Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

The information provided or incorporated by reference in Item 3 is hereby incorporated by reference herein.

Shareholders Agreement

In connection with the Merger Agreement, and concurrently with the closing of the Merger, the Issuer, Pi Topco, PGHL, Cannae LLC, Trasimene, the CVC Investors and the Blackstone Funds (together, the “Principal Shareholders”) entered into a Shareholders Agreement, dated as of March 30, 2021 (the “Shareholders Agreement”). Pursuant to the Shareholders Agreement, each of the Principal Shareholders is entitled to nominate a certain number of directors to the Board, based on each such holder’s ownership of the voting securities of the Issuer. The number of directors that each of the CVC Investors, the Blackstone Funds and certain entities affiliated with FTAC, including Trasimene and Cannae LLC (the “FTAC Investors”) will separately be entitled to designate to the Board increases and/or decreases on a sliding scale.

The Shareholders Agreement requires the Issuer to, among other things, nominate a number of individuals designated by the CVC Investors or the Blackstone Funds, as applicable, for election as directors of the Board as follows: (i) if the CVC Investors or the Blackstone Funds, as the case may be, collectively directly hold or indirectly, at least 7.5% of the aggregate outstanding Common Shares, such applicable investors will be entitled to designate two directors; and (ii) if the CVC Investors or the Blackstone Funds, as the case may be, collectively directly hold or indirectly, at least 2.5% (but less than 7.5%) of the aggregate outstanding Common Shares, such applicable investors will be entitled to designate one director (which director may be a U.S. citizen or resident) (in each case, each such person a “CVC Designee” or a “Blackstone Designee,” as applicable). In addition, if the CVC Investors or the Blackstone Funds, as the case may be, collectively directly hold or indirectly, at least 7.5% of the aggregate outstanding Common Shares, the CVC Investors or the Blackstone Funds, as the case may be, shall have the right, but not the obligation, to (i) jointly with Cannae LLC and the Blackstone Funds (in the case of the CVC Investors) or the CVC Investors (in the case of the Blackstone Funds), designate two directors (such two directors, the “Jointly Designated Directors”) and (ii) consent to any individual nominated for election as a director to the Board seat initially occupied by Ismail Dawood.

Additionally, for so long as the FTAC Investors collectively continue to hold at least 50% of the aggregate outstanding Common Shares held by the FTAC Investors as of March 30, 2021 (the “Closing Date”), the Shareholders Agreement will require the Issuer to, among other things, nominate four individuals designated by the FTAC Investors for election as directors of the Board, and Cannae LLC shall have the right, but not the obligation, to (i) jointly with the CVC Investors and the Blackstone Funds, designate the Jointly Designated Directors and (ii) consent to any individual nominated for election as a director to the Board seat initially occupied by Ismail Dawood. If the FTAC Investors collectively hold less than 50% of the aggregate outstanding Common Shares held by the FTAC Investors as of the Closing Date, the Shareholders Agreement will require the Issuer to, among other things, nominate a number of individuals designated by the FTAC Investors for election as directors of the Board as follows: (i) if the FTAC Investors collectively hold at least 7.5% of the aggregate outstanding Common Shares, four directors; (ii) if the FTAC Investors collectively hold at least 6.25% (but less than 7.5%) of the aggregate outstanding Common Shares, two directors; and (iii) if the FTAC Investors collectively hold at least 2.5% (but less than 6.25%) of the aggregate outstanding Common Shares, one director, which director may be a U.S. citizen or resident (in each case, each such person a “FTAC Designee”). In addition, if the FTAC Investors collectively hold at least 7.5% of the aggregate outstanding Common Shares, Cannae LLC shall have the right, but not the obligation, to (i) jointly with the CVC Investors and the Blackstone Funds, designate the Jointly Designated Directors and (ii) consent to any individual nominated for election as a director to the Board seat initially occupied by Ismail Dawood. Further, for so long as the Issuer remains a “foreign private issuer” as defined in Rule 3b-4 under the Exchange Act, at any time the FTAC Investors have the right under the Shareholders Agreement to appoint more than one director to the Board, at least one of the FTAC Designees shall be neither a citizen nor a resident of the United States.

For so long as the Shareholders Agreement remains in effect, directors designated by a Principal Shareholder may be removed only with the consent of the Principal Shareholder that nominated such director. In the case of a vacancy on the Board created by the removal or resignation of a director designed by a Principal Shareholder, the Shareholders Agreement will require the Issuer to nominate an individual designated by the Principal Shareholder that nominated such director for election to fill the vacancy. Additionally, any increase in the total number of directors on the Board to greater than eleven will require the consent of (i) the CVC Investors, for so long as the CVC Investors collectively directly hold or indirectly, at least 7.5% of the aggregate outstanding Common Shares, (ii) the Blackstone Funds, for so long as the Blackstone Funds collectively directly hold or indirectly, at least 7.5% of the aggregate outstanding Common Shares, and (iii) FTAC, for so long as the FTAC Investors collectively hold at least 7.5% of the aggregate outstanding Common Shares.

The Shareholders Agreement also provides each Principal Shareholder with basic information and management rights, as well as detailed venture capital operating company covenants. In addition, the Shareholders Agreement provides that each Principal Shareholder may, without the consent of the Issuer or any other person, assign its rights to designate directors to the Board to any transferee of Common Shares so long as any right to designate directors to the Board will not result in the transferee receiving the right to designate more than two directors where such designation rights would result in the transferee receiving the right to designate a percentage of the total number of directors on the Board that is greater than the percentage of the aggregate outstanding Common Shares held by such transferee after giving effect to such transfer. The Principal Shareholders are otherwise not able to assign their rights and obligations under the agreement, in whole or in part, without the prior written consent of the Issuer.

The Shareholders Agreement also requires the Issuer to cooperate with the Principal Shareholders in connection with certain future pledges, charges, hypothecations, grants of security interest in or transfers (including to third party investors) of any or all of the Issuer Common Shares held by the Principal Shareholders, including to banks or financial institutions as collateral or security for loans, advances or extensions of credit.

Registration Rights Agreement

In connection with the Merger Agreement, and concurrently with the closing of the Merger, the Issuer and the Principal Shareholders entered into an Amended and Restated Registration Rights Agreement, dated as of March 30, 2021 (the "Registration Rights Agreement"). Pursuant to the Registration Rights Agreement, the Issuer filed a registration statement to permit the public resale of all of the registrable securities held by the Principal Shareholders from time to time. In connection with such obligation, the Issuer filed a registration statement, which was declared effective by the SEC on May 28, 2021. In addition, pursuant to the Registration Rights Agreement, upon the demand of any Principal Shareholder, the Issuer will be required to facilitate a registered offering of the Issuer Common Shares requested by such Principal Shareholder. Any demanded registered offering will also include registrable shares to be sold by holders that exercise their related piggyback rights in accordance with the Registration Rights Agreement, subject to customary cut-backs. Within 60 days (in the case of a demand for a registration on Form F-1) or 30 days (in the case of a demand for a registration on Form F-3) after receipt of a demand for such registration, the Issuer will file a registration statement relating to such demand and use its best efforts to cause such registration statement to be declared effective by the SEC as soon as practicable thereafter. In certain circumstances, Principal Shareholders will be entitled to piggyback registration rights in connection with the demand of a registered offering.

In addition, the Registration Rights Agreement entitles the Principal Shareholders to demand and be included in a shelf registration when the Issuer is eligible to sell its Common Shares in a secondary offering on a delayed or continuous basis in accordance with Rule 415 of the Securities Act. Within 30 days of the Issuer becoming qualified to register the offer and sale of securities under the Securities Act pursuant to a registration statement on Form F-3, the Issuer will file a registration statement that covers all registrable securities then outstanding and use its best efforts to cause such shelf registration statement to be declared effective by the SEC as soon as practicable thereafter. Moreover, upon the demand of a Principal Shareholder, the Issuer will be required to facilitate in the manner described in the Registration Rights Agreement a "takedown" off of an effective shelf registration statement of registrable shares requested by such Principal Shareholder.

The Registration Rights Agreement also provides that the Issuer will pay certain expenses relating to such registrations and indemnify the registration rights holders against (or make contributions in respect of) certain liabilities which may arise under the Securities Act.

Additionally, certain of the Issuer's shareholders who were shareholders of PGHL prior to the Merger are subject to lockup restrictions until the expiration of the applicable lock-up period relating to the first public offering following the first underwritten public offering following the Merger. Certain of the Issuer's current and former management equity holders have agreed to lockup restrictions until March 25, 2022, subject to certain exceptions.

The description of the Shareholders Agreement and Registration Rights Agreement contained in this Item 6 are not intended to be complete and are qualified in their entirety by reference to such documents, which are filed as exhibits hereto and incorporated by reference herein.

Funds and accounts managed by an indirect subsidiary of Blackstone Inc. hold \$22 million principal amount of the Issuer's 3.00% EUR secured notes due June 2029.
