unless each of the Senior Parent Agents waives this requirement:
- (i) a new Senior Parent Payment Stop Notice may not be delivered unless and until 360 days have elapsed since the delivery of the immediately prior Senior Parent Payment Stop Notice; and
 - (ii) no Senior Parent Payment Stop Notice may be delivered by a Senior Agent in reliance on a Senior Event of Default more than 45 days after the date that Senior Agent received notice of that Senior Event of Default.
- (c) The Senior Agents may only serve one Senior Parent Payment Stop Notice with respect to the same event or set of circumstances. Subject to paragraph (b) above, this shall not affect the right of the Agents to issue a Senior Parent Payment Stop Notice in respect of any other event or set of circumstances.
- (d) No Senior Parent Payment Stop Notice may be served by an Agent in respect of a Senior Event of Default which had been notified to the Agents at the time at which an earlier Senior Parent Payment Stop Notice was issued.
- (e) For the avoidance of doubt, this Clause 6.3:
- (i) acts as a suspension of payment and not as a waiver of the right to receive payment on the date such payments are due;

- (ii) will not prevent the accrual or capitalisation of interest (including default interest) in accordance with the Senior Parent Finance Documents; and
- (iii) will not prevent the payment of any Senior Parent Notes Trustee Amounts or other amounts funded directly or indirectly with amounts which have not been received by the relevant Senior Parent Debt Issuer from another member of the Group.

6.4 Effect of Senior Parent Payment Stop Notice or Senior Payment Default

Any failure to make a Payment due under the Senior Parent Finance Documents as a result of the issue of a Senior Parent Payment Stop Notice or the occurrence of a Senior Payment Default shall not prevent:

- (a) the occurrence of a Senior Parent Event of Default as a consequence of that failure to make a Payment in relation to the relevant Senior Parent Finance Document; or
- (b) the issue of a Senior Parent Enforcement Notice on behalf of the Senior Parent Creditors.

6.5 Payment obligations and capitalisation of interest continue

- (a) Neither the relevant Senior Parent Debt Issuer nor any other Debtor shall be released from the liability to make any Payment (including of default interest, which shall continue to accrue) under any Senior Parent Finance Document by the operation of Clauses 6.1 (*Restriction on Payment and dealings: Senior Parent Liabilities*) to 6.4 (*Effect of Senior Parent Payment Stop Notice or Senior Payment Default*) even if its obligation to make that Payment is restricted at any time by the terms of any of those Clauses.
- (b) The accrual and capitalisation of interest (if any) in accordance with the Senior Parent Finance Documents shall continue notwithstanding the issue of a Senior Parent Payment Stop Notice.

6.6 Cure of Payment stop: Senior Parent Creditors

If:

- (a) at any time following the issue of a Senior Parent Payment Stop Notice or the occurrence of a Senior Payment Default, that Senior Parent Payment Stop Notice ceases to be outstanding and/or, as the case may be, the Senior Payment Default ceases to be continuing; and
- (b) the relevant Senior Parent Debt Issuer or the relevant Debtor then promptly pays to the Senior Parent Creditors an amount equal to any Payments which had accrued under the Senior Parent Finance Documents and which would have been Permitted Senior Parent Payments but for that Senior Parent Payment Stop Notice or Senior Payment Default,

then any Event of Default (including any cross default or similar provision under any other Debt Document) which may have occurred as a result of that suspension of Payments shall be waived and any Senior Parent Enforcement Notice which may have been issued as a result of that Event of Default shall be waived, in each case without any further action being required on the part of the Senior Parent Creditors or any other Creditor or Operating Facility Lender.

6.7 Amendments and waivers: Senior Parent Creditors

The Senior Parent Creditors, the relevant Senior Parent Debt Issuer and the Debtors may at any time amend or waive the terms of the Senior Parent Notes Finance Documents and/or the Permitted Parent Financing Documents in accordance with their respective terms from time to time (and subject only to any consent required under them).

6.8 **Restrictions on enforcement by Senior Parent Creditors**

Until the First/Second Lien Discharge Date, except with the prior consent of or as required by an Instructing Group:

- (a) no Senior Parent Creditor shall direct the Security Agent to enforce or otherwise require the enforcement of any Shared Security; and
- (b) no Senior Parent Creditor shall take or require the taking of any Enforcement Action in relation to the Senior Parent Guarantees, except as permitted under Clause 6.9 (*Permitted Senior Parent enforcement*), provided, however, that no such action required by the Security Agent need be taken except to the extent the Security Agent is otherwise entitled under this Agreement to direct such action.

6.9 **Permitted Senior Parent enforcement**

- (a) Subject to Clause 6.12 (*Enforcement on behalf of Senior Parent Creditors*), the restrictions in Clause 6.8 (*Restrictions on enforcement by Senior Parent Creditors*) will not apply if:
 - (i) a Senior Parent Event of Default (the “**Relevant Senior Parent Default**”) is continuing;
 - (ii) each Senior Agent has received a notice of the Relevant Senior Parent Default specifying the event or circumstance in relation to the Relevant Senior Parent Default from the relevant Senior Parent Agent;
 - (iii) a Senior Parent Standstill Period (as defined below) has elapsed; and
 - (iv) the Relevant Senior Parent Default is continuing at the end of the relevant Senior Parent Standstill Period.
- (b) Promptly upon becoming aware of a Senior Parent Event of Default, the relevant Senior Parent Agent may by notice (a “**Senior Parent Enforcement Notice**”) in writing notify the Senior Agents of the existence of such Senior Parent Event of Default.

6.10 **Senior Parent Standstill Period**

In relation to a Relevant Senior Parent Default, a Senior Parent Standstill Period shall mean the period beginning on the date (the “**Senior Parent Standstill Start Date**”) the relevant Senior Parent Agent serves a Senior Parent Enforcement Notice on each of the Senior Agents in respect of such Relevant Senior Parent Default and ending on the earliest to occur of:

- (a) the date falling 179 days after the Senior Parent Standstill Start Date;
- (b) the date the Senior Secured Parties take any Enforcement Action in relation to a particular Senior Parent Guarantor, provided, however, that if a Senior Parent Standstill Period ends pursuant to this paragraph (b), the Senior Parent Finance Parties may only take the same Enforcement Action in relation to the Senior Parent Guarantor as the Enforcement Action taken by the Senior Secured Parties against such Senior Parent Guarantor and not against any other member of the Group;

-
- (c) the date of an Insolvency Event in relation to the relevant Senior Parent Debt Issuer or a particular Senior Parent Guarantor against whom Enforcement Action is to be taken;
 - (d) the expiry of any other Senior Parent Standstill Period outstanding at the date such first-mentioned Senior Parent Standstill Period commenced (unless that expiry occurs as a result of a cure, waiver or other permitted remedy);
 - (e) the date on which the consent of each of the Senior Facility Agent (acting on the instructions of the Majority Senior Lenders), the Second Lien Facility Agent (acting on the instructions of the Enhanced Majority Second Lien Lenders), any Senior Notes Trustee (acting on behalf of the Senior Noteholders), any Senior Creditor Representative (acting on the instructions of the Majority Permitted Senior Financing Creditors) and any Second Lien Creditor Representative (acting on the instructions of the Majority Permitted Second Lien Financing Creditors) has been obtained; and
 - (f) a failure to pay the principal amount outstanding on any Senior Parent Notes or on any Permitted Parent Financing Debt, as the case may be, at the final stated maturity of the amounts outstanding on the Senior Parent Notes or on the Permitted Parent Financing Debt, as the case may be (provided that (i) unless the Senior Lender Discharge Date has occurred or as otherwise agreed by the Majority Senior Lenders and the Parent, such final stated maturity does not breach any maturity restrictions applicable to such Senior Parent Liabilities in the Senior Financing Agreements (as applicable) (or, in the case of any amendment which has the effect of shortening the maturity date of any Senior Parent Liabilities, would not breach any such maturity restrictions applicable to such Senior Parent Liabilities in the Senior Financing Agreements (as applicable) were that Senior Parent Liability to be incurred at the time of that amendment and with that amended maturity date) and (ii) unless the Second Lien Lender Discharge Date has occurred or as otherwise agreed by the Enhanced Majority Second Lien Lenders and the Parent, such final stated maturity does not breach any maturity restrictions applicable to such Senior Parent Liabilities in the Second Lien Financing Agreements (as applicable)) (or, in the case of any amendment which has the effect of shortening the maturity date of any Senior Parent Liabilities, would not breach any such maturity restrictions applicable to such Senior Parent Liabilities in the Second Lien Financing Agreements (as applicable) were that Senior Parent Liability to be incurred at the time of that amendment and with that amended maturity date),

the “**Senior Parent Standstill Period**”.

6.11 Subsequent Senior Parent Notes Defaults

The Senior Parent Finance Parties may take Enforcement Action under Clause 6.9 *Permitted Senior Parent enforcement*) in relation to a Relevant Senior Parent Default even if, at the end of any relevant Senior Parent Standstill Period or at any later time, a further Senior Parent Standstill Period has begun as a result of any other Senior Parent Event of Default.

6.12 **Enforcement on behalf of Senior Parent Creditors**

If the Security Agent has notified the Senior Parent Agents that it is enforcing Security created pursuant to any Security Document over shares of a Senior Parent Guarantor, no Senior Parent Creditor may take any action referred to in Clause 6.9 (*Permitted Senior Parent enforcement*) against that Senior Parent Guarantor while the Security Agent is taking steps to enforce that Security in accordance with the instructions of an Instructing Group where such action might be reasonably likely to adversely affect such enforcement or the amount of proceeds to be derived therefrom.

6.13 **Option to purchase: Senior Parent Creditors**

- (a) Subject to paragraphs (b) and (c) below, any of the Senior Parent Agent(s) (on behalf of the Senior Parent Creditors) may, after a Senior Acceleration Event, by giving not less than 10 days' notice to the Security Agent, require the transfer to the Senior Parent Creditors (or to a nominee or nominees), in accordance with Clause 19.3 (*Change of Senior Lender, Second Lien Lender, Permitted Senior Financing Creditor, Permitted Second Lien Financing Creditor or Permitted Parent Financing Creditor*)), of all, but not part, of the rights, benefits and obligations in respect of the Senior Secured Liabilities and the Operating Facility Liabilities if:

 - (ii) as between the relevant Debtor, each Recovering Creditor and each relevant Sharing Creditor, an amount equal to the relevant Redistributed Amount will be treated as not having been paid by that Debtor.
- (b) The Security Agent shall not be obliged to pay any Redistributed Amount to a Recovering Creditor under paragraph (a)(i) above until it has been able to establish to its satisfaction that it has actually received that Redistributed Amount from the relevant Sharing Creditor.

11.3 Deferral of subrogation

- (a) No Creditor, Operating Facility Lender or Debtor will exercise any rights which it may have by reason of the performance by it of its obligations under the Debt Documents to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights under the Debt Documents of any Creditor or Operating Facility Lender which ranks ahead of it in accordance with the priorities set out in Clause 2 (*Ranking and priority*) until such time as all of the Liabilities owing to each prior ranking Creditor and Operating Facility Lender (or, in the case of any Debtor, owing to each Creditor and Operating Facility Lender) have been irrevocably paid in full.
- (b) No Investor or Intra-Group Lender will exercise any rights which it may have to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights under the Debt Documents of any other prior ranking Creditor or Operating Facility Lender until such time as all of the Liabilities owing to each prior ranking Creditor and Operating Facility Lender have been irrevocably paid in full.

- (b) No Agent or Hedge Counterparty shall be obliged to consult in accordance with paragraph (a) above and an Instructing Group shall be entitled to give any instructions to the Security Agent to enforce the Transaction Security or take any other Enforcement Action prior to the end of a Consultation Period (in each case provided that such instructions are consistent with any applicable requirements of this Agreement and the Security Documents) if:
- (i) the Transaction Security has become enforceable as a result of an Insolvency Event; or
 - (ii) the Instructing Group or any Agent of the Creditors represented in the Instructing Group determines in good faith (and notifies each other Agent, the Hedge Counterparties and the Security Agent) that to enter into such consultations and thereby delay the commencement of enforcement of the Transaction Security would reasonably be expected to have a material adverse effect on:
 - (A) the Security Agent's ability to enforce any of the Transaction Security; or
 - (B) the realisation proceeds of any enforcement of the Transaction Security,

and, where this paragraph (b) applies:

- (I) any instructions shall be limited to those necessary to protect or preserve the interests of the Senior Secured Creditors on behalf of which the relevant Instructing Group is acting in relation to the matters referred to in paragraphs (A) and (B) above; and

- (c) As soon as reasonably practicable following receipt of any instructions from an Instructing Group to enforce the Transaction Security, refrain or cease from enforcing the Transaction Security or, as the case may be, take any other Enforcement Action, the Security Agent shall provide a copy of such instructions to each Agent, Hedge Counterparty and Operating Facility Lender (unless it received those instructions from that person).

12.8 Duties owed

Each of the Secured Parties and the Debtors acknowledges that, in the event that the Security Agent enforces or is instructed to enforce the Transaction Security prior to the First/Second Lien Discharge Date, the duties of the Security Agent and of any Receiver or Delegate owed to the Senior Parent Creditors in respect of the method, type and timing of that enforcement or of the exploitation, management or realisation of any of that Transaction Security shall, subject to paragraph (c) of Clause 13.2 (*Distressed Disposals*), be no different to or greater than the duty that is owed by the Security Agent, Receiver or Delegate to the Debtors under general law.

13. **PROCEEDS OF DISPOSALS AND ADJUSTMENT OF MANDATORY PREPAYMENTS**

13.1 **Non-Distressed Disposals**

(a) The Security Agent (on behalf of itself and the Secured Parties) hereby agrees (and is irrevocably authorised and instructed to do so without any consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender or Debtor) that it shall (at the request and cost of the relevant Debtor or the Parent) promptly release (or procure that any other relevant person releases) from the Transaction Security and the Secured Debt Documents:

- (i) any Security (and/or any other claim relating to a Debt Document) over any asset which is the subject of:
 - (A) a disposal not prohibited by the terms of any Debt Financing Agreement (including a disposal to a member of the Group, the PMSL Disposal and/or the Merger (including the Debt Pushdown), but without prejudice to any obligation of any member of the Group in a Debt Financing Agreement to provide replacement security); or
 - (B) any other transaction not prohibited by the terms of any Debt Financing Agreement pursuant to which that asset will cease to be held or owned by a member of the Group;
- (ii) any Security (and/or any other claim relating to a Debt Document) over any document or other agreement requested in order for any member of the Group to effect any amendment or waiver in respect of that document or agreement or otherwise exercise any rights, comply with any obligations or take any action in relation to that document or agreement (in each case to the extent not prohibited by the terms of any Debt Financing Agreement);
- (iii) any Security (and/or any other claim relating to a Debt Document) over any asset of any member of the Group which has ceased to be a Debtor (or will cease to be a Debtor simultaneously with such release); and
- (iv) any Security (and/or any other claim relating to a Debt Document) over any other asset to the extent that such release is in accordance with the terms of the Debt Financing Agreements.

In the case of a disposal of shares or other ownership interests in a Debtor (or any Holding Company of any Debtor), or any other transaction pursuant to which a Debtor (or any Holding Company of any Debtor) will cease to be a member of the Group or a Debtor (including, without limitation, pursuant to Clause 19.13 (*Resignation of a Debtor*)), the Security Agent (on behalf of itself and the Secured Parties) hereby agrees (and is irrevocably authorised and instructed to do so without any consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor) that it shall (at the request and cost of the relevant Debtor or the Parent) promptly release (or procure that any other relevant person releases) that Debtor and its Subsidiaries from all present and future liabilities (both actual and contingent) under the Secured Debt Documents and the respective assets of such Debtor and its Subsidiaries (and the shares in any such Debtor and/or Subsidiary) from the Transaction Security and the Secured Debt Documents (including any claim relating to a Debt Document and any Guarantee Liabilities or Other Liabilities).

-
- (b) When making any request for a release pursuant to paragraph (a)(i), (ii) or (iv) above, the Parent shall confirm in writing to the Security Agent that:
- (i) in the case of any release requested pursuant to paragraph (a)(i) or (ii) above, the relevant disposal or other action is not prohibited by the terms of any Debt Financing Agreement; or
 - (ii) in the case of any release requested pursuant to paragraph (a)(iv) above, the relevant release is in accordance with the terms of the Debt Financing Agreements,
- and the Security Agent shall be entitled to rely on that confirmation for all purposes under the Secured Debt Documents.
- (c) The Security Agent shall (at the cost and expense of the relevant Debtor or the Parent but without the need for any further consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor) promptly enter into (or procure that any relevant person enters into) and deliver such documentation and/or take such other action as the Parent (acting reasonably) shall require to give effect to any release or other matter contemplated by this Clause 13.1 (including the issuance of any certificates of non-crystallisation of floating charges, any consent to dealing or any other similar or equivalent document that may be required or desirable).
- (d) Without prejudice to the foregoing and for the avoidance of doubt, if requested by the Parent in accordance with the terms of any of the Debt Financing Agreements (and provided that the requested action is not expressly prohibited by any of the other Debt Financing Agreements), the Security Agent and the other Creditors and Operating Facility Lenders shall (at the cost of the relevant Debtor and/or the Parent) promptly execute any guarantee, security or other release and/or any amendment, supplement or other documentation relating to the Security Documents as contemplated by the terms of any of the Debt Financing Agreements (and the Security Agent is authorised to execute, and will promptly execute if requested by the Parent, without the need for any further consent, sanction, authority or further confirmation from any Creditor or Operating Facility Lender, any such release or document on behalf of the Creditors and the Operating Facility Lenders). When making any request pursuant to this paragraph (d) the Parent shall confirm in writing to the Security Agent that such request is in accordance with the terms of a Debt Financing Agreement (and the requested action is not expressly prohibited by any of the other Debt Financing Agreements) and the Security Agent shall be entitled to rely on that confirmation for all purposes under the Secured Debt Documents.
- (e) For the avoidance of doubt and notwithstanding anything to the contrary in any Debt Document, nothing in any Security Document shall operate or be construed so as to prevent any transaction, matter or other step not prohibited by the terms of this Agreement or the Debt Financing Agreements (a **"Permitted Action"**). The Security Agent (on behalf of itself and the Secured Parties) hereby agrees (and is irrevocably authorised and instructed to do so without any consent, sanction, authority or further confirmation from any Party) that it shall (at the request and cost of

the relevant Debtor or the Parent) promptly execute any release or other document and/or take such other action under or in relation to any Debt Document (or any asset subject or expressed to be subject to any Security Document) as is requested by the Parent in order to complete, implement or facilitate a Permitted Action. In the event that the Parent makes any request pursuant to and in reliance on the preceding sentence, the Security Agent shall be permitted to request a confirmation from the Parent that the relevant transaction, matter or other step is a Permitted Action and the Security Agent shall be entitled to rely on that confirmation for all purposes under the Secured Debt Documents.

- (f) For the avoidance of doubt and notwithstanding anything to the contrary in the Senior Parent Finance Documents, if any member of the Group is required or permitted under the Senior Debt Documents to apply the proceeds of any disposal or other transaction in prepayment, redemption or any other discharge or reduction of any Senior Liabilities:
- (i) no such application of those proceeds shall require the consent of any Party or Senior Parent Creditor or will result in a direct or indirect breach of any Senior Parent Finance Document; and
 - (ii) any such application shall discharge in full any obligation to apply those proceeds in prepayment, redemption or any other discharge or reduction of any Senior Parent Liabilities.

This paragraph (f) is without prejudice to any right of any member of the Group to apply any proceeds of any disposal or other transaction in prepayment, redemption or any other discharge or reduction of any Senior Parent Liabilities to the extent permitted or contemplated by this Agreement or any other Senior Debt Document.

- (g) The Security Agent is irrevocably authorised by each Secured Party to (and will on the request and at the cost of the Parent):

- on the Final Discharge Date (or at any time following such date on the request of the Parent).

13.2 Distressed Disposals

- (a) Subject to paragraph (d) below, if a Distressed Disposal is being effected the Security Agent is irrevocably authorised (at the cost of the relevant Debtor or the Parent and without any consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor):
- (i) *release of Transaction Security/non-crystallisation certificates*: to release the Transaction Security or any other claim over the asset which is the subject of the Distressed Disposal and execute and deliver or enter into any release of that Transaction Security or claim and issue any letters of non-crystallisation of any floating charge or any consent to dealing that may, in the discretion of the Security Agent, be considered necessary or desirable;

-
- (ii) *release of liabilities and Transaction Security on a share sale (Debtor)*: if the asset which is disposed of consists of shares in the capital of a Debtor, to release:

- (A) that Holding Company and any Subsidiary of that Holding Company from all or any part of:
 - (I) its Borrowing Liabilities;
 - (II) its Guarantee Liabilities; and
 - (III) its Other Liabilities;
 - (B) any Transaction Security granted by that Holding Company or any Subsidiary of that Holding Company over any of its assets; and
 - (C) any other claim of any Investor, Intra-Group Lender or other Debtor over that Holding Company's assets or over the assets of any Subsidiary of that Holding Company,

- (A) the Liabilities; or
 - (B) the Debtor Liabilities,
- owed by that Debtor or Holding Company or any Subsidiary of that Debtor or Holding Company:
- (I) (if the Security Agent, acting in accordance with paragraph (h) below, does not intend that any transferee of those Liabilities or Debtor Liabilities (the "**Transferee**") will be treated as a Primary Creditor or a Secured Party for the purposes of this Agreement), to execute and deliver or enter into any agreement to dispose of all or part of those Liabilities or Debtor Liabilities, provided that, notwithstanding any other provision of any Debt Document, the Transferee shall not be treated as a Primary Creditor or a Secured Party for the purposes of this Agreement; and

-
- (II) (if the Security Agent, acting in accordance with paragraph (e) below, does intend that any Transferee will be treated as a Primary Creditor or a Secured Party for the purposes of this Agreement), to execute and deliver or enter into any agreement to dispose of:
- (1) all (and not part only) of the Liabilities owed to the Primary Creditors and the Operating Facility Lenders; and

- on behalf of, in each case, the relevant Creditors, Operating Facility Lenders and Debtors;
- (v) *transfer of obligations in respect of liabilities on a share sale* if the asset which is disposed of consists of shares in the capital of a Debtor or the Holding Company of a Debtor (the “**Disposed Entity**”) and the Security Agent (acting in accordance with paragraph (h) below) decides to transfer to another Debtor (the “**Receiving Entity**”) all or any part of the Disposed Entity’s obligations or any obligations of any Subsidiary of that Disposed Entity in respect of:
- (A) the Intra-Group Liabilities; or
 - (B) the Debtor Liabilities,
- to execute and deliver or enter into any agreement to:
- (I) agree to the transfer of all or part of the obligations in respect of those Intra-Group Liabilities or Debtor Liabilities on behalf of the relevant Intra-Group Lenders and Debtors to which those obligations are owed and on behalf of the Debtors which owe those obligations; and
 - (II) (if the Receiving Entity is a Holding Company of the Disposed Entity which is also a guarantor of Senior Liabilities) to accept the transfer of all or part of the obligations in respect of those Intra-Group Liabilities or Debtor Liabilities on behalf of the Receiving Entity or Receiving Entities to which the obligations in respect of those Intra-Group Liabilities or Debtor Liabilities are to be transferred.
- (b) The net proceeds of each Distressed Disposal (and the net proceeds of any disposal of Liabilities or Debtor Liabilities pursuant to paragraph (a)(iv) above) shall be paid to the Security Agent for application in accordance with Clause 14 (*Application of proceeds*) (to the extent that the asset disposed of constituted Charged Property, as if those proceeds were the proceeds of an enforcement of the Transaction Security and, to the extent that any disposal of Liabilities or Debtor Liabilities has occurred pursuant to paragraph (a)(iv)(II) above, as if that disposal of Liabilities or Debtor Liabilities had not occurred).

-
- (c) In the case of a Distressed Disposal (or a disposal of Liabilities pursuant to paragraph (a)(iv)(II) above) effected by or at the request of the Security Agent (acting in accordance with paragraph (h) below), the Security Agent shall take reasonable care to obtain a fair market price in the prevailing market conditions (though the Security Agent shall have no obligation to postpone any such Distressed Disposal or disposal of Liabilities in order to achieve a higher price).
- (d) Where Borrowing Liabilities, Guarantee Liabilities and/or Other Liabilities would otherwise be released pursuant to paragraph (a) above, the Creditor or Operating Facility Lender concerned may elect to have those Borrowing Liabilities, Guarantee Liabilities and/or, as the case may be, Other Liabilities transferred to the Parent in which case the Security Agent is irrevocably authorised (to the extent legally possible and at the cost of the relevant Debtor or the Parent and without any consent, sanction, authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor) to execute such documents as are required to so transfer those Borrowing Liabilities, Guarantee Liabilities and/or, as the case may be, Other Liabilities.
- (e) Subject to paragraphs (f) and (g) below, in the case of a Distressed Disposal (or a disposal of Liabilities pursuant to paragraph (a)(iv)(II) above) effected by or at the request of the Security Agent (acting in accordance with paragraph (h) below), unless the consent of each Senior Agent is otherwise obtained, it is a further condition to any release, transfer or disposal under paragraph (a) above that:
- (i) the proceeds of such disposal are in cash (or substantially all in cash); and
 - (ii) such sale or disposal is made:
 - (A) pursuant to a Public Auction in respect of which the Primary Creditors are entitled to participate; or
 - (B) where a Financial Adviser selected by the Security Agent has delivered an opinion in respect of such sale or disposal that the amount received in connection therewith is fair from a financial point of view, taking into account all relevant circumstances, including the method of enforcement, provided that the liability of such Financial Adviser may be limited to the amount of its fees in respect of such engagement (it being acknowledged that the Security Agent shall have no obligation to select or engage any Financial Adviser unless it shall have been indemnified and/or secured and/or prefunded to its satisfaction).
- (f) If prior to the Second Lien Discharge Date a Distressed Disposal is being effected such that any Second Lien Liabilities will be released or disposed of, or any Transaction Security securing the Second Lien Liabilities will be released, it is a further condition to the release that either:
- (i) each Second Lien Agent has approved the release; or
 - (ii) where shares or assets of a Second Lien Borrower or a Second Lien Guarantor are sold:
 - (A) the proceeds of such sale or disposal are in cash (or substantially in cash); and

-
- (B) all claims of the Senior Creditors, the Senior Notes Creditors, the Permitted Senior Financing Creditors and the Operating Facility Lenders (other than in relation to performance bonds or guarantees or similar instruments) against a member of the Group (if any) all of whose shares (other than any minority interest not owned by members of the Group) are sold or disposed of pursuant to such Enforcement Action, are unconditionally released and discharged or sold or disposed of concurrently with such sale (and are not assumed by the purchaser or one of its Affiliates) and all Security under the Security Documents in respect of the assets that are sold or disposed of is simultaneously and unconditionally released and discharged concurrently with such sale, provided that if each of the Senior Facility Agent, any Senior Notes Trustee and any Senior Creditor Representative (acting reasonably and in good faith):
- (I) determines that the Senior Secured Creditors will recover a greater amount if any such claim is sold or otherwise transferred to the purchaser or one of its Affiliates and not released and discharged; and
 - (II) serves a written notice on the Security Agent confirming the same,
- the Security Agent shall be entitled to sell or otherwise transfer such claim to the purchaser or one of its Affiliates; and
- (C) such sale or disposal is made:
- (I) pursuant to a Public Auction in respect of which the Primary Creditors are entitled to participate; or
 - (II) where a Financial Adviser selected by the Security Agent has delivered an opinion in respect of such sale or disposal that the amount received in connection therewith is fair from a financial point of view, taking into account all relevant circumstances, including the method of enforcement, provided that the liability of such Financial Adviser may be limited to the amount of its fees in respect of such engagement (it being acknowledged that the Security Agent shall have no obligation to select or engage any Financial Adviser unless it shall have been indemnified and/or secured and/or prefunded to its satisfaction).

For the purposes of this Agreement, “**entitled to participate**” shall be interpreted to mean that any offer, or indication of a potential offer, that a holder of any Senior Liabilities or Senior Parent Liabilities makes shall be considered by those running the Public Auction against the same criteria as any offer, or indication of a potential offer, by any other bidder or potential bidder. For the avoidance of doubt, if, after having applied those same criteria, the offer or indication of a potential offer made by a holder of any Senior Liabilities or Senior Parent Liabilities is not considered by those running the Public Auction to be sufficient to continue in the sale process, such consideration being against the same criteria as any offer, or indication of a potential offer, by any other bidder or potential bidder (such continuation may include being invited to review additional information or being invited to have an opportunity to make a subsequent or revised offer, whether in another round of bidding or otherwise), then the right to participate which a holder of any Senior Liabilities or Senior Parent Liabilities under this Agreement shall be deemed to be satisfied.

-
- (g) If prior to the Senior Parent Discharge Date a Distressed Disposal is being effected such that the Senior Parent Guarantees or any Shared Security over assets of a Senior Parent Debt Issuer or any Senior Parent Guarantor will be released and/or any Senior Parent Liabilities will be released or disposed of, it is a further condition to the release that either:
- (i) each Senior Parent Agent has approved the release; or
 - (ii) where shares or assets of a Senior Parent Guarantor or assets of a Senior Parent Debt Issuer are sold:
 - (A) the proceeds of such sale or disposal are in cash (or substantially in cash); and
 - (B) all claims of the Senior Secured Creditors and the Operating Facility Lenders (other than in relation to performance bonds or guarantees or similar instruments) against a member of the Group (if any) all of whose shares (other than any minority interest not owned by members of the Group) are sold or disposed of pursuant to such Enforcement Action, are unconditionally released and discharged or sold or disposed of concurrently with such sale (and are not assumed by the purchaser or one of its Affiliates) and all Security under the Security Documents in respect of the assets that are sold or disposed of is simultaneously and unconditionally released and discharged concurrently with such sale, provided that if each Senior Agent (acting reasonably and in good faith):
 - (I) determines that the Senior Secured Creditors will recover a greater amount if any such claim is sold or otherwise transferred to the purchaser or one of its Affiliates and not released and discharged; and
 - (II) serves a written notice on the Security Agent confirming the same,the Security Agent shall be entitled to sell or otherwise transfer such claim to the purchaser or one of its Affiliates; and
 - (C) such sale or disposal is made:
 - (I) pursuant to a Public Auction in respect of which the Primary Creditors are entitled to participate; or
 - (II) where a Financial Adviser selected by the Security Agent has delivered an opinion in respect of such sale or disposal that the amount received in connection therewith is fair from a financial point of view, taking into account all relevant circumstances, including the method of enforcement, provided that the liability of such Financial Adviser may be limited to the amount of its fees in respect of such engagement (it being acknowledged that the Security Agent shall have no obligation to select or engage any Financial Adviser unless it shall have been indemnified and/or secured and/or prefunded to its satisfaction).

For the purposes of this Agreement, “entitled to participate” shall be interpreted to mean that any offer, or indication of a potential offer, that a holder of any Senior Liabilities or Senior Parent Liabilities makes shall be considered by those running the Public Auction against the same criteria as any offer, or indication of a potential offer, by any other bidder or potential bidder. For the avoidance of doubt, if, after having applied those same criteria, the offer or indication of a potential offer made by a holder of any Senior Liabilities or Senior Parent Liabilities is not considered by those running the Public Auction to be sufficient to continue in the sale process, such consideration being against the same criteria as any offer, or indication of a potential offer, by any other bidder or potential bidder (such continuation may include being invited to review additional information or being invited to have an opportunity to make a subsequent or revised offer, whether in another round of bidding or otherwise), then the right to participate which a holder of any Senior Liabilities or Senior Parent Liabilities under this Agreement shall be deemed to be satisfied.

- (h) For the purposes of paragraphs (a)(ii), (iii), (iv), (v), (c), (f) and (g) above, the Security Agent shall act:
- (i) if the relevant Distressed Disposal is being effected by way of enforcement of the Transaction Security, in accordance with Clause 12.3 (*Manner of enforcement*); and
 - (ii) in any other case:
 - (A) on the instructions of an Instructing Group; or
 - (B) in the absence of any such instructions, as the Security Agent sees fit.
- (i) If any Transaction Security proposed to be released under this Clause 13.2 includes SFA Cash Cover, the Security created or evidenced, or expressed to be created or evidenced, under or pursuant to the relevant document in relation to such cash cover shall not be released without the consent of the Security Agent or the Issuing Bank or Ancillary Lender with which that SFA Cash Cover is held.
- 13.3 **Claims and proceeds (before Distress Event)**
- (a) So long as the requirements of paragraph (b) below are met (or the Parent has confirmed that if and when applicable they will be met), if any contractual, insurance or other claim is to be made, or is made, by a member of the Group prior to a Distress Event and that claim (or the proceeds of any such claim) is or are expressed to be subject to the Transaction Security, the Security Agent is irrevocably authorised (and shall at the request and the cost of the relevant Debtor or the Parent and without need of any letter of authority or further confirmation from any Creditor, Operating Facility Lender, other Secured Party or Debtor) to:
- (i) give a consent under or release the Transaction Security, or any other claim, over any relevant document, policy or other asset to the extent necessary to allow that member of the Group to make that claim (and to allow each member of the Group to comply with any obligations in respect of that claim and those proceeds under the Secured Debt Documents); and
 - (ii) execute and deliver or enter into any such consent under or release of that Transaction Security, or claim, that may, in the discretion of the Parent, be necessary or desirable.

- (b) If any claim proceeds the subject of any action taken under paragraph (a)(i) or (ii) above are required to be applied in mandatory prepayment of any Senior Liabilities and/or Senior Parent Liabilities, then, subject to Clause 13.4 (*Adjustment of mandatory prepayments*), those proceeds shall be applied as required by the terms of the Secured Debt Documents (provided that, notwithstanding anything to the contrary in the Senior Parent Finance Documents, in the event of any conflict between the terms of the Senior Debt Documents and the Senior Parent Finance Documents, any application in accordance with the terms of the Senior Debt Documents shall satisfy all obligations of the Group in respect of such proceeds and no consent of any other Party or Creditor shall be required for that application).

13.4 Adjustment of mandatory prepayments

If the making of any mandatory prepayment by any member of the Group in respect of any of the Senior Lender Liabilities, the Senior Notes Liabilities, the Senior Parent Notes Liabilities, the Permitted Senior Financing Liabilities, the Permitted Parent Financing Liabilities and/or the Operating Facility Liabilities (an “**Original Mandatory Prepayment**”) would directly or indirectly result in a payment (a “**Hedge Reduction Payment**”) being made to any Hedge Counterparty as a consequence of any close-out or termination (in whole or in part) which is intended to ensure that the maximum aggregate notional amount of any hedging does not exceed the maximum aggregate amount of any indebtedness or the exposure the subject of that hedging, if elected by the Parent, the maximum aggregate amount of the mandatory prepayment required to be made by the Group will be reduced so that the aggregate of:

- (a) the amount of the reduced mandatory prepayment; and
 - (b) each Hedge Reduction Payment which would result from that reduced mandatory payment,
- is equal to the amount of the Original Mandatory Prepayment.

13.5 Creditors’ and Debtors’ actions

- (a) Each Creditor, Operating Facility Lender and Debtor will:
- (i) do all things that the Security Agent reasonably requests in order to give effect to this Clause 13 (which shall include, without limitation, the execution of any assignments, transfers, releases or other documents that the Security Agent may consider to be necessary to give effect to the releases or disposals contemplated by this Clause 13); and
 - (ii) if the Security Agent is not entitled to take any of the actions contemplated by this Clause 13 or if the Security Agent requests that any Creditor, Operating Facility Lender, other Secured Party or Debtor take any such action, take that action itself in accordance with the instructions of the Security Agent,

provided that the proceeds of any relevant disposal or other step or action are applied in accordance with Clause 13.1 (*Non-Distressed Disposals*) or Clause 13.2 (*Distressed Disposals*) as the case may be.

- (b) Each Secured Party irrevocably authorises and instructs the Security Agent (at the cost of the relevant Secured Party and without any consent, sanction, authority or further confirmation from any Secured Party) to be its agent to do anything which that Secured Party has authorised the Security Agent or any other Party to do under this Agreement or is itself required to do under this Agreement, but has failed to do (which shall include, without limitation, the execution of any assignments, transfers, releases or other documents that the Security Agent may consider to be necessary) to give effect to the release and disposals contemplated by this Clause 13.

For the purposes of this Clause 15:

"Enforcement Date" means the first date (if any) on which a Secured Party takes Enforcement Action of the type described in paragraph (a)(i), (iii), (iv) or (c) of the definition of **"Enforcement Action"** in accordance with the terms of this Agreement.

"Exposure" means:

- (a) in relation to a Senior Lender or a Permitted Senior Financing Creditor, the aggregate amount of its participation (if any, and without double counting) in all utilisations outstanding under the Senior Facilities Agreement or, as the case may be, the Permitted Senior Financing Agreement at the Enforcement Date (whether by way of loan, Letter of Credit or otherwise and assuming all contingent liabilities which have become actual liabilities since the Enforcement Date to have been actual liabilities at the Enforcement Date (but not including, for these purposes only, any interest that would have accrued from the Enforcement Date to the date of actual maturity in respect of those liabilities) and assuming any transfer of claims in respect of amounts outstanding under each Ancillary Facility (and any related facilities under which the Ancillary Facilities are provided) in accordance with the terms of the Senior Facilities Agreement or, as the case may be, any Permitted Senior Financing Agreement which has taken place since the Enforcement Date to have taken place at the Enforcement Date) together with the aggregate amount of all accrued interest, fees and commission owed to it under the Senior Facilities Agreement or, as the case may be, any Permitted Senior Financing Agreement and amounts owed to it by a Debtor in respect of any Ancillary Facility but excluding:
 - (i) any amount owed to it by a Debtor in respect of any Ancillary Facility to the extent that that amount would not be outstanding but for a breach by that Senior Lender or, as the case may be, Permitted Senior Financing Creditor of any provision of clause 9 (*Ancillary Facilities*) of the Senior Facilities Agreement or any equivalent provision of any relevant Permitted Senior Financing Agreement;

- (ii) any amount owed to it by a Debtor in respect of any Ancillary Facility to the extent (and in the amount) that SFA Cash Cover has been provided by a Debtor in respect of that amount and is available to that Senior Lender or, as the case may be, Permitted Senior Financing Creditor pursuant to the relevant SFA Cash Cover Document; and
- (iii) any amount outstanding in respect of a Letter of Credit to the extent (and in the amount) that SFA Cash Cover has been provided by a Debtor in respect of that amount and is available to that Senior Lender or, as the case may be, Permitted Senior Financing Creditor pursuant to the relevant SFA Cash Cover Document,

plus, in each case, all other Senior Lender Liabilities owed by the Debtors to that Senior Lender or, as the case may be, all other Permitted Senior Financing Liabilities owed by the Debtors to that Permitted Senior Financing Creditor, to the extent not already taken into account in the foregoing provisions of this paragraph (a);

(b) in relation to a Senior Notes Creditor, the Senior Notes Liabilities owed by the Debtors to that Senior Notes Creditor;

(c) in relation to a Hedge Counterparty:

- (i) if that Hedge Counterparty has terminated or closed out any hedging transaction under any Hedging Agreement in accordance with the terms of this Agreement on or prior to the Enforcement Date, the amount, if any, payable to it under that Hedging Agreement in respect of that termination or close-out as of the date of termination or close-out (taking into account any interest accrued on that amount) to the extent that amount is unpaid at the Enforcement Date (that amount to be certified by the relevant Hedge Counterparty and as calculated in accordance with the relevant Hedging Agreement); and
- (ii) if that Hedge Counterparty has not terminated or closed out any hedging transaction under any Hedging Agreement on or prior to the Enforcement Date:
 - (A) if the relevant Hedging Agreement is based on an ISDA Master Agreement the amount, if any, which would be payable to it under that Hedging Agreement in respect of that hedging transaction if the Enforcement Date was deemed to be an Early Termination Date (as defined in the relevant ISDA Master Agreement) for which the relevant Debtor is the Defaulting Party (as defined in the relevant ISDA Master Agreement); or
 - (B) if the relevant Hedging Agreement is not based on an ISDA Master Agreement, the amount, if any, which would be payable to it under that Hedging Agreement in respect of that hedging transaction if the Enforcement Date was deemed to be the date on which an event similar in meaning and effect (under that Hedging Agreement) to an Early Termination Date (as defined in any ISDA Master Agreement) occurred under that Hedging Agreement for which the relevant Debtor is in a position similar in meaning and effect (under that Hedging Agreement) to that of a Defaulting Party (under and as defined in the same ISDA Master Agreement),

that amount, in each case, to be certified by the relevant Hedge Counterparty and as calculated in accordance with the relevant Hedging Agreement;

- (d) in relation to an Operating Facility Lender, the Operating Facility Liabilities owed by the Debtors to that Operating Facility Lender but excluding:

 - (ii) any amount owed to it by a Debtor in respect of any Ancillary Facility to the extent (and in the amount) that SFA Cash Cover has been provided by a Debtor in respect of that amount and is available to that Operating Facility Lender pursuant to the relevant SFA Cash Cover Document,

that amount, in each case, to be certified by the relevant Operating Facility Lender and as calculated in accordance with the relevant Operating Facility Document.

15.2 **Implementation of equalisation**

The provisions of this Clause 15 shall be applied at such time or times after the Enforcement Date as the Security Agent shall consider appropriate. Without prejudice to the generality of the preceding sentence, if the provisions of this Clause 15 have been applied before all the Liabilities have matured and/or been finally quantified, the Security Agent may elect to re-apply those provisions on the basis of revised Exposures and the Senior Secured Creditors shall make appropriate adjustment payments amongst themselves.

15.3 **Equalisation**

If, for any reason, any Senior Creditor Liabilities, Senior Notes Liabilities, Permitted Senior Financing Liabilities or Operating Facility Liabilities remain unpaid after the Enforcement Date and the resulting losses are not borne by the relevant Senior Secured Creditors and the Operating Facility Lenders in the proportions which their respective Exposures at the Enforcement Date bore to the aggregate Exposures of all the relevant Senior Secured Creditors and the Operating Facility Lenders at the Enforcement Date, the relevant Senior Secured Creditors and the Operating Facility Lenders will make such payments amongst themselves as the Security Agent shall require to put the relevant Senior Secured Creditors and the Operating Facility Lenders in such a position that (after taking into account such payments) those losses are borne in those proportions (or, as the case may be, to otherwise reflect the order of priority contemplated in Clause 14.1 (*Order of application*)).

15.4 **Turnover of enforcement proceeds**

If:

- (a) the Security Agent or the relevant Agent is not entitled, for reasons of applicable law, to pay amounts received pursuant to the making of a demand under any guarantee, indemnity or other assurance against loss or the enforcement of the Transaction Security

to the Senior Secured Creditors and the Operating Facility Lenders but is entitled to distribute those amounts to Creditors (such Creditors, the "**Receiving Creditors**") who, in accordance with the terms of this Agreement, are subordinated in right and priority of payment to the Senior Secured Creditors and the Operating Facility Lenders; and

- (b) the First/Second Lien Discharge Date has not yet occurred (nor would occur after taking into account such payments),

then the Receiving Creditors shall make such payments to the Senior Secured Creditors and the Operating Facility Lenders as the Security Agent shall require to place the Senior Secured Creditors and the Operating Facility Lenders in the position they would have been in had such amounts been available for application against the Senior Liabilities and the Operating Facility Liabilities, provided that this Clause 15.4 shall not apply to any receipt or recovery that has been distributed by:

- (i) a Senior Notes Trustee to the Senior Noteholders in accordance with the Senior Notes Finance Documents;
- (ii) a Senior Parent Notes Trustee to the Senior Parent Noteholders in accordance with the Senior Parent Notes Finance Documents;
- (iii) a Senior Creditor Representative to the Permitted Senior Financing Creditors in accordance with the Permitted Senior Financing Documents (in each case to the extent that paragraph (o) of Clause 1.2 (*Construction*) has been applied in respect of that Senior Creditor Representative);
- (iv) a Second Lien Creditor Representative to the Permitted Second Lien Financing Creditors in accordance with the Permitted Second Lien Financing Documents (in each case to the extent that paragraph (p) of Clause 1.2 (*Construction*) has been applied in respect of that Second Lien Creditor Representative); or
- (v) a Senior Parent Creditor Representative to the Permitted Parent Financing Creditors in accordance with the Permitted Parent Financing Documents (in each case to the extent that paragraph (q) of Clause 1.2 (*Construction*) has been applied in respect of that Senior Parent Creditor Representative),

unless the Senior Notes Trustee, the Senior Parent Notes Trustee, the Senior Creditor Representative, the Second Lien Creditor Representative or the Senior Parent Creditor Representative (as applicable) had received at least two Business Days' prior written notice (in accordance with this Agreement) that an Acceleration Event or an Insolvency Event in relation to a Debtor had occurred or that the receipt or recovery falls within Clause 10.2 (*Turnover by the Creditors*) prior to distribution of the relevant amount.

15.5 **Notification of Exposure**

Before each occasion on which it intends to implement the provisions of this Clause 15, the Security Agent shall send notice to each Hedge Counterparty, each Operating Facility Lender and each relevant Agent (on behalf of the relevant Senior Secured Creditors) requesting that it notify it of, respectively, its Exposure and that of each Senior Secured Creditor (if any).

15.6 Default in payment

If a Creditor or an Operating Facility Lender fails to make a payment due from it under this Clause 15, the Security Agent shall be entitled (but not obliged) to take action on behalf of the Senior Secured Creditor(s) and the Operating Facility Lender(s) to whom such payment was to be redistributed (subject to being indemnified to its satisfaction by such Senior Secured Creditor(s) and Operating Facility Lender(s) in respect of costs) but shall have no liability or obligation towards such Senior Secured Creditor(s) or any other Senior Secured Creditor, Creditor or Operating Facility Lender as regards such default in payment and any loss suffered as a result of such default shall lie where it falls.

16. ADDITIONAL DEBT

16.1 Debt Refinancing

(a) Notwithstanding anything to the contrary in this Agreement or any Security Document:

- (i) any of the Liabilities (or any other liabilities and obligations subject to the terms of this Agreement from time to time) may be refinanced, replaced, increased or otherwise restructured in whole or in part from time to time (including, without limitation, by way of the incurrence of Permitted Senior Financing Debt, Permitted Second Lien Financing Debt and/or Permitted Parent Financing Debt, the issue of additional Senior Notes and/or Senior Parent Notes or the establishment of new or additional Operating Facilities); and
- (ii) any Priority Revolving Facility may become subject to and benefit from the provisions of this Agreement on terms as determined by the Parent (subject to the provisions of Schedule 4 (*Priority Revolving Facility*)),

(b) Notwithstanding anything to the contrary in any Secured Debt Document, each Party shall be required to enter into any amendment to or replacement of the then current Secured Debt Documents (including for the purpose of reflecting the terms and ranking of any Debt Refinancing in the Secured Debt Documents and/or any amendment required by the Parent pursuant to Clause 16.3 (*Senior Facilities Refinancing*)) and/or take such other action as is required by the Parent in order to facilitate any Debt Refinancing, including in relation to any changes to, the taking of, or the release coupled with the retaking of, any guarantee or Security, provided that the Security Agent shall not be required to execute a release of assets from any existing Transaction Security pursuant to this paragraph (b) unless the Parent has confirmed in writing to the Security Agent that it has determined in good faith (taking into account any applicable legal limitations and other relevant considerations in relation to the Debt Refinancing) that it is either not possible or not desirable to implement the Debt Refinancing on terms satisfactory to the Parent by instead granting additional Transaction Security and/or amending the terms of the existing Transaction Security. Each Agent and the Security Agent is irrevocably authorised and instructed by each Party (other than the Debtors), each Secured Party and each Primary Creditor to (unless such Party, Secured Party and/or Primary Creditor is required under applicable law to act in its own name, in which case it shall) execute any such amended or replacement Secured Debt Documents and/or take such action on behalf of the Parties, the Secured Parties and the Primary Creditors (or, as the case may be, in its own name) (and shall in each case promptly do so on the request of and at the cost of the Parent).

16.2 Debt Refinancing terms

For the avoidance of doubt, at the option of the Parent:

- (a) a Debt Refinancing may be made available on a basis which is senior to, *pari passu* with or junior to any of the other Liabilities;
- (b) a Debt Refinancing shall be entitled to benefit from all or any of the Transaction Security;

- (d) a Debt Refinancing may be effected in whole or in part by way of a debt exchange, non-cash rollover or other similar or equivalent transaction,

in each case unless otherwise prohibited by this Agreement or the Debt Financing Agreements.

16.3 Senior Facilities Refinancing

- (a) In the event of any refinancing or replacement of all or any part of the Senior Lender Liabilities (or any such refinancing or replacement indebtedness from time to time), the Parent shall be entitled to require that the definition of Instructing Group is amended such that the relevant refinancing or replacement indebtedness is treated in the same manner as the Senior Facilities (meaning that for the purpose of calculating the voting entitlement of any person, at the option of the Parent all or any part of the relevant refinancing or replacement indebtedness may be treated as Senior Secured Credit Participations of the Senior Creditors and not Senior Notes/Permitted Financing Credit Participations).
- (b) In the event that any Priority Revolving Facility becomes subject to the provisions of this Agreement, the Parent shall be entitled to require that all or any part of the Hedging Liabilities and/or the Operating Facility Liabilities shall rank in right and priority of payment *pari passu* with that Priority Revolving Facility (which, for the avoidance of doubt, may result in such Hedging Liabilities and/or, as the case may be, Operating Facility Liabilities ranking ahead of the Senior Notes Liabilities, the Permitted Senior Financing Liabilities, the Senior Parent Notes Liabilities and/or the Permitted Parent Financing Liabilities), in each case unless otherwise prohibited by the Debt Financing Agreements.

16.4 Further assurance

Without prejudice to the other provisions of this Clause 16, each Agent, each Secured Party and each Primary Creditor agrees that it shall co-operate with the Parent, each other member of the Group and each Agent in order to facilitate any Debt Refinancing (including by way of, at the request and cost of the Parent, executing any document or agreement and/or giving instructions to any person).

16.5 Additional Priority Revolving Facilities

For the avoidance of doubt, unless otherwise agreed by the Majority Senior Lenders and for the benefit of the Senior Lenders only, the provisions of Clause 16.1 (*Debt Refinancing*) shall not entitle the Parent to require amendments to this Agreement for the purpose of establishing a Priority Revolving Facility which would:

- (a) become subject to and benefit from the provisions of this Agreement; and

-
- (b) rank in right and priority of payment under this Agreement ahead of the Senior Lender Liabilities (other than as regards amounts of the type set out in paragraphs (a)(i) and (ii) of Clause 14.1 (*Order of application*)).

16.6 **Supplemental Security**

- (ii) restrict, limit or prejudice the rights and other benefits of the Debtors or any member of the Group under this Agreement or any other Debt Document.
- (d) Each of the Secured Parties agrees not to take any action to challenge the validity or enforceability of the Supplemental Security by reason of it being expressed to be second ranking (or any other lower ranking).

(a) Any communication or document made or delivered by one person to another under or in connection with this Agreement will only be effective:

- (b) Any communication or document to be made or delivered to the Security Agent will be effective only when actually received by the Security Agent and then only if it is expressly marked for the attention of the department or officer identified with the Security Agent's signature below (or any substitute department or officer as the Security Agent shall specify for this purpose).

23.5 **Notification of address and fax number**

Promptly upon receipt of notification of an address and fax number or change of address or fax number, pursuant to Clause 23.3 (*Addresses*), or changing its own address or fax number, the Security Agent shall notify the other Parties.

23.6 Electronic communication

- (a) Any communication to be made between the Security Agent and a Secured Party or a Debtor under or in connection with this Agreement may be made by electronic mail or other electronic means if the Security Agent and the relevant Secured Party or Debtor:
 - (i) agree that, unless and until notified to the contrary, this is to be an accepted form of communication (with such agreement to be deemed given by each person which is a Party at the date of this Agreement);
 - (ii) notify each other in writing of their electronic mail address and/or any other information required to enable the sending and receipt of information by that means; and
 - (iii) notify each other of any change to their address or any other such information supplied by them.
- (b) Any electronic communication made between the Security Agent and a Secured Party or a Debtor will be effective only when actually received in readable form and in the case of any electronic communication made by a Secured Party or a Debtor to the Security Agent only if it is addressed in such a manner as the Security Agent shall specify for this purpose.

- (b) All other documents provided under or in connection with this Agreement must be:
 - (i) in English; or
 - (ii) if not in English, and if so reasonably required by the Security Agent, accompanied by a certified English translation and, in this case, the English translation will prevail unless the document is a constitutional, statutory or other official document.

24. PRESERVATION

24.1 Partial invalidity

If, at any time, any provision of this Agreement is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of that provision under the law of any other jurisdiction will in any way be affected or impaired.

24.2 No impairment

If, at any time after its date, any provision of a Debt Document (including this Agreement) is not binding on or enforceable in accordance with its terms against a person expressed to be a party to that Debt Document, neither the binding nature nor the enforceability of that provision or any other provision of that Debt Document will be impaired as against the other party(ies) to that Debt Document.

24.3 Remedies and waivers

No failure to exercise, nor any delay in exercising, on the part of any Party, any right or remedy under this Agreement shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Agreement are cumulative and not exclusive of any rights or remedies provided by law.

24.4 Waiver of defences

The provisions of this Agreement will not be affected by an act, omission, matter or thing which, but for this Clause 24.4, would reduce, release or prejudice the subordination and priorities expressed to be created by this Agreement including (without limitation and whether or not known to any Party):

- (a) any time, waiver or consent granted to, or composition with, any Debtor or other person;
- (b) the release of any Debtor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Debtor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security;
- (d) any incapacity or lack of power, authority or legal personality of, or dissolution or change in, the members or status of any Debtor or other person;
- (e) any amendment, novation, supplement, extension (whether of maturity or otherwise) or restatement (in each case, however fundamental and of whatsoever nature, and whether or not more onerous) or replacement of a Debt Document or any other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Debt Document or any other document or security;
- (g) any intermediate Payment of any of the Liabilities owing to the Primary Creditors or the Operating Facility Lenders in whole or in part; or
- (h) any insolvency or similar proceedings.

24.5 Priorities not affected

Except as otherwise provided in this Agreement, the priorities referred to in Clause 2 (*Ranking and priority*) will:

- (a) not be affected by any reduction or increase in the principal amount secured by the Transaction Security in respect of the Liabilities owing to the Primary Creditors or Operating Facility Lenders by any intermediate reduction or increase in, amendment or variation to any of the Debt Documents, or by any variation or satisfaction of any of the Liabilities or any other circumstances;
- (b) apply regardless of the order in which or dates upon which this Agreement and the other Debt Documents are executed or registered or notice of them is given to any person; and
- (c) secure the Liabilities owing to the Primary Creditors and the Operating Facility Lenders in the order specified, regardless of the date upon which any of the Liabilities arise or of any fluctuations in the amount of any of the Liabilities outstanding.

25. **CONSENTS, AMENDMENTS AND OVERRIDE**

25.1 **Required Consents**

- (a) Subject to paragraphs (b) to (f) below, Clause 25.2 (*Amendments and waivers: Security Documents*) and Clause 25.4 (*Exceptions*), this Agreement and/or a Security Document may be amended or waived only with the written consent of:
- (i) if the relevant amendment or waiver (the “**Proposed Amendment**”) is prohibited by the Senior Facilities Agreement, the Senior Facility Agent (acting on the instructions of the requisite Senior Lenders in accordance with clause 39 (*Amendments and waivers*) of the Senior Facilities Agreement);
 - (ii) if any Senior Notes have been issued and the Proposed Amendment is prohibited by the terms of the relevant Senior Notes Indenture, the Senior Notes Trustee;
 - (iii) if the Proposed Amendment is prohibited by the terms of the Second Lien Facility Agreement, the Second Lien Facility Agent (acting on the instructions of the requisite Second Lien Lenders in accordance with clause 36 (*Amendments and waivers*) of the Second Lien Facility Agreement);
 - (iv) if any Permitted Senior Financing Debt has been incurred and the Proposed Amendment is prohibited by the terms of the relevant Permitted Senior Financing Agreement, the Senior Creditor Representative in respect of that Permitted Senior Financing Debt (if applicable, acting on the instructions of the Majority Permitted Senior Financing Creditors);
 - (v) if any Permitted Second Lien Financing Debt has been incurred and the Proposed Amendment is prohibited by the terms of the relevant Permitted Second Lien Financing Agreement, the Second Lien Creditor Representative in respect of that Permitted Second Lien Financing Debt (if applicable, acting on the instructions of the Majority Permitted Second Lien Financing Creditors);
 - (vi) if any Senior Parent Notes have been issued and the Proposed Amendment is prohibited by the terms of the relevant Senior Parent Notes Indenture, the Senior Parent Notes Trustee;
 - (vii) if any Permitted Parent Financing Debt has been incurred and the Proposed Amendment is prohibited by the terms of the relevant Permitted Parent Financing Agreement, the Senior Parent Creditor Representative in respect of that Permitted Parent Financing Debt (if applicable, acting on the instructions of the Majority Permitted Parent Financing Creditors);
 - (viii) if a Hedge Counterparty is providing hedging to a Debtor under a Hedging Agreement, that Hedge Counterparty (in each case only to the extent that the relevant amendment or waiver adversely affects the continuing rights and/or obligations of that Hedge Counterparty and is an amendment or waiver which is expressed to require the consent of that Hedge Counterparty under the applicable Hedging Agreement, as notified by the Parent to the Security Agent at the time of the relevant amendment or waiver);

-
- (ix) if an Operating Facility Lender is providing one or more facility to a Debtor under an Operating Facility Document, that Operating Facility Lender (in each case only to the extent that the relevant amendment or waiver adversely affects the continuing rights and/or obligations of that Operating Facility Lender and is an amendment or waiver which is expressed to require the consent of that Operating Facility Lender under the applicable Operating Facility Document, as notified by the Parent to the Security Agent at the time of the relevant amendment or waiver);
 - (x) the Investors; and
 - (xi) the Parent.
- (b) Notwithstanding anything to the contrary, any amendment or waiver of any Secured Debt Document made or effected in accordance with:
- (i) Clause 2.5 (*Additional and/or Refinancing debt*), Clause 13.1 (*Non-Distressed Disposals*), Clause 16 (*Additional debt*) or any other provision of this Agreement; or
 - (ii) any other provision of any Secured Debt Document (provided that such amendment or waiver is not expressly prohibited by the terms of any other Secured Debt Document),
- shall be binding on all Parties.
- (c) Any amendment, waiver or consent which relates only to the rights or obligations applicable to Creditors under a particular Debt Financing Agreement (and which does not materially and adversely affect the rights or interests of Creditors under other Debt Financing Agreements) may be approved with only the consent of the Agent in respect of that Debt Financing Agreement (if applicable, acting on the instructions of the requisite Creditors under that Debt Financing Agreement) and the Parent. For the avoidance of doubt, this paragraph (c) is without prejudice to the ability to effect, make or grant any amendment, waiver or consent pursuant to or in accordance with paragraph (a) above or any other provision of this Clause 25.
- (d) Notwithstanding anything to the contrary in the Secured Debt Documents, a Secured Party may unilaterally waive, relinquish or otherwise irrevocably give up all or any of its rights under any Secured Debt Document with the consent of the Parent.
- (e) Any term of this Agreement or a Security Document may be amended or waived by the Parent and the Security Agent without the consent of any other Party if that amendment or waiver is:
- (i) to cure defects or omissions, resolve ambiguities or inconsistencies or reflect changes of a minor, technical or administrative nature; or
 - (ii) otherwise for the benefit of all or any of the Secured Parties.
- (f) Notwithstanding anything to the contrary, if any amendment, waiver or consent requested by the Parent in relation to this Agreement and/or the Security Documents:
- (i) is not prohibited by the terms of any Debt Financing Agreement (provided that, for the avoidance of doubt, this paragraph (i) shall not override (A) any express requirement or restriction in a Debt Financing Agreement in relation to the matter, step or action the subject of the proposed amendment, waiver or consent or (B) any express requirement for consent under Clause 4.3 (*Permitted Payments: Hedging Liabilities*) or Clause 6.2 (*Permitted Senior Parent Payments*)); or

- (ii) has been approved by the requisite Senior Secured Creditors or, as the case may be, Senior Parent Creditors under each Debt Financing Agreement that otherwise prohibits that amendment, waiver or consent,

that amendment, waiver or consent shall be automatically and immediately deemed to have been approved and given for all purposes under this Agreement (and, if applicable, the relevant Security Documents). If the terms of any Debt Financing Agreement:

- (A) require the relevant Agent or Creditors to provide approval (or deem approval to have been provided) for any particular amendment, waiver or consent (for the avoidance of doubt, excluding any such terms which expressly entitle the relevant Agent or Creditors to withhold their approval for that amendments, waiver or consent); or
- (B) do not seek to regulate the relevant matter, step or action the subject of the amendment, waiver or consent (which shall be the case if the amendment or waiver of any relevant document or agreement is not expressly regulated by that Debt Financing Agreement and such amendment or waiver does not relate to a matter, step or action which is the subject of an express requirement or restriction in that Debt Financing Agreement),

for the purpose of this Clause 25 that amendment, waiver or consent shall not be prohibited by the terms of that Debt Financing Agreement.

For the purpose of this paragraph (f) and paragraph (a) of Clause 16.2 (*Debt Refinancing terms*) only, the term Debt Financing Agreement shall include any Hedging Agreement pursuant to which the consent of a Hedge Counterparty is expressly required for the relevant amendment or waiver under and in accordance with sub-paragraph (a)(vi) above.

25.2 Amendments and waivers: Security Documents

- (a) Without prejudice to any amendment, waiver or consent approved in accordance with Clause 25.1 (*Required consents*) and subject to paragraph (b) below and to paragraph (b) of Clause 25.4 (*Exceptions*), the Security Agent may, if authorised by an Instructing Group, and if the Parent consents, amend the terms of, waive any of the requirements of or grant consents under, any of the Security Documents which shall be binding on each Party.
- (b) Subject to paragraphs (b) and (c) of Clause 25.4 (*Exceptions*), in case of any amendment or waiver of, or consent under, any Security Document which would adversely affect the nature or scope of the Charged Property or the manner in which the proceeds of enforcement of the Transaction Security are distributed, that amendment, waiver or consent shall require approval in accordance with Clause 25.1 (*Required consents*).

25.3 Effectiveness

Any amendment, waiver or consent given, made or effected in accordance with any of the provisions of this Clause 25, or in accordance with any other term of any Secured Debt Document, will be binding on all Parties and the Security Agent may effect, on behalf of any Agent, Arranger, Co-Manager, Creditor or Operating Facility Lender, any amendment, waiver or consent permitted by this Clause 25 or any other term of any Secured Debt Document.

25.4 Exceptions

- (a) Subject to paragraphs (b) and (c) below, an amendment, waiver or consent which adversely relates to the express rights or obligations of an Agent, an Arranger, a Co-Manager or the Security Agent (in each case in such capacity) may not be effected without the consent of that Agent, that Arranger, that Co-Manager or the Security Agent (as the case may be) at such time.
- (b) Neither paragraph (a) above nor Clause 25.2 (*Amendments and waivers: Security Documents*) shall apply:
 - (i) to any release of Transaction Security, claim or Liabilities; or
 - (ii) to any consent,which, in each case, the Security Agent gives in accordance with Clause 13 (*Proceeds of disposals and adjustment of mandatory prepayments*).
- (c) Paragraph (a) above shall apply to an Arranger or a Co-Manager only to the extent that Arranger Liabilities are then owed to that Arranger or that Co-Manager.

25.5 Calculation of credit participations

- (a) For the purpose of ascertaining whether any relevant percentage of Senior Secured Credit Participations, Second Lien Secured Credit Participations or Senior Parent Credit Participations has been obtained under this Agreement, the relevant Agent or the Security Agent may notionally convert any Senior Secured Credit Participations, Second Lien Secured Credit Participations or, as the case may be, Senior Parent Credit Participations into their Common Currency Amounts.
- (b) Each Agent will, upon request from the Security Agent, promptly provide the Security Agent with:
 - (i) details of the Senior Secured Credit Participations of the Senior Secured Creditors whom it represents and (if applicable) details of the extent to which such Senior Secured Credit Participations have been voted for or against any request;
 - (ii) details of the Second Lien Secured Credit Participations of the Second Lien Secured Creditors whom it represents and (if applicable) details of the extent to which such Second Lien Secured Credit Participations have been voted for or against any request; and
 - (iii) details of the Senior Parent Credit Participations of the Senior Parent Creditors whom it represents and (if applicable) details of the extent to which such Senior Parent Credit Participations have been voted for or against any request.
- (c) Each Hedge Counterparty will, upon request from the Security Agent or any other Agent, promptly provide the Security Agent with details of its Senior Secured Credit Participations (which shall be calculated as at the same time stipulated by the Security Agent or the relevant Agent (as applicable) in such request) and (if applicable) details of the extent to which such Senior Secured Credit Participations have been voted for or against any request.

25.6 Deemed consent

- (a) If, at any time prior to the First/Second Lien Discharge Date, the Senior Secured Creditors (or the requisite Senior Secured Creditors) and the Parent give a Consent in respect of any Senior Debt Documents then, if that action was permitted by the terms of this Agreement, the Intra-Group Lenders will (or will be deemed to):

- (i) give a corresponding Consent in equivalent terms in relation to each of the Debt Documents to which they are a party; and
 - (ii) do anything (including executing any document) that the Security Agent and the Parent may reasonably require by written notice to give effect to this paragraph (a).
- (b) If, at any time on or after the First/Second Lien Discharge Date and before the Senior Parent Discharge Date, the Senior Parent Creditors (or the requisite Senior Parent Creditors) and the Parent give a Consent in respect of the Senior Parent Finance Documents then, if that action was permitted by the terms of this Agreement, the Intra-Group Lenders will (or will be deemed to):
- (i) give a corresponding Consent in equivalent terms in relation to each of the Debt Documents to which they are a party; and
 - (ii) do anything (including executing any document) that the Security Agent and the Parent may reasonably require by written notice to give effect to this paragraph (b).

25.7 Excluded consents

Clause 25.6 (*Deemed consent*) does not apply to any Consent which has the effect of:

- (a) increasing or decreasing the Liabilities;
- (b) changing the basis upon which any Permitted Payments are calculated (including the timing, currency or amount of such Payments); or
- (c) changing the terms of this Agreement or of any Security Document.

25.8 Senior Parent administrative consents

If the Senior Secured Creditors (or the requisite Senior Secured Creditors) at any time give any Consent in relation to any of the Senior Debt Documents of a minor, technical or administrative nature which does not adversely affect the interests of the Senior Parent Creditors or change the commercial terms contained in the Senior Parent Finance Documents then, if that action was approved by the Parent and permitted by the terms of this Agreement, the Senior Parent Creditors will (or will be deemed to):

- (a) give a corresponding Consent in equivalent terms in relation to each of the Secured Debt Documents to which they are a party; and
- (b) do anything (including executing any document) that the Security Agent and the Parent may reasonably require by written notice to give effect to this Clause 25.8.

25.9 No liability

None of the Senior Secured Creditors or the Agents will be liable to any other Creditor, Agent or Debtor for any Consent given or deemed to be given under this Clause 25.

25.10 Agreement to override

Unless expressly stated otherwise in this Agreement, this Agreement overrides anything in the Debt Documents to the contrary.

26. **NOTES TRUSTEE**

26.1 **Liability**

- (a) Each Notes Trustee enters into this Agreement not individually or personally but solely in its capacity as trustee in the exercise of the powers and authority conferred and vested in it under the relevant Notes Finance Documents for and on behalf of the Noteholders for which the Notes Trustee acts as trustee. Each Notes Trustee shall have no liability for acting for itself or in any capacity other than as trustee and nothing in this Agreement shall impose on it any obligation to pay any amount out of its personal assets. Notwithstanding any other provision of this Agreement, its obligations hereunder (if any) to make any payment of any amount or to hold any amount on trust shall be only to make payment of such amount to or hold any such amount on trust to the extent that (i) it has actual knowledge that such obligation has arisen and (ii) it has received and, on the date on which it acquires such actual knowledge, has not distributed to the Noteholders for which it acts as trustee in accordance with the relevant Notes Indenture any such amount.
- (b) In no case shall any Notes Trustee be (i) personally responsible, liable or accountable in damages or otherwise to any other Party for any loss, damage or claim incurred by reason of any act or omission performed or omitted by that Notes Trustee in good faith in accordance with this Agreement or any of the Notes Finance Documents in a manner that such Notes Trustee believed to be within the scope of the authority conferred on it by this Agreement or any of the Notes Finance Documents or by law, or (ii) personally liable for or on account of any of the statements, representations, warranties, covenants or obligations stated to be those of any other Party, all such liability, if any, being expressly waived by the Parties and any person claiming by, through or under such Party; provided, however, that each Notes Trustee shall be personally liable under this Agreement for its own gross negligence or wilful misconduct. It is also acknowledged and agreed that no Notes Trustee shall have any responsibility or liability for the actions of any individual Creditor or Noteholder (save in respect of its own actions).
- (c) Notwithstanding anything in this Agreement to the contrary, each Notes Trustee shall only have an obligation to turn over or repay amounts received under this Agreement by it if (i) it had actual knowledge that the receipt or recovery is an amount received in breach of this Agreement and (ii) to the extent that, prior to receiving such knowledge, it had not distributed the amount of such receipt or recovery in accordance with the relevant Notes Indenture. No Notes Trustee shall be charged with knowledge (actual or otherwise) or existence of facts that would impose any obligation on it hereunder to make any payment or prohibit it from making any payment unless, not less than two Business Days prior to the date of such payment, a Responsible Officer of the Notes Trustee receives written notice satisfactory to it that such payments are required or prohibited by this Agreement.
- (d) Notwithstanding anything contained herein, no provision of this Agreement shall alter or otherwise affect the rights and obligations of the Parent or any other Debtor to make payments in respect of Notes Trustee Amounts as and when the same are due and payable pursuant to the applicable Notes Finance Documents or the receipt and retention by any Notes Trustee of the same or the taking of any step or action by any Notes Trustee in respect of its rights under the applicable Notes Finance Documents to the same.

-
- (e) No Notes Trustee is responsible for the appointment or for monitoring the performance of the Security Agent.
 - (f) The Security Agent agrees and acknowledges that it shall have no claim against any Notes Trustee in respect of any fees, costs, expenses and liabilities due and payable to, or incurred by, the Security Agent.
 - (g) No Notes Trustee shall be under any obligation to instruct or direct the Security Agent to take any Enforcement Action unless it has been instructed to do so by the relevant Noteholders and has been indemnified and/or secured and/or prefunded to its satisfaction.
 - (h) The provisions of this Clause 26 shall survive the termination of this Agreement.

26.2 No action

- (a) Notwithstanding any other provision of this Agreement, no Notes Trustee shall have any obligation to take any action under this Agreement unless it is indemnified and/or secured and/or prefunded to its satisfaction in respect of all costs, expenses and liabilities which it would in its opinion thereby incur (including legal fees together with any associated VAT). No Notes Trustee shall have an obligation to indemnify any other person, whether or not a Party, in respect of any of the transactions contemplated by this Agreement. In no event shall the permissive rights of a Notes Trustee to take action under this Agreement be construed as an obligation to do so.
- (b) Prior to taking any action under this Agreement any Notes Trustee may request and rely upon an opinion of counsel or opinion of another qualified expert, at the expense of the Parent or another Debtor.
- (c) Notwithstanding any other provisions of this Agreement or any other Notes Finance Document to which a Notes Trustee is a party to, in no event shall a Notes Trustee be liable for special, indirect, punitive or consequential loss or damages of any kind whatsoever (including but not limited to loss of business, goodwill, opportunity or profits) whether or not foreseeable even if such Notes Trustee has been advised of the likelihood of such loss or damage and regardless of whether the claim for loss or damage is made in negligence, for breach of contract or otherwise.

26.3 Reliance on certificates

Any Notes Trustee shall be entitled to and may rely on any notice, consent or certificate given or granted by any Party without being under any obligation to enquire or otherwise determine whether any such notice, consent or certificate has been given or granted by such Party properly acting in accordance with the provisions of this Agreement.

26.4 No fiduciary duty

No Notes Trustee shall be deemed to owe any fiduciary duty to any Creditor (save in respect of such persons for whom it acts as trustee) and shall not be personally liable to any Creditor if it shall in good faith mistakenly pay over or distribute to any Creditor or to any other person cash, property or securities to which the other Creditor shall be entitled by virtue of this Agreement or otherwise. With respect to the Creditors, each Notes Trustee undertakes to perform or to observe only such of its covenants or obligations as are specifically set forth in the Notes Finance Documents pursuant to which it acts as trustee and this Agreement and no implied agreement, covenants or obligations with respect to the other Creditors shall be read into this Agreement against any Notes Trustee.

26.5 Debt assumptions

- (a) Each Notes Trustee is entitled to assume that in respect of the Senior Liabilities and the Senior Parent Liabilities:
- (i) no Senior Payment Default has occurred;
 - (ii) no Second Lien Payment Default has occurred;
 - (iii) none of the Senior Creditor Liabilities, Second Lien Liabilities or Senior Parent Liabilities have been accelerated;
 - (iv) no Default, Event of Default or termination event (however described) has occurred; and
 - (v) neither the First/Second Lien Discharge Date nor the Senior Parent Discharge Date has occurred, unless a Responsible Officer of the relevant Notes Trustee has actual knowledge to the contrary.
- (b) No Notes Trustee is obliged to monitor or enquire whether any Event of Default has occurred.

26.6 Creditors

In acting pursuant to this Agreement and the relevant Notes Indenture, no Notes Trustee is required to have any regard to the interests of the Senior Lenders, Second Lien Lenders, Permitted Senior Financing Creditors, Permitted Second Lien Financing Creditors, Permitted Parent Financing Creditors, Hedge Counterparties, Operating Facility Lenders (in the case of the Senior Parent Notes Trustee) the Senior Notes Creditors or (in the case of the Senior Notes Trustee) the Senior Parent Notes Creditors.

Each Notes Trustee may:

- (a) rely on any notice or document believed by it to be genuine and correct and to have been signed by, or with the authority of, the proper person;
- (b) rely on any statement made by any person regarding any matters which may be assumed to be within its powers to verify; and
- (c) engage, pay for and rely on professional advisers selected by it (including those representing a person other than such Notes Trustee).

26.8 Other Parties not affected

No provision of this Clause 26 shall alter or change the rights and obligations as between the other Parties in respect of each other. This Clause 26 is intended to afford protection to the Notes Trustees only.

26.9 Instructions

In acting under this Agreement, each Notes Trustee is entitled to seek instructions from the Noteholders for whom it is acting as trustee at any time and, where it acts on the instructions of the Noteholders, no Notes Trustee shall incur any liability to any person for so acting. No Notes Trustee is liable to any person for any loss suffered as a result of any delay caused as a result of its seeking instructions from such Noteholders.

26.10 Responsibility of Notes Trustee

- (a) No Notes Trustee shall be responsible to any other Secured Party for the legality, validity, effectiveness, enforceability, adequacy, accuracy, completeness or performance of:
 - (i) any Secured Debt Document or any other document;
 - (ii) any statement or information (whether written or oral) made in or supplied in connection with any Secured Debt Document or any other document; or
 - (iii) any observance by any Debtor of its obligations under any Secured Debt Document or any other document.
- (b) Each Notes Trustee may rely and shall be fully protected in acting or refraining from acting upon any notice, certificate or other document reasonably believed by it to be genuine and correct and to have been signed by, or with the authority of, the proper person.

26.11 Confirmation

Without affecting the responsibility of any Debtor or the Parent for information supplied by it or on its behalf in connection with any Debt Document, each Secured Party (other than the Notes Trustees (in their personal capacity) and the Security Agent) confirms that it:

- (a) has made, and will continue to make, its own independent appraisal of all risks arising under or in connection with the Secured Debt Documents (including the financial condition and affairs of each Debtor or their related entities and the nature and extent of any recourse against any Party or its assets); and
- (b) has not relied on any information provided to it by the Notes Trustee in connection with any Secured Debt Documents.

26.12 Provision of information

No Notes Trustee is obliged to review or check the adequacy, accuracy or completeness of any document it forwards to another Party. No Notes Trustee is responsible for:

- (a) providing any Secured Party with any credit or other information concerning the risks arising under or in connection with the Debt Documents (including any information relating to the financial condition or affairs of any Debtor, the Parent or their related entities or the nature or extent of recourse against any Party or its assets) whether coming into its possession before, on or after the date of this Agreement; or
- (b) obtaining any certificate or other document from any Debtor or the Parent.

26.13 Departmentalism

In acting as a Notes Trustee, each Notes Trustee shall be treated as acting through its agency division, which shall be treated as a separate entity from its other divisions and departments. Any information received or acquired by a Notes Trustee which, in its opinion, is received or acquired by some other division or department or otherwise than in its capacity as a Notes Trustee may be treated as confidential by such Notes Trustee and will not be treated as information possessed by a Notes Trustee in its capacity as such.

26.14 **Disclosure of information**

Each Debtor irrevocably authorises any Notes Trustee to disclose to any Secured Party any information that is received by that Notes Trustee in its capacity as a Notes Trustee.

26.15 **Illegality**

Each Notes Trustee may refrain from doing anything (including disclosing any information) which might, in its opinion, constitute a breach of any law or regulation and may do anything which, in its opinion, is necessary or desirable to comply with any law or regulation.

26.16 **Resignation of Notes Trustee**

Each Notes Trustee may resign or be removed in accordance with the terms of the applicable Notes Indenture, provided that a replacement Notes Trustee agrees with the Parties to become the replacement trustee under this Agreement by the execution of a Creditor/Agent Accession Undertaking.

26.17 **Notes Trustee assumptions**

(a) Each Notes Trustee is entitled to assume that:

- (i) any payment or other distribution made pursuant to this Agreement in respect of the Senior Parent Liabilities, Second Lien Liabilities or Senior Notes Liabilities (as the case may be) has been made in accordance with the ranking in Clause 2 (*Ranking and priority*) and is not prohibited by any provisions of this Agreement and is made in accordance with these provisions;
- (ii) the proceeds of enforcement of any Security conferred by the Security Documents have been applied in the order set out in Clause 14 (*Application of proceeds*);
- (iii) any Security, collateral, guarantee or indemnity or other assurance granted to it has been so granted in compliance with Clause 3.3 (*Security and guarantees: Senior Secured Creditors*) or, as the case may be, Clause 6.1 (*Restriction on Payment and dealings: Senior Parent Liabilities*); and
- (iv) any Senior Notes or Senior Parent Notes issued comply with the provisions of this Agreement, unless a Responsible Officer of such Notes Trustee has actual knowledge to the contrary.

(b) No Notes Trustee shall have any obligation under Clause 9 (*Effect of Insolvency Event*) or Clause 11 (*Redistribution*) in respect of amounts received or recovered by it unless (i) a Responsible Officer has actual knowledge that such Clauses apply to the receipt or recovery, and (ii) it has not distributed to the relevant Noteholders in accordance with the Notes Indenture any amount so received or recovered.

26.18 **Agents**

Each Notes Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any attorney or agent appointed with due care by it hereunder.

26.19 **No requirement for bond or surety**

No Notes Trustee shall be required to give any bond or surety with respect to the performance of its duties or the exercise of its powers under this Agreement.

27. **GUARANTEE AND INDEMNITY**

27.1 **Guarantee and indemnity**

Each Debtor irrevocably and unconditionally jointly and severally:

- (a) guarantees to each Guarantee Party punctual performance by each other Debtor of all that Debtor's obligations under the Guarantee Agreements;
- (b) undertakes with each Guarantee Party that whenever another Debtor does not pay any amount when due (allowing for any applicable grace period) under or in connection with any Guarantee Agreement, that Debtor shall immediately on demand pay that amount as if it was the principal obligor; and
- (c) agrees with each Guarantee Party that if any obligation guaranteed by it is or becomes unenforceable, invalid or illegal, it will, as an independent and primary obligation, indemnify that Guarantee Party immediately on demand against any cost, loss or liability it incurs as a result of a Debtor not paying any amount which would, but for such unenforceability, invalidity or illegality, have been payable by it under any Guarantee Agreement on the date when it would have been due. The amount payable by a Debtor under this indemnity will not exceed the amount it would have had to pay under this Clause 27 if the amount claimed had been recoverable on the basis of a guarantee.

27.2 **Continuing guarantee**

This guarantee is a continuing guarantee and will extend to the ultimate balance of sums payable by any Debtor under the Guarantee Agreements, regardless of any intermediate payment or discharge in whole or in part.

27.3 **Reinstatement**

If any discharge, release or arrangement (whether in respect of the obligations of any Debtor or any security for those obligations or otherwise) is made by a Guarantee Party in whole or in part on the basis of any payment, security or other disposition which is avoided or must be restored in insolvency, liquidation, judicial management, administration or otherwise, without limitation, then the liability of each Debtor under this Clause 27 will continue or be reinstated as if the discharge, release or arrangement had not occurred.

27.4 **Waiver of defences**

The obligations of each Debtor under this Clause 27 will not be affected by an act, omission, matter or thing which, but for this Clause 27, would reduce, release or prejudice any of its obligations under this Clause 27 (without limitation and whether or not known to it or any Guarantee Party) including:

- (a) any time, waiver or consent granted to, or composition with, any Debtor or other person;
- (b) the release of any other Debtor or any other person under the terms of any composition or arrangement with any creditor of any member of the Group;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Debtor or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;

- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Debtor or any other person;
- (e) any amendment, novation, supplement, extension, restatement (however fundamental and whether or not more onerous) or replacement of a Guarantee Agreement or any other document or security including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Guarantee Agreement or other document or security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Guarantee Agreement or any other document or security; or
- (g) any insolvency or similar proceedings.

27.5 Debtor intent

Without prejudice to the generality of Clause 27.4 (*Waiver of defences*), each Debtor expressly confirms that it intends that this guarantee shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to any of the Guarantee Agreements and/or any facility or amount made available under any of the Guarantee Agreements for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time to time; and any fees, costs and/or expenses associated with any of the foregoing.

27.6 Immediate recourse

Each Debtor waives any right it may have of first requiring any Guarantee Party (or any trustee or agent on its behalf) to proceed against or enforce any other rights or security or claim payment from any person before claiming from that Debtor under this Clause 27. This waiver applies irrespective of any law or any provision of a Guarantee Agreement to the contrary.

27.7 Appropriations

Until all amounts which may be or become payable by the Debtors under or in connection with the Guarantee Agreements have been irrevocably paid in full, each Guarantee Party (or any trustee or agent on its behalf) may:

- (a) refrain from applying or enforcing any other moneys, security or rights held or received by that Guarantee Party (or any trustee or agent on its behalf) in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Debtor shall be entitled to the benefit of the same; and
- (b) hold in an interest-bearing suspense account any moneys received from any Debtor or on account of any Debtor's liability under this Clause 27.

27.8 **Deferral of Debtors' rights**

Until all amounts which may be or become payable by the Debtors under or in connection with the Guarantee Agreements have been irrevocably paid in full and unless any relevant Guarantee Party otherwise directs, no Debtor will exercise any rights which it may have by reason of performance by it of its obligations under the Guarantee Agreements or by reason of any amount being payable, or liability arising, under this Clause 27:

- (a) to be indemnified by a Debtor;
- (b) to claim any contribution from any other guarantor of any Debtor's obligations under the Guarantee Agreements;
- (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Guarantee Parties under the Guarantee Agreements or of any other guarantee or security taken pursuant to, or in connection with, the Guarantee Agreements by any Guarantee Party;
- (d) to bring legal or other proceedings for an order requiring any Debtor to make any payment, or perform any obligation, in respect of which any Debtor has given a guarantee, undertaking or indemnity under Clause 27.1 (*Guarantee and indemnity*);
- (e) to exercise any right of set-off against any Debtor; and/or
- (f) to claim or prove as a creditor of any Debtor in competition with any Guarantee Party.

If a Debtor receives any benefit, payment or distribution in relation to such rights it shall hold that benefit, payment or distribution to the extent necessary to enable all amounts which may be or become payable to the Guarantee Parties by the Debtors under or in connection with the Guarantee Agreements to be repaid in full on trust for the Guarantee Parties.

27.9 **Release of Debtors' right of contribution**

If any Debtor (a "**Retiring Debtor**") ceases to be a Debtor in accordance with the terms of the Guarantee Agreements for the purpose of any sale or other disposal of that Retiring Debtor or any of its Holding Companies (other than the Parent) then on the date such Retiring Debtor ceases to be a Debtor:

- (a) that Retiring Debtor is released by each other Debtor from any liability (whether past, present or future and whether actual or contingent) to make a contribution to any other Debtor arising by reason of the performance by any other Debtor of its obligations under the Guarantee Agreements; and
- (b) each other Debtor waives any rights it may have by reason of the performance of its obligations under the Guarantee Agreements to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any rights of the Guarantee Parties under any Guarantee Agreement or of any other security taken pursuant to, or in connection with, any Guarantee Agreement where such rights or security are granted by or in relation to the assets of the Retiring Debtor.

27.10 **Additional security**

This guarantee is in addition to and is not in any way prejudiced by any other guarantee or security now or subsequently held by any Guarantee Party.

27.11 **Guarantee limitations**

This guarantee and the obligations and liabilities of each Debtor under and in connection with the Guarantee Agreements (including, without limitation, this Clause 27):

- (a) does not apply to any liability to the extent that it would result in this guarantee being illegal, in breach of law or regulation, or constituting unlawful financial assistance in any relevant jurisdiction (including, for the avoidance of doubt, within the meaning of section 678 or 679 of the Companies Act 2006 applicable to members of the Group incorporated in the United Kingdom and within the meaning of section 7 or 7A of the Isle of Man Companies Act 1992 applicable to members of the Group incorporated under the Isle of Man Companies Acts 1931 to 2004) concerning the financial assistance by that company for the acquisition of, or subscription for, shares or concerning the protection of shareholders' capital; and
- (b) is and shall be subject to Clauses 27.12 (*Luxembourg guarantee limitations*) to 27.14 (*Limitations – Regulated Entities*) and any other limitations set out in this Agreement or in a Debtor Accession Deed applicable to such Debtor or the jurisdiction of incorporation of such Debtor,

and any guarantee, indemnity, obligations and liabilities of each Debtor shall be construed accordingly.

27.12 **Luxembourg guarantee limitations**

- (a) Notwithstanding the foregoing and any other provision of any Guarantee Agreement to the contrary, the obligations and liabilities of any Debtor incorporated in Luxembourg (a "**Luxembourg Debtor**") under any Guarantee Agreement for the obligations of any other Debtor which is not a Subsidiary of that Luxembourg Debtor shall be limited at any time (with no double counting), to an aggregate amount not exceeding 95 per cent. of the greater of:
 - (i) the sum of:
 - (A) the Luxembourg Debtor's own funds (*capitaux propres*) (as referred to in Annex I to the Grand Ducal Regulation dated 18 December 2015 setting out the form and content of the presentation of the balance sheet and profit and loss account, enforcing the Luxembourg law of 19 December 2002 on the commercial companies' register and the accounting and annual accounts of undertakings, as amended (the "**Grand Ducal Regulation**") (the "**Own Funds**"); and
 - (B) all debt owed by such Luxembourg Debtor to any of its direct or indirect shareholders and to any member of the Group (recorded in any of the categories of the debt section (*dettes*) of Annex I to the Grand Ducal Regulation) (the "**Intra-Group Debt**"), both as determined on the basis of the then latest available annual accounts of the Luxembourg Debtor duly established in accordance with applicable accounting rules, as at the date this Agreement was entered into; or

(ii) the sum of:

(A) the Own Funds; and

(B) the Intra-Group Debt,

in each case as determined on the basis of the then latest available annual accounts of the Luxembourg Debtor duly established in accordance with applicable accounting rules, as at the date on which the relevant guarantee or security interest is called or enforced (as applicable).

(b) Where, for the purpose of the above determination:

(i) no duly established annual accounts are available for the relevant reference period (which will include a situation where, in respect of the determinations to be made above, no final annual accounts have been established in due time in respect of the then most recently ended financial year);

(ii) the relevant annual accounts do not adequately reflect the status of the Own Funds and/or the Intra-Group Debt as envisaged above;

(iii) the Luxembourg Debtor has taken corporate or contractual actions having resulted in the increase of its Own Funds and/or its Intra-Group Debt since the close of its last financial year; or

(iv) the Intra-Group Debt cannot be determined on the basis of the available annual accounts, nor on the basis of the standard chart of accounts of the Luxembourg Debtor (which the Luxembourg Debtor undertakes to disclose to the relevant Guarantee Party for such purpose, when required),

the Own Funds and/or the Intra-Group Debt will be valued at the fair market value as determined by an external auditor (*réviseur d'entreprises agréé*) appointed by the Security Agent, whose valuation shall be binding save in case of manifest error.

(c) The above limitation shall not apply to any amounts borrowed under the Guarantee Agreement and in each case made available directly or indirectly, in any form whatsoever, to such Luxembourg Debtor or any of its subsidiaries.

(d) Notwithstanding anything herein to the contrary, the obligations and liabilities of such Luxembourg Debtor shall not include any obligation or liability to the extent that, if so included, it would constitute an abuse of assets as defined in article 171-1 of the Luxembourg law on commercial companies dated 10 August 1915, as amended.

27.13 US guarantee limitations

(a) In this Clause, “**fraudulent transfer law**” means any applicable United States bankruptcy and State fraudulent transfer and conveyance statute and any related case law; and terms used in this Clause are to be construed in accordance with the fraudulent transfer laws.

(b) Each Guarantee Party acknowledges and agrees that each U.S. Debtor’s liability under this Clause is limited so that no obligation of, or transfer by, any U.S. Debtor under any Guarantee Agreement is subject to avoidance and turnover under any fraudulent transfer law.

- (c) Notwithstanding any term of this Agreement or any Guarantee Agreement, no obligation of a U.S. Debtor under this Agreement or under any Guarantee Agreement may be, directly or indirectly: (i) guaranteed by a member of the Group (including, for this purpose, any direct or indirect subsidiaries acquired hereafter by the Company) that is a “**controlled foreign corporation**” (as defined in Section 957(a) of the U.S. Internal Revenue Code) that has a “**United States shareholder**” (as defined in Section 951 of the U.S. Internal Revenue Code) that is a member of the Group (such an entity, a “**CFC**”) or by an entity (a “**FSHCO**”) substantially all the assets of which consist of equity interests (or equity interests and indebtedness) of one or more CFCs or other FSHCOs, or guaranteed by a Subsidiary of a CFC or FSHCO; (ii) secured by any assets of a CFC, FSHCO or a Subsidiary of a CFC or a FSHCO (including any CFC or FSHCO equity interests held directly or indirectly by a CFC or FSHCO); (iii) secured by a pledge or other security interest in excess of 65% of the voting equity interests (and 100% of the non-voting equity interests) of a CFC or FSHCO; or (iv) guaranteed by any Subsidiary or secured by a pledge of or security interest in any Subsidiary or other asset, if it would result in material adverse US tax consequences to any member of the Group that is organised or tax resident in the United States as reasonably determined by the Debtors and the Parent, and the relevant Guarantee Parties.

27.14 **Limitations – Regulated Entities**

- (a) Notwithstanding anything set out to the contrary in this Agreement or any other Guarantee Agreement, the obligations and liabilities of each Regulated Entity which is a Debtor under this Clause 27 or any other provision of this Agreement or any other Guarantee Agreement to which it is a party shall be limited:
- (i) to the material Unrestricted Assets of that Regulated Entity (subject to and in accordance with the Agreed Security Principles); and
 - (ii) such that the Guarantee Parties shall only have recourse against each Regulated Entity to the extent that such recourse does not affect the availability (immediately and without restriction) of Assets to cover, or have a result where the Regulated Entity does not satisfy, a Capital Requirement as at the date the relevant Guarantee Party takes enforcement action (however described) against such Regulated Entity under this Clause 27 or any other provision of this Agreement or any other Guarantee Agreement to which it is a party.
- (b) For the purposes of this Clause 27, “**Assets**” means the assets of each Regulated Entity accounted for as such in each Regulated Entity’s financial statements.

27.15 **Excluded Swap Obligations**

Notwithstanding anything to the contrary in this Agreement or any other Debt Document, the guarantee of each Debtor under this Clause 27 does not apply to any Excluded Swap Obligation of such Debtor (and no amount received from any Debtor under any Debt Document shall be applied to any Excluded Swap Obligation of such Debtor, whether under Clause 14 (*Application of proceeds*) or otherwise).

28. **COUNTERPARTS**

This Agreement may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Agreement.

29. **GOVERNING LAW**

This Agreement and any non-contractual obligations arising out of or in connection with it are governed by English law.

30. **ENFORCEMENT**

30.1 **Jurisdiction**

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to the existence, validity or termination of this Agreement or any non-contractual obligation arising out of or in connection with this Agreement) (a “**Dispute**”).
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) This Clause 30.1 is for the benefit of the Secured Parties only. As a result, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Secured Parties may take concurrent proceedings in any number of jurisdictions.

30.2 **Service of process**

- (a) Without prejudice to any other mode of service allowed under any relevant law each Debtor (unless incorporated in England and Wales):
 - (i) irrevocably appoints the Parent as its agent for service of process in relation to any proceedings before the English courts in connection with this Agreement; and
 - (ii) agrees that failure by a process agent to notify the relevant Debtor of the process will not invalidate the proceedings concerned.
- (b) A Debtor may irrevocably appoint another person as its agent for service of process in relation to any proceedings before the English courts in connection with this Agreement, subject to notifying the Security Agent accordingly. In the case of any replacement of an existing agent for service of process, following the new process agent’s appointment and notification to the Security Agent of such new appointment, the existing process agent may resign.

This Agreement has been entered into on the date stated at the beginning of this Agreement and executed as a deed by the Intra-Group Lenders, the Debtors, the Parent, the Company, Bidco, Lux Finco, US Mergerco and the US Co-borrower and is intended to be and is delivered by them as a deed on the date specified above.
